SCHEDULE 13D

Item 1. Security and Issuer.

This Schedule 13D (the “Schedule 13D”) relates to the common stock, par value \$0.001 per share (the “Common Stock”) of Liquidmetal Technologies, Inc., a Delaware corporation, whose principal executive offices are located at 30452 Esperanza, Rancho Santa Margarita, California, 92688 (the “Issuer”).

Item 2. Identity and Background.

This Schedule 13D is filed by the Wynnefield Reporting Persons.

(a)-(c) and (f) This Schedule 13 is filed by the following reporting persons (collectively, the “Wynnefield Reporting Persons”). Each has a business address at 450 Seventh Avenue, Suite 509, New York, New York 10123:

1. Wynnefield Partners Small Cap Value, L.P., private investment companies organized as limited partnerships under the laws of the State of Delaware (“Wynnefield Partners”);
2. Wynnefield Partners Small Cap Value, L.P. I, private investment companies organized as limited partnerships under the laws of the State of Delaware (“Wynnefield Partners I”);
3. Wynnefield Small Cap Value Offshore Fund, Ltd., a private investment company organized under the laws of the Cayman Islands (“Wynnefield Offshore”);
4. Wynnefield Capital Management, LLC, a New York limited liability company (“WCM”);
5. Wynnefield Capital, Inc., a New York corporation (“WCI”);
6. Nelson Obus, a citizen of the United States of America; and
7. Joshua Landes, a citizen of the United States of America.

The Wynnefield Reporting Persons are each separate and distinct entities with different beneficial owners (whether designated as limited partners or stockholders).

WCM is the general partner of Wynnefield Partners and Wynnefield Partners I. Nelson Obus and Joshua Landes are the co-managing members of WCM, and, as such, have the power to direct the vote and the disposition of the shares of the Issuer’s Common Stock held by Wynnefield Partners and Wynnefield Partners I.

WCI is the general partner and investment manager of Wynnefield Offshore. Nelson Obus and Joshua Landes are the principal executive officers of WCI, as such, have the power to direct the vote and the disposition of the shares of the Issuer’s Common Stock held by Wynnefield Offshore.

(d) and (e). During the last five years, none of the Wynnefield Reporting Persons have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

All securities of the Issuer reported in this Schedule 13D as beneficially owned by the Wynnefield Reporting Persons were acquired by Wynnefield Partners, Wynnefield Partners I and Wynnefield Offshore, respectively, using funds provided from the working capital of such Wynnefield Reporting Person. These include (i) an aggregate 1,073,554 shares of the Issuer's Common Stock, (ii) Convertible Subordinated Notes in the aggregate principal amount of \$1,702,115, issued on various dates, which are convertible into an aggregate of 1,547,377 shares of the Issuer's Common Stock at a conversion price of \$1.10 per share, and (iii) Common Stock Purchase Warrants of the Issuer issued on various dates, to purchase an aggregate of 1,110,392 shares of the Issuer's Common Stock, at various conversion prices. No other funds or other consideration were used in making such purchases.

Item 4. Purpose of Transaction.

The Wynnefield Reporting Persons acquired the shares of the Issuer's Common Stock in the ordinary course of its business for investment purposes. The Wynnefield Reporting Persons also separately purchased the Subordinated Convertible Notes and Common Stock Purchase Warrants for investment purposes, pursuant to a certain Securities Purchase Agreement with the Issuer. The Notes were not amortized, as required pursuant to the Securities Purchase Agreement. The Company took the unprecedented act of purportedly amending the Notes after the fact, and consequently, the Wynnefield Reporting Persons entered into forbearance discussions with the Issuer. On August 13, 2008, the Wynnefield Reporting Persons sent a notice of default to the Issuer, a copy of which is attached hereto as Exhibit A. On August 8, 2008, a representative of the Issuer informed the Wynnefield Reporting Persons that the Notes had been amended by a majority of the Notes' holders. On August 18, 2008, a representative of the Wynnefield Reporting Persons sent the Issuer a request for proof that a majority of holders of the Notes elected to amend the terms of the Notes. A copy of such letter is attached hereto as Exhibit B. On August 19, 2008, a representative of the Issuer provided notice to the Wynnefield Reporting Persons of the purported proof of majority. A copy of such notice is attached hereto as Exhibit C. The Wynnefield Reporting Persons believe that the Notes were not timely nor properly amended and that the Issuer is consequently in an Event of Default with respect to the Notes, which Event of Default has not been properly disclosed to the public.

As a result of these events, the Wynnefield Reporting Persons are seeking a more active role in the Company's affairs in order to protect their position and the position of other shareholders and creditors, including whether to place the Issuer into an involuntary bankruptcy proceeding. The Wynnefield Reporting Persons are also considering taking steps to bring about other changes, which may include changes in the board composition by nominating at least one new member to the Issuer's Board of Directors, as well as the pursuit of other plans or proposals that relate to or would result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D, and to discuss such issues with the Issuer's directors, management, shareholders and other parties. The Wynnefield Reporting Persons reserve the right to take whatever future action they deem appropriate regarding the Issuer and its securities under the circumstances as they then exist.

The Reporting Persons may, from time to time and at any time, acquire additional shares of Common Stock of the Issuer in the open market or otherwise and reserve the right to dispose of any or all of their shares in the open market or otherwise, at any time and from time to time.

Item 5. Interest in Securities of the Issuer.

(a) - (c) As of August 28, 2008, the Wynnefield Reporting Persons beneficially owned in the aggregate, 3,731,323 shares of Common Stock constituting approximately 8.34% of the outstanding shares of the Issuer's Common Stock (based upon 44,726,295 shares of the Issuer's Common Stock outstanding on July 31, 2008, as set forth in the Issuer's report on Form 10-Q for the quarterly period ended June 30, 2008, filed with the U.S. Securities and Exchange Commission on August 19, 2008). The following table sets forth certain information with respect to shares of Common Stock beneficially owned directly by the Wynnefield Reporting Persons listed:

<u>Name</u>	<u>Number of Shares</u>	<u>Approximate Percentage of Outstanding Shares</u>
Wynnefield Partners	1,019,531	2.28%
Wynnefield Partners I	1,370,294	3.06%
Wynnefield Offshore	1,341,499	3.00%

WCM is the sole general partner of Wynnefield Partners and Wynnefield Partners I and, accordingly, may be deemed to be the indirect beneficial owner (as that term is defined under Rule 13d-3 promulgated pursuant to the Exchange Act) of the shares of Common Stock that Wynnefield Partners and Wynnefield Partners I beneficially own. WCM, as the sole general partner of Wynnefield Partners and Wynnefield Partners I, has the sole power to direct the voting and disposition of the shares of Common Stock that Wynnefield Partners and Wynnefield Partners I beneficially own.

Messrs. Obus and Landes are the co-managing members of WCM and, accordingly, each of Messrs. Obus and Landes may be deemed to be the indirect beneficial owner (as that term is defined under Rule 13d-3 promulgated pursuant to the Exchange Act) of the shares of Common Stock that WCM may be deemed to beneficially own. Each of Messrs. Obus and Landes, as a co-managing member of WCM, shares with the other the power to direct the voting and disposition of the shares of Common Stock that WCM may be deemed to beneficially own.

WCI is the sole investment manager of Wynnefield Offshore and, accordingly, may be deemed to be the indirect beneficial owner (as that term is defined under Rule 13d-3 promulgated pursuant to the Exchange Act) of the shares of Common Stock that Wynnefield Offshore beneficially owns. WCI, as the sole investment manager of Wynnefield Offshore, has the sole power to direct the voting and disposition of the shares of Common Stock that Wynnefield Offshore beneficially owns.

Messrs. Obus and Landes are the principal executive officers of WCI and, accordingly, each of Messrs. Obus and Landes may be deemed to be the indirect beneficial owner (as that term is defined under Rule 13d-3 promulgated pursuant to the Exchange Act) of the shares of Common Stock that WCI may be deemed to beneficially own. Each of Messrs. Obus and Landes, as a principal executive officer of WCI, shares with the other the power to direct the voting and disposition of the shares of Common Stock that WCI may be deemed to beneficially own.

Beneficial ownership of shares of Common Stock shown on the cover pages of and set forth elsewhere in this Schedule 13D for each of the Wynnefield Reporting Persons assumes that they have not formed a group for purposes of Section 13(d)(3) under the Exchange Act, and Rule 13d-5(b)(1) promulgated thereunder. If the Wynnefield Reporting Persons were deemed to have formed a group for purposes of Section 13(d)(3) and Rule 13d-5(b)(1), the group would be deemed to own beneficially (and may be deemed to have shared voting and dispositive power over) 3,731,323 shares of Common Stock, constituting approximately 8.34% of the outstanding shares of Common Stock (based upon 44,726,295 shares of the Issuer's Common Stock outstanding on July 31, 2008, as set forth in the Issuer's report on Form 10-Q for the quarterly period ended June 30, 2008, filed with the U.S. Securities and Exchange Commission on August 19, 2008). The filing of this Schedule 13D and the inclusion of information herein with respect to Messrs. Obus and Landes shall not be considered an admission that any of such persons, for the purpose of Section 13(d) of the Exchange Act, are the beneficial owners of any shares in which such persons do not have a pecuniary interest.

To the best knowledge of the Wynnefield Reporting Persons, except as described herein, none of the Wynnefield Reporting Persons, any person in control (ultimately or otherwise) of the Wynnefield Reporting Persons, any general partner, executive officer or director thereof, as applicable, beneficially owns any shares of Common Stock, and there have been no transactions in shares of Common Stock effected during the past 60 days by the Wynnefield Reporting Persons, any person in control of the Wynnefield Reporting Persons (ultimately or otherwise), or any general partner, executive officer or director thereof, as applicable; provided, however, certain investment banking affiliates of the Wynnefield Reporting Persons may beneficially own shares of Common Stock, including shares that may be held in discretionary or advisory accounts with the Wynnefield Reporting Persons; and the Wynnefield Reporting Persons, directly or in connection with such discretionary or advisory accounts, may acquire, hold, vote or dispose of Common Stock, including transactions that may have occurred in the past 60 days.

(d) No person, other than each of the Wynnefield Reporting Persons referred to as the direct beneficial owner of the shares of Common Stock set forth in this response to Item 5, has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such shares of Common Stock.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer.

To the best knowledge of the Wynnefield Reporting Persons, any person in control (ultimately or otherwise) of the Wynnefield Reporting Persons, or any general partner, executive officer or director thereof, as applicable, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Wynnefield Reporting Persons, and any other person, with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option agreements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.

Re: Notice of Events of Default and Reservation of Rights

Dear Mr. Kang:

Reference is made to that certain Convertible Subordinated Note dated as of January 3, 2007 (the "**Note**") issued by Liquidmetal Technologies, Inc. (the "**Company**") pursuant to that certain Securities Purchase Agreement dated as of January 3, 2007 (the "**SPA**") between the Company and certain purchasers, including funds managed by Wynnefield Capital, Inc. ("**Wynnefield**" or the "**Holder**").

Capitalized terms used herein but not specifically defined herein shall have the meanings ascribed to them in the Note and the SPA.

NOTICE IS HEREBY GIVEN to the Company that one or more unwaived Events of Default have occurred, remain unwaived, and are continuing under the Note, including without limitation, the following Events of Default (the "**Designated Events of Default**"):

1. Event of default under Section 1(b) of the Note – the Company has failed to pay the amortization payment that was due on July 31, 2008.

FURTHER NOTICE IS HEREBY GIVEN to the Company that pursuant to Section 4(a)(i) of the Note that an Event of Default is defined, *inter alia*, as "the Company's failure to pay to the Holder any amount of Principal or Interest when and as due under this Note if such failure continues for a period of at least five Business Days." As the first amortization of principal was due on July 31, 2008, and this notice is being given on August 13, 2008, at least five Business Days has elapsed.

FURTHER NOTICE IS HEREBY GIVEN to the Company that pursuant to Section 2 of the Note, "the Cash Interest Rate shall be twelve percent (12.00%) per annum and the Note Interest Rate per annum shall be fifteen percent (15%) per annum."

FURTHER NOTICE IS HEREBY GIVEN to the Company that pursuant to Section 4(b) of the Note, the Holder is electing to redeem 100% of the Note, together with accrued Interest, including Interest that has accrued at the Interest Rate adjusted for an Event of Default.

Nothing in this notice is intended to or shall be construed as a waiver or forbearance of any of the rights, remedies, and powers of the Holder against the Company, or a waiver of any Event of Default, whether specified herein or otherwise, or a consent to any departure by the Company from the express provision of the Note or the SPA. The Holder reserves expressly all of its remedies, powers, rights, and privileges under the Note in law, in equity, or otherwise.

This letter shall not constitute an amendment or waiver by the Holder of any provision of the Note or the SPA, and all of the provisions of the Note, the SPA, and related documents shall remain in full force and effect. Neither the Wynnefield's failure to require strict performance by the Company of any provision of the Note, nor its failure to exercise, or delay in exercising, any right, power, or privilege under the Note or the SPA shall operate as a waiver thereof or waive, affect, or diminish any right belonging to it thereafter to demand strict compliance and performance therewith.

Very truly yours,

Re: Liquidmetal Technologies, Inc. (the "Company")

Dear Mr. Creely:

Further to my email of August 14, 2008, this is formally to request on behalf of our client, Wynnefield Capital, Inc. ("Wynnefield"), proof that a majority of holders of that certain Convertible Subordinated Note (the "Note") have elected to amend the terms of the Note to permit the Company to commence amortization of principal on the Note commencing on or before September 30, 2008, rather than July 31, 2008, as currently provided in Section 1(b).

As Dwight Mamanteo of Wynnefield explained on Wednesday, August 13, 2008, Wynnefield delivered a formal notice of default to the Company. To date, Wynnefield has neither received a response from the Company nor has it seen any disclosure in the form of a Current Report on Form 8-K filed on Edgar indicated that it had received such a default notice. Mr. Mamanteo was informed by Mr. Kang that the Company had received the approval of a majority of noteholders to extend the period required for the Company to begin amortization of the Note. Presumably Mr. Kang was referring to Section 17 of the Note, which addresses amendments to the Note.

I am obliged to note that even in the event that Mr. Kang does produce satisfactory evidence that a majority of noteholders has voted to amend the amortization term, our client does not necessarily concede that this is applicable to the situation, as here, where there is already a continuing Event of Default, as defined in the Note. As such, our client reserves all rights under the Note, at equity, and at law.

Thank you very much for your time and attention to this matter.

Very truly yours,

David E. Danovitch
