Item 1.01. Entry into a Material Definitive Agreement.

Restructuring Support Agreement

On March 29, 2024, Airspan Networks Holdings Inc., a Delaware corporation (the “Company” or “Airspan”), entered into a Restructuring Support Agreement (including all exhibits thereto, collectively, the “RSA”) with (i) certain of its affiliates and subsidiaries (as set forth in the RSA, and together with the Company, the “Company Parties”); (ii) certain Consenting Senior Secured Creditors, (iii) certain Consenting Subordinated Term Loan Lenders and (iv) certain Consenting Subordinated Convertible Noteholder (as each such term is defined in the RSA, and collectively, other than the Company Parties, the “Consenting Stakeholders”). Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the RSA.

As set forth in the RSA, the Company and the Consenting Stakeholders have agreed to the principal terms of a restructuring of the Company (the “Restructuring”) through the filing of a prepackaged chapter 11 plan of reorganization (the “Prepackaged Plan”) in the Bankruptcy Court for the District of Delaware (the “Court”). Although the Company intends to pursue the Restructuring in accordance with the terms set forth in the RSA, there can be no assurance that the Company will be successful in completing the Restructuring, whether on the same or different terms than those provided in the RSA and the Prepackaged Plan.

The material terms of the Prepackaged Plan are set forth in the restructuring term sheet attached to the RSA (the “Term Sheet”, and the transactions described therein, the “Restructuring Transactions”), which terms include, among other things:

- trade claims will be paid in the ordinary course of business during and after the Chapter 11 Cases (as hereinafter defined);

in the bankruptcy case, the Consenting Senior Secured Creditors have committed to provide a senior secured debtor-in-possession financing facility (the “DIP Facility”) which will consist of \$18.2 million in new money DIP loans and \$37.3 million in amounts “rolled up” from certain prepetition bridge facilities, on the terms set forth in the DIP Documents (as that term is defined in the RSA). The DIP Facility is expected to provide the Company Parties with sufficient liquidity to complete the Restructuring. The new money portion of the DIP Facility will be available in two draws, with \$7.5 million will be available upon interim approval of the DIP Facility by the Court.
- on the effective date of the Restructuring Transactions (the “Plan Effective Date”), Airspan (as reorganized, “Reorganized Airspan”) will issue a single class of common equity interests (“New Common Equity”) to certain of its creditors as follows:
(a) 94.375% pro rata to the Senior Secured Creditors, and (b) 5.625% pro rata to the Subordinated Term Loan Lenders and Subordinated Convertible Noteholders, subject to dilution on account of the management incentive plan (addressed below), the New Money Common Equity (as hereinafter defined), the New Existing Common Equity Warrants (as hereinafter defined), and certain other fees, premiums, and/or other terms as set forth in the RSA;
- on the Plan Effective Date, the Company will consummate a new-money equity capital raise in an amount up to \$95 million in aggregate (the “New Money Common Equity”), up to \$90 million of which will be offered for ratable participation by holders of senior secured claims, and the remaining \$5 million of which will be offered for ratable participation by holders of subordinated claims, and subject to other terms as set forth in the RSA;
- on the Plan Effective Date, Reorganized Airspan will issue new warrants (“New Warrants”), consisting of and exercisable into (i) up to 3% of New Common Equity to holders of our existing common stock (the “Existing Common Stock Interest”), and (ii) 6.25% of New Common Equity to holders of subordinated claims on a pro rata basis, subject to other terms as set forth in the RSA;

- on the Plan Effective Date, and in exchange for granting third-party releases and providing certain other consideration, Existing Common Stock Interest will be canceled and eligible holders of Existing Common Stock Interest, subject to certain limitations set forth in the Plan, will be entitled to: (i) receive their pro rata share of \$450,000 cash (the “Equity Cash Pool”), or (ii) elect to

receive New Warrants, provided that if more than 150 record holders of Existing Common Stock Interest make such election, no New Warrants shall be issued to holders of Existing Common Stock Interest and all eligible holders of Existing Common Stock Interest will receive their pro rata share of the Equity Cash Pool;

- following the Plan Effective Date, Reorganized Airspan may establish a customary management equity incentive plan;
- on the Plan Effective Date, there will be no recovery for holders of other equity interests in the Company; and
- confirmation of the Plan is anticipated, but not guaranteed, to occur within 45 days of filing the Chapter 11 Cases.

In accordance with the RSA, the Consenting Stakeholders agreed, among other things, to:

- subject to receipt of the Disclosure Statement (as defined in the RSA), vote to accept the Plan;
- grant and not opt out of the releases contemplated by the Plan;
- refrain from taking any action that would delay or impede consummation of the Plan; and
- support and effectuate the documentation within the timeframes contemplated by the RSA.

In accordance with the RSA, the Company Parties agreed, among other things, to:

- support the Restructuring Transactions, act in good faith, and use commercially reasonable efforts to take all actions, to the extent practicable and subject to the terms of the RSA, and reasonably requested or necessary to implement and consummate the Restructuring Transactions in accordance with the terms, conditions, and applicable deadlines set forth in the RSA, as applicable;
- take all commercially reasonable actions to obtain and/or support the Company Parties in obtaining necessary or advisable regulatory or third-party approvals and providing notices in respect of regulatory and licensing requirements, as applicable, in connection with the Restructuring Transactions, including by providing all information reasonably requested by the Company Parties;
- negotiate in good faith and use commercially reasonable efforts to execute (where applicable) and implement the definitive documents (as set forth in the RSA) and any other agreements required to effectuate and consummate the Restructuring Transactions as contemplated by the RSA;
- support, and not directly or indirectly object to, delay, impede, or take any other action to interfere with, confirmation or consummation of the Plan;
- support, and not directly or indirectly object to, delay, impede, or take any other action to interfere with, any motion or other pleading or document filed by a Debtor in the Bankruptcy Court or any other court that is consistent in all respects with the RSA and the Restructuring Transactions; and
- take or cause to be taken all corporate actions and provide all authorizations reasonably necessary in furtherance of the Restructuring Transactions as are within the authority of such Consenting Stakeholders.

Pursuant to the RSA, the Company commenced the solicitation of votes on the Prepackaged Plan (the “Solicitation”) on March 30, 2024. In connection with the Solicitation, the Plan and Disclosure Statement were distributed to certain creditors of the Company that are entitled to vote under the Plan. This Current Report on Form 8-K does not constitute an offer to sell or buy, nor the solicitation of an offer to sell or buy, any securities referred to herein, nor is this Current Report on Form 8-K a solicitation of consents to or votes to accept the Prepackaged Plan. Any solicitation or offer will only be made pursuant to a disclosure statement and only to such persons and in such jurisdictions as is permitted under applicable law.

The RSA may be mutually terminated by the Required Consenting Senior Secured Creditors and each Company Party. The RSA will automatically terminate upon the earlier of the Plan Effective Date or 180 days after the date on which the Company Parties commenced

their Chapter 11 Cases (the “Outside Date”); provided, that if the Plan Effective Date shall not have occurred by the Outside Date solely as a result of the failure to receive all necessary or advisable regulatory approvals by the Outside Date, the Outside Date shall automatically extend to the earlier of three business days following the receipt of all necessary or advisable regulatory approvals or 210 days after the date on which the Company Parties commenced their Chapter 11 Cases. Moreover, the Required Consenting Senior Secured Creditors, the Required Consenting Subordinated Creditors and the Company Parties each have termination rights if certain conditions are not met.

The foregoing description of the RSA and the transactions and documents contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the RSA filed as Exhibit 10.1 hereto and incorporated herein by reference.

Certain of the transactions described in the foregoing shall be subject to approval by the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) pursuant to chapter 11 cases involving certain of the Company Parties (the “Chapter 11 Cases”). On March 31, 2024, such Company Parties filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S. C. §§ 101-1532 in the Bankruptcy Court to pursue the Prepackaged Plan.

Item 1.03. Bankruptcy or Receivership.

On March 31, 2024, the Company filed voluntary bankruptcy petitions under chapter 11 of title 11 of the United States Code. The information set forth in Item 1.01 of this Current Report is incorporated by reference into this Item 1.03.

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The filing of the Chapter 11 Cases constitutes an event of default (or similar event) that accelerated obligations under the following debt instruments and agreements (the “Debt Instruments”):

- The aggregate amount of approximately \$146.9 million of borrowing outstanding, plus accrued and unpaid interest thereon under the following:
 - Senior Secured Convertible Note Purchase and Guarantee Agreement, dated as of July 30, 2021 (as amended, restated, amended and restated, supplemented, modified or replaced, extended or refinanced from time to time), by and among Airspan Networks Holdings Inc., a Delaware corporation, certain of its subsidiaries as guarantors, the purchasers party thereto, DBFIP ANI LLC, a Delaware limited liability company, as collateral agent and administrative agent, and the convertible notes issued thereunder; and
 - Sixth Amended and Restated Credit Agreement, dated as of March 7, 2024 (as amended, restated, amended and restated, supplemented, modified or replaced, extended or refinanced from time to time), by and among Airspan Networks Inc., the Company, certain subsidiaries of the Company, the lenders party thereto, and DBFIP ANI LLC, as collateral agent and administrative agent.
- Term Loan Agreement dated as of February 9, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time) by and among Airspan Networks Inc. and Softbank Group Capital Limited with respect to approximately \$46.4 million of borrowing, plus accrued and unpaid interest thereon;
- Amended and Restated Convertible Promissory Note, dated as of November 28, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time), by and between Airspan Networks Inc. and Golden Wayford Limited with respect to approximately \$11.83 million of borrowings outstanding, plus accrued and unpaid interest thereon.

Item 7.01. Regulation FD Disclosure.

The Company cautions that trading in its securities now and during the pendency of the Chapter 11 Cases is and will be highly speculative and poses substantial risks. Trading prices for these securities may bear little or no relationship to the actual recovery, if any, by the holders in the Chapter 11 Cases. The Company expects, based on the agreed upon terms in the RSA, that its stockholders and other equityholders will experience a significant or complete loss on their investment.

Press Release

On March 31, 2024, the Company issued a press release announcing the signing of the RSA, as described in Item 1.01. A copy of the press release is being furnished as Exhibit 99.1 and is incorporated into this Item 7.01 by reference.

“This support agreement is the culmination of a strategic review process, and we believe it is the best path forward for Airspan to continue providing exceptional services and products to our customers worldwide,” said Glenn Laxdal, President and Chief Executive Officer at Airspan. “By strengthening the Company financially with new capital and a debt-free balance sheet, we will be better positioned to execute our plan to capitalize on the significant growth opportunities across our public and private network markets. We appreciate the support and engagement of all of our stakeholders as we build Airspan for the future.”

“Airspan provides a critical, next-generation suite of solutions for the broader telecommunications industry and possesses an invaluable intellectual property portfolio to protect its innovations,” said Drew McKnight, Co-Chief Executive Officer and Managing Partner at Fortress. “We are excited about the Company’s long-term growth opportunities. Our significant commitments through this Agreement reflect our conviction that a recapitalized Airspan can further solidify its leadership position within the wireless industry. We look forward to continuing to support the Company’s talented management team throughout this process and in the future.”

Airspan and its U.S. subsidiaries have filed voluntary prepackaged Chapter 11 proceedings in the United States Bankruptcy Court for the District of Delaware (the “Court”) in order to implement the Agreement, that has received support from 97.4% of the Company’s funded debt creditors. Airspan will operate its business without disruption through this process, safeguarding its commitment to employees, customers, and suppliers. The Company expects to complete the process on a highly expedited basis and obtain court approval of the transaction in as soon as the next 30-45 days, resulting in Airspan becoming a private company majority-owned by Fortress affiliates after receiving certain governmental and regulatory consents. Consummation of the transactions set forth in the Agreement is subject to satisfaction of certain customary closing conditions.

Airspan has received a commitment from Fortress affiliates for over \$53 million in debtor-in-possession (“DIP”) financing, which combined with the Company’s cash on hand, is expected to provide sufficient capital during the restructuring process to support Airspan’s operations. The DIP financing is subject to Court approval and the satisfaction of specified closing conditions.

Airspan is filing a number of customary “first day” motions with the Court to enable it to continue uninterrupted operations during the financial restructuring, including to continue paying employee wages and providing benefits to employees, and to pay vendors and suppliers in full in the ordinary course of business.

As part of the transaction, Airspan’s existing common stockholders will have the opportunity to receive in exchange for their shares their pro rata share of a total of \$450,000 or, at their election, warrants in lieu of cash; provided, that if more than 150 shareholders elect to receive warrants, no warrants will be issued.
