SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

THE FEDERAL SECURITIES LAWS PROVIDE FOR A SAFE HARBOR FOR CERTAIN FORWARD-LOOKING STATEMENTS. THIS SAFE HARBOR PROTECTS US FROM LIABILITY IN A PRIVATE ACTION ARISING UNDER EITHER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, FOR FORWARD-LOOKING STATEMENTS THAT ARE IDENTIFIED AS SUCH AND ACCOMPANIED BY MEANINGFUL CAUTIONARY STATEMENTS OR ARE IMMATERIAL.

WHEN USED IN THIS FORM 10-K, THE WORDS OR PHRASES "ESTIMATE", "INTENDS", "MAY", "EVALUATING" OR SIMILAR EXPRESSIONS ARE INTENDED TO IDENTIFY "FORWARD LOOKING STATEMENTS" WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995, AS AMENDED. SUCH STATEMENTS ARE SUBJECT TO CERTAIN RISKS AND UNCERTAINTIES, INCLUDING BUT NOT LIMITED TO, FUTURE EARNINGS AND OTHER MEASUREMENTS OF FINANCIAL PERFORMANCE, FUTURE CASH FLOW AND USES OF CASH, THE EFFECT OF ECONOMIC DOWNTURNS OR GROWTH IN PARTICULAR REGIONS, THE EFFECT OF CHANGES IN THE LEVEL OF ACTIVITY IN PARTICULAR INDUSTRIES OR MARKETS, PRODUCT DEVELOPMENTS AND NEW BUSINESS OPPORTUNITIES, RESTRUCTURING COSTS AND SAVINGS, THE OUTCOME OF CONTINGENCIES, FUTURE LEVELS OF INDEBTEDNESS AND CAPITAL SPENDING, THE SUCCESSFUL IDENTIFICATION OF STRATEGIC BUSINESS PARTNERS, THE SUCCESSFUL EXECUTION OF AGREEMENTS WITH STRATEGIC BUSINESS PARTNERS REQUIRED FOR THE IMPLEMENTATION OF BUSINESS PLANS AND THE SUCCESSFUL IDENTIFICATION, ACQUISITION AND INTEGRATION OF ADDITIONAL TARGET BUSINESSES. SUCH FACTORS COULD AFFECT OUR COMPANY'S, INCLUDING THAT OF OUR SUBSIDIARIES', FINANCIAL PERFORMANCE AND COULD CAUSE OUR ACTUAL RESULTS FOR FUTURE PERIODS TO DIFFER MATERIALLY FROM ANY OPINION OR STATEMENTS EXPRESSED HEREIN WITH RESPECT TO FUTURE PERIODS. AS A RESULT, WE CAUTION READERS NOT TO PLACE UNDUE RELIANCE ON ANY SUCH FORWARD-LOOKING STATEMENTS, WHICH SPEAK ONLY AS OF THE DATE MADE.

THE FORWARD-LOOKING STATEMENTS SPEAK ONLY AS OF THE DATE ON WHICH THEY ARE MADE AND, EXCEPT AS REQUIRED BY LAW, WE UNDERTAKE NO OBLIGATION TO UPDATE ANY FORWARD-LOOKING STATEMENT TO REFLECT EVENTS OR CIRCUMSTANCES AFTER THE DATE ON WHICH THE STATEMENT IS MADE OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. IN ADDITION, WE CANNOT ASSESS THE IMPACT OF EACH FACTOR ON OUR BUSINESS OR THE EXTENT TO WHICH ANY FACTOR OR COMBINATION OF FACTORS MAY CAUSE ACTUAL

RESULTS TO DIFFER MATERIALLY FROM THOSE CONTAINED IN ANY FORWARD-LOOKING STATEMENTS.

FOREIGN EXCHANGE RATE DATA

Dectron Internationale, Inc. maintains its book of accounts in Canadian dollars. The information provided in this Form 10-K is in the currency of the United States (US Dollars), on the basis of generally accepted accounting principles applying in the United States. Dectron Internationale, Inc.'s audit by external parties has been conducted in accordance with United States generally accepted auditing standards. Unless otherwise indicated, all references to dollar amounts in this Form 10-K are in US dollars.

The following table sets forth, for the periods indicated, certain exchange rates based on the noon buying rate in New York City for cable transfers in Canadian dollars. Such rates are the number of United States dollars per one Canadian dollar and are the inverse of rates quoted by the Federal Reserve Bank of New York for Canadian dollars per US\$1.00. The average exchange rate is based on the average of the exchange rates on the last day of each month during such periods. On April 28, 2005, the exchange rate was Cdn\$0.80 per US\$ 1.00.

PART I

ITEM 1. BUSINESS

Unless otherwise indicated, references to "Dectron", "us", "our" and "we" refer to Dectron Internationale, Inc. and its wholly-owned subsidiaries including: (i) Dectron, Inc. (ii) Dectron USA, (iii) RefPlus, (iv) Thermoplus, (v) Circul-Aire (vi) Tranzmetal (vii) IPAC 2000, and (viii) International Water Makers Inc. ("IWM").

GENERAL

We are a global provider of Custom and Semi-Custom HVAC products and services to the Building Systems, Food Processing, Petrochemical and various industrial and commercial - markets. Our core businesses are classified into five principal areas: Dectron, Inc., RefPlus, Circul-Aire, Thermoplus and International Water Makers. Dectron, Inc., Circul-Aire and Thermoplus serve customers in commercial and residential buildings through a network of manufacturers' representatives, dealers and each such subsidiary's internal sales force. Circul-Aire and Dectron, Inc. also serve industrial customers. RefPlus serves commercial refrigeration customers through a network of wholesalers in Canada and dealers in the US.

The products manufactured and supplied include Energy Recycling Dehumidifiers, Refrigeration Packages, Air Purification and Filtration Systems, Heating, Ventilation and Air conditioning Equipment. More recently, we introduced Moisture Recovery Systems currently used for on-line turbine cleaning applications in offshore oil drilling operations. Demand for our products is influenced by national, international and regional economic and demographic factors. The commercial and industrial new construction market is subject to cyclical fluctuations with a lag factor of 6-18 months.

We believe that we have structured our company to minimize absolute reliance on external supplier for certain key components.

DESCRIPTION OF BUSINESS

Dectron Inc.

Dectron, Inc., the largest of the subsidiaries, was incorporated in 1977 to develop, manufacture and market standard as well as custom design dehumidification equipment for Indoor Pool applications. This product line has experienced considerable success in North America and as a result has allowed us to become a leader in North America's indoor pool dehumidification business. We

believe that Dectron is now one of North America's leading manufacturers of dehumidification and closed looped energy recycling systems.

Dectron Inc., through its subsidiary Dectron USA, operates a sales office in the United States located in Roswell, Georgia. This office supports the efforts of Dectron Inc.'s network of trained manufacturer's representatives who sell Dectron Inc.'s products throughout the United States. Dectron Inc. also has sales representatives throughout Canada and overseas. We invite our independent sales representatives and their technicians to be trained and certified by Dectron Inc.'s own technical staff at no cost to the attendees at a training school run by Dectron. We also use the training school both to market our products and to demonstrate to potential buyers, first hand, the technical qualifications our employees have to offer as a service to our customers. We believe that customer service and technical expertise are a large part of what sets us apart from our competitors. We also market our products in trade magazines, through industry associations and by attending trade shows where we display and demonstrate many of our products.

RefPlus Inc.

RefPlus was incorporated in 1993 to manufacture high quality modular commercial and industrial refrigeration and air conditioning equipment for commercial and special applications. Its products include refrigeration systems, condensers, coils, walk-in storage coolers and freezers. RefPlus' primary customers are supermarkets, food processors and large-scale food retail outlets. RefPlus also supplies customized solution for niche applications such as in fruit storage facilities, industrial baking and blast chillers for meat processing plants.

RefPlus markets its products through a network of agents in the US and a network of independent wholesalers in Canada. We believe that our RefPlus product lines offer an excellent opportunity for future expansion as RefPlus continues to gain market share in the Canadian and US markets.[]

Thermoplus Air Inc.

Established in 1987, as KeepKool Transfer de Chaleur Inc. ("KeepKool"). Thermoplus markets a variety of HVAC product lines through a network of Canadian wholesalers.

Thermoplus' present product lines include dehumidification equipment, water source air conditioners and heat pumps, portable or mobile air conditioning equipment, industrial air handlers, air to fluid heat exchangers and IAQ filtration products. These product lines are also sold through a network of agents in the US.

Circul-Aire Inc.

In 1998, we acquired the Circul-Aire Group, consisting of Cascade Technologies Inc. 9048-3140 Quebec, Inc. and its subsidiaries, and P.M. Wright Ltd. (collectively referred to as "Circul-Aire"). Circul-Aire is considered one of the pioneers of the air treatment industry and is a worldwide recognized leader in the advanced technologies of gas-phase filtration and energy recovery. Circul-Aire's reputation has been built on years of research and development and growing numbers of satisfied customers. Circul-Aire has a laboratory and team of experienced engineers that offer a systematic integrated approach in solving difficult environmental control problems. Unique systems are designed and manufactured in our facilities to suit specific applications.

Circul-Aire's Multi-Mix (TM) media and integrated systems are used to reduce the odor and corrosion frequently associated with commercial, institutional, sewage treatment and industrial environments. Combined with air-to-air heat exchanger options, Circul-Aire's systems recuperate valuable energy from various air streams. All Circul-Aire systems are engineered and manufactured to withstand the most severe industrial environments, including those containing corrosive gases.

Liberty Drive Property Inc. (formerly IPAC 2000)

IPAC 2000 was acquired in September 1999. IPAC 2000 specializes in the design and manufacturing of compressed air products, industrial heat transfer products and sheet metal fabrication. In March of 2004, IPAC 2000 signed a memorandum of understanding regarding the industrial products and sheet metal divisions. On April 22, 2004, IPAC 2000 signed a definitive agreement pursuant to which the industrial products and sheet metal divisions were sold and consequently changed its name to Liberty Drive Property, Inc. ("Liberty Drive Property"). In February 2005, Liberty Drive Property signed a real estate contract regarding the building and land. The definitive agreement is presently being finalized.

International Water Makers Inc.

In July 2002, we acquired intellectual property and other assets of International Water Makers Inc. ("IWM"), including a patented process to extract significant amounts of moisture from the air. We believe that this technology surpasses any other water-generation technology currently on the market, given

that it provides filtered, de-mineralized water to a variety of applications while requiring minimal energy.

Tranzmetal Inc.

In 2003, we acquired Tranzmetal, a manufacturer of Precision Sheet Metal products. Tranzmetal's operations are currently being consolidated into Circul-Aire.

OTHER MATTERS RELATING TO OUR BUSINESS AS A WHOLE

Employees

As of April 29, 2005, we employed a total of approximately 400 full-time employees. Our subsidiary Thermoplus has an in-house union that represents 19 employees. Certain terms of their employment are part of a collective bargaining agreement that expires in December 2005. Management considers its relations with its employees to be satisfactory.

Patents and Trademarks

We have seven United States and two Canadian patents. The patents expire between 2007 and 2015. Three of the patents relate to swimming pool dehumidifiers, three to the collection and dispensing of water from air and one relating to the method and apparatus for controlling heat rejection in a refrigeration system.

We have trademarked the names "Dectron" and "Dry-O-Tron" in both the United States and Canada. The trademarks come up for renewal between 2007 and 2016. We also hold the trademark in "MultiMix" and "MM Multi-Mix" in the United States and Canada. The MultiMix and MM Multi-Mix trademarks will be due for renewal in the year 2014. In addition, we hold the trademark in "CIRCUL-AIRE" in the United States and Canada, which was renewed in 1999.

ITEM 2. PROPERTIES

SQUARE FOOT BY SUBSIDIARY

We maintain executive offices and manufacturing facilities at leased and owned premises. All of our manufacturing facilities are located in or near Montreal, Quebec. The manufacturing facilities, which we own, are located in St. Jerome, Quebec, and Boucherville, Quebec. The facilities are in good condition and do not require any significant capital expenditure. We maintain property insurance on the two owned manufacturing facilities in an amount that we believe to be sufficient. Of the five leased facilities, two of the leases expire on January 31, 2011, one June 30, 2010, one October 31, 2016, and one December 31, 2006.

ITEM 3. LEGAL PROCEEDINGS

There are no material legal proceedings pending or threatened against us.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

There were no matters submitted to the vote of the security holders during the period covered by this report.

PART II

ITEM 5. MARKET FOR COMMON EQUITY, RELATED SHAREHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES

Our shares of common stock have traded on the Nasdaq Small Cap Market and the Boston Stock Exchange since our initial public offering on October 5, 1998. Our

common stock trades under the symbol "DECT" on Nasdaq and on the Boston Stock Exchange under the Symbol "DRN." The following table sets forth the high and low sales prices for our common stock as reported on Nasdaq.

<TABLE>
<CAPTION>

	COMMON STOCK -----	
<S>	HIGH <C>	LOW <C>
Fiscal year ended January 31, 2005:		
First quarter (2/1/04 - 4/30/04)	\$4.93	\$3.02
Second quarter (5/1/04 - 7/31/04)	\$4.93	\$3.02
Third quarter (8/1/04 - 10/31/04)	\$4.75	\$3.44
Fourth quarter (11/1/04 - 1/31/05)	\$4.16	\$3.30
	\$4.58	\$3.60
Fiscal year ended January 31, 2004:		
First quarter (2/1/03 - 4/30/03)	\$7.50	\$2.92
Second quarter (5/1/03 - 7/31/03)	\$4.45	\$3.41
Third quarter (8/1/03 - 10/31/03)	\$4.32	\$2.92
Fourth quarter (11/1/03 - 1/31/04)	\$5.25	\$2.92
	\$7.50	\$3.83

</TABLE>

As of April 28, 2005 there were 54 shareholders of record of the 3,155,000 shares of our common stock issued and outstanding.

On April 28, 2005, the last sale price of our common stock as reported by Nasdaq was \$3.81

DIVIDEND POLICY

Our policy does not currently provide for the declaration or payment of dividends on our common stock. The payment of cash dividends, if any, in the future, will be at the discretion of our board of directors and will depend on our earnings, capital requirements, financial condition and other relevant factors. We presently intend to retain future earnings for use in our business.

CERTAIN MATERIAL CANADIAN INCOME TAX CONSEQUENCES

This summary of material Canadian federal income tax consequences is based on the Income Tax Act (Canada) (the "Tax Act"), the Canada-U.S. Tax Convention (the "Convention"), regulations, administrative rulings and practice and judicial precedent, each as in effect at the date of this annual report, all of which are subject to changes.

8

The following discussion applies only to a holder of our shares of common stock who, for purposes of the Tax Act is neither resident nor deemed to be resident in Canada at any time does not use or hold, and is not deemed to use or hold our shares of common stock in connection with a trade or business that the holder carries on, or is deemed to carry on, in Canada at any time (each a "non-resident holder").

The following discussions on Canadian federal income tax consequences of ownership of our shares of common stock does not purport to be a complete description of all potential tax consequences. This discussion does not address: (i) any potential tax effects to non-U.S. Holders (as defined below); (ii) all potential tax effects that may be relevant to U.S. Holders subject to special Canadian tax treatment, or (iii) the effect of potentially applicable state, provincial, local or foreign (other than Canadian) tax laws.

A "U.S. Holder" means a holder of our shares of common stock that is: (i) a citizen or resident of the U.S.; (ii) a corporation or other entity taxable as a corporation created or organized under the laws of the U.S. or any political subdivision thereof; (iii) an estate the income of which is subject to U.S. federal income tax regardless of its source, or; (iv) in general, a trust if a U.S. court can exercise primary supervision over the administration of such trust, and one or more U.S. persons have the authority to control all of the substantial decisions of such trust. A "non-U.S. Holder" means a holder of our shares of common stock who is not a "U.S. Holder".

Subject in its entirety to the foregoing, there are no governmental laws, decrees or regulations in Canada, where the registrant is incorporated, that restrict the export or import of capital, including but not limited to, foreign exchange controls, or that affect the remittance of dividend or other payments to non-resident holders of our shares of common stock.

Dividends

Dividends paid or credited or deemed to be paid or credited to a non-resident

will be subject to Canadian non-resident withholding tax at the rate of 25% of the gross amount of such dividends under the Tax Act. This rate may be reduced under an applicable income tax treaty between Canada and such non-resident holder's country of residence. In the case of a non-resident holder which is the beneficial owner of such dividends and a resident of the United States for the purposes of the Convention, the rate of non-resident withholding tax in respect of dividends will generally be reduced to a rate of 15% of the gross amount of such dividends

Dispositions

A non-resident holder will not be subject to tax under the Tax Act in respect of capital gains realized on the disposition or deemed disposition of our shares of common stock unless such securities are "taxable Canadian property" (within the meaning of the Tax Act) to the holder at the time of the disposition. Our shares of common stock will generally not constitute taxable Canadian property to a non-resident holder provided they are listed on a prescribed stock exchange (which currently includes the Nasdaq) on the date of disposition and, at any time during the five-year period immediately preceding the disposition or deemed disposition of our shares of common stock, the non-resident holder, persons with whom such holder did not deal at arm's length or the non-resident holder and such persons has not owned or had an interest in or an option to acquire 25 per cent or more of the issued shares of any class or series of the capital stock of our company.

This summary does not discuss all aspects that may be relevant to any particular investors in light of their particular circumstances. Investors are urged to consult their own tax advisors with respect to their own particular circumstances and with respect to the specific tax consequences of ownership of our shares of common stock, including the applicability and effect of national, federal, state, provincial, and local tax laws, estate tax laws and proposed changes in applicable laws.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY PLANS

<TABLE>	<CAPTION>	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans
<C>	<C>	<C>	<C>	
Equity compensation plans approved by security holders	2001 Stock Option Plan	500,000	\$4.20	500,000
Equity compensation plans not approved by security holders	Total	500,000	\$4.20	500,000

RECENT SALES OF UNREGISTERED SECURITIES

During the past three years, we have sold unregistered securities as described below. There were no underwriters involved in the transactions and there were no underwriting discounts or commissions paid in connection therewith, except as disclosed below. The issuance of these securities was considered to be exempt from registration under Section 4(2) of the Securities Act of 1933, as amended, and the regulations promulgated thereunder. The purchasers of the securities in such transactions represented their intention to acquire the securities for investment purposes only and not with a view to or for sales in connection with any distribution thereof and appropriate legends were affixed to the certificates for the securities issued in such transactions. The purchasers of the securities in the transactions below were each sophisticated investor who were provided information about us and were able to bear the risk of loss of their entire investment.

On July 15, 2002 we completed the acquisition of 100% of the assets of International Water Makers Inc., a Florida corporation, in consideration of (i) 50,000 shares of our common stock and (ii) 60,000 warrants to purchase an aggregate of 60,000 shares of our commons stock at a price of \$3.6125 per share exercisable for a period of 1 year. The warrants expired without having been exercised.

ISSUER REPURCHASES OF EQUITY SECURITIES

None.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS. The following discussion and analysis should be read in conjunction with the selected historical financial data, financial statements and notes thereto and the other historical financial information of Dectron Internationale contained elsewhere in this Annual Report on Form 10-K. The statements contained in this Annual Report on Form 10-K that are not historical are forward looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act of 1934, including statements regarding Dectron Internationale's expectations, intentions, beliefs or strategies regarding the future. Forward-looking statements include, but are not limited to, Dectron Internationale's statements regarding liquidity, anticipated cash needs and availability and anticipated expense levels. All forward-looking statements included in this annual report of Form 10-K are based on information available to Dectron Internationale on the date hereof, and Dectron Internationale assumes no obligation to update any such forward-looking statement. Dectron Internationale's actual results could differ materially from those in such forward-looking statements.

OVERVIEW

We are a global provider of Custom and Semi-Custom HVAC products and services to the Building Systems, Food Processing, Petrochemical and various industrial and commercial -markets. Our core businesses are classified into five principal areas: Dectron, Inc., RefPlus, Circul-Aire, Thermoplus and International Water Makers. Dectron, Inc., Circul-Aire and Thermoplus serve customers in commercial and residential buildings through a network of manufacturers' representatives, dealers and each such subsidiary's internal sales force. Circul-Aire and Dectron, Inc. also serve industrial customers. RefPlus serves commercial

refrigeration customers through a network of wholesalers in Canada and dealers in the US.

Demand for our products is influenced by national, international and regional economic and demographic factors. The commercial and industrial new construction market is subject to cyclical fluctuations in that it is generally tied to housing starts, but has a lag factor of 6-18 months.

BUSINESS ENVIRONMENT

As an international business, our operations are affected by various industrial, economic and political factors. The appreciation of the Canadian Dollar and increase in the cost of various raw materials impacted economic conditions in the indoor pool dehumidification and commercial heating, ventilating and air conditioning industries, thus affecting our operations in 2005. However, the diversity of our product sales, services and markets served to limit the negative aggregate impact on our consolidated operating results. Our management anticipates that strength in commercial and residential construction markets and a recovery in commercial HVAC markets will contribute positively to our results in 2006.

As part of our management's globalization strategy, our company is investing in the commercial development of our products in various areas in the world, including China, Europe and the Middle East.

11

RESULTS OF OPERATIONS

FISCAL 2005

Consolidated Revenues increased 3.2% in fiscal year ended January 31, 2005 ("Fiscal 2005") compared to 15.2% in Fiscal 2004. Revenues increased from \$39,654,922 to \$40,910,601. Sales growth in 2005 reflects revenue contributed primarily from a stronger presence in the Canadian market for commercial HVAC products and related services. This increase was partially offset by unfavorable foreign currency translations arising from the appreciation of the Canadian versus the US Dollar.

Gross profit decreased to 28.5% in 2005 compared to 36.2% in 2004, decreasing from \$14,370,980 to \$11,649,635. Gross margin was adversely affected by higher cost in raw material and the use of aggressive pricing strategies in the commercial HVAC markets.

Operating Expenses decreased by 2.8-percentage points in relation to sales for fiscal 2005 primarily due to pre-tax restructuring charges in the amount of \$551,607 compared to \$911,407 in fiscal 2004, restructuring charges arising from the consolidation of manufacturing facilities.

Selling expenses decreased by \$229,632 from \$5,518,195 in 2004 to \$5,288,563 in 2005. The decrease is primarily due to cost cutting efforts from management.

General and Administrative Expenses increased by \$144,867 from \$3,224,179 in 2004 to \$3,369,046 in 2005. Overall, this represents an increase of 0.1 percentage point in 2005 in relations to sales from the previous period.

Net restructuring and other non-recurring items decreased from \$911,407 in fiscal 2004 to \$551,607 in 2005 due to restructuring expenses incurred in Tranzmetal. This is a decrease from 2.3% to 1.3%.

Amortization expenses decreased by \$98,066 from \$1,366,592 in 2004 to \$1,268,526 in 2005, a decrease of 0.35 percentage points as compared to sales. The decrease in depreciation expense in 2005 is due primarily to a low rate of acquisition of capital assets during fiscal 2005.

Financing expenses decreased by \$236,343 from \$1,272,485 in 2004 to \$1,036,142 in 2005, a decrease of 0.7 percentage points as compared to sales. The decrease in interest expense in 2005 is due primarily to re-payment of long-term debt.

Net Earnings before discontinued operations decreased from \$1,843,018 in 2004 to a loss of \$449,088 in 2005 after tax expenses of \$584,839.

Losses from discontinued operations net of taxes in fiscal 2005 was \$1,429,012 compared to \$3,630,854 in fiscal 2004.

Net loss in fiscal 2005 was \$988,406 compared to a loss of \$1,697,504 in fiscal 2004. The decrease in Net Loss in 2005 represents primarily the effect of restructuring charges and discontinuing of Operations of Liberty Drive Property, Inc. described in the "Acquisitions, Divestitures and Restructuring Costs" below.

FISCAL 2004

Consolidated Revenues increased 15.2% in fiscal year ended January 31, 2004 ("Fiscal 2004") compared to 18.2% in Fiscal 2003. Revenues increased from \$34,424,891 to \$39,654,922. Sales growth in 2004 reflects revenue contributed primarily from a stronger presence in the Canadian market for commercial HVAC products and related services. This increase was partially offset by unfavorable foreign currency translations arising from the appreciation of the Canadian versus the US Dollar.

Gross profit increased nominally by 0.24 percentage points resulting in 36.24% in 2004 compared to 36.0% in 2003, increasing from \$12,392,533 to \$14,370,980. Gross margin was adversely affected by higher cost in raw material and the use of aggressive pricing strategies in the commercial HVAC-markets.

12

Operating Expenses increased by 2.8-percentage points in relation to sales for fiscal 2004 primarily due to pre-tax restructuring charges in the amount of \$911,407 arising from the consolidation of manufacturing facilities.

Selling expenses increased by \$850,714 from \$4,667,481 in 2003 to \$5,518,195 in 2004. The increase is primarily the result of market development initiatives for international markets.

General and Administrative Expenses increased by \$92,361 from \$3,131,818 in 2003 to \$3,224,179 in 2004. Overall, this represents a decrease of one percentage point in 2004 in relations to sales from the previous period.

Net restructuring and other non-recurring items increased from \$132,342 in fiscal 2003 to \$911,407 in 2004 due to restructuring expenses incurred in Tranzmetal. This is an increase from 0.4% to 2.3%.

Amortization expenses increased by \$375,363 from \$991,229 in 2003 to \$1,366,592 in 2004, an increase of 0.6 percentage points as compared to sales. The increase in depreciation expense in 2004 is due primarily to the acquisition of capital assets.

Financing expenses increased by \$482,479 from \$790,006 in 2003 to \$1,272,485 in 2004, an increase of 0.9 percentage points as compared to sales. The increase in interest expense in 2004 is due primarily to additional banking facilities to finance increasing backlogs.

Net Earnings before discontinued operations decreased by \$259,229 from \$2,102,247 in 2003 to \$1,843,018 in 2004; a decrease of 1.5 percentage points as compared to sales.

Losses from discontinued operations net of taxes in fiscal 2004 was \$3,630,854 compared to \$ 1,556,721 in fiscal 2003.

Net loss in fiscal 2004 was \$1,697,504 compared to earnings of \$1,136,212 in fiscal 2004. The decrease in Net Earnings in 2004 represents primarily the effect of restructuring charges and discontinuing of Operations of IPAC 2000 described in the "Acquisitions, Divestitures and Restructuring Costs" below.

ACQUISITIONS, DIVESTITURES AND RESTRUCTURING COSTS

We recorded net restructuring and unusual charges of \$551,607 in 2005 and \$911,407 in 2004. The 2005 charges are primarily the result of ongoing cost reduction efforts, including the consolidation of the manufacturing facilities of Tranzmetal, a manufacturer of Precision Sheet Metal equipment acquired in February 2003. Those operations are in the process of being consolidated with the manufacturing facility of Circul-Aire.

We also recorded net losses of \$1,429,012 in 2005 and \$3,630,854 in 2004 resulting from the discontinued operations of Liberty Drive Property, Inc. During this year, we continued our plan to divest the assets of the industrial products and sheet metal divisions of Liberty Drive Property. Additional assets relating to the HVAC division are in the process of being consolidated with the manufacturing facility of Circul-Aire.

On November 29, 2002, we completed the sale of the Electric Heat Products Division for a total cash consideration of \$961,640 plus a balance of sale of \$440,979. Consequently, one of the subsidiary's name changed from P.M. Wright Ltd. to Circul-Aire Inc. The sale resulted in a net gain of \$190,262 (2004: \$90332, 2003: \$590,681) net of tax of \$69,001 (2004: \$20,770, 2003: \$198,668). As at January 31, 2005, the remaining balance of sale amounted to \$221,562. This balance of sale bears interest at the bank's prime rate plus 1%, repayable in 11 monthly installments of \$20,142. Due to transaction risks, a reserve for the full balance of sale has been charged.

13

On May 29, 2004, we sold some selected assets related to the industrial products and sheet metal divisions of our subsidiary IPAC 2000 Inc, for \$1,200,996. In connection with the sale, the subsidiary has changed its name to Liberty Driver Property Inc. In exchange for the assets sold, we received \$950,996 in cash and \$250,000 as a note receivable due in quarterly installments of interest only at 8% per annum through June 1, 2005. Commencing September 1, 2005 the note is due in quarterly installments of \$25,000 plus interest at 8% per annum. Commencing September 1, 2006 the note is due in quarterly installments of \$37,500 plus interest at 8% per annum, due June 2007.

LIQUIDITY AND CAPITAL RESOURCES

Management assesses liquidity in terms of our company's ability to generate cash to fund its operating, investing and financing activities. Significant factors affecting the management of liquidity are: cash flows generated from operating activities, capital expenditures, financing requirements, investments in businesses, adequacy of available bank lines of credit and the ability to attract long-term capital with satisfactory terms.

OPERATING ACTIVITIES

In Fiscal 2005, we generated positive cash flows from operating activities of \$2,146,473. The principal sources of cash were accounts receivable in the amount of 1,370,407, depreciation and amortization in the amount of \$1,268,526 and accounts payable in the amount of \$1,232,098. The principal use of cash was inventories in the amounts of \$836,129.

In Fiscal 2004, we generated positive cash flows from operating activities of \$584,257. The principal sources of cash were depreciation and amortization in the amount of \$ 1,366,592 and accounts payable in the amount of \$825,796. The principal uses of cash were accounts receivable and inventories in the amounts of \$1,521,309 and \$1,469,116 respectively.

In Fiscal 2003, we generated positive cash flows from operating activities of \$2,158,091. The principal sources of cash were depreciation and amortization, income taxes payables and accounts payables in the amount of \$991,229, \$684,578 and \$453,816 respectively. The principal uses of cash were accounts receivable and inventories in the amounts of \$1,859,562 and \$287,840 respectively.

INVESTING ACTIVITIES

In Fiscal 2005, we reported negative cash flows from investing activities of \$369,049 attributed to the acquisition of capital assets.

In Fiscal 2004, we reported negative cash flows from investing activities of \$1,307,302 attributed to the acquisition of capital assets.

In Fiscal 2003, we reported negative cash flows from investing activities of \$733,963 attributed mainly the acquisition of capital assets in the amount of \$667,736 and intangibles in the amount of \$66,227.

FINANCING ACTIVITIES

In Fiscal 2005, we reported negative cash flows from financing activities of \$4,726,960. The principal source of cash was issuance of shares in the amount of \$543,750 pursuant the exercise of some options. The principal uses of cash were repayments of long-term debt in the amount of \$1,927,663 and re-payments of bank loans in the amount of \$1.859,238.

In Fiscal 2004, we reported positive cash flows from financing activities of \$3,216,454. The principal source of cash was advances from bank loans of \$4,314,685. The principal use of cash was repayments of long-term debt in the amount of \$989,718.

In Fiscal 2003, we reported positive cash flows from financing activities of \$3,033,979. The principal sources of cash were advances from bank loans and long-term debt in the amounts of \$1,816,336 and \$1,003,685 respectively. The principal use of cash was repayments of loans payable and share purchase plan receivable.

Credit Agreement

In Fiscal 2005, our secured credit arrangement with National Bank of Canada remained in place as follows. This facility included an aggregated credit line of Cdn \$ 16,500,000 of which Cdn \$8,250,000 can be financed through a bankers' acceptance. The amount available to our company is equal to 75% of "eligible accounts receivable" as defined in the Line of Credit Agreement, plus 50% of the inventory values, net of work in process, up to a maximum advance against

inventory of approximately Cdn \$ 7,500,000. Dectron's borrowings under the line of credit bear interest at Canadian prime plus 0.25%, which at January 31, 2005 amounted to 4.25%. Interest on any borrowings is payable monthly. We are in full compliance with all of the banking covenants (including financial covenants and ratios) and we are required to report to our bankers on a monthly basis. We finance our operations mainly through the use of bankers' acceptances bearing an average lending rate of prime. All borrowings are collateralized by our assets.

In April 2002, we renegotiated a mortgage note and an equipment note and replaced them with a new loan of \$1,983,330 with National Bank of Canada bearing interest at 7.18%. In June 2002, we entered into a financial lease for an amount of \$ 400,000 bearing interest at 6.989%. In August 2002, we entered into a financial lease for an amount of \$ 97,925 bearing interest at 6.025%. In October 2002, we entered into a financial lease for an amount of \$ 267,896 bearing interest at 6.275%. All the above loans are still in place and are being repaid according to schedules.

OFF-BALANCE SHEET ARRANGEMENTS

We do not have any off-balance sheet arrangements.

We have contractual obligations arising from sales of certain businesses and assets, as well as debt and operating leases. As of January 31, 2005, we had an outstanding balance on our line of credit of \$ 11,642,981 and do not have any purchase obligations. We have not engaged in off-balance sheet financing or commodity contract trading.

CONTRACTUAL COMMITMENTS AND OTHER OBLIGATIONS

<TABLE>

<CAPTION>

CONTRACTUAL OBLIGATIONS	TOTAL -----	PAYMENTS DUE BY PERIOD			
		0-1 YEARS -----	1-3 YEARS -----	4-5 YEARS -----	5+ YEARS -----
<S>	<C>	<C>			
Balance of Sale	120,851	120,851	-	-	-
Other Long Term Debt	4,598,932	2,228,019	1,659,016	439,185	272,712
Total Long term debt	4,719,783	2,348,870	1,659,016	439,185	272,712
Operating lease	4,035,719	909,060	1,558,648	1,568,011	-

</TABLE>

Management believes that these commitments will be satisfied with current operating cash flow.

CRITICAL ACCOUNTING POLICIES

Our consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States (GAAP). These accounting principles require us to make certain estimates, judgments and assumptions. We believe that the estimates, judgments and assumptions upon which we rely are reasonable based upon information available to us at the time that these estimates, judgments and assumptions are made. These estimates, judgments and assumptions can affect the reported amounts of assets and liabilities as of the date of the financial statements, as well as the reported amounts of revenues and expenses during the periods presented. To the extent there are material differences between these estimates, judgments or assumptions and actual results, our financial statements will be affected. The significant accounting policies that we believe are the most critical to aid in fully understanding and evaluating our reported financial results include the following:

Revenue Recognition

We recognize revenue for finished products when the goods are shipped and title passes to the customer, provided that there are no uncertainties regarding customer acceptance, persuasive evidence of an arrangement exist; the sales price is fixed or determinable; and collectibility is deemed probable.

15

Deferred Revenue

We have sold extended warranty contracts covering a period of four to nine years beyond the one-year basic guarantee. The deferred revenue is recognized as income over the four to nine year period on a straight-line basis commencing one year from the sale of the contracts.

Intangible Assets and Goodwill

We account for intangible assets and goodwill in accordance with Statement of Financial Accounting Standards (SFAS) 142, "Goodwill and Other Intangible Assets", which was adopted by we on February 1, 2002 in accordance with that statement, goodwill and intangible assets with indefinite lives are no longer

amortized, but rather tested for impairment at least annually. Intangible assets with estimable useful lives, consisting of patents, trademarks, and rights, are amortized on a straight-line basis over the estimated useful lives of 5 to 15 years, and are reviewed for impairment in accordance with SFAS 144, "Accounting for the Impairment of long-lived Assets".

Goodwill represents the excess of purchase price over the fair value of identifiable assets acquired in a purchase business combination. For the years 2002, goodwill was amortized using the straight-line method, over a period of 10 years.

Goodwill and intangible assets with definite lives are tested at least annually for impairment in accordance with the provisions of SFAS 142.

Impairment of goodwill is tested at the reporting unit level by comparing the reporting unit's carrying amount, including goodwill, to the fair value of the reporting unit. The fair values of the reporting units are estimated using a combination of the income or discounted cash flows approach and the market approach, which utilizes comparable companies' data. If the carrying amount of the reporting unit exceeds its fair value, then a second step is performed to measure the amount of impairment loss, if any. Any impairment loss would be expensed in the consolidated statements of earnings. The impairment test for intangibles with indefinite useful lives consists of a comparison of the fair value of the intangible assets with its carrying amount. When the carrying amount of the intangible assets exceeds its fair value, an impairment loss would be recognized for the difference.

Intangible assets with estimable lives and other long-lived assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of an asset or assets group may not be recoverable in accordance with SFAS 144. Recoverability of intangible assets with estimable lives and other long-lived assets is measured by a comparison of the carrying amount of an assets or asset group to future net undiscounted pretax cash flows expected to be generated by the assets or asset group. If these comparisons indicated that an asset is not recoverable, the impairment loss recognized is the amount by which the carrying amount of the asset or the asset group exceeds the related estimated fair value.

Income Taxes

As part of the process of preparing our financial statements, we will be required to estimate our income taxes in each of the jurisdictions in which we operate. This process will involve estimates of our actual current tax exposure together with assessing temporary differences resulting from differing treatment of items, such as depreciation and amortization, for tax and accounting purposes.

RECENT ACCOUNTING PRONOUNCEMENTS

On December 16, 2004, the FASB issued SFAS 123 (R), "Share-Based Payment," which is a revision of SFAS 123, "Accounting for Stock-Based Compensation." SFAS 123(R) requires all share-based payments to employees, including grants of employee stock options, to be recognized in the income statement based on their fair values. Pro forma disclosure is no longer an alternative. SFAS 123(R) must be adopted no later than August 1, 2005. Early adoption is permitted. The Company expects to adopt SFAS 123(R) on August 1, 2005, utilizing the modified retrospective method. The modified retrospective method requires compensation costs to be recognized beginning with the effective date based on the requirements of SFAS 123(R) for all (a) share-based payments granted after the effective date and (b) awards granted to employees prior to the effective date of SFAS 123(R) that remain unvested on the effective date. Amounts for prior years will be restated based on the amounts previously recognized under SFAS 123 for purposes of pro forma disclosures. As permitted by SFAS 123, the Company currently accounts for share-based payments to employees using APB Opinion 25's intrinsic value method and, as such, generally recognizes no compensation cost for employee stock options. Accordingly, the adoption of SFAS 123(R)'s fair value method will have a significant impact on the Company's results of operations, although it will have no impact on the Company's overall financial position. The impact of the adoption of SFAS 123(R) cannot be predicted at this time because it will depend on levels of share-based payments granted in the future. However, when adopted, the impact of SFAS 123(R) on prior periods will approximate the impact of SFAS 123 as described in the disclosure of pro forma net earnings and earnings per share in the Summary of Significant Accounting Policies note 1.

In November 2004, the FASB issued SFAS 151, "Inventory Costs - an amendment of ARB No.43, Chapter 4," which requires companies to expense abnormal freight, handling costs, or spoilage in the period incurred and to allocate fixed overhead based on normal capacity, with adjustment if production is

abnormally high. This standard becomes effective for the Company on August 1, 2005, with early adoption permitted. The Company currently accounts for abnormal freight, handling costs, and spoilage consistent with the standard. The Company plans to adopt the provisions early, on a prospective basis, as they relate to capitalization of fixed overhead expenses in the first quarter of 2006. The Company is currently evaluating the effects of implementing this standard. Based on a preliminary analysis, the Company does not expect that there will be a material effect on 2006 total Company results. There may be an impact on the results of certain quarters at the segment or total Company level.

FINANCIAL STATEMENTS AND INTERNAL CONTROLS

We believe it is critical to provide investors and other users of our financial statements with information that is relevant, objective, understandable and timely, so that they can make informed decisions. As a result, we have established and we maintain accounting systems and practices and internal control processes designed to provide reasonable assurance that transactions are properly executed and recorded and that our policies and procedures are carried out appropriately.

Financial Controls and Transparency

Our internal controls are designed to ensure that assets are safeguarded, transactions are executed according to management authorization and our financial systems and records can be relied upon for preparing our financial statements and related disclosures. Our system of internal controls includes continuous review of our financial policies and procedures to ensure accounting and regulatory issues have been appropriately addressed, recorded and disclosed. The independent auditors perform audits of our financial statements, in which they examine evidence supporting the amounts and disclosures in our financial statements, and also consider our system of internal controls and procedures in planning and performing their audits.

Management Controls

Our management team is committed to providing high-quality, relevant and timely information about our businesses. Management performs reviews of each of our businesses throughout the year, addressing issues ranging from financial performance and strategy to personnel and compliance.

In addition, see "Item 9A - Controls and Procedures" below.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market Risk and Risk Management

We are exposed to fluctuations in foreign currency exchange rates and interest rates. To manage certain of those exposures, we use futures, options and swaps. The instruments we utilize in our hedging activities are viewed as risk management tools, involve little complexity and are not used for trading or speculative purposes. Management believes that we satisfactorily diversify the counterparties used and monitor the concentration of risk to limit our counterpart exposure.

Foreign Currency Translation

We maintain our books and records in Canadian dollars. Foreign currency transactions are translated using the temporal method. Under this method, all monetary items are translated into Canadian funds at the rate of exchange prevailing at balance sheet date. Non-monetary items are translated at historical rates. Income and expenses are translated at the rate in effect on the transaction dates. Transaction gains and losses are included in the determination of earnings for the year.

17

The translation of the financial statements from Canadian dollars into United States dollars is performed for the convenience of the reader. Balance sheet accounts are translated using closing exchange rates in effect at the balance sheet date and income and expense accounts are translated using an average exchange rate prevailing during each reporting period. No representation is made that the Canadian dollar amounts could have been, or could be, converted into United States dollars at the rates on the respective dates and or at any other certain rates. Adjustments resulting from the translation are included in the accumulated other comprehensive income in stockholder's equity.

Interest Rate Risk

We are exposed to market risk related to fluctuations in interest rates on our debt. Increase in prevailing interest rates could increase our interest payment obligations relating to variable rate debt. For example, a 100 basis point increase in interest rates would increase our annual interest expense by \$120,000.

ITEM 8. FINANCIAL STATEMENTS

The financial statements are included at the end of this Annual Report on Form 10-K at the pages indicated below.

<TABLE> <CAPTION> Financial Statements: -----	Page Number -----
<S>	<C>
Report of Independent Registered Public Accounting Firm	F - 1
Consolidated Balance Sheets for the years ended January 31, 2005 and January 31, 2004	F - 2 to F - 3
Consolidated Statements of Operations for the years ended January 31, 2005, 2004 and 2003	F - 4 to F-5
Consolidated Statements of Cash Flows for the years ended January 31, 2005, 2004 and 2003	F - 6 to F - 8
Consolidated Statements of Stockholders' Equity for the years ended January 31, 2005 2004and 2003	F - 9
Notes to Consolidated Financial Statements	F - 10 to F - 26

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

During our two most recent fiscal years, we have had no disagreements with Schwartz Levitsky Feldman, our independent accountants, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Schwartz Levitsky Feldman would have caused it to make reference to the subject matter thereof in its report on the financial statements of our company for such periods.

ITEM 9A. CONTROLS AND PROCEDURES

We believe it is critical to provide investors and other users of our financial statements with information that is relevant, objective, understandable and timely, so that they can make informed decisions. As a result, we have established and we maintain accounting systems and practices and internal control processes designed to provide reasonable assurance that transactions are properly executed and recorded and that our policies and procedures are carried out appropriately.

18

Our management team is committed to providing high-quality, relevant and timely information about our businesses. Management performs reviews of each of our businesses throughout the year, addressing issues ranging from financial performance and strategy to personnel and compliance.

Management is responsible for implementing and maintaining adequate systems of internal and disclosure controls and procedures and for monitoring their effectiveness.

We evaluated the effectiveness of the design and operation of our "disclosure controls and procedures" ("Disclosure Controls") pursuant to Rules 13a-14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and our "internal controls and procedures for financial reporting" (Internal Controls) as of the end of the period covered by this Annual Report on Form 10-K. This evaluation was done under the supervision and with the participation of management.

- o Disclosure Controls are procedures that are designed with the objective of ensuring that information required to be disclosed in our reports filed under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure Controls are also designed with the objective of ensuring that such information is accumulated and communicated to our management, including the Chief Executive Officer to allow timely decisions regarding required disclosure.
- o Internal Controls are procedures which are designed with the objective of providing reasonable assurance that (1) our transactions are properly authorized; (2) our assets are safeguarded against unauthorized or improper use; and (3) our transactions are properly recorded and reported, all to permit the preparation of our financial statements in conformity with generally accepted accounting principles in the United States Of America.

There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives

Based upon our management's evaluation, our chief executive officer and chief financial officer have concluded that, as of January 31, 2005, the disclosure and internal accounting controls provide reasonable assurance that information required to be disclosed in the reports that we file under the Exchange Act is recorded, processed, summarized and reported as and when required, including with specific reference that our assets are safeguarded, transactions are executed in accordance with management's authorizations and the financial records are reliable for the purpose of preparing financial statements.

There were no significant changes in our internal and disclosure controls or in other factors that could significantly affect such internal and disclosure controls subsequent to the date of their evaluation.

ITEM 9B OTHER INFORMATION

None

PART III

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS, PROMOTERS AND CONTROL PERSONS;
COMPLIANCE WITH SECTION 16 (A) OF THE EXCHANGE ACT

The officers and directors of Dectron, and further information concerning them, are as follows:

NAME	AGE	POSITION
Ness Lakdawala	71	Chairman of the Board of Directors, President and Chief Executive Officer
Roshan Katrak	61	Vice President of Human Relations and Director
Mauro Parissi	39	Chief Financial Officer, Secretary and Director
Michel Lecompte	55	Vice-President of Operations of RefPlus
Leena Lakdawala	37	Executive Vice President and Director
Aurelio Useche	37	Vice-President Operations
Gilles Richard	67	Director
Rustom M. Ghadiali	67	Director
Dick Driggs	67	Director

Each director is elected for a period of one year at our annual meeting of stockholders and serves until the next such meeting and until his or her successor is duly elected and qualified. Directors may be re-elected annually without limitation. Officers are appointed by, and serve at the discretion of, our board of directors. Our board of directors met 2 times during the year ended January 31, 2005.

Set forth below is a biographical description of each of our directors and executive officers based on information supplied by each of them.

NESS LAKDAWALA has served as the President, Chief Executive Officer and Chairman of Dectron since our inception, and has also served as the President and Chief Executive Officer of Dectron Inc. since 1994. Prior to joining Dectron Inc., Mr. Lakdawala was President of Blanchard Ness Limited, a company which he founded in 1976. From 1987 to present, Mr. Lakdawala has served as the President of Thermoplus. In January 1996, Thermoplus filed a proposal under the provisions of the Bankruptcy Act of Canada, which gave full payment to secured creditors who filed a proof of claim. From 1987-1988, Mr. Lakdawala was Chairman of the Heating Refrigeration Air Conditioning Institute of Canada. Mr. Lakdawala has also served as the Governor of the American Society of Heating, Refrigeration and Air Conditioning Engineers, Inc. ("ASHRAE"), the organization that sets ventilation standards in Canada and the United States. Mr. Lakdawala is currently a member of ASHRAE and the Refrigeration Service Engineers Society. Ness Lakdawala is the husband of Roshan Katrak and the father of Leena Lakdawala.

ROSHAN KATRAK has served as Vice President of Human Relations of Dectron since our inception, and has served in the same capacity with Dectron Inc. since 1994. She has also served as a Director of Dectron since 1998. From 1976 to 1994, she was a Director of Blanchard Ness Limited, and from 1987 to present has been Vice President of Human Relations for Thermoplus. In January 1996, Thermoplus filed a proposal under the provisions of the Bankruptcy Act of Canada, which gave full payment to secured creditors who filed a proof of claim. Mrs. Katrak received her Honors Degree in Psychology in 1964. Roshan Katrak is the wife of Ness Lakdawala and the mother of Leena Lakdawala.

MAURO PARISSI, C.A. has served as the Chief Financial Officer, Secretary and a Director of Dectron since our inception, and has also served as the Controller of Dectron Inc. since 1996. From 1995-1996, Mr. Parissi was an auditor with the firm of Mizgala & Cie. From 1990-1995, Mr. Parissi was an auditor with the firm of Hart, David Lloyd, F.C.A., C.I.P. Mr. Parissi is currently a member of The Canadian Institute of Chartered Accountants and The Order of Chartered Accountants of Quebec. Mr. Parissi received his graduate diploma in Public Accountancy from McGill University in 1995.

MICHEL LECOMPTE has served as the Vice President of Operations since our inception and President of RefPlus since 1994. From 1977 to 1994, Mr. Lecompte was with Blanchard Ness as both Chief Engineer and Estimator. Mr. Lecompte was involved in estimating commercial and industrial HVAC systems as well as updating operating and maintenance procedures to improve existing equipment efficiency. Mr. Lecompte also provided technical guidance to construction departments and identified evaluated and resolved problems. Mr. Lecompte is a member of ASHRAE and is a voting member of ASHRAE's Technical Committee which establishes worldwide acceptance of HVAC standards. In addition, Mr. Lecompte conducts many HVAC seminars focusing on refrigeration and heat recovery. Mr. Lecompte is also a member of the Refrigeration Service Engineers Society.

LEENA LAKDAWALA has served as Executive Vice President and a Director of Dectron since our inception, and has also served as Vice President of Production and Administration for Dectron Inc. since 1994. She is currently a member of the Heating Refrigeration and Air Conditioning Institute. Mrs. Lakdawala received her B.A from Concordia University in 1993. Leena Lakdawala is the daughter of Ness Lakdawala and Roshan Katrak. Leena Lakdawala is the wife of Aurelio Useche.

AURELIO USECHE has served as Vice-President, Operations since 2001. Mr. Useche also held various positions within several subsidiaries within Dectron between 1993 and 2000. Mr. Useche received his Masters of Business Administration from Queens University in 2001 and his Bachelors of Applied Arts and Sciences from Concordia University in 1992. Mr. Useche is the husband of Leena Lakdawala.

GILLES RICHARD has served as a Director of Dectron since 2001. Mr. Richard is a semi-retired businessman who was previously the President of Le Circuit Lincoln Mercury, the sixth largest dealership in Canada. Mr. Richard was also involved with partners in a distributorship of lift-truck (Mitsubishi's M-Lift), two computer companies which created software applications car dealership, and most recently the construction of commercial and residential buildings. Over the years, Mr. Richard was a director or officer of various organizations such as the Nada (National Automobile Association) and CADA (Canadian Automobile Association).

RUSTOM M. GHADIALI joined Dectron Internationale as director in 2004. Mr. Ghadiali retired from International Rectifier S.E. A. PVT Ltd., a leader in Power Management Technology, after more than thirty-five years in various positions within the International Rectifier Group. From 2002-2004, he was Vice-President-Director International Rectifier S.E. A. PVT Ltd., Administration Asian Operations. From 1994 to 2002, he was Vice-President, International Rectifier Offshore Assembly Operations, South East Asia, India and China. Mr. Ghadiali is a Chartered Secretary & Administrator.

DICK W. DRIGGS joined Dectron Internationale as director in 2004. Mr. Driggs retired in 2003 as Chairman of the Board of Heat Controller, Inc. and President of Addison Products Co. where he was in position from 1996 to 2003. He previously held various executive positions with Addison Products, AAF-McQuay Corporation, and Snyder General Corporation. Mr. Driggs is still active as member of the Board of Directors for Heat Controller, Inc., Airguide Manufacturing, LLC and Thermoguard, Triple-E USA. Mr. Driggs is a member of the following Professional Organizations ASQC, APICS, IIE and ISA and of the following Military Professional Organizations: MCA, MCROA, ROA, TROA and MOAA, MCL, NL, MCMA, USNI, American Legion and VFW. Mr. Driggs retired in 1995 from USMCR after 41 years of service and held the unique position of being the first CWO-5 (Chief Warrant Officer) ever appointed in the USMC.

Mr. Ness Lakdawala is the husband of Roshan Katrak, father of Leena Lakdawala and father-in-law of Aurelio Useche

Ms Roshan Katrak is the wife of Ness Lakdawala, mother of Leena Lakdawala and mother-in law of Mr. Aurelio Useche.

Ms Leena Lakdawala is the daughter of Ness Lakdawala and Roshan Katrak and the wife of Aurelio Useche.

Mr. Useche is the husband of Ms Leena Lakdawala and son-in-law of Ness Lakdawala and Roshan Katrak

Except as set forth herein, no officer or director of our company has, during the last five years: (i) been convicted in or is currently subject to a pending a criminal proceeding; (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to any Federal or state securities or banking laws including, without limitation, in any way limiting involvement in any business activity, or finding any violation with respect to such law, nor (iii) has any bankruptcy petition been filed by or against the business of which such person was an executive officer or a general partner, whether at the time of the bankruptcy or for the two years prior thereto.

COMPLIANCE WITH SECTION 16 OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act, as amended (the "Exchange Act") requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Executive officers, directors and persons who beneficially own more than ten percent of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of reporting forms furnished to us, we do not believe that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934 applicable to our directors, officers and any persons holding 10% or more of our common stock with respect to our fiscal year ended January 31, 2005, were satisfied on a timely basis.

AUDIT COMMITTEE

Our board of directors has an audit committee comprised of Gilles Richard, Rustom M. Ghadiali and Dick Driggs. The audit committee makes recommendations to our board of directors regarding the independent auditors for our company, approves the scope of the annual audit activities of our independent auditors, review audit results and will have general responsibility for all of our auditing related matters.

The purpose of the Audit Committee is to assist our board of directors in the oversight of the integrity of the consolidated financial statements of our company, our company's compliance with legal and regulatory matters, the independent auditor's qualifications and independence, and the performance of our company's independent auditors. The primary responsibilities of the Audit Committee are set forth in its charter, and include various matters with respect to the oversight of our company's accounting and financial reporting process and audits of the consolidated financial statements of our company on behalf of our board of directors. The Audit Committee also selects the independent certified public accountants to conduct the annual audit of the consolidated financial statements of our company; reviews the proposed scope of such audit; reviews accounting and financial controls of our company with the independent public accountants and our financial accounting staff; and reviews and approves transactions between us and our directors, officers, and their affiliates.

Accordingly, the Audit Committee discusses with Schwartz Levitsky Feldman, our auditors, our audited financial statements, including among other things the quality of our accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by our management in our financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, in addition to the auditor's independence.

22

AUDIT COMMITTEE FINANCIAL EXPERT

The Board of Directors has determined that Rustom M. Ghadiali is our financial expert.

CODE OF ETHICS

Our board of directors adopted a Code of Ethics that covers all executive

officers of our company and its subsidiaries. The Code of Ethics requires that senior management avoid conflicts of interest; maintain the confidentiality of information relating to our company; engage in transactions in shares of our common stock only in compliance with applicable laws and regulations and the requirements set forth in the Code of Ethics; and comply with other requirements which are intended to ensure that such officers conduct business in an honest and ethical manner and otherwise act with integrity and in the best interest of our company. All our executive officers are required to affirm in writing that they have reviewed and understand the Code of Ethics.

Any amendment of our Code of Ethics or waiver thereof applicable to any of our principal executive officer, principal financial officer and controller, principal accounting officer or persons performing similar functions will be disclosed on our website within 5 days of the date of such amendment or waiver. In the case of a waiver, the nature of the waiver, the name of the person to whom the waiver was granted and the date of the waiver will also be disclosed. A copy of our Code of Ethics is attached hereto as Exhibit 14 to the Form 10K filed for the fiscal year ended January 31, 2004 and is incorporated herein by reference.

INDEMNIFICATION OF OFFICERS AND DIRECTORS

Our Bylaws provide that we shall indemnify to the fullest extent permitted by Canadian law our directors and officers (and former officers and directors). Such indemnification includes all costs and expenses and charges reasonably incurred in connection with the defense of any civil, criminal or administrative action or proceeding to which such person is made a party by reason of being or having been our officer or director if such person was substantially successful on the merits in his or her defense of the action and he or she acted honestly and in good faith with a view to our best interests, and if a criminal or administrative action that is enforced by a monetary penalty, such person had reasonable grounds to believe his or her conduct was lawful.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted, our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses, incurred or paid by one of our directors, officers or controlling persons in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person, we will, unless our counsel opines that the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act of 1933, as amended, and we will be governed by the final adjudication of such issue

ITEM 11. EXECUTIVE COMPENSATION

The following table sets forth certain information regarding compensation paid by Dectron during each of the last three fiscal years to our Chief Executive Officer and to each of our executive officers who earned in excess of \$100,000 during the year ended January 31, 2005.

23

SUMMARY COMPENSATION TABLE

<TABLE>

</TABLE>

- (1) This reflects the aggregate salaries paid to Mr. Lakdawala during the fiscal years presented by Dectron, RefPlus and Thermoplus.
- (2) This reflects the aggregate salaries paid to the above individuals each married to each other.

Employment Agreements

We entered into an employment agreement with Mr. Ness Lakdawala, our Chief Executive Officer on October 5, 1998, the effective date of our initial public offering. The employment agreement is for a term of two years, renewable for additional one-year periods. The employment agreement entitled Mr. Lakdawala to an annual salary of \$200,000, adjusted annually for increases in the Consumer Price Index. In the event that we are subject to a takeover or a change of control event, Mr. Lakdawala is entitled to a bonus equal, on an after tax basis, to five times his then current annual base salary. Mr. Lakdawala's employment agreement contains a non-competition provision, which forbids him from engaging in a competitive business during his employment and for a period of one year thereafter. Mr. Lakdawala's employment agreement has been extended for an additional two years at the same conditions as above in October 2000, for an additional two years in October 2002 and for an additional two years in October 2004.

We do not currently have employment agreements with any of our other officers or directors.

BOARD COMPENSATION REPORT

EXECUTIVE COMPENSATION POLICY

Dectron's executive compensation policy is designed to attract, motivate, reward and retain the key executive talent necessary to achieve our business objectives and contribute to our long-term success. In order to meet these goals, Dectron's compensation policy for our executive officers focuses primarily on determining appropriate salary levels and providing long-term stock-based incentives. To a lesser extent, the Dectron's compensation policy also contemplates performance-based cash bonuses. Dectron's compensation principles for the Chief Executive Officer are identical to those applicable to Dectron's other executive officers.

24

Cash Compensation. In determining our recommendations for adjustments to officers' base salaries for Fiscal 2005 we focused primarily on the scope of each officer's responsibilities, each officer's contributions to Dectron's success in moving toward its long-term goals during the fiscal year, the accomplishment of goals set by the officer and approved by our board of directors for that year, our assessment of the quality of services rendered by the officer, comparison with compensation for officers of comparable companies and an appraisal of our financial position. In certain situations, relating primarily to the completion of important transactions or developments, we may also pay cash bonuses, the amount of which will be determined based on the contribution of the officer and the benefit to Dectron of the transaction or development.

Equity Compensation. The grant of stock options to executive officers constitutes an important element of long-term compensation for the executive officers. The grant of stock options increases management's equity ownership in us with the goal of ensuring that the interests of management remain closely aligned with those of our stockholders. Our board of directors believes that stock options in Dectron provide a direct link between executive compensation and stockholder value. By attaching vesting requirements, stock options also create an incentive for executive officers to remain with us for the long term.

CHIEF EXECUTIVE OFFICER COMPENSATION

As indicated above, the factors and criteria upon which the compensation of Ness Lakdawala, our Chief Executive Officer, is based are identical to the criteria used in evaluating the compensation packages of the other executive officers of Dectron. The Chief Executive Officer's individual contributions to Dectron include his leadership role in establishing and retaining a strong management team, developing and implementing our business plans and attracting investment capital to Dectron. In addition, we have reviewed compensation levels of chief executive officers at comparable companies within our industry.

OTHER COMPENSATION

Outside directors may be paid an honorarium for attending meetings of our board of directors in an amount that management anticipates will not exceed \$1,000 per meeting.

STOCK OPTION PLAN

2001 Stock Option Plan

We also adopted the 2001 Stock Option Plan (the "2001 Plan") pursuant to which 500,000 shares of Common Stock are reserved for issuance, 108,500 options are currently issued and outstanding.

On January 4, 2002, our board of directors granted options under our 2001 Stock Option Plan to certain members of our Board and certain employees. Leena Lakdawala, Roshan Katrak, Mauro Parissi, Liam Cheung, and Gilles Richard were granted 15,000, 15,000, 5,000, 3,000 and 3,000 options, respectively. Subject to certain limitations, the options granted are exercisable one year after issuance. Subsequent to the one-year anniversary date of the grant, the option holders may exercise the option up to 25% per year of the total options granted for the following four years. Each of the options will be fully exercisable on January 4, 2006, and expire on January 4, 2011. The exercise price of the options is \$4.20

The 2001 Plan is administered by our board of directors, who will determine, among other things, those individuals who shall receive options, the time period during which the options may be partially or fully exercised, the number of shares of Common Stock issuable upon the exercise of the options and the option exercise price.

The 2001 Plan is effective for a period of ten years, expiring in 2011. Options may be granted to officers, directors, consultants, key employees, advisors and similar parties who provide us with their skills and expertise. The 2001 Plan is designed to enable management to attract and retain qualified and competent directors, employees, consultants and independent contractors. Options granted under the 2001 Plan may be exercisable for up to ten years, and shall be at an exercise price all as determined by our board of directors. Options are non-transferable except by the laws of descent and distribution or a change in control of our company as defined in the 2001 Plan, and are exercisable only by the participant during his or her lifetime. Change in control includes (i) the sale of substantially all of the assets of Dectron and merger or consolidation with another company, or (ii) a majority of our board of directors changes other than by election by the stockholders pursuant to Board solicitation or by vacancies filled by our board of directors caused by death or resignation of such person.

25

If a participant ceases affiliation with Dectron by reason of death, permanent disability or retirement at or after age 70, the option remains exercisable for one year from such occurrence but not beyond the option's expiration date. Other types of termination allow the participant three months to exercise, except for termination for cause, which results in immediate termination of the option.

The exercise price of an option may not be less than the fair market value per share of Common Stock on the date that the option is granted in order to receive certain tax benefits under the Income Tax Act of Canada (the "ITA"). The ITA requires that the exercise price of all future options will be at least 85% of the fair market value of the Common Stock on the date of grant of the options. A benefit equal to the amount by which the fair market value of the shares at the time the employee acquires them exceeds the total of the amount paid for the shares or the amount paid for the right to acquire the shares shall be deemed to be received by the employee in the year the shares are acquired pursuant to paragraph 7(1) of the ITA. Where the exercise price of the option is equal to the fair market value of the shares at the time the option is granted, paragraph 110(1)(d) of the ITA allows a deduction from income equal to one quarter of the benefit as calculated above. If the exercise price of the option is less than the fair market value at the time it is granted, no deduction under paragraph 110(1)(d) is permitted. Options granted to any non-employees, whether directors or consultants or otherwise will confer a tax benefit in contemplation of the person becoming a stockholder pursuant to subsection 15(1) of the ITA.

Options under the 2001 Plan must be issued within ten years from the effective date of the 2001 Plan.

Any unexercised options that expire or that terminate upon an employee's ceasing to be employed by Dectron become available again for issuance under the 2001 Plan.

The 2001 Plan may be terminated or amended at any time by the our board of directors, except that the number of shares of Common Stock reserved for issuance upon the exercise of options granted under the 2001 Plan may not be increased without the consent of our stockholders.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

We do not have a compensation committee. While we have not yet been able to identify and appoint suitable nominees as of the date of this annual report, our management is currently diligently pursuing candidates therefor.

26

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of April 29, 2005 with respect to each beneficial owner of 5% or more of the outstanding shares of our common stock, each of our officers and directors, and all of our officers and directors as a group:

<TABLE>
<CAPTION>

NAMES AND ADDRESS OF BENEFICIAL OWNER (1)	AMOUNT AND NATURE OF BENEFICIAL OWNERSHIP (2)	PERCENTAGE OF SHARES OUTSTANDING
<S>	<C>	<C>
Ness Lakdawala	1,745,309 (3)	55.3%
Roshan Katrak	1,745,309 (4)	55.3%
Leena Lakdawala	149,650 (5)	4.7%
Aurelio Useche	149,650 (6)	4.7%
Mauro Parissi	23,390 (7)	*
Michel Lecompte	23,000 (8)	*
Gilles Richard	2,250 (9)	*
Rustom M. Ghadiali	-	*
Dick W. Driggs	-	*
Total	1,932,349	60.8%

</TABLE>

* Less than one %.

(1) The address of each individual is c/o Dectron Internationale Inc., 4300 Poirier Blvd., Montreal, Quebec, Canada H4R 2C5.

(2) Based upon information furnished to us by the directors and executive officers or obtained from our stock transfer books. We are informed that these persons hold the sole voting and dispositive power with respect to the common stock except as noted herein. For purposes of computing "beneficial ownership" and the percentage of outstanding common stock held by each person or group of persons named above as of the date of this annual report, any security which such person or group of persons has the right to acquire within sixty (60) days after such date is deemed to be outstanding for the purpose of computing beneficial ownership and the percentage ownership of such person or persons, but is not deemed to be outstanding for the purpose of computing the percentage ownership of any other person.

(3) Represents (i) 43,562 shares of Common Stock directly owned, (ii) 127,934 shares of Common Stock and 11,250 options to purchase Common Stock owned by Roshan Katrak, Mr. Lakdawala's wife, (iii) 69,684 shares of Common Stock owned by Roshaness Inc., a company owned by Mr. Lakdawala, and (iv) 1,492,879 owned by 3103-7195 Quebec Inc., a company owned by Mr. Lakdawala's spouse and children.

(4) Represents (i) 127,934 shares of Common Stock and 11,250 options to purchase Common Stock directly owned, (ii) 43,562 shares of Common Stock owned by Ness Lakdawala, Ms. Katrak's husband, (iii) 69,684 shares of Common Stock owned by Roshaness Inc., a Company owned by Ness Lakdawala, and (iv) 1,492,879 shares owned by 3103-7195 Quebec Inc., a company owned by Ms. Katrak and her children.

27

- (5) Represents (i) 73,400 shares of Common Stock and 11,250 options to purchase Common Stock directly owned, and (ii) 63,500 shares of Common Stock and 750 options owned by Aurelio Useche, Ms Lakdawala's husband.
- (6) Represents (i) 63,500 shares of Common Stock and 750 options to purchase Common Stock owned directly And (ii) 73,400 shares of Common Stock and 11,250 options to purchase Common Stock owned by Leena Lakdawala, Mr. Useche's wife.
- (7) Represents (i) 18,500 shares of Common Stock and 3.750 options to purchase Common Stock directly owned, and (ii) 500 shares of common Stock and 750 options owned by Suzie Lapointe, Mr. Parissi's wife.
- (8) Includes 3,000 options to purchase Common Stock
- (9) Includes 2,250 options to purchase Common Stock.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We lease our St. Hubert, Quebec manufacturing facility from Roshan Katrak, our Vice President of Human Relations and the wife of Ness Lakdawala, our President, Chairman and CEO, for a monthly rent of \$ 3,958 per month. We believe that the lease was made on terms no less favorable than could be obtained from unaffiliated third parties.

We lease our Grande Allee manufacturing facilities from Investiness Inc., a company owned by Ness Lakdawala's spouse and children, for an aggregate monthly lease payment of \$ 19,942. We believe that the lease was made on terms no less favorable than could be obtained from unaffiliated third parties.

Immediately prior to the effective date of the Registration Statement for our initial public offering (the "Offering"), we restructured our corporate structure ("Restructuring"). In order to complete the Restructuring, (i) Dectron Inc., which prior to the Restructuring owned a majority interest in RefPlus, acquired the minority interests in RefPlus, which included both common stock and preferred stock (and assumed RefPlus' loan payables of approximately Cdn\$125,000) which is included in the Cdn\$1,149,050 number mentioned below) in exchange for 62,500 shares of Dectron's Common Stock and Cdn\$102,503; (ii) Dectron Inc. acquired all of the outstanding securities of Thermoplus, which included both Common Stock and preferred stock, and assumed Thermoplus' parent company's loan payables (approximately Cdn\$497,000, which amount is included in the Cdn\$1,149,050 number mentioned below) in exchange for 194,621 shares of Dectron's Common Stock and Cdn\$423,738, and (iii) Dectron acquired all of the issued and outstanding securities of Dectron Inc. in exchange for 1,492,879 shares of the Dectron's Common Stock. The shares of Dectron Inc. were owned by 159653 Canada, Inc. which was a holding company beneficially owned by Mr. Lakdawala. The RefPlus and Thermoplus' parent company loans payable represent the repayment of loans made to such companies. In connection with the Restructuring, we issued 1,750,000 shares of Common Stock and promissory notes in the aggregate amount of Cdn\$1,149,050. Of this amount, Cdn\$557,050 (or approximately U.S.\$400,000) were repaid out of the proceeds of the Offering. Of these amounts, an aggregate amount of 1,674,059 shares of Common Stock and promissory notes in the aggregate amount of Cdn\$592,000 were issued to Ness Lakdawala, and his affiliates. The Cdn\$592,000 was repaid out of Dectron's cash flow, without interest, in 12 equal monthly installments which repayment commenced three months after the Offering.

Mr. Lakdawala and his affiliates received their 1,674,059 shares of Dectron for contributing their interest in Dectron's subsidiaries. Specifically, Mr. Lakdawala's affiliate received 1,492,879 shares in exchange for 100% of 159653 Canada Inc., which owned 100% of Dectron Inc. prior to the Restructuring; 156,808 shares for a portion of their shares of KeepKool which represented 86% of KeepKool (KeepKool owned 94% of Thermoplus prior to the Restructuring); and 24,372 share for his shares of 3294242 Canada Inc. which represented 61% of 3294242 (3294242 owned 49.99% of RefPlus, Inc. prior to the Restructuring). Dectron Inc. owned 50.01% of RefPlus Inc. prior to the Restructuring. The two promissory notes totaling Cdn\$592,000 were issued to Mr. Lakdawala and his affiliates in exchange for Cdn\$222,000 of debt owed to Mr. Lakdawala by KeepKool and Cdn\$370,000 for a portion of his shares of KeepKool.

The terms of the Restructuring were negotiated between Mr. Lakdawala and the other owners of the minority interest in RefPlus and Thermoplus. Mr. Lakdawala and his affiliates held a majority interest in Thermoplus prior to the Restructuring. Dectron owned a majority interest in RefPlus prior to the Restructuring and Mr. Lakdawala owned a majority of the 49.99% interest in RefPlus purchased by Dectron in the Restructuring. The value was arrived at

based on negotiations between Dectron and the sellers (other than Mr. Lakdawala and his affiliates). Dectron did not have two independent disinterested directors to ratify the transactions. There can be no assurance that such transaction was on terms no less favorable than Dectron could have obtained from other third parties, although management believes that they were as favorable.

Between March 1999 and January 2005, we made loans of \$159,954 to Mauro Parissi, our Chief Financial Officer, and \$253,415 to Leena Lakdawala, our Executive Vice-President. The loans were used to finance purchase of the Dectron's stock and bore interest at the Canadian prescribed interest rate of five percent (5%). As of Jan. 31, 2005, the loan balances of Mr. Parissi and Mrs. Lakdawala are \$264,400 and \$326,305 respectively. Mrs. Lakdawala and Mr. Parissi are in the process of financing these loans with an independent outside source.

All future material transactions, including any loans, between Dectron and its officers, directors, principal stockholders or affiliates of any of them have been and will be on terms no less favorable to Dectron than those that can be obtained from unaffiliated third parties, and will be approved in advance by a majority of the independent and disinterested directors who had access, at Dectron's expense, to Dectron's independent legal counsel.

29

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

Audit Fees

The aggregate fees billed by Schwartz Levitsky Feldman LLP for the audit of our annual financial statements for the fiscal year ended January 31, 2005 and the reviews of the financial statements included in our Forms 10-Q for the fiscal year ended January 31, 2005 were \$108,075.

The aggregate fees billed by Schwartz Levitsky Feldman LLP for the audit of our annual financial statements for the fiscal year ended January 31, 2004 and the reviews of the financial information included in our Forms 10-Q for the fiscal year ended January 31, 2004 were \$100,953.

Audit Related Fees

No fees were billed by Schwartz Levitsky Feldman LLP for the fiscal years ended January 31, 2005 or January 31, 2004 for services related to the audit or review of our financial statements that are not included under the caption "Audit Fees".

No fees were billed by Schwartz Levitsky Feldman LLP for the fiscal years ended January 31, 2005 or January 31, 2004 for designing, operating, supervising or implementing any of our financial information systems or any hardware or software systems for our financial information.

Tax Fees

\$15,143 in fees were billed by Schwartz Levitsky Feldman LLP for tax compliance, tax advice and tax planning in the fiscal year ended January 31, 2005.

\$10,140 in fees were billed by Schwartz Levitsky Feldman LLP for tax compliance, tax advice and tax planning in the fiscal year ended January 31, 2004.

All Other Fees

\$5,199 and nil in fees were billed by Schwartz Levitsky Feldman LLP for any other services rendered by them during the fiscal years ended January 31, 2005 and January 31, 2004.

Since January 1, 2004, the audit committee has adopted policies and procedures for pre-approving all non-audit work performed by the auditors. Specifically, the committee must pre-approve the use of the auditors for all such services. The audit committee has pre-approved all non-audit work since that time and in making its determination has considered whether the provision of such services was compatible with the independence of the auditors.

Our audit committee believes that the provision by Schwartz Levitsky Feldman LLP of services in addition to audit services in fiscal 2005 and 2004 were compatible with maintaining their independence.

MONTREAL, TORONTO, OTTAWA

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders of
Dectron Internationale Inc.

We have audited the consolidated balance sheets of Dectron Internationale Inc. as at January 31, 2005 and 2004 and the related consolidated statements of operations, cash flows and stockholders' equity for each of the years ended January 31, 2005, 2004 and 2003. These consolidated financial statements are the responsibility of the company's management. Our responsibility is to express an

opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Dectron Internationale Inc. as at January 31, 2005 and 2004 and the results of its operations and its cash flows for each of the years ended January 31, 2005, 2004 and 2003, in conformity with generally accepted accounting principles in the United States of America.

Since the accompanying financial statements have not been prepared and audited in accordance with generally accepted accounting principles and generally accepted auditing standards in Canada, they may not satisfy the reporting requirements of Canadian statutes and regulations.

The company is not required to have, nor were we engaged to perform, an audit of its internal controls over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal controls over financial reporting. Accordingly we express no such opinion.

DECTRON INTERNATIONALE INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JANUARY 31, 2005 AND JANUARY 31, 2004

(Amounts Expressed in United States Dollars)

PAGE 10

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF CONSOLIDATED FINANCIAL STATEMENTS PRESENTATION

These consolidated financial statements include the accounts of Dectron Internationale Inc., International Water Makers Inc., Dectron Inc. Consolidated and Circul-Aire Group.

Dectron Inc. Consolidated is comprised of Dectron Inc. and of its wholly-owned subsidiaries, Refplus Inc., Thermoplus Air Inc., Dectron U.S.A. Inc., and Liberty Drive Property Inc. (formerly IPAC 2000 Inc.)

Circul-Aire Group is comprised of Cascade Technologies Inc., and of its wholly-owned subsidiaries, Purafil Canada Inc. and Circul-aire Inc. and its wholly-owned subsidiary Tranzmetal Inc.

All inter-company profits, transactions and account balances have been eliminated.

PRINCIPAL ACTIVITIES

The company Dectron Internationale Inc., was incorporated on March 30, 1998. These companies are principally engaged in the production of dehumidification, refrigeration, indoor air quality (IAQ), ventilation, air conditioning and air purification systems in Canada and its distribution world-wide. The activities of Dectron Internationale Inc. and Cascade Technologies Inc., are immaterial in the aggregate, as their only activity is to hold the investments in the operating companies.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, amounts due to banks and any other highly liquid investments purchased with a maturity of three months or less. The carrying amounts approximate fair value because of the short maturity of these instruments.

REVENUE RECOGNITION

Revenue from product sales is recognized when the goods are delivered to the customer provided that: title and risk of loss have passed to the customer; persuasive evidence of an arrangement exists; the sales price is fixed or determinable; and collectibility is deemed probable. Revenue is recorded net of estimated sales returns and allowances for trade promotions, coupons, and other discounts, which are recognized as a reduction of revenue at the time of sale.

DECTRON INTERNATIONALE INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JANUARY 31, 2005 AND JANUARY 31, 2004

(Amounts Expressed in United States Dollars)

PAGE 11

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SHIPPING AND HANDLING COSTS

Shipping and handling costs are included in selling expenses.

INVENTORY

Inventory of raw materials is valued at the lower of cost and replacement cost and inventory of work-in-process and finished goods at the lower of cost and net realizable value. Cost is determined on the first-in, first-out basis.

PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are recorded at cost and are depreciated or amortized on the basis of their estimated useful lives at the undernoted rates and methods:

<TABLE>

<S>	<C>	<C>
Building	4 or 5%	Straight line
Machinery and equipment	10%	Straight line or 20% declining balance
Furniture and fixtures	15 or 20%	Straight line or 20% declining balance
Computer equipment	15 or 30%	Straight line or 30% declining balance
Rolling stock	30%	Straight line or 30% declining balance
Leasehold improvements		Straight line over term of the lease

</TABLE>

Depreciation and amortization for assets acquired during the year are recorded at one-half of the indicated rates.

INTANGIBLE ASSETS AND GOODWILL

The company accounts for intangible assets and goodwill in accordance with Statement of Financial Accounting Standards (SFAS) 142, "Goodwill and Other Intangible Assets", which was adopted by the Company on February 1, 2002 in accordance with that statement, goodwill and intangible assets with indefinite lives are no longer amortized, but rather tested for impairment at least annually. Goodwill represents the excess of purchase price over the fair value of identifiable assets acquired in a purchase business combination. Intangible assets with estimable useful lives, consisting of patents, trademarks, and rights, are amortized on a straight-line basis over the estimated useful lives of 5 to 15 years, and are reviewed for impairment in accordance with SFAS 144, "Accounting for the Impairment of Long-Lived Assets".

DECTRON INTERNATIONALE INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JANUARY 31, 2005 AND JANUARY 31, 2004

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

IMPAIRMENT OF GOODWILL AND LONG-LIVED ASSETS

Goodwill and intangible assets with definite lives are tested at least annually for impairment in accordance with the provisions of SFAS 142.

Impairment of goodwill is tested at the reporting unit level by comparing the reporting unit's carrying amount, including goodwill, to the fair value of the reporting unit. The fair values of the reporting units are estimated using a combination of the income or discounted cash flows approach and the market approach, which utilizes comparable companies' data. If the carrying amount of the reporting unit exceeds its fair value, then a second step is performed to measure the amount of impairment loss, if any. Any impairment loss would be expensed in the consolidated statements of earnings. The impairment test for intangibles with indefinite useful lives consists of a comparison of the fair value of the intangible assets with its carrying amount. When the carrying amount of the intangible assets exceeds its fair value, an impairment loss would be recognized for the difference.

Intangible assets with estimable lives and other long-lived assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of an asset or assets group may not be recoverable in accordance with SFAS 144. Recoverability of intangible assets with estimable lives and other long-lived assets is measured by a comparison of the carrying amount of an assets or asset group to future net undiscounted pretax cash flows expected to be generated by the assets or asset group. If these comparisons indicated that an asset is not recoverable, the impairment loss recognized is the amount by which the carrying amount of the asset or the asset group exceeds the related estimated fair value.

DEFERRED REVENUE

The company has sold extended warranty contracts covering a period of four to nine years beyond the one year basic guarantee. The deferred revenue is recognized as income over the four to nine year period on a straight-line basis commencing one year from the sale of the contracts.

RESEARCH AND DEVELOPMENT COSTS

Research and development costs, net of investment tax credits, included in selling, general and administrative expenses amounted to \$1,089,751 in 2005, \$707,342 in 2004 and \$565,153 in 2003.

FOREIGN CURRENCY TRANSLATION

The company maintains its books and records in Canadian dollars. Foreign currency transactions are translated using the temporal method. Under this method, all monetary items are translated into Canadian funds at the rate of exchange prevailing at balance sheet date. Non-monetary items are translated at historical rates. Income and expenses are translated at the rate in effect on the transaction dates. Transaction gains and losses are included in the determination of earnings for the year.

DECTRON INTERNATIONALE INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JANUARY 31, 2005 AND JANUARY 31, 2004

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FOREIGN CURRENCY TRANSLATION (CONTINUED)

The translation of the financial statements from Canadian dollars into United States dollars is performed for the convenience of the reader. Balance sheet accounts are translated using closing exchange rates in effect at the balance sheet date and income and expense accounts are translated using an average exchange rate prevailing during each reporting period. No representation is made that the Canadian dollar amounts could have been, or could be, converted into United States dollars at the rates on the respective dates and or at any other certain rates. Adjustments resulting from the translation are included in the accumulated other comprehensive income in stockholder's equity.

INCOME TAXES

Income taxes are accounted for under the asset and liability method. Under this method, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date.

STOCK BASED COMPENSATION

The company has stock options plans, which are described in the Capital stock note 12. Stock-based compensation is accounted for under Accounting Principles Board (APB) Opinion No. 25., "Accounting for Stock Issued to Employees", and related Interpretations. The company has adopted the disclosure-only provisions of SFAS No. 123, "Accounting for Stock-Based Compensation". Accordingly, no compensation cost has been recognized for the company's stock option plans that were granted in fiscal year 1999 and 2002. The following table illustrates the effect on net earnings and net earnings per common share if the company had applied the fair-value based method of SFAS No. 123, "Accounting for Stock-based Compensation", to record expense for stock options.

</TABLE>

EARNINGS PER SHARE

The company has adopted FAS No. 128, "Earnings per Share" which requires disclosure on the financial statements of "basic" and "diluted" earnings per share. Basic earnings per share are computed by dividing net income by the weighted average number of common shares outstanding for the year. Diluted earnings per share are computed by dividing net income by the weighted average number of common shares outstanding plus common stock equivalents (if dilutive) related to warrants for each year.

(Amounts Expressed in United States Dollars)

PAGE 15

2. EFFECT OF RECENT ACCOUNTING PRONOUNCEMENTS

- a) On December 16, 2004, the FASB issued SFAS 123 (R), "Share-Based Payment," which is a revision of SFAS 123, "Accounting for Stock-Based Compensation." SFAS 123(R) requires all share-based payments to employees, including grants of employee stock options, to be recognized in the income statement based on their fair values. Pro forma disclosure is no longer an alternative. SFAS 123(R) must be adopted no later than August 1, 2005. Early adoption is permitted. The Company expects to adopt SFAS 123(R) on August 1, 2005, utilizing the modified retrospective method. The modified retrospective method requires compensation costs to be recognized beginning with the effective date based on the requirements of SFAS 123(R) for all (a) share-based payments granted after the effective date and (b) awards granted to employees prior to the effective date of SFAS 123(R) that remain unvested on the effective date. Amounts for prior years will be restated based on the amounts previously recognized under SFAS 123 for purposes of pro forma disclosures. As permitted by SFAS 123, the Company currently accounts for share-based payments to employees using APB Opinion 25's intrinsic value method and, as such, generally recognizes no compensation cost for employee stock options. Accordingly, the adoption of SFAS 123(R)'s fair value method will have a significant impact on the Company's results of operations, although it will have no impact on the Company's overall financial position. The impact of the adoption of SFAS 123(R) cannot be predicted at this time because it will depend on levels of share-based payments granted in the future. However, when adopted, the impact of SFAS 123(R) on prior periods will approximate the impact of SFAS 123 as described in the disclosure of pro forma net earnings and earnings per share in the Summary of Significant Accounting Policies note 1.
- b) In November 2004, the FASB issued SFAS 151, "Inventory Costs - an amendment of ARB No.43, Chapter 4," which requires companies to expense abnormal freight, handling costs, or spoilage in the period incurred and to allocate fixed overhead based on normal capacity, with adjustment if production is abnormally high. This standard becomes effective for the Company on August 1, 2005, with early adoption permitted. The Company currently accounts for abnormal freight, handling costs, and spoilage consistent with the standard. The Company plans to adopt the provisions early, on a prospective basis, as they relate to capitalization of fixed overhead expenses in the first quarter of 2006. The Company is currently evaluating the effects of implementing this standard. Based on a preliminary analysis, the Company does not expect that there will be a material effect on 2006 total Company results. There may be an impact on the results of certain quarters at the segment or total Company level.

3. COMPREHENSIVE INCOME

The company has adopted FAS No. 130 "Reporting Comprehensive Income" which requires new standards for reporting and display of comprehensive income and its components in the financial statements. However, it does not affect net income or total stockholders' equity. The components of comprehensive income are as follows:

<TABLE>

The above includes a loan receivable from a private company in the amount of \$40,739 which is secured by equipment, repayable in annual instalments of \$21,164 including interest at 6% per annum, maturing in April 2006.

Also included in loans receivable from private companies is a note of \$250,000 in connection with the sale of assets of IPAC 2000 Inc. as described in note 15a of these financial statements. The note is due in quarterly instalments of interest only at 8% per annum, thru June 1, 2005. Commencing September 1, 2005 the note is due in quarterly instalments of \$25,000 plus interest at 8% per annum. Commencing September 1, 2006 the note is due in quarterly instalments of \$37,500 plus interest at 8% per annum, due June 2007.

The other loans receivable from private companies and the loan to a corporate

shareholder are non-interest bearing and are not expected to be repaid prior to February 1, 2006.

9. BANK LOANS

The company has an available line of credit of \$13,817,000 bearing interest at the Canadian prime lending rate plus 0.25% per annum and it is renegotiated annually. Bank loans are secured by a first ranking moveable hypothec on accounts receivable, inventory and a first ranking universal hypothec in the amount of \$40,284,000 on the universality of the borrower's property, movable and immovable, present and future, corporeal and incorporeal. The company also provided a rider designating the Bank as loss payee of the proceeds of all-risk insurance on the property charged as security.

The average cost of financing for fiscal year 2005 is 5.72% (7.38% in 2004).

12. CAPITAL STOCK (CONTINUED)

Issued (continued)

During the fiscal year ended January 31, 2005, certain employees have exercised their options under the 1999 Stock Option Plan. Consequently, 181,250 (2004: 54,250) common shares were issued for a total consideration of \$543,750 (2004: \$162,750)

EMPLOYEE STOCK OPTION PLAN

In 1999, the Company adopted a Stock Option Plan (the "1999 Plan") pursuant to which 650,000 shares of Common Stock are reserved for issuance, no options are currently issued and outstanding since the plan expired in November 2004.

On September 2, 1999, the Board granted options under the Stock Option Plan to certain members of the Board and certain employees. Subject to certain limitations, the options granted are exercisable one year after issuance. Subsequent to the one-year anniversary date of the grant, the option holders may exercise the option up to 25% of the total options per year for the following four years. Each of the options were fully exercisable on November 4, 2003, and expire on November 4, 2004. The exercise price of the option is \$3.00.

In 2001, the Company also adopted the 2001 Stock Option Plan (the "2001 Plan") pursuant to which 500,000 shares of Common stock are reserved for issuance, 108,500 options are currently issued and outstanding.

On January 4, 2002, the Board granted options under the 2001 Plan to certain members of the Board and certain employees. Subject to certain limitations, the options granted are exercisable one year after issuance. Subsequent to the one-year anniversary date of the grant, the option holders may exercise the option up to 25% per year of the total options granted for the following four years. Each of the options will be fully exercisable on January 4, 2006 and expire on January 4, 2011. The exercise price of the option is \$4.20.

The Plans are administered by the Board of Directors, who will determine, among other things, those individuals who shall receive options, the time period during which the options may be partially or fully exercised, the number of shares of Common Stock issuable upon the exercise of the options and the option exercise price.

The 1999 Plan is effective for a period of five years expiring in 2004 and the 2001 Plan is effective for a period of ten years expiring in 2011. Options may be granted to officers, directors, consultants, key employees, advisors and similar parties who provide the company with their skills and expertise. Options granted under the 1999 Plan may be exercisable for up to five years, and ten years for the 2001 Plan, and shall be at an exercise price as determined by the Board. Options are non-transferable except by the laws of descent and distribution or a change in control of Dectron, as defined in the Plans, and are exercisable only by the participant during his or her lifetime. Change in control include (i) the sale of substantially all of the assets of Dectron and merger or consolidation with another company, or (ii) a majority of the Board changes other than by election by the stockholders pursuant to Board solicitation or by vacancies filled by the Board caused by death or resignation of such person.

PAGE 21

12. CAPITAL STOCK (CONTINUED)

EMPLOYEE STOCK OPTION PLAN (CONTINUED)

If a participant ceases affiliation with Dectron by reason of death, permanent disability or retirement at or after age 70, the option remains exercisable for one year from such occurrence but not beyond the option's expiration date. Other types of termination allow the participant three months to exercise, except for termination for cause, which results in immediate termination of the option.

Option under the Plans must be issued within five years from the effective date of the 1999 Plan and ten years from the effective date of the 2001 Plan.

Any unexercised options that expire or that terminate upon an employee's ceasing to be employed by the company become available again for issuance under the Plans.

The Plans may be terminated or amended at any time by the Board of Directors, except that the number of shares of Common Stock reserved for issuance upon the exercise of options granted under the Plans may not be increased without consent of the stockholders.

A summary of the status of the company's stock option plans are as follows:

SHARE PURCHASE PLAN RECEIVABLE

The SEC staff Accounting Bulletins require that accounts or notes receivable arising from transactions involving capital stock should be presented as deductions from shareholders' equity and not as assets. Accordingly, in order to comply with U.S. GAAP, stockholders' equity has been reduced by \$798,569 at January 31, 2005 (reduced by \$170,819 - 2004), to reflect the loans due from certain employees and officers, which relate to the purchase of common shares of the company.

13. NET RESTRUCTURING AND OTHER UNUSUAL ITEMS

In fiscal 2005, the company recorded \$551,607 (2004: \$911,407) of net restructuring and other unusual items which is comprised of a charge for consolidation and other costs related to restructuring of Tranzmetal Inc., a company acquired on February 1, 2003.

In fiscal 2003, the company recorded \$132,342 of unusual items in respect of a write-down of uncollectible loans receivable.

(Amounts Expressed in United States Dollars)

PAGE 24

14. INCOME TAXES (CONTINUED)

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. Based upon the level of historical taxable income and projections for future taxable income over the periods for which the deferred tax assets are deductible, management believes it is more likely than not that the company will realize the benefits of these deductible differences.

- d) The company has operating losses of \$2,256,000, which can be used to reduce future taxable income. The potential tax benefits of \$699,775 relating to the losses have not been recognized in the company's accounts. The deductibility of these losses expire between 2006 and 2012.
- e) The company has unused investment tax credits of \$212,645 which are deductible from the income taxes payable in future years. No deferred income tax asset regarding these investment tax credits has been accounted for.

15. DISCONTINUED OPERATIONS

- a) In accordance with a plan initiated in fiscal year 2004, the corporation has sold selected assets related to the industrial products and sheet metal divisions of its subsidiary IPAC 2000 Inc., for \$1,200,996. As a result of the sale, the subsidiary has changed its name to Liberty Drive Property Inc.. The allocation of the sale price is summarized as follows:

Current assets	\$	370,996
Property and equipment		330,000
Goodwill		500,000

	\$	1,200,996
		=====

In exchange for the assets sold, the corporation received \$950,996 in cash and \$250,000 as a note described in detail under note 6 of these financial statements.

On February 3, 2005, the corporation entered into a contract to sell the land, building and building improvements of its subsidiary Liberty Drive Property Inc. Based on the quoted market price in the contract of \$2,500,000, it has been determined that an impairment exists. An adjustment of \$414,991 has been made to write the assets down to its fair value, and a loss was recorded as the difference between the carrying value and the fair value.

- b) On November 29, 2002, the company completed the sale of the Electric Heat Products Division for a total cash consideration of \$961,640 plus a balance of sale of \$440,979. The sale resulted in a net gain of \$190,262 (2004: \$90,332; 2003: \$590,686), net of tax of \$69,001 (2004: \$20,770; 2003: \$198,668). As at January 31, 2005, the remaining balance of sale amounted to \$221,562. This balance of sale bears interest at the bank's prime rate plus 1%, repayable in 11 monthly instalments of \$20,142. Due to the uncertainty of the collectibility, a reserve for the full balance of sale has been accounted for.

17. COMMITMENTS AND CONTINGENCIES

a) The company is committed to payments under operating leases for its premises totaling \$4,035,179. Annual payments for the next five years are as follows:

2006	\$ 909,060
2007	777,888
2008	780,760
2009	782,428
2010	785,583

	\$ 4,035,719
	=====

b) As at January 31, 2005, the company is a defendant in various legal proceedings arising from actions of its clients or suppliers. Neither the possible outcome nor the amount of possible settlement can be foreseen. Therefore, no provision has been made in these consolidated financial statements.

18. SEGMENTED INFORMATION

	=====	=====	=====

</TABLE>

19. FINANCIAL INSTRUMENTS AND CREDIT RISK

FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of cash, accounts receivable, bank loans and accounts payable approximately correspond to their book value given their short-term maturity. The carrying amount of long-term debt approximates fair value because interest rates are close to market value.

PAGE 28

19. FINANCIAL INSTRUMENTS AND CREDIT RISK (CONTINUED)

CREDIT RISK

The company is exposed to credit risk on the accounts receivable from its customers. In order to reduce its credit risk, the company has adopted credit policies, which include the analysis of the financial position of its customers and the regular review of their credit limits. In some cases, the company may require bank letters of credit.

RULE 13A-14(A)/15D-14(A) CERTIFICATION OF THE CHIEF EXECUTIVE OFFICER

I, Ness Lakdawala, certify that:

1. I have reviewed this annual report on Form 10-K of Dectron Internationale;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (c) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and

5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):

(a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and

(b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

CERTIFICATION OF CEO AND CFO PURSUANT TO
18 U.S.C. SECTION 1350
AS ADOPTED PURSUANT TO
SECTION 906 OF THE SARBANES-OXLEY ACT OF 2002

In connection with the Annual Report on Form 10-K of Dectron Internationale (the "Company") for the year ended January 31, 2005 as filed with the Securities and Exchange Commission on the date hereof (the "Report"), Ness Lakdawala, as President and Chief Executive Officer of the Company and Mauro Parissi, as Chief Financial Officer of the Company, each hereby certifies, pursuant to 18 U.S.C. ss. 1350, as adopted pursuant to ss. 906 of the Sarbanes-Oxley Act of 2002, that, to the best of his knowledge:

- (1) The Report fully complies with the requirements of Section 13(a) or 15(d) of the Securities Exchange Act of 1934; and
- (2) The information contained in the Report fairly represents, in all material respects, the financial condition and results of the operations of the Company.

By: /s/ Ness Lakdawala

Name: Ness Lakdawala
Title: Chief Executive Officer and President

Date: May 2, 2005

By: /s/ Mauro Parissi

Name: Mauro Parissi
Title: Chief Financial Officer

Date: May 2, 2005

This certification accompanies the Report pursuant to ss. 906 of the Sarbanes-Oxley Act of 2002 and shall not, except to the extent required by the Sarbanes-Oxley Act of 2002, be deemed filed by the Company for purposes of ss. 18 of the Securities Exchange Act of 1934, as amended.
