**AMENDED AND RESTATED FIRST SUPPLEMENTAL INDENTURE**

AMENDED AND RESTATED FIRST SUPPLEMENTAL INDENTURE, effective as of November 19, 2020, by and among Suzano Austria GmbH, a limited liability company incorporated under the laws of the Republic of Austria (the “**Company**”), having its corporate seat at Vienna, Austria and its principal office at Fleischmarkt 1, 1010 Vienna, Austria, Suzano S.A., a corporation (*sociedade por ações*) organized under the laws of the Federative Republic of Brazil (“**Suzano**” or the “**Guarantor**”), as guarantor, and Deutsche Bank Trust Company Americas, a New York banking corporation, as trustee, registrar, paying agent and transfer agent (herein called the “**Trustee**”).

WITNESSETH:

**WHEREAS**, the Company, the Guarantor and the Trustee previously have entered into an indenture, dated as of January 24, 2020 (the “**Base Indenture**,”), as supplemented by the First Supplemental Indenture, dated as of September 14, 2020 (the “**First Supplemental Indenture**”) providing for the issuance of U.S.\$750,000,000 aggregate principal amount of the Company’s 3.750% Global Notes due 2031 (the “**Original Notes**”).

**WHEREAS**, Section 9.01(7) of the Base Indenture permits the Company and the Trustee to enter into a supplemental indenture to establish the forms or terms of the Securities of any series as permitted under Sections 2.01 and 3.01 of the Base Indenture without the consent of Holders.

**WHEREAS**, the Board of the Company have authorized the entry into this Amended and Restated First Supplemental Indenture and the establishment of the Notes (as defined below), as required by Section 9.01 of the Base Indenture.

**WHEREAS**, on the date hereof the Company intends to issue additional U.S.\$500,000,000 of its existing 3.750% Notes due 2031, consisting of Add On Notes (as defined in the Base Indenture, but referred herein as the “**Reopening Notes**”, and together with the Original Notes, collectively referred to herein as the “**Notes**”), issued pursuant to Registration Statements on Form F-3 (File Nos. 333-236083, 333-236083-01 and 333-236083-02) (the “**Registration Statement**”), dated January 24, 2020, the Prospectus Supplement dated November 16, 2020 and related Base Prospectus dated January 24, 2020, and to Sections 2.01 and 3.01 of the Base Indenture, as supplemented by this Amended and Restated First Supplemental Indenture (the “**Amended and Restated First Supplemental Indenture**”, and together with the Base Indenture, and any further supplements thereto, the “**Indenture**”). The Notes may be issued from time to time and any Notes issued as part of the relevant series created herein will constitute a single series of Securities under the Indenture and shall be included in the definition of “Notes”, where the context requires.

**WHEREAS**, the Company has requested and hereby requests that the Trustee execute and deliver this Amended and Restated First Supplemental Indenture and the Company has provided the Trustee with a Board Resolution authorizing the execution of this Amended and Restated First Supplemental Indenture.

All actions required by the Company to be taken in order to make this Amended and Restated First Supplemental Indenture a valid, binding and enforceable instrument in accordance with its terms, have been taken and performed, and the execution and delivery of this Amended and Restated First Supplemental Indenture has been duly authorized in all respects.

**NOW, THEREFORE**, for and in consideration of the premises and the mutual covenants contained herein and in the Indenture and for other good and valuable consideration, the receipt and sufficiency of which are herein acknowledged, the Company, Suzano, and the Trustee hereby agree, for the equal and ratable benefit of all Holders, as follows:

## ARTICLE 2 TERMS OF THE NOTES

SECTION 2.01. General. In accordance with Section 3.01 of the Base Indenture, the following terms relating to the Notes are hereby established:

(i) Title: The Notes shall constitute a series of Securities having the title “3.750% Global Notes due 2031”.

(ii) Aggregate Amount: The aggregate principal amount of the Reopening Notes that may be authenticated and delivered under this Amended and Restated First Supplemental Indenture shall be U.S.\$500,000,000, for an aggregate principal amount of Notes of U.S.\$1,250,000,000. As provided in the Base Indenture, the Company may, from time to time, without the consent of the Holders, issue Add On Notes having identical terms (including CUSIP, ISIN and other relevant identifying characteristics as the Notes), so long as, on the date of issuance of such Add On Notes: (i) no Default or Event of Default shall have occurred and then be continuing, or shall occur as a result of the issuance of such Add On Notes, (ii) such Add On Notes shall rank *pari passu* with the Notes and shall have identical terms, conditions and benefits as the Notes and be part of the same series as the Notes, (iii) the Company and the Trustee shall have executed and delivered a further supplemental indenture to the Indenture providing for the issuance of such Add On Notes and reflecting such amendments to the Indenture as may be required to reflect the increase in the aggregate principal amount of the Notes resulting from the issuance of the Add On Notes, (iv) Suzano shall have executed and delivered and the Trustee shall have acknowledged an amended Guarantee reflecting the increase in the aggregate principal amount of the Notes resulting from the issuance of the Add On Notes and (v) the Trustee shall have received all such opinions and other documents as it shall have requested, including an Opinion of Counsel stating that such Add On Notes are authorized and permitted by the Indenture and all conditions precedent to the issuance of such Add On Notes have been complied with by the Company and Suzano. All Add On Notes issued hereunder will, when issued, be considered Notes for all purposes hereunder and will be subject to and take the benefit of all of the terms, conditions and provisions of this Indenture.

(iii) **Ranking:** The Notes (including any additional Add On Notes) shall be general senior unsecured and unsubordinated obligations of the Company and shall at all times rank pari passu among themselves and at least equal in right of payment with all of the Company's other existing and future unsecured and unsubordinated obligations from time to time outstanding that are not, by their terms, expressly subordinated in right of payment to the Notes (other than obligations preferred by statute or by operation of law).

(iv) **Maturity:** The entire outstanding principal of the Notes shall be payable in a single installment on January 15, 2031 (the "**Maturity Date**"). No payments in respect of the principal of the Notes shall be paid prior to the Maturity Date except in the case of the occurrence of an Event of Default and acceleration of the aggregate outstanding principal amount of the Notes, upon redemption prior to the Maturity Date pursuant to Section 2.01(xii) and Section 2.01(xiii) hereof.

(v) **Interest:** The Notes bear interest from and including September 14, 2020 at a rate of 3.750% per annum (the "**Initial Rate of Interest**"), subject to Section 2.01(vi) hereof. All interest shall be paid by the Company to the Trustee and distributed by the Trustee in accordance with this Indenture semi-annually in arrears on January 15 and July 15 of each year during which any portion of the Notes shall be Outstanding (each, an "**Interest Payment Date**"), commencing on January 15, 2021, and will initially accrue from and including the date of issuance and thereafter from the last Interest Payment Date to which interest has been paid. Interest shall be paid to the Person in whose name a Note is registered at the close of business on the preceding Interest Payment Record Date. As provided in the Base Indenture, (i) interest accrued with respect to the Notes shall be calculated based on a 360-day year consisting of 12 months of 30 days each, (ii) payment of principal and interest and other amounts on the Notes will be made at the Corporate Trust Office of the Trustee in New York City, or such other paying agent office in the United States as the Company appoints, in the form provided for in Section 10.08 of the Base Indenture, (iii) all such payments to the Trustee shall be made by the Company by depositing immediately available funds in U.S. Dollars prior to 3:00 p.m., New York City Time, one Business Day prior to the relevant Interest Payment Date to the Payment Account and (iv) so long as any of the Notes remain Outstanding, the Company shall maintain a paying agent in New York City.

(vi) **Interest Rate Step Up:** From and including July 16, 2026 (the "**Interest Rate Step Up Date**"), the interest rate payable on the Notes shall be increased by 25 basis points to 4.000% per annum (the "**Subsequent Rate of Interest**") unless the Company has notified (the "**Satisfaction Notification**") the Trustee in writing at least 30 days prior to the Interest Rate Step Up Date (the "**Notification Date**") that in respect of the year ended December 31, 2025: (i) the Sustainability Performance Target has been satisfied and (ii) the satisfaction of the Sustainability Performance Target has been confirmed by the External Verifier in accordance with its customary procedures. If as of the Notification Date (x) the Company fails, or is unable, to provide the Satisfaction Notification, (y) the Sustainability Performance Target has not been satisfied or (z) the External Verifier has not confirmed satisfaction of the Sustainability Performance Target, the Subsequent Rate of Interest will apply for each interest period from and including the Interest Rate Step Up Date up to, and including, the Maturity Date.

(vii) [Reserved]

(viii) Payment Account: On the Closing Date, the Trustee shall establish (and shall promptly notify the Company of the establishment of such account, including the relevant account numbers and other relevant identifying details) and, until the Notes and all accounts due in respect thereof have been paid in full, the Trustee shall continue to maintain the special purpose non-interest bearing trust account established pursuant to the First Supplemental Indenture (the “**Payment Account**”) into which all payments required to be made by the Company under or with respect to the Notes shall be deposited. The Company agrees that the Payment Account shall continue to be maintained in the name of the Trustee and under its sole dominion and control (acting on behalf of the Holders) and used solely to make payments of principal, interest and other amounts from time to time due and owing on, or with respect to, the Notes. No funds contained in the Payment Account shall be used for any other purpose or in any manner not expressly provided for herein nor shall the Company or any other Person have an interest therein or amounts on deposit therein. All amounts on deposit in the Payment Account on any Interest Payment Date after the Trustee has paid all amounts due and owing to the holders of the Notes as of such Interest Payment Date shall be retained in the Payment Account and used by the Trustee to pay any amounts due and owing to the Holders on the next succeeding Interest Payment Date.

(ix) Form and Denomination: The Notes shall be issuable in whole in the registered form of one or more Global Notes (without coupons), in minimum denominations of U.S.\$1,000 and integral multiples thereof, and shall be transferable in integral multiples of U.S.\$1,000 and integral multiples thereof and the Depository for such Global Notes shall be The Depository Trust Company, New York, New York.

(x) Amended and Restated Guarantee: The Notes shall have the benefit of the Amended and Restated Guarantee in the manner provided in Article 3 of this Amended and Restated First Supplemental Indenture.

(xi) Rating: The Notes can be issued without the requirement that they have any rating from a nationally recognized statistical rating organization.

(xii) Optional Early Redemption. The Notes are subject to redemption at the Company’s option prior to the Par Call Date in whole at any time, or in part from time to time, at a redemption price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values, calculated as of the redemption date, of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the redemption date) (calculated at a rate of 3.750% per annum until the interest period immediately following the Interest Rate Step Up Date, at which point the interest rate shall be deemed to be the Subsequent Rate of Interest unless the Sustainability Performance Target has been satisfied in respect of the year ended December 31, 2025 and the Company has provided confirmation thereof to the Trustee together with a related confirmation by the External Verifier at least 30 days prior to July 16, 2026 as set forth in Section 2.01(vi)) as if the bonds were redeemed on the Par Call Date, discounted to the redemption date on an annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus in each case, any accrued and unpaid interest and Additional Amounts, if any, on such notes to the redemption date, as calculated by the Independent Investment Banker. At any time on or after the Par Call Date, the company will have the right to redeem the Notes, in whole or in part and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest on the principal amount of the Notes being redeemed to such redemption date.

(xiii) Early Redemption Solely for Tax Reasons. If as a result of any change in or amendment to the laws or treaties (or any rules or regulations thereunder) of any Taxing Jurisdiction, or any amendment to or change in an official interpretation, administration or application of such laws, treaties, rules, or regulations (including a holding by a court of competent jurisdiction), which change or amendment or change in official position becomes effective on or after the issue date, or, with respect to a successor, after the date a successor assumes the obligations under the Notes or the note guarantees, the Company or Suzano or a successor have or will become obligated to pay Additional Amounts in excess of the Additional Amounts that the Company or Suzano would be obligated to pay if payments were subject to withholding or deduction at a rate of 15% (or at a rate of 25% in case the holder of the Notes is resident in a tax haven jurisdiction, i.e., countries which do not impose any income tax or which impose it at a maximum rate lower than 20% or where the laws impose restrictions on the disclosure of ownership composition or securities ownership) as a result of the taxes, duties, assessments and other governmental charges described above (the “**Minimum Withholding Level**”), then the Company may, at its option, redeem all, but not less than all, of the Notes, at a redemption price equal to 100% of their principal amount, together with interest and Additional Amounts accrued to the date fixed for redemption, upon publication of irrevocable notice not less than 15 days nor more than 90 days prior to the date fixed for redemption. No notice of such redemption may be given earlier than 90 days prior to the earliest date on which the Company would, but for such redemption, be obligated to pay the Additional Amounts above the Minimum Withholding Level, were a payment then due. The Company shall not have the right to so redeem the Notes in the event it becomes obliged to pay Additional Amounts which are less than the Additional Amounts payable at the Minimum Withholding Level. Notwithstanding the foregoing, the Company shall not have the right to so redeem the Notes unless: (i) it has taken measures it considers reasonable to avoid the obligation to pay Additional Amounts; and (ii) it has complied with all applicable regulations to legally effect such redemption; provided, however, that for this purpose reasonable measures shall not include any change in the Company’s, Suzano’s or any successor’s jurisdiction of incorporation or organization or location of each of their principal executive or registered office.

In the event that the Company elects to so redeem the Notes, it will deliver to the Trustee: (i) a certificate, signed in the name of the Company by two of its directors or by its attorney in fact in accordance with its articles of association, stating that the Company is entitled to redeem the Notes pursuant to their terms and setting forth a statement of facts showing that the condition or conditions precedent to the right of the Company to so redeem have occurred or been satisfied; and (ii) an Opinion of Counsel (as provided for in the Indenture) to the effect that the Issuer has or will become obligated to pay Additional Amounts in excess of the Additional Amounts payable at the Minimum Withholding Level as a result of the change or amendment and that all governmental approvals necessary for the Issuer to effect the redemption have been obtained and are in full force and effect.

- (xiv) Conversion: The Notes will not be convertible into, or exchangeable for, any other securities.
- (xv) Defeasance: The provisions of Sections 13.01, 13.02 and 13.03 of the Base Indenture shall apply to the Notes.
- (xvi) Covenants: Except as set forth in Section 2.05, the Notes will be subject to the covenants set forth in Article 10 of the Base Indenture.
- (xvii) Registration: The Notes are SEC Registered Securities.

SECTION 2.02. Amendment to Section 5.01 Relating to Events of Default. With respect to the Notes only, (and for the avoidance of doubt, not with respect to any other series of Notes issued pursuant to the Base Indenture on or prior to the date hereof), Section 5.01 of the Base Indenture is hereby amended by deleting the existing language and replacing it with the language below (without any effect on the other provisions contained therein):

*“Section 5.01 Events of Default.*

*“**Event of Default**,” wherever used herein with respect to the Notes, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):*

*(a) The Company shall fail to make any payment in respect of principal on any of the Notes whether on the Maturity Date (as the same may be extended as permitted hereunder), upon redemption or prior to the Maturity or otherwise in accordance with the terms of the Notes and the Indenture;*

*(b) The Company shall fail to make any payment in respect of any interest or other amounts due on or with respect to the Notes (including Additional Amounts, if any) in accordance with the terms of the Notes and the Indenture, non-payment of which shall continue for a period of 30 calendar days and the Trustee shall not have otherwise received such amounts from amounts on deposit, from Suzano under Section 12.01 of the Indenture or otherwise by the end of such 30 calendar day period;*

*(c) The Company or Suzano shall fail to perform, or breach, any term, covenant, agreement or obligation in respect of the Notes issued under the Indenture and such failure (other than any failure to make any payment under Section 12.01 of the Indenture, for which there is no cure) is either incapable of remedy or continues for a period of 60 calendar days after there has been received by the Company or Suzano from the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder;*

(d) *The maturity of any Debt of the Company or Suzano or any Material Subsidiary thereof in a total aggregate principal amount of U.S.\$75,000,000 or more is accelerated in accordance with the terms of that Debt, it being understood that prepayment or redemption by the Company or Suzano or any Material Subsidiary thereof of any Debt is not acceleration for this purpose;*

(e) *One or more final and non-appealable judgments or orders for the payment of money are rendered against the Company, Suzano or any of its Subsidiaries and are not paid or discharged, and there is a period of 60 consecutive days following entry of the final and non-appealable judgment or order that causes the aggregate amount for all such final and non-appealable judgments or orders outstanding and not paid or discharged against all such Persons to exceed U.S.\$75,000,000 or the equivalent thereof at the time of determination (in excess of amounts which Suzano's insurance carriers have agreed to pay under applicable policies) during which a stay of enforcement, by reason of a pending appeal or otherwise, is not in effect;*

(f) *Proceedings are initiated against the Company or Suzano or any Material Subsidiary thereof under any applicable bankruptcy, reorganization, insolvency, moratorium or intervention law or law with similar effect, or under any other law for the relief of, or relating to, debtors, and any such proceeding is not dismissed or stayed within 60 days after the entering of such proceeding, or an administrator, receiver, administrador judicial, liquidator, custodian, trustee, manager, fiduciary, statutory manager, intervener or assignee for the benefit of creditors (or other similar official) is appointed to take possession or control of, or a distress, execution, attachment or sequestration or other process is levied, enforced upon, sued out or put in force against, all or any material part of the undertaking, property, assets or revenues of the Company or Suzano or any Material Subsidiary thereof and is not dismissed or stayed within 60 days;*

(g) *The Company or Suzano or any Material Subsidiary thereof commences voluntarily or consents to judicial, administrative or other proceedings relating to it under any applicable bankruptcy, reorganization, insolvency, moratorium or intervention law or law with similar effect, or under any other law for the relief of, or relating to, debtors, or makes or enters into any composition, recuperação judicial or extrajudicial or other similar arrangement with its creditors, or appoints or applies for the appointment of an administrator, receiver, administrador judicial, liquidator, custodian, trustee, manager, fiduciary, statutory manager, intervener or assignee for the benefit of creditors (or other similar official) to take possession or control of the whole or any material part of its undertaking, property, assets or revenues, or takes any judicial, administrative or other similar proceeding under any law for a readjustment or deferment of its Debt or any part of it;*

(h) *the Guarantee ceases to be in full force and effect, other than in accordance with the terms of this Indenture, or Suzano denies or disaffirms its obligations under the Guarantee; and*

(i) *Any event occurs that under the laws of any relevant jurisdiction has substantially the same effect as any of the events referred to in any of paragraphs (e), (f) or (g) of this Section 5.01.*”

SECTION 2.03. Amendments to Section 8.01 Relating to Limitation on Consolidation, Merger, Sale or Conveyance. With respect to the Notes only, (and, for the avoidance of doubt, not with respect to any other series of notes issued pursuant to the Base Indenture on or prior to the date hereof) Section 9.07 of the Base Indenture is hereby amended by deleting the existing language and replacing it with the language below (without any effect on the other provisions contained therein):

Reference is hereby made to the Indenture for a statement of the respective rights, limitations of interests, benefits, obligations and duties thereunder of the Company, the Trustee and the Holders, and of the terms upon which the Securities are, and are to be, authenticated and delivered. All capitalized terms used in this Securities which are defined in the Indenture and not otherwise defined herein shall have the meanings assigned to them in the Indenture.

The Company, for value received, hereby promises to pay to \_\_\_\_\_, or its registered assigns [If applicable, insert - - as nominee of \_\_\_\_\_], and as the Holder of record of this Security, the principal amount specified above in \_\_\_\_\_ on \_\_\_\_\_ (or earlier as provided for in the Indenture) upon presentation and surrender hereof, at the office or agency of the Trustee referred to below.

As provided for in the Indenture, the Company promises to pay interest on the outstanding principal amount hereof, from \_\_\_\_\_, semi-annually in arrears on \_\_\_\_\_ and \_\_\_\_\_ of each year (each such date, an “**Interest Payment Date**”), commencing \_\_\_\_\_ at a rate equal to [●]% per annum, subject to the paragraph below, and will initially accrue from the date of issuance and thereafter from the last Interest Payment Date to which interest has been paid. This Security is one of a duly authorized issue of securities of the Company (herein called the “**Securities**”), issued and to be issued in one or more series under an Indenture, dated as of January 24, 2020, as supplemented with respect to the Securities (herein called the “**Indenture**” which term shall have the meaning assigned to it in such instrument), between the Company, the Guarantor and Deutsche Bank Trust Company Americas, as Trustee (herein called the “**Trustee**,” which term includes any other successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof.

Prior to October 15, 2030 (the “**Par Call Date**”), the Company may redeem the Securities in whole at any time, or in part from time to time, at a redemption price based on a “make-whole” premium, plus accrued and unpaid interest, if any, to the redemption date. At any time on or after the Par Call Date, we may redeem the Securities, in whole or in part at a redemption price equal to 100% of the principal amount of the Securities being redeemed plus accrued and unpaid interest on the principal amount of the Securities being redeemed to such redemption date. For purposes of optional redemption, interest will be calculated after the Interest Rate Step Up Date at the Subsequent Rate of Interest, unless the Sustainability Performance Target has been satisfied and the Issuer has provided Satisfaction Notification to the Trustee in writing on the Notification Date.

The Company may redeem the Securities, in whole but not in part, at 100% of its principal amount plus accrued and unpaid interest and Additional Amounts (as defined below), if any, at any time upon the occurrence of specified events relating to Brazilian, Austrian or other relevant jurisdictions’ tax laws.

Notice of redemption will be given by mail to Holders of Securities of this series, not less than 15 days nor more than 60 days prior to the date fixed for redemption, all as provided in the Indenture. Such notice may at the Company’s option be subject to the satisfaction of one or more conditions precedent, and it may be rescinded or the applicable redemption date delayed in the event that any or all such conditions shall not have been satisfied by the applicable redemption date. Any conditions precedent shall be described in such notice.

In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.

The Indenture contains provisions for defeasance at any time of the entire indebtedness on this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case, upon compliance with certain conditions set forth in the Indenture.)

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

If any deduction or withholding for any present or future taxes, assessments or other governmental charges of Brazil or Austria (or any political subdivision or taxing authority thereof or therein) shall at any time be required by Brazil or Austria (or any such political subdivision or taxing authority) in respect of any amounts to be paid by the Company under the Securities, the Company will pay to the Holder of this Security such additional amounts as may be necessary in order that the net amounts paid to such Holder of such Security who, with respect to any such tax, assessment or other governmental charge, is not resident in Brazil or Austria, after such deduction or withholding, shall be not less than the amounts specified in such Security to which such Holder is entitled (“**Additional Amounts**”); provided, however, that the Company shall not be required to make any payment of Additional Amounts for or on account of:

(d) any tax, assessment or other governmental charge which would not have been imposed but for (i) the existence of any present or former connection between such Holder or the beneficial owner of the Security of such series (or between a fiduciary, settler, beneficiary, member or shareholder of, or possessor of a power over, such Holder or beneficial owner, if such Holder or beneficial owner is an estate, trust, partnership or corporation) and Brazil or Austria or any political subdivision or territory or possession thereof or area subject to its jurisdiction other than the mere holding of a Security or receipt of payment in respect thereto, including, without limitation, such Holder or beneficial owner (or such fiduciary, settler, beneficiary, member, shareholder or possessor) being or having been a citizen or resident thereof or being or having been present or engaged in trade or business therein or having or having had a permanent establishment therein or (ii) the presentation of a Security of such series (where presentation is required) for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(e) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(f) any amount required to be deducted or withheld by any Paying Agent from a payment on or in respect of the Security, if such payment can be made without such deduction or withholding by any other Paying Agent and we duly provide for such other Paying Agent to make such payment;

(g) withholding for any taxes, duties, assessments or other governmental charges that are payable otherwise than by deduction or withholding from payments on the Security;

(h) any tax, assessment or other governmental charge that is imposed or withheld by reason of the failure to comply by the Holder or the beneficial owner of the Security of such series with a request of the Company addressed to the Holder (i) to provide information concerning the nationality, residence or identity of the Holder or such beneficial owner or (ii) to make any declaration or other similar claim or satisfy any information or reporting requirements, which, in the case of (i) or (ii), is required or imposed by a statute, treaty, regulation or administrative practice of Brazil or Austria as a precondition to exemption from all or part of such tax, assessment or other governmental charge;

(f) where the Holder would have been able to avoid the tax, levy, deduction or other governmental charge by taking reasonable measures available to such Holder; or

(g) any combination of items (a), (b), (c), (d), (e) and (f) above;

nor shall Additional Amounts be paid with respect to any payment in respect of any Security to any Holder or beneficial owner who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of Brazil or Austria (or any political subdivision or taxing authority thereof or therein) to be included in the income for tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such Additional Amounts had it been the Holder or beneficial owner, as the case may be, of such Security.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture, this Security or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Outstanding Securities of this series shall have made written request, and offered indemnity or security satisfactory to the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in principal of the Outstanding Securities of this series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days; provided, however, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal (and premium, if any), interest or any Additional Amount on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed or to convert or exchange this Security as provided in the Indenture.

The Securities of this series are issuable only in registered form without coupons in denominations of U.S.\$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company and the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company or the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Ladies and Gentlemen:

I am qualified to practice law in the Federative Republic of Brazil (“Brazil”) and am the General Counsel of Suzano S.A. (“Suzano”), a corporation (*sociedade por ações*) incorporated under the laws of the Federative Republic of Brazil. This opinion is being furnished to you in connection with the offering by Suzano Austria GmbH, a limited liability company (*Gesellschaft mit beschränkter Haftung*) incorporated under the laws of the Republic of Austria and a wholly-owned subsidiary of Suzano (“Issuer”), pursuant to a registration statement on Form F-3 (Files Nos. 333-236083, 333-236083-01 and 333-236083-02) (the “Registration Statement”) under the Securities Act of 1933, as amended (the “Securities Act”), filed with the U.S. Securities and Exchange Commission (the “SEC”), of (i) U.S.\$500,000,000 aggregate principal amount of the Issuer’s 3.750% Global Notes due 2031 (the “Notes”), as guaranteed by Suzano (the “Guarantee”), pursuant to a base indenture dated as of January 24, 2020, as supplemented by the amended and restated First Supplemental Indenture dated as of November 19, 2020 (the “Indenture”) among Suzano, the Issuer and Deutsche Bank Trust Company Americas, as trustee, registrar, paying agent and transfer agent (the “Trustee”). The Notes, together with the Guarantee, are referred to as the “Securities.”

---

For the purpose of rendering this opinion, I have examined the execution copies or copies certified to my satisfaction of the following documents:

- (i) the Registration Statement filed with the SEC and the documents incorporated by reference therein;
- (ii) a copy of the Indenture;
- (iii) Suzano's bylaws (*estatuto social*), as in effect on the date hereof;
- (iv) the minutes of the board of directors meeting of Suzano held on September 10, 2020, approving: (a) the issue of the Notes by the Issuer; (b) the Guarantee by Suzano; and (c) the execution, delivery and performance of all agreements related to the issue of the Securities
- (v) such other documents, records and matters of law as I have deemed necessary.

In rendering the foregoing opinions, I have assumed the authenticity of all documents represented to me to be originals, the conformity to original documents of all copies of documents submitted to me, the accuracy and completeness of all corporate records made available to me and the genuineness of all signatures that purport to have been made in a corporate, governmental, fiduciary or other capacity, and that the persons who affixed such signatures had authority to do so.

In rendering the opinions expressed below, I have assumed: (i) the due organization and valid existence of all parties to the Indenture (other than Suzano) under the laws of the countries of their respective incorporation; (ii) the due authorization, execution and delivery by all parties (other than Suzano) to the Indenture; (iii) that the performance thereof is within the capacity and powers of all such parties; and (iv) the validity and enforceability of the Indenture and the Securities in accordance with their terms under the laws of the State of New York, by which they are expressed to be governed.

Also, I have assumed and have not verified (i) the accuracy as to factual matters of each document I have reviewed (ii) that the original Notes and Guarantee will conform to the copies I have reviewed.

I am qualified to practice law solely in Brazil and express no opinion as to any laws other than the laws of Brazil as in effect on the date hereof, and I have assumed that there is nothing in any other law that affects my opinion. In particular, I have made no independent investigation of the laws of the State of New York or the laws of Austria as a basis for the opinions stated herein, and I do not express or imply any opinion on such laws. The opinions stated below are provided based on Brazilian laws, rules and regulations and on Suzano's by-laws, in each case as in effect on the date hereof, and I assume that there will be no change in Brazilian laws, rules or regulations (or the interpretation thereof) nor amendments to Suzano's by-laws that may affect in any way the opinions stated herein.

Based on the foregoing and subject to the qualifications and limitations hereinafter specified, I am of the opinion that:

- (i) Suzano is a corporation (*sociedade por ações*) duly organized and validly existing under the laws of Brazil, duly qualified to do business in Brazil, and has all power and authority necessary to own and hold its properties and to conduct the businesses in which it is engaged and to perform its obligations under the Guarantee.

- (ii) Suzano has all power and authority to enter into and perform its obligations under the Guarantee.
- (iii) The execution, delivery and performance of the Guarantee have been duly authorized by Suzano.

The opinions set forth above are, however, subject to the following qualifications:

- (a) enforcement in Brazil may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, or other similar laws relating to or limiting creditor's rights generally;

in order to ensure the admission and enforceability of the Indenture or the Securities, as the case may be, before the public agencies and courts in Brazil (i) the signatures of the parties thereto signing outside Brazil must be notarized by a notary public and, where appropriate, the identity of the seal or stamp of such notary public must be apostilled by a competent authority of the state from which the document emanates according to the Hague Convention of October 5, 1961 ("Apostille Convention"), except for documents emanating from a state that is not a signatory to the Apostille Convention, which require notarization and the subsequent legalization (authentication) of the signature of such a notary by a Brazilian consulate official and (ii) the Indenture and the Securities must be translated into Portuguese by a sworn translator, and the sworn translation must be registered with the appropriate Registry of Deeds and documents in Brazil; and

- (c) any judgment obtained against Suzano in a foreign court with respect to the Indenture or the Securities, as the case may be, will only be enforceable in the courts of Brazil if previously confirmed (*homologado*) by the Superior Court of Justice of Brazil (*Superior Tribunal de Justiça*). Such confirmation will only be given if such foreign judgment:
  - (i) fulfils all formalities required for enforceability under the laws of the country where it was issued; (ii) is not subject to appeal in the jurisdiction in which it was issued, (iii) is accompanied by a sworn translation into Portuguese; and (iv) does not violate national sovereignty, public policy or good morals of Brazil (as provided in Section 17 of the Law of Introduction to the Rules of Brazilian Law), including in particular the rules regarding service of process.

I express no opinion as to any matter which may be, or which purports to be, governed by the laws of any jurisdiction other than the laws of Brazil.

This opinion is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

I hereby consent to the use of my name in the prospectus constituting a part of the Registration Statement, and in any amendments and prospectus supplements related thereto, under the heading "Validity of Securities" as counsel for Suzano who has passed on specific opinions based on Brazilian law and relating to the Securities, and to the use of this opinion as an exhibit to the Registration Statement. In giving such consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act, or the rules and regulations of the SEC thereunder.

This opinion is furnished by me, as Acting General Counsel of Suzano, to you, solely for your benefit and no other person may rely upon this opinion without my prior written consent. I disclaim any obligation to update this opinion letter for events occurring or coming to my attention after the date hereof.

**Suzano Austria GmbH**  
**U.S.\$500,000,000.00 3.750% Global Notes Due 2031**  
**guaranteed by Suzano S.A.**

Ladies and Gentlemen,

we are acting as Austrian legal advisors for Suzano Austria GmbH, a limited liability company (*Gesellschaft mit beschränkter Haftung*) established under the laws of the Republic of Austria (“**Austria**”), registered in the companies’ register (*Firmenbuch*) under registration number FN 62444 f (the “**Company**”), in connection with the offering pursuant to a registration statement on Form F-3 (File Nos. 333-236083, 333-236083-01 and 333-236083-02) of U.S.\$500,000,000.00 aggregate principal amount of the Company’s 3.750% Global Notes due 2031 (the “**Notes**”), fully guaranteed by Suzano S.A. as guarantor (the “**Guarantor**”) pursuant to an indenture dated as of 24 January 2020 (the “**Base Indenture**”), as supplemented by the amended and restated First Supplemental Indenture dated as of 19 November 2020 (the “**First Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”) between the Company, the Guarantor and Deutsche Bank Trust Company Americas, as trustee, registrar, paying agent and transfer agent (the “**Trustee**”). Such registration statement, as amended as of its most recent effective date 16 November 2020, insofar as it relates to the Notes and the Guarantee (as determined for purposes of Rule 430B(f)(2) under the Securities Act of 1933, as amended (the “**Securities Act**”), including the documents incorporated by reference therein but excluding Exhibits 25.1 and 25.2, is herein called the “**Registration Statement**.”

For the purposes of this opinion we have examined the following documents:

- an electronic extract from the main book (*Hauptbuch*) of the companies’ register (*Firmenbuch*) relating to the Company, dated 19 November 2020;

- an electronic extract from the electronic insolvency register (*Ediktsdatei*) in relation to the Company dated 19 November 2020;
- the articles of association (*Gesellschaftsvertrag*) of the Company as of 8 March 2018 (the “**Articles of Association**”);
- a copy of the executed resolution of the Company’s shareholder passed on 16 September 2020 (the “**Resolution A**”); a copy of the executed resolution of the Company’s management board passed on 16 November 2020 (the “**Resolution B**”);
- a copy of the executed resolution of the Company’s shareholder passed on 16 November 2020 (the “**Resolution C**”);
- a copy of the executed power of attorney authorizing and instructing Marcelo Feriozzi Bacci and Carlos Anibal Fernandes de Almeida Júnior as attorneys-in-fact dated 16 November 2020 (the “**Power of Attorney**”);
- a copy of the execution version of the Registration Statement;
- a copy of the execution version of the Indenture, including the forms of global securities representing the Notes and the form of notation to be executed by the Guarantor relating to the guarantee (the “**Guarantee**”), included therein including the forms of global securities representing the Notes; and
- such further documents as we have considered necessary or appropriate for the preparation of this opinion.

The Registration Statement and the Indenture are collectively referred to in this opinion as the “**Transaction Documents**”. The Articles of Association, the Resolution A, the Resolution B, the Resolution C, and the Power of Attorney are collectively referred to as the “**Corporate Documents**” (and together with the Transaction Documents, the “**Documents**”).

For the purposes of this opinion we have assumed, without any investigation:

- i. the genuineness of each signature or seal on and the completeness and authenticity of each document submitted to us as an original or a copy;
- ii. the conformity to the original of each document submitted to us as a copy, including electronic files and facsimiles;
- iii. that a document examined by us in draft or specimen form has been or will be executed in the form of such draft or specimen;
- iv. the accuracy, completeness and authenticity of each public authority document and the accuracy and completeness of all official public records (including their proper indexing and filing);
- v. that nothing in this opinion is affected by any document other than the Documents;
- vi. that none of the Documents have been revoked, rescinded, repealed, terminated, amended, or supplemented (in each case whether as a whole or in part);
- vii. that none of the powers of attorney or sub-powers of attorney used for such purpose has been revoked prior to the execution of any Document;

- viii. that the Transaction Documents contain the entirety of the transactions entered into between the parties thereto and contemplated thereby insofar as they relate to the Company and that no other arrangements between any of the parties to the Transaction Documents in respect of the transaction contemplated thereby or other declaration or act which modifies or supersedes any of the terms of a Transaction Document exist;
- ix. that all individuals who will actually sign or have signed the Documents (i) have sufficient legal competency and capacity to act (i.e., are of legal age and without incapacity) and (ii) were in fact the persons whose names appear on the signature pages of the relevant Documents;
- x. that all statements of fact made in the Documents are correct;
- xi. that each of the representations and warranties given by any of the parties to the Transaction Documents (other than representations and warranties as to matters of Austrian law on which we express an opinion herein) is and will be, when made or repeated or when deemed made or repeated, true, accurate and complete and that none of the parties to the Transaction Documents has knowledge that these representations and warranties are inaccurate or impossible to fulfil;
- xii. that the information revealed by the searches in the electronic insolvency register (*Ediktsdatei*) and in the companies' register (*Firmenbuch*) was accurate and complete in all respects as of the date of the searches and that no changes to the facts related therein have occurred between the date the searches were made and the date hereof;
- xiii. that the Documents have been duly authorized and executed by each of the parties thereto other than the Company;
- xiv. that there are no agreements or understandings among the parties, written or oral, and no usage of trade or course of prior dealing among the parties that would (except for the fees and expense letter), in either case, define, supplement or qualify the terms of the Documents;
- (a) that the Documents have been entered into bona fide and at arm's length by all parties thereto and that the decision of any party to enter into such agreements has not been influenced by any relevant error or other deficiency of state of mind,
- (b) are in the best interests of each party thereto and its shareholder, employees and creditors, and are not a fraud on any of them, and
- (c) constitute a proper purpose for the exercise of the powers of each party thereto;
- xv. that any right or remedy arising from the Documents is not exercised in an unconscionable manner (*sittenwidrig*) or in bad faith (*treuwidrig* or *rechtsmissbräuchlich*);
- xvi. that the terms and provisions of each of the Documents and the execution, delivery, performance and enforcement of any Document by or against any party thereto or any other persons affected thereby (including, without limitation, the obtaining of all necessary consents, licenses, approvals and authorisations, the making of all necessary filings, lodgements, registrations and notifications and the payment of any stamp duties and other documentary taxes) duly comply with all relevant laws (other than those of Austria) as may apply thereto;
- xvii. that there is no law of any jurisdiction outside Austria which renders the execution, delivery or performance of the Documents illegal or ineffective and that, insofar as any obligation under the Documents is performed in, or is otherwise subject to, any jurisdiction other than Austria, its performance will not be illegal or ineffective by virtue of the law of that jurisdiction;

- xviii. that each of the Notes are offered, issued and purchased in accordance with their terms and conditions and upon their issuance, will be paid in full;
- xix. that the Notes are issued in the form of securities transferable by way of records maintained in book-entry form or physical delivery and not by way of an assignment;
- xx. that the potential holders of the Notes and the parties to the Transaction Documents (other than the Company) are not resident for tax purposes in Austria;  
  
that the potential holders of the Notes and the parties to the Transaction Documents (other than the Company) have, and will have, neither a branch, nor an office nor any other fixed place of business in Austria through which they wholly or partly conduct their business and to which the Notes or any payments under the Notes or any payments under, or pursuant to, the Transaction Documents are attributable; the potential holders of the Notes and the parties to the Transaction Documents (other than the Company) have not appointed and will not appoint a permanent agent in Austria in form of either a dependent agent or an independent agent;
- xxi. that interest payments under the Notes are made neither by the Company directly nor by an Austrian credit institution, Austrian branch of a non-Austrian credit institution or Austrian branch of a securities services firm established in the European Union nor by a third party making payments in addition or instead of the interest payments, each acting as paying agent, but by a non-Austrian paying agent (which does not merely act as an intermediary for bank transfer purposes in the course of the payment of the interest under the Notes) from a place outside of Austria;
- xxii. that payments of realized capital gains in relation to the Notes are made neither (i) by an Austrian credit institution or Austrian branch of a non-Austrian credit institution or Austrian branch of a securities services firm established in the European Union, each acting as Austrian depository, nor (ii) in the absence of an Austrian depository, by an Austrian credit institution or Austrian branch of a non-Austrian credit institution or Austrian branch of a securities services firm established in the European Union, each acting as Austrian paying agent in a scenario where the non-Austrian depository is a non-Austrian branch or group company of such Austrian paying agent and processes the payment in cooperation with the Austrian paying agent;
- xxiii. that under none of the Transaction Documents all contractual parties (other than the Company) have an Austrian residence, place of habitual abode, place of management, seat or permanent establishment;
- xxiv. that any Transaction Document is executed (signed) and all originals and certified copies thereof are and will be kept outside of Austria; and
- xxv. that any written documentation in connection with the Transaction Documents or other documentation which confirms or contains references to the Transaction Documents is not and will not be documented in writing in Austria and that no original or certified copy of such written documentation is or will be sent, or otherwise brought, to or from Austria.

On the basis of such assumptions, we are of the opinion that under Austrian law currently in effect:

1. The Company is a corporation duly incorporated and validly existing under Austrian law and has full power and authority to own its properties and to conduct its operations.
2. The Company, as of the date of this opinion, has full power and authority to undertake issuances of Notes.
3. The execution and delivery of the Transaction Documents and the performance by the Company of the obligations assumed under the terms thereof, have been duly authorized by all necessary action of the Company.

4. The execution and delivery of the Transaction Documents by the Company and the performance of its obligations thereunder do not conflict with or result in a violation of any provision of the Corporate Documents or provisions of Austrian law as specifically applicable to the Transaction Documents.

5. On the assumption that the (i) Indenture and (ii) the Notes in their definitive form are of a binding nature under the laws of the State of New York, to which the Indenture and the Notes are expressed to be subject, the Indenture and the Notes in definitive form, when duly authorized by the Company and issued in accordance with the form provided in the Indenture, including the Guarantees, will constitute legal, valid and binding obligations of the Company.

This opinion is subject to the following limitations and qualifications:

- a. For the purposes of this opinion we have relied upon companies' register extracts. Entries in the companies' register are made by qualified court clerks upon review of the relevant documents. As long as a fact to be entered in the companies' register has not been registered and made public, it cannot be invoked against a third party by the person in respect of whose affairs it ought to have been entered, unless the first had knowledge of such fact. If the fact has been entered and made public, it can be held against a third party. This does not apply to legal acts undertaken within 15 days after publication, if the third party proves that he neither knew nor should have known of the fact entered in the companies' register. If someone causes an inaccurate entry being made in the companies' register or if he has recognized or could have recognized that an entry in the companies' register is inaccurate (even if he did not cause the inaccurate entry) and does not have it deleted, the inaccurate entry may be held against him by a third party in business dealings, unless he proves that the third party did not act in reliance on such entry or that the third party knew or gross negligently failed to know of the incorrectness of the entry.

However, the companies' register extracts are, in particular, not capable of revealing conclusively whether or not:

- (a) a winding up order has been made or a resolution passed for the winding up of the Company; or
- (b) a receiver or liquidator has been appointed; or
- (c) amendments to the Articles of Association have been made;

as notice of these matters may not be filed with the commercial court immediately and, when filed, may not be entered in the companies' register database immediately. Further, entries made by a court clerk are usually not searchable in the companies' register database until the day following the entry.

We have not searched the collection of documents (*Urkundensammlung*) containing physical and electronic documents which were filed for entries (or deletions of entries) in the main book of the companies' register regarding the Company or in compliance with certain other legal requirements. Therefore, we have relied on the extract of the main book of the companies' register but have not verified those findings by examining whether there are any discrepancies or other deficiencies apparent from the documents contained in the collection of documents.

- The search made in the electronic insolvency register (*Ediktsdatei*) only reveals whether or not details of any insolvency proceedings have been included in the insolvency database with respect to the Company. This search is not capable of revealing conclusively whether or not the initiation of any such proceedings has already been court ordered, since details of such order may not be entered by the court clerk in the insolvency database immediately and, when entered, are usually not immediately searchable in the insolvency database. According to a decision of the Court of Appeal in Vienna, bankruptcy proceedings are, however, not regarded as having commenced until the day following the day on which the details of the court order are actually searchable in the insolvency database. We do not opine on whether or not any insolvency, composition, business receivership or similar proceedings have been opened with respect to the Company or its assets by any court or authority outside of Austria.

- The validity, binding effect and enforceability of the Transaction Documents and the obligations to be created thereunder may be limited or otherwise be affected by applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance, avoidance or similar laws of general application relating to or affecting the enforcement of creditors' rights and remedies (including, without limitation, creditors' termination and set-off rights). Under Austrian insolvency law, depending on the type of insolvency proceedings that are initiated, the insolvency receiver may become entitled to manage the respective company or its insolvent estate exclusively. In this capacity such insolvency receiver has a statutory right to terminate certain types of contracts. Orders made by the debtor become void with the opening of insolvency proceedings. An insolvency receiver is not bound by offers made by the debtor which have not been accepted before the opening of the insolvency proceedings. Unless specifically agreed, a contractual exclusion of set-off does not apply when the other party has become insolvent. Any power of attorney issued by a company will cease to be valid upon the institution of insolvency proceedings against such company.

- The choice of the law of the State of New York to govern the Indenture and the Notes is subject to (i) certain mandatory rules of Austrian conflicts law and (ii) the provisions of Regulation (EC) No. 593/2008 of 17 June 2008 ("**ROME I Regulation**"), e.g., Article 9 of the ROME I Regulation which provides that effect may be given to the overriding mandatory provisions of the law of the country where the obligations arising out of the contract have to be or have been performed, in so far as those overriding mandatory provisions render the performance of the contract unlawful; furthermore an Austrian court may give effect to mandatory rules of the laws of another foreign jurisdiction to which the case is closely connected, in particular foreign exchange control regulations, if and to the extent such rules must be applied regardless of the chosen law.

The choice of the law of the State of New York to govern any non-contractual obligations arising out of or in connection with the Indenture and the Notes will not prejudice the application of provisions of the law of another country where all the elements relevant to the situation at the time when the event giving rise to the damage occurs are located in a country other than Austria, where that other country has provisions of law which cannot be derogated from by agreement; we believe that the choice of the law of the State of New York to govern non-contractual obligations may not restrict the application of Austrian laws in a situation where the application of those laws are mandatory irrespective of the law otherwise applicable to the non-contractual obligation.

Despite the choice of foreign law by the parties, Austrian courts may apply Austrian law if they cannot ascertain the content of the foreign law within a reasonable time. What “reasonable time” means depends on the urgency of the matter (e.g., in case of a preliminary injunction it will be relatively short).

The opinion as to giving effect to the choice of forum clause in the Indenture and the Notes is subject to the interpretation of the Austrian court as to the terms of such choice of forum clause. If the court decides that the choice of forum clause is non-exclusive, the court may come to the conclusion that it has jurisdiction if and to the extent it would have jurisdiction under the general Austrian procedural rules. Even if the court decides that the choice of forum clause is exclusive and such court is not the chosen forum, there is a risk that the court would come to the conclusion that it has jurisdiction unless the defendant to such proceedings objects to the court's jurisdiction upon such defendant's first opportunity to bring forward arguments in the subject matter of the proceedings.

The validity, binding effect and enforceability of the Documents and the obligations to be created thereunder may be limited or otherwise be affected by the general defences available to the Company under Austrian law (to the extent it applies) with respect to the validity and enforceability of contractual obligations such as the Austrian law equivalents of initial legal or factual impossibility of performance (*ursprüngliche rechtliche oder faktische Unmöglichkeit der Vertragserfüllung*), frustration of purpose (*Wegfall der Geschäftsgrundlage*), good cause (*wichtiger Grund*), set-off, estoppel and statute of limitations and the exception of abuse of law or similar concepts.

This opinion is limited to Austrian law, as applied by the Austrian courts at the date hereof and is given on a basis that any issues arising hereunder (including, without limitation, issues of interpretation) will be governed by and construed in accordance with Austrian law. Place of performance is Austria. Our opinions expressed herein are given on the basis that they represent a fair view of the legal position (*vertretbare Rechtsansicht*) under Austrian law but do not purport to reflect all views taken by courts and academic literature in the past with respect to a particular legal issue.

We assume no obligation to update the opinions expressed herein if laws, their interpretation, facts or circumstances change after the date hereof. We have not investigated and do not express or imply an opinion with respect to the laws of any jurisdiction other than Austria.

We have neither examined any documents other than those expressly stated in this opinion, nor have we received or considered any further information with respect to the circumstances in this case.

We have not advised or participated in any way during the negotiation and conclusion of any of the Documents and thus have no knowledge about the course of the negotiations or the aim or intentions of the parties involved. Thus, we have based our legal opinion on the mere wording of the Documents.

Other than the review of the documents noted previously, we have not conducted any due diligence investigation of factual or legal matters for the purposes of this opinion, and our opinion does not purport to express or imply any opinion with regard to such matters, including the adequacy of any of the economic terms of the transactions contemplated in the Transaction Documents.

Nothing herein should be taken as expressing an opinion with respect to the representations and warranties or other factual statements, contained in the Transaction Documents.

This opinion is limited to the matters stated herein and is not to be read as extending by implication to any other matters not specifically referred to herein. It is given solely for the benefit of the addressees of this letter. This opinion is not addressed to any other person and may not be passed on to, or relied upon by, any holder or, save as stated below, any other person for any purpose. You may not give copies of it to others without our prior written permission, except that it may be included in any compilation of closing documents, to be handed out to the Company, the Guarantor, or the Trustee, pertaining to the exchange offer covered by the Registration Statement.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm in the prospectus constituting a part of the Registration Statement under the heading "Validity of Securities". In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder. The opinions expressed herein are rendered on and as of the date hereof, and we assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Yours faithfully,

Ladies and Gentlemen:

We have acted as special United States counsel to Suzano S.A., a corporation (*sociedade por ações*) incorporated under the laws of Brazil (the “Guarantor”) and Suzano Austria GmbH, a limited liability company (*Gesellschaft mit beschränkter Haftung*) incorporated under the laws of Austria (the “Issuer”), in connection with the offering pursuant to a registration statement on Form F-3 (File Nos. 333-236083, 333-236083-01 and 333-236083-02) of (i) U.S.\$500,000,000 aggregate principal amount of the Issuer’s 3.750% Global Notes due 2031 (the “Notes”), fully guaranteed by the Guarantor (the “Guarantee”), pursuant to an indenture dated as of January 24, 2020 (the “Base Indenture”), as supplemented by the amended and restated First Supplemental Indenture dated as of November 19, 2020 (the “First Supplemental Indenture”) and, together with the Base Indenture, the “Indenture”) between the Issuer, the Guarantor and Deutsche Bank Trust Company Americas, as trustee, registrar, paying agent and transfer agent (the “Trustee”). The Notes, together with the Guarantee, are referred to as the “Securities.” Such registration statement, as amended as of its most recent effective date (November 16, 2020), insofar as it relates to the Notes and the Guarantee (as determined for purposes of Rule 430B(f)(2) under the Securities Act of 1933, as amended (the “Securities Act”), including the documents incorporated by reference therein but excluding Exhibits 25.1 and 25.2, is herein called the “Registration Statement.”

In arriving at the opinions expressed below, we have reviewed the following documents:

- (a) The Registration Statement;  
An executed copy of the Base Indenture and the First Supplemental Indenture, including the forms of global securities
- (b) representing the Notes and the form of notation to be executed by the Guarantor relating to the Guarantee, included therein.

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of such other documents, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified (i) the accuracy as to factual matters of each document we have reviewed, (ii) that the Securities will conform to the forms we have reviewed.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that, when the First Supplemental Indenture and each of the Securities have been duly executed and delivered by the Issuer and the Guarantor, as applicable, in the forms thereof that we have examined, and the Notes have been duly delivered to and paid for by the purchasers thereof in the manner described in the Registration Statement and executed and authenticated, in the form thereof that we have examined, in accordance with the terms of the Indenture, the Notes will be valid, binding and enforceable obligations of the Issuer, entitled to the benefits of the Indenture, and the Guarantee will be a valid, binding and enforceable obligation of the Guarantor.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of the Guarantor or the Issuer, (a) we have assumed that each of the Guarantor and the Issuer, as the case may be, and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to the Guarantor or the Issuer regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities in relation to transactions of the type contemplated in the Indenture and the Securities), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

We express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to the Securities where jurisdiction based on diversity of citizenship under 28 U.S.C. § 1332 does not exist.

We note that (a) the enforceability in the United States of the waiver in Section 1.15 of the Indenture of any immunities from court jurisdiction and from legal processes is subject to the limitations imposed by the United States Foreign Sovereign Immunities Act of 1976 and (b) the designation in Section 1.15 of the Indenture of the United States federal courts sitting in the Borough of Manhattan, City of New York as the venue for actions or proceedings relating to the Securities or the Indenture is (notwithstanding the waiver in Section 1.15 of the Indenture) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. § 1404 (a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such an action or proceeding.

We express no opinion as to the enforceability of Section 16 of the Underwriting Agreement or Section 10.15 of the Indenture, relating to currency indemnity.

In addition, we note that the waiver of defenses in Section 12.01 in the Indenture may be ineffective to the extent that any such defense involves a matter of public policy in New York (such as reflected in New York's anti-champerty statute).

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm in the prospectus constituting a part of the Registration Statement under the heading "Validity of Securities" as counsel for the Guarantor and the Issuer who have passed on the validity of the Securities being registered by the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission thereunder. The opinions expressed herein are rendered on and as of the date hereof, and we assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

CLEARY GOTTlieb STEEN & HAMILTON LLP
