Stratus Properties Inc.
98 San Jacinto Boulevard, Suite 220
Austin, Texas 78701

The 1998 Annual Report to Stockholders, including financial statements, is

being mailed to stockholders together with these proxy materials on or about March 26, 1999.

This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors (the "Board of Directors" or the "Board") of Stratus Properties Inc. (the "Company") for use at its Annual Meeting of Stockholders to be held on May 13, 1999, and at any adjournments thereof (the "Meeting").

Who Can Vote

Each share of the Company's common stock that you held on the Record Date entitles you to one vote at the Meeting. On the Record Date, there were 14,288,270 shares of common stock (the "Common Stock") outstanding.

Voting Rights

Inspectors of election will count votes cast at the Meeting. Directors are elected by plurality vote. All other matters are decided by majority vote present at the Meeting, except as otherwise provided by statute, our certificate of incorporation and our by-laws.

Abstentions and broker non-votes will have no effect on the election of directors. Abstentions as to all other matters to come before the Meeting will be counted as votes against those matters. Broker non-votes as to all other matters will not be counted as votes for or against and will not be included in calculating the number of votes necessary for approval of those matters.

Quorum

A quorum at the Meeting is a majority of the Common Stock entitled to vote, present in person or represented by proxy. The persons whom the Company appoints to act as inspectors of election will determine whether a quorum exists. Shares of Common Stock represented by properly executed and returned proxies will be treated as present. Shares of Common Stock present at the Meeting that abstain from voting or are the subject of broker non-votes will be counted as present for purposes of determining a quorum. A broker non-vote occurs when a nominee holding Common Stock for a beneficial owner does not vote on a particular matter because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

How Your Proxy Will Be Voted

The Board of Directors is soliciting a proxy in the enclosed form to provide you with an opportunity to vote on all matters scheduled to come before the Meeting, whether or not you attend in person.

Granting Your Proxy. If you properly execute and return a proxy in the enclosed form, your stock will be voted as you specify. If you make no specifications, the proxy representing any Common Stock will be voted:

- . in favor of the proposed director nominees, and
- . for the ratification of the appointment of auditors.

We expect no matters to be presented for action at the Meeting other than the items described in this proxy statement. The enclosed proxy will, however, confer discretionary authority with respect to any other matter that may properly come before the Meeting. The persons named as proxies in the enclosed proxy intend to vote in accordance with their judgment on any other matters that may properly come before the Meeting.

Revoking Your Proxy. If you submit a proxy, you may subsequently revoke it or submit a revised proxy at any time before it is voted. You may also attend the Meeting in person and vote by ballot, which would cancel any proxy that you previously submitted.

Proxy Solicitation

The Company will pay all expenses of soliciting proxies for the Meeting. In addition to solicitations by mail, arrangements have been made for brokers and nominees to send proxy materials to their principals, and the Company will reimburse them for their reasonable expenses in doing so. The Company has retained Georgeson & Co. Inc., Wall Street Plaza, New York, New York, to assist it in the solicitation of proxies from brokers and nominees. It is estimated that the fees for Georgeson's services will be \$6,500 plus its reasonable out-of-pocket expenses. Representatives of the Company, who will receive no compensation for their services, may also solicit proxies by telephone, teletype, personal interview or other means.

Stockholder Proposals

If you want us to consider including a proposal in next year's proxy statement, you must deliver it in writing to the Corporate Secretary, Stratus Properties Inc., 98 San Jacinto Boulevard, Suite 220, Austin, Texas 78701 by November 26, 1999.

If you want to present a proposal at the next annual meeting but do not wish to have it included in our proxy statement, you must submit it in writing to the Corporate Secretary at the above address,

by January 13, 2000 in accordance with the specific procedural requirements in our by-laws. If you would like a copy of these procedures, please contact the Corporate Secretary. Failure to comply with our by-law procedures and deadline may preclude the presentation of the matter at the Meeting.

Executive Officer Compensation

Richard C. Adkerson was a director and the Chairman of the Board until August 26, 1998 and was Chief Executive Officer until May 14, 1998. During this time, Mr. Adkerson was employed by another entity and performed his duties for the Company in accordance with a services agreement between the Company and a corporation in which the Company owns a 10% equity interest (the "Services Company"). In 1998 Mr. Adkerson's employer paid his compensation. Additionally, in 1998 the Services Company provided to the Company executive, technical, administrative, accounting, financial, tax and other services. The Company paid a fee to the Services Company of \$1.0 million for 1998 based upon the sum of (a) the Services Company's expenses that were incurred on behalf of the Company, (b) the costs of goods, services and other items paid by the Services Company on behalf of the Company, and (c) an allocable portion of all other expenses incurred by the Services Company in connection with providing services to the Company, including the services provided by Mr. Adkerson.

The current Chairman of the Board and Chief Executive Officer, William H. Armstrong III, was the only executive officer employed by the Company who earned in excess of \$100,000 for services provided to the Company in 1998. The following table shows compensation that the Company paid to Mr. Armstrong and Mr. Adkerson (together, the "Named Executive Officers") for all services rendered to the Company and its subsidiaries in 1998, 1997 and 1996.

- (2) The Black-Scholes option pricing model was used to determine the grant date present value of the options that the Company granted to Messrs. Armstrong and Adkerson. The grant date present value was calculated to be \$4.45. The following facts and assumptions were used in making this calculation: (a) an exercise price for each stock option of \$6.1875; (b) a fair market value of \$6.1875 for one share on the grant date; (c) a term for options as set forth under the column labeled "Expiration Date"; (d) a stock volatility of 55.4%, based on an analysis of historical weekly closing prices of the Common Stock over a 52-week period; and (e) an assumed risk-free interest rate of 5.80%, this rate being equivalent to the yield on the grant date on a treasury note with a maturity date comparable to the expiration date of the options. No other discounts or restrictions related to vesting or the likelihood of vesting of the options were applied.

This table shows all outstanding Company stock options held by each Named Executive Officer as of December 31, 1998. None of them exercised any Company stock options during 1998.

Corporate Personnel Committee Report on Executive Compensation

The Corporate Personnel Committee is composed of two independent directors who are responsible for the Company's executive compensation programs. The Committee's executive compensation philosophy is to:

- . emphasize performance-based compensation that balances rewards for short- and long-term results;
- . tie compensation to the interests of stockholders; and
- . provide a competitive level of total compensation in order to attract and retain talented executives.

Executive officer compensation for 1998 included base salaries, annual cash incentive awards and long-term incentive compensation in the form of stock options.

Base Salaries

Richard C. Adkerson served as Chairman of the Board of the Company until August 26, 1998 and as Chief Executive Officer until May 14, 1998. As Chairman and Chief Executive Officer, he provided services to the Company pursuant to a services agreement between the Company and the Services Company and was paid salary, benefits and other compensation by the Company through this agreement. Additionally, he received director fees and stock options directly from the Company.

William H. Armstrong III, who served as President and Chief Operating Officer prior to mid-1998 and Chairman of the Board, President and Chief Executive Officer thereafter, is the only executive officer whose salary is paid by the Company. His salary is based on his level of responsibility and the Committee's assessment of his performance. His salary was increased in 1998 in recognition of his new position and additional responsibilities.

9

Annual Incentive Awards

The Company provided annual cash incentives to its current Chief Executive Officer and other officers for 1998 through its performance incentive awards program. Each person selected to participate in the program is assigned a target award based on level of responsibility, which serves as a guideline amount. When determining the actual amounts awarded to participants for any year, the Committee considers both individual performance and Company performance as measured by operational and financial accomplishments.

The Committee determined that the level of Company and individual performance achieved in 1998 warranted the payment of a cash bonus to the Chief Executive Officer in the amount shown in the Summary Compensation Table under the heading "Executive Officer Compensation."

Long-Term Incentives

The Company also grants long-term incentives to executive officers in the form of stock options. The stock option award guidelines are intended to reinforce the relationship between compensation and increases in the market price of the Company's common stock and align the executive officers' financial interests with those of the Company's stockholders. The Committee establishes guidelines based upon the position of each participating officer and then grants options within those guidelines based upon the Committee's subjective assessment of each participant's individual performance. The table entitled "Option Grants in 1998" under the heading "Executive Officer Compensation" shows the stock options that the Committee granted in 1998 to the current and former Chief Executive Officer, based upon the Committee's guidelines and subjective assessment.

Section 162(m)

Section 162(m) limits to \$1 million a public company's annual tax deduction for compensation paid to each of its most highly compensated executive officers. Qualified performance-based compensation is excluded from this deduction limitation if certain requirements are met. The Committee's policy is to monitor compensation levels and to qualify stock options or other elements of compensation as "performance based" in order to preserve deductibility where doing so will further the purposes of the Company's executive compensation programs and may be accomplished by the Committee.

James C. Leslie, Chairman

Michael D. Madden

Compensation Committee Interlocks and Insider Participation

The current members of the Company's Corporate Personnel Committee are Messrs. Leslie and Madden. In 1998, no executive officer of the Company served as a director or member of the compensation committee of another entity, where one of the other entity's executive officers served as a director of the Company or on the Company's Corporate Personnel Committee.

Ratification of the Appointment of Auditors

The Board of Directors seeks stockholder ratification of the Board's appointment of Arthur Andersen LLP to act as the independent auditors of the financial statements of the Company and its subsidiaries for the year 1999. The Board has not determined what, if any, action would be taken should the appointment of Arthur Andersen LLP not be ratified.
