In the event Purchaser terminates this Agreement, Purchaser shall be entitled to the return of the Deposit with interest earned thereon, and this Agreement shall be null and void and the parties hereto shall be relieved of all further obligations hereunder except as otherwise provided herein.

During the Inspection Period (except as otherwise set forth herein), Purchaser, its agents and contractors, shall have the right to enter upon the Premises and perform (or cause to be performed) tests, investigations and studies of or related to the Premises including, but not limited to, soil borings, ground water investigation, percolator tests, surveys, architectural, engineering, subdivision, environmental, access, financial, market analysis, development and economic feasibility studies and other tests, investigations or studies as Purchaser, in its sole discretion, determines is necessary or desirable to satisfy Purchaser of the feasibility of owning and using the Premises (collectively the "Tests and Studies"), provided that it shall give Seller notification of its intention to conduct any such inspection and that such inspection shall not unreasonably impede the normal day-to-day business operation of the Premises. Such right of inspection and the exercise of such right shall not constitute a waiver by Purchaser of the breach of any representation or warranty of Seller which might have been disclosed by such inspection.

Notwithstanding the foregoing, during the Environment Inspection Period, Purchaser, its agents and contractors may continue to inspect the environmental condition of the Premises and may have the right to enter upon the Premises and perform (or cause to be performed) those Tests and Studies which relate to the environmental condition of the Premises, including but not limited to, soil borings, ground water investigation, percolator tests and environmental studies, upon the terms and conditions set forth in this Section 3, which inspection shall be satisfactory to Purchaser in its sole discretion. Purchaser may terminate this Agreement for any reason relating to the

In the event that Purchaser has not notified Seller of its intention to terminate this Agreement upon the expiration of the Environmental Inspection Period, Purchaser shall be deemed to have terminated this Agreement and the provisions of this Section 3 shall apply.

Seller agrees to permit Purchaser access to the Premises upon prior notice to Seller for the purpose of performing the Tests and Studies. To assist Purchaser in the performance of its Tests and Studies, Seller has previously delivered to Purchaser true and complete copies of all test borings, environmental reports (including, without limitation, all Environmental Documents), surveys, title materials and engineering and architectural data and the like relating to the Premises that are in Seller's possession or under its control. Seller shall cooperate with Purchaser in facilitating the Tests and Studies and shall obtain, at no cost or expense to Seller, any consents that may be necessary in order for Purchaser to perform the same. Purchaser shall repair and restore any portion of the surface of the Premises disturbed by Purchaser, its agents or contractors during the conduct of any of the Tests and Studies to substantially the same condition as existed prior to such disturbance.

4. PURCHASE PRICE AND TERMS OF PAYMENT.

The purchase price for the Premises is THIRTY FIVE MILLION TWO HUNDRED THOUSAND and xx/100 (\$35,200,000) Dollars (the "Purchase Price"), payable as follows:

(a) Delivery of the Deposit to the Escrow Agent on the Execution Date, which shall be held pursuant to the terms of Section 23; and

(b) The Cash Payment, by a bank, certified or cashier's check on the Closing Date or by the wiring of federal funds to Seller or the Escrow Agent, subject to adjustment as provided herein.

5. MATTERS TO WHICH THIS SALE IS SUBJECT

The Premises are sold and are to be conveyed subject to the following (collectively the "Permitted Encumbrances"):

(a) The liens of real estate taxes, personal property taxes, water charges, and sewer charges provided same are not due and payable;

(b) The rights of Tenants, as tenants only;

(c) Those restrictions, covenants, agreements, easements, matters and things affecting title to the Premises and more particularly described in Exhibit "D" annexed hereto and by this reference made a part hereof;

(d) Any and all laws, statutes, ordinances, codes, rules, regulations, requirements, or executive mandates as the same may be amended subsequent to the date hereof affecting the Premises adopted by the United States, the State of New Jersey, the Township of Woodcliff Lake and any and every other Governmental Authority having jurisdiction thereof;

(e) The state of facts shown on that certain survey prepared by Schan Associates and dated December 12, 1994 and any other state of facts which a recent and accurate survey of the Premises would actually show, provided same do not impair the use of the Premises as an office building and do not render title uninsurable at standard rates; and

(f) Those Service Contracts which are assumed by Purchaser, at its option, at Closing.

6. ADJUSTMENTS

(a) The following items with respect to the Premises are to be apportioned as of midnight on the date preceding the Closing:

(i) Rents, escalation charges and percentage rents payable by Tenants as and when collected. All monies received from Tenants from and after the Closing shall belong to Purchaser and shall be applied by Purchaser to current rents and other charges under the Leases. After application of such monies to current rents and charges, Purchaser agrees to remit to Seller any excess amounts paid by a Tenant to the extent that such Tenant was in arrears in the payment of rent prior to the Closing, not in excess of one (1) month's rent. The provisions of this subsection 6(a) shall survive the Closing Date.

(ii) Utility charges payable by Seller, including, without limitation, electricity, water charges and sewer charges. If there are meters on the Premises, Seller will cause readings of all said meters to be performed not more than five (5) days prior to the Closing Date.

(iii) Amounts payable under the Service Contracts, to the extent Purchaser assumes such Service Contracts at Closing.

(iv) Real estate taxes due and payable over the calendar year. If the Closing Date shall occur before the tax rate is fixed, the apportionment of real estate taxes shall be upon the basis of the tax rate for the preceding year applied to the latest assessed valuation. If subsequent to the Closing Date, real estate taxes (by reason of change in either assessment or rate or for any other reason) for the Premises should be determined to be higher or lower than those that are apportioned, a new computation shall be made, and Seller agrees to pay Purchaser any increase shown by such recomputation and vice versa. The provisions of this Subsection 6(a)(v) shall survive the Closing Date.

(v) Income from vending machines, if any, and all

other income, if any, other than rents.

(b) At the Closing, Seller shall deliver to Purchaser a list of the Additional Rents billed to Tenants for the calendar year 1996 (both on a monthly basis and in the aggregate), the basis for which the monthly amounts are being billed and the amounts incurred by Seller on account of the components of Additional Rent for calendar year 1996. Upon the reconciliation by Purchaser of the Additional Rents billed to Tenants, and the amounts actually incurred for calendar year 1996, Seller and Purchaser shall be liable for overpayments of Additional Rents, and shall be entitled to payments from Tenants, as the case may be, on a pro rata basis based upon each party's period of ownership during calendar year 1996. To the extent that Purchaser determines, in its reasonable discretion, that any overpayments due to Tenants are material in light of the amounts actually incurred, Purchaser shall be given a credit at the Closing. Purchaser agrees to remit to Tenants such overpayments as are due to each Tenant.

(c) Except as otherwise provided in this Agreement, the adjustments shall be made in accordance with the customs in respect to title closings in the State of New Jersey.

(d) Any errors in calculations or adjustments shall be corrected or adjusted as soon as practicable after the Closing.

(e) The provisions of this Section 6 shall survive the Closing Date.

7. ESTOPPEL CERTIFICATES

(a) Seller represents to Purchaser that Seller has delivered to each Tenant an estoppel certificate in the form annexed hereto as Exhibit "E" for Tenant's execution, completed to reflect the Tenant's particular Lease status.

(b) Seller agrees to use its best efforts to obtain from all Tenants and deliver same to Purchaser (i) the estoppel certificates referred to in subsection 7(a), or at a minimum and in satisfaction of the remainder of this Section 7, (ii) estoppel certificates in the form in which each Tenant is obligated to deliver same as provided in its Lease. All certificates referred to in (i) and (ii) above shall be collectively referred to as "Estoppel Certificates".

(c) As a condition to Closing, Seller shall deliver (i) an Estoppel Certificate from each Tenant which is leasing demised space in the Premises of 10,000 square feet or more and (ii) Estoppel Certificates from the remaining Tenants leasing seventy-five (75%) percent of the aggregate remaining square footage of the Premises.

(d) For an Estoppel Certificate to be deemed delivered for purposes of this Agreement, it must certify that the Tenant's most recent rental payment under its Lease was made not more than one (1) month prior to the month

in which the Closing occurs.

(e) Seller shall deliver its own Estoppel Certificate on behalf of each Tenant which has failed to deliver such certificate on its own behalf.

8. ITEMS TO BE DELIVERED BY SELLER ON THE CLOSING DATE

On the Closing Date, Seller, at its sole cost and expense, will deliver or cause to be delivered to Purchaser the following documents in connection with the Premises in form and substance reasonably satisfactory to Purchaser:

(a) The Deed duly executed and acknowledged. The delivery of the Deed shall also be deemed to transfer all of Seller's right, title and interest in and to the Personal Property.

(b) All original Leases and all other documents pertaining thereto, and certified copies of such Leases or other documents where Seller, using its best efforts, is unable to deliver originals of same.

(c) All other original documents or instruments initialed by or on behalf of the parties to this Agreement or referred to herein, and certified copies of same where Seller, using its best efforts, is unable to deliver originals.

(d) A letter to Tenants advising the Tenants of the sale hereunder and directing that rent and other payments thereafter be sent to Purchaser or its designee, as Purchaser shall so direct.

(e) Duly executed and acknowledged assignment of all Leases, Security Deposits and Intangible Property in form reasonably acceptable to Purchaser.

(f) A cashier's check to the order of Purchaser in the amount of the Security Deposits and any prepaid rents, together with interest required to be paid thereon. At the election of Purchaser, such amount may be allotted to Purchaser as a credit against the Cash Payment.

Any refund payable on account of tax years or portions thereof preceding the Closing shall be the property of Seller. Purchaser is hereby authorized by Seller, in Purchaser's sole discretion, to file any applicable proceeding for the 1996 fiscal year for the reduction of the assessed valuation of the Premises. The net refund of taxes, if any, for any tax year for which Seller or Purchaser shall be entitled to share in the refund shall be divided between Seller and Purchaser in accordance with the apportionment of taxes pursuant to the provisions hereof. All expenses in connection therewith, including counsel fees, shall be borne by Seller. The provisions of this Section shall survive the Closing Date.

The provisions of this Section shall survive the Closing Date or other termination of this Agreement.

16. TITLE REPORT

(a) Purchaser agrees promptly after execution of this Agreement to order a report of title or title commitment from the Title Company and to direct the Title Company to provide Seller with a copy thereof. It shall be a condition to Closing that Seller transfer, and that the Title Company agree to insure, title to the Premises in the amount of the Purchase Price (at a standard rate for such insurance) in the name of Purchaser, after delivery of the Deed, by a standard 1992 ALTA Owners Policy, with ALTA endorsements Form 3.1, Form 8.1, Form 9 and any other endorsements as required by Purchaser attached, free and clear of all liens, encumbrances and other matters, other than the Permitted Encumbrances (the "Title Policy"). The Title Company shall provide affirmative insurance that any Permitted Encumbrances have not been violated, and that any future violation thereof will not result in a forfeiture or reversion of title and the exception for taxes shall apply only to the current taxes not yet due and payable. Seller shall provide such affidavits and undertakings as the Title Company insuring title to the Premises may require and shall cure all other defects and exceptions. The words "insurable title" and "insurable" as used in this Agreement are hereby defined to mean title which is insurable at standard rates (without special premium) by the Title Company without exception other than the Permitted Encumbrances, and standard printed policy and survey exceptions. Seller shall be obligated to expend up to the Purchase Price to cause title to the Premises to be conveyed to Purchaser in the manner required under this Agreement.

(b) If, at the Closing, Seller is unable to convey to Purchaser insurable title to the Premises subject to and in accordance with the provisions of this Agreement, Seller shall be entitled, upon written notice delivered to Purchaser at or prior to the Closing, to reasonable adjournments of the Closing Date one or more times, for a period or periods not to exceed, in the aggregate, thirty (30) days, to enable Seller to convey such title or to fulfill such obligations. If Seller does not so elect to adjourn the Closing, or if at the adjourned date Seller is still unable to convey insurable title subject to, and in accordance with the provisions of, this Agreement, then Purchaser may, at its option, (a) terminate this Agreement by written notice

delivered as provided in Section 22 hereof, in which event the sole liability of Seller shall be to direct the Title Company to refund the Deposit with interest thereon to Purchaser, and to refund to Purchaser all charges made for (i) examining the title, (ii) any appropriate additional municipal searches made in accordance with this Agreement, and (iii) survey and survey inspection charges; or (b) accept title to the Premises subject to such defect(s), in which event such defect(s) shall become Permitted Encumbrance(s). Upon such refund being made to Purchaser in accordance with clause (a) of the immediately preceding sentence, then this Agreement shall automatically become void and of no further force or effect, and neither party shall have any obligations of any nature to the other hereunder or by reason hereof, except obligations which, pursuant to the provisions of this Agreement, are expressly stated to survive the termination of this Agreement. If Seller elects to adjourn the Closing as provided above, this Agreement shall remain in effect for the period or periods of adjournments, in accordance with its terms.

(c) Upon notice to Seller, Purchaser shall have the right to cause one or more title insurance companies, whether or not through abstract agencies, to insure Purchaser's title to the Premises on a co-insurance basis or to change title companies, so long as in each instance, said company and agency, to the extent applicable, is a duly licensed title insurance company authorized to conduct business in the State of New Jersey.

(d) Seller shall cause the surveyor to (a) certify and warrant directly to Purchaser and to the Title Company the square footage and acreage of the Land (to the nearest one-one hundredth (1/100)), (b) certify that the survey is a complete and accurate representation of the Premises, (c) certify that there are no gores, gaps or strips, and such other facts that are customarily required by the Title Company, (d) provide directly to the Purchaser and the Title Company a metes and bounds description of the Land and any off-site private easements benefiting the Premises, and (e) otherwise prepare the survey in accordance with the customary requirements of a lending institution financing such a transaction. Seller shall cause the surveyor to update the survey as of the Closing Date and shall have the general survey exception removed from the Title Policy and the survey affirmatively insured to Purchaser.

17. CASUALTY LOSS

(a) If prior to the Closing Date any part of the Premises is damaged as the result of fire or other casualty and the estimated cost of repair of the damage exceeds \$100,000, Purchaser shall have the option to either (i) accept title to the Premises without any abatement of the Purchase Price whatsoever, in which event on the Closing Date all of the insurance proceeds shall be assigned by Seller to Purchaser and any moneys theretofore received by Seller in connection with such fire or other casualty shall be paid over to Purchaser, or (ii) cancel this Agreement and the Deposit together with all interest earned thereon shall be returned to Purchaser by the Escrow Agent, and upon such return neither party shall have any further liability or obligation to the other. In the event that the damages shall not exceed \$100,000, this Agreement shall remain in full force and effect, the insurance proceeds shall be assigned by Seller to Purchaser and all sums received by Seller in connection

therewith shall be paid over to Purchaser. Seller shall maintain adequate insurance on the Premises to cover the full replacement value of the Building without reduction for depreciation, including adequate rental value insurance, so as not to be deemed a co-insurer and for actual replacement costs, with no more than a \$100,000 deductible and Seller shall give Purchaser a credit therefor on the Closing Date in case of fire or other casualty occurring before the Closing Date.

(b) Seller shall not settle any fire or casualty loss claims in connection with the Premises without obtaining Purchaser's prior written consent.

(c) Seller hereby agrees to furnish Purchaser with written notification of any such fire or casualty within twenty-four (24) hours of such event.

In the event of the institution of any proceedings, judicial, administrative or otherwise, which shall relate to the proposed material taking of any portion of the Premises by eminent domain prior to the Closing Date, or in the event of the material taking of any portion of the Premises by eminent domain prior to the Closing Date, Purchaser shall have the right and option to terminate this Agreement by giving the Seller written notice to such effect at any time after its receipt of written notification of any such occurrence. Any damage to or destruction of the Premises as a result of a taking by eminent domain shall be deemed "material" for purposes of this Section 18 if the estimate of the damage, which estimate shall be performed by an insurance adjustor and Purchaser's architect, shall exceed \$100,000. Should Purchaser so terminate this Agreement in accordance with this Section 18, the Deposit together with interest earned thereon shall immediately be returned to Purchaser by the Escrow Agent and upon such return, neither party shall have any further liability or obligations to the other. In the event Purchaser shall not elect to cancel this Agreement, Seller shall assign all proceeds of such taking to Purchaser, and same shall be Purchaser's sole property, and Purchaser shall have the sole right to settle any claim in connection with the Premises.

19. REMEDIES

(a) In the event Purchaser fails to perform on the Closing Date, Purchaser's sole liability and Seller's sole recourse shall be limited to the amount of the Deposit. Seller agrees that retention of the Deposit constitutes fixed and liquidated damages resulting from Purchaser's default, and Seller waives any other claim, at law or in equity, either against Purchaser or against any person, known or unknown, disclosed or undisclosed.

(b) (i) If, after complying with the terms of this Agreement, Seller shall be unable to convey the Premises in accordance with the terms of this Agreement, the sole obligation and liability of Seller shall be to direct the Escrow Agent to refund to Purchaser the Deposit, and to pay Purchaser's net cost of examining title, which cost is not to exceed the charges fixed by the

local board of title underwriters and actually to be paid by Purchaser, and survey charges actually to be paid by Purchaser, which charges are not to exceed \$5,000, whereupon this Agreement shall be deemed cancelled and the parties hereto shall be released of all obligations and liabilities under this Agreement, except those that are expressly stated to survive the cancellation or termination of this Agreement.

(ii) In the event of any default on the part of Seller or Seller's failure to comply with any representation, warranty or agreement in any material respect, Purchaser shall be entitled to terminate this Agreement upon notice to Seller, in which event the Deposit shall be returned by Escrow Agent to Purchaser and neither party shall thereafter have any further obligations under this Agreement; to commence an action against Seller seeking specific performance of Seller's obligations under this Agreement; to pursue all of its remedies at law or in equity; or to do any or all of the above.

(c) The acceptance of the Deed by Purchaser shall be deemed a full performance and discharge of every agreement and obligation of Seller to be performed under this Agreement, except those, if any, which are specifically stated in this Agreement to survive the Closing.

20. ASSESSMENT

If, on the Closing Date, the Premises or any part thereof shall be or shall have been affected by an assessment or assessments which are or may become payable in annual installments, of which the first installment is either then a charge or lien or has been paid, then for the purposes of this Agreement all the unpaid installments of any such assessment, including those which are to become due and payable after the Closing Date, shall be deemed to be due and payable and to be liens upon the Premises and shall be paid and discharged by Seller on the Closing Date.

G. Seller shall indemnify, defend and hold harmless Purchaser from and against all claims, liabilities, losses, damages, penalties and costs, foreseen or unforeseen including, without limitation, counsel, engineering, attorney and other professional or expert fees, which Purchaser may incur, resulting directly or indirectly, wholly or partly, from any misrepresentation or breach of warranty by Seller or by reason of Seller's action or non-action with regard to Seller's obligation under this Section 26.

PURCHASE AGREEMENT

FIRST AMENDMENT TO PURCHASE AGREEMENT (this "Amendment") dated as of December 10, 1996, by and between WHITEWELD CENTRE, INC., a New Jersey corporation having an office c/o Whiteweld, Barrister & Brown, Inc., 300 Tice Boulevard, Woodcliff Lake, New Jersey 07675 ("Seller"), and CALI REALTY ACQUISITION CORPORATION, a Maryland corporation having an office at 11 Commerce Drive, Cranford, New Jersey 07016 ("Purchaser").

W I T N E S S E T H :

WHEREAS, Seller and Purchaser have entered into a certain Purchase Agreement dated October 11, 1996 (the "Agreement"), pursuant to which Seller agreed to sell and Purchaser agreed to purchase the property commonly known as Whiteweld Centre, 300 Tice Boulevard, Woodcliff Lake, New Jersey, as more fully described in the Agreement (the "Premises"); and

WHEREAS, Seller and Purchaser have agreed to amend the Agreement as hereinafter set forth.

NOW, THEREFORE, in consideration of Ten (\$10.00) and 00/100 Dollars and the mutual covenants and agreements hereinafter set forth, and intending to be legally bound hereby, it is hereby agreed by the parties as follows:

1. The Purchase Price is hereby reduced by Two Hundred Thousand (\$200,000) Dollars to Thirty Five Million (\$35,000,000) Dollars.

2. (a) Purchaser has advised Seller that in addition to the leasing commissions reflected on Schedule "J" to the Agreement, there is an additional leasing commission (the "Cushman Commission") which is the obligation of Seller in accordance with Section 14 of the Agreement, due to Cushman & Wakefield of New Jersey, Inc. ("Cushman") in connection with the Lease dated April 13, 1992 between Seller and Integral Systems, Inc. In addition, the agreement pursuant to which the leasing commission due Strategic Alliance, which commission (the "Strategic Commission") is set forth on Schedule "J" of the Agreement, provides that the full amount of said commission becomes immediately due and payable upon

a sale of the Premises. Seller hereby agrees that the Strategic Commission shall be paid to Strategic Alliance at the Closing and the Cushman Commission shall be paid to Cushman at the Closing, and Purchaser is hereby entitled to pay the Strategic Commission to Strategic Alliance or its designee against a receipt of same and to pay the Cushman Commission to Cushman or its designee against a receipt of same, in each event to be paid out of Seller's funds.

(b) Seller shall provide Purchaser with evidence at Closing reasonably satisfactory to Purchaser that the commission due to CB Commercial Real Estate Group in Connection with the Lease dated December 15, 1992 between Seller and Comdisco Inc. and to Jacobson, Goldfarb and Tanzman Associates in connection with the Lease dated May 25, 1994, between Seller and Chase Home Mortgage Company have been fully paid.

3. (a) Seller has agreed that certain work is to be performed at the Premises following the Closing for which it shall be liable. Said work (the "Property Repairs") and the estimated dollar amount required to complete each item of work (the "Allocated Amounts") are set forth on Exhibit 3(a) annexed hereto. At Closing, Seller shall deposit with Pryor, Cashman, Sherman & Flynn (the "Escrowee") pursuant to an escrow agreement executed at Closing the sum of One Hundred Twenty-Six Thousand (\$126,000) Dollars (the "Repair Escrow"). No later than three (3) days following Closing, and subject to the requirements set forth in this Section 3(a), Seller shall commence the Property Repairs and shall complete same within thirty (30) days thereafter except for those Property Repairs that can not reasonably be completed within thirty (30) days. The Property Repairs shall be diligently pursued, shall be performed in a good and workmanlike manner, and shall be completed with new, first class materials. The Property Repairs shall be deemed completed upon the approval of Purchaser, and upon the delivery to Purchaser of evidence reasonably satisfactory to it that all of the parties performing said repairs have been paid in full, that none of said parties have any right to file a lien against the Premises for any purpose and that any permits or licenses necessary to evidence the acceptance of the Property Repairs by any applicable governmental authorities have been issued. Upon completion of each of the Property Repairs as required herein, Purchaser shall direct Escrowee to release to Seller the Allocated Amount for said Property Repair from the Repair Escrow.

(b) Prior to commencing any of the Property Repairs, Seller shall obtain Purchaser's approval of any plans, specifications or other construction program for, and the parties performing, the Property Repairs, shall provide Purchaser with evidence of such insurance as Purchaser reasonably requires, and shall coordinate the Property Repairs with Purchaser. Seller hereby indemnifies, defends and holds harmless Purchaser from any and all losses, costs, damages, expenses (including reasonable attorney's fees) or claims which Purchaser may incur on account of the Property Repairs or the failure to perform same in accordance with this Amendment. In the event that Seller requires access to any of the space occupied by tenants at the Premises to perform the Property Repairs, said access shall be subject to the rights of said tenants.

(c) In the event that the Property Repairs are not completed in the manner and within the time frame set forth above, Purchaser shall have the right, but not the obligation, to commence and complete same and to be reimbursed from the Repair Escrow, upon demand, for all of its costs and expenses incurred on account thereof.

4. (a) Prior to closing, Seller shall have entered into a five (5) year lease with Town & Country Developers, Inc. ("T&C") for an aggregate of 5,776 square feet at an annual rental rate of \$24.00 per square foot (the "T&C Lease"). The form of the T&C Lease shall be reasonably acceptable to Purchaser and shall include among other things, the following terms and conditions: T&C shall not be permitted to sublet the premises demised under the T&C Lease without the Landlord's prior written consent, which consent shall not be unreasonably withheld or delayed; Landlord shall be entitled to collect any incremental income, however characterized, received from a subtenant or upon an assignment of the lease; and all costs of tenant improvements and leasing commissions in connection with a sublet shall be borne by T&C.

(b) In addition, at Closing, T&C shall deliver to Purchaser a guaranty of T&C's obligations under the T&C Lease by James J. Bovino, which guaranty shall be in form and substance satisfactory to Purchaser.

5. (a) Seller, for its own account and on behalf of others, is in the process of obtaining approvals for the construction of a heliport (the "Heliport") on a portion of the Premises shown on the site plan attached hereto as Exhibit 6(a). Purchaser hereby consents to Whiteweld, Barrister & Brown, Inc. ("WBB") continuing to pursue said approvals on behalf of Seller and such other parties, provided that any submissions be delivered to Purchaser prior to their submission to the relevant governmental authorities for Purchaser's approval (Seller hereby representing and warranting that none of the submissions or approvals to date have imposed any obligations on the owner of the Premises), not to be unreasonably withheld or denied, and provided, further, that any conditions, requirements or limitations on the development, construction and operation of the Heliport shall similarly be subject to Purchaser's approval, not to be unreasonably withheld or denied. If Purchaser shall accept the approvals for the Heliport, then WBB agrees to construct the Heliport at no cost or expense to Purchaser and subject to the requirements set forth below. WBB agrees to keep Purchaser informed on the status of the approvals, and any meetings or hearings with regard to the approvals.

(b) Any work in connection with the development or construction of the Heliport (the "Heliport Construction") shall be commenced promptly after acceptance of the approvals by Purchaser, shall be continued diligently, and shall be completed lien-free, in a good and workmanlike manner using new, first class materials. Prior to commencing the Heliport Construction, WBB shall obtain Purchaser's approval of any plans, specifications or other construction program for, and the parties performing, the Heliport Construction, shall provide Purchaser with evidence of such insurance as Purchaser reasonably requires, and shall coordinate the Heliport Construction with Purchaser. WBB hereby indemnifies, defends and holds harmless Purchaser from any and all losses,

costs, damages, expenses (including reasonable attorney's fees) or claims which Purchaser may incur on account of the Heliport Construction or the failure to perform same in accordance with this Amendment. WBB shall reimburse Purchaser for its reasonable costs in supervising and inspecting the Heliport Construction from time to time.

(c) At Purchaser's election, made at any time, WBB shall be obligated to post a bond or other evidence of security satisfactory to Purchaser in its discretion, both as to amount and surety, to insure completion of the Heliport Construction in the manner required herein.

(d) In the event that the approvals are granted and the Heliport Construction is completed, the Heliport may not be used until such time as WBB, Purchaser and Medco Containment Services, Inc. ("Medco") shall have entered into an agreement reasonably acceptable to Purchaser providing that so long as WBB and Medco are tenants at the Premises, such parties shall have a "preferential" use of the Heliport, and that Purchaser shall have substantially similar use rights. Purchaser shall also have the right to grant other parties the rights to use the Heliport.

6. In the event of any conflict or inconsistency between the terms and conditions of this Amendment and the terms and conditions of the Agreement, the terms and conditions of this Amendment shall govern and control. All other terms, conditions and provisions of the Agreement shall continue in full force and effect and unmodified.

7. Capitalized terms used and not otherwise defined herein shall have the meanings respectively assigned to them in the Agreement.

8. This Amendment shall be binding upon and inure to the benefit of the successors, legal representatives, heirs and assigns of the parties hereto. This Amendment represents the entire agreement of the parties with respect to the matters addressed herein, and may not be amended except upon the written agreement of both of the parties hereto.

9. This Amendment may be executed by facsimile signatures in any number of counterparts, each of which shall be deemed an original and all of which when considered together shall be one and the same document.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the day and year first above written.

The parties' respective rights and obligations with respect to the Parcel are more fully set forth in Paragraph 26 hereof.

3. Certain Conditions.

The following shall be conditions precedent to Buyer's obligations to close hereunder:

A. Buyer shall have thirty (30) days, commencing with the date of this Agreement, in which to review all Leases, contracts, income, expenses, Service Contracts, Plans, Books and Records, business records, including, without limitation, engineering and environmental reports, to conduct or retain third parties to conduct physical inspections, soil tests and borings, environmental surveys and tests, ground water tests and investigations, marketing surveys and such other tests, inspections and surveys as Buyer deems relevant or necessary to this purchase ("Inspection Period"). In the event Buyer, in its sole discretion is not satisfied for any reason with the results of said review, tests, reports, or inspections, this Agreement shall terminate as of the end of the Inspection Period. In the event Buyer elects to continue with the purchase of the Property under this Agreement, Buyer shall provide notice of such election to Seller prior to the expiration of the thirty (30) day Inspection Period. The failure by Buyer to timely provide written notice to Seller of its election to continue with the purchase shall be evidence of Buyer's termination

of this Agreement. For purposes of the notice referred to above, only, Buyer may provide notice to Seller by hand delivery to Seller's address set forth in Paragraph 18 hereof, and such shall be deemed good notice on the date so delivered. Buyer may elect not to proceed under this Agreement within said time period for any reason whatsoever or no reason. In the event this Agreement terminates by operation of this Paragraph, Buyer will deliver to Seller at the time that the Deposit is returned to Buyer, copies of all environmental and engineering reports and tests that it has received or caused to be made, the Deposit shall be returned to Buyer, this Agreement shall become null and void and neither Seller nor Buyer shall have any further rights or obligations under this Agreement.

(1) Seller hereby agrees that Buyer, its agents and contractors, shall have the right to enter onto the Buildings and the Parcel and Seller agrees to permit inspections, tests, borings, investigations, and studies by Buyer, its agents and contractors, of or related to the Buildings and the Parcel, as Buyer, in its sole discretion may deem necessary or desirable, including without limitation, tests involving the roof, HVAC and other structural elements of each of the Buildings, as well as soil borings and tests

and ground water tests and investigations. Prior to undertaking any test that will result in any material damage to the Real Property, Buyer shall obtain Seller's written consent, which consent shall not be unreasonably withheld or delayed. If such consent is not denied within twenty-four (24) hours after the written request therefor is delivered to Seller, the consent shall be deemed granted. Seller shall advise Buyer of any conditions which exist, that due to the nature of the test, boring or investigation to be performed by or on behalf of Buyer pose a dangerous condition to Buyer or any other person. Seller shall cooperate with Buyer and shall use reasonable efforts to secure the cooperation of Tenants, contractors and engineers with Buyer's inspections. Seller shall allow free access to the grounds and the common and Building system areas of the Buildings and to the Parcel during normal business hours, subject to the rights of Tenants under law and the Leases. Tenant areas will be subject to investigation with permission of Tenants, who generally will not permit inspection during normal business hours. Seller will, with the permission of Tenants, make available to Buyer its personnel to assist in obtaining access to Tenant areas during evening and weekend hours. Seller will deliver to Buyer documents in its possession concerning any Plans and/or surveys, current rent roll, Licenses and Permits, Books and Records of the last three years, Leases, Service Contracts, ground water tests and investigations, soil tests and borings, and hazardous waste reports which Seller has in Seller's possession or subject to Seller's control, in regard to the Property and such other documents in Seller's possession, if any, which Buyer may reasonably desire to inspect within three (3) business days after written request therefor is delivered to Seller.

(2) Buyer agrees that it shall indemnify and hold Seller harmless from any and all actions, causes of actions, claims, suits, costs and expenses, including reasonable counsel fees, as a result of personal injury or damage to property, including the Property, to the extent arising out of or occurring as a result of the actions or failure to act of Buyer, its servants, agents or employees and contractors in the course of having access to the Premises and or performing the tests and inspections permitted hereunder, except to the extent caused by Seller, Tenants or their respective agents, servants and employees or other third parties over whom Buyer has no control. Buyer further agrees that if it undertakes any tests in which portions of Buildings, improvements or land are damaged, displaced or removed, Buyer, at its cost, will promptly restore such to its condition prior to the performing of such tests or inspections.

B. All of Seller's representations shall be true and correct as of the date of Closing, unless expressly limited to the date of this Agreement.

C. As of Closing, the title to the Property shall comply with the requirements specified in Paragraph 4 hereof.

D. Buyer, at least thirty-five (35) days prior to Closing, shall identify in writing to Seller those Service Contracts that Buyer wishes to assume ("Elected Service Contracts"). Seller shall cause all Service Contracts, other than the Elected Service Contracts, to be terminated so that there shall be no contracts or agreements for supplies or services to the Property

outstanding on the date of Closing. Buyer shall, in writing, on terms reasonably acceptable to Seller, agree to assume the Elected Service Contracts and release Seller of all liability for obligations or occurrences arising therefrom after the date of Closing.

E. Seller shall have performed all of its covenants, agreements and obligations set forth herein and shall have complied with all conditions required by this Agreement to be performed or complied with by Seller on or before the date of Closing.

F. Seller shall have delivered to Buyer all of the documents required to be delivered as set forth in Paragraph 12 hereof.

G. In the event the zoning classification of any Building is changed prior to Closing without Buyer's written approval, Buyer shall have the right to cancel this Agreement and to receive the Deposit, whereupon neither party shall have any further rights, duties or obligations under this Agreement.

H. Valid and final certificates of occupancy shall have been issued for each Building and for each of the spaces leased to Tenants and no space in any Building shall have been leased or occupied in violation of any such certificate.

I. As of Closing, there shall be no sewer moratorium affecting any of the Buildings or the Parcel.

J. The Property shall be in compliance with all Environmental Laws (as hereinafter defined).

4. Title.

A. At the Closing and the Parcel Closing hereunder, title to the Buildings and to the Parcel, shall be transferred in fee simple, good and marketable, free and clear of all liens, encumbrances, easements and restrictions, except for those items set forth on Exhibit "B" hereto attached and made a part hereof, or those to which Buyer agrees in writing to take subject to ("Permitted Exceptions") and shall be insurable as good and indefeasible fee simple title to the Property, subject only to the Permitted Exceptions, at standard rates by a responsible title insurance company in the Philadelphia and Delaware County area. There shall be no restrictions which would prohibit the use of the Buildings or the Parcel as offices, office buildings, or an office park. Each Seller shall use its diligent efforts to deliver title as required hereunder, subject to the provisions of this Agreement.

B. Each Seller shall inform Buyer within ten (10) days after the date of this Agreement of the existence of any mortgage liens on the Building or the Parcel, which it owns, and the outstanding principal balance and accrued interest due and owing thereon. Each Seller shall use a portion of the Closing proceeds to satisfy any amounts due under such mortgages. Any such mortgage lien shall be discharged or satisfied prior to or at Closing by Seller. If any such

mortgage lien is not held by an institutional lender, then Seller shall be obligated to present at Closing a fully executed discharge and satisfaction piece in recordable form and an original of such mortgage properly endorsed for cancellation.

C. If, at or before Closing, it appears that any Building or the Parcel may be or is subject to mechanics' or materialmen's liens or the lien of decedent's debts, the Seller owning such Building or Parcel shall, at Seller's cost and expense, provide special insurance against such lien and upon so doing the same shall be considered good delivery of title with respect thereto under this Agreement. Each Seller shall discharge at Closing all monetary liens that it voluntarily has agreed to attach to the Property in exchange for any monetary benefit (each such lien is sometimes referred to hereinafter as a "Voluntary Lien").

D. If, at or before Closing, it appears that any Building or the Parcel is subject to the possible lien of unsettled corporate taxes or will be subject to possible corporate tax liability of the Seller owning such Building or Parcel, that Seller will enter into an agreement satisfactory to Title Company or deposit funds or security with Title Company as required to induce Title Company to insure title to the subject Building or the Parcel free and clear of loss or damage by reason of the nonpayment of such unsettled and other corporate taxes and the same shall be considered good delivery of title with respect thereto under this Agreement.

E. In the event any monetary liens (other than a mortgage lien or mechanic's or materialmen's lien or a Voluntary Lien) exist against the Property, which individually or in the aggregate are less than or equal to Three Hundred Fifty Thousand Dollars (\$350,000.00), then Seller shall discharge such lien or liens prior to or at Closing, by payment or by posting a bond with the court having jurisdiction over such lien. If Seller desires to contest said lien and cannot discharge the lien by bonding, then Seller shall post an amount equal to the lien, plus interest payable thereon, if any, with Title Company and Buyer, in escrow. Seller shall execute and deliver an agreement, as may be required by Title Company to insure over such lien, and as may be required by Buyer, to provide for the use of such funds to satisfy such lien in the event that any action to execute thereon is initiated against the encumbered Building or Parcel, or in connection with any financing or sale of such Building or Parcel by Buyer. If such lien or liens are individually or in the aggregate with the cost of compliance as set forth in Paragraph 11.J hereof, more than Three Hundred Fifty Thousand Dollars (\$350,000.00), then Buyer shall have the option of either (i) terminating this Agreement and receiving back the Deposit, or (ii) completing Closing hereunder and receiving from Seller a Three Hundred Fifty Thousand Dollar (\$350,000.00) credit against the Purchase Price.

5. Closing.

A. Closing on the purchase of the Buildings, and or the Parcel, if held concurrently, (the "Closing") shall occur at the offices of Seller or such other location as shall be mutually agreed upon by the parties, between December 2,

1996, and December 6, 1996, and in no event shall Closing be held prior to December 2, 1996.

B. As more fully set forth below in Paragraph 26, Buyer may elect to close on the purchase of the Parcel on a date other than the Closing. Closing on the purchase of the Parcel if not concurrently with the Closing, shall occur by the parties at any time within three (3) years after the Closing upon ten (10) days written notice from Buyer to Seller at the offices of Seller or such other location as shall be mutually agreed upon (the "Parcel Closing"), and any term, covenant, representation or warranty made or given herein with respect to or applicable to the Parcel shall extend to and be applicable to the date of the Parcel Closing, and this Agreement shall remain in full force and effect with respect to the Parcel, unless specifically provided otherwise herein.

C. Except as set forth in Paragraphs 4.C. and 4.D., all title insurance fees and premiums shall be borne by Buyer.

6. Apportionments at Closing.

A. The payment of all realty transfer taxes shall be the obligation of Seller and shall be paid at Closing.

B. The following items with respect to each Building and the Parcel are to be apportioned as of 11:59 P.M. on the date preceding the Closing:

(1) Rents and percentage rents payable by Tenants as and when collected. Any rent from a Tenant received by Buyer after Closing for the month in which Closing occurs, shall be pro-rated on a per diem basis based on the actual number of days in such month, and Buyer shall, within thirty (30) days after receipt of such rent, provide to Seller its proportionate share thereof. All other monies received from Tenants from and after the Closing shall belong to Buyer and shall be applied by Buyer to current rents and other charges under the Leases. After application of such monies to current rents and charges, Buyer agrees to remit to Seller any excess amounts paid by a Tenant to the extent that such Tenant was in arrears in the payment of rent prior to the Closing, not in excess of one (1) month's rent. The provisions of this subsection shall survive the Closing.

(2) Utility charges payable by Seller, including without limitation, electricity, water charges and sewer charges. If there are meters on the Building, Seller will cause readings of all said meters to be performed not more than five (5) days prior to the Closing.

(3) Amounts payable under the Elected Service Contracts.

(4) Real estate taxes due and payable.

(5) Income from vending machines, if any, and all other income, if any, other than rents.

C. At the Closing Seller shall deliver to Buyer a certified statement for each Tenant of the Tenant's Operating Allowance, the Operating Lease Year and the Estimated Operating Expenses (as defined in the Leases) with respect to any Operating Lease Year for which the expenses have not been reconciled, setting forth Seller's expenses passed through to Tenant for such Operating Lease Year including, but not limited to, expenses common to all Tenants such as real estate taxes, insurance costs, common area utility costs and other common area operating expenses as well as those charges specific to a particular Tenant ("Additional Rent") as well as the amount Seller has paid or incurred, monthly and in the aggregate, for each item of Additional Rent to the date of Closing. In the event that Seller has expended more than the amount billed to Tenant, Buyer shall pay Seller the difference between the amount expended or incurred and the amount billed to the Tenant. In the event Tenant has been billed more than the expenses which Seller has paid or incurred, Buyer shall be entitled to a credit against the Purchase Price in the amount of such difference. Buyer agrees to remit said amount to each Tenant as shown on the statement. Seller acknowledges its obligation to each Tenant with respect to any claims of overpayment of Additional Rent for any period to the date of Closing other than as set forth on said statement, and that such obligation shall survive Closing. In the event that a Tenant subsequently disputes the amount of such expenditures by Seller, Seller shall provide Buyer with copies of the invoices and evidences of payment of the invoices for the purposes of resolving such dispute. In the event Buyer is unable to resolve such dispute amicably, Buyer may request Seller to provide counsel for any litigation which may ensue.

D. Except as otherwise provided in this Agreement, the adjustments shall be made in accordance with the customs in respect to closings in the Commonwealth of Pennsylvania.

E. Any errors in calculations or adjustments shall be corrected or adjusted as soon as practicable after the Closing.

7. Allocation of Purchase Price.

The parties agree that the price for the three Buildings shall be allocated among the Buildings as set forth in Paragraph 1.B. above, and that such division of the purchase price is a fair allocation of the relative market values of the Buildings.

The parties agree that notwithstanding the aforesaid, the Agreement for the sale of the Buildings is indivisible and all Buildings must be purchased or the Agreement is subject to cancellation by either party hereto regardless of the reason for the liability, failure, or refusal to offer to convey or accept less than all the Buildings, provided, however, that no Seller may terminate this Agreement due to the failure or refusal of another Seller to comply with the terms hereof and Buyer may not terminate this Agreement as to any Building unless Buyer terminates this Agreement as to all Buildings and the Parcel. Neither Buyer nor Seller may select any one or more of the Buildings for sale or purchase at the allocated prices.

8. As-Is Purchase.

The parties hereto agree that, except as otherwise represented or warranted in this Agreement, the sale of the Parcel and Buildings is on an "as-is" basis. Buyer agrees that it will complete the purchase only on the basis of its own inspection of the Property, tests and inspections by engineers and other consultants, its analysis of the Leases and Tenants, and verification of the income and operating expenses and not in reliance upon any representations or statements made by Seller, its employees and agents, or Broker, as hereinafter defined, its agents, servants or employees, other than those contained in this Agreement or in any instrument or document delivered pursuant hereto.

9. Seller's Representations.

A. As a material inducement to cause Buyer to enter into this Agreement, each Seller hereby makes the following covenants, warrants and representations with respect to it and its respective Property:

Seller has performed all of the obligations and observed all of the covenants required of the landlord under the terms of the Leases.

(5) There are no service, maintenance, employment or other contracts affecting the Property or any portion thereof which will not have been terminated as of Closing, other than the Elected Service Contracts. Without Buyer's consent, Seller shall not enter into any other contracts which cannot be terminated prior to Closing. True, accurate and complete copies of the Service Contracts have been initiated by the parties. All of the Elected Service Contracts are and will on the date of Closing be unmodified and in full force and effect without any default or claim of default by any party thereto. All sums presently due and payable by Seller under the Elected Service Contracts have been fully paid and all sums which become due and payable between the date hereof and the date of Closing shall be fully paid on the day of Closing, unless Seller is, in good faith, disputing the payment of such sum. Seller shall provide to Buyer prompt notice of any dispute with or default by any vendor of an Elected Service Contract but failure to do so will not constitute a breach of this covenant.

(6) Each of the respective Sellers is the sole owner of fee simple title of the Building or the Parcel, as set forth in the Recitals, and has the right to convey by special warranty deed fee simple title to such Building or to the Parcel, as the case may be.

(8) There are no pending legal proceedings, actions, suits, labor disputes currently pending or, to the best of Seller's knowledge, threatened against or affecting title to the Property or any part thereof or Seller, except suits for personal injury to third persons that are covered by insurance.

Sewer capacity is available to support the construction and

operation of the amount of space set forth in the immediately preceding sentence.

10. Signage.

A. Buyer and Seller of Parcel agree that such Seller will not post more than one (1) sign on the Parcel of the same size as the existing sign until the date of the Parcel Closing. Said sign shall be limited to advertising the development or leasing of flex buildings within Seller's remaining acreage in the Airport Business Center and the name, address and telephone number of Seller's agent and shall include the descriptive word "industrial". If Buyer does not close on the purchase of said Parcel as provided herein, Seller's agreement with respect to the limitation on signage on the Parcel shall terminate and Seller will not thereafter be bound.

B. Following the Parcel Closing, Seller shall be entitled to post a sign on the Parcel at the location indicated on the sketch attached hereto and marked Exhibit "H" for a period of two (2) years ending on the anniversary of the Parcel Closing; provided however, that if Buyer has entered into an agreement for the sale or development of said Parcel with a purchaser or lessee who objects to the continuation of the sign for the balance of said two (2) year period, said sign shall be removed to a location on the premises of International Court II Building or International Court III Building at a location mutually satisfactory to Buyer and Seller and as close to Interstate 95 as the existing sign. The cost of such removal and relocation of said sign shall be borne by Seller. Said sign after the date of Closing shall be restricted to the same purposes as that agreed upon prior to the date of the Parcel Closing. In no event shall the sign located on Parcel II of the Airport Business Center be used by Seller to advertise the sale or leasing of Seller's office space, wherever located. Seller at its cost shall comply with all applicable codes,

rules, regulations, orders, laws, and statutes relating to the construction, erection and maintenance of such sign. Seller shall maintain with an insurance company licensed to do business in Pennsylvania, casualty and liability insurance with respect to such sign in amounts and coverages reasonably acceptable to Buyer and naming Buyer as an additional insured. Seller shall provide evidence, reasonably satisfactory to Buyer, of such insurance coverage prior to the erection of such sign. Following the Parcel Closing, Seller agrees to indemnify, defend and hold Buyer harmless from and against all claims, damages, liabilities and actions arising out of damage to property and injuries to persons, including death, resulting from the negligence or wilful misconduct of Seller, its employees, agents, servants and independent contractors except to the extent such damage or injury is caused by the negligence or misconduct of Buyer, its officers, agents, servants, employees and independent contractors. The terms of this Paragraph 10 shall survive closing.

11. Other Obligations of Seller.

During the period between the execution of this Agreement and Closing hereunder and with respect to the Parcel, the Parcel Closing hereunder, each Seller with respect to its property, covenants and agrees that it shall perform and observe the following with respect to the Property:

Seller will not commence any capital expenditure program. Seller will not manage the Buildings differently, due to the pending sale of the Buildings.

C. Seller shall not:

(1) Enter into any agreement requiring Seller to do work for any Tenant after the date of Closing without first obtaining the prior written consent of Buyer; or

(2) Accept the surrender of any Service Contract or Lease, or grant any concession, rebate, allowance or free rent, without the consent of Buyer, which consent shall not be unreasonably withheld.

D. Seller shall not, between the date hereof and the date of Closing, apply against rent due any Security Deposits with respect to any Tenant in occupancy on the date of Closing, unless such Tenant has vacated the Building.

At the Closing, Seller will cancel or will have previously cancelled (effective on the

date of Closing) all Service Contracts except the Elected Service Contracts, with all cancellations at Seller's sole cost and expense. The snow removal contract expires at the end of October, 1996. Seller will attempt to negotiate the snow removal contract for the year commencing November, 1996, subject to the approval of Buyer, which shall not be unreasonably withheld. If Buyer does not approve such contract as negotiated by Seller, then Seller shall not enter into such contract unless by its terms such contract can be terminated effective at the time of Closing.

F. Seller shall not remove any of its Personal Property located in or on the Buildings or the Parcel, except as may be required for repair and replacement. All replacements shall be free and clear of liens and encumbrances and shall be of quality at least equal to the replaced items and shall be deemed included in this sale, without cost or expense to Buyer.

H. Seller shall not voluntarily cause the Buildings or the Parcel, or any interest therein, to be alienated, mortgaged, or otherwise be transferred.

I. Up to and including the date of Closing, Seller agrees to maintain and keep in full force and effect hazard and casualty insurance policies in such amounts and for such coverages as set forth on Exhibit "D", attached hereto and made a part hereof.

J. All violations of laws, statutes, ordinances, regulations or orders affecting the Buildings or the Parcel, whether or not such violations are now noted in the records of or have been issued by any governmental authorities will be complied with by Seller and the Buildings and the Parcel will be conveyed free of any such violations, provided that the cost of compliance, individually or in the aggregate, is less than or equal to Three Hundred Fifty Thousand Dollars (\$350,000.00). In the event that the cost of compliance, individually or in the aggregate with the cost of compliance as set forth in Paragraph 4.E hereof, is more than Three Hundred Fifty Thousand Dollars (\$350,000.00), then Buyer shall have the option of either (i) terminating this Agreement and receiving back the Deposit, or (ii) completing Closing hereunder and receiving from Seller a Three Hundred Fifty Thousand Dollar (\$350,000.00) credit against the Purchase Price. Seller shall provide to Buyer notice of any violation received by Seller within two (2) days after Seller's receipt thereof. Seller shall provide to Buyer at least ten (10) days prior to Closing, evidence of Seller's payment or of Seller's correction of any violation made after the date of this Agreement. Provided that if following Closing, the existence of such violation shall not prohibit Buyer or any Tenant from using and enjoying the Building, the Parcel or any part thereof, then if Seller disputes its liability for or the applicability of any violation, Seller shall have the right to contest said violation by appropriate measures. In connection with any such contest, Seller shall post with the court or agency having jurisdiction over

such contest, or shall deposit in escrow with Title Company for the benefit of Buyer pursuant to an escrow agreement satisfactory to Buyer and Title Company, an amount equal to the estimated cost necessary to correct such violation, plus ten percent (10%). Seller shall have the right to continue such contest after Closing until a final determination thereof by the appropriate court or agency, provided Seller also agrees in writing, in form and substance acceptable to Buyer, to indemnify, defend and hold Buyer harmless from and against all actions, causes of actions, fines, penalties, expenses, damages and costs, which Buyer may incur resulting from such violation or contest.

Certificates to this effect from the respective insurance companies will be delivered to Buyer within twenty (20) days from the date hereof and such certificates shall provide for at least ten (10) days' written notice to Buyer in the event of cancellation or material change in coverage in any of the policies evidenced thereby.

In the event that any of the Buildings is damaged by fire or other casualty, and less than 25,000 square feet of rentable office space has been so damaged, this Agreement shall remain in full force and effect. In the event Seller expends any money in repairing any such casualty damage prior to Closing, then Seller shall be entitled to a portion of insurance proceeds equal to Seller's expenditures. Prior to Closing, Seller shall provide to Buyer evidence of such expenditures. All remaining insurance proceeds shall be assigned to Buyer and all remaining sums received by Seller in connection therewith shall be paid over to Buyer, and all rights to claims shall be assigned to Buyer.

Seller shall not settle or compromise any claims without obtaining Buyer's prior written consent.

Seller waives all other remedies. Buyer consents to the jurisdiction of the Court of Common Pleas of Delaware County, and of the United States District Court for the Eastern District of Pennsylvania and agrees that service may be made upon Buyer by registered or certified U.S. Mail.

In the event Seller breaches any representation or warranty made or given by Seller in this Agreement, Buyer shall be entitled to bring suit against such Seller or Seller breaching such representations or warranties for all damages suffered by Buyer, and all costs and expenses, including without limitation, reasonable attorney's fees (both in-house and outside counsel) and fees of engineers and consultants; provided, however, in no event shall the liability of Seller hereunder, in the aggregate of all claims, exceed Two Million Dollars (\$2,000,000). In the event of a default by any one Seller, each other Seller agrees that this Agreement shall remain in full force and effect against it, notwithstanding anything to the contrary contained herein, and this Agreement shall continue and be extended until such time as there is a final,

nonappealable resolution of any claims that Buyer may have against the defaulting Seller.

Seller shall be liable for the commission due Broker with respect to this transaction and for any brokerage, finders or similar fees or commissions due to any other party by reason of these transactions; and Seller shall defend, indemnify and hold Buyer harmless from all claims of any such party claiming to have had contact with Seller with regard to these transactions. The provisions of this paragraph shall survive Closing.

19. Escrow Agreement.

Upon the signing of this Agreement by the parties, Buyer shall deliver the First Deposit to the Title Company, as escrow agent. The parties agree that the First Deposit and the Second Deposit or the Letter of Credit Deposit, as the case may be, when and if delivered, shall be held by the Title Company in escrow and disposed of only in accordance with the provisions of this Paragraph 19. The parties agree that the Deposit shall be invested in an assignable interest-bearing certificate of deposit, money market fund, treasury bill or other similar security approved by Seller and Buyer, and all interest accruing thereon shall be paid to Buyer, except as otherwise provided herein. Buyer shall be responsible for the payment of any taxes due on the interest earned, if any, on the Deposit.

A. The Title Company will deliver the Deposit to Seller or to Buyer, as the case may be, under the following conditions:

(1) If not in the form of the Letter of Credit Deposit, to Seller on the Closing Date for the account of Buyer provided Closing is completed;

(2) If in the form of the Letter of Credit Deposit, to Buyer on the Closing Date provided Closing is completed;

(3) If Buyer fails to close, Seller, upon receipt of written demand therefor, such demand stating that Buyer has defaulted in the performance of this Agreement and specifically setting forth the basis for such default. The Title Company shall not honor such demand until more than ten (10) days have elapsed after the Title Company has mailed a copy of such demand to Seller or Buyer, as the case may be, nor thereafter if the Title Company shall have received written notice of objection from Buyer in accordance with the provisions of clause B of this Paragraph 19; or

(4) To Buyer upon receipt of written demand therefor, such demand stating that this Agreement has been terminated in accordance with the provisions hereof, or Seller has defaulted in the performance of this Agreement, and specifically setting forth the basis for the same. The Title Company shall not honor such demand until more than ten (10) days have elapsed after the Title Company has mailed a copy of such demand to Seller or Buyer, as the case may be, nor thereafter, if the Title Company shall have received written notice of objection from the other party in accordance with the provisions of clause B of this Paragraph 19.

B. Upon the filing of a written demand for the Deposit by Buyer or Seller, pursuant to subclause 3 or 4 of clause A of this Paragraph 19, the Title Company shall promptly mail a copy thereof to the other party. The other party shall have the right to object to the delivery of the Deposit by filing written notice of such objection with the Title Company at any time within ten (10) days after the mailing of such copy to it, but not thereafter. Such notice shall set forth the basis for objecting to the delivery of the Deposit. Upon receipt of such notice, the Title Company shall promptly mail a copy thereof to the party who filed the written demand. In the event that Closing is not completed by

December 10, 1996, then Title Company shall thereafter promptly make demand upon the issuer of the Letter of Credit for payment thereof. Upon receipt of the proceeds, Title Company shall deposit the same in an account as specified in the first paragraph of this Paragraph 19 and shall hold such proceeds in accordance with the provisions hereof. In the event that the issuer of the Letter of Credit refuses to honor payment thereof, Title Company shall promptly notify Buyer and Sellers, who jointly shall enforce collection thereof. Buyer further guarantees the payment of the Letter of Credit proceeds from the issuer and will be liable to make payment immediately if the issuer refuses to do so. If the issuer of the Letter of Credit fails to pay the proceeds over to Title Company after demand for honor is made by Title Company, Buyer agrees that interest on the amount of the Letter of Credit Deposit shall accrue, and if Seller is entitled to the Deposit, at an annual rate of six percent (6%), until such time as such demand is honored.

C. In the event the Title Company shall have received the notice of objection provided for in clause B above and within the time therein prescribed, the Title Company shall continue to hold the Deposit until (i) the Title Company receives written notice from Seller and Buyer directing the disbursement of said Deposit, in which case, the Title Company shall then disburse said Deposit in accordance with said direction, or (ii) in the event of litigation between Seller and Buyer, the Title Company shall deliver the Deposit to the Clerk of the Court or the office of Judicial Support, as the case may be, in which said litigation is pending, or (iii) the Title Company takes such affirmative steps as the Title Company may, in the Title Company's reasonable opinion, elect in order to terminate the Title Company's duties including, but not limited to, depositing the Deposit with the Court and bringing an action for interpleader, the costs thereof to be borne by whichever of Seller or Buyer is the losing party.

D. The Title Company may act upon any instrument or other writing believed by it in good faith to be genuine and to be signed and presented by the proper person and it shall not be liable in connection with the performance of any duties imposed upon the Title Company by the provisions of this Agreement, except for damage caused by the Title Company's own negligence or willful default. The Title Company shall have no duties or responsibilities except those set forth herein. The Title Company shall not be bound by any modification of this Agreement, unless the same is in writing and signed by Buyer and Seller, and, if the Title Company's duties hereunder are affected, unless the Title Company shall have given prior written consent thereto. In the event that the Title Company shall be uncertain as to the Title Company's duties or rights

hereunder, or shall receive instructions from Buyer or Seller which, in the Title Company's opinion, are in conflict with any of the provisions hereof, the Title Company shall be entitled to hold and apply the Deposit pursuant to clause C above and may decline to take any other action. The Title Company shall not charge a fee for its services as escrow agent.

E. The Title Company shall not be:

(1) Responsible for any loss or delay occasioned by the closure or insolvency of the financial institution into which it deposited the Deposit;

(2) Responsible for the dishonor of any check, money order, draft, negotiable instrument, or other financial document, received as the Deposit; and

(3) Liable for any error of judgment or for any act done or omitted in good faith, or for anything which it may in good faith do or refrain from doing in connection herewith.

F. Buyer and Sellers hereby indemnify and agree to save the Title Company harmless from all liability, loss, damage, reasonable attorney's fees and expenses, arising out of this Paragraph and its duties hereunder; save and except however any liability, loss, damage, attorney's fees and/or expenses caused by Title Company's fraud, negligence or willful default.

G. The Title Company shall have the authority to deduct or offset against the Deposit the following items: (1) Title Company's attorney's fees as provided under Paragraph 19.F; and (2) Title Company's loss, damage or expenses as provided under Paragraph 19.F.

No change or modification of this Agreement shall be valid unless the same is in writing and signed by the parties hereto. No waiver of any of the provisions of this Agreement and other agreements reflected to herein shall be valid unless in writing and signed by the party against whom it is sought to be enforced.

21. Captions.

The captions contained herein are not a part of this Agreement. They are only for the convenience of the parties and do not in any modify, amplify, or give meaning to any of the terms, covenants or conditions of this Agreement.

C. In the event any one or more of the provisions contained in this Agreement are held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provisions hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had not been contained herein.

D. This Agreement may be assigned by Buyer in its sole discretion to any other entity which controls, is controlled by, or which is under common control with, the Buyer, and may be assigned by Buyer to any other third party upon the prior written consent of Seller, which such consent shall not be unreasonably withheld or delayed.

E. Any paragraph headings or captions contained in this Agreement shall be for convenience of reference only and shall not affect the construction or interpretation of any provisions of this Agreement.

F. Seller and Buyer hereby agree to cooperate with each other in accomplishing each and every condition precedent to Closing contemplated hereunder, and to that end agree, when necessary, to join in all applications and to execute all other documents, declarations and maps required to be signed by either of them for such purpose provided that Seller shall be given a reasonable opportunity to review any documents required in connection hereunder and such inspection shall involve no cost or expense to Seller.

H. When the context of this Agreement so requires, nouns appearing in the singular shall have the same effect as if used in the plural and vice versa, and the proper gender shall be attributed to all pronouns.

To the extent an Estoppel Letter has been obtained with respect to a Lease, then the representations and warranties given in Paragraphs 9.A.(3) and (4) as they relate to such Lease, shall not survive Closing. Suit must be instituted for damages for the breach of such representations, warranties and indemnities within the one (1) year or two (2) year period respectively. Suit may not be instituted for such breach unless Closing has been consummated. If the representations, warranties and covenants contained in Paragraph 9.A and Paragraph 25 do not survive Closing, then such representations, warranties and covenants will be deemed conditions of Closing for which no suit or damages may be brought. If Buyer has actual knowledge of such breach of representations, warranties and covenants prior to or at Closing, Buyer may terminate the Agreement for breach of said condition; but if Buyer closes after such knowledge, Buyer shall be deemed to have waived such breach.

(8) All permits, licenses, certificates, registrations and approvals acquired for the Buildings and the Parcel, copies of which were supplied to Buyer pursuant to Paragraph (5) above, and to the extent transferrable, shall be transferred with the Property to Buyer, without additional payment by the Buyer to the Seller but at Buyer's cost (other than Seller's legal fees), and shall, upon Closing, be transferred to Buyer by Seller.

B. Seller hereby agrees to indemnify, defend and save Buyer harmless from and against any and all loss, damage, liability, penalties, fines and the like, of whatever nature, including without limitation, attorneys' and environmental expert fees should any of the foregoing representations or warranties set forth in this Paragraph 25 prove to be untrue or inaccurate.

C. The provisions of this Paragraph 25 shall survive the Closing, as to the Buildings, and the Parcel Closing, as to the Parcel, for a period of two (2) years.

26. Parcel Option.

A. In addition to the rights of Buyer set forth above, during the period commencing on the date of Closing and terminating on the date that is the day immediately preceding the fourth anniversary of the date of Closing (the "Option Period"), Buyer shall have the right, from time to time, to acquire the Parcel by written notice to Seller. Such written notice shall be effectuated by Buyer forwarding to Seller, a notice (the "Acquisition Notice") setting forth the purchase price determined in accordance with Subparagraph C. below, and the entity to which the Parcel is to be conveyed (if different from Buyer). Closing of title on the Parcel shall take place within ten (10) days following the date of the Acquisition Notice, but in no event shall said date be later than the last day of the Option Period.

B. Seller hereby grants Buyer an irrevocable and continuous right of access to the Parcel during the Option Period. Seller further grants Buyer the right to pursue any and all course of action in the development of the Parcel or portions thereof, but not to obtain any final approvals, including without limitation, the right to apply for and prosecute, subdivisions and land development applications, approvals, zoning approvals, variances and other zoning relief, permits, or any other governmental action, license or certification required in connection with the development of the Parcel. Seller agrees to cooperate with the Buyer in pursuing the approvals, permits, variances, etc. outlined above prior to the Parcel Closing and to execute and deliver such applications, consents, and instruments in connection therewith, as Buyer may reasonably request; however, under no circumstances is this Agreement deemed to be conditioned upon the Buyer's success in achieving any such approval, consent or permit, nor shall the Seller be required to expend any sum of money in connection with its agreement to cooperate.

C. Prior to the Parcel Closing, Henderson & Son and David Henderson shall obtain, at their sole cost and expense, a delineation of the wetlands on the Parcel, concurred with by the United States Army Corps of Engineers (the "Corps") through a jurisdictional delineation as evidenced by a letter from the Corps (the "Wetlands Delineation"). In the event that because of the Wetlands Delineation under zoning and land development and environmental laws, codes and ordinances and other laws and regulations applicable to the Parcel, as a matter of right, without the need for any relief ("Development Conditions"), there cannot be constructed on the Parcel at least 135,000 square feet of office space in a four-story building with parking therefore at a ratio of four (4) spaces per 1,000 square feet of space, then the Individual Purchase Price for the Parcel shall be adjusted downward to be equal to the product of 14.81 multiplied by the number of square feet of office space with parking therefore at a ratio of four (4) spaces per 1,000 square feet of space that can be so constructed on the Parcel. If, with the Wetlands Delineation, less than 80,000 square feet of office space with parking therefore at a ratio of four (4) spaces per 1,000 square feet of space can be built on the Parcel under the Development Conditions, then Buyer shall have no obligation whatsoever to purchase the Parcel. Such determination shall be made by Buyer within sixty (60) days after Buyer's receipt of the Wetlands Delineation. Except as set forth above, Buyer shall bear the risk of any change in the zoning of the Parcel.

D. All of the terms and conditions set forth in this Agreement shall apply to the acquisition of the Parcel pursuant to an Acquisition Notice or a Put Notice, as hereinafter defined, and shall govern and control unless modified pursuant to a written instrument executed by both parties. The parties shall comply with the terms, covenants, conditions, obligations and requirements set forth above, as and to the extent such are applicable to the Parcel.

E. If Buyer has not acquired the Parcel by the date that is thirty (30) days prior to the end of the Option Period, Seller shall have the right, but not the obligation, to give Buyer a written notice (the "Put Notice") requiring Buyer to purchase and close title on the Parcel by the expiration of the Option Period. If Buyer fails to close title on the Parcel by the end of the Option Period, Buyer shall be deemed to be in default hereunder and the Seller shall have the right to retain the Deposit (as reduced following Closing) as liquidated damages.

F. The parties agree that between the date hereof and the expiration of the Option Period, in addition to all of their respective covenants and agreements contained elsewhere in this Agreement, they shall perform or observe the following with respect to the Parcel:

(1) Seller shall be responsible for all, and shall pay when due, real estate taxes on the Parcel until actually conveyed to Buyer.

(2) Seller agrees that it shall not voluntarily cause or voluntarily permit the Parcel, or any interest therein, to be mortgaged, encumbered, transferred, conveyed, leased or assigned during the Option Period.

(3) Buyer shall be responsible for the general maintenance of

the Parcel, including the cutting of grass to the extent Buyer deems necessary and only to the extent permitted by Environmental Laws.

G. Simultaneous with the execution of this Agreement, the parties shall execute a memorandum (the "Memorandum"), in recordable form, evidencing the respective rights and obligations of the parties hereto (other than the Individual Purchase Price for the Parcel) and either party shall have the right to cause said memorandum to be recorded in the Recorder of Deed's Office in and for Delaware County, Pennsylvania only after Closing of title to the Buildings has taken place and only if, prior thereto, Buyer executed, in proper recordable form, an agreement terminating the Memorandum ("Termination Agreement") (which instrument shall evidence a termination and release of the Memorandum) and places same in escrow with Title Company. The Termination Agreement may be released by Title Company upon the earlier of (i) Buyer's default hereunder after notice and a fifteen (15) day opportunity to cure or (ii) ten (10) days after the end of the Option Period.

F. At the Closing, Buyer shall cause Cali to execute and deliver to Seller, an agreement by which Cali agrees to guaranty the obligations of Buyer to purchase the Parcel pursuant to this Paragraph 26, substantially in the form of Exhibit "G", attached hereto and made a part hereof.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have caused this Agreement to be signed the day and year first above written.

4. Parcel Option. The Option Period shall be the three (3) year period commencing on the date of Closing and terminating on the date that is the day immediately preceding the third anniversary of the date of Closing.

EXHIBIT 10.56

SECOND AMENDMENT TO AGREEMENT OF SALE
PARCEL II
AIRPORT BUSINESS CENTER
TINICUM TOWNSHIP, PA

THIS AMENDMENT is made this 17th day of December, 1996, by and among HENDERSON/TINICUM PARTNERSHIP, a Pennsylvania general partnership, INTERNATIONAL COURT II LIMITED PARTNERSHIP, a Pennsylvania limited partnership, INTERNATIONAL COURT III JOINT VENTURE, a Pennsylvania general partnership, WILBUR C. HENDERSON & SON, a Pennsylvania general partnership, and DAVID C. HENDERSON, an individual (hereinafter collectively referred to as "Sellers" and each individually as "Seller"), and CALI REALTY ACQUISITION CORPORATION ("Buyer"), a Delaware corporation.

BACKGROUND

A. Sellers and Buyer have entered into a certain Agreement of Sale dated October 23, 1996, as amended by an Amendment to Agreement of Sale dated December 3, 1996 (as amended, the "Agreement of Sale"), pursuant to which each Seller agreed to sell to Buyer certain property owned by it, and Buyer agreed to purchase from each Seller such property, all of which such property is commonly known as the Airport Business Center, Parcel II, and is located in Tinicum Township, Delaware County, Pennsylvania, and more fully described in the Agreement of Sale.

B. The Sellers and Buyer desire to amend the Agreement of Sale.

C. Capitalized terms used herein but not defined herein shall have the meaning ascribed to such terms in the Agreement of Sale.

NOW, THEREFORE, for good and valuable consideration, the receipt and

sufficiency of which are acknowledged, and intending to be legally bound hereby, the parties agree as follows:

1. The Henderson Group Lease. At Closing and as a condition to Buyer's obligations hereunder and under the Agreement of Sale, International Court II Limited Partnership, shall cause The Henderson Group, Inc. to execute and deliver to Buyer an amendment (the "Lease Amendment") to its existing lease for Suite 210 in the International Court II Building (the "Lease"). At Closing, and as a condition to Buyer's obligations hereunder and under the Agreement of Sale, Wilbur C. Henderson & Son and David C. Henderson shall execute and deliver to Buyer a guaranty of lease agreement pursuant to which each of them shall guaranty and become a surety for the obligations of The Henderson Group, Inc. under the Lease (the "Henderson Guaranty"). The Lease Amendment and the Guaranty shall be in the form attached hereto as Exhibits "A" and "B", respectively.

2. Declaration. The Buildings and the Parcel are encumbered by a Declaration of Airport Business Center Protective Covenants and Easements dated April 25, 1986, amended by a First Amendment dated April 5, 1989, and clarified by a Clarification of First Amendment dated October 31, 1989, all of which are recorded in the Recorder of Deeds Office in and for Delaware County, Pennsylvania (the "Recorder's Office") (as amended and clarified, the "Declaration"). By that Declarant Assignment dated September 1, 1987 and recorded in the Recorder's Office at Volume 660, page 1320, all of the rights of the Declarant (as defined in the Declaration) were assigned to Wilbur C. Henderson & Son and David C. Henderson.

Wilbur C. Henderson & Son and David C. Henderson for the purposes of this Amendment are sometimes hereinafter referred to collectively as, the "Declarant". At Closing, and as a condition to Buyer's obligations hereunder and under the Agreement of Sale, Sellers shall cause Declarant to:

A. Execute and deliver to Buyer an instrument, in form and substance reasonably acceptable to Buyer and in recordable form, providing for the amendment of the Declaration to release and remove the rights, benefits and obligations of the Declaration and the Declarant (other than Article II thereunder) from the Buildings and the Parcel, including, among other things, the deletion of Article III, the deletion of any right by Declarant to make any assessments against any Building or the Parcel, the deletion of any requirement by the owner of any Building or the Parcel to make any payments or contributions to Declarant and the removal of any right of Declarant to place a lien against any Building or the Parcel.

B. Execute and deliver to Buyer an instrument, in form and substance reasonably acceptable to Buyer and in recordable form, terminating the easements for storm water detention facilities burdening that portion of the Parcel identified as Lot 4 of Parcel II of the Airport Business Center on the Airport Business Center Plan (as defined in the Declaration), and designating the Airport Business Center Common Areas burdening any Building or the Parcel as Airport Business Center Limited Common Areas (as defined in the Declaration).

C. Execute and deliver to Buyer an instrument, in form and

substance reasonably acceptable to Buyer and in recordable form, pursuant to which Declarant for themselves and their successors and assigns shall covenant and agree to waive any requirements imposed against any Building or the Parcel or any owner thereof or and waive any rights granted to Declarant under Article II of the Declaration as they relate to any Building or to the Parcel.

D. Execute and deliver such documents and plans as may be reasonably requested by Buyer to further the intent of this Paragraph.

Following Closing, Declarant agrees to use its reasonable efforts to cause the Owners of all Building Sites (as defined in the Declaration) to execute and deliver an amendment to the Declaration releasing and removing the Buildings and the Parcel from the burden and benefit of the Declaration, including Article II of the Declaration. The foregoing sentence shall not limit the obligations of the Declarant set forth above.

3. Legal Description. Each Seller agrees that the Deed that it shall deliver shall, at Buyer's option, contain a legal description of the Building or Parcel that such Seller is conveying based upon the final survey thereof to be prepared by Brandywine Valley Engineers, Inc., a copy of which will be provided to each Seller, but in no event shall any Seller be required to convey any property that it does not own.

4. Closing. Closing shall occur on or before December 20, 1996.

5. Deposit. Buyer shall deliver to Title Company the Second Deposit of \$250,000 upon the full execution of this Amendment.

6. Remedies - Parcel. In the event Buyer defaults in its performance of its obligations set forth in Paragraph 26 of the Agreement of Sale Wilbur C. Henderson & Son and David C. Henderson shall be entitled to exercise any and all rights and remedies that may be available at law or in equity. The Form of Cali Guaranty attached to the Agreement of Sale as Exhibit "G" shall be modified to clarify that Cali Realty Corporation's obligations are primary.

7. No Other Changes. Except as specifically amended by the foregoing, all of the terms, conditions, covenants and agreements in the Agreement of Sale shall remain unaltered and of full force and effect.

8. Miscellaneous. This Amendment shall be governed and construed according to the laws of the Commonwealth of Pennsylvania. This Amendment shall inure to the benefit of, and be binding upon, the parties hereto and their respective successors and assigns.

9. Counterparts. This Amendment may be executed in one or more counterparts, each of which shall be deemed to be an original as to any party whose signature appears thereon, and all of which when taken together shall constitute one and the same instrument. The parties agree to accept and rely on facsimile copies of signatures as originals. The parties may rely on facsimile copies as originals.

10. Survival. The provisions of this Amendment shall survive the Closing and shall not merge into the Deeds.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have caused this Agreement to be signed the day and year first above written.
