If the filing person has previously filed a statement on Schedule 13G to report the acquisition that is the subject of this Schedule 13D, and is filing this schedule because of Section 240.13d-1(e), 240.13d-1(f) or 240.13d-1(g), check the following box //.

NOTE: Schedules filed in paper format shall include a signed original and five copies of the schedule, including all exhibits. See Rule 13d-7 for other parties to whom copies are to be sent.

*The remainder of this cover page shall be filled out for a reporting person's initial filing on this form with respect to the subject class of securities, and for any subsequent amendment containing information which would alter disclosures provided in a prior cover page.

The information required on the remainder of this cover page shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934 ("Act") or otherwise subject to the liabilities of that section of the Act but shall be subject to all other provisions of the Act (however, see the Notes).

SCHEDULE 13D

Item 1. Security and Issuer

This statement constitutes Amendment No. 2 to the Schedule 13D relating to the Shares, par value CHF 15.00 per share (the "Shares"), issued by Transocean Ltd. (the "Issuer"), and hereby amends the Schedule 13D filed with the Securities and Exchange Commission (the "SEC") on January 25, 2013, as amended by Amendment No. 1, filed with the SEC on January 29, 2013, to furnish the additional information set forth herein. All capitalized terms contained herein but not otherwise defined shall have the meanings ascribed to such terms in the Schedule 13D.

Item 4. Purpose of Transaction

Item 4 of the Schedule 13D is hereby amended by adding the following:

We believe that Transocean's recent announcement further highlights a long track record of weak capital allocation strategy and their announcement will not deter us from proposing a \$4.00 dividend at the Issuer's Annual General Meeting. The Board has acknowledged in their recent announcement that the Issuer has the resources to pay a \$4.00 dividend without endangering their growth plans, simply by increasing the dividend rather than paying off \$1 billion of low interest debt which they referenced in their press release. It is astounding to us that the Board would authorize debt repayments which will make no material impact to earnings as opposed to authorizing an additional \$1.76 per share dividend to shareholders.

We also intend to propose at least three alternative director nominees who we expect to provide a more shareholder friendly capital allocation strategy. We believe that such a strategy should manifest itself in a target of a permanent dividend that approaches a minimum of 85% of net income. Furthermore, our director nominees, who have substantial experience in the structuring, creating and marketing of yield vehicles, will be able to assist the Board in evaluating and executing on an MLP type vehicle which will provide additional benefit to shareholders.

After reasonable inquiry and to the best of each of the undersigned knowledge and belief, each of the undersigned certifies that the information set forth in this statement is true, complete and correct.
