Dear Stockholder:

The past year was one of constant fine tuning of our product line and broadening of our revenue base, with an increase in revenue in every quarter over the previous quarter. Bingo.com continues to increase its number of registered players, now numbering just under 1,000,000

unique accounts, which play over 40,000 hours of bingo daily. Our search engine ranking performance continues to improve with Bingo.com coming up #1 in over 80% of the major search engines for the popular search term "bingo". Bingo.com continues to be the Internet's pre-eminent bingo portal.

We continue to focus on providing the best 'free bingo' games and environment for our players. This strategy creates an attractive target population for our advertisers, many of who offer cash bingo games. While we have been successful of late, the online cash based gaming industry in North America, remains a concern to many legislators in the United States and some of the credit card issuing banks. We are concerned that this could negatively affect our future advertising revenues, however, to date it does not seem to be a problem.

This difficult North American environment stands in stark contrasts with the situation in Europe. The introduction of the Gambling Bill in the United Kingdom is expected to be forthcoming in the fourth quarter of 2004, which will provide a solid legal framework for Internet Gaming and Internet Gaming companies. Bingo.com has positioned itself to take advantage of the legislation once it is passed and is planning to expand its UK presence accordingly. Bingo.com has many strong attributes that we intend to leverage to the utmost. We have the strongest brand and URL in the business, a dedicated and hard working staff, and a large and satisfied customer base. Our challenge is to make the most of these attributes. We believe we can and will.

I am pleased to invite you to the Annual Meeting of Stockholders (the "Annual Meeting") of Bingo.com, Inc. The Annual Meeting will be held on Wednesday October 6th, 2004, starting at 10:30 a.m., Pacific Daylight Time, in the Boardroom of the Bingo.com offices at 1166 Alberni St., Suite 1405, Vancouver, BC, Canada.

Important information concerning the matters to be acted upon at the meeting is contained in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement. The business to be conducted at the Annual Meeting includes the election of our directors; ratification of the appointment of Dohan and Company, P.A., CPA's as independent auditors for the Company for the 2004 fiscal year; approval of the actions of our officers and directors for the last year and for the period from the fiscal year end through the date of this Annual Meeting; and consideration of any other matter that may properly come before the meeting and any adjournment or postponement thereof.

Our Board of Directors has fixed the close of business on August 6th, 2004, as the record date for determining those stockholders who are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof.

Your vote is important. Registered stockholders can vote their shares by mailing back the accompanying proxy card. Voting by written proxy will ensure your representation at the Annual Meeting if you do not attend in person. Mailing your completed proxy card will not prevent you from voting in person at the Annual Meeting if you wish to do so.

Our Board of Directors and members of management look forward to meeting personally those stockholders who attend the Annual Meeting.

A copy of our Annual Report on Form 10-K and Audited Financial Statements for the year ended December 31, 2003, is included in this mailing to all stockholders entitled to notice of and to vote at the Annual Meeting.

Sincerely yours,

/s/ "T. M. Williams"

Stock Option Plan

In September 1999, the directors of the Company adopted a non-qualified stock option plan (the "1999 Stock Option Plan"). Under the 1999 Stock Option Plan, options to purchase shares the Company's Common Stock may be granted to employees and to such other persons who are not employees as determined by the 1999 Stock Option Plan administrator (the "Administrator"). The maximum aggregate number of shares of the Company's Common Stock subject to option under the 1999 Stock Option Plan may not exceed 1,895,000. In determining the number of shares of the Company's Common Stock subject to each option granted under the 1999 Stock Option Plan, consideration is given to the present and potential contribution by such person to the success of the Company. The exercise price is determined by the Administrator, provided that the exercise price for any covered employee (as that term is defined for the purposes of Section 162(m) (3) of the Internal Revenue Code of 1986 as amended (the "Code"), may not be less than the fair market value per share of the Common Stock at the date of grant by the Administrator. Each option is for a term not in excess of ten years except in the case of the death of an optionee, in which case the option is exercisable for a maximum of twelve months thereafter, or in the case of an Optionee ceasing to be a participant under the 1999 Stock Option Plan for any reason other than cause or death, in which case the option is exercisable for a maximum of 30 days thereafter. The 1999 Stock Option Plan does not provide for the granting of financial assistance, whether by way of a loan, guarantee or otherwise, by the Company in connection with any purchase of shares of Common Stock from the Company.

If a third party acquires us through the purchase of all or substantially all of our assets, a merger or other business combination, except as otherwise provided in an individual award agreement, all unexercised options will terminate unless assumed by the successor corporation.

There were no stock purchase options granted under the 1999 Stock Option Plan, during the most recently completed fiscal year. No SARs (stock appreciation rights) were granted during this period.

2001 Stock Option Plan

In May 2001, the directors of the Company adopted the 2001 Stock Option Plan (the "2001 Stock Option Plan"). Under the 2001 Stock Option Plan, options to purchase shares of the Company's Common Stock may be granted to employees of the Company and its subsidiaries, including officers, directors and certain advisors, who render services to the Company as determined by the 2001 Stock Option Plan administrator (the "Administrator") as Incentive Stock Options or as Nonstatutory Stock Options. The maximum aggregate number of shares of the Company's Common Stock subject to option under the 2001 Stock Option Plan may not exceed 2,000,000.

In determining the number of shares of the Company's Common Stock subject to each option granted under the 2001 Stock Option Plan, consideration is given to the present and potential contribution by such person to the success of the Company.

The exercise price is determined by the Administrator, provided that, to the extent required by law or regulation, the exercise price in the case of an Option granted to an Optionee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company shall not be less than one hundred ten percent (110%) of the Fair Market Value (as defined in the 2001 Stock Option Plan) on the grant date. The exercise price in the case of any Nonstatutory Stock Option, shall not be less than

eighty-five percent (85%) of the Fair Market Value on the grant date. The exercise price in the case of any Incentive Stock Option granted to persons other than to an Optionee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company, shall not be less than the Fair Market Value on the grant date.

At the time of the grant of the Option, the Plan Administrator shall designate, the expiration date of the Option, provided that no Option granted under the 2001 Stock Option Plan shall have a term exceeding 10 years from the date of grant, and no Option granted to an Optionee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company shall be exercisable after the expiration of five (5) years from the grant date (or less, in the discretion of the Administrator), except in the case of the death of an Optionee, in which case the option is exercisable for a maximum of twelve months thereafter, or in the case of an Optionee ceasing to be a participant under the 2001 Stock Option Plan for any reason other than cause or death, in which case the option is exercisable for a maximum of 30 days thereafter. The 2001 Stock Option Plan does not provide for the granting of financial assistance, whether by way of a loan, guarantee or otherwise, by the Company in connection with any purchase of shares of Common Stock from the Company.

An Option will be exercisable at such times, over such term and subject to such terms and conditions as the Plan Administrator determines. Payment of the exercise price may be made in such manner as the Plan Administrator may provide, including cash, delivery of shares of Common Stock already owned.

During the most recently completed fiscal year, 425,000 options with an exercise price of \$

0.05 were granted to employees under the 2001 Stock Option Plan. No SARs (stock appreciation rights) were granted during this period.

Our Board of Directors administers the 1999 Stock Option Plan and the 2001 Stock Option Plan (collectively, the "Stock Option Plans"). Our Board is authorized to construe and interpret the provisions of the Stock Option Plans, to select employees, Directors and consultants to whom options will be granted, to determine the terms and conditions of options and, with the consent of the grantee, to amend the terms of any outstanding options.

The following table sets forth details of all exercises of options granted under the Stock Option Plans during the financial year of the Company ended December 31, 2003, by each of the Named Executive Officers and the value as at December 31, 2003, of unexercised options granted under the Stock Option Plans on an aggregate basis:

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND YEAR END OPTION VALUES

Name	Shares Acquired on Exercise	Value Realized	Number of Options at Year End Exercisable / Unexercisable	Value of Options at Year End ⁽¹⁾ Exercisable / Unexercisable
T. M. Williams	Nil	Nil	300,000/Nil	\$Nil ⁽²⁾ /Nil
H. W. Bromley	Nil	Nil	150,000/Nil	\$Nil ⁽²⁾ /Nil

- On December 31, 2003, the closing price of Common Stock on the OTC Bulletin Board was \$0.04. For purposes of the foregoing table, stock options with an exercise price less than that amount are considered to be in-the-money and are considered to have a

value equal to the difference between this amount and the exercise price of the stock option multiplied by the number of shares covered by the stock option.

2. These options were not in-the-money based on the December 31, 2003, closing price of \$0.04 for the Company's Common Stock.

Directors receive no compensation for their service as such, although they do receive reimbursement for reasonable expenses incurred in attending meetings of the Board of Directors. The Company has no obligation or policy to grant stock options to Directors.

The Company may in the future create retirement, pension, profit sharing; insurance and medical reimbursement plans covering its Officers and Directors. At the present time, no such plans exist. No advances have been made or are contemplated by the Company to any of its Officers or Directors.
