The meeting will be held at the offices of Deutsche Investment Management Americas Inc. ("DeIM" or the "Advisor"), 345 Park Avenue, New York, New York 10154, on Thursday, May 25, 2006 at 11:00 a.m. Eastern time, to consider the following proposal (the "Proposal") and to transact such other business, if any, as may properly come before the meeting:

The Board of each Fund has fixed the close of business on March 31, 2006 as the record date (the "Record Date") for determining the shareholders of each Fund entitled to notice of and to vote at the meeting or any adjournments or postponements thereof. Shareholders are entitled to one vote for each share held.

THE BOARD OF EACH FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE TRUSTEES

PLEASE INDICATE YOUR VOTING INSTRUCTIONS ON THE ENCLOSED PROXY CARD. SIGN, DATE AND RETURN YOUR PROXY CARD IN THE ENVELOPE PROVIDED. TO SAVE YOUR FUND THE COST OF ADDITIONAL SOLICITATIONS, PLEASE MAIL YOUR PROXY CARD. IF YOU WISH TO ATTEND THE MEETING AND VOTE YOUR SHARES IN PERSON AT THAT TIME, YOU WILL STILL BE ABLE TO DO SO.

The accompanying proxy is solicited by the Board of each Fund for voting at the joint annual meeting of shareholders to be held on May 25, 2006, and at any and all postponements or adjournments thereof (the "Meeting"). The shareholders of each Fund will vote separately on the Proposal. This proxy statement was first mailed to shareholders on or about April 17, 2006.

The Board of each Fund recommends shareholders vote FOR the election of the Trustees. The vote required to elect the Trustees to the Board of each Fund is described under "Miscellaneous."

ELECTION OF TRUSTEES TO THE BOARDS

THE BOARD OF EACH FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES NAMED BELOW.

At the Meeting, shareholders of each Fund will be asked to elect nine individuals to constitute the Board of Trustees of each Fund. Board members are elected annually pursuant to each Trust's Declaration of Trust and By-Laws. The nine individuals nominated for election as Trustees of each Fund were nominated after careful consideration by each Fund's present Board of Trustees. The nominees are listed below. Eight of the nine nominees are currently Trustees of each Fund and are currently trustees or directors of other funds advised by DeIM. Each Board currently has one vacancy. All the nominees except Mr. Schwarzer were last elected to each Board at the previous joint annual meeting of shareholders. Mr. Schwarzer will be standing for election for the first time. He is a senior executive officer of DeIM and is an "interested person" (an "Interested Person") of the Funds within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act"), due to the fact that he is an officer of the Advisor. He is referred to as an "Interested Nominee." Each of the remaining eight nominees is not an Interested Person of the Advisor or the Funds within the meaning of the 1940 Act and is referred to as a "Non-interested Trustee" or "Independent Trustee". Except for Mr. Wadsworth, the Independent

Trustees currently oversee 71 fund portfolios in the DWS Fund Complex; Mr. Wadsworth currently oversees 74 fund portfolios in the DWS Fund

Complex. The Independent Trustees are often referred to as the "Chicago Board."

The persons named as proxies on the enclosed proxy card(s) will vote for the election of all the nominees (as to each relevant Fund) unless authority to vote for any or all of the nominees is withheld in the proxy. Each Trustee so elected will serve as a Trustee of the respective Fund until the next meeting of shareholders, if any, called for the purpose of electing Trustees and until the election and qualification of a successor or until such Trustee sooner dies, resigns or is removed as provided in the organizational documents of each Fund.

KTF AND KSM ONLY. As indicated above, holders of the Preferred Shares are entitled to elect two Trustees. Messrs. Schwarzer and Wadsworth are nominees for election by holders of the Preferred Shares of each Fund. In addition, seven other Trustees are to be elected by holders of the Common Shares and the Preferred Shares, voting together as a single class. Ms. Peterson and Messrs. Ballantine, Dunaway, Edgar, Freeman, Hoffman and McClayton are nominees for election by all shareholders.

All the nominees listed below have consented to serve as Trustees of the respective Funds, if elected. In case any nominee shall be unable or shall fail to act as a Trustee by virtue of an unexpected occurrence, persons named as proxies will vote in their discretion for such other nominee or nominees as the current Trustees may recommend. The following table presents certain information about the nominees as of December 31, 2005. Each nominee's year of birth is set forth in parentheses after his or her name. Unless otherwise noted, each nominee has engaged in the principal occupation(s) noted in the table for at least the most recent five years, although not necessarily in the same capacity. The mailing address for each nominee except Mr. Schwarzer is c/o Deutsche Investment Management Americas Inc., 222 South Riverside Plaza, Chicago, Illinois 60606. The mailing address for Mr. Schwarzer is 345 Park Avenue, New York, New York 10154.

- (1) Length of time served represents the date that each Trustee was first elected to the common board of directors/trustees which oversees a number of investment companies, including the Funds, managed by the Advisor. As of December 31, 2005, each Independent Trustee other than Mr. Wadsworth served on the boards of 22 trusts/corporations comprised of 71 funds. Mr. Wadsworth served on the boards of 24 trusts/corporations comprised of 74 funds.
 - (2) As a result of his position with the Advisor, Mr. Schwarzer is considered an "interested person" of the Funds within the meaning of the 1940 Act.

As of December 31, 2005, none of the Non-interested Trustees owned securities beneficially of the Advisor, or any person directly or indirectly controlling, controlled by or under common control with the Advisor.

RESPONSIBILITIES OF THE BOARD OF TRUSTEES - BOARD AND COMMITTEE MEETINGS

The primary responsibility of each Board is to represent the interests of the shareholders of the Funds and to provide oversight of the management of the Funds. Each Board proposed for election at the Meeting is comprised of one individual who would be an Interested Trustee, and eight individuals who would be Independent Trustees. SEC rules currently require a majority of the board members of a fund to be "independent" if the fund takes advantage of certain exemptive rules under the 1940 Act. If the proposed Board of Trustees is approved by shareholders, 89% will be Independent Trustees. Each of the nominees that will be considered an Independent Trustee, if elected, has been selected and nominated solely by the current Independent Trustees of each Fund.

Each Board meets multiple times during the year to review the investment performance of each Fund and other operational matters, including regulatory and

compliance related policies and procedures. Furthermore, the Independent Trustees review the fees paid to the Advisor and its affiliates for investment advisory services and other services. Each Board has adopted specific policies and guidelines that, among other things, seek to further enhance the effectiveness of the Independent Trustees in performing their duties. For example, the Independent Trustees select independent legal counsel to work with them in reviewing fees, advisory and other contracts and overseeing fund matters, and regularly meet privately with their counsel.

During fiscal year 2005, the Board of each Fund met nine times. Each Trustee attended at least 75% of the respective meetings of the Board and the Committees (if a member thereof) held during calendar year 2005.

Each Fund has adopted a policy that generally a Trustee or senior officer will be present at annual shareholder meetings in order to facilitate communication with shareholders. One Trustee attended the Funds' last annual meeting held on May 25, 2005.

Each Board has adopted Governance Procedures and Guidelines and has established a number of Committees, as described below. For each Committee, each Board has adopted a written charter setting forth the Committee's responsibilities.

AUDIT COMMITTEE

The Audit Committee makes recommendations regarding the selection of the independent registered public accounting firm for each Fund, confers with the independent registered public accounting firm regarding each Fund's financial statements, the results of audits and related matters, reviews and discusses each Fund's audited financial statements with management and performs such other tasks as the full Board deems necessary or appropriate. The Committee is comprised of only Non-interested Trustees who are "independent" as defined in the New York Stock Exchange ("NYSE") and the Chicago Stock Exchange ("CHX") listing standards applicable to closed-end funds. The Audit Committee held ten meetings during fiscal year 2005. A copy of the Audit Committee Charter for each Fund is attached as Appendix 1 hereto.

For the 2005 fiscal year for each Fund, the Committee reviewed and discussed the audited financial statements with management. The Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Funds' independent registered public accounting firm provided the Committee the written disclosure required by Independence Standards Board

8

Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with representatives of the independent registered public accounting firm their firm's independence, including the matters described beginning on page 20. Based on its review of each Fund's financial statements and discussions with management and the independent registered public accounting firm and other written disclosure provided by the independent registered public accounting firm, the Committee recommended to each Board that the audited financial statements be included in the annual report provided to shareholders for each Fund's 2005 fiscal year. The current members of the Audit Committee are:

Donald L. Dunaway (Chair)
Robert B. Hoffman

NOMINATING AND GOVERNANCE COMMITTEE

The Nominating and Governance Committee seeks and reviews candidates for consideration as nominees for membership on the Board and oversees the administration of the Governance Procedures and Guidelines. The Committee is comprised of only Non-interested Trustees who are "independent" as defined in the NYSE and the CHX listing standards applicable to closed-end funds. The members of the Nominating and Governance Committee are Shirley D. Peterson (Chair), James R. Edgar and William McClayton. The Nominating and Governance Committee held five meetings during fiscal year 2005. Each Fund's Nominating and Governance Committee is governed by the Nominating and Governance Committee Charter, a copy of which is attached hereto as Appendix 2.

The Nominating and Governance Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by shareholders. Shareholders may recommend candidates for Board positions by forwarding their correspondence by U.S. mail or courier service to the Funds' Secretary for the attention of the Chairman of the Nominating and Governance Committee, Two International Place, Boston, Massachusetts 02110-4103. Suggestions for candidates must include a resume of the candidate.

The Nominating and Governance Committee's principal criterion for selection of candidates is their ability to carry out the responsibilities of the Board. In addition, the following factors are taken into consideration: (a) the Board collectively should represent a broad cross section of backgrounds, functional disciplines and experience to enable the Board to provide effective oversight of a Fund's regulatory and business issues, (b) candidates should exhibit high standards of personal integrity, com-

9

mitment to representing shareholders and independence of thought and judgment, and (c) candidates should commit to dedicate sufficient time, energy and attention to ensure the diligent performance of all duties, including attendance at meetings of the Board and committees on which the Board member serves and review in advance of all meeting materials.

CONTRACT REVIEW COMMITTEE

The Contract Review Committee, which consists entirely of Independent Trustees, oversees the annual contract review process. The members of the Contract Review Committee are Paul K. Freeman (Chair), John W. Ballantine, Donald L. Dunaway and Robert B. Hoffman. The Contract Review Committee held two meetings during fiscal year 2005.

VALUATION COMMITTEE

The Valuation Committee reviews Valuation Procedures adopted by the Board, determines fair value of the Funds' securities as needed in accordance with the Valuation Procedures and performs such other tasks as the full Board deems necessary. Currently, the members of the Valuation Committee are John W. Ballantine (Chair), Robert H. Wadsworth, Donald L. Dunaway (alternate) and William McClayton (alternate). The Valuation Committee held three meetings during fiscal year 2005.

OPERATIONS COMMITTEE

The Operations Committee oversees the operations of the Funds, such as reviewing each Fund's administrative fees and expenses, portfolio transaction policies, custody and transfer agency arrangements and shareholder services. The members of the Operations Committee are John W. Ballantine (Chair), Paul K. Freeman and Robert H. Wadsworth. The Operations Committee held seven meetings during fiscal year 2005.

FIXED-INCOME OVERSIGHT COMMITTEE

The Fixed-Income Oversight Committee oversees investment activities of the Funds, such as investment performance and risk, expenses and services provided under the investment management agreements. The members of the Fixed-Income Oversight Committee are Paul K. Freeman (Chair), Donald L. Dunaway and James R. Edgar. The Fixed-Income Oversight Committee held five meetings during fiscal year 2005.

SHAREHOLDER COMMUNICATION WITH THE TRUSTEES

The Board of each Fund provides a process for shareholders to send communications to the Board. (These communications do not include shareholders' proposals described below under "Miscellaneous -- Pro-

10

posals of Shareholders.") Correspondence should be sent by U.S. mail or courier service to the Funds' Secretary, Two International Place, Boston, Massachusetts 02110-4103, who will forward it to the Chairperson of the Board (currently Ms. Peterson) if addressed to the Board, or to a specific Trustee if addressed to that Trustee.

COMPENSATION OF TRUSTEES

For the calendar year ended 2005, each Independent Trustee received a monthly retainer, paid on a quarterly basis, and an attendance fee, plus expenses, for each Board meeting and Committee meeting attended. Effective January 1, 2006, each Independent Trustee receives an annual base retainer, paid quarterly, and, as applicable, an additional annual fixed fee(s) for serving as committee member, committee chairman and/or as the Independent Board chairman. The Trustees serve as board members of various other funds advised by the Advisor. The Advisor supervises the Funds' investments, pays the compensation and expenses of its personnel who serve as a Trustee or as officers on behalf of the Funds and receives a management fee for its services.

The Board of Trustees of the Funds established a deferred compensation plan for the Independent Trustees ("Deferred Compensation Plan"). Under the Deferred Compensation Plan, the Independent Trustees may defer receipt of all, or a portion, of the compensation they earn for their services to the Funds, in lieu of receiving current payments of such compensation. Any deferred amount is treated as though an equivalent dollar amount has been invested in shares of one or more funds advised by the Advisor ("Shadow Shares"). Governor Edgar currently has elected to defer at least a portion of his fees. The equivalent Shadow Shares are reflected below in the table describing the Trustees' share ownership. The Independent Trustees are not entitled to benefits under any fund pension or retirement plan.

11

The following table shows compensation received by each Independent Trustee from the Funds and aggregate compensation from the fund complex during the calendar year 2005.

(1) Includes deferred fees. Pursuant to a Deferred Compensation Plan, as discussed above, deferred amounts are treated as though an equivalent dollar amount has been invested in Shadow Shares (as defined above) of funds managed by the Advisor in which compensation may be deferred by Governor Edgar. Total deferred fees (including interest thereon and the return from the assumed investment in the funds managed by the Advisor) payable from the Funds to Governor Edgar are \$13,346, \$13,070, \$20,547, \$12,930 and \$8,303 from KHI, KMM, KTF, KSM and KST, respectively.

(2) For each Trustee, except Mr. Wadsworth, total compensation includes compensation for service on the boards of 31 trusts/corporations comprised of 85 funds/portfolios. Each Trustee, except Mr. Wadsworth, currently serves on the boards of 22 trusts/corporations comprised of 71 funds/portfolios. Mr. Wadsworth currently serves on the boards of 24 trusts/corporations comprised of 74 funds/portfolios.

(3) Aggregate compensation reflects amounts paid to the Trustees for numerous special meetings of ad hoc committees of the Chicago Board in connection with reviewing the Funds' rebranding initiatives to change to the DWS Family of Funds and with respect to legal and regulatory matters. Such amounts totaled \$15,340 for each of Messrs. Ballantine, Freeman and Ms. Peterson, \$20,510 for Mr. Dunaway and \$5,170 for Messrs. Edgar, Hoffman, McClayton and Wadsworth. These meeting fees were borne by the Advisor.

(4) If the new Independent Trustee compensation structure, effective January 1, 2006, had been in effect for the calendar year 2005, the range of compensation paid to the Independent Trustees would have been between \$175,000 and \$225,000.

(5) Includes \$38,010 in annual retainer fees received by Ms. Peterson as Chairperson of the Board.

Mr. Freeman, prior to his service as an Independent Trustee of the Funds, served

as a board member of certain funds in the Deutsche Bank complex ("DB Funds"). In connection with his resignation and the resignation of certain other board members as trustees of the DB Funds on July 30, 2002 (the "Effective Date"), which was part of a restructuring of the boards overseeing the DB Funds, Deutsche Asset Management, Inc. ("DAM") agreed to recommend, and, if necessary obtain, directors and officers

("D&O") liability insurance coverage for the prior board members, including Mr. Freeman, that is at least as equivalent in scope and amount to the D&O coverage provided to the prior board members for the six-year period following the Effective Date. In the event that D&O insurance coverage is not available in the commercial marketplace on commercially reasonable terms from a conventional third party insurer, DAM reserved the right to provide substantially equivalent protection in the form of an indemnity or financial guarantee from an affiliate of DAM. The D&O policy in effect prior to the Effective Date provided aggregate coverage of \$25,000,000, subject to a \$250,000 per claim deductible.

TRUSTEE FUND OWNERSHIP

Under each Fund's Governance Procedures and Guidelines, the Independent Trustees have established the expectation that within three years of becoming a Trustee, an Independent Trustee will have invested an amount in those funds he or she oversees (which shall include amounts held under a deferred fee agreement that are valued based on "Shadow Shares" in such funds) in the aggregate in excess of \$150,000. An Interested Trustee is also encouraged to own an amount of shares (based upon his or her own individual judgment) of those funds that he or she oversees that is suitable for his or her own appropriate investment needs. The following table sets forth for each Independent Trustee and the Interested Nominee the dollar range of securities owned in each Fund and

all funds in the fund complex overseen by each Independent Trustee and the Interested Nominee as of December 31, 2005.

(1) Common Shares

As of December 31, 2005, each executive officer, Independent Trustee and Interested Nominee individually, and the officers, Independent Trustees and

Interested Nominee as a group, owned beneficially less than 1% of the outstanding shares of each Fund. As of December 31, 2005, the Independent Trustees, Interested Nominee and executive officers did not own any Preferred Shares of KTF or KSM. As of December 31, 2005, no person is known to any Fund to have owned beneficially more than 5% of any class of shares of any Fund.

AGREEMENT TO INDEMNIFY INDEPENDENT TRUSTEES FOR CERTAIN EXPENSES

In connection with litigation or regulatory action related to possible improper market timing or other improper trading activity or possible improper marketing and sales activity in the Funds (see "Regulatory and Litigation Matters" on page 22), the Advisor has agreed, subject to applicable law and regulation, to indemnify and hold harmless the Funds against any and all loss, damage, liability and expense, arising from market timing or marketing and sales matters alleged in any enforcement actions brought by governmental authorities involving or potentially affecting the Funds or the Advisor ("Enforcement Actions") or that are the basis for private actions brought by shareholders of the Funds against the Funds, their directors and officers, the Advisor and/or certain other parties ("Private Litigation"), or any proceedings or actions that may be threatened or commenced in the future by any person (including governmental authorities), arising from or similar to the matters alleged in the Enforcement Actions or Private Litigation. In recognition of its undertaking to indemnify the Funds and in light of the rebuttable presumption

15

generally afforded to independent directors/trustees of investment companies that they have not engaged in disabling conduct, the Advisor has also agreed, subject to applicable law and regulation, to indemnify the applicable Funds' Independent Trustees against certain liabilities the Independent Trustees may incur from the matters alleged in any Enforcement Actions or Private Litigation or arising from or similar to the matters alleged in the Enforcement Actions or Private Litigation, and advance expenses that may be incurred by the Independent Trustees in connection with any Enforcement Actions or Private Litigation. The Advisor is not, however, required to provide indemnification and advancement of expenses: (1) with respect to any proceeding or action with respect to which a Fund's Board determines that the Independent Trustee ultimately would not be entitled to indemnification or (2) for any liability of the Independent Trustee to the Funds or their shareholders to which the Independent Trustee would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the Independent Trustee's duties as a director or trustee of the Funds as determined in a final adjudication in such action or proceeding. The estimated amount of any expenses that may be advanced to the Independent Trustees or indemnity that may be payable under the indemnity agreements is currently unknown. These agreements by the Advisor will survive the termination of the investment management agreements between the Advisor and the Funds.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Board, including the Independent Trustees, has selected Ernst & Young LLP ("E&Y") to act as independent registered public accounting firm to audit the books and records of each Fund for the current fiscal year. E&Y has served each Fund in this capacity since the Fund was organized and has no direct or indirect financial interest in any Fund

17

except as the independent registered public accounting firm. E&Y will not be represented at the Meeting.

In connection with the audit of the 2005 financial statements, the Funds entered into an engagement letter with E&Y. The terms of the engagement letter required by E&Y, and agreed to by the Audit Committee, include provisions in which the parties consent to the sole jurisdiction of federal courts in New York, Boston or the Northern District of Illinois, as well as a waiver of right to a trial by jury and an exclusion of punitive damages.

The following table shows fees billed by E&Y to each Fund during that Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services pre-approved by the Audit Committee for the Advisor and certain entities controlling, controlled by, or under common control with the Advisor that provide ongoing services to the Fund (collectively, the "Advisor Entities"), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each Board has reviewed whether E&Y's receipt of non-audit fees from the Fund, DeIM

18

and all Advisor Entities is compatible with maintaining E&Y's independence.

-
- (1) "Audit Fees" are the aggregate fees billed for professional services for the audit of each Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.
 - (2) "Audit Related Fees" are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under "Audit Fees." They were for services in connection with an assessment of internal controls and additional related procedures.
 - (3) "Tax Fees" are the aggregate fees billed for professional services for tax advice, tax compliance and tax planning. Fees billed were for tax compliance and tax return preparation.
 - (4) "All Other Fees" are the aggregate fees billed for products and services other than "Audit Fees," "Audit Related Fees" and "Tax Fees."

Audit Committee Pre-Approval Policies and Procedures. Generally, the Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent registered public accounting firm and (ii) all non-audit services to be performed by the Fund's independent registered public accounting firm for the Advisor Entities with respect to

operations and financial reporting of the Fund, except that the Chairman of the Audit Committee may grant the pre-approval for non-audit services described in items (i) and (ii) above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-approvals shall be presented to the Audit Committee no later than the next Audit Committee meeting.

All Non-Audit Fees. The table below shows the aggregate non-audit fees billed by E&Y for services rendered to the Funds and to the Advisor Entities for the two most recent fiscal years for each Fund. In assessing E&Y's independence, the Audit Committee considers the opinions of Fund management.

In 2005, E&Y advised the Audit Committee that various E&Y member firms provided certain non-audit services to Deutsche Bank entities and affiliates (collectively, the "DB entities") between 2003 and 2005 that raise issues under the SEC auditor independence rules. The DB entities are within the "Investment Company Complex" (as defined by SEC rules) and therefore covered by the SEC auditor independence rules applicable to the Funds.

First, E&Y advised the Audit Committee that in connection with providing permitted expatriate tax compliance services for DB entities during 2003 and 2004, member firms in China and Japan ("E&Y China" and "E&Y Japan," respectively) received funds from the DB entities that went into E&Y "representative bank trust accounts" and were used to pay the foreign income taxes of the expatriates. E&Y has advised the Audit Committee that handling those funds was in violation of Rule 2-01 of Regulation S-X. (Rule 2-01(c)(4)(viii) provides that an accountant's independence is impaired if the accountant has custody of assets of the audit client.)

Second, E&Y advised the Audit Committee that in connection with providing monthly payroll services to employees of certain DB entities from May 2003 to February 2005, a member firm in Chile ("E&Y Chile") received funds from the DB entities that went into an E&Y trust account and were used to pay the net salaries and social security taxes of executives of the DB entities. E&Y has advised the Audit Committee that handling those taxes was in violation of Rule 2-01 of Regulation S-X.

Third, E&Y advised the Audit Committee that in connection with providing certain services in assisting a DB entity with various regulatory reporting requirements, a member firm in France ("E&Y France") entered into an engagement with the DB entity that resulted in E&Y

France staff functioning under the direct responsibility and direction of a DB entity supervisor. E&Y advised the Audit Committee that, although the services provided were "permitted services" under Rule 2-01 of Regulation S-X, the structure of the engagement was in violation of Rule 2-01 of Regulation S-X. (Rule 2-01(c)(4)(vi) provides that an accountant's independence is impaired if the accountant acts as an employee of an audit client.)

The Audit Committee was informed that E&Y China received approximately \$1,500, E&Y Japan received approximately \$41,000, E&Y Chile received approximately \$11,724 and E&Y France received approximately \$100,000 for the services they provided to the DB entities. E&Y advised the Audit Committee that it conducted an internal review of the situation and, in view of the fact that similar expatriate tax compliance services were provided to a number of E&Y audit clients unrelated to DB or the Funds, E&Y advised the SEC and the PCAOB of the independence issues arising from those services. E&Y advised the Audit Committee that E&Y believes its independence as registered public accounting firm for the Funds was not impaired during the period the services were provided. In reaching this conclusion, E&Y noted a number of factors, including that none of the E&Y personnel who provided the non-audit services to the DB entities were involved in the provision of audit services to the Funds, the E&Y professionals responsible for the Funds' audits were not aware that these non-audit services took place, and that the fees charged are not significant to E&Y overall or to

the fees charged to the Investment Company Complex. E&Y also noted that E&Y China, E&Y Japan and E&Y Chile are no longer providing these services and that the E&Y France engagement has been restructured.

MISCELLANEOUS

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require each Fund's officers and Trustees, the Advisor, affiliated persons of the Advisor and persons who own more than ten percent of a registered class of the Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the Securities and Exchange Commission (the "SEC") and the NYSE. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based solely upon its review of the copies of such forms received by it, and written representations from certain reporting persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended November 30, 2005, all filings were timely, except that Michael Colon, an

21

affiliated person of DeIM and President of the Funds, filed a late Form 3 document for each of the Funds.

INVESTMENT MANAGER. Deutsche Investment Management Americas Inc., 345 Park Avenue, New York, New York 10154, serves as each Fund's Advisor and manager pursuant to an investment management agreement.

Deutsche Asset Management ("DeAM") is the marketing name in the U.S. for the asset management activities of Deutsche Bank AG, DeIM, Deutsche Asset Management, Inc., Deutsche Bank Trust Company Americas and DWS Trust Company. DeAM is a global asset management organization that offers a wide range of investing expertise and resources, including hundreds of portfolio managers and analysts and an office network that reaches the world's major investment centers. This global investment platform brings together a wide variety of experience and investment insight, across industries, regions, asset classes and investing styles. DeIM is an indirect, wholly-owned subsidiary of Deutsche Bank AG. Deutsche Bank AG is a major global banking institution that is engaged in a wide range of financial services, including investment management, mutual fund, retail, private and commercial banking, investment banking and insurance.

REGULATORY AND LITIGATION MATTERS. Since at least July 2003, federal, state and industry regulators have been conducting ongoing inquiries and investigations ("inquiries") into the mutual fund industry, and have requested information from numerous mutual fund companies, including DWS Scudder. The DWS funds' advisors have been cooperating in connection with these inquiries and are in discussions with the regulators concerning proposed settlements. Publicity about mutual fund practices arising from these industry-wide inquiries serves as the general basis of a number of private lawsuits against the DWS funds. These lawsuits, which previously have been reported in the press, involve purported class action and derivative lawsuits, making various allegations and naming as defendants various persons, including certain DWS funds, the funds' investment advisors and their affiliates, and certain individuals, including in some cases fund trustees/directors, officers, and other parties. Each DWS fund's investment advisor has agreed to indemnify the applicable DWS funds in connection with these lawsuits, or other lawsuits or regulatory actions that may be filed making allegations similar to these lawsuits regarding market timing, revenue sharing,

fund valuation or other subjects arising from or related to the pending inquiries (see "Agreement to Indemnify Independent Trustees for Certain Expenses" above). It is not possible to determine with certainty what the outcome of these inquiries will be or what the effect, if any, would be on the Funds or their advisors.

With respect to the lawsuits, based on currently available information, the funds' investment advisors believe the likelihood that the pending lawsuits

22

will have a material adverse financial impact on a DWS fund is remote and such actions are not likely to materially affect their ability to perform under their investment management agreements with the DWS funds.

With respect to the regulatory matters, DeAM has advised the funds as follows:

DeAM expects to reach final agreements with regulators early in 2006 regarding allegations of improper trading in the DWS funds. DeAM expects that it will reach settlement agreements with the SEC, the New York Attorney General and the Illinois Secretary of State providing for payment of disgorgement, penalties, and investor education contributions totaling approximately \$134 million. Approximately \$127 million of this amount would be distributed to shareholders of the affected DWS funds in accordance with a distribution plan to be developed by an independent distribution consultant. DeAM does not believe that any of the DWS funds will be named as respondents or defendants in any proceedings. The funds' investment advisors do not believe these amounts will have a material adverse financial impact on them or materially affect their ability to perform under their investment management agreements with the DWS funds. The above-described amounts are not material to Deutsche Bank, and they have already been reserved.

Based on the settlement discussions thus far, DeAM believes that it will be able to reach a settlement with the regulators on a basis that is generally consistent with settlements reached by other advisors, taking into account the particular facts and circumstances of market timing at DeAM and at the legacy Scudder and Kemper organizations prior to their acquisition by DeAM in April 2002. Among the terms of the expected settled orders, DeAM would be subject to certain undertakings regarding the conduct of its business in the future, including maintaining existing management fee reductions for certain funds for a period of five years. DeAM expects that these settlements would resolve regulatory allegations that it violated certain provisions of federal and state securities laws (i) by entering into trading arrangements that permitted certain investors to engage in market timing in certain DWS funds and (ii) by failing more generally to take adequate measures to prevent market timing in the DWS Funds, primarily during the 1999-2001 period. With respect to the trading arrangements, DeAM expects that the settlement documents will include allegations related to one legacy DeAM arrangement, as well as three legacy Scudder and six legacy Kemper arrangements. All of these trading arrangements originated in businesses that existed prior to the current DeAM organization, which came together in April 2002 as a result of the various mergers of the legacy Scudder, Kemper and Deutsche fund groups, and all of the arrangements were termi-

23

nated prior to the start of the regulatory investigations that began in the summer of 2003. No current DeAM employee approved the trading arrangements.

There is no certainty that the final settlement documents will contain the foregoing terms and conditions. The independent trustees/directors of the DWS funds have carefully monitored these regulatory investigations with the assistance of independent legal counsel and independent economic consultants. Additional information announced by DeAM regarding the terms of the expected settlements will be made available at [www.dws-scudder.com/regulatory settlements](http://www.dws-scudder.com/regulatory_settlements), which will also disclose the terms of any final settlement agreements once they are announced.

DeAM is also engaged in settlement discussions with the Enforcement Staffs of the SEC and the NASD regarding DeAM's practices during 2001-2003 with respect to directing brokerage commissions for portfolio transactions by certain Scudder Funds to broker-dealers that sold shares in the DWS funds and provided enhanced marketing and distribution for shares in the DWS funds. In addition, on January 13, 2006, DWS Scudder Distributors, Inc. received a Wells notice from the Enforcement Staff of the NASD regarding DWS Scudder Distributors' payment of non-cash compensation to associated persons of NASD member firms, as well as DWS Scudder Distributors' procedures regarding non-cash compensation regarding entertainment provided to such associated persons. Additional information announced by DeAM regarding the terms of the expected settlements will be made available at [www.dws-scudder.com/regulatory settlements](http://www.dws-scudder.com/regulatory_settlements), which will also disclose the terms of any final settlement agreements once they are announced.

SOLICITATION OF PROXIES. The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and Proxy Statement and all other costs in connection with solicitation of proxies will be paid by the Funds, including any additional solicitation made by letter, telephone, facsimile or made electronically. In addition to solicitation by mail, certain officers and representatives of the Funds, officers and employees of the Advisor and certain financial services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies electronically, by telephone, by telegram or personally. Proxies that are obtained telephonically or electronically will be recorded in accordance with the procedures believed by the Funds to be reasonably designed to ensure that both the identity of the shareholder casting the vote and the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the shareholder may still submit the proxy card(s) originally sent with this Proxy Statement or attend in person. Should shareholders require additional information

24

regarding the proxy or replacement proxy card(s), they may call 1-800-561-3991. Any proxy given by a shareholder is revocable until voted at the Meeting.

PROPOSALS OF SHAREHOLDERS. It is currently anticipated that the 2007 annual meeting of shareholders will be held in May. A shareholder wishing to submit a proposal for inclusion in a Fund's proxy statement for the 2007 annual meeting of shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 should send such written proposal to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will

treat any such proposal received no later than December 18, 2006 as timely. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c)(1) to a Fund of a proposal submitted outside of the process of Rule 14a-8 must submit such written notice to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will treat any such notice received no later than March 3, 2007 as timely. The timely submission of a proposal, however, does not guarantee its inclusion under either rule.

OTHER MATTERS TO COME BEFORE THE MEETING. The Boards are not aware of any matters that will be presented for action at the Meeting other than the Proposal set forth herein. Should any other matters requiring a vote of shareholders arise, the proxy in the accompanying form will confer upon the person or persons entitled to vote the shares represented by such proxy the discretionary authority to vote the shares with respect to any such other matters.

VOTING, QUORUM. Each valid proxy will be voted in accordance with the instructions on the proxy and as the persons named in the proxy determine on such other business as may come before the Meeting. If no instructions are given, the proxy will be voted in favor of the election of the Trustees. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Fund or in person at the time of the Meeting.

Election of Trustees for a Fund requires a plurality vote of the shares of such Fund voting at the Meeting. As noted previously, the holders of the Preferred Shares of KTF and KSM, voting as a separate class for each respective Fund, are entitled to elect two Trustees and the holders of the Common Shares and Preferred Shares of KTF and KSM, voting together as a single class for each Fund, are entitled to elect the seven remaining Trustees. Broker non-votes will have no effect; the persons receiving the largest number of votes will be elected.

At least 30% of the shares of a Fund must be present, in person or by proxy, in order to constitute a quorum for that Fund. Thus, the meeting for a particular Fund could not take place on its scheduled date if less

25

than 30% of the shares of that Fund were represented. In the event that the necessary quorum to transact business is not present at the Meeting with respect to one or more Funds, the persons named as proxies may vote those proxies that have been received to adjourn the Meeting to a later date with respect to those Funds. Adjournment will subject a Fund to additional expenses. In the event that a quorum is present with respect to a Fund but sufficient votes in favor of the Proposal have not been received, the persons named as proxies may propose one or more adjournments of the Meeting as to that Fund to permit further solicitation of proxies. Any adjournment of the Meeting with respect to one or more Funds for the further solicitation of proxies will require the affirmative vote of a majority of the shares for such Fund present in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote those proxies they are entitled to vote in their discretion as to any such adjournment. A shareholder vote may be taken on the Proposal prior to such adjournment. Such vote will be considered final regardless of whether the Meeting is adjourned for one or more Funds to permit additional solicitation with respect to the Proposal. For purposes of determining the presence of a quorum for transacting business at the Meeting, broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by a Fund from brokers or nominees when the

broker or nominee has not received instructions from the beneficial owner or other persons entitled to vote. Accordingly, shareholders are urged to forward their voting instructions promptly.

HOUSEHOLDING INFORMATION. Each Fund provides periodic reports to its shareholders that highlight relevant information, including investment results and a review of portfolio changes. In order to reduce the amount of mail you receive and to help reduce expenses of the Funds, we generally send a single copy of annual reports and proxy statements to each household. If you do not want the mailing of these documents to be combined with those for other members of your household, or if you are receiving multiple copies of these documents and you want to request delivery of a single copy, please contact the Advisor at (800) 621-1048, or write to the Advisor at 222 South Riverside Plaza, Chicago, Illinois 60606.

A COPY OF A FUND'S ANNUAL REPORT IS AVAILABLE WITHOUT CHARGE UPON REQUEST BY WRITING TO SUCH FUND, 222 SOUTH RIVERSIDE PLAZA, CHICAGO, ILLINOIS 60606 OR BY CALLING (800) 621-1048.

THE BOARD OF EACH FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE TRUSTEES.

26

PLEASE COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY CARD(S) (OR TAKE ADVANTAGE OF AVAILABLE ELECTRONIC OR TELEPHONIC VOTING PROCEDURES) PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

By order of the Boards,

AUDIT COMMITTEE CHARTER
AS AMENDED, MARCH 9, 2005

I. PURPOSE

The Audit Committee is a committee of the Board of the Fund. Its primary function is to assist the Board(1) in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Fund's accounting policies, financial reporting and internal control system, as well as the work of the independent auditors. The Audit Committee assists Board oversight of (1) the integrity of the Fund's financial statements; (2) the Fund's compliance with legal and regulatory requirements; (2) (3) the independent auditors's qualifications and independence; and (4) the performance of the

Fund's independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, the Adviser's internal audit department, Fund management, and the Board.(3)

- Fund management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.
- The independent auditors have the primary responsibility to plan and implement a proper audit, including consideration of the Fund's accounting, reporting and internal control practices.

- 1 To the extent the Fund is organized as a Massachusetts business trust, any references to "directors" or "board members" shall be deemed to mean "trustees."
- 2 The Board has delegated to other committees oversight of various legal and regulatory requirements. The Audit Committee's function is limited to the activities set out in Section IV.
- 3 If the Fund is listed on the New York Stock Exchange, the Corporate Governance Standards require the Audit Committee's charter to address, as one of the Committee's purposes, that it assist Board oversight of "the performance of the company's internal audit function." Since the Fund has no internal audit function, this has not been included as one of the purposes of the Committee, although the Committee does serve to provide an open avenue of communication with the Adviser's internal audit department, and reviews the scope, resources and findings and recommendations of the Adviser's internal audit department as set forth in Section IV.B.2.

A1-1

The Audit Committee may have additional functions and responsibilities as deemed appropriate by the Board and the Audit Committee.(4)

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Fund's financial statements are complete and accurate and have been prepared in accordance with generally accepted accounting principles.

II. COMPOSITION

The Audit Committee shall be comprised of three or more board members as determined by the Board, each of whom shall be an independent board member, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. For purposes of the Audit Committee, a board member is independent if:

- he or she is not an "interested person" of the Fund as that term is defined in the Investment Company Act of 1940; and
- he or she does not accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Fund (except in the capacity as a Board or committee member).

Each member of the Audit Committee shall be financially literate, as such

qualification is interpreted by the Board in its business judgment (or must become financially literate within a reasonable time after his or her appointment to the Audit Committee). The Audit Committee will review the qualifications of its members and determine whether any of its members qualify as an "audit committee financial expert"(5) as defined in

4 If the Fund is a listed closed-end investment company, the Audit Committee also has as a purpose the preparation of an audit committee report to be included in the annual proxy statement. This report is described in footnote 12.

5 An "audit committee financial expert" of a company is defined as a person who has all of the following attributes: (1) an understanding of generally accepted accounting principles ("GAAP") and financial statements; (2) the ability to assess the general application of GAAP in connection with the accounting for estimates, accruals and reserves; (3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the company's financial statements, or experience actively supervising one or more persons engaged in such activities; (4) an understanding of internal controls and procedures for financial reporting; and (5) an understanding of audit committee functions. An audit committee financial expert must have acquired such attributes through any one or more of the following: (1) education and experience as a principal financial officer, principal accounting officer, controller, public accountant or auditor or experience in one or more positions that involve the performance of similar functions (or active supervision of such persons); or (2) experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements; or (3) other relevant experience.

A1-2

Form N-CSR.(6) The Audit Committee will submit such determination to the Board for its final determination.

The members and Chairman of the Audit Committee shall be elected by the Board annually and serve until their successors shall be duly elected and qualified.

No member of the Audit Committee shall serve on the audit committee of three or more public companies (or three or more investment company complexes) in addition to his or her service on the Audit Committee of the Fund (excluding service on the audit committees of other funds in the fund complex), unless the Board determines that such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the Audit Committee.

III. MEETINGS

The Audit Committee shall meet six times annually, or more frequently as circumstances dictate. Special meetings (including telephone meetings) may be called by the Chairman or a majority of the members of the Audit Committee upon reasonable notice to the other members of the Audit Committee.

As part of its job to foster open communication, the Audit Committee shall meet annually with senior Fund management responsible for accounting and financial reporting, the independent auditors, and representatives of the Adviser's

internal audit department in separate executive sessions to discuss any matters that the Audit Committee, or any of such other persons, believes should be discussed privately.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

A. Charter

Review this Charter, annually, and recommend changes, if any, to the Board.

6 If the Fund is listed on the New York Stock Exchange, at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

 - (a) the Adviser's internal audit department's internal audit scope and plan related to the Fund's systems for accounting, reporting and internal controls;

- (a) the Audit Committee shall be directly responsible for the appointment, compensation, retention and oversight (such oversight shall include resolving disagreements between Fund management and the independent auditors regarding financial reporting) of the independent auditors; and
 - (b) the independent auditors shall report directly to the Audit Committee.
2. Pre-approve any engagement of the independent auditors to provide any services to the Fund, including the fees and other compensation to be paid to the independent auditors. Notwithstanding the above, the independent auditors shall not perform any of the following non-audit services for the Fund ("prohibited non-audit services"):
 - (a) bookkeeping or other services related to the accounting records or financial statements of the Fund;

- The Chairman of the Audit Committee (or, in his absence, any member of the Audit Committee) may grant the pre-approval referenced in Sections IV.C. 2 and 3 above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-approvals shall be presented to the Audit Committee no later than the next Audit Committee meeting.
- Pre-approval of non-audit services for the Fund pursuant to Section IV.C. 2 above is not required, if:
 - (a) the aggregate amount of all non-audit services provided to the Fund is less than 5% of the total fees paid by the Fund to the independent auditors during the fiscal year in which the non-audit services are provided; and
 - (b) the services were not recognized by Fund management at the time of the engagement as non-audit services; and
 - (c) such services are promptly brought to the attention of the Audit Committee by Fund management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.
- Pre-approval of non-audit services for the Adviser (or any affiliate of the Adviser providing ongoing services to the Fund) pursuant to Section IV.C.3 above is not required, if:
 - (i) the aggregate amount of all non-audit services provided is less than 5% of the total fees paid by the Fund, the Adviser and any "control affiliate" of the Adviser providing ongoing services to the Fund to the independent auditors during the fiscal year in which the non-audit services are provided;

(which may be by delegation) prior to the completion of the audit.

4. On an annual basis, request, receive in writing and review a report by the independent auditors describing:
 - (a) the independent auditors' internal quality-control procedures;
 - (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigations by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and
 - (c) all relationships between the independent auditors and the Fund, so as to assess the auditors' independence, including identification of all relationships the independent auditors have with the Fund and all significant relationships the independent auditors have with the Adviser (and any "control affiliate" of the Adviser) and any material service provider to the Fund (including, but not limited to, disclosures regarding the independent auditors' independence required by Independence Standards Board Standard No. 1 and compliance with the applicable independence provisions of Rule 2-01 of Regulation S-X).

In assessing the auditors' independence, the Audit Committee shall take into account the opinions of Fund management and the Adviser's internal audit department. The Committee will present its conclusions with respect to the independent auditors to the Board, and recommend that the Board take appropriate action, if any, in response to the independent auditors' report to satisfy itself of the independent auditors' independence.

5. On an annual basis, review and evaluate the lead audit partner (such review to include consideration of whether, in addition to the regular rotation of the lead audit partner as required by law, in order to assure continuing auditor independence, there should be regular consideration of rotation of the firm serving as independent auditors).

Investment adviser does not include a subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser. Sponsor is an entity that establishes a unit investment trust.
