SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Nabors directors and executive officers, and persons who own more than 10% of a registered class of Nabors' equity securities, to file with the Securities and Exchange Commission and the American Stock Exchange initial reports of ownership and reports of changes in ownership of common shares and other equity securities of Nabors. Officers, directors and greater than 10% shareholders are required by Commission regulation to furnish Nabors with copies of all Section 16(a) forms which they file.

To our knowledge, based solely on review of the copies of Forms 3 and 4 and amendments thereto furnished to us during 2004 and Form 5 and amendments thereto furnished to us with respect to the year 2004, and written representations that no other reports were required, all Section 16(a) filings required to be made by Nabors' officers, directors and greater than 10% beneficial owners with respect to the fiscal year 2004 were timely filed, except Mr. Alexander Knaster filed a late Form 3 with respect to his initial holdings.

AUDIT COMMITTEE

The primary purpose of our Audit Committee is to assist the Board in monitoring (a) the quality and integrity of the financial statements of the Company; (b) the independent auditors' qualifications and independence; (c) the performance of the Company's independent auditors; and (d) compliance by the Company with legal and regulatory requirements. The Audit Committee met four times during 2004. The members of the Audit Committee for fiscal 2004 were Myron M. Sheinfeld (Chairman), Jack Wexler and Martin J. Whitman. Committee be "independent" as that term is defined under the listing standards of the AMEX and specified in Rule 10A-3 under the Securities Exchange Act of 1934. In addition, the Board has determined that Mr. Whitman is an "audit committee financial expert" as defined under the current rules of the SEC.

- (1) All options are granted at an exercise price equal to the closing price of Nabors' common shares on the date of grant. Therefore, if there is no appreciation in the market value, no value will be realizable. In accordance with Securities and Exchange Commission rules, the Black-Scholes option pricing model was chosen to estimate the grant date present value of the options set forth in this table. Nabors' use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about the future movement of the stock price. The following assumptions were made for purposes of calculating the February 20, 2004 grant date present value: (a) the expected term is assumed to be four years, (b) volatility of 31%, (c) dividend of \$0 per share and (d) risk-free rate of return of 2.462%. The figures given are not intended to forecast future price appreciation of the shares. The real value of the options in this table depends solely upon the actual performance of the Nabors' shares during the applicable period.
- (2) The options were granted on February 20, 2004 and vest in three equal annual installments beginning on February 20, 2005.
- (3) The options were granted on February 20, 2004 and vest in four annual installments beginning on the date of grant.

The following table provides information with respect to stock options exercised during 2004 and the value as of December 31, 2004 of unexercised in-the-money options held by the Named Executive Officers. The value realized on the exercise of options is calculated using the difference between the per share option exercise price and the market value of a share on the date of the exercise. The value of unexercised in-the-money options at fiscal year end is calculated using the difference between the per share option exercise price and the market value of \$51.29 per share at December 31, 2004.

Beginning in 2005 each director will receive an annual retainer of \$50,000; the Chairman of each committee shall receive an additional retainer of \$10,000 (except the Chairman of the Audit Committee, who shall receive \$25,000), and the Lead Director will receive an annual retainer of \$10,000 for service in this capacity. No additional amounts are paid for attendance at Board or committee meetings. Until February 2005 nonemployee directors who served on the Executive Committee received an additional annual retainer of \$125,000. In the event of retirement, permanent and total disability or death of a non-employee director who served on the Executive Committee, the

\$125,000 annual retainer, together with the amount of the annual retainer for serving as a Board member continued for an additional five years following the end of the quarter in which retirement, permanent and total disability, or death occurs. The practices of paying the annual retainer for service on the Executive Committee, together with the additional payments for five years following retirement, were eliminated in February 2005. Upon Mr. Wexler's retirement in February 2005 the Company paid Mr. Wexler a lump sum in the amount of \$803,110 in full satisfaction of its obligations to Mr. Wexler under this now discontinued policy.

Nabors also issues equity incentives to its nonemployee directors to align their interests with Nabors' shareholders. Awards are made pursuant to option plans adopted from time to time for nonemployee directors. On February 20, 2004, each nonemployee

11

director was awarded options to purchase at least 30,000 shares and certain nonemployee directors received additional awards in recognition of their service as a committee member or committee chairman. The awards were as follows: Mr. Payne, 40,000 options; Mr. Schmidt, 40,000 options; Mr. Sheinfeld, 45,000 options; Mr. Wexler, 45,000 options; and Mr. Whitman, 45,000 options. All of the options were granted at a per share price of \$45.91, the closing price of the Company's shares on the date of grant. In connection with their appointments to the Board of Directors, on November 9, 2004, Alexander M. Knaster was awarded options to purchase 30,000 shares, and on January 25, 2005, James C. Flores was awarded options to purchase 30,000 shares. Mr. Knaster's options were granted at a per share price of \$47.03, and Mr. Flores' options were granted at a per share price of \$49.67, in each case, the closing price of the Company's shares on the respective dates of grant. The options generally vest in three equal annual installments beginning on the first anniversary of the date of the grant and are exercisable for ten years from the date of grant. If the amendment to the 2003 Employee Stock Plan is approved by the shareholders at this year's annual general meeting of shareholders, the Company intends to replace the option awards historically made to nonemployee directors with awards of restricted stock. For 2005 the Company intends to award each nonemployee director 10,000 shares of restricted stock, which shall vest pro-rata over 3 years.

EMPLOYMENT CONTRACTS

Mr. Isenberg and Mr. Petrello's employment contracts were amended and restated effective October 1, 1996 and both contracts currently are set to expire on September 30, 2009. The expiration date automatically extends for an additional one-year term on each anniversary date, unless Nabors provides notice to the contrary ten days prior to such anniversary. Mr. Isenberg's salary is subject to annual review for increase at the discretion of the Board and the Compensation Committee. The formula for the calculation of his cash bonus remained as it had been under the prior version, a shareholder approved contract, which provided that Mr. Isenberg is entitled to receive an annual cash bonus equal to 6% of Nabors' net cash flow (as defined in the employment contract) in excess of 15% of the average stockholders' equity for such fiscal year. Mr. Petrello's salary is subject to annual review for increase at the discretion of the Board and the Compensation Committee. His annual bonus remained as it had been at the greater of \$700,000 or 2% of the net cash flow (as defined in the employment contract) in excess of 15% of the average stockholders' equity in such year. Mr. Isenberg and Mr. Petrello are eligible for stock options and grants; may participate in annual long-term incentive programs, and pension and welfare plans, on the same basis as other executives; and may receive special bonuses from time to time as determined by the Board. Effective June 24, 2002, Mr. Isenberg's and Mr. Petrello's employment contracts were amended to reflect a reduction in salary equivalent to the amount of director's fees to be paid by Nabors as of that date. Pursuant to an Executive Cost Allocation Agreement, a percentage of Mr. Isenberg's and Mr. Petrello's salary, bonus, stock options or other compensation payable pursuant to their employment agreements is paid by Nabors Corporate Services, Inc. for services performed for that company.

12

In addition to salary and bonus, each of Mr. Isenberg and Mr. Petrello receive group life insurance at an amount at least equal to three times their respective base salaries; various split-dollar life insurance policies, reimbursement of expenses, various perquisites and a personal umbrella policy in the amount of \$5 million. Further, if Mr. Isenberg or Mr. Petrello is subject to the tax imposed by Section 4999 of the Internal Revenue Code, Nabors has agreed to reimburse them for such tax on an after-tax basis. Premiums payable under the split dollar life insurance policies have been suspended as a result of the adoption of the Sarbanes - Oxley Act of 2002.

In the event that either Mr. Isenberg's or Mr. Petrello's employment contract is terminated by Nabors by reason of death, disability, or any reason other than for cause, or is terminated by either individual for Constructive Termination Without Cause (as defined in the respective agreements) or is terminated as a result of or following a Change in Control (as defined in the respective agreements), the terminated individual will be entitled to receive:

- (a) all base salary which would have been payable through the expiration date of the contract or three times his then current base salary, whichever is greater;
- (b) all annual cash bonuses which would have been payable through the expiration date, or three times the highest bonus, (including the imputed value of grants of stock awards and stock options), paid or payable during the last three fiscal years prior to termination, whichever is greater;
- (c) any restricted stock outstanding, which shall immediately and fully vest;
- (d) any outstanding stock options, which shall immediately and fully vest;
- (e) any amounts earned, accrued or owing to the executive but not yet paid (including executive benefits, life insurance, disability benefits and reimbursement of expenses and perquisites) shall be continued through the later of the expiration date or three years after the termination date;
- (f) continued participation in medical, dental and life insurance coverage until the executive receives equivalent benefits or coverage through a subsequent employer or until the death of the executive or his spouse, whichever is later; and
- (g) any other or additional benefits in accordance with applicable plans and programs of Nabors.

In the event that either Mr. Isenberg's or Mr. Petrello's termination is related to a Change in Control, the terminated individual, at his election, would be entitled to receive a cash amount equal to one dollar less than the amount that would constitute an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, in place of the salary and bonus referred to in (a) and (b) above. In addition, the terminated individual would be entitled, at his election, to terminate his employment because of such Change in Control, and to receive instead such number of outstanding options, as selected by the individual, an amount of cash in exchange therefor equal to (x) the excess of the Change in Control Price (as defined in the respective agreements) over the exercise price of the options per common share multiplied by (y) the number of options selected by the individual. In addition, the terminated individual would be entitled to a grant of additional vested options exercisable for five years, at a price equal to the average closing price per share during the 20 days prior to the Change in Control in an amount equal to the highest number of options granted during any fiscal year during the period comprising the then current fiscal year and the three fiscal years preceding the Change in Control. In the event that either Mr. Isenberg's or Mr. Petrello's employment contract is terminated for cause or as a result of resignation (other than as described above), the terminated individual will be entitled to receive: (1) base salary

13

through the date of termination; (2) all annual cash bonuses which would have been payable through the date of termination; (3) all restricted stock that has vested on or prior to the date of termination; (4) any outstanding stock options vested on or prior to the date of termination; (5) any amounts earned, accrued or owing to the executive but not yet paid (including executive benefits, life insurance, disability benefits and reimbursement of expenses and perquisites if to be performed following termination); and (6) other or additional benefits in accordance with applicable plans and programs of Nabors. If Mr. Petrello's employment is terminated for any reason, he also is entitled to certain relocation benefits as set forth in his employment agreement.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee for fiscal 2004 was comprised of three independent directors: Mr. Wexler (Chairman) and Mr. Sheinfeld and Mr. Whitman. Mr. Wexler retired in February 2005 and Mr. Flores was appointed to the Compensation Committee in February 2005. None of these directors has ever served as an officer or employee of Nabors or any of its subsidiaries, nor has any participated in any transaction during the last fiscal year required to be disclosed pursuant to the federal proxy rules. No executive officer of Nabors serves on any compensation committee of the board of directors of any entity that has one or more of its executive officers serving as a member of our Compensation Committee. In addition, none of our executive officers serves as a member of the compensation committee of the board of directors of any entity that has one or more of its executive officers serving as a member of our Board of Directors.
