Description

MRS.

Purpose of loan:

This loan will be used to... Pay off the PayDay Advance loans for both my husband and myself as well as pay off some of the credit cards.

My financial situation:

I am a good candidate for this loan because...

I have begun a 2nd job today, working at the same place i've been working at since 1995, doing the same function for the last 20 years. It is after hours and on Saturday to earn extra income to pay back this loan. Last July we lost an income of \$300.00. Our household has been operating on a \$300.00 deficit since that time. I had applied for positions at grocery stores, retail outlets and fast food to work around my current office hours, with no success. I did not want to apply before I knew the money was going to be there to pay it back. My car loan will be concluded in 5 more payments. That will also free up another \$260.00 per month.

Pay off Credit Card debt

My financial situation:

I'm a home owner that just want's to consolidate credit card debt and start the new year with a good financial plan. Storm Sandy affected my business as so did the Newtown massacre.
