Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**Appointment of Officers**

On January 7, 2013, the Board of Directors of Volterra Semiconductor Corporation (the “Company”) approved the appointment of Dr. Craig Teuscher to Chief Operating Officer. Dr. Teuscher, age 45, co-founded Volterra in 1996 and has served in several executive roles with the Company, including as Vice President of Sales and Applications Engineering since January 2003, as Vice President of Worldwide Sales and Applications Engineering since January 2009, as Senior Vice President of Operations, Manufacturing Engineering and Quality Assurance since January 2011 and most recently as Senior Vice President of Notebook Products Group since January 2012. Dr. Teuscher holds a B.S. in Electrical Engineering from Princeton University and an M.S. in Electrical Engineering and Ph.D. in Electrical Engineering from the University of California at Berkeley.

As Chief Operating Officer, Dr. Teuscher shall continue to receive the executive compensation previously disclosed by the Company in its previous Form 8-K filings pursuant to Item 402(c) of Regulation S-K.

Dr. Teuscher has no “family relationships,” as defined in Item 401(d) of Regulation S-K, with any director or executive officer of the Company. There are no arrangements or understandings between Dr. Teuscher and any other person pursuant to which Dr. Teuscher were selected for this promotion. Since the beginning of the fiscal year, there has not been any transaction and there is no currently proposed transaction, or series of similar transactions, involving Dr. Teuscher, or deemed to involve Dr. Teuscher, of the type described in Item 404(a) of SEC Regulation S-K.

Item 9.01 Financial Statements and Exhibits.

On January 8, 2013, the Company issued a press release announcing Dr. Teuscher’ s appointment. The following exhibit is furnished with this document:

<u>Number</u>	<u>Description</u>
99.1	Press Release dated January 8, 2013

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Volterra Names Craig Teuscher Chief Operating Officer

FREMONT, Calif., January 8, 2013 – Volterra Semiconductor Corporation (Nasdaq: VLTR), a leading provider of high-performance analog and mixed-signal power management semiconductors, today announced that company co-founder Dr. Craig Teuscher has been appointed to the newly created position of Chief Operating Officer. In his new capacity, he will oversee all sales, operations and product groups for the company, and will continue to report to President and Chief Executive Officer Jeff Staszak.

“I’m proud to be able to announce this promotion, as Craig has been a driving force in Volterra’s growth over the past 16 years” said Jeff Staszak, Volterra’s President and Chief Executive Officer. “In his new role, I believe that Craig’s experience and insight will further enhance our ability to effectively execute on our company strategy.”

Dr. Teuscher was an original co-founder of Volterra in 1996 and has served in several key executive roles with the company, including as Vice President of Worldwide Sales and Applications Engineering, Senior Vice President of Operations, Manufacturing Engineering and Quality Assurance and most recently as Senior Vice President of Notebook Products Group. Dr. Teuscher holds a B.S. in Electrical Engineering from Princeton University and an M.S. in Electrical Engineering and Ph.D. in Electrical Engineering from the University of California at Berkeley.

About Volterra Semiconductor Corporation

Volterra Semiconductor Corporation, headquartered in Fremont, CA, designs, develops, and markets leading edge silicon solutions for low-voltage power delivery. The Company’s product portfolio is focused on advanced switching regulators for the computer, datacom, storage, and portable markets. Volterra operates as a fabless semiconductor company utilizing world-class foundries for silicon supply. The Company is focused on creating products with high intellectual property content that match specific customer needs. For more information, please visit <http://www.volterra.com>.
