Item 1. Security and Issuer.

This Schedule 13D/A1 amends the Schedule 13D filed with the Securities Exchange Commission on January 6, 1999 (the "Schedule 13D") with respect to the Common Stock, \$0.001 par value ("Common Stock"), of Ligand Pharmaceuticals Incorporated (the "Issuer"), a Delaware corporation, whose principal executive offices are located at 10275 Science Center Drive, San Diego, California 92121.

Item 3. Sources and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is restated in its entirety as follows:

Pursuant to a Stock Purchase Agreement, dated as of September 30, 1998, by and between the Issuer and Elan International Services, Ltd., a wholly-owned subsidiary of Elan ("EIS"), EIS acquired 1,278,970 shares of Common Stock (the "First Shares") on September 30, 1998 for an aggregate cash purchase price of \$14,900,000.50.

Pursuant to a Securities Purchase Agreement, dated as of November 6, 1998, by and among the Issuer, EIS and Elan (the "Purchase Agreement"), on November 9, 1998, EIS acquired (i) 437,768 additional shares of Common Stock (the "Second Shares") for an aggregate cash purchase price of \$5,099,997.20 and (ii) zero coupon convertible senior notes due 2008 of the Issuer with an 8.0% per annum yield to maturity (the "Notes") and an issue price of \$30,000,000 (the "Initial Notes"). The issue price plus all accrued interest on the Initial Notes is convertible into Common Stock of the Issuer at any time at the option of EIS at a conversion price of \$14.00 per share.

Pursuant to a Development, License and Supply Agreement, dated as of November 6, 1998 (the "License Agreement"), by and between the Issuer and Elan, on November 9, 1998, Elan acquired (i) 429,185 additional shares of Common Stock of the Issuer (the "Third Shares") and (ii) additional Notes of the Issuer (the "Second Notes") with an issue price of \$10,000,000, in each case, in lieu of certain cash license fees payable by the Issuer to Elan pursuant to the License Agreement. The issue price plus all accrued interest on the Second Notes is convertible into Common Stock of the Issuer at any time at the option of Elan at a conversion price of \$14.00 per share.

Pursuant to the Purchase Agreement, on July 14, 1999, EIS acquired additional Notes of the Issuer (the "Third Notes" and, together with the First Shares, the Second Shares, the Third Shares, the Initial Notes and the Second Notes, the "Securities") with an issue price of \$40,000,000. The issue price plus all accrued interest on the Third Notes is convertible into Common Stock of the Issuer at any time at the option of EIS at a conversion price of \$14.00 per share.

The First Shares, the Second Shares, the Initial Notes and the Third Notes were purchased by EIS with general corporate funds. None of such

-1-

funds were borrowed.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is restated in its entirety as follows:

Elan acquired the Securities for the purpose of making an investment in the Issuer and in connection with the execution of the License Agreement.

Each of the Initial Notes, the Second Notes and the Third Notes are convertible into Common Stock of the Issuer at the option of EIS or Elan, as the case may be, at a conversion price of \$14.00 per share. The number of shares of Common Stock into which the Initial Notes, the Second Notes and the Third Notes may be converted is based upon the quotient obtained by dividing the issue price thereof plus all accrued interest thereon to the conversion date by \$14.00.

The Issuer has granted to Elan and EIS certain registration rights for the First Shares, the Second Shares and the Third Shares and the shares of Common Stock issuable upon conversion of the Initial Notes, the Second Notes and the Third Notes.

Pursuant to and subject to the conditions set forth in the Purchase Agreement, at the Issuer's request, EIS will, in its sole discretion, purchase additional Notes with an issue price of up to \$30,000,000 on or before December 31, 1999. Such Notes will be convertible into Common Stock of the Issuer at the option of EIS at a conversion price equal to the average of the closing prices of the Common Stock for the 20 consecutive trading days immediately preceding the issue date of such Notes, plus a premium; provided that the conversion price of such Notes will not be less than \$14.00 or greater than \$20.00 per share. In addition, pursuant to the License Agreement, Elan may, at the option of the Issuer, acquire additional shares of Common Stock in lieu of certain cash fees which may become payable by the Issuer to Elan pursuant thereto upon the achievement of certain milestones.

Other than as set forth above, neither Elan nor EIS has any present plans or intentions which would result in or relate to any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The foregoing descriptions of the Purchase Agreement and the License Agreement do not purport to be complete and are qualified in their entirety by reference to the full text thereof (copies of which were filed as Exhibits 1 and 2 to the Schedule 13D). The Purchase Agreement and the License Agreement are incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.

-2-

Item 5 (a) of the Schedule 13D is restated in its entirety as follows:

(a) Elan is the beneficial owner of 8,110,672 shares of Common Stock, or approximately 15.4%, of the outstanding shares of Common Stock (based upon the outstanding shares of Common Stock as of April 30, 1999 and the shares of Common Stock issuable upon conversion of the Initial Notes, the Second Notes and the Third Notes). To the best knowledge of Elan, no other person named in Item 2 above beneficially owns any shares of Common Stock of the Issuer.
