RECKSON OPERATING PARTNERSHIP, L.P.

7.40% Note due 2004

Reckson Operating Partnership, L.P., a limited partnership duly organized and existing under the laws of Delaware (the "Issuer," which term includes any successor thereto under the Indenture (as defined on the reverse hereof)), for value received, hereby promises to pay to Cede & Co. c/o The Depository Trust Company, or its registered assigns, the principal amount of \$100,000,000 on March 15, 2004 (the "Stated Maturity Date"), unless redeemed on any Redemption Date (as defined on the reverse hereof) in accordance with the provisions set forth on the reverse hereof (the Stated Maturity Date or any Redemption Date is referred to herein as the "Maturity Date" with respect to the principal repayable on such date) and to pay interest on the outstanding principal amount hereof semiannually in arrears on March 15 and September 15 of each year, commencing on September 15, 1999 (each, an "Interest Payment Date"), at the rate of 7.40% per annum, until payment of said principal has been made or duly provided for. Interest on this Note on an Interest Payment Date will accrue from and including the immediately preceding Interest Payment Date to which interest has been paid or duly provided for, or from and including March 26,

1999 if no interest has been paid or duly provided for, to but excluding the applicable Interest Payment Date or the Maturity Date, as the case may be. Interest on this Note will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The interest so payable and punctually paid or duly provided for on any Interest Payment Date will be paid to the Holder in which name this Note (or one or more predecessor Notes) is registered in the Security Register at the close of business on the "Regular Record Date" for such payment, which shall be the March 1 or September 1, as the case may be, immediately preceding such Interest Payment Date (regardless of whether such day is a Business Day (as defined below)). Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and shall be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on a subsequent Special Record Date for the payment of such defaulted interest (which shall be not more than 15 days and not less than 10 Business Days prior to the date of the payment of such defaulted interest) established by notice given by mail by or on behalf of the Issuer to the Holders of the Notes not less than 10 days preceding such subsequent Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in the Indenture.

The principal of, and the Make-Whole Amount (as defined on the reverse hereof), if any, with respect to, this Note payable on the Maturity Date will be paid against presentation and surrender of this Note at the office or agency of the Issuer maintained for that purpose in The City of New York. The Issuer hereby initially designates the Corporate Trust Office of the Trustee at 101 Barclay Street, Floor 21 West, New York, New York 10286 as the office to be maintained by it where Notes may be presented for payment, registration of transfer or exchange and where notices or demands to or upon the Issuer in respect of the Notes or the Indenture may be served.

If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the payment required to be made on such date will, instead, be made on the next Business Day with the same force and effect as if it were made on the date such payment was due, and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date or the Maturity Date, as the case may be. "Business Day" means any day, other than a Saturday, a Sunday or other day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to be closed.

Payments of principal, Make-Whole Amount, if any, and interest in respect of this Note will be made in such coin or currency of the United States of America as at the time of payment is legal tender for the payment of public and private debts (i) in the case of payments on the Maturity Date, in immediately available funds and (ii) in the case of payments on an Interest Payment Date, at the option of the Issuer, by check mailed to the Holder entitled thereto at the applicable address appearing in the Security Register or by transfer of immediately available funds to an account maintained by the payee with a bank located in the United States of America; provided, however, that so long as

Cede & Co. is the Holder of this Note, payments of interest on an Interest Payment Date will be made in immediately available funds.

Reference is made to the further provisions of this Note set forth on the reverse hereof. Such further provisions shall for all purposes have the same effect as though fully set forth at this place.

This Note shall not be entitled to the benefits of the Indenture or be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been executed by manual signature by the Trustee.

IN WITNESS WHEREOF, the Issuer has caused this Note to be signed manually or by facsimile by an authorized signatory.

[REVERSE OF NOTE]

RECKSON OPERATING PARTNERSHIP, L.P.

7.40% Note due 2004

This Note is one of a duly authorized issue of debentures, notes, bonds, or other evidences of indebtedness of the Issuer (hereinafter called the "Securities") of the series hereinafter specified, all issued or to be issued under and pursuant to an Indenture, dated as of March 26, 1999 (the "Indenture"), duly executed and delivered by the Issuer and Reckson Associates Realty Corp., a Maryland corporation ("Reckson Associates"), as guarantor, if applicable, to The Bank of New York, as trustee (the "Trustee," which term includes any successor trustee under the Indenture with respect to the series of Securities of which this Note is a part), and reference is hereby made to the Indenture, and all modifications and amendments and indentures supplemental thereto relating to the Notes, made for a description of the rights, limitations of rights, obligations, duties, and immunities thereunder of the Trustee, the Issuer and the Holders of the Notes and the terms upon which the Notes are authenticated and delivered. The Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may accrue interest (if any) at different rates or formulas and may otherwise vary as provided in the Indenture. This Note is one of a series of Securities designated as the "7.40% Notes due 2004" of the Issuer, limited (except as permitted under the Indenture) in aggregate principal amount to \$100,000,000. The Notes will not be guaranteed by Reckson Associates.

The Issuer may redeem this Note, at any time in whole or from time to time in part, at the option of the Issuer, at a redemption price equal to the sum of (i) the principal amount being redeemed plus accrued interest thereon to the date fixed for redemption (the "Redemption Date") and (ii) the Make-Whole Amount, if any, with respect thereto (the "Redemption Price"); provided, however, that interest installments due on an Interest Payment Date which is on or prior to the Redemption Date will be payable to the Holder hereof (or one or more predecessor Notes) as of the close of business on the Regular Record Date preceding such Interest Payment Date. If notice has been given as provided in the Indenture and funds for the redemption of this Note or any part thereof called for redemption shall have been made available on the Redemption Date, this Note or such part thereof will cease to bear interest on the Redemption Date referred to in such notice and the only right of the Holder will be to receive payment of the Redemption Price. Notice of any optional redemption of

any Notes will be given to the Holder hereof (in accordance with the provisions of the Indenture), not more than 60 nor less than 30 days prior to the Redemption Date. The notice of redemption will specify, among other things, the Redemption Price and the principal amount of Notes to be redeemed. In the event of redemption of this Note in part only, a new Note of like tenor for the unredeemed portion hereof and otherwise having the same terms and provisions as this Note shall be issued by the Issuer in the name of the Holder hereof upon the presentation and surrender hereof.

"Make-Whole Amount" means the excess, if any, of (i) the aggregate present value as of the Redemption Date of each dollar of principal being redeemed and the amount of interest (exclusive of interest accrued to the Redemption Date) that would have been payable in respect of each such dollar if such redemption had not been made, determined by discounting, on a semi-annual basis, such principal and interest at the Reinvestment Rate (determined on the third Business Day preceding the date such notice of redemption is given) from the respective dates on which such principal and interest would have been payable if such redemption had not been made, over (ii) the aggregate principal amount being redeemed.

"Reinvestment Rate" means 0.25% plus the arithmetic mean of the yields under the heading "Week Ending" published in the most recent Statistical Release under the caption "Treasury Constant Maturities" for the maturity (rounded to the nearest month) corresponding to the remaining life to maturity, as of the Redemption Date, of the principal being redeemed. If no maturity exactly corresponds to such maturity, yields for the two published maturities most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Reinvestment Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding each of such relevant periods to the nearest month. For the purpose of calculating the Reinvestment Rate, the most recent Statistical Release published prior to the date of determination of the Make-Whole Amount shall be used.

"Statistical Release" means the statistical release designated "H.15 (519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States government securities adjusted to constant maturities or, if such statistical release is not published at the time of any determination under the indenture, then such other reasonably comparable index designated by the Issuer.

This Note is not subject to repayment at the option of the Holder thereof. Furthermore, this Note is not entitled to the benefit of, and is not subject to, any sinking fund.

In case an Event of Default with respect to this Note shall have occurred and be continuing, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect, and subject to the conditions, provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the

amendment thereof and the modification of the rights and obligations of the Issuer and, if applicable, the Guarantor, and the rights of the Holders of the Securities under the Indenture at any time by the Issuer and, if applicable, the Guarantor, and the Trustee with the consent of the Holders of a majority in the aggregate principal amount of Securities of any series issued under the Indenture at the time Outstanding and affected thereby. Furthermore, provisions in the Indenture permit the Holders of a majority in the aggregate principal amount of the Outstanding Securities of any series, in certain instances, to waive, on behalf of all of the Holders of Securities of such series, certain past defaults under the Indenture and their consequences. Any such waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and other Notes issued upon the registration of transfer hereof or in exchange hereof, or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of, and Make-Whole Amount, if any, with respect to, and interest on, this Note in the manner, at the respective times, at the rate and in the coin or currency herein prescribed.

This Note is issuable only in fully registered form, without coupons, in denominations of \$1,000 and integral multiples thereof. This Note may be exchanged for a like aggregate principal amount of Notes of other authorized denominations at the office or agency of the Issuer in The City of New York, in the manner and subject to the limitations provided herein and in the Indenture, but without the payment of any charge except for any tax or other governmental charge imposed in connection therewith.

Upon due presentment for registration of transfer of this Note at the office or agency of the Issuer in The City of New York, one or more new Notes of authorized denominations in an equal aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided herein and in the Indenture, but without payment of any charge except for any tax or other governmental charge imposed in connection therewith.

The Issuer or the Trustee and any authorized agent of the Issuer or the Trustee may deem and treat the Person in whose name this Note is registered as the Holder and absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment of, or on account of, the principal of or Make-Whole Amount, if any, with respect to, or subject to the provisions on the face hereof, interest on, this Note and for all other purposes, and none of the Issuer, the Trustee or any authorized agent of the Issuer or the Trustee shall be affected by any notice to the contrary.

The Indenture and this Note shall be deemed to be a contract under the laws of the State of New York, and for all purposes shall be governed by and construed in accordance with the laws of such State, without giving effect to any conflict of law principles.

Capitalized terms used but not otherwise defined herein shall have the respective meanings assigned to them in the Indenture.

The interest so payable and punctually paid or duly provided for on any Interest Payment Date will be paid to the Holder in which name this Note (or one or more predecessor Notes) is registered in the Security Register at the close of business on the "Regular Record Date" for such payment, which shall be the March 1 or September 1, as the case may be, immediately preceding such Interest Payment Date (regardless of whether such day is a Business Day (as defined below)). The principal of, and the Make-Whole Amount (as defined on the reverse hereof), if any, with respect to, this Note payable on the Maturity Date will be paid against presentation and surrender of this Note at the office or agency of the Issuer maintained for that purpose in The City of New York. If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the payment required to be made on such date will, instead, be made on the next Business Day with the same force and effect as if it were made on the date such payment was due, and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date or the Maturity Date, as the case may be. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments or so voting at any such meeting. Proof of execution of any such instrument or of a writing appointing any such agent, or of the holding by any Person of a Security, shall be sufficient for any purpose of this Indenture and (subject to Section 315 of the Trust Indenture Act) conclusive in favor of the Trustee and the Issuer and the Guarantor and any agent of the Trustee or the Issuer and the Guarantor, if made in the manner provided in this Section. The Trustee, the Guarantor and the Issuer may assume that such ownership of any Bearer Security continues until (1) another certificate or affidavit bearing a later date issued in respect of the same Bearer Security is produced, or (2) such Bearer Security is produced to the Trustee by some other Person, or (3) such Bearer Security is surrendered in exchange for a Registered Security, or (4) such Bearer Security is no longer Outstanding. The ownership, principal amount and serial numbers of Bearer Securities held by the Person so executing such instrument or writing and the date of the commencement and the date of the termination of holding the same may also be proved in any other manner which the Issuer and the Trustee deem sufficient.

(5) If the Issuer or the Guarantor shall solicit from the Holders of any Registered Securities any request, demand, authorization, direction,

notice, consent, waiver or other Act, the Issuer or the Guarantor, as the case may be, may at its option (but is not obligated to), by Board Resolution or Guarantor's Board Resolution, as the case may be, fix in advance a record date for the determination of Holders of Registered Securities entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of Registered Securities of record at the close of business on such record date shall be deemed to be Holders for the purpose of determining whether Holders of the requisite proportion of Outstanding Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Securities shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders of Registered Securities shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(6) Any request, demand, authorization, direction, notice, consent, waiver or other Act by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done or suffered to be done by the Trustee, any Security Registrar, any Paying Agent, the Guarantor or the Issuer in reliance thereon, whether or not notation of such Act is made upon such Security.

Any request, demand, authorization, direction, notice, consent, waiver or other Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder, the Guarantor or the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing (which may be by facsimile) to or with the Trustee at its Corporate Trust Office, or

(2) the Issuer or the Guarantor by the Trustee or any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Issuer or the Guarantor, as the case may be, addressed to the attention of its Treasurer at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Issuer or the Guarantor, as the case may be.

(2) such notice shall be sufficiently given to Holders of Bearer Securities, if any, if published in an Authorized Newspaper in The City of New York and, if such Securities are then listed on any stock exchange outside the United States, in an Authorized Newspaper in such city as the Issuer shall advise the Trustee that such stock exchange so requires, on a Business Day at least twice, the first such publication to be not earlier than the earliest date and the second such publication not later than the latest date prescribed for the giving of such notice.

In any case where notice to Holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder of a Registered Security shall affect the sufficiency of such notice with respect to other Holders of Registered Securities or the sufficiency of any notice to Holders of Bearer Securities given as provided herein. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given or provided. In the case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

In case by reason of the suspension of publication of any Authorized Newspaper or Authorized Newspapers or by reason of any other cause it shall be impracticable to publish any notice to Holders of Bearer Securities as provided above, then such notification to Holders of Bearer Securities as shall be given with the approval of the Trustee shall constitute sufficient notice to such Holders for every purpose hereunder. Neither failure to give notice by publication to Holders of Bearer Securities as provided above, nor any defect in any notice so published, shall affect the sufficiency of any notice mailed to Holders of Registered Securities as provided above.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders of Securities shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 107. Language of Notices.

Any request, demand, authorization, direction, notice, consent, election or waiver required or permitted under this Indenture shall be in the English language, except that, if the Issuer or the Guarantor, as the case may

Section 203. Securities in Global Form.

Unless otherwise provided in or pursuant to this Indenture or any Securities, the Securities shall not be issuable in temporary or permanent global form. If Securities of a series shall be issuable in global form, any such Security may provide that it or any number of such Securities shall represent the aggregate amount of all Outstanding Securities of such series (or such lesser amount as is permitted by the terms thereof) from time to time endorsed thereon and may also provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be increased or reduced to reflect exchanges. Any endorsement of any Security in global form to reflect the amount, or any increase or decrease in the amount, or changes in the rights of Holders, of Outstanding Securities represented thereby shall be made in such manner and by such Person or Persons as shall be specified therein or in the Issuer Order to be delivered pursuant to Section 303 or 304 with respect thereto. Subject to the provisions of Section 303 and, if applicable, Section

304, the Trustee shall deliver and redeliver any Security in permanent global form in the manner and upon instructions given by the Person or Persons specified therein or in the applicable Issuer Order. If an Issuer Order pursuant to Section 303 or 304 has been, or simultaneously is, delivered, any instructions by the Issuer with respect to a Security in global form shall be in writing but need not be accompanied by or contained in an Officers' Certificate and need not be accompanied by an Opinion of Counsel.

Notwithstanding the provisions of Section 308 and except as provided in the preceding paragraph, the Issuer, the Trustee and any agent of the Issuer and the Trustee shall treat as the Holder of such principal amount of Outstanding Securities represented by a global Security (i) in the case of a global Security in registered form, the Holder of such global Security in registered form, or (ii) in the case of a global Security in bearer form, the Person or Persons specified pursuant to Section 301.

All Securities of any one series need not be issued at the same time and, unless otherwise so provided by the Issuer, a series may be reopened for issuances of additional Securities of such series or to establish additional terms of such series of Securities.

If any of the terms of the Securities of any series shall be established by action taken by or pursuant to a Board Resolution, the Board Resolution shall be delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of such series.

Section 302. Currency; Denominations.

Unless otherwise provided in or pursuant to this Indenture, the principal of, any premium and interest on and any Additional Amounts with respect to the Securities shall be payable in Dollars. Unless otherwise provided in or pursuant to this Indenture, Registered Securities denominated in Dollars shall be issuable in registered form without Coupons in denominations

of \$1,000 and any integral multiple thereof, and the Bearer Securities denominated in Dollars shall be issuable in the denomination of \$5,000. Securities not denominated in Dollars shall be issuable in such denominations as are established with respect to such Securities in or pursuant to this Indenture.

Section 303. Execution, Authentication, Delivery and Dating.

Securities shall be executed on behalf of the Issuer by the General Partner acting in its capacity as sole managing general partner of the Issuer by the General Partner's Chairman of the Board, one of its Vice Chairmen, its President, its Treasurer or one of its Vice Presidents under its corporate seal reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. Coupons shall be executed on behalf of the Issuer by the General Partner acting in its capacity as sole managing general partner of the Issuer by the General Partner's Treasurer or any Assistant Treasurer. The signature of any of these officers on the Securities or any Coupons appertaining thereto may be manual or facsimile.

Securities and any Coupons appertaining thereto bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities or Coupons.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securities, together with any Coupons appertaining thereto, executed by the Issuer, to the Trustee for authentication and, provided that the Board Resolution and Officers' Certificate or supplemental indenture or indentures with respect to such Securities referred to in Section 301 and an Issuer Order for the authentication and delivery of such Securities have been delivered to the Trustee, the Trustee in accordance with the Issuer Order and subject to the provisions hereof and of such Securities shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities and any Coupons appertaining thereto, the Trustee shall be entitled to receive, and (subject to Sections 315(a) through 315(d) of the Trust Indenture Act) shall be fully protected in relying upon,

(1) an Opinion of Counsel to the effect that:

(a) the form or forms and terms of such Securities and Coupons, if any, have been established in conformity with the provisions of this Indenture;

(b) all conditions precedent to the authentication and delivery of such Securities and Coupons, if any, appertaining thereto, have been complied with and that such Securities, and Coupons, when completed by appropriate insertions, executed under the Issuer's corporate seal and

attested by duly authorized officers of the Issuer, delivered by duly authorized officers of the Issuer to the Trustee for authentication pursuant to this Indenture, and authenticated and delivered by the Trustee and issued by the Issuer in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute legally valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms, except as enforcement thereof may be subject to or limited by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance, fraudulent transfer or other similar laws relating to or affecting creditors' rights generally, and subject to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law) and will entitle the Holders thereof to the benefits of this Indenture, including the Guarantee; such Opinion of Counsel need express no opinion as to the availability of equitable remedies;

(c) all laws and requirements in respect of the execution and delivery by the Issuer of such Securities and Coupons, if any, have been complied with; and

(d) this Indenture has been qualified under the Trust Indenture Act; and

(2) an Officers' Certificate and a Guarantor's Officers' Certificate, in each case stating that, to the best knowledge of the Persons executing such certificate, no event which is, or after notice or lapse of time would become, an Event of Default with respect to any of the Securities shall have occurred and be continuing.

If all the Securities of any series are not to be issued at one time, it shall not be necessary to deliver an Opinion of Counsel and an Officers' Certificate at the time of issuance of each Security, but such opinion and certificate, with appropriate modifications, shall be delivered at or before the time of issuance of the first Security of such series. After any such first delivery, any separate request by the Issuer that the Trustee authenticate Securities of such series for original issue will be deemed to be a certification by the Issuer that all conditions precedent provided for in this Indenture relating to authentication and delivery of such Securities continue to have been complied with.

The Trustee shall not be required to authenticate or to cause an Authenticating Agent to authenticate any Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee or if the Trustee, being advised by counsel, determines that such action may not lawfully be taken.

Each Registered Security shall be dated the date of its authentication. Each Bearer Security and any Bearer Security in global form shall be dated as of the date specified in or pursuant to this Indenture.

No Security or Coupon appertaining thereto shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for in Section 202 or 611 executed by or on behalf of the Trustee or by the Authenticating Agent by the manual signature of one of its authorized officers. Such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Except as permitted by Section 306 or 307, the Trustee shall not authenticate and deliver any Bearer Security unless all Coupons appertaining thereto then matured have been detached and cancelled.

Section 304. Temporary Securities.

Pending the preparation of definitive Securities, the Issuer may execute and deliver to the Trustee and, upon Issuer Order, the Trustee shall authenticate and deliver, in the manner provided in Section 303, temporary Securities in lieu thereof which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued, in registered form or, if authorized in or pursuant to this Indenture, in bearer form with one or more Coupons or without Coupons and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Issuer executing such Securities may determine, as conclusively evidenced by their execution of such Securities. Such temporary Securities may be in global form.

Except in the case of temporary Securities in global form, which shall be exchanged in accordance with the provisions thereof, if temporary Securities are issued, the Issuer shall cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities of the same series and containing terms and provisions that are identical to those of any temporary Securities, such temporary Securities shall be exchangeable for such definitive Securities upon surrender of such temporary Securities at an Office or Agency for such Securities, without charge to any Holder thereof. Upon surrender for cancellation of any one or more temporary Securities (accompanied by any unmatured Coupons appertaining thereto), the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of authorized denominations of the same series and containing identical terms and provisions; provided, however, that no definitive Bearer Security, except as provided in or pursuant to this Indenture, shall be delivered in exchange for a temporary Registered Security; and provided, further, that a definitive Bearer Security shall be delivered in exchange for a temporary Bearer Security only in compliance with the conditions set forth in or pursuant to this Indenture. Unless otherwise provided in or pursuant to this Indenture with respect to a temporary global Security, until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

Section 305. Registration, Transfer and Exchange.

With respect to the Registered Securities of each series, if any, the Issuer shall cause to be kept a register (each such register being herein sometimes referred to as the "Security Register") at an Office or Agency for such series in which, subject to such reasonable regulations as it may prescribe, the Issuer or the Guarantor shall provide for the registration of the Registered Securities of such series and of transfers of the Registered Securities of such series. Such Office or Agency shall be the "Security Registrar" for that series of Securities. Unless otherwise specified in or pursuant to this Indenture or the Securities, the Trustee shall be the initial Security Registrar for each series of Securities. The Issuer shall have the right to remove and replace from time to time the Security Registrar for any series of Securities; provided that no such removal or replacement shall be effective until a successor Security Registrar with respect to such series of Securities shall have been appointed by the Issuer and shall have accepted such appointment by the Issuer. In the event that the Trustee shall not be or shall cease to be Security Registrar with respect to a series of Securities, it shall have the right to examine the Security Register for such series at all reasonable times. There shall be only one Security Register for each series of Securities.

Upon surrender for registration of transfer of any Registered Security of any series at any Office or Agency for such series, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Securities of the same series denominated as authorized in or pursuant to this Indenture, of a like aggregate principal amount bearing a number not contemporaneously outstanding and containing identical terms and provisions.

At the option of the Holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series containing identical terms and provisions, in any authorized denominations, and of a like aggregate principal amount, upon surrender of the Securities to be exchanged at any Office or Agency for such series. Whenever any Registered Securities are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Registered Securities which the Holder making the exchange is entitled to receive.

If provided in or pursuant to this Indenture, with respect to Securities of any series, at the option of the Holder, Bearer Securities of such series may be exchanged for Registered Securities of such series containing identical terms, denominated as authorized in or pursuant to this Indenture and in the same aggregate principal amount, upon surrender of the Bearer Securities to be exchanged at any Office or Agency for such series, with all unmatured Coupons and all matured Coupons in default thereto appertaining. If the Holder of a Bearer Security is unable to produce any such unmatured Coupon or Coupons or matured Coupon or Coupons in default, such exchange may be effected if the Bearer Securities are accompanied by payment in funds acceptable to the Issuer, the Guarantor (if such Bearer Securities are Guaranteed Securities) and the Trustee in an amount equal to the face amount of such missing Coupon or Coupons, or the surrender of such missing Coupon or

Coupons may be waived by the Issuer, the Guarantor (if such Bearer Securities are Guaranteed Securities) and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any Paying Agent harmless. If thereafter the Holder of such Bearer Security shall surrender to any Paying Agent any such missing Coupon in respect of which such a payment shall have been made, such Holder shall be entitled to receive the amount of such payment; provided, however, that, except as otherwise provided in Section 1002, interest represented by Coupons shall be payable only upon presentation and surrender of those Coupons at an Office or Agency for such series located outside the United States. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such Office or Agency for such series in exchange for a Registered Security of such series and like tenor after the close of business at such Office or Agency on (i) any Regular Record Date and before the opening of business at such Office or Agency on the relevant Interest Payment Date, or (ii) any Special Record Date and before the opening of business at such Office or Agency on the related date for payment of Defaulted Interest, such Bearer Security shall be surrendered without the Coupon relating to such Interest Payment Date or proposed date of payment, as the case may be (or, if such Coupon is so surrendered with such Bearer Security, such Coupon shall be returned to the Person so surrendering the Bearer Security), and interest or Defaulted Interest, as the case may be, shall not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but shall be payable only to the Holder of such Coupon when due in accordance with the provisions of this Indenture. If provided in or pursuant to this Indenture with respect to Securities of any series, at the option of the Holder, Registered Securities of such series may be exchanged for Bearer Securities upon such terms and conditions as may be provided in or pursuant to this Indenture with respect to such series.

Whenever any Securities are surrendered for exchange as contemplated by the immediately preceding two paragraphs, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

Notwithstanding the foregoing, except as otherwise provided in or pursuant to this Indenture, any global Security shall be exchangeable for definitive Securities only if (i) the Depository is at any time unwilling, unable or ineligible to continue as Depository and a successor depository is not appointed by the Issuer within 90 days of the date the Issuer is so informed in writing, (ii) the Issuer executes and delivers to the Trustee an Issuer Order to the effect that such global Security shall be so exchangeable, or (iii) an Event of Default has occurred and is continuing with respect to the Securities. If the beneficial owners of interests in a global Security are entitled to exchange such interests for definitive Securities as the result of an event described in clause (i), (ii) or (iii) of the preceding sentence, then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Issuer shall deliver to the Trustee definitive Securities in such form and denominations as are required by or pursuant to this Indenture, and of the same series, containing identical terms and in aggregate principal amount equal to the principal amount of such

global Security, executed by the Issuer. On or after the earliest date on which such interests may be so exchanged, such global Security shall be surrendered from time to time by the U.S. Depository or such other Depository as shall be specified in the Issuer Order with respect thereto, and in accordance with instructions given to the Trustee and the U.S. Depository or such other Depository, as the case may be (which instructions shall be in writing but need not be contained in or accompanied by an Officers' Certificate or be accompanied by an Opinion of Counsel), as shall be specified in the Issuer Order with respect thereto to the Trustee, as the Issuer's agent for such purpose, to be exchanged, in whole or in part, for definitive Securities as described above without charge. The Trustee shall authenticate and make available for delivery, in exchange for each portion of such surrendered global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such global Security to be exchanged, which (unless such Securities are not issuable both as Bearer Securities and as Registered Securities, in which case the definitive Securities exchanged for the global Security shall be issuable only in the form in which the Securities are issuable, as provided in or pursuant to this Indenture) shall be in the form of Bearer Securities or Registered Securities, or any combination thereof, as shall be specified by the beneficial owner thereof, but subject to the satisfaction of any certification or other requirements to the issuance of Bearer Securities; provided, however, that no such exchanges may occur during a period beginning at the opening of business 15 days before any selection of Securities of the same series to be redeemed and ending on the relevant Redemption Date; and provided, further, that (unless otherwise provided in or pursuant to this Indenture) no Bearer Security delivered in exchange for a portion of a global Security shall be mailed or otherwise delivered to any location in the United States. Promptly following any such exchange in part, such global Security shall be returned by the Trustee to such Depository or the U.S. Depository, as the case may be, or such other Depository or U.S. Depository referred to above in accordance with the instructions of the Issuer referred to above. If a Registered Security is issued in exchange for any portion of a global Security after the close of business at the Office or Agency for such Security where such exchange occurs on or after (i) any Regular Record Date for such Security and before the opening of business at such Office or Agency on the next Interest Payment Date, or (ii) any Special Record Date for such Security and before the opening of business at such Office or Agency on the related proposed date for payment of interest or Defaulted Interest, as the case may be, interest shall not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of such Registered Security, but shall be payable on such Interest Payment Date or proposed date for payment, as the case may be, only to the Person to whom interest in respect of such portion of such global Security shall be payable in accordance with the provisions of this Indenture.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and the Guarantor, respectively, evidencing the same debt and entitling the Holders thereof to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Registered Security presented or surrendered for registration of transfer or for exchange or redemption shall (if so required by the Issuer or the Security Registrar for such Security) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar for such Security duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange, or redemption of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge.

Except as otherwise provided in or pursuant to this Indenture, the Issuer shall not be required (i) to issue, register the transfer of or exchange any Securities during a period beginning at the opening of business 15 days before the day of the selection for redemption of Securities of like tenor and the same series under Section 1103 and ending at the close of business on the day of such selection, or (ii) to register the transfer of or exchange any Registered Security so selected for redemption in whole or in part, except in the case of any Security to be redeemed in part, the portion thereof not to be redeemed, or (iii) to exchange any Bearer Security so selected for redemption except, to the extent provided with respect to such Bearer Security, that such Bearer Security may be exchanged for a Registered Security of like tenor and the same series, provided that such Registered Security shall be immediately surrendered for redemption with written instruction for payment consistent with the provisions of this Indenture or (iv) to issue, register the transfer of or exchange any Security which, in accordance with its terms, has been surrendered for repayment at the option of the Holder, except the portion, if any, of such Security not to be so repaid.

Section 306. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security or a Security with a mutilated Coupon appertaining to it is surrendered to the Trustee, subject to the provisions of this Section 306, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series containing identical terms and of like principal amount and bearing a number not contemporaneously outstanding, with Coupons appertaining thereto corresponding to the Coupons, if any, appertaining to the surrendered Security.

If there be delivered to the Issuer, the Guarantor (if the Security is a Guaranteed Security) and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security or Coupon, and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Issuer, the Guarantor (if the Security is a Guaranteed Security) or the Trustee that such Security or Coupon has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Security or in exchange for the Security to which a destroyed, lost or stolen Coupon appertains with all appurtenant Coupons not destroyed, lost or stolen, a new Security of the same series containing identical terms and of

like principal amount and bearing a number not contemporaneously outstanding, with Coupons corresponding to the Coupons, if any, appertaining to such destroyed, lost or stolen Security or to the Security to which such destroyed, lost or stolen Coupon appertains.

Notwithstanding the foregoing provisions of this Section 306, in case any mutilated, destroyed, lost or stolen Security or Coupon has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security or Coupon; provided, however, that payment of principal of, any premium or interest on or any Additional Amounts with respect to any Bearer Securities shall, except as otherwise provided in Section 1002, be payable only at an Office or Agency for such Securities located outside the United States and, unless otherwise provided in or pursuant to this Indenture, any interest on Bearer Securities and any Additional Amounts with respect to such interest shall be payable only upon presentation and surrender of the Coupons appertaining thereto.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security, with any Coupons appertaining thereto issued pursuant to this Section in lieu of any destroyed, lost or stolen Security, or in exchange for a Security to which a destroyed, lost or stolen Coupon appertains shall constitute a separate obligation of the Issuer and the Guarantor (if the Security is a Guaranteed Security), whether or not the destroyed, lost or stolen Security and Coupons appertaining thereto or the destroyed, lost or stolen Coupon shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of such series and any Coupons, if any, duly issued hereunder.

The provisions of this Section, as amended or supplemented pursuant to this Indenture with respect to particular Securities or generally, shall be exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or Coupons.

Section 307. Payment of Interest and Certain Additional Amounts; Rights to Interest and Certain Additional Amounts Preserved.

Unless otherwise provided in or pursuant to this Indenture, any interest on and any Additional Amounts with respect to any Registered Security which shall be payable, and are punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Security (or one or more Predecessor Securities) is registered as of the close of business on the Regular Record Date for such interest. Unless otherwise provided in or pursuant to this Indenture, in case a Bearer Security is surrendered in exchange for a Registered Security after the close of business

at an Office or Agency for such Security on any Regular Record Date therefor and before the opening of business at such Office or Agency on the next succeeding Interest Payment Date therefor, such Bearer Security shall be surrendered without the Coupon relating to such Interest Payment Date and interest shall not be payable on such Interest Payment Date in respect of the Registered Security issued in exchange for such Bearer Security, but shall be payable only to the Holder of such Coupon when due in accordance with the provisions of this Indenture.

Unless otherwise provided in or pursuant to this Indenture, any interest on and any Additional Amounts with respect to any Registered Security which shall be payable, but shall not be punctually paid or duly provided for, on any Interest Payment Date for such Registered Security (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder thereof on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Issuer or the Guarantor (if the Registered Security is a Guaranteed Security), at its election in each case, as provided in Clause (1) or (2) below:

(1) The Issuer or the Guarantor (if the Registered Security is a Guaranteed Security) may elect to make payment of any Defaulted Interest to the Person in whose name such Registered Security (or a Predecessor Security thereof) shall be registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer or the Guarantor (if the Registered Security is a Guaranteed Security) shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on such Registered Security and the date of the proposed payment, and at the same time the Issuer or the Guarantor (if the Registered Security is a Guaranteed Security), as the case may be, shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when so deposited to be held in trust for the benefit of the Person entitled to such Defaulted Interest as in this Clause provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer or the Guarantor, as the case may be, of such Special Record Date and, in the name and at the expense of the Issuer or the Guarantor, as the case may be, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holder of such Registered Security (or a Predecessor Security thereof) at his address as it appears in the Security Register not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion, in the name and at the expense of the Issuer or the Guarantor, as the case may be, cause a similar notice to be published at least once in an Authorized Newspaper of general circulation in the Borough of Manhattan, The City of New York,

but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Person in whose name such Registered Security (or a Predecessor Security thereof) shall be registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2). In case a Bearer Security is surrendered at the Office or Agency for such Security in exchange for a Registered Security after the close of business at such Office or Agency on any Special Record Date and before the opening of business at such Office or Agency on the related proposed date for payment of Defaulted Interest, such Bearer Security shall be surrendered without the Coupon relating to such Defaulted Interest and Defaulted Interest shall not be payable on such proposed date of payment in respect of the Registered Security issued in exchange for such Bearer Security, but shall be payable only to the Holder of such Coupon when due in accordance with the provisions of this Indenture.

(2) The Issuer or the Guarantor (if the Security is a Guaranteed Security) may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Security may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer or the Guarantor, as the case may be, to the Trustee of the proposed payment pursuant to this Clause, such payment shall be deemed practicable by the Trustee.

Unless otherwise provided in or pursuant to this Indenture or the Securities of any particular series pursuant to the provisions of this Indenture, at the option of the Issuer, interest on Registered Securities that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register or by transfer to an account maintained by the payee with a bank located in the United States.

Subject to the foregoing provisions of this Section and Section 305, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

In the case of any Registered Security of any series that is convertible, which Registered Security is converted after any Regular Record Date and on or prior to the next succeeding Interest Payment Date (other than any Registered Security with respect to which the Stated Maturity is prior to such Interest Payment Date), interest with respect to which the Stated Maturity is on such Interest Payment Date shall be payable on such Interest Payment Date notwithstanding such conversion, and such interest (whether or not punctually paid or duly provided for) shall be paid to the Person in whose name that Registered Security (or one or more predecessor Registered Securities) is registered at the close of

business on such Regular Record Date. Except as otherwise expressly provided in the immediately preceding sentence, in the case of any Registered Security which is converted, interest with respect to which the Stated Maturity is after the date of conversion of such Registered Security shall not be payable.

Section 308. Persons Deemed Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Issuer, the Guarantor (if the Registered Security is a Guaranteed Security), the Trustee and any agent of the Issuer or the Guarantor (if the Registered Security is a Guaranteed Security) or the Trustee may treat the Person in whose name such Registered Security is registered in the Security Register as the owner of such Registered Security for the purpose of receiving payment of principal of, any premium and (subject to Sections 305 and 307) interest on and any Additional Amounts with respect to such Registered Security and for all other purposes whatsoever, whether or not any payment with respect to such Registered Security shall be overdue, and neither the Issuer, nor the Guarantor, the Trustee or any agent of the Issuer, the Guarantor or the Trustee shall be affected by notice to the contrary.

The Issuer, the Guarantor (if the Bearer Security is a Guaranteed Security), the Trustee and any agent of the Issuer, the Guarantor (if the Bearer Security is a Guaranteed Security) or the Trustee may treat the bearer of any Bearer Security or the bearer of any Coupon as the absolute owner of such Security or Coupon for the purpose of receiving payment thereof or on account thereof and for all other purposes whatsoever, whether or not any payment with respect to such Security or Coupon shall be overdue, and neither the Issuer, nor the Guarantor, the Trustee or any agent of the Issuer, the Guarantor or the Trustee shall be affected by notice to the contrary.

No Holder of any beneficial interest in any global Security held on its behalf by a Depository shall have any rights under this Indenture with respect to such global Security, and such Depository may be treated by the Issuer, the Trustee, and any agent of the Issuer, the Guarantor (if the global Security is a Guaranteed Security) or the Trustee as the owner of such global Security for all purposes whatsoever. None of the Issuer, the Guarantor (if the global Security is a Guaranteed Security), the Trustee, any Paying Agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 309. Cancellation.

All Securities and Coupons surrendered for payment, redemption, registration of transfer, exchange or conversion or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Coupons, as well as Securities and Coupons surrendered directly to the Trustee for any such purpose, shall be cancelled promptly by the Trustee. The Issuer or the

Guarantor (if the Security is a Guaranteed Security) may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or the Guarantor (if the Security is a Guaranteed Security) may have acquired in any manner whatsoever, and all Securities so delivered shall be cancelled promptly by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by or pursuant to this Indenture. All cancelled Securities and Coupons held by the Trustee shall be disposed of by the Trustee in accordance with its procedures in effect regarding the disposition of cancelled Securities as of the date of such disposition, unless by an Issuer Order or Guarantor Order the Issuer or the Guarantor, as the case may be, directs their return to it.

Section 310. Computation of Interest.

Except as otherwise provided in or pursuant to this Indenture or in any Security, interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

ARTICLE FOUR

SATISFACTION AND DISCHARGE OF INDENTURE

Section 401. Satisfaction and Discharge.

Upon the direction of the Issuer by an Issuer Order or of the Guarantor by a Guarantor Order (if the applicable series of Securities is a series of Guaranteed Securities), this Indenture shall cease to be of further effect with respect to any series of Securities specified in such Issuer Order or Guarantor Order and any Coupons appertaining thereto, and the Trustee, on receipt of an Issuer Order or a Guarantor Order, at the expense of the Issuer and the Guarantor, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture as to such series, when

(1) either

(a) all Securities of such series theretofore authenticated and delivered and all Coupons appertaining thereto (other than (i) Coupons appertaining to Bearer Securities of such series surrendered in exchange for Registered Securities of such series and maturing after such exchange whose surrender is not required or has been waived as provided in Section 305, (ii) Securities and Coupons of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306, (iii) Coupons appertaining to Securities of such series called for redemption and maturing after the relevant Redemption Date whose surrender has been waived as provided in Section 1107, and (iv) Securities and Coupons of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(b) all Securities of such series and, in the case of (i) or (ii) below, any Coupons appertaining thereto not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer and the Guarantor (if the Securities of such series are Guaranteed Securities),

and the Issuer or the Guarantor (if the Securities of such series are Guaranteed Securities), in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose, money in the Currency in which such Securities are payable in an amount sufficient to pay and discharge the entire indebtedness on such Securities and any Coupons appertaining thereto not theretofore delivered to the Trustee for cancellation, including the principal of, any premium and interest on, and any Additional Amounts with respect to such Securities and any Coupons appertaining thereto, to the date of such deposit (in the case of Securities which have become due and payable) or to the Maturity thereof, as the case may be;

(2) the Issuer or the Guarantor (if the Securities of such series are Guaranteed Securities) has paid or caused to be paid all other sums payable hereunder by the Issuer and the Guarantor with respect to the Outstanding Securities of such series and any Coupons appertaining thereto; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel and the Guarantor has delivered to the Trustee a Guarantor's Officers' Certificate (if the Securities of such series are Guaranteed Securities), each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture as to such series have been complied with.

In the event there are Securities of two or more series hereunder, the Trustee shall be required to execute an instrument acknowledging satisfaction and discharge of this Indenture only if requested to do so with respect to Securities of such series as to which it is Trustee and if the other conditions thereto are met.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any series of Securities, the obligations of the Issuer and the Guarantor to the Trustee under Section 605 and, if money shall have been deposited with the Trustee pursuant to subclause (b) of clause (1) of this

Section, the obligations of the Issuer and the Trustee with respect to the Securities of such series under Sections 305, 306, 403, 1002 and 1003, with respect to the payment of Additional Amounts, if any, with respect to such Securities as contemplated by Section 1004 (but only to the extent that the Additional Amounts payable with respect to such Securities exceed the amount deposited in respect of such Additional Amounts pursuant to Section 401(1)(b)), and with respect to any rights to exchange such Securities into other securities shall survive.

Section 402. Defeasance and Covenant Defeasance.

(1) Unless pursuant to Section 301, either or both of (i) defeasance of the Securities of or within a series under clause (2) of this Section 402 shall not be applicable with respect to the Securities of such series or (ii) covenant defeasance of the Securities of or within a series under clause (3) of this Section 402 shall not be applicable with respect to the Securities of such series, then such provisions, together with the other provisions of this Section 402 (with such modifications thereto as may be specified pursuant to Section 301 with respect to any Securities), shall be applicable to such Securities and any Coupons appertaining thereto, and the Issuer may at its option by Board Resolution, at any time, with respect to such Securities and any Coupons appertaining thereto, elect to have Section 402(2) or Section 402(3) be applied to such Outstanding Securities and any Coupons appertaining thereto upon compliance with the conditions set forth below in this Section 402.

(2) Upon the Issuer's exercise of the above option applicable to this Section 402(2) with respect to any Securities of or within a series, each of the Issuer and the Guarantor (if such Securities are Guaranteed Securities) shall be deemed to have been discharged from its obligations with respect to such Outstanding Securities and any Coupons appertaining thereto and under the Guarantee in respect thereof (if applicable), respectively, on the date the conditions set forth in clause (4) of this Section 402 are satisfied (hereinafter, "defeasance"). For this purpose, such defeasance means that the Issuer and the Guarantor (if such Securities are Guaranteed Securities) shall be deemed to have paid and discharged the entire Indebtedness represented by such Outstanding Securities and any Coupons appertaining thereto, and under the Guarantee in respect thereof (if such Securities are Guaranteed Securities), which shall thereafter be deemed to be "Outstanding" only for the purposes of clause (5) of this Section 402 and the other Sections of this Indenture referred to in clauses (i) and (ii) below, and to have satisfied all of its other obligations under such Securities and any Coupons appertaining thereto, and under the Guarantee in respect thereof (if such Securities are Guaranteed Securities), and this Indenture insofar as such Securities and any Coupons appertaining thereto, and the Guarantee in respect thereof (if such Securities are Guaranteed Securities), are concerned (and the Trustee, at the expense of the Issuer and the Guarantor (if such Securities are Guaranteed Securities), shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of such Outstanding Securities and any Coupons appertaining thereto to receive, solely from the trust fund described

in clause (4) of this Section 402 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any) and interest, if any, on, and Additional Amounts, if any, with respect to, such Securities and any Coupons appertaining thereto when such payments are due, and any rights of such Holder to convert or exchange such Securities into Common Stock or other securities, (ii) the obligations of the Issuer, the Guarantor (if the Securities are Guaranteed Securities) and the Trustee with respect to such Securities under Sections 305, 306, 1002 and 1003 and with respect to the payment of Additional Amounts, if any, on such Securities as contemplated by Section 1004 (but only to the extent that the Additional Amounts payable with respect to such Securities exceed the amount deposited in respect of such Additional Amounts pursuant to Section 401(4)(a) below), and with respect to any rights to exchange such Securities into other securities, (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (iv) this Section 402. The Issuer may exercise its option under this Section 402(2) notwithstanding the prior exercise of its option under clause (3) of this Section 402 with respect to such Securities and any Coupons appertaining thereto.

(3) Upon the Issuer's exercise of the above option applicable to this Section 402(3) with respect to any Securities of or within a series, each of the Issuer and the Guarantor (if the Securities are Guaranteed Securities) shall be released from its obligations under Sections 1005 to 1011, inclusive, and to the extent specified pursuant to Section 301, any other covenant applicable to such Securities, with respect to such Outstanding Securities and any Coupons appertaining thereto, and the Guarantee in respect thereof (if the Securities are Guaranteed Securities), on and after the date the conditions set forth in clause (4) of this Section 402 are satisfied (hereinafter, "covenant defeasance"), and such Securities and any Coupons appertaining thereto shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with any such covenant, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to such Outstanding Securities and any Coupons appertaining thereto, the Issuer and the Guarantor (if applicable) may omit to comply with, and shall have no liability in respect of, any term, condition or limitation set forth in any such Section or such other covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or such other covenant or by reason of reference in any such Section or such other covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or an Event of Default under Section 501(4) or 501(9) or otherwise, as the case may be, but, except as specified above, the remainder of this Indenture and such Securities and Coupons appertaining thereto and the Guarantee in respect thereof (if the Securities are Guaranteed Securities) shall be unaffected thereby.

(4) The following shall be the conditions to application of clause (2) or (3) of this Section 402 to any Outstanding Securities of or within a series and any Coupons appertaining thereto and the Guarantee (if the Securities are Guaranteed Securities) in respect thereof:

(a) The Issuer or the Guarantor shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 607 who shall agree to comply with the provisions of this Section 402 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities and any Coupons appertaining thereto, (1) an amount in Dollars or in such Foreign Currency in which such Securities and any Coupons appertaining thereto are then specified as payable at Stated Maturity, or (2) Government Obligations applicable to such Securities and Coupons appertaining thereto (determined on the basis of the Currency in which such Securities and Coupons appertaining thereto are then specified as payable at Stated Maturity) which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment of principal of (and premium, if any) and interest, if any, on such Securities and any Coupons appertaining thereto, money in an amount, or (3) a combination thereof, in any case, in an amount, sufficient, without consideration of any reinvestment of such principal and interest, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, (y) the principal of (and premium, if any) and interest, if any, on such Outstanding Securities and any Coupons appertaining thereto on the Stated Maturity of such principal or installment of principal or interest and (z) any mandatory sinking fund payments or analogous payments applicable to such Outstanding Securities and any Coupons appertaining thereto on the day on which such payments are due and payable in accordance with the terms of this Indenture and of such Securities and any Coupons appertaining thereto.

(b) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Issuer or the Guarantor (if the Securities are Guaranteed Securities) is a party or by which it is bound.

(c) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to such Securities and any Coupons appertaining thereto shall have occurred and be continuing on the date of such deposit and, with respect to defeasance only, at any time during the period ending on the 91st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(d) In the case of an election under clause (2) of this Section 402, the Issuer or the Guarantor shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Issuer or the Guarantor (if the Securities are Guaranteed Securities) has received from the Internal

Revenue Service a letter ruling, or there has been published by the Internal Revenue Service a Revenue Ruling, or (ii) there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of such Outstanding Securities and any Coupons appertaining thereto will not recognize income, gain or loss for Federal income tax purposes as a result of such defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

(e) In the case of an election under clause (3) of this Section 402, the Issuer or the Guarantor shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Outstanding Securities and any Coupons appertaining thereto will not recognize income, gain or loss for Federal income tax purposes as a result of such covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(f) The Issuer or the Guarantor (if the Securities are Guaranteed Securities) shall have delivered to the Trustee an Officers' Certificate (if applicable) or a Guarantor's Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance or covenant defeasance under clause (2) or (3) of this Section 402 (as the case may be) have been complied with.

(g) Notwithstanding any other provisions of this Section 402(4), such defeasance or covenant defeasance shall be effected in compliance with any additional or substitute terms, conditions or limitations which may be imposed on the Issuer or the Guarantor (if the Securities are Guaranteed Securities) in connection therewith pursuant to Section 301.

(5) Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations (or other property as may be provided pursuant to Section 301) (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 402(5) and Section 403, the "Trustee") pursuant to clause (4) of Section 402 in respect of any Outstanding Securities of any series and any Coupons appertaining thereto shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and any Coupons appertaining thereto and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities and any Coupons appertaining thereto of all sums due and to become due thereon in respect of principal (and premium, if any) and interest and Additional Amounts, if any, but such money need not be segregated from other funds except to the extent required by law.

Unless otherwise specified in or pursuant to this Indenture or any Security, if, after a deposit referred to in Section 402(4) (a) has been made,

(a) the Holder of a Security in respect of which such deposit was made is entitled to, and does, elect pursuant to Section 301 or the terms of such Security to receive payment in a Currency other than that in which the deposit pursuant to Section 402(4)(a) has been made in respect of such Security, or (b) a Conversion Event occurs in respect of the Foreign Currency in which the deposit pursuant to Section 402(4)(a) has been made, the indebtedness represented by such Security and any Coupons appertaining thereto shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any), and interest, if any, on, and Additional Amounts, if any, with respect to, such Security as the same becomes due out of the proceeds yielded by converting (from time to time as specified below in the case of any such election) the amount or other property deposited in respect of such Security into the Currency in which such Security becomes payable as a result of such election or Conversion Event based on (x) in the case of payments made pursuant to clause (a) above, the applicable market exchange rate for such Currency in effect on the second Business Day prior to each payment date, or (y) with respect to a Conversion Event, the applicable market exchange rate for such Foreign Currency in effect (as nearly as feasible) at the time of the Conversion Event.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge, imposed on or assessed against the Government Obligations deposited pursuant to this Section 402 or the principal or interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of such Outstanding Securities and any Coupons appertaining thereto.

Anything in this Section 402 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon Issuer Request, or the Guarantor, as the case may be, upon the Guarantor Request, any money or Government Obligations (or other property and any proceeds therefrom) held by it as provided in clause (4) of this Section 402 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect a defeasance or covenant defeasance, as applicable, in accordance with this Section 402.

Section 403. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations deposited with the Trustee pursuant to Section 401 or 402 shall be held in trust and applied by it, in accordance with the provisions of the Securities, the Coupons and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, interest and Additional Amounts for whose payment such money has or Government Obligations have been deposited with or received by the Trustee; but such money and Government Obligations need not be segregated from other funds except to the extent required by law.

ARTICLE FIVE

Section 501. Events of Default.

"Event of Default", wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless such event is specifically deleted or modified in or pursuant to the supplemental indenture, Board Resolution or Officers' Certificate establishing the terms of such Series pursuant to this Indenture:

outstanding in a principal or notional amount of at least \$20,000,000 (or the equivalent thereof in one or more other currencies), either individually or in the aggregate (but excluding Indebtedness outstanding hereunder), of the Issuer and its consolidated Subsidiaries, taken as a whole, when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in any agreement or instrument relating to such Indebtedness, or any other event shall occur or condition shall exist under any agreement or instrument evidencing, securing or otherwise relating to any such Indebtedness and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such event or condition is to accelerate, or to permit the acceleration of, the maturity of such Indebtedness or otherwise to cause, or to permit the holder or holders thereof (or a trustee or agent on behalf of such holders) to cause such Indebtedness to mature prior to its stated maturity; or

(8) one or more final, non-appealable judgments or orders for the payment of money aggregating \$20,000,000 (or the equivalent thereof in one or more other currencies) or more are rendered against one or more of the Issuer, the Guarantor (if the Securities of such series are Guaranteed Securities), any Subsidiary in which the Issuer has invested at least \$20,000,000 in capital or any entity in which the Issuer is the general partner and remain unsatisfied and either (i) enforcement proceedings shall have been commenced by any creditor upon any such judgment or order or (ii) there shall be a period of at least 60 days after entry thereof during which a stay of enforcement of any such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; provided, however, that any such judgment or order shall not give rise to an Event of Default under this subsection (8) if and for so long as (A) the amount of such judgment or order is covered by a valid and binding policy of insurance between the defendant and the insurer covering full payment thereof and (B) such insurer has been notified, and has not disputed the claim made for payment, of the amount of such judgement or order; or

(9) any other Event of Default provided in or pursuant to this Indenture with respect to Securities of such series.

Section 502. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Securities of any series at the time Outstanding (other than an Event of Default specified in clause (5) or (6) of Section 501) occurs and is continuing, then the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of such series may declare the principal (or, if any Securities are Original Issue Discount Securities or Indexed Securities, such portion of the principal as may be specified in the terms thereof) of all the Securities of such series, or such lesser amount as may be provided for in the Securities of such series, to be due and payable immediately, by a notice in writing to the Issuer and the Guarantor (if the Securities are Guaranteed Securities) (and to the Trustee if given by the Holders), and upon any such declaration such

principal or such lesser amount shall become immediately due and payable.

If an Event of Default specified in clause (5) or (6) of Section 501 occurs, all unpaid principal of and accrued interest on the Outstanding Securities of that series (or such lesser amount as may be provided for in the Securities of such series) shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder of any Security of that series.

At any time after Securities of any series have been accelerated and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of not less than a majority in principal amount of the Outstanding Securities of such series, by written notice to the Issuer, the Guarantor (if the Securities are Guaranteed Securities) and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Issuer or the Guarantor (if the Securities are Guaranteed Securities) has paid or deposited with the Trustee a sum of money sufficient to pay

(a) all overdue installments of any interest on and Additional Amounts with respect to all Securities of such series and any Coupon appertaining thereto,

(b) the principal of and any premium on any Securities of such series which have become due otherwise than by such declaration of acceleration and interest thereon and any Additional Amounts with respect thereto at the rate or rates borne by or provided for in such Securities,

(c) to the extent that payment of such interest or Additional Amounts is lawful, interest upon overdue installments of any interest and Additional Amounts at the rate or rates borne by or provided for in such Securities, and

(d) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 606; and

(2) all Events of Default with respect to Securities of such series, other than the non-payment of the principal of, any premium and interest on, and any Additional Amounts with respect to Securities of such series which shall have become due solely by such declaration of acceleration, shall have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 503. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Issuer covenants and the Guarantor (if the Securities are Guaranteed Securities) covenants, in each case, that if

(1) default is made in the payment of any installment of interest on or any Additional Amounts with respect to any Security or any Coupon appertaining thereto when such interest or Additional Amounts shall have become due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of or any premium on any Security at its Maturity,

the Issuer or the Guarantor (if the Securities are Guaranteed Securities), as the case may be shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Securities and any Coupons appertaining thereto, the whole amount of money then due and payable with respect to such Securities and any Coupons appertaining thereto, with interest upon the overdue principal, any premium and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installments of interest and Additional Amounts at the rate or rates borne by or provided for in such Securities, and, in addition thereto, such further amount of money as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due to the Trustee under Section 606.

If the Issuer or the Guarantor (if the Securities are Guaranteed Securities) fails to pay the money it is required to pay the Trustee pursuant to the preceding paragraph forthwith upon the demand of the Trustee, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the money so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Issuer or the Guarantor (if the Securities are Guaranteed Securities) or any other obligor upon such Securities and any Coupons appertaining thereto and collect the monies adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or the Guarantor (if the Securities are Guaranteed Securities) or any other obligor upon such Securities and any Coupons appertaining thereto, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series and any Coupons appertaining thereto by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or such Securities or in aid of the exercise of any power granted herein or therein, or to enforce any other proper remedy.

Section 504. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation,

bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, the Guarantor (if the Securities are Guaranteed Securities) or any other obligor upon the Securities or the property of the Issuer, the Guarantor (if the Securities are Guaranteed Securities) or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer or the Guarantor (if the Securities are Guaranteed Securities) for the payment of any overdue principal, premium, interest or Additional Amounts) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount, or such lesser amount as may be provided for in the Securities of such series, of the principal and any premium, interest and Additional Amounts owing and unpaid in respect of the Securities and any Coupons appertaining thereto and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents or counsel) and of the Holders of Securities or any Coupons allowed in such judicial proceeding, and

(2) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of Securities or any Coupons to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of Securities or any Coupons, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 606.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Security or any Coupon any plan of reorganization, arrangement, adjustment or composition affecting the Securities or Coupons or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Security or any Coupon in any such proceeding.

Section 505. Trustee May Enforce Claims without Possession of Securities or Coupons.

All rights of action and claims under this Indenture or any of the Securities or Coupons may be prosecuted and enforced by the Trustee without the possession of any of the Securities or Coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery or judgment, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents

and counsel, shall be for the ratable benefit of each and every Holder of a Security or Coupon in respect of which such judgment has been recovered.

Section 506. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal, or any premium, interest or Additional Amounts, upon presentation of the Securities or Coupons, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee and any predecessor Trustee under Section 606;

Second: To the payment of the amounts then due and unpaid upon the Securities and any Coupons for principal and any premium, interest and Additional Amounts in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the aggregate amounts due and payable on such Securities and Coupons for principal and any premium, interest and Additional Amounts, respectively;

Third: The balance, if any, to the Person or Persons entitled thereto.

Section 507. Limitations on Suits.

No Holder of any Security of any series or any Coupons appertaining thereto shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of such series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a

majority in principal amount of the Outstanding Securities of such series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture or any Security to affect, disturb or prejudice the rights of any other such Holders or Holders of Securities of any other series, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

Section 508. Unconditional Right of Holders to Receive Principal and any Premium, Interest and Additional Amounts.

Notwithstanding any other provision in this Indenture, the Holder of any Security or Coupon shall have the right, which is absolute and unconditional, to receive payment of the principal of, any premium and (subject to Sections 305 and 307) interest on, and any Additional Amounts with respect to such Security or payment of such Coupon, as the case may be, on the respective Stated Maturity or Maturities therefor specified in such Security or Coupon (or, in the case of redemption, on the Redemption Date or, in the case of repayment at the option of such Holder if provided in or pursuant to this Indenture, on the date such repayment is due) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 509. Restoration of Rights and Remedies.

If the Trustee or any Holder of a Security or a Coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Issuer, the Guarantor (if the Security is a Guaranteed Security), the Trustee and each such Holder shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and each such Holder shall continue as though no such proceeding had been instituted.

Section 510. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or Coupons in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to each and every Holder of a Security or a Coupon is intended to be exclusive of any other right or remedy, and every right and remedy, to the extent permitted by law, shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not, to the extent permitted by law, prevent the concurrent assertion or employment of any other appropriate right

or remedy.

Section 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security or Coupon to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to any Holder of a Security or a Coupon may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by such Holder, as the case may be.

Section 512. Control by Holders of Securities.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series and any Coupons appertaining thereto, provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture or with the Securities of any series,

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) such direction is not unduly prejudicial to the rights of the other Holders of Securities of such series not joining in such action.

Section 513. Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series on behalf of the Holders of all the Securities of such series and any Coupons appertaining thereto may waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of, any premium or interest on, or any Additional Amounts with respect to, any Security of such series or any Coupons appertaining thereto, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 514. Waiver of Stay or Extension Laws.

The Issuer covenants and the Guarantor covenants, in each case, that (to the extent that it may lawfully do so) it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and the Guarantor each expressly waives (to the extent that it may lawfully do so) all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 515. Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of any undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 515 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on or Additional Amounts, if any, with respect to any Security on or after the respective Stated Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date, and, in the case of repayment, on or after the date for repayment) or for the enforcement of the right, if any, to convert or exchange any Security into Common Stock or other securities in accordance with its terms.

ARTICLE SIX

THE TRUSTEE

Section 601. Certain Rights of Trustee.

Subject to Sections 315(a) through 315(d) of the Trust Indenture Act:

(1) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Issuer mentioned herein shall be

sufficiently evidenced by an Issuer Request or an Issuer Order or of the Guarantor mentioned herein shall be sufficiently evidenced by a Guarantor Request or Guarantor Order (in each case, other than delivery of any Security, together with any Coupons appertaining thereto, to the Trustee for authentication and delivery pursuant to Section 303 which shall be sufficiently evidenced as provided therein) and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution or by the Guarantor's Board of Directors may be sufficiently evidenced by a Guarantor's Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence shall be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate or, if such matter pertains to the Guarantor, a Guarantor's Officers' Certificate;

(4) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by or pursuant to this Indenture at the request or direction of any of the Holders of Securities of any series or any Coupons appertaining thereto pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Issuer and the Guarantor, personally or by agent or attorney;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(8) subject to the provisions of Section 602 hereof and Sections 315(a) through 315(d) of the Trust Indenture Act, the Trustee shall not be charged with knowledge of any Event of Default described in Section

501(4), (5), (6), (7), (8) or (9) hereof unless a Responsible Officer of the Trustee shall have actual knowledge of such Event of Default.

(9) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

Section 602. Notice of Defaults.

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series entitled to receive reports pursuant to Section 703(3), notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any), or interest, if any, on, or Additional Amounts or any sinking fund or purchase fund installment with respect to, any Security of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the best interest of the Holders of Securities and Coupons of such series; and provided, further, that in the case of any default of the character specified in Section 501(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 603. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificate of authentication, and in any Coupons shall be taken as the statements of the Issuer or the Guarantor (if the Securities are Guaranteed Securities), as the case may be, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities or the Coupons, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities and perform its obligations hereunder and that the statements made by it in a Statement of Eligibility on Form T-1 supplied to the Issuer are true and accurate, subject to the qualifications set forth therein. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Issuer of the Securities or the proceeds thereof.

Section 604. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security

Registrar or any other Person that may be an agent of the Trustee or the Guarantor or the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities or Coupons and, subject to Sections 310(b) and 311 of the Trust Indenture Act, may otherwise deal with the Issuer or the Guarantor with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other Person.

Section 605. Money Held in Trust.

Except as provided in Section 403 and Section 1003, money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law and shall be held uninvested. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer or the Guarantor.

Section 606. Compensation and Reimbursement.

The Issuer and the Guarantor jointly and severally agree:

(1) to pay to the Trustee from time to time such compensation as the Issuer, the Guarantor and the Trustee shall from time to time agree in writing for all services rendered by the Trustee hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Trustee's negligence or bad faith; and

(3) to indemnify the Trustee and its agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence or bad faith on their part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder, except to the extent that any such loss, liability or expense was due to the Trustee's negligence or bad faith.

As security for the performance of the obligations of the Issuer and the Guarantor under this Section, the Trustee shall have a Lien prior to the Securities of any series upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of, and premium or interest on or any Additional Amounts with respect to Securities or any Coupons appertaining thereto.

Any compensation or expense incurred by the Trustee after a default specified by Section 501 is intended to constitute an expense of administration

under any then applicable bankruptcy or insolvency law. "Trustee" for purposes of this Section 606 shall include any predecessor Trustee but the negligence or bad faith of any Trustee shall not affect the rights of any other Trustee under this Section 606.

The provisions of this section shall survive the termination of this Indenture.

Section 607. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder that is a Corporation, organized and doing business under the laws of the United States of America, any state thereof or the District of Columbia, eligible under Section 310(a)(1) of the Trust Indenture Act to act as trustee under an indenture qualified under the Trust Indenture Act and that has a combined capital and surplus (computed in accordance with Section 310(a)(2) of the Trust Indenture Act) of at least \$50,000,000 subject to supervision or examination by Federal or state authority. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 608. Resignation and Removal; Appointment of Successor.

(1) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee pursuant to Section 609.

(2) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Issuer and the Guarantor (if the Securities are Guaranteed Securities). If the instrument of acceptance by a successor Trustee required by Section 609 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to such series.

(3) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and the Issuer and the Guarantor (if the Securities are Guaranteed Securities).

(4) If at any time:

(a) the Trustee shall fail to comply with the obligations imposed upon it under Section 310(b) of the Trust Indenture Act with respect to Securities of any series after written request therefor by the Issuer, the Guarantor (if the Securities are Guaranteed Securities) or any Holder of a Security of such series who has been a bona fide Holder of a Security of such series for at least six months, or

(b) the Trustee shall cease to be eligible under Section 607 and shall

fail to resign after written request therefor by the Issuer, the Guarantor (if the Securities are Guaranteed Securities) or any such Holder, or

(c) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer, by or pursuant to a Board Resolution, or the Guarantor (if the Securities are Guaranteed Securities), by or pursuant to a Guarantor's Board Resolution, may remove the Trustee with respect to all Securities or the Securities of such series, or (ii) subject to Section 315(e) of the Trust Indenture Act, any Holder of a Security who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities of such series and the appointment of a successor Trustee or Trustees.

(1) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Issuer, by or pursuant to a Board Resolution, and the Guarantor (if the Securities are Guaranteed Securities), by or pursuant to a Guarantor's Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 609. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Issuer, the Guarantor (if the Securities are Guaranteed Securities) and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 609, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Issuer and the Guarantor (if the Securities are Guaranteed Securities). If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Issuer and the Guarantor (if the Securities are Guaranteed Securities) or the Holders of Securities and accepted appointment in the manner required by Section 609, any Holder of a Security who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(2) The Issuer shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each

appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Registered Securities, if any, of such series as their names and addresses appear in the Security Register and, if Securities of such series are issued as Bearer Securities, by publishing notice of such event once in an Authorized Newspaper in each Place of Payment located outside the United States. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

Section 609. Acceptance of Appointment by Successor.

(1) Upon the appointment hereunder of any successor Trustee with respect to all Securities, such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer, the Guarantor and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties hereunder of the retiring Trustee; but, on the request of the Issuer, the Guarantor or such successor Trustee, such retiring Trustee, upon payment of its charges, shall execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and, subject to Section 1003, shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its claim, if any, provided for in Section 606.

(2) Upon the appointment hereunder of any successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the Guarantor (if any of such series of Securities is a series of Guaranteed Securities), the retiring Trustee and such successor Trustee shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, such successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust, that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and that no Trustee shall be responsible for any notice given to, or received by, or any act or failure to act on the part of any other Trustee hereunder, and, upon the execution and delivery of such supplemental indenture, the resignation or

removal of the retiring Trustee shall become effective to the extent provided therein, such retiring Trustee shall have no further responsibility for the exercise of rights and powers or for the performance of the duties and obligations vested in the Trustee under this Indenture with respect to the Securities of that or those series to which the appointment of such successor Trustee relates other than as hereinafter expressly set forth, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer, the Guarantor, if applicable, or such successor Trustee, such retiring Trustee, upon payment of its charges with respect to the Securities of that or those series to which the appointment of such successor relates and subject to Section 1003 shall duly assign, transfer and deliver to such successor Trustee, to the extent contemplated by such supplemental indenture, the property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, subject to its claim, if any, provided for in Section 606.

(3) Upon request of any Person appointed hereunder as a successor Trustee, the Issuer and the Guarantor shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (1) or (2) of this Section, as the case may be.

(4) No Person shall accept its appointment hereunder as a successor Trustee unless at the time of such acceptance such successor Person shall be qualified and eligible under this Article.

Section 610. Merger, Conversion, Consolidation or Succession to Business.

Any Corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any Corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated but not delivered by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 611. Appointment of Authenticating Agent.

The Trustee may appoint one or more Authenticating Agents acceptable to the Issuer with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of that or those series issued upon original issue, exchange, registration of transfer, partial redemption or partial repayment or pursuant to Section 306, and

Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent.

Each Authenticating Agent shall be acceptable to the Issuer and the Guarantor and, except as provided in or pursuant to this Indenture, shall at all times be a corporation that would be permitted by the Trust Indenture Act to act as trustee under an indenture qualified under the Trust Indenture Act, is authorized under applicable law and by its charter to act as an Authenticating Agent and has a combined capital and surplus (computed in accordance with Section 310(a)(2) of the Trust Indenture Act) of at least \$50,000,000. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect specified in this Section.

Any Corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any Corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any Corporation succeeding to all or substantially all of the corporate agency or corporate trust business of an Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, provided such Corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee, the Guarantor and the Issuer. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent, the Guarantor and the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Issuer and the Guarantor and shall (i) mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Registered Securities, if any, of the series with respect to which such Authenticating Agent shall serve, as their names and addresses appear in the Security Register, and (ii) if Securities of the series are issued as Bearer Securities, publish notice of such appointment at least once in an Authorized Newspaper in the place where such successor Authenticating Agent has its principal office if such office is located outside the United States. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Issuer agrees and the Guarantor agrees to pay each Authenticating Agent from time to time reasonable compensation for its services under this Section. If the Trustee makes such payments, it shall be entitled to be reimbursed for such payments, subject to the provisions of Section 606.

The provisions of Sections 308, 603 and 604 shall be applicable to each Authenticating Agent.

If an Authenticating Agent is appointed with respect to one or more series of Securities pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to or in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in substantially the following form:

This is one of the Securities of the series designated herein referred to in the within-mentioned Indenture.

If all of the Securities of any series may not be originally issued at one time, and if the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Issuer wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested in writing (which writing need not be accompanied by or contained in an Officers' Certificate by the Issuer), shall appoint in accordance with this Section an Authenticating Agent having an office in a Place of Payment designated by the Issuer with respect to such series of Securities.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 802. Successor Person Substituted for Issuer.

Upon any consolidation by the Issuer with or merger of the Issuer into any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Issuer to any Person in accordance with Section 801, the successor Person formed by such consolidation or into which the Issuer is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person had been named as the Issuer herein; and thereafter, except in the case of a lease, the predecessor Person shall be released from all obligations and covenants under this Indenture, the Securities and the Coupons.

Section 803. Guarantor May Consolidate, Etc., Only on Certain Terms.

Nothing contained in this Indenture or in any of the Securities shall prevent any consolidation or merger of the Guarantor with or into any other

Section 1002. Maintenance of Office or Agency.

The Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) shall maintain in each Place of Payment for any series of Securities an Office or Agency where Securities of such series (but not Bearer Securities, except as otherwise provided below, unless such Place of Payment is located outside the United States) may be presented or surrendered for payment, where Securities of such series may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) in respect of the Securities of such series relating thereto and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) shall maintain, subject to any laws or regulations applicable thereto, an Office or Agency in a Place of Payment for such series which is located outside the United States where Securities of such series and any Coupons appertaining thereto may be presented and surrendered for payment; provided, however, that if the Securities of such series are listed on The Stock Exchange of the United Kingdom and the Republic of Ireland or the Luxembourg Stock Exchange or any other stock exchange located outside the United States and such stock exchange shall so require, the Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) shall maintain a Paying Agent in London, Luxembourg or any other required city located outside the United States, as the case may be, so long as the Securities of such series are listed on such exchange. The Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) will give prompt written notice to the Trustee of the location, and any change in the location, of such Office or Agency. If at any time the Issuer or the Guarantor shall fail to maintain any such required Office or Agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, except that Bearer Securities of such series and any Coupons appertaining thereto may be presented and surrendered for payment at the place specified for the purpose with respect to such Securities as provided in or pursuant to this Indenture, and the Issuer and the Guarantor each hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

Except as otherwise provided in or pursuant to this Indenture, no payment of principal, premium, interest or Additional Amounts with respect to Bearer Securities shall be made at any Office or Agency in the United States or by check mailed to any address in the United States or by transfer to an account maintained with a bank located in the United States; provided, however, if amounts owing with respect to any Bearer Securities shall be payable in Dollars, payment of principal of, any premium or interest on and any Additional Amounts with respect to any such Security may be made at the Corporate Trust Office of the Trustee or any Office or Agency designated by the Issuer in the City of New York, New York, if (but only if) payment of the full amount of such principal, premium, interest or Additional Amounts at all offices outside the United States maintained for such purpose by the Issuer in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions.

The Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) may also from time to time designate one or more other Offices or Agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Issuer or the Guarantor of its obligation to maintain an Office or Agency in each Place of Payment for Securities of any series for such purposes. The Issuer or the Guarantor (if any Guaranteed Securities are Outstanding) shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other Office or Agency. Unless otherwise provided in or pursuant to this Indenture, the Issuer and the Guarantor (with respect to any Guaranteed Securities) each hereby designates as the Place of Payment for each series of Securities the City of New York, New York, and initially appoints the office of The Bank of New York as the Office or Agency of the Issuer or the Guarantor (with respect to any Guaranteed Securities), as the case may be, in the City of New York, New York for such purpose. The Issuer or the Guarantor, as the case may be, may subsequently appoint a different Office or Agency in the City of New York, New York for the Securities of any series.

Unless otherwise specified with respect to any Securities pursuant to Section 301, if and so long as the Securities of any series (i) are denominated in a Foreign Currency or (ii) may be payable in a Foreign Currency, or so long as it is required under any other provision of this Indenture, then the Issuer will maintain with respect to each such series of Securities, or as so required, at least one exchange rate agent.

Section 1003. Money for Securities Payments to Be Held in Trust.

If the Issuer shall at any time act as its own Paying Agent with respect to any series of Securities, it shall, on or before each due date of the principal of, any premium or interest on or Additional Amounts with respect to any of the Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum in the currency or currencies, currency unit or units or composite currency or currencies in

which the Securities of such series are payable (except as otherwise specified pursuant to Section 301 for the Securities of such series) sufficient to pay the principal or any premium, interest or Additional Amounts so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it shall, on or prior to each due date of the principal of, any premium or interest on or any Additional Amounts with respect to any Securities of such series, deposit with any Paying Agent a sum (in the currency or currencies, currency unit or units or composite currency or currencies described in the preceding paragraph) sufficient to pay the principal or any premium, interest or Additional Amounts so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

The Issuer shall cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall:

(1) hold all sums held by it for the payment of the principal of, any premium or interest on or any Additional Amounts with respect to Securities of such series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as provided in or pursuant to this Indenture;

(2) give the Trustee notice of any default by the Issuer or the Guarantor (or any other obligor upon the Securities of such series) in the making of any payment of principal, any premium or interest on or any Additional Amounts with respect to the Securities of such series; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer or the Guarantor (with Securities that are Guaranteed Securities) may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order or Guarantor Order, as the case may be, direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same terms as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Except as otherwise provided herein or pursuant hereto, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, any premium or interest on or any

Additional Amounts with respect to any Security of any series or any Coupon appertaining thereto and remaining unclaimed for two years after such principal or any such premium or interest or any such Additional Amounts shall have become due and payable shall be paid to the Issuer on Issuer Request (or if deposited by the Guarantor, paid to the Guarantor on Guarantor Request), or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security or any Coupon appertaining thereto shall thereafter, as an unsecured general creditor, look only to the Issuer and the Guarantor (if the Securities are Guaranteed Securities) for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in an Authorized Newspaper in each Place of Payment for such series or to be mailed to Holders of Registered Securities of such series, or both, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication or mailing nor shall it be later than two years after such principal and any premium or interest or Additional Amounts shall have become due and payable, any unclaimed balance of such money then remaining will be repaid to the Issuer or the Guarantor, as the case may be.

Section 1004. Additional Amounts.

If any Securities of a series provide for the payment of Additional Amounts, the Issuer and the Guarantor (if the Securities are Guaranteed Securities) agree to pay to the Holder of any such Security or any Coupon appertaining thereto Additional Amounts as provided in or pursuant to this Indenture or such Securities. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any premium or interest on, or in respect of, any Security of any series or any Coupon or the net proceeds received on the sale or exchange of any Security of any series, such mention shall be deemed to include mention of the payment of Additional Amounts provided by the terms of such series established hereby or pursuant hereto to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to such terms, and express mention of the payment of Additional Amounts (if applicable) in any provision hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

Except as otherwise provided in or pursuant to this Indenture or the Securities of the applicable series, if the Securities of a series provide for the payment of Additional Amounts, at least 10 days prior to the first Interest Payment Date with respect to such series of Securities (or if the Securities of such series shall not bear interest prior to Maturity, the first day on which a payment of principal is made), and at least 10 days prior to each date of payment of principal or interest if there has been any change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Issuer or the Guarantor, as the case may be, shall furnish to the Trustee and the principal Paying Agent or Paying Agents, if other than the Trustee, an Officers' Certificate instructing the Trustee and such Paying

Agent or Paying Agents whether such payment of principal of and premium, if any, or interest on the Securities of such series shall be made to Holders of Securities of such series or the Coupons appertaining thereto who are United States Aliens without withholding for or on account of any tax, assessment or other governmental charge described in the Securities of such series. If any such withholding shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities or Coupons, and the Issuer and the Guarantor (if the Securities are Guaranteed Securities) agree to pay to the Trustee or such Paying Agent the Additional Amounts required by the terms of such Securities. The Issuer and the Guarantor each covenant to indemnify the Trustee and any Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section.

Section 1005. Limitations on Incurrence of Debt.

(a) The Issuer will not, and will not permit any Subsidiary to, incur any Indebtedness, other than Permitted Debt, if, immediately after giving effect to the incurrence of such additional Indebtedness, the aggregate principal amount of all outstanding Indebtedness of the Issuer, and of its Subsidiaries determined at the applicable proportionate interest of the Issuer in each such Subsidiary, determined in accordance with GAAP, is greater than 60% of the sum of (i) the Total Assets as of the end of the calendar quarter covered in the Issuer's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, most recently filed with the Commission prior to the incurrence of such additional Indebtedness or, if the Issuer is not then subject to the reporting requirements of the Exchange Act, as of its most recent calendar quarter and (ii) any increase in the Total Assets since the end of such quarter, including, without limitation, any increase in Total Assets resulting from the incurrence of such additional Indebtedness (the Total Assets adjusted by such increase are referred to as the "Adjusted Total Assets").

(b) In addition to the limitation set forth in subsection (a) of this Section 1005, the Issuer will not, and will not permit any Subsidiary to, incur any Indebtedness, other than Permitted Debt, if, for the period consisting of the four consecutive fiscal quarters most recently ended prior to the date on which such additional Indebtedness is to be incurred, the ratio of Consolidated Income Available for Debt Service to the Annual Service Charge shall have been less than 1.5 to 1, on a pro forma basis after giving effect to the incurrence of such Indebtedness and to the application of the proceeds therefrom, and calculated on the assumption that (i) such Indebtedness and any other Indebtedness incurred by the Issuer or its Subsidiaries since the first day of such four-quarter period and the application of the proceeds therefrom, including to refinance other Indebtedness, had occurred at the beginning of such period, (ii) the repayment or retirement of any other Indebtedness by the Issuer or its Subsidiaries since the first day of such four-quarter period had been incurred, repaid or retained at the beginning of such period (except

that, in making such computation, the amount of Indebtedness under any revolving credit facility shall be computed based upon the average daily balance of such Indebtedness during such period), (iii) any income earned as a result of any increase in Adjusted Total Assets since the end of such four-quarter period had been earned, on an annualized basis, for such period, and (iv) in the case of an acquisition or disposition by the Issuer or any of its Subsidiaries of any asset or group of assets since the first day of such four-quarter period, including, without limitation, by merger, stock purchase or sale, or asset purchase or sale, such acquisition or disposition or any related repayment of Indebtedness had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition being included in such pro forma calculation of Consolidated Income Available for Debt Service to the Annual Service Charge.

(c) In addition to the limitations set forth in subsections (a) and (b) of this Section 1005, the Issuer will not, and will not permit any Subsidiary to, incur any Indebtedness secured by any Lien of any kind upon any of the property of the Issuer or any of its Subsidiaries (the "Secured Debt") if, immediately after giving effect to the incurrence of such additional Secured Debt, the aggregate principal amount of all outstanding Secured Debt of the Issuer, and of its Subsidiaries determined at the applicable proportionate interest of the Issuer in each such Subsidiary, is greater than 40% of the Adjusted Total Assets.

Section 1006. Maintenance of Total Unencumbered Assets.

The Issuer will maintain Total Unencumbered Assets of not less than 150% of the aggregate principal amount of all outstanding Unsecured Debt

Section 1007. Maintenance of Properties.

The Issuer will cause all of its material properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; provided, however, that nothing in this Section shall prevent the Issuer or any Subsidiary from selling or otherwise disposing for value any of its properties in the ordinary course of its business.

Section 1008. Insurance.

The Issuer will, and will cause each of its Subsidiaries to, keep all of its insurable properties insured against loss or damage at least equal to their then full insurable value with financially sound and reputable insurers of recognized responsibility.

Section 1009. Existence.

Subject to Article Eight, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its partnership existence and that of each Subsidiary and their respective rights (charter and statutory) and franchises; provided, however, that the foregoing shall not obligate the Issuer to preserve any such right or franchise if the Issuer or any Subsidiary shall determine that the preservation thereof is no longer desirable in the conduct of its business or the business of such Subsidiary and that the loss thereof is not disadvantageous in any material respect to any Holder.

Section 1010. Payment of Taxes and Other Claims.

The Issuer will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon them or any Subsidiary or upon the income, profits or property of the Issuer or any Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a Lien upon the property of the Issuer or any Subsidiary; provided, however, that the Issuer shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

Section 1011. Provision of Financial Information.

Whether or not the Issuer is subject to Section 13 or 15(d) of the Exchange Act and for so long as any Securities are outstanding, the Issuer will, to the extent permitted under the Exchange Act, file with the Commission the annual reports, quarterly reports and other documents which the Issuer would have been required to file with the Commission pursuant to such Section 13 or 15(d) (the "Financial Statements") if the Issuer were so subject, such documents to be filed with the Commission on or prior to the respective dates (the "Required Filing Dates") by which the Issuer would have been required so to file such documents if the Issuer were so subject.

In addition, if the Issuer is no longer required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, the Issuer will also in any event (x) within 15 days after each Required Filing Date (i) transmit by mail to all Holders, as their names and addresses appear in the Security Register, without cost to such Holders copies of the annual reports and quarterly reports which the Issuer would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Issuer were subject to such Sections, and (ii) file with the Trustee copies of the annual reports, quarterly reports and other documents which the Issuer would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Issuer were subject to such Sections and (y) if filing such documents by the Issuer with the Commission is not permitted under the Exchange Act, promptly upon written request and payment of the reasonable cost of duplication and delivery, supply copies of such documents to any prospective Holder.

Section 1012. Waiver of Certain Covenants.

The Issuer or the Guarantor, as the case may be, may omit in any particular instance to comply with any term, provision or condition set forth in Sections 1005, 1006, 1007, 1008, 1009, 1010 or 1011 with respect to the Securities of any series if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series, by Act of such Holders, either shall waive such compliance in such instance or generally shall have waived compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the Guarantor and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

Section 1013. Issuer Statement as to Compliance; Notice of Certain Defaults.

(1) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, a written statement (which need not be contained in or accompanied by an Officers' Certificate) signed by the principal executive officer, the principal financial officer or the principal accounting officer of the General Partner acting in its capacity as the sole general partner of the Issuer, stating that

(a) a review of the activities of the Issuer during such year and of its performance under this Indenture has been made under his or her supervision, and

(b) to the best of his or her knowledge, based on such review, (a) the Issuer has complied with all the conditions and covenants imposed on it under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such condition or covenant, specifying each such default known to him or her and the nature and status thereof, and (b) no event has occurred and is continuing which is, or after notice or lapse of time or both would become, an Event of Default, or, if such an event has occurred and is continuing, specifying each such event known to him and the nature and status thereof.

(2) The Issuer shall deliver to the Trustee, within five days after the occurrence thereof, written notice of any Event of Default or any event which after notice or lapse of time or both would become an Event of Default pursuant to clause (4) of Section 501.

Section 1014. Guarantor Statement as to Compliance; Notice of Certain Defaults.

(1) The Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year, a written statement (which need not be contained in or accompanied by an Officers' Certificate) signed by the principal executive officer, the principal financial officer or the principal accounting

officer of the Guarantor, stating that

(a) a review of the activities of the Guarantor during such year and of performance under this Indenture has been made under his or her supervision, and

(b) to the best of his or her knowledge, based on such review, (a) the Guarantor has complied with conditions and covenants imposed on it under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such condition or covenant, specifying each such default known to him or her and the nature and status thereof, and (b) no event has occurred and is continuing which constitutes, or which after notice or lapse of time or both would become, an Event of Default, or, if such an event has occurred and is continuing, specifying each such event known to him and the nature and status thereof.

(2) The Guarantor shall deliver to the Trustee, within five days after the occurrence thereof, written notice of any event which after notice or lapse of time or both would become an Event of Default pursuant to clause (4) of Section 501.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

Section 1101. Applicability of Article.

Redemption of Securities of any series at the option of the Issuer as permitted or required by the terms of such Securities shall be made in accordance with the terms of such Securities and (except as otherwise provided herein or pursuant hereto) this Article.

Section 1102. Election to Redeem; Notice to Trustee.

The election of the Issuer to redeem any Securities shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Issuer of (a) less than all of the Securities of any series or (b) all of the Securities of any series, with the same issue date, interest rate or formula, Stated Maturity and other terms, the Issuer shall, at least 60 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed.

Section 1103. Selection by Trustee of Securities to be Redeemed.

If less than all of the Securities of any series with the same issue date, interest rate or formula, Stated Maturity and other terms are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee from the Outstanding Securities of such series not previously called for redemption, by such method

as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions of the principal amount of Registered Securities of such series; provided, however, that no such partial redemption shall reduce the portion of the principal amount of a Registered Security of such series not redeemed to less than the minimum denomination for a Security of such series established herein or pursuant hereto.

The Trustee shall promptly notify the Issuer and the Security Registrar (if other than itself) in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal of such Securities which has been or is to be redeemed.

Unless otherwise specified in or pursuant to this Indenture or the Securities of any series, if any Security selected for partial redemption is converted or exchanged for Common Stock or other securities in part before termination of the conversion or exchange right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted or exchanged during a selection of Securities to be redeemed shall be treated by the Trustee as Outstanding for the purpose of such selection.

Section 1104. Notice of Redemption.

Notice of redemption shall be given in the manner provided in Section 106, not less than 30 nor more than 60 days prior to the Redemption Date, unless a shorter period is specified in the Securities to be redeemed, to the Holders of Securities to be redeemed. Failure to give notice by mailing in the manner herein provided to the Holder of any Registered Securities designated for redemption as a whole or in part, or any defect in the notice to any such Holder, shall not affect the validity of the proceedings for the redemption of any other Securities or portion thereof.

Any notice that is mailed to the Holder of any Registered Securities in the manner herein provided shall be conclusively presumed to have been duly given, whether or not such Holder receives the notice.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price,

(3) if less than all Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the

principal amount) of the particular Security or Securities to be redeemed,

(4) in case any Security is to be redeemed in part only, the notice which relates to such Security shall state that on and after the Redemption Date, upon surrender of such Security, the Holder of such Security will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,

(5) that, on the Redemption Date, the Redemption Price shall become due and payable upon each such Security or portion thereof to be redeemed, and, if applicable, that interest thereon shall cease to accrue on and after said date,

(6) the place or places where such Securities, together (in the case of Bearer Securities) with all Coupons appertaining thereto, if any, maturing after the Redemption Date, are to be surrendered for payment of the Redemption Price and any accrued interest and Additional Amounts pertaining thereto,

(7) that the redemption is for a sinking fund, if such is the case,

(8) that, unless otherwise specified in such notice, Bearer Securities of any series, if any, surrendered for redemption must be accompanied by all Coupons maturing subsequent to the date fixed for redemption or the amount of any such missing Coupon or Coupons will be deducted from the Redemption Price, unless security or indemnity satisfactory to the Issuer, the Trustee and any Paying Agent is furnished,

(9) if Bearer Securities of any series are to be redeemed and any Registered Securities of such series are not to be redeemed, and if such Bearer Securities may be exchanged for Registered Securities not subject to redemption on the Redemption Date pursuant to Section 305 or otherwise, the last date, as determined by the Issuer, on which such exchanges may be made,

(10) in the case of Securities of any series that are convertible or exchangeable into Common Stock or other securities, the conversion or exchange price or rate, the date or dates on which the right to convert or exchange the principal of the Securities of such series to be redeemed will commence or terminate and the place or places where such Securities may be surrendered for conversion or exchange, and

(11) the CUSIP number or the Euroclear or the Cedel reference numbers of such Securities, if any (or any other numbers used by a Depository to identify such Securities).

A notice of redemption published as contemplated by Section 106 need not identify particular Registered Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Issuer shall be given by the Issuer or, at the Issuer's request, by the Trustee in the name and at the expense of the Issuer.

Section 1105. Deposit of Redemption Price.

On or prior to any Redemption Date, the Issuer shall deposit, with respect to the Securities of any series called for redemption pursuant to Section 1104, with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money in the applicable Currency sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date, unless otherwise specified pursuant to Section 301 or in the Securities of such series) any accrued interest on and Additional Amounts with respect thereto, all such Securities or portions thereof which are to be redeemed on that date.

Section 1106. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest and the Coupons for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. Upon surrender of any such Security for redemption in accordance with said notice, together with all Coupons, if any, appertaining thereto maturing after the Redemption Date, such Security shall be paid by the Issuer at the Redemption Price, together with any accrued interest and Additional Amounts to the Redemption Date; provided, however, that, except as otherwise provided in or pursuant to this Indenture or the Bearer Securities of such series, installments of interest on Bearer Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable only upon presentation and surrender of Coupons for such interest (at an Office or Agency located outside the United States except as otherwise provided in Section 1002), and provided, further, that, except as otherwise specified in or pursuant to this Indenture or the Registered Securities of such series, installments of interest on Registered Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the Regular Record Dates therefor according to their terms and the provisions of Section 307.

If any Bearer Security surrendered for redemption shall not be accompanied by all appurtenant Coupons maturing after the Redemption Date, such Security may be paid after deducting from the Redemption Price an amount equal to the face amount of all such missing Coupons, or the surrender of such missing Coupon or Coupons may be waived by the Issuer and the Trustee if there be furnished to them such security or indemnity as they may require to save each of them and any Paying Agent harmless. If thereafter the Holder of such Security shall surrender to the Trustee or any Paying Agent any such missing Coupon in respect of which a deduction shall have been made from the Redemption Price, such Holder shall be entitled to receive the amount so deducted; provided, however, that any interest or Additional Amounts represented by Coupons shall be payable only upon presentation and surrender

of those Coupons at an Office or Agency for such Security located outside of the United States except as otherwise provided in Section 1002.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium, until paid, shall bear interest from the Redemption Date at the rate prescribed therefor in the Security.

Section 1107. Securities Redeemed in Part.

Any Registered Security which is to be redeemed only in part shall be surrendered at any Office or Agency for such Security (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Issuer shall execute and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Registered Security or Securities of the same series, containing identical terms and provisions, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered. If a Security in global form is so surrendered, the Issuer shall execute, and the Trustee shall authenticate and deliver to the U.S. Depository or other Depository for such Security in global form as shall be specified in the Issuer Order with respect thereto to the Trustee, without service charge, a new Security in global form in a denomination equal to and in exchange for the unredeemed portion of the principal of the Security in global form so surrendered.

ARTICLE TWELVE

SINKING FUNDS

Section 1201. Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series, except as otherwise permitted or required in or pursuant to this Indenture or any Security of such series issued pursuant to this Indenture.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of such series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 1202. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series and this Indenture.

Section 1202. Satisfaction of Sinking Fund Payments with Securities.

The Issuer may, in satisfaction of all or any part of any sinking fund payment with respect to the Securities of any series to be made pursuant to the terms of such Securities (1) deliver Outstanding Securities of such series (other than any of such Securities previously called for redemption or any of such Securities in respect of which cash shall have been released to the Issuer), together in the case of any Bearer Securities of such series with all unmatured Coupons appertaining thereto, and (2) apply as a credit Securities of such series which have been redeemed either at the election of the Issuer pursuant to the terms of such series of Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, provided that such series of Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly. If as a result of the delivery or credit of Securities of any series in lieu of cash payments pursuant to this Section 1202, the principal amount of Securities of such series to be redeemed in order to exhaust the aforesaid cash payment shall be less than \$100,000, the Trustee need not call Securities of such series for redemption, except upon Issuer Request, and such cash payment shall be held by the Trustee or a Paying Agent and applied to the next succeeding sinking fund payment, provided, however, that the Trustee or such Paying Agent shall at the request of the Issuer from time to time pay over and deliver to the Issuer any cash payment so being held by the Trustee or such Paying Agent upon delivery by the Issuer to the Trustee of Securities of that series purchased by the Issuer having an unpaid principal amount equal to the cash payment requested to be released to the Issuer.

Section 1203. Redemption of Securities for Sinking Fund.

Not less than 75 days prior to each sinking fund payment date for any series of Securities, the Issuer shall deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing mandatory sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting of Securities of that series pursuant to Section 1202, and the optional amount, if any, to be added in cash to the next ensuing mandatory sinking fund payment, and will also deliver to the Trustee any Securities to be so credited and not theretofore delivered. If such Officers' Certificate shall specify an optional amount to be added in cash to the next ensuing mandatory sinking fund payment, the Issuer shall thereupon be obligated to pay the amount therein specified. Not less than 60 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 1103 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 1104. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 1106 and 1107.

ARTICLE THIRTEEN

REPAYMENT AT THE OPTION OF HOLDERS

Section 1301. Applicability of Article.

Securities of any series which are repayable at the option of the Holders thereof before their Stated Maturity shall be repaid in accordance with the terms of the Securities of such series. The repayment of any principal amount of Securities pursuant to such option of the Holder to require repayment of Securities before their Stated Maturity, for purposes of Section 309, shall not operate as a payment, redemption or satisfaction of the Indebtedness represented by such Securities unless and until the Issuer, at its option, shall deliver or surrender the same to the Trustee with a directive that such Securities be cancelled. Notwithstanding anything to the contrary contained in this Section 1301, in connection with any repayment of Securities, the Issuer may arrange for the purchase of any Securities by an agreement with one or more investment bankers or other purchasers to purchase such Securities by paying to the Holders of such Securities on or before the close of business on the repayment date an amount not less than the repayment price payable by the Issuer on repayment of such Securities, and the obligation of the Issuer to pay the repayment price of such Securities shall be satisfied and discharged to the extent such payment is so paid by such purchasers.

ARTICLE FOURTEEN

SECURITIES IN FOREIGN CURRENCIES

Section 1401. Applicability of Article.

Whenever this Indenture provides for (i) any action by, or the determination of any of the rights of, Holders of Securities of any series in which not all of such Securities are denominated in the same Currency, or (ii) any distribution to Holders of Securities, in the absence of any provision to the contrary in the form of Security of any particular series or pursuant to this Indenture or the Securities, any amount in respect of any Security denominated in a Currency other than Dollars shall be treated for any such action or distribution as that amount of Dollars that could be obtained for such amount on such reasonable basis of exchange and as of the record date with respect to Registered Securities of such series (if any) for such action, determination of rights or distribution (or, if there shall be no applicable record date, such other date reasonably proximate to the date of such action, determination of rights or distribution) as the Issuer or the Guarantor may specify in a written notice to the Trustee or, in the absence of such written notice, as the Trustee may determine.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

Section 1501. Purposes for Which Meetings May Be Called.

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other Act provided by this Indenture to be made, given or taken by Holders of Securities of such series.

Section 1502. Call, Notice and Place of Meetings.

(1) The Trustee may at any time call a meeting of Holders of Securities of any series for any purpose specified in Section 1501, to be held at such time and at such place in the City of New York, New York, or, if Securities of such series have been issued in whole or in part as Bearer Securities, in London or in such place outside the United States as the Trustee shall determine. Notice of every meeting of Holders of Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 106, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(2) In case at any time the Issuer (by or pursuant to a Board Resolution), the Guarantor (if the Securities are Guaranteed Securities), by or pursuant to a Guarantor's Board Resolution or the Holders of at least 10% in principal amount of the Outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 1501, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of or made the first publication of the notice of such meeting within 21 days after receipt of such request (whichever shall be required pursuant to Section 106) or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer, the Guarantor, if applicable, or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place in the City of New York, New York, or, if Securities of such series are to be issued as Bearer Securities, in London for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (1) of this Section.

Section 1503. Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of Securities of any series, a Person shall be (1) a Holder of one or more Outstanding Securities of such series, or (2) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any

representatives of the Trustee and its counsel, any representatives of the Guarantor and its counsel and any representatives of the Issuer and its counsel.

Section 1504. Quorum; Action.

The Persons entitled to vote a majority in principal amount of the Outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; provided however, that if any action is to be taken at the meeting with respect to a consent or waiver which may be given by the Holders of not less than a specified percentage in principal amount of the Outstanding Securities of a series, the Persons holding or representing the specified percentage in principal amount of the Outstanding Securities of the series will constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 1502(1), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Outstanding Securities of such series which shall constitute a quorum.

Except as limited by the proviso to Section 902, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the Outstanding Securities of that series; provided, however, that, except as limited by the proviso to Section 902, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other Act which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Securities of such series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section shall be binding on all the Holders of Securities of such series and the Coupons appertaining thereto, whether or not such Holders were present or represented at the meeting.

Section 1505. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(1) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of such series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 104 and the appointment of any proxy shall be proved in the manner specified in Section 104 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 104 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 104 or other proof.

(2) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Securities as provided in Section 1502(2), in which case the Issuer, the Guarantor or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.

(3) At any meeting, each Holder of a Security of such series or proxy shall be entitled to one vote for each \$1,000 principal amount of Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Security of such series or proxy.

(4) Any meeting of Holders of Securities of any series duly called pursuant to Section 1502 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 1506. Counting Votes and Recording Action of Meetings.

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and

who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1502 and, if applicable, Section 1504. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Issuer and the Guarantor, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

ARTICLE SIXTEEN

GUARANTEE

Section 1601. Guarantee.

The Guarantee set forth in this Article Sixteen shall only be in effect with respect to Securities of a series to the extent such Guarantee is made applicable to such series in accordance with Section 301. The Guarantor hereby unconditionally guarantees to each Holder of a Guaranteed Security authenticated and delivered by the Trustee the due and punctual payment of the principal of, any premium and interest on, and any Additional Amounts with respect to such Guaranteed Security, whether at maturity, by acceleration, redemption, repayment or otherwise, in accordance with the terms of such Security and of this Indenture. In case of the failure of the Issuer punctually to pay any such principal, premium, interest or Additional Amounts, the Guarantor hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at maturity, upon acceleration, redemption, repayment or otherwise, and as if such payment were made by the Issuer.

The Guarantor hereby agrees that its obligations hereunder shall be as principal and not merely as surety, and shall be absolute, irrevocable and unconditional, irrespective of, and shall be unaffected by, any invalidity, irregularity or unenforceability of any Guaranteed Security or this Indenture, any failure to enforce the provisions of any Guaranteed Security or this Indenture, or any waiver, modification, consent or indulgence granted with respect thereto by the Holder of such Guaranteed Security or the Trustee, the recovery of any judgment against the Issuer or any action to enforce the same, or any other circumstances which may otherwise constitute a legal or equitable discharge of a surety or guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger, insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any such Guaranteed Security or the Indebtedness evidenced thereby and all demands whatsoever, and covenants that this Guarantee will not be discharged except by

payment in full of the principal of, any premium and interest on, and any Additional Amounts required with respect to, the Guaranteed Securities and the complete performance of all other obligations contained in the Guaranteed Securities.

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time payment on any Guaranteed Security, in whole or in part, is rescinded or must otherwise be restored to the Issuer or the Guarantor upon the bankruptcy, liquidation or reorganization of the Issuer or otherwise.

The Guarantor shall be subrogated to all rights of the Holder of any Guaranteed Security against the Issuer in respect of any amounts paid to such Holder by the Guarantor pursuant to the provisions of this Guarantee; provided, however, that the Guarantor shall not be entitled to enforce, or to receive any payments arising out of or based upon, such right of subrogation until the principal of, any premium and interest on, and any Additional Amounts required with respect to, all Guaranteed Securities shall have been paid in full.

* * * * *

This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and attested to, all as of the day and year first above written.

Ladies and Gentlemen:

This opinion is furnished in connection with the Registration Statement on Form S-3 (File No. 333-67129) filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), relating to the registration of Debt Securities of Reckson Operating Partnership, L.P., a Delaware limited partnership (the "Operating Partnership"), in an aggregate initial public offering price not to exceed \$500,000,000 (the "Debt Securities"). The Registration Statement was declared effective by the Commission on March 11, 1999. On March 23, 1999, the Operating Partnership made an initial public offering of its senior unsecured notes, comprised of \$100,000,000 aggregate principal amount of 7.40% Notes due 2004 (the "2004 Notes") and \$200,000,000 aggregate principal amount of 7.75% Notes due 2009 (the "2009 Notes" and together with the 2004 Notes, the "Notes"), on terms set forth in a Prospectus Supplement dated March 23, 1999 to the Prospectus dated March 16, 1999 (collectively, the "Prospectus"). The Notes will be issued pursuant to an indenture dated March 26, 1999 among the Operating Partnership, as issuer, Reckson Associates Realty Corp. (the "Company"), as guarantor, and The Bank of New York, as trustee (the "Indenture").

In connection with rendering this opinion, we have examined the Certificate of Limited Partnership and the Amended and Restated Agreement of Limited Partnership, as amended, of the Operating Partnership and the Articles of Incorporation and the Bylaws, as amended, of the Company; records of corporate proceedings of the Company; the Registration Statement; the Indenture; the forms of the Notes; the Prospectus; and such other certificates, receipts, records and documents as we considered necessary for

the purposes of this opinion.

Based upon the foregoing, we are of the opinion that the Notes have been duly authorized by all necessary partnership action of the Operating Partnership, and when the Notes have been duly executed, authenticated and delivered against consideration therefor as contemplated in the Prospectus, the Notes will constitute valid and legally binding obligations of the Operating Partnership and registered holders of the Notes will be entitled to the benefits of the Indenture; provided, however, that the foregoing opinion is subject, as to enforcement, to bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the enforcement of creditors' rights generally, and to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We are attorneys admitted to practice in the State of New York. We express no opinion concerning the laws of any jurisdiction other than the federal laws of the United States of America, the Revised Uniform Limited Partnership Act of the State of Delaware and the laws of the State of New York.

We hereby consent to the filing with the Commission of this opinion in a Current Report on Form 8-K.

Very truly yours,

RECKSON OPERATING PARTNERSHIP, L.P.
(a Delaware limited partnership)

Debt Securities

UNDERWRITING AGREEMENT

March 23, 1999

GOLDMAN, SACHS & CO.
c/o Goldman, Sachs & Co.
85 Broad Street
New York, New York 10004

Ladies and Gentlemen:

Reckson Operating Partnership, L.P., a Delaware limited partnership (the "Operating Partnership"), proposes to issue and sell up to \$500,000,000 aggregate initial public offering price of its debt securities ("Debt Securities") from time to time, in or pursuant to one or more offerings on terms to be determined at the time of sale.

The terms and rights of any particular issuance of Debt Securities shall be as specified in the Terms Agreement (as defined below) relating thereto and in or pursuant to the indenture and any supplements or amendments thereto (the "Indenture") identified in such Terms Agreement.

Whenever the Operating Partnership determines to make an offering of Debt Securities through Goldman, Sachs & Co. ("Goldman Sachs") or through an underwriting syndicate managed by Goldman Sachs, Goldman Sachs and the Operating Partnership will enter into an agreement (each, a "Terms Agreement") providing for the sale of such Debt Securities to, and the purchase and offering thereof by, Goldman Sachs and such other underwriters, if any, selected by Goldman Sachs (the "Underwriters", which term shall include Goldman Sachs, whether acting as sole Underwriter or as a member of an underwriting syndicate, as well as any Underwriter substituted pursuant to Section 10 hereof); provided, that, the Operating Partnership is not obligated, and shall have complete and absolute discretion to determine if and when, to make any offering, to make any offering through Goldman Sachs or any other person, or to enter into any Terms Agreement. Prior to execution of a Terms Agreement, this Underwriting Agreement shall not be construed as an obligation of the Operating Partnership to sell any Debt Securities or as an obligation of any of the Underwriters to purchase Debt Securities. The obligation of the Operating Partnership to issue and sell any Debt Securities and the obligation of any of the Underwriters to purchase any Debt Securities shall be evidenced by the Terms Agreement with respect to the Underwritten Securities (as defined below) specified therein. The Terms Agreement relating to the offering of Debt Securities shall specify the aggregate principal amount of Debt Securities to be initially issued (the "Initial Underwritten Securities"), the name of each Underwriter participating in such offering (subject to substitution as provided in Section 10 hereof), the name of any Underwriter other than Goldman Sachs acting as co-manager in connection with such offering, the aggregate principal amount of Initial Underwritten Securities which each such Underwriter severally agrees to purchase, whether such offering is on a fixed or variable price basis and, if on a fixed price basis, the initial offering price, the price at which the Initial Underwritten Securities are to be purchased by the Underwriters, the form, time, date and place of delivery and payment of the Initial Underwritten Securities and any other material variable terms of the Initial Underwritten Securities. In addition, if applicable, such Terms Agreement shall specify whether the Operating Partnership has agreed to grant to the Underwriters an option to purchase additional Debt Securities to cover over-allotments, if any, and aggregate principal amount of Debt Securities subject to such option (the "Option Underwritten Securities"). As used herein, the term "Underwritten Securities" shall include the Initial Underwritten Securities and all or any portion of any Option Underwritten Securities. The Terms Agreement, which shall be substantially in the form of Exhibit A hereto, may take the form of an exchange of any standard form of written telecommunication between the Operating Partnership and Goldman Sachs, acting for itself and, if applicable, as representative of any other Underwriters. Each offering of Underwritten Securities through Goldman Sachs as sole Underwriter or through an underwriting syndicate managed by Goldman Sachs will be governed by this

Underwriting Agreement, as supplemented by the applicable Terms Agreement.

Reckson Associates Realty Corp., a Maryland corporation (the "Company") and the Operating Partnership have filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (No. 333-67129), for the registration of certain securities, including the Debt Securities, under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the Commission under the 1933 Act (the "1933 Act Regulations"), and the Company and the Operating Partnership have filed such post-effective amendments thereto as may be required prior to the execution of the applicable Terms Agreement. Such registration statement (as so amended, if applicable) has been declared effective by the Commission. (1) Compliance with Registration Requirements. The Operating Partnership meets the requirements for use of Form S-3 under the 1933 Act. Each of the Registration Statement and any Rule 462(b) Registration Statement has become effective under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement or any Rule 462(b) Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Operating Partnership, are contemplated by the Commission or the state securities authority of any jurisdiction, and any request on the part of the Commission for additional information has been complied with. No order preventing or suspending the use of the Prospectus has been issued and no proceeding for that purpose has been instituted or, to the knowledge of the Operating Partnership threatened by the Commission or the state securities authority of any jurisdiction.

At the respective times the Registration Statement, any Rule 462(b) Registration Statement and any post-effective amendments thereto (including the filing of the Operating Partnership's most recent Annual Report on Form 10-K with the Commission (the "Annual Report on Form

10-K")) became effective and at each Representation Date, the Registration Statement, any Rule 462(b) Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission under the Indenture Act (the "1939 Act Regulations") and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. At the date of the Prospectus, and at each Representation Date, the Prospectus, and any amendments and supplements thereto did not and will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Operating Partnership elects to rely upon Rule 434 of the 1933 Act Regulations, the Operating Partnership will comply with the requirements of Rule 434. Notwithstanding the foregoing, the representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, or the Prospectus made in reliance upon and in conformity with information furnished to the Operating Partnership in writing by any Underwriter through Goldman Sachs expressly for use in the Registration Statement or the Prospectus.

Each preliminary prospectus and Prospectus filed as part of the Registration Statement as originally filed or as part of any amendment or supplement thereto, or filed pursuant to Rule 424 under the 1933 Act, complied when so filed in all material respects with the 1933 Act and the 1933 Act Regulations and, if applicable, each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of Underwritten Securities will, at the time of such delivery, be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

If a Rule 462(b) Registration Statement is required in connection with the offering and sale of the Securities, the Operating Partnership has complied or will comply with the requirements of Rule 111 under the 1933 Act Regulations relating to the payment of filing fees therefor.

(2) Incorporated Documents. The documents incorporated or deemed to be incorporated by reference in the Registration Statement and the Prospectus, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder (the "1934 Act Regulations") and, when read together with the other information in the Prospectus, at the date of the Prospectus and at each Representation Date, or during the period specified in Section 3(e), did not and will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they

Except as otherwise stated in the Registration Statement, such financial statements have been prepared in conformity with generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods involved. The supporting schedules, if any, included or incorporated by reference in the Registration Statement and the Prospectus present fairly, in accordance with GAAP, the information required to be stated therein. In addition, any pro forma financial information and the related notes thereto included or incorporated by reference in the Registration Statement and the Prospectus present fairly the information shown therein, have been prepared in accordance with the Commission's rules and guidelines with respect to pro forma information and have been properly compiled on the bases described therein, and the assumptions used in the preparation thereof were then reasonable and the adjustments used therein were then appropriate to give effect to the transactions and circumstances referred to therein. The Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or be in good standing would not result in a Material Adverse Effect.

There is no action, suit, proceeding, inquiry or investigation before or by any court or governmental agency or body, domestic or foreign, now pending, or to the knowledge of the Operating Partnership threatened against or affecting the Operating Partnership or any Subsidiary or any of their respective assets, properties or operations or any officer or director of the Company which is required to be disclosed in the Registration Statement and the Prospectus (other than as stated therein), or which might reasonably be expected to result in a Material Adverse Effect, or which might reasonably be expected to materially and adversely affect the consummation of this Underwriting Agreement, the applicable Terms Agreement, the Indenture or the transactions contemplated herein or therein. The aggregate of all pending legal or governmental proceedings to which the Operating Partnership or any Subsidiary is a party or of which any of their respective assets, properties or operations is the subject which are not described in the Registration Statement and the Prospectus, including ordinary routine litigation incidental to the business, could not reasonably be expected to result in a Material Adverse Effect.

The Operating Partnership and the Subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, singly or in the aggregate, result in a Material Adverse Effect. All of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such

Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not result in a Material Adverse Effect. Neither the Operating Partnership nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect.

All of the leases and subleases material to the business of the Operating Partnership and the Subsidiaries considered as one enterprise, and under which the Operating Partnership or any Subsidiary holds Properties described in the Prospectus, are in full force and effect, and neither the Operating Partnership nor any Subsidiary has

received any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Operating Partnership nor any Subsidiary under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Operating Partnership or any Subsidiary of the continued possession of the leased or subleased premises under any such lease or sublease. (24) Tax Returns. Each of the Operating Partnership and any Subsidiary has filed all federal, state, local and foreign income tax returns which have been required to be filed (except in any case in which an extension has been granted or the failure to so file would not have a Material Adverse Effect) and has paid all taxes required to be paid and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except, in all cases, for

(b) OPTION UNDERWRITTEN SECURITIES. In addition, subject to the terms and conditions set forth therein, the Operating Partnership, as applicable, may grant, if so provided in the applicable Terms Agreement, an option to the Underwriters, severally and not jointly, to purchase up to the aggregate principal amount of the Option Underwritten Securities set forth therein at a price per Option Underwritten Security equal to the price per Initial Underwritten Security, less an amount equal to any interest paid or payable on the Initial Underwritten Securities but not payable on the Option Underwritten Securities. Such option, if granted, will expire 30 days after the date of such Terms Agreement, and may be exercised in whole or in part from time to time only for the purpose of covering over-allotments which may be made in connection with the offering and distribution of the Initial Underwritten Securities upon notice by Goldman Sachs to the Operating Partnership setting forth the aggregate principal amount of Option Underwritten Securities as to which the several Underwriters are then exercising the option and the time, date and place of payment and delivery for such Option Underwritten Securities. Any such time and date of payment and delivery (each, a "Date of Delivery") shall be determined by Goldman Sachs, but shall not be later than seven full business days after the exercise of said option, nor in any event prior to the Closing Time, unless otherwise agreed upon by Goldman Sachs and the Operating Partnership. If the option is exercised as to all or any portion of the Option Underwritten Securities, each of the Underwriters, severally and not jointly, will purchase that proportion of the total aggregate principal amount of Option Underwritten Securities then being purchased which the aggregate principal amount of Initial Underwritten Securities each such Underwriter has severally agreed to purchase as set forth in such Terms Agreement bears to the total aggregate principal amount of Initial Underwritten Securities, subject to such adjustments as Goldman Sachs in its discretion shall make to eliminate any sales or purchases of a fractional aggregate principal amount of Option Underwritten Securities.

(c) PAYMENT. Payment of the purchase price for, and delivery of, the

Initial Underwritten Securities shall be made at the office of Brown & Wood LLP, or at such other place as shall be agreed upon by Goldman Sachs and the Operating Partnership, at 10:00 a.m. (Eastern time) on the third (fourth, if the pricing occurs after 4:30 p.m. (Eastern time) on any given day) business day after the date of the applicable Terms Agreement (unless postponed in accordance with the provisions of Section 10 hereof), or such other time not later than ten business days after such date as shall be agreed upon by Goldman Sachs and the Operating Partnership (such time and date of payment and delivery being herein called "Closing Time"). In addition, in the event that the Underwriters have exercised their option, if any, to purchase any or all of the Option Underwritten Securities, payment of the purchase price for, and delivery of such Option Underwritten Securities, shall be made at the above-mentioned offices of Brown & Wood LLP, or at such other place as shall be agreed upon by Goldman Sachs and the Operating Partnership on the relevant Date of Delivery as specified in the notice from Goldman Sachs to the Operating Partnership.

Payment shall be made to the Operating Partnership by wire transfer of Federal funds or similar same day funds payable to the order of the Operating Partnership against delivery to Goldman Sachs for the respective accounts of the Underwriters of the Underwritten Securities to be purchased by them. It is understood that each Underwriter has authorized Goldman Sachs, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Underwritten Securities which it has severally agreed to purchase. Goldman Sachs, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Underwritten Securities to be purchased by any Underwriter whose check has not been received by the Closing Time or the relevant Date of Delivery, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) DENOMINATIONS; REGISTRATION. The Underwritten Securities shall be in such denominations and registered in such names as Goldman Sachs may request in writing at least one full business day prior to the Closing Time or the relevant Date of Delivery, as the case may be. The Underwritten Securities will be made available for examination and packaging by Goldman Sachs in The City of New York not later than 10:00 a.m. (Eastern time) on the business day prior to the Closing Time or the relevant Date of Delivery, as the case may be.

SECTION 3. Covenants of the Operating Partnership.

The Operating Partnership covenants with Goldman Sachs and with each Underwriter participating in the offering of Underwritten Securities, as follows:

(a) COMPLIANCE WITH SECURITIES REGULATIONS AND COMMISSION REQUESTS. The Operating Partnership, subject to Section 3(b), will comply with the requirements of the 1933 Act Regulations, including Rule 430A and Rule 434, and will notify Goldman Sachs immediately, and confirm the notice in writing, of (i) the effectiveness of any post-effective amendment to the Registration

Statement or the filing of any supplement or amendment to the Prospectus, (ii) the receipt of any comments from the Commission, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Underwritten Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Operating Partnership will promptly effect the filings necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 424 was received for filing by the Commission and, in the event that it was not, it will promptly file the Prospectus. The Operating Partnership will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) FILING OF AMENDMENTS. At any time when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act in connection with sales of the Underwritten Securities, the Operating Partnership will give Goldman Sachs notice of their intention to file or prepare any amendment to the Registration Statement (including any filing under Rule 462(b) of the 1933 Act Regulations), any Term Sheet or any amendment, supplement or revision to either the prospectus included in the Registration Statement at the time it became effective or to the Prospectus, whether pursuant to the 1933 Act, the 1934 Act or otherwise, will furnish Goldman Sachs with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which Goldman Sachs or counsel for the Underwriters shall reasonably object.

(c) DELIVERY OF REGISTRATION STATEMENTS. The Operating Partnership has furnished or will deliver to Goldman Sachs and counsel for the Underwriters, without charge, a signed copy of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also deliver to Goldman Sachs and counsel for the Underwriters, without charge, conformed copies of the Registration Statement as originally filed and of each amendment thereto for each of the Underwriters. If applicable, the copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) DELIVERY OF PROSPECTUSES. The Operating Partnership will deliver to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter may reasonably request, and the Operating Partnership hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Operating Partnership will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act and prior to 4:00 p.m. New York

City time on the New York business day next succeeding the date of the applicable Terms Agreement, such number of copies of the Prospectus as such Underwriter may reasonably request. If applicable, the Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(e) CONTINUED COMPLIANCE WITH SECURITIES LAWS. The Operating Partnership will comply with the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations so as to permit the completion of the distribution of the Underwritten Securities as contemplated in this Underwriting Agreement and the applicable Terms Agreement and in the Registration Statement and the Prospectus. If at any time when the applicable preliminary prospectus or Prospectus is required by the 1933 Act or the 1934 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriter or for the Operating Partnership, to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the applicable preliminary prospectus or Prospectus in order that the applicable preliminary prospectus or Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the applicable preliminary prospectus or Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Operating Partnership will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, applicable preliminary prospectus or the Prospectus comply with such requirements, and the Operating Partnership will furnish to the Underwriters and counsel for the Underwriters, without charge, such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(f) BLUE SKY QUALIFICATIONS. The Operating Partnership will use its best efforts, in cooperation with the Underwriters, to qualify the Underwritten Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as Goldman Sachs may designate and to maintain such qualifications in effect for a period of not less than one year from the date of the applicable Terms Agreement; provided, however, that the Operating Partnership shall not be obligated to file any general consent to service of process or to qualify or register as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or registered, or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Underwritten Securities have been so qualified

or registered, the Operating Partnership will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification in effect for a period of not less than one year from the date of such Terms Agreement.

(g) EARNINGS STATEMENT. The Operating Partnership will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its security holders as soon as practicable an earnings statement (in form complying with Rule 158 of the 1933 Act Regulations) for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(h) REPORTING REQUIREMENTS. The Operating Partnership, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(i) RESTRICTION ON SALE OF SECURITIES. Between the date of the applicable Terms Agreement and the Closing Time and/or such other date specified in such Terms Agreement, the Operating Partnership and any other entity or person named in the applicable Terms Agreement will not, without the prior written consent of Goldman Sachs, directly or indirectly, issue, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, the securities specified in such Terms Agreement subject to any conditions listed therein.

(j) REIT QUALIFICATION. The Company will use its best efforts to continue to meet the requirement to qualify as a "real estate investment trust" under the Code for each of its taxable years.

(k) USE OF PROCEEDS. The Operating Partnership will use the net proceeds received by it from the sale of the Underwritten Securities in the manner specified in the Prospectus under "Use of Proceeds."

(l) EXCHANGE ACT FILINGS. During the period from each Closing Time until March 31, 2002, the Operating Partnership will deliver to Goldman Sachs, (i) promptly upon their becoming available, copies of all current, regular and periodic reports of the Operating Partnership mailed to its unitholders or filed with any securities exchange or with the Commission or any governmental authority succeeding to any of the Commission's functions, and (ii) such other information concerning the Operating Partnership as Goldman Sachs may reasonably request.

(m) NO MANIPULATION OF MARKET FOR SECURITIES. Except for the authorization of actions permitted to be taken by the Underwriters as contemplated herein or in the Prospectus, the Operating Partnership will not (a) take, directly or indirectly, any action designed to cause or to result in, or that might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Operating Partnership to facilitate the sale or resale of the Underwritten Securities, and (b) until the Closing Date, or the Date of Delivery, if any, (i) sell, bid for or

purchase the Underwritten Securities or pay any person any compensation for soliciting purchases of the Underwritten Securities or (ii) pay or agree to pay to any person any compensation for soliciting another to purchase any other securities of the Operating Partnership.

(p) RULE 462(B) REGISTRATION STATEMENT. If the Operating Partnership elects to rely upon Rule 462(b), the Operating Partnership shall file a Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) by 10:00 P.M., Washington, D.C. time, on the date of this Agreement, and the Company shall at the time of filing either pay to the Commission the filing fee for the Rule 462(b) Registration Statement or give irrevocable instructions for the payment of such fee pursuant to Rule 111(b) under the 1933 Act.

SECTION 4. Payment of Expenses.

(a) EXPENSES. The Operating Partnership will pay all expenses incident to the performance of its obligations under this Underwriting Agreement and each applicable Terms Agreement, including (i) the printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto, (ii) the printing and delivery to the Underwriters of this Underwriting Agreement, any Terms Agreement, any Agreement among Underwriters, the Indenture and such other documents as may be required in connection with the offering, purchase, sale and delivery of the Underwritten Securities (iii) the preparation, issuance and delivery of the Underwritten Securities to the Underwriters, (iv) the fees and disbursements of the Operating Partnership's counsel, accountants and other advisors or agents (including transfer agents and registrars), as well as the fees and disbursements of any trustee or its agents under any Indenture and their respective counsel, (v) the qualification of the Underwritten Securities under state securities and real estate syndication laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation, printing and delivery of the Blue Sky Survey, (vi) the printing and delivery to the Underwriters of copies of each preliminary prospectus, any Term Sheet, the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto and the Prospectus and any amendments or supplements thereto, (vii) the fees charged by nationally recognized statistical rating organizations for the rating of the Underwritten Securities, (viii) the fees and expenses incurred with respect to the listing of the Underwritten Securities, (ix) the fees and expenses of any Underwriter acting in the capacity of a "qualified independent underwriter" (as defined in Rule 2720(a)(15) of the Conduct Rules of the NASD), if applicable, and (x) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section.

(b) TERMINATION OF AGREEMENT. If the applicable Terms Agreement is terminated by Goldman Sachs in accordance with the provisions of Section 5 or Section 9(b) hereof, the Operating Partnership shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable

fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters' Obligations.

The obligations of the Underwriters to purchase and pay for the Underwritten Securities pursuant to the applicable Terms Agreement are subject to the accuracy of the representations and warranties of the Operating Partnership contained in Section 1 hereof or in certificates of any officer or authorized representative of the Operating Partnership delivered pursuant to the provisions hereof, to the performance by the Operating Partnership of its covenants and other obligations hereunder, and to the following further conditions:

(a) EFFECTIVENESS OF REGISTRATION STATEMENT. The Registration Statement has become effective under the 1933 Act (and in the case of a Rule 462(b) Registration Statement such Registration Statement shall have become effective by 10:00 P.M. Washington, D.C. time on the date of this Agreement) and no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission or the state securities authority of any jurisdiction, and any request on the part of the Commission or the state securities authority of any jurisdiction for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters. A prospectus containing information relating to the description of the Underwritten Securities, the specific method of distribution and similar matters shall have been filed with the Commission in accordance with Rule 424(b)(1), (2), (3), (4) or (5), as applicable (or any required post-effective amendment providing such information shall have been filed and declared effective in accordance with the requirements of Rule 430A), or, if the Operating Partnership has elected to rely upon Rule 434 of the 1933 Act Regulations, a Term Sheet including the Rule 434 Information shall have been filed with the Commission in accordance with Rule 424(b)(7).

(b) OPINION OF COUNSEL FOR THE OPERATING PARTNERSHIP. At Closing Time, Goldman Sachs shall have received the favorable opinion, dated as of Closing Time, of Brown & Wood LLP, counsel for the Operating Partnership, in form and substance satisfactory to counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, such opinion shall address such of the items set forth in Exhibit C hereto as may be relevant to the particular offering contemplated or to such further effect as counsel to the Underwriters may reasonably request.

(c) OPINION OF COUNSEL FOR UNDERWRITERS. At Closing Time, Goldman Sachs shall have received the favorable opinion, dated as of Closing Time, of Rogers & Wells LLP, counsel for the Underwriters, or such other counsel as may be designated by Goldman Sachs together with signed or reproduced copies of such letter for each of the other Underwriters, with respect to the matters set forth in (1), (2) (with respect to the first clause of the first sentence only), (6), (7), (8), (9) (with respect to the first three sentences only), (12), (18) (with respect to the first and third sentences only) and (21) of Exhibit C hereto and the last two paragraphs of Exhibit C hereto. In giving

such opinion, such counsel may rely, as to all matters governed by the laws of jurisdictions other than the law of the State of New York, the federal law of the United States and the General Corporation Law of the State of Delaware, upon the opinions of counsel satisfactory to Goldman Sachs. Such counsel may also state that, insofar as such opinion involves factual matters, they have relied, to the extent they deem proper, upon certificates of authorized representatives of the Operating Partnership and certificates of public officials.

(d) OFFICERS' CERTIFICATE. At Closing Time, there shall not have been, since the date of the applicable Terms Agreement or since the respective dates as of which information is given in the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Operating Partnership or any Subsidiary considered as one enterprise, whether or not arising in the ordinary course of business, and Goldman Sachs shall have received a certificate of the President or a Vice President of the Company, as general partner of the Operating Partnership, and of the chief financial officer or chief accounting officer of the Company, as general partner of the Operating Partnership, dated as of Closing Time, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties in Section 1 are true and correct, in all material respect, with the same force and effect as though expressly made at and as of the Closing Time, (iii) the Operating Partnership has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Time and (iv) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been initiated or threatened by the Commission or by the state securities authority of any jurisdiction.

(e) ACCOUNTANT'S COMFORT LETTER. At the time of the execution of the applicable Terms Agreement, Goldman Sachs shall have received from Ernst & Young LLP a letter, dated such date, in form and substance satisfactory to Goldman Sachs and counsel to the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letters" as set forth in the AICPA's Statement on Auditing Standards 72 to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement and the Prospectus.

(f) BRING-DOWN COMFORT LETTER. At Closing Time, Goldman Sachs shall have received from Ernst & Young LLP a letter, dated as of Closing Time, to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (e) of this Section 5, except that the specified date referred to shall be a date not more than three business days prior to the Closing Time.

(g) RATINGS. At Closing Time and at any relevant Date of Delivery, the Underwritten Securities shall have the ratings accorded by any "nationally recognized statistical rating organization," as defined by the Commission for purposes of Rule 436(g)(2) of the 1933 Act Regulations, if and as specified in

the applicable Terms Agreement, and the Operating Partnership shall have delivered to Goldman Sachs a letter, dated as of such date, from each such rating organization, or other evidence satisfactory to Goldman Sachs, confirming that the Underwritten Securities have such ratings. Since the time of execution of such Terms Agreement, there shall not have occurred a downgrading in the rating assigned to the Underwritten Securities or any of the Operating Partnership's other securities by any such rating organization, and no such rating organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of the Underwritten Securities or any of the Operating Partnership's other securities.

(h) APPROVAL OF LISTING. At Closing Time, the Underwritten Securities shall be listed or shall have been approved for listing, subject only to official notice of issuance, if and as specified in the applicable Terms Agreement.

(i) [Intentionally Omitted]

(j) OVER-ALLOTMENT OPTION. In the event that the Underwriters are granted an over-allotment option by the Operating Partnership in the applicable Terms Agreement and the Underwriters exercise their option to purchase all or any portion of the Option Underwritten Securities, the representations and warranties of the Operating Partnership contained herein and the statements in any certificates furnished by the Operating Partnership hereunder shall be true and correct as of each Date of Delivery, and, at the relevant Date of Delivery, Goldman Sachs shall have received:

(1) A certificate dated such Date of Delivery, of the President or a Vice President of the Company, as general partner of the Operating Partnership, and the chief financial officer or chief accounting officer of the Company, as general partner of the Operating Partnership, confirming that the certificate delivered at the Closing Time pursuant to Section 5(d) hereof remains true and correct as of such Date of Delivery.

(2) The favorable opinion of Brown & Wood LLP, counsel for the Operating Partnership, in form and substance satisfactory to counsel for the Underwriters, dated such Date of Delivery, relating to the Option Underwritten Securities and otherwise to the same effect as the opinion required by Section 5(b) hereof.

(3) The favorable opinion of Rogers & Wells LLP, counsel for the Underwriters, dated such Date of Delivery, relating to the Option Underwritten Securities and otherwise to the same effect as the opinion required by Section 5(c) hereof.

(4) A letter from Ernst & Young LLP, in form and substance satisfactory to Goldman Sachs and dated such Date of Delivery, substantially in the same form and substance as the letter furnished to Goldman Sachs pursuant to Section 5(f) hereof, except that the "specified date" on the letter furnished pursuant to this paragraph shall be a date

not more than three business days prior to such Date of Delivery.

(k) ADDITIONAL DOCUMENTS. At Closing Time and at each Date of Delivery, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Underwritten Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained.

(l) TERMINATION OF TERMS AGREEMENT. If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, the applicable Terms Agreement (or, with respect to the Underwriters' exercise of any applicable over-allotment option for the purchase of Option Underwritten Securities on a Date of Delivery after the Closing Time, the obligations of the Underwriters to purchase the Option Underwritten Securities on such Date of Delivery) may be terminated by Goldman Sachs by notice to the Company at any time at or prior to the Closing Time (or such Date of Delivery, as applicable), and such termination shall be without liability of any party to any other party except as provided in Section 4, and except that Sections 1, 6 and 7 shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) INDEMNIFICATION OF UNDERWRITERS. The Operating Partnership agrees to indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act, and any director, officer, employee or affiliate thereof, as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement or a material fact contained in the Registration Statement (or any amendment thereto), including the information deemed to be part of the Registration Statement pursuant to Rule 430A(b) of the 1933 Act Regulations, if applicable, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation or of any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever for which indemnification is provided under subsection (1) above, if such settlement is effected with the written consent of the indemnifying party, which consent shall not be unreasonably withheld; and

(3) against any and all expense whatsoever (including without limitation, the fees and disbursements of counsel chosen by Goldman Sachs) reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceedings by any governmental agency or body, commenced or threatened, or any claim whatsoever for which indemnification is provided under subsection (1) above, to the extent that any such expense is not paid under subsection (1) or (2) above; provided, however, that the indemnity agreement provided for in this Section 6(a) shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Operating Partnership by any Underwriter through Goldman Sachs expressly for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto); provided, however, that neither the Company nor the Operating Partnership shall be required to indemnify any Underwriter with respect to any preliminary prospectus to the extent that any loss, claim, damage or expense of such Underwriter results solely from an untrue statement of a material fact contained in, or the omission of a material fact from, such preliminary prospectus which untrue statement or omission was corrected in the Prospectus and identified to such Underwriter in writing and which corrected Prospectus was furnished by the Company to such Underwriter pursuant to Section 3(d) hereof but it shall be established that such Prospectus was not sent or given by such Underwriter to the purchaser of the Underwritten Securities at or prior to the written confirmation of such sale and such correction would have cured the defect giving rise to such loss, claim, damage or expense.

(b) INDEMNIFICATION OF OPERATING PARTNERSHIP. Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Operating Partnership, and each person, if any, who controls the Operating Partnership within the meaning of Section 15 of the 1933 Act, and any employee or affiliate thereof, against any and all loss, liability, claim, damage, and expense described in the indemnity contained in subsection (a) of this Section 6, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Operating Partnership by such Underwriter through Goldman Sachs expressly for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto).

(c) ACTIONS AGAINST PARTIES; NOTIFICATION; SETTLEMENT WITHOUT CONSENT IF FAILURE TO REIMBURSE. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may participate at its own expense

in the defense of such action. If it so elects within a reasonable time after receipt of such notice, an indemnifying party, jointly with any other indemnifying parties receiving such notice, may assume the defense of such action with counsel chosen by it and reasonably approved by the other indemnifying parties defendant in such action and reasonably approved by the indemnified party (who shall not, except with the consent of the indemnified party, be counsel to an indemnifying party), unless such other indemnifying parties or an indemnified party reasonably object to such assumption on the ground that the named parties to any such action (including any impleaded parties) include both such indemnified party and an indemnifying party, and such indemnified party reasonably believes that there may be legal defenses available to it which are different from or in addition to those available to such indemnifying party. If an indemnifying party assumes the defense of such action, the indemnifying parties shall not be liable for any fees and expenses of counsel for the indemnified parties incurred thereafter in connection with such action. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

SECTION 7. Contribution.

In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, the Operating Partnership, on the one hand, and the Underwriters, on the other, shall contribute to the aggregate losses, liabilities claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Operating Partnership and the Underwriters, as incurred, in such proportions that the Underwriters are responsible for that portion represented by the percentage that the underwriting discount appearing on the cover page of the Prospectus bears to the initial public offering price appearing thereon and the Operating Partnership are responsible for the balance. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 6(c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits allocation referred to in the first sentence of this Section 7 but also the relative fault of the Operating Partnership, on the one hand, and the

Underwriters on the other, in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Operating Partnership, on the one hand, or such Underwriters, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Operating Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by PRO RATA allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Underwritten Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the foregoing, no person guilty of fraudulent misrepresentation (within the meaning of section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as such Underwriter, and each employee or affiliate of the Operating Partnership and each person, if any, who controls the Operating Partnership within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as the Operating Partnership.

The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to their respective underwriting commitments and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Underwriting Agreement or the applicable Terms Agreement or in certificates of authorized representatives of the Operating Partnership submitted pursuant hereto or thereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Operating Partnership, and shall survive delivery of and payment for the Underwritten Securities.

SECTION 9. Termination.

(a) UNDERWRITING AGREEMENT. This Underwriting Agreement (excluding the applicable Terms Agreement) may be terminated for any reason at any time by the Operating Partnership or by Goldman Sachs upon the giving of 30 days' prior written notice of such termination to the other party hereto.

(b) TERMS AGREEMENT. Goldman Sachs may terminate the applicable Terms Agreement, by notice to the Operating Partnership, at any time at or prior to the Closing Time or any relevant Date of Delivery, if (i) there has been, since the time of execution of such Terms Agreement or since the respective dates as of which information is given in the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Operating Partnership and any Subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, in each case the effect of which is such as to make it, in the judgment of Goldman Sachs, impracticable or inadvisable to market the Underwritten Securities, or (ii) there has occurred any material adverse change in the financial markets in the United States or internationally or any outbreak of hostilities or escalation thereof or other calamity or crisis, or any change or development involving a prospective change in national or international political, financial, or economic conditions, in each case the effect of which is such as to make it, in the judgment of Goldman Sachs, impracticable or inadvisable to market the Underwritten Securities or to enforce contracts for the sale of the Underwritten Securities, or (iii) trading in any securities of the Operating Partnership has been suspended or limited by the Commission or the New York Stock Exchange, or if trading generally on the New York Stock Exchange or the American Stock Exchange or in the over-the-counter market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by either of said exchanges or by such system or by order of the Commission, the NASD or any other governmental authority, or (iv) a banking moratorium has been declared by either Federal or New York authorities.

(c) LIABILITIES. If this Underwriting Agreement or the applicable Terms Agreement is terminated pursuant to this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7, 8 and 13 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters.

If one or more of the Underwriters shall fail at the Closing Time or the relevant Date of Delivery, as the case may be, to purchase the Underwritten Securities which it or they are obligated to purchase under the applicable Terms Agreement (the "Defaulted Securities"), then Goldman Sachs shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, Goldman Sachs shall not have completed such arrangements within such 24-hour period, then:

(a) if the aggregate principal amount of Defaulted Securities does not exceed 10% of the aggregate principal amount of Underwritten Securities to be purchased on such date pursuant to such Terms Agreement, the non-defaulting Underwriters named in such Terms Agreement shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations under such Terms Agreement bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the aggregate principal amount of Defaulted Securities exceeds 10% of the aggregate principal amount of Underwritten Securities to be purchased pursuant to such Terms Agreement, such Terms Agreement (or, with respect to the Underwriters' exercise of any applicable over-allotment option for the purchase of Option Underwritten Securities on a Date of Delivery after the Closing Time, the obligations of the Underwriters to purchase, and the Company to sell, such Option Underwritten Securities on such Date of Delivery) shall terminate without liability on the part of any non-defaulting Underwriter except as provided by Section 9(c).

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in (i) a termination of the applicable Terms Agreement or (ii) in the case of a Date of Delivery after the Closing Time, a termination of the obligations of the Underwriters and the Company with respect to the related Option Underwritten Securities, as the case may be, either Goldman Sachs or the Operating Partnership shall have the right to postpone the Closing Time or the relevant Date of Delivery, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement or the Prospectus or in any other documents or arrangements.

SECTION 11. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to Goldman Sachs at 32 Old Slip, 9th Floor, New York, New York 10005, attention: Registration Department; and notices to the Operating Partnership shall be directed to them at 225 Broadhollow Road, Melville, New York 11747, attention of Scott H. Rechler, Chief Operating Officer.

SECTION 12. Parties.

This Underwriting Agreement and the applicable Terms Agreement shall each inure to the benefit of and be binding upon the parties hereto and, upon execution of such Terms Agreement, any other Underwriters and their respective successors. Nothing expressed or mentioned in this Underwriting Agreement or such Terms Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters and the Operating Partnership

and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Underwriting Agreement or such Terms Agreement or any provision herein or therein contained. This Underwriting Agreement and such Terms Agreement and all conditions and provisions hereof and thereof are intended to be for the sole and exclusive benefit of the parties hereto and thereto and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Underwritten Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

SECTION 13. GOVERNING LAW AND TIME.

THIS UNDERWRITING AGREEMENT AND ANY APPLICABLE TERMS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SAID STATE. SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

SECTION 14. Effect of Headings.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Operating Partnership a counterpart hereof, whereupon this Underwriting Agreement, along with all counterparts, will become a binding agreement between Goldman Sachs and the Operating Partnership in accordance with its terms.

SIGNIFICANT SUBSIDIARIES

(1) Reckson FS Limited Partnership, a Delaware limited partnership

Exhibit C

FORM OF OPINION OF THE COMPANY'S AND THE
OPERATING PARTNERSHIP'S COUNSEL
TO BE DELIVERED PURSUANT TO
SECTION 5(b)

(1) The Company has been duly incorporated and is validly existing as a corporation and is in good standing with the State Department of Assessment and Taxation of Maryland. The Company has the corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under, or as contemplated under, the Underwriting Agreement and the applicable Terms Agreement and is duly qualified or registered as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification or registration is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or register or be in good standing would not result in a Material Adverse Effect.

(2) The Operating Partnership has been duly organized and is validly existing as a limited partnership and is in good standing with the Secretary of State of Delaware. The Operating Partnership has the power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under, or as contemplated under, the Underwriting Agreement and the applicable Terms Agreement and is duly qualified or registered as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification or registration is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or register or be in good standing would not result in a Material Adverse Effect.

(3) All the outstanding Units have been duly authorized for issuance by the Operating Partnership to the holders of Units and, assuming that the holders of Units, as limited partners of the Operating Partnership do not participate in the control of the business of the Operating Partnership, the

Units will represent valid and, subject to the qualifications set forth herein, fully paid and non-assessable limited partner interests in the Operating Partnership, as to which the holders of Units, in their capacity as limited partners of the Operating Partnership, will have no liability in excess of their obligations to make contributions to the Operating Partnership, their obligations to make other payments provided for in the Operating Partnership Agreement and their share of the Operating Partnership's assets and undistributed profits (subject to the obligation of a limited partner of the Operating Partnership to repay any funds wrongfully distributed to it). No Units are reserved for any purpose and except for the "put rights" accorded to Odyssey Partners, L.P., under Section 12.4 of the Second Amended and Restated Agreement of Limited Partnership of the Omni Partnership, the Merger Agreement, dated December 8, 1998 by and among the Company, the Operating Partnership, Metropolitan Partners LLC and Tower Realty Trust, Inc. (the "Tower Merger Agreement"), the rights of the holders of the Series A, B, C and D preferred units of limited partner interest in the Operating Partnership, the rights of the holder of the preferred interest in Metropolitan Partners LLC pursuant to the terms of the limited liability operating agreement of Metropolitan Partners LLC dated December 8, 1998, and as otherwise described in the Registration Statement, to our knowledge, there are no outstanding securities convertible into or exchangeable for any Units and no outstanding options, rights (preemptive or otherwise) or warrants to purchase or subscribe for Units or any other securities of the Operating Partnership arising by operation of law or under the organizational documents of the Operating Partnership or any contracts to which the Operating Partnership is a party of which we are aware.

(4) Each Significant Subsidiary has been duly incorporated or organized and is validly existing as a corporation, limited partnership or other legal entity, as the case may be, in good standing under the laws of the jurisdiction of its incorporation or organization, as the case may be, and has the requisite power and authority to own, lease and operate its properties and to conduct the business in which it is engaged or proposes to engage as described in the Prospectus and is duly qualified or registered as a foreign corporation, limited partnership or other legal entity, as the case may be, to transact business and is in good standing in each jurisdiction in which such qualification or registration is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or register or to be in good standing would not result in a Material Adverse Effect. Except as otherwise stated in the Registration Statement and the Prospectus, all of the issued and outstanding capital stock or other equity interests, as the case may be, of each Significant Subsidiary has been duly authorized and is validly issued, fully paid and non-assessable and has been offered and sold in compliance with all applicable laws of the United States and the organizational laws of the jurisdictions of organization of such entity, and to the best of our knowledge and information, is owned, directly or indirectly, by the Operating Partnership, in each case, free and clear of any material Liens, except for such liens that would not have a Material Adverse Effect.

(5) The Underwriting Agreement and the applicable Terms Agreement has

been duly authorized, executed and delivered by the Operating Partnership.

(6) The Indenture has been duly authorized, executed and delivered by the Operating Partnership and constitutes a valid and legally binding agreement, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture has been duly qualified under the Trust Indenture Act.

(7) The Underwritten Securities have been duly authorized by the Operating Partnership and, when issued and delivered pursuant to the Indenture, the Underwriting Agreement and the applicable Terms Agreement against payment of the requisite consideration therefor, such Underwritten Securities will have been duly executed and delivered by the Operating Partnership and will constitute valid and legally binding obligations of the Operating Partnership entitled to the benefits provided by the Indenture, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights generally and to general equity principles.

(8) The Underwritten Securities being sold pursuant to the applicable Terms Agreement and the Indenture conform, in all material respects, to the statements relating thereto contained in the Prospectus and are in substantially the form filed or incorporated by reference, as the case may be, as an exhibit to the Registration Statement.

(9) The information in the Prospectus under "Description of Debt Securities," "Description of Notes" and "Federal Income Tax Considerations," and such other information in the Prospectus Supplement or in any Annual Report on Form 10-K of the Company as may be agreed upon from time to time by the Company and Goldman Sachs, to the extent that it constitutes matters of law, descriptions of statutes, rules or regulations, summaries of legal matters, the Operating Partnership's documents or legal proceedings, or legal conclusions, has been reviewed by us and is correct in all material respects and fairly summarizes the information required to be disclosed therein and our opinion set forth in Exhibit 8.1 of the Prospectus as to tax matters is confirmed.

(10) To the best of our knowledge, neither the Company, the Operating Partnership nor any of the Significant Subsidiaries is in violation of its charter, by-laws, partnership agreement, or other organizational document, as the case may be, and no default by the Operating Partnership or any Significant Subsidiary exists in the due performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument that is filed or incorporated by reference as an exhibit to the Registration Statement.

(11) The execution, delivery and performance of the Underwriting Agreement, the applicable Terms Agreement and the Indenture and consummation of the transactions contemplated in the Underwriting Agreement and such Terms

Agreement and in the Registration Statement and the Prospectus (including the issuance and sale of the Underwritten Securities) and compliance by the Operating Partnership or any Significant Subsidiary with its obligations thereunder do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Operating Partnership or any Significant Subsidiary pursuant to, any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or any other agreement or instrument, known to us, to which the Operating Partnership or any Significant Subsidiary is a party or by which it or any of them may be bound, or to which any of the assets, properties or operations of the Operating Partnership or any Significant Subsidiary is subject, except for such conflicts, breaches, defaults, events or liens, charges or encumbrances that would not result in a Material Adverse Effect, nor will such action result in any violation of the provisions of the charter, by-laws, or agreement of limited partnership, as applicable, of the Operating Partnership or any Significant Subsidiary or any applicable laws, statute, rule, regulations, judgment, order, writ or decree, known to us, of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Operating Partnership or any Significant Subsidiary or any of their assets, properties or operations.

(12) To our knowledge, except as disclosed in the Prospectus, there are no pending or threatened actions, suits or proceedings against or affecting any of the Operating Partnership or any Subsidiary or any of their respective properties or other assets that, if determined adversely to any such entity would individually or in the aggregate have a Material Adverse Effect or would materially adversely affect the ability of the Operating Partnership to perform its obligations under the Underwriting Agreement and the applicable Terms Agreement.

(13) At all times since January 1, 1995, the Company has been organized and conducts its business in a manner that will enable it to qualify as (and has timely taken all necessary steps to maintain qualification) as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the "Code"). The proposed method of operation, as described in the Prospectus, of the Company will enable the Company to continue to meet the requirements for taxation as a real estate investment trust under the Code and to the best of our knowledge, no actions have been taken (or not been taken which are required to be taken) which could cause such qualification to be lost for any of its subsequent taxable years.

(14) The statements in the Prospectus regarding [agreements to be specified in each transaction] are accurate in all material respects. To the best of our knowledge, there are no franchises, contracts, indentures, mortgages, loan agreements, notes, leases or other instruments required to be described or referred to in the Registration Statement or to be filed as exhibits thereto other than those described or referred to therein or filed or incorporated by reference as exhibits thereto, and the descriptions thereof or references thereto are correct in all material respects.

(15) The Registration Statement was declared effective under the 1933 Act as of March 11, 1999. Any required filing of the Prospectus pursuant to Rule 424(b) has been made in the manner and within the time period required by Rule 424(b). To the best of our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission.

(16) The Registration Statement, the Prospectus, excluding the documents incorporated by reference therein, and each amendment or supplement to the Registration Statement and the Prospectus, excluding the documents incorporated by reference therein, as of their respective effective or issue dates (other than the financial statements, supporting schedules or other financial data included or incorporated by reference therein or the Trustee's Statement of Eligibility on Form T-1, as to which we express no opinion), complied as to form in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the Trust Indenture Act and 1939 Act Regulations.

(17) The documents incorporated by reference in the Prospectus (other than the financial statements, supporting schedules or other financial data included or incorporated by reference therein, as to which we express no opinion), when they were filed with the Commission, (or, if later, upon the filing of an amendment thereto), complied as to form in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder.

(18) No filing with, or authorization, approval, consent, license, order registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Operating Partnership of its obligations under the Underwriting Agreement or the applicable Terms Agreement or in connection with the transactions contemplated under the Underwriting Agreement or such Terms Agreement other than under the 1933 Act, the 1933 Act Regulations, the Trust Indenture Act or the 1939 Act Regulations, which have been obtained, or as may be required under the by-laws and rules of the NASD, state securities or blue sky laws.

(19) The Operating Partnership is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act").

Nothing has come to our attention that would lead us to believe that the Registration Statement (other than financial statements, supporting schedules or other financial data included or incorporated by reference therein or the Trustee's Statement of Eligibility of Form T-1, as to which we have not been requested to comment), at the time the Registration Statement or any post-effective amendment thereto (including the filing of the Operating Partnership's Annual Report on Form 10-K with the Commission) became effective or at the date of the applicable Terms Agreement, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that the Prospectus or any amendment or supplement thereto (other than

financial statements, supporting schedules or other financial data included or incorporated by reference therein, as to which we have not been requested to comment), at the time the Prospectus was issued, at the time any such amended or supplemented prospectus was issued or at the Closing Time, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In rendering such opinion, such counsel may rely as to matters of fact (but not as to legal conclusions), to the extent they deem proper, on certificates of authorized representatives of the Operating Partnership and public officials. Such opinion shall not state that it is to be governed or qualified by, or that it is otherwise subject to, any treatise, written policy or other document relating to legal opinions, including, without limitation, the Legal Opinion Accord of the ABA Section of Business Law (1991).

[FORM OF ACCOUNTANTS' COMFORT LETTER PURSUANT TO SECTION 5(e)]

(iii) _____ based upon the procedures set forth in clause (ii) above and a reading of the [Selected Financial Data] included in the Registration Statement and the Prospectus [and a reading of the financial statements from which such data were derived,]¹³ nothing came to our attention that caused us to believe that the [Selected Financial Data]

included in the Registration Statement and the Prospectus do not comply as to form in all material respects with the disclosure requirements of Item 301 of Regulation S-K of the 1933 Act [, that the amounts included in the [Selected Financial Data] are not in agreement with the corresponding amounts in the audited [consolidated] financial statements for the respective periods or that the financial statements not included in the Registration Statement and the Prospectus from which certain of such data were derived are not in conformity with generally accepted accounting principles];14

(iv) _____ we have compared the information in the Registration Statement and the Prospectus under selected captions with the disclosure requirements of Regulation S-K of the 1933 Act and on the basis of limited procedures specified herein. Nothing came to our attention that caused us to believe that this information does not comply as to form in all material respects with the disclosure requirements of Items 302, 402 and 503(d), respectively, of Regulation S-K;

[(v) _____ based upon the procedures set forth in clause (ii) above, a reading of the unaudited financial statements of the Company for [the most recent period] that have not been included in the Registration Statement and the Prospectus and a review of such financial statements in accordance with SAS 71, nothing came to our attention that caused us to believe that the unaudited amounts for _____ for the [most recent period] do not agree with the amounts set forth in the unaudited consolidated financial statements for those periods or that such unaudited amounts were not determined on a basis substantially consistent with that of the corresponding amounts in the audited [consolidated] financial statements;]15

(A) read the Pro Forma Statement;

(B) _____ performed [an audit] [a review in accordance with SAS 71] of the financial statements to which the pro forma adjustments were applied;

(C) _____ made inquiries of certain officials of the Company who have responsibility for financial and accounting matters about the basis for their determination of the pro forma adjustments and whether the Pro Forma Statement complies as to form in all material respects with the applicable accounting requirements of Rule 11-02 of Regulation S-X; and

(D) _____ proved the arithmetic accuracy of the application of the pro forma adjustments to the historical amounts in the Pro Forma

Statement; and

on the basis of such procedures and such other inquiries and procedures as specified herein, nothing came to our attention that caused us to believe that the Pro Forma Statement included in the Registration Statement does not comply as to form in all material respects with the applicable requirements of Rule 11-02 of Regulation S-X or that the pro forma adjustments have not been properly applied to the historical amounts in the compilation of those statements;16 and

[(vii)] in addition to the procedures referred to in clause (ii) above, we have performed other procedures, not constituting an audit, with respect to certain amounts, percentages, numerical data and financial information appearing in the Registration Statement and the Prospectus, which are specified herein, and have compared certain of such items with, and have found such items to be in agreement with, the accounting and financial records of the Company;17 and

[(viii)] in addition, we [comfort on a financial forecast that is included in the Registration Statement and the Prospectus.18]

1 Include the appropriate dates of the 10-Q Financials.

2 Include if non-10-Q interim financial statements are included in the Registration Statement and the Prospectus.

3 Include if the most recent unaudited financial statements are not included in the Registration Statement and the Prospectus.

4 Note that a review in accordance with Statements on Auditing Standards ("SAS") No. 71 is required for an accountant to give negative assurance on interim financial information. A review in accordance with SAS No. 71 will only be performed at the request of the Company and the accountant's report, if any, related to that review will be addressed only to the Company. Many companies have a SAS No. 71 review performed in connection with the preparation of their 10-Q financial statements. See Codification of Statements on Auditing Standards, AU ss. 722 for a description of the procedures that constitute such a review. The comfort letter itself should recite that the review was performed and a copy of the report, if any, should be attached to the comfort letter. Any report issued pursuant to SAS No. 71 that is mentioned in the Registration Statement should also be included in the Registration Statement as an exhibit. If a review in accordance with SAS No. 71 has not and will not be performed by the accountants, they should be prepared to perform certain agreed-upon procedures on the interim financial information and to report their findings thereon in the comfort letter. See Codification of Statements on Auditing Standards, AU ss. 622 for a discussion of reports related to the accountant's performance of agreed-upon procedures. Any question as to whether a review in accordance with SAS No. 71 will be

performed by the accountants should be resolved early.

5 The relevant periods include all interim unaudited condensed consolidation financial statements included or incorporated by reference in the Registration Statement and the Prospectus.

6 Include if the 10-Q Financials are incorporated by reference in the Registration Statement and the Prospectus.

7 Include if unaudited financial statements, not just selected unaudited data, are included in the Registration Statement and the Prospectus.

8 Include, and insert the date of most recent balance sheet of the Company, if those statements are more recent than the unaudited financial statements included in the Registration Statement and the Prospectus.

9 According to Example A of SAS No. 72, the specified date should be five calendar days prior to the date of the applicable Terms Agreement. However, in unusual circumstances, five business days may be used.

10 The blanks should be filled in with significant balance sheet items, selected by the banker and tailored to the issuer's industry in general and operations in particular. While the ultimate decision of which items should be included rests with the banker, comfort is routinely requested for certain balance sheet items, including long-term debt, stockholders' equity, capital stock and net current assets.

11 Include, and insert dates to describe the period from the date of the most recent financial statements in the Registration Statement and the Prospectus to the date of the most recent unaudited financial statements of the Company, if those dates are different. Regardless of whether this language is inserted or not, the period including five days prior to the date of the applicable Terms Agreement should run from the date of the last financial statement included in the Registration Statement and the Prospectus, not from the later one that is not included in the Registration Statement and the Prospectus.

12 The blanks should be filled in with significant income statements items, selected by the banker and tailored to the issuer's industry in general and operations in particular. While the ultimate decision of which items should be included rests with the banker, comfort is routinely requested for certain income statement items, including net sales, total and per share amounts of income before extraordinary items and of net income.

13 Include only if there are selected financial data that have been derived from financial statements not included in the Registration Statement and the Prospectus.

14 In unusual circumstances, the accountants may report on "Selected Financial Data" as described in SAS No. 42, REPORTING ON CONDENSED FINANCIAL STATEMENTS AND SELECTED FINANCIAL DATA, and include in their report in the

Registration Statement and the Prospectus the paragraph contemplated by SAS No. 42.9. This situation may arise only if the Selected Financial Data do not include interim period data and the five-year selected data are derived entirely from financial statements audited by the auditors whose report is included in the Registration Statement and the Prospectus. If the guidelines set forth in SAS No. 42 are followed and the accountant's report as included in the Registration Statement and the Prospectus includes the additional language prescribed by SAS No. 42.9, the bracketed language may be eliminated.

15 This language should be included when the Registration Statement and the Prospectus include earnings or other data for a period after the date of the latest financial statements in the Registration Statement and the Prospectus, but the unaudited interim financial statements from which the earnings or other data is derived is not included in the Registration Statement and the Prospectus. The blank should be filled in with a description of the financial statement item(s) included.

16 If an audit or a review in accordance with SAS No. 71 has not been performed by the accountants with respect to the underlying historical financial statements, or if negative assurance on the Company's pro forma financial statements is not otherwise available, the accountants should be requested to perform certain other procedures with respect to such pro forma financial statements. See Example O of SAS No. 72.

17 This language is intended to encompass all other financial/numerical information appearing in the Registration Statement and the Prospectus for which comfort may be given, including (but not limited to) amounts appearing in the Registration Statement and the Prospectus narrative and other summary financial data appearing in tabular form (e.g., the capitalization table).

18 Accountants' services with respect to a financial forecast may be in one of three forms: an examination of the forecast, a compilation of the forecast or the application of agreed-upon procedures to the forecast. If the accountant is to perform an examination of the forecast included in the Registration Statement and the Prospectus, delivery of the related report should be treated separately in Section 5(f) as follows (remember to change subsequent letters accordingly):

(f) At the time that the applicable Terms Agreement is executed by the Company, you shall have received from _____ a report, dated such date, in form and substance satisfactory to you, together with signed or reproduced copies of such report for each of the other Underwriters, stating that, in their opinion, the forecasted financial statements for the [relevant period or periods] included in the Registration Statement and the Prospectus are presented in conformity with guidelines for presentation of a forecast established by the AICPA, and that the underlying assumptions provide a reasonable basis for management's forecast.

If the accountant is to perform a compilation of the forecasted financial statements included in the Registration Statement and the Prospectus, delivery of the related report should be treated separately in Section 5(e) as follows:

(f) At the time that the applicable Terms Agreement is executed by the Company, you shall have received from _____ a report, dated such date, in form and substance satisfactory to you, together with signed or reproduced copies of such report of each of the other Underwriters, stating that they have compiled the forecasted financial statements for the [relevant period or periods] included in the Registration Statement and the Prospectus in accordance with the guidelines established by the AICPA.

Finally, if the accountant is to perform agreed-upon procedures on a forecast included in the Registration Statement and the Prospectus, SAS No. 72 requires that the accountant first prepare a compilation report with respect to the forecast and attach that report to the comfort letter. The accountant may then report on specific procedures performed and findings obtained.
