 - (C) if there is no Class A Conduit Investor with respect any Class A Investor Group, then the Class A Committed Note Purchaser(s) with respect to such Class A Investor Group, subject to Sub-Clause 2.2(a)(v) (*Class A Delayed Funding Procedures*), shall fund Class A Ordinary Advances (whether as a Class A Non-Delayed Amount or a Class A Delayed Amount) from time to time; and
 - (D) each Class A Conduit Investor, or each Class A Committed Note Purchaser if there is no Class A Conduit Investor with respect to any Class A Investor Group, shall fund any Class A Reserve Advance.
- (iii) *Class A Conduit Investor Funding.* Each Class A Conduit Investor hereby agrees with respect to itself that it will use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper; *provided that*, (i) no Class A Conduit Investor will have any obligation to use commercially reasonable efforts to fund Class A Advances made by its Class A Investor Group through the issuance of Class A Commercial Paper at any time that the funding of such Class A Advance through the issuance of Class A Commercial Paper would be prohibited by the program documents governing such Class A Conduit Investor’s commercial paper program, (ii) nothing herein is (or shall be construed) as a commitment by any Class A Conduit Investor to fund any Class A Advance through the issuance of Class A Commercial Paper; *provided further that*, the Class A Conduit Investors shall not, and shall not be obligated to, fund or pay any Class A Ordinary Advance pursuant to this Agreement unless (i) the respective Class A Conduit Investor has received funds that may be used to make such funding or other payment and which funds are not required to repay any of the commercial paper notes (“**Class A CP Notes**”) issued by such Class A Conduit Investor when due and (ii) after giving effect to such funding or payment, either (x) such Class A Conduit Investor could issue Class A CP Notes to refinance all of its outstanding Class A CP Notes (assuming such outstanding Class A CP Notes matured at such time) in accordance with the program documents governing its commercial paper program or (y) all of the Class A CP Notes are paid in full. Any amount that a Class A Conduit Investor does not pay pursuant to the operation of the second proviso of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or obligation of such Class A Conduit Investor for any such insufficiency.
- (iv) *Class A Advance Allocations.* The Issuer shall allocate the proposed Class A Advance among the Class A Investor Groups ratably by their respective Class A Commitment Percentages; *provided that*, in the event that one or more Class A Additional Investor Groups becomes party to this Agreement

in accordance with Sub-Clause 2.1(c) (*Additional Investor Groups*) or one or more Class A Investor Group Maximum Principal Increases are effected in accordance with Sub-Clause 2.1(d) (*Investor Group Maximum Principal Increase*), any Class A Additional Investor Group Initial Principal Amount in connection with the addition of each such Class A Additional Investor Group, any Class A Investor Group Maximum Principal Increase Amount in connection with each such Class A Investor Group Maximum Principal Increase and each Class A Advance subsequent to either of the foregoing shall be allocated solely to such Class A Additional Investor Groups and/or such Class A Investor Groups, as applicable, until (and only until)

the Class A Principal Amount is allocated ratably among all Class A Investor Groups (based upon each such Class A Commitment Percentage after giving effect to each such Class A Additional Investor Group becoming party hereto and/or each such Class A Investor Group Maximum Principal Increase, as applicable); *provided further* that on or prior to the Payment Date immediately following the date on which any such Class A Additional Investor Group becomes party hereto or a Class A Investor Group Maximum Principal Increase occurs, the Issuer shall use commercially reasonable efforts to request Class A Advances and/or effect Class A Voluntary Decreases in relation to the Class A Notes to the extent necessary to cause (after giving effect to such Class A Advances and Class A Voluntary Decreases in relation to the Class A Notes) the Class A Principal Amount to be allocated ratably among all Class A Investor Groups (based upon each such Class A Investor Group's Class A Commitment Percentage after giving effect to such Class A Additional Investor Group becoming party hereto or such Class A Investor Group Maximum Principal Increase, as applicable).

(v) *Class A Delayed Funding Procedures.*

- (A) A Class A Delayed Funding Purchaser, upon receipt of any notice of a Class A Ordinary Advance pursuant to Sub-Clause 2.2(a), promptly (but in no event later than 6:00 p.m. (London time) on the third Business Day prior to the proposed date of such Class A Ordinary Advance) may notify the Issuer in writing (a “**Class A Delayed Funding Notice**”) of its election to designate such Class A Ordinary Advance as a delayed Class A Ordinary Advance (such Class A Ordinary Advance, a “**Class A Designated Delayed Advance**”). If such Class A Delayed Funding Purchaser's ratable portion of such Class A Ordinary Advance exceeds its Class A Required Non-Delayed Amount (such excess amount, the “**Class A Permitted Delayed Amount**”), then the Class A Delayed Funding Purchaser shall also include in the Class A Delayed Funding Notice the portion of such Class A Ordinary Advance (such amount as specified in the Class A Delayed Funding Notice, not to exceed such Class A Delayed Funding Purchaser's Class A Permitted Delayed Amount, the “**Class A Delayed Amount**”) that the Class A Delayed Funding Purchaser has elected to fund on a Business Day that is on or prior to the thirty-fifth (35th) day following the proposed date of such Class A Ordinary Advance (such date as specified in the Class A Delayed Funding Notice, the “**Class A Delayed Funding Date**”) rather than on the date for such Class A Ordinary Advance specified in the related Class A Advance Request.
- (B) If (A) one or more Class A Delayed Funding Purchasers provide a Class A Delayed Funding Notice to the Issuer specifying a Class A Delayed Amount in respect of any Class A Ordinary Advance and (B) the Issuer shall not have revoked the notice of the Class A Ordinary Advance by 10:00 a.m. (London time) two Business Days preceding the proposed date of such Class A Ordinary Advance, then the Issuer, by no later than 11:30 a.m. (London time) two Business Days preceding the date of such proposed Class A Ordinary Advance, may (but shall have no obligation to) direct each Class A Available Delayed Amount Committed Note Purchaser to fund an additional portion of such Class A Ordinary Advance on the proposed date of such Class A Ordinary Advance equal to such Class A Available Delayed Amount Committed Note Purchaser's proportionate share (based upon the relative Class A Committed Note Purchaser Percentage of such Class A Available Delayed Amount Committed Note Purchasers) of the aggregate Class A Delayed Amount with respect to the proposed Advance; *provided that*, (i) no

Class A Available Delayed Amount Committed Note Purchaser shall be required to fund any portion of its proportionate share of such aggregate Class A Delayed Amount that would cause its Class A Investor Group Principal Amount to exceed its Class A Maximum Investor Group Principal Amount and (ii) any Class A Conduit Investor, if any, in the Class A Available Delayed Amount Committed Note Purchaser's Investor Group

may, in its sole discretion, agree to fund such proportionate share of such aggregate Class A Delayed Amount.

- (C) Upon receipt of any notice of a Class A Delayed Amount in respect of a Class A Advance pursuant to Sub-Clause 2.2(v)(B) (*Class A Delayed Funding Procedures*), a Class A Available Delayed Amount Committed Note Purchaser, promptly (but in no event later than 6:00 p.m. (London time) on the Business Day prior to the proposed date of such Class A Advance) may notify the Issuer in writing (a “**Class A Second Delayed Funding Notice**”) of its election to decline to fund a portion of its proportionate share of such Class A Delayed Amount (such portion, the “**Class A Second Delayed Funding Notice Amount**”); *provided that*, the Class A Second Delayed Funding Notice Amount shall not exceed the excess, if any, of (A) such Class A Available Delayed Amount Committed Note Purchaser’s proportionate share of such Class A Delayed Amount over (B) such Class A Available Delayed Amount Committed Note Purchaser’s Class A Required Non-Delayed Amount (after giving effect to the funding of any amount in respect of such Class A Advance to be made by such Class A Available Delayed Amount Committed Note Purchaser or the Class A Conduit Investor in such Class A Available Delayed Amount Committed Note Purchaser’s Class A Investor Group) (such excess amount, the “**Class A Second Permitted Delayed Amount**”), and upon any such election, such Class A Available Delayed Amount Committed Note Purchaser shall include in the Class A Second Delayed Funding Notice the Class A Second Delayed Funding Notice Amount.

(vi) *Funding Class A Advances*

- (A) Subject to the other conditions set forth in this Sub-Clause 2.2(a) (*Class A Advances*), on the date of each Class A Ordinary Advance, each Class A Conduit Investor and Class A Committed Note Purchaser(s) funding such Class A Ordinary Advance shall make available to the Issuer its portion of the amount of such Class A Ordinary Advance (other than any Class A Delayed Amount) by wire transfer in Euros in same day funds to the Issuer Principal Collection Account no later than 2:00 p.m. (London time) on the date of such Class A Ordinary Advance. Proceeds from any Class A Ordinary Advance shall be deposited into the Issuer Principal Collection Account.
- (B) Subject to the other conditions set forth in this Sub-Clause 2.2(a) (*Class A Advances*), on the date of each Class A Reserve Advance, each Class A Conduit Investor and Class A Committed Note Purchaser(s) funding such Class A Reserve Advance shall make available to the Issuer its portion of the amount of such Class A Reserve Advance by wire transfer in Euros in same day funds to the Issuer Reserve Account no later than 2:00 p.m. (London time) on the date of such Class A Reserve Advance. Proceeds from any Class A Reserve Advance shall be deposited into the Issuer Reserve Account.
- (C) A Class A Delayed Funding Purchaser that delivered a Class A Delayed Funding Notice in respect of a Class A Delayed Amount shall be obligated to fund such Class A Delayed Amount on the related Class A Delayed Funding Date in the manner set forth in the next succeeding sentence, irrespective of whether the Commitment Termination Date shall have occurred on or prior to such Class A Delayed Funding Date or the Issuer would be able to satisfy the Class A Funding

Conditions on such Class A Delayed Funding Date. Such Class A Delayed Funding Purchaser shall (i) (if applicable) pay the sum of the Class A Second Delayed Funding Notice Amount related to such Class A Delayed Amount, if any, to the Issuer no later than 2:00 p.m. (London time) on the related Class A Delayed Funding Date by wire transfer in Euros in same day funds to the Issuer Principal Collection Account, and (ii) pay the Class A Delayed Funding Reimbursement Amount related to such Class A Delayed Amount, if any, on such related Class A Delayed

Funding Date to each applicable Class A Funding Agent in immediately available funds for the ratable benefit of the related Class A Available Delayed Amount Purchasers that funded the Class A Delayed Amount on the date of the Class A Advance related to such Class A Delayed Amount in accordance with Sub-Clause 2.2(a)(v)(C) (*Class A Delayed Funding Procedures*), based on the relative amount of such Class A Delayed Amount funded by such Class A Available Delayed Amount Purchaser on the date of such Class A Advance pursuant to Sub-Clause 2.2(a)(v)(C) (*Class A Delayed Funding Procedures*).

- (vii) *Class A Funding Defaults*. If, by 2:00 p.m. (London time) on the date of any Class A Advance, one or more Class A Committed Note Purchasers in a Class A Investor Group (each, a “**Class A Defaulting Committed Note Purchaser**,” and each Class A Committed Note Purchaser in the related Class A Investor Group that is not a Class A Defaulting Committed Note Purchaser, a “**Class A Non-Defaulting Committed Note Purchaser**”) fails to make its portion of such Class A Advance, available to the Issuer pursuant to Sub-Clause 2.2(a)(vi) (*Funding Class A Advances*) (the aggregate amount unavailable to the Issuer as a result of any such failure being herein called an “**Class A Advance Deficit**”), then the Class A Funding Agent for such Class A Investor Group, by no later than 2:30 p.m. (London time) on the applicable date of such Class A Advance, shall instruct each Class A Non-Defaulting Committed Note Purchaser in the same Class A Investor Group as the Class A Defaulting Committed Note Purchaser to pay, by no later than 3:00 p.m. (London time), in immediately available funds, to the Issuer Principal Collection Account, an amount equal to the lesser of (i) such Class A Non-Defaulting Committed Note Purchaser’s *pro rata* portion (based upon the relative Class A Committed Note Purchaser Percentage of such Class A Non-Defaulting Committed Note Purchasers) of the Class A Advance Deficit and (ii) the amount by which such Class A Non-Defaulting Committed Note Purchaser’s *pro rata* portion (by Class A Committed Note Purchaser Percentage) of the Class A Maximum Investor Group Principal Amount for such Class A Investor Group exceeds the portion of the Class A Investor Group Principal Amount, respectively for such Class A Investor Group funded by such Class A Non-Defaulting Committed Note Purchaser (determined after giving effect to all Advances already made by such Class A Investor Group on such date). A Class A Defaulting Committed Note Purchaser shall forthwith, upon demand, pay to the applicable Funding Agent for the ratable benefit of the Class A Non-Defaulting Committed Note Purchasers all amounts paid by each such Class A Non-Defaulting Committed Note Purchaser on behalf of such Class A Defaulting Committed Note Purchaser, together with interest thereon, for each day from the date a payment was made by a Class A Non-Defaulting Committed Note Purchaser until the date such Class A Non-Defaulting Committed Note Purchaser has been paid such amounts in full, at a rate per annum equal to the sum of the Reference Rate plus 0.50% per annum. For the avoidance of doubt, no Class A Delayed Funding Purchaser that has provided a Class A Delayed Funding Notice in respect of a Class A Advance shall be considered to be in default of its obligation to fund its Class A Delayed Amount or be treated as a Class A Defaulting Committed Note Purchaser hereunder unless and until it has failed to fund the Class A Delayed Funding Reimbursement Amount or the Class A Second Delayed Funding Notice Amount on the related Class A Delayed Funding Date in accordance with Sub-Clause 2.2(a)(vi)(B) (*Funding Class A Advances*).

(b) *Class B Advances*

- (i) *Class B Advance Requests.* Subject to the terms of this Agreement, including satisfaction of the Class B Funding Conditions, the aggregate principal amount of the Class B Notes may be increased from time to time. On any Business Day during the Revolving Period, the Issuer, subject to this Sub-Clause 2.2(b) (*Class B Advances*), may increase the Class B Principal Amount (such increase, including any increase resulting from a Class B Investor Group Maximum Principal Increase Amount, is referred to as an “**Class B Advance**”), by increasing the principal amounts of the Class B Notes allocated ratably by their respective Class B Commitment Percentages in accordance with Sub-Clause 2.2(b)(iv) (*Class B Advance Allocations*).

- (A) Whenever the Issuer wishes a Class B Conduit Investor, or if there is no Class B Conduit Investor with respect to any Class B Investor Group, the Class B Committed Note Purchaser with respect to such Class B Investor Group, to make a Class B Advance, the Issuer shall notify the Administrative Agent, the related Class B Funding Agent and the Issuer Security Trustee by providing written notice substantially in the form of Exhibit J-2 (*Class B Form of Advance Notice*) delivered to the Administrative Agent, the Issuer Security Trustee and such Class B Funding Agent (with a copy of such notice delivered to the Class B Committed Note Purchasers) no later than 11:30 a.m. (London time) on the third Business Day prior to the proposed Class B Advance (which notice may be combined with the notice delivered pursuant to Sub-Clause 2.1(c) (*Additional Investor Groups*) in the case of a Class B Advance in connection with a Class B Additional Investor Group Initial Principal Amount, or pursuant to Sub-Clause 2.1(d) (*Investor Group Maximum Principal Increase*), in the case of a Class B Advance in connection with a Class B Investor Group Maximum Principal Increase Amount). Each such notice shall be irrevocable and shall in each case refer to this Agreement and specify the aggregate amount of the requested Class B Advance to be made on such date; *provided, however*, if the Issuer receives a Class B Delayed Funding Notice in accordance with Sub-Clause 2.2(b)(v) (*Class B Delayed Funding Procedures*) by 6:00 p.m. (London time) on the third Business Day prior to the date of any proposed Class B Advance, the Issuer shall have the right to revoke the Class B Advance Request by providing the Administrative Agent and each Class B Funding Agent (with a copy to the Issuer Security Trustee and each Class B Committed Note Purchaser) written notice, by telecopy or electronic mail, of such revocation no later than 10:00 a.m. (London time) on the second Business Day prior to the proposed date of such Class B Advance.
- (B) Each Class B Funding Agent shall promptly advise its related Class B Conduit Investor, or if there is no Class B Conduit Investor with respect to any Class B Investor Group, its related Class B Committed Note Purchaser, of any notice given pursuant to Sub-Clause 2.2(b)(i) (*Class B Advance Requests*) and, if there is a Class B Conduit Investor with respect to any Class B Investor Group, shall promptly thereafter (but in no event later than 11:00 a.m. (London time) on the second Business Day preceding the date of such proposed Class B Advance), notify the Issuer and the related Class B Committed Note Purchaser(s), whether such Class B Conduit Investor has determined to make such Class B Advance.
- (ii) *Party Obligated to Fund Class B Advances.* Upon the Issuer's request in accordance with Sub-Clause 2.2(b)(i) (*Class B Advances*):
- (A) each Class B Conduit Investor, if any, may fund Class B Advances (whether as a Class B Non-Delayed Amount or a Class B Delayed Amount) from time to time during the Revolving Period;
- (B) if any Class B Conduit Investor determines that it will not make a Class B Advance (whether as a Class B Non-Delayed Amount or a Class B Delayed Amount) or any portion of a Class B Advance (whether as a Class B Non-Delayed Amount or a Class B Delayed Amount), then such Class B Conduit Investor shall notify the Administrative Agent and the Class B Funding Agent with respect to such Class B Conduit Investor, and each Class B Committed Note Purchaser with respect to such Class B Conduit Investor, subject to Sub-Clause 2.2(b)(v) (*Class B Delayed Funding Procedures*) shall fund its *pro rata* portion (by Class B Committed Note Purchaser

Percentage) of the Class B Commitment Percentage with respect to such Class B Investor Group of such Class B Advance (whether as a Class B Non-Delayed Amount or a Class B Delayed Amount) not funded by such Class B Conduit Investor; and

- (C) if there is no Class B Conduit Investor with respect any Class B Investor Group, then the Class B Committed Note Purchaser(s) with respect to

such Class B Investor Group, subject to Sub-Clause 2.2(b)(v) (*Class B Delayed Funding Procedures*), shall fund Class B Advances (whether as a Class B Non-Delayed Amount or a Class B Delayed Amount) from time to time.

- (iii) *Class B Conduit Investor Funding.* Each Class B Conduit Investor hereby agrees with respect to itself that it will use commercially reasonable efforts to fund Class B Advances made by its Class B Investor Group through the issuance of Class B Commercial Paper; *provided that*, (i) no Class B Conduit Investor will have any obligation to use commercially reasonable efforts to fund Class B Advances made by its Class B Investor Group through the issuance of Class B Commercial Paper at any time that the funding of such Class B Advance through the issuance of Class B Commercial Paper would be prohibited by the program documents governing such Class B Conduit Investor's commercial paper program, (ii) nothing herein is (or shall be construed) as a commitment by any Class B Conduit Investor to fund any Class B Advance through the issuance of Class B Commercial Paper; *provided further that*, the Class B Conduit Investors shall not, and shall not be obligated to, fund or pay any amount pursuant to this Agreement unless (i) the respective Class B Conduit Investor has received funds that may be used to make such funding or other payment and which funds are not required to repay any of the commercial paper notes ("**Class B CP Notes**") issued by such Class B Conduit Investor when due and (ii) after giving effect to such funding or payment, either (x) such Class B Conduit Investor could issue Class B CP Notes to refinance all of its outstanding Class B CP Notes (assuming such outstanding Class B CP Notes matured at such time) in accordance with the program documents governing its commercial paper program or (y) all of the Class B CP Notes are paid in full. Any amount that a Class B Conduit Investor does not pay pursuant to the operation of the second proviso of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or obligation of such Class B Conduit Investor for any such insufficiency.
- (iv) *Class B Advance Allocations.* The Issuer shall allocate the proposed Class B Advance among the Class B Investor Groups ratably by their respective Class B Commitment Percentages; *provided that*, in the event that one or more Class B Additional Investor Groups becomes party to this Agreement in accordance with Sub-Clause 2.1(c) (*Additional Investor Groups*) or one or more Class B Investor Group Maximum Principal Increases are effected in accordance with Sub-Clause 2.1(d) (*Investor Group Maximum Principal Increase*), any Class B Additional Investor Group Initial Principal Amount in connection with the addition of each such Class B Additional Investor Group, any Class B Investor Group Maximum Principal Increase Amount in connection with each such Class B Investor Group Maximum Principal Increase and each Class B Advance subsequent to either of the foregoing shall be allocated solely to such Class B Additional Investor Groups and/or such Class B Investor Groups, as applicable, until (and only until) the Class B Principal Amount is allocated ratably among all Class B Investor Groups (based upon each such Class B Commitment Percentage after giving effect to each such Class B Additional Investor Group becoming party hereto and/or each such Class B Investor Group Maximum Principal Increase, as applicable); *provided further that* on or prior to the Payment Date immediately following the date on which any such Class B Additional Investor Group becomes party hereto or a Class B Investor Group Maximum Principal Increase occurs, the Issuer shall use commercially reasonable efforts to request Class B Advances and/or effect Class B Voluntary Decreases to the extent necessary to cause (after giving effect to such Class B Advances and Class B Voluntary Decreases) the Class B Principal Amount to be allocated ratably among all Class B Investor Groups (based upon each such

Class B Investor Group's Class B Commitment Percentage after giving effect to such Class B Additional Investor Group becoming party hereto or such Class B Investor Group Maximum Principal Increase, as applicable).

(v) *Class B Delayed Funding Procedures.*

- (A) A Class B Delayed Funding Purchaser, upon receipt of any notice of a Class B Advance pursuant to Sub-Clause 2.2(b)(i), promptly (but in no event later than 6:00 p.m. (London time) on the third Business Day prior

to the proposed date of such Class B Advance) may notify the Issuer in writing (a “**Class B Delayed Funding Notice**”) of its election to designate such Class B Advance as a delayed Class B Advance (such Class B Advance, a “**Class B Designated Delayed Advance**”). If such Class B Delayed Funding Purchaser’s ratable portion of such Class B Advance exceeds its Class B Required Non-Delayed Amount (such excess amount, the “**Class B Permitted Delayed Amount**”), then the Class B Delayed Funding Purchaser shall also include in the Class B Delayed Funding Notice the portion of such Class B Advance (such amount as specified in the Class B Delayed Funding Notice, not to exceed such Class B Delayed Funding Purchaser’s Class B Permitted Delayed Amount, the “**Class B Delayed Amount**”) that the Class B Delayed Funding Purchaser has elected to fund on a Business Day that is on or prior to the thirty-fifth (35th) day following the proposed date of such Class B Advance (such date as specified in the Class B Delayed Funding Notice, the “**Class B Delayed Funding Date**”) rather than on the date for such Class B Advance specified in the related Class B Advance Request.

- (B) If (A) one or more Class B Delayed Funding Purchasers provide a Class B Delayed Funding Notice to the Issuer specifying a Class B Delayed Amount in respect of any Class B Advance and (B) the Issuer shall not have revoked the notice of the Class B Advance by 10:00 a.m. (London time) two Business Days preceding the proposed date of such Class B Advance, then the Issuer, by no later than 11:30 a.m. (London time) two Business Days preceding the date of such proposed Class B Advance, may (but shall have no obligation to) direct each Class B Available Delayed Amount Committed Note Purchaser to fund an additional portion of such Class B Advance on the proposed date of such Class B Advance equal to such Class B Available Delayed Amount Committed Note Purchaser’s proportionate share (based upon the relative Class B Committed Note Purchaser Percentage of such Class B Available Delayed Amount Committed Note Purchasers) of the aggregate Class B Delayed Amount with respect to the proposed Advance; *provided that*, (i) no Class B Available Delayed Amount Committed Note Purchaser shall be required to fund any portion of its proportionate share of such aggregate Class B Delayed Amount that would cause its Class B Investor Group Principal Amount to exceed its Class B Maximum Investor Group Principal Amount and (ii) any Class B Conduit Investor, if any, in the Class B Available Delayed Amount Committed Note Purchaser’s Investor Group may, in its sole discretion, agree to fund such proportionate share of such aggregate Class B Delayed Amount.
- (C) Upon receipt of any notice of a Class B Delayed Amount in respect of a Class B Advance pursuant to Sub-Clause 2.2(b)(v)(B) (*Class B Delayed Funding Procedures*), a Class B Available Delayed Amount Committed Note Purchaser, promptly (but in no event later than 6:00 p.m. (London time) on the Business Day prior to the proposed date of such Class B Advance) may notify the Issuer in writing (a “**Class B Second Delayed Funding Notice**”) of its election to decline to fund a portion of its proportionate share of such Class B Delayed Amount (such portion, the “**Class B Second Delayed Funding Notice Amount**”); *provided that*, the Class B Second Delayed Funding Notice Amount shall not exceed the excess, if any, of (A) such Class B Available Delayed Amount Committed Note Purchaser’s proportionate share of such Class B Delayed Amount over (B) such Class B Available Delayed Amount Committed Note Purchaser’s Class B Required Non-Delayed Amount (after giving effect to the funding of any amount in respect

of such C Class B Advance to be made by such Class B Available Delayed Amount Committed Note Purchaser or the Class B Conduit Investor in such Class B Available Delayed Amount Committed Note Purchaser's Class B Investor Group) (such excess amount, the "**Class B Second Permitted Delayed Amount**"), and upon any such election, such Class B Available Delayed Amount Committed Note Purchaser shall include in the Class B

Second Delayed Funding Notice the Class B Second Delayed Funding Notice Amount.

(vi) *Funding Class B Advances*

(A) Subject to the other conditions set forth in this Sub-Clause 2.2(b) (*Class B Advances*), on the date of each Class B Advance, each Class B Conduit Investor and Class B Committed Note Purchaser(s) funding such Class B Advance shall make available to the Issuer its portion of the amount of such Class B Advance (other than any Class B Delayed Amount) by wire transfer in Euros in same day funds to the Issuer Principal Collection Account no later than 2:00 p.m. (London time) on the date of such Class B Advance. Proceeds from any Class B Advance shall be deposited into the Issuer Principal Collection Account.

(B) A Class B Delayed Funding Purchaser that delivered a Class B Delayed Funding Notice in respect of a Class B Delayed Amount shall be obligated to fund such Class B Delayed Amount on the related Class B Delayed Funding Date in the manner set forth in the next succeeding sentence, irrespective of whether the Commitment Termination Date shall have occurred on or prior to such Class B Delayed Funding Date or the Issuer would be able to satisfy the Class B Funding Conditions on such Class B Delayed Funding Date. Such Class B Delayed Funding Purchaser shall (i) (if applicable) pay the sum of the Class B Second Delayed Funding Notice Amount related to such Class B Delayed Amount, if any, to the Issuer no later than 2:00 p.m. (London time) on the related Class B Delayed Funding Date by wire transfer in Euros in same day funds to the Issuer Principal Collection Account, and (ii) pay the Class B Delayed Funding Reimbursement Amount related to such Class B Delayed Amount, if any, on such related Class B Delayed Funding Date to each applicable Class B Funding Agent in immediately available funds for the ratable benefit of the related Class B Available Delayed Amount Purchasers that funded the Class B Delayed Amount on the date of the Class B Advance related to such Class B Delayed Amount in accordance with Sub-Clause 2.2(b)(v)(C) (*Class B Delayed Funding Procedures*), based on the relative amount of such Class B Delayed Amount funded by such Class B Available Delayed Amount Purchaser on the date of such Class B Advance pursuant to Sub-Clause 2.2(b)(v)(C) (*Class B Delayed Funding Procedures*).

(vii) *Class B Funding Defaults*. If, by 2:00 p.m. (London time) on the date of any Class B Advance, one or more Class B Committed Note Purchasers in a Class B Investor Group (each, a “**Class B Defaulting Committed Note Purchaser**,” and each Class B Committed Note Purchaser in the related Class B Investor Group that is not a Class B Defaulting Committed Note Purchaser, a “**Class B Non-Defaulting Committed Note Purchaser**”) fails to make its portion of such Class B Advance, available to the Issuer pursuant to Sub-Clause 2.2(b)(vi) (*Funding Class B Advances*) (the aggregate amount unavailable to the Issuer as a result of any such failure being herein called an “**Class B Advance Deficit**”), then the Class B Funding Agent for such Class B Investor Group, by no later than 2:30 p.m. (London time) on the applicable date of such Class B Advance, shall instruct each Class B Non-Defaulting Committed Note Purchaser in the same Class B Investor Group as the Class B Defaulting Committed Note Purchaser to pay, by no later than 3:00 p.m. (London time), in immediately available funds, to the Issuer Principal Collection Account, an amount equal to the lesser of (i) such Class B Non-Defaulting Committed Note Purchaser’s *pro rata* portion (based upon the relative Class B Committed Note Purchaser Percentage of such Class B Non-Defaulting Committed Note Purchasers) of the Class B Advance Deficit and (ii) the

amount by which such Class B Non-Defaulting Committed Note Purchaser's *pro rata* portion (by Class B Committed Note Purchaser Percentage) of the Class B Maximum Investor Group Principal Amount for such Class B Investor Group exceeds the portion of the Class B Investor Group Principal Amount for such Class B Investor Group funded by such Class B Non-Defaulting Committed Note Purchaser (determined after giving effect to all Advances already made by such Class B Investor Group on such date). A Class B

Defaulting Committed Note Purchaser shall forthwith, upon demand, pay to the applicable Funding Agent for the ratable benefit of the Class B Non-Defaulting Committed Note Purchasers all amounts paid by each such Class B Non-Defaulting Committed Note Purchaser on behalf of such Class B Defaulting Committed Note Purchaser, together with interest thereon, for each day from the date a payment was made by a Class B Non-Defaulting Committed Note Purchaser until the date such Class B Non-Defaulting Committed Note Purchaser has been paid such amounts in full, at a rate per annum equal to the sum of the Reference Rate plus 0.50% per annum. For the avoidance of doubt, no Class B Delayed Funding Purchaser that has provided a Class B Delayed Funding Notice in respect of a Class B Advance shall be considered to be in default of its obligation to fund its Class B Delayed Amount or be treated as a Class B Defaulting Committed Note Purchaser hereunder unless and until it has failed to fund the Class B Delayed Funding Reimbursement Amount or the Class B Second Delayed Funding Notice Amount on the related Class B Delayed Funding Date in accordance with Sub-Clause 2.2(b)(vi)(B) (*Funding Class B Advances*).

- (c) *No obligation to make Class A Advance Requests or Class B Advance Requests.* For the avoidance of doubt, the Issuer is not obliged to make any Class A Advance Requests or Class B Advance Requests, save that the Issuer shall deliver a Class A Advance Request to the Administrative Agent, the Class A Funding Agents and the Issuer Security Trustee (i) on the third Business Day prior to the Payment Date immediately preceding the Commitment Termination Date, in an amount equal to the Required Reserve Advance Amount and (ii) upon the occurrence of a Liquidation Event, in an amount equal to the Required Reserve Advance Amount; *provided that*, if the Issuer obtains actual knowledge of the occurrence of a Liquidation Event after 10:30 a.m. (London time) on any Business Day, the Class A Advance Request required to be delivered in accordance with item (ii) of this Sub-Clause 2.2(c) shall be delivered no later than 11:30 a.m. (London time) on the next succeeding Business Day; *provided further that*, no Class A Advance Request shall be required in accordance with item (ii) of this Sub-Clause 2.2(c) if a Class A Advance Request shall have previously been delivered in accordance with item (i) of this Sub-Clause 2.2(c).

2.3 Procedure for Decreasing the Principal Amount

- (a) *Principal Decreases.* Subject to the terms of this Agreement, the aggregate principal amount of the Issuer Notes may be decreased from time to time.
- (b) *Expected Decrease*
- (i) The expected repayment date of each Class A Advance shall be specified in the Class A Advance Request, which shall be a Payment Date or an Alternative Payment Date (such date, the “**Expected Payment Date**”); *provided that*, with respect to the Class A Initial Advance Amount with respect to each Class A Noteholder as of the Closing Date, the Expected Payment Date shall be the first Alternative Payment Date.
- (ii) Should the Issuer wish to repay a Class A Advance on its Expected Payment Date (the amount of such Class A Advance to be repaid, the “**Class A Expected Decrease Amount**”), then the Issuer shall provide notice to each Class A Noteholder, each Class A Conduit Investor, each Class A Committed Note Purchaser, the Administrative Agent and the Issuer Security Trustee at least 3 Business Days prior to such Expected Payment Date. Each such notice shall set forth the date of such Class A Expected Decrease, the related

Class A Expected Decrease Amount, whether the Issuer is electing to pay any Class A Terminated Purchaser in connection with such Class A Expected Decrease, and the amount to be paid to such Class A Terminated Purchaser (if any).

- (iii) Any Class A Advance which is repaid on a Payment Date or an Alternative Payment Date shall be payable in accordance with Clause 5 (*Priority of Payments*) (such repayment, a “**Class A Expected Decrease**”).
- (iv) If the Issuer does not provide notice in accordance with Sub-Clause 2.3(b)(ii) above, then the relevant Class A Advance shall not be due and payable on its

Expected Payment Date but instead will become due and payable on the earlier of the next Alternative Payment Date and the next Payment Date, in each case immediately after such Expected Payment Date. Person's capital as a consequence of its commitment or the Class A Advances and/or the Class B Advances, as the case may be, made by such Affected Person hereunder is reduced to a level below that which such Affected Person or such controlling Person would have achieved but for the occurrence of any such Change in Law, then, in any such case after notice from time to time by such Affected Person to the related Funding Agent and the Issuer, the Issuer shall pay to such Funding Agent and such Funding Agent shall pay to such Affected Person an incremental commitment fee, payable on each Payment Date, sufficient to compensate such Affected Person or such controlling Person for such reduction in rate of return to the extent that the increased costs for which such Affected Person is being compensated are allocable to the existence of such Affected Person's Class A Advances or Class B Advances, as applicable, or Class A Commitment or Class B Commitment, as applicable, hereunder. A statement of such Affected Person as to any such additional amount or amounts (including calculations thereof in reasonable detail), in the absence of manifest error, shall be conclusive and binding on the Issuer; *provided that*, the initial payment of such increased commitment fee shall include a payment for accrued amounts due under this Sub-Clause 3.7 (*Increased Capital Costs*) prior to such initial payment.

Similarly, a Noteholder (or related Funding Agent on behalf of such Noteholder) shall notify the Issuer Administrator and Administrative Agent on becoming so aware in respect of a payment payable to that Noteholder.
- (c) *Tax Gross-Up.* Subject to Sub-Clause 3.8(d) (*Exemption from Tax Gross-Up*), if a Tax Deduction is required by law to be made by the Issuer, the amount of the payment due from the Issuer shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been made or required to be made. If the Issuer is required to make a Tax Deduction, the Issuer shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law. Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Issuer shall deliver to Noteholder entitled to the payment (or its agent) evidence reasonably satisfactory to that Noteholder that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.
- (d) *Exemption from Tax Gross-Up.* The Issuer is not required to make an increased payment to a Noteholder under Sub-Clause 3.8(c) (*Tax Gross-Up*) above for a Tax Deduction, if on the date on which the payment falls due, the payment could have been made to the relevant Noteholder without a Tax Deduction if it was a Qualifying Noteholder, but on that date that Noteholder is not or has ceased to be a Qualifying Noteholder other than as a result of any change, after the date it became a Noteholder under this Agreement, in (or in the interpretation, administration, or application of) any law or any published practice or concession of any relevant Tax Authority.

Any amounts payable by the Issuer under the Specified Cost Clauses shall constitute Carrying Charges. The agreements in the Specified Cost Clauses and in this Sub-Clause 3.9 (*Carrying Charges; Survival*) shall survive the termination of this Agreement and the Issuer Note Framework Agreement and the payment of all amounts payable hereunder and thereunder.

3.10 Minimizing Costs and Expenses and Equivalent Treatment

- (a) Each Affected Person shall be deemed to have agreed that it shall, as promptly as practicable after it becomes aware of any circumstance referred to in any Specified Cost Clause, use commercially reasonable efforts (to the extent not inconsistent with its internal policies of general application) to minimize the costs, expenses, Taxes or other Liabilities incurred by it and payable to it by the Issuer pursuant to such Specified Cost Clause.
- (b) In determining any amounts payable to it by the Issuer pursuant to any Specified Cost Clause, each Affected Person shall treat the Issuer the same as or better than all similarly situated Persons (as determined by such Affected Person in its reasonable discretion) and such Affected Person may use any method of averaging and attribution that it (in its reasonable discretion) shall deem applicable so long as it applies such method to other similar transactions, such that the Issuer is treated the same as, or better than, all such other similarly situated Persons with respect to such other similar transactions.

3.11 Timing Threshold for Specified Cost Clauses

Notwithstanding anything in this Agreement to the contrary, the Issuer shall not be under any obligation to compensate any Affected Person pursuant to any Specified Cost Clause in respect of any amount otherwise owing pursuant to any Specified Cost Clause that arose during any period prior to the date that is 180 days prior to such Affected Person's obtaining knowledge thereof, except that the foregoing limitation shall not apply to any increased costs arising out of the retroactive application of any Change in Law within such 180-day period. If, after the payment of any amounts by the Issuer pursuant to any Specified Cost Clause, any applicable law, rule or regulation in respect of which a payment was made is thereafter determined to be invalid or inapplicable to such Affected Person, then such Affected Person, within sixty (60) days after such determination, shall repay any amounts paid to it by the Issuer hereunder in respect of such Change in Law.

7.5 Control by Required Noteholders

The Required Noteholders may direct the time, method and place of conducting any proceeding for any remedy available to the Issuer Security Trustee on behalf of the Noteholders or exercising any trust or power conferred on the Issuer Security Trustee. Subject to the provisions of the Issuer Security Trust Deed, the Issuer Security Trustee may, however, refuse to follow any direction that conflicts with law, this Agreement or the Issuer Note Framework Agreement, that the Issuer Security Trustee determines may be materially prejudicial to the rights of other Noteholders, or that may involve the Issuer Security Trustee in personal liability.

such Noteholders, to pay the Issuer Security Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Issuer Security Trustee, its agents and counsel. Nothing herein contained shall be deemed to authorize the Issuer Security Trustee to authorize or consent to or accept or adopt on behalf of any such Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Issuer Notes of any Noteholder or the rights of any such Noteholder thereof, or to authorize the Issuer Security Trustee to vote in respect of the claim of any such Noteholder in any such proceeding.

7.11 Delay or Omission Not Waiver

No delay or omission of the Issuer Security Trustee or of any Noteholder to exercise any right or remedy accruing upon any Amortization Event shall impair any such right or remedy or constitute a waiver of any such Amortization Event or acquiescence thereto (other than any such right or remedy that by its terms requires such Amortization Event to be continuing at the time of exercising such right or remedy). Every right and remedy given by this Clause 7 (*Amortization Events and Remedies*) or by law to the Issuer Security Trustee or to each Noteholder may be exercised from time to time, and as often as may be deemed expedient, by the Issuer Security Trustee or such Noteholder, as the case may be. For the avoidance of doubt, this Sub-Clause 7.11 (*Delay or Omission Not Waiver*) shall be subject to and qualified in its entirety by the provisions of Sub-Clause 11.10 (*Amendments*) and paragraph 2 (*Amendments*) of Annex 2 (*Covenants*).

7.12 Reassignment of Surplus

- (G) the defined terms and other terms and provisions of this Agreement and each other Issuer Related Documents shall be interpreted in accordance with the foregoing; and
- (H) if reasonably requested by the Class B Funding Agent with respect to such Class A Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Class B Funding Agent may reasonably request to evidence and give effect to the foregoing.

No assignment by any Class B Conduit Investor to a Class B Conduit Assignee of all or any portion of the Class B Investor Group Principal Amount with respect to such Class B Conduit Investor shall in any way diminish the obligation of the Class B Committed Note Purchasers in the same Class B Investor Group as

such Class B Conduit Investor under Clause 2.2 to fund any Class B Advance not funded by such Class B Conduit Investor or such Class B Conduit Assignee.

- (iii)** Any Class B Conduit Investor and the Class B Committed Note Purchaser with respect to such Class B Conduit Investor (or, with respect to any Class A Investor Group without a Class B Conduit Investor, the related Class B Committed Note Purchaser) at any time may sell all or any part of their respective (or, with respect to a Class B Investor Group without a Class B Conduit Investor, its) rights and obligations under this Agreement and the Class B Notes, with the prior written

consent of the Issuer, which consent shall not be unreasonably withheld, to a Class B Investor Group with respect to which each acquiring Class B Conduit Investor is a multi-seller commercial paper conduit, whose commercial paper has ratings of at least “A-2” from S&P and “P2” from Moody’s and that includes one or more financial institutions providing support to such multi-seller commercial paper conduit (an “**Class B Acquiring Investor Group**”) pursuant to a transfer supplement, substantially in the form of Exhibit H (the “**Class B Investor Group Supplement**”), executed by such Class B Acquiring Investor Group, the Class B Funding Agent with respect to such Class B Acquiring Investor Group (including each Class B Conduit Investor (if any) and the Class B Committed Note Purchasers with respect to such Class B Investor Group), such assigning Class B Conduit Investor and the Class B Committed Note Purchasers with respect to such Class B Conduit Investor, the Class B Funding Agent with respect to such assigning Class B Conduit Investor and Class B Committed Note Purchasers and the Issuer and delivered to the Administrative Agent; *provided that*, the consent of the Issuer to any such assignment shall not be required after the occurrence and during the continuance of an Amortization Event with respect to the Class B Notes; *provided further that* the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to a potential Class B Acquiring Investor Group that (a) has ratings of at least “A-2” from S&P and “P2” by Moody’s, but does not have ratings of at least “A-1” from S&P or “P1” by Moody’s if such assignment will result in a material increase in the Issuer’s costs of financing with respect to the applicable Issuer Notes or (b) is a Disqualified Party.

- (iv) Any Class B Committed Note Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities (“**Class B Participants**”) participations in its Class B Committed Note Purchaser Percentage of the Class B Maximum Investor Group Principal Amount with respect to it and the other Class B Committed Note Purchasers included in the related Class B Investor Group, its Class B Note and its rights hereunder (or, in each case, a portion thereof) pursuant to documentation in form and substance satisfactory to such Class B Committed Note Purchaser and the Class B Participant; *provided, however*, that (i) in the event of any such sale by a Class B Committed Note Purchaser to a Class B Participant, (A) such Class B Committed Note Purchaser’s obligations under this Agreement shall remain unchanged, (B) such Class B Committed Note Purchaser shall remain solely responsible for the performance thereof and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Class B Committed Note Purchaser in connection with its rights and obligations under this Agreement, (ii) no Class B Committed Note Purchaser shall sell any participating interest under which the Class B Participant shall have any right to approve, veto, consent, waive or otherwise influence any approval, consent or waiver of such Class B Committed Note Purchaser with respect to any amendment, consent or waiver with respect to this Agreement or any other Issuer Related Document, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Class B Committed Note Purchasers hereunder, and (iii) no Class B Committed Note Purchaser shall sell any participating interest to any Disqualified Party. A Class B Participant shall have the right to receive reimbursement for amounts due pursuant to each Specified Cost Section but only to the extent that the related selling Class B Committed Note Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sub-Clause 3.8, only to the extent such Class B Participant shall have complied with the provisions of Sub-Clause 3.8 as if such Class B Participant were a Class B Committed

Note Purchaser. Each such Class B Participant shall be deemed to have agreed to the provisions set forth in Sub-Clause 3.10 as if such Class B Participant were a Class B Committed Note Purchaser.

- (v) The Issuer authorizes each Class B Committed Note Purchaser to disclose to any Class B Participant or Class B Acquiring Committed Note Purchaser (each, a “**Class B Transferee**”) and any prospective Class B Transferee any and all financial information in such Class B Committed Note Purchaser’s possession concerning the Issuer, the Issuer Collateral, the Issuer Administrator and the Issuer Related Documents that has been delivered to such Class B Committed

Note Purchaser by the Issuer in connection with such Class B Committed Note Purchaser's credit evaluation of the Issuer, the Issuer Collateral and the Issuer Administrator. For the avoidance of doubt, no Class B Committed Note Purchaser may disclose any of the foregoing information to any Class B Transferee who is a Disqualified Party without the prior written consent of an Authorized Officer of the Issuer, which consent may be withheld for any reason in the Issuer's sole and absolute discretion.

- (vi) Notwithstanding any other provision set forth in this Agreement, each Class B Conduit Investor or, if there is no Class B Conduit Investor with respect to any Class B Investor Group, the Class B Committed Note Purchaser with respect to such Class B Investor Group may at any time grant to one or more Class B Program Support Providers (or, in the case of a Class B Conduit Investor, to its related Class B Committed Note Purchaser) a participating interest in, security interest or lien on, or otherwise transfer and assign to one or more Class B Program Support Providers (or, in the case of a Class B Conduit Investor, to its related Class A Committed Note Purchaser), such Class B Conduit Investor's or, if there is no Class B Conduit Investor with respect to any Class B Investor Group, the related Class B Committed Note Purchaser's interests in the Class B Advances made hereunder and such Class B Program Support Provider (or such Class B Committed Note Purchaser, as the case may be), with respect to its participating or assigned interest, shall be entitled to the benefits granted to such Class B Conduit Investor or Class B Committed Note Purchaser, as applicable, under this Agreement.
- (vii) Notwithstanding any other provision set forth in this Agreement, each Class B Conduit Investor may at any time, without the consent of the Issuer, transfer and assign all or a portion of its rights in the Class B Notes (and its rights hereunder and under other Issuer Related Documents) to its related Class B Committed Note Purchaser. Furthermore, each Class B Conduit Investor may at any time grant a security interest in or security on, all or any portion of its interests under this Agreement, its Class B Note and each other Issuer Related Document to (i) its related Class B Committed Note Purchaser, (ii) its Class B Funding Agent, (iii) any Class B Program Support Provider who, at any time now or in the future, provides program liquidity or credit enhancement, including an insurance policy for such Class B Conduit Investor relating to the Class B Commercial Paper or the Class B Notes, (iv) any other Person who, at any time now or in the future, provides liquidity or credit enhancement for the Class B Conduit Investors, including an insurance policy relating to the Class B Commercial Paper or the Class B Notes or (v) any security trustee or security agent for any of the foregoing; *provided, however*, any such security interest or lien shall be released upon assignment of its Class B Note to its related Class B Committed Note Purchaser. Each Class B Committed Note Purchaser may assign its Class B Commitment, or all or any portion of its interest under its Issuer Note, this Agreement and each other Issuer Related Document to any Person with the prior written consent of the Issuer, such consent not to be unreasonably withheld; *provided that*, the Issuer may withhold its consent in its sole and absolute discretion (and such withholding shall be deemed reasonable) to an assignment to any Person that is a Disqualified Party. Notwithstanding any other provisions set forth in this Agreement, each Class B Committed Note Purchaser may at any time create a security interest in all or any portion of its rights under this Agreement, its Class B Notes and the Issuer Related Document in favor of any other Governmental Authority.

Each of the Class A Conduit Investors, the Class A Committed Note Purchasers and the Class A Funding Agents hereby designates and appoints Credit Agricole Corporate and Investment Bank as the Administrative Agent hereunder, and hereby authorizes the Administrative Agent to take such actions as agent on their behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. Following the issuance of Class B Notes, any Class B Conduit Investors, Class B Committed Note Purchasers and Class B Funding Agents shall designate and appoint Credit

Agricole Corporate and Investment Bank as the Administrative Agent hereunder and the Administrative Agent shall be authorized to take such actions as agent on their behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. The Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Conduit Investor, any Committed Note Purchaser or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or Liabilities on the part of the Administrative Agent shall be read into this Agreement or otherwise exist for the Administrative Agent. In performing its functions and duties hereunder, the Administrative Agent shall act solely as agent for the Conduit Investors, the Committed Note Purchasers and the Funding Agents and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for the Issuer or any of its successors or assigns. The Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law. The appointment and authority of the Administrative Agent hereunder shall terminate upon the indefeasible payment in full of the Issuer Notes and all other amounts owed by the Issuer hereunder to the Class A Investor Groups and the Class B Investor Groups (the “Aggregate Unpaid”).

10.2 Delegation of Duties

The Administrative Agent may execute any of its duties under this Agreement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

10.3 Exculpatory Provisions

Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Agreement (except for its, their or such Person’s own gross negligence or willful misconduct), or (b) responsible in any manner to any Conduit Investor, any Committed Note Purchaser or any Funding Agent for any recitals, statements, representations or warranties made by the Issuer contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement for the due execution, legality, value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for any failure of the Issuer to perform its obligations hereunder, or for the satisfaction of any condition specified in Clause 2. The Administrative Agent shall not be under any obligation to any Conduit Investor, any Committed Note Purchaser or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Issuer. The Administrative Agent shall not be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Liquidation Event unless the Administrative Agent has received notice from the Issuer, any Conduit Investor, any Committed Note Purchaser or any Funding Agent.

10.4 Reliance

The Administrative Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel, independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement or any other document furnished in connection herewith unless it shall first receive such advice or

concurrence of any Conduit Investor, any Committed Note Purchaser or any Funding Agent as it deems appropriate or it shall first be indemnified to its satisfaction by any Conduit Investor, any Committed Note Purchaser or any Funding Agent, *provided that*, unless and until the Administrative Agent shall have received such advice, the Administrative Agent may take or refrain from taking any action, as the Administrative Agent shall deem advisable and in the best interests of the Conduit Investors, the Committed Note Purchasers and the Funding Agents. To the extent any Conduit Investor, any Committed Note Purchaser or any Funding Agent is required to indemnify the Administrative Agent, such Conduit Investor, Committed Note Purchaser or Funding Agent shall be entitled to be indemnified by the Issuer in an amount equal to the amount to be paid to the Administrative Agent. The

Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the Required Noteholders and such request and any action taken or failure to act pursuant thereto shall be binding upon the Conduit Investors, the Committed Note Purchasers and the Funding Agents.

10.5 Non-Reliance on the Administrative Agent and Other Purchasers

Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of the Issuer, shall be deemed to constitute any representation or warranty by the Administrative Agent. Each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents represent and warrant to the Administrative Agent that they have and will, independently and without reliance upon the Administrative Agent and based on such documents and information as they have deemed appropriate, made their own appraisal of and investigation into the business, operations, property, prospects, financial and other conditions and creditworthiness of the Issuer and made its own decision to enter into this Agreement.

10.6 The Administrative Agent in its Individual Capacity

The Administrative Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, Issuer Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with the Issuer or any Affiliate of the Issuer as though the Administrative Agent were not the Administrative Agent hereunder.

10.7 Successor Administrative Agent

The Administrative Agent may, upon thirty (30) days' notice to the Issuer and each of the Conduit Investors, the Committed Note Purchasers and the Funding Agents, and the Administrative Agent will, upon the direction of the Required Noteholders as of such date, resign as Administrative Agent. If the Administrative Agent shall resign, then the Investor Groups, during such 30 day period, shall appoint an Affiliate of a member of the Investor Groups as a successor agent. If for any reason no successor Administrative Agent is appointed by the Investor Groups during such 30 day period, then effective upon the expiration of such 30 day period, the Issuer for all purposes shall deal directly with the Funding Agents. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of Sub-Clause 11.4 and this Clause 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

10.8 Authorization and Action of Funding Agents

Each Conduit Investor and each Committed Note Purchaser is hereby deemed to have designated and appointed the Funding Agent set forth next to such Conduit Investor's name, or if there is no Conduit Investor with respect to any Investor Group, the Committed Note Purchaser's name with respect to such Investor Group, on Schedule 2 hereto as the agent of such Person hereunder, and hereby authorizes such Funding Agent to take such actions as agent on its behalf and to exercise such powers as are delegated to such Funding Agent by the terms of this Agreement together with such powers as are reasonably incidental thereto. Each Funding Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with the related Investor Group, and no implied covenants, functions, responsibilities, duties, obligations or Liabilities on the part of such Funding Agent shall be read into this Agreement or otherwise exist for such Funding Agent. In performing its functions and duties hereunder, each Funding

Agent shall act solely as agent for the related Investor Group and does not assume nor shall it be deemed to have assumed any obligation or relationship of trust or agency with or for the Issuer or any of its successors or assigns. Each Funding Agent shall not be required to take any action that exposes such Funding Agent to personal liability or that is contrary to this Agreement or Applicable Law. The appointment and authority of the Funding Agent hereunder shall terminate upon the indefeasible payment in full of the Aggregate Unpaid.

10.9 Delegation of Duties

Each Funding Agent may execute any of its duties under this Agreement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to

such duties. Each Funding Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

10.10 Exculpatory Provisions

Neither any Funding Agent nor any of their directors, officers, agents or employees shall be (a) liable for any action lawfully taken or omitted to be taken by it or them under or in connection with this Agreement (except for its, their or such Person's own gross negligence or willful misconduct), or (b) responsible in any manner to the related Investor Group for any recitals, statements, representations or warranties made by the Issuer contained in this Agreement or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for any failure of the Issuer to perform its obligations hereunder, or for the satisfaction of any condition specified in Clause 2. No Funding Agent shall be under any obligation to its related Investor Group to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, this Agreement, or to inspect the properties, books or records of the Issuer. No Funding Agent shall be deemed to have knowledge of any Amortization Event, Potential Amortization Event or Liquidation Event, unless such Funding Agent has received notice from the Issuer (or any agent or designee thereof) or its related Investor Group.

10.11 Reliance

Each Funding Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of the Administrative Agent and legal counsel, independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement or any other document furnished in connection herewith unless it shall first receive such advice or concurrence of the related Investor Group as it deems appropriate or it shall first be indemnified to its satisfaction by the related Investor Group, *provided that*, unless and until such Funding Agent shall have received such advice, such Funding Agent may take or refrain from taking any action, as such Funding Agent shall deem advisable and in the best interests of the related Investor Group. Each Funding Agent shall in all cases be fully protected in acting, or in refraining from acting, in accordance with a request of the related Investor Group and such request and any action taken or failure to act pursuant thereto shall be binding upon its related Investor Group.

10.12 Non-Reliance on the Funding Agent and Other Purchasers

Each Investor Group expressly acknowledges that neither its related Funding Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by such Funding Agent hereafter taken, including any review of the affairs of the Issuer, shall be deemed to constitute any representation or warranty by such Funding Agent. Each Investor Group represents and warrants to its related Funding Agent that it has and will, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, prospects, financial and other conditions and creditworthiness of the Issuer and made its own decision to enter into this Agreement.

10.13 The Funding Agent in its Individual Capacity

Each Funding Agent and any of its Affiliates may purchase, hold and transfer, as the case may be, the Issuer Notes and may otherwise make loans to, accept deposits from, and generally engage in any kind of business with the Issuer or any Affiliate of the Issuer as though such Funding Agent were not a Funding Agent hereunder.

10.14 Successor Funding Agent

Each Funding Agent will, upon the direction of its related Investor Group, resign as such Funding Agent. If such Funding Agent shall resign, then the related Investor Group shall appoint an Affiliate of a member of its related Investor Group as a successor agent. If for any reason no successor Funding Agent is appointed by the related Investor Group, then effective upon the

resignation of such Funding Agent, the Issuer for all purposes shall deal directly with such Investor Group. After any retiring Funding Agent's resignation hereunder as Funding Agent, subject to the limitations set forth herein, the provisions of Sub-Clause 11.4 and this Clause 10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Funding Agent under this Agreement.

- (a) The Administrative Agent may resign and appoint one of its Affiliates as successor by giving notice to the Funding Agents and the Issuer.
- (b) Alternatively the Administrative Agent may resign by giving thirty (30) days' notice to the Funding Agents and the Issuer, in which case the Required Supermajority Noteholders (after consultation with the Issuer) may appoint a successor Administrative Agent.
- (c) If the Required Supermajority Noteholders have not appointed a successor Administrative Agent in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given, the retiring Administrative Agent (after consultation with the Issuer) may appoint a successor Administrative Agent.
- (d) The retiring Administrative Agent shall, at its own cost, make available to the successor Administrative Agent such documents and records and provide such assistance as the successor Administrative Agent may reasonably request for the purposes of performing its functions as Administrative Agent under the Related Documents.
- (e) The Administrative Agent's resignation notice shall only take effect upon the appointment of a successor.

The undersigned (“[]” or the “**Issuing Bank**”) hereby irrevocably establishes, at the request and for the account of The Hertz Corporation, a Delaware Corporation (“**Hertz**”), pursuant to the senior secured revolving credit facility, provided under a Credit Agreement, dated as of June 30, 2016, among Hertz, the Issuing Bank, certain affiliates of Hertz, Barclays Bank PLC, as administrative agent and collateral agent, and the several banks and financial institutions party thereto from time to time in accordance with the terms thereof, (the “**Credit Agreement**”), in the Beneficiaries’ favor and on the Beneficiaries’ behalf as Issuer and Issuer Security Trustee, respectively, under the issuer facility agreement, originally dated as of September 25, 2018 (as may be amended, supplemented, amended and restated or otherwise modified from time to time, (the “**Issuer Facility Agreement**”), by and among the Issuer, the Issuer Security Trustee, Hertz Europe Limited as Issuer Administrator, Credit Agricole Corporate and Investment Bank, as Administrative Agent, certain committed note purchasers, certain conduit investors and certain funding agents, in respect of Credit Demands (as defined below) and Termination Demands (as defined below) this Irrevocable Letter of Credit No. [●] in the amount of [●] (€[●]) (such amount, as the same may be reduced, increased (to an amount not exceeding [●] (€[●])) or reinstated as provided herein, being the “**Letter of Credit Amount**”), effective immediately and expiring at [4:00 p.m. (New York time)] at our office located at [insert address of Issuing Bank] (such office or any other office which may be designated by the Issuing Bank by written notice delivered to the Beneficiaries, being the “**Issuing Bank’s Office**”) on 23 July 2022, as such date may have been extended from time to time as provided herein (or, if such date is not a Business Day (as defined below), the immediately succeeding Business Day) (the “**Letter of Credit Expiration Date**”).

The Issuing Bank hereby agrees that the Letter of Credit Expiration Date shall be automatically extended, without amendment, to the earlier of (1) one year from the then current Letter of Credit Expiration Date and (2) the 15th day prior to the Initial Revolving Maturity Date (as defined in the Credit Agreement), unless, no fewer than sixty (60) days before the then current Letter of Credit Expiration Date, we notify you in writing by registered mail (return receipt), registered courier or email that this letter of credit will not be extended beyond the then current Letter of Credit Expiration Date.

The terms “**Beneficiary**” or “**Beneficiaries**” refers herein (and in each Annex hereto) to the Issuer and the Issuer Security Trustee as trustee on behalf of the Issuer. Any action taken by one Beneficiary hereunder shall bind each of them. Any drawing by either Beneficiary will constitute a drawing by both. Capitalized terms used herein and not defined herein shall have the meanings set forth in the master definitions and constructions agreement signed by, amongst others, the parties to the Issuer Facility Agreement, dated 25 September 2018, as amended, modified or supplemented from time to time.

The Issuing Bank irrevocably authorizes the Beneficiaries to draw on it, in accordance with the terms and conditions and subject to the reductions in amount as hereinafter set forth, (1) in one or more draws by one or more of either of the Issuer’s or the Issuer Security Trustee’s drafts, each drawn on the Issuing Bank at the Issuing Bank’s Office (including by way of email), payable at sight on a Business Day (as defined below), and accompanied by either of the Issuer’s or the Issuer Security Trustee’s written and completed certificate signed by the Issuer or the Issuer Security Trustee (as applicable) in substantially the form of Annex A (*Certificate of Credit Demand*) attached hereto (any such draft accompanied by such certificate being a “**Credit Demand**”), an amount equal to the face amount of each such draft but in the aggregate amount not exceeding the Letter of Credit Amount as in effect on such Business Day (as defined below) and (2) in one or more draws by one or more of either of the Issuer’s or the Issuer Security Trustee’s drafts, each drawn on the Issuing Bank at the Issuing Bank’s Office (including by way of email), payable at sight on a Business Day (as defined below), and accompanied by either of the Issuer’s or the Issuer Security Trustee’s written and completed certificate signed by the Issuer or the Issuer Security Trustee (as applicable) in substantially the form of Annex B (*Certificate of Termination Demand*) attached hereto (any such draft accompanied by such certificate being a “**Termination Demand**”), an amount equal to the face amount of each such draft but in the aggregate amount not exceeding the Letter of Credit Amount as in effect on such Business Day.

In this Letter of Credit, “**Business Day**” means any day other than a Saturday, Sunday or other day on which banks are authorized or required by law to close in New York City, New York.

Upon the Issuing Bank honoring any Credit Demand or Termination Demand presented hereunder, the Letter of Credit Amount shall automatically be decreased by an amount equal to the amount of such Credit Demand or Termination Demand. In addition to the foregoing reduction, (i) upon the Issuing Bank honoring any Termination Demand in respect of the entire Letter of Credit Amount presented to it hereunder, the amount available to be drawn under this Letter of Credit shall automatically be reduced to zero and this Letter of Credit shall be terminated and (ii) no amount decreased on the honoring of any Termination Demand shall be reinstated. The Issuing Bank shall notify each Beneficiary in writing of any such reimbursement and the corresponding amount of the reinstatement of the Letter of Credit Amount.

The Letter of Credit Amount shall be automatically reinstated when and to the extent, but only when and to the extent, that (i) the Issuing Bank is reimbursed by Hertz (or by the Issuer under Clause 5.6 (*Past Due Rental Payments*) or Clause 5.7 (*Letters of Credit and L/C Cash Collateral Account*) of the Issuer Facility Agreement) for any amount drawn hereunder as a Credit Demand and (ii) the Issuing Bank receives written notice from Hertz in substantially the form of Annex C (*Certificate of Reinstatement of Letter of Credit Amount*) hereto that no Event of Bankruptcy with respect to Hertz has occurred and is continuing; provided, however, that the Letter of Credit Amount shall, in no event, be reinstated to an amount in excess of the then current Letter of Credit Amount (without giving effect to any reduction to the Letter of Credit Amount that resulted from any such Credit Demand).

The Letter of Credit Amount shall be automatically reduced in accordance with the terms of a written request from either the Issuer or the Issuer Security Trustee (in each case with the prior consent of Hertz) to the Issuing Bank in substantially the form of Annex E (*Notice of Reduction of Letter of Credit Amount*) attached hereto that is acknowledged and agreed to in writing by the Issuing Bank. The Letter of Credit Amount shall be automatically increased upon receipt by (and written acknowledgment of such receipt by) the Issuer or the Issuer Security Trustee of written notice from the Issuing Bank in substantially the form of Annex F (*Notice*

of Increase of Letter of Credit Amount) attached hereto certifying that the Letter of Credit Amount has been increased and setting forth the amount of such increase, which increase shall not result in the Letter of Credit Amount exceeding an amount equal to [●] (€[●]).

Each Credit Demand and Termination Demand shall be dated the date of its presentation, and shall be presented (and, for the avoidance of doubt, may be presented by way of facsimile in accordance with the notice provisions set out below) to the Issuing Bank at the Issuing Bank's Office, Attention: [●]. If the Issuing Bank receives any Credit Demand or Termination Demand at such office, all in strict conformity with the terms and conditions of this Letter of Credit, not later than [12:00 p.m. (New York City time)] on a Business Day prior to the termination hereof, the Issuing Bank will make such funds available by [4:00 p.m. (New York City time)] [on the same day] in accordance with the relevant Beneficiary's payment

instructions. If the Issuing Bank receives any Credit Demand or Termination Demand at such office, all in strict conformity with the terms and conditions of this Letter of Credit, after [12:00 p.m. (New York City time)] on a Business Day prior to the termination hereof, the Issuing Bank will make the funds available by [4:00 p.m. (New York City time)] on the [next succeeding Business Day] in accordance with the relevant Beneficiary's payment instructions. All payments made by the Issuing Bank under this Letter of Credit shall be made by deposit of same day funds into the designated account specified in the relevant Credit Demand or Termination Demand, as the case may be, and shall be made with the Issuing Bank's own funds.

In the event there is more than one draw request on the same Business Day, the draw requests shall be honored in the following order: (1) Credit Demands and (2) the Termination Demand.

Upon the earliest of (i) the date on which the Issuing Bank honors a Termination Demand presented hereunder to the extent of the Letter of Credit Amount as in effect on such date, (ii) the date on which the Issuing Bank receives written notice from Beneficiary (in each case with the prior consent of Hertz) that an alternate letter of credit or other credit facility has been substituted for this Letter of Credit and (iii) the Letter of Credit Expiration Date, this Letter of Credit shall automatically terminate and the Beneficiaries shall surrender this Letter of Credit to the undersigned Issuing Bank on such day.

This Letter of Credit is transferable by the Issuer Security Trustee in its entirety, but not in part, to any transferee(s) of the Issuer Security Trustee as Beneficiary who the Issuer Security Trustee certifies to the Issuing Bank has succeeded BNP Paribas Trust Corporation UK Limited as Issuer Security Trustee under the Issuer Security Trust Deed, and may be successively transferred.
