A registration statement (including a prospectus) has been filed with the SEC for the offering to which this communication relates and can be found here: <https://www.hashdex-etfs.com/nciq/prospectus>. Before you invest, you should read the prospectus in that registration statement and other documents that have been filed with the SEC for more complete information about NCIQ and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at [www.sec.gov](http://www.sec.gov). Alternatively, Hashdex will arrange to send you the prospectus, if you request it by calling toll-free 917-525-5635. The Fund invests directly in Bitcoin and Ether, aiming to track the Nasdaq Crypto US Settlement Price Index. Crypto asset investments are highly volatile and may result in total loss of your investment. Instruments whose underlying investments include crypto assets are not suitable for all investors. The Fund is an exchange-traded product and is not an ETF or mutual fund. The Fund is not registered under the Investment Company Act of 1940, and is not subject to the same regulatory requirements and protections. Carefully consider the Fund's objectives, risks, charges, and expenses before investing. Investing in the Fund involves significant risk and may not be suitable for all investors. The Fund is new with a limited operating history. Investing in Bitcoin and Ether is new and highly speculative. Nothing herein is intended to imply that investing in any crypto asset or crypto asset related product may be considered "conservative," "safe," "risk free," or "risk averse." For more information, read the prospectus at <https://hashdex-etfs.com/nciq/prospectus>.
