**PROXY STATEMENT
FOR THE 2012
ANNUAL MEETING OF STOCKHOLDERS**

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board”) of TPG Specialty Lending, Inc., which is sometimes referred to in this proxy statement as “TSL”, “we”, “us”, “our”, or the “Company,” for use at the 2012 Annual Meeting of Stockholders (the “Meeting”) to be held at the offices of TPG, 888 7th Avenue (between 56th and 57th Streets), 38th Floor, New York, NY 10106 on June 11, 2012, at 1:00 p.m., local time. Only holders of record of our common stock at the close of business on April 26, 2012, which is the record date, will be entitled to vote at the Meeting. At the close of business on the record date, we had 295,059 shares of common stock outstanding and entitled to vote. This proxy statement, including the accompanying form of proxy (collectively, the “Proxy Statement”), and the Company’s Annual Report for the fiscal year ended December 31, 2011, are first being sent to stockholders on or about April 30, 2012. The Annual Report and Proxy Statement can both be accessed online at www.proxyvote.com.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of TSL common stock represented by the proxy will be voted (1) **FOR** the election of each of the two Class I director candidates nominated by the Board and (2) **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012. Should any matter not described above be properly presented at the Meeting, the named proxies will vote in accordance with their best judgment as permitted.

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the record date.

The 2012 Annual Meeting of Stockholders is being held for the following purposes:

1. To elect two Class I directors, each to serve for a three-year term and until a successor has been duly elected and qualified or until the director’s earlier resignation or removal.
2. To ratify the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012.
3. To transact such other business as may properly come before the 2012 Annual Meeting of Stockholders or any postponement or adjournment thereof.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. If you have properly voted by proxy via mail, you will be considered part of the quorum. We will count “abstain” and “withhold” votes as present for the purpose of establishing a quorum for the transaction of business at the Meeting. If at any time shares are held through brokers, we will count broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding

Table of Contents

shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters.

Provided a quorum is present, directors are elected by a plurality of the votes represented at the meeting and voted for nominee(s) in the election. Broker non-votes, if any, though counted for purposes of establishing a quorum, will not affect the outcome of the voting on the elections. A proxy marked “withhold” with respect to a director nominee will result in such director nominee receiving one fewer “FOR” vote that would count towards a plurality.

The affirmative vote of the majority of shares represented at the meeting and voting on the proposal will determine the outcome of the ratification of our independent registered public accounting firm. For each of these proposals, “abstain” votes and broker non-votes, if any, though counted for purposes of establishing a quorum, will have no effect on the outcome of the vote.

The inspector of elections appointed for the Meeting will separately tabulate affirmative and “withhold” votes, “abstain” votes and broker non-votes.

Adjournment of Meeting

In the event that a quorum shall fail to attend the Meeting, either in person or represented by proxy, the stockholders entitled to vote at the Meeting (present in person or represented by proxy) shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. At such adjourned meeting at which a quorum shall be present or represented by proxy, any business may be transacted which might have been transacted at the meeting as originally called. If the adjournment is for more than thirty (30) days, or, if after adjournment a new record date is set, then a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. Any such adjournment proposed by a stockholder or person named as a proxy would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Meeting.

Proxies for the Meeting

The named proxies for the Meeting are David Reintjes and David Stiepleman (or their duly authorized designees), who will follow submitted proxy voting instructions. They will vote as the Board recommends herein as to any submitted proxies that do not direct how to vote on any item, and will vote on any other matters properly presented at the Meeting in their judgment.

Expenses of Soliciting Proxies

TSL will pay the expenses of soliciting proxies to be voted at the Meeting. TSL has retained Broadridge Investor Communications Solutions, Inc. to assist with the solicitation of proxies for a fee of approximately \$6,000, plus reimbursement of expenses.

Revocability of Proxies

A stockholder may revoke any proxy that is not irrevocable by attending the Meeting and voting in person or by delivering a proxy in accordance with applicable law bearing a later date to the Secretary of the Company.

Contact Information for Proxy Solicitation

For purposes of computing the percentage of outstanding shares of common stock held by each person or group of persons named above on a given date, any security which such person or persons has the right to acquire within 60 days after such date is deemed to be outstanding for the purpose of determining the percentage of shares beneficially owned for such person, but is not deemed to be outstanding for the purpose of computing the percentage of beneficial ownership of any other person (except in the case of directors and executive officers as a group). Except as otherwise noted, each beneficial owner of more than five percent of our common stock and each director and executive officer has sole voting and/or investment power over the shares reported.

Each MSSB Unitholder will make its own determination as to how to vote with respect to its portion of the MSSB Onshore Feeder Fund’s shares of the Company, as well as whether or not to vote with respect to such shares. CORPORATE GOVERNANCE

Our Board of Directors

Board Composition

Pursuant to our amended and restated certificate of incorporation, (the “Amended and Restated Certificate of Incorporation”), our Board consists of five members. The Board is divided into three classes, with the members of each class each serving staggered, three-year terms; however, the initial members of the three classes have initial terms of one, two and three years, respectively. The terms of our Class I directors will expire at the Meeting; the term of our Class II director will expire at the 2013 annual meeting of stockholders; and the terms of our Class III directors will expire at the 2014 annual meeting of stockholders.

Messrs. Higginbotham and Tanemura serve as Class I directors (with a term expiring at the Meeting). Mr. Ross serves as a Class II director (with a term expiring in 2014). Messrs. Easterly and Fishman serve as Class III directors (with a term expiring in 2014).

Independent Directors

Pursuant to the Amended and Restated Certificate of Incorporation, a majority of the Board will at all times consist of directors who are not “interested persons” of the Company, of the Adviser, or of any of their respective affiliates, as defined in the 1940 Act (“Independent Directors”).

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and the Company, the Adviser, or of any of their respective affiliates, the Board has determined that Messrs. Higginbotham, Ross and Tanemura qualify as Independent Directors. Each director who serves on the Audit Committee is an independent director for purposes of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “1934 Act”).

Interested Directors

Messrs. Easterly and Fishman are considered “interested persons” (as defined in the 1940 Act) of the Company since both of them are employed by the Adviser. See “Proposal No. 1 Election Of Directors - Biographical Information.”

Nominating Rights and Observers

Under the terms of an agreement between TSL and Universities Superannuation Scheme Ltd. (“USS”), USS has the right to nominate one director to our Board of Directors. This right to nominate has not been exercised by USS for this election, and can only be exercised through written notice to TSL. We cannot assure you that USS will not exercise this right in the future.

Under the terms of agreements between TSL and Oregon Public Employees Retirement Fund, State Teachers Retirement System of Ohio, State of New Jersey Common Pension Fund B, and USS, TSL shall invite a representative from each to attend the meetings of the Board (including any meeting of the IPO Committee) in a nonvoting observer capacity. The USS observer right will terminate upon election of its representative.

Meetings and Attendance

Our Board met six times during 2011 and acted on various occasions by written consent. No incumbent director attended fewer than 75 percent of the aggregate of the total number of meetings of the Board (held during the period for which he has been a director) and the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served).

Table of Contents

Board Attendance at the Meeting

Our policy is to encourage our directors to attend each annual meeting; however, such attendance is not required at this time.

Board Leadership Structure and Role in Risk Oversight

Our Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our Board approves the appointment of our investment adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers, and approves the engagement, and reviews the performance of, our independent registered public accounting firm.

Our Board designates a chairman to preside over the meetings of the Board and to perform such other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the chairman of the Board should be an Independent Director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in our best interests and the best interests of our stockholders at such times.

Presently, Mr. Easterly serves as the chairman of our Board. We believe that Mr. Easterly's familiarity with the Company's investment platform and extensive knowledge of the financial services industry qualifies him to serve as the chairman of our Board.

Our Board does not currently have a designated lead Independent Director. We are aware of the potential conflicts that may arise when a non-Independent Director is chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the Independent Directors in executive session without the presence of interested directors and management, the establishment of an Audit Committee, comprised solely of independent directors for the purposes of Rule 10A-3 under the 1934 Act and the appointment of our Chief Compliance Officer, with whom the Independent Directors meet with in executive session, for administering our compliance policies and procedures. While certain non-management members of our Board currently participate on the boards of directors of other companies, we do not view their participation as excessive or as interfering with their duties on our Board.

The Board performs its risk oversight function primarily through (i) its committees; and, (ii) monitoring by the Company's Chief Compliance Officer in accordance with its compliance policies and procedures.

As described below in more detail under "Audit Committee", the Audit Committee assists the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, the Company's systems of internal controls regarding finance and accounting, and audits of the Company's financial statements. The Audit Committee also discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee consists solely of independent directors for the purposes of Rule 10A-3 under the 1934 Act.

The Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. The Company's Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Company. The Chief Compliance Officer's report, which is reviewed by the Board, addresses (i) the adequacy of the compliance policies and procedures of the Company and certain of its service providers since the last report; (ii) any material changes to such policies and procedures or recommended changes; and, (iii) any compliance matter that has occurred about which the

Table of Contents

Board would reasonably need to know to oversee the Company's compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors periodically, typically every quarter, but in no event less than once each year.

The Company believes that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which it is already subject as a BDC. Specifically, as a BDC, the Company must comply with certain regulatory requirements that control the levels of risk in its business and operations. For example, the Company's ability to incur indebtedness is limited such that its asset coverage must equal at least 200% immediately after each time it incurs indebtedness, the Company generally has to invest at least 70% of its total assets in "qualifying assets" and, subject to certain exceptions, the Company is not generally permitted to invest in any portfolio company in which its affiliates currently has an investment. In addition, the Company intends to elect to be treated as a regulated investment company ("RIC") under Subchapter M of the Internal Revenue Code. As a RIC, the Company must, among other things, meet certain source of income and asset diversification requirements.

Further, the Company believes that the Board's structure and practices enhance its risk oversight in that the Company's Independent Directors separately meet in executive sessions with the Chief Compliance Officer and auditor without any conflict that could be perceived to discourage critical review.

The Company believes that board roles in risk oversight must be evaluated on a case-by-case basis and that its existing board role in risk oversight is appropriate.

Communications with Directors

Our Board has established procedures whereby our stockholders and other interested parties may communicate with any member of our Board, the chairman of any of our Board committees or with our non-management directors as a group by mail addressed to the applicable directors or director group, in the care of the Secretary of the Company, David Reintjes, TPG Specialty Lending, Inc., 301 Commerce Street, Suite 3300, Fort Worth, Texas 76102. Such communications should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations, will be forwarded to the appropriate director, or directors, for review.

Committees of the Board of Directors

We currently have two standing committees: the Audit Committee and the IPO Committee.

Audit Committee

The Audit Committee operates pursuant to the Audit Committee Charter; a copy of which is included in Appendix A. The Audit Committee Charter sets forth the responsibilities of the Audit Committee. The primary function of the Audit Committee is to serve as an independent and objective party to assist the Board in fulfilling its responsibilities for the Company's accounting and reporting processes and the audits of its financial statements by overseeing and monitoring: the quality and integrity of our financial statements, the adequacy of our system of internal controls, the financial reporting process, including the valuation of investments, the review of the independence and performance of, as well as communicate openly with, our independent registered public accounting firm and our compliance with legal and regulatory requirements. Our Board has designated Mr. Ross as an "Audit Committee financial expert" pursuant to the provisions of Item 407(d)(5) of Regulation S-K, and pursuant to the Audit Committee Charter our Audit Committee is comprised solely of members who are independent directors for the purposes of Rule 10A-3 under the 1934 Act.

Messrs. Ross, Higginbotham, and Tanemura are members of the Audit Committee and Mr. Ross serves as Chairman. The Audit Committee held four meetings in 2011.

Table of Contents

IPO Committee

The Bylaws also establish an IPO Committee. The IPO Committee's primary function is to advise the Board regarding matters relating to a possible initial public offering (an "IPO") of the Company's common stock, including (i) the preparation of any registration statement and prospectus in connection with an IPO; (ii) the issuance and sale of the Company's common stock; (iii) the negotiation of the terms and conditions of any underwriting agreements relating to an IPO; (iv) the determination that all common stock is validly issued; and, (v) the authorization of certain of the Company's officers to execute and deliver the documents relevant to an IPO. The IPO Committee acts solely in an advisory capacity to the Board and is not authorized to take any actions on behalf of the Board or the Company.

Messrs. Easterly and Tanemura are members of the IPO Committee. The IPO Committee did not hold any meetings in 2011 and currently does not have a designated chairman.

Compensation Committee

The Board does not have a compensation committee because our executive officers do not receive any direct compensation from the Company.

Director Nominations

Nomination for election as a director may be made by, or at the direction of, the Board or by stockholders in compliance with the procedures set forth in our Bylaws. The Company does not have a standing nominating committee.

Our Bylaws provide the procedures to be followed by a stockholder desiring to make a director nomination. In order for a stockholder to properly bring any item of business before a meeting of stockholders, including nominations to serve as a director, such stockholder must give timely notice thereof in writing to our Secretary in compliance with the requirements of our bylaws. Stockholder notices or nominations for director should be made in writing to the Secretary of the Company, David Reintjes, TPG Specialty Lending, Inc., 301 Commerce Street, Suite 3300, Fort Worth, Texas 76102. Please refer to the text of our Bylaws (including Article II, paragraph (K)) which are on file with the SEC, and "Bylaw Requirements for Stockholder Submission of Nominations and Proposals" in this proxy statement for additional information.

In evaluating director nominees, our Board considers, among others, the following factors:

- the appropriate size and composition of our Board;
- whether or not the person is an "interested person" of TSL as defined in Section 2(a)(19) of the 1940 Act;
- the needs of TSL with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- character and integrity;
- familiarity with national and international business matters;
- experience with accounting rules and practices;
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members; and,
- any applicable laws, rules, regulations, and listing standards.

Table of Contents

The Board's goal is to assemble a board that brings to TSL a variety of perspectives and skills derived from high-quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although our Board may also consider such other factors as they may deem are in the best interests of TSL and its stockholders. The Board also believes it appropriate for certain key members of our management to participate as members of the Board.

The Board identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the independent members of the Board identify the desired skills and experience of a new nominee in light of the criteria above. The members of the Board are polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees although we reserve the right in the future to retain a third party search firm, if necessary.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Board considers and discusses diversity, among other factors, with a view toward the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board, when identifying and recommending director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of TSL and the interests of its shareholders.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics which applies to, among others, our executive officers, including our Principal Executive Officer and Principal Financial Officer, as well as every officer, director and employee of the Company. There have been no material changes to our corporate code of ethics or material waivers of the code that apply to our Chief Executive Officer or Chief Financial Officer.

We hereby undertake to provide a copy of this code to any person, without charge, upon request. Requests for a copy of this code may be made in writing addressed to the Secretary of the Company, David Reintjes, TPG Specialty Lending, Inc., 301 Commerce Street, Suite 3300, Fort Worth, Texas 76102.

Involvement in Certain Legal Proceedings

None.

Election of Officers

Our Board elects our officers and our officers serve until their resignation or termination or until their successors are duly elected and qualified.

Compensation of Executive Officers

We do not currently have any employees and do not expect to have any employees. Services necessary for our business are provided by individuals who are employees of the Adviser or its affiliates, pursuant to the terms of the investment advisory agreement entered into by and between the Company and the Adviser, as amended (the "Amended Advisory Agreement") and the administration agreement entered into by and between the Company and the Adviser (the "Administration Agreement"). Each of our executive officers is an employee of the Adviser or its affiliates. Our day-to-day investment operations are managed by the Adviser. Most of the services necessary for the origination and administration of our investment portfolio are provided by investment professionals employed by the Adviser or its affiliates.

None of our executive officers receives direct compensation from us. We reimburse the Adviser the allocable portion of the compensation paid by the Adviser (or its affiliates) to the Company's Chief Compliance Officer and Chief Financial Officer and their respective staffs (based on the percentage of time such individuals devote, on an estimated basis, to the business and affairs of the Company). Certain of our executive officers and other members of our investment team, through their ownership interest in or management positions with the Adviser or its affiliates, are entitled to a portion of any profits earned by the Adviser, which includes any fees payable to the Adviser under the terms of our Amended Advisory Agreement, less expenses incurred by the Adviser in performing its services under our Amended Advisory Agreement. The Adviser or such affiliates may pay additional salaries, bonuses, and individual performance awards and/or individual performance bonuses to our executive officers in addition to their ownership interest.

Our Investment Adviser and Administrator

The Adviser is affiliated with TPG. "TPG" refers to TPG Capital, L.P. together with its affiliates. TPG is a leading global diversified alternative investment firm with total assets under management of approximately \$49 billion as of December 31, 2011.

The Adviser is a registered investment adviser with the SEC under the Advisers Act. The Adviser sources and manages our portfolio through a team of investment professionals (the "Investment Team"), led by our Chief Executive Officer, Michael Fishman, and our Co-Chief Investment Officers, Alan Waxman and Joshua Easterly, all of whom have substantial experience in credit origination, underwriting, and asset management. Our investments are also made in coordination with an investment review committee (the "Investment Review Committee") that includes senior partners of TPG.

Formed in 2009, TOP is TPG's dedicated special situations and credit investment platform. Management of the Adviser consists primarily of senior executives of TOP. Along with Messrs. Waxman, Easterly and Fishman,

Table of Contents

TOP has a team of over 35 dedicated professionals and collectively brings extensive experience in the credit markets and special situations investing; 15 of these professionals dedicate the majority of their time to the Company's operations as of December 31, 2011.

The Adviser's address is 301 Commerce Street, Suite 3300, Fort Worth, Texas 76102.

Certain Relationships and Related Party Transactions

Transactions with Related Persons

Relationship with TPG

Our investment activities are managed by our Adviser, which is responsible for sourcing, researching and structuring potential investments, monitoring our portfolio companies and providing operating, managerial and administrative assistance to the Company and to our portfolio companies as required.

The Adviser is registered under the Advisers Act and is an affiliate of TPG. Other affiliates of TPG are also registered investment advisers and provide investment advisory services to a number of private investment funds. In addition, TPG and its affiliates engage in a broad range of other investment activities, including pursuing investments for their own account and for the account of associated funds and providing other services to these funds and their portfolio companies. The Adviser also holds 18,883 shares of our common stock as of April 16, 2012.

We consider that we benefit from the Adviser's relationships with TPG, since the Adviser has access to the contacts and industry knowledge of TPG's investment professionals, and is also able to consult with TPG investment professionals on specific industry issues, trends and other matters to complement our investment process. However, the Adviser and members of the Adviser's Investment Review Committee are expected to face a number of actual and potential conflicts of interest involving the Company, TPG and other private investment funds affiliated with TPG, including conflicts in the allocation of investment opportunities among the Company and other TPG-affiliated funds as well as in their time and attention requirements as to these other funds. Additionally, various potential and actual conflicts of interest may arise from the overall advisory, investment and other activities of the Adviser, its affiliates, including TPG, and their respective clients.

Allocations of Investment Opportunities

In the ordinary course of conducting its activities, the Adviser and members of the Adviser's Investment Review Committee are expected to encounter situations in which it must be determined how investment opportunities are allocated among the Company and other investment funds affiliated with TPG. The Adviser, TOP and TPG expect to make all loan origination opportunities to middle-market borrowers (including any equity or equity-like interests connected to such opportunities) available to the Company first.

Obligations to TPG-Affiliated Funds

Members of the Adviser's senior management and Investment Review Committee are and will continue to be active in other investment funds affiliated with TPG that pursue investment opportunities that could overlap with those pursued by the Company. Under the agreements governing these other investment funds, such investment opportunities may be required to be offered to these funds first. While the investment strategy pursued by these funds may overlap with the investment objective pursued by the Company in certain respects, members of the Adviser's senior management and Investment Review Committee are generally not required to offer investment opportunities in middle-market loan originations, which is the Company's primary investment focus, to TPG's existing funds.

Table of Contents

Allocation of Loan Origination Investment Opportunities

Subject to the above, TPG intends to conduct all middle-market loan origination activities through the Company, unless it would not be permissible, advisable or otherwise suitable for the Company to pursue a particular investment opportunity. For example, certain loan origination investment opportunities may not be appropriate for the Company if they might cause the Company to violate asset coverage or concentration limitations imposed by the 1940 Act or the Internal Revenue Code of 1986, as amended (the “Code”), would be ineligible for financing under the Company’s financing arrangements, pose adverse legal, regulatory or tax risks, constrain the Company’s resources to make future investments or would otherwise be inappropriate or inadvisable as an investment for the Company. TPG or TOP may in the future organize a separate investment vehicle aimed specifically at non-U.S. middle-market loan originations or other loan origination opportunities that are inappropriate for the Company. Any such loan origination opportunities not pursued by the Company may then be presented to other TPG-managed or sponsored vehicles, including vehicles managed by TOP investment professionals. Pursuant to certain agreements with our stockholders, the Adviser and its affiliates are not permitted to act as manager of, or the primary source of transactions for, other pooled investment funds, the principal objective of which is to source, originate and manage loans to middle-market companies whose principal business operations are in the United States until the first to occur of (i) April 15, 2015; (ii) the date of an IPO that results in an unaffiliated public float of at least \$75 million (a “Qualified IPO”); and, (iii) the time that at least 75% of the investors’ aggregate capital commitments have been contributed to the Company. This restriction will not prevent the Adviser from acting as manager of, or the primary source of transactions for, investment vehicles in which the Company invests or otherwise holds an economic interest.

Allocation of Non-Loan Origination Investment Opportunities

While our primary focus is to generate current income and capital appreciation through direct lending to eligible portfolio companies (i.e., U.S. domiciled, middle-market issuers in which a BDC must invest at least 70% of its total assets), we also may invest up to 30% of our portfolio opportunistically in non-eligible portfolio companies. These non-eligible assets may include, among other things, debt issued by companies located outside the United States, publicly and privately traded debt and equity securities, high yield bonds and other instruments or assets (including consumer and commercial loans).

In the event that TPG is not required to forward a particular investment opportunity to an affiliated fund, then the Company may be permitted to take up such opportunity. The decision to allocate any such opportunity as between the Company and other TPG-managed or TPG-sponsored vehicles will take into account various factors that TPG and the Adviser deem appropriate. It is possible that the Company may not be given the opportunity to participate in certain investments made by other TPG-affiliated funds that would otherwise be suitable for the Company.

If TPG and the Adviser were to determine that an investment is appropriate both for the Company and for one or more other TPG-managed or TPG-sponsored vehicles, the Company would only be able to make any such investments subject to compliance with applicable regulations and interpretations and in accordance with TPG’s allocation procedures. In certain circumstances, co-investments with affiliates may be made only if the Company requests and receives an order from the SEC permitting us to do so.

On November 23, 2011, TSL, the Adviser and certain other TPG affiliates filed an application with the SEC for exemptive relief that if granted would allow TSL to co-invest in certain transactions with affiliates of TPG if certain conditions are met, including prior approval by a majority of the Independent Directors of the Board and the requirement that the terms and conditions of the investment applicable to any affiliates of TPG be the same as those applicable to the Company. There can be no assurance that the SEC will grant the requested exemptive relief or any other relief to allow TSL to co-invest with TPG affiliates.

The Adviser also serves as our administrator. The administrator, on behalf of and at the expense of the Company, may retain one or more service providers that may also be affiliates of TPG to serve as

sub-administrator, custodian, accounting agent, investor services agent, transfer agent or other service provider for the Company. Any fees paid by the Company, or indemnification obligations undertaken by the Company, in respect of the administrator and such other service providers that are TPG affiliates will be set at arm's length and approved by the Independent Directors.

Fees

In the course of our investing activities, we pay fees to the Adviser, incur direct expenses and will reimburse the Adviser for certain expenses it incurs.

Amended Advisory Agreement and Administration Agreement

We have entered into an Amended Advisory Agreement with our Adviser under which the Adviser:

determines the composition of our portfolio, the nature and timing of the changes to our portfolio and the manner of implementing such changes;

identifies, evaluates and negotiates the structure of the investments we make (including performing due diligence on our prospective portfolio companies);

determines the assets we will originate, purchase, retain or sell;

closes, monitors and administers the investments we make, including the exercise of any rights in our capacity as a lender or equityholder; and,

provides us such other investment advisory, research and related services as we may, from time to time, reasonably require for the investment of its funds, including providing operating and managerial assistance to the Company and its portfolio companies, as required.

The Adviser's services under the Amended Advisory Agreement are not exclusive, and it is free to furnish similar or other services to others so long as its services to us are not impaired.

Under the terms of the Amended Advisory Agreement, we pay the Adviser a base management fee (the "Management Fee") and may also pay certain incentive fees (the "Incentive Fee").

For the quarterly periods ended September 30, 2011 and June 30, 2011, the Management Fee was calculated at an annual rate of 1.5% based on the value of the Company's gross assets at the end of such calendar quarter, adjusted for share issuances and repurchases during such period. Beginning October 1, 2011, and until an initial public offering of our common stock (an "IPO"), the Management Fee is calculated at an annual rate of 1.5% based on the average value of the Company's gross assets calculated using the values at the end of the two most recently completed calendar quarters, adjusted for any share issuances or repurchases during the period. Management Fees are payable quarterly in arrears and are prorated for any partial month or quarter.

For the year ended December 31, 2011, Management Fees were \$1,592,601.

Table of Contents

Until such time that we have an IPO, the Adviser has waived its right to receive the Management Fee in excess of the sum of (i) 0.25% of aggregate committed but undrawn capital; and, (ii) 0.75% of aggregate drawn capital (including capital drawn to pay Company expenses) as determined as of the end of any calendar quarter.

For the year ended December 31, 2011, Management Fees of \$6,685 were waived.

The Incentive Fee consists of two parts, as follows:

- (i) The first component, payable at the end of each quarter in arrears, will equal 100% of the excess of pre-incentive fee net investment income in excess of a 1.5% quarterly hurdle rate, until the Adviser has received 15% (17.5% subsequent to an IPO) of total net investment income for that quarter, and 15% (17.5% subsequent to an IPO) of all remaining pre-incentive fee net investment income for that quarter.
- (ii) The second component, payable at the end of each fiscal year in arrears, will, prior to an IPO, equal 15% of cumulative realized capital gains from the inception of the Company to the end of such fiscal year, less the aggregate amount of any previously paid capital gain incentive fees for prior periods (the "Capital Gains Fee"). Following an IPO, the Capital Gains Fee will equal a weighted percentage of the Company's realized capital gains, if any, on a cumulative basis as between the inception of the Company to an IPO and from such IPO to the end of such fiscal year. The weighted percentage is intended to ensure that for each fiscal year following an IPO, the portion of the Company's realized capital gains that accrued prior to an IPO will be subject to an incentive fee rate of 15% and the portion of the Company's realized capital gains that accrued following an IPO will be subject to an incentive fee rate of 17.5%.

Notwithstanding the forgoing, if prior to an IPO, cumulative net realized losses from inception of the Company exceed the aggregate dollar amount of dividends paid by the Company through such date, the Adviser will forego the right to receive its quarterly incentive fee payments with respect to pre-incentive fee net investment income until such time that cumulative net realized losses are less than or equal to dividend payments.

The Company accrues Incentive Fees taking into account unrealized gains and losses; however, Section 205(b)(3) of the Advisers Act prohibits the Adviser from receiving the payment of fees until such gains are realized. For the year ended December 31, 2011, Incentive Fees were \$346,789.

The December 12, 2011, amendment to the initial advisory agreement was approved by the Company's Board and its stockholders and December 12, 2011, is the new effective date for the Amended Advisory agreement. The amendment revised the base against which the 1.5% hurdle rate is measured when calculating the Adviser's entitlement to receive a portion of the Company's pre-incentive fee net investment income in any given calendar quarter. The amendment applies retroactively to October 1, 2011, and will continue to apply until an IPO.

Our Board monitors the mix and performance of our investments over time and seeks to satisfy itself that the Adviser is acting in our interests and that our fee structure appropriately incentivizes the Adviser to do so.

On March 15, 2011, we entered into an Administration Agreement (the "Administration Agreement") with our Adviser. Under the terms of the Administration Agreement, the Adviser will provide administrative services to the Company. These services include providing office space, equipment and office services, maintaining financial records, preparing reports to stockholders and reports filed with the SEC, and managing the payment of expenses and the performance of administrative and professional services rendered by others. Certain of these services are reimbursable to the Adviser under the terms of the Administration Agreement. Including initial organization and operating costs, for the year ended December 31, 2011, the Company incurred expenses of \$1,826,183 for administrative services payable to the Adviser under the terms of the Administration Agreement.

Table of Contents

In addition, the Adviser is permitted to delegate its duties under the Administration Agreement to affiliates or third parties and we will pay or reimburse to the Adviser the expenses incurred by any such affiliates or third parties for work done on our behalf. Expenses incurred by the Adviser on behalf of the Company for the year ended December 31, 2011, were \$2,255,690.

Unless earlier terminated as described below, the Amended Advisory Agreement and the Administration Agreement will remain in effect for a period of two years from their respective effective dates and will remain in effect from year to year thereafter if approved annually by (i) the vote of our Board, or by the vote of a majority of our outstanding voting securities; and, (ii) the vote of a majority of our Independent Directors. The Amended Advisory Agreement and the Administration Agreement will also automatically terminate in the event of an assignment and may be terminated by either party without penalty upon at least 60 days' written notice to the other party.

No person who is an officer, director or employee of the Adviser or its affiliates and who serves as a director of the Company receives any compensation from the Company for its services as a director. However, the Company reimburses the Adviser (or its affiliates) for an allocable portion of the compensation paid by the Adviser (or its affiliates) to the Company's Chief Compliance Officer, Chief Financial Officer, and other professionals who spend time on such related activities (based on the percentage of time such individuals devote, on an estimated basis, to the business and affairs of the Company). Directors who are not affiliated with the Adviser receive compensation for their services and reimbursement of expenses incurred to attend meetings.

The Adviser does not assume any responsibility to us other than to render the services described in, and on the terms of, the Amended Advisory Agreement and the Administration Agreement, and is not responsible for any action of our Board in declining to follow the advice or recommendations of the Adviser. Under the terms of the Amended Advisory Agreement and the Administration Agreement, the Adviser (and its members, managers, officers, employees, agents, controlling persons and any other person or entity affiliated with it) shall not be liable to the Company for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under the Amended Advisory Agreement, the Administration Agreement or otherwise as an investment adviser of the Company (except to the extent specified in Section 36(b) of the 1940 Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services). The Company shall, to the fullest extent permitted by law, provide indemnification and the right to the advancement of expenses, to each person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he/she is or was a member, manager, officer, employee, agent, controlling person of the Adviser or any other person or entity affiliated with the Adviser or is or was a member of the Adviser's Investment Review Committee, on the same general terms set forth in Article VIII of our Amended and Restated Certificate of Incorporation.

United States federal and state securities laws may impose liability under certain circumstances on persons who act in good faith. Nothing in the Amended Advisory Agreement will constitute a waiver or limitation of any rights that the Company may have under any applicable federal or state securities laws.

We also have a license agreement (the "License Agreement") with an affiliate of TPG, pursuant to which we have been granted a non-exclusive license to use the TPG name and logo, for a nominal fee, for so long as the Adviser or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the "TPG" name or logo.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected KPMG LLP to serve as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2012. While the Audit Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent auditor, we are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of KPMG LLP as our independent registered public accounting firm. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

KPMG LLP's representatives are expected to be available telephonically for the Meeting and will have an opportunity to make a statement, if they so desire, as well as to respond to appropriate questions asked by our stockholders.

The Board recommends that our stockholders vote "FOR" ratification of the selection of KPMG LLP as our independent registered public accounting firm.

Fees Paid to KPMG LLP

Audit Fees

During the year ended December 31, 2011, the aggregate fees billed by KPMG LLP for the audit of our consolidated financial statements, review of our interim financial statements and other professional services related to SEC registration statements were \$310,000. In addition, we reimbursed KPMG LLP \$18,076 for out-of-pocket expenses incurred in the performance of the audit.

Audit-Related Fees

During the year ended December 31, 2011, KPMG LLP was not engaged to provide any services related to the performance of the audit or review of our financial statements, but which are not reportable as Audit Fees.

Tax Fees

During the year ended December 31, 2011, no amounts were billed by KPMG LLP for tax compliance, tax advice and tax planning services.

All Other Fees

During the year ended December 31, 2011, there were no other fees billed for services rendered by KPMG LLP not reportable as Audit Fees, Audit-Related Fees or Tax Fees.

The services provided by KPMG LLP described in "Audit-Related Fees," "Tax Fees" and "All Other Fees" above, were approved by the Audit Committee according to applicable SEC rules. The Audit Committee has determined the rendering of the above-mentioned non-audit services by KPMG LLP was compatible with maintaining our independent registered public accounting firm's independence.

Auditor Independence

The Audit Committee has considered whether the provision of the above-noted services is compatible with maintaining the independence of the independent registered public accounting firm and has determined that the provision of such services has not adversely affected KPMG LLP's independence.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board operates under a written charter adopted by the Board. The Audit Committee is currently composed of Messrs. Ross, Higginbotham and Tanemura.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (US) and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and KPMG LLP, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of KPMG's examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with KPMG matters relating to KPMG's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 114 (Auditor's Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with KPMG their independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Public Company Accounting Oversight Board Rule 3520 (Auditor Independence). The Audit Committee received a letter from KPMG confirming their independence and discussed it with them. The Audit Committee discussed

[Table of Contents](#)

and reviewed with KPMG the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. The Audit Committee has adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. The Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the selection of KPMG LLP to serve as the independent registered public accounting firm for the year ending December 31, 2012.

Respectfully Submitted,

TPG SPECIALTY LENDING, INC.

AUDIT COMMITTEE CHARTER

The Board of Directors (“*Board*”) of TPG Specialty Lending, Inc. (the “*Company*”) has determined that the Audit Committee of the Board (the “*Committee*”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. The Board hereby adopts this charter (“*Charter*”) to establish the governing principles of the Committee.

I. Purpose

The primary function of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Company’s accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

- a. The quality and integrity of financial reports and other financial information provided by the Company to governmental bodies or the public and the independent audit thereof.
- b. The Company’s system of internal controls regarding finance, accounting and regulatory compliance.

The Committee will primarily fulfill these responsibilities by carrying out the responsibilities and duties enumerated in Section V of this Charter.

II. Scope

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate or are in accordance with generally accepted accounting principles (“*GAAP*”). The responsibility to plan and conduct audits is that of the Company’s independent accountants. In fulfilling this responsibility, the independent accountants are ultimately accountable to the Board of the Company and this Committee. The Company’s management has the responsibility to determine that the Company’s financial statements are complete and accurate and in accordance with GAAP. It is also not the duty of the Committee to assure the Company’s compliance with laws and regulations or compliance with the Company’s Code of Ethics or Code of Business Conduct and Ethics. The primary responsibility for these matters also rests with the Company’s management.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with the valuation committee, management, independent accountants, internal auditors, employees, and others regarding the quality of the financial statements and the system of internal controls.

- b. Shall be or shall become (within a reasonable period of time after his or her appointment) “financially literate,” as such qualification is interpreted by the Board.
- c. Shall have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Company. - viii. Take other actions required of the Committee by law, applicable regulations, or as requested by the Board.

 - 2. Pre-approving all auditing services and permitted non-audit services (including fees and terms thereof) to be performed for the Company by its independent accountants. See the Policy on Pre-Approval of Audit and Non-Audit Services set forth in Annex A.  - 3. Ensuring the rotation of the lead (or coordinating) audit partner (or, if required by the rules and regulations of the SEC, other employees of the independent accountants) having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law.

AUDIT COMMITTEE CHARTER

ANNEX A

Policy on Pre-Approval of Audit and Non-Audit Services

I. Statement of Principles

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm (“*Independent Auditor*”) in order to assure that the provision of such services to the Company does not impair the auditor’s independence. Unless a type of service to be provided by the Independent Auditor has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee.

II. Audit Services
