**E-DEBIT GLOBAL CORPORATION ANNOUNCES THE APPOINTMENT OF
PRESIDENT AND CHIEF OPERATING OFFICER**

Calgary, Alberta – E-Debit Global Corporation (“E-Debit”) announces the appointment of Adam Ursulak as President and Chief Operating Officer of majority owned subsidiary Group Link Inc. (“Group Link”)

Announcement:

“With the arrival of Adam as Group Link Inc.’s President and Chief Operating Officer we have engaged a person with outstanding talent, leadership and experience to lead the forward direction of Group Link.” advised Douglas Mac Donald, E-Debit’s President and CEO, Group Link Inc. majority shareholder.

“Adam has spent the last 25 years working with local and international businesses to develop and implement adaptable strategies targeting sales, advertising, marketing and process refinement. He specializes in developing internet brand awareness for clients utilizing online web stores with e-commerce capabilities and a platform to communicate corporate information, products and services. The integration of relevant social media channels and the ability to work with all organizational levels is a strength that gives Adam the ability to develop broad based strategies that strengthen the entire organization and all stakeholder participants.

Adam’s proven past experience and strength in market penetration and growth over the past 5 years is fundamental to the success of Group Link as we roll out our e-commerce and business social network and payment gateway. With Adam leading our team I believe we will be successful in meeting the implementation time lines for the initial roll-out of Group Link projected for February 1, 2013.

“Group Link will continue timely announcements as to our progress towards our initial roll-out”, added Mr. Mac Donald.

Group-Link Inc. Overview

Group-Link Inc. is not a service, it is a member driven business linking its membership looking for business opportunities with members offering business opportunities. Group-Link is creating a very expansive marketing channel to its membership group which will not only be flexible and diversified but stable and economical to its membership with financial benefits offered by an “Industry Best Pricing” model formula linked with a financial payment portal available to all members..
