## PART II

### Item 3. Incorporation of Documents by Reference

The following documents filed with the Securities and Exchange Commission (the "Commission") by the Company are incorporated by reference in this Registration Statement:

- (a) The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 1998;
- (b) The Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 1999;
- (c) The Company's Current Report on Form 8-K filed with the Commission on May 11, 1999; and
- (d) Description of the Company's Common Stock contained in the Company's Registration Statement on Form 8-A filed with the Commission on January 21, 1998.

All documents filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, are incorporated by reference in this Registration Statement and are a part hereof from the date of filing such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

### Item 4. Description of Securities

Not required to be filed with this Registration Statement.

### Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers

Maryland law presently permits the liability of directors and officers to a corporation or its stockholders for money damages to be limited, except (i) to the extent that it is proved that the director or officer actually received an improper benefit or profit, or (ii) if a judgment or other final adjudication is

2

3

entered in a proceeding based on a finding that the director's or officer's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. This provision does not limit the ability of the Company or its stockholders to obtain other relief, such as an injunction or rescission.

The Company's Charter and Bylaws require the Company to indemnify its directors, officers and certain other parties to the fullest extent permitted from time to time by Maryland law.

The Maryland General Corporation Law presently permits a corporation to indemnify its directors, officers and certain other parties against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service to the corporation unless it is established that (i) the act or omission of the indemnified party was material to the matter giving rise to the proceeding, and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty; or (ii) the indemnified party actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, the indemnified party had reasonable cause to believe that the act or omission was unlawful. Indemnification may be made against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director or officer in connection with the proceeding; provided, however, that if the proceeding is one by or in the right of the corporation, indemnification may not be made with respect to any proceeding in which the director or officer has been adjudged to be liable to the corporation. In addition, a director or officer may not be indemnified with respect to any proceeding charging improper personal benefit to the director or officer in which the director or officer was adjudged to be liable on the basis that personal benefit was improperly received. The termination of any proceeding by conviction, or upon a plea of nolo contendere or its equivalent, or an entry of any order of probation prior to judgment creates a rebuttable presumption that the director or officer did not meet the requisite standard of conduct required for indemnification to be permitted.

The Company has obtained a directors and officers liability insurance policy with total coverage in the aggregate amount of \$25 million. The directors and officers liability policy insures (i) directors and officers of the Company from any claim arising out of an alleged wrongful act by such persons while acting as directors and officers of the Company, (ii) the Company to the extent that it has indemnified the directors and officers for such loss, and (iii) the Company for losses incurred in connection with claims made against the Company for covered wrongful acts.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of

Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) shall not apply if this Registration Statement is on Form S-3, Form S-8 or Form F-3 and the information to be included in a post-effective amendment to those paragraphs is contained in periodic reports filed with or furnished to the

4

5

Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference in this Registration Statement.

(2) That, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

## SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Company certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Orlando, State of Florida, on this 19th day of July, 1999.

We have acted as special Maryland corporate counsel for the Company in connection with the matters described herein. In our capacity as special Maryland corporate counsel to the Company, we have reviewed and are familiar with proceedings taken and proposed to be taken by the Company in connection with the authorization, issuance and sale of the Shares, and for purposes of this opinion have assumed such proceedings will be timely completed in the manner presently proposed. In addition, we have relied upon certificates and advice from the officers of the Company upon which we believe we are justified in relying and on various certificates from, and documents recorded with, the State Department of Assessments and Taxation of Maryland (the "SDAT"), including the charter of the Company (the "Charter"), consisting of Articles of Incorporation filed with the SDAT on May 28, 1996, Articles of Amendment filed with the SDAT on June 13, 1996, Articles of Amendment filed with the SDAT on August 20, 1996, Articles of Amendment filed with the SDAT on July 14, 1998 and Articles of Restatement filed with the SDAT on July 14, 1998. amended through the date hereof (the "Bylaws") and resolutions of the Board of Directors of the Company and the stockholders of the Company adopted on or before the date hereof and in full force and effect on the date hereof and such other laws, records, documents, certificates, opinions and instruments as we have deemed necessary to render this opinion.
