PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The audited financial statements to be included within the Form 10-KSB have not been completed due to an unexpected inability of Registrant's former auditors to perform the examination and audit of the books and records of Registration for preparation of the audited consolidated financial statements as of and for the year ended December 31, 1998, because of lack of pier review by certified public accountants experienced in reporting and accounting under the Rules and Regulations of the Commission. The required change in auditors and their unavailability to perform the examination and auditing has resulted in unforeseen delay which has caused Registrant to be unable to timely file the Form 10-KSB without unreasonable effort and expense.
