ITEM 30. INDEMNIFICATION

The MainStay Group of Funds, which includes MainStay Funds Trust, MainStay VP Funds Trust and The MainStay Funds, maintains a joint directors and officers/errors and omissions ("D&O/E&O") liability insurance policy and joint independent directors liability ("IDL") insurance policy. The D&O/E&O liability insurance policy covers all of the directors and officers of the MainStay Group of Funds and the IDL insurance policy covers the independent directors only. Subject to the terms, conditions and retentions of the policies, insured persons are covered for claims made against them while acting in their official capacities with the MainStay Group of Funds.

Article VII of MainStay VP Funds Trust's ("Registrant's") Declaration of Trust states as follows:

Section 3. Indemnification.

(a) For purposes of this Section 3 and Section 5 of this Article VII and any related provisions of the By-laws, "Agent" means any Person who is, was or becomes an employee or other agent of the Trust who is not a Covered Person; "Proceeding" means any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (including appeals); and "liabilities" and "expenses" include, without limitation, attorneys' fees, costs, judgments, amounts paid in settlement, fines, penalties and all other liabilities whatsoever.

Laws:

(b) Subject to the exceptions and limitations contained in this Section, as well as any procedural requirements set forth in the By-Laws

(i) every person who is, has been, or becomes a Trustee or officer of the Trust (hereinafter referred to as a "Covered Person") shall be indemnified by the Trust to the fullest extent permitted by law against any and all liabilities and expenses reasonably incurred or paid by him in connection with the defense of any Proceeding in which he becomes involved as a party or otherwise by virtue of his being or having been such a Trustee or officer, and against amounts paid or incurred by him in the settlement thereof;

(ii) every Person who is, has been, or becomes an Agent of the Trust may, upon due approval of the Trustees (including a majority of the Trustees who are not Interested Persons of the Trust), be indemnified by the Trust, to the fullest extent permitted by law, against any and all liabilities and expenses reasonably incurred or paid by him in connection with the defense of any Proceeding in which he becomes involved as a party or otherwise by virtue of his being or having been an Agent, and against amounts paid or incurred by him in the settlement thereof;

(iii) every Person who is serving or has served at the request of the Trust as a director, officer, partner, trustee, employee, agent or fiduciary of another domestic or foreign corporation, partnership, joint venture, trust, other enterprise or employee benefit plan ("Other Position") and who was or is a party or is threatened to be made a party to any Proceeding by reason of alleged acts or omissions while acting within the scope of his or her service in such Other Position, may, upon due approval of the Trustees (including a majority of the Trustees who are not Interested Persons of the Trust), be indemnified by the Trust, to the fullest extent permitted by law, against any and all liabilities and expenses reasonably incurred or paid by him in connection with the defense of any Proceeding in which he becomes involved as a party or otherwise by virtue of his being or having held such Other Position, and against amounts paid or incurred by him in the settlement thereof;

(c) Without limitation of the foregoing and subject to the exceptions and limitations set forth in this Section, as well as any procedural requirements set forth in the By-Laws, the Trust shall indemnify each Covered Person who was or is a party or is threatened to be made a party to any Proceedings, by reason of alleged acts or omissions within the scope of his or her service as a Covered Person, against judgments, fines, penalties, settlements and reasonable expenses (including attorneys' fees) actually incurred by him in connection with such proceeding to the maximum extent consistent with state law and the 1940 Act.

(d) No indemnification shall be provided hereunder to any Person who shall have been adjudicated by a court or body before which the proceeding was brought (i) to be liable to the Trust or its Shareholders by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office (collectively, "Disabling Conduct") or (ii) not to have acted in good faith in the reasonable belief that his action was in the best interest of the Trust.

(e) With respect to any Proceeding disposed of (whether by settlement, pursuant to a consent decree or otherwise) without an adjudication by the court or other body before which the Proceeding was brought, no indemnification shall be provided to a Trustee, officer, Agent or other Person unless there has been a dismissal of the Proceeding by the court or other body before which it was brought for insufficiency of evidence of any Disabling Conduct with which such Trustee, officer, Agent or other Person has been charged or a determination that such Trustee, officer, Agent or other Person did not engage in Disabling Conduct:

(i) by the court or other body before which the Proceeding was brought;

(ii) by at least a majority of those Trustees who are neither Interested Persons of the Trust nor are parties to the Proceeding based upon a review of readily available facts (as opposed to a full trial-type inquiry); or

(iii) by written opinion of independent legal counsel based upon a review of readily available facts (as opposed to a full trial-type inquiry).

(f) The Trust's financial obligations arising from the indemnification provided herein or in the By-Laws (i) may be insured by policies maintained by the Trust; (ii) shall be severable; (iii) shall not be exclusive of or affect any other rights to which any Person may now or hereafter be entitled; and (iv) shall continue as to a Person who has ceased to be subject to indemnification as provided in this Section as to acts or omissions that occurred while the Person was indemnified as provided herein and shall inure to the benefit of the heirs, executors and administrators of such Person. Nothing contained herein shall affect any rights to indemnification to which Trust personnel, other than Covered Persons, may be entitled, and other persons may be entitled by contract or otherwise under law.

(g) Expenses of a Person entitled to indemnification hereunder in connection with the defense of any Proceeding of the character described in paragraphs (a) and (b) above may be advanced by the Trust or Series from time to time prior to final disposition thereof upon receipt of an undertaking by or on behalf of such Person that such amount will be paid over by him to the Trust or Series if it is ultimately determined that he is not entitled to indemnification under this Section 3; provided, however, that either (i) such Person shall have provided appropriate security for such undertaking, (ii) the Trust is insured against losses arising

out of any such advance payments, or (iii) either a majority of the Trustees who are neither Interested Persons of the Trust nor parties to the matter, or independent legal counsel in a written opinion, shall have determined, based upon a review of readily available facts (as opposed to a trial-type inquiry or full investigation), that there is reason to believe that such Person will be found entitled to indemnification under Section 3.

Section 5. Insurance.

The Trustees shall be entitled and empowered to the fullest extent permitted by law to purchase with Trust assets insurance for liability and for all expenses reasonably incurred or paid or expected to be paid by a Person entitled to indemnification from the Trust in connection with any proceeding in which he or she may become involved by virtue of his or her capacity or former capacity entitling him or her to indemnification hereunder.

In addition, each Trustee has entered into a written agreement with the Registrant pursuant to which the Registrant is contractually obligated to indemnify the Trustees to the fullest extent permitted by law and by the Declaration of Trust and By-Laws of the Registrant.

Insofar as indemnification for liability arising under the Securities Act of 1933 may be permitted to trustees, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a trustee, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such trustee, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
