### Description

VERY RELIABLE INDIVIDUAL

Purpose of loan: Pay off son's student loan along with my Capitol One Credit Card.

My financial situation: Very Good

I am a good candidate for this loan: Since retiring from my job of 36 years I still work 37 1/2 hours a week part-time in a management position that I really enjoy.

This loan with Prosper would be deducted from my checking account on file which is the same account that my County VRS Retirement pay is deposited.

I always pay my bills on time. When I was getting ready to retire; I hired a company "Credit Solutions" to settle my outstanding credit card debt. With doing that my credit score dropped low but I have since been building it back up.

##### BUSINESS--TRUCK, STOCK, & FREON

##### Purpose of loan:

This loan will be used for business purposes. I own a heating and air conditioning company. As many of you know, the old R22 Freon is not produced anymore and keeps rising in price. If I can buy in bulk, I can help lower my cost and thus make more money. I am also using this loan to buy a truck and stock it with parts for my 1st employee. I was turning work down last year and have only continued to grow this winter. I need another employee and this loan will help me do this.

##### My financial situation:

I am a good candidate for this loan because I pay my bills on time and understand it takes money to make money. My local big bank won't lend to me because I do not do enough in annual sales for me to be a contender in their minds.

#### Description

**DEBT CONSOLIDATION**

I am at the tail end of my Debt Reduction Plan that started in 2009, and the purpose of this loan is to consolidate my remaining high interest Credit Card debt into a lower interest loan. I am a good candidate for this loan because I am gainfully employed in a stable and relatively high paying job, and the savings from the Credit Card Debt that will be retired via this loan will more than cover the monthly payment for this loan.

IMPORTANT NOTE: Note that any black marks on my Credit Report all occurred in 2009; there have been no issues since 2009, and there were no issues before 2009 as well.

**Description**

DEBT CONSOLIDATION

## Purpose of loan:

This loan will be used to consolidate holiday debt and a current prosper loan. I splurged a little for christmas while seeing family and friends and would rather that debt not be sitting on my credit card. Also, I would like to take advantage of the lowered interest rates on prosper.com loans to refinance my current loan. Prosper.com has been a huge help to my financial situation over the last year or so.

## My financial situation:

I am a good candidate for this loan because I have good credit, have never been late paying any bill, and have a very steady income (I have guaranteed employment for the next three years).
