Information Statement Pursuant To Section 14(F) Of The
Securities Exchange Act Of 1934 And
Securities And Exchange Commission Rule 14f-1

Notice of Change in the
Majority of the Board of Directors

January 14, 2013

NO VOTE OR OTHER ACTION BY THE COMPANY'S STOCKHOLDERS IS REQUIRED IN RESPONSE TO THIS INFORMATION STATEMENT. PROXIES ARE NOT BEING SOLICITED.

THIS INFORMATION STATEMENT IS BEING PROVIDED SOLELY FOR INFORMATIONAL PURPOSES AND NOT IN CONNECTION WITH ANY VOTE OF THE STOCKHOLDERS OF FITS MY STYLE INC.

INTRODUCTION

This Information Statement is being furnished to all holders of record of common stock, par value \$0.001, of AntriaBio, Inc a Delaware corporation (formerly known as Fits My Style Inc., a Nevada corporation) (the "**Company**"), pursuant to the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and Rule 14f-1 promulgated thereunder, in connection with the proposed transactions contemplated by a share exchange and reorganization agreement (the "**Share Exchange And Reorganization Agreement**"), by and among the Company, AntriaBio Delaware, Inc., a Delaware corporation ("**AntriaBio Delaware**") and the beneficial stockholders of AntriaBio Delaware (the "**AntriaBio Delaware Stockholders**") pursuant to which we will issue and deliver shares of our common stock to the AntriaBio Delaware Stockholders in exchange for 100% of the issued and outstanding shares of common stock of AntriaBio Delaware (the "**Reverse Merger**"), resulting in AntriaBio Delaware becoming a wholly-owned subsidiary of the Company and resulting in a change in control of the Company and our board of directors (the "**Board**"). In this Information Statement, the terms (i) "**we**", "**us**", "**our**" "**AntriaBio**" or the "**Company**" refers to AntriaBio, Inc. (formerly Fits My Style Inc.), and (ii) "**AntriaBio Delaware**" refers to AntriaBio Delaware, Inc.

Pursuant to the terms of the Share Exchange and Reorganization Agreement and upon the consummation of the Reverse Merger: (i) we will assume the operations of AntriaBio Delaware will become a wholly-owned subsidiary of the Company; (ii) the outstanding shares of our common stock held by Tungsten 74 LLC will be delivered to us for cancellation; and (iii) the outstanding shares of AntriaBio Delaware common stock will be exchanged for an aggregate of 35,284,000 shares of our common stock. We expect that following the effective time of the Reverse Merger, giving effect to the aforementioned cancellation, security holders of AntriaBio Delaware will own approximately 88.2% of our outstanding common stock.

In connection with the Reverse Merger, our Board composition will change. The Board currently consists of our sole director, Nikolay Kukekov. Following the effective time of the Reverse Merger, the Board will add three additional directors to the Board. Dr. Kukekov will continue to serve on our Board but he will resign as our Chief Executive Officer. The three new directors of the Board will be Steve Howe, Nevan Elam and Hoyoung Huh. Our Board will appoint: (i) Mr. Nevan Elam to serve as our President and Chief Executive Officer; and (ii) Dr. Sankaram Mantripragada to serve as our Chief Scientific Officer.

No action is required by our stockholders in connection with this Information Statement. However, Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder require the mailing of the information in this Information Statement to our stockholders of record at least ten (10) days prior to the date of a change in a majority of our directors, if such change is not effected at a meeting of our stockholders. We are electing to treat this transaction as a change of control. Accordingly, the resulting change of our directors will not occur until at least ten (10) days following the mailing of this Information Statement. This Information Statement will be available to our stockholders of record at January 15, 2013, on or about the date first shown above. The approval of our stockholders is not required because, (i) the Reverse Merger will be structured as a share exchange under Delaware law, (ii) the Company's Certificate of Incorporation permits the Company to issue up to 200,000,000 shares of common stock, and (iii) our Board has the requisite authority to issue shares of our common stock to the AntriaBio Delaware Stockholders.

Please read this Information Statement carefully. It contains certain biographical and other information concerning our executive officers and directors after the completion of the Reverse Merger.

CHANGE OF CONTROL

Following the effective time of the Reverse Merger, the Company will experience a change in control of the Company. The Reverse Merger and related transactions will have the following consequences:

- AntriaBio Delaware will become a wholly-owned subsidiary of the Company;
- We will keep our current director and add three new directors; and
- We will take steps to change our securities regulatory status from a "shell company" to an operating company since we will have assets and operations.

As a result of the Reverse Merger, AntriaBio Delaware Stockholders will become stockholders of the Company. Immediately following the effective time of the Reverse Merger, we expect that the AntriaBio Delaware Stockholders will own approximately 88.2% of the shares of our issued and outstanding common stock.

We anticipate that the transaction of issuing the securities to AntriaBio Delaware Stockholders will be exempt from registration in part based on our reliance upon an exemption from registration pursuant to Section 4(2) under the Securities Act of 1933, as amended (the "Securities Act"), and/or Rule 506 promulgated thereunder.

The completion of the Reverse Merger and the other transactions contemplated under the Share Exchange and Reorganization Agreement is subject to the satisfaction of certain conditions. Nonetheless, unforeseen matters may arise and there can be no assurance that the Reverse Merger will be completed.

VOTING SECURITIES

Our common stock is our only class of equity securities that is entitled to vote at a meeting of our stockholders. Each share of our common stock entitles the holders thereof to one vote. As of January 14, 2013, there were 24,606,000 shares of our common stock issued and outstanding. The intended change of the composition of our Board in connection with the Reverse Merger is not subject to a stockholder vote.

DIRECTORS AND EXECUTIVE OFFICERS

Following the effective time of the Reverse Merger, the Board will add three additional directors to the Board. Dr. Kukekov will continue to serve on our Board, but will resign as our Chief Executive Officer. The three new directors will be Steve Howe, Nevan Elam and Hoyoung Huh. Our Board will appoint: (i) Mr. Nevan Elam to serve as our President and Chief Executive Officer; and (ii) Dr. Sankaram Mantripragada to serve as our Chief Scientific Officer.

The following discussion sets forth the information regarding our current executive officers and directors and our proposed executive officers and directors after completing the transactions contemplated by the Reverse Merger. If any proposed director listed in the table should become unavailable for any reason, which we do not anticipate, our Board will appoint any substitute nominee or nominees as the Board in its sole discretion deems necessary.

Current Executive Officers and Directors

The following table sets forth certain information regarding our current directors and executive officers:

Name	Age	Position
Nickolay Kukekov, Ph.D	39	Chief Executive Officer and Director

Our executive officers and directors are elected annually for a one year term or until their respective successors are duly elected and qualified or until their earlier resignation or removal.

Nickolay Kukekov, Ph.D. The biography for Dr. Kukekov appears above under "Current Executive Officers and Directors."

There are no family relationships among any of our officers or directors.

Certain Legal Proceedings Involving Directors or Executive Officers

To our knowledge, other than Mr. Howe, none of our officers (existing or proposed) or our directors (existing or proposed) have, during the last ten years:

- been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
- had any bankruptcy petition filed by or against the business or property of the person, or of any partnership, corporation or business association of which he was a general partner or executive officer, either at the time of the bankruptcy filing or within two years prior to that time;
- been subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction or federal or state authority, permanently or temporarily enjoining, barring, suspending or otherwise limiting, his involvement in any type of business, securities, futures, commodities, investment, banking, savings and loan, or insurance activities, or to be associated with persons engaged in any such activity;

- been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

PR Pharmaceuticals Inc. Bankruptcy

On November 14, 2008, PR Pharmaceuticals Inc. filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Bankruptcy Code. Mr. Howe served as the chief executive officer of PR Pharmaceuticals Inc. during the time the bankruptcy petition was filed.

CORPORATE GOVERNANCE

Director Independence

Because our common stock is not currently listed on a national securities exchange, we have used the definition of “independence” of The NASDAQ Stock Market to determine whether our current director is independent. The Board has determined that Dr. Kukekov does not qualify as “independent” in accordance with the published listing requirements of The NASDAQ Stock Market and for purposes of Section 16 of the Exchange Act because he currently serves as our Chief Executive Officer. NASDAQ Listing Rule 5605(a)(2) provides that an “independent director” is a person other than an officer or employee of the Company or any other individual having a relationship which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The NASDAQ listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the Company;
- the director or a family member of the director accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the Company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the Company made, or from which the Company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the Company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the Company’s outside auditor, or at any time during the past three years was a partner or employee of the Company’s outside auditor, and who worked on the company’s audit.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Act, requires our executive officers and directors and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial

statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of our common shares and other equity securities, on Forms 3, 4 and 5, respectively. Executive officers, directors and greater than 10% stockholders are required by the SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based on our review of the copies of such forms received by us, and to the best of our knowledge, other than Tungsten, all executive officers, directors and greater than 10% stockholders filed the required reports in a timely manner.

Board Meetings

The Board transacted business by unanimous written consent of all of the directors during the year ended June 30, 2012. Such actions by the written consent of all directors are, according to Nevada and Delaware corporate law and our Bylaws, valid and effective as if they had been passed at a meeting of the directors duly called and held.

Committees of the Board

Because our Board consists of only one member, Nickolay Kukekov, we do not have a standing nominating, compensation or audit committee. Rather, our full Board performs the functions of these committees. Also, we do not have a financial expert on our Board as that term is defined by Item 407 (d)(5)(ii) of Regulation S-K. We do not believe it is necessary for our Board to appoint such committees because the volume of matters that come before our Board for consideration permits the directors to give sufficient time and attention to such matters to be involved in all decision making. Additionally, because our common stock is not listed for trading or quotation on a national securities exchange, we are not required to have such committees. Because our director is also an officer of the Company, he is not independent. Our Board has not adopted audit committee, compensation or nominating committee charters.

Compensation Committee

Given the small size of our Board, the Board has determined that it is appropriate for the entire board to act as the compensation committee. Historically, the Company has never used a compensation consultant. Executive officer and director compensation has been established following negotiations between the executive officers and other members of the Board, within the limits imposed by our financial circumstances.

Compensation Committee Interlocks and Insider Participation

No member of the Board or executive officer of the Company has served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the our Board.

Board Leadership Structure and Role in Risk Oversight

Our Board recognizes that the leadership structure and combination or separation of the chief executive officer and chairman roles is driven by the needs of the Company at any point in time. Currently, Dr. Kukekov serves as the chairman of our Board and Chief Executive Officer. We have no policy requiring the combination or separation of leadership roles and our governing documents do not mandate a particular structure. This has allowed, and will continue to allow, our Board the flexibility to establish the most appropriate structure for our company at any given time.

Immediately following the completion of the Reverse Merger, the size of our management team will be increased in order to manage our expanded operations, risks and resources. It is anticipated that Mr. Howe will serve as the Chairman of the Board and Mr. Elam will serve as our President and Chief Executive Officer.

Our current directors are involved in the general oversight of risks that could affect our Company and the proposed directors will continue to evaluate our leadership structure and modify such structure as appropriate based on our size, resources and operations.

Stockholder Communication

Stockholders may communicate with any and all members of the Board by mailing correspondence to:

AntriaBio, Inc.
 Attn: Chief Executive Officer
 305 W 50 Street, Apt 25A,
 New York, NY 10019

Stockholders should clearly specify in each communication the name of the director to whom the communication is directed and that the communication is from a stockholder.

EXECUTIVE COMPENSATION

We have no fulltime employees, including our executive officers. Our business is currently very small and does not require the services of full-time persons to executive our corporate strategies. Engaging professional consultants under part-time contracts allows us to conserve our limited cash resources while applying appropriate resources to technical and executive tasks. Our executives have been engaged and compensated as independent contractors to provide services similar to those provided by them to other companies. As we are successful in our growth strategies, our employment practices will change to more traditional employer/employee relationships as appropriate.

Summary Compensation Table

The following table shows the particulars of compensation paid to our current Chief Executive Officer, our former President and Treasurer and our former Secretary during the period of June 30, 2011 to June 30, 2012.

During August 2010, Mr. Bar was issued 490,000 shares of our common stock in consideration for the assignment of all of his rights in what is known as the Fits My Style products and invention. The shares were valued at \$0.05 per share. Mr. Bar sold his shares of our common stock in a transaction on September 4, 2012, whereby Mr. Bar and other holders of our common stock sold 3,315,000 shares of our issued and outstanding common stock to Tungsten 74 LLC, a Delaware limited liability company.
