LIBERTY ALL-STAR FUNDS

Dear Fellow Shareholder:

The Funds listed in the Notice of Special Meeting of Shareholders will hold a special meeting on September 26, 2001, at 2:00 p.m., to vote on the proposals listed in the proxy statement.

Liberty Financial Companies, Inc. (Liberty Financial), the parent company of the Funds' investment advisor, has entered into an agreement to sell its asset management business, including the Funds' investment advisor, to Fleet National Bank (Fleet), an indirect wholly owned subsidiary of FleetBoston Financial Corporation, a U.S. financial holding company. The sale will cause the Funds' current advisory agreements and portfolio management agreements to terminate. In order for the management of each Fund to continue uninterrupted after the sale, we are asking you to approve new advisory agreements, including portfolio management agreements, for the Funds. The proposed new advisory agreements are substantially identical to the Funds' current advisory agreements, except as described in the attached proxy statement. NO CHANGES IN ADVISORY FEE RATES OR SERVICES ARE BEING PROPOSED.

Your vote is very important. The Boards of Trustees and Directors of the Funds listed in the Notice of Special Meeting have approved the new advisory agreements and new portfolio management agreements and recommend that you vote in favor of the agreements. Please complete, sign and date the enclosed proxy

card and return it in the enclosed postage-paid return envelope. This will ensure that your vote is counted, even if you cannot attend the meeting in person.

It is important that you vote promptly. If you have any questions about voting, please call 888-832-5694.

Sincerely,

/S/ WILLIAM R. PARMENTIER, JR.

IMPORTANT NEWS
FOR FUND SHAREHOLDERS

WHILE WE ENCOURAGE YOU TO READ THE FULL TEXT OF THE ENCLOSED PROXY STATEMENT,
HERE IS A BRIEF OVERVIEW OF MATTERS TO BE VOTED UPON.

QUESTIONS AND ANSWERS

Q. What am I being asked to vote "For" in this proxy?

A. You are being asked to vote for proposals to:

1. Approve a new investment advisory agreement for your Fund with your Fund's current investment advisor, on substantially identical terms as the current investment advisory agreement. NO CHANGE IN ADVISORY FEE RATES OR SERVICES IS BEING PROPOSED.
2. Approve a new portfolio management agreement for your Fund with your Fund's current portfolio managers, on substantially identical terms as the current portfolio management agreement. NO CHANGE IN PORTFOLIO MANAGEMENT FEE RATES OR SERVICES IS BEING PROPOSED.

Q. Why am I being asked to vote on new agreements?

A. Liberty Financial Companies, Inc. (Liberty Financial), the parent company of the investment advisor to the Funds listed in the Notice of Special Meeting of Shareholders, has entered into an agreement to sell its asset management business, including the Funds' investment advisor, to Fleet National Bank (Fleet), an indirect wholly owned subsidiary of FleetBoston Financial Corporation, a U.S. financial holding company. The sale will result in the termination of the current investment advisory agreements and portfolio management agreements. The sale will not be completed unless a number of conditions are met. One of the conditions of the sale is that shareholders of a percentage of the Funds and other accounts managed by Liberty Financial affiliates must approve the proposed new agreements. Your Fund's Board of Trustees or Directors has approved, and recommends that you approve, agreements applicable to your Fund.

Q. What prompted the sale of Liberty Financial's asset management business to Fleet?

A. On November 1, 2000, Liberty Financial announced that it had retained CS First Boston to help explore strategic alternatives, including the possible sale of Liberty Financial. Liberty Financial ultimately determined to sell its asset management business to Fleet.

4

Q. How will the sale of Liberty Financial's asset management business potentially benefit me?

A. The Funds' Board of Trustees or Directors believes that there may be benefits of scale from combining the asset management businesses of Fleet and Liberty Financial, including the ability to attract and retain key personnel, greater access to resources for investment professionals of the advisors, enhanced technology and customer service, and the expected availability of additional investment options for shareholders of the Funds.

Q. How do the proposed new agreements differ from the current agreements?

A. The proposed agreements are substantially identical to the current agreements. They differ only in their beginning dates and terms and certain other minor provisions. A comparison of the proposed new agreements is included in the proxy statement under the heading "New Advisory and New Portfolio Management Agreements."

Q. Will this change the advisory fees for my Fund?

A. No. Advisory fees will remain the same.

Q. Will there be any advisor changes?

A. No. The advisors that currently manage the Funds are expected to continue to manage the Funds after the sale of Liberty Financial's asset management business, using the same investment strategies and objectives currently in place.

Q. How does the Funds' Board of Trustees or Directors recommend that I vote on these proposals?

A. The Board of Trustees or Directors recommend that you vote "FOR" each of the proposals. The Boards believe that each of these proposals is in the best interests of your Fund and its shareholders.

Q. How can I vote my proxy?

A. For your convenience, there are several ways you can vote:

- By Mail: vote, sign and return the enclosed proxy card

- In person: September 26, 2001, at 2:00 p.m. at One Financial Center, Boston, Massachusetts

- By Telephone or by Internet (not available for all shareholders; eligible shareholders will receive an insert with instructions)

IT IS IMPORTANT THAT YOU VOTE PROMPTLY.

PROPOSALS 1 AND 2

NEW ADVISORY AND NEW PORTFOLIO MANAGEMENT AGREEMENTS

As explained below, the proposed New Advisory Agreement for each Fund and the proposed New Portfolio Management Agreements for each Fund (the New Advisory Agreements and the New Portfolio Management Agreements, as applicable for a Fund, are referred to collectively as the "New Agreements") are substantially identical (except for their terms and dates and certain other non-material changes) to the Investment Advisory Agreement and Portfolio Management Agreements currently in effect for that Fund (the "Current Advisory Agreement" and "Current Portfolio Management Agreements," respectively, and collectively, the "Current Agreements").

The reason the Boards are proposing a New Advisory Agreement for each Fund and New Portfolio Management Agreements for each Fund is that the Current Advisory Agreement and the Current Portfolio Management Agreements for each Fund will terminate when the Fund Manager's parent company, Liberty Financial Companies, Inc. ("LFC"), sells the Fund Manager and its other subsidiaries that operate its asset management business (the "Asset Management Segment") to Fleet National Bank, a national banking association ("Fleet"). As a result of this acquisition, the Fund Manager and its other subsidiaries will become direct or indirect, wholly owned subsidiaries of Fleet. The Investment Company Act of 1940, as amended (the "Investment Company Act"), provides generally that the advisory

agreement of an investment company, as well as any portfolio management agreement, such as any of the Current Portfolio Management Agreements, must provide for automatic termination if assigned, such as when the investment advisor or its parent company undergoes a significant change of ownership.

In addition, LFC has agreed to sell, in a separate transaction, all of the issued and outstanding capital stock of the subsidiaries constituting the annuity segment of LFC's business to Sun Life Assurance Company of Canada, a Canadian corporation (the "Annuity Sale"). The sale of the Asset Management Segment to Fleet and the Annuity Sale are not conditioned on each other. LFC has entered into a Merger Agreement with Liberty Mutual Insurance Company (the majority stockholder of LFC), which provides that, following the acquisition of the Asset Management Segment by Fleet and the Annuity Sale, LFC Acquisition

4

9

Corporation, a wholly owned subsidiary of Liberty Mutual Insurance Company, will merge with and into LFC, with LFC being the surviving corporation (the "Merger"). In connection with the Merger, holders of LFC common stock, other than LFC, Liberty Mutual and their respective direct and indirect subsidiaries and other than those holders of LFC common stock who validly perfect and exercise their appraisal rights under Massachusetts law, will be entitled to receive an amount of cash equal to \$33.44, subject to adjustment, per share of common stock. Once such Merger consideration is paid, such shares will be cancelled.

The Boards have carefully considered the matter and have concluded that it is appropriate to enter into the New Advisory Agreement and New Portfolio Management Agreements, as applicable for each Fund, so that the Fund Manager and Portfolio Managers can continue, following the acquisition of the Asset Management Segment by Fleet, to manage each Fund on the same terms as are now in effect. The Boards also have approved an interim advisory agreement and a portfolio management agreement for each Fund pursuant to Rule 15a-4 under the Investment Company Act, which will be entered into immediately following the closing of the acquisition of the Asset Management Segment by Fleet only if the Fund does not receive the requisite shareholder vote for the New Agreements at the Meeting. See the section "Basis for the Boards' Recommendations" below for further information on these interim agreements.

The acquisition of the Asset Management Segment by Fleet will occur only if various conditions are satisfied (or waived by the parties, if permitted by law). Those conditions include, among others, the receipt of certain government approvals, approval or consent from investment advisory clients of the Fund

Manager and other LFC affiliates (including mutual fund clients) which represent a specified percentage of LFC's total assets under management as of March 31, 2001, the avoidance of a certain level of net redemptions from portfolios managed by the Fund Manager and certain of its affiliates that make up the Asset Management Segment and approval of the acquisition by the requisite vote of the shareholders of LFC. LFC currently expects that the acquisition will occur during the latter part of 2001, but the acquisition could be delayed. If the acquisition does not occur, the New Agreements would not be needed because the automatic termination of the Current Agreements would not occur.

5

10

Under the Investment Company Act, a Fund cannot enter into a New Advisory Agreement and the Fund Manager cannot enter into a New Portfolio Management Agreement unless the shareholders of that Fund vote to approve the New Advisory Agreement and each New Portfolio Management Agreement. The Meeting is being held to seek shareholder approval of the New Advisory Agreement for each Fund and the New Portfolio Management Agreements for each Fund. NO CHANGE IN ADVISORY OR PORTFOLIO MANAGEMENT FEE RATES OR SERVICES IS BEING PROPOSED.

Shareholders of each Fund will vote separately on the New Advisory Agreement for that Fund and the New Portfolio Management Agreements for that Fund. Each share is entitled to cast one vote, and fractional shares are entitled to a proportionate fractional vote.

THE BOARD OF EACH FUND RECOMMENDS THAT THE SHAREHOLDERS OF SUCH FUND VOTE TO APPROVE THE NEW ADVISORY AGREEMENT AND THE NEW PORTFOLIO MANAGEMENT AGREEMENTS FOR THEIR FUND.

DESCRIPTION OF THE NEW ADVISORY AGREEMENTS

The New Advisory Agreement for each Fund is substantially identical (but for a few non-material changes) to the Current Advisory Agreement for that Fund. The date of each New Advisory Agreement will be the date that Fleet acquires the Asset Management Segment, or such later date on which the shareholders of the Fund approve the New Advisory Agreement, and the initial term of each New Advisory Agreement expires on July 31, 2003. Appendix A1 to this Proxy Statement sets forth information about the Current Advisory Agreements, including the dates of the Current Advisory Agreements and the advisory fee rates under both the New Advisory Agreements and the Current Advisory Agreements for each Fund. Appendix B1 to this Proxy Statement contains the forms of the New Advisory Agreements applicable to each Fund. Each Current Advisory Agreement and each New Advisory Agreement matches the form in Appendix B1 for the applicable Fund, except for the dates of the Agreements. The next several paragraphs briefly summarize some important provisions of the New Advisory Agreements, but for a complete understanding of the Agreements, you should read Appendices A1 and B1.

Each New Advisory Agreement essentially provides that the Fund Manager, under the Boards' supervision, will: (1) appoint one or more

6

11

portfolio managers to have full discretion and to make all determinations with respect to the investment and reinvestment of the portion of the Fund's assets assigned to that portfolio manager, and (2) provide officers, office space and certain administrative services to the Fund.

The New Advisory Agreement for each Fund provides that it will continue in effect for an initial period beginning on the date Fleet acquires the Asset Management Segment, or such later date on which the shareholders of each Fund approve the New Advisory Agreements, and ending on July 31, 2003. After that, it will continue in effect from year to year as long as the continuation is approved at least annually (i) by each Fund's respective Board or by vote of a majority of the outstanding voting securities of the Fund, and (ii) by vote of a majority of each Fund's respective Board who are not "interested persons," as that term is defined in the Investment Company Act, of the Fund or the Fund Manager (those Trustees or Directors who are not "interested persons" of the Fund, the Fund Manager or any Portfolio Manager for that Fund are referred to below as the "Independent Board Members").

The New Advisory Agreement for each Fund may be terminated without penalty by vote of the Board or by vote of a majority of the outstanding voting securities of the Fund, on sixty days' written notice to the Fund Manager, or by the Fund Manager upon sixty days' written notice to the Fund, and each terminates automatically in the event of its "assignment" as defined in the Investment Company Act. The Investment Company Act defines "assignment" to include, in general, transactions in which a significant change in the ownership of an investment advisor (including a portfolio manager) or its parent company occurs (such as the acquisition of the Asset Management Segment by Fleet).

The New Advisory Agreement for each Fund provides that the Fund Manager will not be liable to the Fund or its shareholders, except for liability arising from the Fund Manager's willful misfeasance, bad faith, gross negligence or reckless disregard of its obligations or duties.

Pursuant to a pricing and bookkeeping agreement, Colonial Management Associates, Inc. ("Colonial"), a wholly owned subsidiary of Liberty Funds Group LLC, which in turn is a direct wholly owned subsidiary of Liberty Financial Services, Inc.,

which is a direct wholly owned subsidiary of LFC, is responsible for providing certain services to the Funds. The aggregate pricing and bookkeeping fees paid by each Fund to

Colonial for the most recently completed fiscal year are set forth in Appendix E. Whether or not the proposed New Advisory Agreements are approved, the pricing and bookkeeping agreements for each Fund will remain in effect.

DESCRIPTION OF THE NEW PORTFOLIO MANAGEMENT AGREEMENTS

The New Portfolio Management Agreements for each Fund are substantially identical (but for a few non-material changes) to the Current Portfolio Management Agreements for those Funds. The date of each New Portfolio Management Agreement will be the date that Fleet acquires the Asset Management Segment, or such later date on which the shareholders of each Fund approve the New Portfolio Management Agreement, and the initial term of each New Portfolio Management Agreement expires on July 31, 2003. Appendix A2 to this proxy statement sets forth information about the Current Portfolio Management Agreements, including the dates of the Current Portfolio Management Agreements and the advisory fee rates under both the New Portfolio Management Agreements and the Current Portfolio Management Agreements. Appendix B2 to this proxy statement contains the form of the New Portfolio Management Agreement. Each Current Portfolio Management Agreement and each New Portfolio Management Agreement matches the form in Appendix B2, except for the changes noted above and items specific to a Fund, such as the Fund's name and fee rate. The next several paragraphs briefly summarize some important provisions of the New Portfolio Management Agreements, but for a complete understanding of the Agreements, you should read Appendices A2 and B2.

The New Portfolio Management Agreements essentially provide that the Portfolio Manager, under the Boards' and the Fund Manager's supervision and subject to the respective Fund's registration statement, will (1) decide what securities to buy and sell for the Fund's (or a portion of the Fund's) portfolio, (2) select brokers and dealers to carry out portfolio transactions for the Fund (or the portion of the Fund's portfolio managed by the Portfolio Manager) and (3) report results to the Boards of the Funds.

The New Portfolio Management Agreements provide that they will continue in effect for an initial period beginning on the date Fleet acquires the Asset Management Segment, or such later date on which shareholders of each Fund approve the New Portfolio Management

Agreements, and ending on July 31, 2003. After that, they will continue in effect from year to year as long as the continuation is approved at least annually (i) by each Fund's respective Board, (ii) by vote of a majority of the outstanding voting securities of the relevant Fund, or (iii) by vote of a majority of the Independent Board Members.

The New Portfolio Management Agreements may be terminated without penalty (i) by vote of each Fund's respective Board or by vote of a majority of the outstanding voting securities of the relevant Fund, on thirty days' written notice to the Portfolio Manager, (ii) by the Fund Manager upon thirty days' written notice to the Portfolio Manager, or (iii) by the Portfolio Manager upon ninety days' written notice to the Fund Manager and the Fund, and the New Portfolio Manager Agreements terminate automatically in the event of their "assignment," as described above, or upon termination of the New Advisory Agreement.

The New Portfolio Management Agreements provide that the Portfolio Manager will not be liable to the Fund Manager, the relevant Fund or its shareholders, except for liability arising from the Portfolio Manager's willful misfeasance, bad faith, gross negligence or violation of the standard of care established by and applicable to the Portfolio Manager in its actions under the New Portfolio Management Agreements or breach of its duty or obligations under the New Portfolio Management Agreements.

BASIS FOR THE BOARDS' RECOMMENDATIONS

The Boards initially met on June 11, 2001 to discuss the proposed acquisition of the Asset Management Segment by Fleet. At that meeting, representatives of LFC made a presentation regarding the terms of the proposed acquisition and representatives of Fleet made a presentation regarding Fleet's structure and asset management business and their plans as they existed at that time for the Asset Management Segment. At a meeting held on June 20, 2001, LFC and Fleet provided the Boards with additional information that they had requested. At a meeting held on July 23, 2001, the Boards gave further consideration to the proposed acquisition and reaffirmed their recommendation that shareholders vote to approve the New Agreements.

The Boards determined at the June 20, 2001 meeting to recommend that each Fund's shareholders vote to approve the New Advisory Agreement and the New Portfolio

Management Agreements for their Fund.

In coming to that determination, the Boards gave particular consideration to matters relating to the possible effects on the Fund Manager and the Funds of the acquisition of the Asset Management Segment by Fleet. Among other things, the Boards considered:

- the stated intention of Fleet not to make immediate changes to the investment management services provided by the Fund Manager and to collaborate with the Fund Manager, in consultation with the Boards of the Funds, to develop and implement a strategy for integrating the investment management business of the Fund Manager with Fleet's investment management business;
- certain actions taken by LFC and the Fund Manager to help retain and incent their key personnel;
- the general reputation and the financial resources of Fleet and its parent organization;
- the potential benefits of scale from combining the asset management businesses of Fleet and LFC, including the ability to attract and retain key personnel and enhance technology and customer service;
- the expected additional investment options available to shareholders of the Funds;
- the impact of the acquisition of the Asset Management Segment on the different types of investors in the Funds; and
- the stated intention of Fleet of providing investment professionals of the Fund Manager with access to greater resources as a result of the acquisition.

In addition, the Boards considered a wide range of information of the type they regularly consider when determining whether to continue a Fund's advisory agreement as in effect from year to year. The Boards considered information about, among other things:

- the Fund Manager and Portfolio Managers and their respective personnel (including particularly those personnel with responsibilities for providing services to the Funds), resources and investment process;
- the terms of the New Advisory Agreements and the New Portfolio Management Agreements;

- the scope and quality of the services that the Fund Manager has and Portfolio Managers have been providing to the Funds;
- the investment performance of each Fund and of similar funds managed by other advisors;
- the advisory fee rates payable to the Fund Manager by the Funds, and by the Fund Manager to the Portfolio Managers, and by other funds and client accounts managed by the Fund Manager and Portfolio Managers, and payable by similar funds managed by other advisors (Appendix C to this Proxy Statement contains information comparing each Fund's advisory fee schedule to the fee schedule for other funds managed by the Fund Manager and, where applicable, one or more Portfolio Managers, that have investment objectives similar to the particular Fund);
- the total expense ratios of the Funds and of similar funds managed by other advisors; and
- compensation payable by the Funds to affiliates of the Fund Manager and Portfolio Managers for other services (see Appendix E to this Proxy Statement for more information about that compensation).

In addition, the Boards considered that the agreement relating to the acquisition by Fleet provides that Fleet will (subject to certain qualifications) use all reasonable efforts to assure compliance with Section 15(f) of the Investment Company Act. Section 15(f) provides that a mutual fund investment advisor or its affiliates may receive benefits or compensation in connection with a change of control of the investment advisor (such as Fleet's acquisition of the Asset Management Segment) if two conditions are satisfied. First, for three years after the change of control, at least 75% of the members of the board of any registered investment company advised by the advisor must consist of persons who are not "interested persons," as defined in the Investment Company Act, of the advisor. (No changes in the current composition of the Boards are required to satisfy that condition, except that Mr. Palombo is expected to resign his position on the Boards prior to the closing of the acquisition, because he is an "interested person" of the Fund Manager.) Second, no "unfair burden" may be imposed on any such registered investment company as a result of the change of control transaction or any express or implied terms, conditions or understandings applicable to the transaction. "Unfair burden" means any arrangement, during the two years after the transaction, by which the investment advisor or any "interested person" of the advisor receives or is entitled to

receive any compensation, directly or indirectly, from such investment company or its security holders (other than fees for bona fide investment advisory or other services) or from any other person in connection with the purchase or sale of securities or other property to, from or on behalf of such investment company.

After carefully considering the information described above, the Boards, including the Independent Board Members, unanimously voted to approve the New Advisory Agreement for each Fund and the New Portfolio Management Agreements for each Fund and to recommend that each Fund's shareholders vote to approve the New Advisory Agreement and the New Portfolio Management Agreements for their Fund.

In the event that the shareholders have not approved the New Advisory Agreements and New Portfolio Management Agreements at the time of the acquisition of the Asset Management Segment by Fleet, the Fund Manager and Portfolio Managers will enter into interim advisory agreements and portfolio management agreements pursuant to Rule 15a-4 under the Investment Company Act, which will take effect immediately following the acquisition of the Asset Management Segment by Fleet (at which time the Current Agreements will terminate due to an assignment). These interim advisory agreements and portfolio management agreements will be in substantially the forms set forth in Appendices B1 and B2 but also will include certain provisions required by Rule 15a-4 (such as a maximum term of 150 days, a provision that a Fund's Board or a majority of the Fund's shareholders may terminate the agreement at any time without penalty on not more than 10 days' written notice, and a provision that the compensation earned by the Fund Manager and Portfolio Managers thereunder will be held in an interest-bearing escrow account until shareholder approval of the relevant New Agreements is obtained, after which the amount in the escrow account (together with any interest) will be paid to the Fund Manager and Portfolio Managers). If a Fund has not received the requisite shareholder approval for a New Advisory Agreement or the New Portfolio Management Agreements within 150 days after the closing of the acquisition, the Boards will consider other appropriate arrangements subject to approval in accordance with the Investment Company Act.

DESCRIPTION OF THE TRANSACTION

On June 4, 2001, LFC announced that it had entered into a Stock Purchase

Agreement with Fleet (the "Purchase Agreement"). Under the Purchase Agreement, Fleet would acquire the Asset Management Segment for a purchase price of \$900 million, plus the assumption of approximately \$110 million in debt. This price may be adjusted:

- upward or downward based on increases or decreases in the amount of portfolios managed by the subsidiaries that make up the Asset Management Segment (excluding the effects of market action) from December 31, 2000 until a date prior to the closing as the result of purchases of and exchanges into and withdrawals from and exchanges out of those portfolios. The maximum purchase price adjustment under this provision would be \$180 million;
- upward or downward based on increases or decreases in the tangible net worth of the Asset Management Segment from April 1, 2001 through a date prior to the closing;
- downward based on decreases of more than 20% (excluding the effects of sales and redemptions) in the market values of the assets under management of the Asset Management Segment between March 31, 2001 and a date prior to the closing; and
- upward or downward based on the estimated value of amounts owing to or by LFC at the time of closing in respect of taxes with respect to the income of the Asset Management Segment and the settlement of certain inter-company accounts, agreements and arrangements

between LFC and the subsidiaries that make up the Asset Management Segment.

The transaction will not occur unless various conditions are satisfied (or waived by the parties, if permitted by law). One of these conditions is obtaining approval or consent from investment advisory clients of the Fund Manager, any affiliated sub-advisors and other LFC affiliates that constitute the Asset Management Segment (including fund clients) whose accounts represent 80% of the Asset Management Segment's assets under management as of March 31, 2001. Because of these conditions, approval or disapproval by a Fund's

shareholders of a New Advisory Agreement and New Portfolio Management Agreements for their Fund, taken together with other clients' consents or approvals, could affect whether or not the transaction occurs. As described below, certain officers of the Funds (including one officer who is also a member of the Boards of the Funds) will receive certain material payments or benefits if the transaction occurs. The transaction will result in the automatic termination of the Current Advisory Agreements and Current Portfolio Management Agreements for each Fund. If for some reason the transaction does not occur, the automatic termination of the Current Advisory Agreement and Current Portfolio Management Agreements for each Fund will not occur, and the New Advisory Agreement and New Portfolio Management Agreements for each Fund will not be entered into, even if they have been approved by the Funds' shareholders.

Simultaneously with the signing of the Purchase Agreement, at Fleet's request, Liberty Mutual and LFC entered into a license agreement with Fleet which provides that upon the closing of the acquisition of the Asset Management Segment, Fleet will have a perpetual, royalty free, non-transferable, non-sublicensable, non-exclusive license to use the Liberty mark and trade name, the Statue of Liberty design and other associated marks and trade names used in connection with the Asset Management Segment's business. The license agreement also contains other covenants and provisions more fully set forth in the Fleet license agreement. Neither Liberty Mutual nor LFC will receive compensation or other consideration under the Fleet license agreement.

As a result of the acquisition, the Fund Manager and certain of its affiliates that constitute the Asset Management Segment would become wholly owned, direct or indirect subsidiaries of Fleet. Fleet is a wholly owned subsidiary of FleetBoston Financial Corporation, a Boston, Massachusetts-based financial holding company. Fleet and its affiliates

offer a comprehensive array of financial solutions to approximately 20 million customers in more than 20 countries. Their key lines of business include:

- Consumer and Investment Services - includes domestic retail banking to consumer and small business customers, community banking, student loan processing, credit card services, and investment services, including mutual funds and investments, retirement planning, large institutional asset management and brokerage;
- Corporate and Global Banking - includes commercial finance, including asset-based lending and leasing; international banking in key Latin American markets; corporate banking, including specialized industry and institutional

lending; and middle market lending, including commercial lending, government banking services, trade services and cash management; and

- Capital Markets - includes investment banking services, brokerage, market-making and principal investing.

Certain Interests of Fund Board Members and Officers.

Substantially all full-time employees of LFC and its subsidiaries (including officers of the Funds and one officer of the Funds who is also a Trustee/Director of the Funds) participate in the Liberty Financial Companies, Inc. and Subsidiaries Non-Commissioned Employee Severance and Retention Plan or the Liberty Financial Companies, Inc. and Subsidiaries Commissioned Employees Severance and Retention Plan (the "Retention Plans"). The Retention Plans provide for cash retention bonuses and the full vesting upon a change of control of all outstanding options to purchase shares of stock of LFC ("LFC Options") and shares of restricted stock of LFC ("Restricted Stock") for which the target price in the applicable restricted stock agreement is less than the value of LFC common stock on the date of the change of control, even though some of these LFC Options and Restricted Stock would not otherwise have vested or become fully exercisable prior to the change of control. The Retention Plans also provide for enhanced severance benefits to substantially all employees upon a change of control and additional payments to cover excise tax obligations. With respect to employees of the subsidiaries that constitute the Asset Management Segment, a change of control will be deemed to occur under the Retention Plans upon the completion of the Fleet transaction.

Certain Brokerage Matters

In their consideration of the New Advisory Agreement and New Portfolio Management Agreements for their respective Fund, the Boards took account of the Fund Manager's and the Portfolio Managers' practices regarding the selection and compensation of brokers and dealers that execute portfolio transactions for the Funds, and the brokers' and dealers' provision of brokerage and research services to the Fund Manager and Portfolio Managers. The Fund Manager has informed the Boards that it does not expect to change these practices as a result of Fleet's acquisition of the Asset Management Segment. A summary of these brokerage and soft-dollar practices is set forth in Appendix D.

Outstanding Shares and Significant Shareholders. Shareholders of record at the close of business on July 16, 2001 are entitled to notice of and to vote at the Meeting and any adjourned session. Appendix F to this Proxy Statement lists for each Fund the total number of shares outstanding as of July 16, 2001 and entitled to vote at the Meeting. It also identifies holders of more than 5% of any class of shares of each Fund and contains information about the shareholdings in the Funds by the Board members and the executive officers of the Funds.

24

INFORMATION ABOUT PROXIES AND THE CONDUCT OF THE MEETING

Solicitation of Proxies. Proxies will be solicited primarily by mailing this Proxy Statement and its enclosures, but proxies may also be solicited through further mailings, telephone calls, personal interviews or e-mail by officers of the Funds or by employees or agents of the Fund Manager or of LFC and its affiliated companies. In addition, Georgeson Shareholder Communications Inc. has been engaged to assist in the solicitation of proxies, at an estimated cost of \$18,500.

Costs of Solicitation. All of the costs of the Meeting, including the costs of soliciting proxies, will be paid by LFC or Fleet. None of these costs will be borne by the Funds or their shareholders.

Voting and Tabulation of Proxies. Shares represented by duly executed proxies will be voted as instructed on the proxy. If no instructions are given, the proxy will be voted in favor of the relevant New Advisory Agreement and the New Portfolio Management Agreements for each Fund. You may vote by any one of the

following methods: (1) by mailing the enclosed proxy card or (2) by telephone or use of the Internet (not available for all shareholders; eligible shareholders will receive an insert with instructions). If you mail the enclosed proxy and no choice is indicated for a proposal listed in the attached Notice of Meeting, your proxy will be voted in favor of that proposal. Votes made through use of the Internet or by telephone must have an indicated choice in order to be accepted. At any time before it has been voted, your proxy may be revoked in one of the following ways: (i) by sending a signed, written letter of revocation to the Secretary of the Funds, (ii) by properly executing a later-dated proxy (by any of the methods of voting described above), or (iii) by attending the Meeting, requesting return of any previously delivered proxy and voting in person.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting (the "Tellers"). The holders of a majority of the shares of any Fund outstanding on the record date, present in person or represented by proxy, constitute a quorum for the transaction of business by the shareholders of that Fund at the Meeting. In determining whether a quorum is present, the Tellers will count shares represented by proxies that reflect abstentions, and "broker non-votes," as shares that are present and entitled to vote. Since these shares will be counted as present, but not as voting in-favor of any proposal, these shares will have

20

25

the same effect as if they cast votes against the proposal. "Broker non-votes" are shares held by brokers or nominees as to which (i) the broker or nominee does not have discretionary voting power and (ii) the broker or nominee has not received instructions from the beneficial owner or other person who is entitled to instruct how the shares will be voted.

Required Vote. For each Fund, the vote required to approve the New Advisory Agreement and New Portfolio Management Agreements, is the lesser of (1) 67% of the shares of that Fund that are present at the Meeting, if the holders of more than 50% of the shares of the Fund outstanding as of the record date are present or represented by proxy at the Meeting, or (2) more than 50% of the shares of the Fund outstanding on the record date. If the required vote is not obtained for any Fund, the Boards will consider what other actions to take in the best interests of the Funds.

Adjournments; Other Business. If a Fund has not received enough votes by the time of the Meeting to approve that Fund's New Advisory Agreement and New Portfolio Management Agreements, the persons named as proxies may propose that the Meeting be adjourned one or more times as to that Fund to permit further solicitation of proxies. Any adjournment requires the affirmative vote of more than 50% of the total number of shares of that Fund that are present in person

or by proxy when the adjournment is being voted on. The persons named as proxies will vote in favor of any such adjournment all proxies that they are entitled to vote in favor of the relevant Fund's New Advisory Agreement and New Portfolio Management Agreements. They will vote against any such adjournment any proxy that directs them to vote against the New Advisory Agreement and New Portfolio Management Agreements. They will not vote any proxy that directs them to abstain from voting on the New Advisory Agreement and New Portfolio Management Agreements.

The Meeting has been called to transact any business that properly comes before it. The only business that management of the Funds intends to present or knows that others will present is the approval of the New Advisory Agreements and New Portfolio Management Agreements. If any other matters properly come before the Meeting, and on all matters incidental to the conduct of the Meeting, the persons named as proxies intend to vote the proxies in accordance with their judgment, unless the Secretary of the Funds has previously received written contrary instructions from the shareholder entitled to vote the shares.

Shareholder Proposals at Future Meetings. Shareholder proposals to be presented at the 2002 Annual Meeting of Shareholders of one of the Funds must be received by the Fund on or before October 26, 2001. The fact that a Fund receives a shareholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements relating to such inclusion. You may submit shareholder proposals to the Secretary of each Fund, One Financial Center, Boston, Massachusetts 02111.

EXHIBIT A

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e) (3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide

brokerage or research services to the Fund or the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Fund Account. The Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

C. The Portfolio Manager shall not execute any portfolio transactions for the Fund Account with a broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund. The Fund will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

PORTFOLIO MANAGEMENT AGREEMENT

[PORTFOLIO MANAGER]

[ADDRESS]

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star [] Fund (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day corporate management and Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs [] (the "Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among

B2-1

54

the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of [Trustees/Directors] of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or

policies.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio

B2-2

55

Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide

brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

B2-3

56

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with [itself or any] broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund [except in accordance with SEC Exemptive Order No. 24288 dated February 15, 2000, a copy of which has been furnished to the Portfolio Manager, and Rule 17e-1 procedures as approved by the Fund's Trustees/Directors from time to time]. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

6. Proxies. The Portfolio Manager [Fund] will vote [or direct the voting of] all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager [Fund] Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager. [in accordance with authorization provided by the Fund Manager from time to time.]

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, [members,] officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion,

investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. [C. Upon certification by the Portfolio Manager that it has adopted a written code of ethics and procedures reasonably necessary to prevent access persons, as defined by said code of ethics, from violating the anti-fraud provisions of Rule 17j-1 under the Act, the Fund will not unreasonably withhold its approval of the code of ethics adopted by the Portfolio Manager provided that the Portfolio Manager certifies to the Fund that in all other material respects the Portfolio Manager's code of ethics complies with Rule 17j-1.]

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

The Portfolio Manager agrees that it will notify the Fund within 15 days of adopting material changes to its code of ethics]. Within 45 days of the end of each year while this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify [annually] to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and that there has been no violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation [during the previous year and has procedures reasonably necessary to prevent access persons from violating the

Portfolio Manager's code of ethics. On an annual basis, the Portfolio Manager shall provide a written report to the Fund describing any issues arising under its code of ethics or procedures since the last report was so submitted, including information about material violations of the code or procedures and any action taken in response to such violations. Upon the written request of the Fund, the Portfolio Manager shall permit the Fund to examine the reports required to be maintained by the Portfolio Manager under Rule 17j-1(c)(1)].

APPENDIX D

BROKERAGE PRACTICES

The following is a summary of the brokerage practices of the Fund Manager and Portfolio Managers:

PORTFOLIO TRANSACTIONS AND BROKERAGE

Each of the Fund's Portfolio Managers has discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the portion of the Fund's portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. The portfolio management

agreements with the Fund provide, in substance, that in executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Portfolio Manager is to seek to obtain best net price and execution for the Fund.

The Portfolio Managers are authorized to cause the Fund to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Portfolio Managers must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to them, viewed in terms of that particular transaction or in terms of all the client accounts (including the Fund) over which the Portfolio Manager exercises investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under their portfolio management agreements with the Fund and LAMCO, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Fund, are authorized to consider (and LAMCO may request them to consider) brokers or dealers that provide to LAMCO, directly or through third parties, research products or services such as research reports; subscriptions to financial publications and research compilations; portfolio analyses; economic reports; compilations of securities prices, earnings, dividends and other data; computer hardware and software, quotation equipment and services used for research; and services of economic or other consultants. The commissions paid on such transactions may exceed the

D1-1

72

amount of commission another broker would have charged for effecting that transaction. Research products and services made available to LAMCO include performance and other qualitative and quantitative data relating to investment managers in general and the Fund's Portfolio Managers in particular; data relating to the historic performance of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer hardware and software, all of which are used by LAMCO in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies. These research products and services may also be used by LAMCO in connection with its management of its Liberty All-Star Funds. In instances where LAMCO receives from or through brokers and dealers products or services which are used both for research purposes and for administrative or other non-research

purposes, LAMCO makes a good faith effort to determine the relative proportions of such products or services which may be considered as investment research, based primarily on anticipated usage, and pays for the costs attributable to the non-research usage in cash.

LAMCO from time to time reaches understandings with each of the Fund's Portfolio Managers as to the amount of the Fund's portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to LAMCO and the commissions to be charged to the Fund in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed by them and other factors.

Although the Fund does not permit a Portfolio Manager to act or have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in accordance with the Fund's procedures adopted pursuant to Rule 17e-1 under the Investment Company Act. During 2000, no Fund portfolio transactions were placed with any Portfolio Manager or its broker-dealer affiliate.

D1-2

73

On February 15, 2000, the SEC issued the Fund exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the Investment Company Act of 1940 to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Fund to engage in principal transactions with, and provide brokerage services to, portion(s) of the Fund advised by another Portfolio Manager and (2) the Fund to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Fund.
