Dear Sirs and Madams:

1. Introductory. Nissan Motor Acceptance Corporation, a California corporation (“NMAC” or “Servicer”), and Nissan Auto Receivables Corporation II, a Delaware corporation (the “Depositor” or “Seller”), hereby confirm their agreement with Citigroup Global Markets Inc. (the “Representative”) and the several underwriters named in Schedule 1 hereto (together with the Representative, collectively, the “Underwriters”) with respect to the purchase by the Underwriters of \$323,000,000 aggregate principal amount of 0.20000% Asset Backed Notes, Class A-1 (the “Class A-1 Notes”), \$435,000,000 aggregate principal amount of 0.37% Asset Backed Notes, Class A-2 (the “Class A-2 Notes”), \$410,000,000 aggregate principal amount of 0.50% Asset Backed Notes, Class A-3 (the “Class A-3 Notes”), and \$195,790,000 aggregate principal amount of 0.75% Asset Backed Notes, Class A-4 (the “Class A-4 Notes”) (collectively, the Class A-1 Notes, the Class A-2 Notes, the Class A-3 Notes, and the Class A-4 Notes are referred to herein as the “Notes”), of Nissan Auto Receivables 2013-A Owner Trust, a Delaware statutory trust (the “Trust” or “Issuer”), which Notes the Depositor proposes to sell to the Underwriters under the terms and conditions herein.

Simultaneously with the issuance of the Notes, the Depositor will cause the Trust to issue Asset Backed Certificates (the “Certificates”) with an original certificate balance of at least \$56,828,040.38. The Notes and the Certificates shall collectively be referred to herein as the “Securities.” The Notes will be issued pursuant to an indenture, dated as of January 16, 2013 (the “Indenture”), between the Trust and Citibank, N.A. capacity, the “Owner Trustee”). Each Note will represent an obligation of, and each Certificate will represent an undivided interest in, the Trust. The Certificates will be subordinated to the Notes to the extent described in the Indenture and the Trust Agreement.

Capitalized terms used herein and not otherwise defined herein shall have the meanings given them in the Sale and Servicing Agreement. With respect to all terms in this Agreement, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to “writing” include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all subsequent amendments, amendments and restatements and supplements thereto or changes therein entered into in accordance with their respective terms and not prohibited by this Agreement; references to Persons include their permitted successors and assigns; references to laws include their amendments and supplements, the rules and regulations thereunder and any successors thereto; the term “including” means “including without limitation;” and the term “or” is not exclusive.

2. Representations and Warranties of the Seller and the Servicer. Each of the Seller and the Servicer, jointly and severally, represents and warrants to and agrees with the several Underwriters as of the date hereof and as of the Closing Date:

(a) A registration statement (No. 333-183569), including a form of prospectus supplement relating to the Notes and a form of base prospectus relating to each class of securities to be registered under such registration statement (the “Registered Securities”), has been filed on Form S-3 with the Securities and Exchange Commission (the “Commission”) and either (i) has been declared effective by the Commission within the three years prior to the Closing Date and is still effective as of the date hereof under the Securities Act of 1933, as amended (the “Act”), and is not proposed to be amended or (ii) is proposed to be amended by amendment or post-effective amendment. If such registration statement (the “initial registration statement”) has been declared effective, either (i) any additional registration statement (the “additional registration statement”) relating to the Notes has been filed with the Commission pursuant to rule 462(b) (“Rule 462(b)”) under the Act and declared effective upon filing, and the Notes have been registered under the Act pursuant to the initial registration statement and such additional registration statement or (ii) any such additional registration statement proposed to be filed with the Commission pursuant to Rule 462(b) will become effective upon filing pursuant to Rule 462(b) and upon such filing the Notes will have been duly registered under the Act pursuant to the initial registration statement and such additional registration statement. If the Seller does not propose to amend the initial registration statement, any such additional registration statement or any post-effective amendment to either such registration statement filed with the Commission prior to the execution and delivery of this Agreement, then the most recent amendment (if any) to each such registration statement has been declared effective by the Commission within the three years prior to the Closing Date and is still effective as of the date hereof under the Act.

For purposes of this Agreement, “Effective Time” with respect to the initial registration statement or, if filed prior to the execution and delivery of this Agreement, the additional registration statement means (A) if the Seller has advised the Representative that it does not propose to amend such registration statement, the date and time as of which such registration statement, or the most recent post-effective amendment thereto (if any) filed prior to the

---

execution and delivery of this Agreement, was declared effective by the Commission or has become effective upon filing pursuant to Rule 462(c) or (B) if the Seller has advised the Representative that it proposes to file an amendment or post-effective amendment to such registration statement, the date and time as of which such registration statement as amended by such amendment or post-effective amendment, as the case may be, is declared effective by the Commission. If the Seller has advised the Representative that it proposes to file, but has not filed, an additional registration statement, "Effective Time" with respect to such additional registration statement means the date and time as of which such registration statement is filed and becomes effective pursuant to Rule 462(b).

The initial registration statement and all amendments and supplements thereto, as amended at its time of effectiveness, including all information (A) contained in the additional registration statement (if any), (B) deemed to be a part of the initial registration statement as of the time of effectiveness of the additional registration statement (if any) pursuant to the General Instructions of the Form on which it is filed and (C) deemed to be a part of the initial registration statement as of its time of effectiveness pursuant to Rule 430A(b) under the Act ("Rule 430A(b)"), is hereinafter referred to as the "Initial Registration Statement." The additional registration statement and all amendments and supplements thereto, as amended at its time of effectiveness, including the contents of the initial registration statement incorporated by reference therein and deemed to be a part of the additional registration statement as of its Effective Time pursuant to Rule 430A(b), is hereinafter referred to as the "Additional Registration Statement." The Initial Registration Statement, the Additional Registration Statement and all Incorporated Documents (defined below) are hereinafter referred to collectively as the "Registration Statements" and individually as a "Registration Statement." As used herein, the term "Incorporated Documents", when used with respect to the Registration Statement as of any date, means the documents incorporated or deemed to be incorporated by reference in the Registration Statement (i) as of such date pursuant to Item 12 of Form S-3 or pursuant to a no-action letter of the Commission or (ii) as of any other date pursuant to Rule 430B(f) under the Act. A preliminary prospectus supplement, dated January 7, 2013, as supplemented by the supplement to preliminary prospectus supplement, dated January 8, 2013, relating to the Notes (collectively, the "Preliminary Prospectus Supplement") and accompanied by the base prospectus, dated January 7, 2013, relating to the Registered Securities (including the Notes) (the "Base Prospectus"), will be filed with the Commission in connection with the offering and sale of the Notes pursuant to and in accordance with Rule 424(b) under the Act ("Rule 424(b)") within the time period required thereby (together, including all material incorporated by reference therein, the "Preliminary Prospectus"). A free writing prospectus, dated January 7, 2013, and a free writing prospectus, dated January 8, 2013, each relating to the ratings on the Notes (each, a "Ratings Free Writing Prospectus" and collectively, the "Ratings Free Writing Prospectuses"), will be filed with the Commission in accordance with Section 7 (to the extent required by Rule 433 under the Act). A final prospectus supplement, dated January 9, 2013, relating to the Notes (the "Prospectus Supplement"), and accompanied by the Base Prospectus, will be filed with the Commission in connection with the offering and sale of the Notes pursuant to and in accordance with Rule 424(b) within the time period required thereby (together, including all material incorporated by reference therein, the "Final Prospectus").

(b) (i) (A) On the effective date of any Registration Statement whose time of effectiveness is prior to the execution and delivery of this Agreement, each such Registration

---

Statement conformed, (B) on the date of this Agreement, each such Registration Statement conforms and (C) on any related effective date of the Registration Statement, subsequent to the date of this Agreement and on the Closing Date (as defined in Section 3(c) hereof), each such Registration Statement will conform, in all respects to the requirements of the Act and the Rules and Regulations and the Trust Indenture Act of 1939, as amended (the “1939 Act”), except where such failure to conform would not have a material adverse effect on the Seller’ s or the Servicer’ s respective ability to perform its obligations under the Basic Documents, and at such times each such Registration Statement, as amended, did not and will not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading. (ii) As of 8:48 a.m. (New York time), January 9, 2013 (the “Date of Sale”), which shall be the date and time of the first contract of sale for the Notes, and at the time of filing of the Preliminary Prospectus pursuant to Rule 424(b) (or if no such filing is required, at the effective date of the Additional Registration Statement that includes the Preliminary Prospectus), the Preliminary Prospectus, together with the Ratings Free Writing Prospectuses, did not include, does not include and will not include, any untrue statement of a material fact, nor did, does or will the Preliminary Prospectus, together with the Ratings Free Writing Prospectuses, omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading (it being understood that no representation or warranty is made with respect to the omission of pricing and price-dependent information, which information shall appear only in the Final Prospectus). (iii) As of the date of the first use of the Final Prospectus, at the time of filing of the Final Prospectus pursuant to Rule 424(b) (or if no such filing is required, at the effective date of the Additional Registration Statement that includes the Final Prospectus), on the date of this Agreement and at the Closing Date, the Final Prospectus, as amended and supplemented as of such dates, will conform, in all respects to the requirements of the Act and the Rules and Regulations, except where such failure to conform would not have a material adverse effect on the Seller’ s or the Servicer’ s respective ability to perform its obligations under the Basic Documents, and does not include, and will not include, any untrue statement of a material fact, nor did, does or will the Final Prospectus, as amended and supplemented as of such dates, omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The three preceding sentences do not apply to statements in or omissions from the Registration Statement, the Preliminary Prospectus, the Ratings Free Writing Prospectuses or the Final Prospectus based upon Underwriter Information (as defined herein) or to that part of the Registration Statement which constitutes the Statement of Qualification under the 1939 Act on Form T-1 (the “Form T-1”) of the Indenture Trustee (which will be represented and warranted to by the Indenture Trustee). If the time of effectiveness of the Registration Statement is subsequent to the date of this Agreement, no Additional Registration Statement has been or will be filed. The Indenture has been qualified under the 1939 Act.

(c) The Seller has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware with corporate power and authority to own its properties and conduct its business as described in the Preliminary Prospectus and the Final Prospectus, as amended and supplemented, and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or the ownership of its property requires such qualification, except where the failure to be in good standing would not have a material adverse effect on the Seller’ s ability to perform its obligations under this

---

Agreement, the Trust Agreement, the Purchase Agreement, the Assignment, the Sale and Servicing Agreement, the Indenture or the Administration Agreement (collectively, the “Basic Documents”). The Seller is not, and on the date on which the first bona fide offer of the Notes was made, was not an “ineligible issuer” as defined in Rule 405 of the Rules and Regulations.

(d) The Servicer has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of California with corporate power and authority to own its properties and conduct its business as described in the Preliminary Prospectus and the Final Prospectus, as amended and supplemented, and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or the ownership of its property requires such qualification, except where the failure to be in good standing would not have a material adverse effect on the Servicer’s ability to perform its obligations under the Basic Documents.

(e) The consummation of the transactions contemplated by the Basic Documents, and the fulfillment of the terms thereof, will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation of any lien, charge, or encumbrance upon any of the property or assets of the Seller or the Servicer pursuant to the terms of, any indenture, mortgage, deed of trust, loan agreement, guarantee, lease financing agreement, or similar agreement or instrument under which the Seller or the Servicer is a debtor or guarantor, except where such conflict, breach, default or creation could not reasonably be expected to have a material adverse effect on the Seller’s or the Servicer’s respective ability to perform its obligations under the Basic Documents or the validity or enforceability thereof.

(f) No consent, approval, authorization or order of, or filing with, any court or governmental agency or body is required to be obtained or made by the Seller or the Servicer for the consummation of the transactions contemplated by this Agreement except such as have been obtained and made under the Act, such as may be required under state securities laws and the filing of any financing statements required to perfect the Trust’s interest in the Receivables, or where the failure to obtain such consent, approval, authorization or order of, or filing with any court or governmental agency or body could not reasonably be expected to have a material adverse effect on the consummation of the transactions contemplated by this Agreement.

(g) Neither the Seller nor the Servicer is in violation of its certificate of incorporation or articles of incorporation, as applicable, or by-laws or in default in the performance or observance of any obligation, agreement, covenant or condition contained in any agreement or instrument to which it is a party or by which it or its properties are bound which would have a material adverse effect on the transactions contemplated herein or on the Seller’s or the Servicer’s respective ability to perform its obligations under the Basic Documents. The execution, delivery and performance of the Basic Documents and the issuance and sale of the Notes and compliance with the terms and provisions thereof will not, subject to obtaining any consents or approvals as may be required under the securities or “blue sky” laws of various jurisdictions: (i) result in a breach or violation of any of the terms and provisions of, or constitute a default under, any statute, rule, regulation or order of any governmental agency or body or any court having jurisdiction over the Seller or the Servicer or their respective properties or any agreement or instrument to which either is a party or by which either is bound or to which any of their respective properties are subject, except where such breach, violation, or default would not

---

have a material adverse effect on the Seller's or the Servicer's respective ability to perform its obligations under the Basic Documents or the validity or enforceability thereof, or (ii) conflict with the Seller's or the Servicer's charter or by-laws, and each of the Seller and the Servicer has the corporate power and authority to enter into the Basic Documents and to consummate the transactions contemplated hereby and thereby.

(h) The Basic Documents have been duly authorized, executed and delivered by, and (assuming due authorization and delivery thereof by the other parties hereto and thereto) constitute valid and binding obligations of, the Seller and the Servicer, as applicable, enforceable against such party in accordance with their respective terms, except as limited by bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforcement of creditors' rights generally and by general equitable principles, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(i) The Notes have been duly authorized and, when executed and delivered in accordance with the Indenture and delivered against the consideration therefor, will be valid and binding obligations of the Trust, enforceable against the Trust in accordance with their respective terms, except as limited by bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforcement of creditors' rights generally and by general equitable principles, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(j) There are no legal or governmental proceedings known by the Seller or the Servicer to be (i) pending for which the Seller or the Servicer has been served official notice, to which the Seller or the Servicer is a party or to which any property of the Seller or the Servicer is the subject, and (ii) threatened or contemplated by any governmental authority or threatened by others, which proceedings in either clause (i) or (ii) above (A) (whether individually or in the aggregate) are required to be disclosed in the Registration Statement or (B)(1) assert the invalidity of all or part of any Basic Document, (2) seek to prevent the issuance of the Notes, (3) (whether individually or in the aggregate) would materially and adversely affect the Seller's or the Servicer's obligations under any Basic Document to which it is a party, or (4) (whether individually or in the aggregate) seek to affect adversely the federal or state income tax attributes of the Notes.

(k) Any material taxes, fees and other governmental charges that have been assessed and are known to the Seller to be due in connection with the execution, delivery and issuance of the Basic Documents shall have been paid by the Seller or the Servicer at or prior to the Closing Date.

(l) Each of the Seller and the Servicer possesses all material licenses, certificates, authorizations or permits issued by the appropriate state, federal or foreign regulatory agencies or bodies, the absence of which could reasonably be expected to have a material adverse effect on the ability of the Seller or the Servicer to perform its duties under the Sale and Servicing Agreement, and neither of the Seller or Servicer has received notice of proceedings relating to the revocation or modification of any such license, certificate, authorization or permit which, singly or in the aggregate, if the subject of any unfavorable decision, ruling or finding, could reasonably be expected to materially and adversely affect the ability of the Seller or the Servicer to perform its obligations under the Basic Documents.

---

(m) As of the Closing Date and subject to the lien of the Indenture Trustee for the benefit of the Noteholders, the Trust will have good and marketable title, free and clear of all prior liens, charges and encumbrances, to the Receivables.

(n) As of the Closing Date, the Notes and each of the Basic Documents will conform in all material respects to the description thereof contained in the Registration Statement, the Preliminary Prospectus and the Final Prospectus, as then amended and supplemented.

(o) The nationally recognized accounting firm referenced in Section 7(a) is independent from the Seller and the Servicer.

(p) Neither the Trust nor the Seller is required to be registered as an “investment company” under the Investment Company Act of 1940, as amended (the “1940 Act”).

(q) The representations and warranties of the Seller and the Servicer in the Sale and Servicing Agreement are true and correct in all material respects.

(r) Other than the Preliminary Prospectus, the Ratings Free Writing Prospectuses and the Final Prospectus, neither the Seller nor the Servicer (including their respective agents and representatives other than the Underwriters in their capacity as such) has made, used, prepared, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any “written communication” (as defined in Rule 405 under the Act) that constitutes an offer to sell or solicitation of an offer to buy the Notes.

(s) Neither the Seller nor the Servicer knows of any contract or other document of a character required to be filed as an exhibit to the Registration Statement or required to be described in the Registration Statement, the Preliminary Prospectus or the Final Prospectus, as then amended and supplemented, which is not filed (or, as applicable, will not be filed within the proscribed time period) or described as required.

(t) The Servicer has executed and delivered a written representation to each rating agency hired to rate the Notes (each a “Rating Agency,” and collectively the “Rating Agencies”) that it will take the actions specified in paragraphs (a)(3)(iii)(A) through (D) of Rule 17g-5 of the Exchange Act (“Rule 17g-5”), and it has complied with each such representation, other than any breach of such representation that would not have a material adverse effect on the Noteholders.

### 3. Purchase, Sale and Delivery of the Notes.

(a) On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Seller agrees to sell to the Underwriters, and the Underwriters agree, severally and not jointly, to purchase from the Seller, the aggregate principal amounts of the Notes set forth opposite the names of the Underwriters in Schedule 1 hereto.

(b) The Notes are to be purchased by the Underwriters at a purchase price equal to (i) in the case of the Class A-1 Notes, 99.87000% of the aggregate principal amount thereof, (ii) in the case of the Class A-2 Notes, 99.80935% of the aggregate principal amount thereof, (iii) in the case of the Class A-3 Notes, 99.74107% of the aggregate principal amount thereof,

---

and (iv) in the case of the Class A-4 Notes, 99.69709% of the aggregate principal amount thereof.

(c) Against payment of the purchase price by wire transfer of immediately available funds to the Seller, the Seller will deliver the Notes to the Representative, for the account of the Underwriters, at the office of Winston & Strawn LLP, at 333 South Grand Avenue, Los Angeles, California or at such other place as shall be agreed upon by the Representative, the Seller and the Servicer, on January 16, 2013, at 10:00 a.m., New York time, or at such other time not later than seven full Business Days thereafter as the Representative and the Seller determine, such time being herein referred to as the "Closing Date." The Notes to be so delivered will be initially represented by one or more securities registered in the name of Cede & Co., the nominee of The Depository Trust Company ("DTC"). The interests of beneficial owners of the Notes will be represented by book entries on the records of DTC and participating members thereof. Definitive securities evidencing the Notes will be available only under the limited circumstances set forth in the Indenture.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Notes for sale to the public as set forth in the Preliminary Prospectus and the Final Prospectus.

5. Covenants of the Seller. The Seller covenants and agrees with the several Underwriters that:

(a) The Seller will file the Preliminary Prospectus, the Ratings Free Writing Prospectuses and the Final Prospectus with the Commission pursuant to and in accordance with Rule 424(b) within the prescribed time period and will provide evidence satisfactory to the Representative of such timely filing. If the time of effectiveness of the Initial Registration Statement is prior to the execution and delivery of this Agreement and an Additional Registration Statement is necessary to register a portion of the Notes under the Act but the time of effectiveness thereof has not occurred as of such execution and delivery, the Seller will file the Additional Registration Statement or a post-effective amendment thereto, as the case may be, with the Commission pursuant to and in accordance with Rule 462(b). The Seller will advise the Representative promptly of any such filing pursuant to Rule 424(b) or Rule 462(b), as applicable.

(b) The Seller will advise the Representative promptly of any proposal to amend or supplement the registration statement as filed or the related prospectus or the Registration Statement, the Preliminary Prospectus, any Ratings Free Writing Prospectuses or the Final Prospectus, and will not effect such amendment or supplementation without the Representative's consent; and the Seller will also advise the Representative promptly of the effectiveness of the Registration Statement (if the time of effectiveness of the Registration Statement is subsequent to the execution and delivery of this Agreement) and of any amendment or supplementation of the Registration Statement, the Preliminary Prospectus, any Ratings Free Writing Prospectuses or the Final Prospectus and of the institution by the Commission of any stop order proceedings in respect of the Registration Statement and will use its best efforts to prevent the issuance of any such stop order and to lift such stop order as soon as possible, if issued.

---

(c) The Seller will arrange for the qualification of the Notes for offering and sale under the securities laws of such jurisdictions in the United States as the Representative may reasonably designate and to continue such qualifications in effect so long as necessary under such laws for the distribution of such securities; provided that in connection therewith the Seller shall not be required to qualify as a foreign corporation to do business, or to file a general consent to service of process, in any jurisdiction.

(d) If, at any time when the delivery of a prospectus shall be required by law in connection with sales of any Notes (including delivery as contemplated by Rule 172 under the Act), either (i) any event shall have occurred as a result of which the Preliminary Prospectus, any Ratings Free Writing Prospectuses or the Final Prospectus, as then amended and supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (ii) for any other reason it shall be necessary to amend or supplement the Preliminary Prospectus, any Ratings Free Writing Prospectuses or the Final Prospectus, the Seller will promptly notify the Representative and will promptly prepare for review by the Representative and file with the Commission an amendment or a supplement to the Preliminary Prospectus, such Ratings Free Writing Prospectuses or the Final Prospectus which will correct such statement or omission or effect such compliance. Neither your consent to, nor the Underwriters' delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 7, unless such consent specifically waives such conditions.

(e) The Seller will cause the Trust to make generally available to Holders as soon as practicable, but not later than fourteen months after the effective date of the Registration Statement, an earnings statement of the Trust covering a period of at least twelve consecutive months beginning after such effective date and satisfying the provisions of Section 11(a) of the Act (including Rule 158 promulgated thereunder); provided that this covenant may be satisfied by posting the monthly investor reports for the Trust on a publicly available website or filing such monthly investors reports with the Commission of Form 10-D.

(f) The Seller will furnish to the Representative copies of the Registration Statement (which will include all exhibits), the Preliminary Prospectus, the Ratings Free Writing Prospectuses, the Final Prospectus and all amendments and supplements to such documents, in each case as soon as available and in such quantities as the Representative may from time to time reasonably request.

(g) So long as any of the Notes are outstanding, the Seller will furnish to the Representative copies of all reports or other communications furnished to Holders, and deliver to the Representative during such same period (i) as soon as they are available, copies of any reports furnished to or filed with the Commission and (ii) such additional information concerning the business and financial condition of the Seller and the Trust as the Representative may from time to time reasonably request; provided that this covenant may be satisfied by posting such reports or other communications on a publicly available website or filing such reports or communications with the Commission.

(h) The Seller will pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including (i) the printing (or otherwise reproducing) and

---

filing of the Registration Statement as originally filed and of each amendment thereto; (ii) the preparation, issuance and delivery of the Notes to the Underwriters; (iii) the fees and disbursements of the Seller's and the Servicer's counsel and accountants; (iv) the fees of DTC in connection with the book-entry registration of the Notes; (v) the qualification of the Notes under state securities law in accordance with the provisions of Section 5(c) hereof, including filing fees and the fees and disbursements of counsel to the Underwriters in connection therewith and in connection with the preparation of the blue sky survey, if required; (vi) the printing (or otherwise reproducing) and delivery to the Underwriters of copies of the Preliminary Prospectus, the Ratings Free Writing Prospectuses and the Final Prospectus and any amendments or supplements thereto; (vii) the reproducing and delivery to the Underwriters of copies of the blue sky survey; and (viii) the fees charged by any Rating Agency for rating the Notes. The Underwriters shall not be responsible for the fees and disbursements of the Owner Trustee, the Indenture Trustee and their respective counsel.

(i) Until the retirement of the Notes, or until such time as the Underwriters shall cease to maintain a secondary market in the Notes, whichever occurs first, the Seller will deliver to the Representative the annual statements of compliance pursuant to Section 3.09 of the Indenture and Section 4.09 of the Sale and Servicing Agreement as soon as such statements are furnished to the Indenture Trustee or Owner Trustee, as applicable; provided that this covenant may be satisfied by posting such statements on a publicly available website or filing such statements with the Commission.

(j) On or promptly after the Closing Date, the Seller shall cause its and the Servicer's computer records relating to the Receivables to be marked to show the Trust's absolute ownership of the Receivables, and from and after the Closing Date neither the Seller nor the Servicer shall take any action inconsistent with the Trust's ownership of such Receivables, other than as permitted by the Sale and Servicing Agreement.

(k) To the extent, if any, that the rating provided with respect to the Notes by any Rating Agency is conditional upon the furnishing of documents or the taking of any other actions by the Seller, the Seller shall furnish, and shall cause the Servicer to furnish, such documents and take any such other actions.

(l) The Servicer shall comply with the representations made by it to each Rating Agency pursuant to paragraph (a)(3)(iii) of Rule 17g-5, other than any breach of such representation that would not have a material adverse effect on the Noteholders.

#### 6. Covenants of the Underwriters.

(a) Each of the Underwriters severally, and not jointly, covenants and agrees with the Seller that other than the Preliminary Prospectus, the Ratings Free Writing Prospectuses and the Final Prospectus, without the Servicer's prior written approval, such Underwriter has not made, used, prepared, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any "written communication" (as defined in Rule 405 under the Act) relating to the offer and sale of the Notes that would constitute a "prospectus" or a "free writing prospectus," each as defined in the Act or the Rules and Regulations thereunder, including, but not limited to any "ABS informational and computational materials" as defined in Item 1101(a)

---

of Regulation AB under the Act; provided, however, that (i) each Underwriter may prepare and convey one or more “written communications” (as defined in Rule 405 under the Act) containing no more than the following: (A) information contemplated by Rule 134 under the Act and included or to be included in the Preliminary Prospectus, the Ratings Free Writing Prospectuses or the Final Prospectus, including but not limited to, information relating to the class, size, weighted average life, rating, expected final payment date, legal maturity date, and/or the final price of the Notes, as well as a column or other entry showing the status of the subscriptions for the Notes and/or expected pricing parameters of the Notes, (B) an Intex CDI file that does not contain any Issuer Information (as defined below) other than Issuer Information included in the Preliminary Prospectus or the Ratings Free Writing Prospectuses previously filed with the Commission or other written communication containing no more than the following: information contemplated by Rule 134 under the Act and included or to be included in the Preliminary Prospectus, the Ratings Free Writing Prospectuses or the Final Prospectus, as well as a column or other entry showing weighted average life, the status of the subscriptions for the Notes and/or expected pricing parameters of the Notes, (C) information customarily included in confirmations of sales of securities and notices of allocations and (D) information regarding the credit ratings assigned to the Notes by the Rating Agencies (each such written communication, an “Underwriter Free Writing Prospectus”); and (ii) unless otherwise consented to by the Seller or the Servicer, no such Underwriter Free Writing Prospectus shall be conveyed in a manner reasonably designed to lead to its broad unrestricted dissemination such that, as a result of such conveyance, the Seller or the Servicer shall be required to make any filing of such Underwriter Free Writing Prospectus pursuant to Rule 433(d) under the Act. As used herein, the term “Issuer Information” means any information of the type specified in clauses (1)–(5) of footnote 271 of Commission Release No. 33-8591 (Securities Offering Reform), other than Underwriter Derived Information. As used herein, the term “Underwriter Derived Information” shall refer to information of the type described in clause (5) of footnote 271 of Commission Release No. 33-8591 (Securities Offering Reform) when prepared by any Underwriter, including traditional computational and analytical materials prepared by the Underwriter.

(b) Each Underwriter, severally and not jointly, covenants with the Seller and the Servicer that on or prior to the Closing Date, and thereafter, to the extent applicable, so long as it is acting as an “underwriter” as defined in Section 2(a)(11) of the Act with respect to the Notes, it (a) has not delivered and will not deliver any Rating Information (as defined below) to any Rating Agency or any other “nationally recognized statistical rating organization” (within the meaning of the Exchange Act), and (b) has not participated and will not participate in any oral communication of Rating Information with any Rating Agency or any other “nationally recognized statistical rating organization” (within the meaning of the Exchange Act) unless a designated representative from the Servicer participates in such communication; provided, however, that if an Underwriter receives an oral communication from a Rating Agency, such Underwriter is authorized to inform such Rating Agency that it will respond to the oral communication with a designated representative from the Servicer or refer such Rating Agency to the Servicer, who will respond to the oral communication. “Rating Information” means any oral or written information provided to a Rating Agency for the purpose of (i) determining the initial credit rating for the Notes, including information about the characteristics of the Receivables and the legal structure of the Notes, or (ii) undertaking credit rating surveillance on the Notes, including information about the characteristics and performance of the Receivables.

7. Conditions of the Obligations of the Underwriters. The obligations of the several Underwriters to purchase and pay for the Notes will be subject to the accuracy of the representations and warranties on the part of the Seller and the Servicer herein on the date hereof and at the Closing Date, to the accuracy of the statements of officers of the Seller and the Servicer made pursuant to the provisions hereof, to the performance by the Seller and the Servicer of their respective obligations hereunder and to the following additional conditions precedent:

(a) At the time this Agreement is executed and delivered by the Seller and at the Closing Date, a nationally recognized accounting firm who are independent public accountants shall have furnished to the Representative letters dated respectively as of the date of this Agreement and as of the Closing Date substantially in the forms of the drafts to which the Representative previously agreed.

(b) If the time of effectiveness of the Initial Registration Statement is not prior to the execution and delivery of this Agreement, such time of effectiveness shall have occurred not later than 10:00 p.m., New York time, on the date of this Agreement or such later date as shall have been consented to by the Representative. If the time of effectiveness of the Initial Registration Statement is prior to the execution and delivery of this Agreement, the Preliminary Prospectus, the Ratings Free Writing Prospectuses and the Final Prospectus and all amendments and supplements thereto shall have been filed with the Commission in accordance with the Rules and Regulations and Section 5(a) of this Agreement. If the time of effectiveness of the Additional Registration Statement (if any) is not prior to the execution and delivery of this Agreement, such time of effectiveness shall have occurred not later than 10:00 p.m., New York time, on the date of this Agreement or, if earlier, the time the Final Prospectus is printed and distributed to any Underwriter, or shall have occurred at such later date as shall have been consented to by the Representative. Prior to the Closing Date, no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Seller, shall be contemplated by the Commission.

(c) The Underwriters shall have received an officers' certificate, dated the Closing Date, signed by the Chairman of the Board, the President or any Vice President and by a principal financial or accounting officer of the Seller representing and warranting that, to the best of such officers' knowledge after reasonable investigation, as of the Closing Date:

(i) The representations and warranties of the Seller in this Agreement are true and correct in all material respects, that the Seller has complied with all agreements and satisfied in all material respects all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, that no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the best of their knowledge, are contemplated by the Commission.

(ii) Except as otherwise set forth therein, there has been no material adverse change, since the respective dates as of which information is given in the Preliminary Prospectus or the Final Prospectus (as then amended and supplemented), in the condition, financial or otherwise, earnings or business affairs, whether or not arising out of the

---

ordinary course of business, of the Seller or any of its affiliates (as such term is defined in Rule 501(b) under the Act) (each, an “Affiliate”), or in the ability of such entity to perform its obligations under each Basic Document to which it is a party or by which it may be bound. Except as otherwise indicated by the context, all references to the term “material” in this Agreement that refer to the Seller or its Affiliates, or any of them, shall be interpreted in proportion to the business of the Servicer and its consolidated subsidiaries, as a whole, and not in proportion to the business of the Seller or its Affiliate(s) individually.

(d) The Underwriters shall have received an officers’ certificate, dated the Closing Date, signed by the Chairman of the Board, the President or any Vice President and by a principal financial or accounting officer of the Servicer representing and warranting that, to the best of such officers’ knowledge after reasonable investigation, as of the Closing Date:

(i) The representations and warranties of the Servicer in this Agreement are true and correct in all material respects, that the Servicer has complied with all agreements and satisfied, in all material respects, all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, that no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the best of their knowledge, are contemplated by the Commission.

(ii) Except as otherwise set forth therein, there has been no material adverse change, since the respective dates as of which information is given in the Preliminary Prospectus or the Final Prospectus (as then amended and supplemented), in the condition, financial or otherwise, earnings or business affairs, whether or not arising out of the ordinary course of business, of the Servicer or any of its Affiliates, or the ability of such entity to perform its obligations under each Basic Document to which it is a party or by which it may be bound. Except as otherwise indicated by the context, all references to the term “material” in this Agreement that refer to the Servicer or its Affiliates, or any of them, shall be interpreted in proportion to the business of the Servicer and its consolidated subsidiaries, as a whole, and not in proportion to the business of the Servicer or its Affiliate(s) individually.

(e) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development involving a prospective change, in or affecting particularly the business or properties of the Seller, Nissan Motor Co., Ltd., Nissan North America, Inc. (“NNA”) or the Servicer which, in the judgment of the Representative, materially impairs the investment quality of the Notes or makes it impractical or inadvisable to proceed with completion of the sale of and payment for the Notes; (ii) any suspension of trading of any securities of NNA on any exchange or in any over the counter market; (iii) any suspension or limitation of trading in securities generally on the New York Stock Exchange or any setting of minimum prices for trading on such exchange; (iv) any material disruption in commercial banking, securities entitlement or clearance services in the United States; (v) any banking moratorium declared by federal or New York authorities; or (vi) any outbreak or escalation of major hostilities in which the United States is involved, any declaration of war by Congress or any other substantial national or international calamity or emergency if, in the judgment of the

---

Representative, the effect of any such outbreak, escalation, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the sale of and payment for the Notes.

(f) At the Closing Date, Alan Hunn, Esq., General Counsel of the Seller and the Servicer, or other counsel satisfactory to the Representative in its reasonable judgment, shall have furnished to the Representative such counsel's written opinion, dated the Closing Date, in form and substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

(g) At the Closing Date, Winston & Strawn LLP, special counsel to the Seller and the Servicer, shall have furnished to the Representative their written opinion, dated as of the Closing Date, with respect to general corporate matters, the validity of the Notes, the Registration Statement, the Prospectus Supplement and the Base Prospectus, the effectiveness of such Registration Statement and the information contained in each of the Registration Statement, the Prospectus Supplement and the Base Prospectus, in form and substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

(h) At the Closing Date, Winston & Strawn LLP, or such counsel as may be reasonably acceptable to the Underwriters, shall have furnished their written opinion, dated the Closing Date, with respect to the characterization of the transfer of the Receivables by the Servicer to the Seller and with respect to other bankruptcy and perfection of security interest matters, in form and in substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

(i) At the Closing Date, Orrick, Herrington & Sutcliffe LLP, counsel to the Underwriters, shall have furnished their written opinion dated the Closing Date, with respect to the validity of the Notes and such other related matters as the Representative shall require, in form and substance reasonably satisfactory to the Underwriters, and the Seller shall have furnished or caused to be furnished to such counsel such documents as they may reasonably request for the purpose of enabling them to pass upon such matters.

(j) At the Closing Date, Richards, Layton & Finger, P.A., counsel to the Trust and the Owner Trustee, shall have furnished their written opinion addressed to you, the Seller and the Servicer, dated the Closing Date, in form and substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

(k) At the Closing Date, Hinckley, Allen & Snyder LLP, counsel to Citibank, as Indenture Trustee, shall have furnished their written opinion, dated the Closing Date, in form and substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

(l) The Representative shall have received an officer's certificate dated the Closing Date of the Chairman of the Board, the President or any Vice President and by a principal financial or accounting officer of each of the Seller and the Servicer in which each such officer shall state that, to the best of such officer's knowledge after reasonable investigation, the representations and warranties of the Seller or the Servicer, as applicable, contained in the Sale and Servicing Agreement and the representations and warranties of the Servicer or the Seller, as applicable, contained in the Purchase Agreement are true and correct in all material respects and

---

that the Seller or the Servicer, as applicable, has complied with all agreements and satisfied all conditions on its part to be performed or satisfied under such agreements at or prior to the Closing Date in all material respects.

(m) The Representative shall have received evidence of ratings letters that assign the ratings to the Notes as specified in the Ratings Free Writing Prospectuses.

(n) On or prior to the Closing Date, the Seller shall have furnished to the Representative such further certificates and documents as the Representative shall reasonably have required.

(o) At the Closing Date, the Representative shall have received an opinion of Waller Lansden Dortch & Davis, LLP, special Tennessee counsel to the Seller and the Servicer, dated the Closing Date, in form and substance reasonably satisfactory to the Underwriters and counsel to the Underwriters.

#### 8. Indemnification and Contribution.

(a) The Seller and the Servicer shall, jointly and severally, indemnify and hold each Underwriter, and each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Act or Section 20 of the Securities Exchange Act of 1934, as amended (each a "Control Person"), harmless against any losses, claims, damages or liabilities, joint or several, to which such Underwriter or Control Person may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Preliminary Prospectus (it being understood that such indemnification with respect to the Preliminary Prospectus does not include the omission of pricing and price-dependent information, which information shall of necessity appear only in the Final Prospectus), the Ratings Free Writing Prospectuses, the Final Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter and Control Person for any legal or other expenses reasonably incurred by such Underwriter or Control Person in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that neither the Seller nor the Servicer will be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with the Underwriter Information (as defined below).

(b) Each Underwriter shall, severally and not jointly, indemnify and hold harmless the Seller and the Servicer against any losses, claims, damages or liabilities to which the Seller or the Servicer may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Preliminary Prospectus, the Ratings Free Writing Prospectuses, the Final Prospectus or any amendment or supplement thereto, or arise out of or are based upon the

---

omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with information furnished to the Seller or the Servicer by such Underwriter through the Representative specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by the Seller or the Servicer in connection with investigating or defending any such action or claim as such expenses are incurred. The Seller and the Servicer acknowledge and agree that the only such information furnished to the Seller or the Servicer by any Underwriter through the Representatives consists of the following: the statements in (i) the second paragraph (concerning initial offering prices, concessions and reallowances) and (ii) the eighth paragraph (concerning stabilizing and other activities) under the heading "Underwriting" in each of the Preliminary Prospectus Supplement and the Prospectus Supplement (collectively, the "Underwriter Information").

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnity may be sought pursuant to either of the two preceding paragraphs, such person (the "Indemnified Party") shall promptly notify the person against whom such indemnity may be sought (the "Indemnifying Party") in writing of the commencement thereof, but the omission to so notify the Indemnifying Party will not relieve it from any liability which it may have to any Indemnified Party otherwise than under such preceding paragraphs, and with respect to such preceding paragraphs, any such omission shall not relieve it from any liability except to the extent it has been materially prejudiced by such omission. In case any such action is brought against any Indemnified Party and it notifies the Indemnifying Party of the commencement thereof, the Indemnifying Party will be entitled to participate therein and, to the extent that it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense thereof, with counsel satisfactory to such Indemnified Party (who may be counsel to the Indemnifying Party) and after notice from the Indemnifying Party to such Indemnified Party of its election so to assume the defense thereof and after acceptance of counsel by the Indemnified Party, the Indemnifying Party will not be liable to such Indemnified Party under this Section for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, any Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the contrary, (ii) the Indemnified Party has reasonably concluded (based upon advice of counsel to the Indemnified Party) that there may be legal defenses available to it or other Indemnified Parties that are different from or in addition to those available to the Indemnifying Party, (iii) a conflict or potential conflict exists (based upon advice of counsel to the Indemnified Party) between the Indemnified Party and the Indemnifying Party (in which case the Indemnifying Party will not have the right to direct the defense of such action on behalf of the Indemnified Party) or (iv) the Indemnifying Party has elected to assume the defense of such proceeding but has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Party. The Indemnifying Party shall not, with respect to any action brought against any Indemnified Party, be liable for the fees and expenses of more than one firm (in addition to any local counsel) for all Indemnified Parties, and all such fees and expenses shall be reimbursed within a reasonable period of time as they are incurred. Any separate firm appointed for the Underwriters and any Control Person in accordance with this

---

subsection (c) shall be designated in writing by the Representative, and any such separate firm appointed for the Seller or the Servicer, its respective directors, officers who sign the Registration Statement and Control Persons in accordance with this subsection (c) shall be designated in writing by the Seller or the Servicer, as the case may be. The Indemnifying Party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent, with respect to an action of which the Indemnifying Party was notified and had the opportunity to participate in (whether or not it chose to so participate), the Indemnifying Party agrees to indemnify any Indemnified Party from and against any loss or liability by reason of such settlement. Notwithstanding the foregoing sentence, if at any time an Indemnified Party shall have requested an Indemnifying Party to reimburse the Indemnified Party for fees and expenses of counsel as contemplated by the fourth sentence of this paragraph, the Indemnifying Party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such Indemnifying Party of the aforesaid request, and during such 60 day period the Indemnifying Party has not responded thereto, and (ii) such Indemnifying Party shall not have reimbursed the Indemnified Party in accordance with such request prior to the date of such settlement. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement (x) includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such proceeding and (y) does not include a statement as to or admission of fault, culpability or a failure to act by or on behalf of such Indemnified Party.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an Indemnified Party under subsection (a) or (b) above, then each Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above in such proportion as is appropriate to reflect the relative benefits received by the Seller and the Servicer on the one hand and the Underwriters on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each Indemnifying Party shall contribute to such amount paid or payable by such Indemnified Party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Seller and the Servicer on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Seller and the Servicer on the one hand and the Underwriters on the other shall be deemed to be in the same proportion that the total net proceeds from the offering (before deducting expenses) received by the Seller and the Servicer bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Seller or the Servicer or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Seller, the Servicer and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to above in this

---

subsection (d). The amount paid by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Notes underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Seller and the Servicer under this Section shall be in addition to any liability which the Seller or the Servicer may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Underwriters and to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Seller or the Servicer, to each officer of the Seller or the Servicer who has signed the Registration Statement and to each person, if any, who controls the Seller or the Servicer within the meaning of the Act.

9. Survival of Certain Representations and Obligations. The respective indemnities, agreements, representations, warranties and other statements of the Seller, the Servicer or their respective officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation or statement as to the results thereof made by or on behalf of any Underwriter, the Seller or the Servicer or any of their respective representatives, officers or directors or any Control Person, and will survive delivery of and payment for the Notes. If this Agreement is terminated pursuant to Section 10 or if for any reason the purchase of the Notes by the Underwriters is not consummated, the Seller shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5, and the respective obligations of the Seller and the Underwriters pursuant to Section 8 shall remain in effect. If the purchase of the Notes by the Underwriters is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 10, the Seller will reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Notes.

10. Failure to Purchase the Notes. If any Underwriter or Underwriters default on their obligations to purchase the Notes hereunder and the aggregate principal amount of Notes that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total principal amount of such Notes, the Representative may make arrangements satisfactory to the Seller for the purchase of such Notes by other persons, including the nondefaulting Underwriter or Underwriters, but if no such arrangements are made by the Closing Date, the nondefaulting Underwriter or Underwriters shall be obligated, in proportion to their commitments hereunder, to purchase the Notes that such defaulting Underwriter or Underwriters

---

agreed but failed to purchase. If any Underwriter or Underwriters so default and the aggregate principal amount of the Notes with respect to which such default or defaults occur exceeds 10% of the total principal amount of the Notes, as applicable, and arrangements satisfactory to the nondefaulting Underwriter or Underwriters and the Seller for the purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Seller, except as provided in Section 9.

As used in this Agreement, the term “Underwriter” includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter or Underwriters from liability for its default.

11. Notices. All communications hereunder will be in writing and, if sent to the Representative or the Underwriters will be mailed, delivered, sent by facsimile transmission or by e-mail and confirmed to Citigroup Global Markets Inc., 390 Greenwich Street, 1st Floor, New York, New York 10013, Attention: Karrie Truglia (facsimile number: (646) 861-6261) (e-mail: karrie.truglia@citi.com) and if sent to the Seller, will be mailed, delivered, sent by facsimile or by e-mail transmission and confirmed to it at Nissan Auto Receivables Corporation II, One Nissan Way, Franklin, TN 37067, Attention: Treasurer (facsimile number (615) 725-1720) (e-mail: doug.gwin@nissan-usa.com); provided that all reports, statements or other communications deliverable to the Representative or the Underwriters hereunder shall be deemed to be delivered if a copy of such report, statement or other communication has been posted on a publicly available website or filed with the Commission.

12. No Bankruptcy Petition. Each Underwriter agrees that, prior to the date which is one year and one day after the payment in full of all securities issued by the Seller or by a trust for which the Seller was the depositor which securities were rated by any nationally recognized statistical rating organization, it will not institute against, or join any other person in instituting against, the Seller any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceedings under any federal or state bankruptcy or similar law.

13. Successors. This Agreement will inure to the benefit of and be binding upon the Underwriters and the Seller and their respective successors and the officers and directors and Control Persons referred to in Section 8, and no other person will have any right or obligations hereunder.

14. Representation of Underwriters. The Representative will act for the several Underwriters in connection with the transactions described in this Agreement, and any action taken by the Representative under this Agreement will be binding upon all the Underwriters.

15. Representation and Warranties of Underwriters. With respect to any offers or sales of the Notes outside the United States (and solely with respect to any such offers and sales) each Underwriter severally and not jointly makes the following representations and warranties:

(a) Each Underwriter represents and agrees that it will comply with all applicable laws and regulations in each jurisdiction in which it purchases, offers or sells the Notes or possesses or distributes the Preliminary Prospectus or the Final Prospectus or any other offering

---

material and will obtain any consent, approval or permission required by it for the purchase, offer or sale by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers or sales and neither the Seller or the Servicer shall have any responsibility therefor;

(b) No action has been or will be taken by such Underwriter that would permit public offering of the Notes or possession or distribution of any offering material in relation to the Notes in any jurisdiction where action for that purpose is required unless the Seller or the Servicer has agreed to such actions and such actions have been taken;

(c) Each Underwriter represents and agrees that it will not offer, sell or deliver any of the Notes or distribute any such offering material in or from any jurisdiction except under circumstances that will result in compliance with applicable laws and regulations and that will not impose any obligation on the Seller or the Servicer or the Underwriters;

(d) Such Underwriter acknowledges that it is not authorized to give any information or make any representation in relation to the Notes other than (i) oral communications that are consistent with the Preliminary Prospectus, the Ratings Free Writing Prospectuses or the Final Prospectus and would not cause the Trust, the Seller or the Servicer to incur liability, (ii) those contained or incorporated by reference in the Preliminary Prospectus, the Ratings Free Writing Prospectuses or the Final Prospectus for the Notes, (iii) an Underwriter Free Writing Prospectus in accordance with Section 6 of this Agreement, or (iv) such additional information, if any, as the Seller or the Servicer shall, in writing, provide to and authorize such Underwriter so to use and distribute to actual and potential purchasers of the Notes.

(e) Each Underwriter has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 (“FSMA”) with respect to anything done by such Underwriter in relation to the Notes in, from or otherwise involving the United Kingdom; and

(f) Each Underwriter will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any securities in circumstances in which Section 21(1) of the FSMA does not apply to the Seller.

(g) Each Underwriter, severally and not jointly, represents to the Seller and the Servicer that as of the date of this Agreement, it (a) has not delivered any Rating Information to any Rating Agency or any other “nationally recognized statistical rating organization” (within the meaning of the Exchange Act), and (b) has not participated in any oral communication of Rating Information with any Rating Agency or any other “nationally recognized statistical rating organization” (within the meaning of the Exchange Act) unless a designated representative from the Servicer participated in such communication.

(h) In relation to each member state of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Underwriter represents and agrees with the Seller that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of notes to the public in that

---

Relevant Member State other than to any legal entity which is a “qualified investor” as defined in the Prospectus Directive; provided that no such offer of notes shall require any Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this Section 15(h), (A) the expression an “offer of notes to the public” in relation to any Notes in any Relevant Member State means the communication to persons in any form and by any means, presenting sufficient information on the terms of the offer and the notes to be offered, so as to enable an investor to decide to purchase or subscribe to the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, (B) the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State and (C) the countries comprising the “European Economic Area” are Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and the United Kingdom.

16. Acknowledgment. Each of the Seller and the Servicer hereby acknowledges and agrees that pursuant to this Agreement that the Underwriters are acting solely in the capacity of an arm’s length contractual counterparty to the Seller and the Servicer with respect to the offering of the Notes contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Seller, the Servicer or any other Person. Additionally, neither the Representative nor any other Underwriter is advising the Seller, the Servicer or any other Person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. Each of the Seller and the Servicer shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Seller or the Servicer with respect thereto. Any review by the Underwriters of the Seller, the Servicer, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Seller or the Servicer.

17. **APPLICABLE LAW**. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK).

18. Counterparts. The Notes shall be issuable as registered Notes in minimum denominations of \$25,000 and any integral multiple of \$1,000 in excess thereof; provided that any Retained Notes shall be issued as Definitive Notes and the holder of such Retained Notes shall be a Note Owner and a Noteholder for all purposes of this Indenture. Each Note shall be dated the date of its authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form included in Exhibit A, as the case may be, executed by the Indenture Trustee by the manual or facsimile signature of one of its authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

SECTION 2.03 Temporary Notes. Pending the preparation of Definitive Notes, the Issuer may execute, and upon receipt of an Issuer Order the Indenture Trustee shall authenticate and deliver, temporary Notes that are printed, lithographed, typewritten, mimeographed or otherwise produced, of the tenor of the Definitive Notes in lieu of which they are issued and with such variations not inconsistent with the terms of this Indenture as the officers executing such Notes may determine, as evidenced by their execution of such Notes. If temporary Notes are issued, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer to be maintained as provided in Section 3.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes of any Class, the Issuer shall execute, and the Indenture Trustee shall authenticate and deliver in exchange therefor, a like principal amount of Definitive Notes of such Class of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

SECTION 2.04 Registration; Registration of Transfer and Exchange.

(a) The Note Registrar shall maintain a Note Register in which, subject to such reasonable regulations as it may prescribe, the Note Registrar shall provide for the registration of Notes and transfers and exchanges of Notes as provided in this Indenture. The Indenture Trustee is hereby initially appointed Note Registrar for the purpose of registering Notes and transfers and exchanges of Notes as provided in this Indenture. In the event that, subsequent to the Closing Date, the Indenture Trustee notifies the Issuer that it is unable to act as Note Registrar, the Issuer shall appoint another bank or trust company, having an office or agency located in the Borough of Manhattan, The City of New York, agreeing to act in accordance with the provisions of this Indenture applicable to it, and otherwise acceptable to the Indenture Trustee, to act as successor Note Registrar under this Indenture.

If a Person other than the Indenture Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Indenture Trustee prompt written notice of the appointment of such Note Registrar and of the location, and any change in the location, of the Note Register, and the Indenture Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof, and the Indenture Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Executive Officer thereof as to the names and addresses of the Holders of the Notes and the principal amounts and number of such Notes.

(b) Upon the proper surrender for registration of transfer of any Note at the office or agency of the Issuer to be maintained as provided in Section 3.02, the Issuer shall execute, and the Indenture Trustee shall authenticate in the name of the designated transferee or transferees, one or more new Notes of the same Class in authorized denominations of a like aggregate principal amount.

(c) At the option of the Holder, Notes may be exchanged for other Notes of the same Class in any authorized denominations, of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Issuer shall execute, and the Indenture Trustee shall authenticate

---

and the Noteholder shall obtain from the Indenture Trustee, the Notes which the Noteholder making the exchange is entitled to receive. Every Note presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee and the Note Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

(d) No service charge shall be made for any registration of transfer or exchange of Notes, but the Indenture Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Notes.

(e) All Notes surrendered for registration of transfer or exchange shall be canceled and subsequently destroyed by the Indenture Trustee.

(f) By acquiring a Note, each Note Owner will be deemed to represent, warrant and covenant that either (i) it is not, and is not acquiring or holding the Note (or any interest therein) for, on behalf of or with the assets of a Benefit Plan; or (ii) the acquisition, holding and disposition of the Note (or any interest therein) does not and will not give rise to a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), Section 4975 of the Code or any Similar Law. Each purchaser and transferee acknowledges and agrees that the Notes are not eligible for purchase by Benefit Plans at any time that the ratings on the Notes are below investment grade.

(g) The Tax Retained Notes, if any, will not be transferred (other than to a Person specified in the definition of Tax Retained Notes) unless a written opinion of counsel, which counsel and opinion shall be acceptable to the Indenture Trustee, is delivered to the Indenture Trustee to the effect that, for federal income tax purposes, such Notes after such transfer will be treated as debt and, if there are other Notes of the same Class as such transferred Notes which are not Tax Retained Notes prior to such transfer, for such purposes such Notes will be fungible with such other Notes of the same Class; provided, however, that fungibility need not take into account whether Notes are, or are not, Definitive Notes.

SECTION 2.05 Mutilated, Destroyed, Lost or Stolen Notes. If (i) any mutilated Note is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Indenture Trustee such security or indemnity as may be required by it to hold the Issuer and the Indenture Trustee harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer shall execute, and upon its request the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of the same Class. In connection with the issuance of any new Note under this Section 2.05, the Issuer may require payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note, a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer and the Indenture Trustee shall be

---

entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Indenture Trustee in connection therewith.

Every replacement Note issued pursuant to this Section 2.05 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.05 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.06 Persons Deemed Owners. Prior to due presentment for registration of transfer of any Note, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name any Note is registered (as of the day of determination) as the owner of such Note for the purpose of receiving payments of principal of and interest, if any, on such Note and for all other purposes whatsoever, and none of the Issuer, the Indenture Trustee or any agent of the Issuer or the Indenture Trustee shall be affected by notice to the contrary.

SECTION 2.07 Payments of Principal and Interest.

(a) The Class A-1 Notes, the Class A-2 Notes, the Class A-3 Notes and the Class A-4 Notes shall accrue interest during each Interest Period at the Class A-1 Interest Rate, the Class A-2 Interest Rate, the Class A-3 Interest Rate and the Class A-4 Interest Rate, respectively, and such interest shall be payable on each related Distribution Date as specified in the applicable Note by applying amounts available pursuant to Section 5.06 of the Sale and Servicing Agreement and Section 3.01 of this Indenture. Any installment of interest or principal payable on any Note that is punctually paid or duly provided for by the Issuer on the applicable Distribution Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered on the Record Date by wire transfer in immediately available funds to the account designated by such nominee, except for the final installment of principal payable with respect to such Note on a Distribution Date or on the applicable Final Scheduled Distribution Date, which shall be payable as provided below.

(b) The principal of each Note shall be payable in installments on each Distribution Date by applying amounts available pursuant to Section 5.06 of the Sale and Servicing Agreement. Notwithstanding the foregoing, the entire unpaid principal amount of the Notes shall be due and payable, if not previously paid, from and after the date on which the Notes have been declared to be immediately due and payable in the manner provided in Section 5.02 in connection with an Event of Default. All principal payments on each Class of Notes shall be made pro rata to the Noteholders of such Class entitled thereto. The Indenture Trustee

---

shall notify the Person in whose name a Note is registered at the close of business on the Record Date preceding the Distribution Date on which the final installment of principal of and interest on such Note will be paid. Such notice shall be mailed or transmitted by facsimile not less than 10 nor more than 30 days prior to such final Distribution Date, shall specify that such final installment will be payable only upon presentation and surrender of such Note and shall specify the place where such Note may be presented and surrendered for payment of such installment.

SECTION 2.08 Cancellation. All Notes surrendered for payment, registration of transfer or exchange shall, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and shall be promptly canceled by the Indenture Trustee. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly canceled by the Indenture Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Notes may be held or disposed of by the Indenture Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Order that they be destroyed or returned to it; provided, that such Issuer Order is timely and the Notes have not been previously disposed of by the Indenture Trustee.

SECTION 2.09 Release of Collateral. Subject to Sections 8.05 and 11.01 and the terms of the Basic Documents, the Indenture Trustee shall release property from the lien of this Indenture only upon receipt of an Officer's Certificate, an Opinion of Counsel and Independent Certificates in accordance with TIA Sections 314(c) and 314(d)(l) or an Opinion of Counsel in lieu of such Independent Certificates to the effect that the TIA does not require any such Independent Certificates.

SECTION 2.10 Book-Entry Notes. The Notes (other than any Retained Notes), upon original issuance, will be issued in the form of typewritten Notes representing the Book-Entry Notes, to be delivered to The Depository Trust Company, the initial Clearing Agency, or a custodian therefor, by, or on behalf of, the Issuer. The Book-Entry Notes shall be registered initially on the Note Register in the name of Cede & Co., the nominee of the initial Clearing Agency, and no Note Owner thereof will receive a Definitive Note representing such Note Owner's interest in such Note (other than in the case of any Retained Notes), except as provided in Section 2.12. Except for any Retained Notes, and, otherwise, unless and until definitive, fully registered Notes (the "Definitive Notes") have been issued to such Note Owners pursuant to Section 2.12:

(a) the provisions of this Section shall be in full force and effect;

(b) the Note Registrar and the Indenture Trustee shall be entitled to deal with the Clearing Agency for all purposes of this Indenture (including the payment of principal of and interest on the Notes and the giving of instructions or directions hereunder) as the authorized representative of the Note Owners;

(c) to the extent that the provisions of this Section conflict with any other provisions of this Indenture, the provisions of this Section shall control;

---

(d) the rights of Note Owners shall be exercised only through the Clearing Agency and shall be limited to those established by law and agreements between such Note Owners and the Clearing Agency and/or the Clearing Agency Participants pursuant to the Note Depository Agreement. Unless and until Definitive Notes are issued pursuant to Section 2.12, the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit payments of principal of and interest on the Notes to such Clearing Agency Participants; and

(e) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Holders of Notes evidencing a specified percentage of the Outstanding Amount of the Notes or of the Notes of any Class, the Clearing Agency shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in the Notes and has delivered such instructions to the Indenture Trustee.

SECTION 2.11 Notices to Clearing Agency. Whenever a notice or other communication to the Noteholders is required under this Indenture, unless and until Definitive Notes shall have been issued to such Note Owners pursuant to Section 2.12, and except with respect to notices and communications to any Holders of Retained Notes, the Indenture Trustee shall give all such notices and communications specified herein to be given to Holders of the Notes to the Clearing Agency and shall be deemed to have been given as of the date of delivery to the Clearing Agency.

SECTION 2.12 Definitive Notes. Except for any Retained Notes (which shall be originally issued as Definitive Notes), if (i) the Seller, the Owner Trustee or the Administrator advises the Indenture Trustee in writing that the Clearing Agency is no longer willing or able to properly discharge its responsibilities with respect to the Book-Entry Notes and the Seller, the Owner Trustee or the Administrator are unable to locate a qualified successor (and if the Administrator has made such determination, the Administrator has given written notice thereof to the Indenture Trustee), (ii) the Seller, the Indenture Trustee or the Administrator, at its option and to the extent permitted by law, advises each other such party in writing that it elects to terminate the book-entry system through the Clearing Agency, or (iii) after the occurrence of an Event of Default or a Servicer Default, Note Owners representing beneficial interests aggregating a majority of the Outstanding Amount of the Notes of all Classes advise the Indenture Trustee and the Clearing Agency in writing that the continuation of a book-entry system through the Clearing Agency or a successor thereto is no longer in the best interests of the Note Owners acting together as a single Class, then the Clearing Agency shall notify all Note Owners and the Indenture Trustee of the occurrence of such event and of the availability of Definitive Notes to Note Owners requesting the same. Upon surrender to the Indenture Trustee of the typewritten Notes representing the Book-Entry Notes by the Clearing Agency, accompanied by registration instructions, the Issuer shall execute and the Indenture Trustee shall authenticate the Definitive Notes in accordance with the instructions of the Clearing Agency. None of the Issuer, the Note Registrar or the Indenture Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes, the Indenture Trustee shall recognize the Holders of the Definitive Notes as Noteholders. The Indenture Trustee, Issuer and

---

Administrator shall not be liable for any inability to locate a qualified successor Clearing Agency. From and after the date of issuance of Definitive Notes, all notices to be given to Noteholders will be mailed thereto at their addresses of record in the Note Register as of the relevant Record Date. Such notices will be deemed to have been given as of the date of mailing. Interest and principal payments on the Definitive Notes on each Distribution Date will be made to the holders in whose names the related Definitive Notes, as applicable, were registered at the close of business on the related Record Date. Payments will be made by check mailed to the address of such holders as they appear on the Note Register, except that a Noteholder having original denominations aggregating at least \$1 million may request payment by wire transfer of funds pursuant to written instructions delivered to the Indenture Trustee at least five Business Days prior to the Distribution Date. The final payment on any Definitive Notes will be made only upon presentation and surrender of the Definitive Notes at the office or agency specified in the notice of final payment to Noteholders. From and after the Closing Date, the Holder of a Definitive Note (other than any Retained Note) and the Issuer may elect for such Note to be issued in the form of a Book-Entry Note provided the Clearing Agency is then willing and able to discharge its responsibilities with respect to the Book-Entry Notes. In connection with such election, the Issuer and the Indenture Trustee shall upon Issuer Order execute, authenticate and deliver the Book-Entry Note and documents related thereto in accordance with the terms hereof and the Issuer Order.

SECTION 2.13 Tax Treatment. The Issuer has entered into this Indenture, and the Notes (other than the Tax Retained Notes, if any) will be issued, with the intention that, for federal, state and local income, single business and franchise tax purposes, the Notes will qualify as indebtedness of the Issuer secured by the Trust Estate or, for periods during which there is a single beneficial owner of the Certificates, indebtedness of the Certificateholder issued by the Trust Estate. The Issuer, by entering into this Indenture, and each Noteholder, by its acceptance of a Note (and each Note Owner by its acceptance of an interest in the applicable Book-Entry Note), agree to treat the Notes (other than the Tax Retained Notes, if any) for federal, state and local income, single business and franchise tax purposes as indebtedness of the Issuer.

### ARTICLE III

#### Covenants, Representations and Warranties

SECTION 3.01 Payment of Principal and Interest. In accordance with the terms of this Indenture, the Issuer will duly and punctually (i) pay the principal of and interest, if any, on the Notes in accordance with the terms of the Notes and this Indenture and (ii) cause the Servicer to direct the Indenture Trustee to release from the Collection Account all other amounts distributable or payable from the Owner Trust Estate under the Trust Agreement, the Sale and Servicing Agreement and the Administration Agreement. Without limiting the foregoing and in order to fulfill such obligations, pursuant to Sections 8.02 and 8.03 hereof, the Issuer will cause the Servicer to direct the Indenture Trustee to apply all amounts on deposit in the Collection Account and the Reserve Account on a Distribution Date deposited therein pursuant to the Sale and Servicing Agreement (i) (a) for the benefit of the Class A-1 Notes, to the Class A-1 Noteholders, (b) for the benefit of the Class A-2 Notes, to the Class A-2 Noteholders, (c) for the benefit of the Class A-3 Notes, to the Class A-3 Noteholders, and (d) for the benefit of the Class A-4 Notes, to the Class A-4 Noteholders, and (ii) for the benefit of the Certificateholders, to or as directed by the Owner Trustee or the Administrator, as set forth in Section 5.06 and 5.07 of the

---

Sale and Servicing Agreement. Amounts properly withheld under the Code by any Person from a payment to any Noteholder of interest and/or principal shall be considered as having been paid by the Issuer to such Noteholder for all purposes of this Indenture.

SECTION 3.02 Maintenance of Office or Agency. The Issuer will maintain in the Borough of Manhattan, The City of New York, an office or agency where Notes may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer hereby initially appoints the Indenture Trustee to serve as its agent for the foregoing purposes. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of any such office or agency. If at any time the Issuer shall fail to maintain any such office or agency or shall fail to furnish the Indenture Trustee with the address thereof, such surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Issuer hereby appoints the Indenture Trustee as its agent to receive all such surrenders, notices and demands.

SECTION 3.03 Money for Payments To Be Held in Trust. As provided in Sections 8.02 and 8.03, all payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Collection Account or the Reserve Account pursuant to Sections 8.02 and 8.03 shall be made on behalf of the Issuer by the Indenture Trustee or by the Paying Agent, and no amounts so withdrawn from such accounts for payments shall be paid over to the Issuer, the Owner Trustee or the Administrator except as provided in this Section.

On or before each Distribution Date, the Issuer shall deposit in the Collection Account or, in accordance with the Sale and Servicing Agreement, cause to be deposited (including the provision of instructions to the Indenture Trustee to make any required withdrawals from the Reserve Account and to deposit such amounts in the Collection Account) an aggregate sum sufficient to pay the amounts then becoming due under the Notes and the Certificates, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless the Paying Agent is the Indenture Trustee) shall promptly notify the Indenture Trustee of its action or failure so to act.

The Indenture Trustee, as Paying Agent, hereby agrees with the Issuer that it will, and the Issuer will cause each Paying Agent other than the Indenture Trustee, as a condition to its acceptance of its appointment as Paying Agent, to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent shall agree with the Indenture Trustee, subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of amounts due with respect to the Notes or for release to the Issuer for payment on the Certificates in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay or release such sums to such Persons as herein provided;

(b) give the Indenture Trustee notice of any default by the Issuer (or any other obligor upon the Notes) of which it has actual knowledge in the making of any payment required to be made with respect to the Notes or the release of any amounts to the Issuer to be paid to the Certificateholders;

---

(c) at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(d) immediately resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes (or for release to the Issuer) if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment; and

(e) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Notes or Certificates (or assisting the Issuer to withhold from payment to the Certificateholders) of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Indenture Trustee all sums held in trust by such Paying Agent, such sums to be held by the Indenture Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable laws with respect to escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Note and remaining unclaimed after such amount has become due and payable and after the Indenture Trustee has taken the steps described in this paragraph shall be discharged from such trust and be paid to Second Harvest Food Bank of Tennessee upon presentation thereto of an Issuer Request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease. In the event that any Noteholder shall not surrender its Notes for retirement within six months after the date specified in the written notice of final payment described in Section 2.07, the Indenture Trustee will give a second written notice to the registered Noteholders that have not surrendered their Notes for final payment and retirement. If within one year after such second notice any Notes have not been surrendered, the Indenture Trustee shall, at the expense and direction of the Issuer, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be paid to Second Harvest Food Bank of Middle Tennessee. The Indenture Trustee shall also adopt and employ, at the expense and direction of the Issuer, any other reasonable means of notification of such repayment specified by the Issuer or the Administrator.

SECTION 3.04 Existence. The Issuer will keep in full effect its existence, rights and franchises as a statutory trust under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other State or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification

---

to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, the Collateral and each other instrument or agreement included in the Trust Estate or the Owner Trust Estate.

SECTION 3.05 Protection of Trust Estate. The Issuer will from time to time execute and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and will take such other action necessary or advisable to:

- (a) maintain or preserve the lien and security interest (and the priority thereof) of this Indenture or carry out more effectively the purposes hereof;
- (b) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;
- (c) enforce any of the Collateral; or
- (d) preserve and defend title to the Trust Estate and the rights of the Indenture Trustee and the Noteholders in such Trust Estate against the claims of all persons and parties.

The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to authorize, file and/or execute any financing statement, continuation statement or other instrument required to be executed and/or filed pursuant to this Section 3.05.

SECTION 3.06 Opinions as to Trust Estate.

(a) On the Closing Date, the Issuer shall furnish or cause to be furnished to the Indenture Trustee an Opinion of Counsel either stating that, in the opinion of such counsel, such action has been taken with respect to the execution, recording and filing of this Indenture, any indentures supplemental hereto, any requisite financing statements and continuation statements and any other requisite documents necessary to perfect and make effective the lien and security interest of this Indenture or stating that, in the opinion of such counsel, no such action is necessary to make such lien and security interest effective.

(b) The Issuer shall furnish or cause to be furnished to the Indenture Trustee an Opinion of Counsel, dated as of a date within 90 days after the beginning of each calendar year, beginning in 2013, either stating that, in the opinion of such counsel, such action has been taken with respect to the execution, recording, filing or re-recording and re-filing of this Indenture, any indentures supplemental hereto, any financing statements and continuation statements and any other requisite documents necessary to maintain the lien and security interest created by this Indenture or stating that in the opinion of such counsel no such action is necessary to maintain such lien and security interest. Such Opinion of Counsel shall also describe the execution, recording, filing or re-recording and re-filing of this Indenture, any indentures supplemental hereto, any financing statements and continuation statements and any other documents that will, in the opinion of such counsel, be required to maintain the lien and security interest of this Indenture until the date in the following calendar year on which such Opinion of Counsel must again be delivered.

---

SECTION 3.07 Performance of Obligations; Servicing of Receivables.

(a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's material covenants or obligations under any instrument or agreement included in the Trust Estate or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except as expressly provided in the Basic Documents.

(b) The Issuer may contract with other Persons to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee in an Officer's Certificate of the Issuer shall be deemed to be action taken by the Issuer. Initially, the Issuer has contracted with the Servicer and the Administrator to assist the Issuer in performing its duties under this Indenture.

(c) The Issuer will punctually perform and observe all of its obligations and agreements contained in the Basic Documents and in the instruments and agreements included in the Trust Estate, including but not limited to filing or causing to be filed all UCC financing statements and continuation statements required to be filed by the terms of the Trust Agreement, this Indenture and the Sale and Servicing Agreement in accordance with and within the time periods provided for herein and therein.

(d) As promptly as possible after the giving of notice of termination to the Servicer of the Servicer's rights and powers pursuant to Section 8.01 of the Sale and Servicing Agreement, the Indenture Trustee shall appoint a successor servicer (the "Successor Servicer"), and such Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Indenture Trustee. In the event that a Successor Servicer has not been appointed and accepted its appointment as set forth in Section 8.02 of the Sale and Servicing Agreement, the Indenture Trustee without further action shall automatically be appointed the Successor Servicer and shall thereafter be entitled to the Total Servicing Fee. Notwithstanding the above, the Indenture Trustee shall, if it shall be legally unable so to act, appoint or petition a court of competent jurisdiction to appoint, and the predecessor Servicer, if no successor Servicer has been appointed at the time the predecessor Servicer has ceased to act, may petition a court of competent jurisdiction to appoint, any established institution having a net worth of not less than \$100,000,000 and whose regular business shall include the servicing of automobile and/or light-duty truck receivables, as the successor to the Servicer under the Sale and Servicing Agreement. Upon such appointment, the Indenture Trustee will be released from the duties and obligations of acting as Successor Servicer, such release effective upon the effective date of the servicing agreement entered into between the Successor Servicer and the Issuer.

In connection with any such appointment, the Indenture Trustee may make such arrangements for the compensation of such successor as it and such Successor Servicer shall agree, subject to the limitations set forth below and in the Sale and Servicing Agreement, and in accordance with Section 8.02 of the Sale and Servicing Agreement, the Issuer shall enter into an agreement with such Successor Servicer for the servicing of the Receivables (such agreement to be in form and substance satisfactory to the Indenture Trustee). If the Indenture Trustee shall succeed to the Servicer's duties as servicer of the Receivables as provided herein, it shall do so in

---

its individual capacity and not in its capacity as Indenture Trustee and, accordingly, the provisions of Article VI hereof shall be inapplicable to the Indenture Trustee in its duties as Successor Servicer and the servicing of the Receivables. In case the Indenture Trustee shall become the Successor Servicer, the Indenture Trustee shall be entitled to appoint as a subservicer any one of its Affiliates, provided that the Indenture Trustee, in its capacity as Successor Servicer, shall remain fully liable for the actions and omissions of such Affiliate.

(e) Upon any termination of the Servicer's rights and powers pursuant to the Sale and Servicing Agreement, the Issuer shall promptly notify the Indenture Trustee. As soon as a Successor Servicer is appointed, the Issuer shall notify the Indenture Trustee of such appointment, specifying in such notice the name and address of such Successor Servicer.

SECTION 3.08 Negative Covenants. So long as any Notes are Outstanding, the Issuer shall not:

(a) except as expressly permitted by Basic Documents, sell, transfer, exchange or otherwise dispose of any of the properties or assets of the Issuer, including those included in the Trust Estate, unless directed to do so by the Indenture Trustee;

(b) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code or applicable state law) or assert any claim against any present or former Noteholder by reason of the payment of the taxes levied or assessed upon any part of the Trust Estate;

(c) except as may be expressly permitted hereby, (A) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture, (B) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Trust Estate or any part thereof or any interest therein or the proceeds thereof (other than tax liens, mechanics' liens and other liens that arise by operation of law, in each case on any of the Financed Vehicles and arising solely as a result of an action or omission of the related Obligor), (C) permit the lien of this Indenture not to constitute a valid first priority (other than with respect to any such tax, mechanics' or other lien) security interest in the Trust Estate, or (D) dissolve or liquidate in whole or in part; or

(d) assume or incur any indebtedness other than the Notes or as expressly contemplated by this Indenture or by the Basic Documents.

The Issuer will cause the Servicer to deliver to the Indenture Trustee concurrently with its delivery thereof to the Issuer the annual statement of compliance described in Section 4.09 of the Sale and Servicing Agreement. In addition, on the same date annually upon which such annual statement of compliance is to be delivered by the Servicer, the Issuer shall deliver to the Indenture Trustee an Officer's Certificate,

---

(a) stating, as to the Authorized Officer signing such Officer' s Certificate, that a review of the activities of the Issuer during such year and of its performance under this Indenture has been made under such Authorized Officer' s supervision; and

(b) furnishing, to the extent of the Authorized Officer' s knowledge, information regarding the Issuer' s compliance with all conditions and covenants under this Indenture throughout such year in all material respects.

SECTION 3.10 Issuer May Consolidate, etc., Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(1) the Person (if other than the Issuer) formed by or surviving such consolidation or merger shall be a Person organized and existing under the laws of the United States of America or any State or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the duty to make due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein;

(5) any action that is necessary to maintain each lien and security interest created by the Trust Agreement, the Sale and Servicing Agreement or this Indenture shall have been taken; and

(6) the Issuer shall have delivered to the Indenture Trustee an Officer' s Certificate and an Opinion of Counsel each stating that such consolidation or merger and any related supplemental indenture complies with this Article III and that all conditions precedent provided in this Indenture relating to such transaction have been complied with (including any filing required by the Exchange Act).

(b) The Issuer shall not convey or transfer any of its properties or assets, including those included in the Trust Estate, to any Person, unless:

(1) the Person that acquires by conveyance or transfer such properties and assets of the Issuer shall (A) be a United States citizen or a Person organized and existing under the laws of the United States of America or any state or the District of Columbia, (B)

---

(2) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(3) the Rating Agency Condition shall have been satisfied with respect to such transaction;

(4) the Issuer shall have received an Opinion of Counsel (and shall have delivered copies thereof to the Indenture Trustee) to the effect that such transaction will not have any material adverse tax consequence to the Issuer, any Noteholder or any Certificateholder;

(5) any action that is necessary to maintain each lien and security interest created by the Trust Agreement, the Sale and Servicing Agreement or this Indenture shall have been taken; and

(6) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such supplemental indenture comply with this Article III and that all conditions precedent herein provided for relating to such transaction have been complied with (including any filing required by the Exchange Act).

#### SECTION 3.11 Successor or Transferee.

(a) Upon any consolidation or merger of the Issuer in accordance with Section 3.10(a), the Person formed by or surviving such consolidation or merger (if other than the Issuer) shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein.

(b) Upon a conveyance or transfer of all the assets and properties of the Issuer pursuant to Section 3.10(b), Nissan Auto Receivables 2013-A Owner Trust will be released from

---

every covenant and agreement of this Indenture to be observed or performed on the part of the Issuer with respect to the Notes and the Certificates immediately upon the delivery of written notice to the Indenture Trustee stating that Nissan Auto Receivables 2013-A Owner Trust is to be so released.

SECTION 3.12 No Other Business. Unless and until the Issuer shall have been released from its duties and obligations hereunder, the Issuer shall not engage in any business other than financing, purchasing, owning, selling and managing the Receivables and other property comprising the Trust Estate in the manner contemplated by the Basic Documents and activities incidental thereto.

SECTION 3.13 No Borrowing. Unless and until the Issuer shall have been released from its duties and obligations hereunder, the Issuer shall not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any indebtedness except for the Notes or other obligations permitted hereunder (including the obligation to reimburse Advances or certain expenses of the Servicer) or under another Basic Document (including indemnification expenses of the Issuer and certain fees and expenses of the Administrator).

SECTION 3.14 Guarantees, Loans, Advances and Other Liabilities. Unless and until the Issuer shall have been released from its duties and obligations hereunder, except as contemplated by the Sale and Servicing Agreement, this Indenture, or the other Basic Documents, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

SECTION 3.15 Capital Expenditures. Unless and until the Issuer shall have been released from its duties and obligations hereunder, the Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

SECTION 3.16 Removal of Administrator. So long as any Notes are Outstanding, the Issuer shall not remove the Administrator without cause unless so instructed by the Owner Trustee or the Indenture Trustee and in accordance with Section 8 of the Administration Agreement.

SECTION 3.17 Restricted Payments. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with the Basic Documents.

SECTION 3.18 Notice of Events of Default. The Issuer shall give the Indenture Trustee and the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(a)(i)(K) and 1(d) the Administration Agreement) prompt written notice of each Event of Default hereunder, each Servicer Default and each default on the part of the Seller of its obligations under the Sale and Servicing Agreement and NMAC of its obligations under the Purchase Agreement.

---

The Indenture Trustee shall notify each Noteholder of record in writing of any Event of Default promptly upon a Responsible Officer obtaining actual knowledge thereof. Such notices will be provided in accordance with Section 2.11.

SECTION 3.19 Further Instruments and Actions. Upon request of the Indenture Trustee, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.20 Representations and Warranties. The Issuer makes the following representations and warranties. Such representations and warranties speak as of the execution and delivery of this Indenture and as of the Closing Date, but shall survive the Closing Date. Notwithstanding anything to the contrary, the Indenture Trustee shall not waive any breach of representations or warranties in this Section 3.20 without the written consent of at least a majority of the Outstanding Amount of the Notes, voting as a single class.

(a) This Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Collateral in favor of the Indenture Trustee (to the extent such security interest can be perfected by the filing of a financing statement), which security interest is prior to all other Liens, and is enforceable as such as against creditors of any purchasers from the Issuer.

(b) The Issuer has taken all steps necessary to perfect its security interest against the Obligor in the property securing the Receivables.

(c) The Receivables constitute “tangible chattel paper” or “electronic chattel paper” within the meaning of the applicable UCC.

(d) The Issuer owns and has good and marketable title to the Collateral free and clear of any Lien, claim or encumbrance of any Person.

(e) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral (to the extent such security interest can be perfected by the filing of a financing statement) granted to the Indenture Trustee hereunder.

(f) Other than the security interest granted to the Indenture Trustee pursuant to this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that includes a description of collateral covering the Collateral other than any financing statement relating to the security interest granted to the Indenture Trustee hereunder or a financing statement as to which the security interest covering the Receivables has been released. The Issuer is not aware of any judgment or tax lien filings against the Issuer.

(g) The Servicer, as an agent of the Issuer, and to the extent allowed by law, has in its possession all originals or authoritative copies of the tangible records constituting or forming a part of the Collateral. The Servicer shall at all times maintain control, as defined in

---

Section 9-105 of the UCC, of all electronic chattel paper. The Receivable Files that constitute or evidence the Collateral do not have any marks or notations indicating that they have been pledged, assigned or otherwise conveyed by the Issuer to any Person other than the Indenture Trustee. All financing statements filed or to be filed against the Issuer in favor of the Indenture Trustee in connection herewith describing the Collateral contain a statement to the following effect: "A purchase of or security interest in any collateral described in this financing statement, except as permitted in the Indenture, will violate the rights of the Indenture Trustee."

SECTION 3.21 Regulation AB Covenants. So long as the Seller is required to file any reports with respect to the Issuer under the Exchange Act, the Issuer and the Indenture Trustee each agree to perform all duties and obligations applicable to or required of the Issuer and the Indenture Trustee, as applicable, set forth in Appendix A to the Sale and Servicing Agreement and each makes the covenants and agreements therein applicable to it.

#### **ARTICLE IV** Satisfaction and Discharge

SECTION 4.01 Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Notes, (iii) rights of Noteholders to receive payments of principal thereof and interest thereon, (iv) Sections 3.03, 3.04, 3.05, 3.08, 3.10, 3.12 and 3.13, (v) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 6.07 and the obligations of the Indenture Trustee under Sections 3.03 and 4.02), and (vi) the rights of the Noteholders and the Certificateholders as beneficiaries hereof with respect to the property so deposited with the Indenture Trustee payable to all or any of them, and the Indenture Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes, when:

(a) either (1) all Notes theretofore authenticated and delivered (other than Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.05 and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 3.03) have been delivered to the Indenture Trustee for cancellation or (2) all Notes not theretofore delivered to the Indenture Trustee for cancellation have become due and payable or will become due and payable within one year (either because the Final Scheduled Distribution Date for the Class A-4 Notes is within one year or because the Indenture Trustee has received notice of the exercise of the option granted pursuant to Section 9.01 of the Sale and Servicing Agreement) and the Issuer has irrevocably deposited or caused to be irrevocably deposited with the Indenture Trustee cash or direct obligations of or obligations guaranteed by the United States of America (which will mature prior to the date such amounts are payable), in trust for such purpose, in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Indenture Trustee for cancellation when due;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

---

(c) the Issuer has delivered to the Indenture Trustee, an Officer' s Certificate, an Opinion of Counsel (if required by the TIA) and an Independent Certificate from a firm of certified public accountants (if required by the TIA), each meeting the applicable requirements of Section 11.01 and, subject to Section 11.02, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

SECTION 4.02 Application of Trust Money. All moneys deposited with the Indenture Trustee pursuant to Section 4.01 hereof shall be held in trust and (a) applied by it in accordance with the provisions of the Notes and this Indenture to the payment, either directly or through any Paying Agent, as the Indenture Trustee may determine, to the Holders of the particular Notes for the payment of which such moneys have been deposited with the Indenture Trustee, of all sums due and to become due thereon for principal and interest or (b) released to the Owner Trustee for application pursuant to the Trust Agreement or the Sale and Servicing Agreement; but such moneys need not be segregated from other funds except to the extent required herein or in the Sale and Servicing Agreement or required by law.

SECTION 4.03 Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent other than the Indenture Trustee under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.03 or 4.02 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

## ARTICLE V Remedies

SECTION 5.01 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) default in the payment of any interest on any Note when the same becomes due and payable, and such default shall continue for a period of five days;
- (b) default in the payment of the principal of any Note on the Final Scheduled Distribution Date or the Redemption Date;
- (c) a material default in the observance or performance of any covenant or agreement of the Issuer made in this Indenture (other than a covenant or agreement, a default in the observance or performance of which is elsewhere in this Section specifically dealt with) which shall continue or not be cured for a period of 90 days after there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least a majority of the Outstanding Amount of the Notes, acting together as a single class, a written notice specifying such default or incorrect representation or warranty and requiring it to be remedied and stating that such notice is a notice of Default hereunder;

---

(d) any representation or warranty of the Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith shall prove to have been incorrect in any material respect as of the time when the same shall have been made, and such default shall continue or not be cured, or the circumstance or condition in respect of which such misrepresentation or warranty was incorrect shall not have been eliminated or otherwise cured, for a period of 60 days after there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least a majority of the Outstanding Amount of the Notes, acting together as a single Class, a written notice specifying such default or incorrect representation or warranty and requiring it to be remedied and stating that such notice is a notice of Default hereunder; or

(e) an Insolvency Event shall have occurred with respect to the Issuer.

The Issuer shall deliver to the Indenture Trustee, within five Business Days after obtaining actual knowledge of the occurrence thereof, written notice in the form of an Officer's Certificate of any Default that with the giving of notice or the lapse of time would become an Event of Default under clause (d) stating the status of such Default and any action the Issuer is taking or proposes to take with respect thereto.

SECTION 5.02 Acceleration of Maturity; Rescission and Annulment. If an Event of Default should occur and be continuing, then and in every such case the Indenture Trustee or the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class may declare all the Notes to be immediately due and payable, by a notice in writing to the Issuer (and to the Indenture Trustee if given by Noteholders), and upon any such declaration the unpaid principal amount of such Notes, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

At any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(1) all payments of principal of and interest on the Notes and all other amounts that would then be due hereunder or upon such Notes if the Event of Default giving rise to such acceleration had not occurred; and

(2) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) all Events of Default, other than the nonpayment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12.

---

No such rescission shall affect any subsequent default or impair any right consequent thereto.

SECTION 5.03 Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) The Issuer covenants that if (i) default is made in the payment of any interest on any Note when the same becomes due and payable, and such default continues for a period of five days, or (ii) default is made in the payment of the principal of any Note at the related Final Scheduled Distribution Date or Redemption Date, the Issuer will, upon demand of the Indenture Trustee, pay to the Indenture Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on the Notes for principal and interest, with interest upon the overdue principal and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest at the rate borne by the Notes and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) In case the Issuer shall fail forthwith to pay such amounts upon such demand, the Indenture Trustee, in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or other obligor upon such Notes and collect in the manner provided by law out of the property of the Issuer or other obligor upon such Notes, wherever situated, the moneys adjudged or decreed to be payable.

(c) If an Event of Default occurs and is continuing, the Indenture Trustee may, as more particularly provided in Section 5.04, in its discretion, proceed to protect and enforce its rights and the rights of the Noteholders and, incidentally thereto, the Certificateholders, by such appropriate Proceedings as the Indenture Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture or by law.

(d) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, then, irrespective of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section, the Indenture Trustee shall be entitled and empowered, by intervention in such Proceedings or otherwise:

---

(1) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in such Proceedings;

(2) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of Notes in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(3) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Noteholders and of the Indenture Trustee on their behalf; and

(4) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders of Notes allowed in any judicial proceedings relative to the Issuer, its creditors and its property.

Any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Noteholders to make payments to the Indenture Trustee and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Noteholders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence or bad faith.

(e) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Indenture Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any such action or Proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Notes.

---

(g) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Noteholders, and it shall not be necessary to make any Noteholder a party to any such Proceedings.

SECTION 5.04 Remedies; Priorities.

(a) If an Event of Default shall have occurred and be continuing and result in the acceleration of the Notes, the Indenture Trustee shall make payments as set forth in Section 5.06(d) of the Sale and Servicing Agreement, rather than pursuant to Section 5.06(c) thereof.

(b) If the Indenture Trustee, in compliance with Section 5.04(a), is deemed to have a conflict of interest under the TIA and is required to resign as Indenture Trustee hereunder, the Issuer shall, pursuant to Section 6.08, cause the Servicer to appoint a successor Indenture Trustee.

(c) In accordance with Section 5.04(b), if an Event of Default shall have occurred and be continuing, the Indenture Trustee may do one or more of the following (subject to Section 5.05):

(1) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Notes or under this Indenture with respect thereto, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Issuer and any other obligor upon such Notes moneys adjudged due;

(2) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(3) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Noteholders; and

(4) sell the Collateral or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law; provided, however, that the Indenture Trustee may not sell or otherwise liquidate the Collateral following an Event of Default, other than an Event of Default described in Section 5.01(a) or (b), unless (A) the Holders of 100% of the Outstanding Amount of the Notes, voting as a single class, consent thereto, or (B) the proceeds of such sale or liquidation distributable to the Noteholders are sufficient to discharge in full all amounts then due and unpaid upon the Notes for principal and interest, (C) the Indenture Trustee determines that the Trust Estate may not continue to provide sufficient funds on an ongoing basis to make all payments of principal of and interest on the Notes as they would have become due if the Notes had not been declared due and payable, and the Indenture Trustee obtains the consent of Holders of a 66 2/3% of the Outstanding Amount of the Notes, voting as a single class, or (D) the Servicer exercises its option to purchase the Receivables pursuant to Section 9.01 of the Sale and Servicing Agreement and Section 10.01 hereof. In determining such sufficiency or insufficiency with respect to clauses (B) and (C), the Indenture Trustee may, but need not, obtain and rely upon an opinion of

---

an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

(d) The Indenture Trustee may fix a record date and payment date for any payment to Noteholders pursuant to this Section. At least 15 days before such record date, the Issuer shall mail to each Noteholder and the Indenture Trustee a notice that states the related record date, payment date and amount to be paid.

SECTION 5.05 Optional Preservation of the Collateral. If the Notes have been declared to be due and payable under Section 5.02 following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may, unless otherwise directed by the Holders of at least a majority of the Outstanding Amount of the Notes, voting as a single class, but need not, elect to maintain possession of the Collateral and direct the Issuer, Servicer and Administrator not to take steps to liquidate the Receivables. It is the desire of the parties hereto and the Noteholders that there be at all times sufficient funds for the payment of principal of and interest on the Notes and the Indenture Trustee shall take such desire into account when determining whether or not to maintain possession of the Collateral. In determining whether to maintain possession of the Collateral, the Indenture Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Collateral for such purpose.

SECTION 5.06 Limitation of Suits. No Holder of any Note shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a receiver or trustee, or for any other remedy hereunder unless such Holder has previously given written notice to the Indenture Trustee of a continuing Event of Default, and:

(a) the Event of Default arises from the Servicer' s failure to remit payments when due; or

(b) the Holders of not less than 25% of the Outstanding Amount of the Notes, voting as a single class have made written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder and have offered to the Indenture Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in complying with such request, the Indenture Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings, and no direction inconsistent with that written request has been given to the Indenture Trustee during the 60-day period by the holders of a majority in principal amount of those outstanding Notes (or relevant class or classes of Notes).

It is understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

---

In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of Notes, each representing less than a majority of the Outstanding Amount of the Notes, the Indenture Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

SECTION 5.07 Rights of Noteholders to Receive Principal and Interest. Notwithstanding any other provisions in this Indenture, the Holder of any Note shall have the right to receive payment of the principal of and interest, if any, on such Note on or after the respective due dates thereof expressed in such Note and in this Indenture (in each case with reference to the calculations to be made pursuant to the Sale and Servicing Agreement), and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 5.08 Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Noteholder, then and in every such case the Issuer, the Indenture Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

SECTION 5.09 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee or the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.10 Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee or any Holder of any Note to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or the Noteholders, as the case may be.

SECTION 5.11 Control by Noteholders. The Holders of a majority of the Outstanding Amount of the Notes, voting as a single class, shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the Notes or exercising any trust or power conferred on the Indenture Trustee; provided that:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture; and

---

(b) any direction to the Indenture Trustee to sell or liquidate the Collateral shall be by Holders of Notes representing not less than the applicable percentage of the Outstanding Amount of the Notes set forth in Section 5.04(c)(4); and

(c) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction.

Notwithstanding the rights of Noteholders set forth in this Section, subject to Section 6.01, the Indenture Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Noteholders not consenting to such action.

SECTION 5.12 Waiver of Past Defaults. Prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 5.02 or the liquidation or sale of the Collateral pursuant to Section 5.04, the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class may waive any past Default or Event of Default and its consequences except a Default or Event of Default in (a) payment of principal or interest on the Notes or (b) an Event of Default in respect of a covenant or provision hereof that cannot be modified or amended without the consent of the Holder of each Note. In the case of any such waiver, the Issuer, the Indenture Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 5.13 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note or Note Owner by such Holder's acceptance of such Note or beneficial interest therein, as the case may be, shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Noteholder, or a group of Noteholders, in each case holding in the aggregate more than 10% of the Outstanding Amount of the Notes, or (c) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture.

SECTION 5.14 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly

---

waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15 Action on Notes. The Indenture Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer. Any money or property collected by the Indenture Trustee shall be applied in accordance with Section 5.04(a).

SECTION 5.16 Performance and Enforcement of Certain Obligations.

(a) Promptly following a request from the Indenture Trustee to do so and at the Administrator's expense, the Issuer shall take all such lawful action as the Indenture Trustee may request to compel or secure the performance and observance by the Seller and the Servicer, as applicable, of each of their obligations to the Issuer or to each other under or in connection with the Sale and Servicing Agreement, or by the Seller of its remedies under or in connection with the Purchase Agreement, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with each such agreement to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of default on the part of the Seller or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Seller or the Servicer of each of their respective obligations under the Sale and Servicing Agreement or the Purchase Agreement.

(b) If an Event of Default has occurred and is continuing, the Indenture Trustee may, and at the direction (which direction shall be in writing or by telephone, confirmed in writing promptly thereafter) of the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class, shall, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller or the Servicer under or in connection with the Sale and Servicing Agreement, the Purchase Agreement, or against the Administrator under the Administration Agreement, including the right or power to take any action to compel or secure performance or observance by the Seller, the Servicer or the Administrator, of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension, or waiver thereunder and any right of the Issuer to take such action shall be suspended.

**ARTICLE VI**

The Indenture Trustee

SECTION 6.01 Duties of Indenture Trustee. The Indenture Trustee, both prior to and after the occurrence of a Servicer Default under the Sale and Servicing Agreement, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture.

---

(a) The Indenture Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Indenture Trustee that shall be specifically required to be furnished pursuant to any provision of this Indenture, shall examine them to determine whether they conform on their face to the requirements of this Indenture.

(b) No provision of this Indenture shall be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, its own bad faith or its own willful misfeasance; provided, however, that:

(c) the duties and obligations of the Indenture Trustee shall be determined solely by the express provisions of this Indenture, the Indenture Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee, the permissive right of the Indenture Trustee to do things enumerated in this Indenture shall not be construed as a duty and, in the absence of bad faith on the part of the Indenture Trustee, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Indenture Trustee and conforming on their face to the requirements of this Indenture;

(1) the Indenture Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Indenture Trustee was negligent in performing its duties in accordance with the terms of this Indenture; and

(2) the Indenture Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken in good faith in accordance with the direction of (i) the Holders of at least a majority of the Outstanding Amount of the Notes, voting as a single class, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee under this Indenture.

(d) The Indenture Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) All information obtained by the Indenture Trustee regarding the Obligors and the Receivables contained in the Trust, whether upon the exercise of its rights under this Indenture or otherwise, shall be maintained by the Indenture Trustee in confidence and shall not be disclosed to any other Person, unless such disclosure is required by any applicable law or regulation or pursuant to subpoena.

(f) If (i) pursuant to Section 3.02 of the Sale and Servicing Agreement, a Responsible Officer of the Indenture Trustee discovers that a representation or warranty with respect to a Receivable was incorrect as of the time specified with respect to such representation

---

and warranty and such incorrectness materially and adversely affects such Receivable, or (ii) pursuant to Section 4.06 of the Sale and Servicing Agreement, a Responsible Officer of the Indenture Trustee discovers that a covenant of the Servicer has been breached with respect to a Receivable that would materially and adversely affect such Receivable, the Indenture Trustee shall give prompt written notice to the Servicer and the Owner Trustee of such incorrectness.

(g) The Indenture Trustee shall not be deemed to have knowledge of any Default or Event of Default or other event unless a Responsible Officer has actual knowledge thereof or has received written notice thereof in accordance with the provisions of this Indenture.

SECTION 6.02 Rights of Indenture Trustee.

(a) Except as otherwise provided in Section 6.01:

(1) the Indenture Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, Officer' s Certificate, certificate of an authorized signatory, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, including, without limitation, provided to it via email or other suitable means of electronic distribution as permitted in writing by the Indenture Trustee;

(2) the Indenture Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it under this Indenture in good faith and in accordance with such advice or Opinion of Counsel;

(3) the Indenture Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Sale and Servicing Agreement, or to institute, conduct or defend any litigation under this Indenture, or in relation to this Indenture or the Sale and Servicing Agreement, at the request, order or direction of any of the Noteholders pursuant to the provisions of this Indenture or the Sale and Servicing Agreement, unless such Noteholders shall have offered to the Indenture Trustee reasonable security or indemnity against the costs, expenses and liabilities that may be incurred by it, its agents and its counsel in compliance with such request, order or direction;

(4) the Indenture Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(5) the Indenture Trustee shall not be bound to recalculate, reverify, or make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by Holders of Notes evidencing not less than 25% of the aggregate Outstanding Amount of the Notes; provided, however, that if the payment within a reasonable time to the Indenture Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Indenture Trustee, not reasonably assured to the Indenture Trustee by the security afforded to it by the terms of this

---

Indenture, the Indenture Trustee may require reasonable indemnity against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the Administrator or, if paid by the Indenture Trustee, shall be reimbursed by the Administrator upon demand; and nothing in this clause shall derogate from the obligation of the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligor;

(6) the Indenture Trustee may execute any of the trusts or powers under this Indenture or perform any duties under this Indenture either directly or by or through agents or attorneys or a custodian;

(7) in order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering (“Applicable Law”), the Indenture Trustee is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Indenture Trustee. Accordingly, each of the parties agrees to provide the Indenture Trustee upon its reasonable request from time to time such identifying information and documentation as may be reasonably available for such party in order to enable the Indenture Trustee to comply with Applicable Law;

(8) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee herein, including the right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in its capacities as Indenture Trustee and Secured Party under the Basic Documents; and

(9) all communications, notices, instruction and other documents to be received by the Indenture Trustee (with the exception of those for which a non-electronic signature is expressly requested by the Indenture Trustee) may be provided to it via email with receipt confirmed via reply email, if requested, or other suitable means of electronic distribution as permitted in writing by the Indenture Trustee.

(10) Before the Indenture Trustee acts or refrains from acting, it may require an Officer’ s Certificate (with respect to factual matters) and/or an Opinion of Counsel (with respect to matters of law), as applicable. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer’ s Certificate or Opinion of Counsel.

(b) No Noteholder will have any right to institute any proceeding with respect to this Indenture except upon satisfying the conditions set forth in Section 5.06.

SECTION 6.03 Individual Rights of Indenture Trustee. The Indenture Trustee in its individual or any other capacity may become the Holder, beneficial owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, Note Registrar, co-registrar or co-paying agent may do the same with like rights. However, in so doing the Indenture Trustee must comply with Sections 6.11 and 6.12.

---

SECTION 6.04 Indenture Trustee's Disclaimer. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or the Notes (other than the execution by the Indenture Trustee on behalf of the Trust of, and the certificate of authentication on, the Notes), or of the Certificates. The Indenture Trustee shall have no obligation to perform any of the duties of the Servicer or the Administrator unless explicitly set forth in this Indenture. The Indenture Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity and enforceability of the Notes or any Receivable, any ownership interest in any Financed Vehicle, or the maintenance of any such ownership interest, or for or with respect to the efficacy of the Trust or its ability to generate the payments to be distributed to Noteholders under this Indenture, including without limitation the validity of the assignment of the Receivables to the Trust or of any intervening assignment; the existence, condition, location and ownership of any Receivable or Financed Vehicle; the existence and enforceability of any physical damage or credit life or credit disability insurance; the existence and contents of any retail installment sales contract or any computer or other record thereof; the completeness of any retail installment sales contract; the performance or enforcement of any retail installment sales contract; the compliance by the Issuer with any covenant or the breach by the Issuer, Seller or Servicer of any warranty or representation made under this Indenture or in any Basic Document or other related document and the accuracy of any such warranty or representation prior to the Indenture Trustee's receipt of notice or other discovery of any noncompliance therewith or any breach thereof; the acts or omissions of the Issuer, Seller or the Servicer; or any action by the Indenture Trustee taken at the instruction of the Issuer or Servicer, provided, however, that the foregoing shall not relieve the Indenture Trustee of its obligation to perform its duties under this Indenture. Except with respect to a claim based on the failure of the Indenture Trustee to perform its duties under this Indenture or based on the Indenture Trustee's willful misconduct, bad faith or negligence, no recourse shall be had for any claim based on any provision of this Indenture, the Notes or Certificates or assignment thereof against the institution serving as the Indenture Trustee in its individual capacity. The Indenture Trustee shall not have any personal obligation, liability or duty whatsoever to any Noteholder or any other Person with respect to any such claim, and any such claim shall be asserted solely against the Trust or any indemnitor who shall furnish indemnity as provided in this Indenture. The Indenture Trustee shall not be accountable for the use or application by the Issuer of any of the Notes or of the proceeds of such Notes, or for the use or application of any funds paid to the Servicer in respect of the Notes.

SECTION 6.05 Notice of Defaults. If a Responsible Officer of the Indenture Trustee knows that a Default has occurred and is continuing, the Indenture Trustee shall mail to each Noteholder notice of such Default within 10 days of the occurrence thereof. Except in the case of a Default in payment of principal of or interest on any Note, the Indenture Trustee may withhold such notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Noteholders.

SECTION 6.06 Reports by Indenture Trustee to Holders. The Indenture Trustee shall deliver or cause to be delivered annually to each Noteholder of record such information as may be required to enable such Person to prepare its federal and state income tax returns. The Indenture Trustee shall also deliver or cause to be delivered annually to each Noteholder of record a report relating to its eligibility and qualification to continue as Indenture Trustee under this Indenture, any amounts advanced by it under this Indenture, the amount, interest rate and maturity date of certain indebtedness owed by the Trust to such Indenture Trustee, in its

---

individual capacity, the property and funds physically held by such Indenture Trustee in its capacity as such, and any action taken by it that materially affects the Notes and that has not been previously reported.

SECTION 6.07 Compensation and Indemnity. The Administrator shall pay to the Indenture Trustee from time to time reasonable compensation for its services as have been separately agreed upon between the Administrator and the Indenture Trustee. The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Administrator shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses incurred or made by it, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts. The Administrator shall indemnify the Indenture Trustee against any and all loss, liability or expense (including reasonable attorneys' fees) incurred by it in connection with the administration of this Indenture or any of the Basic Documents and the performance of its duties hereunder or thereunder. The Indenture Trustee shall notify the Administrator promptly of any claim for which it may seek indemnity. Failure by the Indenture Trustee to so notify the Administrator shall not relieve the Administrator of its obligations hereunder. The Administrator shall defend any such claim, and the Indenture Trustee may have separate counsel and the Administrator shall pay the fees and expenses of such counsel. The Administrator shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee through the Indenture Trustee's own willful misconduct, negligence or bad faith. To the extent not paid by the Administrator and outstanding for at least 60 days, such fees and indemnities shall be paid by the Issuer pursuant to Section 5.06 of the Sale and Servicing Agreement, provided, that prior to such payment pursuant to the Sale and Servicing Agreement, the Indenture Trustee shall notify the Administrator in writing that such fees and indemnities have been outstanding for at least 60 days. If such fees and indemnities are paid pursuant to Section 5.06 of the Sale and Servicing Agreement, the Administrator shall reimburse the Issuer in full for such payments.

The Administrator's payment obligations to the Indenture Trustee pursuant to this Section shall survive the discharge of this Indenture. When the Indenture Trustee incurs expenses after the occurrence of a Default specified in Section 5.01(f) or (g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or similar law.

SECTION 6.08 Replacement of Indenture Trustee. The Indenture Trustee may resign at any time by providing written notice of its resignation to the Issuer. Noteholders representing a majority of the Outstanding Amount may remove the Indenture Trustee at any time and appoint a successor Indenture Trustee by so notifying the Indenture Trustee in writing. The Administrator may remove the Indenture Trustee if:

- (a) the Indenture Trustee fails to comply with Section 6.11;
- (b) the Indenture Trustee is adjudged a bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Indenture Trustee or its property; or

---

(d) the Indenture Trustee otherwise becomes legally or practically incapable of fulfilling its duties hereunder.

If the Indenture Trustee resigns or is removed or if a vacancy exists in the office of Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Servicer shall promptly appoint a successor Indenture Trustee. The successor Indenture Trustee shall pay all reasonable costs and expenses incurred in connection with removing and replacing the Indenture Trustee for a series of Notes and transferring the predecessor Indenture Trustee's duties and obligations to the successor Indenture Trustee. To the extent not paid by the successor Indenture Trustee, the Administrator shall pay all reasonable costs and expenses incurred in connection with removing and replacing the Indenture Trustee for a series of Notes and transferring the predecessor Indenture Trustee's duties and obligations to the successor Indenture Trustee. No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee shall become effective until the acceptance of appointment by the successor Indenture Trustee pursuant to this Section 6.08.

A successor Indenture Trustee shall deliver a written acceptance of its appointment to the retiring Indenture Trustee, the Servicer and the Administrator. Thereupon the resignation or removal of the retiring Indenture Trustee shall become effective, and the successor Indenture Trustee shall have all the rights, powers and duties of the Indenture Trustee under this Indenture. The successor Indenture Trustee shall mail a notice of its succession to the Noteholders. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee.

If a successor Indenture Trustee does not take office within 30 days after the retiring Indenture Trustee resigns or is removed, the retiring Indenture Trustee, the Administrator or the Holders of a majority in Outstanding Amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

If the Indenture Trustee fails to comply with Section 6.11, any Noteholder may at any time thereafter petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

Notwithstanding the replacement of the Indenture Trustee pursuant to this Section, the Issuer's and the Administrator's obligations under Section 6.07 shall continue for the benefit of the retiring Indenture Trustee.

**SECTION 6.09 Successor Indenture Trustee by Merger.** If the Indenture Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another Person, the resulting, surviving or transferee corporation without any further act shall be the successor Indenture Trustee if such surviving Person or transferee corporation or banking shall be otherwise qualified and eligible under Section 6.11. The Indenture Trustee shall provide the Issuer and the Administrator reasonable prior written notice of any such transaction (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement).

---

In case at the time such successor or successors by merger, conversion or consolidation to the Indenture Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Indenture Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Indenture Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Indenture Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Indenture Trustee shall have.

SECTION 6.10 Appointment of Co-Indenture Trustee or Separate Indenture Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the Trust Estate may at the time be located, the Indenture Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Estate, or any part hereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a trustee under Section 6.11 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 6.08 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) all rights, powers, duties and obligations conferred or imposed upon such separate trustee or co-trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in and/or directing such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(2) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(3) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall

---

refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts thereupon conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 6.11 Eligibility; Disqualification. The Indenture Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Indenture Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition and it or its parent shall have a long-term debt rating of “Baa3” or better by Moody’s, or its equivalent rating or better by Fitch, or otherwise acceptable to the Rating Agencies. The Indenture Trustee shall comply with TIA Section 310(b), including the optional provision permitted by the second sentence of TIA Section 310(b)(9); provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

SECTION 6.12 Preferential Collection of Claims Against Issuer. The Indenture Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). An Indenture Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

SECTION 6.13 Acknowledgement by Indenture Trustee of its Obligations Under the Sale and Servicing Agreement. The Indenture Trustee hereby agrees and consents to the provisions of the Sale and Servicing Agreement applicable to it (including, without limitation, Sections 5.06, 5.07 and 5.08 thereof) and agrees to be bound by such provisions.

## ARTICLE VII

### Noteholders’ Lists and Reports

SECTION 7.01 Note Registrar To Furnish Names and Addresses of Noteholders. The Note Registrar shall furnish or cause to be furnished to the Indenture Trustee, the Owner Trustee, the Servicer or the Administrator, within 15 days after receipt by the Note Registrar of a written request therefrom, a list of the names and addresses of the Noteholders of any Class as of the most recent Record Date. If three or more Noteholders, or one or more Holders evidencing not less than 25% of the Outstanding Amount of the Notes (hereinafter referred to as “Applicants”), apply in writing to the Indenture Trustee, and such application states that the Applicants desire to

---

communicate with other Noteholders with respect to their rights under this Indenture or under the Notes and such application is accompanied by a copy of the communication that such Applicants propose to transmit, then the Indenture Trustee shall, within five Business Days after the receipt of such application, afford such Applicants access, during normal business hours, to the current list of Noteholders. Such Indenture Trustee may elect not to afford the requesting Noteholders access to the list of Noteholders if it agrees to mail the desired communication by proxy, on behalf of and at the expense of the requesting Noteholders, to all Noteholders. Every Noteholder, by receiving and holding a Note, agrees with the Indenture Trustee and the Issuer that none of the Indenture Trustee, the Owner Trustee, the Issuer, the Servicer or the Administrator shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Noteholders under this Indenture, regardless of the source from which such information was derived.

If the Indenture Trustee shall cease to be the Note Registrar, then thereafter the Administrator will furnish or cause to be furnished to the Indenture Trustee not more than five days after the most recent Record Date or at such other times as the Indenture Trustee reasonably may request in writing, a list, in such form as the Indenture Trustee reasonably may require, of the names and addresses of the Holders of Notes as of such Record Date.

SECTION 7.02 Preservation of Information; Communications to Noteholders.

The Indenture Trustee may destroy any list furnished to it as provided in such Section 7.01 upon receipt of a new list so furnished.

(b) Noteholders may communicate pursuant to TIA Section 312(b) with other Noteholders with respect to their rights under this Indenture or under the Notes.

(c) The Issuer, the Indenture Trustee and the Note Registrar shall have the protection of TIA Section 3.12(c).

SECTION 7.03 Reports by Issuer.

(a) The Issuer shall:

(2) file with the Indenture Trustee and the Commission in accordance with the rules and regulations prescribed from time to time by the Commission such additional information, documents and reports with respect to compliance by the Issuer with the conditions

---

and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) supply to the Indenture Trustee (and the Indenture Trustee shall transmit by mail to all Noteholders described in TIA Section 313(c)) such summaries of any information, documents and reports required to be filed by the Issuer pursuant to clauses (i) and (ii) of this Section 7.03(a) and by rules and regulations prescribed from time to time by the Commission.

(b) Unless the Issuer otherwise determines, the fiscal year of the Issuer shall end on March 31 of each year.

**SECTION 7.04 Reports by Indenture Trustee.** If required by TIA Section 313(a), within 60 days after the end of each Fiscal Year of the Issuer, beginning with the fiscal year ending March 31, 2013, the Indenture Trustee shall mail to each Noteholder as required by TIA Section 313(c) a brief report dated as of such date that complies with TIA Section 313(a). The Indenture Trustee also shall comply with TIA Section 313(b).

A copy of each report at the time of its mailing to Noteholders shall be filed by the Indenture Trustee with the Commission and each stock exchange, if any, on which the Notes are listed. The Issuer shall notify the Indenture Trustee if and when the Notes are listed on any stock exchange.

**SECTION 7.05 Indenture Trustee Website.** The Indenture Trustee may make available to the Noteholders, via the Indenture Trustee's website, all reports or notices required to be provided by the Indenture Trustee under the terms of this Indenture and, with the consent or at the direction of the Servicer, such other information regarding the Notes as the Indenture Trustee may have in its possession, but only with the use of a password provided by the Indenture Trustee. Any information that is disseminated in accordance with the provisions of this Section 7.05 shall not be required to be disseminated in any other form or manner. Except for documents prepared by the Indenture Trustee and subject to its obligations under this Indenture, the Indenture Trustee will make no representation or warranties as to the accuracy or completeness of such documents and will assume no responsibility therefor.

The Indenture Trustee's internet website shall be initially located at <https://sf.citidirect.com> or at such other address as shall be specified by the Indenture Trustee from time to time in writing to the parties hereto. In connection with providing access to the Trustee's internet website, the Indenture Trustee may require registration and the acceptance of a disclaimer.

**SECTION 7.06 Information to be Provided by the Indenture Trustee.** The Indenture Trustee shall provide the Issuer and the Servicer (each, a "Nissan Party," and collectively, the "Nissan Parties") with (i) notification pursuant to Section 6.01(e), as soon as practicable and in any event within ten Business Days, and (ii) promptly upon the request by a Nissan Party, any information in its possession reasonably requested by a Nissan Party to facilitate compliance by the Nissan Parties with Rule 15Ga-1 under the Exchange Act and Items 1104(e) and 1121(c) of Regulation AB. ## ARTICLE VIII

### Accounts, Disbursements and Releases

SECTION 8.01 Collection of Money. Except as otherwise expressly provided herein, the Indenture Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Indenture Trustee pursuant to this Indenture. The Indenture Trustee shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Indenture Trustee may take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article V.

#### SECTION 8.02 Accounts.

(a) On or prior to the Closing Date, the Issuer shall cause the Servicer to establish and maintain, in the name of the Indenture Trustee until the outstanding amount of the Notes is zero, and thereafter, in the name of the Issuer, the Collection Account as provided in Section 5.01 of the Sale and Servicing Agreement.

(b) On or prior to the Closing Date, the Issuer will cause the Servicer to establish and maintain in the name of the Indenture Trustee, until the outstanding amount of the Notes is zero, and thereafter, in the name of the Issuer, the Reserve Account as provided in Section 5.01 of the Sale and Servicing Agreement. On or prior to the Closing Date, the Issuer shall cause to be deposited an amount equal to the Reserve Account Initial Deposit into the Reserve Account.

(c) The Indenture Trustee shall transfer all amounts remaining on deposit in the Collection Account on the Distribution Date on which the Notes of all Classes have been paid in full (or substantially all of the Trust Estate is otherwise released from the lien of this Indenture) to the Trust Collection Account and shall take all necessary or appropriate actions to transfer all of its right, title and interest in the Collection Account, all funds or investments held therein and all proceeds thereof, whether or not on behalf of the Securityholders, to the Owner Trustee for the benefit of the Certificateholders, subject to the limitations set forth herein with respect to amounts held for payment to Noteholders that do not promptly deliver a Note for payment on such Distribution Date.

#### SECTION 8.03 General Provisions Regarding Accounts.

(a) So long as no Default or Event of Default shall have occurred and be continuing, all or a portion of the funds in the Accounts shall be invested in Eligible Investments and reinvested by the Indenture Trustee at the written direction of the Servicer, subject to the provisions of Section 5.01 of the Sale and Servicing Agreement. All income or other gain from

---

investments of moneys deposited in the Collection Account shall be deposited by the Indenture Trustee in the Collection Account and paid to the Servicer as servicing compensation on any Business Day on or after which such amount is deposited in the Collection Account, and any loss resulting from such investments shall be charged to such account. Subject to the provisions of Section 5.07 of the Sale and Servicing Agreement, all income or other gain from investments of moneys deposited in the Reserve Account shall be paid to the Certificateholders on any Business Day on or after which such amount is deposited in the Reserve Account, and any loss resulting from such investments shall be charged to such account. The Servicer will not direct the Indenture Trustee, and the Issuer shall cause the Servicer not, to make any investment of any funds or to sell any investment held in the Accounts unless the security interest Granted and perfected in such account will continue to be perfected in such investment or the proceeds of such sale, in either case without any further action by any Person, and, in connection with any direction to the Indenture Trustee to make any such investment or sale, if requested by the Indenture Trustee, the Servicer shall deliver to the Indenture Trustee an Opinion of Counsel, reasonably acceptable to the Indenture Trustee, to such effect.

(b) Subject to Section 6.01(c), the Indenture Trustee shall not in any way be held liable by reason of any insufficiency in the Collection Account or the Reserve Account resulting from any loss on any Eligible Investment included therein at the direction of the Servicer, except for losses attributable to the Indenture Trustee' s failure to make payments on such Eligible Investments issued by the Indenture Trustee, in its commercial capacity as principal obligor and not as trustee, in accordance with the terms thereof.

(c) If (i) the Servicer shall have failed to give investment directions for any funds on deposit in the Collection Account or the Reserve Account to the Indenture Trustee by 5:00 p.m. Eastern Time (or such other time as may be agreed by the Servicer and Indenture Trustee) on any Business Day or (ii) a Default or Event of Default shall have occurred and be continuing with respect to the Notes but the Notes shall not have been declared due and payable pursuant to Section 5.02 or (iii) if such Notes shall have been declared due and payable following an Event of Default, amounts collected or receivable from the Trust Estate are being applied in accordance with Section 5.05 as if there had not been such a declaration, then the Indenture Trustee shall, to the fullest extent practicable, invest and reinvest funds in the Accounts in an Eligible Investment specified in clauses (i), (iv) or (vi) of the definition of Eligible Investments provided in the Sale and Servicing Agreement.

#### SECTION 8.04 Release of Trust Estate.

(a) Subject to the payment of its fees and expenses pursuant to Section 6.07, the Indenture Trustee may, and when required by the provisions of this Indenture shall, execute instruments to release property from the lien of this Indenture, or convey the Indenture Trustee' s interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article VIII shall be bound to ascertain the Indenture Trustee' s authority, inquire into the satisfaction of any conditions precedent or see to the application of any moneys.

---

(b) The Indenture Trustee shall, at such time as there are no Notes outstanding and all sums due the Indenture Trustee pursuant to Section 6.07 (as certified by an authorized officer of the Issuer in the officer's certificate delivered to the Trustee) have been paid, release any remaining portion of the Trust Estate that secured the Notes from the lien of this Indenture and release to or to the order of the Issuer, any funds entitled thereto then on deposit in the Collection Account and the Reserve Account. The Indenture Trustee shall release property from the lien of this Indenture pursuant to this Section 8.04(b) only upon receipt of an Officer's Certificate and (if required by the TIA) Independent Certificates in accordance with TIA Sections 314(c) and 314(d)(1) meeting the applicable requirements of Section 11.01.

SECTION 8.05 Release of Receivables Upon Purchase by the Seller or the Servicer.

(a) Upon repurchase of any Receivable by the Seller pursuant to Section 3.02 of the Sale and Servicing Agreement or any purchase of any Receivable by the Servicer pursuant to Section 4.06 or Section 9.01 of the Sale and Servicing Agreement, the Indenture Trustee, on behalf of the Noteholders, shall, without further action, be deemed to release from the Lien of this Indenture such repurchased Receivable, all monies due or to become due with respect thereto and all proceeds thereof and the other property with respect to such Receivable, and all security and any documents relating thereto, and the Seller or the Servicer, as applicable, shall thereupon own each such Receivable, and all such related security and documents, free of any further obligation to the Issuer, the Indenture Trustee or the Noteholders with respect thereto.

(b) The Indenture Trustee shall execute such documents and instruments and take such other actions as shall be reasonably requested by the Seller or the Servicer, as the case may be, to effect the release of such Receivable pursuant hereto and the assignment of such Receivable by the Issuer pursuant to Section 9.02 of the Sale and Servicing Agreement.

SECTION 8.06 Opinion of Counsel. The Indenture Trustee shall receive at least seven days notice when requested by the Issuer to take any action pursuant to Section 8.04(a) (provided that the Indenture Trustee in its discretion may waive such notice), accompanied by copies of any instruments involved, and the Indenture Trustee may also require (and shall require, to extent required by the TIA), except in connection with any action contemplated by Section 8.04(b), as a condition to such action, an Opinion of Counsel, in form and substance satisfactory to the Indenture Trustee, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with and such action will not materially and adversely impair the security for the Notes or the rights of the Noteholders in contravention of the provisions of this Indenture; provided, however, that such Opinion of Counsel shall not be required to express an opinion as to the fair value of the Trust Estate. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

**ARTICLE IX**  
Supplemental Indentures

SECTION 9.01 Supplemental Indentures Without Consent of Noteholders.

(a) Without the consent of the Holders of any Notes but with prior written notice by the Issuer to the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement), the Issuer and the Indenture Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(1) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Indenture Trustee any property subject or required to be subjected to the lien of this Indenture, or to subject to the lien of this Indenture additional property;

(2) to evidence the succession, in compliance with the applicable provisions hereof, of another person to the Issuer, and the assumption by any such successor of the covenants of the Issuer contained herein and in the Notes;

(3) to add to the covenants of the Issuer, for the benefit of the Holders of the Notes, or to surrender any right or power herein conferred upon the Issuer;

(4) to convey, transfer, assign, mortgage or pledge any property to or with the Indenture Trustee;

(5) to cure any ambiguity, to correct or supplement any provision herein or in any supplemental indenture that may be inconsistent with any other provision herein or in any supplemental indenture or to make any other provisions with respect to matters or questions arising under this Indenture or in any supplemental indenture to the extent such action shall not adversely affect the interests of the Holders of the Notes;

(6) to evidence and provide for the acceptance of the appointment hereunder by a successor trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI; or

(7) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA.

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

---

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, may, also without the consent of any of the Holders of the Notes, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, that such action shall not materially and adversely affect the interests of any Noteholder. An indenture or indentures supplemental hereto shall be deemed not to materially and adversely affect the interests of any Noteholder if (i) the Rating Agency Condition has been satisfied with respect to such indenture or indentures supplemental hereto, or (ii) the Servicer shall have delivered an Officer's Certificate to the Indenture Trustee stating that such amendment will not materially and adversely affect any Noteholder.

SECTION 9.02 Supplemental Indentures with Consent of Noteholders. The Issuer and the Indenture Trustee, when authorized by an Issuer Order, also may, with prior written notice by the Issuer to the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement) and with the consent of the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class by Action of such Holders delivered to the Issuer and the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, that no such supplemental indenture entered into in accordance with this Section 9.02 shall, without the consent of the Holder of each Outstanding Note affected thereby:

- (1) change the due date of any installment of principal of or interest on any Note, or reduce the principal amount thereof, the Interest Rate thereon or redemption price therefor, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable;
- (2) impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article V, to the payment of any such amount due on the Notes on or after the respective due dates thereof;
- (3) reduce the percentage of the Outstanding Amount of the Notes, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;
- (4) modify or alter the provisions of the proviso to the definition of the term "Outstanding;"
- (5) reduce the percentage of the Outstanding Amount of the Notes required to direct the Indenture Trustee to sell or liquidate the Trust Estate if the proceeds of that sale would be insufficient to pay the principal amount of and accrued but unpaid interest on the Notes pursuant to Section 5.04(c)(4);

---

(6) reduce any percentage required to amend the sections of the Indenture that specify the applicable percentage of Outstanding Amount of the Notes necessary to amend the Indenture; or

(7) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Trust Estate or, except as otherwise permitted or contemplated herein, terminate the lien of this Indenture on any property at any time subject hereto or deprive the Holder of any Note of the security provided by the lien of this Indenture.

The Indenture Trustee may in its discretion determine whether or not any Notes would be adversely affected by any supplemental indenture and any such determination shall be conclusive upon the Holders of all Notes, whether theretofore or thereafter authenticated and delivered hereunder. The Indenture Trustee shall not be liable for any such determination made in good faith.

It shall not be necessary for any Action of Noteholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Action shall approve the substance thereof.

Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section, the Indenture Trustee shall mail to the Holders of the Notes to which such amendment or supplemental indenture relates a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Indenture Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.03 Execution of Supplemental Indentures. In executing, or permitting the additional trusts created by, any supplemental indenture permitted by this Article IX or the modification thereby of the trusts created by this Indenture, the Indenture Trustee shall be entitled to receive upon request therefor, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Opinion of Counsel from external counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Indenture Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

SECTION 9.04 Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions hereof, this Indenture shall be deemed to be modified and amended in accordance therewith with respect to the Notes, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

---

SECTION 9.05 Conformity with Trust Indenture Act. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article IX shall conform to the requirements of the Trust Indenture Act as then in effect so long as this Indenture shall then be qualified under the Trust Indenture Act.

SECTION 9.06 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and if required by the Indenture Trustee shall, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Indenture Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

## **ARTICLE X**

### Redemption of Notes

SECTION 10.01 Optional Purchase of All Receivables. If NMAC, as Servicer, shall notify the Owner Trustee and the Indenture Trustee of its intention to exercise the option granted to it in Section 9.01 of the Sale and Servicing Agreement to purchase the Trust Estate (other than the Reserve Account), then the Indenture Trustee shall give written notice thereof to each Noteholder, in accordance with Section 10.02, as soon as practicable after their receipt of notice from the Servicer. Upon deposit by the Servicer or any successor to the Servicer of the amount necessary to effect such purchase of the corpus of the Owner Trust Estate, the Indenture Trustee shall make the final distributions to the Noteholders and Certificateholders as set forth in Section 5.06 of the Sale and Servicing Agreement and shall promptly transfer all of its right, title and interest in and to any amounts or investments remaining on deposit in the Accounts to the Owner Trustee (in any event excluding any portion thereof necessary to make distributions to Noteholders described in Section 3.03), and release from the lien of this Indenture all of the remaining Collateral in accordance with Sections 8.04 and 8.05. The Indenture Trustee shall execute, deliver and file all agreements, certificates, instruments or other documents necessary or reasonably requested by the Issuer in order to effect such release and the transfer to the Issuer of the Collateral.

SECTION 10.02 Form of Redemption Notice. Notice of redemption under Section 10.01 shall be given by the Indenture Trustee by first-class mail, postage prepaid, mailed to each Holder of Notes as of the close of business on the Record Date of the month preceding the month of the applicable Redemption Date at such Holder's address appearing in the Note Register. In addition, the Administrator shall notify each Rating Agency upon the redemption of the Notes, pursuant to the Administration Agreement.

All notices of redemption shall state:

- (a) the Redemption Date;
- (b) the Redemption Price;

---

(c) the place where the Notes to be redeemed are to be surrendered for payment of the Redemption Price (which shall be the office or agency of the Issuer to be maintained as provided in Section 3.02); and

(d) that on the Redemption Date, the Redemption Price will become due and payable upon each such Note and that interest thereon shall cease to accrue from and after the Redemption Date.

Notice of redemption of the Notes shall be given by the Indenture Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption (or any defect therein) to any Noteholder shall not impair or affect the validity of the redemption of any other Note.

SECTION 10.03 Notes Payable on Redemption Date. The Notes to be redeemed shall, following notice of redemption as required by Section 10.02, become due and payable on the Redemption Date at the Redemption Price and (unless the Issuer shall default in the payment of the Redemption Price) no interest shall accrue on the Redemption Price for any period after the date to which accrued interest is calculated for purposes of calculating the Redemption Price.

## ARTICLE XI

### Miscellaneous

#### SECTION 11.01 Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer shall, upon written request therefor from the Indenture Trustee, furnish to the Indenture Trustee (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, and (iii) (if required by the TIA) an Independent Certificate from a firm of certified public accountants meeting the applicable requirements of this Section, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no such written request from the Indenture Trustee need be furnished (and only such expressly required documents need be delivered in connection therewith).

(b) Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(1) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

---

(3) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

(c) Prior to the deposit of any Collateral or other property or securities with the Indenture Trustee that is to be made the basis for the release of any property or securities subject to the lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 11.01(a) or elsewhere in this Indenture, furnish to the Indenture Trustee (if so requested by the Indenture Trustee or required by the TIA) an Officer' s Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within 90 days of such deposit) to the Issuer of the Collateral or other property or securities to be so deposited.

Whenever the Issuer would be required to furnish to the Indenture Trustee an Officer' s Certificate certifying or stating the opinion of any signatory thereof as to the matters described in this clause (c) if such an Officer' s Certificate had been requested by the Indenture Trustee or required by the TIA, regardless of whether such an Officer' s Certificate was so requested or required, the Issuer shall deliver to the Indenture Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current calendar year of the Issuer, as set forth in the certificates delivered pursuant to clause (c), is 10% or more of the Outstanding Amount of the Notes, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer' s Certificate is less than \$25,000 or less than one percent of the Outstanding Amount of the Notes.

Whenever any property or securities are to be released from the lien of this Indenture, the Issuer shall also furnish to the Indenture Trustee an Officer' s Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within 90 days of such release) of the property or securities proposed to be released and stating that in the opinion of such person the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

Notwithstanding Section 2.09 or any other provision of this Section, the Issuer may, without compliance with the requirements of the other provisions of this Section, (i) collect, liquidate, sell or otherwise dispose of Receivables and Financed Vehicles as and to the extent permitted or required by the Basic Documents, and (ii) make cash payments out of the Accounts as and to the extent permitted or required by the Basic Documents.

SECTION 11.02 Form of Documents Delivered to Indenture Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons

---

as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which such officer's certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Servicer, the Seller, the Issuer or the Administrator, stating that the information with respect to such factual matters is in the possession of the Servicer, the Seller, the Issuer or the Administrator, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

#### SECTION 11.03 Acts of Noteholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Action" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved in any manner that the Indenture Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

---

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

SECTION 11.04 Notices to Indenture Trustee, Issuer and Rating Agencies. Any request, demand, authorization, direction, notice, consent, waiver or Action of Noteholders or other documents provided or permitted by this Indenture shall be in writing and if such request, demand, authorization, direction, notice, consent, waiver or Action of Noteholders is to be made upon, given or furnished to or filed with (a) the Issuer, to Nissan Auto Receivables 2013-A Owner Trust, c/o Wilmington Trust, National Association, Rodney Square North, 1100 North Market Street, Wilmington, Delaware 19890, Attention: Nissan Auto Receivables 2013-A Owner Trust, with a copy to Nissan Motor Acceptance Corporation, One Nissan Way, Franklin, Tennessee 37067, Attention: Treasurer, or at such other address as shall be designated by written notice to the Indenture Trustee and (b) the Indenture Trustee, to Citibank, N.A., 388 Greenwich Street, 14th Floor, New York, New York 10013, Attention: Agency & Trust - NAROT 2013-A.

Notices required to be given to the Rating Agencies hereunder shall be in writing, personally delivered or mailed by certified mail, return receipt requested, to: (i) in the case of Moody' s, at the following address: Moody' s Investor Service, ABS Monitoring Department, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007, and (ii) in the case of Fitch, at the following address: Fitch Ratings, One State Street Plaza, New York, New York 10004, Attention: Asset Backed Securities Group, or as to each of the foregoing, at such other address as shall be designated by written notice to the other parties; provided, however, that all notices, requests, reports, consents or other communications deliverable to any Rating Agency hereunder or under any other Basic Document shall be deemed to be delivered if a copy of such notice, request, report, consent or other communication has been posted on any website maintained by or on behalf of NMAC pursuant to a commitment to any Rating Agency relating to the Notes in accordance with 17 C.F.R. 240 17g-5(a)(3).

SECTION 11.05 Notices to Noteholders; Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event, at his address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

---

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute a Default or Event of Default.

SECTION 11.06 Alternate Payment and Notice Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer may enter into any agreement with any Holder of a Note providing for a method of payment, or notice by the Indenture Trustee or any Paying Agent to such Holder, that is different from the methods provided for in this Indenture for such payments or notices. The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments to be made and notices to be given in accordance with such agreements.

SECTION 11.07 Conflict with Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the Trust Indenture Act, such required provision shall control.

The provisions of TIA Sections 310 through 317 that impose duties on any person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein.

SECTION 11.08 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 11.09 Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents.

SECTION 11.10 Severability. If any one or more of the covenants, agreements, provisions or terms of this Indenture shall be for any reason whatsoever held invalid or unenforceable in any jurisdiction, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Indenture and shall in no way affect the validity or enforceability of the other provisions of this Indenture or of the Notes or the Certificates or the rights of the Holders thereof.

SECTION 11.11 Benefits of Indenture. Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Noteholders, any other party secured hereunder and any other Person with an

---

ownership interest in any part of the Trust Estate, any benefit or any legal or equitable right, remedy or claim under this Indenture.

**SECTION 11.12 Governing Law. THIS INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.**

SECTION 11.13 Counterparts. This Indenture may be executed simultaneously in any number of counterparts, each of which shall be deemed to be an original, and all of which shall constitute but one and the same instrument.

SECTION 11.14 Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel (which may be counsel to the Indenture Trustee or any other counsel reasonably acceptable to the Indenture Trustee) to the effect that such recording is necessary either for the protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee under this Indenture.

SECTION 11.15 Trust Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee or the Indenture Trustee on the Notes or Certificates or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee or the Owner Trustee in its individual capacity, (ii) the Seller, any Certificateholder or other owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee or the Owner Trustee in its individual capacity, any Certificateholder or other owner of a beneficial interest in the Issuer, the Owner Trustee or the Indenture Trustee or of any successor or assign of the Indenture Trustee or the Owner Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee and the Owner Trustee have no such obligations in their individual capacity) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity. For all purposes of this Indenture, in the performance of any duties or obligations of the Issuer hereunder, the Owner Trustee shall be subject to, and entitled to the benefits of, the terms and provisions of Article VI, VII and VIII of the Trust Agreement.

SECTION 11.16 No Petition. The Indenture Trustee, by entering into this Indenture, and each Noteholder, by accepting a Note, hereby covenant and agree that they shall not, prior to the date which is one year and one day after the termination of this Indenture with respect to the Issuer, acquiesce, petition or otherwise invoke or cause the Issuer to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Issuer under any federal or state bankruptcy, insolvency or similar law, or appointing a receiver,

---

liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Issuer.

SECTION 11.17 Inspection. The Issuer agrees that, on reasonable prior notice, it will permit any representative of the Indenture Trustee, during the Issuer' s normal business hours, to examine all the books of account, records, reports and other papers of the Issuer, to make copies and extracts therefrom, to cause (at the expense of the requesting party) such books to be audited by Independent certified public accountants, and to discuss the Issuer' s affairs, finances and accounts with the Issuer' s officers, employees, and Independent certified public accountants, all at such reasonable times and as often as may be reasonably requested. The Indenture Trustee shall and shall cause its representatives to hold in confidence all such information except to the extent disclosure may be required by law (and all reasonable applications for confidential treatment are unavailing) and except to the extent that the Indenture Trustee may reasonably determine that such disclosure is consistent with its obligations hereunder.

REVERSE OF NOTE

This Note is one of a duly authorized issue of Notes of the Issuer, designated as [ ]% Asset Backed Notes, Class [A-1] [A-2] [A-3] [A-4] (herein called the "Class [A-1] [A-2] [A-3] [A-4] Notes"), all issued under the Indenture, to which Indentures and all indentures supplemental thereto reference is hereby made for a statement of the respective rights and obligations thereunder of the Issuer, the Indenture Trustee and the Holders of the Notes. The Class [A-1] [A-2] [A-3] [A-4] Notes are subject to all terms of the Indenture.

The Class A-1 Notes, the Class A-2 Notes, the Class A-3 Notes and the Class A-4 Notes, (collectively, the "Notes") are and, except as otherwise provided in the Indenture and the Sale and Servicing Agreement, will be equally and ratably secured by the collateral pledged as security therefor as provided in the Indenture.

Principal of the Class [A-1] [A-2] [A-3] [A-4] Notes will be payable on each Distribution Date in an amount described in the Indenture. "Distribution Date" means the fifteenth day of each month, or, if any such date is not a Business Day, the next succeeding Business Day, commencing February 15, 2013.

Notwithstanding the foregoing, the entire unpaid principal amount of the Notes shall be due and payable on the date on which an Event of Default shall have occurred and be continuing and the Indenture Trustee or the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class, have declared the Notes to be immediately due and payable in the manner provided in Section 5.02 of the Indenture or following the exercise by the Servicer of its option to purchase the Receivables pursuant to Section 9.01 of the Sale and Servicing Agreement and Section 10.01 of the Indenture. In case of an unrescinded acceleration upon an Event of Default, all payments of interest and principal will be made to the Noteholders, as set forth in Section 5.06(d) of the Sale and Servicing Agreement. In case of the optional purchase of the Receivables, all interest and all principal payments on the Class [A-1] [A-2] [A-3] [A-4] Notes shall be made pro rata to the Class [A-1] [A-2] [A-3] [A-4] Noteholders entitled thereto.

Payments of interest on this Note due and payable on each Distribution Date, together with the installment of principal, if any, to the extent not in full payment of this Note, shall be paid to the Person in whose name of such Note (or one or more Predecessor Notes) is registered on the Record Date by wire transfer in immediately available funds to the account designated by such nominee, except for the final installment of principal payable with respect to such Note on a Distribution Date or on the applicable Final Scheduled Distribution Date, which shall be payable as provided below. Any reduction in the principal amount of this Note (or any one or more Predecessor Notes) effected by any payments made on any Distribution Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. If funds are expected to be available, as provided in the Indenture, for payment in full of the then remaining unpaid principal amount of this Note on a Distribution Date, then the Indenture Trustee, in the name of and on behalf of the Issuer, will notify the Person who was the Registered Holder hereof as of the Record Date preceding such Distribution Date by notice mailed or transmitted by facsimile prior to such Distribution Date, and the amount then due and payable shall be payable

(Nissan 2013-A Indenture)

only upon presentation and surrender of this Note at the Indenture Trustee' s principal Corporate Trust Office or at the office of the Indenture Trustee' s agent appointed for such purposes located in The City of New York.

The Issuer shall pay interest on overdue installments of interest at the Class [A-1] [A-2] [A-3] [A-4] Interest Rate to the extent lawful.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note may be registered on the Note Register upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee as set forth in Section 2.04 of the Indenture, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount will be issued to the designated transferee or transferees. No service charge will be charged for any registration of transfer or exchange of this Note, but the transferor may be required to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such registration of transfer or exchange.

Each Noteholder or Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee or the Indenture Trustee on the Notes or under the Indenture or any certificate or other writing delivered in connection therewith, against (i) the Indenture Trustee or the Owner Trustee in its individual capacity, (ii) the Seller or any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director or employee of the Indenture Trustee or the Owner Trustee in its individual capacity, any holder of a beneficial interest in the Issuer, the Owner Trustee or the Indenture Trustee or of any successor or assign of the Indenture Trustee or the Owner Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee and the Owner Trustee have no such obligations in their individual capacity) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity.

The Holder of this Note by its acceptance hereof agrees that, except as expressly provided in the Basic Documents, in the case of an Event of Default under the Indenture, the Holder shall have no claim against any of the foregoing for any deficiency, loss or claim therefrom; provided, however, that nothing contained herein shall be taken to prevent recourse to, and enforcement against, the assets of the Issuer for any and all liabilities, obligations and undertakings contained in the Indenture or in this Note.

Each Noteholder or Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, covenants and agrees by accepting the benefits of the Indenture that such Noteholder or Note Owner will not at any time file, join in the filing of, or cooperate with or encourage others to file against the Seller or the Issuer, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, the Indenture or the Basic Documents.

(Nissan 2013-A Indenture)

---

The Issuer has entered into the Indenture and this Note is issued with the intention that, for federal, state and local income, single business and franchise tax purposes, the Notes will qualify as indebtedness of the Issuer secured by the Trust Estate. Each Noteholder, by acceptance of a Note (and each Note Owner by acceptance of a beneficial interest in a Note), agrees to treat the Notes for federal, state and local income, single business and franchise tax purposes as indebtedness of the Issuer.

Prior to the due presentment for registration of transfer of this Note, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name this Note (as of the day of determination or as of such other date as may be specified in the Indenture) is registered as the owner hereof for all purposes, whether or not this Note be overdue, and none of the Issuer, the Indenture Trustee or any such agent shall be affected by notice to the contrary.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Notes under the Indenture at any time by the Issuer and the Indenture Trustee, when authorized by an Issuer Order, with prior notice to the Rating Agencies and with the consent of the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class. Section 5.12 of the Indenture also contains provisions permitting the Holders of a majority of the Outstanding Amount of the Notes, voting as a single class, on behalf of the Holders of all the Notes, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note (or any one or more Predecessor Notes) shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of Holders of the Notes issued thereunder.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

The Issuer is permitted by the Indenture, under certain circumstances, to merge or consolidate, subject to the rights of the Indenture Trustee and the Holders of Notes under the Indenture.

The Notes are issuable only in registered form in denominations as provided in the Indenture, subject to certain limitations therein set forth.

This Note and the Indenture shall be construed in accordance with the laws of the State of New York, without reference to its conflict of law provisions (other than Section 5-1401 of the General Obligations Law of the State of New York), and the obligations, rights and remedies of the parties hereunder and thereunder shall be determined in accordance with such laws.

(Nissan 2013-A Indenture)

---

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency herein prescribed.

Wilmington Trust, National Association shall be the initial authenticating agent of the Owner Trustee hereunder, and all references herein to authentication by the Owner Trustee shall be deemed to include the authenticating agent.

Upon receipt of such notice, the Servicer shall appoint another bank or trust company, which shall agree to act in accordance with the provisions of this Agreement applicable to it and otherwise acceptable to the Owner Trustee, to act as successor Certificate Registrar under this Agreement.

At the option of a Holder, Certificates may be exchanged for other Certificates of authorized denominations of a like aggregate amount upon surrender of the Certificates to be exchanged at the office or agency maintained pursuant to Section 3.07. The preceding provisions of this Section notwithstanding, the Owner Trustee shall not make and the Certificate Registrar shall not register transfer or exchanges of Certificates for a period of 15 days preceding the due date for any payment with respect to the Certificates.

(c) Every Certificate presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Owner Trustee and the Certificate Registrar duly executed by the Holder or his attorney duly authorized in writing. Each Certificate surrendered for registration of transfer or exchange shall be cancelled and disposed of by the Owner Trustee in accordance with its customary practice.

No transfer of a Certificate shall be made unless the Owner Trustee shall have received:

Notwithstanding anything else to the contrary herein, any purported transfer of a Certificate to or on behalf of a Benefit Plan or utilizing the assets of a Benefit Plan shall be void and of no effect.

To the extent permitted under applicable law (including, but not limited to, the Employee Retirement Income Security Act of 1974, as amended, "ERISA"), the Owner Trustee shall be under no liability to any Person for any registration or transfer of any Certificate that is in fact not permitted by this Section 3.03(c) or for making any payments due on such Certificate to the Certificateholder thereof or taking any other action with respect to such Holder under the provisions of this Trust Agreement or the Sale and Servicing Agreement so long as the transfer was registered by the Certificate Registrar or the Owner Trustee in accordance with the foregoing requirements.

(d) No service charge shall be made for any registration of transfer or exchange of Certificates, but the Owner Trustee or the Certificate Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

SECTION 3.04. Mutilated, Destroyed, Lost or Stolen Certificates. If (a) any mutilated Certificate shall be surrendered to the Certificate Registrar, or if the Certificate Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Certificate and (b) there shall be delivered to the Certificate Registrar and the Owner Trustee such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Certificate shall have been acquired by a protected purchaser, the Owner Trustee on behalf of the Trust shall execute and the Owner Trustee, or the Owner Trustee's authenticating agent, shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor and denomination. In connection with the issuance of any new Certificate under this Section, the Owner Trustee or the Certificate Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section shall constitute conclusive evidence of ownership in the Trust, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 3.05. Persons Deemed Certificateholders. Prior to due presentation of a Certificate for registration of transfer, the Owner Trustee or the Certificate Registrar may treat the Person in whose name any Certificate shall be registered in the Certificate Register as the owner of such Certificate for the purpose of receiving distributions pursuant to Section 5.02 and for all other purposes whatsoever, and neither the Owner Trustee nor the Certificate Registrar shall be bound by any notice to the contrary.

SECTION 3.06. Access to List of Certificateholders' Names and Addresses. The Certificate Registrar shall furnish or cause to be furnished to the Owner Trustee, the Servicer or the Depositor, as the case may be, within 15 days after its receipt of a request therefor from the Owner Trustee, the Servicer or the Depositor in writing, a list, in such form as the Owner Trustee, the Servicer or the Depositor may reasonably require, of the names and addresses of the Certificateholders as of the most recent Record Date. If three or more Certificateholders or one or more Holders of Certificates evidencing, in the aggregate, not less than 25% of the Certificate Balance apply in writing to the Owner Trustee, and such application states that the applicants desire to communicate with other Certificateholders with respect to their rights under this Agreement or under the Certificates and such application is accompanied by a copy of the communication that such applicants propose to transmit, then the Owner Trustee shall, within five Business Days after the receipt of such application, afford such applicants access during normal business hours to the current list of Certificateholders. Each Holder, by receiving and holding a Certificate, shall be deemed to have agreed not to hold any of the Depositor, the Servicer, the Certificate Registrar or the Owner Trustee accountable by reason of the disclosure of its name and address, regardless of the source from which such information was derived.

SECTION 3.07. Maintenance of Office or Agency. The Owner Trustee shall maintain an office or offices or agency or agencies where Certificates may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Owner Trustee in respect of the Certificates and the Basic Documents may be served. The Owner Trustee initially designates the Corporate Trust Office as its principal corporate trust office for such purposes. The Owner Trustee shall give prompt written notice to the Depositor and to the Certificateholders of any change in the location of the Certificate Register or any such office or agency.

SECTION 3.08. Appointment of Paying Agent. Except during any period when the Indenture Trustee is authorized and directed to do so under the Indenture (i.e. prior to the termination of the Indenture), the Paying Agent shall make distributions to Certificateholders from the Collection Account pursuant to Section 5.02 and shall report the amounts of such distributions to the Owner Trustee. Any Paying Agent shall have the revocable power to withdraw funds from the Collection Account for the purpose of making the distributions referred to above. The Owner Trustee may revoke such power and remove the Paying Agent if the Owner Trustee determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Agreement in any material respect. The Paying Agent shall initially be Wilmington Trust, National Association, and any co-paying agent chosen by the Owner Trustee, and acceptable to the Owner Trustee. The Paying Agent shall be permitted to resign as Paying Agent upon 30 days' written notice to the Indenture Trustee and, if the Paying Agent is not the Owner Trustee, to the Owner Trustee. In the event that Wilmington Trust, National Association shall no longer be the Paying Agent, the Owner Trustee shall appoint a successor to act as Paying Agent (which shall be a bank or trust company). The Owner Trustee shall cause such successor Paying Agent or any additional Paying Agent appointed by the Owner Trustee to execute and deliver to the Owner Trustee an instrument in which such successor Paying Agent or additional Paying Agent shall agree with the Owner Trustee that as Paying Agent, such successor Paying Agent or additional Paying Agent will hold all sums, if any, held by it for payment to the Certificateholders in trust for the benefit of the Certificateholders entitled thereto until such sums shall be paid to such Certificateholders. The Paying Agent shall

return all unclaimed funds to the Owner Trustee and upon removal of a Paying Agent such Paying Agent shall also return all funds in its possession to the Owner Trustee. The provisions of Sections 7.01, 7.03, 7.04, 8.01 and 8.02 shall apply to the Owner Trustee also in its role as Paying Agent, for so long as the Owner Trustee shall act as Paying Agent and, to the extent applicable, to any other Paying Agent appointed hereunder. Any reference in this Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

SECTION 3.09. Ownership by the Depositor of Certificates. Notwithstanding Section 3.03, the Depositor shall on the Closing Date receive in accordance with Section 3.02, and shall thereafter retain beneficial and record ownership of, Certificates representing 100% of the Certificate Balance. Notwithstanding any other provision of this Agreement to the contrary, the Depositor may not transfer any Trust Certificate prior to payment in full of the Notes unless the Rating Agency Condition has been satisfied with respect to such transfer.

The Owner Trustee shall take the actions referred to in the preceding sentence only upon written instructions signed by the authorized representative of 100% of the Certificateholders.

SECTION 4.03. Action with Respect to Bankruptcy. The Owner Trustee shall not have the power to commence a voluntary proceeding in bankruptcy relating to the Trust without the unanimous prior approval of all Certificateholders (including the Board of Directors (including the Independent Directors, as such term is defined in the Depositor's Certificate of Incorporation) of the Depositor) and the delivery to the Owner Trustee of a written certification by each Certificateholder that such Certificateholder reasonably believes that the Trust is insolvent.

SECTION 4.04. Restrictions on Certificateholders' Power. The Certificateholders shall not direct the Owner Trustee to take or refrain from taking any action if such action or inaction would be contrary to any obligations of the Trust or of the Owner Trustee under any of the Basic Documents or would be contrary to Section 2.03 nor shall the Owner Trustee be obligated to follow any such direction, if given.

If, at any time, the Trust Collection Account ceases to be an Eligible Account or if the majority of Certificateholders, in their sole discretion, notify the Owner Trustee in writing that the Trust Collection Account should be moved, then the Owner Trustee (or the Administrator on behalf of the Owner Trustee, if the Trust Collection Account is not then held by the Owner Trustee or an Affiliate thereof) shall within 10 Business Days establish a new equivalent Eligible Account at a depository institution or trust company selected by a majority of the Certificateholders and shall transfer any cash and/or any investments to such new account.

(b) Concurrently with the execution and delivery of the Indenture, the Servicer will establish and maintain, or shall cause to be established and maintained, at the direction of the Depositor, the Collection Account in the name of and under the control of the Indenture Trustee in accordance with Section 5.01 of the Sale and Servicing Agreement. The Indenture Trustee will be obligated to transfer to the Owner Trustee, for the benefit of the Certificateholders, all funds or investments held in the Collection Account on the Distribution Date on which the Notes have been paid in full or the Indenture is otherwise terminated (excluding any amounts to be retained for distribution in respect of Notes that are not promptly delivered for payment on such Distribution Date), and to take all necessary or appropriate actions to transfer all right, title and interest of the Indenture Trustee in such funds or investments and all proceeds thereof to the Owner Trustee for the benefit of the Certificateholders, which amounts the Owner Trustee shall deposit into the Trust Collection Account.

### SECTION 5.02. Application of Amounts in Accounts.

(a) For so long as any Notes are outstanding, on each Distribution Date, the Indenture Trustee will distribute to Certificateholders, on a pro rata basis, the amounts distributable thereto pursuant to Section 5.06 of the Sale and Servicing Agreement and Section 3.01 of the Indenture. From and after the date on which the Notes of all Classes have been paid in full, on each Distribution Date, the Owner Trustee shall distribute to the Certificateholders amounts on deposit in the Trust Collection Account that are distributable to the Certificateholders in accordance with the instructions of the Servicer pursuant to Section 5.06 of the Sale and Servicing Agreement. Upon the release from the Lien of the Indenture of amounts on deposit in the Collection Account or any other portion of the Owner Trust Estate, the Owner Trustee will cause such property to be properly deposited into the Trust Collection Account under the control of the Owner Trustee pursuant to Section 5.01(a) or distributed to the Certificateholders in accordance with the provisions of this Agreement, as the case may be.

(b) On each Distribution Date, the Owner Trustee shall send to each Certificateholder the statement provided to the Owner Trustee by the Servicer pursuant to Section 5.08 of the Sale and Servicing Agreement with respect to such Distribution Date.

(c) In the event that any withholding tax is imposed on the Trust's payment (or allocations of income) to a Certificateholder, such tax shall reduce the amount otherwise distributable to the Certificateholder in accordance with this Section. The Owner Trustee is hereby authorized and directed to retain from amounts otherwise distributable to the Certificateholders sufficient funds for the payment of any tax that is legally owed by the Trust

(but such authorization shall not prevent the Owner Trustee from contesting any such tax in appropriate proceedings, and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to a Certificateholder shall be treated as cash distributed to such Certificateholder at the time it is withheld by the Trust and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to any distribution (such as any distribution to a Non-U.S. Person), the Owner Trustee may in its sole discretion withhold such amounts in accordance with this paragraph (c). In the event that a Certificateholder wishes to apply for a refund of any such withholding tax, the Owner Trustee shall reasonably cooperate with such Certificateholder in making such claim so long as such Certificateholder agrees to reimburse the Owner Trustee for any out-of-pocket expenses incurred.

SECTION 5.03. Method of Payment. Subject to Section 9.01(c), distributions required to be made to Certificateholders on any Distribution Date shall be made to each Certificateholder of record on the related Record Date either by check mailed to such Certificateholder at the address of such holder appearing in the Certificate Register or by wire transfer, in immediately available funds, to the account of any Certificateholder at a bank or other entity having appropriate facilities therefor, if such Certificateholder shall have provided to the Certificate Registrar appropriate written instructions at least five Business Days prior to such Distribution Date.

SECTION 5.04. Accounting and Reports to the Certificateholders, the Internal Revenue Service and Others. The Administrator on behalf of the Trust shall (a) maintain (or cause to be maintained) the books of the Trust on a fiscal year basis or a calendar basis on the accrual method of accounting, (b) deliver to each Certificateholder, as may be required by the Code and applicable Treasury Regulations, such information as may be required (excluding Schedule K-1) to enable each Certificateholder to prepare its federal and state income tax returns, (c) file any tax and information returns, and fulfill any other reporting requirements, relating to the Trust, as may be required by the Code and applicable Treasury Regulations (including Treasury Regulation Section 1.6049-7), (d) for any period during which the beneficial ownership interests in the Trust are held by more than one Person, make such elections as may from time to time be required or appropriate under any applicable state or federal statute or rule or regulation thereunder so as to maintain the Trust's characterization as a partnership for federal income tax purposes, (e) cause such tax returns to be signed in the manner required by law, and (f) collect or cause to be collected any withholding tax as described in and in accordance with Section 5.02(c) with respect to income or distributions to Certificateholders. The Administrator on behalf of the Trust shall elect under Section 1278 of the Code to include in income currently any market discount that accrues with respect to the Receivables. The Administrator on behalf of the Trust shall not make the election provided under Section 754 of the Code. Notwithstanding anything to the contrary stated herein, the Owner Trustee shall be exclusively responsible for the mailing of the Schedule K-1's necessary to enable each Certificateholder to prepare its federal and state income returns.

SECTION 5.05. Signature on Returns; Tax Matter Partner.

(a) The Administrator on behalf of the Trust shall sign on behalf of the Trust the tax returns of the Trust, unless applicable law requires a Certificateholder to sign such documents, in

which case such documents shall be signed by the Administrator, pursuant to the power-of-attorney granted thereto pursuant to Section 2.04.

(b) For any period during which the beneficial ownership interests of the Trust are held by more than one Person, the Certificateholder holding Certificates evidencing the largest portion of the Original Certificate Balance shall be designated the “tax matters partner” of the Trust pursuant to Section 6231(a)(7)(A) of the Code and applicable Treasury Regulations, but hereby delegates its powers and duties as such to the Administrator pursuant to the power-of-attorney granted thereto pursuant to Section 2.04.

SECTION 5.06. Duties of Depositor on Behalf of Trust. On behalf of the Trust, the Depositor shall prepare and, after execution by the Trust and the Indenture Trustee, file with the Securities and Exchange Commission and any applicable state agencies documents required to be filed on a periodic basis with the Securities and Exchange Commission and any applicable state agencies (including any summaries thereof required by rules and regulations prescribed thereby), and transmit such summaries to the Noteholders pursuant to Section 7.03 of the Indenture.

(a) Subject to Article IV and in accordance with the terms of the Basic Documents, the Certificateholders may by written instruction direct the Owner Trustee in the management of the Trust. Such direction may be exercised at any time by written instruction of the Certificateholders pursuant to Article IV. The Owner Trustee accepts the trusts hereby created and agrees to perform its duties hereunder with respect to such trusts but only upon the terms of this Agreement. The Owner Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Owner Trustee that shall be specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they conform on their face to the requirements of this Agreement.

(b) No provision of this Agreement shall be construed to relieve the Owner Trustee from liability for its own negligent action, its own negligent failure to act, its own bad faith or its own willful misfeasance; provided, however, that:

(i) the duties and obligations of the Owner Trustee shall be determined solely by the express provisions of this Agreement, the Owner Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Owner Trustee, the permissive right of the Owner Trustee to do things enumerated in this Agreement shall not be construed as a duty and, in the absence of bad faith on the part of the Owner Trustee, the Owner Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Owner Trustee and conforming on their face to the requirements of this Agreement;

(ii) the Owner Trustee shall not be personally liable for an error of judgment made in good faith by a Trust Officer, unless it shall be proved that the Owner Trustee was negligent in performing its duties in accordance with the terms of this Agreement; and

(iii) the Owner Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken in good faith in accordance with the direction of the Holders of the Certificates representing at least a majority of the Certificate Balance (or such larger or smaller percentage of the Certificate Balance as may be required by any other provision of this Agreement or the other Basic Documents), the Servicer, the Administrator or the Indenture Trustee.

(c) The Owner Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties under this Agreement, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) All information obtained by the Owner Trustee regarding the Obligors and the Receivables contained in the Trust, whether upon the exercise of its rights under this Agreement or otherwise, shall be maintained by the Owner Trustee in confidence and shall not be disclosed

to any other Person, unless such disclosure is required by any applicable law or regulation or pursuant to subpoena or is required to be made to regulators, auditors or other governmental authorities.

(e) Pursuant to Section 3.02 of the Sale and Servicing Agreement, in the event that the Owner Trustee discovers that a representation or warranty made by the Seller pursuant to Section 3.01 or 6.01 of the Sale and Servicing Agreement with respect to a Receivable was incorrect as of the time specified with respect to such representation and warranty and such incorrectness materially and adversely affects the interests of any Securityholder in such Receivable, the Owner Trustee shall give prompt written notice to the Servicer, the Depositor and the Indenture Trustee of such incorrectness. Pursuant to Section 4.06 of the Sale and Servicing Agreement, if the Owner Trustee discovers that any covenant of the Servicer set forth in Sections 4.02, 4.04 or 4.05 of the Sale and Servicing Agreement has been breached by the Servicer, the Owner Trustee shall give prompt written notice to the Servicer, the Depositor and the Indenture Trustee of such breach.

SECTION 6.04. No Duties Except as Specified in this Agreement or in Instructions. The Owner Trustee shall not have any duty or obligation to manage, make any payment with respect to, register, record, sell, dispose of, or otherwise deal with the Owner Trust Estate, or to otherwise take or refrain from taking any action under, or in connection with, any Basic Document to which the Owner Trustee is a party or otherwise contemplated hereby, except as expressly provided by the terms of this Agreement, any Basic Document to which the Trust is a party or in any document or written instruction received by the Owner Trustee pursuant to Section 6.03. No implied duties or obligations shall be read into this Agreement or any Basic Document against the Owner Trustee. The Owner Trustee shall have no responsibility for filing any financing or continuation statement in any public office at any time or otherwise to perfect or maintain the perfection of any security interest or lien granted to it hereunder or to prepare or file any Securities and Exchange Commission filing for the Trust or to record this Agreement or any Basic Document. Notwithstanding anything to the contrary herein or in any Basic Document, the Owner Trustee shall not be required to execute, deliver or certify on behalf of the Trust or any other Person any filings, certificates, affidavits or other instruments required under the Sarbanes-Oxley Act of 2002, to the extent permitted by applicable law. The Owner Trustee nevertheless agrees that it will, at its own cost and expense, promptly take all action as may be necessary to discharge any liens on any part of the Owner Trust Estate that result from actions by, or claims against, the Owner Trustee that are not related to the ownership or the administration of the Owner Trust Estate.

SECTION 6.05. No Action Except Under Specified Documents or Instructions. The Owner Trustee shall not manage, control, use, sell, dispose of or otherwise deal with any part of the Owner Trust Estate except (i) in accordance with the powers granted to and the authority conferred upon the Owner Trustee pursuant to this Agreement, (ii) in accordance with the Basic Documents and (iii) in accordance with any document or instruction delivered to the Owner Trustee pursuant to Section 6.03.

SECTION 6.06. Restrictions. The Owner Trustee shall not take any action (a) that is inconsistent with the purposes of the Trust set forth in Section 2.03 or (b) that, to the actual knowledge of a Trust Officer of the Owner Trustee, (x) would result in the Trust's becoming

(a) in accordance with Section 7.04, the Owner Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, Officer' s Certificate, certificate of an authorized signatory, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

The Owner Trustee may accept a certified copy of a resolution of the board of directors or other governing body of any corporate party as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the method of the determination of which is not specifically prescribed herein, the Owner Trustee may for all purposes hereof rely on a certificate, signed by the president or any vice president or by the treasurer or other authorized officers or agents of the relevant party, as to such fact or matter and such certificate shall constitute full protection to the Owner Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(b) In the exercise or administration of the trusts hereunder and in the performance of its duties and obligations under the Basic Documents, the Owner Trustee (i) may act directly or through its agents or attorneys pursuant to agreements entered into with any of them, and the Owner Trustee shall not be liable for the conduct or misconduct of such agents or attorneys if such agents or attorneys shall have been selected by the Owner Trustee with reasonable care, and (ii) may consult with counsel, accountants and other skilled persons to be selected with reasonable care and employed by it. SECTION 7.05. Not Acting in Individual Capacity. In accepting the trusts hereby created, Wilmington Trust, National Association acts solely as Owner Trustee hereunder and not in its individual capacity. Except with respect to a claim based on the Owner Trustee's willful misconduct, bad faith or negligence, no recourse shall be had for any claim based on any provision of this Agreement, the Notes or Certificates, or based on rights obtained through the assignment of any of the foregoing, against the institution serving as the Owner Trustee in its individual capacity. The Owner Trustee shall not have any personal obligation, liability or duty whatsoever to any Securityholder or any other Person with respect to any such claim and any such claim shall be asserted solely against the Trust or any indemnitor who shall furnish indemnity as provided in this Indenture.

SECTION 7.06. Owner Trustee Not Liable for Certificates or Receivables. The Owner Trustee in its individual or any other capacity (but not in its fiduciary capacity) may become the owner or pledgee of Certificates or Notes and may deal with the Depositor, the Administrator, the Indenture Trustee and the Servicer in banking or other transactions with the same rights as it would have if it were not Owner Trustee.

## ARTICLE VIII

### Compensation of Owner Trustee

SECTION 8.01. Owner Trustee's Fees and Expenses. The Administrator shall pay to the Owner Trustee from time to time compensation (which shall not be limited by any provision of law with respect to the compensation of a trustee of an express trust) for its services as have been separately agreed upon before the date hereof. The Administrator shall reimburse the Owner Trustee for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Owner Trustee's agents, counsel, accountants and experts directly related to its services hereunder ("Expenses").

SECTION 8.02. Indemnification. The Administrator shall indemnify the Owner Trustee, the Certificate Registrar and any Paying Agent and their respective successors, assigns, agents, servants, officers and employees (each, an "Indemnified Party" and collectively, the "Indemnified Parties") against any and all loss, liability, claim, tort, penalty or Expense (including reasonable attorneys' fees) of any kind or nature whatsoever incurred by or asserted against such Indemnified Party in connection with or arising out of the Basic Documents, the Owner Trust Estate, the administration of the Owner Trust Estate or the action or inaction of the Owner Trustee hereunder. The Owner Trustee, the Certificate Registrar or the Paying Agent, as applicable, shall notify the Administrator promptly of any claim for which any Indemnified Party may seek indemnity. Failure by the Owner Trustee, the Certificate Registrar or the Paying Agent, as applicable, to so notify the Administrator shall not relieve the Administrator of its obligations

hereunder, except to the extent such failure shall adversely affect the Administrator's defenses in respect thereof. In case any such action is brought against any Indemnified Party under this Section 8.02 and the Owner Trustee, the Certificate Registrar or the Paying Agent, as applicable, notifies the Administrator of the commencement thereof, the Administrator will assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Party (who may, unless there is, as evidenced by an opinion of counsel to such Indemnified Party stating that there is a conflict of interest, be counsel to the Administrator), and the Administrator will not be liable to such Indemnified Party under this Section for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof, other than reasonable costs of investigation. The Administrator need not reimburse any expense or indemnify against any loss, liability or expense incurred by any Indemnified Party through such Indemnified Party's own willful misconduct, negligence or bad faith, or with respect to the Owner Trustee only, in the case of the inaccuracy of any representation or warranty of the Owner Trustee made in Section 7.03. The Indemnified Parties' rights under this Article VIII shall survive the termination of this Agreement or the resignation or removal of the Owner Trustee. The Administrator will not be entitled to make any claim upon the Owner Trust Estate for the payment of any liabilities or indemnified expenses in relation to the Administrator's payment or indemnification of expenses incurred by any Indemnified Party in the performance of its duties hereunder. To the extent not paid by the Administrator and outstanding for at least 60 days, such fees and indemnities shall be paid pursuant to Section 5.06 of the Sale and Servicing Agreement, provided, that prior to such payment pursuant to the Sale and Servicing Agreement, the Owner Trustee, the Certificate Registrar or the Paying Agent, as applicable, shall notify the Administrator in writing that such fees and indemnities have been outstanding for at least 60 days. If such fees and indemnities are paid pursuant to Section 5.06 of the Sale and Servicing Agreement, the Administrator shall reimburse the Issuer in full for such payments.

SECTION 8.03. Payments to the Owner Trustee. Any amounts paid to any Indemnified Party pursuant to this Article VIII from assets in the Owner Trust Estate shall be deemed not to be a part of the Owner Trust Estate immediately after such payment.

## ARTICLE IX

### Termination of Trust Agreement

#### SECTION 9.01. Termination of Trust Agreement.

(a) This Agreement (other than Article VIII) shall terminate and the Trust shall dissolve and be wound up in accordance with Section 3808 of the Statutory Trust Act, upon the earlier of (i) the maturity or other liquidation of the last Receivable (or other asset) in the Owner Trust Estate and the final distribution of all moneys or other property or proceeds of the Owner Trust Estate in accordance with the terms of this Agreement, the Indenture and the Sale and Servicing Agreement (including, but not limited to, any property and proceeds to be deposited in the Collection Account pursuant to the terms of the Sale and Servicing Agreement or to be released by the Indenture Trustee from the Lien of the Indenture pursuant to the terms of the Indenture), and (ii) the election by the Servicer to purchase the corpus of the Trust pursuant to Section 9.01 of the Sale and Servicing Agreement and the payment or distribution to all Securityholders of all amounts required to be paid to them under the Indenture and this

Agreement. The bankruptcy, liquidation, dissolution, death or incapacity of any Certificateholder shall not (x) operate to terminate this Agreement or the Trust, nor (y) entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of all or any part of the Trust or Owner Trust Estate, nor (z) otherwise affect the rights, obligations and liabilities of the parties hereto.

(b) Except as provided in Section 9.01(a), neither the Depositor nor any Certificateholder shall be entitled to revoke or terminate the Trust.

(c) Notice of any termination of the Trust, specifying the Distribution Date upon which the Certificateholders shall surrender their Certificates to the Paying Agent for payment of the final distributions and cancellation, shall, if any Certificates are then held by anyone other than the Depositor or any of its Affiliates, be given by the Owner Trustee to the Certificateholders mailed within five Business Days of receipt of notice of such termination from the Servicer given pursuant to Section 10.03 of the Sale and Servicing Agreement, stating (i) the Distribution Date upon or with respect to which final payment of the Certificates shall be made upon presentation and surrender of the Certificates at the office of the Paying Agent therein designated, (ii) the amount of any such final payment and (iii) that payment to be made on such Distribution Date will be made only upon presentation and surrender of the Certificates at the office of the Paying Agent therein specified. The Owner Trustee shall give such notice to the Certificate Registrar (if other than the Owner Trustee) and the Paying Agent (if other than the Owner Trustee) at the time such notice is given to Certificateholders. Upon presentation and surrender of the Certificates (or, in the case of any Certificates held by the Depositor or any of its Affiliates, presentation of proof of cancellation of such Certificates), the Paying Agent shall cause to be distributed to Certificateholders amounts distributable on such Distribution Date pursuant to Section 5.02.

In the event that one or more of the Certificateholders shall not surrender their Certificates for cancellation within six months after the date specified in the above-mentioned written notice, the Owner Trustee shall give a second written notice to the remaining Certificateholders to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within one year after the second notice all the Certificates shall not have been surrendered for cancellation, the Owner Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining Certificateholders concerning surrender of their Certificates, and the cost thereof shall be paid out of the funds and other assets that shall remain subject to this Agreement. Any funds remaining in the Trust after exhaustion of such remedies shall be distributed by the Owner Trustee to the Depositor.

(d) Upon the winding up of the Trust and its termination, the Owner Trustee shall cause the Certificate of Trust to be cancelled by filing a certificate of cancellation with the Secretary of State in accordance with the provisions of Section 3810 of the Statutory Trust Act.

The Owner Trustee or its direct or indirect parent shall at all times be an entity having a combined capital and surplus of at least \$50,000,000, be subject to supervision or examination by federal or state authorities and be authorized to exercise trust powers in the State of Delaware. If such entity shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section 10.01, the combined capital and surplus of such entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. SECTION 10.02. Resignation or Removal of Owner Trustee. The Owner Trustee may at any time resign and be discharged from the trusts hereby created by giving written notice thereof to the Depositor, the Servicer and the Indenture Trustee. If for any reason, Wilmington Trust, National Association or any of its Affiliates should assume the duties of the Indenture Trustee, then from that time forward Wilmington Trust, National Association, in its capacity as Owner Trustee, shall resign as Owner Trustee hereunder if any Event of Default under the Indenture occurs and is necessary to eliminate any conflict of interest under the TIA with the Indenture Trustee or any other trustee under the Indenture. Upon receiving such notice of resignation, the Servicer shall promptly appoint a successor Owner Trustee by written instrument, in duplicate, one copy of which shall be delivered to each of the resigning Owner Trustee and the successor Owner Trustee. If no successor Owner Trustee shall have been so appointed or shall not have accepted such appointment within 30 days after the giving of such notice of resignation, the resigning Owner Trustee may petition any court of competent jurisdiction for the appointment of a successor Owner Trustee.

If at any time the Owner Trustee shall cease to be eligible in accordance with the provisions of Section 10.01 and shall fail to resign promptly, or if at any time the Owner Trustee shall be legally unable to act, or shall be adjudged bankrupt or insolvent, or a receiver of the Owner Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Owner Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Administrator may remove the Owner Trustee by written instrument to such effect delivered to the Owner Trustee, the Depositor and the Indenture Trustee. If the Administrator shall remove the Owner Trustee under the authority of the immediately preceding sentence, the Servicer shall promptly appoint a successor Owner Trustee by written instrument in duplicate, one copy of which instrument shall be delivered to each of the outgoing Owner Trustee so removed and the successor Owner Trustee, and the Administrator shall pay all fees, expenses and other compensation owed to the outgoing Owner Trustee.

Any resignation or removal of the Owner Trustee and appointment of a successor Owner Trustee pursuant to any of the provisions of this Section shall not become effective until acceptance of appointment by the successor Owner Trustee pursuant to Section 10.03 and payment of all fees and expenses owed to the outgoing Owner Trustee.

SECTION 10.03. Successor Owner Trustee. Any successor Owner Trustee appointed pursuant to Section 10.02 shall execute, acknowledge and deliver to the Administrator and to its predecessor Owner Trustee an instrument accepting such appointment under this Agreement, and thereupon the resignation or removal of the predecessor Owner Trustee shall become effective and such successor Owner Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties, and obligations of its predecessor under this Agreement, with like effect as if originally named as Owner Trustee. The predecessor Owner Trustee shall upon payment of its fees and expenses deliver to the successor Owner Trustee all documents and statements and monies held by it under this Agreement; and the Administrator and the predecessor Owner Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Owner Trustee all such rights, powers, duties, and obligations. The successor Owner Trustee shall pay all reasonable costs and expenses incurred in connection with transferring the predecessor Owner Trustee's duties and obligations to the successor Owner Trustee. To the extent not paid by the successor Owner Trustee, the Administrator shall pay all reasonable costs and expenses incurred in connection with transferring the predecessor Owner Trustee's duties and obligations to the successor Owner Trustee.

No successor Owner Trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor Owner Trustee shall meet the criteria for eligibility set forth in Section 10.01.

Upon acceptance of appointment by a successor Owner Trustee pursuant to this Section, the Administrator shall mail or otherwise provide notice of the successor of the Owner Trustee to all Certificateholders, the Indenture Trustee, all Noteholders, and the Rating Agencies. If the Administrator fails to mail or otherwise provide such notice within 10 days after acceptance of appointment by the successor Owner Trustee, the successor Owner Trustee shall cause such notice to be mailed or otherwise provided at the expense of the Administrator.

SECTION 10.04. Merger or Consolidation of Owner Trustee. Any corporation into which the Owner Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Owner Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Owner Trustee, shall be the successor of the Owner Trustee hereunder, provided such corporation shall be eligible pursuant to Section 10.01, without the execution or filing of any instrument or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, further, that the Owner Trustee shall mail notice of such merger or consolidation to the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement).

SECTION 10.05. Appointment of Co-Trustee or Separate Trustee. Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Owner Trust Estate or any Financed Vehicle may at the time be located, the Administrator and the Owner Trustee acting jointly shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Owner Trustee to act as co-trustee, jointly with the Owner Trustee, or separate trustee or separate trustees, of all or any part of the Owner Trust Estate, and to vest in such

Person, in such capacity, such title to the Trust, or any part thereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Administrator and the Owner Trustee may consider necessary or desirable. If the Administrator shall not have joined in such appointment within 25 days after the receipt by it of a request so to do, the Owner Trustee alone shall have the power to make such appointment. No co-trustee or separate trustee under this Agreement shall be required to meet the terms of eligibility as a trustee pursuant to Section 10.01 and no notice of the appointment of any co-trustee or separate trustee shall be required pursuant to Section 10.03.

Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provision and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Owner Trustee shall be conferred upon and exercised or performed by the Owner Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Owner Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Owner Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties, and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Owner Trustee;

(ii) no trustee under this Agreement shall be personally liable by reason of any act or omission of any other trustee under this Agreement; and

(iii) the Administrator and the Owner Trustee acting jointly may at any time accept the resignation of or remove any separate trustee or co-trustee.

Any notice, request or other writing given to the Owner Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as if given to each of them. Each separate trustee and co-trustee, upon its acceptance of the powers and duties conferred thereto under this Agreement, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Owner Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Owner Trustee. Each such instrument shall be filed with the Owner Trustee and a copy thereof given to the Administrator.

Any separate trustee or co-trustee may at any time appoint the Owner Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect, of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Owner Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 11.01. Supplements and Amendments. This Agreement may be amended by the Depositor and the Owner Trustee, with prior written notice by the Depositor to the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement), without the consent of any of the Noteholders or the Certificateholders, to cure any ambiguity, to correct or supplement any provisions in this Agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Noteholders or the Certificateholders; provided, however, that (i) such action shall not, as evidenced by an Officer' s Certificate from the Servicer delivered to the Indenture Trustee, materially and adversely affect any Noteholder or (ii) the Rating Agency Condition has been satisfied with respect to such supplement or amendment. Any amendment that materially and adversely affects the interests of the Certificateholders will require the prior consent of the Holders of not less than a majority of the Certificate Balance.

This Agreement may also be amended from time to time by the Depositor and the Owner Trustee, with prior written notice by the Depositor to the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement), with the consent of the Holders of the Notes evidencing not less than a majority of the Outstanding Amount of the Notes or if all of the Notes have been paid in full, the Holders of the Certificates evidencing not less than a majority of the Certificate Balance for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Noteholders or the Certificateholders; provided, however, that no such amendment shall (a) increase or reduce in any manner the amount of, or accelerate or delay the timing of, collections of payments on Receivables or distributions that shall be required to be made for the benefit of the Noteholders or the Certificateholders or (b) reduce the aforesaid percentage of the Outstanding Amount of the Notes and the Certificate Balance required to consent to any such amendment, without the consent of the Holders of all the affected Notes and Certificates.

Promptly after the execution of any such amendment or consent, the Owner Trustee shall furnish written notification of the substance of such amendment or consent to each Certificateholder, the Indenture Trustee and the Administrator. The Administrator will thereafter deliver a copy of such notice to each Rating Agency pursuant to Section 1(d) of the Administration Agreement.

If any proposed amendment or supplement would materially and adversely affect any of the rights or obligations of any Certificateholder, the Owner Trustee shall obtain the consent of each Certificateholder prior to the adoption of such amendment or supplement; provided, that no Certificateholder' s consent to any such amendment or supplement shall be unreasonably withheld or delayed, and provided, further, that each Certificateholder' s consent will be deemed to have been given if such Certificateholder does not object in writing within 10 days of receipt of a written request for such consent. Upon receipt of the consent, or deemed consent, of each

Certificateholder, the Owner Trustee shall notify the Indenture Trustee of such consent or deemed consent.

It shall not be necessary for the consent of Certificateholders, the Noteholders or the Indenture Trustee pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents (and any other consents of Certificateholders provided for in this Agreement or in any other Basic Document) and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable requirements as the Owner Trustee may prescribe.

Promptly after the execution of any amendment to the Certificate of Trust, the Owner Trustee shall cause the filing of such amendment with the Secretary of State.

Prior to the execution of any amendment to this Agreement or the Certificate of Trust, the Owner Trustee shall be entitled to receive and rely upon an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Agreement. The Owner Trustee may, but shall not be obligated to, enter into any such amendment which affects the Owner Trustee's own rights, duties or immunities under this Agreement or otherwise.

SECTION 11.02. No Legal Title to Owner Trust Estate in Certificateholders. The Certificateholders shall not have legal title to any part of the Owner Trust Estate. The Certificateholders shall be entitled to receive distributions with respect to their undivided ownership interest therein only in accordance with Articles V and IX. No transfer, by operation of law or otherwise, of any right, title or interest of the Certificateholders to and in their ownership interest in the Owner Trust Estate shall operate to terminate this Agreement or the trusts hereunder or entitle any transferee to an accounting or to the transfer to it of legal title to any part of the Owner Trust Estate.

SECTION 11.03. Limitations on Rights of Others. Except for Section 2.06, the provisions of this Agreement are solely for the benefit of the Owner Trustee, the Depositor, the Certificateholders, the Administrator and, to the extent expressly provided herein the Indenture Trustee and the Noteholders, and nothing in this Agreement (other than Section 2.06), whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Owner Trust Estate or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

### SECTION 11.04. Notices.

(a) Unless otherwise expressly specified or permitted by the terms hereof, all notices shall be in writing and shall be deemed given upon receipt by the intended recipient or three Business Days after mailing if mailed by certified mail, postage prepaid (except that notice to the Owner Trustee shall be deemed given only upon actual receipt by the Owner Trustee), if to the Owner Trustee, addressed to the Corporate Trust Office; if to the Depositor, addressed to Nissan Auto Receivables Corporation II, One Nissan Way, Franklin, Tennessee 37067, Attention: Treasurer; if to the Trust, addressed to Nissan Auto Receivables 2013-A Owner Trust, c/o Wilmington Trust, National Association, Rodney Square North, 1100 North Market Street,

SECTION 11.08. No Petition. The Owner Trustee (not in its individual capacity but solely as Owner Trustee), by entering into this Agreement, hereby covenants and agrees, and each Certificateholder, by accepting a Certificate, and the Indenture Trustee and any Noteholder by accepting the benefits of this Agreement, are thereby deemed to covenant and agree that they will not at any time institute against the Depositor or the Trust, or join in any institution against the Depositor or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law. This Section 11.08 shall survive the termination of this Agreement or the termination of the Owner Trustee under this Agreement.

### 3.2 Representations and Warranties of the Seller.

(a) The Seller hereby represents and warrants to the Purchaser as of the date hereof and as of the Closing Date:

(i) Organization, etc. The Seller has been duly organized and is validly existing as a corporation in good standing under the laws of the State of California and is in good standing in each jurisdiction in the United States of America in which the conduct of its business or the ownership of its property requires such qualification and where the failure to so qualify would have a material adverse effect on the ability of the Seller to perform its obligations under this Agreement.

(ii) Power and Authority. The Seller has the power and authority to execute and deliver this Agreement and to carry out its terms; and the execution, delivery and performance of this Agreement have been duly authorized by the Seller by all necessary corporate acts. This Agreement constitutes a legal, valid and binding obligation of the Seller, enforceable in accordance with its terms, subject to the effect of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general equitable principles.

(iii) No Violation. The consummation of the transaction contemplated by this Agreement, and the fulfillment of the terms hereof, do not conflict with, result in a breach of any of the terms or provisions of, nor constitute (with or without notice or lapse of time) a default under, or result in the creation or imposition of any Lien upon any of the property or assets of the Seller pursuant to the terms of, any indenture, mortgage, deed of trust, loan agreement, guarantee, lease financing agreement or similar agreement or instrument under which the Seller is a debtor or guarantor, nor will such action result in any violation of the provisions of the articles of incorporation or the by-laws of the Seller; which breach, default, conflict, Lien or violation in any case would have a material adverse effect on the ability of the Seller to perform its obligations under this Agreement.

(b) The Seller makes the following representations and warranties as to the Receivables on which the Purchaser relies in accepting the Receivables. Such representations and warranties speak as of the execution and delivery of this Agreement, but shall survive the sale, transfer, and assignment of the Receivables to the Purchaser hereunder and the subsequent assignment and transfer pursuant to the Sale and Servicing Agreement:

(i) Characteristics of Receivables. Each Receivable (a) has been originated in the United States of America or a territory thereof by a Dealer for the retail

---

sale of a Financed Vehicle in the ordinary course of such Dealer' s business, has been fully and properly executed or authenticated by the parties thereto, has been purchased by the Seller from such Dealer under an existing dealer agreement with the Seller, and has been validly assigned by such Dealer to the Seller, (b) created a valid, subsisting and enforceable security interest in favor of the Seller in such Financed Vehicle, (c) contains customary and enforceable provisions such that the rights and remedies of the holder thereof are adequate for realization against the collateral of the benefits of the security, (d) provides for level monthly payments (provided that the payment in the first or last month in the life of the Receivable may be minimally different from the level payment) that fully amortize the Amount Financed over an original term of no greater than 72 payments, subject to the fact that some Receivables provide for a deferral of initial payments of up to 90 days, but all Obligors have made the initial payment on the related Receivables, and (f) provides for interest at the related APR.

(ii) Schedule of Receivables. The information set forth in the Schedule of Receivables was true and correct in all material respects as of the opening of business on the Cut-off Date; the Receivables were selected from the Seller' s retail installment sale contracts meeting the criteria of the Trust set forth in the Sale and Servicing Agreement; and no selection procedures believed to be adverse to the Securityholders were utilized in selecting the Receivables.

(iii) Compliance with Law. Each Receivable, the origination of such Receivable, and the sale of the Financed Vehicle complied at the time it was originated or made and at the execution of this Agreement complies in all material respects with all requirements of applicable federal, state and local laws, and regulations thereunder, including usury laws, the Federal Truth-in-Lending Act, the Equal Credit Opportunity Act, the Fair Credit Reporting Act, the Fair Debt Collection Practices Act, the Federal Trade Commission Act, the Magnuson-Moss Warranty Act, the Servicemembers Civil Relief Act, the Bureau of Consumer Financial Protection' s Regulations B and Z, the Gramm-Leach-Bliley Act and state adaptations of the National Consumer Credit Protection Act and of the Uniform Consumer Credit Code, state "Lemon Laws" designed to prevent fraud in the sale of automobiles and other consumer credit laws and equal credit opportunity and disclosure laws.

(iv) Binding Obligation. Each Receivable represents the genuine, legal, valid and binding payment obligation in writing of the Obligor, enforceable by the holder thereof in accordance with its terms, subject to (i) the effect of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally, (ii) the effect of general equitable principles and (iii) the potential unenforceability of waivers of jury trial provisions in certain states.

(v) Security Interest in Financed Vehicle. (a) Immediately prior to the sale, assignment and transfer thereof to the Purchaser, each Receivable was secured by a validly perfected first priority security interest in the Financed Vehicle in favor of the Seller as secured party or all necessary and appropriate actions shall have been commenced that would result in the valid perfection of a first priority security interest in the Financed Vehicle in favor of the Seller as secured party, and (b) as of the Cut-off

Date, according to the records of the Seller, no Financed Vehicle has been repossessed and the possession thereof not reinstated.

(vi) Receivables in Force. No Receivable has been satisfied, subordinated or rescinded, nor has any Financed Vehicle been released from the lien granted by the related Receivable in whole or in part.

(vii) No Waiver. No provision of a Receivable has been waived in such a manner that is prohibited by the provisions of the Sale and Servicing Agreement or that would cause such Receivable to fail to meet all of the other requirements and warranties made by the Seller herein with respect thereto.

(viii) No Defenses. No Receivable is subject to any right of rescission, setoff, counterclaim or defense, including the defense of usury, and the operation of any of the terms of any Receivable, or the exercise of any right thereunder, will not render such Receivable unenforceable in whole or in part or subject such Receivable to any right of rescission, setoff, counterclaim or defense, including the defense of usury, and no such right of rescission, setoff, counterclaim or defense has been asserted with respect thereto.

(ix) No Liens. To the Seller's knowledge, no liens have been filed for work, labor or materials relating to a Financed Vehicle that shall be liens prior to, or equal or coordinate with, the security interest in the Financed Vehicle granted by the Receivable.

(x) No Default. Except for payment defaults continuing for a period of not more than 29 days as of the Cut-off Date, no default, breach, violation or event permitting acceleration under the terms of any Receivable has occurred; and no continuing condition that with notice or the lapse of time would constitute a default, breach, violation or event permitting acceleration under the terms of any Receivable has arisen (other than deferrals and waivers of late payment charges or fees permitted under the Sale and Servicing Agreement).

(xi) Insurance. The Seller, in accordance with its customary procedures, has determined at the time of origination of each Receivable that the related Obligor has agreed to obtain physical damage insurance covering the Financed Vehicle and the Obligor is required under the terms of the related Receivable to maintain such insurance.

(xii) Title. It is the intention of the Seller that the transfer and assignment herein contemplated constitute a sale of the Receivables and the other Purchased Assets from the Seller to the Purchaser and that the beneficial interest in and title to the Receivables and the other Purchased Assets not be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. Immediately prior to the transfer and assignment herein contemplated, the Seller had good and marketable title to each Receivable free and clear of all Liens and, immediately upon the transfer thereof, the Purchaser shall have good and marketable title to each Receivable, free and clear of all Liens and rights of others. Each Receivable

(Nissan 2013-A Purchase Agreement)

File contains the original certificate of title (or a photocopy or image thereof) or evidence that an application for a certificate of title has been filed. To the extent that the transfer and assignment contemplated by this Agreement is deemed to be other than a sale, this Agreement and all filings described under this Agreement create a valid and continuing security interest (as defined in the applicable UCC) in the Receivables in favor of the Purchaser, which security interest is prior to all other Liens, and is enforceable as such against creditors of and purchasers from the Seller.

(xiii) Lawful Assignment. No Receivable has been originated in, or shall be subject to the laws of, any jurisdiction under which the sale, transfer and assignment of such Receivable under this Agreement or pursuant to the Sale and Servicing Agreement are unlawful, void or voidable.

(xiv) All Filings Made. All filings (including, without limitation, UCC filings) necessary in any jurisdiction to give the Purchaser a first priority perfected security interest in the Receivables have been made, will be made on the Closing Date or will be delivered within 10 days after the Closing.

(xv) Chattel Paper. Each Receivable constitutes either “tangible chattel paper” or “electronic chattel paper,” as such terms are defined in the UCC.

(xvi) Simple Interest Receivables. All of the Receivables are Simple Interest Receivables.

(xvii) One Original or Authoritative Copy. There is only one original executed copy of each “tangible record” constituting or forming a part of each Receivable that is tangible chattel paper and a single “authoritative copy” (as such term is used in Section 9-105 of the UCC) of each electronic record constituting or forming a part of each Receivable that is electronic chattel paper.

(xviii) No Amendments. No Receivable has been amended such that the amount of the Obligor’s Scheduled Payments has been increased.

(xix) APR. The Annual Percentage Rate of each Receivable ranges from 0.00% to 16.04%.

(xx) Maturity. As of the Cut-off Date, each Receivable had a remaining term to maturity of not less than 2 payments and not greater than 71 payments.

(xxi) Balance. Each Receivable had an original Principal Balance of not more than \$64,997.46 and, as of the Cut-off Date, had a Principal Balance of not less than \$2,000.00 or not more than \$64,044.93.

(xxii) Delinquency. No Receivable was more than 29 days past due as of the Cut-off Date and no Receivable has been extended by more than two months.

(xxiii) Payment Date. Each Receivable has a first scheduled payment date on or prior to the end of the first Collection Period.

(Nissan 2013-A Purchase Agreement)

---

(xxiv) Bankruptcy. No Obligor was the subject of a bankruptcy proceeding (according to the records of the Seller) as of the Cut-off Date.

(xxv) Transfer. Each Receivable prohibits the sale or transfer of the Financed Vehicle without the consent of the Seller.

(xxvi) New, Near-New and Used Vehicles. Each Financed Vehicle was a new, near-new or used automobile or light-duty truck at the time the related Obligor executed or authenticated the retail installment sale contract.

(xxvii) Origination. Each Receivable has an origination date on or after March 12, 2007.

(xxviii) Prepayment. Each Receivable provides that a prepayment by the related Obligor will fully pay the principal balance and accrued interest through the date of prepayment based on the Receivable's Annual Percentage Rate.

(xxix) Forced-Placed Insurance Premiums. No contract relating to any Receivable has had forced-placed insurance premiums added to the amount financed.

(xxx) No Fraud or Misrepresentation. To the knowledge of the Seller, no Receivable was originated by a Dealer and sold by such Dealer to the Seller with any conduct constituting fraud or misrepresentation on the part of such Dealer.

(xxxi) No Further Amounts Owed on the Receivables. No further amounts are owed by the Seller to any Obligor under the Receivables.

(xxxii) No Pledge. The Seller has not authorized the filing of and is not aware of any financing statements against the Seller that include a description of collateral covering the Receivables other than any financing statement relating to the security interest granted to the Purchaser hereunder or a financing statement as to which the security interest covering the Receivables has been released. The Seller is not aware of any judgment or tax lien filings against the Seller.

(xxxiii) Receivable Files. There is no more than one original of each tangible record or more than one authoritative copy of each electronic record constituting or forming a part of the Receivable Files, and to the extent that more than one original copy has been, or a tangible record has been, maintained, and where permitted by law, the Seller has in its possession all such original copies that constitute or evidence the Receivables. The Seller is identified as the "owner of record" on all electronic chattel paper, and the Seller has "control," as defined in Section 9-105 of the UCC, of all electronic chattel paper. The Receivable Files that constitute or evidence the Receivables do not have any marks or notations indicating that they have been pledged, assigned or otherwise conveyed by the Seller to any Person other than the Purchaser. All financing statements filed or to be filed against the Seller in favor of the Purchaser in connection herewith describing the Receivables contain a statement to the following effect: "A

(Nissan 2013-A Purchase Agreement)

purchase of or security interest in any collateral described in this financing statement, except as provided in the Purchase Agreement, will violate the rights of the Purchaser.”

(xxxiv) No Government Obligors. None of the Receivables shall be due from the United States or any state, or from any agency, department subdivision or instrumentality thereof.

(xxxv) Electronic Chattel Paper. The representations and warranties set forth in the Officer’ s Certificate of the Servicer delivered to Winston & Strawn LLP, as special counsel to the Servicer, in support of the opinion of Winston & Strawn LLP, dated June 30, 2012 with respect to certain matters regarding electronic chattel paper, are true and correct in all material respects.

#### **ARTICLE IV CONDITIONS**

4.1 Conditions to Obligation of the Purchaser. The obligation of the Purchaser to purchase the Receivables and the related property described in Section 2.1(a) is subject to the satisfaction of the following conditions:

(a) Representations and Warranties True. ## ARTICLE V COVENANTS OF THE SELLER

### 5.1 Protection of Right, Title and Interest.

(a) The Seller shall authorize and file such financing statements and cause to be authorized and filed such continuation statements, all in such manner and in such places as may be required by law fully to preserve, maintain and protect the interest of the Purchaser in the Receivables and the other Purchased Assets (other than any such Purchased Assets, to the extent that the interest of the Purchaser therein cannot be perfected by the filing of a financing statement). The Seller shall deliver (or cause to be delivered) to the Purchaser file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing.

(b) The Seller shall notify the Purchaser within 30 days after any change of its name, identity or corporate structure in any manner that would, could or might make any financing statement or continuation statement filed by the Seller in accordance with paragraph (a) above seriously misleading within the meaning of Sections 9-506 and 9-507 of the UCC, and shall promptly file appropriate additional financing statements and amendments to previously filed financing statements or continuation statements.

(c) The Seller shall at all times maintain its principal executive office within the United States of America.

(d) The Seller shall maintain its computer systems so that, from and after the time of sale hereunder of the Receivables to the Purchaser, the Seller's master computer records that refer to a Receivable shall indicate clearly the interest of the Purchaser in such Receivable and that such Receivable is owned by the Purchaser. The Seller shall at all times maintain (i) control of all electronic records constituting or forming a part of a Receivable that is electronic chattel paper and (ii) possession of all tangible records constituting or forming a part of a Receivable that is tangible chattel paper.

(e) If at any time the Seller shall propose to sell, grant a security interest in, or otherwise transfer any interest in automotive receivables to any prospective purchaser, lender or

other transferee, the Seller shall give to such prospective purchaser, lender or other transferee computer tapes, records or print-outs that, if they shall refer in any manner whatsoever to any Receivable, shall indicate clearly that such Receivable has been sold and is owned by the Purchaser (or any subsequent assignee of the Purchaser).

5.2 Other Liens or Interests. Except for the conveyances and grants of security interests hereunder and contemplated pursuant to this Agreement and the other Basic Documents, the Seller shall not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien (other than Permitted Liens) on any interest therein, and the Seller shall defend the right, title and interest of the Purchaser in, to and under such Receivables against all claims of third parties claiming through or under the Seller; provided, however, that the Seller's obligations under this Section 5.2 shall terminate upon the termination of the Trust pursuant to Section 9.01 of the Trust Agreement.

## ARTICLE VI MISCELLANEOUS PROVISIONS

6.1 Obligations of Seller. The obligations of the Seller under this Agreement shall not be affected by reason of any invalidity, illegality or irregularity of any Receivable.

6.2 Repurchase Events. The Seller or the Purchaser, as the case may be, shall inform the other party to this Agreement promptly, in writing, upon the discovery of any breach of the Seller's representations and warranties pursuant to Section 3.2(b) that materially and adversely affects the interests of the Securityholders in any Receivable; provided, that delivery of the Servicer's Certificate by the Servicer shall be deemed to constitute prompt written notice by the Purchaser of such breach. Unless the breach shall have been cured by the last day of the second Collection Period following such discovery (or, at the Seller's election, the last day of the first Collection Period following such discovery), the Seller shall be obligated (whether or not such breach was known to the Seller on the Closing Date), and the Purchaser shall enforce the obligation of the Seller under this Agreement to repurchase any Receivable the Securityholders' interest in which was materially and adversely affected by the breach as of such last day. Any such breach shall be deemed not to have a material and adverse effect if such breach or failure does not affect the ability of the Issuer to receive and retain timely payment in full of such Receivable. In consideration of the purchase of the Receivables, the Seller shall remit (or cause to be remitted) the Warranty Purchase Payment to the Purchaser concurrently with the Purchaser's repurchase of the related Receivable from the Trust in the manner specified in Section 5.05 of the Sale and Servicing Agreement. The sole remedy of the Purchaser, the Indenture Trustee (by operation of the assignment of the Purchaser's rights hereunder pursuant to the Indenture), or any Securityholder with respect to a breach of the Seller's representations and warranties pursuant to Section 3.2(b), shall be to require the Seller to repurchase Receivables pursuant to this Section.

6.3 Seller's Assignment of Purchased Receivables. With respect to all Receivables repurchased by the Seller pursuant to this Agreement, the Purchaser (without the need of any further written assignment) shall assign hereby, without recourse, representation or warranty (other than that it has good and marketable title to such Receivables), to the Seller all the

Purchaser's right, title and interest in and to such Receivables, and all security and documents relating thereto.

6.4 Trust. The Seller acknowledges that the Purchaser will, pursuant to the Sale and Servicing Agreement, sell the Receivables and other Purchased Assets to the Trust and assign its rights under this Agreement to the Trust and that the Trust will assign such rights to the Indenture Trustee for the benefit of the holders of the Notes, and that the representations and warranties contained in this Agreement and the rights of the Purchaser under Section 6.2 and the obligations under Section 6.3 are intended to benefit the Trust and the holders of the Notes. The Seller hereby consents to such sales and assignments.

6.5 Amendment. Any term or provision of this Agreement may be amended by the parties hereto, without the consent of any other Person; provided, that (i) either (A) the Rating Agency Condition is satisfied with respect to such amendment, or (B) such amendment shall not, as evidenced by an Officer's Certificate of the Servicer delivered to the Indenture Trustee, materially and adversely affect the Noteholders, and (ii) any amendment that adversely affects the interests of the Certificateholders, the Indenture Trustee or the Owner Trustee shall require the prior written consent of the Indenture Trustee or the Holders of a majority of the Certificate Balance, as applicable. The consent of the Certificateholders or the Owner Trustee shall be deemed to have been given if the Servicer does not receive a written objection from such Person within 10 Business Days after a written request for such consent shall have been given.

6.6 Waivers. No failure or delay on the part of the Purchaser in exercising any power, right or remedy under this Agreement or the Assignment shall operate as a waiver hereof or thereof, nor shall any single or partial exercise of any such power, right or remedy preclude any other or further exercise hereof or thereof or the exercise of any other power, right or remedy. Notwithstanding anything to the contrary, the Purchaser shall not waive any breach of representations and warranties set forth in Sections 3.2(b)(v), (xii), (xiv), (xv), (xxx) or (xxxi).

6.7 Notices. All demands, notices, communications and instructions upon or to the Seller under this Agreement shall be in writing, personally delivered or mailed by certified mail, return receipt requested, and shall be deemed to have been duly given upon receipt (a) in the case of the Purchaser, to Nissan Auto Receivables Corporation II, One Nissan Way, Franklin, Tennessee 37067, Attention: Treasurer, and (b) in the case of the Seller, to Nissan Motor Acceptance Corporation, One Nissan Way, Franklin, Tennessee 37067, Attention: Treasurer; or, as to each of the foregoing, at such other address as shall be designated by written notice to the other parties.

6.8 Survival. The respective agreements, representations, warranties and other statements by the Seller and the Purchaser set forth in or made pursuant to this Agreement shall remain in full force and effect and will survive the Closing.

6.9 Headings and Cross-References. The various headings in this Agreement are included for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. References in this Agreement to Section names or numbers are to such Sections of this Agreement.

6.10 Governing Law. **This Agreement and the Assignment shall be governed by and construed in accordance with the internal laws of the State of New York, without reference to its conflict of law provisions (other than Section 5-1401 of the General Obligations Law of the State of New York), and the obligations, rights and remedies of the parties under this Agreement shall be determined in accordance with such laws.**

6.11 Counterparts. This Agreement may be executed in multiple counterparts and by different parties on separate counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument.

6.12 True Sale. Each party hereto agrees to treat the conveyance under this Agreement as a sale by the Seller to the Purchaser of the Receivables and other Purchased Assets on all of its relevant books, records, financial statements and other applicable documents, except to the extent otherwise required by generally accepted accounting principles. It is the intention of the Seller that the transfer and assignment herein contemplated constitute a sale of the Receivables and the other Purchased Assets from the Seller to the Purchaser and that the beneficial interest in and title to the Receivables and the other Purchased Assets not be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. To the extent that the transfer and assignment contemplated by this Agreement is deemed to be other than a sale, this Agreement and all filings described under this Agreement create a valid and continuing security interest (as defined in the applicable UCC) in the Receivables in favor of the Purchaser, which security interest is prior to all other Liens, and is enforceable as such against creditors of and purchasers from the Seller. The possession by the Purchaser or its agent of the Receivable Files and any other property as constitute instruments, money, negotiable documents or chattel paper shall be deemed to be "possession by the secured party" or possession by the purchaser or a person designated by such purchaser, for purposes of perfecting the security interest pursuant to the New York UCC and the UCC of any other applicable jurisdiction.

In performing its duties as custodian, the Servicer shall act with reasonable care, using that degree of skill and attention that the Servicer exercises with respect to the receivable files relating to all comparable automotive receivables that the Servicer services for itself or others. In accordance with its customary practices with respect to its retail installment sale contracts, the Servicer shall conduct, or cause to be conducted, periodic audits of the Receivable Files held by it under this Agreement and of the related accounts, records and computer systems, in such a manner as shall enable the Issuer, the Owner Trustee or the Indenture Trustee to verify the accuracy of the Servicer's record keeping. The Servicer shall promptly report to the Issuer and the Indenture Trustee any material failure on its part to hold the Receivable Files and maintain its accounts, records and computer systems as herein provided in all material respects and shall promptly take appropriate action to remedy any such material failure. Nothing herein shall be deemed to require an initial review or any periodic review by the Issuer, the Owner Trustee or the Indenture Trustee of the Receivable Files.

(b) Maintenance of and Access to Records. The Servicer shall maintain each Receivable File in the continental United States. The Servicer shall make available to the Owner Trustee and the Indenture Trustee or their respective duly authorized

representatives, attorneys or auditors the Receivable Files and the related accounts, records and computer systems maintained by the Servicer at such times during normal business hours upon reasonable prior written notice as the Owner Trustee or the Indenture Trustee shall instruct. The Servicer shall permit the Owner Trustee, the Indenture Trustee and their respective agents at any time during normal business hours upon reasonable prior written notice to inspect, audit and make copies of and abstracts from the Servicer' s records regarding any Receivable.

(c) Release of Receivable Files. Upon the occurrence and during the continuation of a Servicer Default or to the extent necessary for the Indenture Trustee to comply with its obligations under this Agreement, the Servicer shall, upon instruction from the Indenture Trustee, release any Receivable File to the Indenture Trustee, the Indenture Trustee' s agent or the Indenture Trustee' s designee, as the case may be, at such place or places as the Indenture Trustee may designate, as soon as commercially practicable.

SECTION 3.04. Instructions; Authority To Act. The Servicer shall be deemed to have received proper instructions with respect to the Receivable Files upon its receipt of written instructions signed by a Trust Officer of the Owner Trustee or the Indenture Trustee.

SECTION 3.05. Custodian' s Indemnification. The Servicer, as custodian, shall indemnify the Issuer, the Owner Trustee and the Indenture Trustee for any and all liabilities, obligations, losses, compensatory damages, payments, costs or expenses of any kind whatsoever that may be imposed on, incurred by or asserted against any of them as the result of any improper act or omission in any way relating to the maintenance and custody by the Servicer as custodian of the Receivable Files; provided, however, that the Servicer shall not be liable to the Owner Trustee for any portion of any such amount resulting from the willful misfeasance, bad faith or negligence of the Owner Trustee, and the Servicer shall not be liable to the Indenture Trustee for any portion of any such amount resulting from the willful misfeasance, bad faith or negligence of the Indenture Trustee.

SECTION 3.06. Effective Period and Termination. The Servicer' s appointment as custodian shall become effective as of the Cut-off Date, and shall continue in full force and effect until terminated pursuant to this Section. If NMAC shall resign as Servicer in accordance with the provisions of this Agreement or if all of the rights and obligations of any Servicer shall have been terminated under Section 8.01, the appointment of NMAC as custodian may be terminated by the Indenture Trustee or by the Holders of Notes evidencing not less than 25% of the Outstanding Amount of the Notes or, with the consent of Holders of the Notes evidencing not less than 25% of the Outstanding Amount of the Notes, by the Owner Trustee or by the Certificateholders evidencing not less than 25% of the Certificate Balance, in the same manner as the Indenture Trustee or such Holders may terminate the rights and obligations of the Servicer under Section 8.01. The Indenture Trustee or, with the consent of the Indenture Trustee, the Issuer may terminate the Servicer' s appointment as custodian, with cause, at any time upon written notification to the Servicer, and without cause upon 30 days' prior written notification to the Servicer. As soon as practicable after any termination of such appointment, the Servicer shall deliver the Receivable Files and the related accounts and records maintained by the

Servicer to the Relevant Trustee or the agent thereof at such place or places as the Relevant Trustee may reasonably designate.

## ARTICLE IV

### Administration and Servicing of Receivables

#### SECTION 4.01. Duties of Servicer.

(a) The Servicer shall manage, service, administer and make collections on the Receivables in accordance with its Customary Servicing Practices, using that degree of skill and attention that the Servicer exercises with respect to all comparable receivables that it services for itself or others. There are no requirements under the Basic Documents to maintain a back-up servicer. Except with respect to Defaulted Receivables, Administrative Receivables or Warranty Receivables or to the extent required by state or federal law or court order, the Servicer shall not change the amount of or reschedule the due date of any Scheduled Payment beyond the Final Scheduled Distribution Date for the Class A-4 Notes; provided, however, that:

(1) (A) if a default, breach, violation, delinquency or event permitting acceleration under the terms of any Receivable shall have occurred or, in the judgment of the Servicer, is imminent, the Servicer may modify or extend such Receivable in accordance with its Customary Servicing Practices and (B) the Servicer may reduce an Obligor' s monthly payment amount in the event of a prepayment resulting from refunds of credit life and disability insurance premiums and service contracts and make similar adjustments in an Obligor' s payment terms to the extent required by law;

(2) if at the end of the scheduled term of any Receivable, the outstanding principal amount thereof is such that the final payment to be made by the related Obligor is larger than the regularly scheduled payment of principal and interest made by such Obligor, the Servicer may permit such Obligor to pay such remaining principal amount in more than one payment of principal and interest, provided that the last such payment shall be due on or prior to the last day of the Collection Period preceding the Final Scheduled Distribution Date for the Class A-4 Notes; and

(3) the Servicer may in its discretion waive any late fees, prepayment charges and other administrative fees and expenses or similar charges that may be collected in the ordinary course of servicing a Receivable.

(b) The Servicer' s duties shall include collection and posting of all payments, responding to inquiries of Obligors on the Receivables, investigating delinquencies, sending remittance advises to Obligors, reporting tax information to Obligors, accounting for collections, furnishing monthly and annual statements to the Owner Trustee and the Indenture Trustee with respect to distributions and making Advances pursuant to Section 5.04. The Servicer is not required under the Basic Documents to make any

(Nissan 2013-A Sale and Servicing Agreement)

---

disbursements via wire transfer or otherwise on behalf of an Obligor. There are no requirements under the Receivables or the Basic Documents for funds to be, and funds shall not be, held in trust for an Obligor. The Servicer is not required to make any payments or distributions on behalf of an Obligor. In addition, if and to the extent applicable, the Servicer's duties shall include the execution and delivery of any filings, certificates, affidavits or other instruments required under the Sarbanes-Oxley Act of 2002.

(c) Without limiting the generality of the foregoing, the Servicer is authorized and empowered to execute and deliver, on behalf of itself, the Trust, the Owner Trustee, the Indenture Trustee and the Securityholders or any of them, any and all instruments of satisfaction or cancellation, or partial or full release or discharge, and all other comparable instruments, with respect to the Receivables or to the Financed Vehicles securing the Receivables. If the Servicer shall commence a legal proceeding to enforce a Receivable, the Issuer (in the case of a Receivable other than an Administrative Receivable or a Warranty Receivable) shall thereupon be deemed to have automatically assigned, solely for the purpose of collection, such Receivable to the Servicer. If in any enforcement suit or legal proceeding it shall be held that the Servicer may not enforce a Receivable on the ground that it shall not be a real party in interest or a holder entitled to enforce such Receivable, the Issuer shall, at the Servicer's expense and direction, take steps to enforce the Receivable, including bringing suit in its name or the name of the Indenture Trustee or the Securityholders. The Issuer shall furnish the Servicer with any powers of attorney and other documents reasonably necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder.

(d) Nothing in any section of this Agreement shall be construed to prevent the Servicer from implementing new programs, whether on an intermediate, pilot or permanent basis, or on a regional or nationwide basis, or from modifying its standards, policies and procedures as long as, in each case, such programs or modifications would be consistent with its Customary Servicing Practices.

SECTION 4.02. Collection of Receivable Payments. The Servicer shall make reasonable efforts to collect all payments called for under the terms and provisions of the Receivables as and when the same shall become due in accordance with its Customary Servicing Practices. Except for Advances made pursuant to Section 5.04, there are no requirements under the Basic Documents for advances of funds or guarantees regarding collections, cash flows or distributions. Except for the requirements set forth in Section 5.04 relating to Advances, there are no requirements under the Basic Documents for the making, review or approval of Advances.

SECTION 4.03. Realization upon Receivables. On behalf of the Trust, the Servicer shall use commercially reasonable efforts, consistent with its Customary Servicing Practices, to repossess or otherwise convert the ownership of the Financed Vehicle securing any Receivable as to which the Servicer shall have determined eventual payment in full is unlikely, unless it determines in its sole discretion that repossession will not increase the Net Liquidation Proceeds by an amount greater than the expense of such repossession or that the proceeds ultimately recoverable with respect to such Receivable would be increased by forbearance. The Servicer shall follow such Customary Servicing Practices and procedures as it shall deem necessary or

(Nissan 2013-A Sale and Servicing Agreement)

---

advisable, which may include reasonable efforts to realize upon any Dealer Recourse and selling the related Financed Vehicle at public or private sale. The foregoing shall be subject to the provision that, in any case in which the Financed Vehicle shall have suffered damage, the Servicer shall not be required to expend funds in connection with the repair or the repossession of such Financed Vehicle unless it shall determine in its discretion that such repair and/or repossession will increase the Net Liquidation Proceeds. If in any enforcement suit or legal proceeding it is held that the Seller or the Servicer may not enforce a repurchased Receivable on the ground that it is not a real party in interest or a holder entitled to enforce the Receivable, the Issuer, and the Indenture Trustee on behalf of the Noteholders, shall, at the written direction and expense of the Seller or Servicer, as the case may be, take such reasonable steps as the Seller or the Servicer deems necessary to enforce the Receivable, including bringing suit in the name or names of the Issuer, the Certificateholders or the Noteholders.

SECTION 4.04. Maintenance of Security Interests in Financed Vehicles. The Servicer shall, in accordance with its Customary Servicing Practices, take such steps as are necessary to maintain perfection of the security interest created by each Receivable in the related Financed Vehicle. The Servicer is hereby authorized to take such steps as are necessary to re-perfect such security interest on behalf of the Issuer and the Indenture Trustee in the event of the relocation of a Financed Vehicle or for any other reason. If the assignment of a Receivable to the Trust is insufficient, without a notation on the related Financed Vehicle's certificate of title, to grant to the Trust a first priority perfected security interest in the related Financed Vehicle, the Servicer hereby agrees to serve as the agent of the Trust for the purpose of perfecting the security interest of the Trust in such Financed Vehicle and agrees that the Servicer's listing as the secured party on the certificate of title is in this capacity as agent of the Trust. The provisions set forth in this Section are the sole requirements under the Basic Documents with respect to the maintenance of collateral or security on the Receivables. It is understood that the Financed Vehicles are the collateral and security for the Receivables, but that the certificate of title with respect to a Financed Vehicle does not constitute collateral and merely evidences such security interest.

SECTION 4.05. Covenants of Servicer.

(a) The Servicer shall not release the Financed Vehicle securing any Receivable from the security interest granted by such Receivable in whole or in part except (i) in the event of payment in full by or on behalf of the Obligor thereunder or payment in full less a deficiency which the Servicer would not attempt to collect in accordance with its Customary Servicing Practices, (ii) in connection with repossession or (iii) except as may be required by an insurer in order to receive proceeds from any insurance policy covering such Financed Vehicle.

(b) The Servicer shall not do anything to impair the rights of the Securityholders in the Receivables.

(c) Except with respect to Defaulted Receivables, Administrative Receivables or Warranty Receivables or to the extent required by law or court order, the Servicer shall not alter the APR of any Receivable or forgive payments on a Receivable. Except as provided in Section 4.01, the Servicer shall not modify the number of payments under a Receivable, increase the amount financed under a Receivable, or extend the due date for

(Nissan 2013-A Sale and Servicing Agreement)

---

any payment on a Receivable beyond the Final Scheduled Distribution Date for the Class A-4 Notes.

(d) If the Servicer shall determine not to make an Advance related to delinquency or non-payment of any Receivable pursuant to Section 5.04 because it determines that such Advance would not be recoverable from subsequent collections on such Receivable, such Receivable shall be designated by the Servicer to be a Defaulted Receivable, provided that such Receivable otherwise meets the definition of a Defaulted Receivable.

(e) If the Seller is required to pay tax under the second sentence of Section 6.03 and if such tax is not paid by the Seller, then the Servicer shall pay such tax (or cause such tax to be paid) to the applicable taxing authority on behalf of the Issuer.

SECTION 4.06. Purchase of Receivables upon Breach. The Servicer or the Issuer shall inform the other party and the Indenture Trustee promptly, in writing, upon the discovery of any breach by the Servicer of its obligations under Section 4.02, 4.04 or 4.05 that would materially and adversely affect any Receivable. Unless the breach shall have been cured by the last day of the second Collection Period following such discovery (or, at the Servicer's election, the last day of the first Collection Period following discovery), the Servicer shall (whether or not such breach was known to the Servicer on the Closing Date) purchase any Receivable materially and adversely affected by such breach as of such last day. Any such breach or failure will be deemed not to have a material and adverse effect if such breach or failure does not affect the ability of the Issuer to receive and retain timely payment in full on such Receivable. In consideration of such Receivable, the Servicer shall remit the Administrative Purchase Payment (as reduced by any Outstanding Advances with respect to such Receivable) in the manner specified in Section 5.05. For the purposes of this Section 4.06, the Administrative Purchase Payment shall consist in part of a release by the Servicer of all rights of reimbursement with respect to Outstanding Advances with respect to the purchased Receivable. The sole remedy of the Indenture Trustee, the Owner Trustee, the Trust or the Securityholders against the Servicer with respect to a breach by the Servicer of its obligations under Sections 4.02, 4.04 or 4.05 shall be to require the Servicer to purchase Receivables pursuant to this Section 4.06.

SECTION 4.07. Servicing Fee and Expenses. As compensation for the performance of its obligations hereunder, the Servicer shall be entitled to receive on each Distribution Date the Total Servicing Fee. Except to the extent otherwise provided herein, the Servicer shall be required to pay all expenses incurred by it in connection with its activities under this Agreement (including fees and disbursements of independent accountants, taxes imposed on the Servicer, expenses incurred in connection with distributions and reports to Securityholders and all other fees and expenses not expressly stated under this Agreement to be for the account of the Securityholders). If the Rating Agency Condition shall have been satisfied, the Base Servicing Fee in respect of a Collection Period (together with any portion of the Base Servicing Fee that remains unpaid from the prior Distribution Date) will be paid at the beginning of that Collection Period out of collections of interest on the related Receivables.

SECTION 4.08. Servicer's Certificate. On or before each Determination Date, the Servicer shall deliver to the Owner Trustee, each Paying Agent and the Indenture Trustee, with a

(Nissan 2013-A Sale and Servicing Agreement)

---

copy to each Rating Agency, a Servicer's Certificate containing all information necessary to make the distributions pursuant to Sections 5.06, 5.07 and 5.08 for the Collection Period preceding the date of such Servicer's Certificate, all information necessary for the Owner Trustee to send statements to the Certificateholders and the Indenture Trustee to send statements to the Noteholders pursuant to the Trust Agreement or Indenture, as the case may be. Each of the Owner Trustee and the Indenture Trustee may conclusively rely on the information in any Servicer's Certificate and shall have no duty to confirm or verify the contents thereof.

SECTION 4.09. Annual Statement as to Compliance; Notice of Default.

(a) The Servicer shall deliver to the Owner Trustee, the Indenture Trustee and each Rating Agency, within 90 days after the end of each fiscal year of the Servicer, beginning June 30, 2013, an Officer's Certificate with respect to the prior fiscal year of the Servicer ended such calendar year (or with respect to the initial Officer's Certificate, the period from the date of the initial issuance of the Notes to March 31, 2013), stating that (i) a review of the activities of the Servicer during the preceding 12-month (or shorter) period and of its performance under this Agreement has been made under such officer's supervision and (ii) to the best of such officer's knowledge, based on such review, the Servicer has fulfilled its obligations in all material respects under this Agreement throughout such twelve-month (or shorter) period, or, if there has been a failure to fulfill of any such obligation, specifying each such failure known to such officer and the nature and status thereof. A copy of such Officer's Certificate may be obtained by any Certificateholder or Noteholder by a request in writing to the Owner Trustee or the Indenture Trustee addressed as set forth in Section 10.03 hereof.

(b) The Servicer shall deliver to the Owner Trustee, the Indenture Trustee and each Rating Agency, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice (in the form of an Officer's Certificate) of any event that with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 8.01.

(c) Except to the extent set forth in Section 4.09(b) of this Agreement and Section 5.01 of the Indenture, the Basic Documents do not require any policies or procedures to monitor any performance or other triggers and events of default.

SECTION 4.10. [Reserved]

SECTION 4.11. Access to Certain Records and Information Regarding Receivables.

(a) The Servicer shall provide to the Owner Trustee and the Indenture Trustee access to the Receivable Files in such cases where the Securityholders shall be required by applicable statutes or regulations to review such records or information. In each case, such access shall be afforded without charge, but only upon reasonable prior written request and during the normal business hours at the respective offices of the Servicer.

(b) Nothing in this Section shall affect the obligation of the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligors

(Nissan 2013-A Sale and Servicing Agreement)

---

and the failure of the Servicer to provide access to information as a result of such obligation shall not constitute a breach of this Section.

SECTION 4.12. Appointment of Subservicer. So long as NMAC acts as the Servicer, the Servicer may at any time without notice or consent delegate any or all of its duties under this Agreement to any of its Affiliates. The Servicer may at any time perform specific duties as servicer under this Agreement through other subcontractors; provided, however, that no such delegation or subcontracting shall relieve the Servicer of its responsibilities with respect to such duties as to which the Servicer shall remain primarily responsible with respect thereto. For any servicing activities delegated to third parties in accordance with this Section 4.12, the Servicer shall follow such policies and procedures to monitor the performance of such third parties and compliance with such servicing activities as the Servicer follows with respect to comparable motor vehicle receivables serviced by the Servicer for its own account.

SECTION 4.13. [Reserved]

SECTION 4.14. Acknowledgement by Servicer of its Obligations under the Indenture. The Servicer hereby agrees and consents to the provisions of the Indenture applicable to it (including, without limitation, Section 8.03(a) and Section 8.03(b) thereof) and agrees to be bound by such provisions.

SECTION 4.15. Compliance with Regulation AB. So long as the Seller is required to file any reports with respect to the Issuer under the Exchange Act, the Servicer agrees to perform all duties and obligations applicable to or required of the Issuer set forth in Appendix A attached hereto and made a part hereof in all respects and makes the representations and warranties therein applicable to it.

SECTION 4.16. Fidelity Bond. The Servicer shall not be required to maintain a fidelity bond or error and omissions policy.

SECTION 4.17. Administrator Compensation. The Servicer shall pay the Administrative Agent compensation pursuant to Section 3 of the Administration Agreement.

## ARTICLE V

### Distributions; Accounts; Statements to the Certificateholders and the Noteholders

SECTION 5.01. Establishment of Accounts.

(a) The Servicer, on behalf of the Owner Trustee and the Indenture Trustee, shall establish the following accounts:

(i) For the benefit of the Securityholders in the name of the Indenture Trustee, an account (the "Collection Account"), which shall be an Eligible Account initially established with the Indenture Trustee; and

(Nissan 2013-A Sale and Servicing Agreement)

---

(ii) For the benefit of the Securityholders in the name of the Indenture Trustee, an account (the “Reserve Account”), which shall be an Eligible Account initially established with the Indenture Trustee.

(b) All amounts held in the Collection Account and the Reserve Account (collectively, the “Accounts”) shall, to the extent permitted by applicable laws, rules and regulations and as directed by the Servicer, be invested by the Indenture Trustee in Eligible Investments in accordance with Section 8.03 of the Indenture. All such Eligible Investments shall mature not later than the Business Day preceding the next Distribution Date, in such manner that such amounts invested shall be available to make the required distributions on the Distribution Date; provided, that if permitted by the Rating Agencies, monies on deposit therein may be invested in Eligible Investments that mature later than the Business Day preceding the next Distribution Date; provided, further, that such investment shall be sold not later than the Business Day preceding the next Distribution Date. The Servicer will not direct the Indenture Trustee, and the Issuer shall cause the Servicer not to make any investment of any funds or to sell any investment held in the Collection Account unless the security interest granted and perfected in such account will continue to be perfected in such investment or the proceeds of such sale, in either case without any further action by any Person, and, in connection with any direction to the Indenture Trustee to make any such investment or sale, if requested by the Indenture Trustee, the Servicer shall deliver to the Indenture Trustee an Opinion of Counsel, acceptable to the Indenture Trustee, to such effect.

(c) If either (i) the Servicer, in its sole discretion and for any reason, notifies the Indenture Trustee and the Owner Trustee in writing that the Accounts should be moved or (ii) the Indenture Trustee or the Owner Trustee, as applicable, notifies the Servicer that the short-term unsecured debt obligations of the Indenture Trustee or the Owner Trustee, as applicable, no longer have the Required Deposit Rating, then, in each case, the Servicer shall, within ten Business Days after receipt of the notice described in clause (i) or (ii), as applicable, cause the Accounts (x) to be moved to segregated trust accounts in a bank or trust company selected by the Servicer, the short-term unsecured debt obligations of which shall have the Required Deposit Rating, or (y) to be moved to the trust department of the Indenture Trustee or the Owner Trustee, as applicable. The Indenture Trustee or the Owner Trustee, as applicable, shall assist the Servicer with the moving of Accounts described in the preceding sentence.

(d) Earnings on investment of funds in the Collection Account shall be paid to the Servicer as additional servicing compensation, and any losses and investment expenses shall be charged against the funds on deposit in the Collection Account.

(e) The Indenture Trustee shall transfer all amounts remaining on deposit in the Collection Account on the Distribution Date on which the Notes of all Classes have been paid in full (or when substantially all of the Trust Estate is otherwise released from the lien of the Indenture) to the Trust Collection Account, and take all necessary or appropriate actions to transfer all of its right, title and interest in the Collection Account, all funds or investments held therein and all proceeds thereof, whether or not on behalf of the Securityholders, to the Owner Trustee for the benefit of the Certificateholders, subject

(Nissan 2013-A Sale and Servicing Agreement)

---

to the limitations set forth in the Indenture with respect to amounts held for payment to Noteholders that do not promptly deliver a Note for payment on such Distribution Date. After the transfer to the Trust Collection Account described in the immediately preceding sentence, references in this Agreement to “Collection Account” shall be deemed to be references to the “Trust Collection Account.”

(f) With respect to the Accounts and all property held therein, the Owner Trustee agrees, by its acceptance hereof that, on the terms and conditions set forth in the Indenture, for so long as Notes of any Class remain outstanding, the Indenture Trustee shall possess all right, title and interest therein (excluding interest or investment income thereon payable to the Servicer or the Seller, as the case may be), and the Accounts shall be under the sole dominion and control of the Indenture Trustee for the benefit of the Noteholders and the Certificateholders, as the case may be, as set forth in the Indenture. The parties hereto agree that the Servicer shall have the power, revocable by the Indenture Trustee or by the Owner Trustee with the consent of the Indenture Trustee, to instruct the Indenture Trustee to make withdrawals and payments from the Collection Account for the purpose of permitting the Servicer, Indenture Trustee or the Owner Trustee to carry out its respective duties hereunder or under the Indenture or the Trust Agreement, as the case may be.

Notwithstanding the foregoing, the Servicer shall be entitled to withhold, or to be reimbursed from amounts otherwise payable into or on deposit in the Collection Account, as the case may be, amounts previously deposited in the Collection Account but later determined to have resulted from mistaken deposits or posting.

(g) With respect to the Account Property, the parties hereto agree that:

(i) any Account Property that consists of uninvested funds shall be held solely in Eligible Accounts and, except as otherwise provided herein, each such Eligible Account shall be subject to the exclusive custody and control of the Indenture Trustee, and, except as otherwise provided in the Basic Documents, the Indenture Trustee or its designee shall have sole signature authority with respect thereto;

(ii) any Account Property that constitutes Physical Property shall be delivered to the Indenture Trustee or its designee, in accordance with paragraph (a) of the definition of “Delivery” and shall be held, pending maturity or disposition, solely by the Indenture Trustee or any such designee;

(iii) any Account Property that is an “uncertificated security” under Article 8 of the UCC and that is not governed by clause (iv) below shall be delivered to the Indenture Trustee or its designee in accordance with paragraph (c) of the definition of “Delivery” and shall be maintained by the Indenture Trustee or such designee, pending maturity or disposition, through continued registration of the Indenture Trustee’s (or its designee’s) ownership of such security on the books of the issuer thereof; and

(iv) any Account Property that is an uncertificated security that is a “book-entry security” (as such term is defined in Federal Reserve Bank Operating

(Nissan 2013-A Sale and Servicing Agreement)

---

Circular No. 7) held in a securities account at a Federal Reserve Bank and eligible for transfer through the Fedwire® Securities Service operated by the Federal Reserve System pursuant to Federal book-entry regulations shall be delivered in accordance with paragraph (b) of the definition of “Delivery” and shall be maintained by the Indenture Trustee or its designee or a securities intermediary (as such term is defined in Section 8-102(a)(14) of the UCC) acting solely for the Indenture Trustee or such designee, pending maturity or disposition, through continued book-entry registration of such Account Property as described in such paragraph.

(h) No checks shall be issued, printed, or honored with respect to the Collection Account, the Reserve Account, or the Trust Collection Account.

SECTION 5.02. Collections.

(a) Except as otherwise provided in this Agreement, the Servicer shall remit to the Collection Account all payments received by or on behalf of the Obligors on or in respect of the Receivables (excluding payments on the Warranty Receivables or the Administrative Receivables) and all Net Liquidation Proceeds not later than the second Business Day after identification thereof. For purposes of this Article V, the phrase “payments received by or on behalf of the Obligors” shall mean payments made by Persons other than the Servicer. Notwithstanding the foregoing, for so long as (i) NMAC is the Servicer, (ii) (A) NMAC’ s short-term unsecured debt obligations are rated at least “Prime-1” by Moody’ s and at least “F1” by Fitch (so long as Moody’ s and Fitch are Rating Agencies), (B) NMAC maintains a letter of credit or other form of enhancement acceptable to each Rating Agency to support NMAC’ s obligation to deposit collections into the Collection Account, or (C) NMAC otherwise satisfies each Rating Agency’ s requirements, and (iii) no Event of Default or Servicer Default shall have occurred and be continuing (unless waived by the appropriate Securityholders) (collectively, the “Monthly Remittance Conditions”), the Servicer shall not be required to remit such collections to the Collection Account on the foregoing basis but shall be entitled to retain such collections, without segregation from its other funds, until the Business Day before each Distribution Date at which time the Servicer shall remit all such collections in respect of the related Collection Period to the Collection Account in immediately available funds. Commencing with the first day of the first Collection Period that begins at least two Business Days after the day on which any Monthly Remittance Condition ceases to be satisfied and for so long as any Monthly Remittance Condition is not satisfied, all collections then held by the Servicer shall be immediately deposited into the Collection Account and all future collections on or in respect of the Receivables (other than payments on Warranty Receivables and the Administrative Receivables) and all Net Liquidation Proceeds shall be remitted by the Servicer to the Collection Account not later than the second Business Day after identification thereof. Notwithstanding anything herein to the contrary, if a subsequent Public ABS Transaction calls for changes in making monthly deposits to the related collection account, then, if the Rating Agency Condition shall have been satisfied, the Servicer will no longer be bound by the Monthly Remittance Condition hereunder, and will instead be subject to the conditions to making monthly deposits as required by the subsequent Public ABS Transaction.

(Nissan 2013-A Sale and Servicing Agreement)

---

(b) The Indenture Trustee or the Owner Trustee shall not be deemed to have knowledge of any event or circumstances under clause (iii) of the definition of the Monthly Remittance Condition unless the Indenture Trustee or the Owner Trustee has received notice of such event or circumstance from the Seller or the Servicer in an Officer' s Certificate or from the Holders of Notes evidencing not less than 25% in principal amount of the Outstanding Amount of the Notes, or a Trust Officer of the Indenture Trustee or the Owner Trustee with knowledge hereof or familiarity herewith has actual knowledge of such event or circumstances.

(c) The Servicer shall give (i) the Owner Trustee, the Indenture Trustee and each Rating Agency written notice, as soon as practical after the occurrence thereof but in no event later than 10 Business Days after obtaining knowledge thereof, of the failure of any Monthly Remittance Condition (and any subsequent curing of a failed Monthly Remittance Condition) (it being understood that if the Monthly Remittance Condition is not satisfied as of the Closing Date, no such notice shall be required in connection therewith).

(d) Notwithstanding the foregoing, if a Monthly Remittance Condition is not satisfied, the Servicer may utilize an alternative remittance schedule (which may include the remittance schedule utilized by the Servicer before the Monthly Remittance Condition failed to be satisfied), if the Rating Agency Condition shall have been satisfied with respect to such alternative remittance schedule.

SECTION 5.03. Application of Collections. All collections for the related Collection Period with respect to each Receivable (including any payoff) shall be posted to the Servicer' s Obligor records in accordance with the Servicer' s Customary Servicing Practices.

SECTION 5.04. Advances.

(a) The Servicer shall make a payment with respect to each Receivable (other than an Administrative Receivable, a Warranty Receivable or a Liquidated Receivable) (each, an "Advance") equal to the excess if any, of (x) the product of the Principal Balance of such Receivable as of the first day of the related Collection Period and one-twelfth of its APR (calculated on the basis of a 360-day year comprised of twelve 30-day months), over (y) the interest actually received by the Servicer with respect to such Receivable from the Obligor or from payments of the Administrative Purchase Payment or the Warranty Purchase Payment, as the case may be, during such Collection Period. The Servicer will not be obligated to make an Advance in respect of a Receivable (other than an Advance in respect of an interest shortfall arising from the Prepayment of a Receivable) to the extent that the Servicer, in its sole discretion, shall determine that the Advance constitutes a Nonrecoverable Advance. With respect to each Receivable, the Advance shall increase the Outstanding Advances. No Advances will be made with respect to the Principal Balance of the Receivables. The Servicer shall deposit all such Advances into the Collection Account in immediately available funds no later than 5:00 p.m., New York City time, on the Business Day immediately preceding the related Distribution Date.

(Nissan 2013-A Sale and Servicing Agreement)

---

(b) The Servicer shall be entitled to reimbursement for Outstanding Advances, without interest, with respect to a Receivable from the following sources with respect to such Receivable pursuant to Section 5.06(c)(i) or Section 5.06(d)(ii): (i) subsequent payments made by or on behalf of the related Obligor, (ii) Net Liquidation Proceeds, and (iii) the Warranty Purchase Payments.

(c) To the extent that the Servicer has determined that any Outstanding Advance is a Nonrecoverable Advance, the Servicer may provide to the Owner Trustee and the Indenture Trustee an Officer's Certificate setting forth the amount of such Nonrecoverable Advance, and on the related Distribution Date, the Relevant Trustee shall remit to the Servicer from funds on deposit in the Collection Account an amount equal to the amount of such Nonrecoverable Advance pursuant to Section 5.06(c)(ii) or Section 5.06(d)(ii).

(d) Notwithstanding anything to the contrary in this Agreement, for so long as NMAC is the Servicer, in lieu of causing the Servicer first to deposit and then the Relevant Trustee to remit to the Servicer the amounts described in clauses (i) through (iii) in Section 5.04(b) reimbursable in respect on Outstanding Advances, or the amounts described in Section 5.04(c) applicable in respect of Nonrecoverable Advances, the Servicer may deduct such amounts from deposits otherwise to be made into the Collection Account.

(e) Notwithstanding the provisions of Section 5.04(a), no Successor Servicer, including the Indenture Trustee, shall be obligated to make Advances unless it has expressly agreed to do so in writing.

#### SECTION 5.05. Additional Deposits.

(a) The following additional deposits shall be made to the Collection Account: (i) the Seller shall remit the aggregate Warranty Purchase Payments with respect to Warranty Receivables pursuant to Section 3.02; (ii) the Servicer shall remit (A) the aggregate Advances pursuant to Section 5.04(a), (B) the aggregate Administrative Purchase Payments with respect to Administrative Receivables pursuant to Section 4.06, and (C) the cash amount required upon any optional purchase of the Receivables by the Servicer, or any Successor Servicer, pursuant to Section 9.01; and (iii) the Indenture Trustee shall transfer the amounts described in Sections 5.06 and 5.07 from the Reserve Account to the Collection Account pursuant to Section 5.07.

(b) All deposits required to be made pursuant to Section 5.05(a) by the Seller or the Servicer, as the case may be, may be made in the form of a single deposit and shall be made in immediately available funds, no later than 5:00 P.M., New York City time, on the Business Day immediately preceding the related Distribution Date. At the direction of the Servicer, the Relevant Trustee shall invest such amounts in Eligible Investments maturing not later than 12:00 P.M. New York City Time, on the related Distribution Date.

SECTION 5.06. Payments and Distributions.

(a) The rights of the Certificateholders to receive distributions in respect of the Certificates shall be and hereby are subordinated to the rights of the Noteholders to receive distributions in respect of the Notes, to the extent provided in this Section 5.06.

(b) On each Determination Date, the Servicer shall calculate the Available Interest, the Available Principal, the Noteholders' Principal Distributable Amount, the Certificateholders' Principal Distributable Amount, the amount to be distributed to Noteholders of each Class and to Certificateholders pursuant to Section 5.06(c), (d) or (e), and all other distributions, deposits and withdrawals to be made on the related Distribution Date.

(c) Subject to Sections 5.06(d) and (e), on each Distribution Date, the Relevant Trustee shall make the following payments and distributions from the Collection Account (after payment of the Supplemental Servicing Fee to the extent not previously retained by the Servicer) in the following order of priority and in the amounts set forth in the Servicer's Certificate for such Distribution Date; provided, however, that such payments and distributions shall be made only from those funds deposited in the Collection Account for the related Collection Period:

(i) to the Servicer, from amounts on deposit in the Collection Account, any payments in respect of Advances required to be reimbursed and to the extent set forth in Section 5.04(b);

(ii) to the Servicer, from amounts on deposit in the Collection Account, any payments in respect of Nonrecoverable Advances required to be reimbursed and to the extent set forth in Section 5.04(c);

(v) to the Class A-1 Noteholders until the principal amount of the Class A-1 Notes is reduced to zero, an amount equal to the Noteholders' Principal Distributable Amount for such Distribution Date, such amounts to be paid from any remaining Available Amounts;

(vi) after the principal amount of the Class A-1 Notes is reduced to zero, to the Class A-2 Noteholders, until the principal amount of the Class A-2 Notes is reduced to zero, then to the Class A-3 Noteholders, until the principal amount of the

Class A-3 Notes is reduced to zero, and then to the Class A-4 Noteholders, until the principal amount of the Class A-4 Notes is reduced to zero, an amount equal to the Noteholders' Principal Distributable Amount for each such Class for such Distribution Date (after giving effect to any reduction in Noteholders' Principal Distributable Amount described in clause (v) above), such amounts to be paid from any remaining Available Amounts;

(vii) to the Reserve Account, the amount, if any, necessary to cause the balance of funds therein to equal the Specified Reserve Account Balance with respect to such Distribution Date, such amounts to be paid from any remaining Available Amounts;

(viii) to the Indenture Trustee, any accrued and unpaid fees, expenses and indemnity payments due pursuant to the Indenture, but only to the extent that such fees, expenses or indemnity payments have not been paid by the Administrator and have been outstanding for at least sixty (60) days, such amounts to be paid from any remaining Available Amounts;

(ix) to the Owner Trustee, any accrued and unpaid fees, expenses and indemnity payments due pursuant to the Trust Agreement, but only to the extent that such fees, expenses or indemnity payments have not been paid by the Administrator and have been outstanding for at least sixty (60) days, such amounts to be paid from any remaining Available Amounts;

(x) on the Distribution Date on which the Notes have been paid in full and on each Distribution Date thereafter, to the Certificateholders, any remaining Available Amounts until the Certificateholders' Principal Distributable Amount is reduced to zero; and

(xi) any remaining Available Amounts after giving effect to the foregoing, to the Certificateholders.

(d) Notwithstanding the provisions of Section 5.06(c), after the occurrence of an Event of Default that results in the acceleration of any Notes and unless and until such acceleration has been rescinded, on each Distribution Date, the Indenture Trustee shall make the following payments and distributions from the Collection Account (after payment of the Supplemental Servicing Fee to the extent not previously retained by the Servicer) in the following order of priority and in the amounts set forth in the Servicer's Certificate for such Distribution Date; provided, however, that such payments and distributions shall be made only from those funds deposited in the Collection Account for the related Collection Period:

(i) pro rata, to the Indenture Trustee and the Owner Trustee, any accrued and unpaid fees, expenses and indemnity payments due pursuant to the Indenture and the Trust Agreement, respectively, but only to the extent that such fees, expenses or indemnity payments have not been paid by the Administrator and have been outstanding for at least sixty (60) days, such amounts to be paid from Available Amounts;

(ii) to the Servicer, from amounts on deposit in the Collection Account, any payments in respect of Outstanding Advances;

(iii) to the Servicer, from any remaining Available Amounts, the Base Servicing Fee (including any unpaid Base Servicing Fees from one or more prior Collection Periods);

(iv) on a pro rata basis (based on the amounts distributable pursuant to this clause to each Class of Noteholders), to the Class A-1 Noteholders, the Noteholders' Interest Distributable Amount for such Class, to the Class A-2 Noteholders, the Noteholders' Interest Distributable Amount for such Class, to the Class A-3 Noteholders, the Noteholders' Interest Distributable Amount for such Class, and to the Class A-4 Noteholders, the Noteholders' Interest Distributable Amount for such Class, such amounts to be paid from any remaining Available Amounts;

(v) to the Class A-1 Noteholders, until the total amount paid to such Noteholders in respect of principal from the Closing Date is equal to the Original Principal Amount for such Class of Notes, such amounts to be paid from any remaining Available Amounts;

(vi) to the Class A-2 Noteholders, the Class A-3 Noteholders and the Class A-4 Noteholders on a pro rata basis (based on the Outstanding Amount of each Class), until the total amount paid to such Noteholders in respect of principal from the Closing Date is equal to the Original Principal Amount for such Class of Notes, such amounts to be paid from any remaining Available Amounts;

(vii) on the Distribution Date on which the Notes have been paid in full and on each Distribution Date thereafter, to the Certificateholders, until the total amount paid to the Certificateholders in respect of principal from the Closing Date is equal to the Original Certificate Balance, such amount to be paid from any remaining Available Amounts; and

(viii) any remaining Available Amounts after giving effect to the foregoing, to the Certificateholders.

(e) Notwithstanding the provisions of Section 5.06(d), after the occurrence of an Event of Default that results in the acceleration of any Notes, on and after the date on which such acceleration has been rescinded, on each Distribution Date, the Relevant Trustee shall make payments and distributions from the Collection Account in accordance with Section 5.06(c).

SECTION 5.07. Reserve Account. As, and to the extent, set forth in Section 5.06(c), the Relevant Trustee will deposit Available Amounts into the Reserve Account on each Distribution Date as provided in the Servicer's Certificate, until the amount on deposit therein equals the Specified Reserve Account Balance. On each Distribution Date, to the extent that amounts in the Collection Account and/or Available Amounts, as the case may be, are insufficient to fully fund the payments and distributions described in clauses (i) through (vi) of Section 5.06(c) or clauses (i) through (vii) of Section 5.06(d), the Relevant Trustee will withdraw amounts then on deposit

in the Reserve Account, up to the amounts of any such deficiencies, and deposit such amounts into the Collection Account for application pursuant to such clauses. On each Distribution Date, as provided in the Servicer's Certificate, the Relevant Trustee will release to the Certificateholders any amounts remaining on deposit in the Reserve Account in excess of the Specified Reserve Account Balance. Upon the payment in full of the Notes under the Indenture, as directed in writing by the Servicer, the Relevant Trustee will release to the Certificateholders any amounts remaining on deposit in the Reserve Account and all rights to the Reserve Account and all other collateral registered or held therein shall vest in the Certificateholders. Upon any such distribution to the Certificateholders, the Issuer, the Owner Trustee, the Indenture Trustee, the Noteholders and the Relevant Trustee will have no further rights in, or claims to, such amounts.

SECTION 5.08. Statements to Certificateholders and Noteholders.

(a) On each Distribution Date, the Indenture Trustee shall include with each distribution to each Noteholder and the Owner Trustee shall include with each distribution to each Certificateholder a statement (which statement shall also be provided to the Servicer and the Servicer will thereafter deliver or otherwise make available a copy of such statement to each Rating Agency) based on information in the Servicer's Certificate furnished pursuant to Section 4.08, setting forth for the Collection Period relating to such Distribution Date the following information:

- (i) the amount of the payment allocable to the principal amount of each Class of Notes and to the Certificate Balance;
- (ii) the amount of the payment allocable to interest on or with respect to each Class of Notes;
- (iii) the YSOC Amount;
- (iv) the Pool Balance as of the close of business on the last day of the related Collection Period;
- (v) the Adjusted Pool Balance as of the close of business on the last day of the related Collection Period;
- (vi) the amount of the Base Servicing Fee paid to the Servicer with respect to the related Collection Period, the amount of any unpaid Base Servicing Fees and the change in such amount from that of the prior Distribution Date and the amount of the Supplemental Servicing Fee, if any, paid to the Servicer with respect to the related Collection Period;
- (vii) the Noteholders' Interest Carryover Shortfall and the Noteholders' Principal Carryover Shortfall, if any, with respect to each Class of Notes, and the change in such amounts from the preceding Distribution Date;
- (viii) the Outstanding Amount, the Note Factor and the Note Pool Factor with respect to each Class of Notes, and the Certificate Balance, the Certificate Factor

and the Certificate Pool Factor with respect to the Certificates, in each case after giving effect to all payments in respect of principal on such Distribution Date;

(ix) the amount of Advances made in respect of the Receivables during the related Collection Period and the amount of unreimbursed Advances on such Distribution Date;

(x) the balance of the Reserve Account on such Distribution Date, after giving effect to changes thereto on such Distribution Date and the amount of such changes;

(xi) the amount of defaults and net losses on the Receivables for the related Collection Period;

(xii) the number of delinquencies on the Receivables as a percentage of the number of Receivables;

(xiii) any material change in practices with respect to charge-offs, collection and management of delinquent Receivables, and the effect of any grace period, re-aging, re-structuring, partial payments or other practices on delinquency and loss experience;

(xiv) any material modifications, extensions or waivers to Receivables terms, fees, penalties or payments during the Collection Period;

(xv) any material breaches of representations, warranties or covenants contained in the Receivables;

(xvi) any new issuance of notes or other securities backed by the Receivables; and

(xvii) any material change in the underwriting, origination or acquisition of Receivables.

(b) Copies of such statements may be obtained by the Certificateholders or the Note Owners from the Owner Trustee or the Indenture Trustee, as the case may be, by a request in writing. The Owner Trustee or the Indenture Trustee, as the case may be, shall provide such copies promptly after such requests.

(c) No disbursements shall be made directly by the Servicer to a Noteholder, and the Servicer shall not be required to maintain any investor record relating to the posting of disbursements or otherwise.

SECTION 5.09. Net Deposits. So long as NMAC is the Servicer, NMAC (as Servicer or in any other capacity) may make the remittances pursuant to Sections 5.02 and 5.05 above net of amounts to be distributed to the Servicer or its Affiliates pursuant to Section 5.06 and may pay the Optional Purchase Price pursuant to Section 9.01(a) net of amounts to be distributed to the Servicer or its Affiliates. Accounts between the Servicer and such Affiliates will be adjusted

accordingly. Nonetheless, the Servicer shall account for all of the above described remittances and distributions (except for the Supplemental Servicing Fee to the extent that the Servicer is entitled to retain such amounts) in the Servicer' s Certificate as if the amounts were deposited and/or transferred separately.

## ARTICLE VI

### The Seller

SECTION 6.01. Representations of Seller. The Seller makes the following representations on which the Issuer is deemed to have relied in acquiring the Receivables. The representations speak as of the execution and delivery of this Agreement and as of the Closing Date, and shall survive the sale of the Receivables to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

(a) Organization and Good Standing. The Seller has been duly organized and is validly existing as a corporation in good standing under the laws of the State of Delaware, with corporate power and authority to own its properties and to conduct its business as such properties are currently owned and such business is presently conducted, and had at all relevant times, and has, corporate power, authority and legal right to acquire and own the Receivables.

(b) Due Qualification. The Seller is duly qualified to do business as a foreign corporation in good standing, and has obtained all necessary licenses and approvals in all jurisdictions in which the ownership or lease of property or the conduct of its business shall require such qualifications and where the failure to so qualify would have a material adverse effect on the ability of the Seller to perform its obligations under this Agreement.

(c) Power and Authority. The Seller has the corporate power and authority to execute and deliver this Agreement and to carry out its terms. The Seller has full power and authority to sell and assign the property to be sold and assigned to and deposited as part of the Owner Trust Estate, and has duly authorized such sale and assignment to the Trust by all necessary corporate action; and the execution, delivery and performance of this Agreement has been duly authorized by the Seller by all necessary corporate action.

(d) Valid Sale; Binding Obligations. This Agreement evidences a valid sale, transfer and assignment of the Receivables, enforceable against creditors of and purchasers from the Seller (other than a good faith purchaser for value in the ordinary course of business who takes actual possession of one or more Receivables); and this Agreement is a legal, valid and binding obligation of the Seller enforceable in accordance with its terms, subject to the effect of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general equitable principles.

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof do not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or

(Nissan 2013-A Sale and Servicing Agreement)

lapse of time) a default under, the certificate of incorporation or by-laws of the Seller, or any indenture, agreement or other instrument to which the Seller is a party or by which it shall be bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument (other than the Basic Documents); nor violate any law or, to the best of the Seller's knowledge, any order, rule or regulation applicable to the Seller of any court or of any federal or state regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Seller or its properties; which breach, default, conflict, Lien or violation in any case would have a material adverse effect on the ability of the Seller to perform its obligations under this Agreement.

(f) No Proceedings. There are no proceedings or investigations pending, or, to the best of the Seller's knowledge, threatened, before any court, regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Seller or its properties: (i) asserting the invalidity of this Agreement, the Trust Agreement or the Indenture, the Certificates or the Notes; (ii) seeking to prevent the issuance of the Certificates, or the Notes or the consummation of any of the transactions contemplated by this Agreement, the Trust Agreement or the Indenture; (iii) seeking any determination or ruling that would materially and adversely affect the performance by the Seller of its obligations under, or the validity or enforceability of, this Agreement, the Trust Agreement, the Indenture, the Certificates or the Notes; or (iv) relating to the Seller and that would adversely affect the federal or any state income tax attributes of the Issuer, the Certificates or the Notes.

SECTION 6.02. Compliance with Organizational Documents. The Seller agrees with the Certificateholders, the Note Owners and each Rating Agency that the Seller shall at all times comply with its organizational documents including, without limitation, its certificate of incorporation, as amended.

SECTION 6.03. Liability of Seller; Indemnities. The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement. The Seller shall indemnify, defend and hold harmless the Trust, the Owner Trustee, the Indenture Trustee from and against any taxes that may at any time be asserted against any such Person with respect to, as of the date hereof, the sale of the Receivables to the Trust or the issuance and original sale of the Notes and the Certificates, including any sales, gross receipts, general corporation, tangible personal property, privilege or license taxes and any and all other taxes levied or assessed upon the Issuer or upon all or any part of the Trust Estate (but, in the case of the Trust, not including any taxes asserted with respect to ownership of the Receivables or federal or other income taxes arising out of the transactions contemplated by this Agreement and the Basic Documents) and costs and expenses in defending against the same. Without limiting the generality of the foregoing, if a tax is levied or assessed upon the Issuer or upon all or any part of the Trust Estate under HB3, which tax becomes due and payable after the Closing Date, the Seller shall pay such tax (or cause such tax to be paid) to the applicable taxing authority on behalf of the Issuer. Notwithstanding anything to the contrary contained herein, nothing in this Agreement should be read to imply that the Issuer is doing business in Texas, has sufficient nexus with Texas in order for HB3 to apply to the Issuer or is otherwise subject to the tax described in HB3.

(Nissan 2013-A Sale and Servicing Agreement)

---

Indemnification under this Section 6.03 shall survive the termination of this Agreement and shall include reasonable fees and expenses of counsel and expenses of litigation. If the Seller shall have made any indemnity payment to any Person entitled thereto pursuant to this Section 6.03 and such Person thereafter shall collect any of such amounts from others, such Person shall promptly repay such amounts to the Seller, without interest (except to the extent the recipient collects interest from others).

Promptly after receipt by a party indemnified under this Section 6.03 (for purposes of this paragraph, an “Indemnified Party”) of notice of the commencement of any action, such Indemnified Party will, if a claim is to be made in respect thereof against the Seller under this Section 6.03, notify the Seller of the commencement thereof. If any such action is brought against any Indemnified Party under this Section 6.03 and it notifies the Seller of the commencement thereof, the Seller will assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Party (who may, unless there is, as evidenced by an Opinion of Counsel to the Indemnified Party stating that there is, a conflict of interest, be counsel to the Seller), and the Seller will not be liable to such Indemnified Party under this Section 6.03 for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof, other than reasonable costs of investigation. The obligations set forth in this Section 6.03 shall survive the termination of this Agreement or the resignation or removal of the Owner Trustee or the Indenture Trustee and shall include reasonable fees and expenses of counsel and expenses of litigation. If the Seller shall have made any indemnity payments pursuant to this Section 6.03 and the Person to or on behalf of whom such payments are made thereafter collects any of such amounts from others, such Person shall promptly repay such amounts to the Seller, without interest (except to the extent received by such Person).

The Seller’s obligations under this Section 6.03 are obligations solely of the Seller and will not constitute a claim against the Seller to the extent that the Seller does not have funds sufficient to make payment of such obligations. In furtherance of and not in derogation of the foregoing, the Issuer, the Servicer, the Indenture Trustee and the Owner Trustee, by entering into or accepting this Agreement, acknowledge and agree that they have no right, title or interest in or to the Other Assets of the Seller. To the extent that, notwithstanding the agreements and provisions contained in the preceding sentence, the Issuer, the Servicer, the Indenture Trustee or the Owner Trustee either (i) asserts an interest or claim to, or benefit from, Other Assets, or (ii) is deemed to have any such interest, claim to, or benefit in or from Other Assets, whether by operation of law, legal process, pursuant to applicable provisions of insolvency laws or otherwise (including by virtue of Section 1111(b) of the Bankruptcy Code or any successor provision having similar effect under the Bankruptcy Code), then the Issuer, the Servicer, the Indenture Trustee or the Owner Trustee, as applicable, further acknowledges and agrees that any such interest, claim or benefit in or from Other Assets is and will be expressly subordinated to the indefeasible payment in full, which, under the terms of the relevant documents relating to the securitization or conveyance of such Other Assets, are entitled to be paid from, entitled to the benefits of, or otherwise secured by such Other Assets (whether or not any such entitlement or security interest is legally perfected or otherwise entitled to a priority of distributions or application under applicable law, including insolvency laws, and whether or not asserted against the Seller), including the payment of post-petition interest on such other obligations and liabilities. This subordination agreement will be deemed a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code. The Issuer, the Servicer, the Indenture

(Nissan 2013-A Sale and Servicing Agreement)

Trustee and the Owner Trustee each further acknowledges and agrees that no adequate remedy at law exists for a breach of this Section 6.03 and the terms of this Section 6.03 may be enforced by an action for specific performance. The provisions of this Section 6.03 will be for the third party benefit of those entitled to rely thereon and will survive the termination of this Agreement.

SECTION 6.04. Merger or Consolidation of, or Assumption of the Obligations of, Seller. Subject to Section 6.02, any Person (i) into which the Seller may be merged or consolidated, (ii) resulting from any merger, conversion or consolidation to which the Seller shall be a party, (iii) succeeding to the business of the Seller or (iv) that is a corporation more than 50% of the voting stock of which is owned directly or indirectly by Nissan, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Seller under this Agreement, will be the successor to the Seller under this Agreement without the execution or filing of any document or any further act on the part of any of the parties to this Agreement; provided, however, that (x) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 6.01 shall have been breached, (y) the Seller shall have delivered to the Owner Trustee and the Indenture Trustee an Officer' s Certificate stating that such consolidation, merger or succession and such agreement or assumption comply with this Section 6.04 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with and (z) the Seller shall have delivered to the Owner Trustee and the Indenture Trustee an Opinion of Counsel either (A) stating that, in the opinion of such counsel, based on customary qualifications and assumptions, all financing statements and continuation statements and amendments thereto have been executed and filed that are necessary fully to perfect the interest of the Issuer and the Indenture Trustee, respectively, in the Receivables, and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest. The Seller shall provide notice of any merger, consolidation or succession pursuant to this Section 6.04 to the Servicer and the Servicer shall provide notice thereof to each Rating Agency.

SECTION 6.05. Limitation on Liability of Seller and Others.

(a) Neither the Seller nor any of the directors, officers, employees or agents of the Seller shall be under any liability to the Trust, the Certificateholders or the Noteholders, except as provided under this Agreement, for any action taken or for refraining from the taking of any action pursuant to this Agreement or for errors in judgment; provided, however, that this provision shall not protect the Seller or any such person against any liability that would otherwise be imposed by reason of willful misfeasance, bad faith or negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement. The Seller and any director, officer, employee or agent of the Seller may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person respecting any matters arising under this Agreement.

(b) The Seller shall not be under any obligation to appear in, prosecute or defend any legal action that shall not be incidental to its obligations under this Agreement, and that in its opinion may cause it to incur any expense or liability; provided, however, that the Servicer may undertake any reasonable action that it may deem necessary or desirable in respect of this Agreement and the rights and duties of the

(Nissan 2013-A Sale and Servicing Agreement)

---

parties to this Agreement and the interests of the Certificateholders and the Noteholders under this Agreement. In such event, the legal expenses and costs of such action and any liability resulting therefrom shall be expenses, costs and liabilities of the Servicer, and the Servicer will not be entitled to be reimbursed therefor.

SECTION 6.06. Seller May Own Certificates or Notes. The Seller and any Affiliate of the Seller may in its individual or any other capacity become the owner or pledgee of Certificates or Notes with the same rights as it would have if it were not the Seller or an Affiliate thereof, except as otherwise provided in the Basic Documents. Certificates or Notes so owned by or pledged to the Seller or such controlling or commonly controlled Person shall have an equal and proportionate benefit under the provisions of this Agreement, without preference, priority or distinction as among all of the Certificates or the Notes, as the case may be, except as otherwise expressly provided in the Basic Documents.

## ARTICLE VII

### The Servicer

SECTION 7.01. Representations of Servicer. The Servicer makes the following representations, which speak as of the execution and delivery of this Agreement and as of the Closing Date and shall survive the sale of the Receivables to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

(a) Organization and Good Standing. The Servicer is duly organized and is validly existing as a corporation in good standing under the laws of the state of its incorporation, with corporate power and authority to own its properties and to conduct its business as such properties are currently owned and such business is presently conducted, and had at all relevant times, and has, corporate power, authority and legal right to acquire, own, sell and service the Receivables and to hold the Receivable Files as custodian on behalf of the Trust and the Indenture Trustee.

(b) Due Qualification. The Servicer is duly qualified to do business as a foreign corporation in good standing, and has obtained all necessary licenses and approvals in all jurisdictions in which the ownership or lease of property or the conduct of its business relating to the servicing of the Receivables as required by this Agreement shall require such qualifications and where the failure to so qualify would have a material adverse effect on the ability of the Servicer to perform its obligations under this Agreement.

(c) Power and Authority. The Servicer has the power and authority to execute and deliver this Agreement and to carry out its terms; and the execution, delivery and performance of this Agreement have been duly authorized by the Servicer by all necessary corporate action.

of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general equitable principles.

(e) No Violation. The consummation of the transactions contemplated by this Agreement, and the fulfillment of the terms hereof, do not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a default under, the articles of incorporation or by-laws of the Servicer, or any indenture, agreement or other instrument to which the Servicer is a party or by which it shall be bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument (other than the Basic Documents); nor violate any law or any order, rule or regulation applicable to the Servicer of any court or of any federal or state regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Servicer or its properties; which breach, default, conflict, Lien or violation in any case would have a material adverse effect on the ability of the Seller to perform its obligations under this Agreement.

(f) No Proceedings. There are no proceedings or investigations pending, or, to the best of the Servicer's knowledge, threatened, before any court, regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Servicer or its properties: (i) asserting the invalidity of this Agreement, the Trust Agreement, the Indenture, the Purchase Agreement, the Certificates or the Notes; (ii) seeking to prevent the issuance of the Certificates or the Notes or the consummation of any of the transactions contemplated by this Agreement, the Trust Agreement, the Indenture or the Purchase Agreement; (iii) seeking any determination or ruling that would materially and adversely affect the performance by the Servicer of its obligations under, or the validity or enforceability of, this Agreement, the Trust Agreement, the Indenture, the Purchase Agreement, the Certificates or the Notes; or (iv) relating to the Servicer and that would adversely affect the federal or any state income tax attributes of the Certificates or the Notes.

SECTION 7.02. Indemnities of Servicer. The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement:

(a) The Servicer shall defend, indemnify and hold harmless the Owner Trustee, the Indenture Trustee, the Trust, the Certificateholders and the Noteholders from and against any and all costs, expenses, losses, damages, claims and liabilities (collectively, "Damages") arising out of or resulting from the use, ownership or operation by the Servicer or any of its Affiliates (other than the Trust) of a Financed Vehicle.

(b) The Servicer shall indemnify, defend and hold harmless the Owner Trustee, the Indenture Trustee and the Trust from and against any and all Damages to the extent that such Damage arose out of, or was imposed upon, the Owner Trustee, the Indenture Trustee or the Trust through the negligence, willful misfeasance or bad faith of the Servicer in the performance of its duties under this Agreement or by reason of reckless disregard of its obligations and duties under this Agreement.

Promptly after receipt by a party indemnified under this Section 7.02 (for purposes of this paragraph, an “Indemnified Party”) of notice of the commencement of any action, such Indemnified Party will, if a claim in respect thereof is to be made against the Servicer under this Section 7.02, notify the Servicer of the commencement thereof. If any such action is brought against any Indemnified Party under this Section 7.02 and it notifies the Servicer of the commencement thereof, the Servicer will assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Party (who may, unless there is, as evidenced by an Opinion of Counsel to the Indemnified Party stating that there is, a conflict of interest, be counsel to the Servicer), and the Servicer will not be liable to such Indemnified Party under this Section 7.02 for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof, other than reasonable costs of investigation. The obligations set forth in this Section 7.02 shall survive the termination of this Agreement or the resignation or removal of the Servicer, the Owner Trustee or the Indenture Trustee and shall include reasonable fees and expenses of counsel and expenses of litigation. If the Servicer shall have made any indemnity payments pursuant to this Section 7.02 and the Person to or on behalf of whom such payments are made thereafter collects any of such amounts from others, such Person shall promptly repay such amounts to the Servicer, without interest (except to the extent received by such Person).

Indemnification under this Section 7.02 by NMAC (or any successor thereto pursuant to Section 7.03) as Servicer, with respect to the period such Person was the Servicer, shall survive the termination of such Person as Servicer or a resignation by such Person as Servicer as well as the termination of this Agreement and shall include reasonable fees and expenses of counsel and expenses of litigation. If the Servicer shall have made any indemnity payments pursuant to this Section 7.02 and the recipient thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts to the Servicer, without interest (except to the extent the recipient collects interest from others).

SECTION 7.03. Merger or Consolidation of, or Assumption of the Obligations of, Servicer. Any Person (i) into which the Servicer may be merged or consolidated, (ii) resulting from any merger, conversion or consolidation to which the Servicer shall be a party, (iii) succeeding to the business of the Servicer, or (iv) so long as NMAC acts as Servicer, that is a corporation more than 50% of the voting stock of which is owned directly or indirectly by Nissan, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Servicer under this Agreement, will be the successor to the Servicer under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties to this Agreement; provided, however, that (x) the Servicer shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate stating that such consolidation, merger or succession and such agreement of assumption comply with this Section 7.03 and that all conditions precedent provided for in this Agreement relating to such transaction have been complied with and (y) the Servicer shall have delivered to the Owner Trustee and the Indenture Trustee an Opinion of Counsel either (A) stating that, in the opinion of such counsel, based on customary qualifications and assumptions, all financing statements and continuation statements and amendments thereto have been executed and filed that are necessary fully to preserve and protect the interest of the Issuer and the Indenture Trustee in the Receivables, and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to perfect such interest. The Servicer shall provide

notice of any merger, consolidation or succession pursuant to this Section 7.03 to each Rating Agency.

SECTION 7.04. Limitation on Liability of Servicer and Others.

(a) Neither the Servicer nor any of the directors, officers, employees or agents of the Servicer shall be under any liability to the Trust, the Certificateholders or the Noteholders, except as provided under this Agreement, for any action taken or for refraining from the taking of any action pursuant to this Agreement or for errors in judgment; provided, however, that this provision shall not protect the Servicer or any such person against any liability that would otherwise be imposed by reason of willful misfeasance, bad faith or negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement. The Servicer and any director, officer, employee or agent of the Servicer may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person respecting any matters arising under this Agreement.

(b) Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute or defend any legal action that shall not be incidental to its duties to service the Receivables in accordance with this Agreement, and that in its opinion may cause it to incur any expense or liability; provided, however, that the Servicer may undertake any reasonable action that it may deem necessary or desirable in respect of the Basic Documents and the rights and duties of the parties to the Basic Documents and the interests of the Certificateholders under this Agreement and the Noteholders under the Indenture. In such event, the legal expenses and costs of such action and any liability resulting therefrom shall be expenses, costs and liabilities of the Servicer, and the Servicer will not be entitled to be reimbursed therefor.

SECTION 7.05. NMAC Not To Resign as Servicer. Subject to the provisions of Section 7.03, NMAC shall not resign from the obligations and duties hereby imposed on it as Servicer under this Agreement except upon determination that the performance of its duties under this Agreement shall no longer be permissible under applicable law. Notice of any such determination permitting the resignation of NMAC shall be communicated to the Owner Trustee and the Indenture Trustee at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Owner Trustee and the Indenture Trustee concurrently with or promptly after such notice. No such resignation shall become effective until the Indenture Trustee or a Successor Servicer shall (i) have taken the actions required by Section 8.01 of this Agreement to effect the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all cash amounts that shall at the time be held by the predecessor Servicer for deposit, or shall thereafter be received with respect to a Receivable and the delivery of the Receivable Files, and the related accounts and records maintained by the Servicer and (ii) have assumed the responsibilities and obligations of NMAC as Servicer under this Agreement in accordance with Section 8.02 of this Agreement (other than the initial Servicer's obligation to make Advances).

## ARTICLE VIII

### Default

SECTION 8.01. Servicer Default. If any one of the following events (a “Servicer Default”) shall occur and be continuing:

(a) any failure by the Servicer (or the Seller, so long as NMAC is the Servicer) to deliver to the Relevant Trustee for deposit in any of the Accounts any required payment or to direct the Relevant Trustee to make any required distributions therefrom, which failure continues unremedied for a period of five Business Days after (i) receipt by the Servicer (or the Seller, so long as NMAC is the Servicer) of written notice of such failure given by the Owner Trustee or the Indenture Trustee, (ii) receipt by the Servicer (or the Seller, so long as NMAC is the Servicer), the Owner Trustee or the Indenture Trustee of written notice of such failure given by Holders of Notes evidencing not less than a majority of the Outstanding Amount, or (iii) discovery of such failure by any officer of the Servicer; provided, however, that a failure under this clause (a) that continues unremedied for a period of ten Business Days or less will not constitute a Servicer Default if such failure was caused by force majeure or other similar occurrence;

(b) any failure by the Servicer (or the Seller, as long as NMAC is the Servicer) to duly observe or perform in any material respect any other covenants or agreements of the Servicer (or the Seller, as long as NMAC is the Servicer) set forth in this Agreement (including its obligation to purchase Receivables pursuant to Section 4.06), which failure shall materially and adversely affect the rights of the Certificateholders or the Noteholders and shall continue unremedied for a period of 90 days after giving of written notice of the failure to (i) the Servicer (or the Seller, as long as NMAC is the Servicer) by the Owner Trustee or the Indenture Trustee, or (ii) the Servicer (or the Seller, as long as NMAC is the Servicer) and the Owner Trustee or the Indenture Trustee by Holders of Notes evidencing not less than a majority of the Outstanding Amount or Holders of Certificates evidencing not less than a majority of the Certificate Balance; provided, however, that a failure under this clause (b) that continues unremedied for a period of 150 days or less will not constitute a Servicer Default if such failure was caused by force majeure or other similar occurrence; or

(c) the occurrence of an Insolvency Event with respect to the Servicer;

then, and in each and every case, so long as the Servicer Default shall not have been remedied, either the Indenture Trustee or the Holders of Notes evidencing a majority of the Outstanding Amount of the Notes, acting together as a single Class, by notice then given in writing to the Servicer (and to the Indenture Trustee and the Owner Trustee if given by the Noteholders) and the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(a)(i)(K) and Section 1(d) of the Administration Agreement) may terminate all of the rights and obligations (other than the obligations set forth in Section 7.02 hereof) of the Servicer under this Agreement. On or after the receipt by the Servicer of such written notice, all authority and power of the Servicer under this Agreement, whether with respect to the Notes, the Certificates or the Receivables or otherwise, shall, without further action, pass to and be vested

in the Indenture Trustee or such Successor Servicer as may be appointed under Section 8.02; and, without limitation, the Indenture Trustee and the Owner Trustee are hereby authorized and empowered to execute and deliver, for the benefit of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of the Receivables and related documents, or otherwise. The predecessor Servicer shall cooperate with the Successor Servicer and the Owner Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including, without limitation, the transfer to the Successor Servicer for administration by it of all cash amounts that shall at the time be held by the predecessor Servicer for deposit, or have been deposited by the predecessor Servicer, in the Accounts or thereafter received with respect to the Receivables that shall at that time be held by the predecessor Servicer and the delivery of the Receivable Files and the related accounts and records maintained by the predecessor Servicer. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the Receivable Files to the Successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section 8.01 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Notwithstanding the foregoing, in the event the predecessor Servicer is the Indenture Trustee, the original Servicer hereunder shall reimburse the Indenture Trustee for all reasonable costs and expenses as described in the immediately preceding sentence.

**SECTION 8.02. Appointment of Successor.**

(a) Upon the Servicer' s receipt of notice of termination pursuant to Section 8.01 or the Servicer' s resignation in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, in the case of termination, only until the date specified in such termination notice or, if no such date is specified in a notice of termination, until receipt of such notice and, in the case of resignation, until the earlier of (i) the date 45 days from the delivery to the Owner Trustee and the Indenture Trustee of written notice of such resignation (or written confirmation of such notice) in accordance with the terms of this Agreement and (ii) the date upon which the predecessor Servicer shall become unable to act as Servicer, as specified in the notice of resignation and accompanying Opinion of Counsel. In the event of the Servicer' s resignation or termination hereunder, the Indenture Trustee shall appoint a Successor Servicer, and the Successor Servicer shall accept its appointment (including its appointment as Administrator under the Administration Agreement as set forth in Section 8.02(b)) by a written assumption in form acceptable to the Owner Trustee and the Indenture Trustee and shall provide in writing the information reasonably required by the Seller to comply with its reporting obligations under the Exchange Act with respect to a replacement servicer. If a Successor Servicer has not been appointed at the time when the predecessor Servicer has ceased to act as Servicer in accordance with this Section 8.02, the Indenture Trustee without further action shall automatically be appointed the Successor Servicer and the Indenture Trustee shall be entitled to the Total Servicing Fee. Notwithstanding the above, the Indenture Trustee shall, if it is unwilling or legally unable so to act, appoint or petition a court of competent jurisdiction to appoint, and the predecessor Servicer, if no successor Servicer has been appointed at the time the predecessor Servicer has ceased to

act, may petition a court of competent jurisdiction to appoint any established institution having a net worth of not less than \$100,000,000 and whose regular business shall include the servicing of automobile and/or light-duty truck receivables, as the successor to the Servicer under this Agreement.

(b) Upon appointment, the Successor Servicer (including the Indenture Trustee acting as Successor Servicer) shall (i) be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto placed on the predecessor Servicer (except the initial Servicer's obligation to make Advances) and shall be entitled, subject to the arrangements referred to in paragraph (c) below, to the servicing fee and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement and (ii) become the Administrator under the Administration Agreement in accordance with Section 8 of such Agreement.

(c) In connection with such appointment, the Issuer may make such arrangements for the compensation of such Successor Servicer out of payments on Receivables as it and such Successor Servicer shall agree; provided, however, that no such compensation shall be in excess of that permitted the predecessor Servicer under this Agreement. The Issuer, the Indenture Trustee and such Successor Servicer shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession.

SECTION 8.03. Repayment of Advances. If the Servicer shall resign or be terminated, the Servicer shall continue to be entitled to receive, to the extent of available funds, reimbursement for Outstanding Advances pursuant to Sections 5.03 and 5.04 with respect to all Advances previously made thereby.

SECTION 8.04. Notification. Upon any termination of, or appointment of a successor to, the Servicer pursuant to this Article VIII, the Owner Trustee shall give prompt written notice thereof to the Certificateholders and the Indenture Trustee shall give prompt written notice thereof to the Noteholders and the Administrator (and the Administrator will provide notice thereof to each Rating Agency pursuant to Section 1(d) of the Administration Agreement).

SECTION 8.05. Waiver of Past Defaults. The Holders of Notes evidencing a majority of the Outstanding Amount of the Notes, or, in the case of any Servicer Default which does not adversely affect the Indenture Trustee or the Noteholders, the Holders of Certificates evidencing a majority of the Certificate Balance, may, on behalf of all the Noteholders and the Certificateholders, waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to or payments from the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

### Termination; Release of Receivables

#### SECTION 9.01. Optional Purchase of All Receivables.

(a) On each Distribution Date following the last day of a Collection Period as of which the Pool Balance shall be less than or equal to the Optional Purchase Percentage multiplied by the Original Pool Balance, NMAC, as Servicer, shall have the option to purchase, or cause to be purchased, the corpus of the Owner Trust Estate (whether or not such assets then comprise all or a portion of the Trust Estate) for an amount equal to the Optional Purchase Price (the "Optional Purchase"). To exercise such option, NMAC, as Servicer, shall notify the Owner Trustee and the Indenture Trustee of its intention to do so in writing, no later than the first Business Day of the month in which such purchase is to be effected and shall, on or before the Distribution Date on which such purchase is to occur (such Distribution Date, the "Redemption Date"), deposit pursuant to Section 5.05 in the Collection Account an amount equal to the Optional Purchase Price (subject to Section 5.09), and shall succeed to all interests in and to the Trust Estate and the Owner Trust Estate (other than the Reserve Account). Amounts so deposited will be paid and distributed as set forth in Section 5.06 of this Agreement. Upon such deposit of the amount necessary to purchase the corpus of the Owner Trust Estate, the Servicer shall for all purposes of this Agreement be deemed to have released all claims for reimbursement of Outstanding Advances made in respect of the Receivables.

(b) Notice of any such purchase of the Owner Trust Estate shall be given by the Owner Trustee and the Indenture Trustee to each Securityholder as soon as practicable after their receipt of notice thereof from the Servicer. The Servicer shall also deliver a copy of such notice to each Rating Agency.

(c) Following the satisfaction and discharge of the Indenture and the payment in full of the principal of and interest on the Notes, the Certificateholders will succeed to the rights of the Noteholders hereunder other than under Section 5.06 and the Owner Trustee will succeed to the rights of the Indenture Trustee provided for in this Agreement.

#### SECTION 9.02. Release of Receivables.

(a) Upon repurchase of any Receivable by the Seller pursuant to Section 3.02 or by the Servicer pursuant to Section 4.06 or Section 9.01, the Issuer and the Indenture Trustee on behalf of the Noteholders, shall, without further action, be deemed to transfer, assign, set-over and otherwise convey to the Seller or the Servicer, as the case may be, all right, title and interest of the Issuer in, to and under such repurchased Receivable, all monies due or to become due with respect thereto and all proceeds thereof and the other property conveyed to the Issuer hereunder pursuant to Section 2.01 with respect to such Receivable, and all security and any records relating thereto, such assignment being an assignment outright and not for security; and the Seller or the Servicer, as applicable, shall thereupon own each such Receivable, and all such related security and records, free

of any further obligation to the Issuer, the Owner Trustee, the Certificateholders, the Indenture Trustee or the Noteholders with respect thereto.

(b) The Issuer and Indenture Trustee shall execute such documents and instruments of transfer and assignment and take such other actions as shall be reasonably requested by the Seller or the Servicer, as the case may be, to effect the conveyance of such Receivable pursuant to Sections 3.02, 4.06 and 9.02.

#### SECTION 9.03. Termination.

(a) The respective obligations of the Seller, the Servicer, NMAC (so long as NMAC has rights or obligations hereunder), the Owner Trustee, and the Indenture Trustee, as the case may be, pursuant to this Agreement shall terminate upon the earliest of (i) the maturity or other liquidation of the last Receivable and the final disposition of all amounts received upon liquidation of any remaining Receivables, or (ii) the election by the Servicer to purchase the Owner Trust Estate as described in Section 9.01 and the payment or distribution to Securityholders of all amounts required to be paid to them under the Indenture or the Trust Agreement, as the case may be.

(b) Notice of any such termination under this Section 9.03 shall be given by the Indenture Trustee or the Owner Trustee to each Securityholder of record as specified in the Indenture or the Trust Agreement, as appropriate.

### ARTICLE X

#### Miscellaneous

#### SECTION 10.01. Amendment.

(a) This Agreement may be amended by the Seller, the Servicer and the Issuer, with the consent of the Indenture Trustee, but without the consent of any of the Noteholders or the Certificateholders, to cure any ambiguity, correct or supplement any provision herein that may be inconsistent with any other provision herein, or for any other purpose; provided that (i) the Servicer shall have delivered an Officer' s Certificate to the Indenture Trustee and the Owner Trustee stating that such amendment will not materially and adversely affect any Noteholder or (ii) the Rating Agency Condition shall have been satisfied with respect to such Amendment.

If any proposed amendment or supplement would materially and adversely affect any of the rights or obligations of any Certificateholder, the Owner Trustee shall obtain the consent of each Certificateholder prior to the adoption of such amendment or supplement; provided, that no Certificateholder' s consent to any such amendment or supplement shall be unreasonably withheld or delayed, and provided, further, that each Certificateholder' s consent will be deemed to have been given if such Certificateholder does not object in writing within 10 days of receipt of a written request for such consent. Upon receipt of the consent, or deemed consent, of each Certificateholder, the Owner Trustee shall notify the Indenture Trustee of such consent or deemed consent.

(Nissan 2013-A Sale and Servicing Agreement)

---

(b) This Agreement may also be amended from time to time by the Seller, the Servicer and the Issuer, with the consent of the Indenture Trustee and the consent of:

(1) the Holders of Notes evidencing a majority of the Outstanding Amount of the Notes; or

(2) in the case of any amendment that does not adversely affect the Indenture Trustee or the Noteholders, the Holders of the Certificates evidencing a majority of the outstanding Certificate Balance;

for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of those Noteholders or Certificateholders; provided, however, that no amendment shall:

(3) increase or reduce in any manner the amount of, or accelerate or delay the timing of, collections of payments on the Receivables or distributions that are required to be made for the benefit of those Noteholders or Certificateholders or change the Interest Rate or the Specified Reserve Account Balance (except as described above under clause (2) of subsection (a) above) without the consent of each “adversely affected” Noteholder or Certificateholder; or

(4) reduce the aforesaid percentage of the Outstanding Amount of the Notes or Certificate Balance of the Certificates which is required to consent to any amendment, without the consent of the Holders of all the then outstanding Notes or Certificates.

An amendment referred to above will be deemed not to “adversely affect” a Noteholder of any Class if the Rating Agency Condition with respect to such amendment shall have been satisfied. In connection with any amendment referred to in clause (1) above, the Servicer shall deliver an Officer’s Certificate to the Indenture Trustee and the Owner Trustee stating that those Noteholders and Certificateholders whose consents were not obtained were not adversely affected by such amendment.

Promptly after the execution of any such amendment or consent, the Servicer shall furnish written notification of the substance of such amendment or consent to each Rating Agency.

It shall not be necessary for the consent of the Certificateholders or the Noteholders pursuant to this Section 10.01 to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

Prior to the execution of any amendment to this Agreement, the Owner Trustee and the Indenture Trustee shall be entitled to receive and rely upon an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Agreement. The Owner Trustee and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects the Owner Trustee’s or the

The Seller shall deliver (or cause to be delivered) to the Owner Trustee and the Indenture Trustee file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing.

(b) The Seller and the Servicer shall notify the Owner Trustee and the Indenture Trustee within 30 days after any change of its name, identity or corporate structure in any manner that would, could or might make any financing statement or continuation statement filed in accordance with paragraph (a) above seriously misleading within the meaning of Section 9-507(c) of the UCC, and shall promptly file appropriate amendments to all previously filed financing statements or continuation statements.

(c) The Servicer shall at all times maintain each office from which it shall service Receivables, and its principal executive office, within the United States of America.

(e) The Servicer shall maintain its computer systems so that, from and after the time of sale under this Agreement of the Receivables to the Trust, the Servicer' s master computer records that refer to any Receivable shall indicate clearly the interest of the Issuer and the Indenture Trustee in such Receivable and that such Receivable is owned by the Issuer and has been pledged to the Indenture Trustee. The Servicer shall at all times maintain control of the Receivables constituting electronic chattel paper. Indication of these respective interests in a Receivable shall be deleted from or modified on the Servicer' s computer systems when, and only when, the related Receivable shall have become a Liquidated Receivable or been repurchased.

(f) If at any time the Seller or the Servicer shall propose to sell, grant a security interest in, or otherwise transfer any interest in automotive receivables to, any prospective purchaser, lender or other transferee, the Servicer shall give to such prospective purchaser, lender or other transferee computer tapes, records or printouts that, if they shall refer in any manner whatsoever to any Receivable, shall indicate clearly that

(g) Upon receipt of a written request from the Owner Trustee or the Indenture Trustee, which request shall be made no more frequently than annually, the Servicer shall furnish to the Owner Trustee or the Indenture Trustee, as the case may be, within 20 Business Days after receipt of such request, a list of all Receivables (by contract number and name of Obligor) then held as part of the Trust, together with a reconciliation of the Schedule of Receivables and to each of the Servicer's Certificates furnished before such request indicating removal of Receivables from the Trust. The Servicer shall permit the Indenture Trustee and its agents at any time during normal business hours upon reasonable prior notice to inspect, audit and make copies of and abstracts from the Servicer's records regarding any Receivable.

(h) The Servicer shall deliver within twelve months after the date of this Agreement, if requested by a Rating Agency, but no less frequently than every twelve months, a copy of an Opinion of Counsel to each Rating Agency either as to the Servicer's control of the Receivables evidenced by electronic contracts, or as to the Servicer's control of other automobile receivables evidenced by electronic contracts sold and serviced by the Servicer.

Notwithstanding anything to the contrary contained herein, except as provided in Sections 6.04 and 7.03 of this Agreement and as provided in the provisions of this Agreement concerning the resignation or termination of the Servicer, this Agreement may not be assigned by the Seller or the Servicer without the prior written consent of the Indenture Trustee, the Owner Trustee, the Holders of Notes evidencing not less than 66 2/3% of the Outstanding Amount and the Holders of Certificates evidencing not less than 66 2/3% of the Certificate Balance.

The provisions of this Agreement are solely for the benefit of the Seller, the Servicer, the Issuer, the Owner Trustee, the Certificateholders, the Indenture Trustee and the Noteholders, and nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Owner Trust Estate or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

SECTION 10.06. Severability. (b) Additional Duties.

(i) In addition to the duties of the Administrator set forth above, the Administrator shall perform such calculations, and shall prepare for execution by the Issuer or the Owner Trustee or shall cause the preparation by

other appropriate persons of all such documents, reports, filings, instruments, certificates and opinions as it shall be the duty of the Issuer or the Owner Trustee to prepare, file or deliver pursuant to the Basic Documents (other than any notice required to be delivered by the Owner Trustee pursuant to Sections 3.07, 6.03(e) and 10.04 of the Trust Agreement), and at the request of the Owner Trustee shall take all appropriate action that it is the duty of the Issuer or the Owner Trustee to take pursuant to the Basic Documents. Subject to Section 5 of this Agreement, and in accordance with the reasonable written directions of the Owner Trustee, the Administrator shall administer, perform or supervise the performance of such other activities in connection with the Collateral (including the Basic Documents) as are not covered by any of the foregoing provisions and as are expressly requested by the Owner Trustee and are reasonably within the capability of the Administrator.

(ii) Notwithstanding anything in this Agreement or the Basic Documents to the contrary, the Administrator shall be responsible for promptly notifying the Owner Trustee in the event that any withholding tax is imposed on the Issuer's payments (or allocations of income) to a Certificateholder as contemplated in Section 5.02(c) of the Trust Agreement. Any such notice shall specify the amount of any withholding tax required to be withheld by the Owner Trustee pursuant to such provision.

(iii) Notwithstanding anything in this Agreement or the Basic Documents to the contrary, the Administrator shall be responsible for performance of the duties of the Administrator set forth in Section 5.04(a), (b), (c), (d), (e) and (f) of the Trust Agreement with respect to, among other things, accounting and reports to the Certificateholders; provided, however, that the Owner Trustee shall remain exclusively responsible for the mailing of the Schedule K-1s necessary to enable each Certificateholder to prepare its federal and state income tax returns.

(iv) If any Certificateholder is not the Administrator or any of its Affiliates, the Administrator may satisfy its obligations with respect to clauses (ii) and (iii) above and under the Trust Agreement by retaining, at the expense of the Administrator, a firm of independent public accountants (the "Accountants") which shall perform the obligations of the Administrator thereunder.

In connection with paragraph (ii) above, if any Certificateholder is not the Administrator or any of its Affiliates, then the Administrator will cause the Accountants to provide, prior to December 1 of each year, a letter in form and substance satisfactory to the Owner Trustee as to whether any tax withholding is then required and, if required, the procedures to be followed with respect thereto to comply with the requirements of the Code. The Accountants shall be required to update the letter in each instance that any additional tax withholding is subsequently required or any previously required tax withholding shall no longer be required.

---

(v) The Administrator shall perform the duties of the Administrator specified in Section 10.02 and Section 10.03 of the Trust Agreement required to be performed in connection with the resignation or removal of the Owner Trustee, and any other duties expressly required to be performed by the Administrator under the Trust Agreement.

(vi) The Administrator shall perform all duties and obligations applicable to or required of the Issuer set forth in Appendix A to the Sale and Servicing Agreement in accordance with the terms and conditions thereof.

(vii) The Administrator shall obtain on behalf of the Trust, at its own expense, all licenses required to be held by the Trust under the laws of any jurisdiction in connection with ownership of the Receivables, and shall make all filings and pay all fees as may be required in connection therewith during the term hereof.

(viii) In carrying out the foregoing duties or any of its other obligations under this Agreement, the Administrator may enter into transactions with or otherwise deal with any of its Affiliates; provided, however, that the terms of any such transactions or dealings shall be in accordance with any directions received from the Issuer and shall be, in the Administrator's opinion, no less favorable to the Issuer than would be available from unaffiliated parties.

(c) Non-Ministerial Matters.

(i) With respect to matters that in the reasonable judgment of the Administrator are non-ministerial, the Administrator shall not take any action unless within a reasonable time before the taking of such action the Administrator shall have notified the Owner Trustee of the proposed action and the Owner Trustee shall not have withheld consent thereto or provided an alternative direction. For the purpose of the preceding sentence, "non-ministerial matters" shall include, without limitation:

(A) the amendment of the Indenture or execution of any supplement to the Indenture;

(B) the initiation of any claim or lawsuit by the Issuer and the compromise of any action, claim or lawsuit brought by or against the Issuer (other than in connection with the collection of the Receivables);

(C) the amendment, change or modification of any of the Basic Documents;

(D) the appointment of successor Note Registrars or successor Paying Agents pursuant to the Indenture or the appointment of successor Administrators, or the consent to the assignment by the Note Registrar, Paying Agent or Indenture Trustee of its obligations, in each case under the Indenture; and

---

(E) the removal of the Indenture Trustee.

(ii) Notwithstanding anything to the contrary in this Agreement, the Administrator shall not be obligated to, and shall not (x) make any payments to the Noteholders under the Basic Documents, (y) sell the Trust Estate pursuant to Section 5.04 of the Indenture, or (z) take any other action that the Issuer directs the Administrator not to take on its behalf.

(d) Notices to Rating Agencies. The Administrator will deliver to each Rating Agency notice (which notice shall be deemed to be delivered if delivered in accordance with Section 10) of the occurrence of (i) any event of default for which it has been provided notice pursuant to Section 3.18 of the Indenture; (ii) any merger or consolidation of the Indenture Trustee pursuant to Section 6.09 of the Indenture; (iii) any supplemental indenture pursuant to Section 9.01 and Section 9.02 of the Indenture; (iv) any merger or consolidation of the Owner Trustee pursuant to Section 10.04 of the Trust Agreement; (v) any amendment to the Trust Agreement pursuant to Section 11.01 of the Trust Agreement; (vi) any Servicer Default for which it has been provided notice pursuant to Section 8.01 of the Sale and Servicing Agreement; and (vii) any termination of, or appointment of a successor to, the Servicer for which it has been provided notice pursuant to Section 8.04 of the Sale and Servicing Agreement.

2. RECORDS. The Administrator shall maintain appropriate books of account and records relating to services performed hereunder, which books of account and records shall be accessible for inspection by the Issuer, the Owner Trustee and the Indenture Trustee at any time during normal business hours upon reasonable advance written notice.

3. COMPENSATION. As compensation for the performance of the Administrator's obligations under this Agreement and as reimbursement for its expenses related thereto, the Administrator shall be entitled to a monthly payment of compensation in an amount to be agreed to between the Administrator and the Servicer, which shall be solely an obligation of the Servicer.

4. ADDITIONAL INFORMATION TO BE FURNISHED TO THE ISSUER. The Administrator shall furnish to the Issuer from time to time such additional information regarding the Collateral as the Issuer shall reasonably request.

5. INDEPENDENCE OF THE ADMINISTRATOR. For all purposes of this Agreement, the Administrator shall be an independent contractor and shall not be subject to the supervision of the Issuer, the Owner Trustee or the Indenture Trustee with respect to the manner in which it accomplishes the performance of its obligations hereunder. Unless expressly authorized by the Issuer hereunder or otherwise, the Administrator shall have no authority to act for or represent the Issuer, the Owner Trustee or the Indenture Trustee, and shall not otherwise be or be deemed an agent of the Issuer, the Owner Trustee or the Indenture Trustee.

6. NO JOINT VENTURE. Nothing contained in this Agreement shall (i) constitute the Administrator and any of the Issuer, the Owner Trustee or the Indenture Trustee as members

---

of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (ii) be construed to impose any liability as such on any of them or (iii) be deemed to confer on any of them any express, implied or apparent authority to incur any obligation or liability on behalf of the others.

7. OTHER ACTIVITIES OF ADMINISTRATOR. Nothing herein shall prevent the Administrator or its Affiliates from engaging in other businesses or, in its or their sole discretion, from acting as an administrator for any other person or entity, or in a similar capacity therefor, even though such person or entity may engage in business activities similar to those of the Issuer, the Owner Trustee or the Indenture Trustee.

8. TERM OF AGREEMENT; RESIGNATION AND REMOVAL OF ADMINISTRATOR.

- (a) This Agreement shall continue in force until the termination of the Issuer, upon which event this Agreement shall automatically terminate.
- (b) Subject to Sections 8(e) and 8(f), the Administrator may resign by providing the Issuer with at least 30 days' prior written notice.
- (c) Subject to Sections 8(e) and 8(f), the Issuer may remove the Administrator without cause by providing the Administrator at least 30 days' prior written notice.
- (d) Subject to Sections 8(e) and 8(f), at the sole option of the Issuer, the Administrator may be removed immediately upon written notice of termination from the Issuer to the Administrator if any of the following events shall occur:

- (i) the Administrator shall fail to perform in any material respect any of its duties under this Agreement and, after notice of such default, shall not cure such default within 10 days (or, if such default cannot be cured in such time, shall not give within such 10 days such assurance of timely and complete cure as shall be reasonably satisfactory to the Issuer); or

- (ii) an Insolvency Event shall occur with respect to the Administrator.

The Administrator agrees that if the event specified in clause (ii) of this Section shall occur, it shall give written notice thereof to the Issuer, the Owner Trustee and the Indenture Trustee within seven days after the occurrence of such event.

- (e) No resignation or removal of the Administrator pursuant to this Section shall be effective until (i) a successor Administrator shall have been appointed by the Issuer and (ii) such successor Administrator shall have agreed in writing to be bound by the terms of this Agreement on substantially the same terms as the Administrator is bound hereunder.
  - (f) The appointment of any successor Administrator shall be effective only after the

Rating Agency Condition with respect to such appointment shall have been satisfied. Promptly after the appointment of any successor Administrator, the successor Administrator shall provide notice of such appointment to each Rating Agency.

- (g) Subject to Section 8(e) and 8(f), the Administrator acknowledges that upon the appointment of a Successor Servicer pursuant to the Sale and Servicing Agreement, the Administrator shall immediately resign and such Successor Servicer shall automatically succeed to the rights, duties and obligations of the Administrator under this Agreement.

Promptly upon the effective date of termination of this Agreement pursuant to Section 8(a) or the resignation or removal of the Administrator pursuant to Section 8(b) or 8(c) or 8(d), the Administrator shall be entitled to be paid all fees and reimbursable expenses accruing to it to the date of such termination, resignation or removal. The Administrator shall forthwith upon such termination pursuant to Section 8(a) deliver to or to the order of the Issuer all property and documents of or relating to the Collateral then in the custody of the Administrator. In the event of the resignation or removal of the Administrator pursuant to Section 8(b) or 8(c) or 8(d), the Administrator shall cooperate with the Issuer and take all reasonable steps requested to assist the Issuer in making an orderly transfer of the duties of the Administrator.

All notices, requests, reports, consents or other communications deliverable to any Rating Agency hereunder or under any other Basic Document shall be deemed to be delivered if a copy of such notice, request, report, consent or other communication has been posted on any website maintained by or on behalf of NMAC pursuant to a commitment to any Rating Agency relating to the Notes in accordance with 17 C.F.R. 240 17g-5(a)(3).

11. AMENDMENTS. This Agreement may be amended from time to time by a written amendment duly executed and delivered by the Issuer, the Administrator, and the Indenture Trustee, with the consent of the Owner Trustee but without the consent of any Noteholder or Certificateholder, for the purpose of adding any provisions to or modifying or changing in any manner or eliminating any of the provisions of this Agreement; provided that either (a) such amendment will not, as evidenced by an Officer' s Certificate of the Administrator, materially and adversely affect any Noteholder, or (b) the Rating Agency Condition has been satisfied with respect to such amendment. This Agreement may also be amended from time to time by the Issuer, the Administrator, and the Indenture Trustee with the consent of the Owner Trustee and (i) the holders of Notes evidencing a majority of the Outstanding Amount of the Notes, voting as a single class; or (ii) in the case of any amendment that does not adversely affect the Indenture Trustee, the Noteholders (as evidenced by an Officer' s Certificate of the Servicer and an outside Opinion of Counsel indicating that such amendment will not adversely affect the Indenture Trustee or the Noteholders), the holders of the Certificates evidencing a majority of the outstanding Certificate Balance of the Certificates, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of those Noteholders or Certificateholders which are not covered by the immediately preceding sentence.

12. SUCCESSOR AND ASSIGNS. An assignment with such consent and satisfaction, if accepted by the assignee, shall bind the assignee hereunder in the same manner as the Administrator is bound hereunder. Notwithstanding the foregoing, this Agreement may be assigned by the Administrator without the consent of the Issuer, the Owner Trustee and the Indenture Trustee to a corporation or other organization that is a successor (by merger, consolidation or purchase of assets) to the Administrator, provided that such successor organization executes and delivers to the Issuer, the Owner Trustee and the Indenture Trustee an agreement in which such corporation or other organization agrees to be bound hereunder by the

13. **GOVERNING LAW.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without reference to its conflict of law provisions (other than Section 5-1401 of the General Obligations Law of the State of New York), and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

14. **NO PETITION.** Notwithstanding any prior termination of this Agreement, the Administrator shall not, prior to the date which is one year and one day after the termination of this Agreement with respect to the Issuer, acquiesce, petition or otherwise invoke or cause the Issuer to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Issuer under any federal or state bankruptcy, insolvency or similar law, or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Issuer.

15. **HEADINGS.** The section headings hereof have been inserted for convenience of reference only and shall not be construed to affect the meaning, construction or effect of this Agreement.

16. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which when so executed shall together constitute but one and the same agreement.

17. **SEVERABILITY OF PROVISIONS.** If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid or unenforceable in any jurisdiction, then such agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or the other rights of the parties hereto.

18. **NOT APPLICABLE TO NMAC IN OTHER CAPACITIES.** Nothing in this Agreement shall affect any obligation, right or benefit NMAC may have in any other capacity or under any Basic Document.

19. **LIMITATION OF LIABILITY OF OWNER TRUSTEE AND INDENTURE TRUSTEE.** Notwithstanding anything contained herein to the contrary, this instrument has been countersigned by Wilmington Trust, National Association, not in its individual capacity but solely in its capacity as Owner Trustee of the Issuer, and Citibank, N.A., not in its individual capacity but solely in its capacity as Indenture Trustee under the Indenture and in no event shall Wilmington Trust, National Association in its individual capacity, Citibank, N.A., in its individual capacity, or any Certificateholder have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer hereunder or in any of the certificates, notices or agreements delivered pursuant hereto, as to all of which recourse shall be had solely to the assets of the Issuer.
