PROXY STATEMENT

INTRODUCTION

The Board of Directors is soliciting proxies to be used at the 2012 Annual Meeting of Stockholders of Mace Security International, Inc. (“Mace” or the “Company”) to be held on Thursday, June 21, 2012 at 10:00 AM, Eastern Time, at the Hilton Cleveland East/Beachwood Hotel, 3663 Park East Drive, Beachwood, Ohio 44122. Mace will begin mailing this proxy statement and the enclosed proxy card on or about May 23, 2012 to its stockholders entitled to vote at the Annual Meeting.

The Board of Directors is soliciting your proxy to vote on the proposals at the Annual Meeting and to obtain your support for the proposals. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card, by revoking your original proxy card.**

About these Proxy Materials

The Proxy Card The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting. They will vote your shares of Mace common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy, and for which the Company did not receive notice of at least 45 days before this proxy solicitation, they will vote your shares as they deem appropriate.

This Proxy Statement This proxy statement contains important information for you to consider when deciding how to vote on the proposals. Please read it carefully. It is divided into six sections following this Introduction:

Mace will not reimburse any other person or entity for the cost of preparing its own proxy materials or soliciting proxies for any matter. Mace’s directors, officers and employees may solicit proxies, but will receive no special compensation for any solicitation activities. Proxies may be solicited by mail, in person, by telephone, facsimile or by other means. Mace will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of Mace common stock.

About the Annual Meeting

When And Where Mace will hold the Annual Meeting on Thursday, June 21, 2012, at 10:00 AM, Eastern Time, at the Hilton Cleveland East/Beachwood Hotel, 3663 Park East Drive, Beachwood, Ohio 44122.

Record Date The Board has fixed the close of business on May 18, 2012 as the record date for the Annual Meeting. All stockholders of record at that time are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement Mace's Bylaws require that one-third of the outstanding shares of Mace common stock must be represented at the Annual Meeting, whether in person or by proxy, to constitute a quorum, in order to transact business at the Annual Meeting. Abstentions and broker non-votes will be counted in determining whether there is a quorum at the Annual Meeting.

The Proposals Stockholders will vote on the following proposals at the Annual Meeting:

- election of five directors;
- approval and adoption of the Company's 2012 Stock Incentive Plan; and
- ratification of the appointment of Grant Thornton LLP as Mace's independent registered public accounting firm for fiscal year 2012.

Other Matters There were no stockholder proposals submitted for the Annual Meeting for inclusion in this proxy statement. Neither Mace nor its Board intends to bring any other matter before the Annual Meeting. If other matters requiring the vote of the stockholders properly come before the Annual Meeting, which were omitted from this proxy statement pursuant to Rule 14a-8 or 14a-9 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or which the Board did not know would be presented at least 45 days before this solicitation, the persons named in the enclosed proxy card will have discretionary authority to vote the proxies held by them with respect to such matters in accordance with their best judgment on such matters.

Presence of Independent Registered Public Accountants Representatives of Grant Thornton LLP, Mace's independent registered public accounting firm, will be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting, if they choose, and they are expected to be available to respond to appropriate stockholder questions.

The Stockholders As of the record date of May 18, 2012, there were 58,946,441 shares of Mace common stock issued and outstanding. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder, for any purpose relating to the Annual Meeting, for ten days prior to the meeting during ordinary business hours at Mace's headquarters located at 240 Gibraltar Road, Suite 220, Horsham, Pennsylvania 19044.

Voting at the Annual Meeting

You are entitled to one vote for each share of Mace common stock that you owned of record at the close of business on May 18, 2012. The presence, in person or by proxy, of the holders of one-third of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions are counted as "shares present" at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote "against" any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called "broker non-votes") are considered "shares present" at the meeting for purposes of determining whether a quorum exists. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote "against" that matter.

Table of Contents

The five nominees for director receiving the highest number of affirmative votes shall be elected as directors. Stockholders do not have the right to cumulate their votes in the election of directors. The other proposals require the approval of a majority of all shares of Mace common stock entitled to vote for such proposal that are represented at the Annual Meeting in person or by proxy.

How To Vote Your Shares

You may vote in one of two ways:

- return your completed, signed and dated proxy card before the Annual Meeting; or
- cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your broker if you hold your shares in street name).

Voting By Proxy The proxy card has simple instructions. By returning a completed proxy card before the Annual Meeting, you will direct the appointed persons (known as “proxies”) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien and Steven J. Rolle will serve as proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, the proxies will vote your shares **for** the election of the nominated directors, **for** approval and adoption of the Company’ s 2012 Stock Incentive Plan and **for** the ratification of the appointment of Grant Thornton LLP as Mace’ s independent registered public accounting firm for fiscal year 2012. If any nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares **for** any substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares in their discretion on such matters.

How To Revoke Your Proxy You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

- notifying Mace’ s Secretary in writing (notice to be sent to Mace’ s executive offices, the address for which is located on the first page of this proxy statement);
- submitting another proxy card with a later date; or
- attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Only the record owner of your shares can vote your shares or revoke a proxy the record owner has given. If your shares are held in street name, you will not be able to revoke the proxy given by the street name holder.

Proposal 2. Approval and Adoption of 2012 Stock Incentive Plan

Approval and adoption of the Board of Director's proposed 2012 Stock Incentive Plan.
--

The Board of Directors believes that a stock incentive plan enhances the ability of the Company to attract and retain officers and other employees and directors, and to motivate them to exercise their best efforts on behalf of the Company or any subsidiary or parent of the Company (a "Related Corporation").

A copy of the 2012 Stock Incentive Plan is attached as Appendix A to this Notice of Annual Meeting of Stockholders. The following description of the 2012 Stock Incentive Plan is intended merely as a summary of its principal features and is qualified in its entirety by references to the full text of the 2012 Stock Incentive Plan. The Plan will not go into effect if it is not approved by the stockholders at the Annual Meeting.

Background on Stock Compensation. The use of stock options has long been a vital component of the Company's overall compensation philosophy, which is premised on the principle that any long-term pay-for-performance compensation should be closely aligned with stockholders' interests. Over the years, we believe that we have been very successful in achieving this objective through the use of stock options. The 2012 Stock Incentive Plan gives the Company the ability to continue to grant options and to also grant restricted stock. Stock options and restricted stock align employees' interests directly with those of other stockholders, because an increase in stock price after the date of the award is necessary for eligible employees to realize any value, thus rewarding employees only upon improved stock price performance.

We also believe that stock options and restricted stock, are very effective in enabling us to attract and retain the talent critical for a growth-focused company. The Company's general compensation philosophy is that total cash compensation should vary with the

Company' s performance in achieving financial and nonfinancial objectives, and that any long-term incentive compensation should be closely aligned with stockholder interests.

[Table of Contents](#)

Without stock options and restricted stock, the Company would be forced to consider cash replacement alternatives to provide a market-competitive total compensation package necessary to attract, retain and motivate the employee talent necessary for the continued success of the Company. These cash replacement alternatives would then reduce the cash available for investment in the growth of our business. We intend to use stock options and restricted stock as our primary means of providing equity compensation to key individuals. Although the 2012 Stock Incentive Plan does provide the flexibility to use additional forms of equity compensation, we expect to use nonqualified stock options and various forms of restricted stock as the primary forms of equity compensation. We strongly believe that our equity compensation program will be integral to our future growth. Therefore, we consider approval of the 2012 Stock Incentive Plan vital to the future success of the Company.

Purpose of the 2012 Stock Incentive Plan. The 2012 Stock Incentive Plan will allow the Company, under the direction of the Compensation Committee, to make grants of stock options, restricted stock, and performance-based stock awards (any of which may or may not require the satisfaction of performance objectives) to key employees and directors of the Company and our affiliates who, in the opinion of the Compensation Committee, are in a position to make a significant contribution to the success of the Company or our affiliates. The purpose of these awards is to attract and retain key individuals, further align employee and stockholder interests, and to closely link compensation with Company performance. The 2012 Stock Incentive Plan will provide an essential component of the total compensation package, reflecting the importance that the Company places on aligning the interests of key individuals with those of our stockholders.

Number of Shares. The maximum number of shares of Common Stock that shall be available for grant of awards (the "Awards") under the 2012 Stock Incentive Plan shall be 15,000,000 shares of Common Stock. The forgoing limit is subject to adjustment to reflect stock dividends, stock splits, share combinations, and similar changes in the capitalization of the Company. The shares issued under the 2012 Stock Incentive Plan may be authorized but unissued shares or reacquired shares, and the Company may purchase shares required for this purpose, from time to time, if it deems such purchase to be advisable.

Shares Authorized as a Percent of Outstanding Common Stock. The maximum number of shares of Common Stock available for the grant of awards over the ten year term of the 2012 Stock Incentive Plan is approximately 25% of the outstanding common stock as of May 18, 2012.

Award Types. Under the 2012 Stock Incentive Plan the following type of Awards may be granted:

- Non-qualified and incentive stock options (five year term maximum);
- Restricted Stock; and
- Performance awards.

Administration. The 2012 Stock Incentive Plan will be administered by the Company's Compensation Committee, which consists of not fewer than two directors of the Company's Board of Directors who are designated by the entire Board of Directors. Under the 2012 Stock Incentive Plan, the Compensation Committee will have the authority to (i) select employees, directors and natural persons who provide the Company with services (the "Participants") to be granted incentive stock options, within the meaning of Section 422 of the Internal Revenue Code (the "Code"), and/or non-qualified stock options, (ii) grant options on behalf of the Company, and (iii) set the date of grant and other terms of the options, including the times at which options shall be granted. The Compensation Committee may, in its discretion, accelerate the date on which an option may be exercised.

Eligibility. Directors and employees of the Company or a Related Corporation and natural persons that have provided bona fide services to the Company or a Related Corporation are eligible to receive Awards under the 2012 Stock Incentive Plan. As of the date of this Notice of Annual Meeting of Stockholders, there are approximately 170 employees and four non-employee directors of the Company and Related Corporations eligible to receive Awards under the 2012 Stock Incentive Plan.

Option Awards - Vesting, and Exercise of Stock Options. The Compensation Committee will determine the time at which an option will vest and become exercisable. The exercise price of a stock option granted under the 2012 Stock Incentive Plan shall not be less than fair market value of the Common Stock on the date of grant. For as long as the

[Table of Contents](#)

Common Stock is quoted on the OTCQB, the fair market value is the average of the closing bid and asked prices for a share on the day the Award is granted. No option shall be exercisable later than five years after the date of grant. The exercise price of an option may be payable in cash, or, at the discretion of the Compensation Committee, with previously acquired non-forfeitable, unrestricted shares of Common Stock that have been held by the participant for at least six months and have an aggregate fair market value at the time of exercise equal to the total exercise price, or a combination of such shares and cash.

Restricted Stock. The Compensation Committee will determine the terms, conditions, and restrictions on restricted stock, including, without limitation, terms relating to vesting, purchase price, if any, and matching shares. Subject to the terms and conditions of the award agreement, a participant holding restricted stock will have the right to receive dividends on the shares of restricted stock during the restricted period, to vote the restricted stock and enjoy all other shareholder rights with respect to such shares.

Performance-Based Stock Awards. Each award agreement for a performance award will set forth, among other things (i) the amount a participant may earn in the form of cash or shares of Common Stock, (ii) the performance criteria and level of achievement versus such criteria that will determine the amount payable or number of shares of Common Stock to be granted, issued, retained and/or vested, (iii) the performance period over which performance is to be measured, (iv) the timing of any payments to be made, and (v) restrictions on the transferability of the award. The performance measure(s) to be used for purposes of performance awards may be described in terms of objectives that are related to the individual participant or objectives that are Company-wide or related to a subsidiary, division, department, region, function or business unit of the Company in which the participant is employed.

Award Agreement; Restriction on Transferability. All Awards will be evidenced by a written agreement which will contain provisions that are consistent with the 2012 Stock Incentive Plan and such other provisions as the Compensation Committee deems appropriate. No Award granted under the 2012 Stock Incentive Plan may be assigned or transferred, except by will or the laws of descent and distribution.

Amendments to Awards and the 2012 Stock Incentive Plan; Discontinuance of the 2012 Stock Incentive Plan. Subject to the provisions of the 2012 Stock Incentive Plan, the Compensation Committee may not amend an Award once granted without the Participant's consent. The Board may terminate, amend, or suspend the 2012 Plan, provided that no action may be taken by the Board without shareholder approval to: (i) increase the number of shares that may be issued under the 2012 Plan; or (ii) change the designation or class of persons eligible to receive awards; or (iii) make any other change requiring approval to comply with applicable law.

Adjustments. In the event of a stock dividend, recapitalization, stock split, subdivision or consolidation of the Company's Common Stock, or any similar event affecting the Company's Common Stock, the Compensation Committee shall adjust the number and kind of shares available for grant under the 2012 Stock Incentive Plan and the exercise price or settlement price of Awards that have been granted.

New Awards to be issued under the 2012 Stock Incentive Plan. The Awards to be made under the 2012 Stock Incentive Plan have not as of the date of this Proxy Statement been decided upon, or allocated among eligible participants and are not determinable.

Withholding Taxes. All applicable withholding taxes will be deducted from any payment made under the 2012 Stock Incentive Plan. Payment of withholding taxes may be made by withholding shares of Common Stock from any payment of Common Stock due or by the delivery of previously acquired shares of Common Stock, in either case having an aggregate fair market value equal to the amount of the required withholding taxes. No payment will be made and no shares of Common Stock will be issued pursuant to any award made under the 2012 Stock Incentive Plan until the applicable tax withholding obligations have been satisfied.

Eligibility Under Section 162(m). The Compensation Committee will establish the criteria under which a performance award made pursuant to the 2012 Plan shall satisfy Section 162(m) of the Tax Code. To the extent that awards are intended to qualify as "performance-based compensation" under Section 162(m), the performance criteria will be established in writing by the Compensation Committee based on one or more, or any combination, of the following performance goals:

Table of Contents

Earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis)	One or more operating ratios
Return on equity	Stock price
Return on assets	Stockholder return
Revenues or sales	Cash flow
Expenses or expense levels	Net borrowing, debt leverage levels, credit quality or debt ratings
Capital expenditures	Net asset value per share
Economic value added mergers, acquisitions, public offerings, or similar extraordinary business transactions	Market Share
	Inventory levels

The maximum amount that may be paid in cash pursuant to performance awards granted to a participant in any one fiscal year will be structured to satisfy the Section 162(m) requirements. If an award provides for a performance period longer than one fiscal year, the limit will be multiplied by the number of full fiscal years in the performance period. The Compensation Committee may reduce, but not increase, the amount payable and the number of shares to be granted, issued, retained or vested pursuant to a performance award.

U.S. Tax Consequences. Stock option grants under the 2012 Stock Incentive Plan may be intended to qualify as incentive stock options under Section 422 of the Code or may be non-qualified stock options governed by Section 83 of the Code. Generally, no federal income tax is payable by a Participant upon the grant of a stock option and no deduction is taken by the Company. Under current tax laws, if a Participant exercises a non-qualified stock option, he or she will have taxable income equal to the difference between the market price of the Common Stock on the exercise date and the stock option grant price. The Company will be entitled to a corresponding deduction on its income tax return. A participant will have no taxable income upon exercising an incentive stock option (except that alternative minimum tax may apply), and the Company will receive no deduction when an incentive stock option is exercised. The treatment for a Participant of a disposition of shares acquired through the exercise of an option depends on how long the shares were held and on whether the shares were acquired by exercising an incentive stock option or a non-qualified stock option. The Company may be entitled to a deduction in the case of a disposition of shares acquired under an incentive stock option before the applicable holding periods have been satisfied.

Restricted stock and restricted stock units are governed by Section 83 of the Code. Generally, no taxes are due when the award is initially made, but the award becomes taxable when it is no longer subject to a “substantial risk of forfeiture” (i.e., becomes vested or transferable). Income tax is paid on the value of the stock at ordinary rates when the restrictions lapse, and then at capital gain rates when the shares are sold.

Awards granted under the 2012 Stock Incentive Plan may qualify as “performance-based compensation” under Section 162(m) of the Code in order to preserve federal income tax deductions by the Company with respect to annual compensation required to be taken into account under Section 162(m) that is in excess of \$1 million and paid to the Chief Executive Officer or one of the Company’s four most highly compensated executive officers. To so qualify, options and other awards must be granted under the 2012 Plan by a committee consisting solely of two or more “outside directors” (as defined under Section 162 regulations). In addition, for awards other than options to qualify, the grant, or vesting of the award must be contingent upon satisfying one or more of the performance criteria, as established by a committee consisting solely of two or more “outside directors” pursuant to the requirements of Section 162(m) of the Code and the Section 162 regulations.

The forgoing does not purport to be a complete summary of the effect of federal income taxation upon holders of Awards or upon the Company. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which a Participant may reside.

The Board of Directors recommends that you vote FOR the approval and adoption of the 2012 Stock Incentive Plan.

Mr. Krzemien's current annual base salary is \$230,000, plus a \$700 per month car allowance. The Krzemien Agreement also provided Mr. Krzemien with an option grant to purchase 50,000 shares of common stock on April 7, 2010 under the Company's Stock Option Plan at an exercise price of \$0.93, the market price of the Company's common stock on the date of the option grant. The option vests in three equal annual installments on the anniversary dates of the Krzemien Agreement. Under the Krzemien Agreement, Mr. Krzemien is not entitled to any change of control payment, but is entitled to a severance payment equal to six months of his base salary if he is terminated without "Good Cause," as defined in the Krzemien Agreement. Mr. Krzemien is also entitled to the six month severance payment if he resigns due to the Company materially changing his duties as Chief Financial Officer, relocating his office more than 25 miles from its present location or reducing his annual base salary. As defined, "Good Cause" to terminate Mr. Krzemien without a severance payment generally exists if Mr. Krzemien fails to perform his duties and does not cure such failure within thirty days of being notified of the failure, or commits certain other enumerated actions which harm the Company.

ADDITIONAL INFORMATION

Certain Relationships and Related Party Transactions

The Company's Security Segment leases manufacturing and office space in Bennington, Vermont under a lease between Vermont Mill and the Company. The lease expired on May 14, 2012 and is being extended on a month-to-month basis while a new one year lease is being finalized with Vermont Mill. Vermont Mill is controlled by Jon E. Goodrich, a former director and employee of the Company. Mr. Goodrich's employment with the Company ended on September 30, 2011. Rent expense under this lease was \$33,945 for each of the three months ended March 31, 2012 and 2011, respectively, and \$135,780 and \$129,857 for the years ended December 31, 2011 and 2010, respectively.

The Company borrowed \$1.35 million from Merlin Partners, LP ("Merlin") on December 28, 2010. Merlin is a fund managed by Ancora Advisors, LLC, an entity within the Ancora Group. Richard A. Barone, Chairman of the Company's Board of Directors, is the Chairman and controlling person of the Ancora Group. Denis J. Amato, a Company Director, is the Chief Investment Officer of Ancora Advisors, LLC. The loan, which had an original maturity date of March 28, 2011, was extended to August 15, 2011. The loan was payable in two installments of \$675,000, with each installment payable upon the closing of each of two car washes that were under agreements of sale at December 31, 2010. The Company made payments of \$675,000 to Merlin on March 8, 2011, upon the sale of the Lubbock, Texas car wash, and on August 8, 2011, upon completion of the Company's Rights Offering. The loan's interest rate was 12% per annum and was secured by a second lien on a Dallas, Texas area car wash, a Lubbock, Texas car wash and a security interest in the tradename "Mace." As part of the consideration for the financing, Merlin was granted a Common Stock Purchase Warrant to purchase up to 314,715 shares of the Company's common stock at an exercise price of \$0.20 per share, expiring December 28, 2015. The warrant contains anti-dilution provisions providing that Merlin will receive additional warrants exercisable into 2% of any common stock of the Company issued by the Company through December 28, 2011. On August 2, 2011, after the conclusion of the Company's Rights Offering, a warrant for 847,452 shares was issued to Merlin under the anti-dilution provision. The exercise price of the original warrant and the newly issued warrant were subject to being adjusted lower, if necessary, to equal the stock issuance price of any stock issued through December 28, 2011 at a price below \$0.20. The initial warrants were accounted for at a Black-Scholes fair value of the warrant of \$63,274 and recorded as a discount to the \$1.35 million Merlin loan and as additional paid-in capital. The discount was charged to interest expense over the original three month maturity period of the loan with an offsetting credit to the loan balance.

Ancora Securities, Inc. ("Ancora") was the Placement Agent and Dealer Manager of the Rights Offering pursuant to the Placement Agent and Dealer Manager Agreement dated March 25, 2011 executed between Ancora and the Company. Ancora was not paid a fee for acting as Placement Agent and Dealer Manger. Ancora also provides investment advisory and brokerage services to the Company, assisting in the purchasing and trading of its short-term investments. Ancora is not paid a fee or commission for these services. Richard A. Barone, Chairman of the Company's Board of Directors, is a controlling owner of Ancora. Denis J. Amato, a director of the Company, is the Chief Investment Officer of Ancora and a large shareholder.

On March 30, 2011, the Company borrowed \$1.4 million with an interest rate of 6% per annum from Merlin to fund the acquisition of TCCI, a wholesale security monitoring company. The loan is secured by a security interest in the "Mace" tradename, a pledge of the stock of the Mace CSSS, Inc., the Company's wholesale monitoring subsidiary, and a security interest in the assets of Mace CSSS, Inc. The loan was originally due March 30, 2013. The terms of the loan provided that the loan maturity date would be extended to March 30, 2016, if Merlin elected not to call the loan after the completion of the Company's Rights Offering. Merlin did not exercise its right to call the loan by March 27, 2012 (the date required), and accordingly, the maturity date of the loan was extended to March 30, 2016. Merlin has the right to convert the loan into common stock through March 30, 2016. The conversion right is at a per share price of \$0.21 (calculated based on the ten day average closing sales price of the

Table of Contents

common stock, starting with September 14, 2011, the trading day which is 30 trading days after the completion of the Company's Rights Offering, plus forty trading days). In accordance with ASC 815, "Derivatives and Hedging," the Company determined that the conversion feature of the Debenture met the criteria of an embedded derivative, and therefore the conversion feature of this Debenture needed to be bifurcated and accounted for as a derivative. The conversion option is marked-to-market each reporting period, with future changes in fair value reported in earnings. The fair value of the embedded conversion was estimated at \$590,000 at the date of issuance of the debenture and each subsequent quarter using the Monte Carlo model with the following assumptions: risk free interest rate: 0.16%; expected life of the option to convert of 4.7 years; and volatility: 48%. The fair value of the conversion option was estimated at \$516,000 at September 30, 2011 using the Black-Scholes valuation model. Accordingly, for the three and nine months ended September 30, 2011, the Company recorded a gain on valuation of derivative of \$74,000 to reflect the reduction in the market value of the derivative. Additionally, when the debenture conversion price and number of conversion shares to be issued upon a conversion became known, the initial bifurcated derivative no longer met the criteria to be recorded as a derivative liability. Accordingly, the \$516,000 conversion option at September 30, 2011, was reclassified from a liability to stockholder's equity as additional paid-in-capital and as a discount to the \$1.4 million Merlin loan. The conversion option is being accreted as a charge to interest expense over a 60 month period with an offsetting credit to the loan balance.

As compensation for the \$1.4 million loan, Merlin received a five year warrant exercisable into 157,357 shares of common stock at an exercise price of \$0.20 per share. The warrant contains an anti-dilution provision that provides that the Company will issue Merlin a warrant equal to 1% percent of any shares issued by the Company for one year after the date the warrant was issued. Any new warrant issued will be exercisable at \$0.20 cents per share. On August 2, 2011, after the completion of the Company's Rights Offering, a warrant for 423,726 shares was issued to Merlin under the anti-dilution provision. The conversion features of the loan and the warrant may result in additional dilution to stockholders. The initial warrants were accounted for at a Black-Scholes fair value of the warrant of \$47,420 recorded as a discount to the \$1.4 million Merlin loan and as additional paid-in capital. The discount is being accreted as a charge to interest expense over the initial 24 month maturity period of the loan with an offsetting credit to the loan balance.

The Rights Offering was completed on August 1, 2011. A total of 22,372,616 shares of common stock were purchased in the Rights Offering. Of the 22,372,616 shares of common stock purchased, 16,305,144 were purchased under the basic subscription right and 6,067,472 were purchased through the oversubscription privilege. Net proceeds from the Rights Offering were approximately \$4.3 million after expenses of approximately \$167,000. The Rights Offering was made pursuant to a Registration Statement filed with the Securities and Exchange Commission (the "SEC"), as declared effective June 29, 2011 (the "Registration Statement"), and under a Prospectus dated June 30, 2011 (the "Prospectus"). The Rights Offering granted the Company's stockholders the right to purchase three shares of common stock for each share of common stock owned on the record date of June 27, 2011 at an exercise price of \$0.20 per share. The 22,372,616 shares issued under the Rights Offering were registered under the Securities Act. Additionally, shares registered in the Registration Statement but not sold in the Rights Offering ("Available Stock") were offered for sale by the Company during the period commencing on August 2, 2011, and concluding on August 15, 2011. The Company sold 838,100 shares of the offered Available Stock generating additional proceeds of \$167,620.

Additionally, on August 2, 2011, Merlin and two assignees, Mr. Fedeli and Mr. Spitalieri (the "Purchasers"), purchased 20 million shares of the Company's common stock at a price of \$0.20 per share (the "Additional Stock"). The sale of Additional Stock resulted in net proceeds to the Company of \$3.75 million. The Purchasers of the Additional Stock were paid a fee of \$250,000 in connection with the purchase under the Securities Purchase Agreement. The Additional Stock was registered for resale by the Purchasers of the Additional Stock under the Securities Act. Stockholders who wish to communicate with directors should do so by writing to the Company's Secretary, Gregory M. Krzemien, at the Company's offices at 240 Gibraltar Road, Suite 220, Horsham, Pennsylvania 19044. APPENDIX A

MACE SECURITY INTERNATIONAL, INC.

2012 STOCK INCENTIVE PLAN

ARTICLE I. ESTABLISHMENT AND PURPOSE

1.1 Establishment and Purpose. Mace Security International, Inc. (“Mace” or the “Company”) hereby establishes the Mace Security International, Inc. 2012 Stock Incentive Plan (the “Plan”), as set forth in this document. The purpose of the Plan is to attract and retain highly qualified individuals and to align the interests of key individuals with those of the stockholders of the Company. Mace is committed to creating long-term stockholder value. Mace’s compensation philosophy is based on a belief that Mace can best create stockholder value, if key employees, directors, and certain others providing services to the Company are rewarded as business owners. Mace believes that an equity stake through stock incentives effectively aligns employee and stockholder interests by motivating and rewarding long-term performance that will enhance stockholder value.

1.2 Effectiveness and Term. This Plan shall become effective as of June 21, 2012, subject to its approval by the holders of at least a majority of the shares of Common Stock present or represented and entitled to vote at the 2012 annual meeting of the stockholders of Mace duly held in accordance with applicable law. The Committee shall have authority in its sole discretion with respect to all matters related to the discharge of its responsibilities and the exercise of its authority under the Plan, including without limitation its construction of the terms of the Plan and its determination of eligibility for participation in, and the terms of Awards granted under, the Plan. The decisions of the Committee and its actions with respect to the Plan shall be final, conclusive and binding on all persons having or claiming to have any right or interest in or under the Plan, including without limitation Participants and their respective Permitted Transferees, estates, beneficiaries and legal representatives. In the case of an Award intended to be eligible for the performance-based compensation exemption under Section 162(m) of the Code, the Committee shall exercise its discretion consistent with qualifying the Award for such exemption.

3.2 Liability; Indemnification. No member of the Committee, nor any person to whom it has delegated authority, shall be personally liable for any action, interpretation or determination made in good faith with respect to the Plan or Awards granted hereunder, and each member of the Committee (or delegatee of the Committee) shall be fully indemnified and protected by Mace with respect to any liability he may incur with respect to any such action, interpretation or determination, to the maximum extent permitted by applicable law.

ARTICLE IV. SHARES SUBJECT TO THE PLAN

4.1 Available Shares.

(a) Subject to adjustment as provided in Section 4.2, the maximum number of shares of Common Stock that shall be available for grant of Awards under the Plan shall be 15,000,000 shares of Common Stock.

(b) Shares of Common Stock issued pursuant to the Plan may be original issue or treasury shares or a combination of the foregoing, as the Committee, in its sole discretion, shall from time to time determine.

Table of Contents

4.2 Adjustments for Recapitalizations and Reorganizations.

(a) The shares with respect to which Awards may be granted under the Plan are shares of Common Stock as presently constituted, but if, and whenever, prior to the expiration or satisfaction of an Award theretofore granted, Mace shall effect a split, subdivision or consolidation of shares of Common Stock or the payment of a stock dividend on Common Stock in the form of Common Stock without receipt of consideration by Mace, the number of shares of Common Stock with respect to which such Award may thereafter be exercised or satisfied, as applicable, (i) in the event of an increase in the number of outstanding shares, shall be proportionately increased, and, if applicable, the exercise price per share shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares, shall be proportionately reduced, and, if applicable, the exercise price per share shall be proportionately increased.

(b) If Mace recapitalizes or otherwise changes its capital structure, thereafter upon any exercise, of an Award theretofore granted the Participant shall be entitled to purchase under such Award, in lieu of the number of shares of Common Stock then covered by such Award, the number and class of shares of stock or other securities to which the Participant would have been entitled pursuant to the terms of the recapitalization if, immediately prior to the recapitalization, the Participant had been the holder of record of the number of shares of Common Stock then covered by such Award.

(c) In the event of changes in the outstanding Common Stock by reason of a reorganization, merger, consolidation, combination, separation (including a spin-off or other distribution of stock or property), exchange, or other relevant change in capitalization occurring after the date of grant of any Award and not otherwise provided for by this Section 4.2, any outstanding Awards and any Award Agreements evidencing such Awards shall be subject to (i) adjustment by the Committee in its sole discretion as to the number, price and kind of shares or other consideration subject to, and other terms of, such Awards to reflect such changes in the outstanding Common Stock, or (ii) in the case of a Change of Control transaction, if approved by the Committee in its sole discretion, replacement with a comparable Award pursuant to Article X.

(d) In the event of any changes in the outstanding Common Stock provided for in this Section 4.2, the aggregate number of shares available for grant of Awards under the Plan may be equitably adjusted by the Committee, whose determination shall be conclusive.

4.3 Adjustments for Awards. The Committee shall have sole discretion to determine the manner in which shares of Common Stock available for grant of Awards under the Plan are counted. Without limiting the discretion of the Committee under this Section 4.3, unless otherwise determined by the Committee, the following rules shall apply for the purpose of determining the number of shares of Common Stock available for grant of Awards under the Plan:

(a) **Options and Restricted Stock.** The grant of Options or, Restricted Stock shall reduce the number of shares of Common Stock available for grant of Awards under the Plan by the number of shares of Common Stock subject to such an Award.

(b) **Cancellation, Forfeiture and Termination.** If any Award referred to in Sections 4.3(a) is canceled or forfeited, or terminates, expires or lapses, for any reason, the shares then subject to such Award shall again be available for grant of Awards under the Plan.

(c) **Payment of Exercise Price and Withholding Taxes.** If previously acquired shares of Common Stock are used to pay the exercise price of an Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered as payment of such exercise price. If previously acquired shares of Common Stock are used to pay withholding taxes payable upon exercise, or payment of an Award, or shares of Common Stock that would be acquired upon exercise, or payment of an Award are withheld to pay withholding taxes payable upon exercise, vesting or payment of such Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered or withheld as payment of such withholding taxes.

ARTICLE V. ELIGIBILITY

The Committee shall select Participants from those Employees, directors and other individuals providing services to the Company that, in the opinion of the Committee, are in a position to make a significant contribution to the success of the Company. Once a Participant has been selected for an Award by the Committee, the Committee shall determine the type and size of Award to be granted to

the Participant and shall establish in the related Award Agreement the terms, conditions, restrictions and limitations applicable to the Award, in addition to those set forth in the Plan and the administrative guidelines and regulations, if any, established by the Committee.

ARTICLE VI. FORM OF AWARDS

6.1 Form of Awards. Awards may be granted under the Plan, in the Committee's sole discretion, in the form of Options pursuant to Article VII, Restricted Stock pursuant to Article VIII, Performance Awards pursuant to Article IX or a combination thereof. All Awards shall be subject to the terms, conditions, restrictions and limitations of the Plan. The Committee may, in its sole discretion, subject any Award to such other terms, conditions, restrictions and/or limitations (including without limitation the time and conditions of exercise, vesting or payment of an Award and restrictions on transferability of any shares of Common Stock issued or delivered pursuant to an Award), provided they are not inconsistent with the terms of the Plan. The Committee may, but is not required to, subject an Award to such conditions as it determines are necessary or appropriate to ensure that an Award constitutes "qualified performance based compensation" within the meaning of section 162(m) of the Code and the regulations thereunder. Awards need not be uniform. Any combination of Awards may be granted at one time and on more than one occasion to the same Participant.

6.2 No Repricing. Except for adjustments made pursuant to Section 4.2, the exercise price for any outstanding Option shall not be decreased after the Grant Date, nor may any outstanding Option be surrendered to Mace as consideration for the grant of a new Option with a lower exercise price without the approval of a majority of the stockholders of Mace.

6.3 No Reload Rights. Options shall not contain any provision entitling the Participant to an automatic grant of additional Options in connection with any exercise of the original Option.

6.4 Loans. The Committee may, in its sole discretion, approve the extension of a loan by the Company to a Participant who is an Employee to assist the Participant in paying the exercise price of an Award; provided, however, that no loan shall be permitted if the extension of such loan would violate any provision of applicable law. Any loan will be made upon such terms and conditions as the Committee shall determine.

ARTICLE VII. OPTIONS

7.1 General. Awards may be granted in the form of Options that may be Incentive Stock Options or Nonqualified Stock Options, or a combination of both; provided, however, that Incentive Stock Options may be granted only to Employees.

7.2 Terms and Conditions of Options. An Option shall be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date unless the Option was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became Employees as a result of a merger, consolidation, acquisition, or other corporate transaction involving the Company. Except as otherwise provided in Section 7.3, the term of each Option shall be as specified by the Committee; provided, however, that no Options shall be exercisable later than five (5) years after the Grant Date.

7.3 Restrictions Relating to Incentive Stock Options. Options granted in the form of Incentive Stock Options shall, in addition to being subject to the terms and conditions of Section 7.2, comply with section 422(b) of the Code. To the extent the aggregate Fair Market Value (determined as of the times the respective Incentive Stock Options are granted) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an individual during any calendar year under all incentive stock option plans of Mace and its Affiliates exceeds \$100,000, such excess Incentive Stock Options shall be treated as options that do not constitute Incentive Stock Options. The Committee shall determine, in accordance with the applicable provisions of the Code, which of a Participant's Incentive Stock Options will not constitute Incentive Stock Options because of such limitation and shall notify the Participant of such determination as soon as practicable after such determination. The price at which a share of Common Stock may be purchased upon exercise of an Incentive Stock Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Grant Date. No Incentive Stock Option shall be granted to an Employee under the Plan if, at the time such Option is granted, such Employee owns stock possessing more than 10% of the total combined voting power of all classes of stock of Mace or an Affiliate, within the meaning of section 422(b)(6) of the Code, unless (i) on

the Grant Date of such Option, the exercise price of such Option is at least 110% of the Fair Market Value of the Common Stock subject to the Option and (ii) such Option by its terms is not exercisable after the expiration of five years from the Grant Date of the Option.

Table of Contents

7.4 Additional Terms and Conditions. The Committee shall determine the time or times at which an Option will vest and become exercisable, except as provided in Article X. At the time of an Award, the Committee may, in its sole discretion, prescribe the terms, conditions, restrictions and limitations applicable to the Option, including without limitation rules pertaining to the termination of employment or service (by reason of cause, death, permanent and total disability, or otherwise) of a Participant prior to exercise of the Option, as it determines are necessary or appropriate, provided they are not inconsistent with the Plan.

7.5 Exercise of Options.

(a) Subject to the terms and conditions of the Plan, Options shall be exercised by the delivery of a written notice of exercise to Mace, setting forth the number of whole shares of Common Stock with respect to which the Option is to be exercised, accompanied by full payment for such shares.

(b) Upon exercise of an Option, the exercise price of the Option shall be payable to Mace in full either: (i) in cash or an equivalent acceptable to the Committee, or (ii) in the sole discretion of the Committee and in accordance with any applicable administrative guidelines established by the Committee, by tendering one or more previously acquired non-forfeitable, unrestricted shares of Common Stock that have been held by the Participant for at least six months having an aggregate Fair Market Value at the time of exercise equal to the total exercise price, or (iii) in a combination of the forms of payment specified in clauses (i) and (ii) above.

(c) As soon as reasonably practicable after receipt of written notification of exercise of an Option and full payment of the exercise price and any required withholding taxes, Mace shall (i) deliver to the Participant, in the Participant's name or the name of the Participant's designee, a stock certificate or certificates in an appropriate aggregate amount based upon the number of shares of Common Stock purchased under the Option, or (ii) cause to be issued in the Participant's name or the name of the Participant's designee, in book-entry form, an appropriate number of shares of Common Stock based upon the number of shares purchased under the Option.

ARTICLE VIII. RESTRICTED STOCK

8.1 General. Awards may be granted in the form of Restricted Stock in such numbers and at such times as the Committee shall determine. The Committee shall impose such terms, conditions and restrictions on Restricted Stock as it may deem advisable, including without limitation providing for vesting upon the achievement of specified performance goals pursuant to a Performance Award and restrictions under applicable Federal or State securities laws. A Participant shall not be required to make any payment for Restricted Stock unless required by the Committee pursuant to Section 8.2.

8.2 Purchased Restricted Stock and Matching Restricted Stock. The Committee may in its sole discretion require a Participant to pay a stipulated purchase price for each share of Restricted Stock ("Purchased Restricted Stock") which amount may be less than the Fair Market Value on the Grant Date. The Committee may also require a Participant to purchase at Fair Market Value, and/or retain at all times during the Restricted Period, a specified number of shares of Common Stock in order to receive an equal number of shares of Restricted Stock ("Matching Restricted Stock"). In the case of any shares of Common Stock purchased with respect to an Award of Matching Restricted Stock, the Participant may be required to deposit the certificates evidencing the purchased shares of Common Stock with the Company during the Restricted Period.

8.3 Restricted Period. At the time an Award of Restricted Stock is granted, the Committee shall establish a Restricted Period applicable to such Restricted Stock. Each Award of Restricted Stock may have a different Restricted Period in the sole discretion of the Committee.

8.4 Other Terms and Conditions. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. Restricted Stock awarded to a Participant under the Plan shall be registered in the name of the Participant or, at the option of the Committee, in the name of a nominee of the Company, and shall be issued in book-entry form or represented by a stock certificate. Subject to the terms and conditions of the Award Agreement, a Participant to whom Restricted Stock has been awarded shall have the right to receive dividends thereon during the Restricted Period, to vote the Restricted Stock and to enjoy all other stockholder rights with respect thereto, except that (i) the Company shall retain custody of any certificates evidencing the Restricted Stock during the Restricted Period, and (ii) the Participant may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the Restricted

Stock during the Restricted Period. A breach of the terms and conditions established by the Committee pursuant to the Award of the Restricted Stock may result in a forfeiture of the Restricted Stock. At the time of an Award of Restricted Stock, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the Restricted Stock, including without limitation rules pertaining to the termination of employment or service (by reason of death, permanent and total disability, cause or otherwise) of a Participant prior to expiration of the Restricted Period.

Table of Contents

8.5 Miscellaneous. Nothing in this Article shall prohibit the exchange of shares of Restricted Stock pursuant to a plan of merger or reorganization for stock or other securities of the Company or another corporation that is a party to the reorganization, provided that the stock or securities so received in exchange for shares of Restricted Stock shall, except as provided in Article X, become subject to the restrictions applicable to such Restricted Stock. Any shares of Common Stock received as a result of a stock split or stock dividend with respect to shares of Restricted Stock shall also become subject to the restrictions applicable to such Restricted Stock.

ARTICLE IX. PERFORMANCE AWARDS

9.1 General. Awards may be granted in the form of Performance Awards that may be payable in the form of cash, shares of Common Stock, or a combination of both, in such amounts and at such times as the Committee shall determine. Performance Awards shall be conditioned upon the level of achievement of one or more stated performance goals over a specified performance period that shall not be shorter than one year. Performance Awards may be combined with other Awards to impose performance criteria as part of the terms of such other Awards.

9.2 Terms and Conditions. Each Award Agreement embodying a Performance Award shall set forth (i) the amount, including a target and maximum amount if applicable, a Participant may earn in the form of cash or shares of Common Stock or a formula for determining such amount, (ii) the performance criteria and level of achievement versus such criteria that shall determine the amount payable or number of shares of Common Stock to be granted, issued, retained and/or vested, (iii) the performance period over which performance is to be measured, (iv) the timing of any payments to be made, (v) restrictions on the transferability of the Award, and (vi) such other terms and conditions as the Committee may determine that are not inconsistent with the Plan.

9.3 Code Section 162(m) Requirements. The Committee shall determine in its sole discretion whether all or any portion of a Performance Award shall be intended to satisfy the requirements for “performance-based compensation” under section 162(m) of the Code (the “162(m) Requirements”). The performance criteria for any Performance Award that is intended to satisfy the 162(m) Requirements shall be established in writing by the Committee based on one or more performance goals as set forth in Section 9.4 not later than 90 days after commencement of the performance period with respect to such Award, provided that the outcome of the performance in respect of the goals remains substantially uncertain as of such time. The maximum amount that may be paid in cash pursuant to Performance Awards granted to a Participant with respect to a Fiscal Year that are intended to satisfy the 162(m) Requirements shall be in an amount not to exceed the limits imposed by the 162(m) requirements; provided, however, that such maximum amount with respect to a Performance Award that provides for a performance period longer than one Fiscal Year shall be the foregoing limit multiplied by the number of full Fiscal Years in the performance period. At the time of the grant of a Performance Award and to the extent permitted under Code section 162(m) and regulations thereunder for a Performance Award intended to satisfy the 162(m) Requirements, the Committee may provide for the manner in which the performance goals will be measured in light of specified corporate transactions, extraordinary events, accounting changes and other similar occurrences.

9.4 Performance Goals. The performance measure(s) to be used for purposes of Performance Awards may be described in terms of objectives that are related to the individual Participant or objectives that are Company-wide or related to a subsidiary, division, department, region, function or business unit of the Company in which the Participant is employed or with respect to which the Participant performs services, and may consist of one or more or any combination of the following criteria: (i) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis), (ii) return on equity, (iii) return on assets, (iv) revenues, (v) sales, (vi) expenses or expense levels, (vii) one or more operating ratios, (viii) stock price, (ix) stockholder return, (x) market share, (xi) cash flow, (xii) inventory levels, inventory turn or shrinkage, (xiii) capital expenditures, (xiv) net borrowing, debt leverage levels, credit quality or debt ratings, (xv) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions, (xvi) net asset value per share, and (xvii) economic value added. The performance goals based on these performance measures may be made relative to the performance of other business entities.

9.5 Certification and Negative Discretion. Prior to the payment of any compensation pursuant to a Performance Award that is intended to satisfy the 162(m) Requirements, the Committee shall certify the extent to which the performance goals and other material

terms of the Award have been achieved or satisfied. The Committee in its sole discretion shall have the authority to reduce, but not to increase, the amount payable and the number of shares to be granted, issued, retained or vested pursuant to a Performance Award.

ARTICLE X. CHANGE OF CONTROL

Except as provided otherwise below in this Article or in an Award Agreement at the time an Award is granted, upon any Change of Control, any time periods, conditions or contingencies relating to the exercise of any Award shall be automatically accelerated or waived so that the Award may be exercised at the time of the occurrence of the Change of Control (the "Change Effective Time"). However, in the case of the events described in clauses (a) and (d) of the definition of a Change of Control in this Plan, each Award requiring exercise that is not exercised at the Change Effective Time shall lapse and all rights thereunder shall be forfeited immediately after the Change Effective Time, if the Participant holding such Award has received written notice at least 15 days prior to the Change Effective Time of his right to exercise the Award at the Change Effective Time and does not so exercise.

Notwithstanding the prior paragraph above, in the event all outstanding Awards are replaced as of the Change Effective Time by comparable types of awards of greater or at least substantially equivalent value, as determined by the Committee in its sole discretion, no such automatic acceleration or waiver (and corresponding lapse and forfeiture of Awards as provided in the paragraph above) shall occur except to the extent the Committee, in its sole discretion, provides for such acceleration, waiver, lapse or forfeiture with respect to any Award or unless such acceleration, waiver, lapse or forfeiture is expressly provided for in connection with such replacement.

ARTICLE XI. AMENDMENT AND TERMINATION

11.1 Plan Amendment and Termination. The Board may at any time suspend, terminate, amend or modify the Plan, in whole or in part; provided, however, that no amendment or modification of the Plan shall become effective without the approval of such amendment or modification by a majority of the stockholders of Mace if (i) such amendment or modification increases the maximum number of shares subject to the Plan (except as provided in Article IV) or changes the designation or class of persons eligible to receive Awards under the Plan, or (ii) counsel for Mace determines that such approval is otherwise required by or necessary to comply with applicable law. Upon termination of the Plan, the terms and provisions of the Plan shall, notwithstanding such termination, continue to apply to Awards granted prior to such termination. No suspension, termination, amendment or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the consent of the Participant (or the Permitted Transferee) holding such Award.

11.2 Award Amendment and Cancellation. The Committee may amend the terms of any outstanding Award granted pursuant to the Plan, but no such amendment shall adversely affect in any material way the Participant's (or a Permitted Transferee's) rights under an outstanding Award without the consent of the Participant (or the Permitted Transferee) holding such Award.

11.3 Performance-Based Compensation. In the case of an outstanding Award intended to be eligible for the performance-based compensation exemption under section 162(m) of the Code, the Committee shall not, without the approval of a majority of the stockholders of Mace, amend the Plan or the Award in a manner that would adversely affect the Award's continued eligibility for the performance-based compensation exemption under section 162(m) of the Code.

ARTICLE XII. MISCELLANEOUS

12.1 Award Agreements. After the Committee grants an Award under the Plan to a Participant, Mace and the Participant shall enter into an Award Agreement setting forth the terms, conditions, restrictions and limitations applicable to the Award and such other matters as the Committee may determine to be appropriate. The terms and provisions of the respective Award Agreements need not be identical. All Award Agreements shall be subject to the provisions of the Plan, and in the event of any conflict between an Award Agreement and the Plan, the terms of the Plan shall govern.

12.2 Listing; Suspension. If the Common Stock becomes listed on a national securities exchange or system sponsored by a national securities association, the issuance of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. If at any time counsel to Mace or its Affiliates shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on Mace or its Affiliates under the laws of any applicable jurisdiction, Mace

or its Affiliates shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act of 1933, as amended, or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Award shall be suspended until, in the opinion of such counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on Mace or its Affiliates. Upon termination of any period of suspension under this Section, any Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award unless otherwise determined by the Committee in its sole discretion.

12.3 Additional Conditions. Notwithstanding anything in the Plan to the contrary: (i) the Committee may, if it shall determine it necessary or desirable in its sole discretion, at the time of grant of any Award or the issuance of any shares of Common Stock pursuant to any Award, require the recipient of the Award or such shares of Common Stock, as a condition to the receipt thereof, to deliver to Mace a written representation of present intention to acquire the Award or such shares of Common Stock for his own account for investment and not for distribution, (ii) the certificate for shares of Common Stock issued to a Participant may include any legend that the Committee deems appropriate to reflect any restrictions on transfer, and (iii) all certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which the Common Stock is then listed or quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

12.4 Transferability. No Award shall be subject to execution, attachment or similar process. No Award may be sold, transferred, pledged, exchanged, hypothecated or otherwise disposed of, other than by will or pursuant to the applicable laws of descent and distribution. If provided in the Award Agreement, all other Awards may be transferred by a Participant to a Permitted Transferee. Any attempted sale, transfer, pledge, exchange, hypothecation or other disposition of an Award not specifically permitted by the Plan or the Award Agreement shall be null and void and without effect. All Awards granted to a Participant shall be exercisable during his lifetime only by such Participant, or if applicable, a Permitted Transferee; provided, however, that in the event of a Participant's legal incapacity, an Award may be exercised by his guardian or legal representative. For purposes of the Plan, "Permitted Transferee" means (i) a member of a Participant's immediate family, (ii) any person sharing the Participant's household (other than a tenant or employee of the Participant), (iii) trusts in which a person listed in (i) or (ii) above has more than 50% of the beneficial interest, (iv) a foundation in which the Participant or a person listed in (i) or (ii) above controls the management of assets, (v) any other entity in which the Participant or a person listed in (i) or (ii) above owns more than 50% of the voting interests, provided that in the case of the preceding clauses (i) through (v), no consideration is provided for the transfer, and (vi) any transferee permitted under applicable securities and tax laws as determined by counsel to Mace. In determining whether a person is a "Permitted Transferee," immediate family members shall include a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships.

12.5 Withholding Taxes. The Company shall be entitled to deduct from any payment made under the Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment, may require the Participant to pay to the Company such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Common Stock under the Plan, and shall be entitled to deduct from any other compensation payable to the Participant any withholding obligations with respect to Awards. In accordance with any applicable administrative guidelines it establishes, the Committee may allow a Participant to pay the amount of taxes required by law to be withheld from or with respect to an Award by (i) withholding shares of Common Stock from any payment of Common Stock due as a result of such Award, or (ii) permitting the Participant to deliver to the Company previously acquired shares of Common Stock, in each case having an aggregate Fair Market Value equal to the amount of such required withholding taxes. No payment shall be made and no shares of Common Stock shall be issued pursuant to any Award unless and until the applicable tax withholding obligations have been satisfied.

12.6 No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award granted hereunder, provided that the Committee in its sole discretion may round fractional shares down to the nearest whole share or settle fractional shares in cash.

Table of Contents

12.7 Notices. All notices required or permitted to be given or made under the Plan or pursuant to any Award Agreement (unless provided otherwise in such Award Agreement) shall be in writing and shall be deemed to have been duly given or made if (i) delivered personally, (ii) transmitted by first class registered or certified United States mail, postage prepaid, return receipt requested, (iii) sent by prepaid overnight courier service, or (iv) sent by telecopy or facsimile transmission, with confirmation receipt, to the person who is to receive it at the address that such person has theretofore specified by written notice delivered in accordance herewith. Such notices shall be effective (i) if delivered personally or sent by courier service, upon actual receipt by the intended recipient, (ii) if mailed, upon the earlier of five days after deposit in the mail or the date of delivery as shown by the return receipt therefor, or (iii) if sent by telecopy or facsimile transmission, when the answer back is received. Mace or a Participant may change, at any time and from time to time, by written notice to the other, the address that it or such Participant had theretofore specified for receiving notices. Until such address is changed in accordance herewith, notices hereunder or under an Award Agreement shall be delivered or sent (i) to a Participant at his address as set forth in the records of the Company or (ii) to Mace at the principal executive offices of Mace clearly marked "Attention: Secretary."

12.8 Binding Effect. The obligations of Mace under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of Mace, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of Mace. The terms and conditions of the Plan shall be binding upon each Participant and his Permitted Transferees, heirs, legatees, distributees and legal representatives.

12.9 Severability. If any provision of the Plan or any Award Agreement is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of the Plan or such agreement, as the case may be, but such provision shall be fully severable and the Plan or such agreement, as the case may be, shall be construed and enforced as if the illegal or invalid provision had never been included herein or therein.

12.10 No Restriction of Corporate Action. Nothing contained in the Plan shall be construed to prevent Mace or any Affiliate from taking any corporate action (including any corporate action to suspend, terminate, amend or modify the Plan) that is deemed by Mace or such Affiliate to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Awards made or to be made under the Plan. No Participant or other person shall have any claim against Mace or any Affiliate as a result of such action.

12.11 Governing Law. The Plan shall be governed by and construed in accordance with the internal laws (and not the principles relating to conflicts of laws) of the State of Delaware except as superseded by applicable federal law.

12.12 No Right, Title or Interest in Company Assets. No Participant shall have any rights as a stockholder of Mace as a result of participation in the Plan until the date of issuance of Common Stock in his name and, in the case of Restricted Stock, unless and until such rights are granted to the Participant pursuant to the Plan. To the extent any person acquires a right to receive payments from the Company under the Plan, such rights shall be no greater than the rights of an unsecured general creditor of the Company, and such person shall not have any rights in or against any specific assets of the Company. All Awards shall be unfunded.

12.13 Risk of Participation. Nothing contained in the Plan shall be construed either as a guarantee by Mace or the Affiliates, or their respective stockholders, directors, officers or employees, of the value of any assets of the Plan or as an agreement by Mace or the Affiliates, or their respective stockholders, directors, officers or employees, to indemnify anyone for any losses, damages, costs or expenses resulting from participation in the Plan.

12.14 No Guarantee of Tax Consequences. No person connected with the Plan in any capacity, including without limitation Mace and the Affiliates and their respective directors, officers, agents and employees, makes any representation, commitment or guarantee that any tax treatment, including without limitation federal, state and local income, estate and gift tax treatment, will be applicable with respect to any Awards or payments thereunder made to or for the benefit of a Participant under the Plan or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

12.15 Continued Employment or Service. Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant the right to continue in the employ or service of the Company, or interfere in any way with the rights of the Company to

terminate a Participant's employment or service at any time, with or without cause. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of employment or service for any reason, even if the termination is in violation of an obligation of Mace or an Affiliate to the Participant.

12.16 Miscellaneous. Headings are given to the articles and sections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction of the Plan or any provisions hereof.
