NOTE TO FINANCIAL STATEMENTS
June 30, 2001
(Unaudited)
BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10 QSB and Item 310(b) of Regulation S-B. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. During the three month period ended June 30, 2001 Stockholders' Equity (Deficit) changed only by the amount of the net loss. Operating results for the three months period ended June 30, 2001 are not necessarily indicative of the results that may be expected for the year ended December 31, 2001. For further information refer to the audited financial statements and footnotes included in the Company's Form 10-KSB filing for December 31, 2000.

The Company's financial statements have been presented on the basis that is a going concern, which contemplates the

realization of assets and the satisfaction of liabilities in the normal course of business. From inception to date the Company has only incurred net losses and has had no revenues. These factors, among others, raise substantial doubt as to the Company's ability to continue as a going concern.

2000 New Commerce, Inc. ("the Company") was incorporated in the state of Nevada on January 31, 2000. The Company is a development stage enterprise. From inception on January 31, 2000 to date (August 2, 2001) the Company has had no revenues.

Item 2. Plan of Operation

On February 18, 2000 the Company filed a Registration Statement on Form 10-SB with the United States Securities and Exchange Commission. The Registration Statement went effective on April 18, 2000.

6

The business of the Company is developing e-commerce opportunities, including sales over the Internet and advisory services in this area.

The Company, which has no employees, is a development stage enterprise. From inception to date the Company has had no revenues.

The Company's management is seeking funding from a variety of sources. However, there can be no assurance management will be successful in these endeavors. For the remainder of calendar 2001 and the first half of calendar 2002, absent other funding being obtained, the Company's primary funding for the Company's Chairman and President will provide corporate expenses.

Forward-Looking Statements

This Form 10-QSB includes "forward-looking statements" within the meaning of the "safe-harbor" provisions of the Private Securities Litigation Reform Act of 1995. Such statements are based on management's current expectations and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. All statements, other than statements of historical facts

included in this Form, regarding the Company's financial position, business strategy, and plans and objectives of management of the Company for future operations, are forward-looking statements.

PART II- OTHER INFORMATION
