## **RadioShack and Target Dissolve Target Mobile Partnership**

**FORT WORTH, Texas, January 14, 2013**— RadioShack Corp. (NYSE: RSH), today announced the end of its relationship with Target, where it helps operate Target Mobile in 1,500 Target stores, effective April 8, 2013.

The RadioShack and Target partnership provided RadioShack access to manage Target's post-paid mobility business, but RadioShack did not manage the prepaid mobility business or the wider range of accessories offered in Target stores.

Since October 2012, RadioShack had been renegotiating the terms of the relationship with Target to establish an agreement that would be profitable to both companies. At that time, RadioShack executed a termination notice that would allow the company to exit the Target business if an agreement could not be reached.

"In order for RadioShack to have continued this relationship, we needed to establish a new agreement that would be financially appealing to both companies," said Telvin Jeffries, RadioShack executive vice president, chief human resources officer, and general manager of retail services "Ultimately, we amicably agreed to dissolve the relationship."
