Item 1.01 Entry into a Material Definitive Agreement

The information discussed under Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 1.02 Termination of a Material Definitive Agreement

Termination of Uncommitted Loan Agreement

Effective as of October 2, 2017, in connection with the entry into the Restated Hines Credit Facility described under Item 2.03 of this Current Report on Form 8-K, the \$75.0 million Uncommitted Loan Agreement dated December 15, 2014, between Hines Global REIT II, Inc. (“Hines Global II,” “we” or “us”), as borrower and Hines Interest Limited Partnership (“Hines”), as lender, as amended by the First Amendment to Uncommitted Loan Agreement (the “Uncommitted Loan Agreement”) was terminated. Hines is the Sponsor of Hines Global II. No early termination penalties were incurred by Hines Global II in connection with the termination of the Uncommitted Loan Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

Subsequent to the termination of the Uncommitted Loan Agreement, on October 2, 2017, Hines Global II Properties LP (the “Operating Partnership”) entered into an uncommitted loan agreement (the “Restated Hines Credit Facility”) with Hines for a maximum principal amount of \$240.0 million. The Restated Hines Credit Facility replaces the terminated Uncommitted Loan Agreement. Interest on each advance under the Restated Hines Credit Facility is charged monthly at a variable rate, which is (i) Hines’ then-current borrowing rate under its revolving credit facility and (ii) if the Operating Partnership enters into a revolving credit facility, the rate under such facility. As of October 3, 2017, the effective interest rate for advances under the Restated Hines Credit Facility was 2.98%. Each advance under the Restated Hines Credit Facility must be repaid within six months, subject to one six-month extension at the option of the Operating Partnership and subject to the satisfaction of certain conditions. The Restated Hines Credit Facility will terminate on the earlier of (a) the termination of the availability period as determined by Hines at its discretion (which will not impact the maturity date of any outstanding or previously approved advance under the loan agreement); (b) December 31, 2018; and (c) the date Hines accelerates the repayment of the loan agreement pursuant to any event of default. As of October 3, 2017, we had \$35.0 million outstanding under the Restated Hines Credit Facility.

Notwithstanding that each advance under the Restated Hines Credit Facility matures six months after it is made, the Operating Partnership is required to repay each advance with any capital raised, unless the Operating Partnership enters into a revolving credit facility (the “OP Facility”), at which point the Operating Partnership may use such proceeds from its public offering to repay the OP Facility, if any, prior to repaying any advances under the Restated Hines Credit Facility. The Restated Hines Credit Facility also permits voluntary prepayment of principal and accrued interest.

The Restated Hines Credit Facility requires the maintenance of certain financial covenants beginning the earlier of (a) September 30, 2018 or (b) the effective date of the OP Facility, if any, which includes covenants concerning indebtedness to total asset value. In addition, the Restated Hines Credit Facility contains customary affirmative and negative covenants, which, among other things, prohibit us and the Operating Partnership from: (i) merging with other companies or changing ownership interest; (ii) selling all or substantially all of our assets or properties; and (iii) if in default under the loan agreement, paying distributions to our stockholders other than as required to maintain our status as a real estate investment trust. The Restated Hines Credit Facility also requires us to deliver to Hines certain quarterly and annual financial information.

The Restated Hines Credit Facility contains various customary events of default, which are described therein. As is customary in such financings, if an event of default occurs under the Restated Hines Credit Facility, Hines may accelerate the repayment of amounts outstanding under the Restated Hines Credit Facility and exercise other remedies subject, in certain instances, to the expiration of an applicable cure period.

The above description of the Restated Hines Credit Facility is a summary and is qualified in its entirety by the Restated Hines Credit Facility, which is filed as Exhibit 10.1 to this report and is incorporated by reference herein.

Item 8.01 Other Events.

New Net Asset Value Per Share

Based on the recommendation from the valuation committee of our board of directors, on September 26, 2017, our board of directors approved the new net asset value (“NAV”) per share of our common stock of \$9.69 as of August 31, 2017. The new NAV represents a 0.4% increase over the previously determined NAV per share of \$9.65 as of December 31, 2016. The new NAV per share was determined in accordance with our valuation policy and utilizing guidelines established by Investment Program Association Practice Guideline 2013-01 - “Valuation of Publicly Registered, Non-Listed REITs” issued on April 29, 2013. The new NAV per share is effective for share issuances under our distribution reinvestment plan beginning on or after October 3, 2017. It is currently anticipated that the NAV per share will next be determined as of December 31, 2017 and announced during the first quarter of 2018.

Methodology

We engaged Cushman and Wakefield, Inc. (“Cushman”), an independent third party real estate advisory and consulting firm, to provide third party appraisals for each of our real estate properties as of August 31, 2017. These appraisals were performed in accordance with Uniform Standards of Professional Appraisal Practice with respect to our domestic real estate investments and performed in accordance with the professional standards as published by the Royal Institution of Chartered Surveyors with respect to our international real estate investments.

We also engaged Jones Lang LaSalle, an independent third party real estate advisory and consulting services firm, to perform valuations of our debt obligations as of August 31, 2017.

In establishing the NAV per share of \$9.69, in addition to using the appraised values of our real estate investments and values of our debt obligations, the valuation committee also included in its determination the values of other assets and liabilities such as cash, tenant and other receivables, accounts payable and accrued expenses, distributions payable and other assets and liabilities, all of which were valued at cost. No liquidity discounts or discounts relating to the fact that we are externally managed were applied to the NAV per share and no attempt was made to value the company as an enterprise.

Additionally, we engaged Altus Group U.S., Inc. (“Altus Group”), to review the appraisals provided by Cushman and to assess the reasonableness of our new NAV per share. The appraisal reviews were conducted under the supervision of a member of the Appraisal Institute. In assessing the reasonableness of our new NAV per share, Altus Group utilized the appraised values provided by Cushman as described above, the valuations of our debt obligations provided by Jones Lang LaSalle and information provided by management regarding balances of cash, tenant and other receivables, accounts payable and accrued expenses, distributions payable and other assets and liabilities. Altus Group concluded that the new NAV per share determined by our board of directors was reasonable.

The independent firms that we engaged to assist us in connection with our determination of a new NAV per share, as described above, have provided, and are expected to continue to provide, real estate appraisal, valuation and financial advisory services to us and to Hines and its affiliates and have received, and are expected to continue to receive, fees in connection with such services. Certain of these firms and their respective affiliates may from time to time in the future perform other real estate appraisal, valuation and financial advisory services for us and for Hines and its affiliates, or in transactions related to the properties that are the subject of the valuations being performed for us, or otherwise, so long as such other services do not adversely affect the independence of the applicable appraiser as certified in the applicable appraisal report.

The aggregate appraised value of our real estate property investments represents a 9.8% increase when compared to the purchase price of the real estate investments excluding closing costs, transaction fees and additional capital investments since their acquisition. This 9.8% net increase resulted from an 7.8% appreciation in the aggregate appraised values of our real estate investments since their purchase, which includes a 2.0% appreciation resulting from the increased strength of the Euro against the U.S dollar.

The table below sets forth the calculation of our NAV per share and the offering price of each class of shares of our common stock as of August 31, 2017 and December 31, 2016:

	August 31, 2017		December 31, 2016	
	Gross Amount	Per Share	Gross Amount	Per Share
	(in thousands)		(in thousands)	
Real estate investments	\$ 671,627	\$ 17.03	\$ 409,066	\$ 15.41
Other assets	50,108	1.27	107,610	4.05
Debt obligations and other liabilities	(339,446)	(8.61)	(260,340)	(9.81)
Noncontrolling interests	(225)	—	(204)	—
NAV	\$ 382,064	\$ 9.69	\$ 256,132	\$ 9.65
Shares outstanding	39,440		26,543	

Other than with respect to the appraised values of our real estate investments and values of our debt obligations, the values of the assets and liabilities described above were determined based on their cost as of June 30, 2017 and included certain pro forma adjustments primarily related to: (i) the issuance of additional shares net of offering proceeds of our common stock from July 1, 2017 through August 31, 2017, (ii) pro forma adjustments to remeasure the foreign currency loan balances using the spot rate as of August 31, 2017, and (iii) the payment of capital expenditures from July 1, 2017 through August 31, 2017. Other than those adjustments described above, we did not make significant additional adjustments related to our operations for the period from July 1, 2017 through August 31, 2017 because we did not believe they would have a material impact on our NAV per share. Additionally, the calculation of the NAV per share excluded certain items on our consolidated balance sheet that were determined to have no future value or economic impact on the valuation. Examples include receivables related to straight-line rental revenue, costs incurred to put debt in place, and issuer costs payable to Hines Global REIT II Advisors LP (the “Advisor”), in excess of 2.5% of the gross proceeds from our public offering, which is the amount at which we have capped reimbursements to our Advisor for issuer costs incurred on our behalf. Other items were excluded because they were already considered elsewhere in the valuation. Examples include intangible lease assets and liabilities related to our real estate investments and costs incurred for capital expenditures that were included in the appraised values of our real estate investments.

The NAV per share does not reflect any distribution and stockholder servicing fees that may become payable after June 30, 2017, which fees may not ultimately be paid in certain circumstances, including if the Company was liquidated or if there was a listing of our common stock. As of June 30, 2017, we have accrued under U.S. generally accepted accounting principles (“GAAP”) \$7.4 million of distribution and stockholder servicing fees payable in the future with respect to the Class T Shares and Class I Shares outstanding as of June 30, 2017. Any estimated liability for future potential distribution and stockholder servicing fees, which will be accrued under GAAP at the time each Class T Share and Class I Share is sold, will not be reflected in the calculation of the NAV per share. Accordingly, the NAV per share as of August 31, 2017 does not reflect any amounts related to such future distribution and stockholder servicing fees.

The appraised values provided by Cushman described above were determined primarily by using methodologies that are commonly used in the commercial real estate industry. These methodologies included discounted cash flow analyses and reviews of current, historical and projected capitalization rates for properties comparable to those owned by us as well as going-in capitalization rates for properties comparable to those owned by us. Each appraisal assumes a 10-year hold period. The tables below summarize the key assumptions that were used in the valuations of our real estate investments.

	Rate	Weighted Average
Domestic Real Estate Investments		
<i>Office</i>		
Exit capitalization rate	7.25%	7.25%
Discount rate/internal rate of return	8.75%	8.75%
<i>Industrial</i>		
Exit capitalization rate	6.50%	6.50%
Discount rate/internal rate of return	7.25% - 8.00%	7.74%
<i>Multi-Family</i>		
Exit capitalization rate	5.75%	5.75%
Discount rate/internal rate of return	7.25%	7.25%
<i>Retail</i>		
Exit capitalization rate	6.25% - 6.50%	6.35%
Discount rate/internal rate of return	6.50% - 7.00%	6.71%
International Real Estate Investments		
<i>Office</i>		
Going-in capitalization rate	4.59%	4.59%
<i>Multi-Family</i>		
Exit capitalization rate	5.13%	5.13%
Discount rate/internal rate of return	8.00%	8.00%

While our board of directors believes that the assumptions used in determining the appraised values of our real estate investments are reasonable, a change in these assumptions would impact the calculation of such values. For example, assuming all other factors remained unchanged, an increase in the average discount rate of 25 basis points would yield a decrease in the appraised values of our real estate investments of 0.8%, while a decrease in the average discount rate of 25 basis points would yield an increase in the appraised values of our real estate investments of 3.0%. Likewise, an increase in the average exit capitalization rate of 25 basis points would yield a decrease in the appraised values of our real estate investments of 1.1%, while a decrease in the average exit capitalization rate of 25 basis points would yield an increase in the appraised values of our real estate investments of 3.5%. Additionally, an increase in the average going-in capitalization rate of 25 basis points would yield a decrease in the appraised value of our real estate investments of 4.2%, while a decrease in the average going-in capitalization rate of 25 basis points would yield an increase in the appraised value of our real estate investments of 5.8%.

Limitations of NAV Per Share

As with any valuation methodology, the methodology used to determine the NAV per share was based upon a number of assumptions, estimates and judgments that may not be accurate or complete. Further, different parties using different property-specific and general real estate and capital market assumptions, estimates, judgments and standards could derive an NAV per share that could be significantly different from the NAV per share determined by our board of directors. The NAV per share described above is not intended to represent the fair value of our assets less liabilities in accordance with GAAP, and such NAV per share is not a representation, warranty or guarantee that (i) a stockholder would be able to realize the NAV per share if such stockholder attempts to sell his or her shares; (ii) a stockholder would ultimately realize distributions per share equal to the NAV per share upon our liquidation or sale; (iii) shares of our common stock would trade at the NAV per share on a national securities exchange; or (iv) a third party would offer the NAV per share in an arm's-length transaction to purchase all or substantially all of our shares of common stock. In addition, we can make no claim as to whether the NAV per share will or will not satisfy the applicable annual valuation requirements under the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986, as amended (the "Code") with respect to employee benefit plans subject to ERISA and other retirement plans or accounts subject to Section 4975 of the Code that have invested in shares of our common stock.

Further, the NAV per share was calculated as of a moment in time, and, although the value of shares of our common stock will fluctuate over time as a result of, among other things, developments related to individual assets, changes in the real estate and capital markets, acquisitions or dispositions of assets, the distribution of proceeds from the sale of real estate to our stockholders and changes

in corporate policies such as our distribution level relative to earnings, we do not undertake to update the NAV per share for each such fluctuation. As a result, stockholders should not rely on the NAV per share as an accurate measure of the then-

current value of shares of our common stock in making a decision to buy or sell shares of our common stock, including whether to reinvest distributions by participating in our distribution reinvestment plan.

New Price per Share Under our Distribution Reinvestment Plan

Pursuant to the terms of our distribution reinvestment plan, shares are issued at the NAV per share most recently disclosed by us in a filing with the Securities and Exchange Commission (the “SEC”). As described above, our board of directors has approved a new NAV per share of \$9.69. Accordingly, starting with distributions declared for the month of October 2017, which are expected to be paid on November 1, 2017, participants in our distribution reinvestment plan will have their distributions reinvested in shares of the same class as the shares on which the distributions are being made at a price equal to the new NAV per share of \$9.69, rather than at the previous NAV per share of \$9.65.

If the HILP Credit Facility is terminated, from the date of such termination through and until the full repayment of all Obligations under this Agreement, the HILP Credit Facility Rate shall be the rate determined in the same manner as the HILP Credit Facility Rate that was then being charged to Lender pursuant to the HILP Credit Facility immediately prior to such termination.

amount permitted under applicable law or pay a late fee as to the principal amount of an Advance at or after a maturity of such Advance. Such late charge shall be in addition to, and not in lieu of, any other remedy Lender may have and is in addition to any reasonable fees and charges of any agents or attorneys that Lender is entitled to employ upon any Event of Default by Borrower hereunder or under any other Loan Document, whether authorized herein or by applicable law.

(f) All computations of interest on the Loan hereunder and of other fees hereunder shall be made on the actual number of days elapsed over a year of 360 days.

(g) All payments by Borrower under the Loan Documents shall be in immediately available funds, without set-off or counterclaim.

(k) Promptly notify Lender of any change in the nature or extent of any Hazardous Materials on, in or under any property or any portion thereof or used in connection therewith to the extent Borrower has knowledge thereof and to the extent such change might result in a violation of any Environmental Law, and transmit to Lender copies of any citations, orders, notices or other material governmental or other communication received by Borrower or its Subsidiaries with respect to any other Hazardous Materials affecting the Project.

(l) Maintain, and shall cause each Subsidiary thereof to, maintain: (i) proper books of record and account, in which full, true and correct entries in conformity with GAAP consistently applied shall be made of all financial transactions and matters involving the assets and business of the Borrower or such Subsidiary; and (ii) such books of record and account in material conformity with all applicable requirements of any governmental authority having regulatory jurisdiction over the Borrower or such Subsidiary, as the case may be.

(m) Comply with all of the terms of its organizational documents.

(n) After request by Lender, Borrower shall within 10 days furnish Lender with a statement, duly acknowledged and certified by Borrower, (i) setting forth the amount of the original principal amount of the Note, the unpaid principal amount of the Note, the terms of the Note, the date installments of interest or principal, or both, were last paid, and any offsets or defenses to the payment of Borrower's indebtedness to Lender, if any, (ii) stating that the Note and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification, and (iii) reaffirming all representations and warranties of Borrower set forth herein and in the other Loan Documents as of the date requested by Lender or, to the extent of any changes to any such representations and warranties, so stating such changes.

(o) Take all action necessary to maintain its status as a real estate investment trust under Section 856(c)(1) of the Code and the status of each of its Subsidiaries that is a corporation as a "qualified REIT subsidiary" under Section 856 of the Code.

(b) Amend its organizational documents in any material respect that would adversely affect Borrower's obligations hereunder.

(c) Take any action in violation of its organizational documents.

For purposes of this Section 7.2, Lender's consent and/or approval to any matter for which Lender's consent or approval is required under this Section 7.2 shall be deemed given if Borrower requests such consent or approval and same is not given or refused within 5 Business Days of such request.

7.3 Financial Tests. On and after the Financial Covenant Start Date, the Borrower shall at all times have and maintain, on a consolidated basis in accordance with GAAP, where applicable:

(a) a maximum ratio of Indebtedness to Total Asset Value of eighty percent (80%); provided that said ratio will reduce to seventy percent (70%) on the first anniversary of the effective date of the OP Credit Agreement;

(b) a maximum ratio of Secured Debt to Total Asset Value of seventy percent (70%); provided that said ratio will reduce to sixty-five percent (65%) on the first anniversary of the effective date of the OP Credit Agreement.

ARTICLE VIII.

Events of Default; Remedies

8.1 Events of Default. If any one or more of the following events shall occur for any reason whatsoever, it shall be deemed an Event of Default hereunder:

(a) in the event Borrower fails to make any payment of principal, interest, and/or any other amounts under the Loan Documents within 5 days after the date the same shall become due and payable, whether at maturity or at a date fixed for prepayment or by acceleration or otherwise;

(b) in the event Borrower defaults in the performance or observance of any other covenant, agreement or provision of this Agreement or any other Loan Document that is not cured within a period of 20 days (or, if incurable within such 20-day period, such longer time as may reasonably be necessary so long as cure is diligently pursued but in no event longer than 90 days after written notice of such default is given to such party);

(c) if any representation or warranty, or any other statement of fact made by Borrower (or on behalf of Borrower) herein or in any other Loan Document or in any writing, certificate, report or statement (including financial statement) at any time furnished to Lender pursuant to or in connection with any Loan Document, or otherwise, shall be false or misleading in any material respect when made or become false or misleading at any time thereafter and same is not cured within a period of 30 days (or, if incurable within such 30-day period, such longer time as may reasonably be necessary so long as cure is diligently pursued but in no event longer than 90 days after written notice of such default is given to such party);

(d) the occurrence of an “Event of Default,” as such term is defined in the OP Credit Agreement;

(e) Borrower making a general assignment for the benefit of creditors, or consenting to the appointment of a trustee or a receiver, or admitting in writing its inability to pay its debts as they mature;

(f) the appointment of a trustee or receiver for Borrower or for a substantial part of its properties without the consent of Borrower as applicable and such trustee or receiver not being discharged within 60 days;

(g) the institution of Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings by or against Borrower and, if instituted against it, the same being consented to by Borrower or remaining undismissed for a period of 60 days;

(h) the rendering of any final, non-appealable judgment against Borrower for the payment of money in an amount in excess of \$25,000,000 that is not adequately insured against and the same remaining undischarged or unstayed for a period of 30 days;

(i) the dissolution, liquidation, conversion, merger, consolidation, Change of Control or any other reorganization of the Global REIT or the Borrower that results in a Change of Control;

(j) The Global REIT ceases to be treated as a real estate investment trust under Section 856(c)(1) of the Code or any Subsidiary that is a corporation ceases to be treated as a “qualified REIT subsidiary” under Section 856 of the Code in any taxable year.

8.2 Remedies.

(a) Upon the occurrence of an Event of Default, Lender may, at its option, declare the Loan to be due and payable, whereupon the unpaid principal balance under the Note, all interest accrued thereon, and all other sums due under the Loan Documents, shall become due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything contained herein or in the Note to the contrary notwithstanding, and Lender may exercise and shall have any and all rights and remedies available under applicable law in equity or under the Loan Documents.

(b) Upon the occurrence and during the continuation of an Event of Default, Borrower shall not make any distributions to its shareholders under its organizational documents or otherwise, except to the extent necessary to cause Borrower to maintain its status as a real estate investment trust under Section 856 of the Code, meet the real estate investment trust distribution requirements set forth in Section 857(a) of the Code, and avoid the incurrence of entity level taxes under Sections 857(b)(1) and 4981 of the Code.

8.3 Non-exclusive. No right or remedy herein conferred upon Lender is intended to be exclusive of any other right or remedy contained herein or in any instrument or document delivered in connection with or pursuant to this Agreement, and every such right or remedy contained herein and therein or now or hereafter existing at law or in equity or by statute, or otherwise may be exercised separately or in any combination.

8.4 Non-exercise. No course of dealing between Borrower and Lender or any failure or delay on Lender’s part in exercising any rights or remedies hereunder shall operate as a waiver of any rights or remedies of such parties and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder.

ARTICLE IX.

Miscellaneous

9.1 Indemnification. Borrower will protect, indemnify and save Lender, its successors and assigns as holders of the Note, and their members, officers, employees, directors and agents (“Indemnatee Parties”) harmless from and against all liabilities, obligations, claims, damages, penalties, fines, liens, suits, causes of action, costs (including clean-up costs), expenses and judgments (including, without limitation, reasonable attorneys’ fees and expenses) of every kind and nature imposed upon or incurred by or asserted against any Indemnatee Party (i) as a direct or indirect result of any warranty or representation made in this Agreement or in any other Loan Document being false or untrue in any material respect, (ii) in connection with any property owned by Borrower or its Subsidiaries or any of the Loan Documents or Lender’s exercise of its remedies thereunder, and (iii) as a direct or indirect result of any requirement under any Environmental Law that requires the elimination or removal of any Hazardous Materials by Lender, Borrower, or any transferee of Borrower, or Lender; provided that Borrower shall not be obligated to indemnify an Indemnatee Party for such Indemnatee Party’s own grossly negligent acts or omissions or willful misconduct. Borrower’s obligations under this paragraph shall continue, survive and remain in full force and effect (notwithstanding payment in full and satisfaction of the Note).

9.2 Expenses. Borrower will pay (i) all the costs and expenses of the duplication or reproduction of this Agreement and of all agreements referenced herein; (ii) all costs and expenses of furnishing all opinions of counsel referenced herein and all certificates on behalf of Borrower, and of Borrower’s performance of and compliance with all agreements and conditions contained herein on its part to be performed or complied with; (iii) any reasonable travel expenses of Lender or Lender’s agents in connection with the Loan, any properties owned by Borrower or its Subsidiaries or any action taken under any of the Loan Documents; and (iv) the reasonable fees, expenses and disbursements of counsel to Lender.

9.3 Survival of Representations and Warranties, etc. All agreements, representations and warranties contained herein or made in writing by Borrower or on behalf of Borrower in connection with the transactions contemplated hereby shall survive the execution and delivery of this Agreement and any investigation at any time made by Lender or on Lender’s behalf. All material statements contained in any certificate or other document or instrument executed and delivered pursuant to this Agreement or in connection with the transactions contemplated hereby shall be deemed representations by Borrower hereunder.

9.5 Beneficiaries. The only beneficiaries of this Agreement are Lender and Borrower. Under no circumstances shall any other party (each, a “Third Party”), be a beneficiary of this Agreement. No Third Party shall be subrogated to Borrower’s rights or interest hereunder, or have the right to bring any action, suit or claim against Lender in connection with this Agreement, the Loan and Lender’s exercise of any rights or remedies granted hereunder.

9.6 Assignment by Lender. Lender shall not have the right to assign or transfer all or a portion of its interest in this Agreement, the Loan and the Loan Documents except to an Affiliate of Lender, and if and to the extent such are assigned, they shall inure to the benefit of Lender’s successors and assigns.

9.7 Amendments and Waivers. Except as otherwise provided herein, neither this Agreement nor any term hereof may be changed, waived, discharged or terminated orally or in writing, except that any term of this Agreement may be amended and the observance of any such term may be waived (either generally or in a particular instance and either retroactively or prospectively) with (but only with) the written consent of Borrower and Lender.

9.8 Attorneys’ Fees. In the event Borrower shall default in any of its obligations under this Agreement or the other Loan Documents, or both, and in Lender’s reasonable opinion it becomes necessary or proper to employ an attorney to assist in the enforcement or collection of the indebtedness evidenced by the Loan or to enforce compliance by Borrower with any of the provisions

of the Loan Documents, or in the event Lender shall become a party to any suit or legal proceeding (including a proceeding conducted under any Bankruptcy law) to enforce collection of the indebtedness evidenced by the Loan or to enforce compliance by Borrower with any of the provisions of the Loan Documents, then Borrower agrees to pay reasonable attorneys' fees and all of the costs that Lender may reasonably incur. Borrower shall be liable for such reasonable attorneys' fees and costs whether or not any suit or proceeding is commenced.

9.9 Severability. If any term, covenant or condition of this Agreement, or the application thereof to any Person or circumstance, shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such term, covenant or condition to other Persons or circumstances, shall not be affected thereby, and each term, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

9.10 Binding Nature. All the terms of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the parties hereto, whether so expressed or not, and, in particular, shall inure to the benefit of and be enforceable by any holder or holders at the time of the Note.

9.11 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

9.12 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT BORROWER MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT AND ANY CLAIM THAT HAS ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT SHALL BE CONCLUSIVE AND BINDING UPON BORROWER. EACH PARTY TO THIS AGREEMENT IRREVOCABLY**

CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.4. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

9.15 Limitation of Liability. LENDER SHALL NOT HAVE ANY LIABILITY TO BORROWER (WHETHER SOUNDING IN TORT, CONTRACT, OR OTHERWISE) FOR LOSSES SUFFERED BY BORROWER, AND BORROWER HEREBY WAIVES AND RELEASES ANY CLAIMS IN CONNECTION WITH, ARISING OUT OF, OR IN ANY WAY RELATED TO THE TRANSACTIONS OR RELATIONSHIPS CONTEMPLATED BY THIS AGREEMENT OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION HERewith, UNLESS (AND THEN ONLY TO THE EXTENT) IT IS DETERMINED BY A FINAL AND NONAPPEALABLE JUDGMENT OR COURT ORDER BINDING ON LENDER THAT THE LOSSES WERE THE RESULT OF ACTS OR OMISSIONS CONSTITUTING GROSS NEGLIGENCE, WILLFUL MISCONDUCT, BREACH OF CONTRACT OR KNOWING OR GROSSLY NEGLIGENT VIOLATIONS OF APPLICABLE REQUIREMENTS OF LAW.

9.16 Waiver of Jury Trial. BORROWER AND LENDER WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, BETWEEN LENDER AND BORROWER ARISING OUT OF, CONNECTED WITH, RELATED TO OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION THEREWITH OR THE TRANSACTIONS RELATED THERETO.

Notwithstanding anything to the contrary contained in this Agreement or in any of the other Loan Documents, none of the obligations of Borrower hereunder or under any of the other Loan Documents, including, without limitation, any principal, interest, default interest, late charges or any costs or charges, shall be enforceable against any holder of any direct or indirect ownership interest in Borrower or any of its respective officers, directors, employees or agents (nor shall they have any personal liability to Lender under any of the Loan Documents). Nothing contained in this Section 9.17 shall affect or limit the ability of Lender to enforce any of its rights or remedies against the Borrower or any of its assets, provided the Lender agrees to look solely to the Borrower and its assets for satisfaction of the Obligations and in the event of a default shall not seek a deficiency judgment or personal judgment against any holder of any direct or indirect ownership interest in Borrower or any of its respective officers, directors, employees or agents.

EXHIBIT A

PROMISSORY NOTE

\$240,000,000 Houston, Texas October 2, 2017

FOR VALUE RECEIVED, HINES GLOBAL REIT II PROPERTIES LP, a Delaware limited partnership (herein called “Maker”), hereby promises to pay to the order of HINES INTERESTS LIMITED PARTNERSHIP, a Delaware limited partnership (“Lender”), in immediately available funds in lawful money of the United States of America, at 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056, the principal sum of Two Hundred Forty Million and No/100 Dollars (\$240,000,000), or so much thereof as may have been advanced to Maker under the Loan Agreement (defined below), together with interest on the unpaid principal balance of this Note from day to day outstanding, as hereinafter provided.

1. Loan Agreement. This Note has been issued pursuant to the terms of that certain Uncommitted Loan Agreement dated of even date herewith between Maker and Lender (the “Loan Agreement”). All capitalized terms appearing and not defined herein shall have the same meanings ascribed to them in the Loan Agreement.

2. Interest. Interest on this Note shall accrue on the outstanding balance of the principal amount outstanding hereunder from time to time from and after the date hereof at the rates set forth in the Loan Agreement.

3. Payments of Principal and Interest. Payments of principal and interest on this Note shall be due and payable as provided in the Loan Agreement. All payments made on this Note shall be applied, to the extent thereof, first to accrued but unpaid interest and the balance to unpaid principal.

4. Maturity. The entire unpaid balance of the principal amount of each Advance made hereunder and all interest accrued thereon shall, unless sooner paid, be and become due and payable on the Applicable Maturity Date, as defined in the Loan Agreement, for each Advance.

5. Default. It shall be a default (“default”) under this Note if (a) any principal, interest or other amount of money due under this Note is not paid in full when due beyond any applicable cure period, or (b) any other Event of Default, as defined in the Loan Agreement, exists or occurs. Upon the occurrence of a default, the holder hereof shall have the rights to declare the unpaid principal balance and accrued but unpaid interest on this Note at once due and payable (and upon such declaration, the same shall be at once due and payable), and to exercise any of its other rights, powers and remedies under this Note, the Loan Agreement, or any other Loan Document, or at law or in equity.

6. Cumulative Remedies. All rights and remedies provided for in this Note are cumulative of each other and of any and all other rights and remedies existing at law or in equity. The resort to any right or remedy provided for hereunder or provided for by law or in equity shall not prevent the concurrent or subsequent employment of any other appropriate rights or remedies. No single or partial exercise by the holder hereof of any right, power or remedy shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy may be exercised at any time and from time to time. Neither the failure by the holder hereof to exercise, nor delay by the holder hereof in exercising, the right to accelerate the maturity of this Note or any other right, power or remedy upon any default shall be construed as a waiver of such default or as a waiver of the right to exercise any such right, power or remedy at any time. Without limiting the generality of the foregoing provisions, the acceptance by the holder hereof from time to time of any payment under this Note which is past due or which is less than the payment in full of all amounts due and payable at the time of such payment, shall not (i) constitute a waiver of or impair or extinguish the rights of the holder hereof to accelerate the maturity of this Note or to exercise any other right, power or remedy at the time or at any subsequent time, or nullify any prior exercise of any such right, power or remedy, or (ii) constitute a waiver of the requirement of punctual payment and performance, or a novation in any respect.

7. Collection Costs and Attorney's Fees. If any holder of this Note retains an attorney in connection with any default or at maturity or to collect, enforce or defend this Note in any lawsuit or in any probate, reorganization, bankruptcy or other proceeding, or if Maker sues any holder in connection with this Note and does not prevail, then Maker agrees to pay to each such holder, in addition to principal and interest, all reasonable costs and expenses incurred by such holder in trying to collect this Note or in any such suit or proceeding, including reasonable attorney's fees.

8. Usury. It is the intent of Lender and Maker to conform to and contract in strict compliance with applicable usury law from time to time in effect. All agreements between Lender or any other holder hereof and Maker (or any other party liable with respect to any indebtedness hereunder) are hereby limited by the provisions of this paragraph which shall override and control all such agreements, whether now existing or hereafter arising. In no way, nor in any event or contingency (including but not limited to prepayment, default, demand for payment, or acceleration of maturity), shall the interest taken, reserved, contracted for, charged or received under this Note or otherwise, exceed the maximum nonusurious amount permitted by applicable law (the "Maximum Amount"). If, from any possible construction of any document, interest would otherwise be payable in excess of the Maximum Amount, any such construction shall be subject to the provisions of this paragraph and such document shall be automatically reformed and the interest payable shall be automatically reduced to the Maximum Amount, without the necessity of execution of any amendment or new document. If the holder hereof shall ever receive anything of value which is characterized as interest under applicable law and which would apart from this provision be in excess of the Maximum Amount, an amount equal to the amount which would have been excessive interest shall, without penalty, be applied to the reduction of the principal amount owing on the indebtedness evidenced hereby in the inverse order of its maturity and not to the payment of interest, or refunded to Maker or the other payor thereof if and to the extent such amount which would have been excessive exceeds such unpaid principal. The right to accelerate maturity of this Note or any

other indebtedness does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and the holder hereof does not intend to charge or receive any unearned interest in the event of acceleration. All interest paid or agreed to be paid to the holder hereof shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term (including any renewal or extension) of such indebtedness so that the amount of interest on account of such indebtedness does not exceed the Maximum Amount. As used in this paragraph, the term “applicable law” shall mean the laws of the State of Texas or the federal laws of the United States, whichever laws allow the greater interest, as such laws now exist or may be changed or amended or come into effect in the future.

9. Waivers. Maker and all sureties, endorsers, guarantors and any other party now or hereafter liable for the payment of this Note in whole or in part, hereby severally (i) waive demand, presentment for payment, notice of dishonor and of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notice, filing of suit and diligence in collecting this Note or enforcing any of the security herefor; (ii) agree to any substitution, subordination, exchange or release of any such security or the release of any party primarily or secondarily liable hereon; (iii) agree that the holder hereof shall not be required first to institute suit or exhaust its remedies hereon against Maker or others liable or to become liable hereon or to enforce its rights against them or any security herefor; (iv) consent to any extension or postponement of time of payment of this Note for any period or periods of time and to any partial payments, before or after maturity, and to any other indulgences with respect hereto, without notice thereof to any of them; and (v) submit (and waive all rights to object) to personal jurisdiction in the State of Texas, and venue in Harris County, Texas, for the enforcement of any and all obligations hereunder.

10. Amendment. This Note may not be amended except in a writing, specifically intended for such purpose and executed by the party against whom enforcement of the amendment is sought. The loan evidenced by this Note is solely for business, commercial, investment or other similar purpose and is not for personal, family, household or agricultural purposes.

11. Severability. If any term, covenant or condition of this Note, or the application thereof to any Person or circumstance, shall to any extent be invalid or unenforceable, the remainder of this Note, or the application of such term, covenant or condition to other Persons or circumstances, shall not be affected thereby, and each term, covenant or condition of this Note shall be valid and enforceable to the fullest extent permitted by law.

12. Headings. Section headings in this Note are included herein for convenience of reference only and shall not constitute a part of this Note for any other purpose or be given any substantive effect.

13. Limited Recourse. The provisions of Section 9.17 of the Loan Agreement are incorporated herein by reference as if fully set forth herein.

14. Governing Law. **THIS NOTE, THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS NOTE AND ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THIS NOTE, WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE, SHALL BE GOVERNED BY THE**

INTERNAL LAWS AND DECISIONS OF THE STATE OF TEXAS, WITHOUT REGARD TO ITS PRINCIPLES OF CONFLICTS OF LAWS.

15. Submission to Jurisdiction. MAKER IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF TEXAS, THE COURTS OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF THE STATE OF TEXAS, AND APPELLATE COURTS FROM ANY OF SUCH COURTS, AS LENDER IN ITS SOLE DISCRETION MAY ELECT, OVER ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE, WHETHER SOUNDING IN CONTRACT, TORT, EQUITY OR OTHERWISE. MAKER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT MAKER MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT AND ANY CLAIM THAT HAS ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT SHALL BE CONCLUSIVE AND BINDING UPON MAKER.

16. Waiver of Trial by Jury. MAKER AND LENDER WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, BETWEEN LENDER AND MAKER ARISING OUT OF, CONNECTED WITH, RELATED TO OR INCIDENTAL TO THIS NOTE OR ANY OTHER LOAN DOCUMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION THEREWITH OR THE TRANSACTIONS RELATED THERETO.

THIS NOTE, THE LOAN AGREEMENT, AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.
