APPLE COMPUTER, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

- Interim information is unaudited; however, in the opinion of the Company's management, all adjustments necessary for a fair statement of interim results have been included. The results for interim periods are not necessarily indicative of results to be expected for the entire year. These financial statements and notes should be read in conjunction with the Company's annual consolidated financial statements and the notes thereto for the fiscal year ended September 24, 1993, included in its Annual Report on Form 10-K for the year ended September 24, 1993 (the "1993 Form 10-K").
- Effective September 25, 1993, the Company adopted Statement of Financial Accounting Standards No. 109 -Accounting for Income Taxes (FAS 109), which changes the method of accounting for income taxes from the deferred method to the liability method. This change in accounting principle has been adopted on a prospective basis, and the financial statements of prior years have not been restated. The cumulative effect of the change was not material.

Under FAS 109, deferred income taxes reflect the future income tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their tax bases. Prior to 1994, the Company accounted for income taxes under the provisions of APB Opinion No. 11, which recognized deferred taxes for the effect of timing differences between pretax accounting income and taxable income.

At September 25, 1993, the significant components of the Company's deferred tax assets and liabilities were:

U.S. income taxes have not been provided on a cumulative total of \$211 million of undistributed earnings of the Company's foreign subsidiaries. It is intended that these earnings will be indefinitely invested in operations outside of the United States. It is not practicable to determine the income tax liability that might be incurred if these earnings were to be distributed. Except for such indefinitely invested earnings, the Company provides federal and state income taxes currently on undistributed earnings of foreign subsidiaries.

The Internal Revenue Service has proposed federal income tax deficiencies for the years 1984 through 1988, and the Company has made prepayments thereon. The Company has contested these alleged deficiencies and is pursuing administrative and judicial remedies. Management believes that adequate provision has been made for any adjustments that may result from these tax examinations.

3. In the third quarter of 1993, the Company initiated a plan to restructure its operations worldwide. In connection with this plan, the Company recorded a \$321 million charge to operating expenses (\$199 million, or \$1.72 per share, after taxes). The restructuring costs include \$162 million of estimated employee-related expenses and \$159 million of estimated facilities, equipment and other expenses associated with the consolidation, relocation and termination of operations and employees.

4. Earnings per share is computed using the weighted average number of common and dilutive common equivalent shares attributable to stock options outstanding during the period.
5. Certain prior year amounts on the consolidated statements of cash flows have been reclassified to conform to the current period presentation.
6. The information set forth in Item 1 of Part II hereof is hereby incorporated by reference.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

</TABLE>

Net sales for the first quarter of 1994 increased by 23.4% over the comparable period of 1993. Total Macintosh(R) computer unit sales increased 40% in the first quarter of 1994 over the comparable period of 1993. This unit sales growth principally resulted from strong sales of the Company's newer product offerings within the LC, Performa(TM) and Quadra(R) families of desktop personal computers and within the PowerBook(TM) family of notebook-sized personal computers. This unit growth was partially offset by declining unit sales of certain of the Company's more established products and older product offerings. The average aggregate revenue per Macintosh computer unit declined 12% in the first quarter of 1994 over the comparable period of 1993, primarily as a result of pricing actions undertaken by the Company in response to continuing industrywide pricing pressures and high levels of inventory. Going forward, the Company anticipates continued industrywide competitive pricing and promotional actions.

International net sales grew 24% and domestic net sales grew 23% in the first quarter of 1994 over the comparable period of 1993. The increase in international net sales primarily reflected strong net sales growth in the Pacific region. Despite generally weak economic conditions and competitive pressures in various European countries, net sales grew moderately in Europe. International net sales represented 45% of total net sales for the first quarter of 1994, unchanged from the corresponding period of 1993.

The Company has historically experienced increased net sales in its first quarter, compared with other quarters in its fiscal year, due to demand for and calendar year-end buying of some of its products. The Company does not, however, consider its business to be highly seasonal.

It is anticipated that a significant portion of the Company's future revenues will come from new products, especially personal computers based on the Power PC family of Reduced Instruction Set Computing (RISC) microprocessors. However, there can be no assurance that these new products will receive favorable market acceptance, and the Company cannot determine the ultimate effect these products will have on its sales or

results of operations. See "Factors That May Affect Future Results and Financial Condition."

In general, the Company's resellers typically purchase products on an as-needed basis due to the Company's distribution strategy, which is designed to expedite the filling of orders. Resellers frequently change delivery schedules and order rates depending on changing market conditions. Unfilled orders ("backlog"), which are not necessarily legally binding, can be, and often are, canceled at will. The Company's backlog decreased to approximately \$302 million at January 19, 1994, from approximately \$663 million at November 19, 1993, as the Company's higher inventory levels provided greater product availability to meet reseller orders and delivery schedules.

In the Company's experience, the actual amount of product backlog at any particular time is not a meaningful indication of its future business prospects. Because of the foregoing, as well as other factors affecting the Company's backlog, backlog should not be considered a reliable indicator of the Company's future revenue or financial performance.

Gross Margin

Gross margin declined both in amount and as a percentage of net sales during the first quarter of 1994 from the comparable period of 1993. The decline in gross margin as a percentage of net sales was primarily a result of pricing and promotional actions undertaken by the Company in response to industrywide pricing pressures (including the increasing price competition that the Company is experiencing in the Japanese market) and high levels of inventory. Gross margin was also adversely affected by increases in inventory valuation reserves associated with the high levels of inventory, increased costs associated with providing customers a wider variety of product configuration options, and a seasonal shift of product mix towards lower margin products.

Gross margin was affected somewhat adversely by changes in foreign currency exchange rates as a result of a stronger U.S. dollar relative to certain foreign currencies during the first quarter of 1994 compared with the corresponding period of 1993. The Company's operating strategy and pricing take into account changes in exchange rates over time; however, the Company's results of operations can be significantly affected in the short term by fluctuations in foreign currency exchange rates.

The Company anticipates that gross margins will remain under pressure and below historic levels worldwide due to a variety of factors, including continued industrywide pricing pressures, increased competition and compressed product cycles. The Company's gross margins could also be adversely affected by inventory valuation reserves that could result if anticipated unit sales growth projections for new and current product offerings are not realized.

<S>	<C>	<C>	<C>

</TABLE>

Research and development expenditures decreased both in amount and as a percentage of net sales in the first quarter of 1994 when compared with the corresponding period of 1993. This decrease reflects the results of the Company's restructuring actions aimed at reducing costs, including more focused product development expenditures.

The Company believes that continued investments in research and development are critical to its future growth and competitive position in the marketplace and are directly related to continued, timely development of new and enhanced products. However, in light of the Company's expectation of continued pressure on gross margin, the Company anticipates that research and development expenditures will decrease in amount as the Company maintains its efforts to manage operating expense growth relative to gross margin levels during 1994.

quarter of 1994 when compared with the corresponding period of 1993. This decrease was primarily a result of the Company's ongoing efforts to manage operating expense growth relative to gross margin levels, and also due to an increase in the level of net sales.

The Company will continue to face the challenge of managing selling, general and administrative expenses relative to gross margin levels, particularly in light of the Company's expectation of continued pressure on gross margin, and continued weak economic conditions worldwide. The Company's objective is to continue to reduce selling, general and administrative expenses as a percentage of net sales during 1994.

Interest and other income (expense), net, decreased in the first quarter of 1994 when compared with the same period in 1993. This decrease is primarily due to a non-recurring gain on the sale of certain of the Company's venture capital investments in the first quarter of 1993, an increase in interest expense due to higher commercial paper borrowing levels, and a decrease in interest income due to lower interest rates and lower cash balances.

The information contained in Note 2 of the Notes to Consolidated Financial Statements (Unaudited) in Part I, Item 1 of this Quarterly Report on Form 10-Q is incorporated by reference into this discussion.

Factors That May Affect Future Results and Financial Condition

During the first half of calendar year 1994, the Company plans to introduce its first Macintosh computers based on a new PowerPC family of RISC microprocessors. Accordingly, the Company's results of operations and financial condition could be adversely affected if it is unable to successfully transition its line of Macintosh personal computers and servers from the Motorola 68000 series of microprocessors to the PowerPC microprocessor. The success of this transition will depend on the Company's ability to continue the sales momentum of products based on the Motorola 68000 series of microprocessors through the introduction of the PowerPC-based products, to successfully manage inventory levels of both product lines simultaneously, to gain market acceptance of the new PowerPC-based products, and to coordinate the timely development and distribution of new versions of commonly-used software products specifically designed for the PowerPC-based products.

The Company's future operating results and financial condition may also be affected by a number of other factors, including the Company's ability to: increase market share in its personal computer business while successfully

expanding its new businesses and product offerings into other markets; broaden industry acceptance of the Newton personal digital assistant (PDA) product, including effectively licensing Newton technology and marketing the related products and services; realize the anticipated

10

cost-reduction benefits associated with its restructuring plan initiated in the third quarter of 1993; develop, manufacture, and sell its products profitably; reduce existing inventory levels; and manage future inventory levels effectively. The Company's future operating results and financial condition may also be affected by uncertainties relative to global economic conditions; the strength of its distribution channels; industry factors; and the availability and cost of components.

The personal computer industry is highly volatile and continues to be characterized by dynamic customer demand patterns, rapid technological advances, frequent introduction of new products and product enhancements, and industrywide competition resulting in aggressive pricing practices and downward pressure on gross margins. The Company's operating results and financial condition could be adversely affected should the Company be unable to: accurately anticipate customer demand; introduce new products on a timely basis; manage lead times required to obtain components in order to be more responsive to short-term shifts in customer demand patterns; offer customers competitive technologies while effectively managing the impact on inventory levels and the potential for customer confusion created by product proliferation; effectively manage the impact on the Company of industrywide pricing pressures; or effectively implement and manage the competitive risk associated with certain of the Company's collaboration agreements with other companies, such as the agreements with International Business Machines Corporation (IBM). The Company's results of operations and financial condition could also be adversely affected by inventory valuation reserves that could result if anticipated unit sales growth projections for new and current product offerings are not realized.

A large portion of the Company's revenues in recent years has come from its international operations. As a result, the Company's operating results and financial condition could be significantly affected by international factors, such as changes in foreign currency exchange rates or weak economic conditions in foreign markets in which the Company distributes its products. The Company's operating strategy and pricing take into account changes in exchange rates over time; however, the Company's results of operations can be significantly affected in the short term by fluctuations in foreign currency exchange rates.

During the first quarter of 1994, the Company introduced several products that extend its entry-level, midrange and notebook computer offerings. In addition, the Company introduced several new or enhanced peripheral products. The success of these new products is dependent on a number of factors, including market acceptance, the Company's ability to manage the risks associated with product transitions, and the Company's ability to reduce existing inventory levels and manage future inventory levels in line with anticipated product demand and to manufacture the products in appropriate quantities to meet anticipated demand. Accordingly, the Company cannot determine the ultimate effect that these new products will have on its sales or results of operations.

The Company's products include certain components, such as microprocessors manufactured by Motorola Inc. and monochrome active-matrix displays manufactured by Hosiden Corporation, that are currently available only from single sources. Any availability limitations, interruptions in supplies, or price increases of these and other components could adversely affect the Company's business and financial results.

The majority of the Company's research and development activities, its corporate headquarters, and other critical business operations are located near major earthquake faults. The Company's operating results and financial condition could be materially adversely affected in the event of a major earthquake.

A number of uncertainties also exist regarding the marketing and distribution of the Company's products. The Company's primary means of distribution is through third-party computer resellers and various education and consumer channels. Although the Company has in place certain policies to limit concentrations of credit risk, business and financial results could be adversely affected in the event that the generally weak financial condition of third-party computer resellers worsens. In addition, the Company is continuing its expansion into new distribution channels, such as mass-merchandise stores (such as Sears and Wal-Mart),

consumer electronics outlets, and computer superstores, in response to changing industry practices and customer preferences. At this time, the Company cannot determine the ultimate effect of these or other future distribution expansion efforts on its future operating results.

11

Because of the foregoing factors, as well as other factors affecting the Company's operating results and financial condition, past financial performance should not be considered to be a reliable indicator of future performance, and investors should not use historical trends to anticipate results or trends in future periods. In addition, the Company's participation in a highly dynamic industry often results in significant volatility of the Company's common stock price.

</TABLE>

The Company's financial position with respect to cash, cash equivalents and short-term investments, net of short-term borrowings increased to \$371 million at December 31, 1993 from \$69 million at September 24, 1993. Working capital increased to approximately \$1.9 billion at December 31, 1993, from \$1.8 billion at September 24, 1993.

Operations generated net cash of \$367 million during the first quarter of 1994, compared with \$400 million used during the fourth quarter of 1993. This improvement was due primarily to decreases in inventory levels and accounts receivable. Accounts receivable decreased by \$134 million as a result of improved collection activity. Continued improvement in cash flow from operations for the remainder of 1994 will depend principally on the Company's ability to improve profit levels and the Company's continued aggressive management of working capital, particularly in the area of inventory management as the Company introduces its Power PC-based personal computers.

The Company's inventory levels increased sequentially each quarter during fiscal 1993 from approximately \$580 million at the end of fiscal 1992 to approximately \$1.51 billion at the end of fiscal 1993 in support of its expanded product line and distribution channels and anticipated higher sales volumes. These higher levels of inventory, in turn, resulted in increased levels of short-term borrowings. As of the end of the first quarter of fiscal 1994, inventory levels had declined by approximately \$168 million and short-term borrowings had declined by \$71 million from the fiscal 1993 year-end levels, primarily as a result of improved inventory management and increased sales resulting from pricing and promotional actions. The Company has also identified additional measures to improve management of working capital, including the implementation of long-term financing arrangements, and long-term measures designed to improve inventory management, such as increased emphasis on designing-in commonality of parts among products, increased use of manufacturing-on-demand based on products orders rather than forecasts, and greater rationalization of product offerings. Although the Company believes that these measures will result in improved inventory and working capital management during 1994, there can be no assurance that these measures will be successful or that inventory reserves will not be necessary in future periods.

Net cash used for the purchase of property, plant and equipment totaled approximately \$24 million during the first quarter of 1994 compared with \$47 million during the fourth quarter of 1993. These purchases were primarily of manufacturing machinery and equipment, and leasehold improvements. The Company anticipates that capital expenditures in 1994 will be slightly below 1993 expenditures.

Short-term borrowings at December 31, 1993 were approximately \$71 million lower than at September 24, 1993. The Company's aggregate borrowings at

December 31, 1993 were approximately \$752 million, comprised of approximately \$527 million short-term borrowings in the U.S. and approximately \$225 million short-term borrowings overseas. Aggregate borrowings at September 24, 1993 were \$823 million.

12

The Company expects that it will continue to incur short- and long-term borrowings from time to time to finance U.S. working capital needs and capital expenditures, because substantially all of the Company's cash, cash equivalents, and short-term investments is held by foreign subsidiaries, generally in U.S. dollar-denominated holdings. Amounts held by foreign subsidiaries would be subject to U.S. income taxation upon repatriation to the United States; the Company's financial statements fully provide for any related tax liability on amounts that may be repatriated.

The Company's short-term borrowings are principally under its commercial paper program. From time to time, the Company also borrows to finance operations pursuant to short-term uncommitted bid-line arrangements with commercial banks. During the first quarter of 1994, the Company entered into a \$500 million unsecured revolving credit facility with a syndicate of banks to support its commercial paper program. No borrowings have been made under this facility. In addition, Apple Japan, Inc., a wholly owned subsidiary of the Company, incurred short-term yen-denominated borrowings aggregating the U.S. dollar equivalent of approximately \$225 million from several Japanese banks.

On May 5, 1993, the Company filed an omnibus shelf registration statement with the Securities and Exchange Commission for the registration of debt and other securities for an aggregate offering amount of \$500 million. On January 24, 1994, the Company commenced marketing its first take-down under this shelf registration statement in the aggregate principal amount of \$300 million. The Company believes that the shelf registration provides it with additional financing flexibility to meet future funding requirements and to take advantage of attractive market conditions.

In January 1994, a wholly owned subsidiary of the Company exercised its option to purchase for \$51.9 million the remaining partnership interest in the Cupertino Gateway Partners partnership, a general partnership, which owns the Company's campus-type office facilities located in Cupertino, California (the "Campus"). As a result of this purchase, the Company's wholly owned subsidiary now owns 100% of the right, title and interest in the Campus. This transaction will be reflected in the Company's financial statements for the second quarter of 1994.

The Internal Revenue Service has proposed federal income tax deficiencies for the years 1984 through 1988, which the Company is contesting. The Company believes the resolution of any tax liability for these proposed tax deficiencies will occur over the course of the next several years. Although payment of any assessment is not required until the end of such process, the Company elected to make a prepayment in April 1991 for the years 1984 through 1986, and a prepayment in May 1993 for the years 1987 through 1988.

The Company believes that its balances of cash, cash equivalents, and short-term investments, together with funds generated from operations and short- and long-term borrowing capabilities, will be sufficient to meet its operating cash requirements in the foreseeable future.

Each Lender shall, before 11:00 A.M. (San Francisco time) on the date of such Syndicated Borrowing, make available for the account of its Applicable Lending Office to the Administrative Agent at its address referred to in Section 8.02(b), in same day funds, such Lender's ratable portion of such Syndicated Borrowing. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent will make such funds available to the Borrower at an account of the Borrower designated from time to time in writing by the Borrower and agreed to by the Administrative Agent.

(b) Each Notice of Syndicated Borrowing shall be irrevocable and binding on the Borrower. In the case of any Syndicated Borrowing which the related Notice of Syndicated Borrowing specifies is to be comprised of Eurodollar Rate Advances, the Borrower shall indemnify each Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Syndicated Borrowing for such Syndicated Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Syndicated Advance to be made by such Lender as part of such Syndicated Borrowing when such Syndicated Advance, as a result of such failure, is not made on such date.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Syndicated Borrowing that such Lender will not make available to the Administrative Agent such Lender's

ratable portion of such Syndicated Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Syndicated Borrowing in accordance with subsection (a) of this Section 2.02 and the Administrative Agent may, in reliance upon such assumption, but without any obligation to do so, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to Syndicated Advances comprising such Syndicated Borrowing and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Syndicated Advance as part of such Syndicated Borrowing for purposes of this Agreement, and the interest payable thereon shall be allocated such that the Administrative Agent shall receive (from a combination of the sum, if any, paid to the Administrative Agent by such Lender pursuant to clause (ii) of the preceding sentence and any interest payment made by the Borrower) an amount equal to interest on such Syndicated Advance at the interest rate applicable thereto from the date the corresponding amount was made available by the Administrative Agent to the Borrower as contemplated by this Section

28

2.02(c) to and including the date such amount is repaid to the Administrative Agent by such Lender, and such Lender shall receive the balance of the interest payments made by the Borrower with respect to such Advance in accordance with the provisions of this Agreement.

(d) The failure of any Lender to make the Syndicated Advance to be made by it as part of any Syndicated Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Syndicated Advance on the date of such Syndicated Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Syndicated Advance to be made by such other Lender on the date of any Syndicated Borrowing.

SECTION 2.03. Auction Advances. (a) Each Lender severally agrees that the Borrower may request that Auction Borrowings be made under this Section 2.03 from time to time on any Business Day during the period from the date hereof until the date occurring 10 days prior to the Termination Date in the case of Absolute Rate Auction Borrowings and 35 days prior to the Termination Date in the case of LIBOR Auction Borrowings, in the manner set forth below; provided that, following the making of each Auction Borrowing, the aggregate amount of the Advances then outstanding

shall not exceed the aggregate amount of the Commitments of the Lenders (computed without regard to any Auction Reduction); provided, further, that, notwithstanding anything to the contrary contained herein, at no time shall the sum of the number of Auction Borrowings which remain outstanding plus the number of Interest Periods then in effect exceed fifteen (15).

(i) The Borrower may request an Auction Borrowing under this Section 2.03 by delivering to the Administrative Agent, by facsimile, telex or cable, confirmed immediately in writing, a notice of an Auction Borrowing (a "Notice of Auction Borrowing"), in substantially the form of Exhibit B-2 hereto, specifying the date (which shall be a Business Day) and aggregate amount of the proposed Auction Borrowing, the maturity date for repayment of each Auction Advance to be made as part of such Auction Borrowing (which maturity date (x) in the case of Absolute Rate Auction Borrowings may not be earlier than the date occurring 7 days after the date of such Auction Borrowing or later than 180 days after the date of such Auction Borrowing or the Termination Date, whichever occurs first, or (y) in the case of LIBOR Auction Borrowings shall be 1, 2, 3, 4, 5 or 6 months, but in no event shall be later than the Termination Date), whether the proposed Auction Borrowing is to be an Absolute Rate Auction Borrowing or a LIBOR Auction Borrowing, the interest payment date or dates relating thereto, the Borrower's commercial paper ratings from S&P and Moody's in effect on the date of such proposed Auction Borrowing and any other terms to be applicable to such Auction Borrowing, not later than 8:00 A.M. (San Francisco time) (A) at least one Business Day prior to the date of the proposed Auction Borrowing, in the case of Absolute Rate Auction Borrowings, and (B) at least four Business Days prior to the date of the proposed Auction Borrowing, in the case of LIBOR Auction Borrowings. The Administrative Agent shall in turn promptly notify each Lender of each request for an Auction Borrowing received by it from the Borrower by sending such Lender a copy of the related Notice of Auction Borrowing.

(ii) Each Lender may, if, in its sole discretion, it elects to do so, irrevocably offer to make one or more Auction Advances to the Borrower as part of such proposed Auction Borrowing at a rate or rates of interest specified by such Lender in its sole discretion, by notifying the Administrative Agent (which shall give prompt notice thereof to the Borrower) before 6:45 A.M. (San Francisco time) (A) on the date of such proposed Auction Borrowing, in the case of a Notice of Auction Borrowing delivered pursuant to clause (A) of

paragraph (i) above and (B) three Business Days before the date of such proposed Auction Borrowing, in the case of a Notice of Auction Borrowing delivered pursuant to clause (B) of paragraph (i) above, of the amount of each Auction Advance which such Lender would be willing to make as part of such proposed Auction Borrowing (which amounts may,

subject to the first proviso to the first sentence of this Section 2.03(a), exceed such Lender's Commitment), the rate or rates of interest therefor and such Lender's Applicable Lending Office with respect to such Auction Advance; provided that if the Administrative Agent in its capacity as a Lender shall, in its sole discretion, elect to make any such offer, it shall notify the Borrower of such offer before 6:15 A.M. (San Francisco time) on the date on which notice of such election is to be given to the Administrative Agent by the other Lenders. Any notice of bid submitted by a Lender shall be disregarded if it (x) contains qualifying, conditional or similar language, (y) proposes terms other than or in addition to those set forth in the applicable Notice of Auction Borrowing, or (z) arrives after the time set forth in this paragraph (ii).

(iii) The Borrower shall, in turn, (A) before 8:00 A.M. (San Francisco time) on the date of such proposed Auction Borrowing, in the case of a Notice of Auction Borrowing delivered pursuant to clause (A) of paragraph (i) above and (B) before 9:00 A.M. (San Francisco time) three Business Days before the date of such proposed Auction Borrowing, in the case of a Notice of Auction Borrowing delivered pursuant to clause (B) of paragraph (i) above, either

(x) cancel such Auction Borrowing by giving the Administrative Agent notice to that effect, or

(y) accept one or more of the offers made by any Lender or Lenders pursuant to paragraph (ii) above, in its sole discretion, by giving notice to the Administrative Agent of the amount of each Auction Advance to be made by each Lender as part of such Auction Borrowing, and reject any remaining offers made by Lenders pursuant to paragraph (ii) above by giving the Administrative Agent notice to that effect; provided that acceptance of offers may only be made on the basis of ascending interest rates specified by the Lenders pursuant to paragraph (ii) above.

(iv) If the Borrower notifies the Administrative Agent that such Auction Borrowing is canceled pursuant to paragraph (iii)(x) above, the Administrative Agent shall give prompt notice thereof to the Lenders and such Auction Borrowing shall not be made.

(v) If offers are made by two or more Lenders with the same specified rate of interest for a greater aggregate principal amount than the amount in respect of which offers are accepted for any Auction Borrowing, the principal amount of Auction Advances in respect of which such offers are accepted shall be allocated by the Administrative Agent among such Lenders as nearly as possible (in such multiples of \$1,000,000 as the Administrative Agent may deem appropriate) in proportion to the aggregate principal amount of such offers. Determinations by the Administrative Agent of the amounts of Auction Advances shall be conclusive in the absence of manifest error.

(vi) If the Borrower accepts one or more of the offers made by any Lender or Lenders pursuant to paragraph (iii)(y) above, the Administrative Agent shall in turn promptly notify (A) each Lender that has made an offer as described in paragraph (ii) above, of the date and aggregate amount of such Auction Borrowing and whether or not

30

any offer or offers made by such Lender pursuant to paragraph (ii) above have been accepted by the Borrower, and (B) each Lender that is to make an Auction Advance as part of such Auction Borrowing, of the amount of each Auction Advance to be made by such Lender as part of such Auction Borrowing. Each Lender that is to make an Auction Advance as part of such Auction Borrowing shall, before 9:00 A.M. (San Francisco time) on the date of such Auction Borrowing specified in the notice received from the Administrative Agent pursuant to clause (A) of the preceding sentence, make available for the account of its Applicable Lending Office to the Administrative Agent at its address referred to in Section 8.02(b) such Lender's portion of such Auction Borrowing, in same day funds. Upon satisfaction of the applicable conditions set forth in Article III and after receipt by the Administrative Agent of such funds, the Administrative Agent will make such funds available to the Borrower at an account of the Borrower designated from time to time in writing by the Borrower and agreed to by the Administrative Agent. Promptly after each Auction Borrowing the Administrative Agent will notify each Lender of the amount of the Auction Borrowing, the consequent Auction Reduction and the dates upon which such Auction Reduction commenced and will terminate.

(b) Each Auction Borrowing shall be in an aggregate amount not less than \$25,000,000, or an integral multiple of \$1,000,000 in excess thereof, and, following the making of each Auction Borrowing, the Borrower shall be in compliance with the limitation set forth in the first proviso to the first sentence of subsection (a) above.

(c) Within the limits and on the conditions set forth in this Section 2.03, the Borrower may from time to time borrow under this Section 2.03, repay or prepay pursuant to subsection (d) below, and reborrow under this Section 2.03, provided that an Auction Borrowing shall not be made within two Business Days of the date of any other Auction Borrowing.

(d) The Borrower shall repay to the Administrative Agent for the account of each Lender which has made an Auction Advance, or each other holder of an Auction Note, on the maturity date of each Auction Advance (such maturity date being that specified by the Borrower for repayment of such Auction Advance in the related Notice of Auction Borrowing delivered pursuant to subsection (a)(i) above), the then unpaid principal amount of

such Auction Advance. The Borrower shall have no right to prepay any principal amount of any Auction Advance unless, and then only on the terms, specified by the Borrower for such Auction Advance in the related Notice of Auction Borrowing delivered pursuant to subsection (a)(i) above, and provided that the Borrower shall be obligated to reimburse each Lender whose Auction Advance has been prepaid by the Borrower in respect thereof pursuant to Section 8.04(b).

(e) The Borrower shall pay interest on the unpaid principal amount of each Auction Advance from the date of such Auction Advance to the date the principal amount of such Auction Advance is repaid in full, at the rate of interest for such Auction Advance specified by the Lender making such Auction Advance in its notice with respect thereto delivered pursuant to subsection (a)(ii) above, payable on the maturity date specified by the Borrower for such Auction Advance and on each other interest payment date or dates specified by the Borrower for such Auction Advance in the related Notice of Auction Borrowing delivered pursuant to subsection (a)(i) above; provided, however, that if the maturity date of the Auction Advances comprising an Auction Borrowing is more than three months after the date of such Auction Borrowing, then interest shall be payable on each day which occurs at intervals of three months after the date of such Auction Borrowing; provided, further, that any amount of principal which

31

is not paid when due (whether at stated maturity, by acceleration or otherwise) shall bear interest, from the date on which such amount is due until such amount is paid in full, payable on demand, at a rate per annum equal at all times (i) from such due date to the applicable maturity date, to 2% per annum above the interest rate otherwise payable with respect to such Auction Advance hereunder, and (ii) from and after the applicable maturity date, to 2% per annum above the Alternate Base Rate in effect from time to time.

SECTION 2.04. Fees. (a) Facility Fee. The Borrower agrees to pay to the Administrative Agent, for the account of each Lender, a facility fee on the daily average amount of such Lender's Commitment (including both the portion thereof that is used and the portion thereof that is unused) from the date hereof in the case of each Lender listed on the signature pages hereof and from the effective date of the assignment in accordance with Section 8.07 hereof pursuant to which such Lender became a Lender in the case of each other Lender until the Termination Date, payable on the last day of each March, June, September and December during the term of such Lender's Commitment, commencing December 31, 1993, and on the Termination Date, at the rate of (w) .08% per annum during each Level I Period, (x) .10% per annum during each Level II Period, (y) .125% during each Level III Period, and (z) .25% per annum during each Level IV Period.

(b) Agents' Fees. The Borrower agrees to pay the following fees:
(i) to Citicorp for Citicorp's own account a fee in respect of its role

hereunder and in connection with the arrangement hereof in an amount and at the times set forth in the letter agreement between the Borrower and Citicorp dated as of October 8, 1993, as the same may be amended, modified, supplemented or replaced from time to time by the mutual agreement of the Borrower and Citicorp; (ii) to BofA for BofA's own account a fee in respect of its role hereunder and in connection with the arrangement hereof in an amount and at the times set forth in the letter agreement between the Borrower and BofA dated as of October 14, 1993, as the same may be amended, modified, supplemented or replaced from time to time by the mutual agreement of the Borrower and BofA; and (iii) to the Administrative Agent for its own account an auction fee of \$2500 in respect of and at the time of each Notice of Auction Borrowing delivered to the Administrative Agent.

SECTION 2.05. Reduction of the Commitments. The Borrower shall have the right, upon at least three Business Days' irrevocable notice to the Administrative Agent, to terminate in whole or reduce ratably in part the unused portions of the respective Commitments of the Lenders, provided that the aggregate amount of the Commitments of the Lenders shall not be reduced to an amount which is less than the aggregate principal amount of the Auction Advances then outstanding and provided, further, that each partial reduction shall be in the aggregate amount of \$25,000,000 or an integral multiple of \$1,000,000 in excess thereof.

SECTION 2.06. Repayment of Syndicated Advances. The Borrower shall repay the principal amount of each Syndicated Advance made by each Lender on the last day of the Interest Period for such Syndicated Advance or the Termination Date, whichever occurs first.

SECTION 2.07. Interest on Syndicated Advances. The Borrower shall pay interest on the unpaid principal amount of each Syndicated Advance made by each Lender from the date of such Syndicated Advance until such principal amount shall be paid in full, at the following rates per annum and at the following times: (a) if such Syndicated Advance is an Alternate Base Rate Advance, a rate per annum equal at all times to the Alternate Base Rate in effect from time to time, payable quarterly on the last day of each March, June, September, and December and on

the date such Alternate Base Rate Advance shall be paid in full; and (b) if such Syndicated Advance is a Eurodollar Rate Advance, a rate per annum equal at all times during the Interest Period for such Syndicated Advance to the sum of the Eurodollar Rate for such Interest Period plus the applicable Eurodollar Margin, payable on the last day of such Interest Period and, if such Interest Period is longer than three (3) months, at intervals of three (3) months after the first day thereof; provided that any amount of principal or interest which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall bear interest, from the date on which such amount is due until such amount is paid in full, payable on demand, at a rate per annum equal at all times to 2% per annum

above the Alternate Base Rate in effect from time to time.

SECTION 2.08. Notes. The obligation of the Borrower to repay the Syndicated Advances made to the Borrower by each Lender hereunder shall be further evidenced by a Syndicated Note in favor of such Lender in the form and substance of Exhibit A-1 attached hereto. The obligation of the Borrower to repay the Auction Advances made to the Borrower by any Lender shall be evidenced by an Auction Note in favor of such Lender in the form and substance of Exhibit A-2 attached hereto.

SECTION 2.09. Interest Rate Determination. (a) The Administrative Agent shall give prompt notice to the Borrower and the Lenders of the applicable interest rate determined by the Administrative Agent for purposes of Section 2.07; provided, however, that any failure by the Administrative Agent to provide such notice shall not affect any obligation of the Borrower or the Lenders hereunder.

(b) If the Majority Lenders shall, at least one Business Day before the date of any requested Syndicated Borrowing comprised of Eurodollar Rate Advances, notify the Administrative Agent that the Eurodollar Rate for Eurodollar Rate Advances comprising such Syndicated Borrowing will not adequately reflect the cost to such Majority Lenders of making, funding or maintaining their respective Eurodollar Rate Advances for such Syndicated Borrowing, the Administrative Agent shall forthwith so notify the Borrower and the Lenders, whereupon the right of the Borrower to select Eurodollar Rate Advances for such Syndicated Borrowing or any subsequent Syndicated Borrowing shall be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist, and each Syndicated Advance comprising such Syndicated Borrowing shall be an Alternate Base Rate Advance.

SECTION 2.10. Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Syndicated Advances made by it (other than pursuant to Section 2.12) in excess of its ratable share of payments on account of the Syndicated Advances obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Syndicated Advances made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them, provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to

this Section 2.10 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

SECTION 2.11. Prepayments of Advances. (a) The Borrower shall have no right to prepay any principal amount of any Advances other than as provided in subsection (b) and subsection (c) below.

(b) The Borrower may, upon at least two Business Days' irrevocable notice, or in the case of Syndicated Borrowings comprised of Alternate Base Rate Advances notice given not later than one Business Day prior to the proposed date of prepayment, to the Administrative Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding principal amounts of the Syndicated Advances comprising part of the same Syndicated Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment shall be in an aggregate principal amount not less than \$25,000,000 or an integral multiple of \$1,000,000 in excess thereof, and (y) in the case of any such prepayment of a Eurodollar Rate Advance, the Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 8.04(b).

(c) Except as provided in Section 2.03(d), the Borrower shall have no right to prepay any principal amount of any Auction Advance.

SECTION 2.12. Increased Costs. (a) If, after the date hereof, due to either (i) the introduction of or any change (other than any change by way of imposition or increase of reserve requirements, in the case of Eurodollar Rate Advances, included in the Eurodollar Rate Reserve Percentage) in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender (or to any commercial bank Affiliate of any non-bank Lender) of agreeing to make or making, funding or maintaining Eurodollar Rate Advances, then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender additional amounts sufficient to compensate such Lender or Affiliate for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower and the Administrative Agent by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other

governmental authority (whether or not having the force of law) affects the amount of capital to be maintained by such Lender or any corporation controlling such Lender or any commercial bank Affiliate of any non-bank Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to lend hereunder and other commitments of this type, then, upon demand by such Lender (with a copy of such demand to the Administrative Agent), the Borrower shall immediately pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender or such corporation or Affiliate in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital is allocable to the existence of such Lender's commitment to lend hereunder. A certificate as to such amounts submitted to the Borrower and

34

the Administrative Agent by such Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.13. Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall notify the Administrative Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for any Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Rate Advances or to fund or maintain Eurodollar Rate Advances hereunder, (i) the obligation of the Lenders to make Eurodollar Rate Advances shall be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist and (ii) the Borrower shall forthwith prepay in full all Eurodollar Rate Advances of all Lenders then outstanding, together with interest accrued thereon.

SECTION 2.14. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the Notes not later than 10:00 A.M. (San Francisco time) on the day when due in U.S. dollars to the Administrative Agent at its address referred to in Section 8.02(b) in same day funds. The Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest or fees ratably (other than amounts payable pursuant to Section 2.03 or 2.12) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an assignment pursuant to Section 8.07, from and after the effective date specified in such assignment, the Administrative Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such assignment shall make all appropriate adjustments in such

payments for periods prior to such effective date directly between themselves.

(b) All computations of interest and of fees shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Administrative Agent of an interest rate or fee amount hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder and under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the case may be; provided, however, if such extension would cause payment of interest on or principal of Eurodollar Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment in full to the Administrative Agent, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

ARTICLE III

Notwithstanding the foregoing provisions of this Section 5.02(f), but without limiting the provisions of Section 5.02(a)(i)(H), the Borrower and the Subsidiaries may sell its notes or accounts receivable at a discount on a non-recourse basis to reflect the fair present value thereof, so long as such discount shall be at a rate not in excess of the Alternate Base Rate.

The Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects with reasonable care.

SECTION 7.03. Agent's Reliance, Etc. Neither the Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Agent: (i) may treat the payee of any Note as the holder thereof until the

Agent receives and accepts an assignment entered into by the Lender which is the payee of such Note, as assignor, and an assignee, as provided in Section 8.07; (ii) may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (iii) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (iv) shall not have any

48

duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Borrower or to inspect the property (including the books and records) of the Borrower; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (vi) shall incur no liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by telecopier, telegram, cable or telex) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.04. Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent, unless such Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that either Agent receives such notice, such Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be requested by the Majority Lenders in accordance with Section 6.01; provided, however, that unless and until the Administrative Agent shall have received any such request, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders (but not including the actions reserved for the Majority Lenders in said Section 6.01).

SECTION 7.05. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on the financial statements referred to in Section 4.01(e) and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and

information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement. Except for notices, reports and other documents expressly herein required to be furnished to the Lenders by the Agent, the Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower which may come into the possession of the Agent.

SECTION 7.06. Indemnification. The Lenders agree to indemnify each Agent and their respective Affiliates, officers, directors, employees, agents and attorneys-in-fact ("Indemnified Persons") (to the extent not reimbursed by the Borrower), ratably according to the respective principal amounts outstanding under the Syndicated Notes then held by each of them (or if no Syndicated Advances are at the time outstanding or if any Syndicated Notes are held by Persons which are not Lenders, ratably according to the respective amounts of their Commitments), from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Indemnified Persons or any of them in any way relating to or arising out of this Agreement or any action taken or omitted by the Indemnified Persons or any of them under this Agreement, provided that no Lender shall be liable for any portion of such claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of an Indemnified Person. Without limitation of the foregoing, each Lender agrees to

49

reimburse the Agent promptly upon demand for its ratable share of any reasonable out-of-pocket expenses (including counsel fees) and allocated costs of internal counsel incurred by the Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that the Agent is not reimbursed for such expenses by the Borrower.

SECTION 7.07. Agent in Individual Capacity. BofA and Citicorp and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in, and generally engage in any kind of banking, trust, financial advisory or other business with the Borrower and its Subsidiaries and Affiliates, as though BofA and Citicorp respectively were not the Agent hereunder, and without notice to or consent of the Lenders. With respect to their respective Advances, BofA and Citicorp shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though they were not the Agent.

SECTION 7.08. Successor Agent. The Agent may, and at the request of the Majority Lenders shall, resign as Agent at any time by giving written notice thereof to the Lenders and the Borrower. Upon any such resignation, the Majority Lenders shall have the right to appoint a successor Agent. If no successor Agent shall have been so appointed by the Majority Lenders, and shall have accepted such appointment, within thirty (30) days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent which shall be a commercial bank organized under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$300,000,000 or an Affiliate thereof. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations as Agent under this Agreement. After any retiring Agent's resignation hereunder as Agent, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

SECTION 7.09. The Agent. Neither Agent shall be liable for any cost, expense (including, without limitation, counsel fees and disbursements), claim, demand, action, loss or liability that the other Agent may suffer or incur in connection with this Agreement or any action taken or omitted by such other Agent hereunder; provided, however, that the provisions of this Section 7.09 shall not affect the obligation of each Lender (including, without limitation, each Agent in its capacity as a Lender hereunder) to indemnify each Agent pursuant to Section 7.06 hereof.

SECTION 7.10. Withholding Tax.

(a) If any Lender is a "foreign corporation, partnership or trust" within the meaning of the Code and such Lender claims exemption from United States withholding tax under Section 1441 or 1442 of the Code, such Lender agrees with and in favor of the Administrative Agent, to deliver to the Administrative Agent: (i) if such Lender claims an exemption from, or a reduction of, withholding tax under a United States tax treaty, properly completed IRS Forms 1001 and W-8 before the payment of any interest in the first calendar year and before the payment of any interest in each third succeeding calendar year during which interest may be paid under this Agreement; (ii) if such Lender claims that interest paid under

this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, two properly completed and executed copies of IRS Form 4224 before the payment of any interest is due in the first taxable year of such Lender and in each succeeding taxable year of such Lender during which interest may be paid under this Agreement, and IRS Form W-9; and (iii) such other

form or forms as may be required under the Code or other laws of the United States as a condition to exemption from, or reduction of, United States withholding tax. Such Lender agrees to promptly notify the Administrative Agent of any change in circumstances which would modify or render invalid any claimed exemption or reduction. In addition in the event any Lender claims exemption from, or reduction of, withholding tax under a United States tax treaty by providing IRS Form 1001 and such Lender sells, assigns, grants a participation in, or otherwise transfers all or part of the obligations of the Borrower to such Lender under this Agreement, such Lender agrees to notify the Administrative Agent of the percentage amount in which it is no longer the beneficial owner of obligations of the Borrower to such Lender under this Agreement. To the extent of such percentage amount, the Administrative Agent will treat such Lender's IRS Form 1001 as no longer valid. In the event any Lender claiming exemption from United States withholding tax by filing IRS Form 4224 with the Administrative Agent sells, assigns, grants a participation in, or otherwise transfers all or part of the obligations of the Borrower to such Lender under this Agreement, such Lender agrees to undertake sole responsibility for complying with the withholding tax requirements imposed by Sections 1441 and 1442 of the Code.

(b) If any Lender is entitled to a reduction in the applicable withholding tax, the Administrative Agent may withhold from any interest payment to such Lender an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by subsection (a) are not delivered to the Administrative Agent, then the Administrative Agent may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(c) If the IRS or any other governmental authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly by the Administrative Agent as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to the Administrative Agent under this Section 7.10, together with all costs and expenses (including attorney's fees and costs). The obligation of the Lenders in this subsection shall survive the payment of all obligations hereunder and the resignation or replacement of the Administrative Agent.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. Amendments, Etc. No amendment or waiver of any provision of this Agreement or the Notes, nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders, and

51

then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following: (a) amend or waive any of the conditions specified in Section 3.01, (b) increase or extend the Commitments of the Lenders or subject the Lenders to any additional obligations, (c) reduce the principal of, or rate of interest specified on, the Advances or any fees or other amounts payable hereunder, (d) postpone any date fixed for any payment of principal of, or interest on, the Advances or any fees or other amounts payable hereunder, (e) change the percentage of the Commitments or the number of Lenders which shall be required for the Lenders or any of them to take any action hereunder, or (f) amend this Section 8.01; and provided, further, that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent or the Documentation Agent, as the case may be, in addition to the Lenders required above to take such action, affect the rights or duties of such Agent under this Agreement.

SECTION 8.02. Notices, Payments, Etc. (a) All notices and other communications provided for hereunder shall be in writing (including facsimile, telegraphic, telex or cable communication) and mailed, faxed, telegraphed, telexed, cabled or delivered, if to the Borrower, at its address at 20330 Stevens Creek Blvd., Mail Stop 36-TR, Cupertino, California 95014, Attention: Assistant Treasurer, fax number: (408) 974-0648, with a copy to the attention of the General Counsel at 20525 Mariani Avenue, Mail Stop 38-I, Cupertino, California 95014, fax number: (408) 253-7457; if to any Lender, at its Domestic Lending Office specified opposite its name on Schedule I hereto; if to any other Person who becomes a Lender after the date hereof, at its Domestic Lending Office specified in the assignment in accordance with Section 8.07 hereof pursuant to which it became a Lender; if to the Documentation Agent, at its address c/o Citicorp North America, Inc. at Citicorp Center, One Sansome Street, Suite 2710, San Francisco, California 94104, Attention: J. Kevin Nater; and if to the Administrative Agent, at its address at 1455 Market Street, 12th Floor, San Francisco, California 94103, Attention: Global Agency #5596; or, as to the Borrower or either Agent, at such other address as shall be designated by such party in a written notice to the other parties and, as to each other party, at such other address as shall be designated by such party in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, (i) when telecopied, telegraphed, telexed or cabled, be effective when telecopied, delivered to the telegraph company, confirmed by telex answerback or delivered to the cable company, respectively, and (ii) when mailed, be effective on the third Business Day

after the date deposited in the mails, except that notices and communications to the Administrative Agent pursuant to Article II or to either Agent pursuant to Article VII shall not be effective until received by the relevant Agent.

(b) All payments made or funds delivered to the Administrative Agent hereunder shall be made or delivered to the Administrative Agent as follows: Bank of America N.T. & S.A. (ABA 121-000-358-S.F.), Attn: Global Agency #5596, 1850 Gateway Boulevard, Concord, California 94520, for credit to account No. 12337-14219, Ref: Apple Computer, or at such other address as the Administrative Agent may designate from time to time in a written notice to the other parties.

SECTION 8.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

52

SECTION 8.04. Costs, Expenses and Taxes; Indemnification. (a) The Borrower agrees to pay on demand all reasonable costs and expenses incurred by the Agent in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, the Notes and the other documents to be delivered hereunder, including, without limitation, the reasonable fees and out-of-pocket expenses of counsel for the Documentation Agent with respect thereto and with respect to advising the Agent as to its rights and responsibilities under this Agreement. The Borrower further agrees to pay on demand all reasonable costs and expenses, if any (including, without limitation, reasonable counsel fees and expenses, specifically including reasonable allocated costs of in-house counsel), incurred by the Agent and the Lenders in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of this Agreement, the Notes and the other documents to be delivered hereunder, including, without limitation, reasonable counsel fees and expenses in connection with the enforcement of rights under this Section 8.04(a). In addition, the Borrower shall pay any and all stamp and other taxes payable or determined to be payable in connection with the execution and delivery of this Agreement, the Notes and the other documents to be delivered hereunder, and agrees to save the Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes.

(b) If any payment of principal of any Eurodollar Rate Advance or Auction Advance is made other than on the last day of the Interest

Period for such Syndicated Advance or the applicable maturity date for such Auction Advance, as the case may be, as a result of a payment pursuant to Section 2.13 or acceleration of the maturity of the Advances pursuant to Section 6.01 or for any other reason, the Borrower shall, upon demand by any Lender (with a copy of such demand to the Agent), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses which it may reasonably incur as a result of such payment, including, without limitation, any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

(c) The Borrower agrees to indemnify and hold harmless the Agent and each Lender and each of their Affiliates and their respective officers, directors, employees, agents and advisors (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, obligations, penalties, actions, judgments, suits, costs, disbursements and expenses (including, without limitation, reasonable fees and expenses of counsel and allocated costs of internal counsel) that may be incurred by or asserted against any Indemnified Party, in each case arising out of or in connection with or by reason of, or in connection with the preparation for a defense of, any investigation, litigation, proceeding or settlement arising out of, related to or in connection with (i) the Advances, the Borrowings or the Commitments, (ii) the use of funds advanced under this Agreement, (iii) the failure of the Borrower or any of its Subsidiaries to comply fully with any and all Environmental Laws applicable to it, or (iv) any acquisition or proposed acquisition by the Borrower or any of its Subsidiaries of all or any portion of the stock or substantially all the assets of any Person (including, without limitation, the Borrower), whether or not an Indemnified Party is a party thereto and whether or not the transactions contemplated hereby are consummated, except to the extent such claims, damages, losses, liabilities, obligations, penalties, actions, judgments, suits, costs, disbursements and expenses are found in a final non-appealable judgment by a court or competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Party.

(d) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 8.04 shall survive the termination of this Agreement, the termination of the Commitments and the payment in full of the Notes.

SECTION 8.05. Right of Set-off. Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the

Administrative Agent to declare the Advances and all other amounts payable under this Agreement to be forthwith due and payable pursuant to the provisions of Section 6.01, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement and any Note held by such Lender, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmatured. Each Lender agrees promptly to notify the Borrower after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender under this Section 8.05 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Lender may have.

SECTION 8.06. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Documentation Agent and the Documentation Agent shall have been notified by the Administrative Agent and each Lender that each has executed it, and thereafter this Agreement shall be binding upon and inure to the benefit of the Borrower, the Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

SECTION 8.07. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement.

(b) (i) Each Lender may assign to one or more commercial banks or Affiliates of any Lender all or a ratable portion of all of its rights and obligations under this Agreement (including, without limitation, all or a ratable portion of its Commitment and the Advances owing to it and the Notes held by it); provided, however, that (A) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement (other than any Auction Advances or Auction Notes), (B) the amount of the Commitment of the assigning Lender being assigned pursuant to each such assignment shall in no event be less than the lesser of \$5,000,000 or the remaining Commitment of the assignor Lender, (C) each such assignment shall be to an assignee consented to by the Borrower and the Administrative Agent, which consents shall not be unreasonably withheld; provided, however, that such consents shall not be required with respect to any such assignment by any Lender to an Affiliate of such Lender, and (D) the parties to each such assignment shall execute and deliver to the Administrative Agent any Note or Notes subject to

such assignment and the assigning Lender shall pay or cause to be paid to the Administrative Agent a processing and recordation fee of \$2,500. From and after the effective date of any such assignment, (1) the Assignee thereunder shall be a

54

party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such assignment, have the rights and obligations of a Lender hereunder, and (2) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such assignment, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an assignment covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(ii) A Lender may at any time grant participations to one or more banks or other entities in or to all or any part of its rights and obligations under this Agreement or any Borrowings hereunder without the consent of the Borrower or the Administrative Agent, and to the extent of any such participation (unless otherwise stated therein and except as provided below) the purchaser of such participation shall, to the fullest extent permitted by law, have the same rights and benefits hereunder and under such Borrowings as it would have if it were such Lender hereunder; provided, however, that the Borrower and the Administrative Agent shall be entitled to continue to deal solely with the granting Lender regarding notices, payments, payment instructions and any other matters arising pursuant to this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder, including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement described in clause (a), (b), (c) or (d) of Section 8.01 without the consent of the participant. Each Lender agrees to notify the Borrower and the Administrative Agent of the amount of each participation which grants to the participant a participating interest in such Lender's Commitment to the Termination Date and the identity of each such participant.

(c) The Administrative Agent and the Borrower may, for all purposes of this Agreement, treat any Lender as the holder of any Note drawn to its order (and owner of the Loans evidenced thereby) until written notice of assignment, participation or other transfer shall have been received by them.

(d) If any Eurodollar Reference Bank or its Lender Affiliate

assigns its Notes to an unaffiliated institution, the Administrative Agent shall, in consultation with the Borrower and with the consent of the Majority Lenders, appoint another bank to act as a Eurodollar Reference Bank hereunder, and pending such appointment, the Eurodollar Rate shall be determined on the basis of the remaining Eurodollar Reference Bank(s).

(e) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Advances owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

SECTION 8.08. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF CALIFORNIA WITHOUT REFERENCE TO THE CHOICE OF LAW RULES OF THAT STATE.

55

SECTION 8.09. Headings. Article and Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

SECTION 8.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 8.11. Confidentiality. In accordance with normal procedures regarding proprietary information supplied by customers, each of the Lenders agrees to keep confidential, and to cause its employees, agents and representatives to keep confidential, information relating to the Borrower or any Subsidiary received pursuant to or in connection with this Credit Agreement and the transactions contemplated hereby and identified as "confidential" or "secret" or the like, provided that nothing herein shall be construed to prevent the Agent or any Lender from disclosing such information (i) upon the order of any court or administrative agency, (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over the Agent or such Lender, (iii) which has been publicly disclosed, (iv) which has been lawfully obtained by any Agent or any of the Lenders from a Person other than the Borrower or any Subsidiary, the Agent or any other Lender, or (v) to any participant in or assignee of, or prospective participant in or assignee of, all or any part of the rights and obligations of such Agent or such Lender under this Agreement or any Advances hereunder or to any independent auditor or other professional advisor of the Agent or such Lender (provided that such participant or assignee, or prospective participant or assignee, or such auditor or

professional advisor agrees to comply with the same confidentiality requirements as set forth in this Section 8.11, or such other confidentiality requirements as shall be reasonably approved by the Borrower). If the Agent or any Lender shall disclose such information pursuant to clause (i) or clause (ii) of the preceding sentence, such Agent or Lender shall endeavor to give the Borrower prompt notice of such disclosure, but it is expressly agreed and understood that they shall not be liable for failing to do so.

SECTION 8.12. Waiver of Jury Trial. EACH OF THE BORROWER, THE LENDERS AND THE AGENT, TO THE EXTENT IT MAY LEGALLY DO SO, HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION, CAUSE OF ACTION OR PROCEEDINGS ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND IRRESPECTIVE OF WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. EACH OF THE BORROWER, THE LENDERS AND THE AGENT, TO THE EXTENT IT MAY LEGALLY DO SO, HEREBY AGREES THAT ANY SUCH CLAIM, DEMAND, ACTION, CAUSE OF ACTION OR PROCEEDING SHALL BE DECIDED BY A COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 8.12 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE OTHER PARTIES TO WAIVER OF ITS RIGHT TO TRIAL BY JURY.

SECTION 8.13. Entire Agreement. This Agreement, and the other documents, instruments and agreements referred to herein or otherwise executed by the parties pursuant hereto or in connection herewith set forth the entire understanding among the Borrower, the Lenders and the Agent. Any and all previous representations, warranties, agreements and understandings between or among the parties regarding the subject matter of this Agreement, whether written or oral, are superseded by this Agreement.

SECTION 8.14. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.
