About Global MobileTech, Inc.

Global MobileTEch, Inc. (“GLMB”) is a mobile VoIP calls and mobile advertising enabler. The Company offers solutions from multimedia content creation and production; to the dissemination of advertisements and rich interactive multimedia content; and micro-blogging on mobile phones. The Company has used its core skills in multimedia content design and production, information technology and mobile VoIP services to build a carrier and mobile handset neutral Advertising (“Ad”) Server that has paved the way for GLMB to (i) enter the lucrative mobile advertising market globally; (ii) launch MobiCAST, a free access Mobile-Web Social Networking and micro-blogging service that enables users to exchange text messages, photos, breaking news, gossips and videos from any mobile phone; and (iii) offer a unique mobile VoIP service that enables mobile communication devices to communicate with each other using the Internet. MobiCAST was launched in two stages over three months beginning November 2009 to a select group of users in China. For more information, please visit www.globalmobiletech.com.
