This Proxy Statement is furnished in connection with a solicitation of proxies made by, and on behalf of, the Board of Trustees of Fidelity Municipal Trust (the trust) to be used at the Special Meeting of Shareholders of Spartan Michigan Municipal Income Fund, Spartan Minnesota Municipal Income Fund, Spartan Municipal Income Fund, Spartan Ohio Municipal Income Fund, Spartan Pennsylvania Municipal Income Fund, and Spartan Short-Intermediate Municipal Income Fund (the funds) and at any adjournments thereof (the Meeting), to be held on January 16, 2002 at 10:00 a.m. at 27 State Street, 10th Floor, Boston, Massachusetts 02109, an office of the trust and Fidelity Management & Research Company (FMR), the funds' investment adviser.

The purpose of the Meeting is set forth in the accompanying Notice. The solicitation is being made primarily by the mailing of this Proxy Statement and the accompanying proxy card on or about November 19, 2001. Supplementary solicitations may be made by mail, telephone, telegraph, facsimile, electronic means or by personal interview by representatives of the trust. In addition, D.F. King & Co., Inc. may be paid on a per-call basis to solicit shareholders on behalf of the funds at an anticipated cost of approximately \$500 (Spartan Michigan Municipal Income Fund), \$500 (Spartan Minnesota Municipal Income Fund), \$10,000 (Spartan Municipal Income Fund), \$500 (Spartan Ohio Municipal Income Fund), \$500 (Spartan Pennsylvania Municipal Income Fund), and \$500 (Spartan Short-Intermediate Municipal Income Fund). The funds may also arrange to have votes recorded by telephone. D.F. King & Co., Inc. may be paid on a per-call basis for vote-by-phone solicitations on behalf of the funds at an anticipated cost of approximately \$500 (Spartan Michigan Municipal Income Fund), \$500 (Spartan Minnesota Municipal Income Fund), \$5,000 (Spartan Municipal Income Fund), \$500 (Spartan Ohio Municipal Income Fund), \$500 (Spartan Pennsylvania Municipal Income Fund), and \$500 (Spartan Short-Intermediate Municipal Income Fund). If the funds record votes by telephone, they will use procedures designed to authenticate shareholders' identities, to allow shareholders to authorize the voting of their shares in accordance with their instructions, and to confirm that their instructions have been properly recorded. Proxies voted by telephone may be revoked at any time before they are voted in the same manner that proxies voted by mail may be revoked. The expenses in connection with preparing this Proxy Statement and its enclosures and of all solicitations, including telephone voting, will be paid by the funds, provided the expenses do not exceed Spartan Michigan Municipal Income Fund's, Spartan Minnesota Municipal Income Fund's, and Spartan Ohio Municipal Income Fund's existing voluntary expense caps of 0.55%, and Spartan Short-Intermediate Municipal Income Fund's existing expense cap of 0.53%. Expenses exceeding each fund's voluntary (as applicable) expense cap will be paid by FMR. The funds will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of shares.

The principal business address of FMR, each fund's investment adviser and administrator, and Fidelity Distributors Corporation (FDC) each fund's principal underwriter and distribution agent, is 82 Devonshire Street, Boston, Massachusetts 02109. The principal business address of Fidelity Investments Money Management, Inc. (FIMM), sub-adviser to the funds, is 1 Spartan Way, Merrimack, New Hampshire 03054.

If the enclosed proxy card is executed and returned, it may nevertheless be revoked at any time prior to its use by written notification received by the trust, by the execution of a later-dated proxy card, by the trust's receipt of a subsequent valid telephonic vote or by attending the Meeting and voting in person.

All proxy cards solicited by the Board of Trustees that are properly executed and received by the Secretary prior to the Meeting, and are not revoked, will be voted at the Meeting. Shares represented by such proxies will be voted in accordance with the instructions thereon. If no specification is made on a proxy card, it will be voted FOR the matters specified on the proxy card. Only proxies that are voted will be counted towards establishing a quorum. Shareholders should note that while votes to ABSTAIN will count toward establishing a quorum, passage of any proposal being considered at the Meeting will occur only if a sufficient number of votes are cast FOR the proposal. Accordingly, votes to ABSTAIN and votes AGAINST will have the same effect in determining whether the proposal is approved. Broker non-votes will not be counted towards establishing a quorum nor will they be counted as a vote FOR, AGAINST, or to ABSTAIN for any proposal. With respect to fund shares held in Fidelity individual retirement accounts (including Traditional, Rollover, SEP, SARSEP, Roth and SIMPLE IRAs), the IRA Custodian will vote those shares for which it has received instructions from shareholders only in accordance with such instructions. If Fidelity IRA shareholders do not vote their shares, the IRA Custodian will vote their shares for them, in the same proportion as other Fidelity IRA shareholders have voted, but only to the extent necessary to reach quorum at the meeting.

If a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve one or more of the proposed items are not received, or if other matters arise requiring shareholder attention, the persons named as proxy agents may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting or represented by proxy. When voting on a proposed adjournment, the persons named as proxy agents will vote FOR the proposed adjournment all shares that they are entitled to vote with respect to each item, unless directed to vote AGAINST the item, in which case such shares will be voted AGAINST the proposed adjournment with respect to that item. A shareholder vote may be taken on one or more of the items in this Proxy Statement prior to such adjournment if sufficient votes have been received and it is otherwise appropriate.

Shares of each fund of the trust issued and outstanding as of September 30, 2001 are indicated in the following table:

1. TO CONTINUE THE EFFECTIVENESS OF ARTICLE VIII, SECTION 4 OF THE DECLARATION OF TRUST

The Board of Trustees recommends that shareholders vote to continue the effectiveness of Article VIII, Section 4 of the Declaration of Trust.

On September 14, 2000, pursuant to authority granted to the Trustees under Article XII, Section 7 of the Declaration of Trust and applicable laws, the Trustees modified a provision in the Declaration of Trust to resolve any legal uncertainty regarding derivative actions brought on behalf of a fund. Notwithstanding their authority to amend the

Declaration of Trust, the Trustees authorized the submission of this amendment to shareholders to vote on the continued effectiveness of the provision. The amended provision currently in effect is set forth below.

Section 4. A Shareholder may bring derivative action on behalf of the Trust only if the Shareholder or Shareholders first make a pre-suit demand upon the Trustees to bring the subject action unless an effort to cause the Trustees to bring such action is excused. A demand on the Trustees shall only be excused if a majority of the Board of Trustees, or a majority of any committee established to consider such action, has a personal financial interest in the action at issue. A Trustee shall not be deemed to have a personal financial interest in an action or otherwise be disqualified from ruling on a Shareholder demand by virtue of the fact that such Trustee receives remuneration from his service on the Board of Trustees of the Trust or on the boards of one or more investment companies with the same or an affiliated investment advisor or underwriter.

The amendment provides that a Trustee shall not be deemed to have a personal interest or otherwise be disqualified from considering a pre-suit demand by a shareholder to bring a derivative action on behalf of a fund due to his or her service on boards of trustees of other funds with the same or affiliated investment advisor or underwriter. There is some legal uncertainty regarding whether a Trustee serving on multiple boards of trustees is independent of the investment advisor and, therefore, permitted to consider a pre-suit demand by a shareholder seeking to assert a claim against a fund's investment advisor. The Trustees seek to ensure that they retain the ability to manage the affairs of the funds, including control of derivative actions that are brought on behalf of a fund. This provision in the amendment will resolve any legal uncertainty by expressly stating that a Trustee shall not be deemed to have a personal interest or otherwise be disqualified from considering a pre-suit demand due to his or her service on multiple fund boards of trustees.

Continuing the effectiveness of the amendment will *not* alter in any way the Trustees' existing fiduciary obligations to act with due care and in shareholders' interests.

If shareholders do not vote to continue the provision's effectiveness, the Trustees will execute an amended and restated Declaration of Trust which eliminates Article VIII, Section 4.

Conclusion. The Board of Trustees has concluded that continuing the effectiveness of the amendment to Article VIII, Section 4 of the Declaration of Trust is in the best interests of the trust's shareholders. Accordingly, the Trustees unanimously recommend that shareholders vote FOR the proposal. If the proposal is approved, Article VIII, Section 4 will remain in the Declaration of Trust as presented above. If the proposal is not approved, the Trustees will execute an amended and restated Declaration of Trust which eliminates Article VIII, Section 4.

2. TO AUTHORIZE THE TRUSTEES TO ADOPT AN AMENDED AND RESTATED DECLARATION OF TRUST.

The Board of Trustees has approved, and recommends that the shareholders of the trust authorize them to adopt and execute, an amended and restated Declaration of Trust in the form attached to this Proxy Statement as Exhibit 1 (New Declaration of Trust). The New Declaration of Trust has been marked to show changes from the trust's existing Declaration of Trust (Current Declaration of Trust). The New Declaration of Trust is a standard form that will be used for all new Fidelity funds organized as Massachusetts business trusts going forward.

The New Declaration of Trust gives the Trustees more flexibility and, subject to applicable requirements of the 1940 Act and Massachusetts law, broader authority to act. This increased flexibility may allow the Trustees to react more quickly to changes in competitive and regulatory conditions and, as a consequence, may allow the funds to operate in a more efficient and economical manner. Adoption of the New Declaration of Trust will not alter in any way the Trustees' existing fiduciary obligations to act with due care and in the shareholders' interests. Before utilizing any new flexibility that the New Declaration of Trust may afford, the Trustees must first consider the shareholders' interests and then act in accordance with such interests.

Under the Current Declaration of Trust, shareholders generally have the right to vote on any amendment affecting their right to vote, any amendment affecting the amendment provisions of the Declaration of Trust, any amendment that would alter the maximum number of Trustees, any amendment required by law or the trust's registration statement, and any matter submitted to the shareholders by the Trustees. On November 18, 1999, the Trustees approved the form of the New Declaration of Trust. On December 14, 2000, the Trustees approved additional changes to the form of the New Declaration of Trust, which changes have been incorporated into the form attached to this Proxy Statement. On June 14, 2001, the Board authorized the submission of the New Declaration of Trust to the trust's shareholders for their authorization at this Meeting.

The New Declaration of Trust amends the Current Declaration of Trust in three significant ways.

Number of Trustees. The New Declaration of Trust modifies the Current Declaration of Trust to allow the Trustees to increase the maximum number of Trustees from twelve (12) to fourteen (14). This increase is intended to enhance the flexibility of the Board to organize itself and its committees in overseeing management of the Fidelity funds and to expand the level of the Board's expertise. Under the Current Declaration of Trust and the New Declaration of Trust the maximum number of Trustees cannot be changed without shareholder approval.

Mergers, Consolidations, Incorporations, Reorganizations. The New Declaration of Trust explicitly allows the Trustees to authorize the merger, consolidation, incorporation or reorganization of a class or a portion of the trust or a series or class thereof in addition to the merger, consolidation, incorporation or reorganization of the whole trust or a series thereof. Providing the Trustees with additional flexibility with respect to classes and a portion of the trust or its series or classes will allow the Trustees to respond more quickly to changes without the cost of an additional shareholder meeting. The Trustees already have this authority with respect to the trust and its series.

The New Declaration of Trust does *not* give the Trustees the authority to merge a fund or class with another operating mutual fund or sell all or a portion of a class or fund's assets to another operating mutual fund without first seeking shareholder approval. Under the New Declaration of Trust, shareholder approval is still required for these transactions.

In addition, the New Declaration of Trust explicitly allows the Trustees to effect mergers, consolidations, incorporations, reorganizations and similar transactions through any method approved by the Trustees, including share-for-share exchanges, transfers or sale of assets, shareholder in-kind redemptions and purchases, and exchange offers.

Initial Approval of Management Contracts. The New Declaration of Trust modifies the Current Declaration of Trust to allow the Trustees, on behalf of a new fund, to enter into a management contract with FMR subject to the provisions of Section 15 of the 1940 Act, as modified or interpreted by the Securities and Exchange Commission (SEC). The Current Declaration of Trust explicitly requires the vote of a majority of the outstanding voting securities of a fund to initially approve such a contract. The SEC permits the sole initial shareholder, usually FMR or an affiliate, to approve the initial management contract rather than the fund's public shareholders. The New Declaration of Trust would clarify that approval by the sole initial shareholder is sufficient if permitted by the SEC.

Conclusion. The Board of Trustees has concluded that the proposed adoption of the New Declaration of Trust is in the best interests of the trust's shareholders. Accordingly, the Trustees unanimously recommend that the shareholders vote FOR the proposal to authorize them to adopt and execute the New Declaration of Trust. If the proposal is not approved, the Current Declaration of Trust will remain unchanged and in effect. Please note that, notwithstanding approval of Proposal 2, if Proposal 1 is not approved, the Trustees will execute an amended and restated Declaration of Trust that eliminates Section 4 of Article VIII.

3. TO ELECT A BOARD OF TRUSTEES.

The purpose of this proposal is to elect a Board of Trustees of the trust. The Trustees have determined that the Board of Trustees should be expanded from a maximum of twelve to a maximum of fourteen members and have fixed the

number of Trustees at thirteen. Pursuant to the provisions of the Declaration of Trust of Fidelity Municipal Trust, the increase in the size of the Board of Trustees is subject to shareholder approval (see Proposal 2). If shareholders approve expansion of the Board of Trustees, it is intended that the enclosed proxy card will be voted for the election as Trustees of the thirteen nominees listed below unless such authority has been withheld in the proxy card. Otherwise, the number of Trustees will continue to be fixed at twelve and the enclosed proxy card will be voted for all nominees listed below except for William S. Stavropoulos, unless such authority has been withheld in the proxy card.

Except for Mr. Stavropoulos, all nominees named below are currently Trustees of Fidelity Municipal Trust and have served in that capacity continuously since originally elected or appointed. J. Michael Cook, Abigail P. Johnson, Marie L. Knowles, and Ned C. Lautenbach were selected by the trust's Nominating and Administration Committee (see page ___) and were appointed to the Board on January 1, 2001, June 15, 2001, January 1, 2001, and January 1, 2000 respectively. Mr. Stavropoulos is currently a Member of the Advisory Board of the trust. Mr. Stavropoulos was selected by the trust's Nominating and Administration Committee and was appointed as a Member of the Advisory Board on November 1, 2000. Except for Edward C. Johnson 3d and Ms. Johnson, none of the nominees are related to one another. Ms. Johnson is Mr. Johnson's daughter.

Those nominees indicated by an asterisk (*) are "interested persons" of the trust by virtue of, among other things, their affiliation with either the trust, the funds' investment adviser (FMR, or the Adviser), or the funds' distribution agent, FDC. The business address of each nominee who is an "interested person" is 82 Devonshire Street, Boston, Massachusetts 02109, and the business address of all other nominees is Fidelity Investments, P.O. Box 9235, Boston, Massachusetts 02205-9235.

Except for Mr. Cook, Robert M. Gates, Ms. Johnson, Ms. Knowles, Mr. Lautenbach, and Mr. Stavropoulos, each of the nominees is currently a Trustee of 56 registered investment companies advised by FMR. Mr. Gates is currently a Trustee of 55 registered investment companies advised by FMR. Messrs. Cook and Lautenbach and Meses. Johnson and Knowles are currently Trustees of 54 registered investment companies advised by FMR. Mr. Stavropoulos is currently a Trustee of 21 registered investment companies advised by FMR.

If shareholders approve an increase in the size of the Board of Trustees, in the election of Trustees, those thirteen nominees receiving the highest number of votes cast at the Meeting, provided a quorum is present, shall be elected. If shareholders do not approve an increase in the size of the Board of Trustees, in the election of Trustees, those twelve nominees (not including Mr. Stavropoulos) receiving the highest number of votes cast at the Meeting, provided a quorum is present, shall be elected.

[As of September 30, 2001 the nominees, Trustees and officers of the trust and [each/the] fund[s] owned, in the aggregate, less than 1% of [each/the] fund['s/s'] outstanding shares.]

If elected, the Trustees will hold office without limit in time except that (a) any Trustee may resign; (b) any Trustee may be removed by written instrument, signed by at least two-thirds of the number of Trustees prior to such removal; (c) any Trustee who requests to be retired or who has become incapacitated by illness or injury may be retired by written instrument signed by a majority of the other Trustees; and (d) a Trustee may be removed at any Special Meeting of shareholders by a two-thirds vote of the outstanding voting securities of the trust. In case a vacancy shall for any reason exist, the remaining Trustees will fill such vacancy by appointing another Trustee, so long as, immediately after such appointment, at least two-thirds of the Trustees have been elected by shareholders. If, at any time, less than a majority of the Trustees holding office has been elected by the shareholders, the Trustees then in office will promptly call a shareholders' meeting for the purpose of electing a Board of Trustees. Otherwise, there will normally be no meeting of shareholders for the purpose of electing Trustees.

The trust's Board, which is currently composed of three interested and nine non-interested Trustees, met eleven times during the twelve months ended December 31, 2000. It is expected that the Trustees will meet at least ten times a year at regularly scheduled meetings.

The trust's Audit Committee is composed entirely of Trustees who are not interested persons of the trust, FMR or its affiliates and normally meets four times a year, or as required, in conjunction with meetings of the Board of Trustees. Currently, Messrs. Kirk (Chairman), Gates and Lautenbach, and Ms. Knowles are members of the committee. The committee oversees and monitors the trust's internal control structure, its auditing function and its financial reporting process, including the resolution of material reporting issues. The committee recommends to the Board of Trustees the appointment of auditors for the trust. It reviews audit plans, fees and other material arrangements in respect of the engagement of auditors, including non-audit services to be performed. It reviews the qualifications of key personnel involved in the foregoing activities. The committee plays an oversight role in respect of the trust's investment compliance procedures and the code of ethics. During the twelve months ended December 31, 2000, the committee held five meetings. For additional information on each fund's auditor, refer to the section entitled "Independent Accountants" [beginning] on page [31].

The trust's Nominating and Administration Committee is currently composed of Messrs. Mann (Chairman), Cox, and Gates. The committee members confer periodically and hold meetings as required. The committee makes nominations for independent trustees, and for membership on committees. The committee periodically reviews procedures and policies of the Board of Trustees and committees. It acts as the administrative committee under the Retirement Plan for non-interested trustees who retired prior to December 30, 1996. It monitors the performance of legal counsel employed by the trust and the independent trustees. The committee in the first instance monitors compliance with, and acts as the administrator of the provisions of the code of ethics applicable to the independent trustees. During the twelve months ended December 31, 2000, the committee held six meetings. The Nominating and Administration

Committee will consider nominees recommended by shareholders. Recommendations should be submitted to the committee in care of the Secretary of the Trust. The trust does not have a compensation committee; such matters are considered by the Nominating and Administration Committee.

The following table sets forth information describing the compensation of each Trustee and Member of the Advisory Board of each fund for his or her services for the fiscal year ended December 31, 2000.

^A Information is for the calendar year ended December 31, 2000 for 247 funds in the complex. Compensation figures include cash, amounts required to be deferred, and may include amounts deferred at the election of Trustees. For the calendar year ended December 31, 2000, the Trustees accrued required deferred compensation from the funds as follows: Ralph F. Cox, \$111,000; Phyllis Burke Davis, \$111,000; Robert M. Gates, \$111,000; Donald J. Kirk,

\$111,000; Ned C. Lautenbach, \$111,000; Marvin L. Mann, \$111,000; William O. McCoy, \$111,000; Gerald C. McDonough, \$141,000; and Thomas R. Williams, \$111,000. Certain of the non-interested Trustees elected voluntarily to defer a portion of their compensation as follows: Ralph F. Cox, \$39,768; Ned C. Lautenbach, \$46,296; William O. McCoy, \$39,768; and Thomas R. Williams, \$46,296.

^B Compensation figures include cash, and may include amounts required to be deferred and amounts deferred at the election of Trustees.

Under a deferred compensation plan adopted in September 1995 and amended in November 1996 and January 2000 (the Plan), non-interested Trustees must defer receipt of a portion of, and may elect to defer receipt of an additional portion of, their annual fees. Amounts deferred under the Plan are treated as though equivalent dollar amounts had been invested in shares of a cross-section of Fidelity funds including funds in each major investment discipline and representing a majority of Fidelity's assets under management (the Reference Funds). The amounts ultimately received by the non-interested Trustees under the Plan will be directly linked to the investment performance of the Reference Funds. Deferral of fees in accordance with the Plan will have a negligible effect on a fund's assets, liabilities, and net income per share, and will not obligate a fund to retain the services of any non-interested Trustee or to pay any particular level of compensation to the non-interested Trustee. A fund may invest in the Reference Funds under the Plan without shareholder approval.

4. TO ELIMINATE FUNDAMENTAL INVESTMENT POLICIES OF SPARTAN MICHIGAN MUNICIPAL INCOME FUND.

The Board of Trustees has approved, and recommends that shareholders of the fund approve, a proposal that would eliminate the fund's fundamental investment policies regarding investing primarily in investment-grade municipal bonds and seeking income exempt from certain business or corporate taxes.

The fund's fundamental investment objective and fundamental investment policies regarding investing primarily in investment-grade municipal bonds and seeking income exempt from certain business or corporate taxes currently read as follows:

"Spartan Michigan Municipal Income Fund seeks a high level of current income exempt from federal income tax and Michigan personal income tax by investing primarily in investment-grade municipal bonds. The fund also seeks income exempt from certain business or corporate taxes."

If the proposal is approved, the fund's fundamental investment objective would remain unchanged but the fundamental investment policies would be eliminated as follows (deleted language is [bracketed]):

"Spartan Michigan Municipal Income Fund seeks a high level of current income exempt from federal income tax and Michigan personal income tax[by investing primarily in investment-grade municipal bonds]. [The fund also seeks income exempt from certain business or corporate taxes.]"

Because the foregoing investment policies are fundamental, they cannot be modified or eliminated without shareholder approval.

Discussion of Proposed Modifications. Eliminating the foregoing fundamental investment policies will allow the fund to more clearly communicate its investment objective and investment strategy to shareholders by standardizing its investment disclosure in a manner consistent with other Fidelity funds with similar investment disciplines.

If the proposal is approved, the fund will continue to rely on its existing fundamental policy of normally investing at least 80% of its assets in municipal securities whose interest is exempt from federal and Michigan personal income taxes. The fund does not currently invest, nor does it intend to invest, in below investment-grade securities.

Additionally, Michigan generally exempts the same securities from business or corporate tax as from personal income taxes, so the deletion of the policy of seeking income exempt from business or corporate taxes would have no material impact on the fund currently. However, the fund would no longer be required to consider business or corporate tax exemption to the extent that differences in tax treatment arise in the future. The proposed change would make the fund's state tax policy consistent with other Fidelity state municipal funds and facilitate compliance monitoring.

Eliminating the fundamental investment policies as proposed is not expected to have any material effect on the way the fund is managed.

Conclusion. The Board of Trustees has concluded that eliminating the fundamental investment policies as described above is in the best interest of the fund and its shareholders. The Trustees recommend voting FOR the proposal. If approved by shareholders, the changes will become effective when disclosure is revised to reflect them. If the proposal is not approved by the shareholders of the fund, the fund's current fundamental investment policies discussed above will not change.

5. TO ELIMINATE FUNDAMENTAL INVESTMENT POLICIES OF SPARTAN OHIO MUNICIPAL INCOME FUND.

The Board of Trustees has approved, and recommends that shareholders of the fund approve, a proposal that would eliminate the fund's fundamental investment policies regarding investing primarily in investment-grade municipal bonds and seeking income exempt from certain business or corporate taxes.

The fund's fundamental investment objective and fundamental investment policies regarding investment-grade municipal bonds and seeking income exempt from certain business or corporate taxes currently read as follows:

"Spartan Ohio Municipal Income Fund seeks a high level of current income exempt from federal income tax and Ohio personal income tax by investing primarily in investment-grade municipal bonds. The fund also seeks income exempt from certain business or corporate taxes."

If the proposal is approved, the fund's fundamental investment objective would remain unchanged but the fundamental investment policies would be eliminated as follows (deleted language is [bracketed]):

"Spartan Ohio Municipal Income Fund seeks a high level of current income exempt from federal income tax and Ohio personal income tax[by investing primarily in investment-grade municipal bonds]. [The fund also seeks income exempt from certain business or corporate taxes.]"

Because the foregoing investment policies are fundamental, they cannot be modified or eliminated without shareholder approval.

Discussion of Proposed Modifications. Eliminating the foregoing fundamental policies will allow the fund to more clearly communicate its investment objective and investment strategy to shareholders by standardizing its investment disclosure in a manner consistent with other Fidelity funds with similar investment disciplines.

If the proposal is approved, the fund will continue to rely on its existing fundamental policy of normally investing at least 80% of its assets in municipal securities whose interest is exempt from federal and Ohio personal income taxes. The fund does not currently invest, nor does it intend to invest, in below investment-grade securities.

Additionally, Ohio generally exempts the same securities from business or corporate tax as from personal income taxes, so the deletion of the policy of seeking income exempt from business or corporate taxes would have no material impact on the fund currently. However, the fund would no longer be required to consider business or corporate tax exemption to the extent that differences in tax treatment arise in the future. The proposed change would make the fund's state tax policy consistent with other Fidelity state municipal funds and facilitate compliance monitoring.

Eliminating the fundamental investment policies as proposed is not expected to have any material effect on the way the fund is managed.

Conclusion. The Board of Trustees has concluded that eliminating the fundamental investment policies as described above is in the best interest of the fund and its shareholders. The Trustees recommend voting FOR the proposal. If approved by shareholders, the changes will become effective when disclosure is revised to reflect them. If the proposal is not approved by the shareholders of a fund, that fund's current fundamental investment policies discussed above will not change.

6. TO ELIMINATE A FUNDAMENTAL INVESTMENT POLICY OF SPARTAN MINNESOTA MUNICIPAL INCOME FUND.

The Board of Trustees has approved, and recommends that shareholders of the fund approve a proposal that would eliminate the fund's fundamental investment policy regarding investing primarily in investment-grade municipal bonds.

The fund's fundamental investment objective and a fundamental investment policy regarding investment-grade municipal bonds currently read as follows:

"Spartan Minnesota Municipal Income Fund seeks a high level of current income exempt from federal income tax and Minnesota personal income tax by investing primarily in investment-grade municipal bonds."

If the proposal is approved, the fund's fundamental investment objective would remain unchanged but the investment policy would be eliminated as follows (deleted language is [bracketed]):

"Spartan Minnesota Municipal Income Fund seeks a high level of current income exempt from federal income tax and Minnesota personal income tax[by investing primarily in investment-grade municipal bonds]."

Because the foregoing investment policy is fundamental, it cannot be modified or eliminated without shareholder approval.

Discussion of Proposed Modification. Eliminating the foregoing fundamental policy will allow the fund to more clearly communicate its investment objective and investment strategies to shareholders by standardizing its investment disclosure in a manner consistent with other Fidelity funds with similar investment disciplines.

If the proposal is approved, the fund will continue to rely on its existing fundamental policy of normally investing at least 80% of its assets in municipal securities whose interest is exempt from federal and Minnesota personal income taxes. The fund does not currently invest, nor does it intend to invest, in below investment-grade securities.

Eliminating the fundamental investment policy as proposed is not expected to have any material effect on the way the fund is managed.

Conclusion. The Board of Trustees has concluded that eliminating the fundamental investment policy as described above is in the best interest of the fund and its shareholders. The Trustees recommend voting FOR the proposal. If approved by shareholders, the change will become effective when disclosure is revised to reflect it. If the proposal is not approved by the fund's shareholders, the fund's current fundamental investment policy discussed above will not change.

7. TO ELIMINATE A FUNDAMENTAL INVESTMENT POLICY OF SPARTAN PENNSYLVANIA MUNICIPAL INCOME FUND.

The Board of Trustees has approved, and recommends that the shareholders of the fund approve, a proposal that would eliminate the fund's fundamental investment policy regarding being fully invested in obligations whose interest is exempt from federal income tax and Pennsylvania personal income tax.

The fund's investment objective and fundamental investment policy currently read as follows:

"Spartan Pennsylvania Municipal Income Fund seeks as high a level of current income, exempt from federal income tax and Pennsylvania personal income tax, as is consistent with its investment characteristics. FMR anticipates that the fund ordinarily will be fully invested in obligations whose interest is exempt from federal income tax and Pennsylvania personal income tax."

If the proposal is approved, the fund's fundamental investment objective would remain unchanged but the fundamental investment policy regarding being fully invested in obligations whose interest is exempt from federal income tax and Pennsylvania personal income tax would be eliminated as follows (deleted language is [bracketed]):

"Spartan Pennsylvania Municipal Income Fund seeks as high a level of current income, exempt from federal income tax and Pennsylvania personal income tax, as is consistent with its investment characteristics. [FMR anticipates that the fund ordinarily will be fully invested in obligations whose interest is exempt from federal income tax and Pennsylvania personal income tax.]"

Because the foregoing investment policy is fundamental, it cannot be modified or eliminated without shareholder approval.

Discussion of Proposed Modifications. Eliminating the foregoing fundamental policy will allow the fund to more clearly communicate its investment objective and investment strategies to shareholders by standardizing its investment disclosure in a manner consistent with other Fidelity funds with similar investment disciplines.

If the proposal is approved, the fund will continue to rely on its existing non-fundamental policy of normally investing at least 80% of assets in municipal securities whose interest is exempt from federal and Pennsylvania personal income taxes. This proposed change would permit the fund normally to invest in securities whose interest is not exempt from Pennsylvania personal income tax, including Fidelity Municipal Cash Central Fund, subject to the fund's non-fundamental 80% policy. In addition, approval of this proposal will align the fund's policy with SEC requirements for state municipal funds, which are less restrictive than the fund's current fundamental policy. Fundamental policies can be changed or eliminated only with shareholder approval, while non-fundamental policies can be changed or eliminated without shareholder approval. Changes in non-fundamental policies, however, are still subject to the supervision of the Board of Trustees.

Conclusion. The Board of Trustees has concluded that eliminating the fundamental investment policy as described above is in the best interest of the fund and its shareholders. The Trustees recommend voting FOR the proposal. If approved by shareholders, the change will become effective when disclosure is revised to reflect it. If the proposal is not approved by the fund's shareholders, the fund's current fundamental investment policy discussed above will not change.

8. TO AMEND SPARTAN MICHIGAN MUNICIPAL INCOME FUND'S, SPARTAN MINNESOTA MUNICIPAL INCOME FUND'S, SPARTAN MUNICIPAL INCOME FUND'S, SPARTAN OHIO MUNICIPAL INCOME FUND'S, AND SPARTAN PENNSYLVANIA MUNICIPAL INCOME FUND'S FUNDAMENTAL INVESTMENT LIMITATION CONCERNING UNDERWRITING.

Spartan Michigan Municipal Income Fund's, Spartan Minnesota Municipal Income Fund's, Spartan Municipal Income Fund's, Spartan Ohio Municipal Income Fund's, and Spartan Pennsylvania Municipal Income Fund's current fundamental investment limitation concerning underwriting states:

"The fund may not underwrite securities issued by others, except to the extent that the fund may be considered an underwriter within the meaning of the Securities Act of 1933 in the disposition of restricted securities."

The Trustees recommend that shareholders of Spartan Michigan Municipal Income Fund, Spartan Minnesota Municipal Income Fund, Spartan Municipal Income Fund, Spartan Ohio Municipal Income Fund, and Spartan Pennsylvania Municipal Income Fund vote to replace this limitation with the following amended fundamental investment limitation governing underwriting (additional language is underlined):

"The fund may not underwrite securities issued by others, except to the extent that the fund may be considered an underwriter within the meaning of the Securities Act of 1933 in the disposition of restricted securities or in connection with investments in other investment companies."

Discussion of Proposed Modifications. The primary purpose of the proposal is to clarify that each fund is not prohibited from investing in other investment companies, even if as a result of such investment, each fund is technically considered an underwriter under federal securities laws.

The proposal also serves to conform each fund's fundamental investment limitation concerning underwriting to a limitation which is expected to become standard for all funds managed by FMR or its affiliates. If the proposal is approved, the new limitation may not be changed without the approval of shareholders.

Adoption of the proposed limitation concerning underwriting is not expected to affect the way in which each fund is managed, the investment performance of each fund, or the securities or instruments in which each fund invests.

Conclusion. The Board of Trustees has concluded that the proposal will benefit each fund and its shareholders. The Trustees recommend voting FOR the proposal. Upon shareholder approval, the amended fundamental limitation will become effective when disclosure is revised to reflect the changes. If the proposal is not approved by the shareholders of a fund, that fund's current limitation will remain unchanged.

9. TO AMEND EACH FUND'S FUNDAMENTAL INVESTMENT LIMITATION CONCERNING LENDING.

Spartan Michigan Municipal Income Fund's, Spartan Minnesota Municipal Income Fund's, Spartan Municipal Income Fund's, Spartan Ohio Municipal Income Fund's, and Spartan Pennsylvania Municipal Income Fund's current fundamental investment limitation concerning lending is as follows:

"The fund may not lend any security or make any other loan if, as a result, more than 33 1/3% of its total assets would be lent to other parties, but this limitation does not apply to purchases of debt securities or to repurchase agreements."

The Trustees recommend that the shareholders of Spartan Michigan Municipal Income Fund, Spartan Minnesota Municipal Income Fund, Spartan Municipal Income Fund, Spartan Ohio Municipal Income Fund, and Spartan Pennsylvania Municipal Income Fund vote to replace this limitation with the following amended fundamental investment limitation governing lending (additional language is underlined):

"The fund may not lend any security or make any other loan if, as a result, more than 33 1/3% of its total assets would be lent to other parties, but this limitation does not apply to purchases of debt securities or to repurchase agreements, or to acquisitions of loans, loan participations or other forms of debt instruments."

Spartan Short-Intermediate Municipal Income Fund's current fundamental investment limitation concerning lending is as follows:

"The fund may not lend any security or make any other loan if, as a result, more than 33 1/3% of its total assets would be lent to other parties (but this limitation does not apply to purchases of debt securities or to repurchase agreements)."

The Trustees recommend that the shareholders of Spartan Short-Intermediate Municipal Income Fund vote to replace the fund's limitation with the following amended fundamental investment limitation governing lending (additional language is underlined, deleted language is [bracketed]):

"The fund may not lend any security or make any other loan if, as a result, more than 33 1/3% of its total assets would be lent to other [parties (but) parties, but this limitation does not apply to purchases of debt securities or to repurchase [agreements).] agreements, or to acquisitions of loans, loan participations or other forms of debt instruments."

Discussion of Proposed Modifications. The primary purpose of this proposal is to revise each fund's fundamental lending limitation to conform to a limitation expected to become standard for all funds managed by FMR or its affiliates. If the proposal is approved, the new fundamental lending limitation cannot be changed without the approval of shareholders.

Adoption of the proposed limitation on lending is not expected to affect the way in which each fund is managed, the investment performance of each fund, or the instruments in which each fund invests. However, the proposed limitation would clarify that acquisitions of loans, loan participations or other debt instruments are not considered lending.

As income earned from loans is generally subject to federal tax, each fund has no current intention of making loans, other than through the purchase of debt securities.

Each fund currently has a non-fundamental limit that restricts the fund from engaging in repurchase agreements and making loans other than by purchasing debt securities.

The Trustees may change non-fundamental limitations in response to regulatory, market, legal or other developments without the approval of shareholders.

Conclusion. The Board of Trustees has concluded that the proposal will benefit each fund and its shareholders. The Trustees recommend voting FOR the proposal. Upon shareholder approval, the amended fundamental limitation will become effective when the prospectus and/or statement of additional information are revised to reflect it. If the proposal is not approved by the shareholders of a fund, that fund's current limitation will remain unchanged.

BENEFICIAL INTEREST

SHARES OF BENEFICIAL INTEREST

Section 1. The beneficial interest in the Trust shall be divided into such transferable Shares of one or more separate and distinct Series or Classes of Series as the Trustees shall, from time to time, create and establish. The number of authorized Shares of each Series, and Class thereof, is unlimited. Each Share shall be without par value and shall be fully paid and nonassessable. The Trustees shall have full power and authority, in their sole discretion, and without obtaining any prior authorization or vote of the Shareholders of any Series or Class of the Trust (a) to create and establish (and to change in any manner) Shares or any Series or Classes thereof with such preferences, voting powers, rights, and privileges as the Trustees may, from time to time, determine; (b) to divide or combine the Shares or any Series or Classes thereof into a greater or lesser number; (c) to classify or reclassify any issued Shares into one or more Series or Classes of Shares; (d) to abolish any one or more Series or Classes of Shares; and (e) to take such other action with respect to the Shares as the Trustees may deem desirable.

ESTABLISHMENT OF SERIES AND CLASSES

Section 2. The establishment of any Series or Class thereof shall be effective upon the adoption of a resolution by a majority of the then Trustees setting forth such establishment and designation and the relative rights and preferences of the Shares of such Series or Class, whether directly in such resolution or by reference to, or approval of, another document that sets forth such relative rights and preferences of the Shares of such Series or Class including, without limitation, any registration statement of the Trust, or as otherwise provided in such resolution. At any time that there are no Shares outstanding of any particular Series or Class previously established and designated, the Trustees may by a majority vote abolish such Series or Class and the establishment and designation thereof.

OWNERSHIP OF SHARES

Section 3. The ownership of Shares shall be recorded in the books of the Trust or a transfer or similar agent. The Trustees may make such rules as they consider appropriate for the transfer of Shares and similar matters. The record books of the Trust as kept by the Trust or by any transfer or similar agent, as the case may be, shall be conclusive as to who are the holders of Shares and as to the number of Shares held from time to time by each Shareholder.

INVESTMENT IN THE TRUST

Section 4. The Trustees shall accept investments in the Trust from such persons and on such terms as they may, from time to time, authorize. Such investments may be in the form of cash, securities, or other property in which the appropriate Series is authorized to invest, valued as provided in Article X, Section 3. After the date of the initial contribution of capital, the number of Shares to represent the initial contribution may in the Trustees' discretion be considered as outstanding, and the amount received by the Trustees on account of the contribution shall be treated as an asset of the Trust. Subsequent investments in the Trust shall be credited to each Shareholder's account in the form of full Shares at the Net Asset Value per Share next determined after the investment is received; provided, however, that the Trustees may, in their sole discretion (a) impose a sales charge or other fee upon investments in the Trust or Series or any Classes thereof, and (b) issue fractional Shares.

ASSETS AND LIABILITIES OF SERIES AND CLASSES

Section 5. All consideration received by the Trust for the issue or sale of Shares of a particular Series, together with all assets in which such consideration is invested or reinvested, all income, earnings, profits, and proceeds thereof, including any proceeds derived from the sale, exchange, or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds in whatever form the same may be, shall be referred to as "assets belonging to" that Series. In addition, any assets, income, earnings, profits, and proceeds thereof, funds, or payments that are not readily identifiable as belonging to any particular Series or Class, shall be allocated by the Trustees between and among one or more of the Series or Classes in such manner as they, in their sole discretion, deem fair and equitable. Each such allocation shall be conclusive and binding upon the Shareholders of all Series or Classes for all purposes and shall be referred to as assets belonging to that Series or Class. The assets belonging to a particular Series

shall be so recorded upon the books of the Trust or of its agent or agents and shall be held by the Trustees in trust for the benefit of the holders of Shares of that Series.

The assets belonging to each particular Series shall be charged with the liabilities of that Series and all expenses, costs, charges, and reserves attributable to that Series, except that liabilities and expenses may, in the Trustees' discretion, be allocated solely to a particular Class and, in which case, shall be borne by that Class. Any general liabilities, expenses, costs, charges, or reserves of the Trust that are not readily identifiable as belonging to any particular Series or Class shall be allocated and charged by the Trustees between or among any one or more of the Series or Classes in such manner as the Trustees, in their sole discretion, deem fair and equitable and shall be referred to as "liabilities belonging to" that Series or Class. Each such allocation shall be conclusive and binding upon the Shareholders of all Series or Classes for all purposes. Any creditor of any Series may look only to the assets of that Series to satisfy such creditor's debt. No Shareholder or former Shareholder of any Series shall have a claim on or any right to any assets allocated or belonging to any other Series.

NO PREEMPTIVE RIGHTS

Section 6. Shareholders shall have no preemptive or other right to subscribe to any additional Shares or other securities issued by the Trust or the Trustees.

STATUS OF SHARES AND LIMITATION OF PERSONAL LIABILITY

Section 7. Shares shall be deemed to be personal property giving only the rights provided in this instrument. Every shareholder by virtue of having become a shareholder shall be held to have expressly assented and agreed to be bound by the terms hereof. No Shareholder of the Trust and of each Series shall be personally liable for the debts, liabilities, obligations, and expenses incurred by, contracted for, or otherwise existing with respect to, the Trust or by or on behalf of any Series. The Trustees shall have no power to bind any Shareholder personally or to call upon any Shareholder for the payment of any sum of money or assessment whatsoever other than such as the Shareholder may, at any time, personally agree to pay by way of subscription for any Shares or otherwise. Every note, bond, contract, or other undertaking issued by or on behalf of the Trust or the Trustees relating to the Trust or to a Series shall include a recitation limiting the obligation represented thereby to the Trust or to one or more Series and its or their assets (but the omission of such a recitation shall not operate to bind any Shareholder or Trustee).

RESIGNATION AND APPOINTMENT OF TRUSTEES

Section 4. In case of the declination, death, resignation, retirement, or removal of any of the Trustees, or in case a vacancy shall, by reason of an increase in number of the Trustees, or for any other reason, exist, the remaining Trustees shall fill such vacancy by appointing such other person as they in their discretion shall see fit consistent with the limitations under the 1940 Act. Such appointment shall be evidenced by a written instrument signed by a majority of the Trustees in office or by recording in the records of the Trust, whereupon the appointment shall take effect. An appointment of a Trustee may be made by the Trustees then in office in anticipation of a vacancy to occur by reason of retirement, resignation, or increase in number of Trustees effective at a later date, provided that said appointment shall become effective only at or after the effective date of said retirement, resignation, or increase in number of Trustees. As soon as any Trustee so appointed shall have accepted this Trust, the Trust estate shall vest in the new Trustee or Trustees, together with the continuing Trustees, without any further act or conveyance, and he shall be deemed a Trustee hereunder. The foregoing power of appointment is subject to the provisions of Section 16(a) of the 1940 Act, as modified by or interpreted by any applicable order or orders of the Commission or any rules or regulations adopted or interpretative releases of the Commission.

TEMPORARY ABSENCE OF TRUSTEES

EFFECT OF DEATH, RESIGNATION, ETC. OF A TRUSTEE

Section 7. The death, declination, resignation, retirement, removal, incapacity, or inability of the Trustees, or any one of them, shall not operate to annul the Trust or to revoke any existing agency created pursuant to the terms of this Declaration of Trust.

OWNERSHIP OF ASSETS OF THE TRUST

Section 8. The assets of the Trust shall be held separate and apart from any assets now or hereafter held in any capacity other than as Trustee hereunder by the Trustees or any successor Trustees. All of the assets of the Trust shall at all times be considered as vested in the Trustees. No Shareholder shall be deemed to have a severable ownership in any individual asset of the Trust or any right of partition or possession thereof, but each Shareholder shall have a proportionate undivided beneficial interest in the Trust or Series.

PARTIES TO CONTRACT

Section 4. Any contract of the character described in Sections 1, 2 and 3 of this Article VII or in Article IX hereof may be entered into with any corporation, firm, partnership, trust or association, although one or more of the Trustees or officers of the Trust may be an officer, director, trustee, shareholder, or member of such other party to the contract, and no such contract shall be invalidated or rendered voidable by reason of the existence of any relationship, nor shall any person holding such relationship be liable merely by reason of such relationship for any loss or expense to the Trust under or by reason of said contract or accountable for any profit realized directly or indirectly therefrom, provided that the contract when entered into was reasonable and fair and not inconsistent with the provisions of this

Article VII or the Bylaws, if any. The same person (including a firm, corporation, partnership, trust, or association) may be the other party to contracts entered into pursuant to Sections 1, 2 and 3 above or Article IX, and any individual may be financially interested or otherwise affiliated with persons who are parties to any or all of the contracts mentioned in this Section 4.

PROVISIONS AND AMENDMENTS

Section 5. Any contract entered into pursuant to Sections 1 and 2 of this Article VII shall be consistent with and subject to the requirements of Section 15 of the 1940 Act, as modified by or interpreted by any applicable order or orders of the Commission or any rules or regulations adopted or interpretative releases of the Commission (or other applicable Act of Congress hereafter enacted), with respect to its continuance in effect, its amendment, its termination, and the method of authorization and approval of such contract or renewal thereof.

ARTICLE VIII

SHAREHOLDERS' VOTING POWERS AND MEETINGS

VOTING POWERS

Section 1. The Shareholders shall have power to vote (a) for the election of Trustees as provided in Article IV, Section 2; (b) for the removal of Trustees as provided in Article IV, Section 3(d); (c) with respect to any investment advisory or management contract as provided in Article VII, Sections 1 and 5; (d) with respect to any termination, merger, consolidation, reorganization, or sale of assets of the Trust or any of its Series or Classes as provided in Article XII, Section 4; (e) with respect to the amendment of this Declaration of Trust as provided in Article XII, Section 7; (f) to the same extent as the shareholders of a Massachusetts business corporation, as to whether or not a court action, proceeding or claim should be brought or maintained derivatively or as a class action on behalf of the Trust or the Shareholders, provided, however, that a Shareholder of a particular Series shall not be entitled to bring any derivative or class action on behalf of any other Series of the Trust; and (g) with respect to such additional matters relating to the Trust as may be required or authorized by law, by this Declaration of Trust, or the Bylaws of the Trust, if any, or any registration of the Trust with the Commission or any state, as the Trustees may consider desirable.

On any matter submitted to a vote of the Shareholders, all Shares shall be voted by individual Series, except as provided in the following sentence and except (a) when required by the 1940 Act, Shares shall be voted in the aggregate and not by individual Series; and (b) when the Trustees have determined that the matter affects only the interests of one or more Series, then only the Shareholders of such Series shall be entitled to vote thereon. The Trustees may also determine that a matter affects only the interests of one or more Classes of a Series, in which case, any such matter shall be voted on by such Class or Classes. A Shareholder of each Series or Class thereof shall be entitled to one vote for each dollar of net asset value (number of Shares owned times net asset value per share) of such Series or Class thereof on any matter on which such Shareholder is entitled to vote, and each fractional dollar amount shall be entitled to a proportionate fractional vote. There shall be no cumulative voting in the election of Trustees. Shares may be voted in person or by proxy. Until Shares are issued, the Trustees may exercise all rights of Shareholders and may take any action required or permitted by law, this Declaration of Trust or any Bylaws of the Trust, if any, to be taken by Shareholders.

MEETINGS

Section 2. The first Shareholders' meeting shall be held as specified in Section 2 of Article IV at the principal office of the Trust or such other place as the Trustees may designate. Special meetings of the Shareholders of any Series may be called by the Trustees and shall be called by the Trustees upon the written request of Shareholders owning at least one-tenth (1/10) of the outstanding Shares entitled to vote. Whenever ten or more Shareholders meeting the qualifications set forth in Section 16(c) of the 1940 Act, as modified by or interpreted by any applicable order or orders of the Commission or any rules or regulations adopted or interpretative releases of the Commission, seek the opportunity of

furnishing materials to the other Shareholders with a view to obtaining signatures on such a request for a meeting, the Trustees shall comply with the provisions of said Section 16(c) with respect to providing such Shareholders access to the list of the Shareholders of record of the Trust or the mailing of such materials to such Shareholders of record. Shareholders shall be entitled to at least fifteen (15) days' notice of any meeting.

QUORUM AND REQUIRED VOTE

Section 3. A majority of Shares entitled to vote in person or by proxy shall be a quorum for the transaction of business at a Shareholders' meeting, except that where any provision of law or of this Declaration of Trust permits or requires that holders of any Series or Class shall vote as a Series or Class then a majority of the aggregate number of Shares of that Series or Class entitled to vote shall be necessary to constitute a quorum for the transaction of business by that Series or Class. Any lesser number shall be sufficient for adjournments. Any adjourned session or sessions may be held, within a reasonable time after the date set for the original meeting, without the necessity of further notice. Except when a larger vote is required by applicable law or by any provision of this Declaration of Trust or the Bylaws, if any, a majority of the Shares voted in person or by proxy shall decide any questions and a plurality shall elect a Trustee, provided that where any provision of law or of this Declaration of Trust permits or requires that the holders of any Series or Class shall vote as a Series or Class, then a majority of the Shares of that Series or Class voted on the matter shall decide that matter insofar as that Series or Class is concerned. Shareholders may act by unanimous written consent. Actions taken by a Series or Class may be consented to unanimously in writing by Shareholders of that Series or Class.

[DERIVATIVE ACTION]

DERIVATIVE ACTIONS

Section 4. A Shareholder may bring derivative action on behalf of the Trust only if the Shareholder or Shareholders first make a pre-suit demand upon the Trustees to bring the subject action unless an effort to cause the Trustees to bring such action is excused. A demand on the Trustees shall only be excused if a majority of the Board of Trustees, or a majority of any committee established to consider such action, has a personal financial interest in the action at issue. A Trustee shall not be deemed to have a personal financial interest in an action or otherwise be disqualified from ruling on a Shareholder demand by virtue of the fact that such Trustee receives remuneration from his service on the Board of Trustees of the Trust or on the boards of one or more investment companies with the same or an affiliated investment advisor or underwriter.

ARTICLE IX

CUSTODIAN

APPOINTMENT AND DUTIES

Section 1. The Trustees shall at all times employ a bank, a company that is a member of a national securities exchange, trust company, or other entity permitted under the 1940 Act, as modified by or interpreted by any applicable order or orders of the Commission or any rules or regulations adopted or interpretative releases of the Commission thereunder, having capital, surplus, and undivided profits of at least two million dollars (\$2,000,000), or such other amount as shall be allowed by the Commission or by the 1940 Act, as custodian with authority as its agent, but subject to such restrictions, limitations and other requirements, if any, as may be contained in the Bylaws of the Trust, if any:

(1) to hold the securities owned by the Trust and deliver the same upon written order or oral order, if confirmed in writing, or by such electro-mechanical or electronic devices as are agreed to by the Trust and the custodian, if such procedures have been authorized in writing by the Trust;

(2) to receive and receipt for any moneys due to the Trust and deposit the same in its own banking department or elsewhere as the Trustees may direct; and

(3) to disburse such funds upon orders or vouchers;

and the Trust may also employ such custodian as its agent:

(1) to keep the books and accounts of the Trust and furnish clerical and accounting services; and

(2) to compute, if authorized to do so, the Net Asset Value of any Series or Class thereof in accordance with the provisions hereof; all upon such basis of compensation as may be agreed upon between the Trustees and the custodian.

The Trustees may also authorize the custodian to employ one or more sub-custodians from time to time to perform such of the acts and services of the custodian, and upon such terms and conditions, as may be agreed upon between the custodian and such sub-custodian and approved by the Trustees, provided that in every case such sub-custodian shall be a bank, a company that is a member of a national securities exchange, trust company, or other entity permitted under the 1940 Act, as modified by or interpreted by any applicable order or orders of the Commission or any rules or regulations adopted or interpretative releases of the Commission thereunder, having capital, surplus, and undivided profits of at least two million dollars (\$2,000,000), or such other amount as shall be allowed by the Commission or by the 1940 Act.

CENTRAL DEPOSITORY SYSTEM

Section 2. Subject to such rules, regulations and orders as the Commission may adopt, the Trustees may direct the custodian to deposit all or any part of the securities owned by the Trust in a system for the central handling of securities established by a national securities exchange or a national securities association registered with the Commission under the Securities Exchange Act of 1934 or such other person as may be permitted by the Commission or otherwise in accordance with the 1940 Act, pursuant to which system all securities of any particular class or series of any issuer deposited within the system are treated as fungible and may be transferred or pledged by bookkeeping entry without physical delivery of such securities; provided that all such deposits shall be subject to withdrawal only upon the order of the Trust or its custodian, subcustodians, or other authorized agents.

ARTICLE X

DISTRIBUTIONS, REDEMPTIONS AND DETERMINATION OF NET ASSET VALUE

DISTRIBUTIONS

Section 1.

(a) The Trustees may from time to time declare and pay dividends. The amount of such dividends and the payment of them shall be wholly in the discretion of the Trustees.

(b) The Trustees shall have the power, to the fullest extent permitted by the laws of Massachusetts, at any time to declare and cause to be paid dividends on Shares of a particular Series, from the assets belonging to that Series, which dividends, at the election of the Trustees, may be paid daily or otherwise pursuant to a standing resolution or resolutions adopted only once or with such frequency as the Trustees may determine, and may be payable in Shares of that Series, or Classes thereof, at the election of each Shareholder of that Series.

The Trustees may adopt and offer to Shareholders such dividend reinvestment plans, cash dividend payout plans, or related plans as the Trustees shall deem appropriate.

(c) Anything in this instrument to the contrary notwithstanding, the Trustees may at any time declare and distribute a dividend of stock or other property pro rata among the Shareholders of a particular Series, or Class thereof, as of the record date of that Series or Class fixed as provided in Article XII, Section 3.

REDEMPTIONS

Section 2. In case any holder of record of Shares of a particular Series or Class of a Series desires to dispose of his Shares, he may deposit at the office of the transfer agent or other authorized agent of that Series a written request or such other form of request as the Trustees may, from time to time, authorize, requesting that the Series purchase the Shares in accordance with this Section 2; and the Shareholder so requesting shall be entitled to require the Series to purchase, and the Series or the principal underwriter of the Series shall purchase his said Shares, but only at the Net Asset Value thereof (as described in Section 3 hereof). The Series shall make payment for any such Shares to be redeemed, as aforesaid, in cash or property from the assets of that Series, and payment for such Shares less any applicable deferred sales charges and/or fees shall be made by the Series or the principal underwriter of the Series to the Shareholder of record within seven (7) days after the date upon which the request is effective.

DETERMINATION OF NET ASSET VALUE AND VALUATION OF PORTFOLIO ASSETS

Section 3. The term "Net Asset Value" of any Series or Class shall mean that amount by which the assets of that Series or Class exceed its liabilities, all as determined by or under the direction of the Trustees. Such value per Share shall be determined separately for each Series or Class of Shares and shall be determined on such days and at such times as the Trustees may determine. Such determination shall be made with respect to securities for which market quotations are readily available, at the market value of such securities; and with respect to other securities and assets, at the fair value as determined in good faith by the Trustees, provided, however, that the Trustees, without Shareholder approval, may alter the method of appraising portfolio securities insofar as permitted under the 1940 Act and the rules, regulations, and interpretations thereof promulgated or issued by the Commission or insofar as permitted by any order of the Commission applicable to the Series. The Trustees may delegate any of its powers and duties under this Section 3 with respect to appraisal of assets and liabilities. At any time, the Trustees may cause the value per Share last determined to be determined again in a similar manner and may fix the time when such redetermined value shall become effective.

SUSPENSION OF THE RIGHT OF REDEMPTION

Section 4. The Trustees may declare a suspension of the right of redemption or postpone the date of payment as permitted under the 1940 Act. Such suspension shall take effect at such time as the Trustees shall specify, but not later than the close of business on the business day next following the declaration of suspension, and thereafter there shall be no right of redemption or payment until the Trustees shall declare the suspension at an end. In the case of a suspension of the right of redemption, a Shareholder may either withdraw his request for redemption or receive payment based on the Net Asset Value per Share existing after the termination of the suspension. In the event that any Series is divided into Classes, the provisions of this Section, to the extent applicable as determined in the discretion of the Trustees and consistent with applicable law, may be equally applied to each such Class.

REDEMPTION OF SHARES

Section 5. The Trustees may require Shareholders to redeem Shares for any reason under terms set by the Trustees, including, but not limited to, (i) the determination of the Trustees that direct or indirect ownership of Shares of any Series has or may become concentrated in such Shareholder to an extent that would disqualify any Series as a regulated investment company under the Internal Revenue Code of 1986, as amended (or any successor statute thereto), (ii) the failure of a Shareholder to supply a tax identification number if required to do so, or (iii) the failure of a Shareholder to pay when due for the purchase of Shares issued to him. The redemption shall be effected at the redemption price and in the manner provided in this Article X.

The holders of Shares shall upon demand disclose to the Trustees in writing such information with respect to direct and indirect ownership of Shares as the Trustees deem necessary to comply with the provisions of the Internal Revenue Code, or to comply with the requirements of any other taxing authority.

ARTICLE XI

LIMITATION OF LIABILITY AND INDEMNIFICATION

LIMITATION OF LIABILITY

Section 1. Provided they have exercised reasonable care and have acted under the reasonable belief that their actions are in the best interest of the Trust, the Trustees shall not be responsible for or liable in any event for neglect or wrongdoing of them or any officer, agent, employee, or investment adviser of the Trust, but nothing contained herein shall protect any Trustee against any liability to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his office.

INDEMNIFICATION OF COVERED PERSONS

Section 2.

(a) Subject to the exceptions and limitations contained in Section (b) below:

(i) every person who is, or has been, a Trustee or officer of the Trust (hereinafter referred to as "Covered Person") shall be indemnified by the appropriate Series to the fullest extent permitted by law against liability and against all expenses reasonably incurred or paid by him in connection with any claim, action, suit, or proceeding in which he becomes involved as a party or otherwise by virtue of his being or having been a Trustee or officer and against amounts paid or incurred by him in the settlement thereof;

(ii) the words "claim," "action," "suit," or "proceeding" shall apply to all claims, actions, suits or proceedings (civil, criminal or other, including appeals), actual or threatened while in office or thereafter, and the words "liability" and "expenses" shall include, without limitation, attorneys' fees, costs, judgments, amounts paid in settlement, fines, penalties and other liabilities.

(b) No indemnification shall be provided hereunder to a Covered Person:

(i) who shall have been adjudicated by a court or body before which the proceeding was brought (A) to be liable to the Trust or its Shareholders by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office; or (B) not to have acted in good faith in the reasonable belief that his action was in the best interest of the Trust; or

(ii) in the event of a settlement, unless there has been a determination that such Trustee or officer did not engage in willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his office,

(A) by the court or other body approving the settlement;

(B) by at least a majority of those Trustees who are neither Interested Persons of the Trust nor are parties to the matter based upon a review of readily available facts (as opposed to a full trial-type inquiry); or

(C) by written opinion of independent legal counsel based upon a review of readily available facts (as opposed to a full trial-type inquiry);

provided, however, that any Shareholder may, by appropriate legal proceedings, challenge any such determination by the Trustees, or by independent counsel.

(c) The rights of indemnification herein provided may be insured against by policies maintained by the Trust, shall be severable, shall not be exclusive of or affect any other rights to which any Covered Person may now or hereafter be entitled, shall continue as to a person who has ceased to be such Trustee or officer, and shall inure to the benefit of the heirs, executors, and administrators of such a person. Nothing contained herein shall affect any rights to indemnification to which Trust personnel, other than Trustees and officers, and other persons may be entitled by contract or otherwise under law.

(d) Expenses in connection with the preparation and presentation of a defense to any claim, action, suit, or proceeding of the character described in Paragraph (a) of this Section 2 may be paid by the applicable Series from time to time prior to final disposition thereof upon receipt of an undertaking by or on behalf of such Covered Person that such amount will be paid over by him to the applicable Series if it is ultimately determined that he is not entitled to indemnification under this Section 2; provided, however, that either (i) such Covered Person shall have provided appropriate security for such undertaking; (ii) the Trust is insured against losses arising out of any such advance payments; or (iii) either a majority of the Trustees who are neither interested persons of the Trust nor parties to the matter, or independent legal counsel in a written opinion, shall have determined, based upon a review of readily available facts (as opposed to a trial-type inquiry or full investigation), that there is reason to believe that such Covered Person will be found entitled to indemnification under this Section 2.

INDEMNIFICATION OF SHAREHOLDERS

Section 3. In case any Shareholder or former Shareholder of any Series of the Trust shall be held to be personally liable solely by reason of his being or having been a Shareholder and not because of his acts or omissions or for some other reason, the Shareholder or former Shareholder (or his heirs, executors, administrators, or other legal representatives or, in the case of a corporation or other entity, its corporate or other general successor) shall be entitled out of the assets belonging to the applicable Series to be held harmless from and indemnified against all loss and expense arising from such liability. The Series shall, upon request by the Shareholder, assume the defense of any claim made against the Shareholder for any act or obligation of the Series and satisfy any judgment thereon.

ARTICLE XII

MISCELLANEOUS

TRUST NOT A PARTNERSHIP, ETC.

Section 1. It is hereby expressly declared that a trust is created hereby and not a partnership, joint stock association, corporation, bailment, or any form of a legal relationship other than a trust. No Trustee hereunder shall have any power to personally bind either the Trust's officers or any Shareholder. All persons extending credit to, contracting with, or having any claim against the Trust or the Trustees shall look only to the assets of the appropriate Series for payment under such credit, contract, or claim; and neither the Shareholders nor the Trustees, nor any of their agents, whether past, present, or future, shall be personally liable therefor. Nothing in this Declaration of Trust shall protect a Trustee against any liability to which the Trustee would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of the office of Trustee hereunder.

TRUSTEES' GOOD FAITH ACTION, EXPERT ADVICE, NO BOND OR SURETY

Section 2. The exercise by the Trustees of their powers and discretions hereunder in good faith and with reasonable care under the circumstances then prevailing, shall be binding upon everyone interested. Subject to the provisions of Section 1 of this Article XII and to Article XI, the Trustees shall not be liable for errors of judgment or mistakes of fact or law. The Trustees may take advice of counsel or other experts with respect to the meaning and operation of this

Declaration of Trust, and subject to the provisions of Section 1 of this Article XII and to Article XI, shall be under no liability for any act or omission in accordance with such advice or for failing to follow such advice. The Trustees shall not be required to give any bond as such, nor any surety if a bond is obtained.

ESTABLISHMENT OF RECORD DATES

Section 3. The Trustees may close the stock transfer books of the Trust for a period not exceeding sixty (60) days preceding the date of any meeting of Shareholders, or the date for the payment of any dividends, or the date for the allotment of rights, or the date when any change or conversion or exchange of Shares shall go into effect; or in lieu of closing the stock transfer books as aforesaid, the Trustees may fix in advance a date not exceeding sixty (60) days preceding the date of any meeting of Shareholders, or the date for payment of any dividends, or the date for the allotment of rights, or the date when any change or conversion or exchange of Shares shall go into effect, as a record date for the determination of the Shareholders entitled to notice of, and to vote at, any such meeting, or entitled to receive payment of any such dividend, or to any such allotment of rights, or to exercise the rights in respect of any such change, conversion or exchange of Shares, and in such case such Shareholders and only such Shareholders as shall be Shareholders of record on the date so fixed shall be entitled to such notice of, and to vote at, such meeting, or to receive payment of such dividend, or to receive such allotment or rights, or to exercise such rights, as the case may be, notwithstanding any transfer of any Shares on the books of the Trust after any such record date fixed or aforesaid.

DURATION; TERMINATION OF TRUST, A SERIES OR A CLASS; MERGERS, ETC.

Section 4.1. Duration. The Trust shall continue without limitation of time, but subject to the provisions of this Article XII.

Section 4.2. Termination of the Trust, a Series or a Class.

(a) Subject to applicable Federal and state law, the Trust or any Series or Class thereof may be terminated:

- (i) by Majority Shareholder Vote of the Trust, each Series affected, or each Class affected, as the case may be; or
- (ii) without the vote or consent of Shareholders by a majority of the Trustees either at a meeting or by written consent.

The Trustees shall provide written notice to the affected Shareholders of a termination effected under clause (ii) above. Upon the termination of the Trust or the Series or Class,

- (i) the Trust or the Series or Class shall carry on no business except for the purpose of winding up its affairs;
- (ii) the Trustees shall proceed to wind up the affairs of the Trust or the Series or Class, and all of the powers of the Trustees under this Declaration of Trust shall continue until the affairs of the Trust shall have been wound up, including the power to fulfill or discharge the contracts of the Trust or the Series or Class thereof; collect its assets; sell, convey, assign, exchange, transfer, or otherwise dispose of all or any part of the remaining Trust property or Trust property allocated or belonging to such Series or Class to one or more persons at public or private sale for consideration that may consist in whole or in part of cash, securities, or other property of any kind; discharge or pay its liabilities; and do all other acts appropriate to liquidate its business; provided that any sale, conveyance, assignment, exchange, transfer, or other disposition of all or substantially all the Trust property or Trust property allocated or belonging to such Series or Class (other than as provided in (iii) below) shall require Shareholder approval in accordance with Section 4.3 below; and
- (iii) after paying or adequately providing for the payment of all liabilities, and upon receipt of such releases, indemnities, and refunding agreements as they deem necessary for their protection, the Trustees may distribute the remaining Trust property or the remaining property of the terminated Series or Class, in cash or in kind or partly each, among the Shareholders of the Trust or the Series or Class according to their respective rights; and

(b) after termination of the Trust or the Series or Class and distribution to the Shareholders as herein provided, a majority of the Trustees shall execute and lodge among the records of the Trust and file with the Secretary of The Commonwealth of Massachusetts, [as appropriate]if required, an instrument in writing setting forth the fact of such termination, and the Trustees shall thereupon be discharged from all further liabilities and duties with respect to the Trust or the terminated Series or Class, and the rights and interests of all Shareholders of the Trust or the terminated Series or Class shall thereupon cease.

Section 4.3. Merger, Consolidation, and Sale of Assets. Subject to applicable Federal and state law and except as otherwise provided in Section 4.4 below, the Trust or any Series or Class thereof may merge or consolidate with any other corporation, association, trust, or other organization or may sell, lease, or exchange all or [substantially all] a portion of the Trust property or Trust property allocated or belonging to such Series or Class, including its good will, upon such terms and conditions and for such consideration when and as authorized at any meeting of Shareholders called for such purpose by a Majority Shareholder Vote of the Trust or affected Series or Class, as the case may be. [Any such merger, consolidation, sale, lease, or exchange shall be deemed for all purposes to have been accomplished under and pursuant to Massachusetts law.] Such transactions may be effected through share-for-share exchanges, transfers or sale of assets, shareholder in-kind redemptions and purchases, exchange offers, or any other method approved by the Trustees.

Section 4.4. Incorporation; Reorganization. Subject to applicable Federal and state law, the Trustees may without the vote or consent of Shareholders cause to be organized or assist in organizing a corporation or corporations under the laws of any jurisdiction or any other trust, partnership, limited liability company, association, or other organization to take over all or a portion of the Trust property or all or a portion of the Trust property allocated or belonging to such Series or Class or to carry on any business in which the Trust shall directly or indirectly have any interest, and to sell, convey and transfer the Trust property or the Trust property allocated or belonging to such Series or Class to any such corporation, trust, limited liability company, partnership, association, or organization in exchange for the shares or securities thereof or otherwise, and to lend money to, subscribe for the shares or securities of, and enter into any contracts with any such corporation, trust, partnership, limited liability company, association, or organization, or any corporation, partnership, limited liability company, trust, association, or organization in which the Trust or such Series holds or is about to acquire shares or any other interest. Subject to applicable Federal and state law, the Trustees may also cause a merger or consolidation between the Trust or any successor thereto or any Series or Class thereof and any such corporation, trust, partnership, limited liability company, association, or other organization. Nothing contained herein shall be construed as requiring approval of Shareholders for the Trustees to organize or assist in organizing one or more corporations, trusts, partnerships, limited liability companies, associations, or other organizations and selling, conveying, or transferring the Trust property or a portion of the Trust property to such organization or entities; provided, however, that the Trustees shall provide written notice to the affected Shareholders of any transaction whereby, pursuant to this Section 4.4, the Trust or any Series or Class thereof sells, conveys, or transfers [substantially] all or a portion of its assets to another entity or merges or consolidates with another entity. Such transactions may be effected through share-for-share exchanges, transfers or sale of assets, shareholder in-kind redemptions and purchases, exchange offers, or any other method approved by the Trustees.

FILING OF COPIES, REFERENCES, AND HEADINGS

Section 5. The original or a copy of this instrument and of each Declaration of Trust supplemental hereto shall be kept at the office of the Trust where it may be inspected by any Shareholder. A copy of this instrument and of each supplemental Declaration of Trust shall be filed by the Trustees with the Secretary of The Commonwealth of Massachusetts and the Boston City Clerk, as well as any other governmental office where such filing may from time to time be required. Anyone dealing with the Trust may rely on a certificate by an officer or Trustee of the Trust as to whether or not any such supplemental Declarations of Trust have been made and as to any matters in connection with the Trust hereunder, and with the same effect as if it were the original, may rely on a copy certified by an officer or Trustee of the Trust to be a copy of this instrument or of any such supplemental Declaration of Trust. In this instrument or in any such supplemental Declaration of Trust, references to this instrument and all expressions like

"herein," "hereof" and "hereunder," shall be deemed to refer to this instrument as amended or affected by any such supplemental Declaration of Trust. Headings are placed herein for convenience of reference only and in case of any conflict, the text of this instrument, rather than the headings, shall control. This instrument may be executed in any number of counterparts each of which shall be deemed an original.

APPLICABLE LAW

Section 6. The Trust set forth in this instrument is made in The Commonwealth of Massachusetts, and it is created under and is to be governed by and construed and administered according to the laws of said Commonwealth. The Trust shall be of the type commonly called a Massachusetts business trust, and without limiting the provisions hereof, the Trust may exercise all powers which are ordinarily exercised by such a trust, and the absence of a specific reference herein to any such power, privilege, or action shall not imply that the Trust may not exercise such power or privilege or take such actions.

AMENDMENTS

Section 7. Except as specifically provided herein, the Trustees may, without shareholder vote, amend or otherwise supplement this Declaration of Trust by making an amendment, a Declaration of Trust supplemental hereto or an amended and restated Declaration of Trust. Shareholders shall have the right to vote (a) on any amendment that would affect their right to vote granted in Section 1 of Article VIII; (b) on any amendment that would alter the maximum number of Trustees permitted under Section 6 of Article IV; (c) on any amendment to this Section 7; (d) on any amendment as may be required by law or by the Trust's registration statement filed with the Commission; and (e) on any amendment submitted to them by the Trustees. Any amendment required or permitted to be submitted to Shareholders that, as the Trustees determine, shall affect the Shareholders of one or more Series or Classes shall be authorized by vote of the Shareholders of each Series or Class affected and no vote of shareholders of a Series or Class not affected shall be required. Notwithstanding anything else herein, any amendment to Article XI shall not limit the rights to indemnification or insurance provided therein with respect to action or omission of Covered Persons prior to such amendment.

FISCAL YEAR

Section 8. The fiscal year of the Trust shall end on a specified date as set forth in the Bylaws, if any, provided, however, that the Trustees may, without Shareholder approval, change the fiscal year of the Trust.

USE OF THE WORD "FIDELITY"

Section 9. Fidelity Management & Research Company ("FMR") has consented to the use by any Series of the Trust of the identifying word "Fidelity" in the name of any Series of the Trust at some future date. Such consent is conditioned upon the employment of FMR or a subsidiary or affiliate thereof as investment adviser of each Series of the Trust. As between the Trust and itself, FMR controls the use of the name of the Trust insofar as such name contains the identifying word "Fidelity." FMR may from time to time use the identifying word "Fidelity" in other connections and for other purposes, including, without limitation, in the names of other investment companies, corporations, or businesses that it may manage, advise, sponsor or own or in which it may have a financial interest. FMR may require the Trust or any Series thereof to cease using the identifying word "Fidelity" in the name of the Trust or any Series thereof if the Trust or any Series thereof ceases to employ FMR or a subsidiary or affiliate thereof as investment adviser.

PROVISIONS IN CONFLICT WITH LAW OR REGULATIONS

Section 10. (a) The provisions of this Declaration of Trust are severable, and, if the Trustees shall determine, with the advice of counsel, that any of such provisions is in conflict with the 1940 Act, the regulated investment company provisions of the Internal Revenue Code or with other applicable laws and regulations, the conflicting provision shall

be deemed never to have constituted a part of this Declaration of Trust; provided, however, that such determination shall not affect any of the remaining provisions of this Declaration of Trust or render invalid or improper any action taken or omitted prior to such determination.

(b) If any provision of this Declaration of Trust shall be held invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall attach only to such provision in such jurisdiction and shall not in any manner affect such provisions in any other jurisdiction or any other provision of this Declaration of Trust in any jurisdiction.

IN WITNESS WHEREOF, the undersigned, being all of the Trustees of the Trust, have executed this instrument as of the date set forth above.
