INFORMATION ABOUT THE MEETING

The Meeting

Lightbridge, Inc.' s Special Meeting in Lieu of 2005 Annual Meeting of Stockholders will be held at 9:00 a.m. on Monday, June 20, 2005 at Lightbridge' s corporate offices, 30 Corporate Drive, Burlington, Massachusetts 01803. At the meeting, stockholders who are present or represented by proxy will have the opportunity to vote on the election of two Class III directors, each for a three-year term, and any other business properly presented at the meeting.

This Proxy Solicitation

We have sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the meeting (including any adjournment or postponement of the meeting).

This proxy statement summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

The proxy card is the means by which you actually authorize another person to vote your shares at the meeting in accordance with your instructions.

We will pay the cost of soliciting these proxies. Our directors, officers and employees may solicit proxies in person, by telephone or by other means. We will reimburse brokers and other nominee holders of shares for expenses they incur in forwarding proxy materials to the beneficial owners of those shares. At present, we do not plan to retain the services of a proxy solicitation firm to assist us in this solicitation.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about May 6, 2005. In this mailing, we are including a copy of our 2004 Annual Report, which includes our Annual Report on Form 10-K for the year ended December 31, 2004 (excluding exhibits), as filed with the Securities and Exchange Commission.

How to Vote

You are entitled to one vote at the meeting for each share of common stock registered in your name at the close of business on April 22, 2005. You may vote your shares at the meeting in person or by proxy.

To vote in person, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

To vote by proxy, you must complete and return the enclosed proxy card. Your proxy card will be valid only if you sign, date and return it before the meeting. By completing and returning the proxy card, you will direct the persons named on the proxy card to vote your shares at the meeting in the manner you specify. If you complete all of the proxy card except the voting instructions, then the designated persons will vote your shares FOR the election of the nominated directors. If any other business properly comes before the meeting, then the designated persons will have the discretion to vote in any manner.

If you vote by proxy, you may revoke your proxy at any time before it is exercised by taking one of the following actions:

sending written notice to our Secretary at our address set forth on the notice of meeting appearing on the cover of this proxy statement;

voting again by proxy on a later date; or

attending the meeting, notifying our Secretary that you are present, and then voting in person.

Shares Held by Brokers or Nominees

If a broker or nominee holds shares of our common stock for you in its name, then this proxy statement may be forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy, you should follow the directions provided with the voting instruction card. If your shares are held by a broker and you do not provide timely voting instructions, the broker may have discretionary authority to vote your shares on matters which are considered routine. For non-routine matters, if you do not provide instructions, the broker will not vote your shares, which results in a “broker non-vote.” To vote your shares in person, you must obtain a properly executed legal proxy from the record holder of the shares which identifies you as a Lightbridge stockholder and authorizes you to act on behalf of the record holder with respect to a specified number of shares.

Quorum Required to Transact Business

At the close of business on April 22, 2005, 26,596,867 shares of common stock were outstanding. Our by-laws require that a majority of our common stock be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business. We will count abstentions and broker non-votes in determining whether a quorum exists.

Multiple Stockholders Sharing the Same Address

If you and other residents at your mailing address own shares of common stock through a broker or other nominee, you may have received only one copy of this proxy statement and our 2004 Annual Report if you so elected. If you and other residents at your mailing address own shares of common stock in your own names, you may have received only one copy of this proxy statement and our 2004 Annual Report unless you provided our transfer agent with contrary instructions.

This practice, known as “householding,” is designed to reduce our printing and postage costs. You may promptly obtain an additional copy of this proxy statement and our 2004 Annual Report by sending a written request to Lightbridge, Inc. Investor Relations, 30 Corporate Drive, Burlington, Massachusetts 01803 or by calling our Investor Relations department at 781-359-4000. If you hold your shares through a bank or other nominee and wish to discontinue householding or change your householding election, you may do so by calling 1-800-542-1061 or writing to ADP, 51 Mercedes Way, Englewood, NY 11717. If you hold your shares in your own name and wish to discontinue householding or change your householding election, you may do so by calling 1-877-777-0800 or writing to American Stock Transfer & Trust Company, 59 Maiden Lane, New York, NY 10038.

PROPOSAL 1: ELECTION OF TWO DIRECTORS

The first proposal on the agenda for the meeting is the election of two people to serve as Class III directors, each for a three-year term beginning at the meeting and ending at our 2008 annual meeting of stockholders. Our Board of Directors currently has six members and is divided into three classes. We currently have one Class I director, three Class II directors and two Class III directors. Members of each class of directors serve for three-year terms. We stagger these terms so that the term of only one class expires each year.

Nominees for Election

The nominees for election as Directors are Robert E. Donahue and Kevin C. Melia for re-election as Class III directors. Brief biographies of Messrs. Donahue and Melia, as of April 22, 2005, follow. You will find information about each nominee's holdings of common stock on page 19.

Mr. Donahue is being nominated for election pursuant to the terms of his employment agreement, dated January 7, 2005, under which Lightbridge has agreed to nominate him and recommend him for election as a director during the term of his employment. If for any reason Mr. Donahue or Mr. Melia becomes unavailable for election, the persons designated in the proxy card may vote the shares represented by proxy for the election of a substitute. Messrs. Donahue and Melia have each consented to serve as a director if elected, and we currently have no reason to believe that either of them will be unable to serve.

The two people receiving the greatest number of votes cast will be elected as Class III directors.

Our Board of Directors recommends that you vote FOR the election of Messrs. Donahue and Melia as Class III Directors.

Our Audit Committee provides direct contact between our independent registered public accounting firm and members of our Board of Directors, and our independent registered public accounting firm reports directly to the committee. The primary role of the Audit Committee is to assist our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information proposed to be provided to shareholders and others, the internal control systems and disclosure controls established by management and the Board, the audit process and the qualifications, independence and performance of our independent registered public accounting firm. The Audit Committee is directly responsible for selecting, compensating, evaluating and, when necessary, replacing our independent registered public accounting firm. Our Audit Committee has adopted procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters. These procedures are set forth in our Code of Ethics.

The Board of Directors determined that the members of our Audit Committee are not only independent, but also are “financially literate” for purposes of NASDAQ rules (that is, able to read and understand financial statements). Our Nominating and Governance Committee held ten meetings during the year ended December 31, 2004.

Director Candidates and Selection Process

The Nominating and Governance Committee, in consultation with our Chief Executive Officer and the Chairman of the Board, identifies and reviews candidates for our Board of Directors and recommends to our full Board candidates for election to the Board. In selecting new directors, the committee considers any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to the composition of the Board (including its size and structure), principles of diversity, and such other factors as the committee deems to be appropriate. As part of this responsibility, the committee is responsible for conducting, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for the Board and such candidate's compliance with the independence and other qualification requirements established by the committee or imposed by applicable law or listing standards. The Committee has also used third-party recruiting firms to assist it in identifying nominees for director.

The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Governance Committee will take into consideration the factors discussed above. The Nominating and Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name and address of the stockholder and the class and number of shares beneficially owned by the stockholder and owned of record by the stockholder; and

All information relating to the candidate that is required to be disclosed in solicitation of proxies for election of a director, or is otherwise required pursuant to Regulation 14A under the Securities and Exchange Act of 1934 or any other statute, rule or regulation applicable thereto.

The stockholder recommendation and information described above must be sent to our secretary and must be received by our secretary not less than sixty (60) days prior to the date of our annual meeting of stockholders as specified in our By-Laws (the fourth Wednesday in May) and if less than seventy (70) days' notice or prior public disclosure of the date of such annual or special meeting is given or made, notice by the stockholder to be timely must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which notice of the date of such annual or special meeting was mailed or the day on which public disclosure was made of the date of such annual or special meeting.

In addition, immediately following each annual meeting of stockholders (or special meeting in lieu thereof), each non-employee director re-elected to or remaining on the Board is granted fully vested options to purchase 10,000 shares of common stock, *provided that*:

any prior grants held by the director have fully vested; or

The exercise price per share of each option grant is equal to the closing price of our common stock on the date of such grant, as reported by The Nasdaq Stock Market (National Market System). In accordance with the foregoing provisions, during the year ended December 31, 2004, Messrs. Donahue and Turner each received an option to purchase 25,000 shares of common stock at a price of \$8.80 per share in connection with their election to the Board of Directors in January 2004, and Ms. Chong and Mr. Mills each received options to purchase 10,000 shares of common stock at a price of \$5.39 per share. The amounts shown represent hypothetical values that could be achieved for the respective options if exercised at the end of their option terms. These gains are based on assumed rates of stock appreciation of five percent and ten percent, compounded annually from the date the respective options were granted to the date of their expiration. The gains shown are net of the option price, but do not include deductions for taxes or other expenses that may be associated with the exercise. Actual gains, if any, on stock option exercises will depend on future performance of the common stock, the optionholders' continued employment through the option period, and the date on which the options are exercised.

Equity Compensation Plans

The equity compensation plans approved by our stockholders as of December 31, 2004 were our 1990 Incentive and Nonqualified Stock Option Plan, our 1996 Incentive and Non-Qualified Stock Option Plan, our 1996 Employee Stock Purchase Plan and our 2004 Stock Incentive Plan. In addition, we assumed the Coral Systems, Inc. Stock Option Plan and the Coral Systems, Inc. Amended and Restated Stock Option Plan in connection with our acquisition of Coral Systems, Inc. in November 1997, and the Corsair Communications, Inc. 1997 Stock Incentive Plan and the Subscriber Computing, Inc. 1997 Incentive Stock Option, Nonqualified Stock Option and Restricted Stock Purchase Plan in connection with our acquisition of Corsair Communications, Inc. in February 2001.

The only equity compensation plan that we had adopted as of December 31, 2004 and which had not been approved by our stockholders was our 1998 Non-Statutory Stock Plan. Our Board of Directors adopted the 1998 Nonqualified Stock Option Plan in May 1998. The plan authorized the grant of nonqualified stock options to directors, officers and other employees of Lightbridge or its subsidiaries, and also to consultants and other service providers.

As of December 31, 2004, the only equity compensation plan under which we could make additional grants or awards was our 2004 Stock Incentive Plan. All of the other plans we have adopted remain in effect solely with respect to prior grants and awards that remain outstanding.

Compensation Committee Report

The following is a report of the Compensation Committee describing the compensation policies and rationales that the Compensation Committee used to determine the compensation paid to our executive officers for the year ended December 31, 2004.

The purpose of the Compensation Committee is to discharge the responsibilities of our Board of Directors relating to compensation of our directors and executive officers and related matters and to review and make recommendations to the Board regarding employee compensation and benefit plans and programs generally. In addition, the Compensation Committee is responsible for administering Lightbridge's compensation programs, including our 1996 Employee Stock Purchase Plan and 2004 Stock Incentive Plan. The Compensation Committee also performs other duties that the Board of Directors periodically assigns to it.

The Compensation Committee seeks to achieve three broad goals in connection with Lightbridge's executive compensation programs and decisions regarding individual compensation:

structuring executive compensation programs in a manner that will enable Lightbridge to attract and retain key executives;

rewarding executives for Lightbridge's achievement of financial goals or other business objectives, in order to create a performance-oriented environment; and

providing executives with an equity interest in Lightbridge so as to link a portion of their compensation with the performance of the common stock.

Lightbridge's executive compensation program generally consists of three elements: base salary, annual cash bonus, and a stock-based equity incentive in the form of participation in Lightbridge's stock option plans. The executive officers are also eligible to participate in other employee benefit plans, including health and life insurance plans and a 401(k) retirement plan, on substantially the same terms as other employees who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or on the benefits that may be payable under these plans. In establishing base salaries for executives, the Compensation Committee monitors salaries at other companies, particularly those companies in similar markets and companies located in similar geographic areas as Lightbridge. In addition, for each executive, the Compensation Committee considers historic salary levels, work responsibilities and base salary relative to other executives at Lightbridge. To the extent determined to be

[Table of Contents](#)

appropriate, the Compensation Committee also considers general economic conditions, Lightbridge's financial performance and each individual's performance.

Lightbridge's approach to the Chief Executive Officer's compensation package in fiscal 2004 was to be competitive with other companies in the Company's markets and to tie a significant percentage of the Chief Executive Officer's total compensation package to Lightbridge's performance.

During her tenure as Chief Executive Officer, Pamela D.A. Reeve was party to an employment agreement with Lightbridge that established her annual base salary during the term of the agreement, subject to increase (but not decrease) at the discretion of the Board of Directors. Ms. Reeve's base salary was designed to give her assurance of a base level of compensation, commensurate with her position and duration of employment with Lightbridge. Ms. Reeve received a base salary at an annual rate of \$390,000 in 2004, and also received use of a company car. In August 2004, Ms. Reeve entered into a separation agreement with Lightbridge pursuant to which she resigned as an officer and director of Lightbridge, and she was entitled to receive, as severance payments, (i) \$390,000 as a lump sum, (ii) a continuation of her then-current base salary on Lightbridge's normal payroll cycle for a period of one year, and (iii) the right to retain the Lightbridge-owned automobile, which had a total book value of approximately \$33,000, laptop computer and wireless telephone used by her. The agreement also provided for the extension of the exercise period of options to purchase shares of common stock held by her through February 2, 2006, for up to \$50,000 in outplacement services and for certain other benefits. In determining the terms of Ms. Reeve's separation agreement, the Compensation Committee considered her length of service to the Company (more than ten (10) years), separation benefits offered to the Company's other terminated executive officers, and market data regarding CEO separation benefits.

In August 2004, Lightbridge entered into an employment agreement with Robert E. Donahue, pursuant to which he served as Lightbridge's interim President and Chief Executive Officer. Mr. Donahue's employment agreement provided for the following principal compensation components: (a) a base salary at the rate of \$390,000 per year; (b) a bonus of up to 100% of base salary, subject to achievement of management business objectives determined by the Board of Directors and Mr. Donahue; and (c) an option to purchase 300,000 shares of Lightbridge's common stock at a price of \$3.76 per share, which was the closing price of Lightbridge's common stock on the date of grant. The option was vested as to 100,000 shares on the date of grant. The remaining 200,000 shares vest in full on the fourth anniversary of the date of grant, provided, however, that the vesting of such remaining shares is subject to acceleration as follows: (i) in the event that the average closing price of the common stock (as reported by the Nasdaq National Market) over any 20 consecutive trading day period beginning on or after the date of grant and ending on or before the date Mr. Donahue's employment as President and Chief Executive Officer terminates equals or exceeds \$7.50, the option shall immediately vest as to 100,000 of the remaining shares; and (ii) in the event that such average closing price equals or exceeds \$10.00, the Stock Option shall immediately vest in full. The option has a term of 10 years and terminates 90 days after Mr. Donahue ceases to serve as President and Chief Executive Officer. In determining the terms of Mr. Donahue's employment agreement, the Compensation Committee considered the Company's operating circumstances and challenges and market data regarding CEO compensation. Mr. Donahue's employment agreement was superseded by a new employment agreement when his period as interim President and Chief Executive Officer ended in January 2005.

Executive bonuses generally are considered and granted on an annual basis. Payment of each bonus installment is generally subject to the continued employment of the bonus recipient. Lightbridge adopts a target bonus plan for officers shortly after the beginning of each year, with targets typically based on financial goals for the year and/or individual goals and objectives established for an executive in a given year. The target bonus plan may be modified during the year in certain circumstances. After Lightbridge's financial results for the year are available, the Compensation Committee evaluates the performance of the officers and determines the extent to which bonuses are to be paid from the target bonus plan. In certain circumstances, the Compensation Committee may also approve discretionary bonus payments for officers based on management's recommendations. In accordance with these procedures, in early 2004 Lightbridge adopted its 2004 target bonus plan. In early 2005, the Compensation Committee determined the extent to

[Table of Contents](#)

which bonuses would be paid to officers out of the 2004 target bonus plan or on a discretionary basis. In February 2005, the Compensation Committee approved a bonus of \$161,417 for Mr. Donahue for 2004, based on the level of achievement of the financial and qualitative management business objectives previously established for him.

Generally, Lightbridge's policy with respect to option grants to executive officers is to create a performance incentive for such officers by providing them the ability to acquire or increase a proprietary interest in Lightbridge and its success. In determining the size of each stock option grant, the Compensation Committee emphasized the seniority, responsibilities and performance of the executive, as well as equity compensation arrangements at other companies and in the same geographic area. In 2004, options were granted to Robert E. Donahue, Timothy C. O'Brien, Roy Banks, Judith A. Dumont, Eugene J. DiDonato, Pamela D.A. Reeve and Edward DeArias.

Section 162(m) of the Internal Revenue Code of 1986 generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to its chief executive officer and its four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. In this regard, Lightbridge has limited the number of shares subject to stock options that may be granted to Lightbridge employees in a manner that complies with the performance-based requirements of Section 162(m). Based on the compensation awarded to Lightbridge's executive officers, it does not appear that the Section 162(m) limitation will have a significant impact on Lightbridge in the near term. While the Compensation Committee does not currently intend to qualify its executive bonus awards as a performance-based plan, it will continue to monitor the impact of Section 162(m) on Lightbridge.

Employment, Separation and Change in Control Agreements

During 2004, we were party to an employment agreement with Pamela D.A. Reeve under which Ms. Reeve was employed as our Chief Executive Officer. The employment agreement was terminable at will, but provided for severance payments to Ms. Reeve if we terminated her employment without cause. In August 2004 we entered into a separation agreement and release with Ms. Reeve pursuant to which she resigned as an officer and director of Lightbridge, and she was entitled to receive, as severance payments, (i) \$390,000 as a lump sum, (ii) a continuation of her then-current base salary on our normal payroll cycle for a period of one year and (iii) the right to retain the Lightbridge-owned automobile, which had a total book value of approximately \$33,000, laptop computer and wireless telephone used by her. The agreement also provided for the extension of the exercise period of options to purchase shares of common stock held by her through February 2, 2006, for up to \$50,000 in outplacement services and for certain other benefits. During 2004, Ms. Reeve's son, Stephen Reeve, served as one of our employees and received total cash compensation of approximately \$82,000. He also participated in our employee benefit plans.

In August 2004, we entered into an employment agreement with one of our directors, Robert E. Donahue, pursuant to which he agreed to serve as our interim President and Chief Executive Officer. Mr. Donahue's employment agreement provided for him to receive a base salary at the rate of \$390,000 per year, a bonus of up to 100% of base salary, subject to achievement of management business objectives determined by the Board of Directors and Mr. Donahue, and an option to purchase 300,000 shares of our common stock at a price of \$3.76 per share, as described in the Compensation Committee Report above. The August 2004 Employment Agreement with Mr. Donahue was superseded by the employment agreement entered into on January 7, 2005 described below.

On January 7, 2005, we entered into an employment agreement with Mr. Donahue (the "Donahue Agreement") after his period as interim President and Chief Executive Officer ended, which provides for

[Table of Contents](#)

payment of an annual base salary of \$395,000 and a bonus of up to 100% of base salary upon achievement of goals and objectives established annually by Compensation Committee. The Donahue Agreement also provides that the Company shall nominate and recommend to its stockholders the election of Mr. Donahue as a member of the Company's Board of Directors.

The Donahue Agreement provides for two stock option grants, the first for 250,000 shares, and the second for 150,000 shares. Each stock option has an exercise price of \$6.11 per share. The 250,000 share option vests over four years: 10% on grant, 3.75% per quarter during year one, and 6.25% per quarter during years two through four. The 150,000 share option vests $\frac{1}{3}$ of the shares upon achievement of each of \$12.50, \$15.00 and \$17.50 average share price within four years of grant and during Mr. Donahue's employment by the Company.

The Donahue Agreement provides for payment of twelve months' salary (plus specified benefit continuation costs) in the event of Mr. Donahue's termination without cause (as defined in the Donahue Agreement), for one year's acceleration of the first option above and for the right to continue to exercise the first and second option above, to the extent each is vested, until 90 days following the end of the salary continuation period. In the event that within two years following a change of control (as defined in the Donahue Agreement), Mr. Donahue's employment is terminated without cause or Mr. Donahue terminates his employment for good reason (as defined in the Donahue Agreement), the Donahue Agreement provides for the payment of one and half times Mr. Donahue's base salary and one and a half times his prior year's bonus, for acceleration of vesting of any unvested shares under the first option above and under the 300,000 share option granted to Mr. Donahue in August 2004 and for payment of specified benefit continuation costs for eighteen months.

During 2004, we were party to an employment agreement with Harlan B. Plumley, under which we agreed to employ Mr. Plumley as our Vice President, Finance & Administration, Chief Financial Officer and Treasurer. The employment agreement was terminable at will, but provided for severance payments to Mr. Plumley if we terminated his employment without cause. In May 2004, we entered into a separation agreement and release with Mr. Plumley pursuant to which he received a severance payment of \$233,000 and was permitted to retain the Lightbridge-owned laptop computer used by him. The agreement also provided for the extension of the exercise period of options to purchase shares of common stock held by him through December 31, 2004, for up to \$25,000 in outplacement services and for certain other benefits.

On November 8, 2004 we entered into a separation agreement and release with Edward DeArias, who was then serving as one of our executive officers. Under Mr. DeArias' agreement, his services as Vice President, Worldwide Sales and Marketing terminated on October 31, 2004 and he was entitled to receive, as severance payments, a continuation of his then-current base salary through October 31, 2005, subject to reduction by the amount of any income he received from new employment during the salary continuation period. During 2004, we made payments totaling approximately \$58,000 to Mr. DeArias under his severance agreement. The agreement also provided for the extension of the exercise period of options to purchase shares of common stock held by him through January 29, 2005, for up to \$10,000 in outplacement services and for certain other benefits.

On January 7, 2005, we entered into a Separation Agreement and Release with Judith Dumont, its former President of Telecommunications Decisioning Services. The Agreement provides for (i) the termination of Ms. Dumont's employment effective January 31, 2005, (ii) the payment of Ms. Dumont's base salary for a period of up to eleven (11) months after the termination of her employment (iii) outplacement assistance of up to \$10,000; (iv) the extension of the time to exercise any vested options through May 1, 2005; and (v) certain other benefits and restrictions as set forth in the Agreement.

On April 27, 2005, the Compensation Committee of the Board of Directors authorized us to enter into agreements with Messrs. Banks, DiDonato and O'Brien providing, in the event of a change in control and termination of employment without good reason, for the payment of one times base salary and one times prior year's bonus. These agreements are expected to be finalized and executed in the second quarter of 2005.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to report to the Securities and Exchange Commission their stock ownership at the time they become an executive officer, director or ten-percent stockholder and any subsequent changes in ownership. These executive officers, directors and ten-percent stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of these reports, we believe that all Section 16(a) reports applicable to our executive officers, directors and ten-percent shareholders during the fiscal year ended December 31, 2004 were filed on a timely basis.

Audit Committee Report

The following is a report of the Audit Committee describing the policies and procedures that it employed in reviewing Lightbridge’s financial statements for the year ended December 31, 2004 and related matters.

In accordance with its written charter, the primary role of the Audit Committee is to assist our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information proposed to be provided to shareholders and others, the internal control systems and disclosure controls established by management and the Board, and the audit process and the independent auditors’ qualifications, independence and performance.

Management is responsible for the internal controls and preparation of Lightbridge’s financial statements. Lightbridge’s independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an audit of its consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”) and issuing an opinion on the financial statements. The Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding Lightbridge’s internal controls, financial reporting practices and audit process.

Table of Contents

The Audit Committee has reviewed and discussed Lightbridge's audited consolidated financial statements for the fiscal year ended December 31, 2004 with management and the independent registered public accounting firm. As part of this review, the Audit Committee discussed with Deloitte & Touche LLP the communications required by the standards of the PCAOB, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The Audit Committee has received from Deloitte & Touche LLP a written statement describing all relationships between that firm and Lightbridge that might bear on the independent registered public accounting firm's independence, consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee has discussed the written statement with the independent registered public accounting firm, and has considered whether the independent registered public accounting firm's provision of consultation and other non-audit services to Lightbridge is compatible with maintaining the registered public accounting firm's independence.

Based on the above-mentioned reviews and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that Lightbridge's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.
