HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Organization

Herbalife Ltd., a Cayman Islands exempted limited liability company (“Herbalife” or the “Company”), incorporated on April 4, 2002, and its direct and indirect wholly-owned subsidiaries, WH Intermediate Holdings Ltd., a Cayman Islands company (“WH Intermediate”), WH Luxembourg Holdings S.à.R.L., a Luxembourg unipersonal limited liability company (“Lux Holdings”), WH Luxembourg CM S.à.R.L., a Luxembourg unipersonal limited liability company, and WH Acquisition Corp., a Nevada corporation (“WH Acquisition”), were formed on behalf of Whitney & Co., LLC (“Whitney”) and Golden Gate Private Equity, Inc. (“Golden Gate”), in order to acquire Herbalife International, Inc., a Nevada corporation, and its subsidiaries (“Herbalife International”) on July 31, 2002 (the “Acquisition”). Herbalife and its subsidiaries are referred to collectively herein as the Company.

IPO Recapitalization

On December 16, 2004, Herbalife completed an initial public offering of its common shares (the “IPO”), as part of a series of recapitalization transactions, including:

a tender offer for \$159.8 million of the outstanding 11³/₄% senior subordinated notes due 2010 (the “11³/₄% Notes”), issued by Herbalife International;

the replacement of Herbalife International’s existing \$205.0 million senior credit facility with a new \$225.0 million senior credit facility;

the payment of a \$139.8 million special cash dividend to the pre-IPO shareholders of Herbalife; and

the amendment of Herbalife’s Memorandum and Articles of Association to: (1) effect a 1:2 reverse stock split of Herbalife’s common shares; (2) increase Herbalife’s authorized common shares to 500 million shares; and (3) increase Herbalife’s authorized preference shares to 7.5 million shares, all of which took effect on December 1, 2004.

As a planned continuation of the IPO and the recapitalization, Herbalife exercised a contract provision in December 2004 to redeem 40%, or \$110.0 million principal value (excluding a premium of \$10.5 million), of the 9¹/₂% notes due 2011, (the “9¹/₂% Notes”). After the required notice period, this redemption was completed on February 4, 2005. The redemption premium of \$10.5 million and the write-off of deferred financing fees of \$3.7 million associated with this redemption are included in interest expense in the first quarter of 2005.

In connection with the IPO and the recapitalization, the Company incurred \$24.7 million in fees and expenses of which \$19.8 million were associated with the IPO (included in equity) and \$4.9 million were associated with the establishment of the new credit facility (included in deferred financing costs).

Secondary Offering

On December 19, 2005, Herbalife completed a secondary public offering of 13 million common shares held by certain existing shareholders. The selling shareholders received all net proceeds from the sale of common shares sold in this offering. Accordingly, Herbalife did not receive any proceeds from the sale of common shares.

2. Basis of Presentation

The unaudited interim financial information of the Company has been prepared in accordance with Article 10 of the Securities and Exchange Commission’s Regulation S-X. Accordingly, it does not include all of the information required by accounting principles generally accepted in the United States of America for complete financial statements. The Company’s financial statements as of and for the three and six months ended June 30, 2005 and June 30, 2006 include Herbalife and all of its direct and indirect subsidiaries. In the opinion of management, the accompanying financial information contains all adjustments, consisting of normal recurring

HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

adjustments, necessary to present fairly the Company's financial statements as of and for the three and six months ended June 30, 2005 and June 30, 2006. Operating results for the three and six months ended June 30, 2006 are not necessarily indicative of the results that may be expected for the year ending December 31, 2006.

New Accounting Pronouncements

Effective January 1, 2006, the Company adopted the fair value recognition provisions of Statement of Financial Accounting Standards ("SFAS") No. 123R, Share-Based Payment ("SFAS No. 123R"), which generally requires, among other things, that all employee share-based compensation be measured using a fair value method and that the resulting compensation cost be recognized in the financial statements. The Company selected the modified prospective method of adoption. Under this method, compensation expense that the Company recognized for the three and six months ended June 30, 2006 included: (a) compensation expense for all share-based payments granted prior to, but not yet vested as of January 1, 2006, based on the grant date fair value estimated in accordance with the original provisions of SFAS No. 123, Accounting for Stock-Based Compensation ("SFAS No. 123"), and (b) compensation expense for all share-based payments granted on or after January 1, 2006, based on the grant date fair value estimated in accordance with the provisions of SFAS No. 123R. Results for prior periods were not restated. See Note 8 to the consolidated financial statements for more details on stock based compensation.

As of June 30, 2006, FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes was issued in its final version. FIN 48 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with FASB Statement No. 109, Accounting for Income Taxes. FIN 48 provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition effective for fiscal years beginning after December 15, 2006. Earlier application of the provisions of FIN 48 is encouraged if the enterprise has not yet issued financial statements, including interim financial statements, in the period FIN 48 is adopted. Herbalife's accounting for its income tax contingency reserves are not based on the provisions of FIN 48 because its financial statements for the six months ended June 30, 2006 have been issued without the early adoption of the provisions of the Interpretation. Management is currently evaluating the impact of adopting FIN 48.

In June 2006, the FASB ratified the consensus of Emerging Issues Task Force ("EITF") Issue No. 06-3, "How Taxes Collected from Customers and Remitted to Governmental Authorities Should Be Presented in the Income Statement (That Is, Gross versus Net Presentation)" ("EITF 06-3"). EITF 06-3 clarifies that the scope of this Issue includes any tax assessed by a governmental authority that is directly imposed on a revenue-producing transaction between a seller and a customer and indicates that the income statement presentation on either a gross basis or a net basis of the taxes within the scope of the Issue is an accounting policy decision that should be disclosed. Furthermore, for taxes reported on a gross basis, an enterprise should disclose the amounts of those taxes in interim and annual financial statements for each period for which an income statement is presented. The consensus is effective, through retrospective application, for periods beginning after December 15, 2006. Management is currently evaluating the impact of adopting EITF 06-3.

Reclassifications

Certain reclassifications were made to the prior period financial statements to conform to current period presentation.

3. Transactions with related parties

In 2004, Whitney acquired a 50 percent indirect ownership interest in Shuster Laboratories, Inc. ("Shuster"), a provider of product testing and formula development for Herbalife. For the three and six months ended June 30, 2005, total purchases from Shuster, were zero and \$0.02 million, respectively. For the three and six months ended June 30, 2006, there were no purchases from Shuster.

HERBALIFE LTD.**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)**

In 2004, Whitney acquired a 50 percent indirect ownership interest in TBA Entertainment (“TBA”), a provider of creative services to Herbalife. For the three and six months ended June 30, 2005 payments of \$1.11 million and \$5.70 million were made to TBA for services relating to the 25th Anniversary Extravaganza, of which the majority were reimbursements of Extravaganza expenses paid to third parties. For the three and six months ended June 30, 2006, payments to TBA were \$0.10 million.

In 2004, Golden Gate acquired a 47 percent ownership interest in Leiner Health Products Inc. (“Leiner”), a nutritional manufacturer and supplier of certain Herbalife products. For the three and six months ended June 30, 2005, total purchases from Leiner were \$0.03 million and \$0.14 million, respectively. For the three and six months ended June 30, 2006, there were no purchases from Leiner.

In January 2005, Whitney, together with its affiliates, acquired a 77 percent ownership interest in Stauber Performance Ingredients (“Stauber”), a value-added distributor of bulk specialty nutraceutical ingredients. For the three and six months ended June 30, 2005, total purchases from Stauber were \$0.36 million and \$0.46 million, respectively. For the three and six months ended June 30, 2006, total purchases from Stauber were \$0.18 million and \$0.19 million, respectively.

4. Long-Term Debt

Long-term debt consists of the following:

	As of	
	December 31, 2005	June 30, 2006
	(Dollars in millions)	
11 ³ / ₄ % Notes	\$0.1	\$0.1
Borrowings under senior credit facility	89.8	79.6
9 ¹ / ₂ % Notes, net of unamortized discounts of \$3.7 million (2005) and \$3.4 million (2006)	161.3	161.6
Capital leases	5.4	3.7
Other debt	6.5	2.9
	<u>263.1</u>	<u>247.9</u>
Less: current portion	9.8	6.5
	<u>\$253.3</u>	<u>\$241.4</u>

During 2005 we prepaid approximately \$109.0 million of our senior credit facility resulting in approximately \$2.2 million additional interest expense from write-off of unamortized deferred financing costs. In March 2006, the Company made a prepayment to the term loan borrowings under the senior credit facility of \$9.8 million. Consequently, the Company expensed \$0.2 million of related unamortized deferred financing costs in the first quarter of 2006.

5. Contingencies

We are from time to time engaged in routine litigation. We regularly review all pending litigation matters in which we are involved and establish reserves deemed appropriate by management for these litigation matters when a probable loss estimate can be made.

Herbalife International and certain of its independent distributors have been named as defendants in a purported class action lawsuit filed February 17, 2005, in the Superior Court of California, County of San Francisco, and served on Herbalife International on March 14, 2005 (*Minton v. Herbalife International, et al*). The case has been transferred to the Los Angeles County Superior Court. The plaintiff is challenging the marketing practices of certain Herbalife International independent distributors and Herbalife International under various state laws prohibiting “endless chain schemes,” insufficient disclosure in assisted marketing plans, unfair and deceptive

HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

business practices, and fraud and deceit. The plaintiff alleges that the Freedom Group system operated by certain independent distributors of Herbalife International products places too much emphasis on recruiting and encourages excessively large purchases of product and promotional materials by distributors. The plaintiff also alleges that Freedom Group pressured distributors to disseminate misleading promotional materials. The plaintiff seeks to hold Herbalife International vicariously liable for the actions of its independent distributors and is seeking damages and injunctive relief. The Company believes that it has meritorious defenses to the suit.

Herbalife International and certain of its distributors have been named as defendants in a class action lawsuit filed July 16, 2003, in the Circuit Court of Ohio County in the State of West Virginia (*Mey v. Herbalife International, Inc., et al*). On April 21, 2006, the court granted plaintiff’s motion for class certification in West Virginia. The complaint alleges that certain telemarketing practices of certain Herbalife International distributors violate the Telephone Consumer Protection Act, or TCPA, and seeks to hold Herbalife International vicariously liable for the practices of these distributors. More specifically, the plaintiffs’ complaint alleges that several of Herbalife International’s distributors used pre-recorded telephone messages and autodialers to contact prospective customers in violation of the TCPA’s prohibition of such practices. Herbalife International’s distributors are independent contractors and if any such distributors in fact violated the TCPA they also violated Herbalife’s policies, which require its distributors to comply with all applicable federal, state and local laws. The Company believes that it has meritorious defenses to the suit.

As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, we have been and are currently subjected to various product liability claims. The effects of these claims to date have not been material to us, and the reasonably possible range of exposure on currently existing claims is not material to us. We believe that we have meritorious defenses to the allegations contained in the lawsuits. We currently maintain product liability insurance with an annual deductible of \$10 million.

Certain of our subsidiaries have been subject to tax audits by governmental authorities in their respective countries. In certain of these tax audits, governmental authorities are proposing that significant amounts of additional taxes and related interest and penalties are due. We and our tax advisors believe that there are substantial defenses to their allegations that additional taxes are owed, and we are vigorously contesting the additional proposed taxes and related charges.

These matters may take several years to resolve, and we cannot be sure of their ultimate resolution. However, it is the opinion of management that adverse outcomes, if any, will not likely result in a material effect on our financial condition and operating results. This opinion is based on our belief that any losses we suffer would not be material and that we have meritorious defenses. Although we have reserved an amount that we believe represents the likely outcome of the resolution of these disputes, if we are incorrect in our assessment we may have to record additional expenses.

HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

“Disclosures about Segments of an Enterprise and Related Information.” The Company’s products are manufactured by third party providers and then sold to independent distributors who sell Herbalife products to retail consumers or other distributors.

The Company sells products in 62 countries throughout the world and is organized and managed by geographic region. The Company elected to aggregate its operating segments into one reporting segment, as management believes that the Company’s operating segments have similar operating characteristics and similar long term operating performance. In making this determination, management believes that the operating segments are similar with regard to the nature of the products sold, the product acquisition process, the types of customers products are sold to, the methods used to distribute the products, and the nature of the regulatory environment.

Revenues reflect sales of products to distributors based on the distributors’ geographic location. Sales attributed to the United States are the same as reported in the geographic operating information.

The Company’s geographic operating information and sales by product line are as follows:

8. Stock Based Compensation

The Company has six stock-based compensation plans which are the WH Holdings (Cayman Islands) Ltd. Stock Incentive Plan (“Management Plan”), the WH Holdings (Cayman Islands) Ltd. Independent Directors Stock Incentive Plan (“Independent Directors Plan”), the Herbalife Ltd. 2004 Incentive Plan (“2004 Stock Incentive Plan”), the 2005 Stock Incentive Plan (“2005 Stock Incentive Plan”), the Herbalife Ltd. Executive Incentive Plan (“Executive Incentive Plan”) and the Herbalife Ltd. Independent Directors Deferred Compensation and Stock Unit Plan (“Independent Director Stock Unit Plan”). The Management Plan provides for the grant of options to purchase common shares of Herbalife to members of the Company’s management. The Independent Directors Plan provides for the grant of options to purchase common shares of Herbalife to the Company’s independent directors. The 2004 Stock Incentive Plan was intended to replace the Management Plan and the Independent Directors Plan and after the adoption thereof, no additional awards were made under either the Management Plan or the Independent Directors Plan. However, the shares remaining available for issuance under these plans were absorbed by and became available for issuance under the 2004 Stock Incentive Plan. The 2005 Stock Incentive Plan authorizes the issuance of 4,000,000 common shares pursuant to awards, plus any shares that remain available for issuance under the 2004 Stock Incentive Plan at the time of the adoption of the 2005 Stock Incentive Plan. The terms of the 2005 Stock Incentive Plan are substantially similar to the terms of the 2004 Stock Incentive Plan. The purpose of the Executive Incentive Plan is to govern the award and payment of annual bonuses to certain company executives. The purpose of the Independent Directors Stock Unit Plan is to facilitate equity ownership in the Company by its independent directors through the award of stock units and to allow for deferral by the independent directors of compensation realized in connection with such stock units. The Company’s stock compensation awards outstanding as of June 30, 2006 include stock options, stock appreciation rights (“SARS”) and stock units.

Prior to January 1, 2006, the Company applied the intrinsic value method as outlined in Accounting Principles Board (“APB”) Opinion No. 25, Accounting for Stock Issued to Employees (“APB 25”), and related interpretations, in accounting for share-based awards made under these plans. Under the intrinsic value method, compensation expense is recorded on the date of grant to the extent the then current market price of the underlying stock exceeds the exercise price. On January 1, 2006, the Company adopted SFAS No. 123R. This statement replaces SFAS No. 123 and supersedes APB 25. SFAS No. 123R requires that all share-based compensation be recognized as an expense in the financial statements and that such cost be measured based on the fair value of the awards granted. The Company adopted SFAS No. 123R using the modified prospective transition method which requires the recognition of compensation expense on a prospective basis only. Accordingly, prior period financial statements have not been restated. Under this transition method, stock-based compensation cost for the first and second quarters of 2006 include (a) compensation cost for all share-based awards granted prior to, but not yet vested as of, January 1, 2006, based on the grant date fair value estimated in accordance with the original provisions of SFAS No. 123; and (b) compensation cost for all share-based awards granted subsequent to January 1, 2006 based on the grant-date fair value estimated in accordance with the provisions of SFAS No. 123R.

SFAS No. 123R also requires the Company to estimate forfeitures in calculating the expense relating to share-based compensation as opposed to recognizing forfeitures as an expense reduction as they occur. The adjustment to

HERBALIFE LTD.**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)**

apply estimated forfeitures to previously recognized share-based compensation was considered immaterial and as such was not classified as a cumulative effect of a change of in accounting principle.

The Company records compensation expense over the requisite service period which is equal to the vesting period. For awards granted prior to January 1, 2006, compensation expense is recognized on a graded-vesting basis over the vesting term. For awards granted on or after January 1, 2006, compensation expense is recognized on a straight-line basis over the vesting term. For the three and six months ended June 30, 2006, stock-based compensation expense was included in Selling, General & Administrative Expenses in the amount of \$3.1 million and \$5.5 million, respectively, as well as related income tax benefits recognized in earnings in the amount of \$1.2 million and \$2.2 million, respectively.

As of June 30, 2006, the total unrecognized compensation cost related to nonvested stock awards was \$31.1 million and the related weighted-average period over which it is expected to be recognized is approximately 2.3 years.

As a result of the adoption of SFAS No. 123R, the Company's net income for the three and six months ended June 30, 2006 was \$1.5 million and \$2.8 million lower, respectively, than it would have been under the Company's previous accounting method for share-based compensation. Basic and diluted net earnings per common share for the three months ended June 30, 2006 were both negatively impacted by the change in accounting method by \$0.02 per share. The negative impact on both basic and diluted net earnings per common share for the six months ended June 30, 2006 was \$0.04 per share. Prior to the Company's adoption of SFAS No. 123R, benefits of tax deductions in excess of recognized compensation costs were reported as operating cash inflows. SFAS No. 123R requires that these excess tax benefits be recorded as a financing cash inflow rather than as a reduction of taxes paid. For the three and six months ended June 30, 2006, tax benefits of \$12.5 million and \$14.2 million, respectively, were generated from option exercises.

The following table illustrates the effect on net income and earnings per share if the Company had applied the fair value recognition provision of SFAS No. 123 to options granted under the Company's stock-based compensation plans for the three and six months ended June 30, 2005. For purposes of this pro forma disclosure, the value of the options is estimated using the Black-Scholes-Merton option-pricing model and amortized to expense using a graded vesting schedule with forfeitures recognized as they occur.

The Company's stock-based compensation plans provide for grants of stock options, stock appreciation rights, restricted stock and stock units (collectively called the "awards"). Stock options typically vest quarterly over a five-year period beginning on the grant date, and certain stock option grants vest over a period of less than five years.

HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

SARS vest quarterly over a five-year period beginning on the grant date. The contractual term of stock options and SARS is ten years. Stock unit awards under the 2005 Incentive Plan (“Incentive Plan Stock Units”) vest annually over a three year period which is equal to the contractual term. Stock unit awards under the Independent Directors Stock Unit Plan (“Independent Director Stock Units”) vest at a 25% rate on each of April 15, July 15 and October 15 of the calendar year in which the award is granted and January 15 of the calendar year following the year in which the award is granted. Unless otherwise determined at the time of grant, the value of each stock unit shall be equal to one common share of Herbalife.

The fair value of each award is estimated on the date of grant using the Black-Scholes-Merton option-pricing model based on the assumptions in the following tables. The expected term of the award is based on observed historical exercise patterns. Because of the very limited historical data all groups of employees have been determined to have similar historical exercise patterns for valuation purposes. The expected volatility of stock awards is primarily based upon the historical volatility of the Company’s common stock and, due to the limited period of public trading data for its common stock, it is also validated against the volatility rates of a peer group of companies. The risk free interest rate is based on the implied yield on a U.S. Treasury zero-coupon issue with a remaining term equal to the expected term of the award. The dividend yield reflects that the Company has not paid any cash dividends since inception. The following table summarizes the weighted average assumptions used in the calculation of fair market value for the three and six months ended June 30, 2005 and 2006.

9. Derivative Instruments and Hedging Activities

The Company designates certain derivatives as cash flow hedges. The Company engages in a foreign exchange hedging strategy for which the hedged transactions are forecasted foreign currency denominated intercompany transactions. The hedged risk is the variability of the forecasted foreign currency cash flows where the hedging strategy involves the purchase of average rate options. The Company also engages in an interest rate hedging strategy for which the hedged transactions are forecasted interest payments on the Company’s variable rate term loan. The hedged risk is the variability of forecasted interest rate cash flows, where the hedging strategy involves the purchase of interest rate swaps. As of December 31, 2005, and June 30, 2006, the Company did not have any outstanding cash flow hedges on foreign exchange exposure. For the outstanding cash flow hedges on interest rate exposures at December 31, 2005 and June 30, 2006, the maximum length of time over which the Company is hedging these exposures is approximately three years. The interest rate swap outstanding as of December 31, 2005, and June 30, 2006 was accounted for under the shortcut method, as defined by SFAS No. 133, which assumes the hedge to be perfectly effective. Consequently, all changes in the fair value of the derivative are deferred and recorded in other comprehensive income (“OCI”) until the related forecasted transaction is recognized in the consolidated statements of income. The estimated net amount of existing gains expected to be reclassified into earnings over the next three years, which related to cash flow hedge, is \$0.4 million.

The Company designates certain derivatives as free standing derivatives for which hedge accounting does not apply. The changes in the fair market value of the derivatives are recorded in the Company’s statements of income. The Company purchases average rate put options, which give the Company the right, but not the obligation, to sell foreign currency at a specified exchange rate (“strike rate”). These contracts provide protection in the event the

HERBALIFE LTD.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

foreign currency weakens beyond the strike rate. The Company also uses foreign currency forward contracts, which give the Company the obligation to buy or sell foreign currency at a specified time and rate. The contracts are used to protect against changes in the functional currency equivalent value of inter-company or third party nonfunctional currency payables and receivables. In December of 2005, the Company entered into a short term interest rate cap agreement, which is not designated under hedge accounting. The cap provides protection in the event the three month LIBOR rate were to increase beyond 4.75% and is in place, along with the interest rate swap, to fulfill the Company's obligation to hedge at least 25% of the term debt notional amount. The fair values of the option forward contracts and interest rate cap are based on third-party bank quotes.

10. Subsequent Event

On July 21, 2006 (the "Closing Date"), the Company entered into a \$300.0 million senior secured credit facility (the "New Credit Facility") with a syndicate of financial institutions as lenders. The New Credit Facility replaced the Company's existing \$225.0 million senior secured credit facility (the "Prior Credit Facility"), originally entered into on December 21, 2004. All commitments under the Prior Credit Facility were terminated effective on the Closing Date. The Company repaid all amounts outstanding under the Prior Credit Facility amounting to \$79.6 million. Consequently, the Company will expense \$1.4 million of unamortized deferred financing costs related to the Prior Credit Facility and will recognize \$0.4 million, which was primarily related to cash flow hedges on interest rate exposures, from OCI into earnings in the third quarter of 2006.

Also on the Closing date, the Company issued a notice to the trustee for the 9¹/₂% Notes to redeem the outstanding 9¹/₂% Notes on August 23, 2006. The aggregate principal amount of the 9¹/₂% Notes to be redeemed is \$165.0 million. The 9¹/₂% Notes will be redeemed at the mandatory redemption price of approximately \$109.8 per \$100 aggregate principal amount of the 9¹/₂% Notes. Borrowings under the New Credit Facility will be used to redeem the 9¹/₂% Notes. Upon redemption of the 9¹/₂% Notes, the Company expects to incur an after-tax one-time charge of approximately \$14.0 million, representing the call premium and the write-off of unamortized deferred financing costs.

Item 2. *Management's Discussion And Analysis Of Financial Condition and Results Of Operations*

Overview

We are a global network marketing company that sells weight management, nutritional supplement and personal care products. We pursue our mission of “changing people’s lives” by providing a financially rewarding business opportunity to distributors and quality products to distributors and customers who seek a healthy lifestyle. We are one of the largest network marketing companies in the world with net sales of approximately \$1.6 billion for the year ended December 31, 2005. We sell our products in 62 countries through a network of over one million independent distributors except in China, where we currently use a retail business model with employed sales representatives because of regulatory restrictions on direct selling. We believe the quality of our products and the effectiveness of our distribution network, coupled with geographic expansion, have been the primary reasons for our success throughout our 26-year operating history.

We offer products in three principal categories: weight management products, nutritional supplements which we refer to as “inner nutrition” and personal care products which we refer to as “Outer Nutrition®”. Our products are often sold in programs, which are comprised of a series of related products designed to simplify weight management and nutrition for our consumers and maximize our distributors’ cross-selling opportunities.

Industry-wide factors that affect us and our competitors include the increasing prevalence of obesity and the aging of the worldwide population, which are driving demand for nutrition and wellness-related products and the recruitment and retention of distributors.

The opportunities and challenges upon which we are most focused are driving retailing of our product, recruitment and retention of distributors and improving distributor productivity, entering new markets, further penetrating existing markets, pursuing local distributor initiatives, introducing new products, developing niche market segments and further investing in our infrastructure.

A key non-financial measure we focus on is Volume Points on a Royalty Basis (hereafter “Volume Points”), which is essentially our weighted unit measure of product sales volume. It is a useful measure for us, as it excludes the impact of foreign currency fluctuations and ignores the differences generated by varying retail pricing across geographic markets. In general, an increase in Volume Points in a particular region or country directionally indicates an increase in local currency net sales.

Volume Points by Geographic Region

	Three Months Ended			Six Months Ended		
	June 30, 2005	June 30, 2006	% Change	June 30, 2005	June 30, 2006	% Change
The Americas	265.5	362.4	36.5 %	490.1	699.4	42.7 %
Europe	147.0	148.1	0.7 %	292.2	297.0	1.6 %
Asia/Pacific Rim	69.5	81.6	17.4 %	141.9	158.7	11.8 %
Japan	15.4	14.1	(8.4)%	34.2	31.2	(8.8)%
Worldwide	<u>497.4</u>	<u>606.2</u>	21.9 %	<u>958.4</u>	<u>1,186.3</u>	23.8 %

Another key non-financial measure on which we focus is the number of distributors qualified as supervisors under our compensation system. Distributors qualify for supervisor status based on their Volume Points.

The growth in the number of supervisors is a general indicator of the level of distributor recruitment, which generally drives net sales in a particular country or region. Our compensation system requires each supervisor to re-qualify for such status each year, prior to February. There is significant variation in the number of supervisors from the fourth quarter to the first quarter of any given year due to the timing of the re-qualification process. This fluctuation is normal and consistent, does not reflect a dramatic underlying change in the business in comparing these two sequential quarters.

[Table of Contents](#)

The following tables show trends in the number of supervisors over the reporting period by region, and fluctuations within each notable country are discussed in the appropriate net sales section below where pertinent.

Number of Supervisors by Geographic Region as of Reporting Period

	As of June 30,		
	2005	2006	% Change
The Americas	115,323	162,578	41.0 %
Europe	79,521	80,157	0.8 %
Asia/Pacific Rim	47,043	56,811	20.8 %
Japan	11,139	11,037	(0.9)%
Worldwide	<u>253,026</u>	<u>310,583</u>	22.7 %

Number of Supervisors by Geographic Region as of Re-qualification Period

	As of February,		
	2005	2006	% Change
The Americas	87,925	124,233	41.3%
Europe	65,104	66,103	1.5%
Asia/Pacific Rim	38,524	43,517	13.0%
Japan	9,547	9,719	1.8%
Worldwide	<u>201,100</u>	<u>243,572</u>	21.1%

Supervisors must re-qualify annually. The re-qualification period covers the twelve months starting in February and ending the following January. For the twelve month re-qualification period ended January 2006, 41.5% of our supervisors re-qualified, up from 39.7% a year ago. The number of supervisors by geographic region as of the reporting dates will normally be higher than the number of supervisors by geographic region as of the re-qualification period because supervisors who do not re-qualify during the relevant twelve-month period will be dropped from the rank of supervisor in February. Since supervisors purchase most of our products for resale to other distributors and consumers, comparisons of supervisor totals on a year-to-year, same period basis are good indicators of our recruitment and retention efforts in different geographic regions.

We provide distributors with products, support material, training, special events and a competitive compensation program. If a distributor wants to pursue the Herbalife business opportunity, the distributor is responsible for growing his or her business and personally pays for the sales activities related to attracting new customers and recruiting distributors by hosting events such as Herbalife Opportunity Meetings or Success Training Seminars; by advertising Herbalife's products, by purchasing and using promotional materials such as t-shirts, buttons and caps; by utilizing and paying for direct mail and print material such as brochures, flyers, catalogs, business cards, posters and banners and telephone book listings; by purchasing inventory for sale or use as samples; and by training, mentoring and following up (in person or via the phone or internet) with customers and recruits on how to use Herbalife products and/or pursue the Herbalife business opportunity.

Presentation

"Retail Sales" represent the gross sales amounts on our invoices to distributors before distributor allowances (as defined below), and "net sales" which reflects distributor allowances and handling and freight income, is what the Company collects and recognizes as net sales in its financial statements. We discuss Retail Sales because of its fundamental role in our compensation systems, internal controls and operations, including its role as the basis upon which distributor discounts, royalties and bonuses are awarded. In addition, information in daily and monthly reports reviewed by our management relies on Retail Sales data. However, such a measure is not in accordance with Generally Accepted Accounting Principles in the U.S. ("GAAP"). You should not consider Retail Sales in isolation from, nor is it a substitute for, net sales and other consolidated income or cash flow statement data prepared in accordance with GAAP, or as a measure of profitability or liquidity. A reconciliation of net sales to Retail Sales is

presented below. “Product sales” represent the actual product purchase prices paid to us by our distributors, after giving effect to distributor discounts referred to as “distributor allowances,” which approximate 50% of retail sales prices. Distributor allowances as a percentage of sales may vary by country depending upon regulatory restrictions that limit or otherwise restrict distributor allowances.

Our “gross profit” consists of net sales less “cost of sales,” which represents the prices we pay to our raw material suppliers and manufacturers of our products as well as costs related to product shipments, duties and tariffs, freight expenses relating to shipment of products to distributors and importers and similar expenses.

“Royalty Overrides” are our most significant expense and consist of:

royalty overrides or commissions, and bonuses, which total approximately 15% and 7%, respectively, of the Retail Sales of weight management, inner nutrition, Outer Nutrition® and promotional products;

the Mark Hughes Bonus payable to some of our most senior distributors in the aggregate amount of up to 1% of Retail Sales of weight management, inner nutrition, Outer Nutrition® and promotional products; and

other discretionary incentive cash bonuses payable to qualifying distributors.

Royalty Overrides are generally earned based on Retail Sales, and approximate, in the aggregate, about 22% of Retail Sales or approximately 35% of our net sales. Royalty Overrides, together with distributor allowances, represent the potential earnings to distributors of up to approximately 73% of Retail Sales. The compensation to distributors is generally for the development, retention and improved productivity of their distributor sales organizations and is paid to several levels of distributors on each sale. Because of local country regulatory constraints, we may be required to modify our typical distributor incentive plans as described above. Because of restrictions on direct selling in China, our full-time employed sales representatives in China are compensated with wages, bonuses and benefits instead of the distributors’ earnings – distributor allowances and royalty overrides. Consequently, the total distributor discount percentage may vary over time. We also offer reduced distributor allowances and pay reduced royalty overrides with respect to certain products worldwide.

Our “operating margins” consist of net sales less cost of sales and royalty overrides.

“Selling, General & Administrative Expenses” represent our operating expenses, components of which include labor and benefits, sales events, professional fees, travel and entertainment, distributor marketing, occupancy costs, communication costs, bank fees, depreciation and amortization, foreign exchange gains and losses and other miscellaneous operating expenses.

“11³/₄% Notes” refers to Herbalife International’s 11³/₄% senior subordinated notes due 2010. “9¹/₂% Notes” refers to our 9¹/₂% notes due 2011.

Most of our sales to distributors outside the United States are made in the respective local currencies. In preparing our financial statements, we translate revenues into U.S. dollars using average exchange rates. Additionally, the majority of our purchases from our suppliers are generally made in U.S. dollars. Consequently, a strengthening of the U.S. dollar versus a foreign currency can have a negative impact on our reported sales and operating margins and can generate transaction losses on intercompany transactions. Throughout the last five years, foreign currency exchange rates have fluctuated significantly. From time to time, we enter into foreign exchange forward contracts and option contracts to mitigate our foreign currency exchange risk.

Summary Financial Results

For the three and six months ended June 30, 2006, net sales increased by 21.1% and 21.8%, respectively, as compared to the same periods in 2005, primarily driven by increases in the Americas and Asia/Pacific Rim. Net sales in Europe increased 2.4% for the three months ended June 30, 2006 and were flat for the six months ended June 30, 2006 when compared to the same periods of 2005. Partially offsetting the growth in these regions was a decline in Japan net sales. The overall increase in net sales for the three and six months ended June 30, 2006 reflected the continued sales momentum generated from the successful promotions in 2005 and 2006 and the enthusiasm and unity within our distributor organization.

[Table of Contents](#)

Net income increased for the three months ended June 30, 2006 to \$36.3 million, or \$0.49 per diluted share, from \$22.8 million or \$0.32 per diluted share, for the same period in 2005. Net income increased for the six months ended June 30, 2006 to \$75.0 million, or \$1.01 per diluted share, from \$36.1 million or \$0.50 per diluted share, for the same period in 2005. Excluding the impact of a \$3.7 million tax benefit resulting from an international income tax settlement in the first quarter of 2006 and \$14.2 million of recapitalization expenses incurred in the first quarter of 2005 associated with the \$110.0 million clawback of our 9¹/₂% Notes, net income increased 41.9% for the six months ended June 30, 2006. The net income increase was due to net sales growth, lower interest expense and a lower effective tax rate, partially offset by higher labor, promotional and professional fee expenses. Overall, the appreciation of foreign currencies had a \$0.4 million and a \$2.6 million favorable impact on net results for the three and six months ended June 30, 2006, respectively.

Results of Operations

Our results of operations for the periods described below are not necessarily indicative of results of operations for future periods, which depend upon numerous factors, including our ability to recruit and retain new distributors, open new markets and further penetrate existing markets and introduce new products and develop niche market segments.

The following table sets forth selected results of our operations expressed as a percentage of net sales for the periods indicated.

Changes in net sales are directly associated with the recruiting, retention and retailing of our distributor force, the quality and completeness of the product offerings that the distributor force has to sell and the number of countries in which we operate. Management’s role, both in-country and at the corporate level is to provide distributors with a competitive and broad product line, encourage strong teamwork and leadership among the Chairman’s Club and President’s Team distributors and offer leading edge business tools to make doing business with Herbalife simple. Management uses the marketing program coupled with educational and motivational tools to incentivize distributors to drive recruiting, retention and retailing which in turn affect net sales. Such tools include corporate sales events – Extravanzas and World Team Schools – where large groups of distributors gather, thus allowing them to network with other distributors, learn recruiting, retention and retailing techniques from our leading distributors and become more familiar with how to market and sell our products and business opportunities. Accordingly, management believes that these development and motivation programs can increase the productivity of the supervisor network. The expenses for such programs are included in Selling, General & Administrative expenses. Sales are driven by several factors including the number and productivity of distributor leaders who continually build, educate and motivate their respective distribution and sales organizations. We also use product event and non-event promotions to motivate distributors to increase recruiting, retention and retailing activities. These promotions have ranged from our 2005 worldwide cup promotion to vacations or other qualifying events for distributors that meet certain selling and recruiting goals. The costs of these promotions are included in Selling, General & Administrative expenses.

The factors described above have driven growth in our business. The following net sales by geographic region discussion further details some of the above factors and describes unique growth factors specific to certain major countries. The Company believes that the correct foundation, coupled with ongoing training and promotional initiatives is required to increase recruiting and retention of distributors and retailing of the product. The correct foundation includes strong country management that works closely with the distributor leadership, a broad product line that appeals to local consumer needs, a favorable regulatory environment, a scalable and stable technology platform and an attractive marketing plan. Initiatives such as Success Training Seminars, World Team Schools, Promotional Events and regional Extravanzas are integral components of developing a highly motivated and educated distributor sales organization that will work toward increasing the recruitment and retention of distributors.

The Company’s strategy will continue to include generating and maintaining growth within existing markets. We expect to increase spending in Selling, General & Administrative expenses to maintain or stimulate sales growth, while making strategic investments in new initiatives. In addition, new ideas are being generated in our regional markets, either by distributors, country management or corporate management. Examples are the Nutrition Clubs in Mexico, the Total Plan in Brazil and GenerationH (“GenH”) in the U.S., as described in the net sales discussion below. Management’s strategy is to review the applicability of expanding successful country initiatives throughout a region and/or globally where appropriate and financially support the globalization of these initiatives.

The Americas

Net sales in The Americas increased \$65.4 million and \$148.9 million, or 39.2% and 48.4%, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. In local currency, net sales increased by 37.4% and 44.0%, respectively, for the three and six months ended June 30, 2006, as compared to the

same periods of 2005. The fluctuation of foreign currency rates had a favorable impact of \$3.0 million and \$13.5 million, respectively, on net sales for the three and six months ended June 30, 2006. The overall increase was a result of net sales growth in Mexico, Brazil and the U.S. of \$43.1 million, \$6.6 million and \$4.5 million, respectively, or 86.0%, 27.1% and 5.7%, respectively, for the quarter ended June 30, 2006.

The net sales growth trend in Mexico reflects strong supervisor growth, up 100.7% at June 30, 2006, as compared to June 30, 2005, and the continued expansion of our Nutrition Clubs. We estimate that distributors are operating approximately 33,000 Nutrition Clubs in Mexico. During the first six months of 2006 we opened an additional sales center in Mexico City, held a Presidents Team Tour attended by approximately 9,000 distributors and held two Active Supervisor Schools, which approximately 4,300 distributors attended. Additionally, we relocated our Mexico headquarters and main warehouse in Guadalajara and plan to open two distribution centers in key cities across the market to better support the increased sales.

The net sales growth trend in Brazil is a result of strong supervisor growth, up 23.0% at June 30, 2006, as compared to June 30, 2005, strong distributor leadership and a highly effective country management team. In addition, expansion of the Total Plan lead generation method has been a key catalyst for growth. During the year we held a World Team School attended by over 4,500 distributors and launched the NouriFusion basic line in individual use packets.

Net sales growth in the U.S. is primarily a result of strong supervisor growth, up 12.4% at June 30, 2006, as compared to June 30, 2005; the establishment of a dedicated U.S. country management team; continued branding efforts such as sponsorship of the AVP Volleyball Tour, the Bay to Breakers Run and the 2006 Amgen Tour of California bicycle race; various new promotions including the 2006 Active World Team promotion and the 2006 President Team Challenge. To further support the retailing and recruiting efforts of our distributors, we plan to open two new sales centers in the U.S. during the second half of 2006 to further support the overall sales growth and, in particular, to stimulate sales within the vicinity of the new sales centers. Additionally, we introduced in July 2006 at our North American Extravaganza a water mixable version of our top selling Formula 1 shake, a reformulated version of our Garden 7 product and NouriFusion in individual use packets.

We believe that 2006 sales in the Americas region should continue its positive year over year growth primarily as a result of the expected continuation of the strong momentum in key markets.

Europe

Net sales in Europe increased \$3.4 million and \$0.3 million, or 2.4% and 0.1%, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. In local currency, net sales increased 2.7% and 4.1%, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. The fluctuation of foreign currency rates had an unfavorable impact on net sales of \$0.5 million and \$11.6 million for the three and six months ended June 30, 2006. Portugal, France, Italy and Spain continue to grow and experienced sales increases of 50.5%, 34.9%, 17.7% and 12.9%, respectively, while Germany and the Netherlands experienced decreases in net sales of 14.9% and 21.2%, respectively for the quarter ended June 30, 2006, as compared to 2005. During the first quarter we relocated our call centers to Italy, France and the Netherlands in an effort to improve service and support to distributors who previously were serviced out of the United Kingdom. During this process we also opened our first sales center in the Netherlands.

The net sales increases in Portugal, France, Italy and Spain continued, primarily due to a well balanced performance across distributor retailing, recruiting and retention efforts, a united distributor leadership working closely with the local management, and a program focus on the Total Plan. In addition, there has been an increasing emphasis on good health and nutrition in France, which is supported and promoted by local nutritionists.

In Germany, a recently constituted strategy group has focused on turnaround initiatives, both in business activity as well as brand building. Significant distributor training has been undertaken, concentrating on long term customers, nutrition clubs and wellness coaching. In addition, improved distributor communications has been a key focus and new online tools are being provided.

The decline in the Netherlands was primarily driven by lower recruiting of new distributors. A reconstituted distributor strategy group, working closely with regional management is focused on initiatives to reverse that trend.

These include a National Supervisor recruitment drive, the launch of Liftoff™ in June, a highly successful Spring Spectacular event and the appointment of a member of the Global Nutritional Advisory Board.

While progress is being made, the turnaround is expected to be slow in both of the above markets and net sales for 2006 are expected to be below the level of 2005 for these countries.

We believe that 2006 sales in Europe should continue the positive year over year growth, as measured in local currencies, partly due to our global and local branding initiatives. This includes sponsoring the London Triathlon, the Italian Beach Volleyball Championship, the Nice Ironman Triathlon and the Madrid Triathlon, which are intended to continually improve our corporate and brand reputation in the market. We are also enhancing distributor communication processes and training, and, in addition, we have the introduction of some new products into the region, most notably Liftoff™. Liftoff™ was introduced in eight markets in the second quarter, and is scheduled for launch during the third quarter of 2006 in ten additional markets.

Asia/Pacific Rim

Net sales in Asia/Pacific Rim increased \$13.8 million and \$21.8 million, or 24.7% and 18.8%, for the three and six months ended June 30, 2006, respectively, as compared to the same periods of 2005. In local currency, net sales increased 22.9% and 18.1%, respectively for the three and six months ended June 30, 2006, as compared to the same periods of 2005. The fluctuation of foreign currency rates had a \$1.0 million and \$0.9 million favorable impact, respectively, on net sales for the three and six months ended June 30, 2006. The overall increase was attributable mainly to increases in South Korea, China and the opening of Malaysia in February 2006. During the quarter ended June 30, 2006, we held an extravaganza for the region in Bangkok, Thailand, which was attended by over 15,000 distributors from 13 countries.

Net sales in South Korea increased \$2.3 million and \$5.8 million, or 18.9% and 26.3%, respectively, for the three and six months ended June 30, 2006, as compared to 2005. This growth was a result of positive momentum from the local events including leadership weekends and a unified focus by Korea's country and distributor leadership. Also, during the first quarter of 2006 we made some modifications to the local distributor compensation plan, which we expect to have a positive impact on recruiting in 2006.

Net sales in China increased by \$5.5 million to \$6.0 million and by \$9.5 million to \$10.2 million, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. During the quarter ended June 30, 2006, approximately 1,300 distributors from China attended the Asia Pacific Extravaganza. Since March of 2005 we have opened 28 retail stores in 17 provinces throughout China. We expect to increase the number of stores to cover approximately 20 provinces before the end of 2006.

Malaysia opened in February 2006 with over 10,000 attendees at various opening events. Net sales for the three and six months ended June 30, 2006 was \$7.4 million and \$11.2 million, respectively.

Net sales in Taiwan decreased \$0.9 million and \$4.5 million, or 4.6% and 10.1%, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. In local currency, net sales in Taiwan decreased 2.2% and 7.9% for the three and six months ended June 30, 2006, as compared to the same periods of 2005. The fluctuation of foreign currency rates had an unfavorable impact on net sales of \$0.5 million and \$0.9 million for the three and six months ended June 30, 2006. The decrease was primarily attributed to the local distributor leadership and some of their key members, whose attention was focused primarily on the opening of Malaysia and the emerging business opportunity in China.

Overall, we believe that additional promotions, various branding initiatives including the sponsorship of several healthy lifestyle events in the region, the opening of Malaysia, the further expansion into the Chinese market, the expansion of Nutrition Clubs within the region and new product introductions should continue the region's positive year over year growth.

Japan

Net sales in Japan decreased \$1.3 million and \$5.9 million, or 6.4% and 12.5%, respectively, for the three and six months ended June 30, 2006, as compared to the same periods of 2005. In local currency, net sales in Japan

decreased 0.4% and 4.4% for the three and six months ended June 30, 2006, as compared to the same periods of 2005. The fluctuation of foreign currency rates had an unfavorable \$1.2 million and \$3.9 million impact on net sales for the three and six months ended June 30, 2006. In spite of the decrease in net sales, the number of new distributors and the supervisor retention rate are improving when compared to the same period last year. The improved retention rate was caused by an increase in the number of distributors taking advantage of the modified re-qualification criteria. We believe the modified re-qualification criteria will lead to increased future sales. During the quarter ended June 30, 2006, approximately 1,200 distributors from the region attended the Asia Pacific Extravaganza in Bangkok and over 1,500 distributors attended nutrition club trainings hosted in three key cities. Additionally, Liftoff™ and NouriFusion™ skin whitening foundation were launched. During the second half of 2006, we will be launching several new products and promotions, which are expected to generate excitement among our distributors. Additionally, it is our plan to open another showroom and sales center in Osaka, which will operate seven days a week.

Our increased emphasis on the science of weight management and nutrition during the past two years, illustrated by our assembly of the Scientific Advisory Board and the Medical Advisory Board, has resulted in product introductions such as *Niteworks™* and *Garden 7™* and the introduction of *ShapeWorks™*, a personalized meal replacement program. Due to the launch of these new products together with the continued positive sales momentum discussed above, net sales of weight management products, and inner nutrition products increased at a higher rate than net sales of Outer Nutrition® products. We expect shifts within these categories from time to time as we launch new products.

Gross Profit

Gross profit was \$373.3 million and \$737.8 million for the three and six months ended June 30, 2006, as compared to \$307.3 million and \$603.6 million in the same periods of 2005. As a percentage of net sales, gross profit for the three months ended June 30, 2006 increased slightly from 79.9% to 80.1%, as compared to the same period of 2005. The gross profit for the six months ended June 30, 2006 remained flat at approximately 80.0% of net sales, as compared to the same period of 2005. Generally, gross profit percentages do not vary significantly as a

percentage of net sales other than due to ongoing cost reduction initiatives and provisions for slow moving and obsolete inventory. Additionally, we believe that we have the ability to mitigate price increases by raising the prices of our products or shifting product sourcing to alternative manufacturers.

Royalty Overrides

Royalty Overrides as a percentage of net sales were 35.9% and 36.1% for the three and six months ended June 30, 2006, as compared to 35.6% and 36.0% in the same periods of 2005. Generally, this ratio varies slightly from period to period due to changes in the mix of products and countries because full Royalty Overrides are not paid on certain products or in certain countries. Due to the structure of our global compensation plan, we do not expect to see significant fluctuations in Royalty Overrides as a percent of net sales.

Selling, General & Administrative Expenses

Selling, General & Administrative expenses as a percentage of net sales were 30.2% and 29.9% for the three and six months ended June 30, 2006, as compared to 30.7% and 30.1% in the same periods of 2005. For the three and six months ended June 30, 2006, Selling, General & Administrative expenses increased \$23.1 million and \$48.1 million to \$140.9 million and \$275.9 million, respectively, as compared to the same periods of 2005. The favorable impact of foreign currency fluctuations was \$3.2 million and \$4.1 million for the three and six months ended June 30, 2006, respectively.

The increases in Selling, General, & Administrative expenses for the three and six months ended June 30, 2006 included \$11.1 million and \$22.1 million in higher salaries and benefits, due primarily to normal merit increases, higher employee bonuses, higher stock based compensation expenses, increases related to the strengthening of the management team regionally and in the U.S; and higher compensation costs associated with employee sales representatives in China; \$3.7 million and \$9.3 million in higher professional fees primarily associated with our technology infrastructure and legal expenses; \$2.7 million and \$3.7 million in higher advertising and promotion expenses primarily associated with new promotions in 2006; and \$2.2 million and \$4.5 million in higher occupancy expenses due to new facilities, respectively.

We expect 2006 Selling, General & Administrative expenses to increase over 2005 levels, reflecting general salary merit increases and the ongoing investments in our five key strategies – distributor, direct-to-consumer, product development, China, and infrastructure strategies.

Net Interest Expense

Net interest expense was \$5.0 million and \$11.0 million for the three and six months ended June 30, 2006, as compared to \$7.4 million and \$29.6 million for the same periods of 2005, reflecting the lower level of debt from the redemption of 40% or \$110.0 million principal amount of the 9¹/₂% Notes in February 2005 and prepayments of the senior credit facility, partially offset by a higher weighted average interest rate.

Income Taxes

Income taxes were \$23.8 million and \$43.2 million for the three and six months ended June 30, 2006 respectively, as compared to \$22.2 million and \$37.8 million in the same periods of 2005. As a percentage of pre-tax income, the effective income tax rate was 39.6% and 36.5% for the three and six months ended June 30, 2006, respectively, as compared to 49.3% and 51.2% in the same periods of 2005. The decrease in the effective tax rate for the three and six months ended June 30, 2006 as compared to 2005 was caused primarily by higher pre-tax income, the impact of non-deductible recapitalization charges in the three and six months ended June 30, 2005 and the settlement of an international tax audit in the first quarter of 2006. Excluding the completion of the international tax audit, the effective tax rate would have been approximately 39.6% and 39.7% for the three and six months ended June 30, 2006, respectively.

Foreign Currency Fluctuations

Currency fluctuations had a favorable impact of \$0.4 million and \$2.6 million on net results for the three and six months ended June 30, 2006, when compared to what current year net results would have been using last year's foreign exchange rates. For the three months ended June 30, 2006, the regional effects of currency fluctuations were a favorable impact of \$0.1 million in Europe, a favorable impact of \$0.2 million in Asia/Pacific Rim, a favorable impact of \$0.4 million in The Americas and an unfavorable impact of \$0.3 million in Japan. For the six months ended June 30, 2006, the regional effects of currency fluctuations were an unfavorable impact of \$1.3 million in Europe, zero impact in Asia/Pacific Rim, a favorable impact of \$3.4 million in the Americas and a favorable impact of \$0.5 million in Japan.

Net Results

Net income for the three and six months ended June 30, 2006 was \$36.3 million and \$75.0 million, respectively, or \$0.49 and \$1.01 per diluted share, respectively, up from \$22.8 million and \$36.1 million, or \$0.32 and \$0.50 per diluted share, respectively, for the same periods of 2005. Excluding the impact of a \$3.7 million tax benefit resulting from an international income tax settlement in the first quarter of 2006 and \$14.2 million of recapitalization expenses incurred in the first quarter of 2005 associated with the \$110.0 million clawback of our 9¹/₂% Notes, net income increased 41.9% for the six months ended June 30, 2006. The increase in net income was due to the net sales growth, lower interest expense and lower effective tax rate, partially offset by higher labor, promotional and professional fee expenses. Overall, the appreciation of foreign currencies had a \$0.4 million and a \$2.6 million favorable impact on net results for the three and six months ended June 30, 2006, respectively.

Liquidity and Capital Resources

We have historically met our working capital and capital expenditure requirements, including funding for expansion of operations, through net cash flows provided by operating activities. Our principal source of liquidity is our operating cash flows. Variations in sales of our products would directly affect the availability of funds. There are no material restrictions on the ability to transfer and remit funds among our international affiliated companies.

For the six months ended June 30, 2006, we generated \$102.4 million from operating cash flows, as compared to \$69.4 million for the six months ended June 30, 2005. The increase in cash generated from operations reflected an increase in net income of \$39.0 million, which was primarily driven by a 21.8% growth in net sales, partially offset by higher royalty overrides and Selling, General & Administrative expenses.

Capital expenditures, including capital leases, for the three and six months ended June 30, 2006 were \$13.4 million and \$25.6 million, respectively, as compared to \$8.4 million and \$12.8 million, for the same periods in 2005. We expect to incur capital expenditures of approximately \$55.0 million in 2006. The majority of these expenditures represented investments in management information systems, the development of the Company's direct-to-consumer platform, the expansion of our facilities in China, and for build-out and construction of new U.S. facilities.

2005 and 2006 are investment years for us in China as we expand our business there. The operating loss in China for 2005 was \$2.2 million and we currently anticipate funding an operating loss of approximately \$4.5 million in 2006, in addition to total capital expenditures and working capital of up to \$7.0 million for the planned build-out of retail stores, our offices and the expansion of the capabilities of our manufacturing facility. In 2005 we invested approximately \$4.5 million in capital expenditures in China.

We redeemed a \$110 million principal amount, excluding discounts, or 40% of our outstanding 9¹/₂% Notes in February of 2005 for the cash amount of \$124.1 million, including a premium of \$10.5 million and accrued interest of \$3.6 million. Interest expense in 2005 includes the redemption amount of \$14.2 million, which represents \$10.5 million of premium and \$3.7 million of write-off of deferred financing cost and discount.

The \$225.0 million senior credit facility consists of a senior secured revolving credit facility with total availability of up to \$25.0 million and a senior secured term loan facility in an aggregate principal amount of \$200.0 million. The revolver is available until December 21, 2009. The revolver bears interest at LIBOR plus 2%. In April 2005, the senior credit facility was amended whereby the interest rate was reduced from LIBOR plus 2¹/₄% to LIBOR plus 1³/₄%. In addition, the amount payable in connection with a partial or full refinancing of the loan within

the first year of the amendment shall equal 101% of the principal amount. In August 2005, the senior credit facility was amended to permit the purchase, repurchase or redemption of up to \$50.0 million aggregate principal amount of the 9¹/₂% Notes. In March 2006, we prepaid \$9.8 million of our senior credit facility resulting in approximately \$0.2 million additional interest expense from write-off of deferred financing fees. With regard to the term loan, we are obligated to pay \$0.2 million every quarter until September 30, 2010 and the remaining principal amount on December 21, 2010.

The senior credit facility and the 9¹/₂% Notes include customary covenants that restrict, among other things, the ability to incur additional debt, pay dividends or make certain other restricted payments, incur liens, merge or sell all or substantially all of our assets, or enter into various transactions with affiliates. Additionally, the senior credit facility includes covenants relating to the maintenance of certain leverage, fixed charge coverage, and interest coverage ratios, and requirements to make early payments to the extent of excess cash flow, as defined therein.

The following summarizes our contractual obligations including interest at June 30, 2006 and the effect such obligations are expected to have on our liquidity and cash flows in future periods:

	Payments Due by Period						2011 & Thereafter
	Total	2006	2007	2008 (In millions)	2009	2010	
Senior secured term loan	\$104.7	\$3.3	\$6.5	\$6.4	\$6.4	\$82.1	\$-

Total	<u>\$449.9</u>	<u>\$25.1</u>	<u>\$40.5</u>	<u>\$33.6</u>	<u>\$31.7</u>	<u>\$106.5</u>	<u>\$212.5</u>

As of June 30, 2006, we had positive working capital of \$84.9 million. Cash and cash equivalents were \$169.3 million at June 30, 2006, compared to \$88.2 million at December 31, 2005.

In July 2006, we entered into a \$300.0 million senior secured credit facility (the "New Credit Facility") with a syndicate of financial institutions as lenders. The New Credit Facility replaced our existing \$225.0 million senior credit facility, originally entered into in December 2004. We have repaid all amounts outstanding under the senior credit facility amounting to \$79.6 million. Also in July 2006, we issued a notice to redeem our 9¹/₂% Notes on August 23, 2006. The principal amount of the 9¹/₂% Notes to be redeemed is \$165.0 million. The 9¹/₂% Notes will be redeemed at the mandatory redemption price of approximately \$109.8 per \$100 aggregate principal amount of the 9¹/₂% Notes. Borrowings under the New Credit Facility will be used to redeem the 9¹/₂% Notes. Upon redemption of the 9¹/₂% Notes, we expect to incur an after-tax one-time charge of approximately \$14.0 million, representing the call premium and the write-off of unamortized deferred financing costs.

We expect that cash and funds provided from operations and available borrowings under our existing revolving credit facility will provide sufficient working capital to operate our business, to make expected capital expenditures and to meet foreseeable liquidity requirements, including the new senior credit facility. There can be no assurance, however, that our business will service our debt, including our outstanding notes, or fund our other liquidity needs.

The majority of our purchases from suppliers are generally made in U.S. dollars while sales to Herbalife distributors generally are made in local currencies. Consequently, strengthening of the U.S. dollar versus a foreign currency can have a negative impact on operating margins and can generate transaction losses on intercompany transactions. For discussion of our foreign exchange contracts and other hedging arrangements, see the quantitative and qualitative disclosures about market risks described below.

Contingencies

We are from time to time engaged in routine litigation. We regularly review all pending litigation matters in which we are involved and establish reserves deemed appropriate by management for these litigation matters when a probable loss estimate can be made.

Herbalife International and certain of its independent distributors have been named as defendants in a purported class action lawsuit filed February 17, 2005, in the Superior Court of California, County of San Francisco, and served on Herbalife International on March 14, 2005 (*Minton v. Herbalife International, et al*). The case has been transferred to the Los Angeles County Superior Court. The plaintiff is challenging the marketing practices of certain Herbalife International independent distributors and Herbalife International under various state laws prohibiting “endless chain schemes,” insufficient disclosure in assisted marketing plans, unfair and deceptive business practices, and fraud and deceit. The plaintiff alleges that the Freedom Group system operated by certain independent distributors of Herbalife International products places too much emphasis on recruiting and encourages excessively large purchases of product and promotional materials by distributors. The plaintiff also alleges that Freedom Group pressured distributors to disseminate misleading promotional materials. The plaintiff seeks to hold Herbalife International vicariously liable for the actions of its independent distributors and is seeking damages and injunctive relief. The Company believes that it has meritorious defenses to the suit.

Herbalife International and certain of its distributors have been named as defendants in a class action lawsuit filed July 16, 2003, in the Circuit Court of Ohio County in the State of West Virginia (*Mey v. Herbalife International, Inc., et al*). On April 21, 2006, the court granted plaintiff’s motion for class certification in West Virginia. The complaint alleges that certain telemarketing practices of certain Herbalife International distributors violate the Telephone Consumer Protection Act, or TCPA, and seeks to hold Herbalife International vicariously liable for the practices of these distributors. More specifically, the plaintiffs’ complaint alleges that several of Herbalife International’s distributors used pre-recorded telephone messages and autodialers to contact prospective customers in violation of the TCPA’s prohibition of such practices. Herbalife International’s distributors are independent contractors and if any such distributors in fact violated the TCPA they also violated Herbalife’s policies, which require its distributors to comply with all applicable federal, state and local laws. The Company believes that it has meritorious defenses to the suit.

As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, we have been and are currently subjected to various product liability claims. The effects of these claims to date have not been material to us, and the reasonably possible range of exposure on currently existing claims is not material to us. We believe that we have meritorious defenses to the allegations contained in the lawsuits. We currently maintain product liability insurance with an annual deductible of \$10 million.

Certain of our subsidiaries have been subject to tax audits by governmental authorities in their respective countries. In certain of these tax audits, governmental authorities are proposing that significant amounts of additional taxes and related interest and penalties are due. We and our tax advisors believe that there are substantial defenses to their allegations that additional taxes are owed, and we are vigorously contesting the additional proposed taxes and related charges.

These matters may take several years to resolve, and we cannot be sure of their ultimate resolution. However, it is the opinion of management that adverse outcomes, if any, will not likely result in a material effect on our financial condition and operating results. This opinion is based on our belief that any losses we suffer would not be material and that we have meritorious defenses. Although we have reserved an amount that we believe represents the likely outcome of the resolution of these disputes, if we are incorrect in our assessment we may have to record additional expenses.

Critical Accounting Policies

Our Consolidated Financial Statements are prepared in conformity with accounting principles generally accepted in the United States of America, which require us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ

from those estimates. We consider the following policies to be most critical in understanding the judgments that are involved in preparing the financial statements and the uncertainties that could impact our results of operations, financial condition and cash flows.

We are a network marketing company that sells a wide range of weight management products, nutritional supplements and personal care products within one industry segment as defined under SFAS 131, Disclosures about Segments of an Enterprise and Related Information. Our products are manufactured by third party providers and then sold to independent distributors who sell Herbalife products to retail consumers or other distributors.

We sell products in 62 countries throughout the world which are organized and managed by geographic region. In the first quarter of 2003, we elected to aggregate our operating segments into one reporting segment, as management believes that our operating segments have similar operating characteristics and similar long term operating performance. In making this determination, management believes that the operating segments are similar in the nature of the products sold, the product acquisition process, the types of customers products are sold to, the methods used to distribute the products and the nature of the regulatory environment.

Revenue is recognized when products are shipped and title passes to the independent distributor or importer. Amounts billed for freight and handling costs are included in net sales. We generally receive the net sales price in cash or through credit card payments at the point of sale. Related royalty overrides and allowances for product returns are recorded when the merchandise is shipped.

Allowances for product returns primarily in connection with our buyback program are provided at the time the product is shipped. This accrual is based upon historic return rates for each country, which vary from zero to approximately 5.0% of retail sales, and the relevant return pattern, which reflects anticipated returns to be received over a period of up to 12 months following the original sale. Historically, product returns and buybacks have not been significant. Product returns and buybacks were approximately 1.3%, 1.0% and 1.0%, 1.0%, for the three and six months ended June 30, 2005 and 2006, respectively. No material changes in estimates have been recognized for the three months ended June 30, 2005 and 2006.

We record reserves against our inventory to provide for estimated obsolete or unsalable inventory based on assumptions about future demand for our products and market conditions. If future demand and market conditions are less favorable than management's assumptions, additional reserves could be required. Likewise, favorable future demand and market conditions could positively impact future operating results if previously reserved for inventory is sold. We reserved for obsolete and slow moving inventory totaling \$8.0 million and \$10.0 million as of December 31, 2005 and June 30, 2006, respectively.

In accordance with Statement SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, long-lived assets, such as property, plant, and equipment, and purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. Assets to be disposed of would be separately presented in the balance sheet and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer depreciated. The assets and liabilities of a disposed group classified as held for sale would be presented separately in the appropriate asset and liability sections of the balance sheet.

Goodwill and other intangibles not subject to amortization are tested annually for impairment and are tested for impairment more frequently if events and circumstances indicate that the asset might be impaired. An impairment loss is recognized to the extent that the carrying amount exceeds the asset's fair value. This determination is made at the reporting unit level and consists of two steps. First, the Company determines the fair value of a reporting unit and compares it to its carrying amount. Second, if the carrying amount of a reporting unit exceeds its fair value, an impairment loss is recognized for any excess of the carrying amount of the reporting unit's goodwill and other intangibles over the implied fair value. The implied fair value is determined by allocating the fair value of the reporting unit in a manner similar to a purchase price allocation, in accordance with SFAS No. 141, Business Combinations. The residual fair value after this allocation is the implied fair value

of the reporting unit goodwill and other intangibles. As of June 30, 2006, we had goodwill of approximately \$127.5 million, and marketing franchise of \$310.0 million. Goodwill was reduced in the first and second quarter of 2006 by approximately \$4.7 million and \$2.0 million, respectively, due primarily to the effect of the settlement of an international tax audit related to the pre-acquisition period and the reduction of certain pre-acquisition income tax reserves.

Contingencies are accounted for in accordance with SFAS No. 5, Accounting for Contingencies (“SFAS No. 5”). SFAS No. 5 requires that we record an estimated loss from a loss contingency when information available prior to issuance of our financial statements indicates that it is probable that an asset has been impaired or a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Accounting for contingencies such as legal and income tax matters requires us to use judgment. Many of these legal and tax contingencies can take years to be resolved. Generally, as the time period increases over which the uncertainties are resolved, the likelihood of changes to the estimate of the ultimate outcome increases.

Deferred income tax assets have been established for net operating loss carryforwards of certain foreign subsidiaries and have been reduced by a valuation allowance to reflect them at amounts estimated to be ultimately recognized. The net operating loss carryforwards expire in varying amounts over a future period of time. Realization of the income tax carryforwards is dependent on generating sufficient taxable income prior to expiration of the carryforwards. Although realization is not assured, we believe it is more likely than not that the net carrying value of the income tax carryforwards will be realized. The amount of the income tax carryforwards that is considered realizable, however, could change if estimates of future taxable income during the carryforward period are adjusted.

We account for stock-based compensation in accordance with SFAS No. 123R, Share-Based Payment (“SFAS No. 123R”). Under the fair value recognition provisions of this statement, share-based compensation cost is measured at the grant date based on the value of the award and is recognized as expense over the vesting period. Determining the fair value of share-based awards at the grant date requires judgment, including estimating our stock price volatility and employee stock award exercise behaviors. Our expected volatility is primarily based upon on the historical volatility of Herbalife’s common stock and, due to the limited period of public trading data for its common stock, it is also validated against the volatility of a company peer group. The expected life of awards is based on observed historical exercise patterns, which can vary over time. As stock-based compensation expense recognized in the Consolidated Statement of Income is based on awards ultimately expected to vest, the amount of expense has been reduced for estimated forfeitures. SFAS No. 123R requires forfeitures to be estimated at the time of grant and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates. Forfeitures were estimated based on historical experience.

New Accounting Pronouncements

Effective January 1, 2006, we adopted the fair value recognition provisions of SFAS No. 123R, which generally requires, among other things, that all employee share-based compensation be measured using a fair value method and that the resulting compensation cost be recognized in the financial statements. We selected the modified prospective method of adoption. Under this method, compensation expense that we recognized for the three and six months ended June 30, 2006 included: (a) compensation expense for all share-based payments granted prior to, but not yet vested as of January 1, 2006, based on the grant date fair value estimated in accordance with the original provisions of SFAS No. 123, Accounting for Stock-Based Compensation, and (b) compensation expense for all share-based payments granted on or after January 1, 2006, based on the grant date fair value estimated in accordance with the provisions of SFAS No. 123R. Results for prior periods were not restated. See Note 8 to the consolidated financial statements for more details on stock based compensation.

As of June 30, 2006, FASB Interpretation No. 48 (“FIN 48”), Accounting for Uncertainty in Income Taxes (“FIN 48”) was issued in its final version. The Interpretation clarifies the accounting for uncertainty in income taxes recognized in an enterprise’s financial statements in accordance with FASB Statement No. 109, Accounting for Income Taxes. FIN 48 provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition effective for fiscal years beginning after December 15, 2006. Earlier

application of the provisions of FIN 48 is encouraged if the enterprise has not yet issued financial statements, including interim financial statements, in the period FIN 48 is adopted. Our accounting for our income tax contingency reserves are not based on the provisions of FIN 48 because our financial statements for the six months ended June 30, 2006 have been issued without the early adoption of the provisions of the Interpretation. Management is currently evaluating the impact of adopting FIN 48.

In June 2006, the FASB ratified the consensuses of Emerging Issues Task Force (“EITF”) Issue No. 06-3, “How Taxes Collected from Customers and Remitted to Governmental Authorities Should Be Presented in the Income Statement (That Is, Gross versus Net Presentation)” (“EITF 06-3”). EITF 06-3 clarifies that the scope of this Issue includes any tax assessed by a governmental authority that is directly imposed on a revenue-producing transaction between a seller and a customer and indicates that the income statement presentation on either a gross basis or a net basis of the taxes within the scope of the Issue is an accounting policy decision that should be disclosed. Furthermore, for taxes reported on a gross basis, an enterprise should disclose the amounts of those taxes in interim and annual financial statements for each period for which an income statement is presented. The consensus is effective, through retrospective application, for periods beginning after December 15, 2006. Management is currently evaluating the impact of adopting EITF 06-3.

Item 3. *Quantitative and Qualitative Disclosures About Market Risk*

We are exposed to market risks, which arise during the normal course of business from changes in interest rates and foreign currency exchange rates. On a selected basis, we use derivative financial instruments to manage or hedge these risks. All hedging transactions are authorized and executed pursuant to written guidelines and procedures.

We have adopted SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities. SFAS No. 133, as amended and interpreted, established accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. All derivatives, whether designated in hedging relationships or not, are required to be recorded on the balance sheet at fair value. If the derivative is designated as a fair-value hedge, the changes in the fair value of the derivative and the underlying hedged item are recognized concurrently in earnings. If the derivative is designated as a cash-flow hedge, changes in the fair value of the derivative are recorded in other comprehensive income (“OCI”) and are recognized in the statement of operations when the hedged item affects earnings. SFAS No. 133 defined new requirements for designation and documentation of hedging relationships as well as ongoing effectiveness assessments in order to use hedge accounting. For a derivative that does not qualify as a hedge, changes in fair value are recognized concurrently in earnings.

A discussion of our primary market risk exposures and derivatives is presented below.

Foreign Exchange Risk

We enter into foreign exchange derivatives in the ordinary course of business primarily to reduce exposure to currency fluctuations attributable to inter-company transactions and translation of local currency revenue. Most of these foreign exchange contracts are designated as cash flow hedges for forecasted transactions.

We purchase average rate put options, which give us the right, but not the obligation, to sell foreign currency at a specified exchange rate (“strike rate”). These contracts provide protection in the event that the foreign currency weakens beyond the option strike rate.

Foreign exchange forward contracts are used to hedge advances between subsidiaries. The objective of these contracts is to neutralize the impact of foreign currency movements on the subsidiary's operating results. The fair value of forward contracts is based on third-party bank quotes.

All our foreign subsidiaries, excluding those operating in hyper-inflationary environments, designate their local currencies as their functional currency. At June 30, 2006, the total amount of our foreign subsidiary cash was \$99.7 million, of which \$4.1 million was invested in U.S. dollars.

Interest Rate Risk

We use interest rate swaps to hedge the interest rate exposure on the variable interest rate associated with our senior credit facility. They provide protection in the event the LIBOR rates fluctuate. Interest rate swaps are designated as cash flow hedges. The table below describes the interest rate swap that was outstanding:

<u>Interest Rate</u>	<u>Notional Amount</u> (In millions)	<u>Average Rate</u>	<u>Fair Value</u> (In millions)	<u>Maturity Date</u>

The table below presents principal cash flows and interest rates by maturity dates and the fair values of our borrowings as of June 30, 2006. Fair values for fixed rate borrowings have been determined based on recent market trade values. The fair values for variable rate borrowings approximate their carrying value. Variable interest rates disclosed represent the rates on the borrowings at June 30, 2006. Interest rate risk related to our capital leases is not significant.

Under the Company's existing term loan in effect as of June 30, 2006, the Company is obligated to enter into (for a minimum of three years after December 21, 2004) an interest rate hedge for up to 25% of the aggregate principal amount of the term loan. On February 24, 2005 the Company entered into an interest rate swap, as discussed above, to fulfill this obligation.

Item 4. Controls And Procedures

Evaluation of Disclosure Controls and Procedures. Our management, including our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")), as of the end of the period covered by this report. Based on such evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were effective as of the end of the period covered by this report.

Changes in Internal Control Over Financial Reporting. There were no changes in our internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that occurred during the last fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. LEGAL PROCEEDINGS

See discussion under Note 5 in the Notes to the Condensed Consolidated Financial Statements included in Item 1 of this report.

Item 1.a. RISK FACTORS

Our failure to establish and maintain distributor relationships for any reason could negatively impact sales of our products and harm our financial condition and operating results.

We distribute our products exclusively through over one million independent distributors, and we depend upon them directly for substantially all of our sales. To increase our revenue, we must increase the number of, or the productivity of, our distributors. Accordingly, our success depends in significant part upon our ability to recruit, retain and motivate a large base of distributors. There is a high rate of turnover among our distributors, a

characteristic of the network marketing business. The loss of a significant number of distributors for any reason could negatively impact sales of our products and could impair our ability to attract new distributors. In our efforts to attract and retain distributors, we compete with other network marketing organizations, including those in the weight management product, dietary and nutritional supplement and personal care and cosmetic product industries. Our operating results could be harmed if our existing and new business opportunities and products do not generate sufficient interest to retain existing distributors and attract new distributors.

In light of the high year-over-year rate of turnover in our distributor base, we have our supervisors re-qualify annually in order to help us maintain a more accurate count of their numbers. For the latest twelve month re-qualification period ending January 2006, 41.5% of our supervisors re-qualified. Distributors who purchase our product for personal consumption or for short-term income goals may stay with us for several months to one year. Supervisors who have committed time and effort to build a sales organization will generally stay for longer periods. Distributors have highly variable levels of training, skills and capabilities. The turnover rate of our distributors, and our operating results, can be adversely impacted if we, and our senior distributor leadership, do not provide the necessary mentoring, training and business support tools for new distributors to become successful sales people in a short period of time.

We estimate that, of our over one million independent distributors, we had approximately 244,000 supervisors after re-qualifications in February 2006. These supervisors, together with their downline sales organizations, account for substantially all of our revenues. Our distributors, including our supervisors, may voluntarily terminate their distributor agreements with us at any time. The loss of a group of leading supervisors, together with their downline sales organizations, or the loss of a significant number of distributors for any reason, could negatively impact sales of our products, impair our ability to attract new distributors and harm our financial condition and operating results.

Since we cannot exert the same level of influence or control over our independent distributors as we could were they our own employees, our distributors could fail to comply with our distributor policies and procedures, which could result in claims against us that could harm our financial condition and operating results.

Our distributors are independent contractors and, accordingly, we are not in a position to directly provide the same direction, motivation and oversight as we would if distributors were our own employees. As a result, there can be no assurance that our distributors will participate in our marketing strategies or plans, accept our introduction of new products, or comply with our distributor policies and procedures.

Extensive federal, state and local laws regulate our business, our products and our network marketing program. Because we have expanded into foreign countries, our policies and procedures for our independent distributors differ due to the different legal requirements of each country in which we do business. While we have implemented distributor policies and procedures designed to govern distributor conduct and to protect the goodwill associated with Herbalife trademarks and tradenames, it can be difficult to enforce these policies and procedures because of the large number of distributors and their independent status. Violations by our distributors of applicable law or of our policies and procedures in dealing with customers could reflect negatively on our products and operations and harm our business reputation. In addition, it is possible that a court could hold us civilly or criminally accountable based on vicarious liability because of the actions of our independent distributors. If any of these events occur, the value of an investment in our common shares could be impaired. For example, in *Mey v. Herbalife International, et al*, the plaintiff seeks to hold the Company vicariously liable for actions of certain of its distributors, each of whom is an independent contractor. While the Company vigorously denies such distributors were acting as agents of the Company, and although the court specifically did not rule on the question of vicarious liability, on April 21, 2006 it did grant the plaintiff's motion to certify the case as a class action. We believe that we have meritorious defenses and will continue to vigorously defend this lawsuit.

Adverse publicity associated with our products, ingredients or network marketing program, or those of similar companies, could harm our financial condition and operating results.

The size of our distribution force and the results of our operations may be significantly affected by the public's perception of our Company and similar companies. This perception is dependent upon opinions concerning:

- the safety and quality of our products and ingredients;
- the safety and quality of similar products and ingredients distributed by other companies;
- our distributors;
- our network marketing program; and
- the direct selling business generally.

Adverse publicity concerning any actual or purported failure of our Company or our distributors to comply with applicable laws and regulations regarding product claims and advertising, good manufacturing practices, the regulation of our network marketing program, the licensing of our products for sale in our target markets or other aspects of our business, whether or not resulting in enforcement actions or the imposition of penalties, could have an adverse effect on the goodwill of our Company and could negatively affect our ability to attract, motivate and retain distributors, which would negatively impact our ability to generate revenue. We cannot ensure that all distributors will comply with applicable legal requirements relating to the advertising, labeling, licensing or distribution of our products.

In addition, our distributors' and consumers' perception of the safety and quality of our products and ingredients as well as similar products and ingredients distributed by other companies can be significantly influenced by national media attention, publicized scientific research or findings, widespread product liability claims and other publicity concerning our products or ingredients or similar products and ingredients distributed by other companies. Adverse publicity, whether or not accurate or resulting from consumers' use or misuse of our products, that associates consumption of our products or ingredients or any similar products or ingredients with illness or other adverse effects, questions the benefits of our or similar products or claims that any such products are ineffective, inappropriately labeled or have inaccurate instructions as to their use, could negatively impact our reputation or the market demand for our products.

Adverse publicity relating to us, our products or our operations, including our network marketing program or the attractiveness or viability of the financial opportunities provided thereby, has had, and could again have, a negative effect on our ability to attract, motivate and retain distributors. In the mid-1980's, our products and marketing program became the subject of regulatory scrutiny in the United States, resulting in large part from claims and representations made about our products by our distributors, including impermissible therapeutic claims. The resulting adverse publicity caused a rapid, substantial loss of distributors in the United States and a corresponding reduction in sales beginning in 1985. We expect that negative publicity will, from time to time, continue to negatively impact our business in particular markets.

Our failure to appropriately respond to changing consumer preferences and demand for new products or product enhancements could significantly harm our distributor and customer relationships and product sales and harm our financial condition and operating results and cause the loss or reduction in the value of your investment in our common shares.

Our business is subject to changing consumer trends and preferences, especially with respect to weight management products. Our continued success depends in part on our ability to anticipate and respond to these changes, and we may not respond in a timely or commercially appropriate manner to such changes. Furthermore, the nutritional supplement industry is characterized by rapid and frequent changes in demand for products and new product introductions and enhancements. Our failure to accurately predict these trends could negatively impact consumer opinion of our products, which in turn could harm our customer and distributor relationships and cause

the loss of sales. The success of our new product offerings and enhancements depends upon a number of factors, including our ability to:

- accurately anticipate customer needs;
- innovate and develop new products or product enhancements that meet these needs;
- successfully commercialize new products or product enhancements in a timely manner;
- price our products competitively;
- manufacture and deliver our products in sufficient volumes and in a timely manner; and
- differentiate our product offerings from those of our competitors.

If we do not introduce new products or make enhancements to meet the changing needs of our customers in a timely manner, some of our products could be rendered obsolete, which could negatively impact our revenues, financial condition and operating results.

Due to the high level of competition in our industry, we might fail to retain our customers and distributors, which would harm our financial condition and operating results.

The business of marketing weight management and nutrition products is highly competitive and sensitive to the introduction of new products or weight management plans, including various prescription drugs, which may rapidly capture a significant share of the market. These market segments include numerous manufacturers, distributors, marketers, retailers and physicians that actively compete for the business of consumers both in the United States and abroad. In addition, we anticipate that we will be subject to increasing competition in the future from sellers that utilize electronic commerce. Some of these competitors have longer operating histories, significantly greater financial, technical, product development, marketing and sales resources, greater name recognition, larger established customer bases and better-developed distribution channels than we do. Our present or future competitors may be able to develop products that are comparable or superior to those we offer, adapt more quickly than we do to new technologies, evolving industry trends and standards or customer requirements, or devote greater resources to the development, promotion and sale of their products than we do. For example, if our competitors develop other diet or weight loss treatments that prove to be more effective than our products, demand for our products could be reduced. Accordingly, we may not be able to compete effectively in our markets and competition may intensify.

We are also subject to significant competition for the recruitment of distributors from other network marketing organizations, including those that market weight management products, dietary and nutritional supplements and personal care products as well as other types of products. We compete for global customers and distributors with regard to weight management, nutritional supplement and personal care products. Our competitors include both direct selling companies such as NuSkin Enterprises, Nature's Sunshine, Alticor/Amway, Melaleuca, Avon Products, Oriflame and Mary Kay, as well as retail establishments such as Weight Watchers, Jenny Craig, General Nutrition Centers, Wal-Mart and retail pharmacies. In addition, because the industry in which we operate is not particularly capital intensive or otherwise subject to high barriers to entry, it is relatively easy for new competitors to emerge who will compete with us for our distributors and customers. In addition, the fact that our distributors may easily enter and exit our network marketing program contributes to the level of competition that we face. For example, a distributor can enter or exit our network marketing system with relative ease at any time without facing a significant investment or loss of capital because (1) we have a low upfront financial cost (generally \$50 to \$75) to become a Herbalife distributor, (2) we do not require any specific amount of time to work as a distributor, (3) we do not insist on any special training to be a distributor and (4) we do not prohibit a new distributor from working with another company. Our ability to remain competitive therefore depends, in significant part, on our success in recruiting and retaining distributors through an attractive compensation plan, the maintenance of an attractive product portfolio and other incentives. We cannot ensure that our programs for recruitment and retention of distributors will be successful, and if they are not, our financial condition and operating results would be harmed.

We are affected by extensive laws, governmental regulations, administrative determinations, court decisions and similar constraints both domestically and abroad and our failure or our distributors' failure to comply with these restraints could lead to the imposition of significant penalties or claims, which could harm our financial condition and operating results.

In both domestic and foreign markets, the formulation, manufacturing, packaging, labeling, distribution, importation, exportation, licensing, sale and storage of our products are affected by extensive laws, governmental regulations, administrative determinations, court decisions and similar constraints. Such laws, regulations and other constraints may exist at the federal, state or local levels in the United States and at all levels of government in foreign jurisdictions. There can be no assurance that we or our distributors are in compliance with all of these regulations. Our failure or our distributors' failure to comply with these regulations or new regulations could lead to the imposition of significant penalties or claims and could negatively impact our business. In addition, the adoption of new regulations or changes in the interpretations of existing regulations may result in significant compliance costs or discontinuation of product sales and may negatively impact the marketing of our products, resulting in significant loss of sales revenues.

On April 12, 2006 the Federal Trade Commission issued a notice of proposed rulemaking which, if implemented, will regulate all sellers of "business opportunities" in the United States. The proposed rule would, among other things, require all sellers of business opportunities, which would likely include the Company, to (i) implement a seven day waiting period before entering into an agreement with a prospective business opportunity purchaser, (ii) provide all prospective business opportunity purchasers with substantial information in writing at the beginning of the waiting period regarding the business opportunity, including information relating to: representations made as to the earnings experience of other business opportunity purchasers, the names and telephone numbers of recent purchasers in their geographic area, cancellation or refund policies and requests within the prior two years, certain legal actions against the company, its affiliated companies and company officers, directors, sales managers and certain others. The Company, other direct selling companies, the Direct Selling Association, and other interested parties have filed over 17,000 comments with the FTC that are publicly available regarding the proposed rule through the FTC's website at <http://www.ftc.gov/os/comments/businessopp/ru/index.htm>. Based on information currently available, we anticipate that the final rule may require several years to become final and effective, may differ substantially from the rule as originally proposed. Nevertheless the proposed rule, if implemented in its original form, would negatively impact our U.S. business.

Governmental regulations in countries where we plan to commence or expand operations may prevent or delay entry into those markets. In addition, our ability to sustain satisfactory levels of sales in our markets is dependent in significant part on our ability to introduce additional products into such markets. However, governmental regulations in our markets, both domestic and international, can delay or prevent the introduction, or require the reformulation or withdrawal, of certain of our products. For example, during the third quarter of 1995, we received inquiries from certain governmental agencies within Germany and Portugal regarding our product, *Thermojetics® Instant Herbal Beverage*, relating to the caffeine content of the product and the status of the product as an "instant tea," which was disfavored by regulators, versus a "beverage." Although we initially suspended the product sale in Germany and Portugal at the request of the regulators, we successfully reintroduced it once regulatory issues were satisfactorily resolved. Any such regulatory action, whether or not it results in a final determination adverse to us, could create negative publicity, with detrimental effects on the motivation and recruitment of distributors and, consequently, on sales.

On March 7, 2003, the FDA proposed a new regulation to require current Good Manufacturing Practices (cGMPs) affecting the manufacture, packing, and holding of dietary supplements. The proposed regulation would establish standards to ensure that dietary supplements and dietary ingredients are not adulterated with contaminants or impurities, and are labeled to accurately reflect the active ingredients and other ingredients in the products. It also includes proposed requirements for designing and constructing physical plants, establishing quality control procedures, and testing manufactured dietary ingredients and dietary supplements, as well as proposed requirements for maintaining records and for handling consumer complaints related to cGMPs. We are evaluating this proposal with respect to its potential impact upon the various contract manufacturers that we use to manufacture our products, some of whom might not meet the new standards. It is important to note that the proposed regulation, in an effort to limit disruption, includes a three-year phase-in for small businesses of any final regulation that is issued.

Should the final cGMP regulations be issued by the FDA in late 2006, this will mean that some of our smaller contract manufacturers will not be fully impacted by the proposed regulation until at least 2009. However, the proposed regulation can be expected to result in additional costs and possibly the need to seek alternate suppliers.

Our network marketing program could be found to be not in compliance with current or newly adopted laws or regulations in one or more markets, which could prevent us from conducting our business in these markets and harm our financial condition and operating results.

Our network marketing program is subject to a number of federal and state regulations administered by the Federal Trade Commission and various state agencies in the United States as well as regulations on direct selling in foreign markets administered by foreign agencies. We are subject to the risk that, in one or more markets, our network marketing program could be found not to be in compliance with applicable law or regulations. Regulations applicable to network marketing organizations generally are directed at preventing fraudulent or deceptive schemes, often referred to as “pyramid” or “chain sales” schemes, by ensuring that product sales ultimately are made to consumers and that advancement within an organization is based on sales of the organization’s products rather than investments in the organization or other non-retail sales-related criteria. The regulatory requirements concerning network marketing programs do not include “bright line” rules and are inherently fact-based, and thus, even in jurisdictions where we believe that our network marketing program is in full compliance with applicable laws or regulations governing network marketing systems, we are subject to the risk that these laws or regulations or the enforcement or interpretation of these laws and regulations by governmental agencies or courts can change. The failure of our network marketing program to comply with current or newly adopted regulations could negatively impact our business in a particular market or in general.

We are also subject to the risk of private party challenges to the legality of our network marketing program. The multi-level marketing programs of other companies have been successfully challenged in the past, and in a current lawsuit, allegations have been made challenging the legality of our network marketing program in Belgium. Test Ankoop-Test Achat, a Belgian consumer protection organization, sued Herbalife International Belgium, S.V., or HIB, on August 26, 2004, alleging that HIB violated Article 84 of the Belgian Fair Trade Practices Act by engaging in pyramid selling, *i.e.*, establishing a network of professional or non-professional sales people who hope to make a profit more through the expansion of that network rather than through the sale of products to end-consumers. The plaintiff is seeking a payment of 25,000 (equal to approximately \$32,000 as of June 30, 2006) per purported violation as well as costs of the trial. For the year ended December 31, 2005, our net sales in Belgium were approximately \$15.9 million. Currently, the lawsuit is in the pleading stage. The plaintiffs filed their initial brief on September 27, 2005. An adverse judicial determination with respect to our network marketing program, or in proceedings not involving us directly but which challenge the legality of multi-level marketing systems, in Belgium or in any other market in which we operate, could negatively impact our business.

A substantial portion of our business is conducted in foreign markets, exposing us to the risks of trade or foreign exchange restrictions, increased tariffs, foreign currency fluctuations and similar risks associated with foreign operations.

Approximately 82% of our net sales for the three and six months ended June 30, 2006, were generated outside the United States, exposing our business to risks associated with foreign operations. For example, a foreign government may impose trade or foreign exchange restrictions or increased tariffs, which could negatively impact our operations. We are also exposed to risks associated with foreign currency fluctuations. For instance, purchases from suppliers are generally made in U.S. dollars while sales to distributors are generally made in local currencies. Accordingly, strengthening of the U.S. dollar versus a foreign currency could have a negative impact on us. Although we engage in transactions to protect against risks associated with foreign currency fluctuations, we cannot be certain any hedging activity will effectively reduce our exchange rate exposure. Our operations in some markets also may be adversely affected by political, economic and social instability in foreign countries. As we continue to focus on expanding our existing international operations, these and other risks associated with international operations may increase, which could harm our financial condition and operating results.

Our expansion in China is subject to general, as well as industry-specific, economic, political and legal developments in China, and requires that we utilize a different business model from that we use elsewhere in the world.

Our expansion of operations into China is subject to risks and uncertainties related to general economic, political and legal developments in China, among other things. The Chinese government exercises significant control over the Chinese economy, including but not limited to controlling capital investments, allocating resources, setting monetary policy, controlling foreign exchange and monitoring foreign exchange rates, implementing and overseeing tax regulations and providing preferential treatment to certain industry segments or companies. Accordingly, any adverse change in the Chinese economy, the Chinese legal system or Chinese governmental, economic or other policies could have a material adverse effect on our business in China.

In August 2005, China published regulations governing direct selling (effective December 1, 2005) and prohibiting pyramid promotional schemes (effective November 1, 2005) and a number of administrative methods and proclamations were issued in September 2005. These regulations will require us to use a business model different from that which we offer in other markets. To allow us to operate under these regulations, we have created and introduced a model specifically for China. In China, we have Company-operated retail stores that sell through employed sales management personnel to customers and preferred customers. We provide training and certification procedures for sales personnel in China. We also sell through independent direct sellers. These features are not common to the business model we employ elsewhere in the world. The direct selling regulations require us to apply for approval to conduct a direct selling enterprise in China. There can be no assurance that we will be able to obtain that license. Additionally, although certain regulations have been published, others are pending, and there is uncertainty regarding the interpretation and enforcement of such regulations. The regulatory environment in China is evolving, and officials in the Chinese government often exercise discretion in deciding how to interpret and apply regulations. As such, we have worked closely with governmental agencies and advisors in interpreting both the existing regulations and the new regulations. However, we cannot be certain that our business model will be deemed by national or local Chinese regulatory authorities to be compliant with these or other more general regulations. In the past, the Chinese government has rigorously monitored the direct selling market in China, and has taken serious action against companies that the government believed were engaging in activities they regarded to be in violation of applicable law, including shutting down their businesses and imposing substantial fines. As a result, there can be no guarantee that the Chinese government's interpretation and application of the existing and new regulations will not negatively impact our business in China, result in regulatory investigations or lead to fines or penalties.

Chinese regulations prevent persons who are not Chinese nationals from engaging in direct selling in China. We cannot guarantee that any of our distributors living outside of China or any of our independent sales representatives or employed sales management personnel in China will not engage in activities that violate our policies in this market and therefore result in regulatory action and adverse publicity.

As we expand operations in China, we anticipate that certain distributors will switch their focus from their home markets to that of China. As a result, we may see reduced distributor focus in Hong Kong, Taiwan and possibly other of our markets as Chinese nationals that are distributors shift their attention to China, and a resultant reduction in distributor growth, leadership and revenue in these other countries.

If our operations in China are successful, we may experience rapid growth in China, and there can be no assurances that we will be able to successfully manage rapid expansion of manufacturing operations and a rapidly growing and dynamic sales force. There also can be no assurances that we will not experience difficulties in dealing with or taking employment related actions (such as hiring, terminations and salary administration, including social benefit payments) with respect to our employed sales representatives, particularly given the highly regulated nature of the employment relationship in China. If we are unable to effectively manage such growth and expansion of our retail stores, manufacturing operations or our employees, our government relations may be compromised and our operations in China may be harmed.

Our China business model, particularly with regard to sales management responsibilities and remuneration, differs from our traditional business model. There is a risk that such changes and transitions may not be understood by our distributors or employees, may be viewed negatively by our distributors or employees, or may not be correctly utilized by our distributors or employees. If that is the case, our business could be negatively impacted.

If we fail to further penetrate existing markets or successfully expand our business into new markets, then the growth in sales of our products, along with our operating results, could be negatively impacted and investors could lose all or part of their investment in our common shares.

The success of our business is to a large extent contingent on our ability to continue to grow by entering new markets and further penetrating existing markets. Our ability to further penetrate existing markets in which we compete or to successfully expand our business into additional countries in Eastern Europe, Southeast Asia, South America or elsewhere, to the extent we believe that we have identified attractive geographic expansion opportunities in the future, is subject to numerous factors, many of which are out of our control.

In addition, government regulations in both our domestic and international markets can delay or prevent the introduction, or require the reformulation or withdrawal, of some of our products, which could negatively impact our business, financial condition and results of operations. Also, our ability to increase market penetration in certain countries may be limited by the finite number of persons in a given country inclined to pursue a direct selling business opportunity. Moreover, our growth will depend upon improved training and other activities that enhance distributor retention in our markets. We cannot assure you that our efforts to increase our market penetration and distributor retention in existing markets will be successful. Thus, if we are unable to continue to expand into new markets or further penetrate existing markets, our operating results would suffer and the market value of our common shares could decline.

Our contractual obligation to sell our products only through our Herbalife distributor network and to refrain from changing certain aspects of our marketing plan may limit our growth.

In connection with the Acquisition, we entered into an agreement with our distributors that provided assurances that the change in ownership of our Company would not negatively affect certain aspects of their business. Through this agreement, we have committed to our distributors that we will not sell Herbalife products through any distribution channel other than our network of independent Herbalife distributors. Thus, we are contractually prohibited from expanding our business by selling Herbalife products through other distribution channels that may be available to our competitors, such as over the internet, through wholesale sales, by establishing retail stores or through mail order systems. Since this is an ongoing or open-ended commitment, there can be no assurance that we will be able to take advantage of innovative new distribution channels that are developed in the future.

In addition, our agreement with our distributors provides that we will not change certain aspects of our marketing plan without the consent of a specified percentage of our distributors. For example, our agreement with our distributors provides that we may increase, but not decrease, the discount percentages available to our distributors for the purchase of products or the applicable royalty override percentages, including roll-ups, and production and other bonus percentages available to our distributors at various qualification levels within our distributor hierarchy. We may not modify the eligibility or qualification criteria for these discounts, royalty overrides and production and other bonuses unless we do so in a manner to make eligibility and/or qualification easier than under the applicable criteria in effect as of the date of the agreement. Our agreement with our distributors further provides that we may not vary the criteria for qualification for each distributor tier within our distributor hierarchy, unless we do so in such a way so as to make qualification easier.

Although we reserved the right to make these changes to our marketing plan without the consent of our distributors in the event that changes are required by applicable law or are necessary in our reasonable business judgment to account for specific local market or currency conditions to achieve a reasonable profit on operations, there can be no assurance that our agreement with our distributors will not restrict our ability to adapt our marketing plan to the evolving requirements of the markets in which we operate. As a result, our growth, and the potential of growth in the value of your investment in our common shares, may be limited.

We depend on the integrity and reliability of our information technology infrastructure, and any related inadequacies may result in substantial interruptions to our business.

Our ability to timely provide products to our distributors and their customers, and services to our distributors, depends on the integrity of our information technology system, which we are in the process of upgrading, including

the reliability of software and services supplied by our vendors. We are implementing an Oracle enterprise-wide technology solution, a scalable and stable open architecture platform, to enhance our and our distributors' efficiency and productivity. In addition, we are upgrading our internet-based marketing and distributor services platform, *MyHerbalife.com*. We expect these initiatives to be substantially complete by 2008.

The most important aspect of our information technology infrastructure is the system through which we record and track distributor sales, volume points, royalty overrides, bonuses and other incentives. We have encountered, and may encounter in the future, errors in our software or our enterprise network, or inadequacies in the software and services supplied by our vendors, although to date none of these errors or inadequacies has had a meaningful negative impact on our business. Any such errors or inadequacies that we may encounter in the future may result in substantial interruptions to our services and may damage our relationships with, or cause us to lose, our distributors if the errors or inadequacies impair our ability to track sales and pay royalty overrides, bonuses and other incentives, which would harm our financial condition and operating results. Such errors may be expensive or difficult to correct in a timely manner, and we may have little or no control over whether any inadequacies in software or services supplied to us by third parties are corrected, if at all.

Since we rely on independent third parties for the manufacture and supply of our products, if these third parties fail to reliably supply products to us at required levels of quality, then our financial condition and operating results would be harmed.

All of our products are manufactured by outside companies, except for a small amount of products manufactured in our own manufacturing facility in China. We cannot assure you that our outside manufacturers will continue to reliably supply products to us at the levels of quality, or the quantities, we require, especially after the FDA imposes cGMPs regulations.

Our supply contracts generally have a two-year term. Except for force majeure events, such as natural disasters and other acts of God, and non-performance by Herbalife, our manufacturers generally cannot unilaterally terminate these contracts. These contracts can generally be extended by us at the end of the relevant time period and we have exercised this right in the past. Globally we have over 40 suppliers of our products. For our major products, we have both primary and secondary suppliers. Our major suppliers include Nature's Bounty for protein powders, Fine Foods (Italy) for protein powders and nutritional supplements, PharmaChem Labs for teas and *Niteworks*[™] and JB Labs for fiber. In the event any of our third-party manufacturers were to become unable or unwilling to continue to provide us with products in required volumes and at suitable quality levels, we would be required to identify and obtain acceptable replacement manufacturing sources. There is no assurance that we would be able to obtain alternative manufacturing sources on a timely basis. An extended interruption in the supply of products would result in the loss of sales. In addition, any actual or perceived degradation of product quality as a result of reliance on third party manufacturers may have an adverse effect on sales or result in increased product returns and buybacks.

If we fail to protect our trademarks and tradenames, then our ability to compete could be negatively affected, which would harm our financial condition and operating results.

The market for our products depends to a significant extent upon the goodwill associated with our trademark and tradenames. We own, or have licenses to use, the material trademark and trade name rights used in connection with the packaging, marketing and distribution of our products in the markets where those products are sold. Therefore, trademark and trade name protection is important to our business. Although most of our trademarks are registered in the United States and in certain foreign countries in which we operate, we may not be successful in asserting trademark or trade name protection. In addition, the laws of certain foreign countries may not protect our intellectual property rights to the same extent as the laws of the United States. The loss or infringement of our trademarks or tradenames could impair the goodwill associated with our brands and harm our reputation, which would harm our financial condition and operating results.

Unlike in most of the other markets in which we operate, limited protection of intellectual property is available under Chinese law. Accordingly, we face an increased risk in China that unauthorized parties may attempt to copy or otherwise obtain or use our trademarks, copyrights, product formulations or other intellectual property. Further,

since Chinese commercial law is relatively undeveloped, we may have limited legal recourse in the event we encounter significant difficulties with intellectual property theft or infringement. As a result, we cannot assure you that we will be able to adequately protect our product formulations or other intellectual property.

If our distributors fail to comply with labeling laws, then our financial condition and operating results would be harmed.

Although the physical labeling of our products is not within the control of our independent distributors, our distributors must nevertheless advertise our products in compliance with the extensive regulations that exist in certain jurisdictions, such as the United States, which considers product advertising to be labeling for regulatory purposes.

Our products are sold principally as foods, dietary supplements and cosmetics and are subject to rigorous FDA and related legal regimens limiting the types of therapeutic claims that can be made for our products. The treatment or cure of disease, for example, is not a permitted claim for these products. While we train and attempt to monitor our distributors' marketing materials, we cannot ensure that all such materials comply with bans on therapeutic claims. If our distributors fail to comply with these restrictions, then we and our distributors could be subjected to claims, financial penalties, mandatory product recalls or relabeling requirements, which could harm our financial condition and operating results. Although we expect that our responsibility for the actions of our independent distributors in such an instance would be dependent on a determination that we either controlled or condoned a noncompliant advertising practice, there can be no assurance that we could not be held responsible for the actions of our independent distributors.

If our intellectual property is not adequate to provide us with a competitive advantage or to prevent competitors from replicating our products, or if we infringe the intellectual property rights of others, then our financial condition and operating results would be harmed.

Our future success and ability to compete depend upon our ability to timely produce innovative products and product enhancements that motivate our distributors and customers, which we attempt to protect under a combination of copyright, trademark and trade secret laws, confidentiality procedures and contractual provisions. However, our products are generally not patented domestically or abroad, and the legal protections afforded by our common law and contractual proprietary rights in our products provide only limited protection and may be time-consuming and expensive to enforce and/or maintain. Further, despite our efforts, we may be unable to prevent third parties from infringing upon or misappropriating our proprietary rights or from independently developing non-infringing products that are competitive with, equivalent to and/or superior to our products.

Additionally, third parties may claim that products we have independently developed infringe upon their intellectual property rights. For example, in two related lawsuits that are currently pending in California, Unither Pharma, Inc. and others are alleging that sales by Herbalife International of (1) its *Niteworks*tm and Prelox Blue products and (2) its former products Woman's Advantage with DHEA and Optimum Performance infringe on patents that are licensed to or owned by those parties, and are seeking unspecified damages, attorneys' fees and injunctive relief from the Company. Although we believe that we have meritorious defenses to, and are vigorously defending against, these allegations, there can be no assurance that one or more of our products will not be found to infringe upon the intellectual property rights of these parties or others.

Monitoring infringement and/or misappropriation of intellectual property can be difficult and expensive, and we may not be able to detect any infringement or misappropriation of our proprietary rights. Even if we do detect infringement or misappropriation of our proprietary rights, litigation to enforce these rights could cause us to divert financial and other resources away from our business operations. Further, the laws of some foreign countries do not protect our proprietary rights to the same extent as do the laws of the United States.

Since one of our products constitutes a significant portion of our retail sales, significant decreases in consumer demand for this product or our failure to produce a suitable replacement should we cease offering it would harm our financial condition and operating results.

Our Formula 1 meal replacement product constitutes a significant portion of our sales, accounting for approximately 27%, 22%, and 23% of retail sales for the fiscal years ended December 31, 2005, 2004 and 2003, respectively. If consumer demand for this product decreases significantly or we cease offering this product without a suitable replacement, then our financial condition and operating results would be harmed.

If we lose the services of members of our senior management team, then our financial condition and operating results would be harmed.

We depend on the continued services of our Chief Executive Officer, Michael O. Johnson, and our current senior management team and the relationships that they have developed with our senior distributor leadership, especially in light of the high level of turnover in our former senior management team, and the resulting need to reestablish good working relationships with our senior distributor leadership, after the death of our founder in May of 2000. Although we have entered into employment agreements with many members of our senior management team, and do not believe that any of them are planning to leave or retire in the near term, we cannot assure you that our senior managers will remain with us. The loss or departure of any member of our senior management team could negatively impact our distributor relations and operating results. If any of these executives do not remain with us, our business could suffer. The loss of such key personnel could negatively impact our ability to implement our business strategy, and our continued success will also be dependent upon our ability to retain existing, and attract additional, qualified personnel to meet our needs. We currently do not maintain “key person” life insurance with respect to our senior management team.

The covenants in our existing indebtedness limit our discretion with respect to certain business matters, which could limit our ability to pursue certain strategic objectives and in turn harm our financial condition and operating results.

Our 9^{1/2}% Notes and senior credit facility contain numerous financial and operating covenants that restrict our and our subsidiaries’ ability to, among other things:

- pay dividends, redeem share capital or capital stock and make other restricted payments and investments;
- incur additional debt or issue preferred shares;
- allow the imposition of dividend or other distribution restrictions on our subsidiaries;
- create liens on our and our subsidiaries’ assets;
- engage in transactions with affiliates;
- guarantee other indebtedness; and
- merge, consolidate or sell all or substantially all of our assets and the assets of our subsidiaries.

In addition, our senior credit facility requires us to meet certain financial ratios and financial conditions. Our ability to comply with these covenants may be affected by events beyond our control, including prevailing economic, financial and industry conditions. Failure to comply with these covenants could result in a default causing all amounts to become due and payable under our outstanding notes and/or the senior credit facility, which is secured by substantially all of our assets, which the lenders thereunder could proceed to foreclose against.

If we do not comply with transfer pricing, customs duties, and similar regulations, then we may be subjected to additional taxes, duties, interest, and penalties in material amounts, which could harm our financial condition and operating results.

As a multinational corporation, in many countries including the United States, we are subject to transfer pricing and other tax regulations designed to ensure that our intercompany transactions are consummated at prices that have not been manipulated to produce a desired tax result, that appropriate levels of income are reported as

earned by our United States or local entities, and that we are taxed appropriately on such transactions. In addition, our operations are subject to regulations designed to ensure that appropriate levels of customs duties are assessed on the importation of our products. We are currently subject to pending or proposed audits that are at various levels of review, assessment or appeal in a number of jurisdictions involving transfer pricing issues, income taxes, customs duties, value added taxes, withholding taxes, sales and use and other taxes and related interest and penalties in material amounts. In some circumstances, additional taxes, interest and penalties have been assessed and we will be required to pay the assessments or litigate to reverse the assessments. We have reserved in the consolidated financial statements an amount that we believe represents the most likely outcome of the resolution of these disputes, but if we are incorrect in our assessment we may have to pay the full amount asserted. Ultimate resolution of these matters may take several years, and the outcome is uncertain. If the United States Internal Revenue Service or the taxing authorities of any other jurisdiction were to successfully challenge our transfer pricing practices or our positions regarding the payment of income taxes, customs duties, value added taxes, withholding taxes, sales and use, and other taxes, we could become subject to higher taxes and our earnings would be adversely affected.

We may be held responsible for certain taxes or assessments relating to the activities of our distributors, which could harm our financial condition and operating results.

Our distributors are subject to taxation, and in some instances, legislation or governmental agencies impose an obligation on us to collect taxes, such as value added taxes, and to maintain appropriate records. In addition, we are subject to the risk in some jurisdictions of being responsible for social security and similar taxes with respect to our distributors. In the event that local laws and regulations or the interpretation of local laws and regulations change to require us to treat our independent distributors as employees, or that our distributors are deemed by local regulatory authorities in one or more of the jurisdictions in which we operate to be our employees rather than independent contractors under existing laws and interpretations, we may be held responsible for social security and related taxes in those jurisdictions, plus any related assessments and penalties, which could harm our financial condition and operating results.

We may incur material product liability claims, which could increase our costs and harm our financial condition and operating results.

Our products consist of herbs, vitamins and minerals and other ingredients that are classified as foods or dietary supplements and are not subject to pre-market regulatory approval in the United States. Our products could contain contaminated substances, and some of our products contain innovative ingredients that do not have long histories of human consumption. We generally do not conduct or sponsor clinical studies for our products and previously unknown adverse reactions resulting from human consumption of these ingredients could occur. As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, we have been, and may again be, subjected to various product liability claims, including that the products contain contaminants, the products include inadequate instructions as to their uses, or the products include inadequate warnings concerning side effects and interactions with other substances. It is possible that widespread product liability claims could increase our costs, and adversely affect our revenues and operating income. Moreover, liability claims arising from a serious adverse event may increase our costs through higher insurance premiums and deductibles, and may make it more difficult to secure adequate insurance coverage in the future. In addition, our product liability insurance may fail to cover future product liability claims, thereby requiring us to pay substantial monetary damages and adversely affecting our business. Finally, given the higher level of self-insured retentions that we have accepted under our current product liability insurance policies, which are as high as approximately \$10 million, in certain cases we may be subject to the full amount of liability associated with any injuries, which could be substantial.

Several years ago, a number of states restricted the sale of dietary supplements containing botanical sources of ephedrine alkaloids and on February 6, 2004 the FDA banned the use of such ephedrine alkaloids. Until late 2002 we had sold Thermojetics® original green herbal tablets, Thermojetics® green herbal tablets and Thermojetics® gold herbal tablets, all of which contained ephedrine alkaloids. Accordingly, we run the risk of product liability claims related to the ingestion of ephedrine alkaloids contained in those products. Currently, we have been named as a defendant in product liability lawsuits seeking to link the ingestion of certain of the aforementioned products to

subsequent alleged medical problems suffered by plaintiffs. Although we believe that we have meritorious defenses to the allegations contained in these lawsuits, and are vigorously defending these claims, there can be no assurance that we will prevail in our defense of any or all of these matters.

A few of our shareholders collectively exert significant influence over us and have the power to cause the approval or rejection of all shareholder actions and may take actions that conflict with your interests.

As of February 1, 2006, affiliates of Whitney & Co., LLC and Golden Gate Capital own approximately 41.5% of the voting power of our share capital. Accordingly, Whitney & Co., LLC and Golden Gate Capital collectively will have the power to exert significant influence over us and the approval or rejection of any matter on which the shareholders may vote, including the election of directors, amendment of our memorandum and articles of association and approval of significant corporate transactions as well as our management and policies. This influence over corporate actions may also delay, deter or prevent transactions that would result in a change of control. Moreover, Whitney & Co., LLC and Golden Gate Capital may have interests that conflict with yours.

We are subject to, among other things, the attestation requirements regarding the effectiveness of internal control over financial reporting. These requirements have increased our compliance costs, and failure to comply in a timely manner could adversely affect the value of our securities.

We are required to comply with various corporate governance and financial reporting requirements under the Sarbanes-Oxley Act of 2002, as well as new rules and regulations adopted by the Securities and Exchange Commission, the Public Company Accounting Oversight Board and the New York Stock Exchange. In particular, we are required to include management and auditor reports on the effectiveness of internal control over financial reporting as part of our annual report on Form 10-K for the year ended December 31, 2006, pursuant to Section 404 of the Sarbanes-Oxley Act. We expect to continue to spend significant amounts of time and money on compliance with these rules. Our failure to correct any noted weaknesses in internal controls over financial reporting could result in the disclosure of material weaknesses which could have a material adverse effect upon the market value of our stock.

Holders of our common shares may face difficulties in protecting their interests because we are incorporated under Cayman Islands law.

Our corporate affairs are governed by our amended and restated memorandum and articles of association, and by the Companies Law (2004 Revision) and the common law of the Cayman Islands. The rights of our shareholders and the fiduciary responsibilities of our directors under Cayman Islands law are not as clearly established as under statutes or judicial precedent in existence in jurisdictions in the United States. Therefore, shareholders may have more difficulty in protecting their interests in the face of actions by our management, directors or controlling shareholders than would shareholders of a corporation incorporated in a jurisdiction in the United States, due to the comparatively less developed nature of Cayman Islands law in this area.

Unlike many jurisdictions in the United States, Cayman Islands law does not specifically provide for shareholder appraisal rights on a merger or consolidation of a company. This may make it more difficult for shareholders to assess the value of any consideration they may receive in a merger or consolidation or to require that the offer give shareholders additional consideration if they believe the consideration offered is insufficient.

Shareholders of Cayman Islands exempted companies such as ourselves have no general rights under Cayman Islands law to inspect corporate records and accounts or to obtain copies of lists of our shareholders. Our directors have discretion under our articles of association to determine whether or not, and under what conditions, our corporate records may be inspected by our shareholders, but are not obliged to make them available to our shareholders. This may make it more difficult for you to obtain the information needed to establish any facts necessary for a shareholder motion or to solicit proxies from other shareholders in connection with a proxy contest.

Subject to limited exceptions, under Cayman Islands law, a minority shareholder may not bring a derivative action against the board of directors. Maples and Calder, our Cayman Islands counsel, has informed us that they are not aware of any reported class action or derivative action having been brought in a Cayman Islands court.

Provisions of our articles of association and Cayman Islands corporate law may impede a takeover or make it more difficult for shareholders to change the direction or management of the Company, which could adversely affect the value of our common shares and provide shareholders with less input into the management of the Company than they might otherwise have.

Our articles of association permit our board of directors to issue preference shares from time to time, with such rights and preferences as they consider appropriate. Our board of directors could authorize the issuance of preference shares with terms and conditions and under circumstances that could have an effect of discouraging a takeover or other transaction.

In addition, our articles of association contain certain other provisions which could have an effect of discouraging a takeover or other transaction or preventing or making it more difficult for shareholders to change the direction or management of our Company, including a classified board, the inability of shareholders to act by written consent, a limitation on the ability of shareholders to call special meetings of shareholders and advance notice provisions. As a result, our shareholders may have less input into the management of our Company than they might otherwise have if these provisions were not included in our articles of association.

Unlike many jurisdictions in the United States, Cayman Islands law does not provide for mergers as that expression is understood under corporate law in the United States. However, Cayman Islands law does have statutory provisions that provide for the reconstruction and amalgamation of companies, which are commonly referred to in the Cayman Islands as “schemes of arrangement.” The procedural and legal requirements necessary to consummate these transactions are more rigorous and take longer to complete than the procedures typically required to consummate a merger in the United States. Under Cayman Islands law and practice, a scheme of arrangement in relation to a solvent Cayman Islands company must be approved at a shareholders’ meeting by each class of shareholders, in each case, by a majority of the number of holders of each class of a company’ s shares that are present and voting (either in person or by proxy) at such a meeting, which holders must also represent 75% in value of such class issued that are present and voting (either in person or by proxy) at such meeting (excluding the shares owned by the parties to the scheme of arrangement).

The convening of these meetings and the terms of the amalgamation must also be sanctioned by the Grand Court of the Cayman Islands. Although there is no requirement to seek the consent of the creditors of the parties involved in the scheme of arrangement, the Grand Court typically seeks to ensure that the creditors have consented to the transfer of their liabilities to the surviving entity or that the scheme of arrangement does not otherwise have a material adverse effect on the creditors’ interests. Furthermore, the Grand Court will only approve a scheme of arrangement if it is satisfied that:

- the statutory provisions as to majority vote have been complied with;
- the shareholders have been fairly represented at the meeting in question;
- the scheme of arrangement is such as a businessman would reasonably approve; and
- the scheme or arrangement is not one that would more properly be sanctioned under some other provision of the Companies Law.

There is uncertainty as to shareholders’ ability to enforce certain foreign civil liabilities in the Cayman Islands.

We are incorporated as an exempted company with limited liability under the laws of the Cayman Islands. A material portion of our assets are located outside of the United States. As a result, it may be difficult for our shareholders to enforce judgments against us or judgments obtained in U.S. courts predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States.

We have been advised by our Cayman Islands counsel, Maples and Calder, that although there is no statutory enforcement in the Cayman Islands of judgments obtained in the United States, the courts of the Cayman Islands will – based on the principle that a judgment by a competent foreign court imposes upon the judgment debtor an obligation to pay the sum for which judgment has been given – recognize and enforce a foreign judgment of a court of competent jurisdiction if such judgment is final, for a liquidated sum, not in respect of taxes or a fine or

Table of Contents

penalty, is not inconsistent with a Cayman Islands judgment in respect of the same matters, and was not obtained in a manner, and is not of a kind, the enforcement of which is contrary to the public policy of the Cayman Islands. There is doubt, however, as to whether the Grand Court of the Cayman Islands will (a) recognize or enforce judgments of U.S. courts predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States, or (b) in original actions brought in the Cayman Islands, impose liabilities predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States, on the grounds that such provisions are penal in nature.

The Grand Court of the Cayman Islands may stay proceedings if concurrent proceedings are being brought elsewhere.

For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a **“Revolving Loan”**) or by Type (e.g., a **“Eurodollar Loan”**) or by Class and Type (e.g., a **“Eurodollar Revolving Loan”**). Borrowings also may be classified and referred to by Class (e.g., a **“Revolving Borrowing”**) or by Type (e.g., a **“Eurodollar Borrowing”**) or by Class and Type (e.g., a **“Eurodollar Revolving Borrowing”**).

SECTION 1.03. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be modified by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument of other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified in accordance with the provisions hereof and thereof; (b) any reference herein to any person shall be construed to include such person’s successors and assigns; (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision of this Agreement; (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to articles and sections of, and exhibits and schedules to, this Agreement; and (e) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. All references to the knowledge of any Company or to facts known by any Company shall mean actual knowledge of any Responsible Officer of any Loan Party or any of its Subsidiaries.

SECTION 1.04. Accounting Terms; GAAP. Except as otherwise expressly provided herein, all accounting terms not otherwise defined herein shall have the meanings assigned to them in conformity with GAAP, as in effect from time to time. Financial statements and other information required to be delivered by Holdings to Lenders pursuant to Sections 5.01(a), (b) and (c) shall be prepared in accordance with GAAP as in effect at the time of such preparation. Notwithstanding the foregoing, calculations in connection with the definitions, covenants and other provisions hereof shall utilize accounting principles and policies in conformity with those used to prepare the historical financial statements delivered on the Closing Date. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and Borrower, the Administrative Agent or the Required Lenders shall so request, the Administrative Agent, the Lenders and Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); *provided that*, until so amended, such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein.

SECTION 2.01. Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth:

(a) each Term Lender agrees, severally and not jointly, to make a Term Loan to Borrower on the Delayed Draw Closing Date in a principal amount equal to its Term Loan Commitment; and

(b) each Revolving Lender agrees, severally and not jointly to make Revolving Loans to Borrower, at any time and from time to time after the Closing Date, and until the earlier of the Revolving Maturity Date and the termination of the Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in such Lender's Revolving Exposure exceeding such Lender's Revolving Commitment.

Amounts paid or prepaid in respect of Term Loans may not be reborrowed. Within the limits set forth in clause (b) above and subject to the terms, conditions and limitations set forth herein, Borrower may borrow, pay or prepay and reborrow Revolving Loans.

SECTION 2.02. Loans.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided, however*, that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.02(f), Loans comprising any Borrowing shall be in an aggregate principal amount that is (i) an integral multiple of \$1.0 million or (ii) equal to the remaining available balance of the applicable Commitments.

(b) Subject to Sections 2.11 and 2.12, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as Borrower may request pursuant to Section 2.03. Each Lender may at its option make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that, any exercise of such option shall not affect the obligation of Borrower to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; *provided, however*, that Borrower shall not be entitled to request any Borrowing that, if made, would result in more than ten Eurodollar Borrowings outstanding hereunder at any time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans made pursuant to Section 2.02(f), each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 12:00 noon, New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account as

directed by Borrower in the applicable Borrowing Request maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with Section 2.02(c), and the Administrative Agent may, in reliance upon such assumption, make available to Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(e) Notwithstanding any other provision of this Agreement, Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing of Eurodollar Loans if the Interest Period requested with respect thereto would end after the Revolving Maturity Date or the Term Loan Maturity Date, as applicable.

(f) If the Issuing Bank shall not have received from Borrower the payment required to be made by Section 2.17(e) within the time specified in such section, the Issuing Bank will promptly notify the Administrative Agent of the LC Disbursement and the Administrative Agent will promptly notify each Revolving Lender of such LC Disbursement and its Pro Rata Percentage thereof. Each Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent on such date (or, if such Revolving Lender shall have received such notice later than 12:00 noon, New York City time, on any day, not later than 11:00 a.m., New York City time, on the immediately following Business Day), an amount equal to such Lender's Pro Rata Percentage of such LC Disbursement (it being understood that such amount shall be deemed to constitute an ABR Revolving Loan of such Lender, and such payment shall be deemed to have reduced the LC Exposure), and the Administrative Agent will promptly pay to the Issuing Bank amounts so received by it from the Revolving Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from Borrower pursuant to Section 2.17(e) prior to the time that any Revolving Lender makes any payment pursuant to this Section 2.02(f); any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the Issuing Bank, as their interests may appear. If any Revolving Lender shall not have made its Pro Rata Percentage of such LC Disbursement available to the Administrative Agent as provided above, such Lender and Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance

with this Section 2.02(f) to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of Borrower, a rate per annum equal to the interest rate applicable to Revolving Loans pursuant to Section 2.06(a), and (ii) in the case of such Lender, for the first such day, the Federal Funds Effective Rate, and for each day thereafter, the Alternate Base Rate.

SECTION 2.03. Borrowing Procedure. To request a Borrowing (including in respect of a Borrowing of the Term Loans to be made hereunder), Borrower shall notify the Administrative Agent of such request by telephone (promptly confirmed by telecopy) or by delivering a duly completed Borrowing Request (a) in the case of a Eurodollar Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 2:00 p.m., New York City time, one Business Day before the date of the proposed Borrowing; *provided* that, any such notice of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.17(e) may be given not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed not later than 3:00 p.m., New York City time, on such Business Day by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request substantially in the form of Exhibit C and signed by Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (a) the aggregate amount of such Borrowing;
- (b) the date of such Borrowing, which shall be a Business Day;
- (c) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (d) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (e) the location and number of Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Revolving Borrowing, then Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. Evidence of Debt; Repayment of Loans. (a) Borrower hereby unconditionally promises to pay to (i) each Lender holding Term Loans, the principal amount of each Term Loan of such Lender as provided in Section 2.09; and (ii) each Revolving Lender, the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date.

- (b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of Borrower to such Lender resulting from each

Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type and Class thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to Sections 2.04(b) and (c) shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded (in the absence of manifest error); *provided, however*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of Borrower to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a Note. In such event, Borrower shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after assignment pursuant to Section 11.04) be represented by one or more Notes in such form payable to the order of the payee named therein (or, if such Note is a registered note, to such payee and its registered assigns).

All payments shall be made on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders.

SECTION 2.05. Fees.

(a) **Revolving Commitment Fee.** Borrower agrees to pay to each Revolving Lender, a revolving commitment fee (a "**Revolving Commitment Fee**") equal to the Applicable Commitment Fee Percentage times the average daily unused amount of the Revolving Commitments of such Revolving Lender. All Revolving Commitment Fees shall be payable quarterly in arrears on the last Business Day of March, June, September and December in each year (commencing with the first such date to occur after the Closing Date) and on each date (including the Revolving Maturity Date) on which the Revolving Commitment of such Lender shall expire or be terminated as provided herein. All Revolving Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Revolving Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the Revolving Commitment of such Lender shall expire or be terminated as provided herein.

(b) **Administrative Agent Fees.** Borrower agrees to pay to the Administrative Agent, for its own account, the administrative fees set forth in the Fee Letter or such other fees payable in the amounts and at the times separately agreed upon between Borrower and the Administrative Agent (the "**Administrative Agent Fees**").

(c) **LC and Fronting Fees.** Borrower agrees to pay (i) to each Revolving Lender a participation fee (“**LC Participation Fee**”) with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on Eurodollar Revolving Loans pursuant to Section 2.06 on the average daily amount of such Lender’s LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender’s Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee (“**Fronting Fee**”), which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank’s standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. LC Participation Fees and Fronting Fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Closing Date; *provided that*, all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this Section 2.05(c) shall be payable within ten days after demand. All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) **Term Loan Commitment Fee.** Borrower agrees to pay to each Lender with a Term Loan Commitment, a term loan commitment fee (a “**Term Loan Commitment Fee**”) equal to the Applicable Commitment Fee Percentage times the unused amount of the Term Loan Commitments of such Lender. All Term Loan Commitment Fees shall be payable in arrears on the date on which the Term Loan Commitment of such Lender shall expire or be terminated as provided herein. All Term Loan Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Term Loan Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the Term Loan Commitment of such Lender shall expire or be terminated as provided herein.

All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that the Fronting Fees shall be paid directly to the Issuing Bank. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.06. Interest on Loans.

(a) Subject to the provisions of Section 2.06(c), the Loans comprising each ABR Borrowing shall bear interest at a rate per annum equal to the Alternate Base Rate *plus* the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.06(c), the Loans comprising each Eurodollar Borrowing shall bear interest at a rate per annum equal to the LIBOR Rate for

the Interest Period in effect for such Borrowing *plus* the Applicable Margin in effect from time to time.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuation of any Event of Default, and at the election of the Required Lenders following written notice thereof to the Borrower, the outstanding principal amount of all Loans and, to the extent permitted by applicable law, any interest payments thereon and any fees and other amounts hereunder, in each case that are due and payable and have not been paid, shall thereafter bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) payable upon demand at a rate that is 2% per annum in excess of the interest rate otherwise applicable under this Agreement with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate that is 2% per annum in excess of the interest rate otherwise payable under this Agreement for ABR Loans); *provided* that, in the case of Eurodollar Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective, such Eurodollar Rate Loans, at the time the Borrower is notified in accordance with Section 2.08(c), shall thereupon become ABR Loans and shall thereafter bear interest payable upon demand at a rate that is 2% per annum in excess of the interest rate otherwise payable under this Agreement for ABR Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.06(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; *provided* that, (i) interest accrued pursuant to Section 2.06(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or LIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.07. Termination and Reduction of Commitments.

(a) The Revolving Commitments and the LC Commitment shall automatically terminate on the Revolving Maturity Date.

(b) Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments; *provided* that, (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1.0 million and (ii) the Revolving Commitments shall not be terminated or reduced

if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.10(b), the sum of the Revolving Exposures would exceed the aggregate amount of Revolving Commitments.

(c) Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under Section 2.07(b) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Borrower pursuant to this Section 2.07(b) shall be irrevocable. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments shall be made ratably among the Revolving Lenders in accordance with their respective Revolving Commitments.

(d) The Term Loan Commitments shall terminate on the earliest to occur of (i) the Delayed Draw Closing Date, (ii) that date that is 45 days after the Closing Date and (iii) the termination of the Term Loan Commitments in accordance with Article VIII.

SECTION 2.08. Interest Elections.

(a) Each Revolving Borrowing and Term Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.08. Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.08, Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if Borrower were requesting a Revolving Borrowing or Term Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Interest Election Request substantially in the form of Exhibit D.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then (except in the case of clause (iv) above) Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If an Interest Election Request with respect to a Eurodollar Borrowing is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies Borrower, then, after the occurrence and during the continuance of a Default, (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09. Amortization of Term Borrowings.

(a) Borrower shall pay to the Administrative Agent, for the account of the Term Lenders, on the dates set forth on Annex I, or if any such date is not a Business Day, on the next preceding Business Day (each such date being a "Term Loan Repayment Date"), a principal amount of the Term Loans (as adjusted from time to time pursuant to Sections 2.09(b) and 2.10) equal to the amount set forth on Annex I for such date (less all mandatory and optional prepayments made thereon), together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Term Loan Maturity Date.

SECTION 2.10. Optional and Mandatory Prepayments of Loans.

(a) **Optional Prepayments.** Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, subject to the requirements of this Section 2.10; *provided* that, each partial prepayment shall be in an amount that is an integral multiple of \$1.0 million and, in the case of any prepayment of the Term Loans, not less than \$5.0 million.

(b) **Revolving Loan Prepayments.** In the event of any termination of all the Revolving Commitments, Borrower shall, on the date of such termination, repay or prepay all its outstanding Revolving Borrowings and replace all outstanding Letters of Credit, cause the issuance of backstop letters of credit, and/or deposit an amount equal to the LC Exposure in the LC Sub-Account. In the event of any partial reduction of the Revolving Commitments, (i) at or prior to the effective date of such reduction, the Administrative Agent shall notify Borrower and the Revolving Lenders of the sum of the Revolving Exposures after giving effect thereto and (ii) if the sum of the Revolving Exposures would exceed the aggregate amount of Revolving Commitments after giving effect to such reduction or termination, then Borrower shall, on the date of such reduction or termination, repay or prepay Revolving Borrowings and/or replace or cash collateralize outstanding Letters of Credit in an amount sufficient to eliminate such excess.

(c) **Asset Sales.** Not later than five Business Days following the receipt of any Net Cash Proceeds of any Asset Sale (in the case of Asset Sales by non-U.S. parties, to the extent such amounts can be repatriated to the United States without materially adverse tax or other economic consequences taking into account the amount of proceeds received from such Asset Sale as determined by the Administrative Agent (after consultation with Borrower)), Borrower shall apply 100% of the Net Cash Proceeds received with respect thereto to make prepayments in accordance with Sections 2.10(i) and (j); *provided that*:

(i) no such prepayment shall be required with respect to (A) any Asset Sale permitted by Sections 6.04(b)(i), 6.04(d), 6.04(e), 6.04(g), 6.04(i), and 6.04(k), (B) the disposition of assets subject to a condemnation or eminent domain proceeding or insurance settlement to the extent it does not constitute a Casualty Event, (C) Asset Sales resulting in no more than \$2.5 million in Net Cash Proceeds in any fiscal year and (D) an issuance of Equity Interests by a Non-Guarantor Subsidiary to another Non-Guarantor Subsidiary; and

(ii) so long as no Default or Event of Default shall then exist or would arise therefrom, no such prepayment shall be required to the extent that Borrower shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that the Net Cash Proceeds of such Asset Sale will be used to purchase replacement assets or other assets useful in such person's business within 270 days of such Asset Sale and setting forth estimates of the proceeds to be so expended; *provided, however*, that if any portion of such Net Cash Proceeds are not reinvested in accordance with this clause (ii), such unused portion shall be applied on the last day of such period as a mandatory prepayment as provided in this Section 2.10(c).

(d) **Debt Issuance.** Upon any Debt Issuance after the Closing Date, Borrower shall make prepayments in accordance with Sections 2.10(h) and (i) in an aggregate principal amount equal to 100% of the Net Cash Proceeds of such Debt Issuance.

(e) [Reserved]

(f) **Casualty Events.** Not later than one Business Day following the receipt of any Net Cash Proceeds from a Casualty Event (in the case of a Casualty Event by non-U.S. parties, to the extent such amounts can be repatriated to the United States without materially adverse tax or other economic consequences taking into account the amount of proceeds received from such Casualty Event as determined by the Administrative Agent (after consultation with Borrower)), Borrower shall make prepayments in accordance with Sections 2.10(i) and (j) in an amount equal to 100% of such Net Cash Proceeds; *provided, however*, that:

(i) so long as no Default or Event of Default then exists or would arise therefrom, the Net Cash Proceeds thereof shall not be required to be so applied on such date to the extent that Borrower has delivered an Officers' Certificate to the Collateral Agent on or prior to such date stating that such proceeds shall be used to fund the acquisition of property used or usable in the business of a Loan Party or a Subsidiary thereof or repair, replace or restore the property in accordance with the provisions of the applicable Security Document in respect of which such Casualty Event has occurred, in each case within 270 days following the date of the receipt of such Net Cash Proceeds;

(ii) to the extent such Casualty Event affects any of the Collateral, all property acquired to effect any repair, replacement or restoration of such Collateral shall be made subject to the Lien of the Security Documents in accordance with the provisions of Section 5.11;

(iii) if all or any portion of such Net Cash Proceeds shall not be so applied within such 270-day period, such unused portion shall be applied on the last day of such period as a mandatory prepayment as provided in this Section 2.10(f); and

(iv) no such prepayment shall be required with respect to Casualty Events resulting in no more than \$1.0 million in Net Cash Proceeds in any fiscal year.

(g) **Excess Cash Flow.** Within 10 days of the date of the delivery of the audited annual financial statements contemplated by Section 5.01(a), commencing with the fiscal year ending on December 31, 2006, Borrower shall make prepayments in accordance with Section 2.10(i)(ii) and Section 2.10(j) in an aggregate principal amount equal to 50% of Excess Cash Flow for the fiscal year then ended; *provided*, that if the Moody's Rating is equal to or greater than Ba1 and the S&P Rating is equal to or greater than BB+, then Borrower shall make prepayments in accordance with Section 2.10(i)(ii) and Section 2.10(j) in an aggregate principal amount equal to 25% of Excess Cash Flow for the fiscal year then ended; *provided, further*, in the event of a split rating, the higher of such Debt Ratings shall be used to determine the applicable percentage above, except that, if there is a two tier difference in the Debt Ratings, the Debt Rating one notch higher than the lower of the two Debt Ratings shall be used to determine the applicable percentage above.

(h) **Redemption of Holdings Senior Notes.** If Holdings does not redeem all of the aggregate principal amount of Holdings Senior Notes outstanding as of the Closing Date within 45 days after the Closing Date, (i) the Borrower shall make prepayments in

accordance with Section 2.10(i) and Section 2.10(j), in an aggregate principal amount equal to the excess of (x) the sum of (A) all Term Loans outstanding as of such date plus (B) all Holdings Senior Notes outstanding as of such date over (y) the aggregate principal amount of all Holdings Senior Notes outstanding as of the Closing Date and (ii) all unused Term Loan Commitments outstanding as of such date shall immediately terminate.

(i) Application of Prepayments.

(i) Optional prepayments under this Agreement shall be applied to Loans of the Class and Type (and, in the case of prepayment of Term Loans, to reduce the scheduled installments of principal) as specified by Borrower in the applicable notice of prepayment in Section 2.10(j); *provided* that, in the event Borrower fails to specify the Loans to which any such prepayment shall be applied, such prepayment shall be applied *first* to repay outstanding Revolving Loans to the full extent thereof, and *second* to repay outstanding Term Loans to the full extent thereof. Mandatory prepayments of Term Loans made under this Agreement shall be applied to reduce the remaining scheduled installments of principal due in respect of the Term Loans under Section 2.09 *pro rata* on the basis of the respective amounts thereof then unpaid. After application of mandatory prepayments pursuant to the immediately preceding sentence and to the extent there are mandatory prepayment amounts remaining after such application, any such remaining portion of the mandatory prepayment amounts shall be applied (i) to prepay the Revolving Loans to the full extent thereof and to further permanently reduce the Revolving Commitments ratably among the Revolving Lenders by the amount of such prepayment (and Borrower shall comply with Section 2.10(b)), and (ii) then, to the extent of any remaining portion of the mandatory prepayment amounts, to further permanently reduce the Revolving Commitments ratably among the Revolving Lenders to the full extent thereof.

(ii) Amounts to be applied pursuant to this Section 2.10 to the prepayment of Term Loans and Revolving Loans shall be applied, as applicable, first to reduce outstanding ABR Term Loans and ABR Revolving Loans, respectively. Any amounts remaining after each such application shall be applied to prepay Eurodollar Term Loans or Eurodollar Revolving Loans, as applicable. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.10 shall be in excess of the amount of the ABR Loans at the time outstanding, only the portion of the amount of such prepayment as is equal to the amount of such outstanding ABR Loans shall be immediately prepaid and, at the election of Borrower, the balance of such required prepayment shall be either (x) deposited in the Collateral Account and applied to the prepayment of Eurodollar Loans on the last day of the then next-expiring Interest Period for Eurodollar Loans (with all interest accruing thereon for the account of Borrower) or (y) prepaid immediately, together with any amounts owing to the Lenders under Section 2.13. Notwithstanding any such deposit in the Collateral

Account, interest shall continue to accrue on such Loans until prepayment.

(j) **Notice of Prepayment.** Borrower shall notify the Administrative Agent by telephone (confirmed by teletype) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment, and (iii) in the case of any mandatory prepayment under Section 2.10(g), not later than 11:00 a.m., New York City time, ten Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

SECTION 2.11. Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBOR Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to Borrower and the Lenders by telephone or teletype as promptly as practicable thereafter and, until the Administrative Agent notifies Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.12. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or the Issuing Bank; or

(ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition affecting this Agreement or

Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or the Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or the Issuing Bank hereunder (whether of principal, interest or otherwise) (except for purposes of this subsection (a) any such increased cost or reduction resulting from Taxes or Other Taxes (as to which Section 2.15 shall govern)), then Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender' s or the Issuing Bank' s capital or on the capital of such Lender' s or the Issuing Bank' s holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender' s or the Issuing Bank' s holding company could have achieved but for such Change in Law (taking into consideration such Lender' s or the Issuing Bank' s policies and the policies of such Lender' s or the Issuing Bank' s holding company with respect to capital adequacy), then from time to time Borrower will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender' s or the Issuing Bank' s holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in Section 2.12(a) or Section 2.12(b), in detail sufficient to allow the Borrower to verify the computation thereof, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender' s or the Issuing Bank' s right to demand such compensation; *provided* that, Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section 2.12 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender' s or the Issuing Bank' s intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves under Regulation D with respect to "Eurocurrency liabilities" within the meaning of Regulation D, or under any similar or successor regulation with respect

Eurocurrency liabilities or Eurocurrency funding, additional interest on the unpaid principal amount of each Eurodollar Loan equal to the actual costs of such reserves allocated to such Eurodollar Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such LIBOR Loan, provided Borrower shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant interest payment date, such additional interest shall be due and payable 10 days from receipt of such notice.

SECTION 2.13. Breakage Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by Borrower pursuant to Section 2.16, then, in any such event, Borrower shall compensate each Lender for the reasonable loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the LIBOR Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), *over* (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13, in detail sufficient to allow the Borrower to verify the computation thereof, shall be delivered to Borrower and shall be conclusive absent manifest error. Borrower shall pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

SECTION 2.14. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.12, 2.13 or 2.15, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 4 World Financial Center, 22nd Floor, New York, New York 10080, Attention: Nancy Meadows, except payments to be made directly to the Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.12, 2.13, 2.15 and 11.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly

following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) *first* towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second* towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements of the other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements; *provided* that, (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 2.14(c) shall not be construed to apply to any payment made by Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 2.14(c) shall apply). Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest

thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(f), 2.14(d), 2.17(d) or 11.03(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such sections until all such unsatisfied obligations are fully paid.

SECTION 2.15. Taxes.

(a) Any and all payments by or on account of any obligation of Borrower hereunder or under any other Loan Document shall be made without set-off, counterclaim or other defense and free and clear of and without deduction or withholding for any and all Indemnified Taxes or Other Taxes; *provided* that, if Borrower shall be required by law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.15) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) Borrower shall make such deductions or withholdings and (iii) Borrower shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Borrower shall indemnify the Administrative Agent, each Lender and the Issuing Bank, within ten Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent, such Lender or the Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of Borrower hereunder or under any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. If in the reasonable opinion of Borrower, any amount has been paid to, by or on behalf of the Administrative Agent, any Lender or the Issuing Bank (as the case may be) pursuant to clause (a), (b) or this (c) of this Section 2.15 with respect to Taxes or Other Taxes which are not correctly or legally asserted, the Administrative Agent, such Lender or the Issuing Bank (as the case may be) will cooperate with Borrower in seeking to obtain a refund for the benefit of Borrower of such amount, *provided* that, the rendering of any such cooperation by the Administrative Agent, such Lender, or the Issuing Bank, would not, in the reasonable opinion of the Administrative Agent, such Lender, or the Issuing Bank, (i) cause the Administrative Agent, such Lender, or the Issuing Bank, to incur any expense or liability (which is not otherwise paid in full by Borrower prior to or at the time that such expense or liability is incurred) or (ii) have any adverse effect on the Administrative Agent, such Lender, or the Issuing Bank.

A certificate as to the amount of such payment or liability, in detail sufficient to allow the Borrower to verify the computation thereof, delivered to Borrower by a Lender or the Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or the Issuing Bank, shall be conclusive absent manifest error. If the Administrative Agent, any Lender, or the Issuing Bank receives a written notice of Tax assessment from any Governmental Authority regarding any Tax in respect of which indemnification may be required pursuant to this Section 2.15(c), the Administrative Agent, such Lender, or the Issuing Bank, as the case may be, shall notify Borrower within 120 days following the receipt of such notice that such notice has been received; *provided, however*, that the failure of the Administrative Agent, such Lender, or the Issuing Bank to provide such notice shall not relieve Borrower of its obligation to make any indemnification payment under this Agreement.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by Borrower to a Governmental Authority, Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) On or before the Closing Date in the case of the Administrative Agent, any Lender or the Issuing Bank, or on or before the acceptance of any appointment as the Administrative Agent in the case of a successor Agent, or on or before the effective date of an Assignment and Acceptance pursuant to which it became a Lender in the case of an assignee, or on or prior to the date that any Lender becomes an Issuing Bank pursuant to Section 2.17(i), and if otherwise reasonably requested from time to time by Borrower or the Administrative Agent, within 30 days of such request, the Administrative Agent, each Lender or the Issuing Bank which is not a U.S. Person within the meaning of Section 7701(a)(30) of the Tax Code shall provide to each of the Administrative Agent and Borrower two duly completed and signed copies of Internal Revenue Service Forms W-8BEN, or W-8ECI or successor form(s), as the case may be, certifying as to such Administrative Agent' s, Lender' s or Issuing Bank' s (if applicable) status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to the Administrative Agent, each Lender or the Issuing Bank under this Agreement. Until Borrower and the Administrative Agent have received such forms and indicating that payments under this Agreement are subject to an exemption from or reduction of United States withholding tax, Borrower or the Administrative Agent (if not withheld by Borrower) shall withhold taxes from such payments at the applicable statutory rate, without any obligation to "gross-up" or make the Administrative Agent, such Lender or Issuing Bank whole under clause (a) of this Section. In the case of an Administrative Agent, Lender, or Issuing Bank that is subject to a reduction of, rather than exemption from, United States withholding tax, the obligation of Borrower to "gross-up" under clause (a) of this Section shall not apply in respect of the amount of United States withholding tax that the Administrative Agent, such Lender, or the Issuing Bank is subject to at the time they become a party to this Agreement (*provided, however*, that in the case of an assignee that becomes a Lender pursuant to Section 11.04, the obligation of Borrower to "gross-up" under clause (a) of this Section, or indemnify for Indemnified Taxes under clause (c) of this Section, shall apply in respect of the amount of United States withholding tax that is applicable to payments made on or after the date upon which the assignee first becomes a Lender to the same extent that Borrower would have been obligated to "gross-up" under clause (a) of this Section, or indemnify for

Indemnified Taxes under clause (c) of this Section, had the Administrative Agent, relevant Lender, or the Issuing Bank, as the case may be, not made such assignment to such assignee).

(f) If (i) the Administrative Agent, any Lender, or the Issuing Bank receives a cash refund in respect of an overpayment of Indemnified Taxes or Other Taxes from a Governmental Authority with respect to, and actually resulting from, an amount of Indemnified Taxes or Other Taxes actually paid to or on behalf of the Administrative Agent, such Lender, or Issuing Bank by Borrower (a “**Tax Refund**”) and (ii) the Administrative Agent, such Lender, or the Issuing Bank, as the case may be, determines in its reasonable opinion that such Tax Refund has been correctly paid by such Governmental Authority and will not be required to be repaid to such Governmental Authority, then the Administrative Agent, such Lender, or the Issuing Bank, as the case may be, shall use its reasonable efforts to notify Borrower of such Tax Refund and to forward the proceeds of such Tax Refund (or relevant portion thereof) to Borrower as reduced by any expense or liability incurred by the Administrative Agent, such Lender, or the Issuing Bank, as the case may be, in connection with obtaining such Tax Refund.

SECTION 2.16. Mitigation Obligations; Replacement of Lenders.

(a) **Mitigation of Obligations.** If any Lender requests compensation under Section 2.12, or if Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) **Replacement of Lenders.** If any Lender requests compensation under Section 2.12, or if Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, or if any Lender defaults in its obligation to fund Loans hereunder, then Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 11.04), all of its interests, rights and obligations under this Agreement to an assignee selected by Borrower that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that, (i) Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, the Issuing Bank), which consent shall not unreasonably be withheld; (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Borrower (in the case of all other amounts); and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.15, such assignment will result in a material reduction in such compensation or payments. A

Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Borrower to require such assignment and delegation cease to apply.

SECTION 2.17. Letters of Credit.

(a) **General.** Subject to the terms and conditions set forth herein, Borrower may request the issuance of Letters of Credit for its own account or the account of any other Loan Party or Subsidiary thereof in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (*provided that*, Borrower shall be a co-applicant with respect to each Letter of Credit issued for the account of or in favor of another Loan Party or Subsidiary). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter-of-credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) **Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.** To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (at least three Business Days in advance of the requested date of issuance, amendment, renewal or extension, or such shorter period as is acceptable to such respective Issuing Bank) a duly completed Letter of Credit Request, together with such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, Borrower also shall submit a letter-of-credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit, Borrower shall be deemed to represent and warrant that) after giving effect to such issuance, amendment, renewal or extension, (i) the LC Exposure shall not exceed \$25.0 million, (ii) the total Revolving Exposures shall not exceed the total Revolving Commitments, (iii) the stated amount of each Letter of Credit shall be no less than \$500,000, or such lesser amount as is acceptable to the Issuing Bank, and (iv) each Letter of Credit shall be denominated in dollars.

(c) **Expiration Date.** Each Letter of Credit shall expire no later than the close of business on the earlier of (i) in the case of a Standby Letter of Credit, (x) the date one year after the date of the issuance of such Standby Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (y) the date that is 15 Business Days prior to the Revolving Maturity Date and (ii) in the case of a Commercial Letter of Credit, (x) the date that is 180 days after the date of issuance of such Commercial Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (y) the date that is 15 Business Days prior to the Revolving Maturity Date.

(d) **Participations.** By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a

participation in such Letter of Credit equal to such Lender's Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Pro Rata Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by Borrower on the date due as provided in Section 2.17(e), or of any reimbursement payment required to be refunded to Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.17(d) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) **Reimbursement.** If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, Borrower shall reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such LC Disbursement not later than 2:00 p.m., New York City time, on the date that such LC Disbursement is made, if Borrower shall have received notice of such LC Disbursement prior to 11:00 a.m., New York City time on such date, or, if such notice has not been received by Borrower prior to such time on such date, then not later than 2:00 p.m., New York City time, on (i) the Business Day that Borrower receives such notice, if such notice is received prior to 11:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the day that Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; *provided* that, Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If Borrower fails to make such payment when due, the Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from Borrower in respect thereof and such Lender's Pro Rata Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Pro Rata Percentage of the unreimbursed LC Disbursement in the same manner as provided in Section 2.02(f), with respect to Loans made by such Lender, and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from Borrower pursuant to this Section 2.17(e), the Administrative Agent shall, to the extent that Revolving Lenders have made payments pursuant to this Section 2.17(e) to reimburse the Issuing Bank, distribute such payment to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.17(e) to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans as contemplated above) shall not constitute a Loan and shall not relieve Borrower of its obligation to reimburse such LC Disbursement.

(f) **Obligations Absolute.** The obligation of Borrower to reimburse LC Disbursements as provided in Section 2.17(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or

provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.17(f), constitute a legal or equitable discharge of, or provide a right of set-off against, the obligations of Borrower hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Affiliates, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; *provided* that, the foregoing shall not be construed to excuse the Issuing Bank from liability to Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Borrower to the extent permitted by applicable law) suffered by Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) **Disbursement Procedures.** The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; *provided* that, any failure to give or delay in giving such notice shall not relieve Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement (other than with respect to the timing of such reimbursement obligation set forth in Section 2.17(e)).

(h) **Interim Interest.** If the Issuing Bank shall make any LC Disbursement, then, unless Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; *provided* that, if Borrower fails to reimburse such LC Disbursement when due pursuant to Section 2.17(e), then Section 2.06(c) shall apply. Interest accrued pursuant to this Section 2.17(h) shall be for the account of the Issuing

Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.17(e) to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) **Resignation or Removal of the Issuing Bank; Additional Issuing Banks.** The Issuing Bank may resign as Issuing Bank or be replaced at any time by written agreement among Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender, by written agreement designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank or any such additional Issuing Bank. At the time any such replacement shall become effective, Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.05(c). From and after the effective date of any such replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter by such Lender, and (ii) references herein and in the other Loan Documents to the term "Issuing Bank" shall be deemed to refer to such successor or such addition to any previous Issuing Bank, or to such successor or such addition and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, Borrower may, in its discretion, select which Issuing Bank is to issue any particular Letter of Credit.

(j) **Cash Collateralization.** If any Event of Default shall occur and be continuing, on the Business Day that Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this Section 2.17(j), Borrower shall deposit in the LC Sub-Account, in the name of the Collateral Agent and for the benefit of the Lenders, an amount in cash equal to the LC Exposure as of such date *plus* any accrued and unpaid interest thereon; *provided* that, the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to Borrower described in paragraph (g) or (h) of Article VIII. Each such deposit shall be held by the Collateral Agent as collateral for the payment and performance of the obligations of Borrower under this Agreement. The Collateral Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Collateral Agent and at the risk and expense of Borrower, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be invested in Cash Equivalents and applied by the Collateral Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving

Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of Borrower under this Agreement. If Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount *plus* any accrued interest or realized profits or such amounts (to the extent not applied as aforesaid) shall be returned to Borrower within three Business Days after all Events of Default have been cured or waived.

SECTION 2.18. Facility Increase. Borrower may by written notice to the Administrative Agent elect to request on one or more occasions (i) the establishment of one or more additional term loan commitments (each, an “**Additional Term Loan Commitment**”; and the term loans made pursuant to such Additional Term Loan Commitments are referred to herein as “**Additional Term Loans**”) and/or (ii) an increase in the aggregate Revolving Commitments, so long as after giving effect to any such request the aggregate amount of Additional Term Loan Commitments and increases in the aggregate Revolving Commitments does not exceed \$200.0 million. Each such notice shall specify (a) the date (each, an “**Increased Amount Date**”) on which Borrower proposes that the Additional Term Loan Commitments and/or increase in Revolving Commitments, as the case may be, shall be effective, which shall be a date not less than 10 Business Days nor more than 90 days after the date on which such notice is delivered to the Administrative Agent or such earlier date as may reasonably be acceptable to the Administrative Agent and (b) the amount of the Additional Term Loan Commitments being requested (which shall be in minimum increments of \$5.0 million and a minimum amount of \$25.0 million, or the amount equal to the then remaining Additional Term Loan Commitment. Each Revolving Lender shall, by notice to the Borrower and the Administrative Agent given not more than 10 days after the date of the Borrower’s notice, either agree to increase its Revolving Commitments by all or a portion of such Revolving Lender’s *pro rata* portion of the offered amount or decline to increase its Revolving Commitment (and any Revolving Lender that does not deliver such a notice within such period of 10 days shall be deemed to have so declined). Each Term Lender shall, by notice to the Borrower and the Administrative Agent given not more than 10 days after the date of the Borrower’s notice, either agree to make such Additional Term Loan Commitment by all or a portion of such Term Lender’s *pro rata* portion of the offered amount or decline to make such Additional Term Loan Commitment (and any Term Lender that does not deliver such a notice within such period of 10 days shall be deemed to have so declined). In the event that, on the 10th day after the Borrower shall have delivered a notice pursuant to this Section 2.18, the amount of the Additional Term Loan Commitments agreed to are less than the Additional Term Loan Commitments requested by the Borrower, the Borrower may arrange for one or more banks or other entities to extend Additional Term Loan Commitments in an aggregate amount equal to the unsubscribed amount; *provided, however*, that each Additional Lender, if not already a Lender hereunder, shall be subject to the prior approval of the Administrative Agent (and, in the case of an increase in the Revolving Commitments, the Issuing Bank), which consent shall not be unreasonably withheld or delayed (each, an “**Additional Lender**”); *provided* that any Lender approached to provide all or a portion of the Additional Term Loan Commitments or increase in Revolving Commitments, as the case may be, may elect or decline, in its sole discretion, to provide an Additional Term Loan Commitment or increase its Revolving Commitment. Any such Additional Term Loan Commitments and increase in the aggregate Revolving Commitments shall become effective, as of such Increased Amount Date; *provided* that (1) no Default or Event of Default shall exist on the Increased Amount Date before or immediately after giving effect to such Additional Term Loan Commitments or increase in Revolving Commitments, as the case may be; (2) Borrower shall be in *pro forma* compliance with each of the covenants set forth in Section 6.07 as of the last day of the most recently ended fiscal quarter for which financial statements are available to Borrower after giving effect to such Additional Term Loan Commitments or increase in Revolving Commitments, as the case may be;

and (3) the Additional Term Loan Commitments or increase in Revolving Commitments, as the case may be, shall be effected pursuant to one or more joinder agreements (in form and substance reasonable acceptable) executed and delivered by Borrower, Administrative Agent and the corresponding Lenders, and each of which shall be recorded in the Register. Any Additional Term Loans made on an Increased Amount Date shall, for all purposes, constitute "Term Loans" hereunder. On any Increased Amount Date on which any Additional Term Loan Commitments are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Additional Lender with an Additional Term Loan Commitment shall make an Additional Term Loan to Borrower in an amount equal to its Additional Term Loan Commitment, and (ii) each Additional Lender with an Additional Term Loan Commitment shall become a Lender hereunder with respect to the Additional Term Loan Commitment and the Additional Term Loans made pursuant thereto. Administrative Agent shall notify Lenders promptly upon receipt of Borrower's notice of each Increased Amount Date of the Additional Term Loan Commitments or the increase in Revolving Commitments and the Additional Lenders, if any.

The terms and provisions of the Additional Term Loans and Additional Term Loan Commitments shall be identical to the initial Term Loans made hereunder. The Additional Term Loans will constitute Obligations hereunder for all purposes of this Agreement and the Security Documents and will be secured by the Collateral securing the other Obligations. The parties hereto acknowledge and agree that the Administrative Agent may hereunder or pursuant to any Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.18, including, without limitation, conforming amendments (which may be in the form of an amendment and restatement) to provide for the Additional Term Loans to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and Revolving Loans; *provided* that such amendments may not alter the obligations of the Loan Parties under the Loan Documents except as provided in this Section.

ARTICLE III

Representations and Warranties

Each of the Loan Parties, as applicable, represents and warrants to the Administrative Agent, the Collateral Agent, the Issuing Bank and each of the Lenders that:

SECTION 3.01. Organization; Powers. Each Company (a) is duly organized and validly existing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority to carry on its business as now conducted, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's powers and have been duly authorized by all necessary action. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation

of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. Except as set forth on Schedule 3.03, the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created under the Loan Documents and (iii) consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect; (b) will not violate (i) any applicable law or regulation except for violations that could not reasonably be expected to result in a Material Adverse Effect, or (ii) the charter, bylaws or other organizational documents of any Company (other than any Immaterial Subsidiary) or any order of any Governmental Authority; (c) will not violate, result in a default or require any consent or approval under any indenture, agreement or other instrument binding upon any Company or its assets, or give rise to a right thereunder to require any payment to be made by any Company, except for violations, defaults or the creation of such rights that could not reasonably be expected to result in a Material Adverse Effect; and (d) will not result in the creation or imposition of any Lien on any asset of any Company, except Liens created under the Loan Documents and Permitted Liens.

SECTION 3.04. Financial Statements. All financial statements delivered to the Lenders by Borrower have been prepared in accordance with GAAP applied on a consistent basis throughout the periods presented (except as disclosed therein, and in the case of interim financial statements for the absence of footnotes and year-end adjustments). The unaudited *pro forma* financial statements and the notes thereto delivered to the Lenders by Borrower have been prepared on a basis consistent with the historical financial statements of Holdings and its Subsidiaries and give effect to assumptions used in the preparation thereof on a reasonable basis and in good faith and present fairly in all material respects the historical transactions and the proposed Transactions.

SECTION 3.05. Properties.

(a) Each Loan Party has good title to, or valid leasehold interests in or other valid rights to use, all of such Company' s Real Property, and all of such Loan Party' s personal property material to its business. Title to all such property held by such Loan Party is free and clear of all Liens except for Permitted Liens. The property of the Companies, taken as a whole, (i) is in good operating order, condition and repair (ordinary wear and tear excepted) (except to the extent such condition could not reasonably be expected to result in a Material Adverse Effect) and (ii) constitutes all the properties that are required for the business and operations of the Companies as currently conducted.

(b) Each Company owns, or is licensed to use, all Intellectual Property used in the conduct of its business as currently conducted, except for those the failure to own or license that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No claim has been asserted and is pending by any person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property, nor does any Company know of any valid basis for any such claim. The use of such Intellectual Property by each Company does

not infringe the rights of any person, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) No Company has received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event, zoning change, variance or special zoning exception affecting or that would affect all or any portion of the property that would reasonably be expected to have a Material Adverse Effect.

SECTION 3.06. Equity Interests and Subsidiaries; Consent.

(a) Schedule 3.06(a) sets forth a list of (i) all Subsidiaries of Holdings and their jurisdiction of organization as of the Closing Date; (ii) the number of shares of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date of each such Subsidiary; and (iii) a designation as to whether such Subsidiary constitutes a Non-Guarantor Subsidiary. Schedule 3.06(a) designates the only Subsidiaries of Borrower that constitute Non-Guarantor Subsidiaries on the Closing Date. Such schedule may be amended from time to time without the prior written consent of the Administrative Agent so long as the Loan Parties and their Subsidiaries comply with all related obligations under this Agreement (including obligations described in Section 5.11 hereof). All Equity Interests of each direct and indirect Subsidiary of Holdings are duly and validly issued, are fully paid and non-assessable. Each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under the applicable Security Agreement, free of any and all Liens, rights or claims of other persons, except for the security interest created by the Security Agreements.

(b) No consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any trust beneficiary is necessary or desirable in connection with the creation, perfection or first priority status of the security interest of the Collateral Agent in any Equity Interests, pledged to the Collateral Agent for the benefit of the Secured Parties under any Security Agreement or the exercise by the Collateral Agent of the voting or other rights provided for in any Security Agreement or the exercise of remedies in respect thereof.

SECTION 3.07. Litigation; Compliance with Laws.

(a) Except as set forth on Schedule 3.07, there are no investigations, actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any such person (i) that involve any Loan Document or the Transactions or (ii) as to which there is a reasonable possibility of an adverse determination and that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) Except for matters covered by Section 3.17, no Company or any of its property is in violation of, nor will the continued operation of their property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting the Real Property or is in default with respect to any judgment, writ,

injunction, decree or order of any Governmental Authority, in each case where such violation or default could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Agreements.

(a) No Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or could reasonably be expected to result in a Material Adverse Effect.

(b) No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property are or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect.

(c) Schedule 3.08 accurately and completely lists all Material Agreements (other than Leases of Real Property) to which any Loan Party is a party that were in effect on the Closing Date and Borrower has delivered to the Administrative Agent complete and correct copies of all such Material Agreements, including any amendments, supplements or modifications with respect thereto in effect as of the Closing Date.

SECTION 3.09. Federal Reserve Regulations.

(a) No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(b) No part of the proceeds of any Loan or any Letter of Credit will be used in any manner, whether directly or indirectly, for any purpose that violates, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral (as defined in the Security Agreement) pursuant to the Security Agreements does not violate such regulations.

SECTION 3.10. Investment Company Act. No Company is an “investment company” or a company “controlled” by an “investment company,” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

SECTION 3.11. Use of Proceeds. Borrower will use the proceeds of the Loans (a) to finance a portion of the Transactions, (b) to pay fees and expenses related thereto and (c) for general corporate purposes of Holdings and its Subsidiaries.

SECTION 3.12. Taxes. Each Company has (a) filed or caused to be filed all federal Tax Returns and all material state, local and foreign Tax Returns or materials required to have been filed by it and (b) duly paid or caused to be duly paid all Taxes (whether or not shown on any Tax Return) due and payable by it and all assessments received by it, except Taxes that are being contested in good faith by appropriate proceedings and for which such Company shall have set aside on its books adequate reserves in accordance with GAAP.

SECTION 3.13. No Material Misstatements. No written information, report, financial statement, exhibit or schedule furnished by or on behalf of any Company to any Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken together with all related information so furnished, contained,

contains or will contain (when delivered) any material misstatement of fact or omitted, omits or will omit (when delivered) to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were, are or will be made, not misleading as of the date such information is dated or certified; *provided* that, to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast, projection or *pro forma* adjustment, each Company represents only that it acted in good faith and utilized reasonable assumptions and due care in the preparation of such information, report, financial statement, exhibit or schedule (it being understood that, with respect to projected financial information, actual results may vary significantly from such projected results).

SECTION 3.14. Labor Matters. As of the Closing Date, there are no strikes, lockouts or slowdowns against any Company pending or, to the knowledge of any Company, threatened which could reasonably be expected to result in a Material Adverse Effect. The hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act or any other applicable federal, state, local or foreign law dealing with such matters in any manner that could reasonably be expected to result in a Material Adverse Effect. All payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound.

SECTION 3.15. Solvency. Immediately after the consummation of the Transactions to occur on the Closing Date and immediately following the making of each Loan and after giving effect to the application of the proceeds of each Loan, (a) the fair value of the assets of the Loan Parties, taken as a whole, will exceed their debts and liabilities, subordinated, contingent or otherwise; (b) the present fair saleable value of the property of the Loan Parties, taken as a whole, will be greater than the amount that will be required to pay the probable liability of their collective debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (c) the Loan Parties, taken as a whole, will be able to pay their debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (d) the Loan Parties, taken as a whole, will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the Closing Date.

SECTION 3.16. Employee Benefit Plans.

(a) Each Company and its ERISA Affiliates are in compliance in all material respects with the applicable provisions of ERISA and the Tax Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in a Material Adverse Effect. No liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Plan or any trust established under Title IV of ERISA has been or is expected to be incurred by any Company or any ERISA Affiliate. No Company or any of its ERISA Affiliates sponsor, contribute, participate in or have any liability under a plan established under Title IV of ERISA or a Multiemployer Plan.

(b) Each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities, except when such failure to comply is not reasonably expected to result in a Material Adverse Effect. No Company has incurred any material obligation in connection with the termination of or withdrawal from any Foreign Plan that is reasonably expected to result in a Material Adverse Effect. The present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan that is funded, determined as of the end of the most recently ended fiscal year of the respective Company on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the assets of such Foreign Plan by an amount that is reasonably expected to result in a Material Adverse Effect.

SECTION 3.17. Environmental Matters.

(a) The Real Property of the Companies does not contain, and has not previously contained, therein, thereon or thereunder, including the soil and groundwater thereunder, any Hazardous Materials in amounts or concentrations that (i) constitute or constituted a violation of, (ii) require a Response under, or (iii) could give rise to liability under, Environmental Laws, which violations, Response and liabilities, in the aggregate, could reasonably be expected to result in a Material Adverse Effect;

(b) All operations of the Companies are in compliance, and, to the knowledge of the Companies, the Real Property is, and in the last three years such operations and the Real Property have been in compliance, with all Environmental Laws and all necessary permits have been obtained and are in effect, except to the extent that such non-compliance or failure to obtain any necessary permits, in the aggregate, could not reasonably be expected to result in a Material Adverse Effect;

(c) There have been no Releases or threatened Releases by any Company or, to their knowledge, by any other party, at, from, under or proximate to the Real Property or otherwise in connection with the operations of any Company, which Releases or threatened Releases, in the aggregate, could reasonably be expected to result in a Material Adverse Effect;

(d) None of the Companies has received any notice of an Environmental Claim in connection with the Real Property or operations of any Company or with regard to any person whose liabilities for environmental matters any of the Companies has retained or assumed, in whole or in part, contractually, by operation of law or otherwise, that, in the aggregate, could reasonably be expected to result in a Material Adverse Effect;

(e) Hazardous Materials have not been transported from Real Property of the Companies by or on behalf of any of the Companies, nor have Hazardous Materials been generated, treated, stored or disposed of at, on or under any of such Real Property in a manner that could give rise to liability under, or in violation of, any Environmental Law, nor has any Company retained or assumed any liability, contractually, by operation of law or otherwise, with respect to the generation, treatment, storage, transport or disposal of Hazardous Materials, which transportation, generation, treatment, storage or disposal, or retained or assumed liabilities, in the aggregate, could reasonably be expected to result in a Material Adverse Effect;

(f) No Lien has been recorded, or to the knowledge of any Company threatened, under any Environmental Law with respect to any owned Real Property or relating to any operations or assets of any Company;

(g) No Real Property of the Companies is (i) listed or proposed for listing on the National Priorities List under CERCLA or (ii) to the knowledge of the Companies, listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA, or (iii) to the knowledge of the Companies, included on any similar list maintained by any Governmental Authority (except in the case of clauses (ii) and (iii), for listings relating to events or conditions that could not reasonably be expected to have a Material Adverse Effect); and

(h) No Company is currently conducting any Response pursuant to any Environmental Law with respect to any Real Property or any other location except such waste management activities, air emission or water discharges which are conducted in compliance with Environmental Laws in the normal course of the Companies' operations or any other Response that could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.18. Insurance. Schedule 3.18 sets forth a true, complete and correct description of all insurance maintained by each Loan Party as of the Closing Date. As of such date, such insurance is in full force and effect and all premiums have been duly paid. Each Company has insurance in such amounts and covering such risks and liabilities as are in accordance with normal industry practice.

SECTION 3.19. Security Documents.

(a) The Security Agreements are effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in and Lien on the Security Agreement Collateral and, when (i) financing statements and other filings in appropriate form are filed in the appropriate governmental offices and (ii) the Loan Parties have complied with Article III of the U.S. Security Agreement, the security interest granted under the U.S. Security Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the grantors thereunder in such Collateral (other than (A) the Intellectual Property and (B) such Collateral in which a security interest cannot be perfected under the Uniform Commercial Code as in effect at the relevant time in the relevant jurisdiction for filing), in each case subject to no Liens other than Permitted Liens.

(b) When the appropriate financing statements are filed in the appropriate filing offices and the U.S. Security Agreement is filed in the United States Patent and Trademark Office and the United States Copyright Office, the security interests granted under the U.S. Security Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the grantors thereunder in the Intellectual Property (as defined in the U.S. Security Agreement), in each case subject to no Liens other than Permitted Liens (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a Lien on registered trademarks, trademark applications and copyrights acquired by the grantors after the Closing Date).

(c) Each Security Document delivered pursuant to Section 5.11 will, upon execution and delivery thereof, be effective to create in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, a legal, valid and enforceable Lien on all of the Loan Parties' right, title and interest in and to the Collateral described therein, and when such Security Document is filed or recorded in the appropriate offices as may be required under applicable law, such Security Document will constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Security Agreement Collateral, in each case subject to no Liens other than the applicable Permitted Liens.

SECTION 3.20. Material Adverse Changes. Since December 31, 2005, there has been no change that could reasonably be expected to result in a Material Adverse Effect.

ARTICLE IV

Conditions of Lending

The obligations of the Lenders to make Loans and of the Issuing Bank to issue Letters of Credit hereunder are subject to the satisfaction of the following conditions:

SECTION 4.01. All Credit Extensions. On the date of each Borrowing (including the date that the Term Loans hereunder are made), and on the date of each issuance, amendment, extension or renewal of a Letter of Credit (each such event being called a "**Credit Extension**"):

(i) Borrower and its direct and indirect parent companies may pay cash Dividends to their respective parent companies (and such parent companies may pay cash Dividends) to the extent of U.S. federal and state income and other tax obligations of WH Capital to the extent that such U.S. federal and state income and tax obligations are reasonably attributable to income or operations of the Borrower and any of its Subsidiaries. Any payments made pursuant to this Section 6.05(i) shall, no later than the 30th day after receipt, either be used to pay such obligations to the applicable taxing authority or be remitted to the Borrower.

SECTION 6.06. Transactions with Affiliates. Enter into, directly or indirectly, any transaction or series of related transactions, whether or not in the ordinary course of business, with any Affiliate of any Company, other than in the ordinary course of business and on terms and conditions substantially as favorable to such Company as would reasonably be obtained by such Company at that time in a comparable arm's-length transaction with a person other than an Affiliate, except that:

SECTION 6.07. Financial Covenants.

(ii) Notwithstanding anything to the contrary contained in clause (i) above, to the extent that the Capital Expenditures made by Holdings and its Consolidated Subsidiaries in any period set forth in clause (i) above are less than the amount permitted to be made in such period (without giving effect to any additional amount available as a result of this clause (ii)), the amount of such difference may be carried forward and used to make Capital Expenditures in the next succeeding fiscal year of Holdings.

SECTION 6.08. Limitation on Modifications of Indebtedness; Modifications of Certificate of Incorporation, Other Constitutive Documents or Bylaws and Certain Other Agreements, Etc.

(a) Amend or modify, or permit the amendment or modification of, any provision of any agreement comprising a Material Agreement other than any amendments, modifications, agreements or changes pursuant to this clause (a) that could not reasonably be expected to result in a Material Adverse Effect; and

(b) In respect of the Borrower, amend, modify or change its articles of incorporation or other constitutive documents (including by the filing or modification of any certificate of designation) or bylaws, or any agreement entered into by it, with respect to its capital stock (including any shareholders' agreement) that could reasonably be expected to result in a Material Adverse Effect.

SECTION 6.09. Limitation on Certain Restrictions on Subsidiaries. Directly or indirectly, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Subsidiary of Borrower to (a) pay dividends or make any other distributions on its capital stock or any other interest or participation in its profits owned by Borrower or any Subsidiary of Borrower, or pay any Indebtedness owed to Borrower or a Subsidiary of Borrower; (b) make loans or advances to Borrower or any of Borrower's Subsidiaries; or (c) transfer any of its properties to Borrower or any of Borrower's Subsidiaries, except for such encumbrances or restrictions existing under or by reason of (i) applicable law, (ii) this Agreement and the other Loan Documents, (iii) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of Borrower or a Subsidiary of Borrower, (iv) existing restrictions under Indebtedness existing on the Closing Date and described in Schedule 6.01 attached hereto, (v) restrictions with respect solely to any Subsidiary of Holdings imposed pursuant to a binding agreement which has been entered into for the sale or disposition of all of the Equity Interests or assets of such Subsidiary; *provided* that, such restrictions apply solely to the Equity Interests or assets of such Subsidiary which are being sold, (vi) in connection with and pursuant to refinancings permitted under this Agreement, replacements of restrictions imposed pursuant to clause (iv) or this clause (vi) that are not more restrictive taken as a whole than those being replaced and do not apply to any other person or assets other than those that would have been covered by the restrictions in the Indebtedness so refinanced or replaced, or (vii) customary provisions with respect to the disposition or distribution of assets in joint venture agreements and other similar agreements relating solely to the assets subject to such agreement.

SECTION 6.10. Sale and Leaseback Transactions. Enter into any arrangement, directly or indirectly, with any person whereby it shall sell or transfer any property, real or personal, used or useful in its business, whether now owned or hereafter acquired, and thereafter rent or lease such property or other property that it intends to use for substantially the same purpose or purposes as the property being sold or transferred, except such transactions among Loan Parties, unless (i) the sale of such property is permitted by Section 6.04 and (ii) any Liens arising in connection with its use of such property are permitted by Section 6.02.

SECTION 6.11. Holding Companies. Notwithstanding anything to the contrary contained in this Agreement, with respect to the Holding Companies, (i) incur, directly or indirectly, any Indebtedness other than the Obligations under the Loan Documents to which any such Company is a party, the Holdings Senior Notes and any intercompany Indebtedness between Holding Companies permitted hereunder or incurred in connection with the payments required to consummate the Transactions, (ii) create or suffer to exist any Lien upon any property or assets now owned or hereafter acquired by such Company other than the Liens permitted to exist under Sections 6.02(a), (b), (d), (h), (j) and (l), (iii) engage in any business or own any assets other than holding the Equity Interest of such Company's direct Subsidiaries, claims against another Company, proceeds received in connection with the Transactions, and activities reasonably related to each of the foregoing; (iv) consolidate with or merge with or into, or convey, transfer (except in connection with the Transactions) or lease all or any portion of its assets to, any person other than a Loan Party or (iv) sell or otherwise dispose of any Equity Interest of any of such Company's Subsidiaries other than to Loan Party.

Make or permit any change in accounting policies or reporting practices without the consent of the Required Lenders, which consent shall not be unreasonably withheld, except changes that, in the aggregate, could not reasonably be expected to result in a Material Adverse Effect or are required by GAAP.

SECTION 6.14. Fiscal Year. Change its fiscal year-end to a date other than December 31.

ARTICLE VII

Guarantee

SECTION 7.01. The Guarantee. The Guarantors hereby irrevocably and unconditionally, jointly and severally guarantee as primary obligors and not as sureties to each Secured Party and their respective successors and assigns the prompt payment in full when due (whether at stated maturity, by acceleration or otherwise) of the principal of and interest on (including any interest, fees, costs or charges that would accrue but for the provisions of Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code) the Loans made by the Lenders to, and the Notes held by each Lender of, Borrower, and all other Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document or Interest Rate Protection Agreement relating to the Loans, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby irrevocably and unconditionally, jointly and severally agree that if Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

SECTION 7.02. Obligations Unconditional. The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment (and not of collection) and are absolute, irrevocable and unconditional, joint and several (except to the extent otherwise limited in accordance with applicable Requirements of Law as described in Annex III attached hereto or in any other Guarantee required by applicable Requirements of Law), irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder, which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, the Issuing Bank or any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Loan Party exhaust any right, power or remedy or proceed against Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by the Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against Borrower or against any other person that may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

For purposes of this paragraph only, references to the "principal" include each Loan Party and references to the "creditor" include each Secured Party. In accordance with Section 2856 of the California Civil Code, each Guarantor waives all rights and defenses (i) available to such Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses such Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor's obligations under its guarantee, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal's Indebtedness or such other guarantor's

obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed such Guarantor's right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guarantee shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Agreement or to any of the Guaranteed Obligations.

SECTION 7.03. Reinstatement. The obligations of the Guarantors under this Article VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of Holdings, Borrower or any other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise. The Guarantors jointly and severally (except to the extent otherwise limited in accordance with applicable Requirements of Law as described in Annex III attached hereto or in any other Guarantee required by applicable Requirements of Law) agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the gross negligence, bad faith or willful misconduct of such Secured Party.

SECTION 7.04. Subrogation; Subordination. Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall not exercise any right or remedy arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. The payment of any amounts due with respect to any indebtedness of Borrower or any other Guarantor now or hereafter owing to any Guarantor or Borrower by reason of any payment by such Guarantor under the Guarantee in this Article VII is hereby subordinated to the prior indefeasible payment in full in cash of the Guaranteed Obligations. In addition, any Indebtedness of the Guarantors now or hereafter held by any Guarantor is hereby subordinated in right of payment in full in cash to the Guaranteed Obligations. Each Guarantor agrees that it will not demand, sue for or otherwise attempt to collect any such indebtedness of Borrower or any other Guarantor to such Guarantor until the Obligations shall have been indefeasibly paid in full in cash. If, notwithstanding the preceding sentence, any Guarantor shall, prior to the indefeasible payment in full in cash of the Guaranteed Obligations, collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of such Guarantor under the other provisions of the guaranty contained herein.

SECTION 7.05. Remedies. The Guarantors jointly and severally (except to the extent otherwise limited in accordance with applicable Requirements of Law as described in

Annex III attached hereto) agree that, as between the Guarantors and the Lenders, the obligations of Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Article VIII (and shall be deemed to have become automatically due and payable in the circumstances provided in said Article VIII) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

SECTION 7.06. Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Article VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213 to the extent permitted thereunder.

SECTION 7.07. General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

SECTION 7.08. Continuing Guarantee. The Guarantees in this Article VII are continuing guarantees of payment, and shall apply to all Guaranteed Obligations whenever arising.

SECTION 7.09. Release of Guarantors. If at any time after the Closing Date and in connection with the Guarantee of any Loan Party in this Article VII (i) subject to the requirements of Section 5.11(c), in the case of a Foreign Subsidiary, the Administrative Agent (after consultation with Borrower) determines that in the case of any existing Guarantor, it would not be commercially reasonable for such Guarantor to remain a Guarantor (taking into account the expense (including taxes), the ability of Borrower or such Guarantor to obtain any necessary approvals or consents required to be obtained under applicable law (but have not been previously obtained) in connection therewith, and the effectiveness and enforceability thereof under applicable law) or (ii) such Guarantee becomes illegal under applicable law and such Loan Party delivers to the Administrative Agent, the Lenders and the Collateral Agent a legal opinion from its counsel to such effect, and no reasonable alternative structure can be devised having substantially the same effect as the issuance of a Guarantee that would not be illegal under applicable law, then, so long as such Guarantor has been released or is contemporaneously released under any other guaranty such Guarantor may be a party to, in case of each of the immediately preceding clauses (i) and (ii), the Collateral Agent shall (at the expense of Borrower) take all action necessary to release its security interest in that portion of the Security Agreement Collateral owned by such Guarantor (*provided, however*, that 66% of the Equity Interests of such Guarantor (and 100% of the Equity Interests of any Domesticated Foreign Subsidiary) shall not be released from the Security Agreement Collateral), and such Guarantor shall be released from its obligations in respect of the Guarantees in this Article VII (such Guarantor being hereinafter

referred to as a “**Released Guarantor**,” so long as it continues to be a Non-Guarantor Subsidiary), which release from such Guarantees, in the case of an event described in the immediately preceding clause (i), shall become effective as of the closing of the last day of the taxable year that immediately precedes the date that the Administrative Agent makes a determination described in such clause (i); *provided* that, such Released Guarantor shall continue to be subject to Section 5.11(b).

ARTICLE VIII

Events of Default

In case of the happening of any of the following events (“**Events of Default**”):

- (a) default shall be made in the payment of any principal of any Loan or the reimbursement with respect to any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof (including a Term Loan Repayment Date) or at a date fixed for prepayment thereof or by acceleration thereof or otherwise;
- (b) default shall be made in the payment of any interest on any Loan or any Fee or any other amount (other than an amount referred to in paragraph (a) above) due under any Loan Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of five Business Days;
- (c) any representation or warranty made or deemed made in or in connection with any Loan Document or the borrowings or issuances of Letters of Credit hereunder, or any representation, warranty, statement or information contained in any report, certificate, financial statement or other instrument furnished in connection with or pursuant to any Loan Document, shall prove to have been false or misleading in any material respect when so made, deemed made or furnished;
- (d) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in Section 5.02, 5.03, 5.08, or 5.14 or in Article VI;
- (e) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraph (a), (b) or (d) above), or under any Hedging Agreement entered into with any Lender or Affiliate of a Lender, and such default shall continue unremedied or shall not be waived for a period of 30 days after the earlier of (i) an officer of such Company becoming aware of such default or (ii) receipt by Borrower and such Company of notice from the Administrative Agent or any Lender of such default; *provided, however*, that with respect to any default in obligations under Section 5.09(a), such 30-day period shall be extended if the relevant Company has commenced and continues diligently to pursue prudent and necessary response actions and otherwise complies with Section 5.09(b) and any applicable Environmental Laws;
- (f) any Company (other than any Immaterial Subsidiary) shall (i) fail to pay any principal or interest, regardless of amount, due in respect of any Indebtedness (other than the Obligations) when and as the same shall become due and payable (after all applicable grace periods have expired); or (ii) fail to observe or perform any other term, covenant,

condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this clause (ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee on its or their behalf (with or without the giving of notice, the lapse of time or both) to cause, such Indebtedness to become due prior to its stated maturity; *provided* that, it shall not constitute an Event of Default pursuant to this paragraph (f) unless the aggregate amount of all such Indebtedness referred to in clauses (i) and (ii) exceeds \$10.0 million at any one time;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of any Company (other than any Immaterial Subsidiary), or of a substantial part of the property or assets of any Company (other than any Immaterial Subsidiary), under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law; (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Company (other than any Immaterial Subsidiary) or for a substantial part of the property or assets of any Company; or (iii) the winding-up or liquidation of any Company (other than any Immaterial Subsidiary); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any Company (other than any Immaterial Subsidiary) shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law; (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in paragraph (g) above; (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Company (other than any Immaterial Subsidiary) or for a substantial part of the property or assets of any Company (other than any Immaterial Subsidiary); (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding; (v) make a general assignment for the benefit of creditors; (vi) become unable, admit in writing its inability or fail generally to pay its debts as they become due; (vii) take any action for the purpose of effecting any of the foregoing; or (viii) wind up or liquidate (except as otherwise permitted under Section 6.04);

(i) one or more judgments for the payment of money in an aggregate amount in excess of \$10.0 million (to the extent not covered by insurance as to which the insurer does not dispute coverage thereof) shall be rendered against any Company or any combination thereof and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed;

(j) an ERISA Event occurs, an event of noncompliance with respect to any Foreign Plan occurs or, if the present value of the accrued benefit liabilities (whether or not vested) under any Foreign Plan that is funded, determined as of the end of the most recently ended fiscal year of the respective Loan Party on the basis of actuarial assumptions proper under applicable foreign law, exceeds the current value of the assets of such Foreign Plan by more than \$2.5 million, that in the opinion of the Required Lenders, when taken together with all other such ERISA Events, noncompliance and underfunding, could reasonably be expected to result in liability to any Company or its ERISA Affiliates in an aggregate amount exceeding \$2.5 million;

(k) any security interests and Liens on an asset or assets of the Loan Parties whose fair market value in the aggregate is greater than \$500,000, purported to be created by any Security Document shall cease to be in full force and effect, or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, the Liens, rights, powers and privileges purported to be created and granted under such Security Documents (including a perfected first priority security interest in and Lien on all of the Collateral thereunder (except as otherwise expressly provided in such Security Documents)) in favor of the Collateral Agent, or shall be asserted by Holdings, Borrower or any other Loan Party not to be a valid, perfected, first priority (except as otherwise expressly provided in this Agreement or such Security Document) security interest in or Lien on the Collateral covered thereby;

(l) any Guarantee or any Security Document shall cease to be in full force and effect, except to the extent expressly permitted to be released hereunder in accordance with Section 7.09;

(m) any Loan Document or any material provisions thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding shall be commenced by any Loan Party or any other person, or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or any Loan Party shall repudiate or deny that it has any liability or obligation for the payment of principal or interest or other obligations purported to be created under any Loan Document; or

(n) there shall have occurred a Change in Control;

then, and in every such event (other than an event described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments (including any unused Term Loan Commitments); (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by Borrower and the Guarantors, anything contained herein or in any other Loan Document to the contrary notwithstanding; and (iii) direct Borrower to pay (and Borrower hereby agrees upon receipt of such notice, or upon the occurrence of any event specified in paragraph (g) or (h) above to pay) to the Administrative Agent such additional amounts of cash, to be invested in Cash Equivalents and held as security for Borrower's reimbursement Obligations in respect of Letters of Credit then outstanding, equal to the LC Exposure at such time. In any event described in paragraph (g) or (h) above, the Commitments (including any unused Term Loan Commitments) shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by Borrower and the Guarantors, anything contained herein or in any other Loan Document to the contrary notwithstanding.

ARTICLE IX

Collateral Account; Application of Collateral Proceeds

SECTION 9.01. Collateral Account.

(a) The Collateral Agent is hereby authorized to establish and maintain at its office at 4 World Financial Center, 22nd Floor, New York, NY 10080, Attention: Nancy Meadows, in the name of the Collateral Agent with a copy to Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, NY 10036, Attention: Robert A. Copen and pursuant to a Control Agreement, a restricted deposit account designated "Collateral Account." Each Loan Party shall deposit into the Collateral Account from time to time (i) the cash proceeds of any of the Collateral (including pursuant to any disposition thereof) to the extent contemplated herein or in any other Loan Document, and (ii) any cash such Loan Party is required to pledge as additional collateral security hereunder pursuant to the Loan Documents.

(b) The balance from time to time in the Collateral Account shall constitute part of the Collateral and shall not constitute payment of the Obligations until applied as hereinafter provided. So long as no Event of Default has occurred and is continuing or will result therefrom, the Collateral Agent shall, within two Business Days of receiving a request of the applicable Loan Party for release of cash proceeds constituting (i) Net Cash Proceeds from the Collateral Account, remit such cash proceeds on deposit in the Collateral Account to or upon the order of such Loan Party, so long as such Loan Party has satisfied the conditions relating thereto set forth in Section 9.02; (ii) Net Cash Proceeds from any sale or other disposition of Collateral from the Collateral Account, remit such cash proceeds on deposit in the Collateral Account, so long as such Loan Party has satisfied the conditions relating thereto set forth in Section 9.02; and (iii) with respect to the LC Sub-Account at such time as all Letters of Credit shall have been terminated and all of the liabilities in respect of the Letters of Credit have been indefeasibly paid in full. At any time following the occurrence and during the continuance of an Event of Default, the Collateral Agent may (and, if instructed by the Required Lenders as specified herein, shall) in its (or their) discretion apply or cause to be applied (subject to collection) the balance from time to time outstanding to the credit of the Collateral Account to the payment of the Obligations in the manner specified in Section 9.03, subject, however, in the case of amounts deposited in the LC Sub-Account, to the provisions of Sections 2.17(j) and 9.03. The Loan Parties shall have no right to withdraw, transfer or otherwise receive any funds deposited in the Collateral Account except to the extent specifically provided herein.

(c) Amounts on deposit in the Collateral Account shall be invested from time to time in Cash Equivalents as the applicable Loan Party (or, after the occurrence and during the continuance of an Event of Default, the Collateral Agent) shall determine, which Cash Equivalents shall be held in the name and be under the control of the Collateral Agent (or any sub-agent); *provided* that, at any time after the occurrence and during the continuance of an Event of Default, the Collateral Agent may (and, if instructed by the Required Lenders as specified herein, shall) in its (or their) discretion at any time and from time to time elect to liquidate any such Cash Equivalents and to apply or cause to be applied the proceeds thereof to the payment of the Obligations in the manner specified in Section 9.03.

(d) Amounts deposited into the Collateral Account as cover for liabilities in respect of Letters of Credit under any provision of this Agreement requiring such cover shall be held by the Administrative Agent in a separate sub-account designated as the "LC Sub-Account" (the "LC Sub-Account").

SECTION 9.02. Proceeds of Casualty Events and Collateral Dispositions.

(a) So long as no Event of Default shall have occurred and be continuing, in the event there shall be any Net Cash Proceeds in respect of any Casualty Event or from any Asset Sale of Collateral, the applicable Loan Party shall have the right, at such Loan Party's option, to apply such Net Cash Proceeds in accordance with the applicable provisions of this Agreement.

(b) In the event any Net Cash Proceeds are required to be deposited in the Collateral Account in accordance with Section 2.10, the Collateral Agent shall not release any part of such Net Cash Proceeds until the applicable Loan Party has furnished to the Collateral Agent (i) an Officers' Certificate setting forth: (A) a brief description of the reason for the release, (B) the dollar amount of the expenditures to be made, or costs incurred by such Loan Party in connection with such release and (C) each request for payment shall be made on at least ten day's prior notice to the Collateral Agent and such request shall state that the properties acquired in connection with such release have a fair market value at least equal to the amount of such Net Cash Proceeds requested to be released from the Collateral Account; and (ii) all security agreements and other items required by the provisions of Sections 5.11 and 5.12 to, among other things, subject such reinvestment properties or assets to the Lien of the Security Documents in favor of the Collateral Agent, for its benefit and for the benefit of the other Secured Parties.

SECTION 9.03. Application of Proceeds. The proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Collateral Agent of its remedies shall be applied, together with any other sums then held by the Collateral Agent pursuant to this Agreement, promptly by the Collateral Agent as follows:

(a) First, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization, including compensation to the Collateral Agent and its agents and counsel, and all expenses, liabilities and advances made or incurred by the Collateral Agent in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) Second, to the payment of all other reasonable costs and expenses of such sale, collection or other realization, including compensation to the other Secured Parties and their agents and counsel and all costs, liabilities and advances made or incurred by the other Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) Third, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, *pro rata*, of (i) interest, principal and other amounts constituting Obligations (other than the Obligations arising under the Interest Rate Protection Agreements), in each case equally and ratably in accordance with

the respective amounts thereof then due and owing and (ii) the Obligations arising under the Interest Rate Protection Agreements in accordance with the terms of the Interest Rate Protection Agreements; and

(d) Fourth, the balance, if any, to the person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns).

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (c) of this Section 9.03, the Loan Parties shall remain liable for any deficiency.

ARTICLE X

The Administrative Agent and the Collateral Agent

Each of the Lenders and the Issuing Bank hereby irrevocably appoints the Administrative Agent (it being understood that reference in this Article X to the Administrative Agent shall be deemed to include the Collateral Agent) as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing; (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.02); and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be deemed to have knowledge of any Default or an Event of Default unless and until written notice of a Default is given to the Administrative Agent by Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document; (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith; (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document; (iv) the validity, enforceability, effectiveness or

genuineness of any Loan Document or any other agreement, instrument or document; or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person.

The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Affiliates. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Affiliates of each Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

The Administrative Agent may resign as administrative agent hereunder at any time upon at least 30-days' prior notice to the Lenders, the Issuing Bank and Borrower. Upon any such resignation, the Required Lenders shall have the right, in consultation with Borrower, to appoint a successor from among the Lenders. If no successor shall have been so appointed by the Required Lenders or shall have accepted appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent, which successor shall be a commercial banking institution organized under the laws of the United States (or any state thereof) or a United States branch or agency of a commercial banking institution, and having combined capital and surplus of at least \$250.0 million; *provided, however*, that if such retiring Administrative Agent is unable to find a commercial banking institution which is willing to accept such appointment and which meets the qualifications set forth above, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor as provided above. Upon the acceptance by a successor of its appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article X and Section 11.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each

Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder.

The Lenders identified in this Agreement, the Co-Syndication Agents and the Co-Documentation Agents shall not have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders. Without limiting the foregoing, neither the Co-Syndication Agents nor the Co-Documentation Agents shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the Co-Syndication Agents and the Co-Documentation Agents as it makes with respect to the Administrative Agent or any other Lender in this Article X. Notwithstanding the foregoing, the parties hereto acknowledge that the Co-Documentation Agents and Co-Syndication Agents hold such titles in name only, and that such titles confer no additional rights or obligations relative to those conferred on any Lender hereunder.

SECTION 11.02. Waivers; Amendment.

(a) No failure or delay by the Administrative Agent, the Collateral Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 11.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Collateral Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Borrower and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the written consent of the Required Lenders; *provided* that, no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender; (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon,

or reduce any Fees payable hereunder, without the written consent of each Lender affected thereby (except in connection with any waiver of the applicability of any post-default increase in interest rates); (iii) postpone the maturity of any Loan, or any scheduled date of payment of or installment otherwise due on the principal amount of any Term Loan under Section 2.09, or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment or postpone the scheduled date of expiration of any Letter of Credit beyond the Revolving Maturity Date, without the written consent of each Lender affected thereby; (iv) change Section 2.14(b) or (c) in a manner that would alter the *pro rata* sharing of payments or set-offs required thereby without the written consent of each Lender; (v) change the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document (including this Section 11.02(b)) specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder without the written consent of each Lender (or each Lender of such Class, as the case may be); (vi) except as otherwise expressly permitted under this Agreement, (A) release Holdings, Parent, Cayman III, any of the LuxCos and WH Capital from their respective Guarantees or limit its liability in respect of such Guarantee or (B) release all or substantially all of the Subsidiary Guarantors from their Guarantees, or limit the liability of all or substantially all of the Subsidiary Guarantors in respect of their Guarantees, in each case without the written consent of each Lender; (vii) release all or substantially all of the Collateral from the Liens of the Security Documents or alter the relative priorities of the Obligations entitled to the Liens of the Security Documents (except in connection with securing additional Obligations equally and ratably with the other Obligations), in each case without the written consent of each Lender; or (viii) change any provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of payments due to Lenders holding Loans of any Class differently than those holding Loans of any other Class without the written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each affected Class; *provided further* that, (1) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent, or the Issuing Bank without the prior written consent of the Administrative Agent, the Collateral Agent, or the Issuing Bank, as the case may be; and (2) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Revolving Lenders (but not the Term Lenders) or the Term Lenders (but not the Revolving Lenders) may be effected by an agreement or agreements in writing entered into by Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 11.02(b) if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, any provision of this Agreement may be amended by an agreement in writing entered into by Borrower, the Required Lenders and the Administrative Agent (and, if its rights or obligations are affected thereby, the Issuing Bank) if (x) by the terms of such agreement the Commitment of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (y) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement.

(c) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by Section 11.02(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Borrower shall have the right to replace one or more of such non-consenting Lender or Lenders (so long as all non-consenting Lenders are so replaced) with one or more persons pursuant to Section 2.16 so long as at the time of such replacement each such new Lender consents to the proposed change, waiver, discharge or termination.

SECTION 11.03. Expenses; Indemnity.

(a) Borrower agrees to pay all reasonable out-of-pocket expenses (including reasonable legal fees and expenses of counsel, expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses) incurred by the Administrative Agent, the Arrangers and the Issuing Bank in connection with the syndication of the credit facilities provided for herein and the preparation, execution and delivery, administration of this Agreement and the other Loan Documents or in connection with any amendments, modifications, enforcement costs or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated), or incurred by the Administrative Agent, the Arrangers or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made or Letters of Credit issued hereunder, including the reasonable fees, charges and disbursements of Skadden, Arps, Slate, Meagher & Flom LLP, special counsel for the Administrative Agent and the Collateral Agent (and one local counsel in each foreign jurisdiction where the Administrative Agent deems such local counsel advisable and any additional counsel to the Lenders required in the event of a conflict of interest), and, in connection with any such enforcement or protection, the fees, charges and disbursements of any consultants and advisors in connection with any out-of-court workout or in any bankruptcy case.

(b) Except to the extent otherwise limited in accordance with applicable Requirements of Law as described in Annex III attached hereto, the Loan Parties agree, jointly and severally, to indemnify the Agents, the Arrangers, each Lender, and the Issuing Bank, each Affiliate of any of the foregoing persons, and each of their respective directors, officers, trustees, employees and agents (each such person being called an “**Indemnitee**”) against, and to hold each Indemnitee harmless from, all reasonable out-of-pocket costs and any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) any actual or proposed use of the proceeds of the Loans or issuances of Letters of Credit; (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto; or (iii) any actual or alleged presence or Release or threatened Release of Hazardous Materials, on, under or from any property owned, leased or operated by any Company, or any Environmental Claim related in any way to any Company; *provided* that, such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee. No Loan Party shall assert any claim against any Indemnitee for special, indirect, consequential, punitive or exemplary damages on any theory of liability in

connection in any way with this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan, Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith.

(c) The provisions of this Section 11.03 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the expiration of any Letter of Credit, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Agents, the Arrangers, the Issuing Bank or any Lender. All amounts due under this Section 11.03 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(d) To the extent that the Loan Parties fail to pay any amount required to be paid by it to the Agents, the Arrangers or the Issuing Bank under Section 11.03(a) or (b), each Lender severally agrees to pay to the Agents, the Arrangers or the Issuing Bank, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against any of the Agents, the Arrangers or the Issuing Bank in its capacity as such. For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the total Revolving Exposure, outstanding Term Loans and unused Commitments at the time.

SECTION 11.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder (except in a transaction permitted under Section 6.04(f) or 6.04(g)) without the prior written consent of each Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void). Nothing in this Agreement, express or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Affiliates of each of the Agents, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may assign to one or more assignees (other than Holdings or any of its Affiliates or Subsidiaries) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that, (i) except in the case of an assignment to a Lender, an Affiliate of a Lender or a Lender Affiliate, each of Borrower and the Administrative Agent (and, in the case of an assignment of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its LC Exposure, the Issuing Bank) must give their prior written consent to such assignment (which consent shall not be unreasonably withheld or delayed); (ii) except in the case of an assignment to a Lender, an Affiliate of a Lender or a Lender Affiliate, any assignment made in connection with the primary syndication of

the Commitment and Loans by the Arrangers or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in a principal amount that is an integral multiple of \$500,000 and not less than \$1.0 million, unless each of Borrower and the Administrative Agent otherwise consent; (iii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, except that this clause (iii) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans; (iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance; and (v) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; *provided further* that, any consent of Borrower otherwise required under this Section 11.04(b) shall not be required if a Default or an Event of Default under Article VIII has occurred and is continuing. Subject to acceptance and recording thereof pursuant to Section 11.04(d), from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement (*provided* that, any liability of Borrower to such assignee under Section 2.12, 2.13 or 2.15 shall be limited to the amount, if any, that would have been payable thereunder by Borrower in the absence of such assignment), and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.15 and 11.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.04(b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.04(e).

(c) The Administrative Agent, acting for this purpose as an agent of Borrower, shall maintain at one of its offices in Stamford, Connecticut a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive and Borrower, the Administrative Agent, the Issuing Bank and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by Section 11.04(b), together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (*provided* that the Administrative Agent may, in its sole discretion, waive any such fee), the Administrative Agent shall accept such Assignment and Acceptance and record the information

contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 11.04(d).

(e) Any Lender may, without the consent of Borrower, the Administrative Agent or the Issuing Bank, sell participations to one or more banks or other entities (a “**Participant**”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided* that, (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; *provided* that, such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 11.02(b) that affects such Participant. Subject to Section 11.04(f), Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.15 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.04(b), *provided*, that the respective Lender shall provide to the Borrower written notice of the name and address of such Participant, which notice may be delivered via email or facsimile, in each case, with a copy thereof to the Borrower via U.S. mail. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; *provided* that, such Participant agrees to be subject to Section 2.14(c) as though it were a Lender, *provided, further*, that the respective Lender shall provide to the Borrower written notice of the name and address of such Participant, which notice may be delivered via email or facsimile, in each case, with a copy thereof to the Borrower via U.S. mail.

(f) A Participant shall not be entitled to receive any greater payment under Section 2.12, 2.13 or 2.15 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the prior written consent of Borrower. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.15 unless Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of Borrower, to comply with Section 2.15(e) as though it were a Lender.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and the other provisions of this Section 11.04 shall not apply to any such pledge or assignment of a security interest; *provided* that, no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 11.05. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan

Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents, the Issuing Bank or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.12, 2.14, 2.15 and 11.03 and Article X shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 11.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents, the Commitment Letter and the Fee Letter constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 11.08. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates are hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final (other than deposits in trust accounts)) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Loan Party against any of and all the obligations of any Loan Party now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section 11.08 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 11.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK).

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 11.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 11.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 11.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.10.

SECTION 11.11. Headings. Article and section headings and the table of contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 11.12. Confidentiality. Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Lender Affiliates' directors,

officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential pursuant to the terms hereof); (b) to the extent requested by any regulatory authority; (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section 11.12, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to Borrower and its obligations; (g) with the consent of Borrower; or (h) to the extent such Information (i) is publicly available at the time of disclosure or becomes publicly available other than as a result of a breach of this Section 11.12, or (ii) becomes available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis from a source other than Borrower or any Subsidiary. For the purposes of this Section 11.12, “**Information**” shall mean all information received from a Company or any Subsidiary on a confidential basis relating to a Company or any Subsidiary or its business, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by Borrower or any Subsidiary. Any person required to maintain the confidentiality of Information as provided in this Section 11.12 shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

SECTION 11.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 11.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 11.14. USA Patriot Act Notice. Each Lender and the Agents (for the Agents and not on behalf of any Lender) hereby notifies Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-5 (signed into law on October 26, 2001)) (the “**Act**”), it is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow such Lender or the Agent, as applicable, to identify Borrower in accordance with the Act.

(i) If any Pledgor shall at any time hold or acquire any certificated securities constituting Investment Property, such Pledgor shall contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement endorse, assign and deliver the same to Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank, all in form and substance satisfactory to Collateral Agent. If any securities now or hereafter acquired by any Pledgor constituting Investment Property are uncertificated and are issued to such Pledgor or its nominee directly by the issuer thereof, such Pledgor shall contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement notify Collateral Agent thereof and such Pledgor shall either (A) pursuant to a Control Agreement cause the issuer to agree to comply with instructions from Collateral Agent as to such securities, without further consent of any Pledgor, such nominee or any other person, or (B) arrange for Collateral Agent to become the registered owner of the securities. If any securities constituting Investment Property, whether certificated or uncertificated, or other Investment Property now or hereafter acquired by any Pledgor is held by such Pledgor or its nominee through a Securities Intermediary or Commodity Intermediary, such Pledgor shall contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement notify Collateral Agent thereof and, unless waived in writing by Collateral Agent in its sole discretion, either (A) pursuant to a Control Agreement cause such Securities Intermediary or Commodity Intermediary, as the case may be, to agree to comply with Entitlement Orders or other instructions from Collateral Agent to such Securities Intermediary as to such securities or other Investment Property, or to apply any value distributed on account of any Commodity Contract as directed by Collateral Agent to such Commodity Intermediary, as the case may be, in each case without further consent of any Pledgor, such nominee or any other person, or (B) in the case of Financial Assets constituting Investment Property or other Investment Property held through a Securities Intermediary, arrange for Collateral Agent to become the Entitlement Holder with respect to such Investment Property, with the Pledgor being permitted, so long as no Default or Event of Default has occurred and is continuing, to exercise rights to withdraw or otherwise deal with such Investment Property pursuant to an agreement in form and substance satisfactory to Collateral Agent. The preceding sentence shall not apply to any Financial Assets credited to a Securities Account for which Collateral Agent is the Securities Intermediary. Each Pledgor represents and warrants to Collateral Agent that, as of the date hereof, such Pledgor maintains no Securities Accounts or Commodity Accounts with any Securities Intermediary or Commodity Intermediary other than (i) as set forth in Section II.E of the Perfection Certificate or (ii) those for which the applicable Pledgor has provided notice thereof to Collateral Agent pursuant to the preceding sentence.

(ii) As between Collateral Agent and the Pledgors, the Pledgors shall bear the investment risk with respect to the Investment Property, and the risk of loss of, damage to, or the destruction of the Investment Property, whether in the possession of, or maintained as a Security Entitlement by, or subject to the control of, Collateral Agent, a Securities Intermediary, Commodities Intermediary, the Pledgor or any other person; *provided* that, nothing contained in this Section 3.04(e)(ii) shall release or relieve any Securities Intermediary or Commodities Intermediary of its duties and obligations to the Pledgors or any other person under any Control Agreement or under applicable law. Each Pledgor shall promptly pay all Charges and fees of whatever kind or nature with respect to the Investment Property pledged by it or this Agreement. In the event any Pledgor shall fail to make such payment contemplated in the immediately preceding sentence, Collateral Agent may do so for the account of such Pledgor and the Pledgors shall promptly reimburse and indemnify Collateral Agent from all costs and expenses incurred by Collateral Agent under this Section 3.04(e)(ii) in accordance with Section 7.03.

(f) **Electronic Chattel Paper and Transferable Records**. If any amount payable under or in connection with any of the Security Agreement Collateral shall be evidenced by any Electronic Chattel Paper or any “transferable record,” as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Pledgor acquiring such Electronic Chattel Paper or transferable record shall promptly notify Collateral Agent thereof and, at the request of Collateral Agent, shall take such action as Collateral Agent may request to vest in Collateral Agent control under UCC Section 9-105 of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. Collateral Agent agrees with such Pledgor that Collateral Agent will arrange, pursuant to procedures satisfactory to Collateral Agent and so long as such procedures will not result in Collateral Agent’s loss of control, for the Pledgor to make alterations to the Electronic Chattel Paper or transferable record permitted under UCC Section 9-105 or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act of Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Pledgor with respect to such Electronic Chattel Paper or transferable record.

(g) **Letter-of-Credit Rights**. If any Pledgor is at any time a beneficiary under a Letter of Credit in excess of \$1.0 million now or hereafter issued in favor of such Pledgor, such Pledgor shall contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement notify Collateral Agent thereof and, at the request of Collateral Agent, such Pledgor shall, pursuant to an agreement in form and substance satisfactory to Collateral Agent, either (i) arrange for the issuer and any confirmer of such Letter of Credit to consent to an assignment to Collateral Agent of the proceeds of any drawing under the Letter of Credit or (ii) arrange for Collateral Agent to become the transferee beneficiary of the Letter of Credit.

(h) **Commercial Tort Claims**. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim relating to any of the Security Agreement Collateral and such Pledgor, in the exercise of its reasonable business judgment, elects to pursue such commercial tort claim, such Pledgor shall contemporaneously with the delivery of financial

statements in accordance with Section 5.01(a) or (b) of the Credit Agreement notify Collateral Agent in writing signed by such Pledgor of the brief details thereof and grant to Collateral Agent in such writing a security interest therein and in the Proceeds thereof, all in accordance with this Agreement, with such writing to be in form and substance satisfactory to Collateral Agent.

SECTION 3.05. Supplements; Further Assurances.

(a) The Pledgors shall cause each person that, from time to time after the date hereof, shall be required to pledge any assets to Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement, to execute and deliver to Collateral Agent a Joinder Agreement and, upon such execution and delivery, such person shall constitute a “Guarantor” and a “Pledgor” for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. The execution and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

(b) Upon obtaining any Pledged Equity Interests or Pledged Intercompany Debt of any person, each Pledgor shall accept the same in trust for the benefit of Collateral Agent and contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement deliver to Collateral Agent the certificates and other documents required under this Article III in respect of the additional Pledged Equity Interests, Pledged Intercompany Debt or other possessory Security Agreement Collateral that is to be pledged pursuant to this Agreement, and confirming the attachment of the Lien hereby created on and in respect of such additional Pledged Equity Interests or Pledged Intercompany Debt.

(c) Each Pledgor agrees to take such further actions, and to execute and deliver to Collateral Agent such additional assignments, agreements, supplements, powers and instruments, as Collateral Agent may in its reasonable judgment deem necessary or appropriate, to perfect, preserve and protect the security interest in the Security Agreement Collateral as provided herein and the rights and interests granted to Collateral Agent hereunder, to carry into effect the purposes hereof or to better assure and confirm unto Collateral Agent or permit Collateral Agent to exercise and enforce its rights, powers and remedies hereunder with respect to any Security Agreement Collateral. By way of example, such actions may include appearing in and defending any action or proceeding, at Collateral Agent’s request, that may affect such Pledgor’s title to or Collateral Agent’s security interest in all or any part of the Security Agreement Collateral. Upon the reasonable request of Collateral Agent, each Pledgor shall further make, execute, endorse, acknowledge, file or refile or deliver to Collateral Agent from time to time such lists, descriptions and designations of the Security Agreement Collateral, copies of warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments. If an Event of Default has occurred and is continuing, Collateral Agent may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as Collateral Agent deems necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Security Agreement Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors.

(d) For the avoidance of doubt, the Pledgors and Collateral Agent acknowledge that this Agreement is intended to grant to Collateral Agent, for the benefit of the

Secured Parties, a security interest in and continuing Lien on the Security Agreement Collateral, and does not constitute a present assignment of ownership rights, a transfer of ownership or title to any Security Agreement Collateral, except as otherwise provided herein following the occurrence and during the continuance of an Event of Default. Unless an Event of Default shall have occurred and be continuing, Collateral Agent agrees from time to time to deliver, upon written request of any Pledgor and at such Pledgor's sole cost and expense (including reasonable expenses of counsel to, among other things, review the effect thereof on Collateral Agent's security interest granted hereunder), any and all instruments, certificates or other documents, in a form reasonably requested by such Pledgor, necessary or appropriate in the reasonable judgment of such Pledgor to enable such Pledgor to continue to exploit, license, use and protect the Security Agreement Collateral in accordance with the terms hereof and of the Credit Agreement.

No effective financing statement or other public notice with respect to all or any part of the Security Agreement Collateral is on file or of record in any public office, except such as have been filed in favor of Collateral Agent pursuant to this Agreement, are permitted by the Credit Agreement, or for which proper termination statements or other release documentation have been (or, in the case of financing statements or other public notices filed in connection with the Existing Credit Agreement, will be) delivered to Collateral Agent for filing. SECTION 4.03. Authorizations and Approvals. No authorization, approval or other action by, and no notice to or filing with, any Governmental Authority is required for either (i) the pledge or grant by such Pledgor of the Liens purported to be created in favor of Collateral Agent hereunder, or (ii) the exercise by Collateral Agent of any rights or remedies in respect of any Security Agreement Collateral, in each case except for the filings and registrations contemplated under the Security Documents and as may be required in connection

with the disposition of any Securities Collateral (by laws generally affecting the offering and sale of securities) or by laws pertaining to Intellectual Property.

SECTION 4.04. Reserved.

SECTION 4.05. Limitation on Liens. Such Pledgor shall, at its own cost and expense, defend title to the Security Agreement Collateral pledged by it hereunder and the security interest therein and Lien thereon granted to Collateral Agent and the priority thereof against all claims and demands of all persons, at its own cost and expense, at any time claiming (except to the extent related to a Permitted Lien) any interest therein adverse to Collateral Agent or any other Secured Party.

SECTION 4.06. Other Financing Statements. So long as any of the Secured Obligations remain unpaid, or the Commitments of the Lenders to make any Loan or to issue any Credit Agreement L/Cs shall not have expired or been sooner terminated, such Pledgor shall not execute, authorize or permit to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) or statements relating to any Security Agreement Collateral, except, in each case, financing statements filed or to be filed in respect of and covering the security interests granted by such Pledgor to the holder of Permitted Liens.

SECTION 4.07. Chief Executive Office; Change of Name; Jurisdiction of Organization.

(a) Such Pledgor's exact legal name, type and jurisdiction of organization or incorporation, federal taxpayer and organizational identification numbers of such Pledgor (if applicable) is set forth in the Perfection Certificate, and its chief executive office is set forth in the Perfection Certificate. Such Pledgor shall not (a) change its corporate name, (b) change its identity or type of organization or corporate structure, or (c) change its federal taxpayer identification number or organizational identification number (including by merging with or into any other entity, reorganizing, dissolving, liquidating, reincorporating or incorporating in any other jurisdiction) unless (A) it shall have given Collateral Agent not less than 30 days' prior written notice of its intention so to do, clearly describing such change and providing such other information in connection therewith as Collateral Agent may request, and (B) with respect to such change, such Pledgor shall have taken all action that Collateral Agent deems necessary or desirable to maintain the perfection and priority of the security interest of Collateral Agent for the benefit of the Secured Parties in the Security Agreement Collateral intended to be granted hereby. Each Pledgor agrees to promptly provide Collateral Agent with certified organizational documents reflecting any of the changes described in the preceding sentence.

(b) Such Pledgor agrees to maintain, at its own cost and expense, such complete and accurate records with respect to the Security Agreement Collateral owned by it as is consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Pledgor is engaged, but in any event to include complete accounting records as required by the Credit Agreement, and, at such time or times as Collateral Agent may request, promptly to prepare and deliver to Collateral Agent a duly certified schedule or schedules in form and detail satisfactory to Collateral Agent showing in summary form the identity, amount and location of any and all Security Agreement Collateral (except Security Agreement Collateral in the possession or control of Collateral Agent).

(c) Contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement, the Pledgors shall notify Collateral Agent in writing (certified by an officer of the applicable Pledgor) of each location where Security Agreement Collateral is maintained, which notification may take the form of supplementing or restating prior notifications.

SECTION 4.08. Certain Provisions Concerning Securities Collateral.

(a) Such Pledgor has delivered to Collateral Agent true, correct and complete copies of the Operative Agreements, which are in full force and effect and have not as of the date hereof been amended or modified except as permitted by the Credit Agreement. Such Pledgor shall deliver to Collateral Agent a copy of any notice of default given or received by it under any Operative Agreement within ten days after such Pledgor gives or receives such notice.

(b) Such Pledgor is not in default in the payment of any portion of any mandatory capital contribution, if any, required to be made under any agreement to which such Pledgor is a party relating to the Pledged Equity Interests pledged by it, and such Pledgor is not in violation of any other provisions of any such agreement to which such Pledgor is a party, or otherwise in default or violation thereunder, except where such default or noncompliance, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. No Securities Collateral pledged by such Pledgor is subject to any defense, offset or counterclaim, nor have any of the foregoing been asserted or alleged against such Pledgor by any person with respect thereto, and as of the date hereof, there are no certificates, instruments, documents or other writings (other than the Operative Agreements and certificates, if any, delivered to Collateral Agent) that evidence any Pledged Equity Interests of such Pledgor.

(c) So long as no Event of Default shall have occurred and be continuing (and Borrower or such Pledgor has not received written notice relating to such Event of Default from Collateral Agent):

(i) Such Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not inconsistent with the terms or purposes hereof, the Credit Agreement, or any other Loan Document evidencing the Secured Obligations; *provided* that, such Pledgor shall not in any event exercise such rights in any manner that would reasonably be expected to have a material adverse effect on the value of the Security Agreement Collateral or the Lien and security interest intended to be granted to Collateral Agent hereunder;

(ii) Such Pledgor shall be entitled to receive and retain, and to utilize free and clear of the Lien hereof, any and all Distributions, but only if and to the extent made in accordance with the provisions of the Credit Agreement; *provided* that, any and all such Distributions consisting of rights or interests in the form of certificated securities shall be delivered to Collateral Agent to hold as Security Agreement Collateral and shall, if received by such Pledgor, be received in trust for the benefit of Collateral Agent, be segregated from the other property or funds of such Pledgor and be delivered to Collateral Agent as Security Agreement Collateral in the same form as so received (with any necessary endorsement), in each case as and when required pursuant to Article III hereof; and

(iii) Without further action or formality, Collateral Agent shall be deemed to have granted to such Pledgor all necessary consents relating to voting rights and shall, if necessary, upon written request of such Pledgor and at the sole cost and expense of the Pledgors, from time to time execute and deliver (or cause to be executed and delivered) to such Pledgor all such instruments as such Pledgor may reasonably request to permit such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to Section 4.08(c)(i) and to receive the Distributions that it is authorized to receive and retain pursuant to Section 4.08(c)(ii).

(d) Upon the occurrence and during the continuance of any Event of Default (and once Borrower or any Pledgor has received written notice relating to such Event of Default from Collateral Agent):

(i) All rights of such Pledgor to exercise the voting and other consensual rights it would otherwise be entitled to exercise pursuant to Section 4.08(c)(i) without any action or the giving of any notice shall cease, and all such rights shall thereupon become vested in Collateral Agent, which shall thereupon have the sole right to exercise such voting and other consensual rights; and

(ii) All rights of such Pledgor to receive Distributions that it would otherwise be authorized to receive and retain pursuant to Section 4.08(c)(ii) shall cease and all such rights shall thereupon become vested in Collateral Agent, who shall thereupon have the sole right to receive and hold as Security Agreement Collateral such Distributions;

provided that, the rights described in clauses (i) and (ii) above shall revert back to such Pledgor following the cure or waiver of such Event of Default.

(e) Such Pledgor shall, at its sole cost and expense, from time to time execute and deliver to Collateral Agent appropriate instruments as Collateral Agent may request to permit Collateral Agent to exercise the voting and other rights that it may be entitled to exercise pursuant to Section 4.08(d)(i) and to receive all Distributions that it may be entitled to receive under Section 4.08(d)(ii).

(f) All Distributions that are received by such Pledgor contrary to the provisions of Section 4.08(d)(ii) shall be received in trust for the benefit of Collateral Agent, shall be segregated from other funds of such Pledgor and shall promptly be paid over to Collateral Agent as Security Agreement Collateral in the same form as so received (with any necessary endorsement).

SECTION 4.09. Certain Provisions Concerning Intellectual Property.

(a) Such Pledgor agrees that it will not, nor will it knowingly permit or authorize any of its licensees to, do any act, or omit to do any act, whereby any issued Patent may become invalidated, dedicated to the public, or unenforceable, and agrees that it shall continue to mark any products covered by a Patent with the relevant Patent Number or indication that such product is subject to a pending Patent application as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws, except where the failure to so mark would not be reasonably likely to result in a Material Adverse Effect.

(b) Such Pledgor (either itself or through its licensees or its sublicensees) will, for each material Trademark, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for nonuse, (ii) not materially diminish the value of such Trademark or the goodwill associated therewith, (iii) display such Trademark with notice of federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law, except where the failure to display with such notice would not be reasonably likely to result in a Material Adverse Effect, and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any third party rights.

(c) Such Pledgor (either itself or through licensees) will, for each work covered by a material Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws, except where the failure to include notice would not be reasonably likely to result in a Material Adverse Effect.

(d) Such Pledgor shall notify Collateral Agent promptly if it knows or has reason to know that any Intellectual Property material to such Pledgor's business (whether individually or in the aggregate) may become, or knows of circumstances that would cause any such Intellectual Property to become: (i) abandoned, lost or dedicated to the public; (ii) invalid or unenforceable; or (iii) subject to any adverse determination or development regarding such Pledgor's ownership of any Intellectual Property, its right to register the same, or to keep and maintain the same.

(e) Such Pledgor will take all reasonable steps in the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States, Canada or in any other country, to maintain and pursue each application relating to the Intellectual Property (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and to initiate opposition, interference and cancellation proceedings against third parties, in each case where necessary for the operation of such Pledgor's business as presently conducted and as contemplated by the Credit Agreement.

(f) In the event that such Pledgor knows that any Security Agreement Collateral consisting of Intellectual Property material to the conduct of such Pledgor's business has been or is about to be infringed, misappropriated or diluted by a third party, such Pledgor promptly shall notify Collateral Agent and shall promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as are appropriate under the circumstances to protect such Security Agreement Collateral, except where the failure to so notify or take such actions would not be reasonably likely to result in a Material Adverse Effect.

(g) Upon the occurrence and during the continuance of an Event of Default, such Pledgor shall use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each License to effect the assignment of all of such Pledgor's right, title and interest thereunder to the Security Agreement Collateral Agent or its designee.

(h) Solely for the purpose of enabling Collateral Agent to exercise its rights and remedies upon the occurrence of an Event of Default, such Pledgor hereby grants to Collateral Agent, to the extent assignable, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Pledgor) to use, license or sublicense

any of the Intellectual Property now owned or hereafter acquired by such Pledgor, wherever the same may be located, including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

(i) It shall contemporaneously with the delivery of financial statements in accordance with Section 5.01(a) or (b) of the Credit Agreement report to Collateral Agent (i) the filing of any application to register any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any state registry or foreign counterpart of the foregoing (whether such application is filed by such Pledgor or through any agent, employee, licensee, or designee thereof); and (ii) the registration of any Intellectual Property by any such office.

(j) It shall, promptly upon the reasonable request of Collateral Agent, execute and deliver to Collateral Agent any document required to acknowledge, confirm, register, record, or perfect Collateral Agent's security interest granted hereunder in any part of the Intellectual Property, whether now owned or hereafter acquired.

(k) Except with the prior consent of Collateral Agent or as permitted under the Credit Agreement, such Pledgor shall not execute any financing statement or other document or instrument, and there will not be on file in any public office any effective financing statement or other document or instruments, except financing statements or other documents or instruments filed or to be filed in favor of Collateral Agent or in respect of Permitted Liens, and such Pledgor shall not sell, assign, transfer, license, grant any option in, or create any Lien, claim, security interest or other encumbrance on or with respect to the Intellectual Property, or suffer to exist any effective Lien, claim, security interest or other encumbrance on or with respect to the Intellectual Property, except for the security interest created by and under this Security Agreement and Permitted Liens as otherwise permitted by the Credit Agreement.

(l) It shall hereafter use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that would materially impair or prevent the creation of a security interest in, or the assignment of, such Pledgor's rights and interests in any property included within the definitions of any Intellectual Property acquired under such contracts.

SECTION 4.10. Inspection and Verification. Collateral Agent or any representative designated by Collateral Agent shall have the same access and inspection rights as granted to the Administrative Agent by the Companies pursuant to Section 5.07 of the Credit Agreement; *provided* that, upon the occurrence and during the continuance of an Event of Default, Collateral Agent and its representatives shall at all times have the right to enter any premises of such Pledgor and inspect any property of such Pledgor where any of the Security Agreement Collateral of such Pledgor is located for the purpose of inspecting the same, observing its use, protecting its interests therein, or otherwise exercising the remedies provided under Article V. For the avoidance of doubt, in respect of Accounts or Security Agreement Collateral in the possession of any third person, upon the occurrence and during the continuance of an Event of Default, Collateral Agent or any designated representative shall have the right to contact such account debtors or third persons in possession of such Security Agreement Collateral for verification purposes. Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any other Secured Party.

SECTION 4.11. Payment of Taxes; Contesting Liens; Claims. Such Pledgor represents and warrants that all Charges imposed on or assessed against the Security Agreement Collateral have been paid and discharged except to the extent such Charges (a) constitute a Permitted Lien or a Lien not yet due and payable or (b) are being contested in good faith by appropriate proceedings and for which such Pledgor shall have set aside on its books adequate reserves in accordance with GAAP. Notwithstanding the foregoing, such Pledgor may at its own expense contest the validity, amount or applicability of any Charges so long as the contest thereof shall satisfy the Contested Collateral Lien Conditions. Notwithstanding the foregoing provisions of this Section 4.11, no contest of any such obligation may be pursued by such Pledgor if such contest would expose Collateral Agent or any other Secured Party to any possible criminal liability.

SECTION 4.12. Transfers and Other Liens. Such Pledgor shall not sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Security Agreement Collateral pledged by it hereunder except as permitted by the Credit Agreement. Such Pledgor shall not make or permit to be made an assignment for security, pledge or hypothecation of the Security Agreement Collateral or shall grant any other Lien in respect of the Security Agreement Collateral, except as permitted by Section 6.02 of the Credit Agreement.

SECTION 4.13. Insurance. Such Pledgor, at its own expense, shall maintain or cause to be maintained, insurance covering physical loss or damage to the Inventory and Equipment in accordance with Section 5.04 of the Credit Agreement. Such Pledgor irrevocably makes, constitutes and appoints Collateral Agent (and all officers, employees or agents designated by Collateral Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purposes, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Security Agreement Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that such Pledgor at any time or times fails to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or in part relating thereto, Collateral Agent may, without waiving or releasing any obligation or liability of any Pledgor hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as Collateral Agent deems advisable. All sums disbursed by Collateral Agent in connection with this Section 4.13, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Pledgors to Collateral Agent and shall be additional Secured Obligations.

ARTICLE V

Remedies

SECTION 5.01. Remedies. Upon the occurrence and during the continuance of any Event of Default, Collateral Agent may from time to time exercise in respect of the Security Agreement Collateral, in addition to the other rights and remedies provided for herein or otherwise available to it:

(a) Personally, or by agents or attorneys, immediately take possession of the Security Agreement Collateral or any part thereof, from any Pledgor or any other person who then has possession of any part thereof with or without notice or process of law, and for that

(b) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Security Agreement Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Security Agreement Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; *provided* that, in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of Collateral Agent and shall promptly (but in no event later than one Business Day after receipt thereof) pay such amounts into the Collateral Account;

(c) Sell, assign, grant a license to use or otherwise liquidate, or direct any Pledgor to sell, assign, grant a license to use or otherwise liquidate, any and all investments made in whole or in part with the Security Agreement Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, license or liquidation;

(d) Take possession of the Security Agreement Collateral or any part thereof by directing any Pledgor in writing to deliver the same to Collateral Agent at any place or places so designated by Collateral Agent, in which event such Pledgor shall at its own expense:

- (i) forthwith cause the same to be moved to the place or places designated by Collateral Agent and there delivered to Collateral Agent,
- (ii) store and keep any Security Agreement Collateral so delivered to Collateral Agent at such place or places pending further action by Collateral Agent and
- (iii) while the Security Agreement Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Security Agreement Collateral as contemplated in this Section 5.01(d) is of the essence hereof. Upon application to a court of equity having jurisdiction, Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;

(e) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor constituting Security Agreement Collateral for application to the Secured Obligations as provided in Article IX of the Credit Agreement;

(f) Retain and apply the Distributions to the Secured Obligations as provided in the Credit Agreement;

(g) Exercise any and all rights as beneficial and legal owner of the Security Agreement Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Security Agreement Collateral; and

(h) All the rights and remedies of a secured party on default under the UCC, and Collateral Agent may also in its sole discretion, without notice except as specified in

Section 5.02, sell, assign or grant a license to use the Security Agreement Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and on such other terms as Collateral Agent deems commercially reasonable. Collateral Agent or any other Secured Party or any of their respective Affiliates may be the purchaser, licensee, assignee or recipient of any or all of the Security Agreement Collateral at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Security Agreement Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations owed to such person as a credit on account of the purchase price of any Security Agreement Collateral payable by such person at such sale. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Collateral Agent shall not be obligated to make any sale of Security Agreement Collateral regardless of notice of sale having been given. Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest extent permitted by law, any claims against Collateral Agent arising by reason of the fact that the price at which any Security Agreement Collateral may have been sold, assigned or licensed at such a private sale was less than the price that might have been obtained at a public sale, even if Collateral Agent accepts the first offer received and does not offer such Security Agreement Collateral to more than one offeree.

(i) Upon the written demand of Collateral Agent, each Pledgor shall execute and deliver to Collateral Agent an assignment or assignments of the registered Intellectual Property and such other documents as are necessary or appropriate to carry out the intent and purposes hereof.

SECTION 5.02. Notice of Sale. Each Pledgor acknowledges and agrees that, to the extent notice of sale shall be required by law, ten days' notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, during the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

SECTION 5.03. Waiver of Notice and Claims. Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with Collateral Agent's taking possession or Collateral Agent's disposition of any of the Security Agreement Collateral, including any and all prior notice and hearing for any prejudgment remedy or remedies and any such right that such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (a) all damages occasioned by such taking of possession, (b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of Collateral Agent's rights hereunder and (c) all rights of redemption, appraisal, valuation, stay, extension and moratorium now or hereafter in force under any applicable law. Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article V in the absence of gross negligence or willful misconduct. Any sale of, or the grant of options to purchase, or any other realization on, any Security Agreement Collateral shall operate to divest all right, title, interest, claim and

demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all persons claiming or attempting to claim the Security Agreement Collateral so sold, optioned or realized on, or any part thereof, from, through or under such Pledgor.

SECTION 5.04. Certain Sales of Security Agreement Collateral. Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral, to limit purchasers to persons who will agree, among other things, to acquire such Securities Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favorable to Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act), and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would agree to do so.

SECTION 5.05. No Waiver; Cumulative Remedies.

(a) No failure on the part of Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy; nor shall Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guarantees. The remedies herein provided are cumulative and are not exclusive of any remedies provided by law.

(b) In the event that Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to Collateral Agent, then and in every such case, the Pledgors, Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Security Agreement Collateral, and all rights, remedies and powers of Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

ARTICLE VI

Obligations Absolute; Waivers

SECTION 6.01. Liability of the Pledgors Absolute. Each Pledgor agrees that its obligations hereunder are irrevocable, absolute, independent, unconditional, and shall not be affected by any circumstance that constitutes a legal or equitable discharge of a pledgor or surety, except for payment in full of the Secured Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Pledgor agrees as follows:

(a) the obligations of each Pledgor hereunder are independent of the obligations of each other Pledgor and each guarantor of the obligations of the Loan Parties, and separate actions may be brought and prosecuted against such Pledgor whether or not any action is brought against any other Pledgor or guarantor, and whether or not such other Pledgor or guarantor is joined in any such actions;

(b) payment by any Loan Party of a portion of the Secured Obligations shall in no way limit, affect, modify or abridge such Pledgor's grant hereunder securing any portion of the Secured Obligations that has not been paid. By way of example and without limiting the generality of the foregoing, if Collateral Agent is awarded a judgment in any suit brought to enforce any Loan Party's covenant to pay a portion of the Secured Obligations, such judgment shall not be deemed to release such Pledgor from its grant hereunder securing the portion of the Secured Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Pledgor, limit, affect, modify or abridge any other Pledgor's grant hereunder securing the Secured Obligations;

(c) upon such terms as Collateral Agent deems appropriate, without obligation to give notice or demand, without affecting the validity or enforceability hereof, and without giving rise to any reduction, limitation, impairment, discharge or termination of the security interests granted hereunder or such Pledgor's liability hereunder, Collateral Agent may, from time to time, (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place and manner or terms of payment of any of the Secured Obligations in accordance with the terms of the other Loan Documents; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, any of the Secured Obligations or any agreement relating thereto, or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other pledges as security for any of the Secured Obligations, and take and hold security for the payment hereof or any of the Secured Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of any of the Secured Obligations, any guarantees of any of the Secured Obligations, or any other obligation of any person (including any other Pledgor) with respect to any of the Secured Obligations; (v) enforce and apply any security now or hereafter held by it in respect hereof or any of the Secured Obligations, and direct the order or manner of sale thereof, or exercise any other right or remedy that it may have against any such security, including foreclosure on any such security in accordance with one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is economically reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Pledgor against any other Loan Party, or any security for any of the Secured Obligations; and (vi) exercise any other rights available to it under the Loan Documents; and

(d) this Agreement and such Pledgor's obligations hereunder shall be valid and enforceable, and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of all the Secured Obligations), including the occurrence of any of the following (whether or not such Pledgor shall have had notice or knowledge of any of them): (i) any failure or omission to assert or enforce, any agreement or election not to assert or enforce, or any stay or enjoining by order of any court, by operation of law or otherwise, of the exercise or enforcement of any claim or demand, or any right, power or remedy (whether arising under the Loan Documents, at law, in equity, or otherwise) with respect to the Secured Obligations or any agreement related thereto, or with respect to any other guarantee of or security for the payment of the Secured Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the

terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents, any agreement or instrument executed pursuant thereto, or any guarantee or other security for the Secured Obligations or any agreement relating thereto at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents or from the proceeds of any security for the Secured Obligations, except to the extent such security also serves as collateral for Indebtedness other than the Secured Obligations); (v) consent of Collateral Agent or any other Secured Party to the change, reorganization or termination of the corporate structure or existence of any Loan Party or any Subsidiary thereof, and to any corresponding restructuring of the Secured Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral that secures any of the Secured Obligations; (vii) any defenses, set-offs or counterclaims that any Loan Party may allege or assert against Collateral Agent or any other Secured Party in respect of the Secured Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction, and usury; and (viii) any other act, thing or omission, or delay to do any other act or thing, that in any manner and to any extent may vary such Pledgor's risk as a grantor of security securing the Secured Obligations.

SECTION 6.02. General Waivers. Each Pledgor hereby waives, for the benefit of Collateral Agent and the Secured Parties: (a) all rights to require Collateral Agent or any other Secured Party, as a condition to exercising Collateral Agent's rights hereunder against the Security Agreement Collateral, to (i) proceed against any other Loan Party, any other pledgor (including any other Pledgor) of security securing any of the Secured Obligations, or any other person, (ii) proceed against or exhaust any security held from any other Loan Party, any such other pledgor or any other person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of Collateral Agent or any other Secured Party in favor of any other Loan Party or any other person, or (iv) pursue any other remedy whatsoever in the capacity of secured party; (b) any defense arising by reason of incapacity, lack of authority, or any disability or other defenses of any other Loan Party, including any defense based on or arising from the lack of validity or enforceability of any of the Secured Obligations or any agreement or instrument relating thereto, or by reason of the cessation of the liability of any other Loan Party from any cause other than the payment in full of all the Secured Obligations; (c) any defense based on any statute or rule of law that provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based on errors or omissions by Collateral Agent or any other Secured Party in the administration of any of the Secured Obligations, except behavior that amounts to bad faith, gross negligence or willful misconduct; (e) any principles or provisions of law, statutory or otherwise, that are or may be in conflict with the terms hereof, and any legal or equitable discharge of such Pledgor's obligations hereunder; (f) the benefit of any statute of limitations affecting such Pledgor's counterclaims; (g) promptness, diligence and any requirement that Collateral Agent or any other Secured Party protect, secure, perfect or insure any security interest or Lien or any property subject thereto; (h) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, notices of any renewal, extension or modification of any of the Secured Obligations or any agreement related thereto, notices of any extension of credit to any other Loan party and notices of any of the matters referred to in Section 6.01, and any right to consent to any thereof; and (i) any defenses or benefits that may be derived from or afforded by law that limit the liability of or exonerate pledgors or sureties, or that may conflict with the terms hereof.

SECTION 6.03. California Waivers. For purposes of this Section 6.03 only, references to the "principal" include each Loan Party and references to the "creditor"

include each Secured Party. In accordance with Section 2856 of the California Civil Code, each Pledgor waives all rights and defenses (i) available to such Pledgor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses such Pledgor may have by reason of protection afforded to the principal with respect to any of the Secured Obligations, or to any other person liable for any of the Secured Obligations, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal' s Indebtedness or such person' s obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Secured Obligation (or any obligation of any other person of any of the Secured Obligations), has destroyed such Pledgor' s right of subrogation and reimbursement against the principal (or such other person), by operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Agreement shall be construed as limiting the generality of any of the covenants and waivers set forth in this Section 6.03. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This Section 6.03 is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Agreement or to any of the Secured Obligations.

ARTICLE VII

Miscellaneous

SECTION 7.01. Concerning Collateral Agent.

(a) Collateral Agent has been appointed as Collateral Agent pursuant to Article X of the Credit Agreement. The actions of Collateral Agent hereunder are subject to the provisions of the Credit Agreement. Collateral Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Security Agreement Collateral), in accordance with this Agreement and the Credit Agreement. Collateral Agent may employ agents and attorneys-in-fact in connection herewith. Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent' s resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Collateral Agent.

(b) Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Security Agreement Collateral in its possession if such Security Agreement Collateral is accorded treatment substantially equivalent to that which Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not Collateral Agent or any other Secured Party has or is deemed to have knowledge

of such matters, or (ii) taking any necessary steps to preserve rights against any person with respect to any Security Agreement Collateral.

(c) Collateral Agent shall be entitled to rely on any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Agreement and its duties hereunder, on advice of counsel selected by it.

(d) With respect to any of its rights and obligations as a Lender, Collateral Agent shall have and may exercise the same rights and powers hereunder. The term "Lenders," "Lender" or any similar terms shall, unless the context clearly otherwise indicates, include Collateral Agent in its individual capacity as a Lender. Collateral Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with such Pledgor or any Affiliate of such Pledgor to the same extent as if Collateral Agent were not acting as Collateral Agent.

(e) If any item of Security Agreement Collateral also constitutes collateral granted to Collateral Agent under any other security agreement, pledge or instrument of any type, in the event of any conflict between the provisions hereof and the provisions of such other deed of trust, mortgage, security agreement, pledge or instrument of any type in respect of such collateral, Collateral Agent, in its sole discretion, shall select which provision or provisions shall control.

SECTION 7.02. Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact. If an Event of Default shall have occurred and be continuing, Collateral Agent may (but shall not be obligated to) remedy or cause to be remedied any such breach, and may expend funds for such purpose; *provided that*, Collateral Agent shall in no event be bound to inquire into the validity of any tax, lien, imposition or other obligation that such Pledgor fails to pay or perform as and when required hereby and that such Pledgor does not contest in accordance with the provision of Section 6.02 of the Credit Agreement. Any and all amounts so expended by Collateral Agent shall be paid by the Pledgors in accordance with the provisions of Section 7.03. Neither the provisions of this Section 7.02 nor any action taken by Collateral Agent pursuant to the provisions of this Section 7.02 shall prevent any such failure by any Pledgor to observe any covenant contained in this Agreement nor any breach of warranty from constituting an Event of Default. Each Pledgor hereby appoints Collateral Agent its attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time during the continuance of an Event of Default in Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms hereof and the other Loan Documents that Collateral Agent may deem necessary or advisable to accomplish the purposes hereof. The foregoing grant of authority is an irrevocable power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

SECTION 7.03. Expenses. Each Pledgor will promptly pay to Collateral Agent the amount of any and all costs and expenses, including the reasonable fees and expenses of its counsel and the fees and expenses of any experts and agents, that Collateral Agent may incur in connection with this Agreement, including all costs and expenses relating to (a) any and all filings and other actions taken to ensure the attachment, perfection and priority of, and the ability of Collateral Agent to enforce, Collateral Agent's security interest in the Security

Agreement Collateral; (b) any action, suit or other proceeding affecting the Security Agreement Collateral or any part thereof commenced, in which action, suit or proceeding Collateral Agent is made a party or participates or in which the right to use the Security Agreement Collateral or any part thereof is threatened, or in which it becomes necessary in the judgment of Collateral Agent to defend or uphold the Lien hereof (including any action, suit or proceeding to establish or uphold the compliance of the Security Agreement Collateral with any requirements of any Governmental Authority or law); (c) the collection of the Secured Obligations; (d) the enforcement and administration hereof; (e) the custody or preservation of, or the sale of, collection from, or other realization on, any of the Security Agreement Collateral; (f) the exercise or enforcement of any of the rights of Collateral Agent or any Secured Party hereunder; or (g) the failure by any Pledgor to perform or observe any of the provisions hereof. All amounts expended by Collateral Agent and payable by any Pledgor under this Section 7.03 shall be due upon demand therefor (together with interest thereon accruing at the default rate during the period from and including the date on which such funds were so expended to the date of repayment) and shall be part of the Secured Obligations. Each Pledgor's obligations under this Section 7.03 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 7.04. Indemnity.

(a) **Indemnity.** Each Pledgor agrees to indemnify, defend and hold harmless Collateral Agent and each of the other Secured Parties, and the officers, directors, employees, agents and Affiliates of Collateral Agent and each of the other Secured Parties (collectively, the "**Indemnitees**") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs (including settlement costs), expenses or disbursements of any kind or nature whatsoever (including the fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding, commenced or threatened, whether or not such Indemnitee shall be designated a party thereto) that may be imposed on, incurred by, or asserted against that Indemnitee, in any manner relating to or arising out of this Agreement or any other Loan Document (including any misrepresentation by any Pledgor in this Agreement or any other Loan Document) (the "**Indemnified Liabilities**"); *provided* that, no Pledgor shall have any obligation to an Indemnitee hereunder with respect to Indemnified Liabilities if it has been determined by a final decision of a court of competent jurisdiction that such Indemnified Liabilities arose from the gross negligence or willful misconduct of that Indemnitee. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, each Pledgor shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them.

(b) **Survival.** The obligations of the Pledgors contained in this Section 7.04 shall survive the termination hereof and the discharge of the Pledgors' other obligations under this Agreement, any Hedging Agreement and under the other Loan Documents.

(c) **Reimbursement.** Any amounts paid by any Indemnitee as to which such Indemnitee has the right to reimbursement shall constitute Secured Obligations secured by the Security Agreement Collateral.

SECTION 7.05. Continuing Security Interest; Assignment. This Agreement shall create a continuing security interest in the Security Agreement Collateral and shall (a) remain in full force and effect until the payment in full of all Secured Obligations, (b) be

binding on the Pledgors, their respective successors and assigns, and (b) inure, together with the rights and remedies of the Lender hereunder, to the benefit of Collateral Agent and the other Secured Parties and each of their respective permitted successors, transferees and assigns. No other persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (b), any Secured Party may assign or otherwise transfer any Indebtedness held by it that is secured by this Agreement to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the other Loan Documents and any Hedging Agreement to which such Secured Party is a party.

SECTION 7.06. Termination; Release. Upon payment in full of all the Secured Obligations, or upon any partial release of Security Agreement Collateral in accordance with the other Loan Documents, the security interests granted hereby shall terminate hereunder and of record, and all rights to the Security Agreement Collateral shall revert to the Pledgors, it being understood that in the case any such partial release, the security interests granted hereby shall terminate hereunder and of record only with respect to such Security Agreement Collateral subject to such partial release. Upon any such termination, Collateral Agent shall, at the Pledgors' expense, execute and deliver to the Pledgors such documents, and take such other actions, as the Pledgors reasonably request to evidence such termination.

Notwithstanding anything to the contrary contained herein, the Collateral Agent and the other Secured Parties agree to cooperate with each Pledgor with respect to any sale of Security Agreement Collateral permitted by Section 6.04 of the Credit Agreement and promptly take such action and execute and deliver such instruments and documents necessary to release the Liens and security interests created hereby relating to any of the assets or property affected by any sale of Security Agreement Collateral permitted by Section 6.04 of the Credit Agreement (including, without limitation, any necessary Uniform Commercial Code amendment, termination or partial termination statement).

SECTION 7.07. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement and unless in writing and signed by Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement or any other document evidencing the Secured Obligations, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

SECTION 7.08. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement, if to any Pledgor, addressed to it at the address of Borrower set forth in the Credit Agreement, and if to Collateral Agent, addressed to it at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 7.08.

SECTION 7.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), EXCEPT TO THE EXTENT, IN ACCORDANCE WITH CHOICE-OF-LAW PRINCIPLES, THAT THE PERFECTION OF THE SECURITY INTERESTS GRANTED HEREUNDER, OR REMEDIES HEREUNDER IN RESPECT OF ANY ITEM OR TYPE OF SECURITY AGREEMENT COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

(b) Each Pledgor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that Collateral Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Pledgor or its properties in the courts of any jurisdiction.

(c) Each Pledgor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in Section 7.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.08. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 7.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.

SECTION 7.11. Severability of Provisions. Any provision hereof that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 7.12. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement.

SECTION 7.13. Business Days. In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

SECTION 7.14. No Credit for Payment of Taxes or Imposition. Each Pledgor shall not be entitled to any credit against the principal, premium (if any), or interest payable under the Credit Agreement, and such Pledgor shall not be entitled to any credit against any other sums that may become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Security Agreement Collateral or any part thereof.

SECTION 7.15. No Claims Against Collateral Agent. Nothing contained in this Agreement shall constitute any consent or request by Collateral Agent, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Security Agreement Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 7.16. No Release Under Agreements; No Liability of Collateral Agent or Secured Parties. Nothing set forth in this Agreement shall relieve the Pledgor from the performance of any term, covenant, condition or agreement on the Pledgor' s part to be performed or observed under or in respect of any of the Security Agreement Collateral, or from any liability to any person under or in respect of any of the Security Agreement Collateral, or shall impose any obligation on Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on the Pledgor' s part to be so performed or observed, or shall impose any liability on Collateral Agent or any other Secured Party for any act or omission on the part of the Pledgor relating thereto or for any breach of any Hedging Agreement, any representation or warranty on the part of the Pledgor contained in this Agreement, Credit Agreement or the other Security Documents, or under or in respect of the Security Agreement Collateral or made in connection herewith or therewith. The obligations of the Pledgor contained in this Section 7.16 shall survive the termination hereof and the discharge of the Pledgor' s other obligations under this Agreement, the Credit Agreement, any Hedging Agreement and the other Security Documents.

SECTION 7.17. Obligations Absolute. Subject to Section 7.09 of the Credit Agreement, all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Pledgor or any other Loan Party;

(b) any lack of validity or enforceability of the Credit Agreement, any Hedging Agreement or any other Loan Document, or any other agreement or instrument relating thereto;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, any Hedging Agreement or any other agreement or instrument relating thereto;

(d) any pledge, exchange, release or nonperfection of any other collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations, except to the extent that any such amendment, waiver or consent expressly relieves such Pledgor of any obligations;

(e) any exercise, nonexercise or waiver of any right, remedy, power or privilege under or in respect hereof, the Credit Agreement, any Hedging Agreement or any other Loan Document except as specifically set forth in a waiver granted pursuant to the provisions of Section 5.03; or

(f) any other circumstances that might otherwise constitute a defense available to, or a discharge of, any Pledgor.

SECTION 7.18. Marshaling; Payments Set Aside. Collateral Agent shall not be under any obligation to marshal any assets in favor of any Pledgor or any other person or against or in payment of any or all of the Secured Obligations.

SECTION 7.19. Release of Pledgors. If any Pledgor is released from its Guarantee in accordance with the provisions of the Credit Agreement, then Collateral Agent shall (at the expense of Borrower) take all action necessary to release its security interest in that portion of the Security Agreement Collateral owned by such Pledgor, and shall release such Pledgor from its obligations hereunder (other than obligations intended to survive the termination hereof), in each case subject to and in accordance with Section 7.09 of the Credit Agreement.
