Independent Auditor's Report

We have audited the accompanying statement of financial condition of The Garbacz Group, Inc., as of March 31, 2010, and the related statements of income and retained earnings, cash flows, and changes in stockholders' equity for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Garbacz Group, Inc., as of March 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

NOTE 1 - DESCRIPTION OF BUSINESS:

The Garbacz Group, Inc., a Missouri corporation, was organized in 1990 for the purpose of providing broker-dealer services to its customers. The Company services the Midwest region of the United States and sells stocks and bonds, variable and fixed annuities and mutual funds.

NOTE 2 - CONCENTRATIONS OF CREDIT RISK:

The Company is a registered broker-dealer in securities that introduces its customers to another broker-dealer who carries such accounts on a fully disclosed basis. The Company promptly forwards all funds and securities received in connection with its activities as broker-dealer and does not otherwise hold funds or securities for, or owe money to, customers and does not otherwise carry proprietary or customer accounts.

The Company maintains its cash deposits in various financial institutions, which sometimes include amounts in excess of that insured by the Federal Deposit Insurance Corporation.

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES:

Security transactions and related commission revenue and expense are recorded on a trade date basis.

The Company records temporary investments at market and the unrealized gain/loss is reflected on the books.

Fixed assets are carried at cost, less accumulated depreciation computed using both the straight-line and accelerated methods. Depreciation for the year ended March 31, 2010, is \$3,450. Fixed assets are depreciated as follows:

	<u>Estimated Useful Life</u>	<u>Cost</u>	<u>Depreciation</u>
Equipment, Furniture and Fixtures	3-7 Years	\$ 142,183	\$ 142,183
Automotive Equipment	5-7 Years	<u>56,680</u>	<u>41,795</u>
		\$ <u>198,863</u>	\$ <u>183,978</u>

The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

The Company expenses advertising costs as incurred.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

NOTE 4 - DESCRIPTION OF BUSINESS:

Deferred income taxes result from differences in the timing of revenue and expense recognition for tax purposes and financial reporting purposes.

NOTE 5 – NET CAPITAL REQUIREMENTS:

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At March 31, 2010, the Company had net capital and net capital requirements of approximately \$120,557 and \$50,000, respectively.

NOTE 6 – RESERVE REQUIREMENTS:

The Company is exempt from the reserve requirements of the Securities and Exchange Act of 1934, per section (K)(2)(B) of Rule 15c3—3.

NOTE 7 – LEASES:

In May 2009, the Company renewed its lease agreement commencing July 1, 2009, through June 30, 2012. In the normal course of business, operating leases are generally renewed or replaced by other leases. Required yearly payments are as follows:

2011	\$ 23,718
2012	23,904
2013	23,904
2014	23,904
2015	<u>23,904</u>
	\$ <u>119,334</u>

NOTE 8 – SIMPLIFIED EMPLOYEE PENSION PLAN:

Effective for the year ending March 31, 1997, the Company established a Simplified Employee Pension Plan which covers all eligible employees. A contribution of \$14,337 was made for the current year.

NOTE 9 – SUBSEQUENT EVENTS:

As of March 31, 2010, the Company adopted the provision of the Subsequent Events Topic of the FASB Accounting Standards Codification, which provides guidance to establish general standards of accounting for and disclosures of events that occur after the balance sheet date but before the Company financial statements are issued or are available to be issued. The Company is required to disclose the date through which subsequent events were evaluated as well as the rationale for why that date was selected. The Company has evaluated subsequent events through May 6, 2010, the date of the Report of Independent Auditors. The Codification requires additional disclosures only and therefore did not have an impact on the Company's financial statements.
