SOLICITATION OF PROXIES

This Proxy Statement and accompanying Proxy are furnished to shareholders in connection with the solicitation of proxies by the Board of Directors of Supreme Industries, Inc. (the "Company") for use at the Annual Meeting of Shareholders to be held at the Courtyard by Marriott, 1930 Lincolnway East, Goshen, Indiana, 10:00 a.m. Eastern Standard Time on April 29, 1999, or at any adjournment thereof. The Notice of Meeting, the form of Proxy, and this Proxy Statement are being mailed to the Company's shareholders on or about March 22, 1999.

The expense of proxy solicitation will be borne by the Company. Although solicitation is to be made primarily through the mails, the Company's officers and/or employees and those of its transfer agent may solicit proxies by telephone or personal contact, but in such event no additional compensation will be paid by the Company for such solicitation. Further, brokerage firms, fiduciaries, and others may be requested to forward solicitation material regarding the meeting to beneficial owners of the Company's common stock, and in such event the Company will reimburse them for all accountable costs so incurred.

A copy of the Annual Report to Shareholders of the Company for its fiscal year ended December 31, 1998, is being mailed with this Proxy Statement to all such shareholders entitled to vote, but does not form any part of the information for solicitation of proxies.

RECORD DATE AND VOTING SECURITIES

The Board of Directors of the Company has fixed the close of business on March 1, 1999, as the record date for determination of shareholders entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 9,819,305 shares of Class A Common Stock and 1,682,328 shares of Class B Common Stock of the Company issued and outstanding. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock as of the record date is necessary to constitute a quorum at the Annual Meeting with respect to matters upon which both classes of Common Stock are entitled to vote.

ACTION TO BE TAKEN AND VOTE REQUIRED

Action will be taken at the meeting to elect a Board of Directors and to ratify the selection of PriceWaterhouseCoopers LLP as independent auditors. In addition, shareholders will be asked to approve the Company's 1998 Stock Option Plan (see "1998 Stock Option Plan"). The proxy will be voted in accordance with the directions specified thereon, and otherwise in accordance with the judgment of the persons designated as proxies. Any proxy on which no directions are specified will be voted for the election of directors named herein, and otherwise in accordance with the judgment of the persons designated as proxies. Any person executing the enclosed proxy may nevertheless revoke it at any time prior to the actual voting thereof by filing with the Secretary of the Company either a written instrument expressly revoking it or a duly executed proxy bearing a later date. Furthermore, such person may nevertheless elect to attend the meeting and vote in person, in which event, the proxy will be suspended.

2

The Company's Certificate of Incorporation authorizes two classes of \$.10 par

value Common Stock (designated Class A and Class B) as well as one class of \$1.00 par value preferred stock. No shares of the preferred stock are outstanding. In voting on all matters expected to come before the meeting, a shareholder of either Class A or Class B Common Stock will be entitled to one vote, in person or by proxy, for each share held in his name on the record date, except that the holders of Class A Common Stock shall be entitled to elect that number (rounded down) of directors equal to the total number of directors to be elected divided by three, i.e., three directors, and the holders of Class B Common Stock shall be entitled to elect the remaining directors. The election of three directors by the holders of the Class A Common Stock requires the affirmative vote of a majority of the shares of Class A Common Stock represented in person or by proxy at a meeting at which a majority of the outstanding Class A shares is present. The Company's Certificate of Incorporation prohibits cumulative voting. The approval of the 1998 Stock Option Plan and the ratification of the selection of auditors requires the affirmative vote of the holders of a majority of the outstanding shares of the Common Stock present, in person or by proxy, at the annual meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tabulation sets forth the names of those persons who are known to Management to be the beneficial owners as of March 1, 1999 of more than five percent of the Company's Class A or Class B Common Stock. Such tabulation also sets forth the number of shares of the Company's Class A or Class B Common Stock beneficially owned as of March 1, 1999 by all of the Company's directors and nominees (naming them) and all directors and officers of the Company as a group (without naming them). Persons having direct beneficial ownership of the Company's Common Stock possess the sole voting and dispositive power in regard to such stock. Class B Common Stock is freely convertible on a one-for-one basis into an equal number of shares of Class A Common Stock, and ownership of Class B shares is deemed to be beneficial ownership of Class A shares under Rule 13d-3(d)(1) promulgated under the Securities Exchange Act of 1934. As of March 1, 1999, there were 9,819,305 Class A shares and 1,682,328 Class B shares outstanding.

The following tabulation also includes Class A shares covered by options granted under the Company's 1992 Stock Option Plan, which options are collectively referred to as "Stock Options". The Stock Options have no voting or dividend rights.

Depositories such as The Depository Trust Company (Cede & Company) as of March 1, 1999 held, in the aggregate, more than 5% of the Company's then

outstanding Class A voting shares. The Company understands that such depositories hold such shares for the benefit of various participating brokers, banks, and other institutions which are entitled to vote such shares according to the instructions of the beneficial owners thereof. The Company has no reason to believe that any of such beneficial owners hold more than 5% of the Company's outstanding voting securities.

ELECTION OF DIRECTORS

Nine directors are to be elected at the annual meeting of shareholders. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees shown below for the term of one year and until their successors are duly elected and have qualified. The Company's Board of Directors is currently comprised of nine members. Of the persons named below, Messrs. Tilley, Schrock, and Horn have been nominated for election by the holders of Class A Common Stock, and the remaining persons have been nominated for election by the holders of Class B Common Stock.

Messrs. Gardner, Barrett, Kropf and Wilson were the executive officers of the Company as of December 31, 1998. Officers are elected annually by the Board of Directors at the Annual Meeting of Directors held immediately following the Annual Meeting of Shareholders. Except as otherwise noted below, each of the Company's executive officers has served as such since 1979.

Although it is not contemplated that any nominee will be unable to serve as a director, in such event the proxies will be voted by the holders thereof for such other person as may be designated by the current Board of Directors. The Management of the Company has no reason to believe that any of the nominees will be unable or unwilling to serve if elected to office, and to the knowledge of Management, the nominees intend to serve the entire term for which election is sought.

There are no family relationships by blood, marriage, or adoption between any director or executive officer, except Mr. Schrock who is Mr. Barrett's brother-in-law. Mr. Rice Tilley is a member of the law firm of Law, Snakard & Gambill, a Professional Corporation, which performed legal services for the Company during 1998.

Only nine nominees for director are named, even though the Company's bylaws allow a maximum of fifteen, since the proposed size of the board is deemed adequate to meet the requirements of the Board of Directors. The proxies given by the Class A Shareholders cannot be voted for more than three persons and the proxies given by Class B shareholders cannot be voted for more than six persons. The information set forth below with respect to each of the nominees has been furnished by each respective nominee.

The Board of Directors Report on Executive Compensation

The Company's compensation policy and annual compensation applicable to the Company's executive officers are the responsibility of the Board of Directors. Executive officers of the Company who are also members of the Board do not participate in setting their own compensation. The Board of Directors reviews the individual performance of each executive officer and the financial performance of the Company. The Board also takes into account salary levels, bonus plans, stock incentive plans and other compensation packages made available to executive officers of companies of similar size and nature. The Board of Directors considers the Company's compensation policy in light of Section 162(m) of the Internal Revenue Code of 1986 and related regulations regarding the deductibility of certain compensation. No executive has received compensation which is non-deductible under such Section; however, the Board of Directors may determine to pay compensation which is non-deductible in certain circumstances. In accordance with the above compensation policy, the Board of Directors has established certain compensation arrangements as set forth below.

The Board has approved Consulting Agreements between the Company and Mr. Herbert M. Gardner, Chairman of the Board and President of the Company, and Mr. William J. Barrett, Secretary and Assistant Treasurer of the Company. These Consulting Agreements went into effect January 1, 1993, and, as amended, continue through December 31, 2000. In consideration of services to be provided to the Company, the Consulting Agreements provide for Messrs. Gardner and Barrett to each receive (in addition to certain fringe benefits): (1) a monthly fee of \$7,000 during 1993, \$8,000 during 1994, and \$9,000 during 1995 and in each year thereafter (which monthly payments are to be offset by all other fees paid to Messrs. Gardner and Barrett, respectively, for serving as members of the Board of Directors and any committee of the Company and its subsidiaries); and (2) if the pre-tax earnings of the Company exceed \$2,000,000, an incentive bonus of \$36,000, plus an amount equal to 0.6% of the amount by which such pre-tax earnings exceed \$2,000,000.

The Company's wholly-owned subsidiary, Supreme Corporation, has entered into an Employment Contract with Mr. Omer G. Kropf employing Mr. Kropf as President of Supreme Corporation (Mr. Kropf is also an Executive Vice President of the Company). The Employment Contract is for a term of four years beginning on May 1, 1998, and ending on April 30, 2002. In consideration of his services rendered as President of Supreme Corporation, the Employment Contract provides that Supreme Corporation will pay to Mr. Kropf (in addition to certain fringe benefits) a minimum base salary of \$240,000 per year plus a pre-tax incentive bonus if earned under Supreme Corporation's Bonus Payment Plan. Under this Plan, an amount equal to ten percent (10%) of Supreme Corporation's pre-tax profits is (subject to Board approval) placed into a bonus pool which is then allocated among, and is distributed to, Supreme Corporation's key executives. The allocation of such bonus pool is approved by the Board of Directors based upon an analysis of the contributions of key executives to the Company's financial performance

and a consideration of Management's recommendation as to an appropriate allocation to reward such contributions.

The Company's wholly-owned subsidiary, Supreme Corporation, has also entered into an Employment Contract with Mr. Robert W. Wilson employing Mr. Wilson as Vice President of Finance, Treasurer and Assistant Secretary of Supreme Corporation (Mr. Wilson is also Executive Vice President, Treasurer and Chief Financial Officer of the Company). The Employment Contract is for a term of 3 years beginning January 1, 1998 and ending December 31, 2000. In consideration of his services rendered as Executive Vice President, Treasurer and Chief Financial Officer of the Corporation, the Employment Contract provides that Supreme Corporation will pay to Mr. Wilson (in addition to certain fringe benefits) a minimum base salary \$110,000 per year plus a pre-tax incentive bonus if earned under Supreme Corporation's Bonus Payment Plan described in the preceding paragraph.

Stock Option Plans

1998 Stock Option Plan

On October 29, 1999, the Company's Board of Directors approved and adopted, subject to shareholder approval, the Company's 1998 Stock Option Plan, a copy which is attached here to as Exhibit A (the "1998 Stock Option Plan"). Shareholders will be asked to approve the 1998 Stock Option Plan at the Annual Meeting to be held April 29, 1999. The following paragraphs summarize certain provisions of the 1998 Stock Option Plan and are qualified in their entirety by reference thereto.

15

The 1998 Stock Option Plan provides for the granting of options (collectively, the "1998 Options") to purchase shares of the Company's Class A Common Stock to certain key employees of the Company and/or its affiliates, and certain individuals who are not employees of the Company or its affiliates but who from time to time provide substantial advice or other assistance or services to the Company and/or its affiliates. The 1998 Stock Option Plan authorizes the granting of options to acquire up to 650,000 (682,500 as adjusted for the November 1998 stock dividend) shares of Class A Common Stock, subject to certain adjustments described below, to be outstanding at any time. Subject to such limitations, there is no limit on the absolute number of awards that may be granted during the life of the 1998 Stock Option Plan. At the present time, there are approximately 40 employees of the Company, including officers and directors of the Company, who, in management's opinion, would be considered eligible to receive grants under the 1998 Stock Option Plan, although fewer employees may actually receive grants. At December 31, 1998, 50,925 options (pending shareholder approval) were outstanding, none of which were exercisable.

Authority to administer the 1998 Stock Option Plan has been delegated to a committee (the "Committee") of the Board of Directors. Except as expressly provided by the 1998 Stock Option Plan, the Committee has the authority, in its discretion, to award 1998 Options and to determine the terms and conditions (which need not be identical) of such 1998 Options, including the persons to whom, and the time or times at which, 1998 Options will be awarded, the number of 1998 Options to be awarded to each such person, the exercise price of any such 1998 Options, and the form, terms and provisions of any agreement pursuant to which such 1998 Options will be awarded. The 1998 Stock Option Plan also provides that the Committee may be authorized by the Board of Directors to make cash awards as specified by the Board of Directors to the holder of a 1998 Option in connection with the exercise thereof. Subject to the limitation set forth below, the exercise price of the shares of stock covered by each 1998 Option will be determined by the Committee on the date of award.

Unless a Holder's option agreement provides otherwise, the following provisions will apply to exercises by the Holder of his or her option: No options may be exercised during the first twelve months following grant. During the second year following the date of grant, options covering up to one-third of the shares covered thereby may be exercised, and during the

third year options covering up to two-thirds of such shares may be exercised. Thereafter, and until the options expire, the optionee may exercise options covering all of the shares. Persons over sixty-five on the date of grant may exercise options covering up to one-half of the shares during the first year and thereafter may exercise all optioned shares. Subject to the limitations just described, options may be exercised as to all or any part of the shares covered thereby on one or more occasions, but, as a general rule, options cannot be exercised as to less than one hundred shares at any one time.

The exercise price of the shares of stock covered by each incentive stock option ("ISO"), within the meaning of Sec. 422 of the Internal Revenue Code of 1986, as amended (the "Code"), will not be less than the fair market value of stock on the date of award of such ISO, except that an ISO may not be awarded to any person who owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, unless the exercise price is at least one hundred ten percent (110%) of the fair market value of the stock at the time the ISO is awarded, and the ISO is not exercisable after the expiration of five years from the date it is awarded.

The exercise price of the shares of Class A Common Stock covered by each 1998 Option that is not an ISO ("NSO") will not be less than fifty percent (50%) of the fair market value of the stock on the date of award.

16

Payment for Class A Common Stock issued upon the exercise of a 1998 Option may be made in cash or, with the consent of the Committee, in whole shares of Class A Common Stock owned by the holder of the 1998 Option for at least six months prior to the date of exercise or, with the consent of the Committee, partly in cash and partly in such shares of Class A Common Stock. If payment is made, in whole or in part, with previously owned shares of Class A Common Stock, the Committee may issue to such holder a new 1998 Option for a number of shares equal to the number of shares delivered by such holder to pay the exercise price of the previous 1998 Option having an exercise price equal to not less than one hundred percent (100%) of the fair market value of the Class A Common Stock on the date of such exercise. A 1998 Option so issued will not be exercisable until the later of the date specified in an individual option agreement or six months after the date of grant.

In addition, the 1998 Stock Option Plan provides two methods for the cashless exercise of options. Under the Sale Method, with the consent of the Committee, payment in full of the exercise price of the option may be made through the Company's receipt of a copy of instructions to a broker directing such broker to sell the stock for which the option is being exercised, to remit to the Company an amount equal to the aggregate exercise price of such option, with balance being remitted to the holder. Under the Net Method, with consent of the Committee, payment in full of the exercise price of the option may be made based on written instructions received from the holder, by Company's issuance to the holder of that number of shares of stock having a fair market value equal to only the "profit portion" of his, her, or its option (i.e. the excess of the then fair market value of the stock over the holder's exercise price).

The duration of each 1998 Option will be for such period as the Committee determines at the time of award, but not for more than ten years from the date of the award in the case of an ISO, and in either case may be exercised in whole or in part at any time or only after a period of time or in installments, as determined by the Committee at the time of award, except that after the date of award, the Committee may accelerate the time or times at which a 1998 Option may be exercised.

In the event of any change in the number of outstanding shares of Class A Common Stock effected without receipt of consideration therefor by the Company, by reason of a stock dividend, or split, combination, exchange of shares or other recapitalization, merger, or otherwise, in which the Company is the surviving corporation, the aggregate number and class of reserved shares, the number and the class of shares subject to each outstanding 1998 Option, and the exercise price of each outstanding 1998 Option shall be automatically adjusted accurately and equitably to reflect the effect thereon of such change. Unless a holder's option agreement provides otherwise, a dissolution or liquidation of the Company, certain mergers or consolidations in which the Company is not the surviving corporation, or certain transactions in which another corporation becomes the owner of fifty percent (50%) or more of the total combined voting power of all classes of stock of the Company, shall cause such holder's 1998 Options then outstanding to terminate, but such holder shall have the right, immediately prior to such

transaction, to exercise such 1998 Options without regard to the determination as to the periods and installments of exercisability made pursuant to such holder's option agreement if (and only if) such options have not at that time expired or been terminated.

The 1998 Stock Option Plan will terminate on October 29, 2008, or on such earlier date as the Board of Directors may determine. Any stock options outstanding at the termination date will remain outstanding until they have been exercised, terminated, or have expired.

17

The 1998 Stock Option Plan may be terminated, modified, or amended by the Board of Directors at any time without further shareholder approval, except that shareholder approval is required for any amendment that: (a) changes the number of shares of Class A Common Stock subject to the 1998 Stock Option Plan, (b) changes the designation of the class of employees eligible to receive 1998 Options, (c) decreases the price at which ISOs may be granted, (d) removes the administration of the 1998 Stock Option Plan from the Committee, or (e) without the consent of the affected holder, causes the ISO's granted under the 1998 Stock Option Plan and outstanding at such time that satisfied the requirements of Sec. 422 of the Code to no longer to satisfy such requirements.

The Company's Board of Directors recommends that your vote for approval of the Company's 1998 Stock Option Plan.

1992 Stock Option Plan

On April 7, 1992, the Company's Board of Directors approved and adopted, subject to shareholder approval, the Company's 1992 Stock Option Plan. The plan was approved by the shareholders at the annual meeting held on June 11, 1992. The following paragraphs summarize certain provisions of the 1992 Stock Option Plan and are qualified in their entirety by reference thereto. The 1992 Stock Option Plan provides for the granting of options (collectively, the "1992 Options") to purchase shares of the Company's Class A Common Stock to certain key employees of the Company and/or its affiliates, and certain individuals who are not employees of the Company or its affiliates but who from time to time provide substantial advice or other assistance or services to the Company and/or its affiliates. The 1992 Stock Option Plan authorizes the granting of options to acquire up to 401,117 (adjusted for all subsequent stock dividends) shares of Class A Common Stock, subject to certain adjustments described below. Subject to such limitations, there is no limit on the absolute number of awards that may be granted during the life of the 1992 Stock Option Plan. At the present time, there are approximately 40 employees of the Company, including 16 officers of the Company (5 of whom are also directors), who, in management's opinion, would be considered eligible to receive grants under the 1992 Stock Option Plan, although fewer employees may actually receive grants. At December 31, 1998, 250,603 options were outstanding under this plan, of which 51,710 were exercisable.

Authority to administer the 1992 Stock Option Plan has been delegated to a committee (the "Committee") of the Board of Directors. Except as expressly provided by the 1992 Stock Option Plan, the Committee has the authority, in its discretion, to award 1992 Options and to determine the terms and conditions (which need not be identical) of such 1992 Options, including the persons to whom, and the time or times at which, 1992 Options will be awarded, the number of 1992 Options to be awarded to each such person, the exercise price of any such 1992 Options, and the form, terms and provisions of any agreement pursuant to which such 1992 Options will be awarded. The 1992 Stock Option Plan also provides that the Committee may be authorized by the Board of Directors to make cash awards as specified by the Board of Directors to the holder of a 1992 Option in connection with the exercise thereof. Subject to the limitation set forth below, the exercise price of the shares of stock covered by each 1992 Option will be determined by the Committee on the date of award.

18

Unless a Holder's option agreement provides otherwise, the following provisions will apply to exercises by the Holder of his or her option: No options may be exercised during the first twelve months following grant. During the second year following the date of grant, options covering up to one-third of the shares covered thereby may be exercised, and during the third year options covering up to two-thirds of such shares may be exercised. Thereafter, and until the options expire, the optionee may exercise options

covering all of the shares. Persons over sixty-five on the date of grant may exercise options covering up to one-half of the shares during the first year and thereafter may exercise all optioned shares. Subject to the limitations just described, options may be exercised as to all or any part of the shares covered thereby on one or more occasions, but, as a general rule, options cannot be exercised as to less than one hundred shares at any one time.

The exercise price of the shares of stock covered by each incentive stock option ("ISO"), within the meaning of Sec. 422 of the Internal Revenue Code of 1986, as amended (the "Code"), will not be less than the fair market value of stock on the date of award of such ISO, except that an ISO may not be awarded to any person who owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, unless the exercise price is at least one hundred ten percent (110%) of the fair market value of the stock at the time the ISO is awarded, and the ISO is not exercisable after the expiration of five years from the date it is awarded.

The exercise price of the shares of Class A Common Stock covered by each 1992 Option that is not an ISO ("NSO") will not be less than fifty percent (50%) of the fair market value of the stock on the date of award.

Payment for Class A Common Stock issued upon the exercise of a 1992 Option may be made in cash or, with the consent of the Committee, in whole shares of Class A Common Stock owned by the holder of the 1992 Option for at least six months prior to the date of exercise or, with the consent of the Committee, partly in cash and partly in such shares of Class A Common Stock. If payment is made, in whole or in part, with previously owned shares of Class A Common Stock, the Committee may issue to such holder a new 1992 Option for a number of shares equal to the number of shares delivered by such holder to pay the exercise price of the previous 1992 Option having an exercise price equal to not less than one hundred percent (100%) of the fair market value of the Class A Common Stock on the date of such exercise. A 1992 Option so issued will not be exercisable until the later of the date specified in an individual option agreement or six months after the date of grant.

The duration of each 1992 Option will be for such period as the Committee determines at the time of award, but not for more than ten years from the date of the award in the case of an ISO, and in either case may be exercised in whole or in part at any time or only after a period of time or in installments, as determined by the Committee at the time of award, except that after the date of award, the Committee may accelerate the time or times at which a 1992 Option may be exercised.

19

In the event of any change in the number of outstanding shares of Class A Common Stock effected without receipt of consideration therefor by the Company, by reason of a stock dividend, or split, combination, exchange of shares or other recapitalization, merger, or otherwise, in which the Company is the surviving corporation, the aggregate number and class of reserved shares, the number and the class of shares subject to each outstanding 1992 Option, and the exercise price of each outstanding 1992 Option shall be automatically adjusted accurately and equitably to reflect the effect thereon of such change. Unless a holder's option agreement provides otherwise, a dissolution or liquidation of the Company, certain mergers or consolidations in which the Company is not the surviving corporation, or certain transactions in which another corporation becomes the owner of fifty percent (50%) or more of the total combined voting power of all classes of stock of the Company, shall cause such holder's 1992 Options then outstanding to terminate, but such holder shall have the right, immediately prior to such transaction, to exercise such 1992 Options without regard to the determination as to the periods and installments of exercisability made pursuant to such holder's option agreement if (and only if) such options have not at that time expired or been terminated.

The 1992 Stock Option Plan will terminate on April 7, 2002, or on such earlier date as the Board of Directors may determine. Any stock options outstanding at the termination date will remain outstanding until they have been exercised, terminated, or have expired.

The 1992 Stock Option Plan may be terminated, modified, or amended by the Board of Directors at any time without further shareholder approval, except that shareholder approval is required for any amendment that: (a) changes the number of shares of Class A Common Stock subject to the 1992 Stock Option Plan, (b) changes the designation of the class of employees eligible to receive 1992 Options, (c) decreases the price at which ISOs may be granted,

(d) removes the administration of the 1992 Stock Option Plan from the Committee, or (e) without the consent of the affected holder, causes the ISO's granted under the 1992 Stock Option Plan and outstanding at such time that satisfied the requirements of Sec. 422 of the Code to no longer to satisfy such requirements.

401 (k) Retirement Plan

The Company has a Section 401 (k) Retirement Plan (the "Retirement Plan") which offers employees tax advantages pursuant to Section 401 (k) of the Internal Revenue Code. During the year ended December 31, 1998, all of the employees of the Company and one of its subsidiaries (collectively, the "Employer") were eligible to participate in the Retirement Plan if they had reached the age of 21 and had been employed by the Employer for at least one full calendar year. Under the terms of the Retirement Plan, a participant may elect to defer up to 15% of his compensation. Through February 1994, the Company contributed ten cents on each dollar of the first 6% of compensation contributed by participants. On February 4, 1994, the Board of Directors approved an increase to fifteen cents on each dollar of the first 6% of compensation contributed by participants effective March 1, 1994. On August 29, 1997, the Board of Directors approved an increase to twenty-five cents on each dollar of the first 6% of compensation contributed by participants effective December 1, 1997. On February 11, 1999 the Board of Directors approved an increase to thirty cents on each dollar of the first 7% of compensation contributed by participants effective March 1, 1999. Payments are made by the Company and the Participants, the latter by means of a payroll deduction program. Within specified limits, a participant has the right to direct his or her savings into certain kinds of investments. The total aggregate amount of the Company's contribution for Messrs. Kropf and Wilson was \$2,500 respectively, and for all executive officers as a group was \$5,000.

Transactions With Management

As part of its original acquisition on January 19, 1984, of the specialized vehicle manufacturing business now being operated by it, Supreme Corporation acquired an option to purchase certain real estate and improvements, at its Goshen, Indiana, and Griffin, Georgia facilities, leased to it by lessors controlled by the sellers of such business (one of whom is Omer G. Kropf). The option agreement provided that the option would expire on January 8, 1989, and that, prior to that time, it could be assigned to either or both of William J. Barrett and Herbert M. Gardner, members of the Company's Board of Directors.

On July 25, 1988, Supreme Corporation assigned the option (with the consent of the grantors of the option) to a limited partnership (the "Partnership").

The general partner of the Partnership is Supreme Corporation, and the limited partnership interests therein are owned (directly or indirectly) by individuals including Mr. Barrett, Mr. Gardner, Mr. Kropf, Dr. Cantwell, and Mr. Campbell, all of whom are members of the Company's Board of Directors.

21

In a transaction consummated on July 25, 1988, the Partnership exercised the option and purchased all of the subject real estate and improvements. Also on July 25, 1988, the Partnership and Supreme Corporation entered into new leases covering Supreme facilities in Goshen, Indiana and Griffin, Georgia at initial rental rates equivalent to those paid pursuant to the lease agreements with the prior lessors. The leases granted to Supreme Corporation certain options to purchase the properties for an aggregate initial price of \$2,765,000 (subject to increases after the first year based upon increases in the Consumer Price Index). During the current fiscal year ending December 31, 1999, Supreme Corporation is obligated to pay approximately \$474,000 in minimum annual lease payments to the Partnership.

In order to carry out the purchase of the subject real estate and improvements, the Partnership borrowed from a bank \$2,363,000 collateralized by mortgages on such real estate, a security interest in specified personal properties, and the assignments of the leases. The initial capital contribution of the Partnership's limited partners covered the balance of the purchase price.

Mr. Kropf, Executive Vice President and Director of the Company, is secretary-treasurer of Quality Transportation. In addition, Mr. Kropf is the sole shareholder of Quality Transportation. The Company's Subsidiary, Supreme Corporation, purchases delivery services from Quality in the ordinary course of business. During the year ended December 31, 1998, Supreme Corporation purchased delivery services of \$2,497,894 from Quality Transportation. All purchases were without special terms or conditions and were as favorable as those that the Company could have obtained from non affiliated third parties.
