Pursuant to the Subscription Agreement, the Reporting Person has agreed to purchase Units from the Issuer for an aggregate purchase price of up to \$332,914,000 (the "Capital Commitment"). As of the date hereof, \$183,102,700 of the Reporting Person's Capital Commitments have been drawn down by the Issuer. Additional purchases of Units for a purchase price up to the Capital Commitment may occur in one or more subsequent closings on dates to be selected by the Issuer in accordance with the Issuer LLC Agreement. SUBSCRIPTION AGREEMENT

New Mountain Guardian IV BDC, L.L.C.
1633 Broadway, 48th Floor
New York, New York 10019

Ladies and Gentlemen:

1. *Subscription.* The person or entity for whose account the units of limited liability company interests (“Units”) are being purchased (the “Investor”) subscribes for and agrees to purchase Units in New Mountain Guardian IV BDC, L.L.C. (the “Fund”) with a Capital Commitment (as defined in the Limited Liability Company Agreement referred to below) in the amount set forth on the signature page hereto. The Investor acknowledges and agrees that this subscription (i) is irrevocable on the part of the Investor, (ii) is conditioned upon acceptance by or on behalf of the Fund and (iii) may be accepted or rejected in whole or in part by the Fund in its sole discretion. The Investor agrees to be bound by all the terms and provisions of the Amended and Restated Limited Liability Company Agreement of the Fund (as amended from time to time, the “Limited Liability Company Agreement”) in the final form provided to the Investor. Capitalized terms not defined herein are used as defined in the Limited Liability Company Agreement. To the extent anything in this Subscription Agreement is inconsistent with the terms of the Limited Liability Company Agreement, the Limited Liability Company Agreement shall control.

2. *Representations and Warranties of the Investor.* To induce the Fund to accept this subscription, the Investor represents, warrants and/or covenants as follows:

(a) The Investor received the Limited Liability Company Agreement and the Memorandum (as defined herein) and first learned of the Fund in the country, territory, state or other jurisdiction identified in the address of the Investor set forth on the Investor Questionnaire, and intends that the securities laws of that country, territory, state or other jurisdiction alone shall govern the offer and sale of the Units to the Investor. The Investor understands that no governmental agency or authority has passed upon or will pass upon the offer or sale of the Units or has made or will make any finding or determination as to the fairness of this investment. The Investor (i) is not a U.S. Person (as defined herein); (ii) will not transfer or deliver any interest in the Units except in accordance with Regulation S and the restrictions set forth in the Limited Liability Company Agreement and the Memorandum, pursuant to registration under the Securities Act or pursuant to an available exemption from registration; (iii) will notify the Fund immediately if the Investor becomes a U.S. Person at any time during which the Investor holds or owns any Units; (iv) is not subscribing on behalf of or funding its Capital Commitment with funds obtained from U.S. Persons; (v) is acquiring the Units to be acquired pursuant to this Subscription Agreement for the Investor’s own account for investment purposes only and not with a view to resale or distribution; and (vi) certifies that it has both received the Limited Liability Company Agreement and the Memorandum and executed this Subscription Agreement outside of the United States. If the Investor is an entity, the Investor hereby certifies that, unless every owner of the Investor’s securities are not “U.S. Persons” as defined in Regulation S of the Securities Act: (1) it was not formed, and is not operated, for the specific purpose of investing in the Fund; (2) no more than 40% of its assets are or will be invested in the Fund; and (3) each investor in the Investor participates in investments made by such Investor on a pro rata basis in accordance with each such investor’s interest in the Investor (except as necessary to comply with applicable laws or regulations). The Investor agrees not to engage in hedging transactions with regard to the Units, unless in compliance with the Securities Act.

1

(b) Except for offers and sales to discretionary or similar accounts held for the benefit or account of a non-U.S. person by a U.S. dealer or other professional fiduciary, all offers to sell and offers to buy the Units were made to or by the Investor while the Investor was outside the United States, and at the time that the Investor’s order to buy the Units was originated (and at the time this Subscription Agreement was executed by the Investor) the Investor was outside the United States.

(c) The Investor has been furnished and has carefully read the Private Placement Memorandum relating to the Fund (as amended, restated and/or supplemented through the closing date of the Investor’s subscription for Units, the “Memorandum”), the Limited Liability Company Agreement and, if the Investor is a natural person, a current copy of the New Mountain Privacy Policy attached hereto as Annex 4. The Investor has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Units, is able to bear the risks of an investment in the Units and understands the risks of, and other considerations relating to, a purchase of Units, including the matters set forth under the caption “Certain Risk Factors and Potential Conflicts of Interest” in the Memorandum.

(d) The Investor understands that the Fund intends to file or has filed (i) an election to be treated as a business development company under the Investment Company Act and (ii) an election to be treated as a regulated investment company within the meaning of Section 851 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”); pursuant to those elections, the Investor will be required to furnish certain information to the Fund as required under Treasury Regulations § 1.852-6(a) and other regulations. If the Investor is unable or refuses to provide such information directly to the Fund, the Investor understands that it will be required to include additional information on its income tax return as provided in Treasury Regulations § 1.852-7. Upon the request of the Fund, the Investor may be required to promptly deliver a properly completed and executed IRS Form 972 with respect to the Fund. The Fund intends to file a registration statement on Form 10 (the “Form 10 Registration Statement”) for its Units with the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Form 10

Registration Statement is not the offering document pursuant to which the Fund is conducting this offering and may not include all information regarding the Fund contained in the Memorandum; accordingly, Investors should rely on information contained in the Memorandum and Subscription Documents in making their investment decisions. The Investor acknowledges it may be required to make filings with the SEC pursuant to Section 13 or Section 16 of the Exchange Act, as applicable.

(e) The Investor understands that the Units have not been registered under the United States Securities Act of 1933, as amended (the “Securities Act”), the securities laws of any state thereof or the securities laws of any other jurisdiction, nor is such registration contemplated. The Investor understands and agrees further that the Units must be held indefinitely unless they are subsequently registered under the Securities Act and these laws or an exemption from registration under the Securities Act and these laws covering the sale of Units is available. Even if such an exemption is available, the assignability and transferability of the Units will be governed by the Limited Liability Company Agreement, which imposes substantial restrictions on transfer. The Investor understands that legends stating that the Units have not been registered under the Securities Act and these laws, and setting out or referring to the restrictions on the transferability and resale of the Units, will be placed on all documents evidencing the Units. The Investor represents and warrants that, unless separately acknowledged in writing by the Fund on the date of acceptance of this Subscription Agreement, there are no governmental orders, permissions, consents, approvals or authorizations that are required to be obtained and/or observed, and no registrations or other filings (other than a notice of exempt offering on Form D under the Securities Act or other similar filings under any applicable U.S. state “blue sky” law or the securities laws of any other jurisdiction) are required to be made (in each case whether regarding registration as a lobbyist, investment advisor and/or other status or category, or otherwise (including restrictions on gifts, political contributions or other activities) for the Fund, New Mountain Finance Advisers, L.L.C. (the “Adviser”) or their respective Affiliates or employees) in connection with the purchase of the Units by the Investor and/or the Investor’s status as a Unitholder of the Fund. The Investor’s overall commitment to the Fund and other investments that are not readily marketable is not disproportionate to the Investor’s net worth, and the Investor has no need for immediate liquidity in the Investor’s investment in Units.

(f) To the full satisfaction of the Investor, the Investor has been furnished any materials the Investor has requested relating to the Fund, the offering of Units or any statement made in the Memorandum, and the Investor has been afforded the opportunity to ask questions of representatives of the Fund concerning the terms and conditions of the offering and to obtain any additional information necessary to verify the accuracy of any representations or information set forth in the Memorandum.

(g) Other than as set forth in the Memorandum, the Limited Liability Company Agreement and any separate agreement in writing with the Fund or the Adviser executed in conjunction with the Investor’s subscription for Units, the Investor is not relying upon any other information (including, without limitation, any advertisement, article, notice or other communication published in any newspaper, magazine, website or similar media or broadcast over television or radio, and any seminars or meetings whose attendees have been invited by any general solicitation or advertising), representation or warranty by the Fund, the Adviser, any Affiliate of the foregoing or any agent of them, written or otherwise, in determining to invest in the Fund and the Investor understands that the Memorandum is not intended to convey tax, legal, investment or accounting advice. The Investor has consulted to the extent deemed appropriate by the Investor with the Investor’s own advisers as to the financial, tax, legal, accounting, regulatory and related matters concerning an investment in Units, and on that basis understands the financial, tax, legal, accounting, regulatory and related consequences of an investment in the Units, and believes that an investment in the Units is suitable and appropriate for the Investor.

(h) If the Investor is not a natural person (i) the Investor has the power and authority to enter into this Subscription Agreement, the Limited Liability Company Agreement and each other document required to be executed and delivered by the Investor in connection with this subscription for Units, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby and (ii) the person signing this Subscription Agreement on behalf of the Investor has been duly authorized to execute and deliver this Subscription Agreement, the Limited Liability Company Agreement and each other document required to be executed and delivered by the Investor in connection with this subscription for Units. If the Investor is a natural person, the Investor has all requisite legal capacity to acquire and hold the Units and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by the Investor in connection with this subscription for Units. The Investor has provided the Fund with a copy of any policy or regulation applicable to the Investor or the Investor’s service providers (including with respect to political contributions, third-party payments or the use of placement agents) with which the Adviser, and/or the Fund will be expected to comply in connection with the Investor’s investment in the Fund. Neither (A) the execution and delivery by the Investor of, and compliance by the Investor with, this Subscription Agreement, the Limited Liability Company Agreement and each other document required to be executed and delivered by the Investor in connection with this subscription for Units nor (B) except as disclosed to the Fund in writing prior to the submission hereof, the payment of a fee to any placement agent, solicitor or finder in connection with the Investor’s subscription for Units, violates or represents a breach of, or constitutes a default under, any instruments governing the Investor, any law, regulation, order or policy, or any agreement to which the Investor is a party or by which the Investor is bound, including any policy or regulation of the type referred to in the previous sentence. This Subscription Agreement has been duly executed by the Investor and constitutes, and the Limited Liability Company Agreement, when the Investor is admitted as a Member, will constitute, a valid and legally binding agreement of the Investor, enforceable against it in accordance with the terms thereof (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally, by equitable principles (whether considered in a proceeding in equity or at law) and by an implied covenant of good faith and fair dealing).

(i) The Investor: (i) is not registered as an investment company under the 1940 Act; (ii) has not elected to be regulated as a business development company under the 1940 Act; and (iii) either (A) is not relying on the exception from the definition of “investment company”

under the 1940 Act set forth in Section 3(c)(1) or 3(c)(7) thereunder or (B) is permitted to acquire and hold more than 3% of the outstanding voting securities of a business development company regulated under the 1940 Act.

(j) If the Investor is, or is acting (directly or indirectly) on behalf of, a Plan¹ that is subject to Title I of the U.S. Employee Retirement Income Security Act of 1974, as amended (“ERISA”), Section 4975 of the Code, or any provisions of any other U.S. or non-U.S. federal, state, local or other laws or regulations that are similar to those provisions of ERISA or the Code (collectively, “Other Plan Laws”):

(i) (a) neither the Adviser, the Fund or any of their respective Affiliates (collectively referred to as the “New Mountain Entities”) has acted as the Plan’s fiduciary, or has been relied upon for any advice, with respect to the Plan’s decision to purchase or hold any Units and none of the New Mountain Entities shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to purchase, continue to hold, transfer, withdraw, vote or provide any consent with respect to any Units; and

(b) the decision to invest in the Fund has been made, and the performance of the Plan’s obligations under (and the exercise of the Plan’s rights in connection with) the Limited Liability Company Agreement and the Subscription Agreement will continue to be made, at the recommendation or direction of an independent fiduciary (a “Fiduciary”) who is:

(A) independent of the New Mountain Entities;

(B) capable of evaluating investment risks independently, both in general and with respect to particular transactions and investment strategies;

a fiduciary (within the meaning of Section 3(21) of ERISA and the regulations thereunder, Section 4975 of the Code, or as defined (C) under applicable Other Plan Laws, as applicable), with respect to the Plan’s investment in the Fund and is responsible for exercising independent judgment in evaluating the Plan’s investment in the Fund; and

aware of and acknowledges that (I) none of the New Mountain Entities are undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the Plan’s investment in the Fund, (II) the New Mountain Entities have a (D) financial interest in the Plan’s investment in the Fund on account of the fees and other compensation they expect to receive from the Fund and their other relationships with the Fund, and (III) any such fees and other compensation received by a New Mountain Entity do not constitute fees or other compensation rendered for the provision of investment advice to the Plan;

¹ The term “Plan” is defined to include (i) an “employee benefit plan” (within the meaning of Section 3(3) of ERISA), whether or not subject to ERISA, (ii) a plan, individual retirement account or other arrangement that is described in Section 4975(e)(1) of the Code, whether or not subject to Section 4975 of the Code, (iii) an insurance company using general account assets, if such general account assets are deemed to include the assets of any of the foregoing types of plans, accounts or arrangements, for purposes of Title I of ERISA or Section 4975 of the Code under Section 401(c) of ERISA or the regulations promulgated thereunder, (iv) a plan, fund or other similar program that is established or maintained outside the United States which provides for retirement income, a deferral of income in contemplation of retirement or payments to be made upon termination of employment, and (v) an entity whose underlying assets are deemed to constitute the assets of any of the foregoing described in clauses (i), (ii), (iii) or (iv), pursuant to ERISA or otherwise.

(ii) the Fiduciary has taken into consideration its fiduciary duties under ERISA or any Other Plan Law, as applicable, including the diversification requirements of Section 404(a)(1)(C) of ERISA (if applicable), in authorizing the Plan’s investment in the Fund, and has concluded that such investment is prudent;

(iii) the Plan’s decision to invest in the Fund and the acquisition of the Units contemplated thereby is in accordance with the terms of the Plan’s governing instruments and complies with all applicable requirements of ERISA, the Code and Other Plan Laws and does not constitute a non-exempt prohibited transaction under ERISA or Section 4975 of the Code, or a similar violation under any applicable Other Plan Laws; and

(iv) if the Investor is (directly or indirectly) investing the assets of a Plan which is not subject to Title I of ERISA or Section 4975 of the Code but is subject to any other U.S. or non-U.S. federal, state, local or other laws or regulations that could cause the underlying assets of the Fund to be treated as assets of the Plan by virtue of its investment in the Fund and thereby subject the Fund and Adviser (or other Persons responsible for the operation of the Fund and/or investment of the Fund’s assets) to laws or regulations that are similar to the fiduciary responsibility or prohibited transaction provisions contained in Title I of ERISA or Section 4975 of the Code (“Similar Law”), the Fund’s assets will not constitute the assets of such Plan under the provisions of any applicable Similar Law.

The representations and warranties set forth in this paragraph 2(j) shall be deemed repeated and reaffirmed on each day the Investor holds any Units. If at any time prior to the dissolution and winding up of the Fund the representations and warranties set forth in this paragraph shall cease to be true, the Investor shall promptly notify the Fund in writing. The Investor was offered the Units through private negotiations, not

through any general solicitation or general advertising, and in the jurisdiction listed in Section A.3 in the Investor Questionnaire attached hereto (the “Investor Questionnaire”) and intends that the securities laws of that jurisdiction govern the Investor’s subscription. The Investor acknowledges that it is not purchasing Units as a result of or subsequent to any “directed selling efforts” (as defined in Regulation S).

(k) If the Investor is a Protected Data Subject (as defined below):

(i) The Investor hereby represents, warrants, covenants and agrees that it has duly reviewed the Privacy Statement and accurately completed Annex 4, if applicable.

(ii) The Investor acknowledges that any information provided by the Investor that constitutes Personal Data (as defined in the Privacy Statement) may be processed and shared by the Fund, including with the Adviser any affiliates of the Adviser and any of their respective agents, advisers, auditors and service providers (together with the Partnership, the “Data Recipients”) in accordance with the Privacy Statement, regardless of whether such data is provided by the Investor in these Subscription Documents, obtained by the Data Recipients from a third party or otherwise.

6

(iii) In providing the Data Recipients with information in connection with its subscription to the Fund, or in connection with its proposed investment in the Fund (collectively, the “Subscription Information”), the Investor hereby represents and warrants to the Data Recipients that it either has the consent of any data subjects named or identified in its Subscription Information (i) to provide their Personal Data to the Data Recipients and (ii) for the Data Recipients to process their Personal Data for the purposes set out in the Privacy Statement (including, where required, the explicit consent of the data subjects for the processing of any Sensitive Personal Information as indicated in Annex 4), or is otherwise permitted by applicable law to do so.

For purposes hereof, a “Protected Data Subject” means an Investor who is located in (i) the EEA or (ii) a non-EEA country (including Switzerland, Jersey and Guernsey) that has implemented a law similar to the EU General Data Protection Regulation 2016/679 (“GDPR”) that has been found by the European Commission through an adequacy decision to provide an appropriate level of protection for personal data (as defined in the GDPR).

(l) The Investor acknowledges, or, if the Investor is acting as agent, representative or nominee for a subscriber, the Investor has advised the beneficial owner that the Fund has entered, or may enter, into an agreement with a Placement Agent providing for a payment from the Fund of a one-time or ongoing fee based upon the Units of any Investor introduced to the Fund by such Placement Agent.

(m) (i) Neither the Investor, nor any of its Affiliates or beneficial owners (w) appears on the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control of the United States Department of the Treasury (“OFAC”) (which can be found here: <http://www.treas.gov/offices/enforcement/ofac/>), nor are they otherwise a party with which the Fund is prohibited to deal under the laws of the United States, (x) appears on the European External Action Service consolidated list of persons, groups and entities subject to EU financial sanctions maintained on behalf of the European Commission, (y) appears on the Consolidated United Nations Security Council Sanctions List or (z) is a person identified as a terrorist organization on any other relevant lists maintained by governmental authorities. The Investor further represents and warrants that: (a) if the Investor is a natural person, the Investor is not a person who is or has been entrusted with prominent public functions, such as Head of State or of government, a senior politician, a senior government, judicial or military official, a senior executive of a state-owned corporation or an important political party official, or a close family member or close associate of such person, and (b) the monies used to fund the investment in the Units are not derived from, invested for the benefit of or related in any way to, the governments of, or persons within, any country that (i) is under a U.S. embargo enforced by OFAC, (ii) has been designated as a “non-cooperative country or territory” by the Financial Action Task Force on Money Laundering or (iii) has been designated by the U.S. Secretary of the Treasury as a “primary money laundering concern.”

7

The Investor further represents and warrants that the Investor: (i) has conducted thorough due diligence with respect to all of its beneficial owners, (ii) has established the identities of all beneficial owners and the source of each of the beneficial owner’s funds and (iii) will retain evidence of any such identities, any such source of funds and any such due diligence. Pursuant to anti-money laundering laws and regulations, the Fund may be required or determine that it is necessary and appropriate to collect documentation verifying the Investor’s identity and the source of funds used to acquire a Unit before, and from time to time after, acceptance by the Fund of this Subscription Agreement. The Investor does not know or have any reason to suspect that (i) the monies used to fund the Investor’s investment in a Unit have been or will be derived from or related to any illegal activities, including but not limited to, money laundering activities, and (ii) the proceeds from the Investor’s investment in Units will be used to finance any illegal activities. Neither the Investor, nor any of its Affiliates, nor any person having a direct or indirect beneficial interest in the Units being acquired is (i) a senior foreign political figure (“SFPP”),² (ii) an immediate family member³ of a SFPP or (iii) a close associate⁴ of a SFPP.

Neither the Investor, nor any of its Affiliates, nor any person having a direct or indirect beneficial interest in the Units being acquired is (i) a politically exposed person (a “PEP”),⁵ (ii) an immediate family member⁶ of a PEP or (iii) a close associate⁷ of a PEP. The Investor further represents and warrants that to the extent a beneficial owner is a bank, including a branch, agency or office of a bank, that is not physically located in the United States, that the

Investor has taken and will take reasonable measures to establish that the bank has a physical presence or is an affiliate of a regulated entity. The Investor has determined that the funds being invested by the Investor in the Fund do not come from corruption.

² A “senior foreign political figure” means a current or former senior official in the executive, legislative, administrative, military or judicial branches of a non-U.S. government (whether elected or not), a current or former senior official of a major non-U.S. political party or a current or former senior executive of a non-U.S. government-owned commercial enterprise. In addition, a “senior foreign political figure” includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure. For purposes of this definition, a “senior official” or “senior executive” means an individual with substantial authority over policy, operations, or the use of government-owned resources.

³ An “immediate family member” of a SFPF means spouses, parents, siblings, children and a spouse's parents and siblings.

⁴ A “close associate” of a SFPF means a person who is widely and publicly known (or is actually known) to be a close associate of a SFPF.

⁵ A “politically exposed person” means individuals who are or have been entrusted with prominent public functions domestically or by a foreign country or an international organization. Examples include, without limitation, a current or former senior official in the executive, legislative, administrative, military or judicial branches of a government (whether elected or not), a senior official of a major political party or a senior executive of a government-owned corporation. In addition, a “politically exposed person” includes any corporation, business or other entity that has been formed by, or for the benefit of, a political figure.

⁶ An “immediate family member” of a PEP typically includes the figure’s parents, siblings, spouse, children and in-laws.

⁷ A “close associate” of a PEP means a person who is widely and publicly known to maintain an unusually close relationship with a PEP, and includes a person who is in a position to conduct substantial financial transactions on behalf of a PEP.

(ii) The Investor acknowledges and agrees that unless the Adviser or the Fund otherwise agrees, any distributions to it will be paid to the account specified in Section B of the Investor Questionnaire, which will be the same account from which payments will be made by the Investor to the Fund and will only be made in the Investor’s name and, unless otherwise specified in Section B of the Investor Questionnaire, to and from a bank account of a bank based or incorporated in or formed under the laws of the United States or of a bank that is regulated in and either based or incorporated in or formed under the laws of the United States or another “Approved FATF Country” and that is not a “foreign shell bank” within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 et seq.), as amended, and the regulations promulgated thereunder by the U.S. Department of the Treasury, as such regulations may be amended from time to time. For the purposes of this Subscription Agreement, an “Approved FATF Country” means a country that is recognized as such by the Financial Action Task Force on Money Laundering.⁸

(iii) If the Investor or beneficial owner of the investment in the Units is a non-U.S. banking institution (a “Non-U.S. Bank”), the Investor represents and warrants to the Fund that it is not a prohibited “shell bank” as defined by the USA PATRIOT Act Regulations.

(iv) In the event that the Investor is a non-U.S. Bank or if the Investor receives deposits from, makes payments on behalf of, or handles other financial transactions related to a Non-U.S. Bank, the Investor represents and warrants to the Fund that: (A) the Non-U.S. Bank has a fixed address, other than an electronic address or a post-office box, in a country in which the Non-U.S. Bank is authorized to conduct banking activities; (B) the Non-U.S. Bank employs one or more individuals on a full-time basis; (C) the Non-U.S. Bank maintains operating records related to its banking activities; (D) the Non-U.S. Bank is subject to inspection by the banking authority that licensed the Non-U.S. Bank to conduct banking activities; and (E) the Non-U.S. Bank does not provide banking services to any other Non-U.S. Bank that does not have a physical presence in any country and that is not a regulated affiliate.

(v) The Investor agrees and acknowledges that, among other remedial measures, (A) in order to comply with governmental regulations and/or if the Fund determines in its good faith judgment that such action is in the best interests of the Fund (including if the Investor fails to provide any information or execute and deliver any documents requested pursuant to Section 4), the Adviser may “freeze the account” of the Investor, either by prohibiting additional investments by the Investor, segregating assets of the Investor and/or suspending other rights the Investor may have under the Limited Liability Company Agreement and (B) the Adviser may be required to report such action or confidential information relating to the Investor (including, without limitation, disclosing the Investor’s identity) to governmental authorities, self-regulatory organizations and financial institutions.

⁸ A list of current FATF members can be found at <http://www.fatf-gafi.org/pages/aboutus/membersandobservers/#d.en.3147>.

(vi) The representations and warranties set forth in this paragraph 2(m) shall be deemed repeated and reaffirmed by the Investor to the Fund as of each date that the Investor is required to make a Capital Contribution or other payment to, or receives a distribution from, the Fund or any alternative investment vehicle, if applicable. If at any time during the term of the Fund, the representations and warranties set forth in this paragraph 2(m) cease to be true, the Investor shall promptly so notify the Fund in writing.

(vii) The Investor understands and agrees that the Fund may not accept any amounts from a prospective Unitholder if such prospective Unitholder cannot make the representations and warranties set forth in this paragraph 2(m). If an existing Unitholder cannot make

these representations or warranties at any time, the Fund may require the redemption of such Unitholder's Units pursuant to Section 10.3 of the Limited Liability Company Agreement.

- (n) The Investor will not transfer or deliver any interest in the Units except in accordance with the restrictions set forth in the Limited Liability Company Agreement.

3. *Tax Information.* The Investor certifies under penalties of perjury that (i)(A) the Investor's name and address provided in the Investor Questionnaire are correct and (B) the Investor will complete and return with this Subscription Agreement an applicable CRS self-certification form and IRS Form W-8BEN or W-8BEN-E (or other applicable IRS Form W-8) and (ii)(A) the Investor is a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code) and (B) the Investor will notify the Fund within sixty (60) calendar days of any change in such status. The Investor agrees to execute properly and provide to the Fund in a timely manner any tax documentation or other information that may be reasonably required by the Adviser in connection with the Fund (including, but not limited to, the name, address and tax identification number of any "substantial U.S. owner" of the Investor or other information required to reduce or eliminate any withholding tax directly or indirectly imposed on or collected by or with respect to the Fund pursuant to Sections 1471 through 1474 of the Code, an intergovernmental agreement entered into in connection with the implementation of Sections 1471 through 1474 of the Code or any similar regime under non-U.S. law implementing such intergovernmental agreement or any similar provision of non-U.S. law ("FATCA") and any other information reasonably requested by the Adviser that is necessary for the Fund (or any entity in which the Investor directly or indirectly invests) to comply with its obligations pursuant to FATCA).

4. *Further Advice and Assurances.* All information which the Investor has provided to the Fund, including the information in this Subscription Agreement and in the Investor Questionnaire, is true, correct and complete as of the date hereof, and the Investor agrees to notify the Fund immediately if any representation or warranty contained in this Subscription Agreement or any of the information in the Investor Questionnaire, becomes untrue at any time. The Investor agrees to provide such information and execute and deliver such documents with respect to itself and its direct and indirect beneficial owners as the Fund may reasonably request from time to time to verify the accuracy of the Investor's representations and warranties herein, to establish the identity of the Investor and the direct and indirect participants in its investment in Units, to the extent applicable, to comply with any law, rule or regulation to which the Fund may be subject, including, without limitation, compliance with anti-money laundering laws, rules and regulations of any applicable jurisdiction, to respond to requests for information concerning the identity of Unitholders or source of funds from any governmental authority, self-regulatory organization or financial institution in connection with its anti-money laundering compliance procedures, to update such information, or to respond to any request by a court or regulatory authority in connection with any actual or proposed Portfolio Investment or for any other reasonable purpose.

10

5. *Power of Attorney.* The Investor by executing this Subscription Agreement hereby appoints any duly authorized representative of the Fund, with full power of substitution, as the Investor's true and lawful representative and attorney-in-fact, and agent of the Investor, to execute, acknowledge, verify, swear to, deliver, record and file, in the Investor's name, place and stead, the Limited Liability Company Agreement, any amendments to the Limited Liability Company Agreement (approved in accordance therewith) or any other agreement or instrument that the Fund deems appropriate solely to admit the Investor as a Member of the Fund. To the fullest extent permitted by law, this power of attorney is coupled with an interest, is irrevocable and shall survive, and shall not be affected by, the subsequent death, disability, incapacity, incompetency, termination, bankruptcy, insolvency or dissolution of the Investor. This power of attorney shall not revoke any prior powers of attorney executed by the Investor (including any powers of attorney contained in any documents executed pursuant to a power of attorney) and will terminate upon the complete withdrawal of an assigning Member from participation in the Fund. The Investor acknowledges and agrees that under the terms of the Limited Liability Company Agreement each Member grants a further power of attorney to the Fund as provided for therein.

6. *Indemnity.* The Investor understands that the information provided herein (including the Investor Questionnaire) will be relied upon by the Fund and the Adviser for the purpose of determining the eligibility of the Investor to purchase Units in the Fund. The Investor agrees to provide, if requested, any additional information that may reasonably be required to determine the eligibility of the Investor to purchase Units in the Fund. To the fullest extent permitted by law, unless otherwise agreed to in writing by the Adviser (on its own behalf and/or on behalf of the Fund) the Investor agrees to indemnify and hold harmless the Fund, the Adviser, the Administrator and their respective Affiliates and each Unitholder thereof from and against any loss, damage or liability due to or arising out of a material breach of any representation, warranty or agreement of the Investor contained in this Subscription Agreement (including the Investor Questionnaire attached hereto) or in any other document provided by the Investor to the Fund or in any agreement (other than the Limited Liability Company Agreement) executed by the Investor with the Fund or the Adviser in connection with the Investor's investment in Units. Notwithstanding any provision of this Subscription Agreement (including the Investor Questionnaire), the Investor does not waive any rights granted to it under the Limited Liability Company Agreement or applicable securities laws.

7. *United Kingdom Law Considerations.* If the Investor has received an offer to invest in the Fund or the "Fund Material" (being the materials used to promote and market the Fund including the Memorandum, Limited Liability Company Agreement, Subscription Agreement and other ancillary materials) while in the United Kingdom, the Investor hereby represents, warrants, covenants and agrees that it has completed Section K. If the Investor has not completed Section K, the Investor represents, warrants, covenants and agrees that it received any offer to invest in the Fund and the Fund Material outside the United Kingdom.

11

8. *Canadian Law Considerations.* If the Investor is a resident in Canada (any such Investor, a “Canadian Investor”), then the Canadian Investor hereby represents, warrants, covenants and agrees that it has duly reviewed and accurately completed Annex 5 to this Subscription Agreement. If the Investor has not completed Annex 5, the Investor represents, warrants, covenants and agrees that it is not a Canadian Investor.

9. *Japanese Law Considerations.*

(a) If the Investor is a Japanese “resident” as defined in the first sentence of Article 6, Paragraph 1, Item 5 of the Foreign Exchange and Foreign Trade Law of Japan or was solicited in Japan in connection with its subscription of Units (any such Investor, a “Japan Investor”), then the Japan Investor hereby represents, warrants, covenants and agrees that it has duly and accurately completed Annex 6. If the Investor has not completed Annex 6, the Investor represents, warrants, covenants and agrees that it is not a Japan Investor.

(b) The Japan Investor acknowledges and understands that the Units may not be offered for a public offering in Japan unless a securities registration statement pursuant to Article 4, Paragraph 1 of the Financial Instruments and Exchange Law of Japan (the “FIEL”) has been filed with the Director of the Kanto Local Finance Bureau of the Ministry of Finance of Japan. The Japan Investor further acknowledges and understands that (i) no registration pursuant to Article 4, Paragraph 1 of the FIEL has been made or will be made with respect to the solicitation of the application for the acquisition of the Units on the ground that such solicitation constitutes “*shoninzu-muke kanyu*” as described in Article 23-13, Paragraph 4 of the FIEL since it does not fall under the category set forth in Article 2, Paragraph 3, Item 3 of the FIEL and (ii) the Units are the rights set forth in Article 2, Paragraph 2, Item 6 of the FIEL.

(c) The Japan Investor acknowledges and understands that the Fund has made a filing under the exemption provided under Article 63 of the FIEL.

(d) The Japan Investor represents and warrants that it is not a person who falls within any of the categories set forth in items (a) through (c) of Article 63, Paragraph 1, Item 1 of the FIEL (“Disqualified Investor”) as of the date hereof and the date when the Japan Investor was offered the Units and will not become a Disqualified Investor during the period that it holds any Units.

(e) If the Japan Investor has answered “Yes” to question 1.a. in Annex 6 to the effect that the Japan Investor is a “qualified institutional investor” (*tekikaku kikan toshika*) as defined in Article 10, Paragraph 1 of the Cabinet Office Ordinance Concerning Definitions Provided in Article 2 of the FIEL (“Qualified Institutional Investor”), then the Japan Investor hereby agrees that (i) it will continue to maintain its status as a Qualified Institutional Investor as long as it holds any Units, (ii) it will only transfer its Unit to another Qualified Institutional Investor who is not a Disqualified Investor and where such transferee agrees to foregoing transfer restrictions and (iii) its name may be disclosed in the filing document submitted to the Japanese governmental entity in relation to the exemption provided under Article 63 of the FIEL.

12

(f) If the Japan Investor is not a Qualified Institutional Investor, the Japan Investor hereby represents that the Japan Investor falls under one of the categories under Article 17-12, Paragraph 1 of the Cabinet Order for Enforcement of the Financial Instruments and Exchange Law of Japan, and agrees that (i) the Japan Investor does not need any explanation regarding “material matters” as defined in Article 3, Paragraph 1 of the Law on Sales of Financial Products of Japan and (ii) it will not transfer its Unit unless it is transferring the entirety of its Unit to a single transferee who is a Qualified Institutional Investor (who is not a Disqualified Investor) or a permitted investor for specially permitted businesses (*tokurei gyomu taisho toushika*) under Article 17-12, paragraph 4, item 2 of the Cabinet Order (“Eligible Non-Qualified Institutional Investor”) and where such transferee agrees to the foregoing transfer restrictions.

(g) To the extent required by applicable law, the Adviser shall manage funds invested pursuant to the Limited Liability Company Agreement separately from the Adviser’s own property and other property pertaining to the other businesses conducted by the Adviser in the manner satisfying the criteria prescribed in Article 40-3 of the FIEL and Article 125 of the Cabinet Office Ordinance on Financial Instruments Business.

(h) If the Japan Investor has answered “Yes” to question 2.a in Annex 6, then the Japan Investor agrees that it will obtain the prior written consent of the Fund (and such consent shall not be unreasonably withheld) with respect to any change in the number of its investors who are not Qualified Institutional Investor. Furthermore, the Japan Investor understands, acknowledges and agrees that the Fund may withhold its consent if such change in the number of underlying investors in the Japan Investor will subject the Fund or the Adviser to any registration requirement under the FIEL or disqualifies the Fund or the Adviser from operating under the exemption from registration as provided under Article 63 of the FIEL.

(i) The Japan Investor has conducted due diligence and represents and warrants that, to the best of its knowledge, none of: (a) the Japan Investor; (b) any person controlling or controlled by the Japan Investor; (c) if the Japan Investor is a privately held entity, any person having a beneficial interest in the Japan Investor; (d) if the Japan Investor is not the beneficial owner of all of the Unit, any person having a beneficial interest in the Unit; or (e) any person for whom the Japan Investor is acting as agent or nominee in connection with this investment in the Unit: (i) is an Anti-Social Organization, a member of an Anti-Social Organization, or any other such similar organization or person; (ii) cooperates with or is involved in maintaining or operating any Anti-Social Organization by providing funds to it or through any other means; or (iii) intentionally has any association with any Anti-Social Organizations. As used herein, “Anti-Social Organization” shall mean an organization which is likely to encourage members of the organization (including any member of an organization constituting such organization) to commit, as a group or habitually, illegal actions specified in the Law regarding Prevention of Improper Conduct by Members of Anti-Social Organization of Japan (Law No. 77 of 1991, as amended) or any other similar organization pursuing economic interests by the use of violence, force or fraudulent means.

13

10. *Certain Definitions.* For purposes hereof, “United States” and “U.S. Person” shall have the meanings set forth in Regulation S of the Securities Act⁹ and Section 7701(a)(30) of the Code.

11. *Miscellaneous.* This Subscription Agreement is not assignable by the Investor without the prior written consent of the Fund. The representations and warranties made by the Investor in this Subscription Agreement, including the Investor Questionnaire attached hereto, shall survive the closing of the transactions contemplated hereby and any investigation made by the Fund or the Adviser. The Investor Questionnaire, including, without limitation, the representations and warranties contained therein, is an integral part of this Subscription Agreement and shall be deemed incorporated by reference herein. This Subscription Agreement may be executed in one or more counterparts, all of which together shall constitute one instrument. For the avoidance of doubt, a person’s execution and delivery of this Subscription Agreement by electronic signature and electronic transmission (jointly, an “Electronic Signature”), including via DocuSign or other similar method, shall constitute the execution and delivery of a counterpart of this Subscription Agreement by or on behalf of such person and shall bind such person to the terms of this Subscription Agreement. The parties hereto agree that this Subscription Agreement and any additional information incidental hereto may be maintained as electronic records. Any person executing and delivering this Subscription Agreement by an Electronic Signature further agrees to take any and all reasonable additional actions, if any, evidencing its intent to be bound by the terms of this Subscription Agreement, as may be reasonably requested by the Fund. Notwithstanding the place where this Subscription Agreement may be executed by any of the parties hereto, the parties expressly agree that this Subscription Agreement shall be governed by and construed in accordance with the laws of the State of New York, and the parties hereto submit to the non-exclusive jurisdiction of federal and state courts located in the State of New York.

⁹ Each of the following is a “U.S. person” under Regulation S (as modified by related guidance): (1) any natural person resident in the United States; (2) any natural person who is only temporarily residing outside the United States; (3) any partnership or corporation organized or incorporated under the laws of the United States; (4) any estate of which any executor or administrator is a U.S. person; (5) any trust of which any trustee is a U.S. person; (6) any agency or branch of a non-U.S. entity located in the United States; (7) any non-discretionary account or similar account (other than an estate or trust) held by a dealer or other fiduciary for the benefit or account of a U.S. person; (8) any discretionary account or similar account (other than an estate or trust) held by a dealer or other fiduciary organized, incorporated, or (if an individual) resident in the United States; (9) any account of a U.S. person over which a non-U.S. fiduciary has investment discretion or any entity, which, in either case, is being used to circumvent the registration requirements of the Investment Company Act; (10) any employee benefit or pension plan that does not have as its participants or beneficiaries persons substantially all of whom are not U.S. persons; and (11) any partnership or corporation if (i) organized or incorporated under the laws of any non-U.S. jurisdiction and (ii) formed by a U.S. person principally for the purpose of investing in securities not registered under the Securities Act, unless it is organized or incorporated, and owned, by accredited investors (as defined in Rule 501(a) under the Securities Act) who are not natural persons, estates or trusts. Terms used have the meanings given to them in Regulation S under the Securities Act.

Notwithstanding the above, “U.S. person” under Regulation S and related guidance does not include: (1) any discretionary account or similar account (other than an estate or trust) held for the benefit or account of a non-U.S. person by a dealer or other professional fiduciary organized, incorporated or, if an individual, resident in the United States; (2) any estate of which any professional fiduciary acting as executor or administrator is a U.S. person if (i) an executor or administrator of the estate who is not a U.S. person has sole or shared investment discretion with respect to the assets of the estate and (ii) the estate is governed by non-U.S. law; (3) any trust of which any professional fiduciary acting as trustee is a U.S. person if a trustee who is not a U.S. person has sole or shared investment discretion with respect to the trust assets, and no beneficiary of the trust (and no settlor if the trust is revocable) is a U.S. person; (4) an employee benefit plan established and administered in accordance with the law of a country other than the United States and customary practices and documentation of such country; (5) any agency or branch of a U.S. person located outside the United States if (i) the agency or branch operates for valid business reasons and (ii) the agency or branch is engaged in the business of insurance or banking and is subject to substantive insurance or banking regulation, respectively, in the jurisdiction where located; or (6) the International Monetary Fund, the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, the United Nations and their agencies, affiliates and pension plans, and any other similar international organizations, their agencies, affiliates and pension plans.

13. *“Disqualifying Event” under Rule 506.* The Investor represents that neither the Investor nor any person who through the Investor’s Units (including anyone who has investment discretion on the Investor’s behalf) beneficially owns the Units has been subject to any of the events specified in Exhibit A during the time periods specified therein. Furthermore, the Investor agrees to provide the Fund with prompt written notice of the occurrence of any event specified in Exhibit A with respect to the Investor or any such beneficial owner.
