Cusip No. 456 650 209

Page 3 of 7 Pages

Item 1. Security and Issuer.

This Amendment No. 1 to Schedule 13D relates to shares of the Common Stock, par value \$.03 per share ("Common Stock") of Infodata Systems Inc. (the "Issuer"). The Issuer's principal executive office is located at 12150 Monument Drive, Suite 400, Fairfax, Virginia 22033.

Item 2. Identity and Background.

This Amendment is submitted by University of Rochester, an education corporation formed under the laws of the State of New York. University of Rochester's principal office address is Rochester, New York 14627.

Attached as Schedule A to this Amendment is a list of the names, residence or business addresses, present principal occupation or employment, principal business and address of any corporation or organization in which such employment is conducted and citizenship of each of the executive officers and trustees of the University of Rochester.

Neither University of Rochester nor, to its knowledge, any of its executive officers or trustees, has, during the last five years, been convicted in a criminal proceeding and has not, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which it is or was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

On November 22, 1985, University of Rochester purchased 100,000 shares of the Cumulative Convertible Preferred Stock, par value \$1.00 per share ("Preferred Stock") of the Issuer for \$1,000,000 with funds from the

endowment of the University. On June 25, 1996, University of Rochester agreed to convert its 100,000 shares of Preferred Stock into 129,630 shares of Common Stock, par value \$.03 ("Common Stock") and to receive 20,416 shares of Common Stock in consideration of accrued and unpaid dividends, in each case in accordance with the provisions of the Preferred Stock and the Certificate of Incorporation, as amended, of the Issuer. On July 30, 1996, the Issuer declared a two-for-one stock split in the form of a 100% share distribution for shareholders of record on August 12, 1996, increasing the University of Rochester's holdings to 300,092 shares of Common Stock.

#### Item 4. Purpose of the Transaction

The Preferred Stock was purchased on November 22, 1985 in the ordinary course of the University's investment activities. On August 1, 1989, University of Rochester filed a Schedule 13D evidencing its intent to seek an extraordinary transaction or change in the board or management of the Issuer in the best interests of shareholders. A change in management occurred in 1989 and since that time University of Rochester has continued to hold its Preferred Stock. The conversion of the Preferred Stock into Common Stock by University of Rochester is being consummated in connection with the proposed sale of the Common Stock by University of Rochester from time to time pursuant to a shelf registration statement on Form S-3 to be filed with the Securities and Exchange Commission by the Issuer. University of Rochester has agreed to pay a portion of the costs of the registration and will receive any proceeds for the account of its endowment.

#### Item 5. Interest in Securities of the Issuer

University of Rochester beneficially owns 300,092 shares of Common Stock, constituting 13.95% of the outstanding Common Stock giving effect to the two for one stock split for shareholders of record on August 12, 1996 and holds sole voting and sole dispositive power with respect to such securities.

CUSIP No. 456 650 209

Page 4 of 7 Pages

#### Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

None.

#### Item 7. Material to Be Filed as Exhibits

None.

#### Signature

After reasonable inquiry and to the best of the undersigned's knowledge and belief the undersigned certify that the information set forth

in this statement is true, complete and correct.
