3.6 Ineligible Persons

As set out in the Series 2022-A Indenture, upon a Deferral Event, TCPL reserves the right not to issue TCPL Deferral Preferred Shares to any Ineligible Person. In those circumstances, TCPL will issue to the Indenture Trustee, and the Indenture Trustee will hold, all TCPL Deferral Preferred Shares that would otherwise be delivered to Ineligible Persons, and the Indenture Trustee will deliver such shares to a broker retained by TCPL for the purpose of effecting the sale (to Persons other than TCPL, its Affiliates and other Ineligible Persons) of such shares on behalf of such Ineligible Persons. Such sales, if any, may be made at any time and at any price and none of the Trust, the Indenture Trustee or TCPL will be subject to any liability for failing to sell such TCPL Deferral Preferred Shares on behalf of any such Ineligible Persons or at any particular price on any particular day. The net proceeds received by the Indenture Trustee from the sale of any such TCPL Deferral Preferred Shares will be divided among the Ineligible Persons in proportion to the number of TCPL Deferral Preferred Shares (including fractional shares, if applicable) that would otherwise have been delivered to them, after deducting the costs of sale and any applicable withholding taxes. The Indenture Trustee shall make payment of the aggregate net proceeds to DTC (if the Trust Notes – Series 2022-A are then held in the Book-Entry System) or to the registrar and transfer agent (in all other cases) for distribution to such Ineligible Persons in accordance with customary practices and procedures of DTC, or otherwise.

3.7 Assignment, Set-Off and Related Procedures

In connection with the occurrence of any Deferral Event, and in respect of the related Deferral Date, the following provisions shall apply:

- (a) TCPL shall notify the Indenture Trustee and the Trust at least 5 Business Days prior to the Interest Payment Date on which the Deferral Event will or is expected to occur and be continuing;
- (b) the Trust shall calculate the sum of all of the Deferral Event Subscription Proceeds in respect of each related Deferral Event Subscription for all Holders of Trust Notes – Series 2022-A (for greater certainty, regardless of whether they are Ineligible Persons as of the Deferral Date), and the Trust shall advise the Indenture Trustee of such aggregate amount;
as a precondition to the delivery of any certificate or other evidence of issuance representing any TCPL Deferral Preferred Shares or related rights following a Deferral Event, TCPL may require the Trust to obtain from any Holder of Trust Notes – Series 2022-A (and Persons holding Trust Notes – Series 2022-A represented by such Holder of Trust Notes – Series 2022-A) a declaration, in form and substance satisfactory to TCPL, confirming compliance with any applicable regulatory requirements to establish that such Holder of Trust Notes – Series 2022-A is not, and does not represent, an Ineligible Person;
- (c) TCPL hereby assigns, transfers and conveys to the Trust all of its right, title and interest in the Deferral Event Subscription Proceeds in respect of such Deferral Date payable to TCPL in connection with the Deferral Event Subscription in respect of such Deferral Date (the "**Deferral Event Subscription Proceeds Assignment**");
the interest payable to the Trust by TCPL on such Deferral Date pursuant to the TCPL Sub Note – Series 2022-A shall be and be deemed to have been satisfied to the extent of an amount equal to the aggregate Deferral Event Subscription Proceeds payable by the Holders of Trust Notes – Series 2022-A in connection with the TCPL Deferral Preferred Shares to be issued on such Deferral Date pursuant to the Deferral Event Subscription Proceeds Assignment and TCPL shall only be required to pay cash to the Trust in an amount equal to the excess of the interest payable by TCPL pursuant to the TCPL Sub Note – Series 2022-A on such Deferral Date over the amount of such Deferral Event Subscription Proceeds;
- (d) the Indenture Trustee, on behalf of Holders of Trust Notes – Series 2022-A, hereby agrees, without any further action being required by the Holders of Trust Notes – Series 2022-A, the Trust or TCPL, that the right of the Holders of Trust Notes – Series 2022-A to receive interest thereon in respect of such Deferral Date shall automatically be set off against the obligation of the Holders of Trust Notes – Series 2022-A to pay the cash subscription price for the TCPL Deferral Preferred Shares to the Trust corresponding to the applicable Deferral Event Subscription Proceeds, and the Holders of Trust Notes – Series 2022-A shall not be required to pay such subscription prices in cash;
- (e)
- (f)

- (g) for greater certainty, the parties agree that on each Deferral Date the application and effect of paragraphs (d), (e) and (f) of this Section 3.7 shall, for all purposes, constitute the satisfaction in full to the extent contemplated of the following obligations following the occurrence of a Deferral Event: (i) TCPL's obligation to make the payments to the Trust under the TCPL Sub Note – Series 2022-A in accordance with the terms thereof in respect of such Deferral Date; (ii) the Trust's obligation to pay interest payable on the Trust Notes – Series 2022-A to the Indenture Trustee as bare trustee for and on behalf of the Holders of the Trust Notes – Series 2022-A in respect of such Deferral Date; (iii) the Indenture Trustee's obligation as bare trustee for and on behalf of the Holders of the Trust Notes – Series 2022-A to pay the interest received from the Trust to the Holders of the Trust Notes – Series 2022-A in respect of such Deferral Date; (iv) the Indenture Trustee's obligation to exercise as bare trustee for and on behalf of the Holders of the Trust Notes – Series 2022-A the Deferral Event Subscription right and acquire as bare trustee for and on behalf of the Holders of the Trust Notes – Series 2022-A the TCPL Deferral Preferred Shares in respect of such Deferral Date; and (v) acknowledged receipt from TCPL that the TCPL Deferral Preferred Shares issuable pursuant to the Deferral Event Subscription have been fully paid for; provided, however, that TCPL's obligation to issue the TCPL Deferral Preferred

Shares to the Holders of the Trust Notes – Series 2022-A shall not be satisfied in full until such time as TCPL has issued such TCPL Deferral Preferred Shares to the Holders of Trust Notes – Series 2022-A in accordance with the terms hereof;

(h) TCPL shall promptly create, issue and (subject to Section 4.3) distribute such number of TCPL Deferral Preferred Shares (including fractional shares, if applicable), with a stated issue price of \$1,000 per share, as are issuable pursuant to the Deferral Event Subscription;

(i) TCPL shall transfer and deliver to each Holder of Trust Notes – Series 2022-A who has not been identified by the Trust as an Ineligible Person pursuant to paragraph (c), from among the TCPL Deferral Preferred Shares issued in accordance with paragraph (h), a number of TCPL Deferral Preferred Shares (including fractional shares, if applicable) calculated in respect of the Holder by dividing (x) the interest amount payable in respect of such Holder's Trust Notes – Series 2022-A on the applicable Deferral Date, by (y) the stated issue amount of the TCPL Deferral Preferred Share issued by TCPL; and

(j) TCPL shall transfer and deliver to the Indenture Trustee, in respect of each Holder of Trust Notes – Series 2022-A who has been identified by the Trust as an Ineligible Person pursuant to paragraph (c), from among the TCPL Deferral Preferred Shares issued in accordance with clause (h), a number of TCPL Deferral Preferred Shares (including fractional shares, if applicable) calculated in respect of the Holder by dividing (x) the interest amount payable in respect of such Holder's Trust Notes – Series 2022-A on the applicable Deferral Date, by (y) the stated issue amount of the TCPL Deferral Preferred Share issued by TCPL, and the Indenture Trustee shall sell such TCPL Deferral Preferred Shares and distribute the net proceeds thereof as contemplated in Section 3.6.

- 13 -

This Section 3.7 shall constitute the irrevocable and unconditional authority, consent and direction by each Holder of the Trust Notes – Series 2022-A to the Indenture Trustee to agree to the provisions contained in this Section 3.7 and shall constitute good and sufficient authority for the Indenture Trustee to act in accordance herewith without any requirement for notice or further action on the part of any such Holder.

3.8 Delivery Mechanics

Promptly upon the occurrence of a Deferral Event, TCPL shall provide the Trustee with an executed Deferral Event Notice. On the Deferral Date to which the Deferral Event Notice relates, TCPL shall issue the aggregate number of TCPL Deferral Preferred Shares (including fractional shares, if applicable) upon payment of the subscription price in accordance with Section 3.7. If the Trust Notes – Series 2022-A are then held in the Book-Entry System of DTC, TCPL shall deliver to DTC a global certificate representing the TCPL Deferral Preferred Shares, registered in the name of DTC or its designated nominee as DTC may direct for credit to the accounts of participants in DTC's Book-Entry System holding Trust Notes – Series 2022-A, as at the Deferral Date in respect of which the Deferral Event Notice was delivered, in accordance with their respective interests therein. In the event that the Trust Notes – Series 2022-A are then held in definitive registered form through physical certificates, TCPL shall promptly arrange for delivery to those Persons who were Holders of Trust Notes – Series 2022-A as at the close of business on the relevant Deferral Date of physical certificates representing the requisite number of such TCPL Deferral Preferred Shares at the last address of such Holders as shown on the register for the Trust Notes – Series 2022-A.

4.3 Qualification of TCPL Deferral Preferred Shares

TCPL covenants that if any TCPL Deferral Preferred Shares to be issued and delivered hereunder or pursuant to the TCPL Deferral Preferred Share Provisions or the Trust Notes – Series 2022-A Provisions require registration or qualification with or approval of or the filing of any document, including any prospectus or similar document, or the taking of any proceeding with or the obtaining of any order, ruling, approval or consent from any governmental or regulatory authority under any Canadian or United States federal or provincial or state, as applicable, law or regulation or pursuant to the rules and regulations of any Canadian or United States regulatory authority or the fulfilment of any other legal requirement (collectively, the "**Applicable Laws**") before such TCPL Deferral Preferred Shares may be issued and delivered by TCPL to the Holders in connection with a Deferral Event, or in order that such TCPL Deferral Preferred Shares may be freely traded thereafter (except for any restrictions on ownership or transfer by reason of any Holder of TCPL Deferral Preferred Shares being a "control person" of TCPL for purposes of Canadian securities laws or by reason of any TCPL Deferral Preferred Shares being "control securities" for the purposes of United States securities laws), TCPL shall, in good faith, expeditiously take all such actions and do all such things as are necessary to cause such TCPL Deferral Preferred Shares to be duly registered, qualified or approved as and to the extent required for such purpose pursuant to Applicable Laws. TCPL represents and warrants that it has taken all actions and done all things as are necessary under Applicable Laws as they exist on the date hereof to cause the TCPL Deferral Preferred Shares to be issued and delivered in accordance with the provisions of this Agreement, the TCPL Deferral Preferred Share Provisions and the Trust Notes – Series 2022-A Provisions and to be freely tradable thereafter by the initial Holder thereof, subject to the exceptions referred to above in this Section 4.3; provided, however, that a failure to take such actions or to do such things shall not affect, reduce or modify in any way the effectiveness of the Deferral Event Subscription as of the Deferral Date.

4.4 TCPL Support

So long as any Trust Notes – Series 2022-A or TCPL Deferral Preferred Shares are outstanding, TCPL shall perform all of the obligations to be performed by it hereunder in connection with the TCPL Deferral Preferred Share Provisions and the Deferral Event Subscription, as applicable, and shall exercise all of its rights with respect thereto in accordance with the Declaration of Trust, the Trust Indenture and the terms of this Agreement. All TCPL Deferral Preferred Shares issued to Holders of Trust Notes – Series 2022-A, pursuant to the Deferral Event Subscription shall be duly issued as fully paid and non-assessable shares in the capital of TCPL, free of pre-emptive rights and shall be free and clear of any lien, claim, encumbrance, security interest or adverse claim. Without limiting the generality of the immediately preceding sentence, TCPL covenants that it shall, in a timely manner, transfer or arrange to transfer to such account in the Book-Entry System as the Indenture Trustee may direct, from time to time, the appropriate number of TCPL Deferral Preferred Shares (including fractional shares, if applicable), and supply the Indenture Trustee with duly executed share certificates, as applicable, so as to enable the exercise, from time to time, of the Deferral Event Subscription or the TCPL Deferral Preferred Share Provisions, as the case may be, in accordance with the Trust Notes – Series 2022-A Provisions, the TCPL Deferral Preferred Share Provisions and the provisions of this Agreement.

In the event of a capital reorganization, consolidation, merger or amalgamation or sale of substantially all of the assets of TCPL or comparable transaction affecting the TCPL Deferral Preferred Shares, TCPL covenants to take all necessary action to ensure that the Indenture Trustee or Holders of Trust Notes – Series 2022-A, as the case may be, receive, pursuant to the Deferral Event Subscription, after such capital reorganization, consolidation, merger, amalgamation, sale of substantially all assets or comparable transaction, the number of TCPL Deferral Preferred Shares (including fractional shares, if applicable) or other securities or consideration of TCPL or an entity resulting, surviving or continuing from the capital reorganization, consolidation, merger, amalgamation, sale of substantially all assets or comparable transaction that the Indenture Trustee or such Holders of Trust Notes – Series 2022-A would have received if the Deferral Event occurred immediately prior to the record date of the capital reorganization, consolidation, merger, amalgamation, sale of substantially all assets or comparable transaction.

ARTICLE 5 INDENTURE TRUSTEE

5.1 Powers and Duties of Indenture Trustee

In addition to and without limiting the Trust Indenture, the rights, powers, duties and authorities of the Indenture Trustee under this Agreement, in its capacity as Indenture Trustee, are as follows:

- (a) receiving and holding each Deferral Event Subscription and TCPL's undertaking and covenant in relation to each Deferral Event Subscription as bare trustee and nominee and effecting the Holders' undertaking and covenant in relation to each Deferral Event Subscription for and on behalf of each applicable Holder, in each case in accordance with the provisions of this Agreement;
- (b) acting for and on behalf of the Holders of Trust Notes – Series 2022-A to implement and give effect to the undertaking and covenant of the Holders with respect to the Deferral Event Subscription;
- (c) enforcing the benefit of and giving effect to the Deferral Event Subscription rights in accordance with the Trust Notes – Series 2022-A Provisions and this Agreement and, in connection therewith, distributing or causing to be distributed to the applicable Holders of TCPL Deferral Preferred Shares and cheques, if any, to which such Holders may become entitled hereunder in connection with a Deferral Event;
- (d) holding and administering the Series 2022-A Trust Estate in accordance with the terms of this Agreement;

- (e) investing any money forming, from time to time, part of the Series 2022-A Trust Estate as provided in this Agreement;
- (f) subject to this Article 5, taking action at the direction of any Holder to enforce the obligations of the Trust or TCPL under this Agreement; and
- (g) taking such other actions and doing such other things as are specifically provided for in this Agreement.

In the exercise of such rights, powers, duties and authorities, the Indenture Trustee shall have (and is granted) such incidental and additional rights, powers and authority not in conflict with any of the provisions of this Agreement, the Trust Notes – Series 2022-A Provisions and the TCPL Deferral Preferred Share Provisions relating to the Indenture Trustee as are reasonably required for the Indenture Trustee to carry out its duties under this Agreement. Any exercise of such discretionary rights, powers and authorities by the Indenture Trustee shall be final, conclusive and binding upon all Persons. For greater certainty, with respect to the Trust Notes – Series 2022-A and the TCPL Deferral Preferred Shares, the Indenture Trustee shall have only those duties as are set out specifically in this Agreement. The Indenture Trustee, in exercising its rights, powers, duties and authorities hereunder, shall act honestly and in good faith with a view to the best interests of the Holders and shall exercise the care, diligence and skill that a reasonably prudent trustee, nominee and agent would exercise in comparable circumstances. The Indenture Trustee shall not be bound to give any notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall be specifically required to do so under the terms hereof; nor shall the Indenture Trustee be required to take any notice of, or to do or to take any act, action or proceeding as a result of any default

or breach of any provision hereunder, unless and until notified in writing of such default or breach, which notice shall specify the default or breach desired to be brought to the attention of the Indenture Trustee and in the absence of such notice the Indenture Trustee may for all purposes of this Agreement conclusively assume that no default or breach has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained in this Agreement.

5.2 No Conflict of Interest

The Indenture Trustee represents to the Trust and TCPL that, at the date of execution and delivery of this Agreement, there exists no material conflict of interest in the role of the Indenture Trustee as a fiduciary hereunder. The Indenture Trustee shall, within 90 days after it becomes aware that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Article 8. If, notwithstanding the foregoing provisions of this Section 5.2, the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this Section 5.2, any interested party may apply to the Superior Court of Justice (Ontario) for an order that the Indenture Trustee be replaced as bare trustee and nominee under this Agreement.

- 17 -

5.3 Dealings with Transfer Agents, Registrars and DTC

In addition to and without limiting the Trust Indenture, the Trust and TCPL severally and irrevocably authorize the Indenture Trustee, from time to time, to:

- (a) consult, communicate and otherwise deal with the Trustee and the respective registrars and transfer agents, and any such subsequent registrar or transfer agent, of the Trust Notes – Series 2022-A and TCPL Deferral Preferred Shares;
- (b) if applicable, consult, communicate and otherwise deal with DTC; and
- (c) requisition, from time to time, from such registrar or transfer agent or DTC any information readily available from the records maintained by any such entity which the Indenture Trustee may reasonably require for the discharge of its duties and responsibilities under the Trust Notes – Series 2022-A Provisions, the TCPL Deferral Preferred Share Provisions and this Agreement.

5.4 Books and Records

The Indenture Trustee shall keep available for inspection by TCPL and the Trust, at the Indenture Trustee's principal office in Calgary, Alberta, correct and complete books and records of account relating to the Indenture Trustee's actions under this Agreement. On or before March 1 in every year, the Indenture Trustee shall transmit to TCPL and the Trust a brief report, dated as of December 31 in the immediately preceding year, with respect to: (i) the Series 2022-A Trust Estate as of that date; and (ii) all other actions taken by the Indenture Trustee in the performance of its duties under this Agreement which it had not previously reported.

5.5 Indemnification Prior to Certain Actions by Indenture Trustee

Notwithstanding any other provision of this Agreement, and in addition to and without limiting the Trust Indenture, the Indenture Trustee shall only be required to exercise any or all of the rights, duties, powers or authorities vested in it by this Agreement at the written request, order or direction of any Holder upon such Holder furnishing to the Indenture Trustee reasonable funds, security and indemnity satisfactory to the Indenture Trustee, acting reasonably, against the costs, expenses and liabilities that may be incurred by the Indenture Trustee therein or thereby, provided that no Holder will be obligated to furnish to the Indenture Trustee any such funding, security or indemnity in connection with the exercise, but not the enforcement, by the Indenture Trustee of any of its rights, duties, powers and authorities vested in it by this Agreement. None of the provisions contained in this Agreement shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the exercise of any of its rights, powers, duties or authorities under this Agreement nor limits the Indenture Trustee, acting reasonably, from requesting an indemnity, before any exercise or enforcement of rights. In addition, the Indenture Trustee shall disburse funds only to the extent that funds have been deposited with it.

- 18 -

5.6 Actions by Holders

No Holder shall have the right to institute any action, suit or proceeding or to exercise any other remedy authorized by this Agreement for the purpose of enforcing any of its rights or for the execution of any trust, power or obligation hereunder unless the Holder has requested in writing the Indenture Trustee to take or institute such action, suit or proceeding and, subject to Section 5.5, furnished the Indenture Trustee with the funding, security and indemnity referred to in Section 5.5, and the Indenture Trustee shall have failed to act within a reasonable time thereafter. In such case, but not otherwise, the Holder shall be entitled to take proceedings in any court of competent jurisdiction, it being understood and intended that no one or more Holders shall have any right in any manner whatsoever to affect, disturb or prejudice the rights hereby created by any such action, or to enforce any right hereunder, except subject to the conditions and in the manner herein provided, and that all powers and trusts hereunder shall be exercised and all proceedings at law shall be instituted, had and maintained by the Indenture Trustee, except only as herein provided, and in any event for the benefit of all Holders.

5.7 Reliance upon Declarations

Without limiting the Trust Indenture, the Indenture Trustee shall not be considered to be in contravention of any of its rights, powers, duties and authorities hereunder if, when required, it acts and relies in good faith upon written notices, statutory declarations, certificates, opinions, reports or other papers or documents furnished pursuant to the provisions hereof, the Trust Notes – Series 2022-A Provisions or the TCPL Deferral Preferred Share Provisions or required by the Indenture Trustee to be furnished to it in the exercise of its rights, powers, duties and authorities hereunder and such notices, statutory declarations, certificates, opinions, reports or other papers or documents comply with this Agreement, nor shall the Indenture Trustee be responsible for relying on the accuracy of the information contained in any such document provided it honestly and in good faith believes such information to be correct. The Indenture Trustee shall not be responsible or liable in any manner for the sufficiency, genuineness, correctness or validity of any security deposited with it.

5.8 Evidence and Authority to Indenture Trustee

Without limiting the Trust Indenture, the Trust and/or TCPL shall furnish to the Indenture Trustee evidence of compliance with the conditions provided for in this Agreement relating to any action or step required or permitted to be taken by the Trust and/or TCPL or the Indenture Trustee under this Agreement, the Trust Notes – Series 2022-A Provisions, the TCPL Deferral Preferred Share Provisions or as a result of any obligation or duty imposed under this Agreement, the Trust Notes – Series 2022-A Provisions or the TCPL Deferral Preferred Share Provisions, including in respect of the Deferral Event Subscription and the taking of any other action to be taken by the Indenture Trustee, at the request of or on the application of the Trust and/or TCPL forthwith if and when:

- 19 -

Such evidence shall consist of a certificate signed by TCPL and/or by or on behalf of the Trust by an authorized signatory of the Administrative Agent or a statutory declaration stating that any such condition has been complied with in accordance with the terms of this Agreement and the Trust Notes – Series 2022-A Provisions or the TCPL Deferral Preferred Share Provisions, as applicable. Such evidence may consist of a report or opinion of any solicitor, auditor, accountant, appraiser, valuator or other expert or any other Person whose qualifications give authority to a statement made by such Person, provided that if such report or opinion is furnished by TCPL and/or by or on behalf of the Trust by an authorized signatory of the Administrative Agent it shall be in the form of a certificate or a statutory declaration. Each statutory declaration, certificate, opinion or report furnished to the Indenture Trustee as evidence of compliance with a condition provided for in this Agreement, the Trust Notes – Series 2022-A Provisions or TCPL Deferral Preferred Share Provisions, as applicable, shall include a statement by the Person giving the evidence:

- (e) declaring that such Person has made such examination or investigation as such Person believes is necessary to enable such Person to make the statements or give the opinions contained or expressed therein.

5.9 Experts, Advisers and Agents

In addition to and without limiting the Trust Indenture, the Indenture Trustee may:

- (a) in relation to this Agreement, the Trust Notes – Series 2022-A Provisions and/or the TCPL Deferral Preferred Share Provisions, act and rely on the opinion or advice of, or information obtained from or prepared by, any solicitor, auditor, accountant, appraiser, valuator or other expert, whether retained by the Indenture Trustee or by the Trust and/or TCPL or otherwise, and may retain or employ such assistants as may be necessary to the proper determination and discharge of its powers, duties and obligations and the determination of its rights hereunder and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid; and
- (b) retain or employ such agents and other assistants as it may reasonably require for the proper determination and discharge of its powers and duties hereunder, and may pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of its duties hereunder and compensation for all disbursements, costs and expenses made or incurred by it in the determination and discharge of its duties hereunder.

- (c) In the event that the Indenture Trustee does not receive a direction or only a partial direction, the Indenture Trustee may hold cash balances constituting part or all of the funds and may, but need not, invest same in the deposits of a Canadian chartered bank; but the Indenture Trustee and its Affiliates shall not be liable to account for any profit to any parties to this Agreement or to any Person other than at a rate, if any, established from time to time by the Indenture Trustee or its Affiliates or a Canadian chartered bank.

- (d) The Indenture Trustee shall not be liable for any loss or losses realized on such investments, other than those related to the negligence, willful acts or defaults of the Indenture Trustee.

5.11 Indenture Trustee Not Required to Give Security

Without limiting the Trust Indenture, the Indenture Trustee shall not be required to give any bond or security in respect of the execution of the bare trusts, rights, duties, obligations, powers and authorities of this Agreement.

5.12 Indenture Trustee Not Bound to Act on Request

Except as otherwise specifically provided for in this Agreement, and without limiting the Trust Indenture, the Indenture Trustee shall not be required to act in accordance with any direction or request of the Trust and/or TCPL until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Indenture Trustee, and the Indenture Trustee shall be empowered to act and rely upon any such copy purporting to be authenticated and believed in good faith by the Indenture Trustee to be genuine. The Indenture Trustee shall retain the right not to act and shall not be held liable for refusing to act unless it receives documentation which complies with the terms of this Agreement. Such documentation must not require the exercise of any discretion or independent judgment, except as otherwise provided herein.

5.13 Authority to Carry on Business

The Indenture Trustee represents to the Trust and/or TCPL that, at the date of execution and delivery by it of this Agreement, it is authorized to carry on the business of a trust company in the Province of Ontario but if, notwithstanding the provisions of this Section 5.13, it ceases to be so authorized to carry on business, the validity and enforceability of this Agreement, and the other rights granted in or resulting from the Indenture Trustee being a party to this Agreement, shall not be affected in any manner whatsoever by reason only of such event, but the Indenture Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in the Province of Ontario, either become so authorized or resign in the manner and with the effect specified in Article 8.

- 21 -

5.14 Conflicting Claims

Without limiting the Trust Indenture, if conflicting claims or demands are made or asserted with respect to any interest of any Holder in any Trust Notes – Series 2022-A or TCPL Deferral Preferred Shares, including any disagreement between the heirs, representatives, successors or assigns succeeding to all or any part of the interest of any Holder in any Trust Notes – Series 2022-A or TCPL Deferral Preferred Shares resulting in conflicting claims or demands being made in connection with such interest, then the Indenture Trustee shall be entitled, at its sole discretion, to refuse to recognize or to comply with any such claim or demand. In so refusing, the Indenture Trustee may elect not to exercise any rights subject to such conflicting claims or demands and, in so doing, the Indenture Trustee shall not be or become liable to any Person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Indenture Trustee shall be entitled to continue to refrain from acting and to refuse to act until:

- (a) the rights of all adverse claimants or other rights subject to such conflicting claims or demands have been adjudicated by a final judgment of a court of competent jurisdiction; or
- (b) all differences or other rights subject to such conflicting claims or demands have been conclusively settled by a valid written agreement binding on all such adverse claimants, and the Indenture Trustee shall have been furnished with an executed copy of such agreement.

If the Indenture Trustee elects to recognize any claim or comply with any demand made by any such adverse claimant, it may in its discretion require such claimant to furnish such surety bond or other security satisfactory to the Indenture Trustee as it may deem appropriate to fully indemnify it as between all conflicting claims or demands.

5.15 Acceptance of Bare Trust

The Indenture Trustee hereby accepts the bare trust and duties created and provided for by and in this Agreement and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred hereby and by law, in bare trust, for TCPL and the various Persons who are from time to time Holders of Trust Notes – Series 2022-A, subject to all the terms and conditions herein set forth.

5.16 Withholding Tax

TCPL or the Indenture Trustee may deduct or withhold (or such amount shall be deducted or withheld in accordance with the customary practice and procedures of DTC) from any payment, distribution or delivery to any Holder amounts required or permitted by law to be deducted or withheld from such Holder's distribution, payment or delivery and shall remit such amounts to the relevant tax authority in the manner and within the time required by law. Where the cash component of any payment, distribution or delivery to be made to a Holder is less than the amount that TCPL or the Indenture Trustee is required or permitted to withhold, TCPL or the Indenture Trustee shall be permitted to withhold from any non-cash payment, distribution or delivery to be made to the Holder and to dispose or

arrange to dispose of such property in order to remit any amount to the relevant tax authority as required. TCPL shall provide written direction to the Indenture Trustee as to such amounts to be deducted or withheld; provided, however, that the Indenture Trustee shall deduct or withhold from any Holder's distribution or delivery any amount it is required by law to deduct and withhold, and shall remit such amount to the relevant tax authority in the manner and within the time required by law, notwithstanding the failure of TCPL to provide any such direction following a request therefor from the Indenture Trustee, and in so doing the Indenture Trustee shall be deemed to have complied with its obligations hereunder. The Indenture Trustee shall file in the manner and within the time required by law any required tax returns and provide any required information slips relating to such withholding or deduction.

- 22 -

5.17 Residency of Indenture Trustee

The Indenture Trustee hereby represents that it is a resident of Canada for the purposes of the Tax Act and the Indenture Trustee shall give the Trust and TCPL notice of any change in such status.

5.18 Tax Reports

The Trust shall be solely responsible for all tax processing relating to or arising from the duties or actions contemplated by this Agreement, including any inquiry, evaluation, reporting, remittance, filing and issuance of tax slips, summaries, reports, except as is specifically delegated to the Indenture Trustee pursuant to this Agreement or as may be agreed subsequently, as confirmed in writing by the parties.

Without limiting the Trust Indenture, the Indenture Trustee shall process only such tax matters as have been specifically delegated to it pursuant to this Agreement or as may be agreed subsequently, and in doing so, the Indenture Trustee does not undertake to carry out any inquiry, evaluation, reporting, remittance, filing or issuance of tax slips, summaries and reports necessary or incidental thereto, which shall remain the sole responsibility of the Trust. The Indenture Trustee shall be entitled to rely upon and assume, without further inquiry or verification, the accuracy and completeness of any tax processing information, documentation or instructions received by the Indenture Trustee, directly or indirectly, from or on behalf of the Trust.

5.19 Compliance with Privacy Legislation

The parties acknowledge that federal, provincial and/or state legislation in Canada or the United States that address the protection of individuals' personal information (collectively, "**Privacy Laws**") may apply to obligations and activities under this Agreement. Despite any other provision of this Agreement, no party shall take or direct any action that would contravene, or cause any other party to contravene, applicable Privacy Laws. The Indenture Trustee shall use commercially reasonable efforts to ensure that its services hereunder comply with Privacy Laws. Specifically, the Indenture Trustee agrees: (a) to have a designated chief privacy officer; (b) to maintain policies and procedures to protect personal information and to receive and respond to any privacy complaint or inquiry; (c) to use personal information solely for the purposes of providing its services under or ancillary to this Agreement and not to use it for any other purpose except with the consent of or direction from the Trust and TCPL or the individual involved; (d) not to sell or otherwise improperly disclose personal information to any third party; and (e) to employ administrative, physical and technological safeguards to reasonably secure and protect personal information against loss, theft, or unauthorized access, use or modification.

5.20 Compliance with Anti-Money Laundering Legislation

The Indenture Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Indenture Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. The Trust hereby agrees that if any account to be opened, or interest to be held, by the Indenture Trustee in connection with this Agreement, for or to the credit of the Trust, is intended to be used by or on behalf of a third party, the Trust will complete and execute forthwith a declaration in the Indenture Trustee's prescribed form as to the particulars of such third party.

- 23 -

ARTICLE 6 COMPENSATION

6.1 Fees and Expenses of Indenture Trustee

The Trust and TCPL jointly and severally agree to pay to the Indenture Trustee reasonable compensation for all of the services rendered by it under this Agreement and shall reimburse the Indenture Trustee for all reasonable expenses incurred by it in connection therewith (including, but not limited to, taxes and compensation paid to experts, counsel and advisors and disbursements, including the cost and expense of any suit or litigation of any character and any proceedings before any governmental agency reasonably incurred by the Indenture Trustee); provided that the Trust and TCPL shall have no obligation to reimburse the Indenture Trustee for any expenses or disbursements paid, incurred or suffered by the Indenture Trustee in any suit or litigation in which the Indenture Trustee is determined to have acted with fraud, negligence or wilful misconduct. For administrative purposes, the Indenture Trustee may invoice TCPL unless instructed otherwise.

ARTICLE 7 INDEMNIFICATION AND LIMITATION OF LIABILITY

7.1 Indemnification of Indenture Trustee

In addition to and without limiting the Trust Indenture, the Trust and TCPL jointly and severally agree to indemnify and hold harmless the Indenture Trustee and each of its directors, officers, employees, representatives and agents appointed and acting in accordance with this Agreement (collectively, the "**Indemnified Parties**") against all claims, losses, damages, costs, penalties, fines, taxes, assessments of additional taxes, interest or penalties or other governmental charges, including the withholding or deduction or the failure to withhold or deduct same, any liability for failure to obtain proper certifications or to properly report to government authorities, and reasonable expenses (including reasonable expenses of the Indenture Trustee's legal counsel) which, without fraud, negligence or wilful misconduct on the part of such Indemnified Party, are paid, incurred or suffered by the Indemnified Party by reason of or as a result of the Indenture Trustee's acceptance or administration of the trust, its compliance with its duties set forth in this Agreement, or with any written or oral instructions delivered to the Indenture Trustee by the Trust or TCPL pursuant hereto (collectively, "**Claims**" and individually, a "**Claim**"). In no case will the Trust or TCPL be liable under this indemnity for any Claim if such Claim is incurred or suffered by reason of or as a result of the fraud, negligence or wilful misconduct of an Indemnified Party and unless the Trust and TCPL shall be notified by the Indenture Trustee of the written assertion of a Claim promptly after any of the Indemnified Parties shall have received any such written assertion of a Claim or shall have been served with a summons or other first legal process giving information as to the nature and basis of the Claim, provided that a failure or delay to so notify the Trust and TCPL shall not diminish the liability of the Trust and TCPL hereunder except to the extent that the Trust and TCPL are materially prejudiced by such failure or delay. Subject to (ii) below, the Trust and TCPL shall be entitled to participate at their own expense in the defence and, if the Trust or TCPL so elect at any time after receipt of such notice, any of them may assume the defence of any suit brought to enforce any such Claim. The Indenture Trustee shall have the right to employ separate counsel in any such suit and participate in the defence thereof but the fees and expenses of such counsel shall be at the expense of the Indenture Trustee unless: (i) the employment of such counsel has been authorized by the Trust or TCPL, such authorization not to be unreasonably withheld; or (ii) the named parties to any such suit include both the Indenture Trustee and the Trust or TCPL and the Indenture Trustee shall have been advised by counsel acceptable to the Trust and TCPL that there may be one or more legal defences available to the Indenture Trustee that are different from or in addition to those available to the Trust or TCPL and that an actual or potential conflict of interest exists (in which case the Trust and TCPL shall not have the right to assume the defence of such suit on behalf of the Indenture Trustee but shall be liable to pay the reasonable fees and expenses of counsel for the Indenture Trustee). This provision shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement.

- 24 -

7.2 Limitation of Liability

Without limiting the Trust Indenture, the Indenture Trustee shall not be held liable for any loss which may occur by reason of insolvency or termination of TCPL, the Trust or any Holder, as the case may be, or early termination of any investment under Section 5.10 or depreciation of the value of any part of the Series 2022-A Trust Estate or any loss incurred on any investment of funds pursuant to this Agreement, except to the extent that such loss is attributable to fraud, negligence or wilful misconduct on the part of the Indenture Trustee.

**ARTICLE 8
CHANGE OF INDENTURE TRUSTEE**

8.1 Resignation of Indenture Trustee

The Indenture Trustee, or any Indenture Trustee hereafter appointed, may at any time resign by giving written notice of such resignation to the Trust and TCPL specifying the date on which it desires to resign, provided that such notice shall be given in accordance with the Trust Indenture at least 60 days before such desired resignation date, unless the Trust and TCPL otherwise agree, and further provided that such resignation shall not take effect until the date of the appointment of a successor Indenture Trustee and the acceptance of such appointment by the successor Indenture Trustee, in each case in accordance with the Trust Indenture. Upon receiving such notice of resignation, the Trust and TCPL shall promptly appoint a successor Indenture Trustee in accordance with the Trust Indenture, which successor shall be a resident of Canada for the purposes of the Tax Act, by written instrument in duplicate, one copy of which shall be delivered to the resigning Indenture Trustee and one copy to the successor Indenture Trustee. Failing acceptance by a successor Indenture Trustee, a successor Indenture Trustee may be appointed in accordance with the Trust Indenture by an order of the Superior Court of Justice (Ontario) upon application of one or more of the parties hereto at the joint and several expense of the Trust and TCPL.

8.2 Removal of Indenture Trustee

The Indenture Trustee, or any Indenture Trustee hereafter appointed, may be removed in accordance with the Trust Indenture: (i) with cause or if the Indenture Trustee at any time ceases to be a resident of Canada for the purposes of the Tax Act by written instrument executed by the Trust and TCPL; or (ii) with or without cause by the Holders of Trust Notes – Series 2022-A pursuant to an Extraordinary Resolution and, if any TCPL Deferral Preferred Shares are outstanding, by the affirmative vote of Holders of the TCPL Deferral Preferred Shares passed in accordance with the TCPL Deferral Preferred Share Provisions (as though the removal were an amendment to the TCPL Deferral Preferred Share Provisions), in all cases, at any time on 60 days' prior written notice, which notice shall be delivered to the Indenture Trustee so removed and to the successor Indenture Trustee in accordance with the Trust Indenture.

- 25 -

8.3 Successor Indenture Trustee

Any successor Indenture Trustee appointed in accordance with the Trust Indenture shall execute, acknowledge and deliver to the Trust and TCPL and to its predecessor Indenture Trustee an instrument accepting such appointment hereunder and under the Trust Indenture. Subject to the Trust Indenture, thereupon, the resignation or removal of the predecessor Indenture Trustee shall become effective and such successor Indenture Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with like effect as if originally named as Indenture Trustee in accordance with the Trust Indenture. However, on the written request of the Trust and TCPL or of the successor Indenture Trustee, the Indenture Trustee ceasing to act shall, upon payment of any amounts then due to it pursuant to the provisions of this Agreement, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights and powers of the Indenture Trustee so ceasing to act. In addition to and without limiting the Trust Indenture, upon the request of any such successor Indenture Trustee, the Trust and TCPL, such predecessor Indenture Trustee shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights and powers. Without limiting the Trust Indenture, any company into which the Indenture Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting or continuing from any merger, consolidation or amalgamation to which the Indenture Trustee is a party or any company to which the Indenture Trustee may transfer all or substantially all of its corporate trust business, shall be a successor Indenture Trustee under this Agreement, without the execution or filing of any paper or further act on the part of any of the parties hereto.

8.4 Notice of Successor Indenture Trustee

Upon acceptance of appointment by a successor Indenture Trustee as provided in this Agreement, the Trust and TCPL shall cause to be mailed notice of the succession of such Indenture Trustee under this Agreement to each registered Holder. If the Trust or TCPL fails to cause such notice to be mailed within 10 days after acceptance of appointment by the successor Indenture Trustee, the successor Indenture Trustee shall cause such notice to be mailed at the expense of the Trust and TCPL.

**ARTICLE 9
AMENDMENTS AND SUPPLEMENTAL AGREEMENTS**

9.1 Ministerial Amendments

The parties to this Agreement may in writing, at any time and from time to time, without the approval of the Holders, amend, supplement or modify this Agreement for the purposes of:

- (a) adding to the covenants of any or all of the parties hereto for the protection of the Holders hereunder;

- 26 -

- (b) making such amendments or modifications not inconsistent with this Agreement as may be necessary or desirable with respect to matters or questions which, in the mutual opinion of the Trust, TCPL and the Indenture Trustee and their respective counsel, having in mind the best interests of the Holders as a whole, it may be expedient to make;

- (c) making such changes or corrections which, on the advice of counsel to the Trust, TCPL and the Indenture Trustee, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that each of the Trust, TCPL and their respective counsel, and the Indenture Trustee based on the opinion of Counsel, shall be of the opinion that such changes or corrections shall not be prejudicial to the interests of the Holders as a whole; or

- (d) making any additions to, deletions from or alterations of the provisions of this Agreement which, in the opinion of the Indenture Trustee and its counsel, shall not be prejudicial to the interests of the Holders as a whole or which, in the opinion of counsel to the Trust, TCPL and the Indenture Trustee, are necessary or advisable in order to incorporate, reflect or comply with any legislation the provisions of which apply to the Trust, TCPL, the Indenture Trustee or this Agreement.

9.2 Meeting to Consider Amendments

The Trust and, if applicable, TCPL, shall call a meeting or meetings of the Holders for the purpose of considering and, if thought fit, approving, with the consent of Holders of Trust Notes – Series 2022-A or registered holders of Trust Notes, as applicable in accordance with the Trust Indenture pursuant to an Extraordinary Resolution and, if any TCPL Deferral Preferred Shares are then outstanding, of the Holders of TCPL Deferral Preferred Shares in accordance with the TCPL Deferral Preferred Share Provisions (as though such action were an amendment to TCPL Deferral Preferred Share Provisions), as applicable, any proposed supplement, amendment or modification of this Agreement other than those referred to in Section 9.1. Any such meeting or meetings will be called and held in accordance with the Trust Indenture, TCPL Deferral Preferred Share Provisions (if applicable) and all Applicable Laws. Any supplement, amendment or modification referred to in this Section 9.2 shall be provided to the Indenture Trustee by the Trust or TCPL, as the case may be.

9.3 Execution of Supplemental Agreements

No supplement or amendment to, or modification or waiver of, any of the provisions of this Agreement shall be effective unless made in writing and signed by all of the parties hereto. Subject to compliance with all Applicable Laws, the Trust, TCPL and the Indenture Trustee may, subject to the provisions hereof, and shall, when so directed by this Agreement, from time to time, execute and deliver agreements or other instruments supplemental hereto, evidencing any such supplement, amendment, modification or waiver which thereafter shall form part hereof.

- 27 -

SCHEDULE A

TCPL DEFERRAL PREFERRED SHARE PROVISIONS

FIRST PREFERRED SHARES, SERIES-[●] DEFERRAL

There is hereby authorized and created a series of First Preferred Shares designated as the "First Preferred Shares, Series-[●] Deferral" (hereinafter referred to as the "**Deferral Preferred Shares, Series-[●]**") consisting of up to [●] Deferral Preferred Shares. The Deferral Preferred Shares, Series-[●] may be issued in whole or in fractional shares, as provided below, and shall, in addition to the rights, privileges, restrictions and conditions attaching to the First Preferred Shares as a class (collectively and respectively, the "**First Preferred Shares Class Provisions**" and the "**First Preferred Shares**"), carry and be subject to the following rights, privileges, restrictions and conditions (collectively, the "**Deferral Preferred Shares, Series-[●] Provisions**"):

Dividends

1. The holders of the Deferral Preferred Shares, Series-[●] shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors out of the monies of the Corporation properly applicable to the payment of dividends, on each Dividend Payment Date, fixed cumulative preferential cash dividends equal to the quotient obtained by dividing: (x) the product obtained by multiplying \$1,000 by a rate per annum equal to the rate of interest payable by the Trust on the Trust Notes as of the Issue Date, by (y) four; provided that if an event (including a redemption) shall occur that results in accrued and unpaid dividends for a partial Dividend Period becoming payable, the dividend payable for any partial Dividend Periods shall be equal to the product obtained by multiplying the amount in (x) above by a fraction, the numerator of which is the actual number of days attributable to the partial Dividend Period and the denominator of which is 365 or 366, depending on the actual number of days in the applicable year, subject in each case to any applicable withholding tax. If on any Dividend Payment Date the dividend payable on such date is not paid in full on all of the Deferral Preferred Shares, Series-[●] then issued and outstanding, such dividend or the unpaid part thereof shall be paid on a subsequent date or dates to be determined by the board of directors on which the Corporation shall have sufficient monies properly applicable, under the provisions of any applicable law and under the provisions of any trust indenture securing bonds, debentures or other securities of the Corporation, to the payment of the same. The holders of the Deferral Preferred Shares, Series-[●] shall not be entitled to any dividends other than or in excess of the cumulative preferential cash dividends hereinbefore provided. Payment shall be made by electronic funds transfer or by cheque of or on behalf of the Corporation payable in lawful money of the United States (less any tax required to be deducted) and payment thereof shall satisfy such dividends.

Liquidation, Dissolution or Winding-Up

2. In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of assets of the Corporation among its shareholders for the purpose of winding-up its affairs, the holders of the Deferral Preferred Shares, Series-[●] in accordance with the First Preferred Shares Class Provisions, shall be entitled to receive the amount of \$1,000 (less any amount that may have been returned to the holders of Deferral Preferred Shares, Series-[●] as a return of capital), together with an amount equal to all accrued and unpaid dividends thereon, which amount for such purposes shall be calculated as if such dividends were accruing for the period from the expiration of the last Dividend Period for which dividends thereon have been paid up to the date of such event, subject to any applicable withholding tax, the whole before any amount shall be paid or any property or assets of the Corporation shall be distributed to the holders of the common shares or to the holders of any other shares ranking junior to the Deferral Preferred Shares, Series-[●]. After payment to the holders of the Deferral Preferred Shares, Series-[●] of the amount so payable to them they shall not be entitled to share in any other distribution of the property or assets of the Corporation.

A-2

Voting Rights

3. The holders of the Deferral Preferred Shares, Series-[●] shall not be entitled to receive notice of or attend any meeting of the shareholders of the Corporation or to vote at any such meeting unless and until the Corporation from time to time shall fail to pay in the aggregate six quarterly dividends on the Deferral Preferred Shares, Series-[●] on the dates on which the same should be paid according to the terms thereof, whether or not consecutive and whether or not dividends have been declared and whether or not there are any moneys of the Corporation properly applicable to the payment of dividends. Thereafter each holder of Deferral Preferred Shares, Series-[●] shall be entitled to receive notice of all meetings of shareholders and attend thereat and shall be entitled, at any and all such meetings, to one

vote for each Deferral Preferred Share, Series-[●] held and shall continue to be entitled to notice and so to attend and vote until such time as all arrears of dividends on any outstanding Deferral Preferred Shares, Series-[●] shall have been paid, whereupon the rights of holders of Deferral Preferred Shares, Series-[●] to receive notice of meetings and to attend thereat and vote in respect of such Deferral Preferred Shares, Series-[●] shall cease unless and until six quarterly dividends on the Deferral Preferred Shares, Series-[●] shall again be in arrears and unpaid, whereupon the holders of the Deferral Preferred Shares, Series-[●] shall again have the right to receive notice and to attend and vote as above provided and so on from time to time.

Purchase for Cancellation

4. The Corporation may, at any time and from time to time, subject to the provisions of the *Canada Business Corporations Act*, and the provisions below under "Redemption" and "Restrictions on Payment of Dividends and Reduction of Junior Capital", purchase for cancellation (if obtainable), in the manner provided in the First Preferred Shares Class Provisions, the whole or any part of the Deferral Preferred Shares, Series-[●] outstanding from time to time at any price, subject to any applicable withholding tax.

Redemption

5. 3.5 Procedure

Following the occurrence of an Automatic Exchange, the Trust shall, as soon as reasonably practicable, inform TCPL and the Exchange Trustee by notice in writing (the "**Exchange Notice**") as to the number of Trust Notes – Series 2022-A exchanged and transferred hereby. Such Exchange Notice shall specify the number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) required in connection with the Automatic Exchange in accordance with the Trust Notes – Series 2022-A Provisions and shall specify whether, to the knowledge of the Trust, such Holders of Trust Notes – Series 2022-A (or Persons beneficially owning Trust Notes – Series 2022-A represented by the Holders of such Trust Notes – Series 2022-A) are Ineligible Persons. As a precondition to the delivery of any certificate or other evidence of issuance representing any TCPL Exchange Preferred Shares or related rights following an Automatic Exchange, TCPL may require the Trust to obtain from any Holder of Trust Notes – Series 2022-A (and Persons holding Trust Notes – Series 2022-A represented by such Holder of Trust Notes – Series 2022-A) a declaration, in form and substance satisfactory to TCPL, confirming compliance with any applicable regulatory requirements and to establish that such Holder of Trust Notes – Series 2022-A is not, and does not represent, an Ineligible Person. The Trustee shall be entitled to rely exclusively on the declaration of the Holder. Subject as aforesaid, TCPL shall, as soon as practicable following receipt of the Exchange Notice, arrange for delivery to DTC (if the Trust Notes – Series 2022-A were, on the date of the Exchange Notice, held only in the Book-Entry System) or to the Trust (in all other cases) of a certificate or other evidence of issuance representing that number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) or related rights, as applicable. In no event shall TCPL be required as a consequence of an Automatic Exchange to issue a number of TCPL Exchange Preferred Shares in excess of the number contemplated in Section 3.3 or in excess of the number required to enable the Trust to fulfil its obligations in connection with the redemption of Trust Notes – Series 2022-A in the circumstances described in Article 4. For greater certainty, a failure to give any notice, make any determination or make any delivery shall not affect, reduce or modify in any way the effectiveness of the Automatic Exchange with effect as of the Time of Automatic Exchange.

ARTICLE 4

4.1 Grant of Series 2022-A Subscription Right

Subject to the provisions of this Article 4, TCPL hereby grants to the Trust the right to subscribe at any time for such number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) as may be necessary in order to enable the Trust to redeem, for TCPL Exchange Preferred Shares, Trust Notes – Series 2022-A, if any, that remain outstanding following the occurrence of an Automatic Exchange Event, as provided for herein and in the Trust Indenture. Such TCPL Exchange Preferred Shares shall be issued by TCPL to the Trust solely for the purpose of the Trust giving effect to a redemption of any such outstanding Trust Notes – Series 2022-A following the Automatic Exchange Event.

- 10 -

4.2 Series 2022-A Subscription Right – Procedure

Following the occurrence of an Automatic Exchange Event in circumstances where, for any reason, any Trust Notes – Series 2022-A remain outstanding and are not owned by TCPL or an Affiliate thereof, the Trust shall, as soon as reasonably practicable, inform TCPL and the Exchange Trustee by notice in writing (the "**Subscription Notice**") as to such number of outstanding Trust Notes – Series 2022-A. The Subscription Notice shall specify such number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) as would be required to enable the Trust to fulfil its obligations in connection with the redemption by the Trust of such number of outstanding Trust Notes – Series 2022-A in accordance with the Trust Notes – Series 2022-A Provisions and shall specify whether, to the knowledge of the Trust, such Holders of Trust Notes – Series 2022-A (or Persons holding Trust Notes – Series 2022-A represented by the Holders of such Trust Notes – Series 2022-A) are Ineligible Persons. As a precondition to the issuance of any TCPL Exchange Preferred Shares to the Trust pursuant to the exercise by the Trust of the Series 2022-A Subscription Right, TCPL may require the Trust to obtain from any Holder of Trust Notes – Series 2022-A (and Persons holding Trust Notes – Series 2022-A represented by such Holder of Trust Notes – Series 2022-A) a declaration, in form and substance satisfactory to TCPL, confirming compliance with applicable regulatory requirements and to establish that such Holder of Trust Notes – Series 2022-A is not, and does not represent, an Ineligible Person. The Trustee shall be entitled to rely exclusively on the declaration of the Holder or the direction of a written order by TCPL, and the Trustee shall have no obligation to monitor with respect to Ineligible Persons. Subject to Section 5.7, TCPL shall, as soon as practicable following receipt of the Subscription Notice, arrange for delivery to DTC (if the Trust Notes – Series 2022-A were, on the date of the Subscription Notice, held only in the Book-Entry System) or to the Trust (in all other cases) of that number of TCPL Exchange Preferred Shares (including fractional shares, if applicable), as applicable, so as to enable the Trust to discharge its redemption obligations in accordance with the Trust Notes – Series 2022-A Provisions.

4.3 Idem

The Trust need not give notice of redemption prior to the exercise of such right of redemption if TCPL has given an Automatic Exchange Event Notice. The redemption shall be and shall be deemed to have been effected and the consideration paid at the Time of Automatic Exchange. From and after the Time of Automatic Exchange, each Holder of Trust Notes – Series 2022-A (if any) whose Trust Notes – Series 2022-A were for any reason not exchanged for TCPL Exchange Preferred Shares by the operation of the Automatic Exchange and instead are subject to redemption by the Trust under this Agreement and in accordance with the Trust Notes – Series 2022-A Provisions, shall automatically cease to be a Holder of Trust Notes – Series 2022-A effective as of the Time of Automatic Exchange and instead shall be entitled only to the right to be issued TCPL Exchange Preferred Shares in respect of such redemption of Trust Notes – Series 2022-A held by such Holder in accordance with the Trust Notes – Series 2022-A Provisions.

ARTICLE 5 COVENANTS, REPRESENTATIONS AND WARRANTIES

TCPL represents and warrants that it has taken all actions and done all things as are necessary under Applicable Laws as they exist on the date hereof to

cause the TCPL Exchange Preferred Shares to be issued and delivered in accordance with the provisions of this Agreement, the TCPL Exchange Preferred Share Provisions and the Trust Notes – Series 2022-A Provisions and to be freely tradable thereafter by the initial holder thereof, subject to the exceptions referred to above in this Section 5.3 provided, however, that a failure to take such actions and/or to do such things shall not affect, reduce or modify in any way the effectiveness of the Automatic Exchange as of the Time of Automatic Exchange.

- 12 -

5.4 TCPL Support

So long as any Trust Notes – Series 2022-A or TCPL Exchange Preferred Shares are outstanding, TCPL shall perform all of the obligations to be performed by it hereunder following the Automatic Exchange, in connection with the Series 2022-A Subscription Right and pursuant to the TCPL Exchange Preferred Share Provisions, as applicable, and shall exercise all of its rights with respect thereto in accordance with the Declaration of Trust, the Trust Indenture and the terms of this Agreement. All TCPL Exchange Preferred Shares issued by TCPL following the Automatic Exchange or in connection with the Series 2022-A Subscription Right, as the case may be, shall be duly issued as fully paid and non-assessable shares in the capital of TCPL, free of pre-emptive rights and shall be free and clear of any lien, claim, encumbrance, security interest or adverse claim. Without limiting the generality of the immediately preceding sentence, TCPL covenants that it shall, in a timely manner, transfer or arrange to transfer to such account of the Trust or the Exchange Trustee, as the case may be, in the Book-Entry System of DTC as the Trust or the Exchange Trustee, as the case may be, may direct, from time to time, the appropriate number of TCPL Exchange Preferred Shares (including fractional shares, if applicable), and supply the Trust or the Exchange Trustee, as the case may be, with duly executed share certificates, as applicable, so as to give effect, from time to time, to the issuance of TCPL Exchange Preferred Shares following the Automatic Exchange, in connection with the Series 2022-A Subscription Right or pursuant to the TCPL Exchange Preferred Share Provisions, as the case may be, in accordance with the Trust Notes – Series 2022-A Provisions, the TCPL Exchange Preferred Share Provisions and the provisions of this Agreement.

5.5 Additional TCPL Covenants

For so long as any Trust Notes – Series 2022-A are outstanding and are held by any Person other than TCPL or an Affiliate thereof, TCPL covenants as follows for the benefit of the Holders of Trust Notes – Series 2022-A:

- (a) all outstanding Voting Trust Units shall be held at all times, directly or indirectly, by TCPL;
- (b) TCPL shall not approve the termination of the Trust unless the Trust has sufficient funds to pay to Holders of Trust Notes – Series 2022-A the redemption price for the Trust Notes – Series 2022-A as provided in the Trust Notes – Series 2022-A Provisions, and as long as any Trust Notes – Series 2022-A are outstanding and held by any Person other than TCPL or an Affiliate thereof, TCPL shall not take any action to cause the termination of the Trust;
- (c) TCPL shall not create or issue TCPL Preferred Shares which, in the event of insolvency or winding-up of TCPL, would rank in right of payment in priority to the TCPL Exchange Preferred Shares;
- (d) if the Trust Notes – Series 2022-A have not been exchanged for rights to be issued TCPL Exchange Preferred Shares pursuant to the Automatic Exchange, TCPL shall not, without the prior consent of Holders of Trust Notes – Series 2022-A by Extraordinary Resolution, amend, delete or vary any of the rights, privileges, restrictions and conditions attaching to the TCPL Exchange Preferred Shares other than amendments, deletions or variations which do not negatively impact future holders of TCPL Exchange Preferred Shares and other than amendments that relate to the preferred shares of TCPL as a class; and
- (e) TCPL shall not assign or otherwise transfer its obligations under this Agreement except in the case of a merger, consolidation, amalgamation or reorganization or sale of substantially all of the assets of TCPL.

- 13 -

5.6 Capital Reorganizations and Amalgamations of TCPL

In the event of a capital reorganization, consolidation, merger or amalgamation or sale of substantially all of the assets of TCPL or comparable transaction affecting TCPL Exchange Preferred Shares, TCPL covenants to take all necessary action to ensure that the Trust or Holders of Trust Notes – Series 2022-A, as the case may be, receive, following the Automatic Exchange or in connection with the Series 2022-A Subscription Right, as the case may be, after such capital reorganization, consolidation, merger, amalgamation or sale of substantially all assets or comparable transaction, the number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) or other securities or consideration of TCPL or an entity resulting, surviving or continuing from the capital reorganization, consolidation, merger, amalgamation or sale of substantially all assets or comparable transaction that the Trust or such Holder of Trust Notes – Series 2022-A would have received if the Series 2022-A Subscription Right was exercised or if the TCPL Exchange Preferred Shares were issued following the Automatic Exchange, as the case may be, immediately prior to the record date of the capital reorganization, consolidation, merger, amalgamation or sale of substantially all assets or comparable transaction.

5.7 Right not to Deliver TCPL Exchange Preferred Shares

The parties acknowledge that, as set out in the Trust Indenture, TCPL has reserved the right not to deliver TCPL Exchange Preferred Shares to any Ineligible Person following an Automatic Exchange or in connection with a redemption of the Trust Notes – Series 2022-A following an Automatic Exchange Event. In those circumstances, the Indenture Trustee will hold all TCPL Exchange Preferred Shares that would otherwise be delivered to the Ineligible Persons and will deliver such shares to a broker retained by TCPL for the purpose of effecting the sale (to parties other than TCPL, its Affiliates or any Ineligible Persons) on behalf of such Ineligible Persons. Those sales (if any) may be made at any time and at any price and none of the Trust, the Indenture Trustee or TCPL will be subject to any liability for failing to sell such TCPL Exchange Preferred Shares on behalf of any such Ineligible Persons or at any particular price on any particular day. The net proceeds received by the Indenture Trustee from the sale of any such TCPL Exchange Preferred Shares will be divided among the Ineligible Persons in proportion to the number of TCPL Exchange Preferred Shares (including fractional shares, if applicable) that would otherwise have been delivered to them, after deducting the costs of sale and any applicable withholding taxes. The Indenture Trustee will make payment of the aggregate net proceeds to DTC (if the TCPL Exchange Preferred Shares are then held in the Book-Entry System) or to the registrar or transfer agent (in all other cases) for distribution to such Ineligible Persons in accordance with the customary practice and procedures of DTC or otherwise.

ARTICLE 6 EXCHANGE TRUSTEE

6.1 Powers and Duties of Exchange Trustee

The rights, powers, duties and authorities of the Exchange Trustee under this Agreement, in its capacity as Exchange Trustee, are as follows:

- (a) receiving and holding the Automatic Exchange and TCPL's undertaking and covenant in relation to the Automatic Exchange as trustee and effecting the Holder's related undertaking and covenant for and on behalf of each applicable Holder, in each case in accordance with the provisions of this Agreement;
- (b) acting for and on behalf of the Holders of Trust Notes – Series 2022-A to implement and make effective the undertaking and covenant of the Holders with respect to the Automatic Exchange pursuant to Section 3.3;
- (c) enforcing the benefit of and making effective the Automatic Exchange rights in accordance with the Trust Notes – Series 2022-A Provisions and this Agreement and, in connection therewith, receiving from Holders certificates representing Trust Notes – Series 2022-A and other requisite documents and distributing or causing to be distributed to such Holders TCPL Exchange Preferred Shares, and cheques, if any, to which such Holders may become entitled hereunder in connection with an Automatic Exchange;
- (d) holding and administering the Series 2022-A Trust Estate in accordance with the terms of this Agreement;
- (e) investing any money forming, from time to time, part of the Series 2022-A Trust Estate as provided in this Agreement;
- (f) subject to Article 6, taking action at the direction of any Holder to enforce the obligations of the Trust or TCPL under this Agreement; and

- (g) taking such other actions and doing such other things as are specifically provided for in this Agreement.

In the exercise of such rights, powers, duties and authorities, the Exchange Trustee shall have (and is granted) such incidental and additional rights, powers and authority not in conflict with any of the provisions of this Agreement, the Trust Notes – Series 2022-A Provisions and the TCPL Exchange Preferred Share Provisions relating to the Exchange Trustee as are reasonably required for the Exchange Trustee to carry out its duties under this Agreement. Any exercise of such discretionary rights, powers and authorities by the Exchange Trustee shall be final, conclusive and binding upon all Persons. For greater certainty, with respect to the Trust Notes – Series 2022-A and the TCPL Exchange Preferred Shares, the Exchange Trustee shall have only those duties as are set out specifically in this Agreement. The Exchange Trustee, in exercising its rights, powers, duties and authorities hereunder, shall act honestly and in good faith with a view to the best interests of the Holders and shall exercise the care, diligence and skill that a reasonably prudent trustee, nominee and agent would exercise in comparable circumstances. The Exchange Trustee shall not be bound to give any notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall be specifically required to do so under the terms hereof; nor shall the Exchange Trustee be required to take any notice of, or to do or to take any act, action or proceeding as a result of any default or breach of any provision hereunder, unless and until notified in writing of such default or breach, which notice shall specify the default or breach desired to be brought to the attention of the Exchange Trustee, and in the absence of such notice the Exchange Trustee may for all purposes of this Agreement conclusively assume that no default or breach has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained in this Agreement.

- 15 -

6.2 No Conflict of Interest

The Exchange Trustee represents to the Trust and TCPL that, at the date of execution and delivery of this Agreement, there exists no material conflict of interest in the role of the Exchange Trustee as a fiduciary hereunder. The Exchange Trustee shall, within 90 days after it becomes aware that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Article 9. If, notwithstanding the foregoing provisions of this Section 6.2, the Exchange Trustee has such a material conflict of interest, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Exchange Trustee contravenes the foregoing provisions of this Section 6.2, any interested party may apply to the Superior Court of Justice (Ontario) for an order that the Exchange Trustee be replaced under this Agreement.

6.3 Dealings with Transfer Agents, Registrars and DTC

The Trust and TCPL severally and irrevocably authorize the Exchange Trustee, from time to time, to:

- (a) consult, communicate and otherwise deal with the Indenture Trustee and the respective registrars and transfer agents, and any such subsequent registrar or transfer agent, of the Trust Notes – Series 2022-A and TCPL Exchange Preferred Shares;
- (b) if applicable, consult, communicate and otherwise deal with DTC; and
- (c) requisition, from time to time, from the Indenture Trustee or any such registrar or transfer agent or DTC any information readily available from the records maintained by any such entity which the Exchange Trustee may reasonably require for the discharge of its duties and responsibilities under the Trust Notes – Series 2022-A Provisions, the TCPL Exchange Preferred Share Provisions and this Agreement.

6.4 Books and Records

The Exchange Trustee shall keep available for inspection by TCPL and the Trust, at the Exchange Trustee's principal office in Calgary, Alberta, correct and complete books and records of account relating to the Exchange Trustee's actions under this Agreement. On or before March 1 in every year, the Exchange Trustee shall transmit to TCPL and the Trust a brief report, dated as of December 31 in the immediately preceding year, with respect to: (i) the Series 2022-A Trust Estate as of that date; and (ii) all other actions taken by the Exchange Trustee in the performance of its duties under this Agreement which it had not previously reported.

6.5 Indemnification Prior to Certain Actions by Exchange Trustee

Notwithstanding any other provision of this Agreement, the Exchange Trustee shall only be required to exercise any or all of the rights, duties, powers or authorities vested in it by this Agreement at the written request, order or direction of any Holder upon such Holder furnishing to the Exchange Trustee reasonable funds, security and indemnity satisfactory to the Exchange Trustee, acting reasonably, against the costs, expenses and liabilities that may be incurred by the Exchange Trustee therein or thereby, provided that no Holder will be obligated to furnish to the Exchange Trustee any such funding, security or indemnity in connection with the exercise, but not the enforcement, by the Exchange Trustee of any of its rights, duties, powers and authorities vested in it by this Agreement. None of the provisions contained in this Agreement shall require the Exchange Trustee to expend or risk its own funds or otherwise incur financial liability in the exercise of any of its rights, powers, duties or authorities under this Agreement nor limits the Exchange Trustee, acting reasonably, from requesting an indemnity, before any enforcement of rights. In addition, the Exchange Trustee shall disburse funds only to the extent that funds have been deposited with it.

6.6 Actions by Holders

No Holder shall have the right to institute any action, suit or proceeding or to exercise any other remedy authorized by this Agreement for the purpose of enforcing any of its rights or for the execution of any trust, power or obligation hereunder unless the Holder has requested in writing the Exchange Trustee to take or institute such action, suit or proceeding and, subject to Section 6.5, furnished the Exchange Trustee with the funding, security and indemnity referred to in Section 6.5, and the Exchange Trustee shall have failed to act within a reasonable time thereafter. In such case, but not otherwise, the Holder shall be entitled to take proceedings in any court of competent jurisdiction, it being understood and intended that no one or more Holders shall have any right in any manner whatsoever to affect, disturb or prejudice the rights hereby created by any such action, or to enforce any right hereunder, except subject to the conditions and in the manner herein provided, and that all powers and trusts hereunder shall be exercised and all proceedings at law shall be instituted, had and maintained by the Exchange Trustee, except only as herein provided, and in any event for the benefit of all Holders.

6.7 Reliance upon Declarations

The Exchange Trustee shall not be considered to be in contravention of any of its rights, powers, duties and authorities hereunder if, when required, it acts and relies in good faith upon written notices, statutory declarations, certificates, opinions, reports or other papers or documents furnished pursuant to the provisions hereof, the Trust Notes – Series 2022-A Provisions or the TCPL Exchange Preferred Share Provisions or required by the Exchange Trustee to be furnished to it in the exercise of its rights, powers, duties and authorities hereunder and such notices, statutory declarations, certificates, opinions, reports or other papers or documents comply with this Agreement, nor shall the Exchange Trustee be responsible for relying on the accuracy of the information contained in any such document provided it honestly and in good faith believes such information to be correct. The Exchange Trustee shall not be responsible or liable in any manner for the sufficiency, genuineness, correctness or validity of any security deposited with it.

6.8 Evidence and Authority to Exchange Trustee

The Trust and/or TCPL shall furnish to the Exchange Trustee evidence of compliance with the conditions provided for in this Agreement relating to any action or step required or permitted to be taken by the Trust and/or TCPL or the Exchange Trustee under this Agreement, the Trust Notes – Series 2022-A Provisions, the TCPL Exchange Preferred Share Provisions or as a result of any obligation or duty imposed under this Agreement, the Trust Notes – Series 2022-A Provisions or the TCPL Exchange Preferred Share Provisions, including in respect of the Automatic Exchange and the Series 2022-A Subscription Right and the taking of any other action to be taken by the Exchange Trustee, at the request of or on the application of the Trust and/or TCPL forthwith if and when:

- (a) such evidence is required by any other provision of this Agreement, the Trust Notes – Series 2022-A Provisions or the TCPL Exchange Preferred Share Provisions to be furnished to the Exchange Trustee in accordance with this Section 6.8; or

- (b) the Exchange Trustee, in the exercise of its rights, powers, duties and authorities under this Agreement, the Trust Notes – Series 2022-A Provisions or the TCPL Exchange Preferred Share Provisions, gives the Trust and/or TCPL written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.

Such evidence shall consist of a certificate signed by an Authorized Officer and/or by or on behalf of the Trust by an authorized signatory of the Administrative Agent or a statutory declaration stating that any such condition has been complied with in accordance with the terms of this Agreement and the Trust Notes – Series 2022-A Provisions or the TCPL Exchange Preferred Share Provisions, as applicable. Such evidence may consist of a report or opinion of any solicitor, auditor, accountant, appraiser, valuator or other expert or any other Person whose qualifications give authority to a statement made by such Person, provided that if such report or opinion is furnished by TCPL and/or by or on behalf of the Trust by an authorized signatory of the Administrative Agent it shall be in the form of a certificate or a statutory declaration. Each statutory declaration, certificate, opinion or report furnished to the Exchange Trustee as evidence of compliance with a condition provided for in this Agreement, the Trust Notes – Series 2022-A Provisions or TCPL Exchange Preferred Share Provisions, as applicable, shall include a statement by the Person giving the evidence:

- (c) declaring that such Person has read and understands the provisions of this Agreement, the Trust Notes – Series 2022-A Provisions and/or the TCPL Exchange Preferred Share Provisions, as applicable, relating to the condition in question;
- (d) describing the nature and scope of the examination or investigation upon which such Person based the statutory declaration, certificate, statement or opinion; and
- (e) declaring that such Person has made such examination or investigation as such Person believes is necessary to enable such Person to make the statements or give the opinions contained or expressed therein.

6.9 Experts, Advisers and Agents

The Exchange Trustee may:

- (a) in relation to this Agreement, the Trust Notes – Series 2022-A Provisions and/or the TCPL Exchange Preferred Share Provisions, act and rely on the opinion or advice of, or information obtained from or prepared by, any solicitor, auditor, accountant, appraiser, valuator or other expert, whether retained by the Exchange Trustee or by the Trust and/or TCPL or otherwise, and may retain or employ such assistants as may be necessary to the proper determination and discharge of its powers, duties and obligations and the determination of its rights hereunder and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid; and

- 18 -

- (b) retain or employ such agents and other assistants as it may reasonably require for the proper determination and discharge of its powers and duties hereunder, and may pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of its duties hereunder and compensation for all disbursements, costs and expenses made or incurred by it in the determination and discharge of its duties hereunder.

6.10 Investment of Money Held by or on behalf of Exchange Trustee

- (a) Unless otherwise provided in this Agreement, any moneys held by or on behalf of the Exchange Trustee, which under the terms of this Agreement may or ought to be invested or which may be on deposit with the Exchange Trustee or which may be in the hands of the Exchange Trustee, may be invested and reinvested in the name or under the control of the Exchange Trustee, upon the written direction of the Trust, in Authorized Investments.

- (b) Upon receipt of a direction from the Trust, the Exchange Trustee shall invest any moneys held by it in Authorized Investments in its name in accordance with such direction. Any direction from the Trust to the Exchange Trustee shall be in writing and shall be provided to the Exchange Trustee no later than 9:00 a.m. (Toronto time) on the day on which the investment is to be made. Any such direction received by the Exchange Trustee after 9:00 a.m. (Toronto time) or received on a non-Business Day shall be deemed to have been given prior to 9:00 a.m. (Toronto time) on the next Business Day.

- In the event that the Exchange Trustee does not receive a direction or only a partial direction, the Exchange Trustee may hold cash balances constituting part or all of the funds and may, but need not, invest same in the deposits of a Canadian chartered bank; but the Exchange Trustee and its Affiliates shall not be liable to account for any profit to any parties to this Agreement or to any Person other than at a rate, if any, established from time to time by the Exchange Trustee or its Affiliates or a Canadian chartered bank.
- (c)
- (d) The Exchange Trustee shall not be liable for any loss or losses realized on such investments, other than those related to the negligence, willful acts or defaults of the Exchange Trustee.

6.11 Exchange Trustee Not Required to Give Security

The Exchange Trustee shall not be required to give any bond or security in respect of the execution of the trusts, rights, duties, obligations, powers and authorities of this Agreement.

- 19 -

6.12 Exchange Trustee Not Bound to Act on Request

Except as otherwise specifically provided for in this Agreement, the Exchange Trustee shall not be required to act in accordance with any direction or request of the Trust and/or TCPL until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Exchange Trustee, and the Exchange Trustee shall be empowered to act and rely upon any such copy purporting to be authenticated and believed in good faith by the Exchange Trustee to be genuine.

6.13 Authority to Carry on Business

The Exchange Trustee represents to the Trust and/or TCPL that, at the date of execution and delivery by it of this Agreement, it is authorized to carry on the business of a trust company in the Province of Ontario but if, notwithstanding the provisions of this Section 6.13, it ceases to be so authorized to carry on business, the validity and enforceability of this Agreement, and the other rights granted in or resulting from the Exchange Trustee being a party to this Agreement, shall not be affected in any manner whatsoever by reason only of such event, but the Exchange Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in the Province of Ontario, either become so authorized or resign in the manner and with the effect specified in Article 9.

6.14 Conflicting Claims

If conflicting claims or demands are made or asserted with respect to any interest of any Holder in any Trust Notes – Series 2022-A or TCPL Exchange Preferred Shares, including any disagreement between the heirs, representatives, successors or assigns succeeding to all or any part of the interest of any Holder in any Trust Notes – Series 2022-A or TCPL Exchange Preferred Shares resulting in conflicting claims or demands being made in connection with such interest, then the Exchange Trustee shall be entitled, at its sole discretion, to refuse to recognize or to comply with any such claim or demand. In so refusing, the Exchange Trustee may elect not to exercise any rights subject to such conflicting claims or demands and, in so doing, the Exchange Trustee shall not be or become liable to any Person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Exchange Trustee shall be entitled to continue to refrain from acting and to refuse to act until:

- (a) the rights of all adverse claimants or other rights subject to such conflicting claims or demands have been adjudicated by a final judgment of a court of competent jurisdiction; or
- (b) all differences or other rights subject to such conflicting claims or demands have been conclusively settled by a valid written agreement binding on all such adverse claimants, and the Exchange Trustee shall have been furnished with an executed copy of such agreement.

If the Exchange Trustee elects to recognize any claim or comply with any demand made by any such adverse claimant, it may in its discretion require such claimant to furnish such surety bond or other security satisfactory to the Exchange Trustee as it may deem appropriate to fully indemnify it as between all conflicting claims or demands.

6.15 Acceptance by Exchange Trustee

The Exchange Trustee hereby accepts the trust and duties created and provided for by and in this Agreement and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred hereby and by law, in trust, for TCPL and various Persons who are from time to time Holders of Trust Notes – Series 2022-A, subject to all the terms and conditions herein set forth.

6.16 Withholding Tax

TCPL or the Exchange Trustee may deduct or withhold (or such amount shall be deducted or withheld in accordance with the customary practice and procedures of DTC) from any payment, distribution or delivery to any Holder amounts required or permitted by law to be deducted or withheld from such Holder's distribution, payment or delivery and shall remit such amounts to the relevant tax authority in the manner and within the time required by law. Where the cash component of any payment, distribution or delivery to be made to a Holder is less than the amount that TCPL or the Exchange Trustee is required or permitted to withhold, TCPL or the Exchange Trustee shall be permitted to withhold from any non-cash payment, distribution or delivery to be made to the Holder and to dispose or arrange to dispose of such property in order to remit any amount to the relevant tax authority as required. TCPL shall provide written direction to the Exchange Trustee as to such amounts to be deducted or withheld; provided, however, that the Exchange Trustee shall deduct or withhold from any Holder's distribution or delivery any amount it is required by law to deduct and withhold, and shall remit such amount to the relevant tax authority in the manner and within the time required by law, notwithstanding the failure of TCPL to provide any such direction following a request therefor from the Exchange Trustee, and in so doing the Exchange Trustee shall be deemed to have complied with its obligations hereunder. The Exchange Trustee shall file in the manner and within the time required by law any required tax returns and provide any required information slips relating to such withholding or deduction.

6.17 Residency of Exchange Trustee

The Exchange Trustee hereby represents that it is a resident of Canada for the purposes of the Tax Act and the Exchange Trustee shall give the Trust and TCPL notice of any change in such status.

6.18 Tax Reports

The Trust shall be solely responsible for all tax processing relating to or arising from the duties or actions contemplated by this Agreement, including any inquiry, evaluation, reporting, remittance, filing and issuance of tax slips, summaries, reports, except as is specifically delegated to the Indenture Trustee pursuant to this Agreement or as may be agreed subsequently, as confirmed in writing by the parties.

The Exchange Trustee shall process only such tax matters as have been specifically delegated to it pursuant to this Agreement or as may be agreed subsequently, and in doing so, the Exchange Trustee does not undertake to carry out any inquiry, evaluation, reporting, remittance, filing or issuance of tax slips, summaries and reports necessary or incidental thereto, which shall remain the sole responsibility of the Trust. The Exchange Trustee shall be entitled to rely upon and assume, without further inquiry or verification, the accuracy and completeness of any tax processing information, documentation or instructions received by the Exchange Trustee, directly or indirectly, from or on behalf of the Trust.

6.19 Compliance with Privacy Legislation

The parties acknowledge that federal, provincial and/or state legislation in Canada or the United States that address the protection of individuals' personal information (collectively, "**Privacy Laws**") may apply to obligations and activities under this Agreement. Despite any other provision of this Agreement, no party shall take or direct any action that would contravene, or cause any other party to contravene, applicable Privacy Laws. The Exchange Trustee shall use commercially reasonable efforts to ensure that its services hereunder comply with Privacy Laws. Specifically, the Exchange Trustee agrees: (a) to have a designated chief privacy officer; (b) to maintain policies and procedures to protect personal information and to receive and respond to any privacy complaint or inquiry; (c) to use personal information solely for the purposes of providing its services under or ancillary to this Agreement and not to use it for any other purpose except with the consent of or direction from the Trust and TCPL or the individual involved; (d) not to sell or otherwise

improperly disclose personal information to any third party; and (e) to employ administrative, physical and technological safeguards to reasonably secure and protect personal information against loss, theft, or unauthorized access, use or modification.

6.20 Compliance with Anti-Money Laundering Legislation

The Exchange Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Exchange Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline.

ARTICLE 7 COMPENSATION

7.1 Fees and Expenses of Exchange Trustee

The Trust and TCPL jointly and severally agree to pay to the Exchange Trustee reasonable compensation for all of the services rendered by it under this Agreement and shall reimburse the Exchange Trustee for all reasonable expenses incurred by it in connection therewith (including, but not limited to, taxes and compensation paid to experts, counsel and advisors and disbursements, including the cost and expense of any suit or litigation of any character and any proceedings before any governmental agency reasonably incurred by the Exchange Trustee); provided that the Trust and TCPL shall have no obligation to reimburse the Exchange Trustee for any expenses or disbursements paid, incurred or suffered by the Exchange Trustee in any suit or litigation in which the Exchange Trustee is determined to have acted with fraud, negligence or wilful misconduct. For administrative purposes, the Exchange Trustee may invoice TCPL unless instructed otherwise.

- 22 -

ARTICLE 8 INDEMNIFICATION AND LIMITATION OF LIABILITY

8.1 Indemnification of Exchange Trustee

The Trust and TCPL jointly and severally agree to indemnify and hold harmless the Exchange Trustee and each of its directors, officers, employees, representatives and agents appointed and acting in accordance with this Agreement (collectively, the "**Indemnified Parties**") against all claims, losses, damages, costs, penalties, fines, taxes, assessments of additional taxes, interest or penalties or other governmental charges, including the withholding or deduction or the failure to withhold or deduct same, any liability for failure to obtain proper certifications or to properly report to government authorities, and reasonable expenses (including reasonable expenses of the Exchange Trustee's legal counsel) which, without fraud, negligence or wilful misconduct on the part of such Indemnified Party, are paid, incurred or suffered by the Indemnified Party by reason of or as a result of the Exchange Trustee's acceptance or administration of the trust, its compliance with its duties set forth in this Agreement, or with any written or oral instructions delivered to the Exchange Trustee by the Trust or TCPL pursuant hereto (collectively, "**Claims**" and individually, a "**Claim**"). In no case will the Trust or TCPL be liable under this indemnity for any Claim if such Claim is incurred or suffered by reason of or as a result of the fraud, negligence or wilful misconduct of an Indemnified Party and unless the Trust and TCPL shall be notified by the Exchange Trustee of the written assertion of a Claim promptly after any of the Indemnified Parties shall have received any such written assertion of a Claim or shall have been served with a summons or other first legal process giving information as to the nature and basis of the Claim, provided that a failure or delay to so notify the Trust and TCPL shall not diminish the liability of the Trust and TCPL hereunder except to the extent that the Trust and TCPL are materially prejudiced by such failure or delay. Subject to (ii) below, the Trust and TCPL shall be entitled to participate at their own expense in the defence and, if the Trust or TCPL so elect at any time after receipt of such notice, any of them may assume the defence of any suit brought to enforce any such Claim. The Exchange Trustee shall have the right to employ separate counsel in any such suit and participate in the defence thereof but the fees and expenses of such counsel shall be at the expense of the Exchange Trustee unless: (i) the employment of such counsel has been authorized by the Trust or TCPL, such authorization not to be unreasonably withheld; or (ii) the named parties to any such suit include both the Exchange Trustee and the Trust or TCPL and the Exchange Trustee shall have been advised by counsel acceptable to the Trust and TCPL that there may be one or more legal defences available to the Exchange Trustee that are different from or in addition to those available to the Trust or TCPL and that an actual or potential conflict of interest exists (in which case the Trust and TCPL shall not have the right to assume the defence of such suit on behalf of the Exchange Trustee but shall be liable to pay the reasonable fees and expenses of counsel for the Exchange Trustee). This provision shall survive the resignation or removal of the Exchange Trustee or the termination of this Agreement.

8.2 Limitation of Liability

The Exchange Trustee shall not be held liable for any loss which may occur by reason of insolvency or termination of TCPL, the Trust or any Holder, as the case may be, or early termination of any investment under Section 6.10 or depreciation of the value of any part of the Series 2022-A Trust Estate or any loss incurred on any investment of funds pursuant to this Agreement, except to the extent that such loss is attributable to fraud, negligence or wilful misconduct on the part of the Exchange Trustee.

ARTICLE 9 CHANGE OF EXCHANGE TRUSTEE

9.1 Resignation of Exchange Trustee

The Exchange Trustee, or any Exchange Trustee hereafter appointed, may at any time resign by giving written notice of such resignation to the Trust and TCPL specifying the date on which it desires to resign, provided that such notice shall be given at least 60 days before such desired resignation date, unless the Trust and TCPL otherwise agree, and further provided that such resignation shall not take effect until the date of the appointment of a successor Exchange Trustee and the acceptance of such appointment by the successor Exchange Trustee. Upon receiving such notice of resignation, the Trust and TCPL shall promptly appoint a successor Exchange Trustee, which successor shall be a resident of Canada for the purposes of the Tax Act, by written instrument in duplicate, one copy of which shall be delivered to the resigning Exchange Trustee and one copy to the successor Exchange Trustee. Failing acceptance by a successor Exchange Trustee, a successor Exchange Trustee may be appointed by an order of the Superior Court of Justice (Ontario) upon application of one or more of the parties hereto at the joint and several expense of the Trust and TCPL.

- 23 -

9.2 Removal of Exchange Trustee

The Exchange Trustee, or any Exchange Trustee hereafter appointed, may be removed: (i) with cause or if the Exchange Trustee at any time ceases to be a resident of Canada for the purposes of the Tax Act, by written instrument executed by the Trust and TCPL; or (ii) with or without cause by the Holders of Trust Notes – Series 2022-A pursuant to an Extraordinary Resolution and, if any TCPL Exchange Preferred Shares are outstanding, by the affirmative vote of Holders of the TCPL Exchange Preferred Shares passed in accordance with the TCPL Exchange Preferred Share Provisions (as though the removal were an amendment to the TCPL Exchange Preferred Share Provisions), in all cases, at any time on 60 days' prior written notice, which notice shall be delivered to the Exchange Trustee so removed and to the successor Exchange Trustee.

9.3 Successor Exchange Trustee

Any successor Exchange Trustee appointed as provided under this Agreement shall execute, acknowledge and deliver to the Trust and TCPL and to its predecessor Exchange Trustee an instrument accepting such appointment. Thereupon, the resignation or removal of the predecessor Exchange Trustee shall become effective and such successor Exchange Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with like effect as if originally named as Exchange Trustee in this Agreement. However, on the written request of the Trust and TCPL or of the successor Exchange Trustee, the Exchange Trustee ceasing to act shall, upon payment of any amounts then due to it pursuant to the provisions of this Agreement, execute and deliver an instrument transferring to such successor Exchange Trustee all the rights and powers of the Exchange Trustee so ceasing to act. Upon the request of any such successor Exchange Trustee, the Trust and TCPL, such predecessor Exchange Trustee shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Exchange Trustee all such rights and powers. Any company into which the Exchange Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting or continuing from any merger, consolidation or amalgamation to which the Exchange Trustee is a party or any company to which the Exchange Trustee may transfer all or substantially all of its corporate trust business, shall be a successor Exchange Trustee under this Agreement, without the execution or filing of any paper or further act on the part of any of the parties hereto.

9.4 Notice of Successor Exchange Trustee

Upon acceptance of appointment by a successor Exchange Trustee as provided in this Agreement, the Trust and TCPL shall cause to be mailed notice of the succession of such Exchange Trustee under this Agreement to each registered Holder. If the Trust or

TCPL fails to cause such notice to be mailed within 10 days after acceptance of appointment by the successor Exchange Trustee, the successor Exchange Trustee shall cause such notice to be mailed at the expense of the Trust and TCPL.

Any such meeting or meetings shall be called and held in accordance with the Trust Indenture, the TCPL Exchange Preferred Share Provisions (if applicable) and all Applicable Laws. SCHEDULE A

TCPL EXCHANGE PREFERRED SHARE PROVISIONS

FIRST PREFERRED SHARES, SERIES 2022-A EXCHANGE

There is hereby authorized and created a series of First Preferred Shares designated as the "First Preferred Shares, Series 2022-A Exchange" (hereinafter referred to as the "**Exchange Preferred Shares, Series 2022-A**"), consisting of such number of shares sufficient to satisfy the rights of former holders of Trust Notes to receive Exchange Preferred Shares, Series 2022-A following an Automatic Exchange. The Exchange Preferred Shares, Series 2022-A may be issued in whole or in fractional shares, as provided below, and shall, in addition to the rights, privileges, restrictions and conditions attaching to the First Preferred Shares as a class (collectively and respectively, the "**First Preferred Shares Class Provisions**" and the "**First Preferred Shares**"), carry and be subject to the following rights, privileges, restrictions and conditions (collectively, the "**Exchange Preferred Shares, Series 2022-A Provisions**"):

Dividends

1. The holders of the Exchange Preferred Shares, Series 2022-A shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors out of the monies of the Corporation properly applicable to the payment of dividends, on each Dividend Payment Date fixed cumulative preferential cash dividends equal to the quotient obtained by dividing: (x) the product obtained by multiplying \$1,000 by a rate per annum equal to the rate of interest payable by the Trust on the Trust Notes at the Exchange Time, by (y) four; provided that if an event (including a redemption) shall occur that results in accrued and unpaid dividends for a partial Dividend Period becoming payable, the dividend payable for any partial Dividend Periods shall be equal to the product obtained by multiplying the amount in (x) above by a fraction, the numerator of which is the actual number of days attributable to the partial Dividend Period and the denominator of which is 365, subject in each case to any applicable withholding tax.

2. If on any Dividend Payment Date the dividend payable on such date is not paid in full on all of the Exchange Preferred Shares, Series 2022-A then issued and outstanding, such dividend or the unpaid part thereof shall be paid on a subsequent date or dates to be determined by the board of directors on which the Corporation shall have sufficient monies properly available, under the provisions of any applicable law and under the provisions of any trust indenture securing bonds, debentures or other securities of the Corporation, to the payment of the same. The holders of the Exchange Preferred Shares, Series 2022-A shall not be entitled to any dividends other than or in excess of the cumulative preferential cash dividends hereinbefore provided. Payment shall be made by electronic funds transfer or by cheque of or on behalf of the Corporation payable in lawful money of the United States (less any tax required to be deducted) and payment thereof shall satisfy such dividends.

Liquidation, Dissolution or Winding-Up

3. In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of assets of the Corporation among its shareholders for the purpose of winding-up its affairs, the holders of the Exchange Preferred Shares, Series 2022-A in accordance with the First Preferred Shares Class Provisions, shall be entitled to receive the amount of \$1,000 (less any amount that may have been returned to the holders of Exchange Preferred Shares, Series 2022-A as a return of capital), together with an amount equal to all accrued and unpaid dividends thereon, which amount for such purposes shall be calculated as if such dividends were accruing for the period from the expiration of the last Dividend Period for which dividends thereon have been paid up to the date of such event, subject to any applicable withholding tax, the whole before any amount shall be paid or any property or assets of the Corporation shall be distributed to the holders of the common shares or to the holders of any other shares ranking junior to the Exchange Preferred Shares, Series 2022-A. After payment to the holders of the Exchange Preferred Shares, Series 2022-A of the amount so payable to them they shall not be entitled to share in any other distribution of the property or assets of the Corporation.

Voting Rights

4. The holders of the Exchange Preferred Shares, Series 2022-A shall not be entitled to receive notice of or attend any meeting of the shareholders of the Corporation or to vote at any such meeting unless and until the Corporation from time to time shall fail to pay in the aggregate six quarterly dividends on the Exchange Preferred Shares, Series 2022-A on the dates on which the same should be paid according to the terms thereof, whether or not consecutive and whether or not dividends have been declared and whether or not there are any moneys of the Corporation properly applicable to the payment of dividends. Thereafter each holder of Exchange Preferred Shares, Series 2022-A shall be entitled to receive notice of all meetings of shareholders and attend thereat and shall be entitled to at any and all such meetings, one vote per each Exchange Preferred Share, Series 2022-A held and shall continue to be entitled to notice and so to attend and vote until such time as all arrears of dividends on any outstanding Exchange Preferred Shares, Series 2022-A shall have been paid, whereupon the rights of holders of Exchange Preferred Shares, Series 2022-A to receive notice of meetings and to attend thereat and vote in respect of such Exchange Preferred Shares, Series 2022-A shall cease unless and until six quarterly dividends on the Exchange Preferred Shares, Series 2022-A shall again be in arrears and unpaid, whereupon the holders of the Exchange Preferred Shares, Series 2022-A shall again have the right to receive notice and to attend and vote as above provided and so on from time to time.

Purchase for Cancellation

5. The Corporation may, at any time and from time to time on or after the date that is ten years after the Closing Date, subject to the provisions of the *Canada Business Corporations Act*, and the provisions below under "Redemption" and "Restrictions on Payment of Dividends and Reduction of Junior Capital", purchase for cancellation (if obtainable), in the manner provided in the First Preferred Shares Class Provisions, the whole or any part of the Exchange Preferred Shares, Series 2022-A outstanding from time to time at any price.

Redemption

6. The Corporation may not redeem the Exchange Preferred Shares, Series 2022-A on or prior to the date that is ten years after the Closing Date. Subject to the provisions of the *Canada Business Corporations Act* and the provisions below under "Restrictions on Payment of Dividends and Reduction of Junior Capital" the Corporation may redeem all, or from time to time any part, of the outstanding Exchange Preferred Shares, Series 2022-A, without the consent of the holders of the Exchange Preferred Shares, Series 2022-A, on not more than 60 days and not less than 10 days prior notice, at any time after the date that is ten years after the Closing Date, by the payment of an amount in cash for each such share so redeemed of \$1,000 per share (such price being hereinafter referred to as the "**Redemption Price**") together with an amount equal to all accrued and unpaid dividends thereon, which amount for such purpose shall be calculated as if such dividends were accruing for the period from the expiration of the last Dividend Period for which dividends thereon have been paid up to the date of such redemption, subject to any applicable withholding tax.

- 3 -

Restrictions on Payment of Dividends and Reduction of Junior Capital

7. So long as any of the Exchange Preferred Shares, Series 2022-A are outstanding the Corporation shall not, without the approval of the holders of the Exchange Preferred Shares, Series 2022-A:

- (b) redeem, purchase or otherwise retire any of the common shares or any other shares ranking junior to the Exchange Preferred Shares, Series 2022-A (except out of the net cash proceeds of a substantially concurrent issue of shares ranking junior to the Exchange Preferred Shares, Series 2022-A); or
- (c) redeem, repurchase or otherwise retire: (i) less than all of the Exchange Preferred Shares, Series 2022-A; or (ii) except pursuant to any purchase obligation, sinking fund, retraction privilege, or mandatory redemption provisions attaching to any series of preferred shares of the Corporation, any other shares ranking on parity with the Exchange Preferred Shares, Series 2022-A;

unless, in each case, all dividends payable on the Exchange Preferred Shares, Series 2022-A, and on all other shares ranking prior to or on parity with the Exchange Preferred Shares, Series 2022-A, have been declared and paid or set apart for payment, subject to any applicable withholding tax.

Fractional Shares

8. The Exchange Preferred Shares, Series 2022-A may be issued in whole or in fractional shares. Each fractional Exchange Preferred Share, Series 2022-A shall carry and be subject to the rights, privileges, restrictions and conditions (including voting rights and dividend rights) of the Exchange Preferred Shares, Series 2022-A in proportion to the applicable fraction.

Exchange Preferred Shares, Series 2022-A Definitions

2.1 Limitation on Issue and Designation

The aggregate principal amount of the initial Trust Notes – Series 2022-A that may be issued and certified hereunder shall be limited to up to \$800,000,000 principal amount of the Trust Notes designated as "Trust Notes – Series 2022-A due March 7, 2082". The issuance of the Trust Notes – Series 2022-A shall be subject to compliance with the terms and conditions of the 1970 Indenture relating to the creation, assumption or incurring of Funded Obligations (as such term is defined in the 1970 Indenture). For clarity, Additional Trust Notes – Series 2022-A may be issued and certified hereunder pursuant to Section 2.2.5 below.

2.2 Terms of Trust Notes – Series 2022-A

2.2.1 The Trust Notes – Series 2022-A shall be dated as of the Closing Date, regardless of their actual date of issue, and shall mature on the Maturity Date.

2.2.2 Subject to Section 2.2.5 below, from the Closing Date to, but excluding, March 7, 2032, the Trust Notes – Series 2022-A will bear interest at the rate of 5.600% per annum, payable in arrears in equal semi-annual payments on March 7 and September 7 of each year, to the persons in whose names the Trust Notes – Series 2022-A are registered at the close of business on the preceding February 21 and August 24, respectively, with the first payment on September 7, 2022. Interest on the Trust Notes – Series 2022-A during each Subsequent Fixed Rate Period will continue to be payable in arrears in equal semi-annual payments on each applicable Interest Payment Date in the manner set out in this Section 2.2.2. Subject to Article 5, interest as aforesaid shall be payable after as well as before default, with interest on overdue interest, in like money, at the same rates and on the same dates.

2.2.3 Interest on the Trust Notes – Series 2022-A will be computed on the basis of a 360-day year consisting of twelve 30-day months and, for any period shorter than six months, on the basis of the actual number of days elapsed per 30-day month. For the purposes of disclosure under the *Interest Act* (Canada), and without affecting the interest payable on the Trust Notes – Series 2022-A, whenever the interest rate on the Trust Notes – Series 2022-A is to be calculated on the basis of a period of less than a calendar year, the yearly interest rate equivalent for such interest rate will be the interest rate multiplied by the actual number of days in the relevant calendar year and divided by the number of days used in calculating the specified interest rate.

- 10 -

2.2.4 If any Interest Payment Date would otherwise fall on a day which is not a Business Day, payment shall be postponed until the next Business Day, and no further interest or other sums will accrue in respect of such postponement.

2.2.5 After the Closing Date, the Issuer shall be entitled to issue additional Trust Notes – Series 2022-A ("**Additional Trust Notes – Series 2022-A**"), which shall have identical terms as the Trust Notes-Series 2022-A issued on the Closing Date, other than with respect to their issue date, issue price and, if applicable, their first interest payment date and interest accrual date.

2.2.6.3 if applicable, the first interest payment date and interest accrual date of such Additional Trust Notes – Series 2022-A.

2.3 Form of Trust Notes – Series 2022-A

2.3.1 Subject to Section 2.11 of the Original Indenture, the Trust Notes – Series 2022-A shall be issued only as fully registered Trust Notes – Series 2022-A in denominations of \$1,000 and integral multiples thereof.

2.3.2 The Trust Notes – Series 2022-A and the certificate of the Trustee endorsed thereon shall be in the English language (and may be in the French language) and shall be substantially in the form set out in Schedule 2.3 hereto, with such appropriate additions, deletions, substitutions and variations as the Trustee may approve (or as may be required to issue Additional Trust Notes – Series 2022-A pursuant to Section 2.2.5) and shall bear such distinguishing letters and numbers as the Trustee may approve, such approval of the Trustee to be conclusively evidenced by its certification of the Trust Notes – Series 2022-A. In the event that any provision of the Trust Notes – Series 2022-A in the French language, if any, shall be susceptible to an interpretation different from the equivalent provision in the English language, the interpretation of such provision in the English language shall be determinative.

2.3.3 The Trust Notes – Series 2022-A may be engraved, printed or lithographed, or partly in one form and partly in another, as the Issuer may determine.

2.4 Registrar and Transfer Agent and Paying Agent

The Issuer hereby appoints the Trustee as the registrar and transfer agent and paying agent of the Trust Notes – Series 2022-A and the Trustee hereby accepts such appointment.

2.5 Calculation Agent

Unless the Issuer has redeemed all of the outstanding Trust Notes – Series 2022-A as of the Initial Interest Reset Date, the Issuer will appoint a Calculation Agent with respect to the Trust Notes – Series 2022-A prior to the Interest Reset Determination Date preceding the Initial Interest Reset Date. The applicable interest rate for each Subsequent Fixed Rate Period will be determined by the Calculation Agent as of the applicable Interest Reset Determination Date. Promptly upon such determination, the Calculation Agent, if other than the Issuer or its Affiliate, will notify the Issuer of the interest rate for the relevant Subsequent Fixed Rate Period. The Issuer will then promptly notify the Trustee, if other than the Calculation Agent, of such interest rate. The Calculation Agent's determination of any interest rate and its calculation of the amount of interest for any Subsequent Fixed Rate Period beginning on or after the Initial Interest Reset Date (i) will be on file at the Issuer's principal offices, (ii) will be made available to any Holder upon request, (iii) will be conclusive and binding absent manifest error, (iv) may be made in the Calculation Agent's sole discretion and (v) notwithstanding anything to the contrary in the documentation relating to the Trust Notes – Series 2022-A, will become effective without consent from any other person or entity.

2.6 Rights of Set-Off

Notwithstanding Section 4.8 of the Original Indenture, each party may set-off against amounts owing by it hereunder to another Person any amounts owing or accruing due by such Person to it or any of its Affiliates, without duplication, including pursuant to the Share Exchange Agreement and the Assignment and Set-Off Agreement.

The Issuer or the Credit Supporter shall make such withholding or deduction and remit the full amount deducted or withheld to the relevant authority as and when required under applicable law.

- 13 -

2.7.2 If a Holder has received a refund or credit for any Canadian Taxes with respect to which the Issuer or the Credit Supporter has paid Additional Amounts pursuant to this Section 2.7, such Holder shall pay over such refund to the Issuer or the Credit Supporter (but only to the extent of such Additional Amounts), net of all out-of-pocket expenses of such Holder, together with any interest paid by the relevant tax authority in respect of such refund.

2.7.3 If Additional Amounts are required to be paid under this Section 2.7 as a result of a Tax Event, the Issuer may elect to redeem outstanding Trust Notes – Series 2022-A pursuant to Section 3.3.

All Trust Notes – Series 2022-A redeemed and all Trust Notes – Series 2022-A purchased under this Article 3 shall forthwith be delivered to the Trustee and shall be cancelled by it and will not be reissued or resold, and except as provided in subsection 3.6.2, no Trust Notes – Series 2022-A shall be issued in substitution therefor.

ARTICLE 4 AUTOMATIC EXCHANGE

4.1 Automatic Exchange

4.1.1 On the occurrence of an Automatic Exchange Event, whether before or after the occurrence of any Event of Default, each Holder of Trust Notes – Series 2022-A then outstanding shall give full effect to the Automatic Exchange pursuant to and in accordance with the Share Exchange Agreement. To that end, in accordance with the Share Exchange Agreement, all Trust Notes – Series 2022-A held by a Holder shall be deemed to have been automatically exchanged and transferred to TCPL at a price, for each \$1,000 principal amount of Trust Notes – Series 2022-A, equal to one newly issued and fully paid TCPL Exchange Preferred Share with a stated issue price of \$1,000 per share, together with such number of TCPL Exchange Preferred Shares (including fractional shares, where applicable) calculated by dividing the amount of accrued and unpaid interest on each \$1,000 principal amount of Trust Notes – Series 2022-A from the immediately preceding Interest Payment Date to, but excluding, the date of the Automatic Exchange Event, by \$1,000. As full and final payment of such price, in accordance with the Share Exchange Agreement, a Holder of Trust Notes – Series 2022-A shall receive, and be deemed to have received and accepted, as of the Time of Automatic Exchange, the right to be issued one newly issued and fully paid TCPL Exchange Preferred Share with a stated issue price of \$1,000 per share, together with such number of TCPL Exchange Preferred Shares (including fractional shares, where applicable) calculated by dividing the amount of accrued and unpaid interest on each \$1,000 principal amount of Trust Notes – Series 2022-A from the immediately preceding Interest Payment Date to, but excluding, the date of the Automatic

Exchange Event by \$1,000, per \$1,000 principal amount of Trust Notes – Series 2022-A held by the Holder. The foregoing exchange, transfer, receipt and acceptance shall be automatically effected in accordance with the Share Exchange Agreement and shall not require any conveyance, confirmation or further action being taken by the Trust, the Exchange Trustee or the Holders in order to give full effect to same. For greater certainty, any Trust Notes – Series 2022-A purchased or redeemed by the Trust prior to the Time of Automatic Exchange shall be deemed not to be outstanding, and shall not be subject to the Automatic Exchange.

4.1.2 Pursuant to the Share Exchange Agreement, as of the Time of Automatic Exchange and on a basis consistent with the terms of this Agreement, each Holder of Trust Notes – Series 2022-A shall be deemed to have exchanged and transferred to TCPL all of such Holder's right, title and interest in and to the Trust Notes – Series 2022-A registered in its name and shall thereupon cease to be a Holder of such Trust Notes – Series 2022-A and all rights of such Holder as a debtholder of the Trust shall cease, and each Holder shall thereupon and thereafter be deemed hereunder to be entitled to receive the corresponding number of TCPL Exchange Preferred Shares (including fractional shares, where applicable) contemplated in Section 3.3 of the Share Exchange Agreement.

4.2 Redemption by Issuer following Automatic Exchange

4.2.1 This Section shall apply to any redemption by the Issuer of the Trust Notes – Series 2022-A following an Automatic Exchange in the circumstances described in subsection 4.2.2 and shall apply in accordance with its terms notwithstanding the subordination provisions of Article 4 of the Original Indenture and Article 6 hereof, which shall not apply in the case of such a redemption. For greater certainty, redemption by the Issuer under this Section 4.2 may occur at any time after the Closing Date, including prior to March 7, 2032.

4.2.2 Subject to subsection 4.2.3, if for any reason an Automatic Exchange does not result in the exchange of all Trust Notes – Series 2022-A then outstanding for the right to be issued TCPL Exchange Preferred Shares (including fractional shares, where applicable) in accordance with the Share Exchange Agreement, the Issuer shall, without any requirement for notice or further action on the part of any Person, forthwith redeem all such Trust Notes – Series 2022-A not so exchanged for consideration consisting of one TCPL Exchange Preferred Share per \$1,000 principal amount of the Trust Notes – Series 2022-A, together with the number of TCPL Exchange Preferred Shares (including fractional shares, where applicable) calculated by dividing the amount of accrued and unpaid interest on each \$1,000 principal amount of the Trust Notes – Series 2022-A from, and including, the immediately preceding Interest Payment Date to, but excluding, the date of the Automatic Exchange Event by \$1,000. For this purpose, the Issuer shall exercise the "Series 2022-A Subscription Right" pursuant to the Share Exchange Agreement to require TCPL to issue to the Issuer sufficient TCPL Exchange Preferred Shares (including fractional shares, where applicable) to complete and give effect to such redemption. The Trust Notes – Series 2022-A redeemed pursuant to this subsection 4.2.2 shall be cancelled and shall not be reissued.

4.2.3 The Issuer need not give notice of redemption prior to the exercise of the foregoing rights of redemption if TCPL has given an Automatic Exchange Event Notice. The redemption will be deemed to have been effected and the consideration paid at the Time of Automatic Exchange. From and after the Time of Automatic Exchange, each Holder of the Trust Notes – Series 2022-A (if any) whose Trust Notes – Series 2022-A were for any reason not exchanged for TCPL Exchange Preferred Shares by the operation of the Automatic Exchange and instead were redeemed by the Trust under this Section 4.2, shall automatically cease to be a Holder and instead shall, subject to Section 4.3, be entitled only to receive TCPL Exchange Preferred Shares (including fractional shares, where applicable) or such other consideration as is contemplated herein in respect of such Trust Notes – Series 2022-A held by such Holder.

4.3 Right not to Deliver the TCPL Exchange Preferred Shares

4.3.1 Pursuant to the Share Exchange Agreement, on an Automatic Exchange or a redemption of the Trust Notes – Series 2022-A following an Automatic Exchange Event, TCPL has reserved the right not to issue TCPL Exchange Preferred Shares to any Ineligible Person. In those circumstances, TCPL shall issue to the Trustee, and the Trustee shall hold, all TCPL Exchange Preferred Shares (including fractional shares, where applicable) that would otherwise be delivered to the Ineligible Persons, and the Trustee shall deliver such shares to a broker retained by TCPL for the purpose of effecting the sale (to Persons other than TCPL, its Affiliates and other Ineligible Persons) on behalf of such Ineligible Persons of such TCPL Exchange Preferred Shares. Those sales (if any) may be made at any time and at any price and none of the Trust, the Trustee or TCPL shall be subject to any liability for failing to sell such TCPL Exchange Preferred Shares on behalf of any such Ineligible Persons

or at any particular price on any particular day. The net proceeds received by the Trustee from the sale of any such TCPL Exchange Preferred Shares shall be divided, in accordance with the Share Exchange Agreement, among the Ineligible Persons in proportion to the number of TCPL Exchange Preferred Shares that would otherwise have been delivered to them, after deducting the costs of sale and any applicable withholding taxes. The Trustee shall make payment of the aggregate net proceeds to DTC (if the Trust Notes – Series 2022-A are then held in the book-entry only system) in accordance with the customary practices and procedures of DTC or in all other cases to such Ineligible Persons, or such other registrar and transfer agent who may have been appointed in respect of the Trust Notes – Series 2022-A in accordance with the terms of the Original Indenture, for distribution to such Ineligible Persons, in each case, in accordance with customary practices and procedures of the Trustee or the registrar and transfer agent, as applicable.

5.2 Acknowledgement of Holders

- 18 -

5.3 No Limit

There shall be no limit on the number of Deferral Events that may occur.

5.4 Right not to Deliver the TCPL Deferral Preferred Shares

Pursuant to the Assignment and Set-Off Agreement, upon a Deferral Event, TCPL has the right not to issue TCPL Deferral Preferred Shares to any Ineligible Person. In those circumstances, TCPL will issue to the Trustee, and the Trustee shall hold, all TCPL Deferral Preferred Shares (including fractional shares, where applicable) that would otherwise be delivered to Ineligible Persons, and the Trustee shall deliver such shares to a broker retained by TCPL for the purpose of effecting the sale (to Persons other than TCPL and its Affiliates or other Ineligible Persons) on behalf of such Ineligible Persons of such TCPL Deferral Preferred Shares. Such sales, if any, may be made at any time and at any price and none of the Trust, the Trustee or TCPL will be subject to any liability for failing to sell such TCPL Deferral Preferred Shares on behalf of any such Ineligible Persons or at any particular price on any particular day. The net proceeds received by the Trustee from the sale of any such TCPL Deferral Preferred Shares shall be divided among the Ineligible Persons in proportion to the number of TCPL Deferral Preferred Shares that would otherwise have been delivered to them, after deducting any related costs of sale and any applicable withholding taxes. The Trustee shall make payment of the aggregate net proceeds to DTC (if the Trust Notes – Series 2022-A are then held in the book-entry only system) in accordance with the customary practices and procedures of

DTC or in all other cases to such Ineligible Persons, or such other registrar and transfer agent who may have been appointed in respect of the Trust Notes – Series 2022-A in accordance with the terms of the Original Indenture, for distribution to such Ineligible Persons, in each case, in accordance with customary practices and procedures of the Trustee or the registrar and transfer agent, as applicable.

6.1.10 In the event that pursuant to any applicable statute or common law, the amount of any payment made hereunder by the Credit Supporter to the Trustee or any of the Holders (including actual or imputed interest thereon) must be repaid by the Trustee or such Holder to the Credit Supporter, whether by virtue of any fraudulent preference or conveyance legislation or otherwise howsoever, the Credit Supporter shall remain liable hereunder for the amount of such repayment notwithstanding any prior termination or release of the Guarantee by the Trustee and any such prior termination or release shall at all times be and be treated to be subject to this paragraph.

- 20 -

6.1.11 To the extent that the Credit Supporter makes a payment to a Holder of the Trust Notes – Series 2022-A, the Credit Supporter shall be subrogated to all of the Holder's rights and entitlements under the applicable Trust Notes – Series 2022-A, which shall remain outstanding.

ARTICLE 2 THE TCPL SUB NOTES – SERIES 2022-A

2.1 Limitation on Issue and Designation

The aggregate principal amount of the initial TCPL Sub Notes – Series 2022-A that may be issued and certified hereunder shall be limited to up to \$800,000,000 principal amount of the TCPL Sub Notes designated as "TCPL Sub Notes – Series 2022-A due March 7, 2082". For clarity, Additional TCPL Sub Notes – Series 2022-A may be issued and certified hereunder pursuant to Section 3.1.2 below.

2.2 Terms of TCPL Sub Notes – Series 2022-A

2.2.1 The TCPL Sub Notes – Series 2022-A shall be dated as of the Closing Date, regardless of their actual date of issue, and shall mature on the Maturity Date.

2.2.2 Subject to Section 3.1.2 below, from the Closing Date to, but excluding, March 7, 2032, the TCPL Sub Notes – Series 2022-A will bear interest at the rate of 5.850% per annum, payable in arrears in equal semi-annual payments on March 7 and September 7 of each year to the persons in whose names the TCPL Sub Notes – Series 2022-A are registered at the close of business on the preceding February 21 and August 24, respectively, with the first payment on September 7, 2022. On March 7, 2032 and on every Interest Reset Date thereafter until the Maturity Date, the interest rate on the TCPL Sub Notes – Series 2022-A will be reset for the applicable Subsequent Fixed Rate Period to a rate per annum equal to the Five-Year Treasury Rate as of the most recent Interest Reset Determination Date, plus: (a) for the period from, and including, March 7, 2032 to, but excluding, March 7, 2052, 4.236%; and (b) for the period from, and including, March 7, 2052 to, but excluding, March 7, 2082, 4.986%, in each case, payable in arrears. Interest on the TCPL Sub Notes – Series 2022-A during each Subsequent Fixed Rate Period will continue to be payable in arrears in equal semi-annual payments on each applicable Interest Payment Date in the manner set out in this Section 2.2.2. Interest as aforesaid shall be payable after as well as before default, with interest on overdue interest, in like money, at the same rates and on the same dates.

- 7 -

- Interest on the TCPL Sub Notes – Series 2022-A will be computed on the basis of a 360-day year consisting of twelve 30-day months and, for any period shorter than six months, on the basis of the actual number of days elapsed per 30-day month. For the purposes of disclosure under the *Interest Act* (Canada), and without affecting the interest payable on the TCPL Sub Notes – Series 2022-A, whenever the interest rate on the TCPL Sub Notes – Series 2022-A is to be calculated on the basis of a period of less than a calendar year, the yearly interest rate equivalent for such interest rate will be the interest rate multiplied by the actual number of days in the relevant calendar year and divided by the number of days used in calculating the specified interest rate.

ARTICLE 3

- 3.1.1 If any Interest Payment Date would otherwise fall on a day which is not a Business Day, payment shall be postponed until the next Business Day, and no further interest or other sums will accrue in respect of such postponement.

- 3.1.2 After the Closing Date, subject to the limit in Section 2.1, the Issuer shall be entitled to issue additional TCPL Sub Notes – Series 2022-A ("**Additional TCPL Sub Notes – Series 2022-A**"), which shall have identical terms as the TCPL Sub Notes – Series 2022-A issued on the Closing Date, other than with respect to their issue date, issue price and, if applicable, their first interest payment date and interest accrual date.

- 3.1.3 With respect to any Additional TCPL Sub Notes – Series 2022-A, the Issuer shall set forth in an Officer's Certificate, which shall be delivered to the Trustee, the following information:

3.1.3.1 the aggregate principal amount of such Additional TCPL Sub Notes – Series 2022-A to be authenticated and delivered pursuant to this Indenture;

3.1.3.2 the issue price and the issue of such Additional TCPL Sub Notes – Series 2022-A; and

3.1.3.3 if applicable, the first interest payment date and interest accrual date of such Additional TCPL Sub Notes – Series 2022-A.

3.2 Form of TCPL Sub Notes – Series 2022-A

- 3.2.1 The TCPL Sub Notes – Series 2022-A shall be issued only as fully registered TCPL Sub Notes – Series 2022-A in denominations of \$1,000 and integral multiples thereof and shall not, unless otherwise determined by the Issuer, be registered in the name of or held by or through DTC or any other clearing agency.

- 3.2.2 The TCPL Sub Notes – Series 2022-A and the certificate of the Trustee endorsed thereon shall be in the English language (and may be in the French language) and shall be substantially in the form set out in Schedule 3.2 hereto, with such appropriate additions, deletions, substitutions and variations as the Trustee may approve (or as may be required to issue Additional TCPL Sub Notes – Series 2022-A pursuant to Section 3.1.2) and shall bear such distinguishing letters and numbers as the Trustee may approve, such approval of the Trustee to be conclusively evidenced by its certification of the TCPL Sub Notes – Series 2022-A. In the event that any provision of the TCPL Sub Notes – Series 2022-A in the French language, if any, shall be susceptible to an interpretation different from the equivalent provision in the English language, the interpretation of such provision in the English language shall be determinative.

- 8 -

- 3.2.3 The TCPL Sub Notes – Series 2022-A may be engraved, printed or lithographed, or partly in one form and partly in another, as the Issuer may determine.

3.3 Registrar and Transfer Agent and Paying Agent

- 3.3.1 The Issuer hereby appoints the Trustee as the registrar and transfer agent of the TCPL Sub Notes – Series 2022-A and the Trustee hereby accepts such appointment.

- 3.3.2 The Issuer confirms that the Issuer will itself act as Paying Agent in respect of the TCPL Sub Notes – Series 2022-A.

3.4 Calculation Agent

Unless the Issuer has redeemed all of the outstanding TCPL Sub Notes – Series 2022-A as of the Initial Interest Reset Date, the Issuer will appoint a Calculation Agent with respect to the TCPL Sub Notes – Series 2022-A prior to the Interest Reset Determination Date preceding the Initial Interest Reset Date. The applicable interest rate for each Subsequent Fixed Rate Period will be determined by the Calculation Agent as of the applicable Interest Reset Determination Date. Promptly upon such determination, the Calculation Agent, if other than the Issuer or its Affiliate, will notify the Issuer of the interest rate for the relevant Subsequent Fixed Rate Period. The Issuer will then promptly notify the Trustee, if other than the Calculation Agent, of such interest rate. The Calculation Agent's determination of any interest rate and its calculation of the amount of interest for any Subsequent Fixed Rate Period beginning on or after the Initial Interest Reset Date (i) will be on file at the Issuer's principal offices, (ii) will be made available to any Holder upon request, (iii) will be conclusive and binding absent manifest error, (iv) may be made in the Calculation Agent's sole discretion and (v) notwithstanding anything to the contrary in the documentation relating to the TCPL Sub Notes – Series 2022-A, will become effective without consent from any other person or entity.

3.5 Rights of Set-Off

Notwithstanding Section 4.8 of the Original Indenture, each party may set-off against amounts owing by it hereunder to another Person any amounts owing or accruing due by such Person to it or any of its Affiliates, without duplication.

3.6 Additional Amounts

3.6.1 All payments made by or on account of any obligation of the Issuer under or with respect to the TCPL Sub Notes – Series 2022-A shall be made free and clear of and without withholding or deduction for, or on account of, any present or future tax, duty, levy, impost, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) imposed or levied by or on behalf of the Government of Canada or any province or territory thereof or by any authority or agency therein or thereof having power to tax (collectively, "**Canadian Taxes**"), or, in the event that a Successor Entity that is organized under the laws of a jurisdiction other than the laws of Canada or any province or territory thereof is substituted for the Issuer pursuant to Article 8 of the Original Indenture, by or on behalf of the government of such successor jurisdiction or any subdivision thereof or by any authority or agency therein or thereof having power to tax.

- 9 -

3.6.2 For so long as the Trust is the Holder of TCPL Sub Notes – Series 2022-A, if the Trust is required to withhold or deduct any amount for or on account of Canadian Taxes from any payment made under or with respect to the Trust Notes - Series 2022-A, the Issuer shall pay as additional interest such additional amounts ("**Additional Amounts**") as may be necessary so that the Trust may provide a net amount to each holder of Trust Notes – Series 2022-A (including Additional Amounts) after such withholding or deduction shall not be less than the amount such holder of Trust Notes – Series 2022-A would have received if such Canadian Taxes had not been withheld or deducted; provided, however, that no Additional Amounts shall be payable to the Trust with respect to a payment made to a holder of Trust Notes – Series 2022-A in respect of a beneficial owner of Trust Notes Series 2022-A (i) with which the Trust does not deal at arm's length (for purposes of the *Income Tax Act* (Canada)) at the time the amount is paid or payable, (ii) where the payment is in respect of a debt or other obligation to pay an amount to a person with whom the payor is not dealing at arm's length for the purposes of the *Income Tax Act* (Canada), (iii) which is subject to such Canadian Taxes by reason of the failure of such holder of Trust Notes – Series 2022-A to comply with any certification, identification, information, documentation or other reporting requirement if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or a reduction in, the rate of deduction or withholding of, such Canadian Taxes, (iv) where all or any portion of the amount paid to such holder of Trust Notes – Series 2022-A is deemed to be a dividend paid to such holder of Trust Notes – Series 2022-A pursuant to subsection 214(16) of the *Income Tax Act* (Canada), (v) which is subject to such Canadian Taxes by reason of its carrying on business in or being connected with Canada or any province or territory thereof (including, without limitation, by being or having been a national, domiciliary or resident, or treated as a resident, of, or physically present in or having had a permanent establishment in, Canada or any province or territory thereof) otherwise than by the mere acquisition, holding or disposition of Trust Notes – Series 2022-A or the receipt of payments or enforcement of rights thereunder, (vi) in respect of any applicable Canadian Taxes that are payable other than by withholding from payments under or with respect to the Trust Notes – Series 2022-A (other than taxes payable pursuant to Regulation 803 of the *Income Tax Act* (Canada) or any similar successor provision), (vii) in respect of any estate, inheritance, gift, sale, transfer, personal property, excise or similar applicable Canadian Taxes, (viii) if the applicable taxes would not have been imposed but for the presentation of such Trust Note – Series 2022-A (in cases in which presentation

is required) more than 30 days after the later of the date on which the relevant payment became due and payable pursuant to the terms thereof or was made or duly provided for (except to the extent such holder of Trust Notes – Series 2022-A would have been entitled to such Additional Amounts had such Trust Note – Series 2022-A been presented on the last day of such 30-day period), (ix) in respect of any applicable Canadian Taxes to the extent such Canadian Taxes result from the presentation of any Trust Notes – Series 2022-A for payment (where presentation is required for payment) and the payment can be made without such withholding or deduction by the presentation of the Trust Notes – Series 2022-A for payment by at least one other paying agent, (x) for any taxes imposed pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**") (or any amended or successor version of such sections) ("**FATCA**"), any regulations or other official guidance thereunder, any agreement entered into pursuant to Section 1471(b)(1) of the Code, any intergovernmental agreement entered into between a non-U.S. jurisdiction and the United States in connection with FATCA or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or (xi) in respect of any combination of applicable taxes referred to in the preceding clauses (i) through (x). The Trust shall make such withholding or deduction and remit the full amount deducted or withheld to the relevant authority as and when required under applicable law.

- 10 -

3.6.3 If a holder of Trust Notes – Series 2022-A has received a refund or credit for any Canadian Taxes with respect to which the Issuer has paid Additional Amounts pursuant to this Section 3.6, and such holder has paid over such refund to the Trust, the Trust shall pay over such refund to the Issuer (but only to the extent of such Additional Amounts), net of all out-of-pocket expenses of such holder, together with any interest paid by the relevant tax authority in respect of such refund.

3.6.4 If Additional Amounts are required to be paid under this Section 3.6 as a result of a Tax Event, the Issuer may elect to redeem outstanding TCPL Sub Notes – Series 2022-A pursuant to Section 4.3.

If the TCPL Sub Notes – Series 2022-A in denominations in excess of the minimum authorized denomination for the TCPL Sub Notes – Series 2022-A are selected and called for redemption in part only (such part being that minimum authorized denomination or an integral multiple thereof) then, unless the context otherwise requires, references to the TCPL Sub Notes – Series 2022-A in this Article 4 shall be deemed to include any such part of the principal amount of the TCPL Sub Notes – Series 2022-A which shall have been so selected and called for redemption. The Holder of any TCPL Sub Notes – Series 2022-A called for redemption in part only, upon surrender of such TCPL Sub Notes – Series 2022-A for payment, shall be entitled to receive, without expense to such Holder, new TCPL Sub Notes – Series 2022-A for the unredeemed part of the TCPL Sub Notes – Series 2022-A so surrendered, and the Issuer shall execute and the Trustee shall certify and deliver, at the expense of the Issuer, such new TCPL Sub Notes – Series 2022-A having the same terms as are set out herein upon receipt from the Trustee or the Paying Agent of the TCPL Sub Notes – Series 2022-A so surrendered.

For this purpose, the Trustee may make, and from time to time amend, regulations with respect to the manner in which the TCPL Sub Notes – Series 2022-A may be so selected and regulations so made shall be valid and binding upon all Holders, notwithstanding the fact that, as a result thereof, one or more of such TCPL Sub Notes – Series 2022-A become subject to purchase in part only. The Holder of any TCPL Sub Notes – Series 2022-A of which a part only is purchased, upon surrender of such TCPL Sub Notes – Series 2022-A for payment, shall be entitled to receive, without expense to such Holder, one or more new TCPL Sub Notes – Series 2022-A for the unpurchased part so surrendered and the Trustee shall certify and deliver such new TCPL Sub Notes – Series 2022-A upon receipt of the TCPL Sub Notes – Series 2022-A so surrendered.
