PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Section 102 of the DGCL allows a corporation to eliminate the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except in cases where the director breached his or her duty of loyalty to the corporation or its stockholders, failed to act in good faith, engaged in intentional misconduct or a knowing violation of the law, willfully or negligently authorized the unlawful payment of a dividend or approved an unlawful stock redemption or repurchase or obtained an improper personal benefit. The Petros Certificate of Incorporation and Petros Bylaws contain a provision which eliminates directors' personal liability as set forth above.

The Petros Bylaws provides in effect that the Petros shall indemnify its directors and officers to the extent permitted by the Delaware law. Section 145 of the DGCL provides that a Delaware corporation has the power to indemnify its directors, officers, employees and agents in certain circumstances. Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any director, officer, employee or agent, or former director, officer, employee or agent, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding provided that such director, officer, employee or agent acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, provided that such director, officer, employee or agent had no reasonable cause to believe that his or her conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any director, officer, employee or agent, or former director, officer, employee or agent, who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery shall determine that despite the adjudication of liability such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section 145 further provides that to the extent that a director or officer or employee of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith; that indemnification provided by Section 145 shall not be deemed exclusive of any other rights to which the party seeking indemnification may be entitled; and the corporation is empowered to purchase and maintain insurance on behalf of a director, officer, employee or agent of the corporation against any liability asserted against him or her or incurred by him or her in any such capacity or arising out of his or her status as such whether or not the corporation would have the power to indemnify him or her against such liabilities under Section 145; and that, unless indemnification is ordered by a court, the determination that indemnification under subsections (a) and (b) of Section 145 is proper because the director, officer, employee or agent has met the applicable standard of conduct under such subsections shall be made by (1) a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (3) by the stockholders.

Item 21. Exhibits and Financial Statement Schedules.

A list of the exhibits included as part of this registration statement is set forth in the Exhibit Index that immediately precedes such exhibits and is incorporated herein by reference.

Item 22. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement);

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424; to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of such Registrant or used or referred to by the undersigned Registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or their securities provided by or on behalf of such Registrant; and

(iv) any other communication that is an offer in the offering made by such Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

(8) That every prospectus (i) that is filed pursuant to paragraph (7) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(9) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(10) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The members of the Neurotrope Group shall retain Liability and responsibility in accordance with the Neurotrope Workers' Compensation Program for all covered workers' compensation claims incurred by individuals who, immediately prior to the Workers' Compensation Effective Date, are Former NBI Employees or Salary Continuation Former Employees, including any such Employee on long-term disability on the Workers' Compensation Effective Date. Notwithstanding any provisions of this Section 2.07, NBI shall be obligated to reimburse Neurotrope for the Worker's Compensation Reimbursement Amounts in accordance with Section 2.08.

SECTION 2.08 Reimbursements by NBI. Promptly following the end of each calendar quarter that ends following the Distribution, Neurotrope shall provide NBI with one or more invoices that set forth the aggregate Workers' Compensation Reimbursement Amounts incurred by a member of the Neurotrope Group during such calendar quarter. Within 20 days following NBI's receipt of such invoice, NBI shall notify Neurotrope in writing if NBI disagrees with any of the amounts set forth on such invoice and the reason for any such disagreement. If NBI does not timely notify Neurotrope of any such disagreement, Neurotrope's determination as set forth on such invoice shall be conclusive, final and binding. If NBI timely notifies Neurotrope of any such disagreement, an officer of each Party shall meet during the 30-day period following NBI's notification of disagreement and shall negotiate in good faith to resolve the dispute during such period, and the resolution of such disagreement reached by such officers shall be conclusive, final and binding. Within 60 days following the date such invoice becomes conclusive, final and binding, NBI shall pay Neurotrope an amount in cash equal to the aggregate amounts set forth on such invoice.

ARTICLE III

ACTIONS PENDING THE DISTRIBUTION

SECTION 3.01 Actions Prior to the Distribution. (a) Subject to the conditions specified in Section 3.02 and subject to Section 4.03, Neurotrope and NBI shall use reasonable best efforts to consummate the Distribution. Such efforts shall include taking the actions specified in this Section 3.01.

(b) Prior to the Distribution, Neurotrope shall mail the Form S-1 to the Record Holders.

(c) NBI shall prepare, file with the Commission and use its reasonable best efforts to cause to become effective any registration statements or amendments thereto required to effect the establishment of, or amendments to, any employee benefit and other plans necessary or appropriate in connection with the transactions contemplated by this Agreement or any of the Ancillary Agreements.

(d) Neurotrope and NBI shall take all such action as may be necessary or appropriate under the securities or blue sky laws of the states or other political subdivisions of the United States or of other foreign jurisdictions in connection with the Distribution.

(e) NBI shall prepare and file, and shall use reasonable best efforts to have approved prior to the Distribution, an application for the listing of the NBI Common Stock to be distributed in the Distribution on the over-the-counter market (the "OTC"), or, if applicable, Nasdaq, subject to official notice of distribution.

(f) Prior to the Distribution, Neurotrope shall duly elect the individuals listed as members of the NBI board of directors in the Form S-1, and such individuals shall be the members of the NBI board of directors effective as of immediately after the Distribution; provided, however, that to the extent required by any Law or requirement of the OTC, or, if applicable, Nasdaq, or any other national securities exchange, as applicable, one independent director shall be appointed by the existing board of directors of NBI and begin his or her term prior to the Distribution and shall serve on NBI's audit and finance committee, compensation committee and nominating and corporate governance committee.

(g) Prior to the Distribution, Neurotrope shall deliver or cause to be delivered to NBI resignations, effective as of immediately after the Distribution, of each individual who will be an employee of any member of the Neurotrope Group after the Distribution and who is an officer or director of NBI immediately prior to the Distribution.

(h) Immediately prior to the Distribution, the Amended and Restated Certificate of Incorporation and the Amended and Restated By-laws of NBI, each in substantially the form filed as an exhibit to the Form S-1, shall be in effect.

(i) Prior to the Distribution, NBI shall make capital and other expenditures and operate its cash management, accounts payable and receivables collection systems in the ordinary course of business consistent with prior practice except as required in connection with the transactions contemplated by this Agreement and Ancillary Agreements.

(j) Neurotrope and NBI shall, subject to Section 4.03, take all reasonable steps necessary and appropriate to cause the conditions set forth in Section 3.02 to be satisfied and to effect the Distribution on the Distribution Date.

SECTION 3.02 Conditions Precedent to Consummation of the Distribution. Subject to Section 4.03, following the consummation of the Merger and as soon as practicable after the date of this Agreement, the Parties shall use reasonable best efforts to satisfy the following conditions prior to the consummation of the Distribution. The obligations of the Parties to consummate the Distribution shall be conditioned on the satisfaction, or waiver by Neurotrope, of the following conditions:

(a) The board of directors of Neurotrope shall have authorized and approved the Separation and Distribution and not withdrawn such authorization and approval, and shall have declared the dividend of NBI Common Stock to Neurotrope shareholders.

(b) Each Ancillary Agreement shall have been executed by each party thereto.

(c) The Form S-1 shall have been declared effective by the Commission, no stop order suspending the effectiveness of the Form S-1 shall be in effect and no proceedings for such purpose shall be pending before or threatened by the Commission.

(d) The NBI Common Stock shall have been accepted for listing on the OTC or, if applicable, Nasdaq or another national securities exchange approved by Neurotrope, subject to official notice of distribution.

(e) Neurotrope shall have received the written opinion of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., which shall remain in full force and effect, that, subject to the accuracy of and compliance with the relevant Tax Opinion Representations, (i) the Distribution should qualify for its U.S. Intended Tax Treatment and (ii) no "excess loss account" (within the meaning of Section 1.1502 of the Regulations) with respect to the NBI Common Stock should be taken into account as income or gain as a result of any step of the Separation or the Distribution.

(f) The Separation shall have been completed.

(g) No order, injunction or decree issued by any Governmental Authority of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Distribution shall be in effect, and no other event outside the control of Neurotrope shall have occurred or failed to occur that prevents the consummation of the Distribution.

(h) No other events or developments shall have occurred prior to the Distribution that, in the judgment of the board of directors of Neurotrope, would result in the Distribution having an adverse effect on Neurotrope or the shareholders of Neurotrope.

(i) The actions set forth in Sections 3.01(b), (f), (g) and (h) shall have been completed.

(j) NBI shall have delivered to Neurotrope a certificate signed by the Chief Financial Officer of NBI, dated as of the Distribution Date, certifying that NBI has complied with Section 3.01(i).

The foregoing conditions are for the sole benefit of Neurotrope and shall not give rise to or create any duty on the part of Neurotrope or the Neurotrope board of directors to waive or not waive such conditions or in any way limit the right of Neurotrope to terminate this Agreement as set forth in Article X or alter the consequences of any such termination from those specified in such Article. Any determination made by the Neurotrope board of directors prior to the Distribution concerning the satisfaction or waiver of any or all of the conditions set forth in this Section 3.02 shall be conclusive.

ARTICLE IV

THE DISTRIBUTION

SECTION 4.01 The Distribution. (a) NBI shall cooperate with Neurotrope to accomplish the Distribution and shall, at the direction of Neurotrope, use its reasonable best efforts to promptly take any and all actions necessary or desirable to effect the Distribution. Neurotrope shall select any investment bank or manager in connection with the Distribution, as well as any financial printer, distribution agent and financial, legal, accounting and other advisors for Neurotrope. Neurotrope or NBI, as the case may be, will provide, or cause the applicable member of its Group to provide, to the Agent all share certificates and any information required in order to complete the Distribution.

(b) Subject to the terms and conditions set forth in this Agreement, (i) after completion of the Separation and on or prior to the Distribution Date, for the benefit of and distribution to the holders of certain of Neurotrope's equity securities (other than shares of restricted stock issued pursuant to Neurotrope equity plans) as of the Record Date ("Record Holders"), Neurotrope will deliver to the Agent all of the issued and outstanding shares of NBI Common Stock then owned by Neurotrope or any other member of the Neurotrope Group and book-entry authorizations for such shares and (ii) on the Distribution Date, Neurotrope shall instruct the Agent to distribute to each Record Holder (or such Record Holder's bank or brokerage firm on such Record Holder's behalf) electronically, by direct registration in book-entry form, the number of shares of NBI Common Stock to which such Record Holder is entitled based on a distribution ratio to be determined by Neurotrope in its sole discretion. The Distribution shall be effective at 11:59 p.m. New York City time on the Distribution Date. On or as soon as practicable after the Distribution Date, the Agent will mail to each Record Holder an account statement indicating the number of shares of NBI Common Stock that have been registered in book-entry form in the name of such Record Holder.

SECTION 4.02 Fractional Shares. The Agent and Neurotrope shall, as soon as practicable after the Distribution Date, (a) determine the number of whole shares and fractional shares of NBI Common Stock allocable to each Record Holder, (b) aggregate all such fractional shares into whole shares and sell the whole shares obtained thereby in open market transactions at then prevailing trading prices on behalf of holders who would otherwise be entitled to fractional share interests and (c) distribute to each such holder, or for the benefit of each beneficial owner, such holder's or owner's ratable share of the net proceeds of such sale, based upon the average gross selling price per share of NBI Common Stock after making appropriate deductions for any amount required to be withheld under applicable Tax Law and less any brokers' charges, commissions or transfer Taxes. The Agent, in its sole discretion, will determine the timing and method of selling such fractional shares, the selling price of such fractional shares and the broker-dealer through which such fractional shares will be sold; provided, however, that the designated broker-dealer is not an Affiliate of Neurotrope or NBI. Neither Neurotrope nor NBI will pay any interest on the proceeds from the sale of fractional shares.

SECTION 4.03 Sole Discretion of Neurotrope. Neurotrope shall, in its sole and absolute discretion, determine the Record Date, the Distribution Date and all terms of the Distribution, including the form, structure and terms of any transactions and/or offerings to effect the Distribution and the timing of and conditions to the consummation thereof. In addition and notwithstanding anything to the contrary set forth below, Neurotrope may at any time and from time to time until the Distribution decide to abandon the Distribution or modify or change the terms of the Distribution, including by accelerating or delaying the timing of the consummation of all or part of the Distribution.

ARTICLE V

MUTUAL RELEASES; INDEMNIFICATION

SECTION 5.01 Release of Pre-Distribution Claims. (a) Except as provided in Section 5.01(c) or elsewhere in this Agreement or the Ancillary Agreements, effective as of the Distribution, NBI does hereby, for itself, its respective Affiliates, to the extent it may legally do so, successors and assigns, and all Persons who at any time on or prior to the Distribution have been shareholders, directors, officers, agents or employees of NBI (in each case, in their respective capacities as such), remise, release and forever discharge Neurotrope and the other members of the Neurotrope Group, their respective Affiliates, successors and assigns, and all Persons who at any on or prior to the Distribution have been shareholders, directors, officers, agents or employees of any member of the Neurotrope Group (in each case, in their respective capacities as such), and their respective heirs, executors, administrators, successors and assigns, from any and all NBI Liabilities whatsoever, whether at law or in equity (including any right of contribution), whether arising under any contract or agreement, by operation of law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed on or before the Distribution, including in connection with the Spin-Off and all other activities to implement the Spin-Off.

(b) Except as provided in Section 5.01(c) or elsewhere in this Agreement or the Ancillary Agreements, effective as of the Distribution, Neurotrope does hereby, for itself and each other member of the Neurotrope Group, their respective Affiliates, to the extent it may legally do so, successors and assigns, and all Persons who at any time on or prior to the Distribution have been shareholders, directors, officers, agents or employees of any member of the Neurotrope Group (in each case, in their respective capacities as such), remise, release and forever discharge NBI, its respective Affiliates, successors and assigns, and all Persons who at any time on or prior to the Distribution have been shareholders, directors, officers, agents or employees of any member of NBI (in each case, in their respective capacities as such), and their respective heirs, executors, administrators, successors and assigns, from any and all Neurotrope Liabilities whatsoever, whether at law or in equity (including any right of contribution), whether arising under any contract or agreement, by operation of law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed on or before the Distribution, including in connection with the Spin-Off and all other activities to implement the Spin-Off.

(c) Nothing contained in Section 5.01(a) or (b) shall impair any right of any Person to enforce this Agreement, any Ancillary Agreement or any Intercompany Agreement or Intercompany Account that is specified in Section 2.03(b) not to terminate as of the Distribution, in each case in accordance with its terms. Nothing contained in Section 5.01(a) or (b) shall release any Person from:

(i) any Liability provided in or resulting from any agreement among any members of the Neurotrope Group or NBI that is specified in Section 2.03(b) as not to terminate as of the Distribution, or any other Liability specified in such Section 2.03(b) as not to terminate as of the Distribution;

(ii) any Liability, contingent or otherwise, assumed, transferred, assigned or allocated to the Group of which such Person is a member in accordance with, or any other Liability of any member of any Group under, this Agreement or any Ancillary Agreement;

(iii) any Liability provided in or resulting from any other agreement or understanding that is entered into after the Distribution between one Party (and/or a member of such Party's Group), on the one hand, and the other Party (and/or a member of such Party's Group), on the other hand;

(iv) any Liability that the Parties may have with respect to indemnification or contribution pursuant to this Agreement or any Ancillary Agreement for claims brought against the Parties, the members of their respective Groups or any of their respective directors, officers, employees or agents, by third Persons, which Liability shall be governed by the provisions of this Article V or, if applicable, the appropriate provisions of the relevant Ancillary Agreement; or

(v) any Liability the release of which would result in the release of any Person not otherwise intended to be released pursuant to this Section 5.01.

(d) NBI shall not make any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution or any indemnification, against Neurotrope or any other member of the Neurotrope Group, or any other Person released pursuant to Section 5.01(a), with respect to any Liabilities released pursuant to Section 5.01(a). Neurotrope shall not make, and shall not permit any other member of the Neurotrope Group to make, any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution or any indemnification against NBI, or any other Person released pursuant to Section 5.01(b), with respect to any Liabilities released pursuant to Section 5.01(b).

(e) It is the intent of each of Neurotrope and NBI, by virtue of the provisions of this Section 5.01, to provide for a full and complete release and discharge of all Liabilities existing or arising from all acts and events occurring or failing to occur or alleged to have occurred or to have failed to occur and all conditions existing or alleged to have existed on or before the Distribution Date, between or among NBI, on the one hand, and Neurotrope or any other member of the Neurotrope Group, on the other hand (including any contractual agreements or arrangements existing or alleged to exist between or among any such members on or before the Distribution Date), except as set forth in Section 5.01(c) or elsewhere in this Agreement or in any Ancillary Agreement. At any time, at the request of the other Party, each Party shall cause each member of its respective Group to execute and deliver releases reflecting the provisions hereof.

SECTION 5.02 Indemnification by NBI. Subject to Section 5.04, NBI shall indemnify, defend and hold harmless Neurotrope each other member of the Neurotrope Group and each of their respective former and current directors, officers and employees, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the "Neurotrope Indemnitees"), from and against any and all Liabilities of the Neurotrope Indemnitees relating to, arising out of or resulting from any of the following items (without duplication):

(a) the NBI Liabilities, including the failure of NBI or any other Person to pay, perform or otherwise promptly discharge any NBI Liability in accordance with its terms;

(b) any breach by NBI of this Agreement or any Ancillary Agreement unless such Ancillary Agreement expressly provides for separate indemnification therein (which shall be controlling); and

(c) any breach by NBI of any of the representations and warranties made by NBI in Section 11.01(c).

SECTION 5.03 Indemnification by Neurotrope. Subject to Section 5.04, Neurotrope shall indemnify, defend and hold harmless NBI and each of its respective former and current directors, officers and employees, and each of the heirs, executors, successors and assigns of any of the foregoing (collectively, the "NBI Indemnitees"), from and against any and all Liabilities of the NBI Indemnitees relating to, arising out of or resulting from any of the following items (without duplication):

(a) the Neurotrope Liabilities, including the failure of Neurotrope or any other member of the Neurotrope Group or any other Person to pay, perform or otherwise promptly discharge any Neurotrope Liability in accordance with its terms;

(b) any breach by Neurotrope or any other member of the Neurotrope Group of this Agreement or any Ancillary Agreement unless such Ancillary Agreement expressly provides for separate indemnification therein (which shall be controlling); and

(c) any breach by Neurotrope of any of the representations and warranties made by Neurotrope on behalf of itself and the members of the Neurotrope Group in Section 11.01(c).

SECTION 5.04 Indemnification Obligations Net of Insurance Proceeds and Third-Party Proceeds.

(a) The Parties intend that any Liability subject to indemnification or reimbursement pursuant to this Agreement will be net of (i) Insurance Proceeds that actually reduce the amount of, or are paid to the applicable Indemnitee in respect of, such Liability or (ii) other amounts recovered from any third party that actually reduce the amount of, or are paid to the applicable Indemnitee in respect of, such Liability ("Third-Party Proceeds"). Accordingly, the amount that either Party (an "Indemnifying Party") is required to pay to any Person entitled to indemnification or reimbursement pursuant to this Agreement (an "Indemnitee") will be reduced by any Insurance Proceeds or Third-Party Proceeds theretofore actually recovered by or on behalf of the Indemnitee from a third party in respect of the related Liability. If an Indemnitee receives a payment required by this Agreement from an Indemnifying Party in respect of any Liability (an "Indemnity Payment") and subsequently receives Insurance Proceeds or Third-Party Proceeds in respect of such Liability, then the Indemnitee will pay to the Indemnifying Party an amount equal to the excess of the Indemnity Payment received over the amount of the Indemnity Payment that would have been due if such Insurance Proceeds or Third-Party Proceeds had been received, realized or recovered before the Indemnity Payment was made.

(b) An insurer that would otherwise be obligated to pay any claim shall not be relieved of the responsibility with respect thereto or have any subrogation rights with respect thereto by virtue of the indemnification provisions hereof, it being expressly understood and agreed that no insurer or any other third party shall be entitled to a "wind-fall" (i.e., a benefit they would not be entitled to receive in the absence of the indemnification provisions) by virtue of the indemnification provisions hereof. Each member of the Neurotrope Group and NBI shall use reasonable best efforts to seek to collect or recover any Insurance Proceeds and any Third-Party Proceeds to which such Person is entitled in connection with any Liability for which such Person seeks indemnification pursuant to this Article V; provided, however, that such Person's inability to collect or recover any such Insurance Proceeds or Third-Party Proceeds shall not limit the Indemnifying Party's obligations hereunder.

(c) The calculation of any Indemnity Payments required by this Agreement shall be subject to Section 5.04 of the TMA.

SECTION 5.05 Procedures for Indemnification of Third-Party Claims. (a) If an Indemnitee shall receive notice or otherwise learn of a Third-Party Claim with respect to which an Indemnifying Party may be obligated to provide indemnification to such Indemnitee pursuant to this Agreement, such Indemnitee shall give such Indemnifying Party written notice thereof as soon as reasonably practicable, but no later than 30 days after becoming aware of such Third-Party Claim. Any such notice shall describe the Third-Party Claim in reasonable detail. Notwithstanding the foregoing, the failure of any Indemnitee or other Person to give notice as provided in this Section 5.05(a) shall not relieve the related Indemnifying Party of its obligations under this Article VI, except to the extent that such Indemnifying Party is actually prejudiced by such failure to give notice.

(b) The Indemnifying Party shall have the right, exercisable by written notice to the Indemnitee within 30 calendar days after receipt of notice from an Indemnitee in accordance with Section 5.05(a) (or sooner, if the nature of such Third-Party Claim so requires), to assume and conduct the defense of such Third-Party Claim in accordance with the limits set forth in this Agreement with counsel selected by the Indemnifying Party and reasonably acceptable to the Indemnitee; provided, however, that (i) the defense of such Third-Party Claim by the Indemnifying Party will not, in the reasonable judgment of the Indemnitee, affect the Indemnitee or any of its controlled Affiliates in a materially adverse manner and (ii) the Third-Party Claim solely seeks (and continues to seek) monetary damages (the conditions set forth in clauses (i) and (ii), collectively, the "Litigation Conditions").

(c) If the Indemnifying Party elects not to assume the defense of a Third-Party Claim in accordance with this Agreement, or fails to notify an Indemnitee of its election as provided in Section 5.05(b), such Indemnitee may defend such Third-Party Claim at the cost and expense of the Indemnifying Party.

(d) If the Indemnifying Party elects to assume the defense of a Third-Party Claim in accordance with the terms of this Agreement, the Indemnitees shall, subject to the terms of this Agreement, cooperate with the Indemnifying Party with respect to the defense of such Third-Party Claim.

(e) If the Indemnifying Party elects to assume the defense of a Third-Party Claim in accordance with the terms of this Agreement, the Indemnifying Party will not be liable for any additional legal expenses subsequently incurred by the Indemnitee in connection with the defense of the Third-Party Claim; provided, however, that if (i) the Litigation Conditions cease to be met or (ii) the Indemnifying Party fails to take reasonable steps necessary to defend diligently such Third-Party Claim, the Indemnitee may assume its own defense, and the Indemnifying Party will be liable for all reasonable costs or expenses paid or incurred in connection with such defense. The Indemnifying Party or the Indemnitee, as the case may be, shall have the right to participate in (but, subject to the prior sentence, not control), at its own expense, the defense of any Third-Party Claim that the other is defending as provided in this Agreement. In the event, however, that such Indemnitee reasonably determines that representation by counsel to the Indemnifying Party of both such Indemnifying Party and the Indemnitee could reasonably be expected to present such counsel with a conflict of interest, then the Indemnitee may employ separate counsel to represent or defend it in any such action or proceeding and the Indemnifying Party will pay the reasonable fees and expenses of such counsel.

(f) No Indemnifying Party shall consent to entry of any judgment or enter into any settlement of any Third-Party Claim without the consent of the applicable Indemnitee or Indemnitees; provided, however, that such Indemnitee(s) shall be required to consent to such entry of judgment or to such settlement that the Indemnifying Party may recommend if the judgment or settlement (i) contains no finding or admission of any violation of Law or any violation of the rights of any Person, (ii) involves only monetary relief which the Indemnifying Party has agreed to pay and (iii) includes a full and unconditional release of the Indemnitee. Notwithstanding the foregoing, in no event shall an Indemnitee be required to consent to any entry of judgment or settlement if the effect thereof is to permit any injunction, declaratory judgment, other order or other nonmonetary relief to be entered, directly or indirectly, against any Indemnitee.

(g) Whether or not the Indemnifying Party assumes the defense of a Third-Party Claim, no Indemnitee shall admit any liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnifying Party's prior written consent (such consent not to be unreasonably withheld or delayed).

SECTION 5.06 Additional Matters. (a) Any claim on account of a Liability that does not result from a Third-Party Claim shall be asserted by written notice given by the Indemnitee to the related Indemnifying Party. Such Indemnifying Party shall have a period of 30 days after the receipt of such notice within which to respond thereto. If such Indemnifying Party does not respond within such 30-day period, such Indemnifying Party shall be deemed to have refused to accept responsibility to make payment. If such Indemnifying Party does not respond within such 30-day period or rejects such claim in whole or in part, such Indemnitee shall be free to pursue such remedies as may be available to such Party as contemplated by this Agreement.

(b) In the event of payment by or on behalf of any Indemnifying Party to any Indemnitee in connection with any Third-Party Claim, such Indemnifying Party shall be subrogated to and shall stand in the place of such Indemnitee as to any events or circumstances in respect of which such Indemnitee may have any right, defense or claim relating to such Third-Party Claim against any claimant or plaintiff asserting such Third-Party Claim or against any other Person. Such Indemnitee shall cooperate with such Indemnifying Party in a reasonable manner, and at the cost and expense of such Indemnifying Party, in prosecuting any subrogated right, defense or claim.

(c) In the event of an Action relating to a Liability that has been allocated to an Indemnifying Party pursuant to the terms of this Agreement or any Ancillary Agreement in which the Indemnifying Party is not a named defendant, if the Indemnifying Party shall so request, the Parties shall endeavor to substitute the Indemnifying Party for the named defendant or add the Indemnifying Party as an additional named defendant, if at all practicable. If such substitution or addition cannot be achieved for any reason or is not requested, the named defendant shall allow the Indemnifying Party to manage the Action as set forth in this Section 6.06, the Indemnifying Party shall fully indemnify the named defendant against all reasonable costs of defending the Action (including court costs, sanctions imposed by a court, attorneys' fees, experts, fees and all other external expenses), the costs of any judgment or settlement and the cost of any interest or penalties relating to any judgment or settlement.

SECTION 5.07 Remedies Cumulative. The remedies provided in this Article V shall be cumulative and, subject to the provisions of Article IX, shall not preclude assertion by any Indemnitee of any other rights or the seeking of any and all other remedies against any Indemnifying Party.

SECTION 5.08 Survival of Indemnities. The rights and obligations of each of Neurotrope and NBI and their respective Indemnitees under this Article VI shall survive the sale or other transfer by any Party or its Affiliates of any Assets or businesses or the assignment by it of any Liabilities.

SECTION 5.09 Limitation on Liability. Except as may expressly be set forth in this Agreement, none of Neurotrope, NBI or any other member of either Group shall in any event have any Liability to the other or to any other member of the other's Group, or to any other Neurotrope Indemnitee or NBI Indemnitee, as applicable, under this Agreement (i) with respect to any matter to the extent that such Party seeking indemnification has engaged in any knowing violation of Law or fraud in connection therewith or (ii) for any indirect, special, punitive or consequential damages, whether or not caused by or resulting from negligence or breach of obligations hereunder and whether or not informed of the possibility of the existence of such damages; provided, however, that the provisions of this Section 5.09(ii) shall not limit an Indemnifying Party's indemnification obligations hereunder with respect to any Liability any Indemnitee may have to any third party not affiliated with any member of the Neurotrope Group or NBI for any indirect, special, punitive or consequential damages.

ARTICLE VI

ACCESS TO INFORMATION; CONFIDENTIALITY

SECTION 6.01 Agreement for Exchange of Information; Archives. (a) Except in the case of an adversarial Action or threatened adversarial Action by either Neurotrope or NBI or a Person or Persons in its Group against the other Party or a Person or Persons in its Group, and subject to Section 6.01(b), each of Neurotrope and NBI, on behalf of its respective Group, shall provide, or cause to be provided, to the other Party, at any time after the Distribution, as soon as reasonably practicable after written request therefor, any Information relating to time periods on or prior to the Distribution Date in the possession or under the control of such respective Group, which Neurotrope or NBI, or any member of its respective Group, as applicable, reasonably needs (i) to comply with reporting, disclosure, filing or other requirements imposed on Neurotrope or NBI, or any member of its respective Group, as applicable (including under applicable securities Laws), by any national securities exchange or any Governmental Authority having jurisdiction over Neurotrope or NBI, or any member of its respective Group, as applicable, (ii) for use in any other judicial, regulatory, administrative or other proceeding or in order to satisfy audit, accounting, regulatory, litigation or other similar requirements or (iii) to comply with its obligations under this Agreement or any Ancillary Agreement. The receiving Party shall use any Information received pursuant to this Section 6.01(a) solely to the extent reasonably necessary to satisfy the applicable obligations or requirements described in clause (i), (ii) or (iii) of the immediately preceding sentence.

(b) In the event that either Neurotrope or NBI determines that the exchange of any Information pursuant to Section 6.01(a) could be commercially detrimental, violate any Law or agreement or waive or jeopardize any attorney-client privilege or attorney work product protection, such Party shall not be required to provide access to or furnish such Information to the other Party; provided, however, that both Neurotrope and NBI shall take all commercially reasonable measures to permit the compliance with Section 6.01(a) in a manner that avoids any such harm or consequence. Both Neurotrope and NBI intend that any provision of access to or the furnishing of Information pursuant to this Section 7.01 that would otherwise be within the ambit of any legal privilege shall not operate as waiver of such privilege.

(c) Each of NBI and Neurotrope agrees, on behalf of itself and each member of the Group of which it is a member, not to disclose or otherwise waive any privilege or protection attaching to any privileged Information relating to a member of the other Group or relating to or arising in connection with the relationship between the Groups prior to the Distribution, without providing prompt written notice to and obtaining the prior written consent of the other (not to be unreasonably withheld or delayed).

(d) Neurotrope and NBI each agree that it will only process personal data provided to it by the other Group in accordance with all applicable privacy and data protection Law obligations and will implement and maintain at all times appropriate technical and organizational measures to protect such personal data against unauthorized or unlawful processing and accidental loss, destruction, damage, alteration and disclosure. In addition, each Party agrees to provide reasonable assistance to the other Party in respect of any obligations under privacy and data protection legislation affecting the disclosure of such personal data to the other Party and will not knowingly process such personal data in such a way to cause the other Party to violate any of its obligations under any applicable privacy and data protection legislation.

SECTION 6.02 Ownership of Information. Any Information owned by one Group that is provided to the requesting Party hereunder shall be deemed to remain the property of the providing Party. Except as specifically set forth herein, nothing herein shall be construed as granting or conferring rights of license or otherwise in any such Information.

SECTION 6.03 Compensation for Providing Information. Neurotrope and NBI shall reimburse each other for the reasonable costs, if any, in complying with a request for Information pursuant to this Article VI. Except as may be otherwise specifically provided elsewhere in this Agreement, such costs shall be computed in accordance with NBI's or Neurotrope's, as applicable, standard methodology and procedures.

SECTION 6.04 Record Retention. To facilitate the possible exchange of Information pursuant to this Article VI and other provisions of this Agreement, each Party shall use its reasonable best efforts to retain all Information in such Party's possession relating to the other Party or its businesses, Assets or Liabilities, this Agreement or the Ancillary Agreements (the "Retained Information") in accordance with its respective record retention policy as in effect on the date hereof or such longer or shorter period as required by Law, this Agreement or the Ancillary Agreements.

SECTION 6.05 Accounting Information. Without limiting the generality of Section 6.01 but subject to Section 6.01(b):

(a) Until the end of the first full fiscal year occurring after the Distribution Date (and for a reasonable period of time afterwards as required by Law for Neurotrope to prepare consolidated financial statements or complete a financial statement audit for any period during which the financial results of NBI were consolidated with those of Neurotrope), NBI shall use its reasonable best efforts to enable Neurotrope to meet its timetable for dissemination of its financial statements and to enable Neurotrope's auditors to timely complete their annual audit and quarterly reviews of financial statements. As part of such efforts, to the extent reasonably necessary for the preparation of financial statements or completing an audit or review of financial statements or an audit of internal control over financial reporting, (i) NBI shall authorize and direct its auditors to make available to Neurotrope's auditors, within a reasonable time prior to the date of Neurotrope's auditors' opinion or review report, both (x) the personnel who performed or will perform the annual audits and quarterly reviews of NBI and (y) work papers related to such annual audits and quarterly reviews, to enable Neurotrope's auditors to perform any procedures they consider reasonably necessary to take responsibility for the work of NBI's auditors as it relates to Neurotrope's auditors' opinion or report and (ii) until all governmental audits are complete, NBI shall provide reasonable access during normal business hours for Neurotrope's internal auditors, counsel and other designated representatives to (x) the premises of NBI and its Subsidiaries and all Information (and duplicating rights) within the knowledge, possession or control of NBI and its Subsidiaries and (y) the officers and employees of NBI and its Subsidiaries, so that Neurotrope may conduct reasonable audits relating to the financial statements provided by NBI and its Subsidiaries; provided, however, that such access shall not be unreasonably disruptive to the business and affairs of NBI.

(b) Until the end of the first full fiscal year occurring after the Distribution Date (and for a reasonable period of time afterwards or as required by Law), Neurotrope shall use its reasonable best efforts to enable NBI to meet its timetable for dissemination of its financial statements and to enable NBI's auditors to timely complete their annual audit and quarterly reviews of financial statements. As part of such efforts, to the extent reasonably necessary for the preparation of financial statements or completing an audit or review of financial statements or an audit of internal control over financial reporting, (i) Neurotrope shall authorize and direct its auditors to make available to NBI's auditors, within a reasonable time prior to the date of NBI's auditors' opinion or review report, both (x) the personnel who performed or will perform the annual audits and quarterly reviews of Neurotrope and (y) work papers related to such annual audits and quarterly reviews, to enable NBI's auditors to perform any procedures they consider reasonably necessary to take responsibility for the work of Neurotrope's auditors as it relates to NBI's auditors' opinion or report and (ii) until all governmental audits are complete, Neurotrope shall provide reasonable access during normal business hours for NBI's internal auditors, counsel and other designated representatives to (x) the premises of Neurotrope and its Subsidiaries and all Information (and duplicating rights) within the knowledge, possession or control of Neurotrope and its Subsidiaries and (y) the officers and employees of Neurotrope and its Subsidiaries, so that NBI may conduct reasonable audits relating to the financial statements provided by Neurotrope and its Subsidiaries; provided, however, that such access shall not be unreasonably disruptive to the business and affairs of the Neurotrope Group.

(c) In order to enable the principal executive officer(s) and principal financial officer(s) (as such terms are defined in the rules and regulations of the Commission) of Neurotrope to make any certifications required of them under Section 302 or 906 of the Sarbanes-Oxley Act of 2002, NBI shall, within a reasonable period of time following a request from Neurotrope in anticipation of filing such reports, cause its principal executive officer(s) and principal financial officer(s) to provide Neurotrope with certifications of such officers in support of the certifications of Neurotrope's principal executive officer(s) and principal financial officer(s) required under Section 302 or 906 of the Sarbanes-Oxley Act of 2002 with respect to Neurotrope's Quarterly Report on Form 10-Q filed with respect to the fiscal quarter during which the Distribution Date occurs (unless such quarter is the fourth fiscal quarter), each subsequent fiscal quarter through the third fiscal quarter of the year in which the Distribution Date occurs and Neurotrope's Annual Report on Form 10-K filed with respect to the fiscal year during which the Distribution Date occurs. Such certifications shall be provided in substantially the same form and manner as such NBI officers provided prior to the Distribution (reflecting any changes in certifications necessitated by the Spin- Off or any other transactions related thereto) or as otherwise agreed upon between Neurotrope and NBI.

SECTION 6.06 Limitations of Liability. Neither Neurotrope nor NBI shall have any Liability to the other Party in the event that any Information exchanged or provided pursuant to this Agreement that is an estimate or forecast, or that is based on an estimate or forecast, is found to be inaccurate in the absence of willful misconduct by the providing Person. Neither Neurotrope nor NBI shall have any Liability to the other Party if any Information is destroyed after reasonable best efforts by NBI or Neurotrope, as applicable, to comply with the provisions of Section 6.04.

SECTION 6.07 Production of Witnesses; Records; Cooperation. (a) After the Distribution Date and until the third anniversary thereof, except in the case of an adversarial Action or threatened adversarial Action by either Neurotrope or NBI or a Person or Persons in its Group against the other Party or a Person or Persons in its Group, each of Neurotrope and NBI shall take all reasonable steps to make available, upon written request, the former, current and future directors, officers, employees, other personnel and agents of the Persons in its respective Group (whether as witnesses or otherwise) and any books, records or other documents within its control or that it otherwise has the ability to make available, to the extent that such Person (giving consideration to business demands of such directors, officers, employees, other personnel and agents) or books, records or other documents may reasonably be required in connection with any Action or threatened or contemplated Action (including preparation for such Action) in which Neurotrope or NBI, as applicable, may from time to time be involved, regardless of whether such Action is a matter with respect to which indemnification may be sought hereunder. The requesting Party shall bear all reasonable out-of-pocket costs and expenses in connection therewith.

(b) Without limiting the foregoing, Neurotrope and NBI shall use their reasonable best efforts to cooperate and consult to the extent reasonably necessary with respect to any Actions or threatened or contemplated Actions, other than an adversarial Action against the other Group.

(c) The obligation of Neurotrope and NBI to make available former, current and future directors, officers, employees and other personnel and agents or provide witnesses and experts pursuant to this Section 6.07 is intended to be interpreted in a manner so as to facilitate cooperation and shall include the obligation to make available employees and other officers without regard to whether such individual or the employer of such individual could assert a possible business conflict (subject to the exception set forth in the first sentence of Section 6.07(a)). Without limiting the foregoing, each of Neurotrope and NBI agrees that neither it nor any Person or Persons in its respective Group will take any adverse action against any employee of its Group based on such employee's provision of assistance or information to each other pursuant to this Section 6.07.

(d) Upon the reasonable request of Neurotrope or NBI, in connection with any Action contemplated by this Article VII, Neurotrope and NBI will enter into a mutually acceptable common interest agreement so as to maintain to the extent practicable any applicable attorney-client privilege or work product immunity of any member of either Group.

SECTION 6.08 Confidential Information. (a) Each of Neurotrope and NBI, on behalf of itself and each Person in its respective Group, shall hold, and cause its respective directors, officers, employees, agents, accountants, counsel and other advisors and representatives to hold, in strict confidence and not release or disclose, with at least the same degree of care, but no less than a reasonable degree of care, that it applies to its own confidential and proprietary information pursuant to policies in effect as of the Distribution Date, all Information concerning the other Group or its business that is either in its possession (including Information in its possession prior to the Distribution) or furnished by the other Group or its respective directors, officers, employees, agents, accountants, counsel and other advisors and representatives at any time pursuant to this Agreement, and shall not use any such Information other than for such purposes as shall be expressly permitted hereunder, except, in each case, to the extent that such Information is (i) in the public domain through no fault of any member of the Neurotrope Group or NBI, as applicable, or any of its respective directors, officers, employees, agents, accountants, counsel and other advisors and representatives, (ii) later lawfully acquired from other sources by any of Neurotrope, NBI or its respective Group, employees, directors or agents, accountants, counsel and other advisors and representatives, as applicable, which sources are not themselves bound by a confidentiality obligation to the knowledge of any of Neurotrope, NBI or Persons in its respective Group, as applicable, (iii) independently generated without reference to any proprietary or confidential Information of the Neurotrope Group or NBI, as applicable, or (iv) required to be disclosed by Law; provided, however, that the Person required to disclose such Information gives the applicable Person prompt, and to the extent reasonably practicable, prior notice of such disclosure and an opportunity to contest such disclosure and shall use commercially reasonable efforts to cooperate, at the expense of the requesting Person, in seeking any reasonable protective arrangements requested by such Person. In the event that such appropriate protective order or other remedy is not obtained, the Person that is required to disclose such Information shall furnish, or cause to be furnished, only that portion of such Information that is legally required to be disclosed and shall take commercially reasonable steps to ensure that confidential treatment is accorded such Information.

Notwithstanding the foregoing, each of Neurotrope and NBI may release or disclose, or permit to be released or disclosed, any such Information concerning the other Group (x) to their respective directors, officers, employees, agents, accountants, counsel and other advisors and representatives who need to know such Information (who shall be advised of the obligations hereunder with respect to such Information), and (y) to any nationally recognized statistical rating organization as it reasonably deems necessary, solely for the purpose of obtaining a rating of securities or other debt instruments upon normal terms and conditions; provided, however, that the Party whose Information is being disclosed or released to such rating organization is promptly notified thereof.

(b) Without limiting the foregoing, when any Information concerning the other Group or its business is no longer needed for the purposes contemplated by this Agreement or any Ancillary Agreement, each of Neurotrope and NBI will, promptly after request of the other Party, either return all Information in a tangible form (including all copies thereof and all notes, extracts or summaries based thereon) or certify to the other Party, as applicable, that it has destroyed such Information (and used commercially reasonable efforts to destroy all such Information electronically preserved or recorded within any computerized data storage device or component (including any hard-drive or database)).

ARTICLE VII

INSURANCE

SECTION 7.01 Insurance. (a) Until and including the Distribution Date, Neurotrope shall (i) cause NBI and its respective employees, officers and directors to continue to be covered as insured parties under Neurotrope's policies of insurance in a manner which is no less favorable than the coverage provided for the Neurotrope Group and (ii) permit NBI and its respective employees, officers and directors to submit claims arising from or relating to facts, circumstances, events or matters that occurred on or prior to the Distribution Date to the extent permitted under such policies. With respect to policies currently procured by NBI for its sole benefit, NBI shall continue to maintain such insurance coverage through the Distribution Date in a manner no less favorable than currently provided. Without limiting any of the rights or obligations of the parties pursuant to Section 7.01(b), Neurotrope and NBI acknowledge that, as of immediately after the Distribution Date, and upon confirmation that NBI has secured replacement coverage, Neurotrope intends to take such action as it may deem necessary or desirable to NBI and its respective employees, officers and directors as insured parties under any policy of insurance issued to any member of the Neurotrope Group by any insurance carrier effective immediately following the Distribution Date.

NBI will not be entitled following the Distribution Date, absent mutual agreement otherwise, to make any claims for insurance thereunder to the extent such claims are based upon facts, circumstances, events or matters occurring after the Distribution Date or to the extent any claims are made pursuant to any Neurotrope claims-made policies after the Distribution Date. No member of the Neurotrope Group shall be deemed to have made any representation or warranty as to the availability of any coverage under any such insurance policy. Notwithstanding the foregoing, Neurotrope shall, and shall cause the other members of the Neurotrope Group to, use reasonable best efforts to take such actions as are necessary to cause all insurance policies of the Neurotrope Group that immediately prior to the Distribution provide coverage to or with respect to NBI and its respective employees, officers and directors to continue to provide such coverage with respect to acts, omissions or events occurring prior to the Distribution or claims made prior to the Distribution in accordance with their terms as if the Distribution had not occurred and Neurotrope shall provide, and shall cause other members of the Neurotrope Group to provide, such cooperation as is reasonably requested by NBI in order for NBI to have in effect after the Distribution Date such new claims-made policies as NBI deems appropriate with respect to claims made after the Distribution Date. In no event shall Neurotrope be required, at its own expense or with any detriment to Neurotrope, to extend or maintain coverage under claims-made policies with respect to any claims first made against NBI or first reported to the insurer after the Distribution Date.

(b) After the Distribution Date, NBI shall have the right to participate with Neurotrope to resolve Pre- Separation Insurance Claims under the applicable Neurotrope insurance policies up to the full extent of the applicable and available limits of Liability of such policy. Neurotrope or NBI, as the case may be, shall have primary control over those Pre-Separation Insurance Claims for which the Neurotrope Group or NBI, respectively, bears the underlying loss, subject to the terms and conditions of the relevant policy of insurance governing such control. If NBI is unable to assert a Pre-Separation Insurance Claim because it is no longer an "insured" under a Neurotrope insurance policy, then Neurotrope shall assert such claim in its own name and deliver the Insurance Proceeds to NBI. Any Insurance Proceeds received by the Neurotrope Group for NBI shall be for the benefit of NBI. Any Insurance Proceeds received for the benefit of both the Neurotrope Group and NBI shall be distributed pro rata based on the respective share of the underlying loss.

(c) With respect to Pre-Separation Insurance Claims, whether or not known or reported on or prior to the Distribution Date, NBI shall report as soon as practicable such claims arising from the NBI Business directly to the applicable insurer(s) and to Neurotrope, and NBI shall, individually, and not jointly, assume and be responsible for the reimbursement Liability (i.e., deductible or retention) related to its portion of the Liability and/or any retrospective premium charges associated with the workers compensation, automobile and general liability claims so submitted by it to the extent such amounts payable by Neurotrope after the Distribution Date are greater than they otherwise would have been if such amounts had been based on the most recent actuarial projections established for such claims immediately prior to the Distribution, unless otherwise agreed in writing by Neurotrope. Neurotrope shall, and shall cause each member of the Neurotrope Group to, cooperate and assist NBI with respect to such claims and shall arrange for NBI to post any such collateral in respect of the reimbursement obligations as may reasonably be requested by the insurers. In addition, Neurotrope shall provide information to NBI on claims history including quarterly loss reports and annual actuarial claims reports for the previous five policy terms. Neurotrope agrees that Pre-Separation Insurance Claims of NBI shall receive the same priority as Pre-Separation Insurance Claims of members of the Neurotrope Group and be treated equitably in all respects, including in connection with deductibles, retentions, coinsurance and retrospective premium charges.

(d) Neurotrope shall not be liable to NBI for claims, or portions of claims, not reimbursed by insurers under any policy for any reason, including coinsurance provisions, deductibles, quota share deductibles, self-insured retentions, bankruptcy or insolvency of any insurance carrier(s), policy limitations or restrictions (including exhaustion of limits), any coverage disputes, any failure to timely file a claim by any member of the Neurotrope Group or NBI or any defect in such claim or its processing. In the event that insurable claims of both Neurotrope and NBI (or the members of their respective Groups) exist relating to the same occurrence, the Parties shall jointly defend and waive any conflict of interest necessary to the conduct of the joint defense and shall not settle or compromise any such claim without the consent of the other (which consent shall not be unreasonably withheld or delayed subject to the terms and conditions of the applicable insurance policy). Nothing in this Section 7.01 shall be construed to limit or otherwise alter in any way the obligations of the Parties, including those created by this Agreement, by operation of Law or otherwise.

(e) After the Distribution Date, to the extent that any claims have been duly reported on or before the Distribution Date under the directors and officers liability insurance policies or fiduciary liability insurance policies (collectively, "D&O Policies") maintained by members of the Neurotrope Group, Neurotrope shall not, and shall cause the members of the Neurotrope Group not to, take any action that would limit the coverage of the individuals who acted as directors or officers of NBI on or prior to the Distribution Date under any D&O Policies maintained by the members of the Neurotrope Group. Neurotrope shall, and shall cause members of the Neurotrope Group to, reasonably cooperate with the individuals who acted as directors and officers of NBI on or prior to the Distribution Date in their pursuit of any coverage claims under such D&O Policies which could inure to the benefit of such individuals. Neurotrope shall, and shall cause members of the Neurotrope Group to, allow NBI and its agents and representatives, upon reasonable prior notice and during regular business hours, to examine and make copies of the relevant D&O Policies maintained by Neurotrope and members of the Neurotrope Group pursuant to this Section 8.01(e). Neurotrope shall provide, and shall cause other members of the Neurotrope Group to provide, such cooperation as is reasonably requested by NBI in order for NBI to have in effect after the Distribution Date such new D&O Policies as NBI deems appropriate with respect to claims reported after the Distribution Date. Except as provided in this Section 8.01(e), the Neurotrope Group may, at any time, without liability or obligation to NBI, amend, commute, terminate, buy-out, extinguish liability under or otherwise modify any "occurrence-based" insurance policy or "claims-made-based" insurance policy (and such claims will be subject to any such amendments, commutations, terminations, buy-outs, extinguishments and modifications); provided, however, that Neurotrope will immediately notify NBI of any termination of any insurance policy.

(f) The parties shall use reasonable best efforts to cooperate with respect to the various insurance matters contemplated by this Section 7.01.

ARTICLE VIII

INTELLECTUAL PROPERTY

SECTION 8.01 Consent To Use Trademarks And Duty To Cooperate. (a) NBI consents to the use and registration of the Neurotrope Marks in the Neurotrope Business by Neurotrope and its Affiliates and their respective licensees. The consent in this Section 8.01(a) includes consent to the Neurotrope Group's and such licensees' use and registration of names, trademarks and domain names that include, in whole or in part, "Neurotrope Bioscience, Inc." or the abbreviation "NBI".

(b) Neurotrope consents (on behalf of itself and each other member of the Neurotrope Group) to the use and registration of the NBI Marks in the NBI Business by NBI and its Affiliates and their respective licensees. The consent in this Section 8.01(b) includes consent to NBI's and such licensees' use and registration of names, trademarks and domain names that include, in whole or in part, "NBI".

(c) NBI agrees that it will not oppose or petition to cancel, or assist another party in opposing or petitioning to cancel, an application or registration by Neurotrope or its Affiliates or their respective licensees for a Neurotrope Mark that is consistent with the use to which NBI has consented under this Agreement. Neurotrope agrees that it will not, and agrees to cause its Subsidiaries not to, oppose or petition to cancel, or assist another party in opposing or petitioning to cancel, an application or registration by NBI or its Affiliates or their respective licensees for a NBI Mark that is consistent with the use to which Neurotrope has consented under this Agreement.

(d) NBI hereby acknowledges Neurotrope's right, title and interest in and to the Neurotrope Marks, and will not in any way, directly or indirectly, do or cause to be done any act or thing contesting or in any way impairing or tending to impair any part of such right, title and interest within the Neurotrope Business or with respect to goods or services provided in connection with the Neurotrope Business. NBI agrees not to use, and agrees to cause its Subsidiaries not to use, the Neurotrope Marks, or any names, trademarks or domain names that incorporate the Neurotrope Marks for any purpose.

In the event that Neurotrope Marks prominently appear on any business or promotional materials used by NBI or its Affiliates within the NBI Business, NBI shall remove and cease using such prominently appearing marks as soon as reasonably practical following the Distribution Date but in any event within 90 days of the Distribution Date or, with respect to products for sale produced or published prior to the Distribution Date on which any Neurotrope Mark prominently appears, within six months of the Distribution Date; provided that NBI shall promptly arrange for the destruction of any such products for sale produced or published prior to the Distribution Date that remain unsold following such six-month period and on which any Neurotrope Mark prominently appears.

(e) Neurotrope hereby acknowledges (on behalf of itself and each other member of the Neurotrope Group) NBI's right, title and interest in and to the NBI Marks, and will not in any way, directly or indirectly, do or cause to be done any act or thing contesting or in any way impairing or tending to impair any part of such right, title and interest within the NBI Business or with respect to goods or services provided in connection with the NBI Business. Neurotrope agrees not to use, and agrees to cause its Subsidiaries not to use, the NBI Marks, except where the use is a use, otherwise than as a mark, of the party's individual name in its own business, or of the individual name of anyone in privity with such party, or of a term or device which is descriptive of and used fairly and in good faith only to describe the goods or services of such party, or their geographic origin. Without limiting the foregoing, neither Neurotrope nor its Affiliates shall use the name or mark NBI for any brand, mark, title or any source identifiers.

In the event that NBI Marks prominently appear on any business or promotional materials used by Neurotrope or its Affiliates within the Neurotrope Business, Neurotrope shall remove and cease using such prominently appearing marks as soon as reasonably practical following the Distribution Date but in any event within 90 days of the Distribution Date or, with respect to products for sale produced or published prior to the Distribution Date on which any NBI Mark prominently appears, within six months of the Distribution Date; provided that Neurotrope shall promptly arrange for the destruction of any such products for sale produced or published prior to the Distribution Date that remain unsold following such six-month period and on which any NBI Mark prominently appears.

(f) Each of Neurotrope and NBI believes its respective marks are sufficiently distinctive and different to ensure consumers will not be confused as to source or sponsorship, and each agrees to employ its reasonable best efforts to use its respective marks in a manner that does not cause actual confusion or a likelihood of confusion as to source or sponsorship of its respective goods or services in its respective channels of trade. If, despite Neurotrope's and NBI's reasonable best efforts, such actual confusion shall be brought to the attention of either such party, such parties agree to consult regarding steps to be taken to mitigate or correct such actual confusion.

(g) Each of Neurotrope and NBI shall be responsible for policing, protecting and enforcing its own trademarks, trade names and service marks. Notwithstanding the forgoing, each of Neurotrope and NBI will promptly give notice to the other of any known, actual or threatened, use or infringement that may cause consumers to be confused as to source or sponsorship between such parties.

(h) If a trademark office cites Neurotrope's prior NBI formative trademark against NBI's trademark application for a NBI formative mark, or NBI's prior NBI formative trademark against Neurotrope's NBI trademark application, the owner of the prior trademark will cooperate with the applicant and provide consent to the registration of the applied-for trademark, provided the applied-for trademark application is not contrary to the terms of this Article IX.

SECTION 8.02 Domain Names. (a) At the expense of NBI, each of Neurotrope and NBI will use commercially reasonable efforts to ensure the Domain Names in Schedule XIII are: (i) listed with NBI or, on behalf of NBI, appropriate local counsel or other designated agent of NBI as the owner/registrant; (ii) managed by NBI in a NBI-controlled registrar account; and (iii) placed on NBI domain name servers, in each case within six months following the Distribution Date.

(b) At the expense of NBI, NBI will use commercially reasonable efforts to identify and disable all uses of the Domain Names identified in Schedule XIV within six months following the Distribution Date, and will notify Neurotrope that use has ceased. Until the earlier of (x) the receipt of such notice from NBI and (y) the date that is six months following the Distribution Date, Neurotrope will use commercially reasonable efforts to ensure that the Domain Names in Schedule XIV are: (i) listed with Neurotrope or, on behalf of Neurotrope, appropriate local counsel or other designated agent of Neurotrope as the owner/registrant; (ii) managed by Neurotrope in a Neurotrope-controlled registrar account; (iii) maintained as active registrations (i.e., not allowed to expire); and (iv) not changed in any aspect from current usage.

(c) Upon the earlier of (x) the receipt of the notice from NBI required under Section 9.02(b) and (y) the date that is six months following the Distribution Date, Neurotrope will: (i) use commercially reasonable efforts to ensure that the Domain Names identified in Schedule XIV are no longer publicly-facing by removing them from active domain name servers; and (ii) allow the Domain Names identified in Schedule XIV to lapse; provided that, rather than allowing such Domain Names to lapse or following such lapse, Neurotrope may, in its sole discretion, repurpose non-biopharmaceutical-focused Domain Names identified in Schedule XIV (e.g., [ ].com) for Neurotrope's and its Affiliates' own use.

SECTION 8.03 Scope. The geographic scope of this Article VIII shall be worldwide.

SECTION 8.04 Licenses; Assignments. Any license, assignments or other transfer of rights in the Neurotrope Marks, the NBI Marks or the Domain Names to a third party shall be accompanied by the restrictions provided in this Article VIII.

ARTICLE IX

FURTHER ASSURANCES AND ADDITIONAL COVENANTS

SECTION 9.01 Further Assurances and Additional Covenants. (a) In addition to the actions specifically provided for elsewhere in this Agreement, each of the Parties shall, subject to Section 4.03, use reasonable best efforts, prior to, on and after the Distribution Date, to take, or cause to be taken, all actions, and to do, or cause to be done, all things, reasonably necessary, proper or advisable under applicable Laws and agreements to consummate and make effective the transactions contemplated by this Agreement.

(b) Without limiting the foregoing, prior to, on and after the Distribution Date, each Party shall cooperate with the other Party, without any further consideration, but at the expense of the requesting Party, (i) to execute and deliver, or use reasonable best efforts to execute and deliver, or cause to be executed and delivered, all instruments, including any instruments of conveyance, assignment and transfer as such Party may reasonably be requested to execute and deliver by the other Party, (ii) to make, or cause to be made, all filings with, and to obtain, or cause to be obtained, all Consents of any Governmental Authority or any other Person under any permit, license, agreement, indenture or other instrument, (iii) to obtain, or cause to be obtained, any Governmental Approvals or other Consents required to effect the Spin-Off and (iv) to take, or cause to be taken, all such other actions as such Party may reasonably be requested to take by the other Party from time to time, consistent with the terms of this Agreement and the Ancillary Agreements, in order to effectuate the provisions and purposes of this Agreement and any transfers of Assets or assignments and assumptions of Liabilities hereunder and the other transactions contemplated hereby.

(c) On or prior to the Distribution Date, Neurotrope and NBI, in their respective capacities as direct and indirect shareholders of their respective Subsidiaries, shall each ratify any actions that are reasonably necessary or desirable to be taken by NBI or any other Subsidiary of Neurotrope, as the case may be, to effectuate the transactions contemplated by this Agreement.

(d) Prior to the Distribution, if either Party identifies any commercial or other service that is needed to ensure a smooth and orderly transition of its business in connection with the consummation of the transactions contemplated hereby, and that is not otherwise governed by the provisions of this Agreement or any Ancillary Agreement, the Parties will cooperate in determining whether there is a mutually acceptable arm's-length basis on which the other Party will provide such service.

(e) Neurotrope and NBI shall settle the Payables Transactions in accordance with Schedule II. As soon as reasonably possible following the Distribution Date, the Parties agree to determine and settle the final amounts of the Payables Transactions to the extent such amounts have not previously been settled.

ARTICLE X

TERMINATION

SECTION 10.01 Termination. This Agreement may be terminated by Neurotrope at any time, in its sole discretion, only upon the abandonment of the Merger and prior to the Distribution.

SECTION 10.02 Effect of Termination. In the event of any termination of this Agreement prior to the Distribution, neither Party (nor any of its directors or officers) shall have any Liability or further obligation to the other Party under this Agreement or the Ancillary Agreements.

ARTICLE XI

MISCELLANEOUS

SECTION 11.01 Counterparts; Entire Agreement; Corporate Power.

(a) This Agreement may be executed in one or more counterparts, all of which counterparts shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each Party and delivered to the other Party. This Agreement may be executed by facsimile or PDF signature and a facsimile or PDF signature shall constitute an original for all purposes.

(b) This Agreement, the Ancillary Agreements and the Appendices, Exhibits and Schedules hereto and thereto contain the entire agreement between the Parties with respect to the subject matter hereof and supersede all previous agreements, negotiations, discussions, writings, understandings, commitments and conversations with respect to such subject matter, and there are no agreements or understandings between the Parties with respect to the subject matter hereof other than those set forth or referred to herein or therein.

(c) Neurotrope represents on behalf of itself and each other member of the Neurotrope Group, and NBI represents on behalf of itself, as follows:

(i) each such Person has the requisite corporate or other power and authority and has taken all corporate or other action necessary in order to execute, deliver and perform each of this Agreement and each Ancillary Agreement to which it is a party and to consummate the transactions contemplated hereby and thereby; and

(ii) this Agreement and each Ancillary Agreement to which it is a party has been (or, in the case of any Ancillary Agreement, will be on or prior to the Distribution Date) duly executed and delivered by it and constitutes, or will constitute, a valid and binding agreement of it enforceable in accordance with the terms thereof.

SECTION 11.02 Governing Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof. Each Party irrevocably consents to the exclusive jurisdiction, forum and venue of the Commercial Division of the Supreme Court of the State of New York, New York County and the United States District Court for the Southern District of New York over any and all claims, disputes, controversies or disagreements between the Parties or any of their respective Subsidiaries, Affiliates, successors and assigns under or related to this Agreement or any document executed pursuant to this Agreement or any of the transactions contemplated hereby or thereby.

SECTION 11.03 Assignability. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise by either Party without the prior written consent of the other Party. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns. Notwithstanding the foregoing, either Party may assign this Agreement without consent in connection with (a) a merger transaction in which such Party is not the surviving entity and the surviving entity acquires or assumes all or substantially all of such Party's Assets, or (b) the sale of all or substantially all of such Party's Assets; provided, however, that the assignee expressly assumes in writing all of the obligations of the assigning Party under this Agreement, and the assigning Party provides written notice and evidence of such assignment and assumption to the non-assigning Party. No assignment permitted by this Section 12.03 shall release the assigning Party from liability for the full performance of its obligations under this Agreement.

SECTION 11.04 Third-Party Beneficiaries. Except for the indemnification rights under this Agreement of any Neurotrope Indemnitee or NBI Indemnitee in their respective capacities as such, (a) the provisions of this Agreement are solely for the benefit of the Parties hereto and are not intended to confer upon any Person except the Parties hereto any rights or remedies hereunder and (b) there are no third-party beneficiaries of this Agreement and this Agreement shall not provide any third person with any remedy, claim, liability, reimbursement, cause of action or other right in excess of those existing without reference to this Agreement.

SECTION 11.05 Notices. All notices or other communications under this Agreement shall be in writing and shall be deemed to be duly given when (a) delivered in person, (b) on the date received, if sent by a nationally recognized delivery or courier service or (c) upon the earlier of confirmed receipt or the fifth business day following the date of mailing if sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

Either Party may, by notice to the other Party, change the address to which such notices are to be given.

SECTION 11.06 Severability. If any provision of this Agreement or the application thereof to any Person or circumstance is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to Persons or circumstances or in jurisdictions other than those as to which it has been held invalid or unenforceable, shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either Party. Upon any such determination, any such provision, to the extent determined to be invalid, void or unenforceable, shall be deemed replaced by a provision that such court determines is valid and enforceable and that comes closest to expressing the intention of the invalid, void or unenforceable provision.

SECTION 11.07 Publicity. Each of Neurotrope and NBI shall consult with the other prior to issuing, and shall, subject to the requirements of Section 6.08, provide the other Party the opportunity to review and comment upon, any press releases or other public statements in connection with the Spin-Off or any of the other transactions contemplated hereby and prior to making any filings with any Governmental Authority or national securities exchange with respect thereto (including the Form S-1, the Parties' respective Current Reports on Form 8-K to be filed on the Distribution Date, the Parties' respective Quarterly Reports on Form 10-Q filed with respect to the fiscal quarter during which the Distribution Date occurs, or if such quarter is the fourth fiscal quarter, the Parties' respective Annual Reports on Form 10-K filed with respect to the fiscal year during which the Distribution Date occurs (each such Quarterly Report on Form 10-Q or Annual Report on Form 10-K, a "First Post-Distribution Report")). Each Party's obligations pursuant to this Section 11.07 shall terminate on the date on which such Party's First Post-Distribution Report is filed with the Commission.

SECTION 11.08 Expenses. Except as expressly set forth in this Agreement or in any Ancillary Agreement, all third-party fees, costs and expenses paid or incurred in connection with the Spin-Off will be paid by the Party incurring such fees or expenses, whether or not the Distribution is consummated, or as otherwise agreed by the Parties. For the avoidance of doubt, Neurotrope shall bear the costs and expenses directly related to the mailing of the Form S-1 to Neurotrope shareholders and the fees and expenses of the Agent in connection with the Distribution and NBI shall bear the fees and expenses of Toppan Printing Co., Ltd. in connection with the Spin-Off, the fees and expenses of any accounting or legal advisors retained by NBI, the fees of B. Riley Financial Inc. in connection with the application and listing of the NBI Common Stock and the fees of the Commission in connection with any filing by NBI.

SECTION 11.09 Headings. The article, section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 11.10 Survival of Covenants. Except as expressly set forth in this Agreement, the covenants in this Agreement and the liabilities for the breach of any obligations in this Agreement shall survive the Spin-Off and shall remain in full force and effect.

SECTION 11.11 Waivers of Default. No failure or delay of any Party (or the applicable member of its Group) in exercising any right or remedy under this Agreement or any Ancillary Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. Waiver by any Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default.

SECTION 11.12 Specific Performance. Subject to Section 4.03 and notwithstanding the procedures set forth in Article IX, in the event of any actual or threatened default in, or breach of, any of the terms, conditions and provisions of this Agreement, the affected Party shall have the right to specific performance and injunctive or other equitable relief of its rights under this Agreement, in addition to any and all other rights and remedies at law or in equity, and all such rights and remedies shall be cumulative. The other Party shall not oppose the granting of such relief on the basis that money damages are an adequate remedy. The Parties agree that the remedies at law for any breach or threatened breach hereof, including monetary damages, are inadequate compensation for any loss and that any defense in any action for specific performance that a remedy at law would be adequate is waived. Any requirements for the securing or posting of any bond with such remedy are waived.

SECTION 11.13 Amendments. No provisions of this Agreement shall be deemed waived, amended, supplemented or modified by any Party, unless such waiver, amendment, supplement or modification is in writing and signed by the authorized representative of each Party.

SECTION 11.14 Interpretation. Words in the singular shall be held to include the plural and vice versa and words of one gender shall be held to include the other gender as the context requires. The terms "hereof," "herein" and "herewith" and words of similar import, unless otherwise stated, shall be construed to refer to this Agreement as a whole (including all of the schedules hereto) and not to any particular provision of this Agreement. Article, Section or Schedule references are to the articles, sections and schedules of or to this Agreement unless otherwise specified. Any capitalized terms used in any Schedule to this Agreement or to any Ancillary Agreement but not otherwise defined therein shall have the meaning as defined in this Agreement or the Ancillary Agreement to which such Schedule is attached, as applicable. Any reference herein to this Agreement, unless otherwise stated, shall be construed to refer to this Agreement as amended, supplemented or otherwise modified from time to time, as permitted by Section 11.13. The word "including" and words of similar import when used in this Agreement shall mean "including, without limitation," unless the context otherwise requires or unless otherwise specified. The word "or" shall not be exclusive.

IN WITNESS WHEREOF, the Parties have caused this Separation and Distribution Agreement to be executed by their duly authorized representatives.

ARTICLE II

Allocation of Tax Liabilities and Tax Benefits

SECTION 2.01 Neurotrope Indemnification of SpinCo. After the Distribution, Neurotrope shall be liable for, and shall indemnify and hold SpinCo harmless from, the following Taxes (in each case, other than Taxes for which SpinCo is liable under Section 2.02):

(a) Ordinary Taxes of Neurotrope and its Subsidiaries for any taxable period; and

(b) Transfer Taxes for which Neurotrope is responsible under Section 2.04.

SECTION 2.02 SpinCo Indemnification of Neurotrope. After the Distribution, SpinCo shall be liable for, and shall indemnify and hold Neurotrope harmless from, the following Taxes, whether incurred directly by Neurotrope or indirectly through one of its Subsidiaries (but without duplication of any such Taxes that SpinCo has already paid (or caused to be paid) pursuant to Article VI):

(a) Ordinary Taxes (i) of Neurotrope and its Subsidiaries for any Pre-Distribution Tax Period to the extent attributable to SpinCo, (ii) of SpinCo for any taxable period other than a Pre-Distribution Tax Period or (iii) of Neurotrope and its Subsidiaries imposed under Section 1.1503(d)-6 of the Regulations relating to the recapture of any "dual consolidated loss" (within the meaning of Section 1503(d)(2) of the Code) incurred by SpinCo.

(b) Transfer Taxes for which SpinCo is responsible under Section 2.04.

SECTION 2.03 Allocation of Ordinary Taxes.

(a) For purposes of Section 2.03(a)(i), in the case of any Neurotrope Consolidated Group:

(i) If any Ordinary Taxes arise as a result of any adjustments made after the Distribution Date to the portion of the relevant Tax Return for a Pre-Distribution Tax Period that relates to SpinCo, the amount of Ordinary Taxes attributable to SpinCo shall equal the excess, if any, of (A) the amount of Ordinary Taxes actually payable by the Neurotrope Consolidated Group as a result of the adjustments for the relevant period over (B) the amount of Ordinary Taxes that would have been so payable had no adjustments been made to the portions of the relevant Tax Returns relating to SpinCo; and

(ii) The amount of Ordinary Taxes shown as due on any Tax Return filed after the Distribution Date that are attributable to SpinCo shall equal the excess, if any, of (A) the amount of Ordinary Taxes actually shown as due on that Tax Return over (B) the amount of Ordinary Taxes that would have been shown as due on that Tax Return had SpinCo not been included in the Neurotrope Consolidated Group.

(b) For the avoidance of doubt, SpinCo shall be liable for Taxes of any Neurotrope Consolidated Group under Section 2.02(a)(i) only to the extent any adjustment (as described in Section 2.03(a)(i)) or the inclusion of SpinCo in the relevant Neurotrope Consolidated Group (as described in Section 2.03(a)(ii)) results in an actual increase in the aggregate Tax liability of the Neurotrope Consolidated Group in any period. To the extent that any such adjustment or inclusion in one taxable period increases the amount of Ordinary Taxes actually payable by the Neurotrope Consolidated Group in another taxable period, principles consistent with those in Section 2.03(a) shall apply to determine the amount of Ordinary Taxes attributable to SpinCo.

SECTION 2.04 Allocation of Transfer Taxes. Neurotrope and SpinCo each shall be responsible for any Transfer Taxes incurred by the Neurotrope Tax Group and SpinCo, respectively, as a result of the Distribution. If, under applicable Law, both Parties or neither Party are liable for Transfer Taxes, then Neurotrope and SpinCo shall be equally responsible for such Transfer Taxes.

SECTION 2.05 Refunds, Credits and Offsets.

(a) Subject to Section 2.06, if Neurotrope, SpinCo or any of their respective Subsidiaries receives any refund of any Taxes for which the other Party is liable under this Article II (a "Refund Recipient"), such Refund Recipient shall pay to the other Party the entire amount of the refund (including interest, but net of any Taxes imposed with respect to such refund) within 10 business days of receipt or accrual; provided, however, that the other Party, upon the request of such Refund Recipient, shall repay the amount paid to the other Party (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) in the event such Refund Recipient is required to repay such refund. In the event a Party would be a Refund Recipient but for the fact it elected to apply a refund to which it would otherwise have been entitled against a Tax liability arising in a subsequent taxable period, then such Party shall be treated as a Refund Recipient and the economic benefit of so applying the refund shall be treated as a refund, and shall be paid within 10 business days of the due date of the Tax Return to which such refund is applied to reduce the subsequent Tax liability.

(b) For purposes of Section 2.05(a), in the case of any Neurotrope Consolidated Group, the SpinCo shall be entitled to any refund of Taxes only to the extent of the excess, if any, of (i) the amount of any refund (or reduction in subsequent Taxes) that the Neurotrope Consolidated Group actually receives over (ii) the amount of any refund (or reduction in subsequent Taxes) that the Neurotrope Consolidated Group would have received had any adjustments made after the Distribution Date to the portions of any Tax Return relating SpinCo not been made.

SECTION 2.06 Carrybacks.

(a) If a Tax Return of SpinCo for any taxable period ending after the Distribution Date reflects any net operating loss, net capital loss, excess Tax credit or other Tax attribute (a "Tax Attribute"), then SpinCo shall waive the right to carry back any such Tax Attribute to a Pre-Distribution Tax Period to the extent permissible under applicable Law. In the event that SpinCo does carry back a Tax Attribute to a Pre-Distribution Tax Period, then (i) subject to Section 2.06(b), no payment with respect to such carryback shall be due to SpinCo from Neurotrope and (ii) if SpinCo receives any refund, credit or offset of any Taxes in connection with such carryback, SpinCo shall promptly pay to Neurotrope the full amount of such refund or the economic benefit of the credit or offset (including interest, but net of any Taxes imposed with respect to such refund).

(b) Notwithstanding Section 2.06(a), if Neurotrope determines, in its sole discretion, that it has received, either from SpinCo under Section 2.06(a) or directly from a Taxing Authority, a refund of Taxes that SpinCo has actually paid to Neurotrope or to any Taxing Authority pursuant to this Agreement in connection with a carryback by SpinCo of a Tax Attribute to a Pre-Distribution Tax Period, Neurotrope shall pay (or repay) to SpinCo the amount of such refund (net of any Taxes imposed with respect to such refund); provided, however, that SpinCo agrees, upon Neurotrope's request, to repay such amount (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) in the event Neurotrope is required to repay such refund.

SECTION 2.07 Straddle Periods. For U.S. Federal income Tax purposes, the taxable year of SpinCo will close as of the end of the Distribution Date. For any taxable period that includes (but does not end on) the Distribution Date (a "Straddle Period"), Taxes for the Pre-Distribution Tax Period shall be computed (i) in the case of Taxes imposed on a periodic basis (such as real, personal and intangible property Taxes), on a daily pro rata basis and (ii) in the case of other Taxes generally, as if the taxable period ended as of the close of business on the Distribution Date.

ARTICLE III

Tax Returns, Tax Contests and Other Administrative Matters

SECTION 3.01 Responsibility for Preparing Tax Returns. Neurotrope

(a) With respect to any Tax Return that is required or permitted to be filed for a taxable period:

(i) Neurotrope shall prepare and file all Tax Returns of the Neurotrope Tax Group that are required or permitted to be filed for any taxable period.

(ii) Neurotrope shall prepare and file all Tax Returns of SpinCo for any taxable period ending on or before the Distribution Date, including any short taxable year ending by reason of the Distribution. SpinCo shall provide to Neurotrope any information or documentation as reasonably necessary for Neurotrope to prepare any such Tax Returns.

(iii) SpinCo shall prepare and file any Tax Returns of SpinCo that are required or permitted to be filed for any taxable period ending after the Distribution Date, including any Straddle Period.

(b) To the extent that any Tax Return described in Section 3.01(a) directly relates to matters for which SpinCo may have an indemnification obligation to Neurotrope, or that may give rise to a refund to which SpinCo would be entitled, under this Agreement, Neurotrope shall (i) prepare the relevant portions of the Tax Return on a basis consistent with past practice, except (A) as required by applicable Law or to correct any clear error, (B) as a result of changes or elections made on any Tax Return of a Neurotrope Consolidated Group that do not relate primarily to SpinCo or (C) as mutually agreed by the Parties; (ii) notify SpinCo of any such portions not prepared on a basis consistent with past practice; (iii) provide SpinCo a reasonable opportunity to review the relevant portions of the Tax Return; (iv) consider in good faith any reasonable comments made by SpinCo; and (v) use commercially reasonable efforts to incorporate, in the portion of such Tax Return related to SpinCo's potential indemnification obligation (or refund entitlement), any reasonable comments made by SpinCo relating to the Neurotrope's compliance with clause (i). The Parties shall attempt in good faith to resolve any issues arising out of the review of any such Tax Return.

(c) Neurotrope shall, no later than 5 business days before the due date (including extensions) of any Tax Return described in Section 3.01(b), notify SpinCo of any amount (or any portion of any such amount) shown as due on that Tax Return for which SpinCo must indemnify Neurotrope under this Agreement. SpinCo shall pay such amount to the Neurotrope no later than one day prior to the due date (including extensions) of the relevant Tax Return. A failure of Neurotrope to give notice as provided in this Section 3.01(c) shall not relieve SpinCo from its indemnification obligations under this Agreement, except to the extent that the Indemnifying Party shall have been actually and materially prejudiced by such failure.

(d) Without the prior written consent of SpinCo (which consent shall not be unreasonably withheld, conditioned or delayed), Neurotrope shall not file, amend, withdraw, revoke or otherwise alter any Tax Return that relates to any event occurring on or before the Distribution Date to the extent such alternation could reasonably be expected to adversely and materially impact matters for which SpinCo may have an indemnification obligation to Neurotrope.

SECTION 3.02 Tax Contests. Neurotrope

(a) Neurotrope or SpinCo, as applicable, shall, within 10 business days of becoming aware of any Tax Contest that could reasonably be expected to cause the other Party to have an indemnification obligation under this Agreement, notify the other Party of such Tax Contest and thereafter promptly forward or make available to the Indemnifying Party copies of notices and communications relating to the relevant portions of such Tax Contest. A failure by an Indemnitee to give notice as provided in this Section 3.02(a) (or to promptly forward any such notices or communications) shall not relieve the Indemnifying Party's indemnification obligations under this Agreement, except to the extent that the Indemnifying Party shall have been actually prejudiced by such failure.

(b) Neurotrope shall have the exclusive right to control the conduct and settlement of any Tax Contest. Notwithstanding the foregoing, if the conduct or settlement of any portion or aspect of any such Tax Contest could reasonably be expected to cause a SpinCo to have an indemnification obligation under this Agreement, then (i) Neurotrope shall keep SpinCo reasonably informed as to material aspects of any such Tax Contest, (ii) and Neurotrope shall not accept or enter into any settlement of such Tax Context without the consent of SpinCo, which consent shall not be unreasonably withheld or delayed.

SECTION 3.03 Cooperation. Each Party shall cooperate with reasonable requests from the other Party in matters covered by this Agreement, including in connection with the preparation and filing of Tax Returns, the calculation of Taxes, the determination of the proper financial accounting treatment of Tax items and the conduct and settlement of Tax Contests. Such cooperation shall include:

(a) retaining until the expiration of the relevant statute of limitations (including extensions) records, documents, accounting data, computer data and other information ("Records") necessary for the preparation, filing, review, audit or defense of all Tax Returns relevant to an obligation, right or liability of either Party under this Agreement;

(b) providing the other Party reasonable access to Records and to its personnel (ensuring their cooperation) and premises during normal business hours to the extent relevant to an obligation, right or liability of the other Party under this Agreement or otherwise reasonably required by the other Party to complete Tax Returns or to compute the amount of any payment contemplated by this Agreement; and

(c) notifying the other Party prior to disposing of any relevant Records and affording the other Party the opportunity to take possession or make copies of such Records at its discretion.

ARTICLE IV

Indemnification Claims and Payments

SECTION 4.01 Indemnification Claims and Payments.

(a) An Indemnitee shall be entitled to make a claim for payment with respect to Taxes under this Agreement when the Indemnitee determines that it is entitled to such payment and is able to calculate with reasonably accuracy the amount of such payment. Except as otherwise provided in Section 3.01(c), the Indemnitee shall provide to the Indemnifying Party notice of such claim within 30 business days of the first date on which it so becomes entitled to make such claim. Such notice shall include a description of such claim and a detailed calculation of the amount claimed.

(b) Except as otherwise provided in Section 3.01(c), the Indemnifying Party shall make the claimed payment to the Indemnitee within 10 business days after receiving such notice, unless the Indemnifying Party reasonably disputes its liability for, or the amount of, such payment.

(c) A failure by an Indemnitee to give notice as provided in Section 3.01(c) or this Section 4.01(b) shall not relieve the Indemnifying Party's indemnification obligations under this Agreement, except to the extent that the Indemnifying Party shall have been actually prejudiced by such failure.

(d) Nothing in this Section 4.01 shall prejudice Neurotrope's right to receive payments pursuant to Section 3.01(c).

SECTION 4.02 Amount of Indemnity Payments. The amount of any Indemnity Payment shall be (i) reduced to take into account any Tax benefit actually realized by the Indemnitee resulting from the incurrence of the liability in respect of which the Indemnity Payment is made and (ii) increased to take into account any Tax cost actually realized by the Indemnitee resulting from the receipt of the Indemnity Payment (including any Tax cost arising from such Indemnity Payment having resulted in income or gain to either Party, for example, under Section 1.1502-19 of the Regulations, and any Taxes imposed on additional amounts payable pursuant to this clause (ii)).

SECTION 4.03 Treatment of Indemnity Payments. Any Indemnity Payment (other than any portion of a payment that represents interest accruing after the Distribution Date) shall be treated by Neurotrope and SpinCo for all Tax purposes as a distribution from SpinCo to Neurotrope immediately prior to the Distribution (if made by SpinCo to Neurotrope) or as a contribution from Neurotrope to SpinCo immediately prior to the Distribution (if made by Neurotrope to SpinCo), except as otherwise required by applicable Law or a Determination.

SECTION 4.04 Tax Disputes. The Parties shall negotiate in good faith to resolve any disputes relating to Tax matters governed by this Agreement ("Tax Disputes"). If any Tax Disputes remain unresolved after 30 calendar days, the matter will be referred to a mutually acceptable Tax advisor with a reputable accounting firm (a "Tax Advisor"). The Parties shall instruct the Tax Advisor to furnish notice to each Party of its resolution of the Tax Dispute as soon as practicable, but in any event no later than 60 calendar days after its acceptance of the matter for resolution. Any such resolution by the Tax Advisor will be binding on the Parties and the Parties shall take, or cause to be taken, any action necessary to implement the resolution. All fees and expenses of the Tax Advisor shall be shared equally by the Parties.

ARTICLE V

Miscellaneous

SECTION 5.01 Termination. This Agreement will terminate without further action at any time before the Distribution upon termination of the Separation Agreement. If terminated, no Party will have any Liability of any kind to the other Party or any other Person on account of this Agreement, except as provided in the Separation Agreement.

SECTION 5.02 Survival. Except as expressly set forth in this Agreement, the covenants and indemnification obligations in this Agreement shall survive the Spin-Off and shall remain in full force and effect.

Each Party agrees, on behalf of itself and its Subsidiaries, that such Party's obligations with respect to Information and data of the other Party or its Subsidiaries shall be governed by the Separation Agreement.

SECTION 5.05 Counterparts; Entire Agreement.

(a) This Agreement may be executed in one or more counterparts, all of which counterparts shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each Party and delivered to the other Party. This Agreement may be executed by facsimile or PDF signature and a facsimile or PDF signature shall constitute an original for all purposes.

(b) This Agreement, the Separation Agreement, the other ancillary Agreements and the Appendices, Exhibits and Schedules hereto and thereto contain the entire agreement between the Parties with respect to the subject matter hereof and supersede all previous agreements, negotiations, discussions, writings, understandings, commitments and conversations with respect to such subject matter, and there are no agreements or understandings between the Parties with respect to the subject matter hereof other than those set forth or referred to herein or therein.

SECTION 5.06 Governing Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof. Each Party irrevocably consents to the exclusive jurisdiction, forum and venue of the Commercial Division of the Supreme Court of the State of New York, New York County and the United States District Court for the Southern District of New York over any and all claims, disputes, controversies or disagreements between the Parties or any of their respective Subsidiaries, Affiliates, successors and assigns under or related to this Agreement or any document executed pursuant to this Agreement or any of the transactions contemplated hereby or thereby.

Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise by either Party without the prior written consent of the other Party. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns. Notwithstanding the foregoing, either Party may assign this Agreement without consent in connection with (a) a merger transaction in which such Party is not the surviving entity and the surviving entity acquires or assumes all or substantially all of such Party's assets, or (b) the sale of all or substantially all of such Party's assets; provided, however, that the assignee expressly assumes in writing all of the obligations of the assigning Party under this Agreement, and the assigning Party provides written notice and evidence of such assignment and assumption to the non-assigning Party. No assignment permitted by this Section 5.08 shall release the assigning Party from liability for the full performance of its obligations under this Agreement.

SECTION 5.09 Third-Party Beneficiaries. (a) The provisions of this Agreement are solely for the benefit of the Parties hereto and are not intended to confer upon any Person except the Parties hereto any rights or remedies hereunder and (b) there are no third-party beneficiaries of this Agreement and this Agreement shall not provide any third Person with any remedy, claim, liability, reimbursement, cause of action or other right in excess of those existing without reference to this Agreement.

SECTION 5.10 Notices. All notices or other communications under this Agreement shall be in writing and shall be provided in the manner set forth in the Separation Agreement. In addition, copies of all documents mentioned in the preceding sentence shall also be sent to the address set forth below:

Either Party may, by notice to the other Party, change the address to which such copies of documents are to be given.

SECTION 5.11 Severability. If any provision of this Agreement or the application thereof to any Person or circumstance is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to Persons or circumstances or in jurisdictions other than those as to which it has been held invalid or unenforceable, shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either Party. Upon any such determination, any such provision, to the extent determined to be invalid, void or unenforceable, shall be deemed replaced by a provision that such court determines is valid and enforceable and that comes closest to expressing the intention of the invalid, void or unenforceable provision.

SECTION 5.12 Headings. The article, section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 5.13 Waivers of Default. No failure or delay of either Party (or the applicable member of its Group) in exercising any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. Waiver by either Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default.

SECTION 5.14 Specific Performance. In the event of any actual or threatened default in, or breach of, any of the terms, conditions and provisions of this Agreement, Neurotrope shall have the right to specific performance and injunctive or other equitable relief of its rights under this Agreement, in addition to any and all other rights and remedies at law or in equity, and all such rights and remedies shall be cumulative. SpinCo shall not oppose the granting of such relief on the basis that money damages are an adequate remedy. The Parties agree that the remedies at law for any breach or threatened breach hereof, including monetary damages, are inadequate compensation for any loss and that any defense in any action for specific performance that a remedy at law would be adequate is waived. Any requirements for the securing or posting of any bond with such remedy are waived. The Parties acknowledge and agree that the right of specific enforcement is an integral part of this Agreement and without that right, neither Neurotrope nor SpinCo would have entered into this Agreement.

SECTION 5.15 Amendments. No provisions of this Agreement shall be deemed waived, amended, supplemented or modified by either Party, unless such waiver, amendment, supplement or modification is in writing and signed by the authorized representative of each Party.

SECTION 5.16 Interpretation. The rules of interpretation set forth in Section 12.14 of the Separation Agreement shall be incorporated by reference to this Agreement, *mutatis mutandis*. NOTWITHSTANDING THE FOREGOING, THE PURPOSE OF ARTICLE IV IS TO ENSURE THAT EACH STEP OF THE TRANSACTIONS QUALIFY FOR ITS INTENDED TAX TREATMENT AND, ACCORDINGLY, THE PARTIES AGREE THAT THE LANGUAGE THEREOF SHALL BE INTERPRETED IN A MANNER THAT SERVES THIS PURPOSE TO THE GREATEST EXTENT POSSIBLE.

SECTION 5.17 Compliance by Subsidiaries. The Parties shall cause their respective Subsidiaries to comply with this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.

PETROS PHARMACEUTICALS, INC.

WARRANT TO PURCHASE COMMON STOCK

Series E Warrant No.: [—]

Date of Issuance: _____ ("**Issuance Date**")

Petros Pharmaceuticals, Inc., a Delaware corporation (the "**Company**"), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **[———]**, the registered holder hereof or its permitted assigns (the "**Holder**"), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, upon exercise of this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, the "**Warrant**"), at any time or times on or after the Issuance Date but not after 5:00 p.m., New York time, on the Expiration Date (as defined below), **[———]** (subject to adjustment as provided herein) fully paid and non-assessable shares of Common Stock (as defined below) (the "**Warrant Shares**"). Except as otherwise defined herein, capitalized terms in this Warrant shall have the meanings set forth in the Securities Purchase Agreement (as defined below). This Warrant is one of the warrants to Purchase Common Stock (the "**SPA Warrants**") issued pursuant to that certain Securities Purchase Agreement, dated as of November 13, 2015, by and among Neurotrope, Inc. and the investor(s) thereunder (the "**Buyer**" or "**Buyers**" as applicable) referred to therein (the "**Securities Purchase Agreement**").

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder on any day on or after the Issuance Date in whole or in part, by delivery (whether via facsimile or otherwise) of a written notice, in the form attached hereto as **Exhibit A** (the "**Exercise Notice**"), of the Holder's election to exercise this Warrant. Within two (2) Trading Days following an exercise of this Warrant as aforesaid, the Holder shall deliver payment to the Company of an amount equal to the Exercise Price in effect on the date of such exercise multiplied by the number of Warrant Shares as to which this Warrant was so exercised (in respect of such specific exercise, the "**Aggregate Exercise Price**") in cash or via wire transfer of immediately available funds if the Holder did not notify the Company in such Exercise Notice that such exercise was made pursuant to a Cashless Exercise (as defined in Section 1(d)). No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. The Holder shall not be required to deliver the original of this Warrant in order to effect an exercise hereunder. Execution and delivery of an Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original of this Warrant certificate and issuance of a new Warrant certificate evidencing the right to purchase the remaining number of Warrant Shares. Execution and delivery of an Exercise Notice for all of the then-remaining Warrant Shares shall have the same effect as cancellation of the original of this Warrant certificate after delivery of the Warrant Shares in accordance with the terms hereof. On or before the first (1st) Trading Day following the date on which the Company has received an Exercise Notice, the Company shall transmit by facsimile or email an acknowledgment of confirmation of receipt of such Exercise Notice, in the form attached hereto as **Exhibit B** to the Holder and the Company's transfer agent (the "**Transfer Agent**"). On or before the later of (i) three (3) Trading Days after receipt of the applicable Exercise Notice and (ii) other than in the case of a Cashless Exercise, one (1) Trading Day following delivery of the Aggregate Exercise Price (such later date, the "**Warrant Share Delivery Deadline**"), the Company shall (X) provided that the Transfer Agent is participating in The Depository Trust Company ("**DTC**") Fast Automated Securities Transfer Program (which the Company shall cause the Transfer Agent to do at Holder's request) and provided that such shares of Common Stock are unrestricted, upon the request of the Holder, credit such aggregate number of shares of Common Stock to which the Holder is entitled pursuant to such exercise to the Holder's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian system, or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program or if such shares of Common Stock are restricted, issue and deliver to the Holder or, at the Holder's instruction pursuant to the Exercise Notice, the Holder's agent or designee, in each case, sent by reputable overnight courier to the address as specified in the applicable Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee (as indicated in the applicable Exercise Notice), for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise. Upon delivery of an Exercise Notice, so long as the Aggregate Exercise Price is delivered within two (2) Trading Days after delivery of the Exercise Notice (unless such exercise is pursuant to a valid Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder's DTC account or the date of delivery of the certificates evidencing such Warrant Shares (as the case may be). If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then, at the request of the Holder, the Company shall as soon as practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue and deliver to the Holder (or its designee) a new Warrant (in accordance with Section 8(d)) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded up to the nearest whole number. The Company shall pay any and all taxes and fees which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. Notwithstanding any provision of this Warrant to the contrary, no more than the Maximum Eligibility Number of Warrant Shares shall be exercisable hereunder.

(b) Exercise Price. For purposes of this Warrant, "**Exercise Price**" means $25.00 subject to adjustment as provided herein.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, to issue (or cause to be issued) to the Holder on or prior to the Warrant Share Delivery Deadline, the Warrant Shares required to be delivered in accordance with, and in the manner required by, Section 1(a) above, then, in addition to all other remedies available to the Holder, the Company shall pay in cash to the Holder on each Trading Day after such third (3rd) Trading Day that the issuance of such shares of Common Stock is not timely effected an amount equal to either (i) with respect to restricted shares, 1% of the product of (A) the aggregate number of restricted shares of Common Stock not issued to the Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last possible date on which the Company could have issued such shares of Common Stock to the Holder without violating Section 1(a), or (ii) with respect to unrestricted securities, 2% of the product of (A) the aggregate number of unrestricted shares of Common Stock not issued to the Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last

possible date on which the Company could have issued such shares of Common Stock to the Holder without violating Section 1(a). If on or prior to the Warrant Share Delivery Deadline, the Company shall fail to issue and deliver (or cause to be issued and delivered) the Warrant Shares required to be delivered in accordance with, and in the manner required by, Section 1(a) above, and if on or after such Warrant Share Delivery Deadline the Holder (or any other Person in respect, or on behalf, of the Holder) purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock, issuable upon such exercise that the Holder so anticipated receiving from the Company, then, in addition to all other remedies available to the Holder, the Company shall within five (5) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and reasonable out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate or credit the Holder's balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such shares of Common Stock) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such shares of Common Stock or credit the Holder's balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price less the product of (A) such number of shares of Common Stock multiplied by (B) "B" as set out in the formula in Section 1(d).

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section 1(f) below), if at any time after one hundred and twenty (120) calendar days following the Issuance Date, the Warrant Shares to be received upon the cash exercise of this Warrant are not freely tradable by Holder without restriction of any kind or nature, then the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of shares of Common Stock determined according to the following formula (a "**Cashless Exercise**"):

$$\textbf{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B= as applicable: (i) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the date of the applicable Exercise Notice if such Exercise Notice is (1) both executed and delivered pursuant to Section 1(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 1(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b)(64) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) the Bid Price of the Common Stock as of the time of the Holder's execution of the applicable Exercise Notice if such Exercise Notice is executed during "regular trading hours" on a Trading Day and is delivered within two (2) hours thereafter pursuant to Section 1(a) hereof or (iii) the Closing Sale Price of the Common Stock on the date of the applicable Exercise Notice if the date of such Exercise Notice is a Trading Day and such Exercise Notice is both executed and delivered pursuant to Section 1(a) hereof after the close of "regular trading hours" on such Trading Day.

C= the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof (including, without limitation, the Net Number), the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed, provided that following such issuance to Holder such dispute shall be resolved in accordance with Section 14.

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained in this Warrant, this Warrant shall not be exercisable by the Holder hereof to the extent (but only to the extent) that the Holder (together with such Holder's affiliates (as defined in Rule 405 promulgated under the Securities Act of 1933, as amended) and any other Persons acting as a group together ("**Attribution Parties**")) would beneficially own in excess of 9.99% (the "**Maximum Percentage**") of the Common Stock after giving effect to such exercise. To the extent the above limitation applies, the determination of whether this Warrant shall be exercisable (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder or any of its affiliates or Attribution Parties) and of which such securities shall be exercisable (as among all such securities owned by the Holder and its Attribution Parties) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. For the purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the 1934 Act (as defined in the Securities Purchase Agreement) and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder (and such Holder's Attribution Parties) of this Warrant. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written request of the Holder, the Company shall within one (1) Business Day confirm in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Warrant or securities issued pursuant to the Securities Purchase Agreement. Upon delivery of a written notice to the Company, the Holder may from time to time increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder (and its Attribution Parties) sending such notice and not to any other Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the 1934 Act.

(g) Insufficient Authorized Shares. The Company shall at all times keep reserved for issuance under this Warrant a number of shares of Common Stock equal to 150% of the shares of Common Stock as shall be necessary to satisfy the Company's obligation to issue shares of Common Stock hereunder (without regard to any limitation otherwise contained herein with respect to the number of shares of Common Stock that may be acquirable upon exercise of this Warrant). If, notwithstanding the foregoing, and not in limitation thereof, at any time while any of the SPA Warrants remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of the SPA Warrants at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of the SPA Warrants then outstanding (the "**Required Reserve Amount**") (an "**Authorized Share Failure**"), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. Without limiting the generality of the foregoing sentence, to the extent required by law or the rules of the Eligible Market on which the Common Stock is traded or quoted, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its shareholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, to the extent required by law or the rules of the Eligible Market on which the Common Stock is traded or quoted, the Company shall provide each shareholder with a proxy statement and shall use its reasonable efforts to solicit its shareholders' approval of such increase in authorized shares of Common Stock.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 2.

(a) Stock Dividends and Splits. If the Company, at any time on or after the date of the Securities Purchase Agreement, (i) pays a stock dividend on one or more classes of its then outstanding shares of Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its then outstanding shares of Common Stock into a larger number of shares or (iii) combines (by combination, reverse stock split or otherwise) one or more classes of its then outstanding shares of stock into a smaller number of shares, then in each such case (a) the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock

outstanding immediately after such event and (b) the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein). Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination. If an event requiring an adjustment of the Exercise Price under this Section occurs, the Mandatory Notice Trading Price shall be adjusted accordingly.

(b) Reserved.

(c) Other Events. In the event that the Company (or any Subsidiary (as defined in the Securities Purchase Agreement)) shall take any action to which the provisions hereof are not strictly applicable, or, if applicable, would not operate to protect the Holder from dilution or if any event occurs of the type contemplated by the provisions of this Section 2 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's board of directors shall in good faith determine and implement an appropriate adjustment in the Exercise Price and the number of Warrant Shares (if applicable) so as to protect the rights of the Holder, provided that no such adjustment pursuant to this Section 2(c) will increase the Exercise Price or decrease the number of Warrant Shares as otherwise determined pursuant to this Section 2, provided further that if the Holder does not accept such adjustments as appropriately protecting its interests hereunder against such dilution, then such dispute shall be settled pursuant to the terms of Section 13 of this Warrant.

(d) Calculations. All calculations under this Section 2 shall be made by rounding to the nearest 1/100th of cent and the nearest 1/100th of a share, as applicable.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distributions would result in the Holder exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to such extent (or the beneficial ownership of any such shares of Common Stock as a result of such Distribution to such extent) and such Distribution to such extent shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Maximum Percentage).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock or shares of stock convertible into Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Maximum Percentage); further provided that in the event of any Purchase Rights due in relation to a grant, issue or sale to record holders of shares of stock convertible into Common Stock, the amount of Purchase Rights to be received by the Holder shall be determined by calculating the Purchase Rights the holders of the record holders of shares of stock Convertible into Common Stock received per share of Common Stock underlying such class of stock convertible into Common Stock.

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless (i) the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Transaction Documents (as defined in the Securities Purchase Agreement) in accordance with the provisions of this Section 4(b) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction) and (ii) the Successor Entity (including its Parent Entity) is a publicly traded corporation whose common stock is quoted on or listed for trading on an Eligible Market. Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "**Corporate Event**"), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant).

(c) Reserved.

(d) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants, options or other instruments or securities) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the 1934 Act and thereafter receivable upon exercise of this Warrant (and any such subsequent warrants, options or other instruments or securities)).

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation (as defined in the Securities Purchase Agreement and including any certificate of designations), Bylaws (as defined in the Securities Purchase Agreement) or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, for the purpose of avoiding or seeking to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the exercise of this Warrant (or such other securities, cash, assets or other property then deliverable on exercise of this Warrant), and (iii) shall, so long as any of the SPA Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the SPA Warrants, 150% of the maximum number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the SPA Warrants then outstanding (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A SHAREHOLDER. Except as otherwise specifically provided herein, the Holder, solely in its capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in its capacity as the Holder of this Warrant, any of the rights of a shareholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which it is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a shareholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the shareholders of the Company generally, contemporaneously with the giving thereof to the shareholders; provided that the Company shall not be obligated to provide such information if it is filed with the SEC through EDGAR and available to the public through the EDGAR system.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred pursuant to the terms and conditions of this Warrant, the Holder shall surrender this Warrant to the Company, whereupon the Company will promptly issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may reasonably request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. Prior to transferring this Warrant, the Holder shall inform the transferee of the total number of Warrant Shares then underlying this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 7(f) of the Securities Purchase Agreement. The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefor. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) as soon as practicable upon each adjustment of the Exercise Price and the number of Warrant Shares, setting forth in reasonable detail, and certifying, the calculation of such adjustment(s). If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock (other than a dividend payable solely in shares of Common Stock) or (ii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such dividend, distribution or transaction; provided that the Company shall not be obligated to provide such notice if the required information is filed with the SEC through EDGAR and available to the public through the EDGAR system. Notwithstanding anything to the contrary in this Section 8, the failure to deliver any notice under this Section 8 or any defect therein shall not affect the validity of the corporate action required to be described in such notice. Until the exercise of its, his or her Warrant or any portion of such Warrant, a Holder shall not have nor exercise any rights by virtue of ownership of a Warrant as a shareholder of the Company (including without limitation the right to notification of shareholder meetings or the right to receive any notice or other communication concerning the business and affairs of the Company other than as provided in this Section 8.

Except as otherwise provided herein, the provisions of this Warrant (other than Section 1(f)) may be amended and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only with the prior written consent of the Company and the Holder. The Holder shall be entitled, at its option, to the benefit of any amendment of any other similar warrant issued under the Securities Purchase Agreement (excluding any warrants delivered to the Placement Agent or its Affiliates). No waiver shall be effective unless it is in writing and signed by an authorized representative of the waiving party.

10. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

11. GOVERNING LAW. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in New York County, New York, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder or to enforce a judgment or other court ruling in favor of the Holder. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

12. CONSTRUCTION; HEADINGS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

13. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price, the Closing Sale Price, the Bid Price or fair market value or the arithmetic calculation of the Warrant Shares (as the case may be), the Company or the Holder (as the case may be) may submit the disputed determinations or arithmetic calculations (as the case may be) via facsimile (i) within two (2) Business Days after receipt of the applicable notice giving rise to such dispute to the Company or the Holder (as the case may be) or (ii) if no notice gave rise to such dispute, at any time after the Holder or the Company (as the case may be) learned of the circumstances giving rise to such dispute. If the Holder and the Company are unable to agree upon such determination or calculation (as the case may be) of the Exercise Price, the Closing Sale Price, the Bid Price or fair market value or the number of Warrant Shares (as the case may be) within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Company or the Holder (as the case may be), then the Company shall, within two (2) Business Days submit via facsimile (a) the disputed arithmetic calculation of the Warrant Shares, the disputed determination of the Exercise Price, the Closing Sale Price, the Bid Price, fair market value or otherwise (as the case may be) to an independent, reputable investment bank of nationally recognized standing or other independent professional organization of equal reputation and standing selected jointly by the Holder and the Company (each proposed organization being subject to the consent of the other party, with such consent not to be unreasonably withheld, conditioned or delayed) or (b) if acceptable to the Holder, the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The Company shall request the investment bank, professional organization or the accountant (as the case may be) to perform at the Company's expense the determinations or calculations (as the case may be) and notify the Company and the Holder of the results no later than ten (10) Business Days from the time it receives such disputed determinations or calculations (as the case may be). Such investment bank's, professional organization's or accountant's determination or calculation (as the case may be) shall be binding upon all parties absent demonstrable error. The party whose determination or calculation is furthest from that determined or calculation by the investment bank or accountant shall pay the costs of such determination or calculation.

The Company covenants to the Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant may be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required. The Company shall provide all information and documentation to the Holder that is reasonably requested by the Holder to enable the Holder to confirm the Company's compliance with the terms and conditions of this Warrant (including, without limitation, compliance with Section 2 hereof). The issuance of shares and certificates for shares as contemplated hereby upon the exercise of this Warrant shall be made without charge to the Holder or such shares for any issuance or stamp tax or other costs in respect thereof, provided that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than the Holder or its agent on its behalf.

On or before the earlier of: (A) three (3) Trading Days and (B) the number of Trading Days comprising the Standard Settlement Period (as defined below) after receipt of the applicable Exercise Notice and (ii) other than in the case of a Cashless Exercise, one (1) Trading Day following delivery of the Aggregate Exercise Price (such later date, the "**Warrant Share Delivery Deadline**"), the Company shall (X) provided that the Transfer Agent is participating in The Depository Trust Company ("**DTC**") Fast Automated Securities Transfer Program (which the Company shall cause the Transfer Agent to do at Holder's request) and provided that such shares of Common Stock are unrestricted, upon the request of the Holder, credit such aggregate number of shares of Common Stock to which the Holder is entitled pursuant to such exercise to the Holder's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian system, or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program or if such shares of Common Stock are restricted, issue and deliver to the Holder or, at the Holder's instruction pursuant to the Exercise Notice, the Holder's agent or designee, in each case, sent by reputable overnight courier to the address as specified in the applicable Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee (as indicated in the applicable Exercise Notice), for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise. Upon delivery of an Exercise Notice, so long as the Aggregate Exercise Price is delivered within two (2) Trading Days after delivery of the Exercise Notice (unless such exercise is pursuant to a valid Cashless Exercise), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder's DTC account or the date of delivery of the certificates evidencing such Warrant Shares (as the case may be). If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then, at the request of the Holder, the Company shall as soon as practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue and deliver to the Holder (or its designee) a new Warrant (in accordance with Section 7(d)) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded up to the nearest whole number. The Company shall pay any and all taxes and fees which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof. As used herein, "**Standard Settlement Period**" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary trading market or quotation system with respect to the Common Stock as in effect on the date of delivery of the Exercise Notice.

(b) Exercise Price. For purposes of this Warrant, "**Exercise Price**" means $10.25 subject to adjustment as provided herein. The Company in its sole discretion may lower the Exercise Price at any time prior to the Expiration Date.

(c) Company's Failure to Timely Deliver Securities. If the Company shall fail, for any reason or for no reason, to issue (or cause to be issued) to the Holder on or prior to the Warrant Share Delivery Deadline, the Warrant Shares required to be delivered in accordance with, and in the manner required by, Section 1(a) above, then, in addition to all other remedies available to the Holder, the Company shall pay in cash to the Holder on each Trading Day after such third (3rd) Trading Day that the issuance of such shares of Common Stock is not timely effected an amount equal to either (i) with respect to restricted shares, 1% of the product of (A) the aggregate number of restricted shares of Common Stock not issued to the Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last possible date on which the Company could have issued such shares of Common Stock to the Holder without violating Section 1(a), or (ii) with respect to unrestricted securities, 2% of the product of (A) the aggregate number of unrestricted shares of Common Stock not issued to the Holder on a timely basis and to which the Holder is entitled and (B) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the last possible date on which the Company could have issued such shares of Common Stock to the Holder without violating Section 1(a). If on or prior to the Warrant Share Delivery Deadline, the Company shall fail to issue and deliver (or cause to be issued and delivered) the Warrant Shares required to be delivered in accordance with, and in the manner required by, Section 1(a) above, and if on or after such Warrant Share Delivery Deadline the Holder (or any other Person in respect, or on behalf, of the Holder) purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock, issuable upon such exercise that the Holder so anticipated receiving from the Company, then, in addition to all other remedies available to the Holder, the Company shall within five (5) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and reasonable out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "**Buy-In Price**"), at which point the Company's obligation to so issue and deliver such certificate or credit the Holder's balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) (and to issue such shares of Common Stock) shall terminate, or (ii) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such shares of Common Stock or credit the Holder's balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's exercise hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price less the product of (A) such number of shares of Common Stock multiplied by (B) "B" as set out in the formula in Section 1(d).

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than Section 1(f) below), if at any time after the Issuance Date, the Warrant Shares to be received upon the cash exercise of this Warrant are not freely tradable by Holder without restriction of any kind or nature, then the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of shares of Common Stock determined according to the following formula (a "**Cashless Exercise**"):

$$\textbf{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B= as applicable: (i) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the date of the applicable Exercise Notice if such Exercise Notice is (1) both executed and delivered pursuant to Section 1(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 1(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b)(64) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) the Bid Price of the Common Stock as of the time of the Holder's execution of the applicable Exercise Notice if such Exercise Notice is executed during "regular trading hours" on a Trading Day and is delivered within two (2) hours thereafter pursuant to Section 1(a) hereof or (iii) the Closing Sale Price of the Common Stock on the date of the applicable Exercise Notice if the date of such Exercise Notice is a Trading Day and such Exercise Notice is both executed and delivered pursuant to Section 1(a) hereof after the close of "regular trading hours" on such Trading Day.

C= the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof (including, without limitation, the Net Number), the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed, provided that following such issuance to Holder such dispute shall be resolved in accordance with Section 13.

(f) Limitations on Exercises. Notwithstanding anything to the contrary contained in this Warrant, this Warrant shall not be exercisable by the Holder hereof to the extent (but only to the extent) that the Holder (together with such Holder's affiliates (as defined in Rule 405 promulgated under the Securities Act of 1933, as amended) and any other Persons acting as a group together ("**Attribution Parties**")) would beneficially own in excess of 9.99% (the "**Maximum Percentage**") of the Common Stock after giving effect to such exercise. To the extent the above limitation applies, the determination of whether this Warrant shall be exercisable (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder or any of its affiliates or Attribution Parties) and of which such securities shall be exercisable (as among all such securities owned by the Holder and its Attribution Parties) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. For the purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the 1934 Act (as defined in the Securities Purchase Agreement) and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder (and such Holder's Attribution Parties) of this Warrant. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written request of the Holder, the Company shall within one (1) Business Day confirm in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Warrant or securities issued pursuant to the Securities Purchase Agreement. Upon delivery of a written notice to the Company, the Holder may from time to time increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Maximum Percentage will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to the Holder (and its Attribution Parties) sending such notice and not to any other Holder. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Warrant in excess of the Maximum Percentage shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the 1934 Act.

(g) Insufficient Authorized Shares. The Company shall at all times keep reserved for issuance under this Warrant a number of shares of Common Stock as shall be necessary to satisfy the Company's obligation to issue shares of Common Stock hereunder (without regard to any limitation otherwise contained herein with respect to the number of shares of Common Stock that may be acquirable upon exercise of this Warrant). If, notwithstanding the foregoing, and not in limitation thereof, at any time while any of the SPA Warrants remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of the SPA Warrants at least a number of shares of Common Stock equal to the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of the SPA Warrants then outstanding (the "**Required Reserve Amount**") (an "**Authorized Share Failure**"), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for all the SPA Warrants then outstanding. Without limiting the generality of the foregoing sentence, to the extent required by law or the rules of the Eligible Market on which the Common Stock is traded or quoted, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its shareholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, to the extent required by law or the rules of the Eligible Market on which the Common Stock is traded or quoted, the Company shall provide each shareholder with a proxy statement and shall use its reasonable efforts to solicit its shareholders' approval of such increase in authorized shares of Common Stock.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 2.

(a) Stock Dividends and Splits. If the Company, at any time on or after the date of the Securities Purchase Agreement, (i) pays a stock dividend on one or more classes of its then outstanding shares of Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its then outstanding shares of Common Stock into a larger number of shares or (iii) combines (by combination, reverse stock split or otherwise) one or more classes of its then outstanding shares of stock into a smaller number of shares, then in each such case (a) the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event and (b) the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the adjusted number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment (without regard to any limitations on exercise contained herein). Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of shareholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination. If an event requiring an adjustment of the Exercise Price under this Section occurs, the Mandatory Notice Trading Price shall be adjusted accordingly.

(b) Calculations. All calculations under this Section 2 shall be made by rounding to the nearest cent and the nearest 1/100th of a share, as applicable.

3. RIGHTS UPON DISTRIBUTION OF ASSETS. In addition to any adjustments pursuant to Section 2 above, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distributions would result in the Holder exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to such extent (or the beneficial ownership of any such shares of Common Stock as a result of such Distribution to such extent) and such Distribution to such extent shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Maximum Percentage).

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock or shares of stock convertible into Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Maximum Percentage); further provided that in the event of any Purchase Rights due in relation to a grant, issue or sale to record holders of shares of stock convertible into Common Stock, the amount of Purchase Rights to be received by the Holder shall be determined by calculating the Purchase Rights the holders of the record holders of shares of stock Convertible into Common Stock received per share of Common Stock underlying such class of stock convertible into Common Stock.

(b) Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless (i) the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Transaction Documents (as defined in the Securities Purchase Agreement) in accordance with the provisions of this Section 4(b) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, which is exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction) and (ii) the Successor Entity (including its Parent Entity) is a publicly traded corporation whose common stock is quoted on or listed for trading on an Eligible Market. Upon the consummation of each Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of the applicable Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of each Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction, in lieu of the shares of Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of this Warrant prior to the applicable Fundamental Transaction, such shares of publicly traded common stock (or its equivalent) of the Successor Entity (including its Parent Entity) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the consummation of each Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "**Corporate Event**"), the Company shall make appropriate provision to insure that the Holder will thereafter have the right to receive upon an exercise of this Warrant at any time after the consummation of the applicable Fundamental Transaction but prior to the Expiration Date, in lieu of the shares of the Common Stock (or other securities, cash, assets or other property (except such items still issuable under Sections 3 and 4(a) above, which shall continue to be receivable thereafter)) issuable upon the exercise of the Warrant prior to such Fundamental Transaction, such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights) which the Holder would have been entitled to receive upon the happening of the applicable Fundamental Transaction had this Warrant been exercised immediately prior to the applicable Fundamental Transaction (without regard to any limitations on the exercise of this Warrant).

(c) Application. The provisions of this Section 4 shall apply similarly and equally to successive Fundamental Transactions and Corporate Events and shall be applied as if this Warrant (and any such subsequent warrants, options or other instruments or securities) were fully exercisable and without regard to any limitations on the exercise of this Warrant (provided that the Holder shall continue to be entitled to the benefit of the Maximum Percentage, applied however with respect to shares of capital stock registered under the 1934 Act and thereafter receivable upon exercise of this Warrant (and any such subsequent warrants, options or other instruments or securities)).

---

5. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation (as defined in the Securities Purchase Agreement and including any certificate of designations), Bylaws (as defined in the Securities Purchase Agreement) or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, for the purpose of avoiding or seeking to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable shares of Common Stock upon the exercise of this Warrant (or such other securities, cash, assets or other property then deliverable on exercise of this Warrant), and (iii) shall, so long as any of the SPA Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the SPA Warrants, the maximum number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the SPA Warrants then outstanding (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A SHAREHOLDER. Except as otherwise specifically provided herein, the Holder, solely in its capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in its capacity as the Holder of this Warrant, any of the rights of a shareholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which it is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a shareholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 7, the Company shall provide the Holder with copies of the same notices and other information given to the shareholders of the Company generally, contemporaneously with the giving thereof to the shareholders; provided that the Company shall not be obligated to provide such information if it is filed with the SEC through EDGAR and available to the public through the EDGAR system.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred pursuant to the terms and conditions of this Warrant, the Holder shall surrender this Warrant to the Company, whereupon the Company will promptly issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may reasonably request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred. Prior to transferring this Warrant, the Holder shall inform the transferee of the total number of Warrant Shares then underlying this Warrant.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, no warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES. Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 8(f) of the Securities Purchase Agreement. The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefor. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) as soon as practicable upon each adjustment of the Exercise Price and the number of Warrant Shares, setting forth in reasonable detail, and certifying, the calculation of such adjustment(s). If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock (other than a dividend payable solely in shares of Common Stock) or (ii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such dividend, distribution or transaction; provided that the Company shall not be obligated to provide such notice if the required information is filed with the SEC through EDGAR and available to the public through the EDGAR system. Notwithstanding anything to the contrary in this Section 8, the failure to deliver any notice under this Section 8 or any defect therein shall not affect the validity of the corporate action required to be described in such notice. Until the exercise of its, his or her Warrant or any portion of such Warrant, a Holder shall not have nor exercise any rights by virtue of ownership of a Warrant as a shareholder of the Company (including without limitation the right to notification of shareholder meetings or the right to receive any notice or other communication concerning the business and affairs of the Company other than as provided in this Section 8.

9. AMENDMENT AND WAIVER. Except as otherwise provided herein, the provisions of this Warrant (other than Section 1(f)) may be amended and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only with the prior written consent of the Company and the Holder. The Holder shall be entitled, at its option, to the benefit of any amendment of any other similar warrant issued under the Securities Purchase Agreement (excluding any warrants delivered to the Placement Agent or its Affiliates). No waiver shall be effective unless it is in writing and signed by an authorized representative of the waiving party.

10. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

11. GOVERNING LAW. This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in New York County, New York, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder or to enforce a judgment or other court ruling in favor of the Holder. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

12. CONSTRUCTION; HEADINGS. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

13. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price, the Closing Sale Price, the Bid Price or fair market value or the arithmetic calculation of the Warrant Shares (as the case may be), the Company or the Holder (as the case may be) may submit the disputed determinations or arithmetic calculations (as the case may be) via facsimile (i) within two (2) Business Days after receipt of the applicable notice giving rise to such dispute to the Company or the Holder (as the case may be) or (ii) if no notice gave rise to such dispute, at any time after the Holder or the Company (as the case may be) learned of the circumstances giving rise to such dispute. If the Holder and the Company are unable to agree upon such determination or calculation (as the case may be) of the Exercise Price, the Closing Sale Price, the Bid Price or fair market value or the number of Warrant Shares (as the case may be) within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Company or the Holder (as the case may be), then the Company shall, within two (2) Business Days submit via facsimile (a) the disputed arithmetic calculation of the Warrant Shares, the disputed determination of the Exercise Price, the Closing Sale Price, the Bid Price, fair market value or otherwise (as the case may be) to an independent, reputable investment bank of nationally recognized standing or other independent professional organization of equal reputation and standing selected jointly by the Holder and the Company (each proposed organization being subject to the consent of the other party, with such consent not to be unreasonably withheld, conditioned or delayed) or (b) if acceptable to the Holder, the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The Company shall request the investment bank, professional organization or the accountant (as the case may be) to perform at the Company's expense the determinations or calculations (as the case may be) and notify the Company and the Holder of the results no later than ten (10) Business Days from the time it receives such disputed determinations or calculations (as the case may be). Such investment bank's, professional organization's or accountant's determination or calculation (as the case may be) shall be binding upon all parties absent demonstrable error. The party whose determination or calculation is furthest from that determined or calculation by the investment bank or accountant shall pay the costs of such determination or calculation.

14. REMEDIES, CHARACTERIZATION, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual or consequential damages for any failure by the Company to comply with the terms of this Warrant. The Company covenants to the Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, exercises and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder may cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant may be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required. The Company shall provide all information and documentation to the Holder that is reasonably requested by the Holder to enable the Holder to confirm the Company's compliance with the terms and conditions of this Warrant (including, without limitation, compliance with Section 2 hereof). The issuance of shares and certificates for shares as contemplated hereby upon the exercise of this Warrant shall be made without charge to the Holder or such shares for any issuance or stamp tax or other costs in respect thereof, provided that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than the Holder or its agent on its behalf.

15. TRANSFER. This Warrant may be offered for sale, sold, transferred or assigned without the consent of the Company. The Holder represents that by accepting this Warrant it understands that this Warrant and any securities obtainable upon exercise of this Warrant have not been registered for sale under Federal or state securities laws and are being offered and sold to the Holder pursuant to one or more exemptions from the registration requirements of such securities laws. In the absence of an effective registration of such securities or an exemption therefrom, any certificates for such securities shall bear the legend set forth on the first page hereof. The Holder understands that it must bear the economic risk of its investment in this Warrant and any securities obtainable upon exercise of this Warrant for an indefinite period of time, as this Warrant and such securities have not been registered under Federal or state securities laws and therefore cannot be sold unless subsequently registered under such laws, unless an exemption from such registration is available.

16. DTC Accounts. Notwithstanding anything to the contrary in this Warrant, the Company shall not be obligated herein to credit any restricted securities, including any Warrant Shares if so restricted, to the Holder's DTC account, and any obligation hereunder to credit shares to a Holder's DTC account shall only apply to unrestricted securities.

SERIES G COMMON STOCK PURCHASE WARRANT

PETROS PHARMACEUTICALS, INC.

Warrant Shares: Initial Exercise Date:
Issue Date:

THIS AMENDED AND RESTATED SERIES G COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, _____ or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date of issuance (the "Initial Exercise Date") and on or prior to 5:00 p.m. (New York City time) on the five year anniversary of the closing of the mergers contemplated by the Merger Agreement (as defined in the Warrant Amendment Agreement, dated as of September 28, 2020, by and between the Company and the Holder) ("Termination Date") but not thereafter, to subscribe for and purchase from Petros Pharmaceuticals, Inc., a Delaware corporation (the "Company"), up to _____ shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b).

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Securities Purchase Agreement (the "Purchase Agreement"), dated December 17, 2018, among Neurotrope, Inc. and the purchasers signatory thereto.

Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed facsimile copy or PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the "Notice of Exercise") and, by 12:00 p.m. (Eastern time) on the earlier of (i) the second Trading Day and (ii) the last Trading Day of the applicable Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date said Notice of Exercise is delivered to the Company, payment of the aggregate Exercise Price of the shares thereby purchased pursuant to the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 2(c) below if specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be $3.50, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the issuance of the Warrant Shares to the Holder, and there is also no effective registration statement registering the resale by the Holder of the Warrant Shares, then this Warrant may also be exercised, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) × (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b)(64) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Common Stock on the principal Trading Market as reported by Bloomberg L.P. ("Bloomberg") as of the time of the Holder's execution of the applicable Notice of Exercise if such Notice of Exercise is executed during "regular trading hours" on a Trading Day and is delivered to the Company within two (2) hours thereafter (including until two (2) hours after the close of "regular trading hours" on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of "regular trading hours" on such Trading Day;

(B) = the Exercise Price, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the registered characteristics of the Warrants being exercised. The Company agrees not to take any position contrary to this Section 2(c). For avoidance of doubt, except as set forth in Section 2(d)(iv), the Company shall not be required to pay cash if it cannot deliver registered Warrant Shares upon settlement.

"Bid Price" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the bid price of the Common Stock for the time in question (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the foregoing does not apply, the bid price of the Common Stock in the over-the-counter market on the electronic bulletin board for such Common Stock as reported by Bloomberg as of such time of determination, (c) if no bid price is reported for the Common Stock by Bloomberg as of such time of determination, the average of the bid prices of all of the market makers for the Common Stock as reported in the "pink sheets" by OTC Markets Group Inc. (formerly Pink Sheets LLC) (the "Pink Sheets") as of such time of determination, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

"VWAP" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the foregoing does not apply, the bid price of the Common Stock in the over-the-counter market on the electronic bulletin board for such Common Stock as reported by Bloomberg as of such time of determination, (c) if no bid price is reported for the Common Stock by Bloomberg as of such time of determination, the average of the bid prices of all of the market makers for the Common Stock as reported in the Pink Sheets as of such time of determination, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

Notwithstanding anything herein to the contrary, on the Termination Date, if the conditions of a cashless exercise are otherwise met, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise, and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise, (ii) one (1) Trading Day after delivery of the aggregate Exercise Price (other than in the case of a cashless exercise) to the Company and (iii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within the earlier of (i) two (2) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise by delivering written notice to the Company at any time prior to the Company delivering such Warrant Shares.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date (other than any failure due solely to any action or inaction by the Holder with respect to such exercise), and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder was entitled to receive upon such exercise but did not receive (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver, but did not deliver, to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of $11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of $10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder $1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith.

To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith.

For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be [4.99%] [9.99%] of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time while this Warrant is outstanding the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to all record holders of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to all holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities (other than as contemplated by Section 3(a) above), property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, exclusive lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, or (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, if the Company is not the surviving entity in the Fundamental Transaction or the Common Stock is converted into the right to receive the Alternate Consideration only in the Fundamental Transaction, the Holder shall have the right to receive, in lieu of each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the same securities and/or other property as would have been paid for a Warrant Share as if such Warrant Share were outstanding on and as of the closing of such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant) (the "Alternate Consideration"). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Warrant and to covenant to, at the option of the Holder, deliver to the Holder in exchange for this Warrant a warrant of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for the Alternate Consideration (without regard to any limitations on the exercise of this Warrant), and with an exercise price which applies the exercise price hereunder to such Alternate Consideration consistent with this Section 3(d). Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

e) Reserved.

f) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

g) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the Warrant Register of the Company, at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall contemporaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) Transferability. This Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Issue Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant

will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of this Warrant (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of this Warrant), and hereby irrevocably waives, and agrees not to assert in any action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Purchase Agreement, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

SERIES H COMMON STOCK PURCHASE WARRANT

PETROS PHARMACEUTICALS, INC.

Warrant Shares: Initial Exercise Date:
Issue Date:

THIS SERIES H COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, _____ or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date of issuance (the "Initial Exercise Date") and on or prior to 5:00 p.m. (New York City time) on the five year anniversary of the closing of the mergers contemplated by the Merger Agreement (as defined in the Warrant Amendment Agreement, dated as of September 28, 2020, by and between Neurotrope, Inc. and the Holder) (the "Termination Date") but not thereafter, to subscribe for and purchase from Petros Pharmaceuticals, Inc., a Delaware corporation (the "Company"), up to _____ shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b).

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Securities Purchase Agreement (the "Purchase Agreement"), dated January 22, 2020, among Neurotrope, Inc. and the purchasers signatory thereto.

Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed facsimile copy or PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the "Notice of Exercise") and, by 12:00 p.m. (Eastern time) on the earlier of (i) the second Trading Day and (ii) the last Trading Day of the applicable Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date said Notice of Exercise is delivered to the Company, payment of the aggregate Exercise Price of the shares thereby purchased pursuant to the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 2(c) below if specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be $1.50, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the issuance of the Warrant Shares to the Holder, and there is also no effective registration statement registering the resale by the Holder of the Warrant Shares, then this Warrant may also be exercised, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) × (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b)(68) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Common Stock on the principal Trading Market as reported by Bloomberg L.P. ("Bloomberg") as of the time of the Holder's execution of the applicable Notice of Exercise if such Notice of Exercise is executed during "regular trading hours" on a Trading Day and is delivered to the Company within two (2) hours thereafter (including until two (2) hours after the close of "regular trading hours" on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of "regular trading hours" on such Trading Day;

(B) = the Exercise Price, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the registered characteristics of the Warrants being exercised. The Company agrees not to take any position contrary to this Section 2(c). For avoidance of doubt, except as set forth in Section 2(d)(iv), the Company shall not be required to pay cash if it cannot deliver registered Warrant Shares upon settlement.

"Bid Price" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the bid price of the Common Stock for the time in question (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the foregoing does not apply, the bid price of the Common Stock in the over-the-counter market on the electronic bulletin board for such Common Stock as reported by Bloomberg as of such time of determination, (c) if no bid price is reported for the Common Stock by Bloomberg as of such time of determination, the average of the bid prices of all of the market makers for the Common Stock as reported on the Pink Open Market (the "Pink Sheets") as of such time of determination, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

"VWAP" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the foregoing does not apply, the bid price of the Common Stock in the over-the-counter market on the electronic bulletin board for such Common Stock as reported by Bloomberg as of such time of determination, (c) if no bid price is reported for the Common Stock by Bloomberg as of such time of determination, the average of the bid prices of all of the market makers for the Common Stock as reported in the Pink Sheets as of such time of determination, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

Notwithstanding anything herein to the contrary, on the Termination Date, if the conditions of a cashless exercise are otherwise met, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise, and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) two (2) Trading Days after the delivery to the Company of the Notice of Exercise, (ii) one (1) Trading Day after delivery of the aggregate Exercise Price (other than in the case of a cashless exercise) to the Company and (iii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within the earlier of (i) two (2) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise by delivering written notice to the Company at any time prior to the Company delivering such Warrant Shares.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date (other than any failure due solely to any action or inaction by the Holder with respect to such exercise), and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder was entitled to receive upon such exercise but did not receive (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver, but did not deliver, to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of $11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of $10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder $1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith.

To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith.

For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time while this Warrant is outstanding the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to all record holders of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to all holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities (other than as contemplated by Section 3(a) above), property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, exclusive lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, or (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, if the Company is not the surviving entity in the Fundamental Transaction or the Common Stock is converted into the right to receive the Alternate Consideration only in the Fundamental Transaction, the Holder shall have the right to receive, in lieu of each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the same securities and/or other property as would have been paid for a Warrant Share as if such Warrant Share were outstanding on and as of the closing of such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant) (the "Alternate Consideration"). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant in accordance with the provisions of this Warrant and to covenant to, at the option of the Holder, deliver to the Holder in exchange for this Warrant a warrant of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for the Alternate Consideration (without regard to any limitations on the exercise of this Warrant), and with an exercise price which applies the exercise price hereunder to such Alternate Consideration consistent with this Section 3(d). Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

e) Reserved.

f) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

g) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the Warrant Register of the Company, at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall contemporaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) Transferability. This Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Issue Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of this Warrant (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of this Warrant), and hereby irrevocably waives, and agrees not to assert in any action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Purchase Agreement, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

m) Severability. Licensee shall use and distribute the Promotional Materials in accordance with the terms of this Agreement. To the extent that VIVUS disagrees with Promotional message or tactics proposed by Licensee for Product in the Licensee Territory, it may raise such issues with the JSC (or VIVUS in the absence of a JSC) for discussion. Licensee shall be solely responsible for timely submitting, as applicable, any Promotional Materials to the FDA's Office of Prescription Drug Promotion ("**OPDP**"), or to any equivalent Regulatory Authority elsewhere in the Licensee Territory (including to any applicable state governmental authorities therein). For all other countries (except for the United States) in the Licensee Territory, Licensee shall, on a country-by-country basis, first request and obtain written confirmation from VIVUS as to whether (and how) the Promotional Materials used or intended for use in each such country shall include MTPC's name, before using any such Promotional Materials in such country.

4.7 **Medical Affairs Activities.** Without limiting the generality of Licensee's sole responsibility and decision-making authority for Commercializing the Product in the Field in the Licensee Territory as set forth in Section 4.2, Licensee will use its Commercially Reasonable Efforts to carry out medical affairs activities for the Product in accordance with a written Medical Affairs Plan, as such may be amended or revised by Licensee from time to time, that describes the anticipated medical affairs activities to be performed with respect to Product in the Licensee Territory by Licensee or on its behalf by permitted Third Parties (the "**Medical Affairs Plan**"). Each Medical Affairs Plan shall address, in reasonable detail and to the extent applicable, grants to support continuing medical education, medical information services, the support of investigator-initiated trials, and phase IV clinical trials (in each case, with respect to Product in the Field in the Licensee Territory). Within sixty (60) days of the Effective Date, Licensee shall deliver to VIVUS a Medical Affairs Plan covering those medical affairs activities anticipated to be conducted in preparation of any Product Launch in the Licensee Territory on a country-by-country basis and during the first full calendar year following such Product Launch.

Each such report shall be deemed to constitute Confidential Information of Licensee for purposes of this Agreement.

4.11 **Cross-Territory Sales.** Neither Party shall Commercialize or authorize the Commercialization of any Product in the other Party's Territory. Except as authorized under Sections 2.1 and 2.2, neither Party shall, itself or through other Persons, directly solicit, advertise, sell, distribute, ship, consign, or otherwise transfer any Product outside such Party's Territory. Each Party shall use Commercially Reasonable Efforts to ensure that Products sold in its Territory are not used outside such Territory. Without limiting the generality of the foregoing, neither Party shall sell any Product to a purchaser if such Party knows, or has reason to believe, that such purchaser intends to remove such Product from such Party's Territory or otherwise intends to facilitate the use of such Product outside such Party's Territory. Each Party shall use Commercially Reasonable Efforts to ensure that its Affiliates, sublicensees, distributors, and wholesalers comply with all of the foregoing obligations.

ARTICLE 5
REGULATORY

5.1 **Transfer of Marketing Authorization.**

(a) **Transfer**. Subject to the terms and conditions of this Agreement, VIVUS hereby undertakes to transfer to Licensee NDA #202276 (the "**Product Marketing Authorization**") and all other regulatory filings previously made with any Governmental Authorities in any country within the Licensee Territory that remain pending approval as of the date hereof. VIVUS shall, as soon as practicable following VIVUS' receipt of full payment of the license fee pursuant to Section 7.1, and in any event, no later than three (3) Business Days thereafter , notify the FDA of the transfer to Licensee of the Product Marketing Authorization, and shall promptly provide a correct and complete copy of such notice of transfer to Licensee. Promptly following VIVUS' receipt of full payment of the license fee pursuant to Section 7.1, and in any event, no later than three (3) Business Days thereafter, VIVUS shall provide Licensee with a complete copy of NDA #202276 and all related correspondence with the FDA. VIVUS shall use Commercially Reasonable Efforts to complete any and all other regulatory requirements necessary for such transfer in accordance with Applicable Laws. Licensee shall assist and cooperate with VIVUS in connection with such transfer. Licensee shall be responsible for out of pocket costs and expenses incurred by either Licensee or VIVUS or their Affiliates in connection with the transfer of the Product Marketing Authorization. Such payments shall be based on written invoices submitted to Licensee by VIVUS from time to time. For clarity, only the Product Marketing Authorization will be transferred to Licensee, and no patents, patent applications, or other intellectual property of VIVUS (except for the Assigned Trademarks) shall be transferred to Licensee hereunder.

(b) **Post-Transfer Responsibilities**. Licensee shall use its Commercially Reasonable Efforts to comply with all requirements imposed on Licensee as the holder of the Product Marketing Authorization by Applicable Law and for maintaining the on-going validity of the Product Marketing Authorization. Licensee shall not take any actions, other than to the extent required by Applicable Law, that would reasonably be expected to cause the Product Marketing Authorization to be withdrawn by the FDA. Licensee shall be responsible for collecting and maintaining any safety-related information required by Applicable Law in the Licensee Territory and will coordinate with VIVUS (or at VIVUS' request, with VIVUS' licensees of the Product in the VIVUS Territory) to provide any portion of such information that is necessary or useful to support safety documentation/reporting in the VIVUS Territory.

(c) **Restriction on Further Transfer**. Licensee may not assign or transfer the Product Marketing Authorization without the prior written consent of VIVUS, except that, in connection with an assignment of this Agreement pursuant to Section 14.5 hereof, Licensee may make any such assignment or transfer without VIVUS' consent to Licensee's Affiliate or to a successor to all or substantially all of the assets or business of Licensee to which this Agreement pertains or to a Financing Entity (and such Financing Entity may make a further assignment to a Qualified Assignee, only in connection with an assignment of this Agreement pursuant to Section 14.5). Licensee acknowledges that a breach of this Section 5.1(c) by Licensee would constitute a material breach of this Agreement.

(d) **VIVUS Retained Rights**. Notwithstanding the transfer of the Product Marketing Authorization by VIVUS to Licensee as provided in Section 5.1, VIVUS shall, in all circumstances, retain the following rights after such transfer: (i) VIVUS shall exercise control over the selection of the manufacturer of the Product for sale in the Licensee Territory unless and until the Supply Chain Transfer occurs pursuant to Section 6.2; and (ii) VIVUS shall remain the owner of all data filed with Regulatory Authorities in connection with the Product Marketing Authorization and shall retain the right, with prior written notice to Licensee, to grant access to this data to Third Parties who are collaborating with or otherwise assisting VIVUS in connection with the Development or Commercialization of the Product for use in the Field outside the Licensee Territory, or manufacturing of the Product and/or the development, commercialization, or manufacturing of any other VIVUS product; and (iii) VIVUS shall, in accordance with Section 5.2(c), retain final decision-making right with respect to the content of any communications with Regulatory Authorities in the Licensee Territory in connection with the qualification of Product manufacturers unless and until a Supply Chain Transfer occurs pursuant to Section 6.2.

5.2 **Regulatory Materials and Regulatory Approvals.**

(a) **Product Marketing Authorization**. Upon transfer of the Product Marketing Authorization to Licensee in accordance with Section 5.1, (i) Licensee shall be the legal and beneficial owner of the Product Marketing Authorization and any other Regulatory Approval granted by the FDA or other Regulatory Authority in the Licensee Territory with respect to the Product, and (ii) Licensee shall be solely responsible for all communications and other dealings with the FDA and any other Regulatory Authorities in the Licensee Territory relating to the Product or the Product Marketing Authorization, subject to Section 5.1(d).

(b) **Costs**. Except as otherwise provided in this Agreement, each Party shall bear its own costs in connection with its performance of regulatory activities hereunder. Notwithstanding the foregoing, (i) VIVUS shall reimburse Licensee fifty percent (50%) of the user fee assessed by the FDA in connection with a supplemental application for updates to the Product label to reflect the results of the spermatogenesis post-marketing required study (the "**FDA Assessment**"); provided that VIVUS' payment hereunder shall not exceed $600,000, and

(ii) VIVUS shall be responsible for any other fees payable to the FDA or any other Regulatory Authority in the Licensee Territory with respect to the Product prior to the transfer of the Product Marketing Authorization to Licensee, and Licensee shall be responsible for any fees payable to the FDA or any other Regulatory Authority in the Licensee Territory with respect to the Product after the transfer of the Product Marketing Authorization to Licensee. With respect to any fees paid by VIVUS prior to the transfer of the Product Marketing Authorization to Licensee as prepayments to the FDA or any other Regulatory Authority in the Licensee Territory with respect to the Product, Licensee shall reimburse VIVUS for the pro rata portion of such fees that are allocable to the Term of this Agreement.

(c) **Notifications; Communications with Regulatory Authorities**. During the Term, each Party shall keep the other reasonably and regularly informed of such Party's submission to Regulatory Authorities of all material Regulatory Materials, meetings with Regulatory Authorities, and receipt of, or any material changes to existing, Regulatory Approvals, in each case for the Product in the Licensee Territory, pursuant to procedures to be developed by the JSC (or VIVUS in the absence of a JSC). Prior to completion of the transfer of the Product Marketing Authorization to Licensee in accordance with Section 5.1, VIVUS and Licensee shall jointly make decisions with respect to the content of any communications that VIVUS makes to Regulatory Authorities regarding the Product. Following completion of transfer of the Product Marketing Authorization to Licensee in accordance with Section 5.1, Licensee shall have the right to make any final decisions with respect to the content of any communications that it makes to Regulatory Authorities regarding the Product; provided, however, that (i) any commitments to a Regulatory Authority in the Licensee Territory that would reasonably be expected to have a material impact on the Commercialization of the Product in the VIVUS Territory shall require VIVUS' prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Without limiting the first sentence of this Section 5.2(c), following completion of transfer of the Product Marketing Authorization to Licensee in accordance with Section 5.1, at VIVUS' reasonable request, Licensee shall promptly provide copies of then-current versions of any and all such Regulatory Materials and Regulatory Approvals.

5.3 **Other Regulatory Obligations.**

(a) Licensee shall comply with all pharmacovigilance obligations imposed by Applicable Law in relation to the Product. Each Party shall keep the other informed in a timely manner of any Information that such Party receives (directly or indirectly) that (i) raises any material concerns regarding the safety or efficacy of the Product; (ii) reasonably indicates or suggests a potential material liability of either Party to Third Parties in connection with the Product; (iii) is reasonably likely to lead to a recall or market withdrawal of the Product in any jurisdiction; or (iv) relates to the Product and is reasonably likely to have a material impact on a Regulatory Approval, Pricing Approval, or the Commercialization of the Product in the Field in the Licensee Territory.

(b) Each Party shall fully cooperate with and assist the other Party in complying with any regulatory obligations with respect to the Product, or the manufacturing thereof, in the Licensee Territory.

(c) Prior to the completion of the transfer of the Product Marketing Authorization to Licensee, Licensee shall not communicate with any Regulatory Authority in the Licensee Territory regarding any Product unless explicitly requested or permitted in writing to do so by VIVUS. Following the completion of transfer of the Product Marketing Authorization to Licensee, (i) Licensee's communications with Regulatory Authorities in the Licensee Territory regarding the Product shall comply with Section 5.2(c) and Section 5.3(a), and (ii) except to the extent required by Applicable Law, VIVUS shall not communicate with any Regulatory Authority in the Licensee Territory regarding any Product unless explicitly requested or permitted in writing to do so by Licensee. Except to the extent required by Applicable Law, in no event shall Licensee communicate with any Regulatory Authority in the VIVUS Territory regarding any Product unless explicitly requested or permitted in writing to do so by VIVUS.

5.4 **Rights of Reference.** VIVUS hereby grants to Licensee an exclusive right of reference to all Regulatory Materials and Regulatory Approvals owned or Controlled by VIVUS solely for the purpose of obtaining or maintaining, during the Term, the Product Marketing Authorization. Licensee hereby grants to VIVUS an exclusive right of reference to all Regulatory Materials, Regulatory Approvals (including the Product Marketing Authorization), and Pricing Approvals owned or Controlled by Licensee solely for the purpose of obtaining or maintaining Regulatory Approval for Product in the VIVUS Territory during the Term.

5.5 **Regulatory Actions.**

(a) **Notice of Non-Compliance**. Each Party shall promptly disclose to the other Party any information that it receives pertaining to notices from Regulatory Authorities of non-compliance with Applicable Laws that might reasonably be expected to have an impact on the Commercialization of the Product in the Territory, including any notices relating to the manufacture of the Product.

(b) **Inspection or Audit**. If a Regulatory Authority desires to conduct an inspection or audit of either Party's facility or a facility under contract with either Party with regard to the Product, such Party shall cooperate and cause the contract facility to cooperate with such Regulatory Authority during such inspection or audit. Each Party shall use its Commercially Reasonable Efforts to segregate, and not disclose, any Confidential Information of the other Party or other materials, correspondence and documents that are not required to be disclosed during an audit or inspection by a Regulatory Authority. To the extent that either Party receives the inspection or audit observations of such Regulatory Authority, such Party shall promptly provide the other Party with a copy of the inspection or audit observations of such Regulatory Authority. The Party holding the Product Marketing Authorization shall prepare the response to any such observations, but the submission of the response to the applicable Regulatory Authority shall be subject to the other Party's review, and the Party holding the Product Marketing Authorization shall give due consideration to such other Party's comments. Each Party shall implement at its own cost the actions to correct any material deficiencies with such Party's facility or facility under contract found by the Regulatory Authority during the audit or inspection, in accordance with the requirements of the Regulatory Authority and Applicable Law. In the case of any audit or inspection of a Party's facility or a facility under contract with such Party where such audit or inspection is not related to the Product, such Party shall promptly notify the other Party of any findings of such an audit or inspection that may have an effect on the other Party's ability to assume its obligation and responsibilities imposed by this Agreement or the Commercialization of the Product in the Licensee Territory.

(c) **Product Withdrawals and Recalls**. The Parties shall exchange their internal standard operating procedures ("**SOPs**") for conducting product recalls reasonably in advance of Product Launch, and shall discuss and resolve any conflicts between such SOPs and issues relating thereto promptly after such exchange. In the event of any disagreement as to how to resolve any such conflicts with respect to the Product, VIVUS 's SOP shall control unless and until VIVUS transfers ownership of the Product Marketing Authorization to Licensee, and Licensee's SOP shall control thereafter. If either Party becomes aware of information relating to the Product that indicates that a unit or batch of such Product may not conform to the specifications therefor, or that potential adulteration, misbranding, and/or other issues have arisen that relate to the safety or efficacy of Products, it shall promptly so notify the other Party. To the extent practicable, the Parties shall discuss the circumstances of any potential product recall, field correction, or withdrawal of any Product and possible appropriate courses of action. If Licensee decides to initiate a recall, field correction, or withdrawal of Product in the Licensee Territory, Licensee shall have the right and responsibility, at its expense but without limiting any claims Licensee may have against VIVUS or any other Person, to control such recall, field correction, or withdrawal in a manner consistent with its internal SOPs (as revised pursuant to the first sentence of this Section 5.5(c), if applicable); provided, however, Licensee shall consider in good faith the views of VIVUS as to whether a recall, field correction, or withdrawal is necessary or appropriate. For clarity, as between the Parties, VIVUS shall have the right, at its expense, to control all recalls, field corrections, and withdrawals of any Product in the VIVUS Territory. Each Party shall maintain complete and accurate records of any recall, field correction, or withdrawal in its territory for such periods as may be required by Applicable Laws, but in no event for less than five (5) years. For purposes of clarity, for Product supplied by VIVUS under the Commercial Supply Agreement, the Parties' respective responsibilities for the costs of any Product recall, field correction, or withdrawal of such Product shall be as set forth in the Commercial Supply Agreement.

5.6 **PV Agreement.** Within thirty (30) days of the Effective Date, the Parties shall use commercially reasonable efforts to enter into a separate pharmacovigilance agreement (the "**PV Agreement**"), containing the specific terms, conditions and obligations of the Parties with respect to the collection, reporting and monitoring of all adverse drug reactions, adverse events, medical inquires with safety concerns, and other relevant drug safety matters with respect to Products during the Term. From the Effective Date until the date that the Parties have entered into the PV Agreement, but in no event for any period longer than thirty (30) days following the Effective Date, VIVUS shall handle medical inquiries, complaints and adverse experience reporting for the Product in the United States in accordance with VIVUS' customary practice for handing such activities and using VIVUS' existing resources (including call centers).

ARTICLE 6
MANUFACTURING

6.1 **Commercial Supply Agreement.** Concurrent with the execution of this Agreement, the Parties have executed (a) the manufacturing and supply agreement (the "**Commercial Supply Agreement**") attached hereto as Exhibit B, under which VIVUS has agreed to supply, itself or through one (1) or more Third Party manufacturers, bulk tablets of Product to Licensee, its Affiliates, and/or its sublicensees for Commercialization in the Field in the Licensee Territory, and (b) the quality agreement (the "**Quality Agreement**"), attached hereto as Exhibit F, which governs the agreed-upon specifications and other technical aspects of supply of such Product for Commercialization in the Field in the Licensee Territory. For the avoidance of doubt, none of VIVUS' agreements with Third Party manufacturers and suppliers for the Product shall be assigned to Licensee on the Effective Date.

6.2 **Transition of Supply Chain.** At a time selected by Licensee, but in any event no later than one hundred and eighty (180) days following the Effective Date, Licensee may elect to have VIVUS transfer control of the supply chain for the Product to Licensee or its designee for the supply of Product for the Licensee Territory by assigning to Licensee VIVUS' agreement(s) with the contract manufacturer(s) in such supply chain (the "**Supply Chain Transfer**"). As promptly as practicable following written notice from Licensee that it will exercise its right to a Supply Chain Transfer, the Parties shall discuss and agree on a written plan for the Supply Chain Transfer (the "**Supply Chain Transfer Plan**"). Following agreement on such Supply Chain Transfer Plan, the Parties shall each use Commercially Reasonable Efforts to carry out their respective obligations thereunder in a timely fashion; provided, however, the Supply Chain Transfer shall only occur if and when Licensee makes the applicable election. Notwithstanding the foregoing, Licensee acknowledges that in order for VIVUS to carry out its obligations under the Supply Chain Transfer Plan, VIVUS will need to obtain certain third party consents that are outside of the control of VIVUS. Following the Supply Chain Transfer, Licensee shall pay the Third Party manufacturer of Product directly for such supply. Notwithstanding anything to the contrary herein or otherwise, VIVUS hereby acknowledges and agrees that it shall not agree or consent to any amendment, waiver of rights, or modification of any agreements that pertain to the current supply chain for the Product, including without limitation the Manufacturing and Supply Agreement, (a) that would reasonably be expected to result in (i) any non-routine increase in the Price (as defined in the Commercial Supply Agreement), (ii) any early termination of the Commercial Supply Agreement, or (iii) any increase in the Licensee's Minimum Purchase Obligations (as defined in the Commercial Supply Agreement), (b) that has, or would reasonably be expected to have, any other material negative effect or material adverse impact on the rights granted to Licensee hereunder or under the Commercial Supply Agreement or (c) that would impose additional material obligations on Licensee hereunder or under the Commercial Supply Agreement, in each case without the prior written consent of Licensee (which consent shall not to be unreasonably withheld, conditioned or delayed).

ARTICLE 7
FINANCIALS

7.1 **License Fee.** No later than 5:00 p.m. (Eastern Daylight Time) on September 30th, 2016, Licensee shall pay to VIVUS a one-time, non-refundable (subject to Section 4.4(b)), non-creditable license fee of seventy million dollars ($70,000,000) by wire transfer of immediately available funds into an account designated in writing by VIVUS.

7.2 **Royalties under MTPC Agreement.** Licensee shall be responsible for paying the amounts and payments set forth on Exhibit C owed by VIVUS to MTPC under the MTPC Agreement on account of Net Sales of Licensee or its Affiliates or sublicensees, including the royalties on net sales owed to MTPC during the MTPC Royalty Period, trademark royalties owed to MTPC after the end of the MTPC Royalty Period, and Licensee's pro-rata share of the sales milestone, all of which are set forth in Exhibit C (the "**MTPC Payments**"). For the avoidance of doubt, the Parties acknowledge that (i) such payments to VIVUS are intended to match payments owed by VIVUS to MTPC under the MTPC Agreement, (ii) that to the extent royalties owed to MTPC are terminated or reduced (temporarily or permanently) for any reason, any royalties owed by Licensee to VIVUS hereunder shall be terminated or reduced (temporarily or permanently, as applicable) in an equivalent manner (and for an equivalent duration, as applicable) in all respects, (iii) except as expressly provided herein, such royalties shall not be subject to any step-down, and (iv) that the definition of "net sales" under the MTPC Agreement is different than the definition of Net Sales hereunder, and that, as a result, Licensee's payment obligations under this Section 7.2 and Exhibit C that are based on net sales shall be determined using the definition of MTPC Agreement Net Sales contained in the MTPC Agreement.

7.3 **Royalty Payments and Reports.** Within forty-five (45) days after the end of each calendar quarter, Licensee shall provide VIVUS with a statement of (a) the amount of gross sales of Products during the applicable calendar quarter, (b) an itemized calculation of Net Sales showing Net Sales Deductions during such calendar quarter, and (c) the calculation of the amount of any payment due pursuant to Section 7.2. Together with each quarterly statement provided pursuant to this Section 7.3, Licensee shall provide VIVUS with any payments due. All amounts payable to VIVUS under this Section 7.3 shall be paid by wire transfer of immediately available funds into an account designated in writing by VIVUS. Promptly, but no later than ten (10) Business Days, after VIVUS' receipt of any such payments, VIVUS shall remit such payments by wire transfer to MTPC in accordance with the terms of the MTPC Agreement, and provide Licensee with confirmation of such wire transfer.

7.4 **Taxes.** All payments made under this Agreement shall be made free and clear of withholding for Taxes ("**Withholding Taxes**") unless such withholding is otherwise required under Applicable Law. To the extent such withholding is required under Applicable Law, Licensee shall pay such Taxes to the applicable taxing authority and shall be permitted to deduct such Taxes from applicable payments under this Agreement. Licensee will timely provide VIVUS with reasonable documentation evidencing the payment of any such Taxes to the applicable taxing authority and shall comply with any tax reporting obligations that are required under Applicable Law so as to enable VIVUS to obtain a credit of any such Tax. Notwithstanding the foregoing, to the extent that a deduction or withholding of Taxes hereunder arises as a result of any action taken by Licensee after the Effective Date that has at the time of such action the effect of modifying the Tax treatment of, or increasing the Taxes applicable to, payments hereunder, in each case relative to the Tax treatment existing as of the Effective Date (a "**Licensee Withholding Tax Action**"), including without limitation an assignment of this Agreement by Licensee or any failure on the part of Licensee to comply with Applicable Law, then, and only to the extent VIVUS is not eligible to obtain a credit of any such withholding taxes, (a) the payment by Licensee shall be increased by the amount necessary (the "**Additional Tax**") to ensure that VIVUS receives an amount equal to the amount that it would have received had no such Licensee Withholding Tax Action occurred, and (b) obligations set forth above with respect to making payments to the applicable taxing authority and reporting such payments to VIVUS shall apply with respect to such Additional Tax; provided that, to the extent any Additional Tax is attributable in whole or in part to any action taken by VIVUS after the Effective Date, the payment increase in subsection (a) shall be proportionately reduced to reflect the relative responsibilities of the Parties for causing the deduction or withholding of Taxes. Solely for purposes of this Section 7.4, "**Taxes**" means any present or future taxes, levies, imposts, duties, charges, assessments or fees of any nature (including interest, penalties and additions thereto) that are imposed by the applicable government or other taxing authority.

7.5 **Late Payments.** In the event any payment due hereunder is not made when due, the payment shall accrue interest (beginning on the date such payment is due) calculated at the rate of one percent (1%) per month or the maximum rate allowable by Applicable Law, whichever is less. Such payment when made shall be accompanied by all interest so accrued.

7.6 **Records; Audits.** Licensee shall maintain complete and accurate books and records in accordance with GAAP in sufficient detail to permit VIVUS to confirm the accuracy of milestone payments, royalty payments, and any other compensation payable under this Agreement, for a period of five (5) years from the creation of individual records or any longer period required by Applicable Law. At VIVUS' request, such records shall be available for review at Licensee's headquarters located at 11 Commerce Drive, 1st Floor, Cranford, New Jersey 07016, or a mutually agreeable location determined by Parties not more than once each calendar year covering the two (2) immediately preceding calendar years (during normal business hours on a mutually agreed date with reasonable advance notice) by an independent Third Party auditor selected by VIVUS and approved by Licensee (such approval not to be unreasonably withheld, conditioned, or delayed) and subject to confidentiality and non-use obligations no less stringent than those set forth in ARTICLE 11 for the sole purpose of verifying for VIVUS the accuracy of the financial reports furnished by Licensee pursuant to this Agreement or of any payments made by Licensee to VIVUS pursuant to this Agreement. Any such auditor shall not disclose Licensee's Confidential Information to VIVUS, except to the extent such disclosure is necessary to verify the accuracy of the financial reports furnished by Licensee or the amount of payments due by Licensee under this Agreement. Any undisputed amounts finally determined to be owed but unpaid shall be paid within thirty (30) days from the accountant's report, plus interest (as set forth in Section 7.5) from the original due date. Any amounts finally determined to have been overpaid may be credited by Licensee against future payments to VIVUS hereunder. Licensee may carry forward any unused credits to future calendar quarters; provided, that in the event there are unused credit amounts upon the termination of this Agreement or expiration of the MTPC Royalty Period, VIVUS shall promptly pay to Licensee such amounts. VIVUS shall bear the full cost of such audit unless such audit reveals an underpayment or under-reporting error of ten percent (10%) or more during the applicable audit period, in which case Licensee shall bear the full cost of such audit.

7.7 **Currency.** All amounts specified or payable in this Agreement shall be in United States dollars.

ARTICLE 8
INTELLECTUAL PROPERTY

8.1 **Ownership of Inventions.** Each Party shall own all inventions and Information made solely by its respective employees, agents, and independent contractors and its Affiliates in the course of conducting such Party's activities under this Agreement (collectively, "**Sole Inventions**"), along with any Patents covering such Sole Inventions. All inventions and Information that are made jointly by employees, Affiliates, agents, or independent contractors of both Parties in the course of performing activities under this Agreement (collectively, "**Joint Inventions**"), along with any Joint Patents, shall be owned jointly by the Parties. Subject to the licenses granted pursuant to Section 2.1 or 2.3, each Party shall have the right to practice, license and exploit the Joint Inventions and Joint Patents worldwide, without consent of the other Party (and where consent is required by Applicable Law, such consent is hereby deemed granted) and without a duty of accounting to the other Party. For the avoidance of doubt and for purposes of this Agreement, to the extent that any Joint Inventions relate to any Product, such Joint Inventions shall be deemed to constitute VIVUS Know-How and Licensee Know-How, and to the extent that any Joint Patents relate to any Product, such Joint Patents shall be deemed to constitute VIVUS Patents and Licensee Patents.

8.2 **Disclosure of Inventions.** Each Party shall promptly disclose to the other all Sole Inventions or Joint Inventions relating to any Product or its composition, formulation, manufacture, or use, including all invention disclosures or other similar documents submitted to such Party by its, or its Affiliates', employees, agents or independent contractors describing such Sole Inventions or Joint Inventions. Such Party shall also respond promptly to reasonable requests from the other Party for more Information relating to such inventions.

8.3 **Prosecution of Patents.**

(a) **VIVUS Patents**. Licensee acknowledges that, under the terms of the MTPC Agreement, MTPC has the sole right to prosecute and maintain the VIVUS Patents.

(b) **Joint Patents**. With respect to any potentially patentable Joint Invention, the Parties shall meet and agree upon which Party, if any, shall prepare, file, prosecute (including any interferences, reissue proceedings and reexaminations) and maintain patent applications covering such Joint Invention (any such patent application and any patents issuing therefrom a "**Joint Patent**") in any jurisdictions throughout the world, as well as the manner in which patent expense for such Joint Patent will be shared by the Parties. The Party that prosecutes a patent application in the Joint Patents (the "**Prosecuting Party**") shall provide the other Party reasonable opportunity to review and comment on such prosecution efforts regarding the applicable Joint Patents in the particular jurisdictions, and such other Party shall provide the Prosecuting Party reasonable assistance in such efforts. The Prosecuting Party shall provide the other Party with a copy of all material communications from any patent authority in the applicable jurisdictions regarding the Joint Patent being prosecuted by such Party, and shall provide drafts of any material filings or responses to be made to such patent authorities a reasonable amount of time in advance of submitting such filings or responses. In particular, each Party agrees to provide the other Party with all information necessary or desirable to enable the other Party to comply with the duty of candor/duty of disclosure requirements of any patent authority. Either Party may determine that it is no longer interested in supporting the continued prosecution or maintenance of a particular Joint Patent in a country or jurisdiction, in which case the disclaiming Party shall provide the other Party with written notice of such determination at least thirty (30) days before any deadline for taking action to avoid abandonment and shall provide the other Party with the opportunity to have the disclaiming Party's interest in such Joint Patent in such country or jurisdiction assigned to the other Party, at no cost to the other Party.

(c) **Cooperation in Prosecution**. Each Party shall provide the other Party all reasonable assistance and cooperation in the Patent prosecution efforts provided above in this Section 8.3, including providing any necessary powers of attorney and executing any other required documents or instruments for such prosecution.

8.4 **Enforcement of Patents.**

(a) **Notification**. If a Party becomes aware of any infringement, threatened infringement, or alleged infringement of the VIVUS Patents or Joint Patents on account of a Third Party's manufacture, use or sale of a product that includes the Compound as the sole active ingredient in the Field in the Licensee Territory (in each case, a "**Product Infringement**"), then such Party shall promptly notify the other Party in writing of such Product Infringement, including any evidence in such Party's possession demonstrating such Product Infringement. Any "patent certification" filed in the United States under 21 U.S.C. §355(b)(2) or 21 U.S.C. §355(j)(2) (or similar provisions in other jurisdictions) that asserts that infringement of a VIVUS Patent or Joint Patent will not arise from the manufacture, use or sale of a product that includes the Compound as the sole active ingredient in the Field in the Licensee Territory by a Third Party or that asserts that any claims of a VIVUS Patent or Joint Patent covering product that includes the Compound as the sole active ingredient in the Field in the Licensee Territory is invalid or unenforceable shall be deemed to be a Product Infringement hereunder, and each Party shall provide written notice to other Party of any such filed certification within five (5) Business Days of becoming aware thereof. Notwithstanding the foregoing, VIVUS shall bear all fees, costs and expenses associated in any manner with the Hetero Litigation and VIVUS shall not consent to any settlement with respect to the Hetero Litigation without the prior written consent of Licensee (which consent shall not be unreasonably withheld, conditioned or delayed), provided that (i) Licensee's consent shall not be required for any settlement with respect to the Hetero Litigation that (A) does not include any admission of the invalidity of, or waiver or forfeiture of any claims of, the VIVUS Patents and (B) includes any entry date for a Generic Product that is on or after the date that is six (6) months prior to the expiration date of U.S. Patent No. 6,656,935, and (ii) if (A) VIVUS, in good faith, recommends a settlement proposal to Licensee, in writing, that (x) does not include any admission of the invalidity of, or waiver or forfeiture of any claims of, the VIVUS Patents and (y) includes any entry date for a Generic Product that is earlier than the date that is six (6) months prior to the expiration date of U.S. Patent No. 6,656,935, but no earlier than the date that is one (1) year prior to the expiration date of U.S. Patent No. 6,656,935, and (B) Licensee does not deliver to VIVUS a written consent to such settlement proposal within five (5) Business Days of Licensee's receipt of VIVUS' recommendation, then Licensee will immediately assume full responsibility for the Hetero Litigation (including any and all costs and expenses related to, arising from, or otherwise associated therewith) from the date of such written recommendation from VIVUS, and VIVUS will reasonably cooperate with Licensee, at Licensee's sole cost and expense, to facilitate any transition of the Hetero Litigation from VIVUS to Licensee.

(b) **Enforcement**. During the Term and subject to the remainder of this Section 8.4(b), Licensee shall have the first right to initiate, prosecute and control legal proceedings against any person or entity engaged in a Product Infringement of the VIVUS Patents in the Licensee Territory, all at Licensee's sole expense. If Licensee decides not to bring such legal action, or if Licensee fails to initiate such legal action by the Action Date, VIVUS (and/or MTPC) shall have the right, but not the obligation, to commence a suit or take action to enforce the applicable VIVUS Patents with respect to such Product Infringement in the Licensee Territory, at its own expense.

(c) **Cooperation**. Each Party shall provide to the Party enforcing any rights under Section 8.4(b) reasonable assistance in such enforcement, including joining such action as a party plaintiff if required by Applicable Law to pursue such action. Additionally, to the extent requested by Licensee, VIVUS agrees to exercise its right under the MTPC Agreement to require MTPC to cooperate in any enforcement by or on behalf of Licensee pursuant to Section 8.4(b), including being joined as a party to such action if necessary. The enforcing Party shall keep the other Party reasonably and regularly informed of the status and progress of such enforcement efforts, and shall reasonably consider the other Party's comments on any such efforts. The non- enforcing Party shall have the right to be represented in any action brought under Section 8.4(b) by counsel of its choice and at its own expense. For clarity, as between the Parties, VIVUS (or MTPC or a VIVUS designee) shall have the exclusive right to bring and control any legal action in connection with any actual, alleged, or threatened infringement of a VIVUS Patent that is not a Product Infringement at its own expense as it reasonably determines appropriate.

(d) **Settlement**. Without the prior written consent of the other Party, such consent not to be unreasonably withheld, conditioned or delayed, neither Party shall settle any claim, suit or action brought under Section 8.4 involving VIVUS Patents in any manner that (i) admits the invalidity of, or otherwise impairs the other Party's rights in, the VIVUS Patents or (ii) limits, or would reasonably be expected to limit, the ability of the other Party or its licensees to sell or manufacture Products in its territory (*i.e.*, the Licensee Territory in the case of Licensee or the VIVUS Territory in the case of VIVUS). Notwithstanding the foregoing, in the event that (A) Licensee decides not to bring a legal action against Product Infringement in the Licensee Territory, or if Licensee fails to initiate such legal action by the Action Date, and (B) thereafter MTPC (or a licensee or designee of MTPC other than VIVUS) brings an action under the VIVUS Patents in the Licensee Territory or the VIVUS Territory, settlement of such action shall be at MTPC's sole discretion and shall not require the consent of Licensee.

(e) **Recoveries**. Any recoveries resulting from an action brought by a Party under Section 8.4(b) relating to a claim of Product Infringement of a VIVUS Patent shall be first applied against payment of each Party's costs and expenses in connection therewith. Any such recoveries in excess of such costs and expenses (the "**Remainder**") will be retained by the enforcing Party; provided that if Licensee is the enforcing Party, the Remainder shall be included in Net Sales for purposes of calculating royalties owed to VIVUS hereunder.

(f) **Joint Patents**. If a Third Party infringes any Joint Patent, the Parties shall discuss such infringement and the Parties shall each have the right, but neither Party shall be obligated, to bring an appropriate suit or other action under such Joint Patent against any Person engaged in such infringement. If both Parties agree to so enforce such Joint Patents, they shall be jointly responsible for, and share equally, all the costs and expenses of any suit brought by them and shall equally share all recoveries with respect thereto. If one Party elects not to enforce such Joint Patents against such infringement, then the other Party shall have the right, but not the obligation, to take action to enforce such Joint Patents against such infringement at its own cost and expense and such other Party may retain all recoveries with respect thereto.

8.5 **Patent Marking.** Licensee shall, and shall require its Affiliates and sublicensees, to mark Products sold by it hereunder with appropriate patent numbers or indicia to the extent permitted by Applicable Law.

8.6 **Trademarks**. Subject to the terms and conditions of this Agreement, including Section 12.5(c), VIVUS hereby sells, assigns, conveys, transfers and delivers to Licensee, and Licensee hereby receives and accepts from VIVUS, with effect as of the Effective Date, all of its right, title and interest in and to the Assigned Trademarks, any and all goodwill associated therewith, and all rights in and to any of the foregoing. Licensee shall be responsible for the selection, adoption, registration, maintenance and defense of the (a) Assigned Trademarks and

(b) any other trademarks Licensee uses in connection with the sale or marketing of Products in the Licensee Territory (such other trademarks, collectively, the "**Licensee Trademarks**"), as well as all expenses associated therewith. Notwithstanding the foregoing, if Licensee determines that it is no longer interested in maintaining (or defending against any cancellation proceedings) a particular Assigned Trademark, Licensee shall provide VIVUS with written notice of such determination at least sixty (60) days before any deadline for taking action to avoid any cancellation of, abandonment of, or other loss of rights relating to such Assigned Trademark, and at VIVUS' request, shall promptly transfer and assign such Assigned Trademark, any goodwill associated therewith, and all rights in and to any of the foregoing, to VIVUS, at no cost to VIVUS. Licensee shall own all Licensee Trademarks.

8.7 **Regulatory Data Protection.** As between the Parties, Licensee shall be solely responsible for deciding which of the VIVUS Patents to submit to FDA for listing in the Orange Book for any Product and for maintaining with FDA correct and complete listings of applicable patents for such Product; provided that Licensee shall not unreasonably fail to include any VIVUS Patents requested by VIVUS to be submitted to FDA for listing in the Orange Book.

8.8 **Infringement of Third Party IP.** Each Party shall promptly notify the other Party in writing of any allegation, claim or suit that the manufacture, use or sale of any Product infringes or misappropriates a Third Party's Patent or other Intellectual Property. Subject to ARTICLE 10, each Party shall have the sole right to control any defense of any such claim involving alleged infringement of Third Party rights by such Party's activities, at its own expense and by counsel of its own choice.

ARTICLE 9

(c) **Consents**. All necessary consents, approvals and authorizations of all governmental authorities and other Third Parties required to be obtained by it in connection with the execution, delivery and performance of this Agreement have been obtained by it.

(d) **No Conflict**. The execution and delivery of this Agreement, the performance of such Party's obligations hereunder and the licenses and sublicenses to be granted pursuant to this Agreement (i) do not and will not conflict with or violate any requirement of Applicable Law existing as of the Effective Date, (ii) do not and will not conflict with or violate the certificate of incorporation, certificate of formation, by-laws, limited partnership agreement or other organizational documents of such Party, and (iii) do not and will not conflict with, violate, breach, constitute a default or give rise to any right of termination under any contractual obligations of such Party or any of its Affiliates existing as of the Effective Date.

9.2 **VIVUS Representations, Warranties and Covenants.** VIVUS hereby represents, warrants, and covenants to Licensee as of the Effective Date that, except as disclosed in Schedule 9.2:

(a) VIVUS is the exclusive licensee of the VIVUS Patents in the Field in the Licensee Territory;

To the Knowledge of VIVUS, no Third Party is infringing any VIVUS Patents. VIVUS has not received any written notice from any Third Party asserting that the VIVUS Patents are invalid, unenforceable, or not infringed. VIVUS has provided to Licensee a complete and accurate copy of the MTPC Agreement as of the Effective Date;

(k) with respect to the Product covered by the Product Marketing Authorization, VIVUS has paid in full the milestones due to date under the MTPC Agreement;

(l) VIVUS will not at any time during the Term take any action that it knows or should know, will result in a breach of the MTPC Agreement and will throughout the Term comply with the terms and provisions of the MTPC Agreement in all material respects. VIVUS will not at any time during the Term terminate the MTPC Agreement without the prior written consent of Licensee. VIVUS will not agree to any amendment, waiver of rights, or modification of the MTPC Agreement that (i) would reasonably be expected to result in (A) any non-routine increase in the Price (as defined in the Commercial Supply Agreement), (B) any early termination of the Commercial Supply Agreement, or (C) any increase in the Licensee's Minimum Purchase Obligations (as defined in the Commercial Supply Agreement), (ii) has, or would reasonably be expected to have, any other material negative effect or other material adverse impact on (A) any financial or reporting obligation of Licensee or (B) on the rights granted to Licensee under this Agreement or the material obligations imposed on Licensee under this Agreement, without the prior written consent of Licensee;

(m) VIVUS has not knowingly failed to furnish Licensee with any information requested by Licensee, or intentionally concealed from Licensee any information in VIVUS' possession which would be reasonably likely to be material to Licensee's decision to enter into this Agreement and undertake the commitments and obligations set forth herein;

(n) as of the Effective Date, VIVUS represents and warrants that (i) there is no actual, pending, alleged or, to the Knowledge of VIVUS, threatened product liability action with respect to any Product anywhere in the United States or the European Union; (ii) to the Knowledge of VIVUS, there is no actual, pending, alleged or threatened product liability action with respect to any Product anywhere else the world; and (iii) to the Knowledge of VIVUS, there are no facts or circumstances that would cause VIVUS to believe that there is a basis for such a product liability claim;

(d) to the Knowledge of VIVUS, prior to the consummation of the transactions contemplated herein, it had all rights necessary to use the Assigned Trademarks with respect to the Product in the Licensee Territory and to assign and transfer to Licensee the Assigned Trademarks as set forth above; and

(e) to the Knowledge of VIVUS, it has not infringed, misappropriated, diluted or otherwise violated any trademark of any Third Parties by registering or using the Assigned Trademarks in the Licensee Territory.

9.4 **Licensee Representations, Warranties and Covenants.**

(a) Licensee hereby represents and warrants to VIVUS as of the Effective Date that, except as disclosed by VIVUS in Schedules 9.2 and 9.3, to the actual knowledge of Greg Ford, Keith Lavan and Keith Rotenberg, there are no misrepresentations or breaches of any of VIVUS' representations or warranties under this Agreement.

(b) Licensee hereby covenants not to sue the VIVUS Indemnitees (as defined in Section 10.2 hereof), and shall defend, indemnify and hold harmless the VIVUS Indemnitees from and against any and all Losses incurred by the VIVUS Indemnitees, for any such VIVUS Indemnitees' compliance with any Financing Entity's notice of its exercise of rights and remedies under the Financing Documents in connection with any Financing Default (including during the pendency of any dispute between Licensee and the Financing Entity relating to or arising under the Financing Documents, provided that the Financing Entity provides written notice to VIVUS of such exercise of such rights and remedies).

9.5 **Compliance with Law.** Each Party shall, and shall use Commercially Reasonably Efforts to ensure that its Affiliates and sublicensees shall, comply in all material respects with all Applicable Laws in exercising their rights and fulfilling their obligations under this Agreement. If the exercise by Licensee of any of its rights under the Agreement requires the making of filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, then each Party agrees to diligently make any such filings and respond to any request for information to expedite review of such transaction.

9.6 **Representations Regarding Debarment and Compliance.**

(a) Each Party represents, warrants and covenants that as of the Effective Date and during the Term, neither it nor any of its Affiliates nor any of their respective directors, officers, employees, or consultants, and, to its Knowledge based upon reasonable inquiry, any Third Party (and its directors, officers, employees and consultants), in each case who were responsible for the development or whose responsibilities involve the Development or Commercialization of the Product as authorized by this Agreement:

(i) are debarred under Section 306(a) or 306(b) of the FD&C Act;

(b) Each Party will notify the other Party promptly, but in no event later than five (5) Business Days, after knowledge of any exclusion, debarment, suspension or other ineligibility set forth in Section 9.6(a)(iii) occurring during the Term, or if such Party concludes based on its good faith business judgment that a pending action or investigation is likely to lead to the exclusion, debarment, suspension or other ineligibility of such Party.

9.7 **New Generation Compounds.** Pursuant to Section 2.6 of the MTPC Agreement, VIVUS has been granted a right of first refusal and certain related rights by MTPC in connection with New Generation Compounds, as defined in the MTPC Agreement. VIVUS hereby agrees that, at Licensee's written request, VIVUS shall exercise such rights with respect to the Licensee Territory, and shall negotiate with MTPC in good faith to obtain the right to sublicense such rights to Licensee, and Licensee shall be responsible for any and all monetary obligations associated therewith, including (i) any and all payment obligations to MTPC or any third party under any arrangement for such rights and (ii) out-of-pocket costs incurred by VIVUS in connection with the exercise of such rights and related negotiations, provided, however, that (*x*) in the case of the foregoing clause (i), VIVUS shall have provided Licensee ample opportunity to review any such proposed arrangements, and consulted and reasonably cooperated with Licensee in connection with the negotiation of any such arrangements, and (*y*) in the case of the foregoing clause (ii), all such out-of-pocket costs shall have been expressly approved by Licensee prior to the incurrence thereof by VIVUS. All additional sublicensable rights obtained by VIVUS through exercise of such rights shall be sublicensed to Licensee and governed by the terms of this Agreement, subject to the terms of any relevant arrangement between VIVUS and MTPC.

9.8 **No Other Representations or Warranties.** EXCEPT AS EXPRESSLY STATED IN THIS ARTICLE 9, NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, WHETHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON- INFRINGEMENT, OR NON-MISAPPROPRIATION OF THIRD PARTY INTELLECTUAL PROPERTY, IS MADE OR GIVEN BY OR ON BEHALF OF A PARTY. ALL REPRESENTATIONS AND WARRANTIES, WHETHER ARISING BY OPERATION OF LAW OR OTHERWISE, ARE HEREBY EXPRESSLY EXCLUDED.

ARTICLE 10
INDEMNIFICATION

10.1 **Indemnification by VIVUS.** VIVUS shall defend, indemnify, and hold harmless Licensee, its Affiliates, and their respective officers, directors, employees, consultants and authorized agents and their respective successors and assigns or heirs, as the case may be (the "**Licensee Indemnitees**") from and against any and all Losses incurred by such Licensee Indemnitee based on or arising out of:

(a) any misrepresentation or breach of any of VIVUS' representations, warranties, covenants or obligations under this Agreement;

(b) the negligence or willful misconduct of, or violation of Applicable Law by, VIVUS, its Affiliates, licensees, distributors or their respective officers, directors, employees, consultants or authorized agents under this Agreement; or

(c) the Commercialization of any Product by VIVUS, its Affiliates, and its current and former sublicensees.

The foregoing indemnity obligations shall not apply to the extent that the Losses of such Licensee Indemnitee were caused by: (i) a breach of any of Licensee's representations, warranties, covenants, or obligations under this Agreement; or (ii) the negligence or willful misconduct of, or violation of Applicable Law by, such Licensee Indemnitee.

10.2 **Indemnification by Licensee.** Licensee shall defend, indemnify and hold harmless VIVUS, its Affiliates, and their respective officers, directors, employees, consultants and authorized agents and their respective successors and assigns or heirs, as the case may be (the "**VIVUS Indemnitees**") from and against any and all Losses incurred by such VIVUS Indemnitee based on or arising out of:

(a) any misrepresentation or breach of any of Licensee's representations, warranties, covenants or obligations under this Agreement;

(b) the negligence or willful misconduct of, or violation of Applicable Law by, Licensee, its Affiliates, licensees, distributors or their respective officers, directors, employees, consultants or authorized agents under this Agreement; or

(c) the Commercialization of any Product by Licensee, its Affiliates, and sublicensees.

The foregoing indemnity obligation shall not apply to the extent that the Losses of such VIVUS Indemnitee were caused by: (i) a breach of any of VIVUS 's representations, warranties, covenants, or obligations under the Agreement; or (ii) the negligence or willful misconduct of, or violation of Applicable Law by, such VIVUS Indemnitee.

10.3 **Indemnification Procedures.** The Party claiming indemnity under this ARTICLE 10 (the "**Indemnified Party**") shall give written notice to the Party from whom indemnity is being sought (the "**Indemnifying Party**") promptly and in no event later than thirty (30) days after learning of a written Claim ("**Indemnified Claim**"). Failure by an Indemnified Party to give notice of an Indemnified Claim within thirty (30) days of receiving a writing reflecting such Claim shall not relieve the Indemnifying Party of its indemnification obligations hereunder except and solely to the extent that such Indemnifying Party is actually prejudiced as a result of such failure to give such notice. The Indemnifying Party shall have the right to assume and control the defense of the Indemnified Claim with counsel of its choice so long as the Indemnifying Party is conducting a good faith and diligent defense. The Indemnified Party shall provide the Indemnifying Party with reasonable assistance in connection with the defense of the Indemnified Claim. The Indemnified Party may monitor such defense with counsel of its own choosing at its sole expense; provided, that if under applicable standards of professional conduct a conflict of interest exists between the Indemnifying Party and the Indemnified Party in respect of such claim, such Indemnified Party shall have the right to employ separate counsel to represent such Indemnified Party with respect to the matters as to which a conflict of interest exists and in that event the reasonable fees and expenses of such separate counsel shall be paid by the Indemnifying Party. The Indemnifying Party may not settle the Indemnified Claim without the prior written consent of the Indemnified Party, such consent shall not be unreasonably withheld, delayed or conditioned. If the Indemnifying Party does not assume and conduct the defense of the Indemnified Claim as provided above: (a) the Indemnified Party may assume and conduct the defense of the Indemnified claim at the Indemnifying Party's expense; (b) the Indemnified Party may consent to the entry of any judgment or enter into any settlement with respect to the Indemnified Claim in any manner the Indemnified Party may deem reasonably appropriate (and the Indemnified Party need not consult with, or obtain any consent from, the Indemnifying Party in connection therewith); and (c) the Indemnifying Party will remain responsible to indemnify the Indemnified Party for Losses as provided in this ARTICLE 10.

10.4 **Limitation of Liability.** NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY EXEMPLARY, SPECIAL, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES, COSTS OR EXPENSES (INCLUDING LOST PROFITS, LOST REVENUES AND/OR LOST SAVINGS) ARISING FROM OR RELATING TO ANY BREACH OF THIS AGREEMENT, REGARDLESS OF ANY NOTICE OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS SECTION 10.4 IS INTENDED TO OR SHALL LIMIT OR RESTRICT (A) THE INDEMNIFICATION RIGHTS OR OBLIGATIONS OF ANY PARTY IN CONNECTION WITH THIRD PARTY CLAIMS UNDER SECTION 10.1 OR 10.2, (B) DAMAGES AVAILABLE FOR A PARTY'S BREACH OF ARTICLE 11, OR (C) DAMAGES TO THE EXTENT ARISING FROM OR RELATING TO WILLFUL MISCONDUCT OR FRAUDULENT ACTS OR OMISSIONS OF A PARTY.

10.5 **Insurance.** Licensee shall procure and maintain insurance during the Term of this Agreement and for a period of [***] ([***]) years following the termination or expiration of this Agreement, adequate to cover its obligations hereunder and which are consistent with normal business practices of prudent companies similarly situated. Such insurance shall be written by insurance companies with a rating of at least an "A-" in the latest addition of A.M. Best or its equivalent. Without limiting the generality of the foregoing, Licensee's insurance shall include, at minimum, the following coverages:

(b) automobile liability coverage covering all owned, hired and non-owned automobile equipment with minimum per claim limits of [***] per occurrence and annual aggregate, the policy(ies) for which shall name VIVUS as an additional insured;

(c) excess liability/umbrella coverage with minimum per claim limits of at least [***] per occurrence and annual aggregate;

(d) products liability coverage with minimum per claim limits of at least [***] per occurrence and annual aggregate with a [***] ([***]) year extended reporting period endorsement, the policy(ies) for which shall name VIVUS as an additional insured; and

(e) property coverage having limits adequate for Product inventory in Licensee's care, custody, and/or control and for Product in transit to and from Licensee.

It is understood that the insurance requirements above shall not be construed to create a limit of Licensee's liability with respect to its indemnification obligations under this ARTICLE 10. Licensee shall provide VIVUS with written evidence of such insurance upon written request. Licensee shall provide VIVUS with written notice at least thirty (30) days prior to the cancellation, non-renewal or material change in such insurance or self-insurance that materially adversely affects the rights of VIVUS hereunder.

ARTICLE 11 CONFIDENTIALITY

11.1 **Confidentiality.** Except to the extent expressly authorized by this Agreement or otherwise agreed in writing by the Parties, the receiving Party agrees that, for the Term and for five (5) years thereafter, it shall keep confidential and shall not publish or otherwise disclose and shall not use for any purpose other than as provided for in this Agreement any Confidential Information of the disclosing Party except for that portion of such information or materials that the receiving Party can demonstrate by competent proof:

(a) was already known to the receiving Party or its Affiliate, other than under, an obligation of confidentiality, at the time of disclosure by the disclosing Party;

(b) was generally available to the public or otherwise part of the public domain at the time of its disclosure to the receiving Party;

(c) became generally available to the public or otherwise part of the public domain after its disclosure and other than through any act or omission of the receiving Party in breach of this Agreement;

(d) is subsequently disclosed to the receiving Party or its Affiliate by a Third Party without obligations of confidentiality with respect thereto; or

(e) is subsequently independently discovered or developed by the receiving Party or its Affiliate without the aid, application, or use of Confidential Information.

Notwithstanding the foregoing, the receiving Party may disclose without violation of this Agreement such portion of the Confidential Information as is required or permitted to be disclosed if, on the advice of counsel, it is required under Applicable Law or pursuant to legal process to disclose such Confidential Information of the disclosing Party; provided that unless otherwise prohibited by Applicable Law, the receiving Party first advises the disclosing Party of such intended disclosure and provides the disclosing Party with the opportunity to seek appropriate judicial or administrative relief to avoid, or obtain confidential treatment of, such disclosure at the disclosing Party's sole cost and expense.

11.2 **Authorized Disclosure.** The receiving Party may disclose Confidential Information belonging to the disclosing Party to the extent the receiving Party determines such disclosure is reasonably necessary in the following situations:

(a) prosecuting or defending litigation relating to this Agreement;

(b) in the case of VIVUS as the receiving Party, subject to prior written notice to Licensee, disclosure to MTPC as required pursuant to the MTPC Agreement;

(c) in the case of VIVUS as the receiving Party, disclosure to its licensees, sublicensees, and collaborators with respect to the Product outside the Territory or outside the Field, but solely to the extent that such Confidential Information (i) raises any material concerns regarding the safety or efficacy of any Product; (ii) indicates or suggests a potential material liability of either VIVUS or the applicable licensee, sublicensee, or collaborator to Third Parties in connection with any Product; (iii) is reasonably likely to lead to a recall or market withdrawal of any Product; or (iv) relates to any Product and is reasonably likely to have a material impact on a Regulatory Approval, Pricing Approval, or the Commercialization of any Product in such licensee's, sublicensee's, or collaborator's territory; provided that each such Person must be bound by obligations of confidentiality and non-use no less stringent than those set forth in Section 11.1 prior to any such disclosure (it being understood that receiving Party shall be liable for any breach of such confidentiality and non-use obligations by any such Person);

(d) disclosure to the receiving Party's Affiliates' and their respective directors, officers, employees, consultants, attorneys, professional advisors, bankers, lenders, insurers, sublicensees, suppliers and distributers only on a need-to-know basis and solely as necessary in connection with this Agreement; provided that each such Person must be bound by obligations of confidentiality and non-use on substantially similar terms as those set forth in Section 11.1 prior to any such disclosure (it being understood that receiving Party shall be liable for any breach of such confidentiality and non-use obligations by any such Person);

(e) disclosure to any bona fide potential or actual investor, acquirer, merger partner, or other potential or actual financial partner (and/or their respective consultants, attorneys, professional advisors) on a need-to-know basis and solely for the purpose of evaluating a potential investment, acquisition, merger, or similar transaction; provided that each such Person must be bound by obligations of confidentiality and non-use on substantially similar terms as those set forth in Section 11.1 prior to any such disclosure (it being understood that the receiving Party shall be liable for any breach of such confidentiality and non-use obligations by any such Person); and

(f) disclosure to any Financing Entity (and/or their respective consultants, attorneys, professional advisors) on a need-to-know basis and solely for the purpose of evaluating a potential Debt Financing or similar transaction or the enforcement thereof; provided that each such Person must be bound by written obligations of confidentiality and non-use on terms that are no less protective than those set forth in Section 11.1 prior to any such disclosure (it being understood that the receiving Party shall be solely liable for any breach of such confidentiality and non-use obligations by any such Person).

11.3 **Publicity; Terms of Agreement.**

(a) The Parties agree that the material terms of this Agreement are the Confidential Information of both Parties, subject to the authorized disclosure provisions set forth in Section 11.2 and this Section 11.3.

(b) The Parties have agreed to make a joint public announcement of the execution of this Agreement substantially in the form of the press release attached as Exhibit D on or after the Effective Date. After release of such press release announcing this Agreement, if either Party desires to make a public announcement concerning the material terms of this Agreement, such Party shall give reasonable prior advance notice of the proposed text of such announcement to the other Party for its prior review and approval, such approval not to be unreasonably withheld, conditioned or delayed. A Party commenting on such a proposed press release shall provide its comments, if any, within forty-eight (48) hours after receiving the press release for review. Neither Party shall be required to seek the permission of the other Party to disclose any information already disclosed or otherwise in the public domain, provided such information remains accurate.

(c) Either Party or any of its Affiliates (the "**Filing Party**") may publicly disclose without violation of this Agreement, such terms of this Agreement as are, on the advice of such Filing Party's counsel, required by the rules and regulations of the SEC or any other applicable entity having regulatory authority over such Filing Party's securities; provided that such Filing Party shall advise the other Party of such intended disclosure and request confidential treatment of certain commercial terms and technical terms hereof to the extent such confidential treatment is reasonably available to such Filing Party. In the event of any such filing, such Filing Party will provide such other Party, a reasonable time prior to filing, with a copy of the Agreement marked to show provisions for which such Filing Party intends to seek confidential treatment and shall reasonably consider and incorporate such other Party's comments thereon to the extent consistent with the legal requirements applicable to such Filing Party and that govern redaction of information from material agreements that must be publicly filed. Such other Party shall provide the Filing Party any such comments as promptly as practicable. The intention of the Parties is to agree upon a single redacted version of the Agreement to be filed with the SEC or any other applicable entity.

ARTICLE 12
TERM AND TERMINATION

12.1 **Term.** This Agreement shall become effective on the Effective Date and, unless earlier terminated pursuant to this ARTICLE 12, shall remain in effect until the expiration of the last-to-expire payment obligation in ARTICLE 7 (the "**Term**"). Upon the expiration of the Term, the licenses and covenant in Sections 2.1 and 2.9 shall become fully paid-up, royalty-free, perpetual and irrevocable.

12.2 **Termination For Cause, Convenience, or Generic Entry.**

(a) **Material Breach**. Either Party shall have the right to terminate this Agreement, upon written notice to the other Party if such other Party, after receiving written notice from the terminating Party identifying a material breach by such other Party of its obligations under

this Agreement, fails to cure (or if not curable within such time period, adopt a plan for cure during such time period) such material breach within [***] from the date of such notice (or, in the case of payment obligations, [***] from the date of such notice); provided, however, that in the event the non-terminating Party contests any such asserted breach in good faith and diligently pursues the dispute resolution procedures set forth in ARTICLE 13, such [***] cure period shall be tolled or suspended until the final resolution of such dispute pursuant to the terms of, and in accordance with, the terms and provisions of ARTICLE 13, subject to any exercise by MTPC of its right of termination of the MTPC Agreement due to any material breach of the provisions or conditions of the MTPC Agreement arising from the facts or circumstances that resulted in the material breach by such non-terminating Party hereunder. Notwithstanding the foregoing, in the event of any uncured material breach by Licensee of its obligations hereunder, VIVUS shall only exercise its right to terminate this Agreement under this Section 12.2(a) to the extent that MTPC exercises its right of termination of the MTPC Agreement due to a material breach of the MTPC Agreement. For the avoidance of doubt (and without limiting VIVUS' remedies for any other breaches by Licensee), Licensee's uncured failure to pay the amounts set forth in Section 7.1 by the deadlines set forth therein shall each be deemed to be a material breach

(b) **Government Action**. VIVUS shall have the right to terminate this Agreement immediately upon written notice to Licensee if Licensee is excluded from participation in United States federal healthcare programs and fails to cure such exclusion within one hundred twenty (120) days.

(c) **Licensee Termination for Convenience**. Licensee shall have the right to terminate this Agreement for any reason upon one hundred eighty (180) days prior written notice to VIVUS.

(d) **Licensee Termination Upon Generic Entry**. Licensee shall have the right to terminate this Agreement upon a Generic Entry after providing thirty (30) days written notice. Within thirty (30) days after receipt of an invoice from VIVUS, Licensee shall reimburse VIVUS for any cancelation fees, penalties, or other payments owed by VIVUS to a Third Party as a direct result of such termination, as well as any other non-cancelable expenses reasonably incurred by VIVUS in connection with its obligations under this Agreement or the Commercial Supply Agreement prior to the effective date of termination.

12.3 **Termination for Patent Challenge.** VIVUS may terminate this Agreement in its entirety upon written notice to Licensee if Licensee or any Affiliate, directly or indirectly, individually or in association with any other person or entity, commences any action or proceeding that challenges the validity or enforceability of any VIVUS Patent in the Licensee Territory, except if such action or proceeding is commenced in response to a claim asserted by VIVUS against Licensee or the Licensee Affiliate for infringement of such VIVUS Patent. In the event Licensee is aware that a sublicensee of its license rights hereunder, directly or indirectly, individually or in association with any other person or entity, commences any action or proceeding that challenges the validity, enforceability or scope of any VIVUS Patent in the Licensee Territory, Licensee shall promptly terminate the applicable sublicense. If Licensee does not terminate such sublicense within thirty (30) days of Licensee being made aware of such challenge by VIVUS, VIVUS may terminate this Agreement in its entirety upon written notice to Licensee.

12.4 **Termination Upon Bankruptcy.** Either Party shall have the right to terminate this Agreement immediately by providing written notice, if: (a) the other Party applies for or consents to the appointment of a receiver, trustee, liquidator or custodian of itself or of all or a substantial part of its assets, (b) the other Party makes a general assignment for the benefit of its creditors, (c) the other Party is dissolved or liquidated in full or in substantial part, (d) the other Party commences a voluntary case under Chapter 7 (a "**Chapter 7 Case**") of title 11 of the United States Code (the "**United States Bankruptcy Code**") or consents to any such relief or to the appointment of or taking possession of its property by any official in such an involuntary case or such other proceeding commenced against it, (e) the other Party takes any corporate action for the purpose of effecting any of the foregoing, (f) a case under Chapter 11 of the United States Bankruptcy Code in respect of such Party is converted to a Chapter 7 Case, or (g) the other Party becomes the subject of an involuntary Chapter 7 Case or other proceeding seeking liquidation with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect that is not dismissed within sixty (60) days after commencement.

12.5 **Effect of Termination of the Agreement.** Except as provided in this Section 12.5 upon any termination of this Agreement other than the expiration of the Term, the following shall apply (in addition to any other rights and obligations under Section 12.6 or otherwise under this Agreement with respect to such termination):

(a) **The License**. The License shall terminate (and, as between the Parties, all rights in the VIVUS Technology shall revert to VIVUS); provided that in the event that Licensee terminates this Agreement pursuant to Section 12.2(a) or 12.4, the License shall remain in full force and effect (but on a non-exclusive basis), solely to the extent necessary to permit Licensee, its Affiliates, or its sublicenses to sell any inventories of Products in the Licensee Territory pursuant to Section 12.5(f). For the avoidance of doubt, Section 2.9 shall not apply to any activities after the effective date of termination, except for those activities permitted by Section 12.5(f).

(b) **VIVUS License**. The VIVUS License (other than Section 2.3(a)) shall survive any termination of this Agreement. In addition, in the event of any termination of this Agreement other than by Licensee pursuant to Section 12.2(a) or 12.4, Licensee shall automatically grant to VIVUS a non-exclusive, royalty-free, sublicensable (through multiple tiers) license under the Licensee Technology, to use, make, have made, distribute, import, Develop, Promote, market, sell, offer for sale, and otherwise Commercialize Products in the Field in the Licensee Territory.

(c) **Marks**. Upon any expiration or early termination of this Agreement, Licensee shall and hereby agrees to sell, assign, convey, transfer and deliver all rights in the Assigned Trademarks, any goodwill associated therewith, and all rights in and to any of the foregoing, to VIVUS, and Licensee shall assign to VIVUS any Licensee Trademarks incorporating the mark STENDRA that are Controlled by Licensee and then being used to Commercialize Product in the Licensee Territory, but expressly excluding (i) Licensee's corporate name, (ii) any other mark that incorporates or is derived from Licensee's corporate names, and (iii) any other proprietary mark of Licensee that is used by Licensee independently of the Product, provided that in the event of expiration of this Agreement, to the extent that Licensee continues to Commercialize the Product in the Licensee Territory under the Assigned Trademarks, then upon written request by Licensee, VIVUS agrees to waive the right to have the ownership of the Assigned Trademarks transferred to VIVUS so long as Licensee pays the Trademark Royalty Payments in accordance with Exhibit C.

(d) **Regulatory Materials**. To the extent permitted by Applicable Law, Licensee shall transfer and assign to VIVUS all Regulatory Materials, Regulatory Approvals, and Pricing Approvals with respect to Product that are Controlled by Licensee or its Affiliates, if any; *provided* that in the event that Licensee terminates this Agreement pursuant to Section 12.2(a) or 12.4, Licensee shall be permitted (on a non-exclusive basis) to sell under such Regulatory Materials, Regulatory Approvals, and Pricing Approvals any inventories of Products in the Licensee Territory to the extent permitted pursuant to Section 12.5(f). The Parties agree that any failure by Licensee to perform its obligation to transfer and assign the Product Marketing Authorization to VIVUS following termination in accordance with this section may cause irreparable harm to VIVUS, for which damages may not be an adequate remedy. Therefore, in addition to its rights and remedies otherwise available at law, including, without limitation, the recovery of damages for breach of this Agreement, VIVUS shall be entitled to seek specific performance of such obligation, along with such other and further equitable relief as a court may deem proper under the circumstances.

(e) **Transition Assistance**. In the event of any early termination of this Agreement, to the extent the Transition Services Agreement has not expired, at VIVUS' request, Licensee shall promptly transfer and assign to VIVUS all of Licensee's rights, title, interest in, liabilities and obligations under the Transition Services Agreement; provided that, Licensee shall be responsible for any liabilities and obligations accrued by Licensee under the Transition Services Agreement prior to the effective date of such transfer and assignment, subject to VIVUS' indemnification obligations under Section 10.1 hereof. In the event of any termination of this Agreement other than termination by Licensee pursuant to Section 12.2(a) or 12.4, Licensee shall provide reasonable assistance, at no cost to VIVUS, as may be reasonably necessary for VIVUS to commence or continue Developing, manufacturing and Commercializing the Products in the Licensee Territory, including without limitation, upon request of VIVUS, using commercially reasonable efforts to transfer any agreements or arrangements with distributors that apply solely to the sale or supply of Product in the Licensee Territory.

(f) **Sell-Through of Inventory**. For a period of six (6) months following the effective date of termination, Licensee, its Affiliates, and its sublicensees may sell or otherwise dispose of the inventory of Product then on hand or in production or for which substantial preparation for manufacture has been made or which they are legally obligated to supply, provided that this provision shall not limit, and Licensee shall satisfy, Licensee's obligations under the Commercial Supply Agreement with respect to any minimum purchase requirements or related obligations thereunder.

(g) **Sublicense Agreements**. The Parties agree that upon termination of this Agreement for any reason, all sublicenses granted by Licensee to Affiliates or Third Parties under the VIVUS Technology shall immediately terminate.

(h) **Certain Pre-Termination Liabilities**. Following termination of this Agreement, Licensee shall retain liability for payment of all gross to net sales deductions (including returns, rebates and chargeback) of Products that were sold prior to the effective date of termination. To the extent that that any such deductions are charged to or otherwise borne by VIVUS, Licensee shall reimburse VIVUS promptly (but in any event no later than thirty (30) days) following Licensee's receipt of an invoice therefor. For the avoidance of doubt, the foregoing is not intended to prevent Licensee from properly deducting the Net Sales Deductions when calculating Net Sales.

(i) **Sales Volume**. Licensee shall use Commercially Reasonable Efforts to ensure that the average monthly sales volume of each Product leading up to the effective date of termination does not substantially exceed the average monthly sales volume of such Product for the six (6) month period prior to date of the notice of termination, and in any event Licensee shall not take any affirmative action to cause such outcome.

12.6 **Accrued Liabilities; Other Remedies.** Termination or expiration of this Agreement for any reason shall not release either Party from any liability or obligation that already has accrued prior to such expiration or termination (including any milestone or other payment that has been triggered by an event occurring prior to the effective date of termination or expiration), nor affect the survival of any provision hereof to the extent it is expressly stated to survive such termination. Termination or expiration of this Agreement for any reason shall not constitute a waiver or release of, or otherwise be deemed to prejudice or adversely affect, any rights, remedies or claims, whether for damages or otherwise, that a Party may have hereunder or that may arise out of or in connection with such termination or expiration.

12.7 **Rights in Bankruptcy.** All rights and licenses granted under or pursuant to this Agreement by VIVUS and Licensee are, and shall otherwise be deemed to be, for purposes of Section 365(n) of the United States Bankruptcy Code, licenses of rights to "intellectual property" as defined under Section 101 of the United States Bankruptcy Code. The Parties agree that each Party, as licensee of certain rights under this Agreement, shall retain and may fully exercise all of its rights and elections under the United States Bankruptcy Code. The Parties further agree that, in the event of (i) the commencement of a case by or against a Party (such Party, the "**Debtor**") under the United States Bankruptcy Code, (ii) the rejection of this Agreement by the Debtor pursuant to section 365 of the United States Bankruptcy Code, and (iii) the election of the other Party to retain its rights under section 365(n)(1)(B) of the United States Bankruptcy Code, then the other Party shall be entitled to a complete duplicate of (or complete access to, as appropriate) any intellectual property licensed to such other Party and all embodiments of such intellectual property, which, if not already in such other Party's possession, shall be promptly delivered to it following the rejection of this Agreement by the Debtor upon written request therefor by the other Party.

12.8 **Survival.** The following provisions shall survive any expiration or termination of this Agreement: ARTICLE 1, 10, 11, 13, 14 and Sections 7.6, 8.1, 12.5, 12.6, 12.7, and 12.8.

ARTICLE 13
DISPUTE RESOLUTION

13.1 **Disputes.** The Parties recognize that disputes as to certain matters may from time to time arise during the Term which relate to either Party's rights and/or obligations hereunder. It is the objective of the Parties to establish procedures to facilitate the resolution of disputes arising under this Agreement in an expedient manner by mutual cooperation and without resort to litigation. To accomplish this objective, the Parties agree to follow the procedures set forth in this ARTICLE 13 if and when a dispute arises under this Agreement.

(a) **Referred from Committee**. Any disputes, controversies or differences which may arise from the JSC pursuant to ARTICLE 3 shall be resolved in accordance with Section 3.5.

(b) **Good Faith Resolution**. Any disputes, controversies or differences which may arise between the Parties out of or in relation to or in connection with this Agreement, including any alleged failure to perform, or breach, of this Agreement, or any issue relating to the interpretation or application of this Agreement, then upon the request of either Party, the Parties agree to meet and discuss in good faith a possible resolution thereof, which good faith efforts shall include at least one (1) in-person meeting between the chief executive officers of each Party. If the matter is not resolved within thirty (30) days following the request for discussions, either Party may then invoke the provisions of Section 13.2.

13.2 **Arbitration.** Any dispute, controversy or claim arising out of or relating to the validity, construction, interpretation, enforceability, breach, performance, application or termination of this Agreement that is not resolved pursuant to Section 13.1, except for a dispute, claim or controversy under Section 13.10, shall be settled by binding arbitration administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures of JAMS then in effect (the "**JAMS Rules**"), except as otherwise provided herein. The arbitration shall be governed by the United States Federal Arbitration Act, 9 U.S.C. §§ 1-16 (the "**Federal Arbitration Act**"), to the exclusion of any inconsistent state laws. The United States Federal Rules of Civil Procedure shall govern discovery and the rules of evidence for the arbitration. The arbitration will be conducted in New York, New York and the Parties consent to the personal jurisdiction of the United States federal courts, for any case arising out of or otherwise related to this arbitration, its conduct and its enforcement. Any situation not expressly covered by this Agreement shall be decided in accordance with the JAMS Rules.

13.3 **Arbitrator.** The arbitrator shall be one (1) neutral, independent and impartial arbitrator selected from a pool of retired federal judges or magistrates to be presented to the Parties by JAMS. Failing the agreement of the Parties as to the selection of the arbitrator within thirty (30) days, the arbitrator shall be appointed by JAMS in accordance with the JAMS Rules.

13.4 **Decision.** The power of the arbitrator to fashion procedures and remedies within the scope of this Agreement is recognized by the Parties as essential to the success of the arbitration process. The arbitrator shall not have the authority to fashion remedies which would not be available to a federal judge hearing the same dispute. The arbitrator is encouraged to operate on this premise in an effort to reach a fair and just decision. Reasons for the arbitrator's decisions should be set forth in accordance with the JAMS Rules. Such a written decision shall be rendered by the arbitrator following a full comprehensive hearing, no later than 6 months following the selection of the arbitrator as provided for in Section 13.3.

13.5 **Award.** Any award shall be promptly paid in United States dollars free of any tax, deduction or offset; and any costs, fees or taxes incident to enforcing the award shall, to the maximum extent permitted by Applicable Law, be charged against the Party resisting enforcement. Each Party agrees to abide by the award rendered in any arbitration conducted pursuant to this ARTICLE 13, and agrees that, subject to the Federal Arbitration Act, judgment may be entered upon the final award in any court of competent jurisdiction and that other courts may award full faith and credit to such judgment in order to enforce such award. The award shall include interest from the date of the award until paid in full, at a rate fixed by the arbitrator and the arbitrator may, in his or her discretion, award pre judgment interest. With respect to money damages, nothing contained herein shall be construed to permit the arbitrator or any court or any other forum to award punitive or exemplary damages. By entering into this agreement to arbitrate, the Parties expressly waive any claim for punitive or exemplary damages.

13.6 **Costs.** Each Party shall bear its own legal fees. The arbitrator shall assess his or her costs, fees and expenses against the Party losing the arbitration and shall require such losing Party to reimburse the other Party for all of its reasonable attorneys' fees, costs, and disbursements arising out of the arbitration (including, for example, expert witness fees and expenses, photocopy charges, travel expenses, and so on). Notwithstanding the foregoing, if the arbitrator believes that neither Party is the clear loser, the arbitrator shall divide his or her costs, fees, and expenses according to his or her sole discretion, and each Party shall bear its own attorney's fees, costs, and disbursements arising out of the arbitration.

13.7 **Injunctive Relief.** Provided a Party has made a sufficient showing under the rules and standards set forth in the Federal Rules of Civil Procedure and applicable case law, the arbitrator shall have the freedom to invoke, and the Parties agree to abide by, injunctive measures after either Party submits in writing for arbitration claims requiring immediate relief. Additionally, nothing in this ARTICLE 13 will preclude either Party from seeking equitable relief or interim or provisional relief from a court of competent jurisdiction, including a temporary restraining order, preliminary injunction or other interim equitable relief, concerning a dispute either prior to or during any arbitration if necessary to protect the interests of such Party or to preserve the status quo pending the arbitration proceeding.

13.8 **Confidentiality.** The arbitration proceeding shall be confidential and the arbitrator shall issue appropriate protective orders to safeguard each Party's Confidential Information. Except as required to comply with Applicable Laws, including rules and regulations promulgated by the SEC, The NASDAQ Stock Market or any securities exchanges, no Party shall make (or instruct the arbitrator to make) any public announcement with respect to the proceedings or decision of the arbitrator without prior written consent of the other Party. The existence of any dispute submitted to arbitration, and the award, shall be kept in confidence by the Parties and the arbitrator, except as required in connection with the enforcement of such award or as otherwise required by Applicable Law.

13.9 **Survivability.** Any duty to arbitrate under this Agreement shall remain in effect and be enforceable after termination of this Agreement for any reason.

13.10 **Patent and Trademark Disputes; Financing Entity Disputes.**

(a) Notwithstanding anything to the contrary in this ARTICLE 13, any dispute, controversy or claim relating to the scope, validity, enforceability or infringement of the VIVUS Patents, Assigned Trademarks, Licensee Patents, Licensee Trademarks or Joint Patents shall be submitted to a court of competent jurisdiction in the country in which such patent or trademark rights were granted or arose.

(b) Notwithstanding anything to the contrary in this ARTICLE 13, any Financing Entity may bring a proceeding in a court of competent jurisdiction located in the State of New York solely to enforce its rights under Sections 5.1(c), 13.10(b), 14.1, 14.5 and 14.8 hereof. Such courts of competent jurisdiction located in the State of New York shall have the sole and exclusive jurisdiction to hear and adjudicate any claims pursuant to this Section 13.10(b).

ARTICLE 14
MISCELLANEOUS

14.1 **Entire Agreement; Amendment.** This Agreement, including the Exhibits hereto, together with the letter agreement dated September 30th, 2016 between VIVUS and Hercules Capital, Inc., and the terms of the MTPC Agreement which are incorporated herein by reference, sets forth the complete, final and exclusive agreement and all the covenants, promises, agreements, warranties, representations, conditions and understandings between the Parties hereto with respect to the subject matter hereof and supersedes, as of the Effective Date, all prior agreements and understandings between the Parties with respect to the subject matter hereof. There are no covenants, promises, agreements, warranties, representations, conditions or understandings, either oral or written, between the Parties other than as are set forth herein and therein. 14.2 **Force Majeure.** Both Parties shall be excused from the performance of their obligations under this Agreement to the extent that such performance is prevented by force majeure and the nonperforming Party promptly provides notice of the prevention to the other Party. Such excuse shall be continued so long as the condition constituting force majeure continues and the nonperforming Party takes reasonable efforts to remove the condition. For purposes of this Agreement, force majeure shall mean conditions beyond the control of the Parties, including an act of God, war, civil commotion, terrorist act, labor strike or lock-out, epidemic, failure or default of public utilities or common carriers, destruction of production facilities or materials by fire, earthquake, storm or like catastrophe, and failure of plant or machinery (provided that such failure could not have been prevented by the exercise of skill, diligence, and prudence that would be reasonably and ordinarily expected from a skilled and experienced person engaged in the same type of undertaking under the same or similar circumstances). Notwithstanding the foregoing, a Party shall not be excused from making payments owed hereunder because of a force majeure affecting such Party.

14.3 **Notices.** Any notice required or permitted to be given under this Agreement shall be in writing, shall specifically refer to this Agreement, and shall be addressed to the appropriate Party at the address specified below or such other address as may be specified by such Party in writing in accordance with this Section 14.3, and shall be deemed to have been given for all purposes when received, if hand-delivered or by means of facsimile, or one (1) Business Day after being sent by a reputable overnight delivery service.

14.4 **No Strict Construction; Headings; Interpretation.** This Agreement has been prepared jointly and shall not be strictly construed against either Party. Ambiguities, if any, in this Agreement shall not be construed against any Party, irrespective of which Party may be deemed to have authored the ambiguous provision. The headings of each Article and Section in this Agreement have been inserted for convenience of reference only and are not intended to limit or expand on the meaning of the language contained in the particular Article or Section. The words "include", "includes" and "including" will be deemed to be followed by the phrase "without limitation." Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document herein will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein or therein), (b) any reference to any laws herein will be construed as referring to such laws and any rules or regulations promulgated thereunder as from time to time enacted, repealed or amended, (c) any reference herein to any Person will be construed to include such Person's successors and assigns (including any Financing Entity or Qualified Assignee, as applicable), (d) the words "herein", "hereof" and "hereunder", and words of similar import, will be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (e) any reference herein to the words "mutually agree" or "mutual written agreement" will not impose any obligation on either Party to agree to any terms relating thereto or to engage in discussions relating to such terms except as such Party may determine in such Party's sole discretion, except as expressly provided in this Agreement, (f) as applied to a Party, the word "will" shall be construed to have the same meaning and effect as the word "shall," and (g) all references herein without a reference to any other agreement to Articles, Sections, or Exhibits will be construed to refer to Articles, Sections, and Exhibits of or to this Agreement.

14.5 **Assignment.** Neither Party may assign or transfer this Agreement or any rights or obligations hereunder without the prior written consent of the other Party, except that (a) a Party may make such an assignment without the other Party's consent to such Party's Affiliate or to a successor to all or substantially all of the assets or business of such Party to which this Agreement pertains, (b) Licensee may assign this Agreement and any of Licensee's rights or obligations hereunder as collateral to any Financing Entity pursuant to one or more Financing Documents without the consent of VIVUS or any other Person, (c) neither the consent of VIVUS nor any other Person shall be required for the assignment of this Agreement and all of Licensee's rights, obligations and liabilities hereunder (including any and all liabilities that accrued prior to such assignment, but excluding liabilities under Sections 9.4(b) and 10.2 hereof) to any Financing Entity upon the occurrence of a Financing Default, provided that at least five (5) Business Days prior to any transfer or assignment of this Agreement in accordance with the terms of this clause (c), such Financing Entity provides VIVUS with a general description of the Financing Entity's business and operations or equivalent documentation, and (d) neither the consent of VIVUS nor any other Person shall be required for the assignment of this Agreement and all of Licensee's rights, obligations and liabilities hereunder by Licensee (with the consent of the Financing Entity, provided that the Licensee and the Financing Entity jointly provide timely notice to VIVUS of such consent) or any Financing Entity upon the occurrence of a Financing Default to any Qualified Assignee that is a successor to or assignee of all or substantially all of the assets or business of Licensee to which this Agreement pertains; provided that any assignment to a Financing Entity or a Qualified Assignee in connection with a Financing Default must also include an agreement, in writing, signed by such Financing Entity or Qualified Assignee, as applicable, to assume performance of all of Licensee's rights and obligations, and assume all of Licensee's outstanding liabilities (including any and all liabilities that accrued prior to such assignment, but excluding liabilities under Sections 9.4(b) and 10.2 hereof), provided that in the case of clauses (c) and (d) above, with respect to any liabilities accrued by Licensee (including Licensee's liabilities under Sections 9.4(b) and 10.2 hereof), such Financing Entity and/or such Qualified Assignee, as applicable, shall, at VIVUS' request and expense (which shall be limited to such Financing Entity's or Qualified Assignee's, as applicable, reasonable out-of- pocket-expenses), cooperate and provide reasonable assistance to VIVUS (including the providing, subject to a customary confidentiality agreement, of any relevant information to VIVUS in such Person's possession) in connection with, and to support, VIVUS' efforts to seek recovery for any Losses under Licensee's insurance policy), thereunder (any of the foregoing assignments, a "**Permitted Assignment**"). Any permitted successor or assignee of rights and/or obligations hereunder shall, in a writing to the other Party, expressly assume performance of such rights and/or obligations. Any assignment or attempted assignment by either Party in violation of the terms of this Section 14.5 shall be null, void and of no legal effect. The VIVUS Technology shall exclude any intellectual property held or developed by a permitted successor of VIVUS prior to the transaction in which it became a successor of such Party, and the Licensee Technology shall exclude any intellectual property held or developed by a permitted successor of Licensee prior to the transaction in which it became a successor of such Party.

14.6 **Records Retention.** Each of VIVUS and Licensee will maintain complete and accurate records pertaining to its activities under this Agreement, including records pertaining to Development or Commercialization of any Products and reports and information provided to any Regulatory Authority or other Governmental Authority, in accordance with Applicable Law. Each of VIVUS and Licensee will retain such records for a duration prescribed by Applicable Law, but not in any event for less than five (5) years after the Effective Date (or longer if a Party is notified, ordered or otherwise required to maintain such records for a longer period in connection with a legal proceeding or government investigation).

14.7 **Governing Law.** Resolution of all disputes arising out of or related to this Agreement or the validity, construction, interpretation, enforcement, breach, performance, application or termination of this Agreement and any remedies relating thereto, shall be governed by and construed under the substantive laws of the State of New York, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Agreement to the substantive law of another jurisdiction.

14.8 **Successors and Assigns; No Third Party Beneficiaries.** This Agreement will be binding upon and inure to the benefit of the Parties and their successors and permitted assigns. No provision of this Agreement, express or implied, is intended to or will be deemed to confer upon Third Parties any right, benefit, remedy, claim, liability, reimbursement, claim of action or other right of any nature whatsoever under or by reason of this Agreement other than (i) the Parties and, to the extent provided in Sections 10.1 and 10.2, the Indemnified Parties and (ii) any Financing Entity solely with respect to Sections 5.1(c), 13.10(b), 14.1, 14.5, and this Section (and the Parties hereto acknowledge and agree that each Financing Entity (including Hercules Capital, Inc.) is an express third-party beneficiary of such Sections 5.1(c), 13.10(b), 14.1, 14.5, and this Section 14.8). Without limitation, this Agreement will not be construed so as to grant employees of either Party in any country any rights against the other Party pursuant to the laws of such country.

14.9 **Performance by Affiliates.** Any obligation of VIVUS under or pursuant to this Agreement may be satisfied, met or fulfilled, in whole or in part, at VIVUS' sole and exclusive option, either by VIVUS directly or by any Affiliate of VIVUS that VIVUS causes to satisfy, meet or fulfill such obligation, in whole or in part. Any obligation of Licensee under or pursuant to this Agreement may be satisfied, met or fulfilled, in whole or in part, at Licensee's sole and exclusive option, either by Licensee directly or by any Affiliate of Licensee that Licensee causes to satisfy, meet or fulfill such obligation, in whole or in part. Each of the Parties guarantees the performance of all actions, agreements and obligations to be performed by any Affiliates of such Party under the terms and conditions of this Agreement, and shall cause its Affiliates to comply with the provisions of this Agreement in connection with such performance. Any breach by a Party's Affiliate of any of such Party's obligations under this Agreement shall be deemed a breach by such Party, and the other Party may proceed directly against such Party without any obligation to first proceed against such Party's Affiliate.

The Parties shall make a good faith effort to replace any invalid or unenforceable provision with a valid and enforceable one such that the objectives contemplated by the Parties when entering this Agreement may be realized.

14.12 **No Waiver.** Any provision of this Agreement may be waived if, but only if, such waiver is in writing and is signed by the Party against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

14.13 **Independent Contractors.** Each Party shall act solely as an independent contractor, and nothing in this Agreement shall be construed to give either Party the power or authority to act for, bind, or commit the other Party in any way. Nothing herein shall be construed to create the relationship of partners, principal and agent, or joint-venture partners between the Parties.

1. **Hetero ANDA Filing**

On June 20, 2016, VIVUS received a Paragraph IV certification notice from Hetero USA, Inc. indicating that it filed an ANDA with the FDA, requesting approval to market a generic version of STENDRA and contending that patents listed for STENDRA in the Orange Book at the time of the notice (U.S. Patents 6,656,935, and 7,501,409) (collectively "Patents-in-suit") are invalid, unenforceable and/or will not be infringed by the manufacture, use or sale of a generic form of STENDRA as described in their ANDA. On July 27, 2016, VIVUS filed the Hetero Litigation addressed in Section 8.4(b) on the basis that Hetero's submission of their ANDA to obtain approval to manufacture, use, sell, or offer for sale generic versions of STENDRA prior to the expiration of the Patents-in-suit constitutes infringement of one or more claims of those patents.

The parties simultaneously signed a commercial supply agreement pursuant to which VIVUS will be responsible for the manufacture and supply of STENDRA to Metuchen for a mutually agreed term. For a period of 180 days, Metuchen has the option to assume the manufacturing and supply rights of STENDRA for its territories. Under the license agreement, VIVUS received $70 million. Additionally, Metuchen will be responsible for royalties due to Mitsubishi Tanabe Pharma Corporation based on net sales.

Important Safety Information

STENDRA® (avanafil) is prescribed to treat erectile dysfunction (ED).

Do not take STENDRA if you take nitrates, often prescribed for chest pain, as this may cause a sudden, unsafe drop in blood pressure.

Discuss your general health status with your healthcare provider to ensure that you are healthy enough to engage in sexual activity. If you experience chest pain, nausea, or any other discomforts during sex, seek immediate medical help.

STENDRA may affect the way other medicines work. Tell your healthcare provider if you take any of the following; medicines called HIV protease inhibitors, such as ritonavir (Norvir®), indinavir (Crixivan®), saquinavir (Fortavase® or Invirase®) or atazanavir (Reyataz®); some types of oral antifungal medicines, such as ketoconazole (Nizoral®), and itraconazole (Sporanox®); or some types of antibiotics, such as clarithromycin (Biaxin®), telithromycin (Ketek®), or erythromycin.

In the rare event of an erection lasting more than 4 hours, seek immediate medical help to avoid long-term injury.

In rare instances, men taking PDE5 inhibitors (oral erectile dysfunction medicines, including STENDRA) reported a sudden decrease or loss of vision. It is not possible to determine whether these events are related directly to these medicines or to other factors. If you experience sudden decrease or loss of vision, stop taking PDE5 inhibitors, including STENDRA, and call a doctor right away.

Sudden decrease or loss of hearing has been rarely reported in people taking PDE5 inhibitors, including STENDRA. It is not possible to determine whether these events are related directly to the PDE5 inhibitors or to other factors. If you experience sudden decrease or loss of hearing, stop taking STENDRA and contact a doctor right away. If you have prostate problems or high blood pressure for which you take medicines called alpha blockers or other anti-hypertensives, your doctor may start you on a lower dose of STENDRA.

Drinking too much alcohol when taking STENDRA may lead to headache, dizziness, and lower blood pressure.

STENDRA in combination with other treatments for ED is not recommended.

STENDRA does not protect against sexually transmitted diseases, including HIV.

The most common side effects of STENDRA are headache, flushing, runny nose and congestion.

Please see full patient prescribing information for STENDRA (50 mg, 100 mg, 200 mg) tablets.

Purchaser shall purchase Product by written purchase orders ("**Purchase Orders**"), submitted to VIVUS at least [***] in advance of the desired shipment date specified therein. For each calendar quarter, Purchaser shall be required to submit Purchase Orders for at least [***] of the quantities in the Forecast for such calendar quarter submitted by Purchaser to VIVUS [***] months prior to the start of such calendar quarter (the "**Binding Forecast**"), and VIVUS will have no obligation to supply Product in excess of [***] ([***]) of the quantity specified in such Binding Forecast, but will use Commercially Reasonable Efforts to supply such excess Product. Each Purchase Order shall specify, at a minimum, the applicable volume of each dosage strength of Product ordered, and the requested delivery date. Upon receipt of a Purchase Order, subject to the provisions of Section 2.1, VIVUS shall supply the Product in such quantities and deliver the Product to Purchaser (or Purchaser's designee) on such delivery dates. VIVUS is not obligated to accept verbal orders of any kind for the supply of Product hereunder. To the extent there is any conflict or inconsistency between this Agreement and any Purchase Order, this Agreement shall govern. If a new Third Party manufacturer has been appointed by VIVUS, then the lead times (*i.e.* the time between the finalizing of a Purchase Order and the delivery of the Product) for Purchase Orders set forth above may not be lengthened without the prior written consent of Purchaser, not to be unreasonably withheld, conditioned, or delayed.

2.4 **Minimum Purchase Requirements**. For 2016 and for each subsequent calendar year during the Term, Purchaser shall be required to either (a) purchase no less than the Minimum Purchase Obligation from VIVUS in accordance with the terms of this Agreement or (b) reimburse VIVUS, in cash, for the shortfall as it relates to VIVUS' out of pocket cost to acquire the API to manufacture the bulk Product subject to such Minimum Purchase Obligation. For clarity, upon any termination of this Agreement other than by Purchaser under Section 9.2(a) or pursuant to Section 9.4, Purchaser's obligations under Section 2.4 shall accelerate for the entire then-current Initial Period or Renewal Period, as applicable, and become due, and Purchaser shall be required to pay VIVUS, in cash, an amount equal to VIVUS' anticipated out of pocket cost to acquire such quantities of API as that which correspond to the Purchaser's Minimum Purchase Obligations for the entire then-current Initial Period or Renewal Period, as applicable. VIVUS acknowledges and agrees that VIVUS' sole remedy for Purchaser's failure to meet its Minimum Purchase Obligation is set forth in this Section 2.4 and that the Minimum Purchase Obligation is not a guarantee by Purchaser that any specific sales level will be obtained with respect to the Product. With respect to the minimum purchase requirements for 2016 only, any quantities of bulk Product purchased in excess of the Minimum Purchase Obligation for 2016 shall be credited against the Minimum Purchase Obligation for 2017 as set forth in Exhibit C. Purchaser's orders of Current Inventory (including the order made pursuant to Section 2.5(b) below) shall not be counted towards the satisfaction of the Minimum Purchase Obligation.

2.5 **Initial Shipments of Product**.

(a) The Current Inventory of Product is, as of the Effective Date, being stored at Sharp Corporation ("**Sharp**") at 7451 Keebler Way, Allentown, PA 18106. Upon payment in full to VIVUS of the lesser of (i) the aggregate Manufacturing Cost for the full quantities of Product in the Current Inventory and (ii) [***], VIVUS shall transfer to Purchaser ownership of the Current Inventory, in accordance with this Section 2.5.

(b) Purchaser hereby submits a binding order for the full quantities of the Current Inventory. As set forth in Section 3.1, the transfer price for the quantities of Product ordered pursuant to this Section 2.5(b) shall be the Price. Upon payment in full to VIVUS of the Price for the full quantities of Product in the Current Inventory, Current Inventory will be sold to Purchaser EXW (Incoterms 2010) Sharp's facilities and title to such quantities of Product shall automatically pass to Purchaser.

(c) For all Product transferred to Purchaser under this Section 2.5, Purchaser shall be responsible, at Purchaser's sole cost, for transport and distribution of such Product. Purchaser may use any Third Party that it designates for Product packaging, but Purchaser shall be responsible for the cost of validation if the packager is any Third Party other than Sharp, as well as any costs associated with transporting Product to such other packager. VIVUS shall ensure that all Current Inventory delivered to Purchaser under this Agreement has a minimum remaining shelf life of not less than eighteen (18) months.

2.6 **Delivery and Shipping Terms**. Product supplied hereunder shall be shipped EXW (Incoterms 2010) Sanofi's manufacturing facility (or, if applicable, the manufacturing facility of any other manufacturer being utilized by VIVUS for manufacturing Product) directly to the packaging facility or other location designated by Purchaser. Title to the Product and risk of loss shall pass to Purchaser at the time of delivery of the Product to the Third Party shipper at the loading dock of the manufacturing facility. Purchaser shall arrange for all shipping, insurance freight, custom duties, and other charges associated with, the shipment, and the cost of the foregoing will be paid by Purchaser. VIVUS shall issue (or shall have its manufacturer issue) to Purchaser in advance of shipment a Certificate of Analysis (each, a "**COA**") and Certificate of Compliance (each, a "**COC**") for each shipment of Product (including Current Inventory) delivered to Purchaser. Each COA shall be accompanied by batch documentation for each lot of delivered Product and shall certify that the Product conforms to the Specifications, this Agreement, and the Quality Agreement along with the results of such analysis and any supporting data. Purchaser will be under no obligation to accept any shipment of Product for which VIVUS has not provided a COA and/or COC or which Purchaser reasonably believes does not comply with the COA or COC at the time the Product was delivered to Purchaser. VIVUS will be responsible for any out-of-pocket costs incurred by Purchaser with respect to the storage, shipment, return, or at VIVUS' direction, destruction, of such non-conforming shipment.

2.7 **Packaging and Labeling**. VIVUS will supply Product to Purchaser in the form of bulk tablets. Purchaser shall be responsible, at its sole expense, for packaging and labeling the Product for commercial sale. Any labels, product inserts, and other packaging for the Product shall be consistent with then-current approved NDA for the Product and with Applicable Law. VIVUS' name will not appear on the label or anywhere else on the commercial packaging of the Product unless: (a) required by any Applicable Laws; (b) VIVUS consents in writing to the use of its name; or (c) such Product is in the Current Inventory.

2.8 **Supply Disruption**. If VIVUS is unable to supply confirmed orders to Purchaser with respect to the quantity or the delivery date (a "**Supply Disruption**"), or if VIVUS believes that a Supply Disruption is reasonably likely to occur based on Purchaser's confirmed and/or forecasted orders, VIVUS shall provide Purchaser with prompt written notice of such inability or belief. In the event of a Supply Disruption, VIVUS shall be obliged to allocate the available Product among Purchaser and any other licensees and/or authorized distributors of Product worldwide, proportionally based on the volume of Product orders of Purchaser and such other licensees and distributors. The "volume of Product orders" will be calculated based on (a) orders for Product that were delivered during the preceding six (6) months or that are then in transit (excluding in each case any orders where payment therefor is delinquent), and (b) the binding portion of any outstanding purchase orders or forecasts. In the event of a Supply Disruption, notwithstanding Section 2.1(c), Purchaser shall be permitted to obtain from another source the quantities of Product that VIVUS is unable to supply. In the absence of gross negligence or willful misconduct, this Section 2.8 describes Purchaser's sole and exclusive remedy, and VIVUS' sole and exclusive liability, for any Supply Disruption; provided, that if VIVUS actually recovers direct contract damages from its Third Party manufacturer or supplier in connection with a Supply Disruption, VIVUS shall pass through to Purchaser its allocable portion (which shall be calculated and allocated proportionally based on the volume of Product orders of Purchaser and such other licensees and distributors, as described above in this Section 2.8) of such recovery amount. In the event of any Supply Disruption that results in more than twenty-five percent (25%) of ordered Product in any four (4) month period arriving at the delivery location more than (60) days after the intended delivery date, Purchaser shall be relieved of any further obligation during the then-current calendar year to purchase the Minimum Purchase Obligation for such calendar year; provided that to the extent any such Supply Disruption results in the delivery of any such quantity of Product after December 31st of the relevant calendar year, such late-delivered quantities shall be credited against the Minimum Purchase Obligation of the immediately following calendar year. In the event a Supply Disruption affects the quantities of Product available for Commercialization in a subsequent year, the Parties will meet and negotiate in good faith a possible reduction of the Minimum Purchase Obligation for such subsequent year, which reduction shall take into account (i) the reasonably likely commercial effect of the Supply Disruption and (ii) VIVUS' respective minimum purchase obligations under any arrangements or agreements with any Third Parties (including Sanofi).

2.9 **Post-Delivery Handling and Release**. After delivery of the Product to Purchaser in accordance with the terms of this Agreement and the Quality Agreement, any handling, storage, quality control, quality assurance, and the release of the Product shall be the sole responsibility of Purchaser or its designated Third Party.

2.10 **Stability Testing**. VIVUS shall be responsible for conducting all stability testing required under the NDA with respect to the active pharmaceutical ingredient in the Compound ("**API**") and the bulk Product, and Purchaser shall be responsible for conducting such stability testing with respect to the Finished Product. VIVUS shall, at Purchaser's reasonable request and expense, use Commercially Reasonable Efforts to (a) make relevant VIVUS personnel available for consultation during normal business hours and (b) provide underlying documentation, in each case (a) and (b), for analytical methods transfer, including supply of API standard and impurities per Product specification.

2.11 **Technology Transfer**.

(a) *Cooperation*. Upon (i) termination of this Agreement by Purchaser as a result of VIVUS' uncured material breach, (ii) in the event of a Supply Disruption, (iii) upon mutual agreement of the Parties on a Supply Chain Transfer Plan in accordance with Section 6.2 of the License Agreement, (iv) in the event that VIVUS provides a notice to Purchaser under Section 2.8, (v) upon an event of Force Majeure preventing the timely supply of Product hereunder for a period anticipated to exceed ninety (90) days, or (vi) upon a breach by VIVUS which permits Purchaser to terminate this Agreement, VIVUS shall provide Purchaser with such assistance and any VIVUS Know-How Controlled by VIVUS, as reasonably necessary for manufacturing, formulating and/or packaging of the Product, as the case may be (a "**Technology Transfer**"). In connection with the foregoing, Purchaser shall be permitted to consult with VIVUS' technical personnel on the specified manufacturing activities and, to the extent necessary, VIVUS shall use Commercially Reasonable Efforts to permit Purchaser to consult with VIVUS' Third Party manufacturers. Purchaser, in its sole discretion, shall choose whether to exercise its rights in connection with a Technology Transfer.

(b) *Manufacturing Rights*. Notwithstanding any Technology Transfer pursuant to Section 2.11(a), Purchaser's right to manufacture or have manufactured Product shall be limited to the rights described in Section 2.2 of the License Agreement, plus the additional manufacturing rights described in Section 2.8 in connection with a Supply Disruption.

(c) *Technology Transfer Costs*. In connection with a Technology Transfer pursuant to Section 2.11(a)(iii), Purchaser shall be responsible for paying VIVUS' actual costs and expenses incurred in connection with such Technology Transfer, including FTE costs, out-of-pocket expenses and any technology transfer fees payable to any other Third Party; provided, however, VIVUS shall bear all costs related to any Method Transfer and any other transfer costs, for which the related work has been performed prior to the Effective Date (collectively, "**Technology Transfer Costs**"). In connection with a Technology Transfer pursuant to Section 2.11(a)(i), (ii), or (v), VIVUS shall be responsible for the Technology Transfer Costs. In connection with a Technology Transfer pursuant to Section 2.11(a)(iv), Purchaser shall be responsible for the Technology Transfer Costs unless and until a Supply Disruption shall have occurred, in which event VIVUS shall be responsible for such Technology Transfer Costs, including reimbursing Purchaser for those already paid by Purchaser.

2.12 **Notice Right; Step-In Right**. VIVUS shall provide Purchaser with prompt written notice of any breach or alleged breach, including without limitation any notice of such breach or alleged breach provided by any Third Party manufacturer of API or bulk Product and shall provide Purchaser with copies of any documentation and correspondence between any Third Party manufacturer and VIVUS regarding such breach including written summaries of any oral discussions. In the event that VIVUS is in breach of any such manufacturing or supply agreement with a Third Party manufacturer, it shall promptly provide to Purchaser a written plan of action to remedy or cure such breach and shall keep Purchaser promptly informed of its progress or any changes to such plan of action. If VIVUS is unable to cure such breach, then, unless VIVUS is disputing such breach in good faith, at Purchaser's election VIVUS shall use Commercially Reasonable Efforts to cause such Third Party manufacturer to permit Purchaser to step-in and cure the breach. VIVUS may condition disclosure of attorney-client privileged information or attorney work product on the Parties' execution of a joint defense agreement, common interest agreement, or similar agreement intended to preserve attorney-client and attorney work product privileges under Applicable Law, in a form reasonably acceptable to VIVUS.

2.13 **Adjustments Related to Third Party Manufacturers**. VIVUS will not at any time during the Term take any action that could reasonably be expected to result in a breach of any agreement between VIVUS and any Third Party manufacturer or supplier. VIVUS shall provide Purchaser with advance written notice of any material amendment, waiver of rights, termination or modification of any agreement between VIVUS and any Third Party manufacturer or supplier, and VIVUS will not agree to any amendment, waiver of rights, termination or modification of any agreement between VIVUS and any Third Party manufacturer or supplier that (a) that would reasonably be expected to result in (i) any non-routine increase in the Price, (ii) any early termination of this Agreement, or (iii) any increase in the Purchaser's Minimum Purchase Obligations or (b) has, or would reasonably be expected to have, any other material negative effect on Purchaser, in each case (a) and (b), without the prior written consent of Purchaser, which shall not be unreasonably withheld, conditioned, or delayed.

2.14 **API Purchase Option**. If VIVUS obtains the right to satisfy its minimum purchase obligations under all relevant manufacturing and/or supply agreements with Sanofi and/or any other relevant Third Party manufacturer (as applicable) by purchasing a combination of API and Product in lieu of solely Product from Sanofi and/or such other relevant Third Party manufacturer (as applicable), then the Parties shall discuss in good faith an option for Purchaser to fulfill its obligations under this Agreement by purchasing API in lieu of or in addition to Product, and possible adjustments or supplements to this Agreement to provide for the supply of API on comparable terms and conditions as for the supply of Product contained herein, including (a) a price for API and quantities for the API minimum purchase obligations, which appropriately take into account both purchases of Product and API, and (b) revisions to Section 4.2 and ARTICLE 5 to reflect, on a basis substantially comparable to the provisions set forth herein, that Purchaser will be buying and VIVUS shall be supplying API in lieu of or in addition to Product. VIVUS shall use Commercially Reasonable Efforts to negotiate in good faith with Sanofi or any other Third Party manufacturer, as applicable, to obtain the rights to satisfy its minimum purchase obligations by purchasing a combination of API and Product.

3. PRICE; PAYMENT

3.1 **Prices for Product**. Purchaser shall pay to VIVUS the Price for the units of Product supplied to Purchaser pursuant to this Agreement. Purchaser shall be solely responsible for determining the price at which it will re-sell the Product.

3.2 **Payment**. VIVUS shall provide to Purchaser written invoices setting forth the amount payable by Purchaser with respect to quantities of Product sold hereunder, including the Price applied by VIVUS to each dosage strength of Product. Purchaser shall pay VIVUS for Product in the amount invoiced by VIVUS within thirty (30) days from the date of invoice, which invoice shall be issued at the delivery date. If Purchaser is legally required to withhold any Taxes from payments due hereunder, Purchaser shall (a) deduct such Taxes from the payment made to VIVUS, and (b) timely pay the taxes to the proper taxing authority. Each Party agrees to cooperate with the other Party in claiming exemptions from such deductions or withholdings under any agreement or treaty from time to time in effect and shall discuss in good faith how to solve any situation where VIVUS may not deduct such payment for reasons beyond VIVUS' reasonable control. Solely for purposes of this Section, "**Taxes**" means any present or future taxes, levies, imposts, duties, charges, assessments or fees of any nature (including interest, penalties and additions thereto) that are imposed by the applicable government or other taxing authority.

3.3 **Records; Audit**. VIVUS shall maintain complete and accurate books and records in accordance with GAAP in sufficient detail to permit Purchaser to confirm the accuracy of the Manufacturing Costs, and any other financial measure relating to the Price of the Product payable under this Agreement, for a period of five (5) years from the creation of individual records or any longer period required by Applicable Law. At Purchaser's request, such records shall be available for review at a Purchaser's headquarters located at 11 Commerce Drive, 1st Floor, Cranford, New Jersey 07016, or a mutually agreeable location determined by Parties not more than once each calendar year (during normal business hours on a mutually agreed date with reasonable advance notice) by an independent Third Party auditor selected by Purchaser and approved by VIVUS (such approval not to be unreasonably withheld, conditioned, or delayed) and subject to confidentiality and non-use obligations no less stringent than those set forth in Article 11 of the License Agreement for the sole purpose of verifying for Purchaser the accuracy of the Manufacturing Costs and Price paid by Purchaser pursuant to this Agreement or of any payments made by Purchaser to VIVUS pursuant to this Agreement. Any such auditor shall not disclose VIVUS' Confidential Information to Purchaser, except to the extent such disclosure is necessary to verify the accuracy of the financial reports furnished by VIVUS or the amount of payments due by VIVUS under this Agreement. Any undisputed amounts finally determined to be owed but unpaid shall be paid within thirty (30) days from the accountant's report. Any amounts finally determined to have been overpaid will either be refunded to Purchaser or credited to Purchaser against future payments to VIVUS hereunder, at Purchaser's option. Purchaser shall bear the full cost of such audit unless such audit reveals an underpayment or under-reporting error of ten percent (10%) or more during the applicable audit period, in which case VIVUS shall bear the full cost of such audit.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS

4.1 **Mutual Representations and Warranties**. Each Party hereby represents, warrants, and covenants (as applicable) to the other Party as follows, as of the Effective Date:

(a) *Corporate Existence and Power*. It is a corporation duly organized, validly existing, and in good standing under the laws of the jurisdiction in which it is incorporated, and has all requisite power and authority and the legal right to own and operate its property and assets and to carry on its business as it is now being conducted and as contemplated in this Agreement.

(b) *Authority and Binding Agreement*. It has the requisite power and authority and the legal right to enter into this Agreement and perform its obligations hereunder; it has taken all necessary action on its part required to authorize the execution and delivery of this Agreement and the performance of its obligations hereunder; and this Agreement has been duly executed and delivered on its behalf, and constitutes a legal, valid, and binding obligation of such Party that is enforceable against it in accordance with its terms, subject as to enforcement of remedies to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting generally the enforcement of creditors' rights and subject to a court's discretionary authority with respect to the granting of a decree ordering specific performance or other equitable remedies.

(c) *Consents*. All necessary consents, approvals and authorizations of all governmental authorities and other Third Parties required to be obtained by it in connection with the execution, delivery and performance of this Agreement have been obtained by it. For the avoidance of doubt, Purchaser shall be solely responsible for obtaining any product and/or distribution license from the applicable Governmental Authority so as to be able to sell and market the Product in a particular jurisdiction.

4.2 **Product Representations and Warranties of VIVUS**.

(a) *Compliance*. VIVUS warrants that it will ensure that all Product will be manufactured and tested in conformity with this Agreement, the License Agreement, cGMP, the Specifications, and the Quality Agreement.

(b) *Conformity with Specifications*. VIVUS warrants that it will and will cause its Third Party suppliers to ensure that all Product manufactured by or on behalf of VIVUS and sold to Purchaser pursuant to this Agreement will at the time of delivery to the common carrier for such Product (i) meet the Specifications, (ii) not be misbranded or adulterated and (iii) will be in compliance with all Applicable Laws.

(c) *No Liens*. VIVUS warrants that all Product delivered to Purchaser pursuant to this Agreement will, at the time of such delivery, be free and clear of all liens, encumbrances, security interests and other encumbrances. VIVUS' obligations as provided in Section 10.1 and Section 6.2 shall be the sole and exclusive remedies available to Purchaser with respect to Product that fails to meet the product warranties set forth in Section 4.2.

4.3 **Other Representations and Warranties of VIVUS**.

(a) *Performance*. VIVUS will perform its obligations under this Agreement, and will use Commercially Reasonable Efforts to cause any Third Party supplier to perform their manufacturing obligations with respect to the Product, in a professional manner with requisite skill, care and diligence and in accordance with the industry standards. VIVUS will maintain, and will use Commercially Reasonable Efforts to cause its Third Party suppliers to maintain, appropriately qualified and trained personnel, adequate premises and space, suitable equipment, correct materials, containers and labels, suitable storage and the knowledge and experience to carry out satisfactorily the work ordered by Purchaser.

(b) *Compliance with Applicable Laws*. During the Term of this Agreement, VIVUS will comply with, and will use Commercially Reasonable Efforts to cause its Third Party suppliers to comply with, all Applicable Laws to the conduct of its business and manufacture of Product in the performance of this Agreement and will hold, or will cause its Third Party manufacturers to hold, all permits and authorizations necessary to fulfill its obligations under this Agreement.

(c) *Compliance with Certain Agreements*. VIVUS is in compliance in all material respects with, and will at all times remain in compliance in all material respects with, and has not received any notice of breach pursuant to any agreement relating to the manufacture of Product. To the Knowledge of VIVUS, as of the Effective Date, (i) Sanofi is not in breach of the Manufacturing and Supply Agreement, and (ii) Sanofi is in compliance with such agreement in all material respects.

(d) *Debarment*. VIVUS represents and warrants that it has not been debarred, nor is it under consideration to be debarred, and that it will not knowingly use in any capacity in connection with the manufacturing or services hereunder any person (including Third Party manufacturers) who has been debarred, nor is under consideration to be debarred by the FDA and/or TPD, the subject of a pending debarment pursuant to the Act, or who is the subject of a conviction described in such section. VIVUS will inform Purchaser in writing immediately upon becoming aware thereof if it or any person (including Third Party manufacturers) who is performing manufacturing or any services hereunder is debarred or is the subject of a conviction described in section 306 of the Act, or if any action, suit, claim, investigation, or proceeding is pending, or to the best of VIVUS' knowledge, is threatened, relating to the debarment or conviction of VIVUS, or any person performing manufacturing or services pursuant to this Agreement.

4.4 **Covenants of Purchaser.** Purchaser hereby covenants not to sue the VIVUS Indemnified Parties (as defined in Section 10.2 hereof), and shall defend, indemnify and hold harmless the VIVUS Indemnified Parties from and against any and all Losses incurred by the VIVUS Indemnified Parties, for any such VIVUS Indemnified Parties' compliance with any Financing Entity's notice of its exercise of rights and remedies under the Financing Documents in connection with any Financing Default (including during the pendency of any dispute between Purchaser and the Financing Entity relating to or arising under the Financing Documents, provided that the Financing Entity provides written notice to VIVUS of such exercise of such rights and remedies).

4.5 **No Other Representations or Warranties**. EXCEPT AS EXPRESSLY STATED IN THIS ARTICLE 4 OR THE LICENSE AGREEMENT, NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, WHETHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR NON-MISAPPROPRIATION OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS, ARE MADE OR GIVEN BY OR ON BEHALF OF VIVUS. ALL OTHER REPRESENTATIONS AND WARRANTIES, WHETHER ARISING BY OPERATION OF LAW OR OTHERWISE, ARE HEREBY EXPRESSLY EXCLUDED.

5. QUALITY

5.1 **General**. VIVUS shall be responsible for establishing and maintaining such procedures for implementing corrective and preventive actions with respect to the manufacturing of the Product as required by Applicable Law, cGMP, and the Quality Agreement. VIVUS shall cooperate with Purchaser at VIVUS' expense in determining the cause of any quality problems involving the Product, identifying corrective actions, and ensuring the implementation and effectiveness thereof VIVUS shall implement such corrective actions with respect to the Product, and shall provide Purchaser with written confirmation upon the completion thereof.

5.2 **Notice of Failure to Meet Specifications**. Each Party shall notify the other Party immediately after the discovery that any lot of Product sold to Purchaser failed to comply with its applicable Specifications at the time of delivery or was not manufactured in accordance with Applicable Laws, including without limitation cGMP. VIVUS will immediately make, at its sole expense, such further internal investigation of any failure to meet these requirements as is reasonable under the circumstances and otherwise consistent with its obligations hereunder and shall use its best efforts to remediate such failure, which shall include the replacement of the quantity of non-conforming Product at no cost to Purchaser, as promptly as reasonably practicable.

5.3 **Changes to Specifications**.

(a) *Changes Requested by Purchaser*. VIVUS will not be required to implement any requests by Purchaser to change the manufacturing process, Specifications, or any testing method with respect to the Product, but VIVUS shall consider any such requests in good faith.

(b) *Changes Requested by VIVUS*. VIVUS will provide Purchaser with advance notice of any material changes to procedures, Specifications, methods (including testing methods) or standard operating procedures relating to the manufacture or supply of the Product and VIVUS will not make or permit any such changes without the prior written consent of Purchaser if such change is (i) inconsistent with the then-current approved NDA for the Product, (ii) reasonably likely to have a material adverse effect on VIVUS' ability to comply with the terms of this Agreement, including any Product delivery timelines hereunder, or (iii) otherwise reasonably likely to have an adverse impact on the Commercialization of the Product in the Purchaser Territory.

(c) *Changes Required by Applicable Law*. VIVUS will promptly, at its own expense, implement any changes to any procedures, Specifications, methods (including testing methods) or standard operating procedures relating to the manufacture or supply of the Product required by Applicable Law or the NDA (collectively, "**Required Manufacturing Changes**"); provided that Purchaser shall be responsible for any and all expenses arising from any such changes required by any changes to the NDA submitted to any Regulatory Authority by the Purchaser without VIVUS' prior written consent.

(d) *Cost of Manufacturing Changes*. Prior to a Supply Chain Transfer, VIVUS will be solely responsible for all internal and external costs, including, without limitation, obsolete raw materials, regulatory filings, work-in-process, and Product, (i) associated with Required Manufacturing Changes, and (ii) all costs associated with any other manufacturing changes not requested by Purchaser. Prior to a Supply Chain Transfer, Purchaser shall be responsible for such costs only in the event such manufacturing change is requested by Purchaser and is not otherwise required by Applicable Law or the NDA; provided that Purchaser shall also be responsible for any and all expenses arising from any such changes required by any changes to the NDA submitted to any Regulatory Authority by the Purchaser without VIVUS' prior written consent.

5.4 **Quality Agreement**. Concurrent with the execution of this Agreement, the Parties have entered into a separate quality agreement governing the agreed-upon Specifications and other technical aspects of supply of Products to Purchaser hereunder (the "**Quality Agreement**"). In the event of any inconsistency between this Agreement and the Quality Agreement, this Agreement shall control, except with respect to quality assurance matters. VIVUS agrees to use its Commercially Reasonable Efforts to have three-way quality agreements put into place with Purchaser and VIVUS' Third Party manufacturers.

6. ACCEPTANCE AND REJECTION PROCEDURES

6.1 **Inspection**. Purchaser or its designee shall promptly, upon arrival on its site, carefully inspect each shipment of Product for transport damages, losses and shortfalls. Apparent defects, such as, for instance, damaged containers or missing packages of Product, must be notified to the carrier promptly upon arrival of the shipment and the freight documents at Purchaser or its designee and, where possible, countersigned by the carrier's representative. Failure of Purchaser or its designee to notify such visually detectable defects to the carrier promptly upon arrival of the concerned shipment and freight documents shall exclude any liability of VIVUS for such defects. Purchaser shall have twenty-five (25) days after receipt of a shipment of Product to determine if there is any defect in the Product or any non-compliance with the Specifications or Applicable Law, including without limitation cGMP, which is discoverable by diligent and customary inspection of the shipment and any accompanying documentation (the "**Inspection Period**"). Purchaser shall notify VIVUS of any such non-compliance prior to the end of the Inspection Period, describing in reasonable detail the non-compliance. Notwithstanding the preceding provisions of this Section 6.1, if with respect to any unexpired Product, the non-compliance could not reasonably be expected to have been found by diligent and customary inspection during the Inspection Period and Purchaser notifies VIVUS of such non-compliance, describing such Latent Defect in detail, within fifteen (15) days of Purchaser's knowledge of the Latent Defect and within the shelf life of the Product, such non-compliance shall be deemed to be a "**Latent Defect**" hereunder. Purchaser's notification of VIVUS of a non-compliance during the Inspection Period or of a Latent Defect as permitted above shall be referred to herein as a "**Claim**". For the sole purpose of application of Section 6.2, Purchaser shall be deemed to have accepted any Product if it fails to give a Claim in the periods permitted above; provided, however, that Purchaser's acceptance of Product shall not limit Purchaser's indemnification rights under Section 10.1 (which, for clarity, shall be fully subject to the exceptions recited therein). At VIVUS' reasonable request, Purchaser shall provide VIVUS with any available documentation or analysis that is reasonably necessary for VIVUS to exercise its rejection rights under its supply agreement with Sanofi and/or any other relevant Third Party manufacturer.

6.2 **Remedies**. Except for Claims disputed pursuant to Section 6.2(b) hereof, if Purchaser submits a Claim, then as promptly as practicable after the submission of the Claim to VIVUS (but in no event later than thirty (30) days after the submission of the Claim), VIVUS shall instruct Purchaser whether to return or destroy the Product in question and provide Purchaser with replacement Product. In the event that:

(a) VIVUS agrees with the Claim, then VIVUS shall pay for all out-of-pocket costs of returning or destroying Product that is the subject of any accepted Claim. VIVUS shall bear the risk of loss for such Product, beginning at such time as such Product is taken at Purchaser's premises for return delivery. VIVUS shall replace all nonconforming Product as promptly as reasonably practicable and at no cost to Purchaser.

(b) VIVUS does not agree with the Claim, then the Parties agree to submit the Product in question to a mutually agreed independent Third Party that has the capability of testing the Product to determine whether or not it complies with the Quality Agreement, the Specifications and Applicable Law, including cGMP. The losing Party shall bear all costs and expenses related to such testing and pay for all shipping costs of returning the Product and/or sending the replacement Product, as the case may be.

6.3 **Cost of Product Recalls**. With respect to any Product supplied hereunder, VIVUS shall bear all Losses (including without limitation expenses related to communications and meetings with all required regulatory agencies, expenses of replacement stock, the cost of notifying customers and costs associated with shipment of recalled Product from customers and shipment of an equal amount of replacement Product to those customers) related to any Product Recall in the event that such Product Recall is caused by or results from (a) the breach by VIVUS (including indirectly by any Third Party manufacturer) of any representation or warranty or covenant contained in this Agreement or the License Agreement, or (b) VIVUS' negligence or willful misconduct. Additionally, in the event the Product Recall is caused by or results from (a) or (b) above, VIVUS shall replace the units of recalled Products as promptly as practicable and at no cost to Purchaser. Except as provided above, Purchaser shall bear all Losses related to any Product Recall.

7. REGULATORY MATTERS.

7.1 **Regulatory Responsibilities**. The Parties' respective rights and obligations with respect to Regulatory Approvals in the Purchaser Territory, communications with Regulatory Authorities in the Purchaser Territory, and other regulatory matters relating to the Product in the Purchaser Territory are set forth in the License Agreement.

8. RECORD-KEEPING; AUDITS

8.1 **Recordkeeping**. VIVUS (and/or Sanofi or any other Third Party manufacturer) will keep complete and accurate records of the manufacture and testing of Product, and retain samples of bulk Product and the active pharmaceutical ingredient in the Compound as are necessary to comply with Applicable Laws, as well as to assist with resolving Product complaints and other similar investigations. Copies of the records and samples will be retained for a period of one (1) year following the date of Product expiry, or longer if required by Applicable Laws. Purchaser is responsible for retaining samples of the fully packaged Product necessary to comply with the legal/regulatory requirements applicable to Purchaser.

8.2 **Audits**.

(a) *Audit Right; Facility Access*. From and after the commencement of supply hereunder directly or through an independent auditor reasonably acceptable to VIVUS, Purchaser shall have the right, upon reasonable advance notice and during regular business hours, to make an annual inspection and audit of the facilities being used by VIVUS or a VIVUS Affiliate for the production, storage, or testing of Product to assure compliance by or on behalf of VIVUS with cGMPs, the Specifications, and Applicable Law. At Purchaser's reasonable request, VIVUS agrees to use Commercially Reasonable Efforts to facilitate a similar inspection and audit of the facilities being used by Sanofi and/or any other Third Party manufacturer, such as, solely by way of example, by exercising VIVUS' audit right in its agreement with such manufacturer, at Purchaser's cost, and permitting Purchaser or its designee to attend such audit (subject to approval by the Third Party manufacturer to allow such attendance, which VIVUS shall use Commercially Reasonable Efforts to obtain) and in any event sharing the results of such audit with Purchaser.

(b) *Third Party Audits*. Without limiting VIVUS' obligations under this Agreement in any respect, Purchaser acknowledges that VIVUS' audit rights in its manufacturing and supply agreements with Sanofi are limited to periodic audits to ensure that cGMPs continue to be followed. In the event that VIVUS or any Third Party licensee of VIVUS outside the Purchaser Territory proposes to conduct or conducts an audit of the facilities used by or on behalf of VIVUS or a VIVUS Affiliate or Third Party for the production, storage, or testing of Product to be sold to Purchaser under this Agreement, then VIVUS will provide immediate notice to Purchaser of such audit and VIVUS shall use its Commercially Reasonable Efforts to permit Purchaser to be able to be present for and participate in such audit.

(c) *Procedure*. The inspection and audit provided for under Section 8.2(a) shall not be carried out by Purchaser more than once per calendar year, but such inspection and audit shall not preclude Purchaser from conducting any "for cause" inspection or audit permitted under the Quality Agreement or otherwise for cause. Each inspection and audit shall be conducted in a manner so as to minimize disruption of the business operations of VIVUS, Sanofi and/or any other Third Party manufacturer. VIVUS representatives will be permitted to participate as observers during any such inspection and audit. To the extent that Purchaser requests an inspection or audit of the facilities of Sanofi and/or any other Third Party manufacturer, Purchaser acknowledges that VIVUS must coordinate the dates and schedule of such inspection and audit with Sanofi and/or such other Third Party manufacturer. The independent auditor, if any, shall enter into a written confidentiality agreement with VIVUS containing provisions regarding the disclosure of information obtained during the inspection and audit that are at least as restrictive as the provisions of Article 13 of this Agreement; provided that, the independent auditor will be permitted to disclose to Purchaser whether and to what extent VIVUS (or, if applicable, Sanofi and/or any other Third Party manufacturer) failed to comply with the requirements of Section 8.1 (and shall not be permitted to disclose to Purchaser any other information). A copy of any such disclosure to Purchaser shall also be provided to VIVUS.

(d) *Results*. If an inspection or audit reveals a failure to comply with cGMP or Applicable Law in any material respect, then Purchaser shall promptly provide to VIVUS written notice of such fact, which notice shall contain in reasonable detail the deficiencies found in the applicable facilities and, if practicable, those steps Purchaser believes should be undertaken in order to remedy such deficiencies. The Parties shall discuss in good faith the deficiencies and VIVUS shall, at its own expense, use its best efforts to remedy such deficiencies, or implement a plan to remedy such deficiencies, as soon as reasonably practical following receipt of the notification thereof. In addition to the audit rights set forth in this Section 8.2, Purchaser will be entitled to perform reasonable follow-up inspections to monitor correction of such deficiencies or the circumstances giving rise to such deficiency, failure or notice.

8.3 **Analytical Method Transfer**. Upon the reasonable prior written request of Purchaser, VIVUS agrees to provide Purchaser or use Commercially Reasonable Efforts to cause its Third Party designee hereunder to provide Purchaser with all required documentation and support for analytical method transfer for the Product in order to enable Purchaser to analyze the Product in order to determine its suitability and stability under this Agreement and according to all applicable requirements of Regulatory Authorities or to ensure that the Products are in line with the Regulatory Approvals (a "**Method Transfer**"). VIVUS agrees to actively participate, or use Commercially Reasonable Efforts to cause its Third Party designee hereunder to participate, in such Method Transfer by, among other things, providing samples and conducting parallel testing. Purchaser shall pay for any out-of-pocket costs incurred by VIVUS in connection with such Method Transfer, except in connection with the first Method Transfer to establish stability testing.

8.4 **Regulatory Compliance**. VIVUS will advise Purchaser promptly if an authorized agent of a Regulatory Authority visits its facilities (or, to its knowledge, its Third Party designee's manufacturing facilities) where the API or the Product is being manufactured, stored, or tested. VIVUS will provide Purchaser with all material information in VIVUS' possession pertaining to actions taken by Regulatory Authorities (including any inspections, proposed regulatory actions, investigations or requests for information or a meeting by any Regulatory Authority) whether inside the Purchaser Territory or outside the Purchaser Territory in connection with the API or the Product in the Field, including any notice, audit notice, notice of initiation by Regulatory Authorities of investigations, inspections, detentions, seizures or injunctions concerning the API or the Product in the Field whether inside the Purchaser Territory or outside the Purchaser Territory, notice of violation letter (*i.e.*, an untitled letter), warning letter, service of process or other inquiry; provided, however, that VIVUS shall be entitled to redact those portions thereof to the extent not related to the API or the Product in the Field or to the extent disclosing Third Party confidential information. Without limiting the generality of the foregoing, each Party shall promptly, but in any event within two (2) Business Days, inform the other Party of any material inspections, proposed regulatory actions, investigations or requests for information or a meeting by any Regulatory Authority with respect to the API or the Product in the Field in the Manufacturing Territory. VIVUS or its Third Party designee will furnish to Purchaser all material information supplied to, or supplied by, any Regulatory Authority in the Manufacturing Territory, including the Form 483 observations and responses, to the extent that such information relates to the API or the Product or the ability of VIVUS to supply such API or the Product and could reasonably be expected to have a material negative effect on the Purchaser or the Commercialization of the Product in the Purchaser Territory, within five (5) Business Days of their receipt of such information, in each case to the extent that VIVUS is aware of such information and subject in each case to the redaction right described above. VIVUS or its Third Party designee will consult in advance with Purchaser prior to responding to any request from a Regulatory Authority to the extent such response relates to the API or the Product, and VIVUS will use Commercially Reasonable Efforts to permit Purchaser and/or its agents to be present at any inspection by any Regulatory Authority of any manufacturing facility where the API or the Product that is supplied to Purchaser hereunder is being manufactured or quality tested.

9. TERM; TERMINATION

9.1 **Term**. The term of this Agreement (the "**Term**") will commence on the Effective Date and will continue, unless otherwise agreed between the Parties, for a period ending on the fifth (5^{th}) anniversary of the Effective Date. Thereafter, the Term shall be automatically renewed for successive two- (2) year periods, unless either Party provides a termination notice to the other Party at least two (2) years in advance of the expiration of the then-current Term.

9.2 **Termination for Default or Bankruptcy**. Either Party may terminate this Agreement(a) for material breach by the other Party if such breach continues uncured for a period of thirty (30) days after receipt of notice thereof; provided, however, that, except with respect to any breach of Section 2.4 hereof, in the event the non-terminating Party contests any such asserted breach in good faith and diligently pursues the dispute resolution procedures set forth in Article 14, such thirty (30) day cure period shall be tolled or suspended until the final resolution of such dispute pursuant to the terms of, and in accordance with, the terms and provisions of Article 14; or (b) if (i) the other Party shall institute bankruptcy, insolvency, liquidation or receivership proceedings or proceedings for reorganization under bankruptcy or comparable laws; or (ii) a petition shall be filed against the other Party for any proceedings described in clause (i) above, the effectiveness of which is not stayed or dismissed within sixty (60) days after the filing thereof; or (iii) the other Party shall make a general assignment of all or substantially all of its assets for the benefit of creditors. Termination of this Agreement pursuant to this Section 9.2 shall not affect any other rights or remedies which may be available to the non-defaulting Party, including any rights or remedies under the License Agreement.

9.3 **Termination Upon Termination of License Agreement**. In addition to the termination rights expressly provided for elsewhere in this Agreement, either Party may also terminate this Agreement upon written notice to the other Party if the License Agreement is terminated in accordance with its terms.

9.4 **Termination upon Transfer of Control of Supply Chain**. This Agreement shall automatically terminate upon the completion of the Supply Chain Transfer (as defined in the License Agreement).

9.5 **Effects of Termination**. Upon expiration or termination of this Agreement other than termination of this Agreement by Purchaser under Section 9.2(a), VIVUS shall manufacture and supply, and Purchaser shall purchase from VIVUS (a) any and all quantities of Product ordered by Purchaser pursuant to this Agreement prior to the date on which such notice is given, for the applicable Price, and (b) any and all materials held by VIVUS or Sanofi (or any other Third Party manufacturer of Product) for exclusive use in the manufacture of Compound or Product based on binding part of the Forecasts provided by Purchaser, for an amount equal to the Manufacturing Cost with respect to such materials. Termination or expiration of this Agreement will not affect any outstanding obligations due hereunder prior to the termination or expiration. In the event of Purchaser's termination of this Agreement under Section 9.2(a), Purchaser shall not be required to purchase any additional quantities of Product from VIVUS and all orders of Product shall be immediately voided and of no effect with no further obligation of Purchaser to VIVUS with respect to materials held by VIVUS or a Third Party manufacturer for manufacture of the Compound or Product.

9.6 **Survival**. Expiration or termination of this Agreement shall not relieve the Parties of any obligation accruing prior to the effective date of such expiration or termination. The following sections shall survive termination or expiration of this Agreement for any reason: Sections 2.11, 3.3, 6.1, 6.3 and 8.1 and Articles 9 through 14 and 16.

10. INDEMNIFICATION

10.1 **Indemnification by VIVUS**. VIVUS shall defend and indemnify and hold Purchaser, its Affiliates and their respective directors, officers and employees (the "**Purchaser Indemnified Parties**") harmless against any and all Losses resulting from any Claim of a Third Party arising out of, based on, or caused by (i) alleged or actual bodily injury or property damage resulting from the manufacturing, packing, labeling, handling, storage, transportation, use, distribution of Products by or on behalf of VIVUS, its licensees (other than Purchaser) or Affiliates, including any product liability claim; (ii) liabilities arising from clinical trials conducted by or on behalf of VIVUS in connection with any Products; (iii) the breach by VIVUS of any representation or warranty or covenant contained in this Agreement; (iv) the Product supplied by VIVUS to Purchaser hereunder failing to meet the warranties set forth in Section 4.2, or (v) the negligence or willful misconduct of VIVUS or its Affiliates, sublicensees, or any of its agents, directors, officers or employees, except in each case to the extent that such Losses arise directly from the breach by Purchaser of any representation or warranty or covenant contained in this Agreement or any negligence or willful misconduct by a Purchaser Indemnified Party.

10.2 **Indemnification by Purchaser**. Purchaser agrees to defend and indemnify and hold VIVUS, its Affiliates and their respective directors, officers and employees (the "**VIVUS Indemnified Parties**") harmless against any and all Losses resulting from any Claim of a Third Party arising out of, based on, or caused by (i) the storage, sale, shipment, promotion or distribution of the Product by Purchaser after Purchaser has taken title to the Product, or (ii) the breach by Purchaser of any representation or warranty or covenant contained in this Agreement, except in each case to the extent that such Losses arise (x) directly from the breach by VIVUS of any representation or warranty or covenant contained in this Agreement (including breach of Section 4.2), (y) any negligence or willful misconduct by a VIVUS Indemnified Party, or (z) and are directly attributable to any uncured breach, that is not the subject of a good faith dispute, by VIVUS of the License Agreement.

10.3 **Indemnification Procedures**. The Party claiming indemnity under this Article 10 (the "**Indemnified Party**") shall give written notice to the Party from whom indemnity is being sought (the "**Indemnifying Party**") promptly and in no event later than thirty (30) days after learning of a written claim ("**Indemnified Claim**"). Failure by an Indemnified Party to give notice of an Indemnified Claim within thirty (30) days of receiving a writing reflecting such Claim shall not relieve the Indemnifying Party of its indemnification obligations hereunder except and solely to the extent that such Indemnifying Party is actually prejudiced as a result of such failure to give such notice. The Indemnifying Party shall have the right to assume the conduct and defense of the Indemnified Claim with counsel of its choice so long as the Indemnifying Party is conducting a good faith and diligent defense; provided that, the Indemnifying Party shall not have the right to assume any Indemnified Claim if (x) the Indemnifying Party fails to provide reasonable evidence of its ability and willingness to satisfy such claim, or (y) such claim involves a criminal or regulatory enforcement action. The Indemnified Party shall provide the Indemnifying Party with reasonable assistance in connection with the defense of the Indemnified Claim. The Indemnified Party may monitor such defense with counsel of its own choosing at its sole expense; provided, that if under applicable standards of professional conduct a conflict of interest exists between the Indemnifying Party and the Indemnified Party in respect of such claim, such Indemnified Party shall have the right to employ separate counsel to represent such Indemnified Party with respect to the matters as to which a conflict of interest exists and in that event the reasonable fees and expenses of such separate counsel shall be paid by the Indemnifying Party. The Indemnifying Party may not settle the Indemnified Claim without the prior written consent of the Indemnified Party, such consent shall not be unreasonably withheld, delayed or conditioned. In no event shall the Indemnifying Party settle the Indemnified Claim unless such settlement provides an unconditional and full release of the Indemnified Party. If the Indemnifying Party does not assume and conduct the defense of the Indemnified Claim as provided above: (a) the Indemnified Party may assume and conduct the defense of the Indemnified claim at the Indemnifying Party's expense; (b) the Indemnified Party may consent to the entry of any judgment or enter into any settlement with respect to the Indemnified Claim in any manner the Indemnified Party may deem reasonably appropriate (and the Indemnified Party need not consult with, or obtain any consent from, the Indemnifying Party in connection therewith); and (c) the Indemnifying Party will remain responsible to indemnify the Indemnified Party for Indemnified Amounts as provided in this Article 10.

11. LIMITATION OF LIABILITY

11.1 **Limitation**. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY EXEMPLARY, SPECIAL, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES, COSTS OR EXPENSES (INCLUDING LOST PROFITS, LOST REVENUES AND/OR LOST SAVINGS) ARISING FROM OR RELATING TO ANY BREACH OF THIS AGREEMENT, REGARDLESS OF ANY NOTICE OF THE POSSIBILITY OF SUCH DAMAGES. NOTHING IN THE PRECEDING SENTENCE IS INTENDED TO OR SHALL LIMIT OR RESTRICT (A) THE INDEMNIFICATION RIGHTS OR OBLIGATIONS OF ANY PARTY IN CONNECTION WITH THIRD PARTY CLAIMS UNDER ARTICLE 10, (B) DAMAGES OR INJUNCTIVE RELIEF AVAILABLE FOR A PARTY'S BREACH OF ARTICLE 13, (C) DAMAGES TO THE EXTENT ARISING FROM OR RELATING TO WILLFUL MISCONDUCT OR FRAUDULENT ACTS OR OMISSIONS OF A PARTY OR (D) DIRECT DAMAGES. EXCEPT FOR WILLFUL MISCONDUCT OR LOSSES ASSOCIATED WITH PRODUCT RECALLS, IN NO EVENT SHALL VIVUS' AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT UNDER ANY THEORY OF LIABILITY (WHETHER IN CONTRACT, TORT, STATUTORY OR OTHERWISE) EXCEED THE SUM OF AMOUNTS ACTUALLY RECEIVED BY VIVUS UNDER THIS AGREEMENT AND THE LICENSE AGREEMENT; PROVIDED, HOWEVER THAT THIS LIMITATION SHALL NOT APPLY TO (I) VIVUS' OBLIGATIONS IN CONNECTION WITH THIRD PARTY CLAIMS UNDER ARTICLE 10 OR (II) DAMAGES TO THE EXTENT ARISING FROM OR RELATING TO VIVUS' NEGLIGENT, WILLFUL MISCONDUCT OR FRAUDULENT ACTS OR OMISSIONS. NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS AGREEMENT SHALL LIMIT THE LIABILITY OF EITHER PARTY UNDER THE LICENSE AGREEMENT.

11.2 **Duty to Mitigate**. Each Party shall use reasonable efforts to mitigate any damages incurred by such Party hereunder.

12. INSURANCE.

12.1 Purchaser shall procure and maintain insurance during the Term of this Agreement and for a period of [***] following the termination or expiration of this Agreement, adequate to cover its obligations hereunder and which are consistent with normal business practices of prudent companies similarly situated. Such insurance shall be written by insurance companies with a rating of at least an "A-" in the latest addition of A.M. Best or its equivalent. Without limiting the generality of the foregoing, Purchaser's insurance shall include, at minimum, the following coverages:

(a) commercial general liability coverage with minimum per claim limits of at least [***] per occurrence and [***] annual aggregate, the policy(ies) for which shall (A) name VIVUS as an additional insured, and (B) be primary and non-contributory;

(b) automobile liability coverage covering all owned, hired and non-owned automobile equipment with minimum per claim limits of [***] per occurrence and annual aggregate, the policy(ies) for which shall name VIVUS as an additional insured;

(c) excess liability/umbrella coverage with minimum per claim limits of at least [***] per occurrence and annual aggregate;

(d) products liability coverage with minimum per claim limits of at least [***] per occurrence and annual aggregate with a [***] extended reporting period endorsement, the policy(ies) for which shall name VIVUS as an additional insured; and

(e) property coverage having limits adequate for Product inventory in Purchaser's care, custody, and/or control and for Product in transit to and from Purchaser.

12.2 VIVUS shall procure and maintain insurance or self-insure during the Term of this Agreement and for a period of three (3) years following the termination or expiration of this Agreement, adequate to cover its obligations hereunder and which are consistent with normal business practices of prudent companies similarly situated. Upon written request, VIVUS shall provide proof of adequate coverage to Purchaser. VIVUS may substitute a self-insurance program to satisfy in whole or in part its obligations under this Article 12 on written notice to the Purchaser with information demonstrating the adequacy of such program.

12.3 It is understood that the insurance requirements in Sections 12.1 and 12.2 above shall not be construed to create a limit of either Party's liability with respect to its indemnification obligations under Article 10. Furthermore, it is understood that Purchaser's insurance requirements in Section 12.1 hereof are intended to be consistent with, and not to increase, the minimum insurance coverage obligations of the Purchaser under the License Agreement. Each Party shall provide the other Party with written evidence of such insurance upon written request. Each Party shall provide the other Party with written notice at least thirty (30) days prior to the cancellation, non-renewal or material change in such insurance (or, in the case of VIVUS, self-insurance, as applicable) that materially adversely affects the rights of the other Party hereunder.

13. CONFIDENTIALITY; PROPRIETARY RIGHTS

13.1 **Confidentiality**. Each Party will maintain the Confidential Information of the other Party in accordance with Article 11 of the License Agreement. The Parties agree not to disclose any financial terms or conditions of this Agreement to any Third Party without the prior consent of the other Party, except as required by Applicable Law.

13.2 **Proprietary Rights**. This Agreement shall not affect the ownership of any intellectual property owned or developed by or licensed to either Party ("**Intellectual Property**") or any rights granted in the License Agreement with respect to such Intellectual Property.

14. DISPUTE RESOLUTION

14.1 **Disputes**.

(a) The Parties recognize that disputes as to certain matters may from time to time arise during the Term which relate to either Party's rights and/or obligations hereunder. It is the objective of the Parties to establish procedures to facilitate the resolution of disputes arising under this Agreement in an expedient manner by mutual cooperation and without resort to litigation. To accomplish this objective, the Parties agree to follow the procedures set forth in this Article 14 if and when a dispute arises under this Agreement. In the event of any disputes, controversies or differences which may arise between the Parties out of or in relation to or in connection with this Agreement, including any alleged failure to perform, or breach, of this Agreement, or any issue relating to the interpretation or application of this Agreement, then upon the request of either Party, the Parties agree to meet and discuss in good faith a possible resolution thereof, which good faith efforts shall include at least one in-person meeting between the chief executive officers of each Party; provided that, each Party agrees that any statute of limitation or survival period with respect to such dispute shall be tolled during such discussions. If the matter is not resolved within thirty (30) days following the request for discussions, either Party may then invoke the provisions of Section 14.2.

(b) Notwithstanding anything to the contrary in this Article 14, any Financing Entity may bring a proceeding in a court of competent jurisdiction located in the State of New York solely to enforce its rights under Sections 14.1, 16.1, 16.6, and 16.8 hereof. Such courts of competent jurisdiction located in the State of New York shall have the sole and exclusive jurisdiction to hear and adjudicate any claims pursuant to this Section 14.1(b).

14.2 **Arbitration**. Any dispute, controversy or claim arising out of or relating to the validity, construction, interpretation, enforceability, breach, performance, application or termination of this Agreement that is not resolved pursuant to Section 14.1, shall be settled by binding arbitration administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures of JAMS then in effect (the "**JAMS Rules**"), except as otherwise provided herein. The arbitration shall be governed by the United States Federal Arbitration Act, 9 U.S.C. §§ 1-16 (the "**Federal Arbitration Act**"), to the exclusion of any inconsistent state laws. The United States Federal Rules of Civil Procedure shall govern discovery and the rules of evidence for the arbitration. The arbitration will be conducted in New York, New York, and the Parties consent to the personal jurisdiction of the United States federal courts, for any case arising out of or otherwise related to this arbitration, its conduct and its enforcement. Any situation not expressly covered by this Agreement shall be decided in accordance with the JAMS Rules.

14.3 **Arbitrator**. The arbitrator shall be one (1) neutral, independent and impartial arbitrator selected from a pool of retired federal judges or magistrates to be presented to the Parties by JAMS. Failing the agreement of the Parties as to the selection of the arbitrator within thirty (30) days, the arbitrator shall be appointed by JAMS in accordance with the JAMS Rules.

14.4 **Decision**. The power of the arbitrator to fashion procedures and remedies within the scope of this Agreement is recognized by the Parties as essential to the success of the arbitration process. The arbitrator shall not have the authority to fashion remedies which would not be available to a federal judge hearing the same dispute. The arbitrator is encouraged to operate on this premise in an effort to reach a fair and just decision. Reasons for the arbitrator's decisions should be set forth in accordance with the JAMS Rules. Such a written decision shall be rendered by the arbitrator following a full comprehensive hearing, no later than 6 months following the selection of the arbitrator as provided for in Section 14.3.

14.5 **Award**. Any award shall be promptly paid in United States dollars free of any tax, deduction or offset; and any costs, fees or taxes incident to enforcing the award shall, to the maximum extent permitted by Applicable Law, be charged against the Party resisting enforcement. Each Party agrees to abide by the award rendered in any arbitration conducted pursuant to this Article 14, and agrees that, subject to the Federal Arbitration Act, judgment may be entered upon the final award in any court of competent jurisdiction and that other courts may award full faith and credit to such judgment in order to enforce such award. The award shall include interest from the date of the award until paid in full, at a rate fixed by the arbitrator and the arbitrator may, in his or her discretion, award pre-judgment interest. With respect to money damages, nothing contained herein shall be construed to permit the arbitrator or any court or any other forum to award punitive or exemplary damages. By entering into this agreement to arbitrate, the Parties expressly waive any claim for punitive or exemplary damages, subject to the exceptions set forth in Article 11.

14.6 **Costs**. The arbitrator shall assess his or her costs, fees and expenses against the Party losing the arbitration and shall require such losing Party to reimburse the other Party for all of its reasonable attorneys' fees, costs, and disbursements arising out of the arbitration (including, for example, expert witness fees and expenses, photocopy charges, travel expenses, and so on). Notwithstanding the foregoing, if the arbitrator believes that neither Party is the clear loser, the arbitrator shall divide his or her costs, fees, and expenses according to his or her sole discretion, and each Party shall bear its own attorney's fees, costs, and disbursements arising out of the arbitration.

14.7 **Injunctive Relief**. Provided a Party has made a sufficient showing under the rules and standards set forth in the Federal Rules of Civil Procedure and applicable case law, the arbitrator shall have the freedom to invoke, and the Parties agree to abide by, injunctive measures after either Party submits in writing for arbitration claims requiring immediate relief. Additionally, nothing in this Article 14 will preclude either Party from seeking equitable relief or interim or provisional relief from a court of competent jurisdiction, including a temporary restraining order, preliminary injunction or other interim equitable relief, concerning a dispute either prior to or during any arbitration if necessary to protect the interests of such Party or to preserve the status quo pending the arbitration proceeding.

14.8 **Confidentiality**. The arbitration proceeding shall be confidential and the arbitrator shall issue appropriate protective orders to safeguard each Party's Confidential Information. Except as required to comply with Applicable Laws, including rules and regulations promulgated by the SEC, The NASDAQ Stock Market or any securities exchanges, no Party shall make (or instruct the arbitrator to make) any public announcement with respect to the proceedings or decision of the arbitrator without prior written consent of the other Party. The existence of any dispute submitted to arbitration, and the award, shall be kept in confidence by the Parties and the arbitrator, except as required in connection with the enforcement of such award or as otherwise required by Applicable Law.

14.9 **Survivability**. Any duty to arbitrate under this Agreement shall remain in effect and be enforceable after termination of this Agreement for any reason.

15. PRESS RELEASES; USE OF NAMES

15.1 **Press Releases**. The form and content of any public announcement to be made by one Party regarding this Agreement, or the subject matter contained herein, shall be subject to the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned, or delayed), except as may be required by Applicable Law in which event the Party required to make such announcement shall, to the extent possible, provide to the other Party a written copy of any such required announcement at least three (3) Business Days prior to disclosure to give the other Party reasonable advance notice and review of any such announcement. Notwithstanding the foregoing, either Party may publicly disclose without violation of this Agreement, such terms of this Agreement as are, on the advice of such Party's counsel, required by the rules and regulations of the SEC or any other applicable entity having regulatory authority over such Party's securities; provided that such Party shall advise Purchaser of such intended disclosures and requests confidential treatment of certain commercial terms and technical terms hereof to the extent such confidential treatment is reasonably available to such Party. In the event of any such filing, such Party will provide the other Party, a reasonable time prior to filing, with a copy of the Agreement marked to show provisions for which such Party intends to seek confidential treatment and shall reasonably consider and incorporate the other Party's comments thereon to the extent consistent with the legal requirements applicable to such Party and that govern redaction of information from material agreements that must be publicly filed. The other Party shall provide any such comments as promptly as practicable. The intention of the Parties is to agree upon a single redacted version of the Agreement to be filed with the SEC or any other applicable entity.

15.2 **Use of Names**. Except as otherwise required by law or by the terms of this Agreement or the License Agreement, or as mutually agreed upon by the Parties, neither Party shall make any use of the name of the other Party in any advertising or promotional material, or otherwise, without the prior written consent of the other Party, which consent shall not be unreasonably withheld.

16. MISCELLANEOUS

16.1 **Entire Agreement; Amendment**. This Agreement, including the Exhibits hereto, together with the letter agreement dated September 30th, 2016 between VIVUS and Hercules Capital, Inc., and the terms of the License Agreement which are incorporated herein by reference, sets forth the complete, final and exclusive agreement and all the covenants, promises, agreements, warranties, representations, conditions and understandings between the Parties hereto with respect to the subject matter hereof and supersedes, as of the Effective Date, all prior agreements and understandings between the Parties with respect to the subject matter hereof. There are no covenants, promises, agreements, warranties, representations, conditions or understandings, either oral or written, between the Parties other than as are set forth herein and therein. No subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the Parties unless reduced to writing and signed by an authorized officer of each Party. Notwithstanding anything to the contrary in this Section 16.1, no amendment of the definitions of "Financing Entity," "Financing Default," "Qualified Assignee," or "Permitted Assignment" or Sections 14.1, 16.1, 16.6, and 16.8 hereof that effects the rights of any Financing Entity shall be effective without the prior written consent of each Financing Entity.

16.2 **Relationship of the Parties**. The relationship between VIVUS and Purchaser is that of independent contractors and nothing herein shall be deemed to constitute the relationship of partners, joint venturers, or principal and agent between VIVUS and Purchaser. Neither Party shall have any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other Party or to bind the other Party to any contract, agreement, or undertaking with any Third Party.

16.3 **Force Majeure**. Both Parties shall be excused from the performance of any or all of their obligations under this Agreement to the extent that such performance is prevented by force majeure and the nonperforming Party promptly provides notice of the prevention to the other Party; provided that, in the event of a force majeure impacting the Parties' rights and obligations under Section 2.8 and Section 2.11 of this Agreement, VIVUS shall use Commercially Reasonable Efforts to perform its obligations pursuant to Section 2.8 and Section 2.11 of this Agreement, as applicable. Such excuse shall be continued so long as the condition constituting force majeure continues and the nonperforming Party takes reasonable efforts to remove the condition. For purposes of this Agreement, force majeure shall include conditions beyond the control of the Parties, including an act of God, war, civil commotion, terrorist act, labor strike or lock-out, epidemic, failure or default of public utilities or common carriers, destruction of production facilities or materials by fire, earthquake, storm or like catastrophe, and failure of plant or machinery (provided that such failure could not have been prevented by the exercise of skill, diligence, and prudence that would be reasonably and ordinarily expected from a skilled and experienced person engaged in the same type of undertaking under the same or similar circumstances). Notwithstanding the foregoing, a Party shall not be excused from making payments owed hereunder because of a force majeure affecting such Party.

16.4 **Notices**. Any notice required or permitted to be given under this Agreement shall be in writing, shall specifically refer to this Agreement, and shall be addressed to the appropriate Party at the address specified below or such other address as may be specified by such Party in writing in accordance with this Section 16.4, and shall be deemed to have been given for all purposes when received, if hand-delivered or by means of facsimile or other electronic transmission, or one (1) Business Day after being sent by a reputable overnight delivery service.

16.5 **No Strict Construction; Headings; Interpretation**. This Agreement has been prepared jointly and shall not be strictly construed against either Party. Ambiguities, if any, in this Agreement shall not be construed against any Party, irrespective of which Party may be deemed to have authored the ambiguous provision. The headings of each Article and Section in this Agreement have been inserted for convenience of reference only and are not intended to limit or expand on the meaning of the language contained in the particular Article or Section. The definitions of the terms herein apply equally to the singular and plural forms of the terms defined. No other relationship is intended to be created between the Parties. Nothing herein shall be interpreted as creating any partnership between the Parties, and neither shall have the right to act on behalf of the other except as expressly provided in this Agreement.

2.3 **Subcontractors**. Some of the Services to be provided hereunder may be performed by Subcontractors, including, among others, warehousemen, customs brokers, air carriers, water carriers, rail carriers, motor carriers or other transportation providers reasonably selected by Provider. Supplier understands and agrees that such Subcontractors are independent contractors with exclusive control over their respective employees, and not agents, employees or authorized representatives of Provider; provided, however, that Provider shall be fully responsible for the acts and omissions of each Subcontractor as if such acts and omissions were Provider's. Provider shall reasonably verify that Subcontractors have such licenses and permits as are required by Applicable Laws for the lawful provision of the subcontracted Services. At all times during the Term, Provider shall be responsible for payments to Subcontractors, including without limitation, freight charges and any other charges or compensation as required by Applicable Laws. In the event Supplier suffers a loss or damages from the acts or omissions of a Subcontractor that are not within and are not associated with the Services, Provider shall provide assistance reasonably requested by Supplier in connection with any of Supplier's efforts to pursue compensation from and/or legal remedies against any such Subcontractor. 2.5 **Representative of Supplier.** Promptly after execution of this Agreement, Supplier shall appoint an individual (the "**Supplier's Representative**") who shall be authorized and empowered to act for and on behalf of Supplier on all matters concerning the day-to-day administration of this Agreement and Supplier's obligations hereunder. Supplier shall notify Provider in writing upon the appointment of the Supplier's Representative, and of his/her successor(s), if changed.

ARTICLE III: THE SERVICES TO BE PERFORMED BY PROVIDER

3.0 **The Services.** Provider shall:

3.0.1 ship the Products to Qualified Customers;

3.0.2 store and warehouse the Products in suitable storage facilities within the Distribution Center, in accordance with this Agreement, Applicable Laws, Applicable Permits and Prudent Industry Practices, Provider shall maintain proper records to verify that storage and handling of the Products complies with the requirements of this Agreement and Applicable Laws (such as verification of cold chain storage and distribution compliance) and to the extent Provider is providing Distribution as part of the Services, the Products shall at all times be clearly identifiable as Supplier's property, Provider shall insure such Products against any damage, theft or loss for their full WAC value, and all of Provider's Distribution obligations for the storage, handling and shipping of Products shall occur within the Distribution Center(s);

3.0.3 provide or engage Subcontractors for the performance of such activities as are required for the performance of the Services;

3.0.4 promptly notify Supplier of any matters that come to the attention of Provider concerning the Products that may indicate a manufacturing/packaging defect, contamination, or tampering;

3.0.5 provide such customer services relating to the sale of the Products as are more specifically provided for in Exhibit B;

3.0.6 maintain a sufficient number of trained and suitably qualified personnel for the proper administration of the Services;

3.0.7 furnish to Supplier such reasonable information and reports relative to the Services and the distribution of Products as may be permitted or provided for hereunder;

3.0.8 not modify or alter any of the Products; and

3.0.9 cause its employees and agents to materially comply with all policies of Supplier and its suppliers that are relevant to the Services and to which Provider has agreed in writing.

3.1 Government Approvals; Compliance.

3.1.1 Provider shall, at its expense, obtain and maintain any and all Applicable Permits that may be necessary to permit the performance of the Services. Provider disclaims any responsibility for any Applicable Permits required to be procured, obtained or maintained by Supplier or any of its suppliers, but Provider will reasonably cooperate with Supplier in connection with any such activities.

3.1.2 Provider will comply with any and all Applicable Laws and Applicable Permits applicable to Provider in the performance of the Services, including, without limitation, those with respect to the storage or distribution of the Products, including the Federal Food, Drug and Cosmetic Act and the PDMA.

3.2 Recall or Market Withdrawal. Supplier may elect, in its sole discretion, to recall or withdraw any of the Products from the market; provided, however, that Supplier shall withdraw any of the Products from the market as a result of the requirements of any Government Authority with jurisdiction within the Territory.

3.2.1 In the event of such a withdrawal or recall, Supplier shall promptly provide Provider as much advance written notice as reasonably possible of such recall or withdrawal and the requirements thereof. The Parties shall reasonably cooperate in effecting such recall or withdrawal.

3.2.2 Provider shall comply with Supplier's reasonable instructions regarding the recall or withdrawal of Products from Provider's stock and from customers that received such Products, and shall use commercially reasonable efforts to retain records sufficient to effectuate such recall or withdrawal pursuant to Supplier's recall or withdrawal policy, including, but not limited to, maintaining records that document the lot numbers of Products stored or distributed by Provider.

3.2.3 Supplier shall reimburse Provider for its reasonable, documented, out-of-pocket costs (including Provider's suitably documented internal costs) necessarily incurred in connection with such recall or withdrawal, except to the extent such costs are due to a failure of Provider to comply with and adhere to: (i) this Agreement, or (ii) Applicable Laws relating to the storage, handling, shipping or distribution of the affected Products.

3.3 Audits, Records and Inspection.

3.3.1 Provider shall maintain a true and correct set of records in accordance with Applicable Laws and Applicable Permits, which shall document its performance and compliance in accordance with this Agreement. Except as may be otherwise required by a Government Authority pursuant to Applicable Laws (in which case, such broader scope or longer duration may apply) and upon not less than five (5) business days prior written notice, Supplier may perform an audit of the foregoing records or of the Distribution Center(s), at its sole expense during the Term and for two (2) calendar Years after the termination of this Agreement. Such audit shall be performed during regular business hours using one or more representatives of Supplier (which may include, without limitation, third party independent professional auditor(s), mutually acceptable to the Parties). Provider shall not unreasonably withhold or condition its approval of any auditor acceptable to Supplier. No auditor shall be allowed to perform an audit without first executing a confidentiality agreement reasonably acceptable to the Provider and Supplier. Any such audit shall be completed within thirty (30) days of the date that Provider provides the reasonably requested documentation to the auditor. Any information obtained by the audit shall be kept confidential and shall not be disclosed to a third party (other than any third-party auditor(s) engaged by the auditing Party, which such auditors shall be bound by written agreements of non-use and non-disclosure at least as stringent as those same obligations under this Agreement) unless disclosure is required by Applicable Laws. Supplier may not conduct more than one (1) audit in each calendar Year and the scope of the audit shall be limited to records relating to the immediately preceding eighteen (18) calendar months; provided, however, that the limitations in the foregoing sentence shall not apply to the extent reasonably necessary for Supplier to respond to requests by any Government Authority. Provider shall cooperate as reasonably requested by Supplier in connection with Supplier's efforts to respond to and resolve any inquiry or concerns raised by any Governmental Authority in connection with the Services, including, without limitation, by providing Supplier copies of any documents or records reasonably necessary for Supplier to respond to the Government Authority (such copies may be redacted to exclude information unrelated to the Services and as reasonably necessary to protect third parties' confidential information). Notwithstanding the foregoing, if an audit report created pursuant to this section reflects a determination by the professional auditor that Distributor has engaged in material and adverse misstatements in any of the reports or invoices provided to Supplier by Provider pursuant to this Agreement, Supplier may conduct one additional audit within the then current year to resolve any such misstatements. This additional audit may cover a scope of up to twenty-four (24) calendar months.

3.3.2 Except in the event that such disclosure would be contrary to Applicable Laws or the request of the applicable Government Authority, Provider shall as soon as reasonably possible but in any event within two (2) business days (i) inform Supplier of any formal inspection or audit by any Government Authority substantially related to or affecting the Services; (ii) provide Supplier with copies of any Government Authority inspection observation reports and correspondence relating to the foregoing inspection or audit (to the extent applicable to the Services and suitably redacted to exclude information unrelated to the Services and as reasonably necessary to protect the confidential information of third parties); and (iii) inform Supplier of any action taken by any Governmental Authority against Provider or any of its officers, employees, agents, or Affiliates, where such action could reasonably be expected to adversely affect Supplier and/or the Services.

3.4 **Returns**. Provider will handle all returns hereunder in accordance with the Returned Goods Policies set forth in Exhibit D hereto.
