The Net Total Annual Operating Expenses shown in the table reflect contractual arrangements currently in effect under which the investment advisers of certain Portfolios have agreed to waive fees and/or pay expenses of the Portfolios until at least April 30, 2013. In the table, "0.00%" in the Contractual Fee Waiver and/or Expense Reimbursement column indicates that there is a contractual arrangement in effect for that Portfolio, but the expenses of the Portfolio are below the level that would trigger the waiver or reimbursement. The Net Total Annual Operating Expenses shown do not reflect voluntary waiver or expense reimbursement arrangements or arrangements that terminate prior to April 30, 2013. The Portfolios provided the information on their expenses, and we have not independently verified the information.

2

Certain Portfolios that have "Acquired Fund Fees and Expenses" are "fund of funds." Each "fund of funds" invests substantially all of its assets in other portfolios. Because the Portfolio invests in other underlying portfolios, the Portfolio will bear its pro rata portion of the operating expenses of the underlying portfolios in which it invests, including the management fee. See the underlying fund prospectus for more information.

2. PURCHASE

IN THE "PURCHASE" SECTION, ADD THE FOLLOWING TO THE END OF THE "TERMINATION FOR LOW ACCOUNT VALUE" PARAGRAPH:

We will not terminate the contract if it includes the Lifetime Withdrawal Guarantee II rider. In addition, we will not terminate any contract that

includes a Guaranteed Withdrawal Benefit rider or a guaranteed death benefit if at the time the termination would otherwise occur the Benefit Base of the living benefit rider, or the guaranteed amount under any death benefit, is greater than the account value. For all other contracts, we reserve the right to exercise this termination provision, subject to obtaining any required regulatory approvals.

IN THE "PURCHASE" SECTION, UNDER "INVESTMENT ALLOCATION RESTRICTIONS FOR CERTAIN RIDERS," REPLACE THE BULLET ITEM UNDER OPTION (A) WITH THE FOLLOWING:

- 100% of your purchase payments or account value among the AllianceBernstein Global Dynamic Allocation Portfolio, AQR Global Risk Balanced Portfolio, BlackRock Global Tactical Strategies Portfolio, Invesco Balanced-Risk Allocation Portfolio, JPMorgan Global Active Allocation Portfolio, MetLife Balanced Plus Portfolio, Pioneer Ibbotson Growth Allocation VCT Portfolio, Pioneer Ibbotson Moderate Allocation VCT Portfolio, Schroders Global Multi-Asset Portfolio, and/or BlackRock Money Market Portfolio. (You may also allocate purchase payments to the EDCA program, provided that your destination portfolios are one or more of the above listed investment portfolios. You may not allocate purchase payments to the Dollar Cost Averaging program).

PIONEER VARIABLE CONTRACTS TRUST (CLASS II)

Pioneer Variable Contracts Trust is a mutual fund with multiple portfolios. Pioneer Investment Management, Inc. is the investment adviser to each portfolio. Pioneer Investment Management, Inc. has engaged subadvisers to provide advice for some of the individual portfolios. (See Appendix B for the names of the subadvisers.) The following Class II portfolios are available under the contract:

Pioneer Cullen Value VCT Portfolio
Pioneer Emerging Markets VCT Portfolio
Pioneer Equity Income VCT Portfolio
Pioneer Mid Cap Value VCT Portfolio
Pioneer Real Estate Shares VCT Portfolio

5

PIONEER VARIABLE CONTRACTS TRUST - PIONEER IBBOTSON ALLOCATION PORTFOLIOS
(CLASS II)

In addition to the portfolios listed above under Pioneer Variable Contracts Trust, the following Class II portfolios are available under the contract:

Pioneer Ibbotson Growth Allocation VCT Portfolio
Pioneer Ibbotson Moderate Allocation VCT Portfolio

IN THE "TRANSFERS - MARKET TIMING" SECTION, REPLACE THE LAST THREE PARAGRAPHS WITH THE FOLLOWING:

The investment portfolios may have adopted their own policies and procedures with respect to market timing transactions in their respective shares, and we reserve the right to enforce these policies and procedures. For example, investment portfolios may assess a redemption fee (which we reserve the right to collect) on shares held for a relatively short period. The prospectuses for the investment portfolios describe any such policies and procedures, which may be more or less restrictive than the policies and procedures we have adopted. Although we may not have the contractual authority or the operational capacity to apply the market timing policies and procedures of the investment portfolios, we have entered into a written agreement, as required by SEC regulation, with each investment portfolio or its principal underwriter that obligates us to provide to the investment portfolio promptly upon request certain information about the trading activity of individual contract owners, and to execute instructions from the investment portfolio to restrict or prohibit further purchases or transfers by specific contract owners who violate the market timing policies established by the investment portfolio.

In addition, contract owners and other persons with interests in the contracts should be aware that the purchase and redemption orders received by the investment portfolios generally are "omnibus" orders from intermediaries, such as retirement plans or separate accounts funding variable insurance contracts. The omnibus orders reflect the aggregation and netting of multiple orders from individual owners of variable insurance contracts and/or individual retirement plan participants. The omnibus nature of these orders may limit the investment portfolios in their ability to apply their market timing policies and procedures. In addition, the other insurance companies and/or retirement plans may have different policies and procedures or may not have any such policies and procedures because of contractual limitations. For these reasons, we cannot guarantee that the investment portfolios (and thus contract owners) will not be harmed by transfer activity relating to other insurance companies and/or retirement plans that may invest in the investment portfolios. If an investment portfolio believes that an omnibus order reflects one or more transfer requests from contract owners engaged in disruptive trading activity, the investment portfolio may reject the entire omnibus order.

In accordance with applicable law, we reserve the right to modify or terminate the transfer privilege at any time. We also reserve the right to defer or restrict the transfer privilege at any time that we are unable to purchase or redeem shares of any of the investment portfolios, including any refusal or restriction on purchases or redemptions of their shares as a result of their own policies and procedures on market timing and disruptive trading activities (even if an entire omnibus order is rejected due to the market timing or disruptive trading activity of a single contract owner). You should read the investment portfolio prospectuses for more details.

IN THE "DOLLAR COST AVERAGING PROGRAMS" SECTION, REPLACE THE SECOND PARAGRAPH WITH THE FOLLOWING:

If you make an additional purchase payment while a Dollar Cost Averaging (DCA) or Enhanced Dollar Cost Averaging (EDCA) program is in effect, we will not allocate the additional payment to the DCA or EDCA program unless you tell us to do so. Instead, unless you previously provided different allocation instructions for future purchase payments or provide new allocation instructions with the payment, we will allocate the additional purchase payment directly to the same destination investment portfolios you selected under the DCA or EDCA program. Any purchase payments received after the DCA or EDCA program has ended will be allocated as described in "Purchase - Allocation of Purchase Payments."

We reserve the right to modify, terminate or suspend any of the dollar cost averaging programs. There is no additional charge for participating in any of the dollar cost averaging programs. If you participate in any of the dollar cost

6

averaging programs, the transfers made under the program are not taken into account in determining any transfer fee. We may, from time to time, offer other dollar cost averaging programs which have terms different from those described in this prospectus. We will terminate your participation in a dollar cost averaging program when we receive notification of your death.

IN THE "DOLLAR COST AVERAGING PROGRAMS - 1. STANDARD DOLLAR COST AVERAGING (DCA)" SECTION, REPLACE THE SECOND PARAGRAPH WITH THE FOLLOWING:

If you allocate an additional purchase payment to your existing DCA program, the DCA transfer amount will not be increased; however, the number of months over which transfers are made is increased, unless otherwise elected in writing. You can terminate the program at any time, at which point transfers under the program will stop. This program is not available if you have selected the Lifetime Withdrawal Guarantee II rider.

IN THE "DOLLAR COST AVERAGING PROGRAMS - 2. ENHANCED DOLLAR COST AVERAGING PROGRAM (EDCA)" SECTION, DELETE THE FIRST SENTENCE OF THE SECOND PARAGRAPH AND REPLACE THE LAST PARAGRAPH WITH THE FOLLOWING:

If you decide you no longer want to participate in the EDCA program, or if we receive notification of your death, your participation in the EDCA program will be terminated and all money remaining in your EDCA account will be transferred to the investment portfolio(s) in accordance with the percentages you have chosen for the EDCA program, unless you specify otherwise.

4. EXPENSES

IN THE "GUARANTEED WITHDRAWAL BENEFIT - RIDER CHARGE" SECTION, ADD THE FOLLOWING:

For contracts issued with the Lifetime Withdrawal Guarantee II rider on or before February 23, 2009, if your Total Guaranteed Withdrawal Amount is increased due to an Automatic Annual Step-Up on a contract anniversary occurring on July 1, 2012 or later, we currently will increase the rider charge for the Single Life version to 0.95% of the Total Guaranteed Withdrawal Amount, and we will increase the rider charge for the Joint Life version to 1.20% of the Total Guaranteed Withdrawal Amount, applicable after the contract anniversary on which the Automatic Annual Step-Up occurs.

IN THE "EXPENSES" SECTION, UNDER THE "WITHDRAWAL CHARGE" HEADING, REPLACE THE LAST SENTENCE OF THE FIRST PARAGRAPH WITH THE FOLLOWING:

To determine what portion (if any) of a withdrawal is subject to a withdrawal charge, amounts are withdrawn from your contract in the following order:

IN THE "EXPENSES" SECTION, UNDER THE "WITHDRAWAL CHARGE" HEADING, CHANGE ITEM 2 TO THE FOLLOWING:

2. The free withdrawal amount described below (deducted from purchase payments not previously withdrawn, in the order such purchase payments were made, with the oldest purchase payment first, as described below); then

5. OTHER INFORMATION

IN THE "OTHER INFORMATION" SECTION, UNDER THE "REQUESTS AND ELECTIONS" HEADING, REPLACE THE SENTENCE "ALL OTHER REQUESTS MUST BE IN WRITTEN FORM, SATISFACTORY TO US" WITH THE FOLLOWING:

Some of the requests for service that may be made by telephone or Internet include transfers of account value (see "Investment Options - Transfers - Transfers By Telephone or Other Means") and changes to the allocation of future purchase payments (see "Purchase - Allocation of Purchase Payments"). We may from time to time permit requests for other types of transactions to be made by telephone or Internet. All transaction requests must be in a form satisfactory to us. Contact us for further information. Some selling firms may restrict the ability of their registered representatives to convey transaction requests by telephone or Internet on your behalf.
