TO THE  
PROSPECTUS DATED APRIL 30, 2007, AS SUPPLEMENTED

This replaces the supplement to the Prospectus dated November 12, 2007 and supplements the information contained in the Prospectus for the variable annuity contracts listed above. This supplement should be read in its entirety and kept together with the Prospectus for future reference.

1. TEMPLETON DEVELOPING MARKETS SECURITIES FUND

The Templeton Developing Markets Securities Fund of Franklin Templeton Variable Insurance Products Trust remains available for allocations of new purchase payments or transfers of contract value. The prior prospectus supplement dated November 12, 2007 indicated this Variable Funding Option was closed to new investment.

2. VARIABLE FUNDING OPTION NAME CHANGES

Effective on or about November 12, 2007, the Legg Mason Partners Variable Multiple Discipline Portfolio - All Cap Growth and Value of Legg Mason Partners Variable Equity Trust changed its name to Legg Mason Partners Variable Capital Portfolio, and the Legg Mason Partners Variable Multiple Discipline Portfolio - Global All Cap Growth and Value of Legg Mason Partners Variable Equity Trust changed its name to Legg Mason Partners Variable Global Equity Portfolio.

Certain documents or information you may receive about your Contract may continue to reflect the old Variable Funding Option names until such time as updates are made.

3. VARIABLE FUNDING OPTION INVESTMENT OBJECTIVE CHANGE

Effective on or about November 12, 2007, the Legg Mason Partners Variable Capital Portfolio (formerly named Legg Mason Partners Variable Multiple Discipline Portfolio - All Cap Growth and Value) of Legg Mason Partners Variable Equity Trust changed its investment objective to the following: "Seeks capital appreciation through investment in securities which the portfolio managers believe have above-average capital appreciation potential."

4. UNDERLYING FUND MERGER AND CLOSING

Effective on or about November 12, 2007, the Legg Mason Partners Variable Multiple Discipline Portfolio - Large Cap Growth and Value of Legg Mason Partners Variable

Equity Trust (Existing Fund) will be merged with and into the Legg Mason Partners Variable Appreciation Portfolio (Class II) of Legg Mason Partners Variable Equity Trust (Acquiring Fund).

The assets in the Existing Fund will be transferred into the Acquiring Fund. The aggregate value of your investment will not change as a result of the merger. Immediately after the merger, the Acquiring Fund no longer will be available for allocations of new purchase payments or transfers of contract value (excluding dollar cost averaging and automatic rebalancing allocations in existence at the time of closing). Please note that Legg Mason Partners Variable Appreciation

Portfolio (Class I) remains available for new allocations of purchase payments and transfers of account value.

The following table presents the Acquiring Fund's management fee, distribution and/or service fees (12b-1), and other expenses. The Acquiring Fund provided this information and we have not independently verified it.
