TO THE SECURITIES AND EXCHANGE COMMISSION:

By orders dated January 9, 1991, February 28, 1991 and May 7, 1991 (HCAR Nos. 25239, 25263 and 25308, respectively) ("Orders"), in the above-captioned proceeding, the Securities and Exchange Commission ("Commission") permitted the Application-Declaration of CNG Transmission Corporation ("Transmission") and CNG Iroquois, Inc. ("CNGI"), as amended, to become effective, thereby authorizing Transmission to provide, through June 30, 1993, up to \$35,000,000 of financing to CNGI through the purchase of common stock of CNGI and/or the making of open account advances to CNGI. Transmission and CNGI were also authorized by the Orders to provide, through June 30, 1993, up to \$35,000,000 in guaranties and indemnities on behalf of CNGI and Iroquois Gas Transmission System, L. P. ("Iroquois"), respectively, at any one time. The purpose of the financing was to provide funds to CNGI for use relating to its 9.4% general partnership interest in Iroquois, which was formed to construct and own an interstate natural gas pipeline extending from the Canadian border to Long Island, New York.

By order dated July 6, 1993 (HCAR No. 25845), the Commission extended the above-mentioned authorizations through June 30, 1996, up to an aggregate amount of \$20 million. In addition, the Commission pursuant to such Order authorized CNGI and Transmission to obtain letters of credit and/or enter into reimbursement agreements on behalf of Iroquois and CNGI respectively.

This Certificate is filed in accordance with Rule 24 as notification that the following transactions authorized by the Orders have been carried out during the reporting quarter in accordance with the terms and conditions of, and for the purposes represented by, the Application-Declaration and the Orders.

(1) Transmission purchased no shares of common stock during the quarter. As of June 30, 1995, CNGI had 1,494 shares of common stock outstanding.

(2) No open account advances were made by Transmission to CNGI during the quarter, and no such open account advances were outstanding as of June 30, 1995.

(3) CNGI made no capital contributions to Iroquois during the first quarter of 1995. As of June 30, 1995, CNGI has cumulatively made \$16,487,882 of equity contributions to Iroquois.

(4) No funds were received from Iroquois during the second quarter of 1995 (representing CNGI's share from the partnership distribution).

3

The "past-tense" opinion required by paragraph F(2) of the instructions as to exhibits for Form U-1 will be filed when all of the transactions authorized pursuant to said Orders have consummated.
