Item 8.01 Other Events

On January 22, 2013, the Board of Directors of Kunekt Corporation (the "Company") made the decision to deregister the Company's common stock, par value \$0.001 per share (the "Common Stock") because the financial and other costs to the Company of remaining a U.S. public company exceed the liquid assets of the Company. In particular, the current lack of liquid assets makes it impossible to fund the significant expenses associated with audit, legal, regulatory and related expenses.

Accordingly, the Company will be filing a Form 15 on January 24, 2013 terminating the registration of the Company's Common Stock under Section 12(g) of the Securities Exchange Act of 1934 (the "Exchange Act"). Accordingly, the Company's duty to file any reports required under Section 13(a) of the Exchange Act will be suspended immediately upon the filing of the Form 15.
