 Borrower Payment Dependent Notes**

This Listing Report supplements the prospectus dated Jan 09, 2013 and provides information about each loan request (referred to as a "listing") and series of Borrower Payment Dependent Notes (the "Notes") we are currently offering. Prospective investors should read this Listing Report supplement together with the prospectus dated Jan 09, 2013 to understand the terms and conditions of the Notes and how they are offered, as well as the risks of investing in Notes.

The following series of Notes are currently being offered:

Borrower Payment Dependent Notes Series 690362

The following information pertains to the borrower loan being requested, that corresponds to the series of Notes to be issued upon the funding of the borrower loan, in the event the listing receives commitments to purchase Notes in an amount that equals or exceeds the minimum amount required for the loan to fund.

Amount:	\$2,500.00	Prosper Rating:	C	Listing Duration:	14 days
Term:	36 months	Estimated loss*:	6.24%		
Lender yield:	16.34%	Borrower rate/APR:	17.34% / 21.03%	Monthly payment:	\$89.56
Lender servicing fee:	1.00%	Effective Yield*:	15.36%		
		Estimated return*:	9.12%		

* Estimated loss is the estimated principal loss on charge-offs. Effective yield is equal to the borrower interest rate: (i) minus the servicing fee rate, (ii) minus estimated uncollected interest on charge-offs, (iii) plus estimated collected late fees. Effective yield, Estimated loss and Estimated return are intended to represent the estimated average effective yield, loss and return, respectively, on a basket of loans with the same characteristics as this listing. All estimates are based on the historical performance of Prosper loans for borrowers with similar characteristics. The calculations of Effective yield, Estimated loss and Estimated return require significant assumptions about the repayment of loans, and lenders should make their own judgments with respect to the accuracy of these assumptions. Actual performance may differ from estimated performance.

Description

DEBT CONSOLIDATION

Purpose of loan: Debt consolidation

This loan will be used to...pay off my current prosper loan and some higher interest credit cards. Also to repair the decks on my house

My financial situation: Is Good, besides what I make yearly on my paychecks we can add an additional income averaging around \$10,000 more per year because I am a games dealer making tips. I have been in the casino business for more than 35 years.

I am a good candidate for this loan because...I have increased my fico score in the past year by paying all my bills on time. The goal to reduce my debt was side tracked by a drunk driver that hit me and my wife head on which severely hurt my wifes knee. This driver was an under insured motorist so we have been trying to get our insurance co. to pay for surgery on her knee. We expect that to happen soon but in the mean time we need help to keep on track with our increasing good credit

Description

HOME IMPROVEMENT--MASTER BATHROOM

Purpose of loan:

This loan will be used for a master bathroom renovation.

My financial situation:

I am a good candidate for a loan because I pay my bills on time and do not consider myself a risk to investors because I am gainfully employed, as well as completing coursework to become a realtor (in addition to my job as a school principal).

Thank you to those of you who invested in my loan last time which was cancelled because I was on holiday vacation and did not have all of the necessary documentation with me to complete the verification process. I have returned from vacation and am ready to have my bathroom remodeled. Thank you in advance for your support.

Description**BUSINESS**

Purpose of loan: I have been a fireman for the last 8 years. I have promoted up the ranks from firefighter to captain. I am well versed in running personnel and keep track of financing. Four years ago I go involved with a local Haunted House. The Haunted houses ticket sales were
 6,900 in 2009
 11,400 in 2010
 11,900 in 2011
 9,322 in 2012

In 2011 the owner experienced health problems which have caused him to move from Florida to Ohio due to health issues. In 2012 we did little marketing and were in a bad location. The owner left behind all the actors, designers, & personnel which I have acquired. The designers & set makers have a total of 20+ years in the industry under their belts. Both of my key designers are continually doing set work and design for Universal Studios Florida, Bush Gardens, Six Flags, & Disney. My goal is to recreate one of the areas scariest buildings, known as School House Number 4. Everything will be professionally design and produced. Ticket prices are \$20 for regular admission and \$35 for express pass. In 2012 there were \$41,090 ticket sales in express pass alone and in 2011 there were \$66,800 in Express pass tickets sold. This is a very lucrative field as long as it is professionally designed and operated.

This loan will be used to lease building, produce sets, and design building.

My financial situation: Very good

I am a good candidate for this loan because I have a strong work and business background. I have all the key pieces that made the prior Haunted House Floridas # 1 Haunted attraction. Beating out Halloween Horror Nights in reviews..

Description

DEBT CONSOLIDATION

Purpose of loan:

This loan will be used to help us continue to move towards being debt free. Since April 2009, my wife and I have paid \$101,771 to pay off our unsecured debt. The purpose of this request is to make it more affordable to "live" this year and take payment from a 1 yr term to a longer term (allowing a little more cash flow for us each month).

I want to clarify that we WILL NOT use this to incur new debt. This will be used to immediately pay off higher interest accounts. We actually have \$27,213 remaining to pay off before being "unsecured" debt free. Considering some recent medical needs, our monthly cash flow is very stretched. This \$15,000 request would most definitely help us reach our goal and give a longer term therefore providing lower payments.

My financial situation:

I am a good candidate for this loan because my wife and I have successfully paid off \$101,771 of an original \$104,623 unsecured balance since April 2009. Considering interest, our outstanding balance is \$27,213. We will not stop this level of success until we bring this balance to \$0.00.

Borrower Payment Dependent Notes Series 698916

The following information pertains to the borrower loan being requested, that corresponds to the series of Notes to be issued upon the funding of the borrower loan, in the event the listing receives commitments to purchase Notes in an amount that equals or exceeds the minimum amount required for the loan to fund.

Amount:	\$4,000.00	Prosper Rating:	E	Listing Duration:	14 days
Term:	60 months	Estimated loss*:	12.25%		

Lender yield:	27.95%	Borrower rate/APR:	28.95% / 31.63%	Monthly payment:	\$126.85
---------------	---------------	--------------------	------------------------	------------------	-----------------

Lender servicing fee:	1.00%	Effective Yield*:	25.52%
		Estimated return*:	13.27%

* Estimated loss is the estimated principal loss on charge-offs. Effective yield is equal to the borrower interest rate: (i) minus the servicing fee rate, (ii) minus estimated uncollected interest on charge-offs, (iii) plus estimated collected late fees. Effective yield, Estimated loss and Estimated return are intended to represent the estimated average effective yield, loss and return, respectively, on a basket of loans with the same characteristics as this listing. All estimates are based on the historical performance of Prosper loans for borrowers with similar characteristics. The calculations of Effective yield, Estimated loss and Estimated return require significant assumptions about the repayment of loans, and lenders should make their own judgments with respect to the accuracy of these assumptions. Actual performance may differ from estimated performance.

* Estimated loss is the estimated principal loss on charge-offs. Effective yield is equal to the borrower interest rate: (i) minus the servicing fee rate, (ii) minus estimated uncollected interest on charge-offs, (iii) plus estimated collected late fees. Effective yield, Estimated loss and Estimated return are intended to represent the estimated average effective yield, loss and return, respectively, on a basket of loans with the same characteristics as this listing. All estimates are based on the historical performance of Prosper loans for borrowers with similar characteristics. The calculations of Effective yield, Estimated loss and Estimated return require significant assumptions about the repayment of loans, and lenders should make their own judgments with respect to the accuracy of these assumptions. Actual performance may differ from estimated performance.

Borrower Payment Dependent Notes Series 698447

The following information pertains to the borrower loan being requested, that corresponds to the series of Notes to be issued upon the funding of the borrower loan, in the event the listing receives commitments to purchase Notes in an amount that equals or exceeds the minimum amount required for the loan to fund.

Amount:	\$20,000.00	Prosper Rating:	AA	Listing Duration:	14 days
		Estimated loss*:	1.49%		
Term:	36 months				

Lender yield:	7.14%	Borrower rate/APR:	8.14% / 9.48%	Monthly payment:	\$628.02
Lender servicing fee:	1.00%	Effective Yield*:	7.01%		
		Estimated return*:	5.52%		

* Estimated loss is the estimated principal loss on charge-offs. Effective yield is equal to the borrower interest rate: (i) minus the servicing fee rate, (ii) minus estimated uncollected interest on charge-offs, (iii) plus estimated collected late fees. Effective yield, Estimated loss and Estimated return are intended to represent the estimated average effective yield, loss and return, respectively, on a basket of loans with the same characteristics as this listing. All estimates are based on the historical performance of Prosper loans for borrowers with similar characteristics. The calculations of Effective yield, Estimated loss and Estimated return require significant assumptions about the repayment of loans, and lenders should make their own judgments with respect to the accuracy of these assumptions. Actual performance may differ from estimated performance.

Borrower Payment Dependent Notes Series 699475

The following information pertains to the borrower loan being requested, that corresponds to the series of Notes to be issued upon the funding of the borrower loan, in the event the listing receives commitments to purchase Notes in an amount that equals or exceeds the minimum amount required for the loan to fund.

Amount:	\$4,000.00	Prosper Rating:	C	Listing Duration:	14 days
Term:	36 months	Estimated loss*:	8.49%		

Lender yield: **19.99%** Borrower rate/APR: **20.99% / 24.76%** Monthly payment: **\$150.68**

Lender servicing fee: **1.00%** Effective Yield*: **18.52%**
Estimated return*: **10.03%**

* Estimated loss is the estimated principal loss on charge-offs. Effective yield is equal to the borrower interest rate: (i) minus the servicing fee rate, (ii) minus estimated uncollected interest on charge-offs, (iii) plus estimated collected late fees. Effective yield, Estimated loss and Estimated return are intended to represent the estimated average effective yield, loss and return, respectively, on a basket of loans with the same characteristics as this listing. All estimates are based on the historical performance of Prosper loans for borrowers with similar characteristics. The calculations of Effective yield, Estimated loss and Estimated return require significant assumptions about the repayment of loans, and lenders should make their own judgments with respect to the accuracy of these assumptions. Actual performance may differ from estimated performance.

Description

GREAT CREDIT LOAN. DONT MISS OUT!

I take great pride in my credit history, and the fact that I always pay on time. I have had a great manager job for 15 years, and very minimum debt besides my mortgage and a few well kept credit cards to establish credit.

My initial goal is to add more living space to my home of 30 years, and at the very same time add significant future value to my house. This would be a great win win investment for me and you as the investor, as I don't plan to pay off the whole sum of the loan within the first two months. Don't Miss Out!

Thanks
