This press release contains, in addition to historical information, forward-looking statements that involve risks and uncertainties, including statements regarding improvement in the Company's competitive position, improvement in financial results and business pipeline, the Company's positioning in its market, and the progress and benefits of the Company's execution on its business plan. The Company's actual results could differ materially from the results discussed in the forward-looking statements. The factors that could cause or contribute to such differences include, among others, that competitive pressures continue to increase, that the markets for the Company's products could grow more slowly than the Company or market analysts believe, that the Company is unable to integrate or take advantage of its acquisitions successfully, or that the Company will not be able to take advantage of growth in the Company's target markets. Additional information on these and other risk factors that could affect the Company's financial results is included in the Company's Annual Report on Form 10-K, Forms 10-Q, Forms 8-K and other documents filed with the Securities and Exchange Commission.
