ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

During the years ended December 31, 1999, 2000 and 2001, we privately placed with an affiliate subordinated debentures totaling \$7.5 million, \$3.4 million and \$1.5 million, respectively. The debentures matured five years from their date of issue and accrued interest at various rates ranging from a fixed rate of 12% per annum to a variable rate of interest starting at 12% per annum and escalating to 20% per annum. In October 2000, we agreed to convert \$4.6 million of the subordinated debentures into our Series A Preferred. In May 2001, we agreed to pay the affiliate \$3.0 million cash plus issue to the affiliate \$4.6 million of the Company's Series B Preferred in satisfaction of all of the remaining outstanding subordinated debentures including accrued interest of \$1.8 million. This transaction resulted in the affiliate agreeing to forgive \$1.0 million of indebtedness, which was reflected as a capital contribution from the affiliate rather than as income in the accompanying financial statements. The proceeds were used to redeem \$8.2 million of the Series A Preferred outstanding, including accrued dividends. The remaining 25 shares of Series A Preferred were redeemed in April 2004 for \$0.03 million. At December 31, 2004 there are no Series A Preferred shares outstanding. During the first quarter of 2004, we redeemed 2,286 shares of the Series B Preferred for \$2.4 million, including accrued dividends. In April 2004, we redeemed 2,285 shares of the total of 2,314 shares of the Series B Preferred outstanding for \$2.5 million, including accrued dividends. At December 31, 2004, 29 shares of Series B Preferred remain outstanding.

In connection with the original issuance of the subordinated debentures,

we issued to the affiliate detachable warrants to purchase 1,912,833 shares of our common stock, of which 293,055 shares were transferred in 2003 to settle certain litigation (See Note 9) and 858,678 shares were cancelled. The balance of 761,100 shares was exercised during the first quarter of 2004 at an exercise price of \$2.25.

During 2003, we entered into an agreement to facilitate the private placement of approximately 1,650,000 shares of our common stock owned by an affiliate and certain investors. The sale of the stock covered by this agreement closed during the fourth quarter of 2003, resulting in our receipt of \$0.4 million cash which was recorded as a reduction in our general and administrative expenses during 2003.

8

During 2003, in order to facilitate a settlement of ongoing litigation between certain of our affiliates, we agreed to re-price and extend the maturity dates of certain warrants owned by the defendant affiliates but transferred in settlement of the litigation to the plaintiff affiliates. The exercise prices of the transferred warrants ranged from \$2.25 - \$6.00 per share. The maturity dates of the transferred warrants ranged from November 1, 2004 to July 1, 2005. The transferred warrants were re-priced at \$1.54 per share and the maturity dates were extended to November 1, 2006. Accordingly, during 2003 we recorded a non-cash charge of approximately \$0.1 million representing the differences in the fair market value of the originally issued warrants and the re-priced warrants. At December 31, 2004, 10,283 of the \$1.54 re-priced warrants were outstanding.

The following table summarizes the exercise prices of warrants as of December 31, 2004:

EXERCISE PRICE	WARRANTS
\$ 1.54	10,283
\$ 2.25	21,666
	31,949
