Dear Fellow Share Owners,

McEwen Mining took a group of analysts and journalists to El Gallo, our newly built mine in Mexico last week! On Day 1, we hosted the mine opening celebration, with the State's Governor, Municipal Mayor and 600 members of the local community. During Day 2, the group received a detailed tour of the mine by Rob McEwen and members of senior management.

We wanted to share with you the El Gallo Complex presentation and the mine safety video that were shown. In addition, you will find photos from the tour.

You can view the photos from the El Gallo Analyst tour here or on Facebook.
