If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense.
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report of transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

PART III – NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Form 10-Q for the nine months ended March 31, 2013 will not be submitted by the deadline due to a situation where the workload exceeds available personnel, due to a change in management of the Company. We were not able to complete all of the financial information required to allow sufficient time to be able to finalize review and filing of the Form 10-Q by the filing deadline of May 15, 2013.

If answer is no, identify report(s).

Yes No _____

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Yes No There is a significant change in results of operations due to a change in control and change of business of the Company whereby we accounted for a reverse merger and the acquired company is now the reporting company. The acquired company had no operations for the period ended March 31, 2012 so there is no comparable period to report. For the three months ended March 31, 2013 we expect to report a loss from operations of approximately \$360,000.
