REFERENCE TRUST AGREEMENT

This Reference Trust Agreement dated _____, 1997 among Prudential Securities Incorporated, as Depositor, The Chase Manhattan Bank, as Trustee, and Kenny S&P Evaluation Services, a division of J.J. Kenny Co., Inc., as Evaluator, sets forth certain provisions in full and incorporates other provisions by reference to the document entitled "National Municipal Trust, Trust Indenture and Agreement" (the "Basic Agreement") dated September 6, 1989, as amended. Such provisions as are incorporated by reference constitute a single instrument (the "Indenture").

WITNESSETH THAT:

In consideration of the premises and of the mutual agreements herein contained, the Depositor, the Trustee, and the Evaluator agree as follows:

Part I.

STANDARD TERMS AND CONDITIONS OF TRUST

Subject to the provisions of Part II hereof, all the provisions contained in the Basic Agreement are herein incorporated by reference in their entirety and shall be deemed to be a part of this instrument as fully and to the same extent as though said provisions had been set forth in full in this

instrument except that the Basic Agreement is hereby amended in the following manner:

- A. Article I, entitled "Definitions" shall be amended to add the following numbered paragraphs and renumber the succeeding paragraphs accordingly:

-2-

"1. "Additional Bonds" shall mean such Bonds (as defined herein) as are listed in schedules of a Supplemental Reference Trust Agreement and which are deposited in connection with an increase in the number of Units initially specified in a Reference Trust Agreement."

"2. "Additional Deposited Units" shall mean such Deposited Units (as defined herein) as are listed in schedules of a Supplemental Reference Trust Agreement and which are deposited in connection with an increase in the number of Units initially specified in a Reference Trust Agreement."

"3. "Additional Securities" shall mean such Securities (as defined herein) as are listed in schedules of a Supplemental Reference Trust Agreement and which are deposited in connection with an increase in the number of Units initially specified in a Reference Trust Agreement. "Additional Securities" may consist of "Additional Bonds" and/or "Additional Deposited Units."

"4. "Additional Units" shall mean such Units (as defined herein) as are issued in respect of Additional Securities."

"11. "Deferred Sales Charge" shall mean any deferred sales charge payable in accordance with the provisions of Section 3.15 hereof, as set forth in the prospectus for a Trust."

"32. "Supplemental Reference Trust Agreement" shall mean a document pursuant to which Additional Units are deposited in connection with an increase in the number of Units initially specified in a

Reference Trust Agreement."

and to insert the following language in renumbered paragraph (6) defining "Bonds" after each reference to Reference Trust Agreement:

"and Supplemental Reference Trust Agreements"

and to replace the last word in renumbered paragraph (6) defining "Bonds" with the word "relate"

-3-

and to insert the following language in renumbered paragraph (10) defining "Contract Bonds" after the reference to Reference Trust Agreement and redesignate the subsequent clause accordingly:

"(ii) Bonds listed in schedules of Supplemental Reference Trust Agreements"

and to add the following language to the end of renumbered paragraph (28) defining "Securities":

"deposited in trust and listed on a schedule attached to the Reference Trust Agreement or on any schedule of a Supplemental Reference Trust Agreement."

and to amend renumbered paragraph (33) defining "Trustee" as follows:

"Trustee shall mean The Chase Manhattan Bank, or any successor trustee appointed as hereinafter provided."

and to add the following language to the end of renumbered paragraph (36) defining "Unit":

"hereof and increased by the number of Additional Units created pursuant to Section 2.05 hereof."

B. Article II, entitled "Deposit of Securities;

Acceptance of Trust; Issuance of Units; Form of Certificates", shall be amended to add a new Section 2.05 entitled "Deposit of Additional Securities" to read as follows:

"From time to time and in the discretion of the Depositor, the Depositor may make deposits of Additional Securities duly endorsed in blank or accompanied by all necessary instruments of assignment and transfer in proper form (or contracts to purchase Additional Securities and cash or an irrevocable letter of credit in an amount necessary to consummate the purchase of any Additional Securities pursuant to such contracts ("Additional Contract Securities")) and Cash (as defined below), if Cash is an asset of

-4-

the Trust immediately prior to the supplemental deposit, provided that each deposit of Additional Securities and Cash, if any, deposited during the 90-day period following the first deposit of Securities in the Trust shall replicate, to the extent practicable as hereinafter provided, the Securities (including Contract Bonds) and shall exactly replicate Cash (other than Cash to be distributed only to the Sponsor or in respect of Units issued and outstanding prior to the deposit) held in the Trust immediately prior to each such deposit; and, provided further that each deposit of Additional Securities and Cash, if any, subsequent to such 90-day period shall exactly replicate the Securities (including Contract Bonds) and Cash (other than Cash to be distributed only to the Sponsor or in respect of Units issued and outstanding prior to the deposit) held in the Trust immediately prior to each such deposit. For purposes of this Section 2.05 Cash

means cash on hand in the Trust and/or cash receivable by the Trust as of the date of the supplemental deposit in respect of a coupon date which has occurred on or before the date of such supplemental deposit, reduced by payables and accrued expenses on such date, but shall not include cash received on any Security which is allocable to the amount paid to the Unit Holders of record on the first settlement date for the Trust.

Accordingly, for a deposit subsequent to the 90-day period following the first deposit of Securities:

(1) Any Additional Bonds included in a deposit shall be identical to Bonds held in the Trust immediately prior to the deposit and in face amounts such that (i) the face amount of Additional Bonds of a particular issue included in a deposit divided by (ii) the aggregate

-5-

of the face amounts of all Additional Bonds included in the deposit results in a fraction which is the same as the fraction resulting from division of (iii) the aggregate face amount of the Bonds of the same issue held in the Trust divided by (iv) the aggregate face amount of all Bonds held in the Trust immediately prior to the deposit;

(2) Any deposit of Additional Securities shall be accompanied by Cash in an amount bearing the same ratio to the aggregate face amount of all Additional Bonds in the deposit as the Cash held in the Trust immediately prior to the deposit bears to the aggregate face amount of all Bonds held in the

Trust immediately prior to the deposit, exclusive of Cash held in the Trust and designated for distribution only to the Sponsor or with respect to Units issued and outstanding prior to the deposit; and

(3) Any Additional Deposited Units included in a deposit shall be identical with Deposited Units then held in the Trust and shall be in numbers determined by multiplying the number of Deposited Units with respect to a particular prior series of the National Municipal Trust held in the Trust immediately prior to the deposit by the fraction obtained by dividing the face amount of all Additional Bonds included in the deposit by the face amount of all Bonds included in the Trust immediately prior to the deposit;

and for a deposit during the 90-day period following the first deposit of Securities in the Trust, the rules stated in paragraphs (1), (2) and (3) of this Section 2.05 shall apply except that any Additional Securities (including Additional Contract Securities) need be only substantially similar (rather than identical to) Securities held in the Trust immediately

-6-

prior to the deposit and the proportionality requirements need be met only to the extent practicable. Without limiting the generality of the phrase "to the extent practicable", if the Depositor specifies a minimum face amount of a Bond or minimum number of Deposited Units with respect to a particular trust to be included in a deposit and such minimum requirement cannot be met or if a Security identical to a Security held in the Trust is not

readily obtainable, substitution of other substantially similar Securities (including Securities of an issue originally deposited) in order to meet the foregoing proportionality requirements shall be considered as a meeting of such requirements "to the extent practicable".

Each deposit of Additional Securities shall be listed in and made in accordance with a Supplementary Schedule to the Reference Trust Agreement stating the date of such deposit and the number of Additional Units being issued therefor. The execution by the Depositor in connection with the deposit of Additional Securities of a Supplementary Schedule to the Reference Trust Agreement shall constitute the approval by the Depositor as satisfactory in form and substance of the contracts to be entered into or assumed by the Trustee with regard to any Additional Securities listed on such Supplementary Schedule and authorization to the Trustee on behalf of the Trust to enter into or assume such contracts and otherwise to carry out the terms and provisions thereof or to take other appropriate action in order to complete the deposit of the Additional Securities covered thereby into the Trust."

C. Article III, entitled "Administration of Trust", shall be amended as follows:

-7-

- (i) The first part of the first sentence of Section 3.01 Initial Costs shall be amended to substitute the following language before the phrase "provided, however":

"With respect to the Trust, the cost of the preparation and printing of the Certificates, Indenture, Registration Statement and other documents relating to the Trust, Federal and State registration fees and costs, the initial fees and expenses of the Trustee and Evaluator, legal and auditing expenses and other out-of-pocket organizational expenses, to the extent not borne by the Depositor, shall be paid by the Trust;"

Section 3.01 shall be further amended to add the following language:

"To the extent the funds in the Interest and Principal Accounts of the Trust shall be insufficient to pay the expenses borne by the Trust specified in this Section 3.01, the Trustee shall advance out of its own funds and cause to be deposited and credited to the Interest Account such amount as may be required to permit payment of such expenses. The Trustee shall be reimbursed for such advance in the manner provided in Section 3.05 at the rate of accrual set forth in the next sentence, and the provisions of Section 6.04 with respect to the reimbursement of disbursements for Trust expenses including, without limitation, the lien in favor of the Trustee therefor, shall apply to the payment of expenses made pursuant to this Section. For purposes of calculation of distributions under Section 3.05 and the addition provided in clause (4) of Section 5.01, the expenses borne by the Trust pursuant to this Section shall be deemed to accrue at a daily rate over the time period specified for their amortization provided in the Prospectus; provided, however, that nothing herein

shall be deemed to prevent, and the Trustee shall be entitled to, full reimbursement for any advances made pursuant to this Section no later than the termination of the Trust; The Depositor will provide the Trustee with a written estimate of organizational expenses upon which the Trustee shall be entitled to rely unless and until a revised written estimate of such expenses is delivered to the Trustee by the depositor, in which event the Trustee shall make appropriate adjustments to Unit Value and the evaluation of the Trust pursuant to Section 5.01, and to the accrual of such expenses of purposes of calculating distributions."

- (ii) section 3.05 Distribution shall be amended by replacing "\$1.00" with "\$5.00" in the first and last sentences of the third paragraph;
- (iii) section 3.05 shall be further amended to add the following paragraph after the end thereof: "On each Deferred Sales Charge payment date set forth in the prospectus for a Trust, the Trustee shall pay the account created pursuant to Section 3.15 the amount of the Deferred Sales Charge payable on each such date as stated in the prospectus for a Trust. Such amount shall be withdrawn from the Principal Account and the Income Account from the amounts therein designated for such purpose or otherwise deducted from such accounts."
- (iv) sections 3.06 A(3) and 3.06B(3) shall be amended by adding the following: "and any Deferred Sales Charge paid".
- (v) section 3.07 shall be amended by adding the following at the end thereof: "In order to pay the Deferred Sales Charge, the Trustee shall sell or liquidate such an amount of Securities at such time and from time to time and in such manner as

proceeds of such sale or liquidation shall be sufficient to pay the amount required to be paid to the Depositor pursuant to the Deferred Sales Charge program as set forth in the prospectus for a Trust."

- (vi) section 3.14 Replacement Bond shall be amended by deleting from part (vi) of the second sentence the words "in the category A or better" and inserting after the word "organization" the words "in the same category as the Contract Bond which it replaces";

D. Section 3.15 shall be added as follows:

Section 3.15. Deferred Sales Charge. If the Reference Trust Agreement and prospectus for a Trust specifies a Deferred Sales Charge, the Trustee shall, on the dates specified in and as permitted by the prospectus, withdraw from the Income Account or from the Principal Account, as directed by the Depositor, an amount per Unit specified in the prospectus and credit such amount to a special, non-Trust account maintained at the Trustee out of which the Deferred Sales Charge will be distributed to the Depositor. If the balances in the Income and Principal Accounts are insufficient to make any such withdrawal, the Trustee shall, as directed by the Depositor, either advance funds in an amount equal to the proposed withdrawal and be entitled to reimbursement of such advance upon the deposit of additional monies in the Income Account or the Principal Account, sell Securities and credit the proceeds thereof to such special Depositor's Account or credit Securities in kind to such special Depositor's Account. Such directions shall identify the Securities, if any, to be sold or distributed in kind and shall contain, if the Trustee is directed by the Depositor to sell a Security, instructions as to execution of such sales. If a Unit Holder redeems Units prior to full payment

of the Deferred Sales Charge, the Trustee shall, if so provided in the Reference Trust Agreement and prospectus, on the Redemption Date, withhold from the Redemption Price payment to such Unit Holder an amount equal to the unpaid portion of the Deferred Sales Charge as such amount is certified by the Depositor to the Trustee prior to the Redemption Date, upon which certification the Trustee shall be
